SYNOPSIS: The City of Fernandina Beach owns, controls, and operates the Fernandina Beach Municipal Airport.

8 Flags Aviation, LLC, FHB Aircraft Hangars LLC, FHB Aircraft Hangars 3, LLC and the City wish to amend certain provisions in the Fernandina Beach Municipal Airport Fixed Base Operator Lease Agreement and related leases previously approved by the City Commission to authorize acquisition and reconstruction of Airport-owned Hangar "D" in support of a project to provide a permanent facility for Air Methods aeromedical operations at the Airport, and to align effective lease terms of multiple ground leases for capital development completed by the Airport's fixed base operator.

GROUND LEASE AGREEMENT FOR FHB Aircraft Hangars, LLC FOR PROPERTY LOCATED AT THE FERNANDINA BEACH MUNICIPAL AIRPORT

This GROUND LEASE AGREEMENT (hereinafter referred to as "Agreement"), made and entered into this 18th day of June, 2024, made by and between the **CITY OF FERNANDINA BEACH, FLORIDA**, a municipal corporation (hereinafter referred to as "LESSOR" or "City,") and **FHB AIRCRAFT HANGARS 3, LLC**, a limited liability company within the State of Florida, its successors and assigns (hereinafter referred to as "LESSEE".)

WHEREAS, LESSOR owns, controls and operates the Fernandina Beach Municipal Airport (hereinafter referred to as "Airport"), in the City of Fernandina Beach, County of Nassau, and State of Florida; and

WHEREAS, LESSEE has proposed to lease certain property from LESSOR at the LESSOR's municipal airport for aeronautical related activities; and

WHEREAS, LESSOR desires to make real property available to LESSEE at the Airport for the construction of a hangar with up to six shared wall box hangar units, auto parking and related infrastructure for storage of aircraft;

NOW THEREFORE, for and in consideration of the Premises and the mutual benefits and covenants contained in this Agreement, the parties hereby agree as follows:

1. Leased Premises. LESSOR hereby leases to LESSEE, and LESSEE hereby leases from LESSOR, the following real property identified and shown on Exhibit "A" Lease Area, attached hereto (hereinafter referred to as the "Premises"), together with the right of ingress and egress for vehicles and aircraft. The Premises is located within an area of Airport property designated the east area.

The LESSEE is authorized to conduct the following non-exclusive uses at the Airport: All operations associated with the conduct of the LESSEE's flight operations including but not limited to general commercial aircraft storage, and other non-commercial related aviation operations to include minor maintenance and repairs on LESSEE's aircraft. Additionally, the LESSEE is permitted to provide the commercial storage of aircraft of others. Finally, the LESSEE is authorized to develop and create an aircraft hangar condominium association and sell and/or lease individual hangar units to third parties for private aircraft storage. Any other commercial aeronautical activity may be permitted in the future, however such activity would require express written consent by LESSOR and LESSEE, and the acquisition of necessary permits, as may be required. All LESSEE operations shall comply with all federal, state and local rules, regulations and ordinances.

For the purposes of this Agreement, the term "Premises" shall include the use of airspace above and in the vicinity of said Airport, which is being used for conducting airport operations by LESSEE.

2. Term. The term of this Agreement shall be for a period of twenty (20) years, commencing on the first day of the first month following the execution of this Agreement by both parties (the "Lease Commencement Date"), and continuing for said term, unless earlier termination under the provisions of this Agreement.

Provided the LESSEE is not in default of any terms and conditions of this Agreement, upon expiration of the initial Twenty (20) year term, the LESSEE shall have the right to extend the Lease for two (2) successive additional Ten (10) year terms on the same terms and conditions contained herein. Written notice by LESSEE to exercise these lease extensions must be given a minimum of 120 days and no more than 270 days before the end of each term. All options for extension of this Agreement term shall be subject to performance standards noted below and accompanying continued capital investment toward improvements and repair. Such performance standards include:

a. At the 10 year anniversary of the Agreement, and every five (5) years thereafter, the LESSOR may conduct an inspection of the Premises to ascertain that facility and any improvements have been maintained in a condition and appearance to present clean, safe and attractive facilities at the Airport. Items considered will include, but not limited to, siding and exterior finish, roofing, doors including hangar doors, structural framing, apron pavement, lighting, electrical, landscaping, drainage, signage, and parking areas including pavement and striping. Any repairs required shall be completed by the LESSEE within 180 days of receipt of written notice from LESSOR that such repairs are to be made by LESSEE. If such reasonable repairs are not completed, then LESSEE will be billed at 115% of cost for LESSOR to complete identified repairs.

b. If Lessee desires, at the expiration of the second 10 year renewal term, or if exercised at the expiration of any additional extensions, LESSEE may request a new lease. If LESSOR determines that the leased Premises are not required for other airport uses, the LESSEE has met its obligations under the term of the preceding lease, and the LESSOR finds that a new lease is appropriate, the LESSOR and LESSEE may negotiate a new lease at terms to be agreed upon at the time of the negotiations. The duration of the new lease shall be at the LESSOR'S option.

3. Rent. In consideration of the rights and privileges granted by this Agreement, LESSEE agrees to pay LESSOR the following ground rent to commence on the date that building permits are issued by the City building department for construction of the improvements authorized under this lease:

a. Rent for the use of real property on Airport property based on a total lease area of 42,532.84 square feet; at a lease rate of $0.20 dollars per square foot per year. Initial annual ground rent shall be $8,506.57 per year.

b. This annual ground rent shall be converted to equal monthly payments to be made at the rate of $708.88 per month, which also is subject to applicable sales tax, currently $21.27, for a total of $730.15 per month and shall commence on the date that building permits are issued by the City building department for construction of the improvements authorized under this lease. All payments shall be due and payable without notice on or before the first day of each month.

c. This ground rent rate shall be reviewed each year by the LESSOR and ground rent rates, plus all applicable taxes, shall be adjusted so as to maintain a fair rental rate based on change in the Consumer Price Index (CPI) – All Urban Consumers South Urban Region – All Items (base year 1982-84=100), as published by the United States Department of Labor-Bureau of Labor Statistics, an appraisal, market rent study or other method designated by LESSOR. Such CPI change will be computed each year after the completion of the month of July and any change will be implemented and effective with October rent payments of each year. An appraisal, market rent study or alternative method as designated by the LESSOR may be substituted periodically for the CPI adjustment and shall be at least four years apart and any such adjustment will also be implemented in October of the applicable year. In no event, however, shall the ground rent be less than the previous year's rental amount. The Tenant shall be solely responsible for the payment of all applicable ad valorem property taxes.

4. Delinquency Charge. Any payments received after the tenth (10th) day of the month are subject to a delinquency charge of one and one-half percent (1 ½%) per month beginning with the eleventh (11^{th}) day after payment is due.

5. Place of Payment. All payments due LESSOR from LESSEE shall be made payable to the City of Fernandina Beach, and mailed to P. O. Box 1146, Fernandina Beach, Florida 32035 or delivered to 1180 South 5^{th} St. Extension, Fernandina Beach, Florida 32034.

6. Non-Exclusive Right. It is not the intention of this Agreement to grant to LESSEE the exclusive right to provide any or all of the services described in this Agreement at any time during the term of this Agreement. LESSOR reserves the rights, at its sole discretion, to grant others certain rights and privileges, to grant others certain rights and privileges upon the Airport which are identical in part or in whole to those granted to LESSEE. However, LESSOR does covenant and agree that:

a. It shall enforce all Airport Minimum Standards for Commercial Aeronautical Activities as currently approved or requirements for all similar services and activities conducted at the Airport;

b. Any other provider of similar services or activities will not be permitted to operate on the Airport under rates, terms, or conditions which are more favorable than those set forth in this Agreement; and

c. It will not permit the conduct of any aeronautical endeavor or activity at the Airport, except under an approved lease or operating agreement, or as general aviation by the general public.

7. Appurtenant Privileges. LESSEE shall be entitled, in common with others so authorized, to the non-exclusive use of all facilities and improvements of a public nature which now are or may hereafter be connected with or appurtenant to the Airport, including but not limited to, the use of rights-of-way, common area utilities, landing areas, runways, taxiways, navigational aids, terminal facilities and aircraft parking areas designated by LESSOR.

8. Construction and Use of Premise. LESSEE is hereby granted the non-exclusive privilege

to engage in, and LESSEE agrees to engage in, the construction and maintenance of a hangar with up to five (5) shared wall box hangar units as described below subject to change due to engineering and site requirements, ramp apron, auto parking and related infrastructure on the Premises for LESSEE'S business use, or for other commercial use as may be approved by LESSOR, built in accordance with plans and specifications contained in the Architecture and Building Design Standards for Development on the Airport and as approved by LESSOR and other aviation or aeronautical activities and services necessary or incidental thereto, such approval shall not be unreasonably withheld by LESSOR. If construction on the Premises has not begun within one (1) year of the date of this Agreement, and construction the hangar building is not completed within fifteen (15) months of the beginning of construction, this Agreement may be terminated by the LESSOR with thirty (30) days written notice to LESSEE. The parties agree that this Agreement shall be construed as an "Aeronautical Use Agreement" and LESSEE shall not engage in any business on the Premises other than that specified herein. Included as part of the LESSEE's Premises are:

a. Hangar Building: Subject to change due to engineering and site requirements, one hangar building with up to five shared wall box hangar units and other improvements on the Premises for the purpose of providing aircraft storage to aircraft owned or leased by the LESSOR or for the commercial storage of aircraft of others and for no other purpose. Such facility shall have a minimum of one restroom available for tenants of the hangar facility.

b. Suitable vehicle parking shall be installed and maintained by the LESSEE to allow the loading, unloading and parking of vehicles having business on the Premises.

c. All improvements, including the design thereof, on the Premises must be permitted by the LESSOR prior to installation or construction. The LESSEE is responsible for applying for and obtaining all necessary construction permits and licenses required by local, state and federal laws and regulations.

No structures or fixtures will be allowed on the ramp apron. Any and all taxi-lanes and ramp aprons shall be constructed to adequately permit aircraft and vehicles access to the Premises. Pavement construction shall be of equal or greater strength than that of the existing airport taxi-lanes/taxiways/aprons to which it shall abut. The design and construction are subject to review and approval by the LESSOR's Engineer or designee.

e. Suitable pavement markings and lighting shall be installed and maintained by the LESSEE to provide for the orderly and safe movement of aircraft and vehicles on the Premises. Any lighting on the Premises must be approved by the LESSOR prior to installation, and not interfere with flight operations at the Airport.

f. All improvements shall be constructed, graded and drained so as to direct all storm water which may fall on the Premises into approved disposal devices. The LESSOR shall not contribute to storm water contamination and will take such steps and measures as are necessary to comply with the Airport's Storm Water Pollution Prevention Plan and all federal, state, and local regulations governing storm water discharge.

g. Any landscaping installed on the Premises is subject to approval by the LESSOR and shall be installed and maintained by the LESSEE.

a. Payments: LESSEE shall meet and pay all expenses and payments in connection with the use of the Premises and the rights and privileges herein granted, including taxes, ad valorem taxes, permit fees, impact fees, license fees and assessments lawfully levied or assessed upon the Premises or property situated hereon, as well as any and all utilities used or consumed by LESSEE on the Premises, including, but not limited to, water, gas, electricity, sewer, and refuse services.

The LESSOR shall require maintenance and needed repairs to be made in a timely manner.

d. Access: LESSEE shall have at all times the right of ingress to and egress from the rented Premises. To ensure this right the LESSOR shall make all reasonable efforts to keep adjacent areas to the rented Premises free and clear of all hazards and obstructions, natural and manmade.

e. Work in Hangar: It is clearly understood by the LESSEE that no right or privilege has been granted which would operate to prevent any person, firm or corporation operating aircraft on the Airport from performing any services on its own or leased aircraft with its own regular employees (including, but not limited to, maintenance and repair) that it may choose to perform. However, City building code requirements and governmental regulations must be met for the type of work being conducted (examples – painting of aircraft or heavy maintenance of aircraft.)

f. Commercial Activity: LESSEE is permitted to operate commercial aeronautical activities as described in Section 1. LESSEE hereby agrees that it shall comply with the contents of Exhibit "D" - Minimum Operating Standards for Commercial Aeronautical Activities (Minimum Standards), attached hereto, as currently approved or as may be amended from time

to time. Should the Minimum Standards be updated, and any requirement become more restrictive than current Minimum Standards the LESSEE shall have eighteen (18) months from date of adoption to meet the revised Minimum Standards unless waived in writing by the LESSOR. Once updated, those Minimum Standards shall become a part of this Agreement.

LESSEE shall remove, at its expense, all lettering, signs and placards so erected on the Premises at the expiration of the term of this Agreement.

h. Compliance with Applicable Laws, Rules and Regulations: Notwithstanding other requirements contained herein, the LESSEE at its sole cost and expense hereby agrees to and shall comply with all applicable ordinances, laws, rules and regulations established by federal, state, and local government agency or by the City, and they may be amended from time to time, and conduct its operations or commercial business in accordance with all applicable regulations pertaining to airports, including Airport Rules and Regulations, attached hereto as Exhibit "E", promulgated by the LESSOR governing safe and efficient operation of Fernandina Beach Municipal Airport. The LESSOR may, from time to time, modify and/or update the Rules and Regulations. LESSOR will provide LESSEE with a copy of the updated Rules and Regulations, and once updated or revised, those Rules and Regulations shall become a part of this Agreement.

i. Compliance with Environmental Law, Rules and Regulations: LESSEE expressly represents, covenants, warrants, guarantees, and agrees that it shall fully comply with all federal, state and local laws, ordinances, rules and regulations protecting the environment. Any cost or expense to remain or to be compliant with applicable environmental rules and regulations shall be the responsibility of the LESSEE. LESSEE agrees to keep themselves informed of future changes in the existing environmental laws. Such compliance will be the responsibility of the LESSEE at its sole cost and expense.

j. Hazardous Materials and Toxic Waste: LESSEE shall not cause or permit to occur:

1. Any violation of any federal, state or local law, ordinance or regulation now or later enacted, related to environmental conditions on, under, or about the Premises, or arising from LESSEE'S use or occupancy of the Premises, including, but not limited to, soil and ground water conditions; or

2. The use, generation, release, manufacture, refining, production, processing or disposal of any hazardous substance on, under, over, or about the Premises.

3. LESSEE shall, at its sole and exclusive expense, comply with all laws and regulations regulating the storage or transportation of hazardous substances relating to the Premises, and shall further make all submissions to, provide all information required by, and comply with all requirements of all governmental authorities under applicable federal, state and local laws and regulations; and the LESSOR is to be immediately notified by LESSEE of any

claim or allegation of non-compliance herewith.

4. If any authority demands that a clean-up plan be prepared and that a clean-up be undertaken because of any deposit, spill, discharge or other release of hazardous substances that occurs during the term hereof, or any renewals hereof, at or from the Premises, or which arises from LESSEE's use or occupancy of the Premises, then LESSEE shall, at LESSEE's expense, prepare and submit the required plans and all related bonds and other required financial assurances; and LESSEE shall carry out all work required by such clean-up plans at its sole and exclusive expense.

10. Continuing Obligation. LESSEE'S obligations under Section 9, subsection (j), and Section 11 and Section 15 of this Agreement shall survive the expiration or termination of this Agreement or any renewal thereof.

11. Indemnification for Toxic Wastes. LESSEE, for itself and on behalf of its officers, agents, employees, assigns, and contractors, does agree to protect, defend, ensure and indemnify LESSOR, its officers, directors, elected and appointed officials and employees, for any manner of loss, damage, cost or assessment which may result from or in any manner be related to the deposit, spill, discharge or other release, and or the presence, use, distribution or disposition of any toxic substance, chemical, metal, petroleum product, or hazardous or toxic waste, or any other substance or derivative. This provision shall survive the expiration of this Agreement. This shall not apply to conditions which pre-exist the date of this Agreement.

12. Aerial Approaches. LESSOR reserves the right to take any action it considers necessary to protect the aerial approaches of the Airport against obstruction, together with the right to prevent LESSEE from erecting, or permitting to be erected, any building or other structure on or adjacent to the Airport which, in the opinion of the LESSOR, would limit the usefulness of the Airport or constitute a hazard to aircraft.

13. Leasehold Improvements.

a. LESSEE agrees to submit to LESSOR, for approval, detailed plans and specifications for any structural change, alteration, addition, improvement or removal from or to the Premises. LESSOR shall approve the plans and specifications as submitted, or transmit proposed revisions to LESSEE within sixty (60) days of receipt of the plans and specifications from LESSEE. In the event that LESSOR requires revisions of the original plans and specifications, LESSEE shall have thirty (30) calendar days from the date of receipt of the proposed revisions to resubmit the plans and specifications for LESSOR's approval. This initial review shall not constitute review for the purposes of obtaining City permits. LESSEE shall be required to obtain all permits from governmental agencies as may be required, including the City, and shall be solely responsible for all costs relating to permitting the proposed improvements.

b. Any such improvements made by LESSEE shall remain the property of the LESSEE until the expiration of this Agreement and any extensions or renewals thereof and which shall remain on the Premises until the expiration or termination of this Agreement, at which time such improvements shall become the property of LESSOR. LESSEE shall at all times maintain all improvements constructed on the property in good condition. Upon expiration

or termination of this Agreement, the LESSEE shall execute any and all documentation necessary to transfer clear title to the leasehold improvements, free of any lien or encumbrance, to LESSOR.

c. LESSEE shall not permit any mechanic's or other liens to be placed upon the Premises, at any time, except that LESSEE shall be permitted to mortgage its leasehold improvements to be constructed on the Premises by LESSEE. LESSOR shall not be required to subordinate its interest to such Leasehold Mortgage. All documentation regarding any leasehold mortgage must be reviewed and approved by the LESSOR prior to finalization of documents, to assure that no interest of the LESSOR is included in the documentation.

d. LESSEE shall provide payment and performance bonds in amounts and form as approved by LESSOR, prior to commencement of construction.

e. Within sixty (60) days of completion of construction, erection or any alteration of any improvements by the LESSEE, the LESSEE shall provide to the LESSOR a complete set of "as-built" plans and drawings.

14. Insurance. LESSEE shall obtain and maintain continuously in effect at all times during the term of this Agreement, at LESSEE's sole expense, the following insurance:

a. Comprehensive general liability insurance with a Combined Single Limit (CSL) of not less than One Million ($1,000,000) Dollars protecting LESSOR against any and all liability by reason of LESSEE's conduct incident to the use of the Premises, caused by or arising out of any negligent or wrongful act or omission of LESSEE;

b. LESSEE agrees that, should it desire to lease space for aircraft hangar storage, it shall obtain Hangar Keepers liability insurance protecting LESSOR against any and all liability by reason of LESSEE'S conduct incident to the use of the Premises, caused by or arising out of any negligent or wrongful act or omission of LESSEE, in the minimum amount of One Million ($1,000,000) Dollars;

c. All insurances as required under the applicable Airport Minimum Standards for Commercial Aeronautical Activities shall be provided to LESSOR;

d. Property insurance covering direct physical loss due to perils of fire, windstorm and extended coverage for full replacement value;

e. Copy of annual insurance certificate(s) to be attached hereto as Exhibit "C", Liability Insurance Certificate, and shall be provided to LESSOR annually; AND

f. All insurance requirements specified herein above shall name LESSOR as an additional insured with instructions that the insurance carrier will notify LESSOR if the LESSEE defaults on premium payments, and shall require that the insurance carrier notify LESSOR thirty (30) days prior to any event leading to the material modification or cancellation of the policy.

15. Indemnification. LESSEE agrees to assume liability for and indemnify, hold harmless, and defend the LESSOR, its commissioners, mayor, officers, employees, agents, and attorneys

of, from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, arising directly or indirectly out of or in connection with any negligent and/or deliberate act or omission of LESSEE, its officers, employees, agents, and representatives. LESSEE'S liability hereunder shall include all attorney's fees and costs incurred by the LESSOR in the enforcement of this indemnification provision. This includes claims made by the employees of LESSEE against the LESSOR and LESSEE hereby waives its entitlement, if any, to immunity under Sections 440.11, Florida Statutes. This Agreement, or any part thereof, may not be assigned, transferred or subleased by LESSEE, by process or operation of law or in any other manner whatsoever, without the prior written consent of LESSOR, which consent shall not be unreasonably withheld. Prior to issuing any written consent, LESSOR may demand such information it may require to adequately judge whether the proposed assignee, transferee or sub-lessee can adequately perform the duties of the LESSEE under this Agreement.

17. Independent Contractor. In its use of the Premises, LESSEE acts as an independent contractor and not as an agent of LESSOR. The selection, retention, assignment, direction and payment of LESSEE'S employees shall be the sole responsibility of LESSEE, and LESSOR shall not attempt to exercise any control over the daily performance of duties of LESSEE'S employees.

18. Non-Discrimination. Notwithstanding any other inconsistent provision of this Agreement, during the performance of this Agreement, LESSEE, for itself, its heirs, personal representatives, successors in interest and assigns, as part of the consideration for this Agreement, does hereby covenant and agree, as a covenant running with the land, that:

a. No person on the grounds of race, color, religion, sex, or national origin shall be excluded from participating in, denied the benefits of, or otherwise be subjected to discrimination, in the use of the Premises.

b. In the furnishing of services on, over or under the Premises, no person on the grounds of race, color, religion, sex or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination;

c. LESSEE shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuation of Title VI of the Civil Rights Act of 1964 and Title VIII of the Civil Rights Act of 1968, and as said regulations may be amended.

19. Maintenance of Airport Facilities. LESSOR shall maintain all public and common joint

use areas of the Airport, including the Air Operations Area, in good repair, and shall make such repairs, replacements or additions thereto, as in its opinion, are required and necessary for the safe and efficient operation of the Airport.

20. Termination. This Agreement shall be subject to termination by either party in the event of any one or more of the following:

a. The abandonment of the Airport as an airport or airfield;

b. The default by either party in the performance of any of the terms, covenants and conditions of this Agreement, and the failure of such defaulting party to remedy or to undertake to remedy to the other party's satisfaction such default for a period of thirty (30) days after receipt of notice from the non-defaulting party to the defaulting party to remedy same. This includes the failure of the LESSEE to complete the proposed improvements within the time frames as set forth herein;

c. Damage to or destruction of all or a material part of the Premises or Airport facilities necessary to the LESSEE'S operation;

d. LESSEE shall be entitled to terminate this Agreement in the event of the lawful assumption by the United States, or any authorized agency thereof, of the operation, control or use of the Airport, or any substantial part thereof, in such a manner as to restrict substantially LESSEE from conducting its operations for a period in excess of ninety (90) days.

e. LESSOR shall be entitled to terminate this Agreement upon the filing of a voluntary petition in bankruptcy by LESSEE, including a reorganization plan, a general or other assignment for the benefit of creditors, adjudication as a bankrupt, or if a receiver is appointed for the property or affairs of LESSEE and such receivership is not vacated within thirty (30) days after the appointment of such receiver;

f. LESSOR shall be entitled to terminate this Agreement upon the conviction of LESSEE or any of LESSEE's officers, managers or employees of any crime involving moral turpitude relating to this Agreement of LESSEE's operations hereunder;

g. LESSEE shall have the right to terminate this Agreement and its obligations hereunder, by providing sixty (60) days written notice to LESSOR and by conveying to LESSOR the title to the improvements constructed on the Premises, free and clear of any lien or encumbrance, provided that LESSEE has properly maintained said property and it is in as good condition as when originally constructed, ordinary wear and tear excepted, and provided, further, that the obligations regarding accumulated rent and indemnification shall specifically survive.

h. In the event of abandonment or closure of the Airport by the LESSOR, referenced in Paragraph 20(a) above, LESSOR shall reimburse LESSEE the difference between LESSEE's actual investment costs including preliminary engineering and design fees, permitting fees, contracting and building fees, insurance, utilities, maintenance fees and ground leasing fees incurred by LESSEE minus rents collected by LESSEE through the date of abandonment or closure of the Airport, plus recapture of all investment costs and interest to date including accumulated expense and investments. This reimbursement obligation by LESSOR to LESSEE

shall continue for a period of 20 years from the initial effective date of this Agreement.

21. Subordination. This Agreement shall be subordinate to the provisions of any existing or future agreement between LESSOR and the United States, relative to the operation or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal funds for the development of the Airport.

22. National Emergency. During the time of war or national emergency, the LESSOR shall have the right to lease the landing area or all or any part of the Premises upon demand to the United States Government, and if any such agreement is executed, the provisions of this Agreement with the LESSEE herein, and all obligations of LESSEE to make the payments as required in Section 3 above, shall be suspended for the length of time that the United States Government requires the use of the said landing area and/or Premises. This period of time during which the Agreement is so suspended will not count against the time provisions of the then existing Agreement.

23. Entire Agreement. This Agreement constitutes the entire agreement and understanding between the parties, and as of its effective date supersedes all prior or independent contracts or agreements between the parties covering the subject matter hereof. Any change or modification hereof must be in writing signed by both parties.

24. Severability. If any substantive provision hereof shall be finally declared void or illegal by any court or administrative agency having jurisdiction and such declaration results in a substantial failure of consideration for either party, the entire Agreement shall be subject to termination by such party. Otherwise, such declaration shall not be cause for termination of this Agreement, but only such void or illegal provision shall be canceled or deemed to be of no effect.

25. Notice. Any notice given by one party to the other in connection with this Agreement shall be in writing and shall be sent by certified mail, return receipt requested, postage prepaid, addresses as follows:

27. Re-Entry. It is further understood and agreed between the parties hereto that in the event of any breach of any covenant or agreement on the part of the LESSEE to be performed and provided, that if such breach is not remedied by the LESSEE after reasonable notice in writing to it by the LESSOR, the LESSOR may re-enter and terminate this tenancy by giving the LESSEE thirty (30) days written notice, to quit the Premises. Fernandina Beach Municipal Airport
700 Airport Rd
Fernandina Beach, FL 32034

Mr. Carver,

Please find enclosed an application for an airport commercial lease for aeronautical development on land at the Fernandina Beach Municipal Airport.

FHB Aircraft Hangars, LLC proposes to build a shared wall hangar with 6 box hangar units on approximately 1 acre of aeronautical designated land along Jamestown Rd. The proposed site is consistent with the Airport Master Plan and will be well received from those on the hangar waitlist who want something larger than a t-hangar.

A conceptual site plan and a draft land lease are attached to this letter. The land lease document and aeronautical lease rate are the same as what has been established in previous ground leases at the airport.

We respectfully request that this application be brought up for review and recommendation at the next Airport Advisory Commission and then forwarded to the City Commission for approval as laid out in the FHB minimum standards for commercial development.

If you have any questions, please do not hesitate to contact me or Nathan Coyle for additional information.

The area of contention for users of FHB is the floor of the proposal would be 1200MSL. Many of the users of FHB believe that the proposal would complicate the use of FHB by compressing air traffic to lower altitudes over the island compared to what is used at present. Jacksonville Aviation Authority (JAA) has scheduled a meeting to discuss the proposal and to form an Ad Hoc committee on February 28, 2024. Several users of FHB plan on attending. Expect updates on this subject at the next AAC meeting.

   Chairman Geib asked about the size of the proposed hangars and the distance from the taxiway which gives access to the proposed hangars. Mr. Coyle stated the wingspan for accommodation is 49 feet or less. Member Sell asked how many aircraft this project would accommodate. Mr. Coyle stated that at least 6 aircraft. Member Sell also asked if the aircraft could be fueled by a fuel truck or would they have to taxi to the FBO or self-service. Mr. Coyle stated that a fuel truck would be able to service the aircraft. Director Carver stated that this project is aligned with the FHB Airport Master Plan.

Commissioner Ross, 210 North 3rd Street, briefed the AAC on the previous grants that were issued to the City that were applied to improvements to the Ybor Alvarez Sports Complex in years past.

The details of design, construction and financing the Welcome Center and related improvements will be memorialized in formal written agreements approved by Eight Flags Aviation, LLC and the City Commission within the next 1-2 years.

At the October 13, 2015 Special Commission Meeting scheduled for McGill Aviation to present arguments regarding reconsideration of the award of RFP 15-101.2, the City Commission expressed an interest in seeing survey areas and sketches of current and proposed lease areas for McGill Aviation and Eight Flags Aviation in order to clarify where the new Welcome Center will be located as well as other facilities on the North Area of the Airport.

FISCAL IMPACT: The additional revenue to the Airport to be determined by the actual number of feet leased as reflected on the final survey (estimated to be a minimum of $35,000 per year).

ARTICLE 6 – LESSEE RIGHTS AND OBLIGATIONS

6.1 Use of Airport. The reasonable use by LESSEE, its employees, passengers, guests, patrons, and invitees, in common with other duly authorized users of Airport and the appurtenant together with all other facilities and improvements which have been or may hereafter be provided for common or public use in connection with Airport. LESSOR will make every effort to minimize the disruption of normal airport usage during periods of repair or further airport development.

6.2 Fixed Based Operator. The following are LESSEE obligations regarding the operation of a FBO on Airport after the Commencement Date:

a. LESSEE shall not at any time use the Premises or any part thereof for any purposes other than the fixed based operation provided for and described herein, and such related activities as are herein expressly authorized, without advance written consent of LESSOR.

b. LESSEE shall provide all services as required of a FBO as set forth in the City's current Minimum Standards for Commercial Aeronautical Activities ~~and~~ as may be amended.

c. LESSEE shall furnish said goods and services on a fair, equal, and not unjustly discriminatory basis for all users thereof, and shall charge fair, reasonable, and not unjustly discriminatory prices for each unit or service, provided that the LESSEE may be allowed to make reasonable and non-discriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

6.2.1 The LESSOR has entered into this Agreement with the understanding that the Services to be provided under this Agreement are subject to the personal supervision and management of persons who are experienced in the business of Fixed Base Operations and duly qualified under applicable governmental regulations. Therefore, LESSOR's has the right to consult with LESSEE in the event of any changes in control or management of the LESSEE to ensure that the public interest in availability of the Services is met. Accordingly, the LESSOR and LESSEE agree to the following limitations.

6.2.2 Assignment and Sublease. LESSEE shall not, at any time, assign, transfer, convey, mortgage, pledge, or encumber its interest under this Agreement, or any part of the leased space, to any party without prior written approval of LESSOR, such approval shall not be unreasonably withheld. Refusal by the LESSOR to approve assignment shall be based **solely** upon reasonable and verifiable concerns regarding the assignee's ability, based on experience and financial strength, to operate the FBO professionally. In no case will assignment be conditioned upon a renegotiation of the terms of the Agreement and any assignment shall allow the assignee to continue to operate under the terms and conditions described herein for the remainder of the term of the Agreement. Any attempted voluntary assignment, transfer, or subletting in violation of the provisions hereof shall be null and void and a default of this Agreement. No assignment, transfer, conveyance, or sublease by Operator shall relieve LESSEE of its primary responsibility for payment of rent and performance of all other obligations provided in this Agreement, without specific written consent by LESSOR to such relief. Any transfer of control of LESSEE or of LESSEE's operations, whether by merger or consolidation, or transfer of shares or membership interests shall constitute an assignment under this Section. The foregoing prohibition on assignment shall not be construed to limit LESSEE's rights to grant a Leasehold Mortgage as permitted in Section 6.8 herein.

6.3 Access. LESSEE, its employees, patrons, invitees, suppliers, agents, and contractors shall have at all times the right of ingress to and egress from the rented and managed Premises but this right does not relieve those named persons, firms, or corporations from the obligation to observe and obey all rules, regulations, or laws that may then currently be in effect in the operation of the Airport. To ensure this right the LESSOR shall make all reasonable efforts to keep adjacent areas to the rented Premises free and clear of all hazards and obstructions, natural and manmade.

6.4 Signs. During the term of the Agreement, LESSEE shall have the right, at its expense, to place on or at the Premises, a sign or signs identifying LESSEE. LESSEE shall be responsible for all permits for its own signage. Notwithstanding any other provision of the Agreement, said sign(s) shall remain the property of LESSEE. LESSEE shall remove, at its expense, all lettering, signs, and placards so erected on the Premises at the expiration of the term of the Agreement.

6.5 UNICOM. Notwithstanding that LESSOR owns the license for the aviation frequency associated with the "UNICOM", the LESSOR grants the LESSEE the non-exclusive right to use the UNICOM frequency to communicate with aircraft using the Airport. The acquisition, cost, installation, and maintenance of communication equipment for radio communication

with aircraft in flight or on the ground, or such substitute apparatus, for air safety as may be designated by the City or the FAA shall be for ~~the~~ responsibility of the LESSEE.

6.6 Aircraft Owner' Rights and Privileges. It is clearly understood by the LESSEE that no right or privilege has been granted which would prevent any person, firm, or corporation operating aircraft on the Airport from performing any services on its own or leased aircraft with its own regular employees (including, but not limited to, maintenance and repair) that it may choose to perform

6.7 Leasehold Improvements. The following pertains to leasehold improvements, which are governed by the Airport Development Guidelines and Standards, made by LESSEE on the Premises after the Commencement Date (prior to the Commencement Date, the following shall be subject to the Construction and Financing Agreements) and:

a. LESSEE agrees to submit to LESSOR, for approval, detailed plans and specifications for any structural change, alteration, addition, improvement, or removal from or to the Premises. LESSOR shall approve the plans and specifications as submitted, or transmit proposed revisions to LESSEE within thirty (30) days of receipt of the plans and specifications from LESSEE. In the event that LESSOR requires revisions of the original plans and specifications, LESSEE shall have thirty (30) calendar days from the date of receipt of the proposed revisions to resubmit the plans and specifications for LESSOR's approval. This initial review shall not constitute review for the purposes of obtaining City permits. LESSEE shall be required to obtain all permits from governmental agencies as may be required, including the City, and shall be solely responsible for all costs relating to permitting the proposed improvements.

b. Any such improvements made by LESSEE shall remain the property of the LESSEE until the expiration of the Agreement and any extensions or renewals thereof, and which shall remain on the Premises until the expiration or termination of the Agreement, at which time such improvements shall become the property of LESSOR. LESSEE shall at all times maintain all improvements constructed on the property in good condition. Upon expiration or termination of the Agreement, the LESSEE shall execute any and all documentation necessary to transfer clear title to the leasehold improvements, free of any lien or encumbrance, to LESSOR.

c. LESSEE shall not permit any mechanic's or other liens to be placed upon the Premises, at any time, except that LESSEE shall be permitted to mortgage its leasehold improvements to be constructed on the Premises by LESSEE in accordance with the provisions of Section 6.8 herein. LESSOR shall cooperate and provide customary assurances but shall not be required to subordinate its interest to such Leasehold Mortgage. All documentation regarding any leasehold mortgage must be reviewed and approved by the LESSOR prior to finalization of documents, to assure that no interest of the LESSOR is included in the documentation. Such review will be conducted promptly by LESSOR at its own expense.

d. LESSEE shall provide payment and performance bonds in amounts and form reasonably satisfactory to LESSOR, prior to commencement of construction.

e. Within sixty (60) days of completion of construction, erection, or any alteration of any improvements by the LESSEE, the LESSEE shall provide to the LESSOR a complete set without charge of "as-built" plans and drawings.

6.8 LESSEE may at any time and from time to time (and as many times as it desires) mortgage, hypothecate or pledge this Agreement and the leasehold estate created hereby and the interest of the LESSEE in and to this Agreement, together with LESSEE's right, title and interest in the improvements to the Premises and LESSEE's interest in any and all subleases and in and to all rents due or to become due thereunder (herein called a "Leasehold Mortgage"; and the holder of any such Leasehold Mortgage, whether or not the same is recorded of record, is herein called a "Leasehold Mortgagee").

LESSOR and LESSEE agree that so long as any such Leasehold Mortgage exists:

A. LESSOR will simultaneously mail to any Leasehold Mortgagee a copy of any notice given by LESSOR to LESSEE at the address given by such Leasehold Mortgagee to LESSOR for the receipt of such notice.

B. LESSOR and LESSEE acknowledge that the defaults or other events described in Section 10.1 herein may be classified as (i) "Curable Defaults" and (ii) "Non-Curable Defaults". The Non-Curable Defaults are any defaults which are by their nature not susceptible of being cured by a third person such as the Leasehold Mortgagee; and the Curable Defaults are all other defaults.

C. If a Curable Default occurs and if, prior to the expiration of the applicable grace period provided for in Section 10.1, the Leasehold Mortgagee shall give to LESSOR written notice that it intends to undertake a curing of all Curable Defaults and within such grace period the Leasehold Mortgagee commences upon a curing and thereafter pursues to conclusion the curing of all Curable Defaults continuously and diligently in good faith, then LESSOR will not take action to effect a termination of this Ground Lease or to re-enter or take possession of the Ground Leased Premises as a consequence of such Curable Default. However, if (i) a Curable Default is of such a nature that the curing thereof cannot be effected by the Leasehold Mortgagee until it shall have obtained possession of the Premises and (ii) prior to the effective date of a termination of this Agreement by LESSOR or LESSOR's re-entering or taking possession of the Premises, the Leasehold Mortgagee shall give to LESSOR written notice that it intends to institute foreclosure or other legal proceedings or to exercise any of its remedies under the Leasehold Mortgage concerned in order to gain possession of the Premises and within such grace period takes action to institute such remedies, then LESSOR will not take any action to effect a termination of this Agreement or to re-enter or take possession of the Premises as a consequence of such Curable Default so long as such Leasehold Mortgagee shall continue to prosecute its remedies under the Leasehold Mortgage (except during any such time it may be stayed or otherwise legally prevented from doing so) and cure all other Curable Defaults (if any) which may occur from time to time and which are susceptible of being cured by the Leasehold Mortgagee without its obtaining possession of the Premises and such Leasehold Mortgagee shall upon taking possession of the Premises cure

such Curable Defaults within the period reasonably required to cure the same.

D. If a Non-Curable Default occurs and (i) the Leasehold Mortgagee shall then be in the process of curing all then existing Curable Defaults pursuant to the provisions of subsection (C) above and (ii) the Leasehold Mortgagee shall give to LESSOR written notice that it intends to institute foreclosure or other legal proceedings or to exercise any of its remedies under the Leasehold Mortgage concerned in order to gain possession of the Premises, then LESSOR will not take any action to effect a termination of this Agreement or to re-enter or take possession of the Premises as a consequence of such Non-Curable Default so long as such Leasehold Mortgagee shall continue diligently to prosecute its remedies under the Leasehold Mortgage (except during any such time it may be stayed or otherwise legally prevented from doing so) and cure all Curable Defaults (if any) which may occur from time to time and which are susceptible of being cured by the Leasehold Mortgagee without its obtaining possession of the Premises and such Leasehold Mortgagee shall upon taking possession of the Premises cure such Curable Defaults within the period reasonably required to cure the same.

E. In the event a Leasehold Mortgagee or its designee designated for that purpose acquires the improvements and the leasehold estate pursuant to any proceedings for foreclosure of such Leasehold Mortgage, or by a voluntary assignment or transfer of this Agreement and the leasehold estate and the improvements in lieu of foreclosure or otherwise, the Leasehold Mortgagee or its designee or assignee as aforesaid shall be deemed an assignee of all the rights of LESSEE under this Agreement.

F. If this Agreement shall be rejected or disaffirmed pursuant to any bankruptcy law or other law affecting creditors' rights or if this Agreement is terminated for any other reason whatsoever, LESSOR will enter into a new lease of the Premises with the Leasehold Mortgagee or its designee not less than ten (10) nor more than thirty (30) days after the request of the Leasehold Mortgagee referred to below, for the remainder of the term of this Agreement effective as of the date of such rejection or disaffirmance or termination, upon all the terms and provisions contained in this Agreement; provided that (i) the Leasehold Mortgagee makes a written request to LESSOR for such new lease within ninety (90) days after the effective date of such rejection or disaffirmance or termination, as the case may be, and such written request is accompanied by a copy of such new lease, duly executed and acknowledged by the Leasehold Mortgagee or its designee and (ii) upon taking possession of the Premises the Leasehold Mortgagee cures any outstanding Curable Defaults within the period reasonably required to cure the same. Any new lease made pursuant to this paragraph shall have the same priority with respect to other interests in the Premises as this Agreement. The provisions of this paragraph shall survive the rejection or disaffirmance or termination of this Agreement and shall continue in full force and effect thereafter to the same extent as if this paragraph were a separate and independent contract made by LESSOR and the Leasehold Mortgagee.

G. So long as a Leasehold Mortgage is in effect (i) LESSOR will not accept a voluntary surrender of this Agreement, (ii) this Agreement shall not be modified in any material respect, and (iii) LESSOR and LESSEE shall not allow the fee interest in the Premises to merge with the leasehold estate created by this Agreement, without, in each case, the prior written consent of the Leasehold Mortgagee. Any violation of this paragraph shall be void.

The provisions of this Section 6.8 are for the benefit of any Leasehold Mortgagee and may be relied upon and shall be enforceable by any Leasehold Mortgagee. No Leasehold Mortgagee shall be liable upon the covenants, agreements or obligations of LESSEE contained in this Agreement, except as expressly provided herein.

LESSOR shall execute any instruments any such Leasehold Mortgagee may reasonably request or require from LESSOR, with respect to the provisions of this Section 6.8 excluding a subordination agreement or joinder of the Leasehold Mortgage.

6.9 Equipment and Trade Fixtures. LESSEE will retain title to all of its trade fixtures and equipment and any improvements and property installed by LESSEE during the term of the Agreement. Upon termination of the Agreement or upon removal of trade fixtures and equipment, the LESSEE shall restore the Premises to good condition at its sole cost and expense. Any LESSEE improvements or property installed not removed becomes the property of LESSOR.

6.10 Further Capital Improvement. LESSEE is granted right to make further capital improvement on the Premises within the scope of the Agreement at its sole cost and expense. In the event that any capital improvement, permanent improvement, fixture, new construction, or the like is proposed or made by LESSEE that requires a new paved surface for aircraft or automobile ingress or egress, including any associated new taxiway, taxi lane, or aircraft parking apron, or automobile parking lot, then LESSEE shall, at its sole cost and expense, install and maintain any such new private use paved surfaces during the term of the Agreement including providing for drainage requirements.

6.11 Airport Protection by LESSEE. LESSEE expressly agrees for itself, its successors, and assigns, to restrict the height of structures, objects of natural growth, and other obstructions on the Rented Premises to such a height so as to comply with City Building Code and Federal Aviation Regulations Part 77 and to prevent any use of the Premises which would interfere with or adversely affect the operation, maintenance or development of the Airport, or otherwise constitute an airport hazard.

6.12 Fueling on Airport. LESSEE is granted the non-exclusive right ~~and obligation~~ to fuel aircraft from refueling vehicles and provide ancillary services at tenant hangars and approved locations by LESSOR located outside of the Premises and upon the Premises of others with their permission and upon their request.

6.13 Fire Extinguishers. LESSEE shall provide sufficient number of fire extinguishers as may be required under fire codes for the safe protection of aircraft, persons, and property on the Premises. Such fire extinguishers shall be properly inspected and certified annually.

6.14 Compliance with Applicable Laws, Rules, and Regulations. Notwithstanding other requirements contained herein, the LESSEE at its sole cost and expense, hereby agrees to and shall comply with all applicable laws, ordinances, rules, and regulations established by federal, state, local government agency, and by the City, as they may be amended from time to time, and conduct its operations and commercial business in accordance with all applicable regulations pertaining to airports, including Airport Rules and Regulations, attached hereto as Exhibit "E", promulgated by the LESSOR governing safe and efficient operation of Fernandina Beach Municipal Airport. The LESSOR may, from time to time, modify and/or update the Rules and Regulations. LESSOR will provide LESSEE with a copy of the updated Rules and Regulations, and once updated or revised, those Rules and Regulations shall become a part of the Agreement. The LESSOR and LESSEE agree that material violations of any of the conditions of the Agreement or any violations of the Airport's Rules and Regulations shall be sufficient cause for termination of the Agreement and eviction of LESSEE from said Premises, in accordance with Article 10 herein.

6.15 Airport Security. LESSEE has obligation to operate upon its Premises to not undermine the security of the Airport. LESSOR shall install and maintain adequate fences and gates to control unauthorized access on to the Airport. LESSEE shall provide to the Airport Manager a security plan at least once annually.

6.16 Compliance with Environmental Law, Rules, and Regulations. LESSEE expressly represents, covenants, warrants, guarantees, and agrees that it shall comply in all material respects with all federal, state, and local laws, ordinances, rules, and regulations protecting the environment. Any cost or expense to remain or to be compliant with applicable environmental rules and regulations shall be the responsibility of the LESSEE unless attributable to the grossly negligent acts or omissions of LESSOR. LESSEE agrees to keep themselves informed of future changes in the existing environmental laws.

6.17 Hazardous Materials and Toxic Waste. LESSEE shall not knowingly or if reasonably should have known cause or permit to occur:

a. Any violation of any federal, state, or local law, ordinance, or regulation now or later enacted, related to environmental conditions on, under, or about the Premises, or arising from LESSEE'S use or occupancy of the Premises, including, but not limited to, soil and ground water conditions; or

b. The use, generation, release, manufacture, refining, production, processing, or disposal of any hazardous substance on, under, over, or about the Premises.

c. LESSEE shall, at its sole and exclusive expense, comply with all laws and regulations regulating the storage or transportation of hazardous substances relating to the Premises, and shall further make all submissions to, provide all information required by, and comply with all requirements of all governmental authorities under applicable federal, state, and local laws and regulations; and the LESSOR is to be immediately notified by LESSEE of any claim or allegation of non-compliance herewith.

d. If any authority demands that a clean-up plan be prepared and that a clean-up be undertaken because of any deposit, spill, discharge, or other release of hazardous substances that occurs during the term hereof, or any renewals hereof, at, or from the

Premises, or which arises from LESSEE's use or occupancy of the Premises, then LESSEE shall, at LESSEE's expense, prepare and submit the required plans and all related bonds and other required financial assurances; and LESSEE shall carry out all work required by such clean-up plans at its sole and exclusive expense.

6.18 LESSOR's and LESSEE's Certificates. LESSOR and LESSEE, on written request from each other, shall execute and deliver to the other party or any Leasehold Mortgagee or prospective purchaser, if so requested, without charge, a certificate certifying that this Agreement is in full force and effect, and whether it has been modified (and if there have been modifications, stating them), and whether or not the party executing the certificate knows of any default, breach or violation by the other party under any of the terms of this Agreement, and such other matters as may reasonably be requested.

LESSEE shall not, at any time, assign, transfer, convey, mortgage, pledge, or encumber its interest under this Agreement, or any part of the leased space, to any party without prior written approval of LESSOR, such approval shall not be unreasonably withheld. Refusal by the LESSOR to approve assignment shall be based **solely** upon reasonable and verifiable concerns regarding the assignee's ability, based on experience and financial strength, to operate the FBO professionally. In no case will assignment be conditioned upon a renegotiation of the terms of the Agreement and any assignment shall allow the assignee to continue to operate under the terms and conditions described herein for the remainder of the term of the Agreement. Any attempted voluntary assignment, transfer, or subletting in violation of the provisions hereof shall be null and void and a default of this Agreement. No assignment, transfer, conveyance, or sublease by Operator shall relieve LESSEE of its primary responsibility for payment of rent and performance of all other obligations provided in this Agreement, without specific written consent by LESSOR to such relief. Any transfer of control of LESSEE or of LESSEE's operations, whether by merger or consolidation, or transfer of shares or membership interests shall constitute an assignment under this Section. The foregoing prohibition on assignment shall not be construed to limit LESSEE's rights to grant a Leasehold Mortgage as permitted in Section 6.8 herein.

6.3 Access. LESSEE, its employees, patrons, invitees, suppliers, agents, and contractors shall have at all times the right of ingress to and egress from the rented and managed Premises but this right does not relieve those named persons, firms, or corporations from the obligation to observe and obey all rules, regulations, or laws that may then currently be in effect in the operation of the Airport. 6.7 Leasehold Improvements. The following pertains to leasehold improvements, which are governed by the Airport Development Guidelines and Standards, made by LESSEE on the Premises after the Commencement Date (prior to the Commencement Date, the following shall be subject to the Construction and Financing Agreements) and:

a. LESSEE agrees to submit to LESSOR, for approval, detailed plans and specifications for any structural change, alteration, addition, improvement, or removal from or to the Premises. LESSOR shall approve the plans and specifications as submitted, or transmit proposed revisions to LESSEE within thirty (30) days of receipt of the plans and specifications from LESSEE. In the event that LESSOR requires revisions of the original plans and specifications, LESSEE shall have thirty (30) calendar days from the date of receipt of the proposed revisions to resubmit the plans and specifications for LESSOR's approval. This initial review shall not constitute review for the purposes of obtaining City permits. LESSEE shall be required to obtain all permits from governmental agencies as may be required, including the City, and shall be solely responsible for all costs relating to permitting the proposed improvements.

b. Any such improvements made by LESSEE shall remain the property of the LESSEE until the expiration of the Agreement and any extensions or renewals thereof, and which shall remain on the Premises until the expiration or termination of the Agreement, at which time such improvements shall become the property of LESSOR. LESSEE shall at all times maintain all improvements constructed on the property in good condition. Upon expiration or termination of the Agreement, the LESSEE shall execute any and all documentation necessary to transfer clear title to the leasehold improvements, free of any lien or encumbrance, to LESSOR.

c. LESSEE shall not permit any mechanic's or other liens to be placed upon the Premises, at any time, except that LESSEE shall be permitted to mortgage its leasehold improvements to be constructed on the Premises by LESSEE in accordance with the provisions of Section 6.8 herein. LESSOR shall cooperate and provide customary assurances but shall not be required to subordinate its interest to such Leasehold Mortgage. All documentation regarding any leasehold mortgage must be reviewed and approved by the LESSOR prior to finalization of documents, to assure that no interest of the LESSOR is included in the documentation. Such review will be conducted promptly by LESSOR at its own expense.

d. LESSEE shall provide payment and performance bonds in amounts and form reasonably satisfactory to LESSOR, prior to commencement of construction.

e. Within sixty (60) days of completion of construction, erection, or any alteration of any improvements by the LESSEE, the LESSEE shall provide to the LESSOR a complete set without charge of "as-built" plans and drawings.

6.8 LESSEE may at any time and from time to time (and as many times as it desires) mortgage, hypothecate or pledge this Agreement and the leasehold estate created hereby and the interest of the LESSEE in and to this Agreement, together with LESSEE's right, title and interest in the improvements to the Premises and LESSEE's interest in any and all subleases and in and to all rents due or to become due thereunder (herein called a "Leasehold Mortgage"; and the holder of any such Leasehold Mortgage, whether or not the same is recorded of record, is herein called a "Leasehold Mortgagee").

LESSOR and LESSEE agree that so long as any such Leasehold Mortgage exists:

A. LESSOR will simultaneously mail to any Leasehold Mortgagee a copy of any notice given by LESSOR to LESSEE at the address given by such Leasehold Mortgagee to LESSOR for the receipt of such notice.

B. LESSOR and LESSEE acknowledge that the defaults or other events described in Section 10.1 herein may be classified as (i) "Curable Defaults" and (ii) "Non-Curable Defaults". The Non-Curable Defaults are any defaults which are by their nature not susceptible of being cured by a third person such as the Leasehold Mortgagee; and the Curable Defaults are all other defaults.

C. If a Curable Default occurs and if, prior to the expiration of the applicable grace period provided for in Section 10.1, the Leasehold Mortgagee shall give to LESSOR written notice that it intends to undertake a curing of all Curable Defaults and within such grace period the Leasehold Mortgagee commences upon a curing and thereafter pursues to conclusion the curing of all Curable Defaults continuously and diligently in good faith, then LESSOR will not take action to effect a termination of this Ground Lease or to re-enter or take possession of the Ground Leased Premises as a consequence of such Curable Default. However, if (i) a Curable Default is of such a nature that the curing thereof cannot be effected by the Leasehold Mortgagee until it shall have obtained possession of the Premises and (ii) prior to the effective date of a termination of this Agreement by LESSOR or LESSOR's re-entering or taking possession of the Premises, the Leasehold Mortgagee shall give to LESSOR written notice that it intends to institute foreclosure or other legal proceedings or to exercise any of its remedies under the Leasehold Mortgage concerned in order to gain possession of the Premises and within such grace period takes action to institute such remedies, then LESSOR will not take any action to effect a termination of this Agreement or to re-enter or take possession of the Premises as a consequence of such Curable Default so long as such Leasehold Mortgagee shall continue to prosecute its remedies under the Leasehold Mortgage (except during any such time it may be stayed or otherwise legally prevented from doing so) and cure all other Curable Defaults (if any) which may occur from time to time and which are susceptible of being cured by the Leasehold Mortgagee without its obtaining possession of the Premises and such Leasehold Mortgagee shall upon taking possession of the Premises cure

such Curable Defaults within the period reasonably required to cure the same.

D. If a Non-Curable Default occurs and (i) the Leasehold Mortgagee shall then be in the process of curing all then existing Curable Defaults pursuant to the provisions of subsection (C) above and (ii) the Leasehold Mortgagee shall give to LESSOR written notice that it intends to institute foreclosure or other legal proceedings or to exercise any of its remedies under the Leasehold Mortgage concerned in order to gain possession of the Premises, then LESSOR will not take any action to effect a termination of this Agreement or to re-enter or take possession of the Premises as a consequence of such Non-Curable Default so long as such Leasehold Mortgagee shall continue diligently to prosecute its remedies under the Leasehold Mortgage (except during any such time it may be stayed or otherwise legally prevented from doing so) and cure all Curable Defaults (if any) which may occur from time to time and which are susceptible of being cured by the Leasehold Mortgagee without its obtaining possession of the Premises and such Leasehold Mortgagee shall upon taking possession of the Premises cure such Curable Defaults within the period reasonably required to cure the same.

E. In the event a Leasehold Mortgagee or its designee designated for that purpose acquires the improvements and the leasehold estate pursuant to any proceedings for foreclosure of such Leasehold Mortgage, or by a voluntary assignment or transfer of this Agreement and the leasehold estate and the improvements in lieu of foreclosure or otherwise, the Leasehold Mortgagee or its designee or assignee as aforesaid shall be deemed an assignee of all the rights of LESSEE under this Agreement.

F. If this Agreement shall be rejected or disaffirmed pursuant to any bankruptcy law or other law affecting creditors' rights or if this Agreement is terminated for any other reason whatsoever, LESSOR will enter into a new lease of the Premises with the Leasehold Mortgagee or its designee not less than ten (10) nor more than thirty (30) days after the request of the Leasehold Mortgagee referred to below, for the remainder of the term of this Agreement effective as of the date of such rejection or disaffirmance or termination, upon all the terms and provisions contained in this Agreement; provided that (i) the Leasehold Mortgagee makes a written request to LESSOR for such new lease within ninety (90) days after the effective date of such rejection or disaffirmance or termination, as the case may be, and such written request is accompanied by a copy of such new lease, duly executed and acknowledged by the Leasehold Mortgagee or its designee and (ii) upon taking possession of the Premises the Leasehold Mortgagee cures any outstanding Curable Defaults within the period reasonably required to cure the same. Any new lease made pursuant to this paragraph shall have the same priority with respect to other interests in the Premises as this Agreement. The provisions of this paragraph shall survive the rejection or disaffirmance or termination of this Agreement and shall continue in full force and effect thereafter to the same extent as if this paragraph were a separate and independent contract made by LESSOR and the Leasehold Mortgagee.

G. So long as a Leasehold Mortgage is in effect (i) LESSOR will not accept a voluntary surrender of this Agreement, (ii) this Agreement shall not be modified in any material respect, and (iii) LESSOR and LESSEE shall not allow the fee interest in the Premises to merge with the leasehold estate created by this Agreement, without, in each case, the prior written consent of the Leasehold Mortgagee. Any violation of this paragraph shall be void.

The provisions of this Section 6.8 are for the benefit of any Leasehold Mortgagee and may be relied upon and shall be enforceable by any Leasehold Mortgagee. No Leasehold Mortgagee shall be liable upon the covenants, agreements or obligations of LESSEE contained in this Agreement, except as expressly provided herein.

LESSOR shall execute any instruments any such Leasehold Mortgagee may reasonably request or require from LESSOR, with respect to the provisions of this Section 6.8 excluding a subordination agreement or joinder of the Leasehold Mortgage.

6.9 Equipment and Trade Fixtures. LESSEE will retain title to all of its trade fixtures and equipment and any improvements and property installed by LESSEE during the term of the Agreement. Upon termination of the Agreement or upon removal of trade fixtures and equipment, the LESSEE shall restore the Premises to good condition at its sole cost and expense. Any LESSEE improvements or property installed not removed becomes the property of LESSOR.

6.10 Further Capital Improvement. LESSEE is granted right to make further capital improvement on the Premises within the scope of the Agreement at its sole cost and expense. In the event that any capital improvement, permanent improvement, fixture, new construction, or the like is proposed or made by LESSEE that requires a new paved surface for aircraft or automobile ingress or egress, including any associated new taxiway, taxi lane, or aircraft parking apron, or automobile parking lot, then LESSEE shall, at its sole cost and expense, install and maintain any such new private use paved surfaces during the term of the Agreement including providing for drainage requirements.

6.11 Airport Protection by LESSEE. LESSEE expressly agrees for itself, its successors, and assigns, to restrict the height of structures, objects of natural growth, and other obstructions on the Rented Premises to such a height so as to comply with City Building Code and Federal Aviation Regulations Part 77 and to prevent any use of the Premises which would interfere with or adversely affect the operation, maintenance or development of the Airport, or otherwise constitute an airport hazard.

6.12 Fueling on Airport. LESSEE is granted the non-exclusive right ~~and obligation~~ to fuel aircraft from refueling vehicles and provide ancillary services at tenant hangars and approved locations by LESSOR located outside of the Premises and upon the Premises of others with their permission and upon their request.

6.13 Fire Extinguishers. LESSEE shall provide sufficient number of fire extinguishers as may be required under fire codes for the safe protection of aircraft, persons, and property on the Premises. Such fire extinguishers shall be properly inspected and certified annually.

The LESSOR may, from time to time, modify and/or update the Rules and Regulations. LESSOR will provide LESSEE with a copy of the updated Rules and Regulations, and once updated or revised, those Rules and Regulations shall become a part of the Agreement. The LESSOR and LESSEE agree that material violations of any of the conditions of the Agreement or any violations of the Airport's Rules and Regulations shall be sufficient cause for termination of the Agreement and eviction of LESSEE from said Premises, in accordance with Article 10 herein.

6.15 Airport Security. LESSEE has obligation to operate upon its Premises to not undermine the security of the Airport. LESSOR shall install and maintain adequate fences and gates to control unauthorized access on to the Airport. LESSEE shall provide to the Airport Manager a security plan at least once annually.

6.16 Compliance with Environmental Law, Rules, and Regulations. LESSEE expressly represents, covenants, warrants, guarantees, and agrees that it shall comply in all material respects with all federal, state, and local laws, ordinances, rules, and regulations protecting the environment. Any cost or expense to remain or to be compliant with applicable environmental rules and regulations shall be the responsibility of the LESSEE unless attributable to the grossly negligent acts or omissions of LESSOR. LESSEE agrees to keep themselves informed of future changes in the existing environmental laws.

6.17 Hazardous Materials and Toxic Waste. LESSEE shall not knowingly or if reasonably should have known cause or permit to occur:

a. Any violation of any federal, state, or local law, ordinance, or regulation now or later enacted, related to environmental conditions on, under, or about the Premises, or arising from LESSEE'S use or occupancy of the Premises, including, but not limited to, soil and ground water conditions; or

b. The use, generation, release, manufacture, refining, production, processing, or disposal of any hazardous substance on, under, over, or about the Premises.

c. LESSEE shall, at its sole and exclusive expense, comply with all laws and regulations regulating the storage or transportation of hazardous substances relating to the Premises, and shall further make all submissions to, provide all information required by, and comply with all requirements of all governmental authorities under applicable federal, state, and local laws and regulations; and the LESSOR is to be immediately notified by LESSEE of any claim or allegation of non-compliance herewith.

d. If any authority demands that a clean-up plan be prepared and that a clean-up be undertaken because of any deposit, spill, discharge, or other release of hazardous substances that occurs during the term hereof, or any renewals hereof, at, or from the

Premises, or which arises from LESSEE's use or occupancy of the Premises, then LESSEE shall, at LESSEE's expense, prepare and submit the required plans and all related bonds and other required financial assurances; and LESSEE shall carry out all work required by such clean-up plans at its sole and exclusive expense.

6.18 LESSOR's and LESSEE's Certificates. LESSOR and LESSEE, on written request from each other, shall execute and deliver to the other party or any Leasehold Mortgagee or prospective purchaser, if so requested, without charge, a certificate certifying that this Agreement is in full force and effect, and whether it has been modified (and if there have been modifications, stating them), and whether or not the party executing the certificate knows of any default, breach or violation by the other party under any of the terms of this Agreement, and such other matters as may reasonably be requested.

LESSEE shall have the right at any time during said term, or any renewal, or extension thereof; to remove its trade fixtures and equipment situated on the Premises which were installed, or placed by it, at its expense, in, on, or about the Premises, subject, to any valid lien which LESSOR may have thereon for unpaid rents, fees, taxes, or charges. All moveable personal property shall be removed by the LESSEE on or before the expiration of the Agreement term and all property not so removed shall be deemed abandoned by the LESSEE.

Should jurisdiction in state court not be available, then venue for any federal action brought hereunder shall be the U.S. District Court, Middle District of Florida, Jacksonville Division. In the event of any litigation between the parties regarding the breach and/or enforcement of the Agreement, the prevailing party shall be entitled to its reasonable attorney's fees and costs, including at the appellate court level, from the non-prevailing party as determined by a court of competent jurisdiction.

13.10 Non-Waiver. The failure of the LESSOR to insist upon strict performance of any of the terms, conditions, or covenants herein set forth shall not be deemed a waiver of any rights or remedies that it may have and shall not be deemed a waiver of any breach or default by the LESSEE of the terms, conditions, or covenants contained herein.

13.11 Radon Gas Notice. Pursuant to Florida Statutes Section 404.056(8), LESSOR hereby makes, and LESSEE hereby acknowledges, the following notification:

NOW THEREFORE, based on mutual consideration, the sufficiency of which is agreed to between the parties, the parties hereby agree to amend the below referenced sections of the FBO Lease and add new sections as follows:

It is fully understood by the parties that Article 2, Leased Premises, of the FBO Lease has subsections numbered 1.1-1.7 and Article 2, Term, of the FBO Lease has subsections numbered (a-e). This Addendum only amends and adds to Article 2, Leased Premises, of the FBO Lease.

Article 2, Leased Premises, Section 1.1 of the FBO Lease is hereby deleted in its entirety and replaced with the following:

1.1 Ground. LESSOR hereby leases to LESSEE, and LESSEE hereby leases from LESSOR, the following real property (land) identified and shown on Exhibit "1" attached hereto (hereinafter referred to as the "Premises"), together with the right of ingress and egress for vehicles and aircraft.

Article 2, Leased Premises, Section 1.3 of the FBO Lease is hereby deleted in its entirety and replaced with the following:

1.3 Rented Terminal Space.

NFPA 409 Standard on Aircraft Hangars and the Florida Building Codes which can be viewed in the office of the Airport Manager or their designated representative.

(i) Damage to Property. Except to the extent covered by insurance maintained, or required to be maintained, under this Lease, LESSEE shall be responsible for all damage to property, real or personal, located on, in, or about the Rented Terminal Space and Premises including the associated vehicle parking area, or public use areas damaged as a result of the LESSEE's negligence, misuse, or abuse. In the event the LESSEE does not promptly repair any damaged Rented Terminal Space or Premises, for which the LESSEE is responsible, the City reserves the right to make such repairs at LESSEE's expense, which shall become due and payable as part of the LESSEE's next monthly rental payment. Such repairs shall be charged to LESSEE at 115% of cost to City. LESSEE shall promptly report any damage to the Airport Manager or City Manager.

(j) Equipment and Trade Fixtures. LESSEE will retain title to all of its trade fixtures and equipment and any improvements and property installed by LESSEE to the Rented Terminal Space during the term of the FBO Lease, and LESSEE shall have the right to remove such personal property upon expiration of the tenancy. Upon termination of the FBO Lease or upon removal of trade fixtures and equipment, the LESSEE shall restore the Rented Terminal Space to good condition which includes but is not limited to no exposed wiring, plumbing, mechanical components or unpainted/unfinished walls, flooring or ceiling, at LESSEE's sole cost and expense. Any LESSEE improvements or property installed and not removed in the Rented Terminal Space and on the Premises become the property of City.

(k) Fire Extinguisher. The City shall maintain at all times, in the Rented Terminal Space, a minimum of three approved ten-pound dry chemical fire extinguishers suitable for use on Type A, B, and C fires with current inspection certificate from an approved fire equipment company or the local Fire Inspector affixed. LESSOR shall have the right to enter the Rented Terminal Space with 24-hour prior written notice to inspect, maintain and/or replace fire extinguishers.

(l) LESSEE shall not cause or permit to occur: the use, generation, release, manufacture, refining, production, processing, or disposal of any hazardous substance on, under, over, or about the Rented Terminal Space.

(m) LESSEE shall, at its sole and exclusive expense, comply with all laws and regulations regulating the storage or transportation of hazardous substances relating to the Rented Terminal Space and Premises and shall further make all submissions to, provide all information required by, and comply with all requirements of all governmental authorities under applicable federal, state, and local laws and regulations; and the City is to be immediately notified by LESSEE of any claim or allegation of non-compliance herewith.

(n) If any authority demands that a clean-up plan be prepared and that a clean-up be undertaken because of any deposit, spill, discharge, or other release of hazardous substances that occurs during the term hereof, or any renewals hereof, at, or from the Rented Terminal Space or Premises, or which arises from LESSEE's use or occupancy of the Rented Terminal Space or Premises, then LESSEE shall, at LESSEE's expense, prepare and submit the required plans and all related bonds and other required financial assurances; and LESSEE shall carry out all work required by such clean-up plans at its sole and exclusive expense.

Article 5, Lessee Maintenance and Repair of Rented Terminal Space and Premises in the FBO Lease, add the following subsections:

5.8 City will maintain the structural components of the Rented Terminal Space. Repair and replacement required as a result of the negligent or willful conduct of LESSEE, its employee's, agents, or invitees shall be the responsibility of LESSEE, except to the extent any such replacement or repair is covered by insurance.

5.9 LESSEE shall pay directly for all telephone, internet, security, and cleaning services supplied to the Rented Terminal Space, and shall be responsible for maintenance of the Rented Terminal Space as outlined within Paragraph 5.3 of the FBO Lease. For any such utility fees or services that are not billed or metered separately to LESSEE, including without limitation, water, sewer, and electricity, the LESSEE shall pay to City LESSEE's share of these expenses as outlined below. If, in the initial term or any renewal terms of this agreement, LESSEE or City determines that the cost share outlined below is no longer equitable, either party may request review of this cost share through provision of a written request to re-evaluate cost share. Any such revisions to cost share must be agreed upon, in writing, by both parties.

a. Water and Sewer Services – Water and sewer charges will be assessed monthly under a single meter for the entire Terminal Facility, which is comprised of the Rented Terminal Space and City-portion of the structure. City will pay this monthly fee directly to the service provider and LESSEE shall remit fifty percent (50%) of the total monthly fee to City of services rendered; and

b. Electricity – Electricity will be assessed monthly under a single meter for the Terminal Facility. City shall pay this monthly fee directly to the service provider and LESSEE shall remit sixty percent (60%), LESSEE's percentage of rented space in the entire Terminal Facility, of the total monthly fee to City of services rendered.

c. Landscaping Services – City shall be responsible for all landscaping work, including but not limited to mowing, edging, trimming, tree trimming and weed spraying. City shall keep the grounds adjacent to or serving the Rented Terminal Space and the Premises in a condition determined to be acceptable at the sole discretion of the City. LESSEE shall have the right, at its own expense and in its reasonable discretion, to provide supplemental landscaping or grounds maintenance work.

5.10 Inspection. It is understood and agreed that CITY shall have the right to enter upon the Rented Terminal Space and Premises upon not less than 24 hours advance notice to Brian Echard or his designee, and, at any time during an emergency without notice to Brian Echard, to ensure maintenance, security, and safety of the Rented Terminal Space. If any deficiency in compliance with the FBO Lease is found, including any fire or accident hazard, LESSEE shall be so informed, and shall within fifteen (15) days of written notice rectify the hazard.

5.11 Self-Help by LESSEE. In the event City breaches any of its maintenance, repair or replacement obligations to be performed by it under this Lease, LESSEE shall have the right, after not less than 10 days' notice to City and opportunity to cure (except in an emergency, when no notice shall be required), to perform such of City's obligations as may be reasonably necessary or convenient for the continued operation of LESSEE's business, and City shall be responsible for paying LESSEE's costs and expenses

incurred, plus a 10% management fee; provided, however, if such maintenance, repair or replacement obligation is not reasonably capable of cure within such 10 day period, and City begins to cure within such 10 day period, LESSEE's right of self-help shall not commence so long as City is making diligent and good faith efforts to cure the required maintenance, repair or replacement obligation.

Add the following subsection to Article 13, Miscellaneous Provisions, in the FBO Lease:

13.13 Quiet Enjoyment. It is agreed that, at all times while LESSEE is not in material default under this Lease (beyond any applicable cure period), LESSEE shall peaceably and quietly have, hold and enjoy the Premises and Rented Terminal Space with all appurtenances during the term of this Lease and without any manner of hindrance or interference with its quiet enjoyment, possession and use, except to the extent otherwise set forth in this Lease.

RECOMMENDED ACTION: Approve Resolution 2015-139

SUMMARY: The City Manager and City Attorney have been in negotiations with Eight Flags Aviation, LLC ("Eight Flags Aviation") since Eight Flags Aviation, LLC was awarded RFP 2015-101.2 for fixed based operator ("FBO") services and lease of land at the Fernandina Beach Municipal Airport. The basic terms are as follows: 1) lease term is for 20 years, with two (2) five-year renewal options; 2) payment to be remitted to the City for $.20 per square foot of unimproved land; 3) FBO to contribute to cost of design and construction of new welcome center in exchange for rent credits to be determined in separate financing and construction documents; and 4) a fuel flowage fee of $.08 per gallon delivered by fuel supplier.

The City received a professional survey from Eight Flags Aviation so the square footage is displayed on a sealed survey attached to the lease agreement, and it is possible that the lease area and survey could change in the future based upon final construction documents and City improvements such as T-hangars which changes shall be approved by the City Commission. The details of design, construction and financing the Welcome Center and related improvements will be memorialized in formal written agreements approved by Eight Flags Aviation, LLC and the City Commission within the next 1-2 years.

At the October 13, 2015 Special Commission Meeting scheduled for McGill Aviation to present arguments regarding reconsideration of the award of RFP 15-101.2, the City Commission expressed an interest in seeing survey areas and sketches of current and proposed lease areas for McGill Aviation and Eight Flags Aviation in order to clarify where the new Welcome Center will be located as well as other facilities on the North Area of the Airport.

FISCAL IMPACT: The additional revenue to the Airport to be determined by the actual number of feet leased as reflected on the final survey (estimated to be a minimum of $35,000 per year).

In no case will assignment be conditioned upon a renegotiation of the terms of the Agreement and any assignment shall allow the assignee to continue to operate under the terms and conditions described herein for the remainder of the term of the Agreement. Any attempted voluntary assignment, transfer, or subletting in violation of the provisions hereof shall be null and void and a default of this Agreement. No assignment, transfer, conveyance, or sublease by Operator shall relieve LESSEE of its primary responsibility for payment of rent and performance of all other obligations provided in this Agreement, without specific written consent by LESSOR to such relief. In the event that LESSOR requires revisions of the original plans and specifications, LESSEE shall have thirty (30) calendar days from the date of receipt of the proposed revisions to resubmit the plans and specifications for LESSOR's approval. This initial review shall not constitute review for the purposes of obtaining City permits. LESSEE shall be required to obtain all permits from governmental agencies as may be required, including the City, and shall be solely responsible for all costs relating to permitting the proposed improvements.

b. Any such improvements made by LESSEE shall remain the property of the LESSEE until the expiration of the Agreement and any extensions or renewals thereof, and which shall remain on the Premises until the expiration or termination of the Agreement, at which time such improvements shall become the property of LESSOR. LESSEE shall at all times maintain all improvements constructed on the property in good condition. Upon expiration or termination of the Agreement, the LESSEE shall execute any and all documentation necessary to transfer clear title to the leasehold improvements, free of any lien or encumbrance, to LESSOR.

Such review will be conducted promptly by LESSOR at its own expense.

d. LESSEE shall provide payment and performance bonds in amounts and form reasonably satisfactory to LESSOR, prior to commencement of construction.

e. Within sixty (60) days of completion of construction, erection, or any alteration of any improvements by the LESSEE, the LESSEE shall provide to the LESSOR a complete set without charge of "as-built" plans and drawings.

6.8 LESSEE may at any time and from time to time (and as many times as it desires) mortgage, hypothecate or pledge this Agreement and the leasehold estate created hereby and the interest of the LESSEE in and to this Agreement, together with LESSEE's right, title and interest in the improvements to the Premises and LESSEE's interest in any and all subleases and in and to all rents due or to become due thereunder (herein called a "Leasehold Mortgage"; and the holder of any such Leasehold Mortgage, whether or not the same is recorded of record, is herein called a "Leasehold Mortgagee").

LESSOR and LESSEE agree that so long as any such Leasehold Mortgage exists:

A. LESSOR will simultaneously mail to any Leasehold Mortgagee a copy of any notice given by LESSOR to LESSEE at the address given by such Leasehold Mortgagee to LESSOR for the receipt of such notice.

B. LESSOR and LESSEE acknowledge that the defaults or other events described in Section 10.1 herein may be classified as (i) "Curable Defaults" and (ii) "Non-Curable Defaults". The Non-Curable Defaults are any defaults which are by their nature not susceptible of being cured by a third person such as the Leasehold Mortgagee; and the Curable Defaults are all other defaults.

C. If a Curable Default occurs and if, prior to the expiration of the applicable grace period provided for in Section 10.1, the Leasehold Mortgagee shall give to LESSOR written notice that it intends to undertake a curing of all Curable Defaults and within such grace period the Leasehold Mortgagee commences upon a curing and thereafter pursues to conclusion the curing of all Curable Defaults continuously and diligently in good faith, then LESSOR will not take action to effect a termination of this Ground Lease or to re-enter or take possession of the Ground Leased Premises as a consequence of such Curable Default. However, if (i) a Curable Default is of such a nature that the curing thereof cannot be effected by the Leasehold Mortgagee until it shall have obtained possession of the Premises and (ii) prior to the effective date of a termination of this Agreement by LESSOR or LESSOR's re-entering or taking possession of the Premises, the Leasehold Mortgagee shall give to LESSOR written notice that it intends to institute foreclosure or other legal proceedings or to exercise any of its remedies under the Leasehold Mortgage concerned in order to gain possession of the Premises and within such grace period takes action to institute such remedies, then LESSOR will not take any action to effect a termination of this Agreement or to re-enter or take possession of the Premises as a consequence of such Curable Default so long as such Leasehold Mortgagee shall continue to prosecute its remedies under the Leasehold Mortgage (except during any such time it may be stayed or otherwise legally prevented from doing so) and cure all other Curable Defaults (if any) which may occur from time to time and which are susceptible of being cured by the Leasehold Mortgagee without its obtaining possession of the Premises and such Leasehold Mortgagee shall upon taking possession of the Premises cure

such Curable Defaults within the period reasonably required to cure the same.

D. If a Non-Curable Default occurs and (i) the Leasehold Mortgagee shall then be in the process of curing all then existing Curable Defaults pursuant to the provisions of subsection (C) above and (ii) the Leasehold Mortgagee shall give to LESSOR written notice that it intends to institute foreclosure or other legal proceedings or to exercise any of its remedies under the Leasehold Mortgage concerned in order to gain possession of the Premises, then LESSOR will not take any action to effect a termination of this Agreement or to re-enter or take possession of the Premises as a consequence of such Non-Curable Default so long as such Leasehold Mortgagee shall continue diligently to prosecute its remedies under the Leasehold Mortgage (except during any such time it may be stayed or otherwise legally prevented from doing so) and cure all Curable Defaults (if any) which may occur from time to time and which are susceptible of being cured by the Leasehold Mortgagee without its obtaining possession of the Premises and such Leasehold Mortgagee shall upon taking possession of the Premises cure such Curable Defaults within the period reasonably required to cure the same.

E. In the event a Leasehold Mortgagee or its designee designated for that purpose acquires the improvements and the leasehold estate pursuant to any proceedings for foreclosure of such Leasehold Mortgage, or by a voluntary assignment or transfer of this Agreement and the leasehold estate and the improvements in lieu of foreclosure or otherwise, the Leasehold Mortgagee or its designee or assignee as aforesaid shall be deemed an assignee of all the rights of LESSEE under this Agreement.

F. If this Agreement shall be rejected or disaffirmed pursuant to any bankruptcy law or other law affecting creditors' rights or if this Agreement is terminated for any other reason whatsoever, LESSOR will enter into a new lease of the Premises with the Leasehold Mortgagee or its designee not less than ten (10) nor more than thirty (30) days after the request of the Leasehold Mortgagee referred to below, for the remainder of the term of this Agreement effective as of the date of such rejection or disaffirmance or termination, upon all the terms and provisions contained in this Agreement; provided that (i) the Leasehold Mortgagee makes a written request to LESSOR for such new lease within ninety (90) days after the effective date of such rejection or disaffirmance or termination, as the case may be, and such written request is accompanied by a copy of such new lease, duly executed and acknowledged by the Leasehold Mortgagee or its designee and (ii) upon taking possession of the Premises the Leasehold Mortgagee cures any outstanding Curable Defaults within the period reasonably required to cure the same. Any new lease made pursuant to this paragraph shall have the same priority with respect to other interests in the Premises as this Agreement. The provisions of this paragraph shall survive the rejection or disaffirmance or termination of this Agreement and shall continue in full force and effect thereafter to the same extent as if this paragraph were a separate and independent contract made by LESSOR and the Leasehold Mortgagee.

G. So long as a Leasehold Mortgage is in effect (i) LESSOR will not accept a voluntary surrender of this Agreement, (ii) this Agreement shall not be modified in any material respect, and (iii) LESSOR and LESSEE shall not allow the fee interest in the Premises to merge with the leasehold estate created by this Agreement, without, in each case, the prior written consent of the Leasehold Mortgagee. Any violation of this paragraph shall be void.

The provisions of this Section 6.8 are for the benefit of any Leasehold Mortgagee and may be relied upon and shall be enforceable by any Leasehold Mortgagee. No Leasehold Mortgagee shall be liable upon the covenants, agreements or obligations of LESSEE contained in this Agreement, except as expressly provided herein.

LESSOR shall execute any instruments any such Leasehold Mortgagee may reasonably request or require from LESSOR, with respect to the provisions of this Section 6.8 excluding a subordination agreement or joinder of the Leasehold Mortgage.

6.9 Equipment and Trade Fixtures. LESSEE will retain title to all of its trade fixtures and equipment and any improvements and property installed by LESSEE during the term of the Agreement. Upon termination of the Agreement or upon removal of trade fixtures and equipment, the LESSEE shall restore the Premises to good condition at its sole cost and expense. Any LESSEE improvements or property installed not removed becomes the property of LESSOR.

6.10 Further Capital Improvement. LESSEE is granted right to make further capital improvement on the Premises within the scope of the Agreement at its sole cost and expense. In the event that any capital improvement, permanent improvement, fixture, new construction, or the like is proposed or made by LESSEE that requires a new paved surface for aircraft or automobile ingress or egress, including any associated new taxiway, taxi lane, or aircraft parking apron, or automobile parking lot, then LESSEE shall, at its sole cost and expense, install and maintain any such new private use paved surfaces during the term of the Agreement including providing for drainage requirements.

6.11 Airport Protection by LESSEE. SUBJECT: Resolution 2015-139
Fixed Base Operator (FBO) Lease Agreement – 8 Flags Aviation, LLC

ATTACHMENTS: ___ Ordinance _X_ Resolution

RECOMMENDED ACTION: Approve Resolution 2015-139

SUMMARY: The City Manager and City Attorney have been in negotiations with Eight Flags Aviation, LLC ("Eight Flags Aviation") since Eight Flags Aviation, LLC was awarded RFP 2015-101.2 for fixed based operator ("FBO") services and lease of land at the Fernandina Beach Municipal Airport. The basic terms are as follows: 1) lease term is for 20 years, with two (2) five-year renewal options; 2) payment to be remitted to the City for $.20 per square foot of unimproved land; 3) FBO to contribute to cost of design and construction of new welcome center in exchange for rent credits to be determined in separate financing and construction documents; and 4) a fuel flowage fee of $.08 per gallon delivered by fuel supplier.

The City received a professional survey from Eight Flags Aviation so the square footage is displayed on a sealed survey attached to the lease agreement, and it is possible that the lease area and survey could change in the future based upon final construction documents and City improvements such as T-hangars which changes shall be approved by the City Commission. The details of design, construction and financing the Welcome Center and related improvements will be memorialized in formal written agreements approved by Eight Flags Aviation, LLC and the City Commission within the next 1-2 years.

FISCAL IMPACT: The additional revenue to the Airport to be determined by the actual number of feet leased as reflected on the final survey (estimated to be a minimum of $35,000 per year).

c. LESSEE shall not permit any mechanic's or other liens to be placed upon the Premises, at any time, except that LESSEE shall be permitted to mortgage its leasehold improvements to be constructed on the Premises by LESSEE in accordance with the provisions of Section 6.8 herein. LESSOR shall cooperate and provide customary assurances but shall not be required to subordinate its interest to such Leasehold Mortgage. All documentation regarding any leasehold mortgage must be reviewed and approved by the LESSOR prior to finalization of documents, to assure that no interest of the LESSOR is included in the documentation. Such review will be conducted promptly by LESSOR at its own expense.

d. LESSEE shall provide payment and performance bonds in amounts and form reasonably satisfactory to LESSOR, prior to commencement of construction.

e. Within sixty (60) days of completion of construction, erection, or any alteration of any improvements by the LESSEE, the LESSEE shall provide to the LESSOR a complete set without charge of "as-built" plans and drawings.

6.8 LESSEE may at any time and from time to time (and as many times as it desires) mortgage, hypothecate or pledge this Agreement and the leasehold estate created hereby and the interest of the LESSEE in and to this Agreement, together with LESSEE's right, title and interest in the improvements to the Premises and LESSEE's interest in any and all subleases and in and to all rents due or to become due thereunder (herein called a "Leasehold Mortgage"; and the holder of any such Leasehold Mortgage, whether or not the same is recorded of record, is herein called a "Leasehold Mortgagee").

LESSOR and LESSEE agree that so long as any such Leasehold Mortgage exists:

A. LESSOR will simultaneously mail to any Leasehold Mortgagee a copy of any notice given by LESSOR to LESSEE at the address given by such Leasehold Mortgagee to LESSOR for the receipt of such notice.

B. LESSOR and LESSEE acknowledge that the defaults or other events described in Section 10.1 herein may be classified as (i) "Curable Defaults" and (ii) "Non-Curable Defaults". The Non-Curable Defaults are any defaults which are by their nature not susceptible of being cured by a third person such as the Leasehold Mortgagee; and the Curable Defaults are all other defaults.

C. If a Curable Default occurs and if, prior to the expiration of the applicable grace period provided for in Section 10.1, the Leasehold Mortgagee shall give to LESSOR written notice that it intends to undertake a curing of all Curable Defaults and within such grace period the Leasehold Mortgagee commences upon a curing and thereafter pursues to conclusion the curing of all Curable Defaults continuously and diligently in good faith, then LESSOR will not take action to effect a termination of this Ground Lease or to re-enter or take possession of the Ground Leased Premises as a consequence of such Curable Default. However, if (i) a Curable Default is of such a nature that the curing thereof cannot be effected by the Leasehold Mortgagee until it shall have obtained possession of the Premises and (ii) prior to the effective date of a termination of this Agreement by LESSOR or LESSOR's re-entering or taking possession of the Premises, the Leasehold Mortgagee shall give to LESSOR written notice that it intends to institute foreclosure or other legal proceedings or to exercise any of its remedies under the Leasehold Mortgage concerned in order to gain possession of the Premises and within such grace period takes action to institute such remedies, then LESSOR will not take any action to effect a termination of this Agreement or to re-enter or take possession of the Premises as a consequence of such Curable Default so long as such Leasehold Mortgagee shall continue to prosecute its remedies under the Leasehold Mortgage (except during any such time it may be stayed or otherwise legally prevented from doing so) and cure all other Curable Defaults (if any) which may occur from time to time and which are susceptible of being cured by the Leasehold Mortgagee without its obtaining possession of the Premises and such Leasehold Mortgagee shall upon taking possession of the Premises cure

such Curable Defaults within the period reasonably required to cure the same.

D. If a Non-Curable Default occurs and (i) the Leasehold Mortgagee shall then be in the process of curing all then existing Curable Defaults pursuant to the provisions of subsection (C) above and (ii) the Leasehold Mortgagee shall give to LESSOR written notice that it intends to institute foreclosure or other legal proceedings or to exercise any of its remedies under the Leasehold Mortgage concerned in order to gain possession of the Premises, then LESSOR will not take any action to effect a termination of this Agreement or to re-enter or take possession of the Premises as a consequence of such Non-Curable Default so long as such Leasehold Mortgagee shall continue diligently to prosecute its remedies under the Leasehold Mortgage (except during any such time it may be stayed or otherwise legally prevented from doing so) and cure all Curable Defaults (if any) which may occur from time to time and which are susceptible of being cured by the Leasehold Mortgagee without its obtaining possession of the Premises and such Leasehold Mortgagee shall upon taking possession of the Premises cure such Curable Defaults within the period reasonably required to cure the same.

E. In the event a Leasehold Mortgagee or its designee designated for that purpose acquires the improvements and the leasehold estate pursuant to any proceedings for foreclosure of such Leasehold Mortgage, or by a voluntary assignment or transfer of this Agreement and the leasehold estate and the improvements in lieu of foreclosure or otherwise, the Leasehold Mortgagee or its designee or assignee as aforesaid shall be deemed an assignee of all the rights of LESSEE under this Agreement.

F. If this Agreement shall be rejected or disaffirmed pursuant to any bankruptcy law or other law affecting creditors' rights or if this Agreement is terminated for any other reason whatsoever, LESSOR will enter into a new lease of the Premises with the Leasehold Mortgagee or its designee not less than ten (10) nor more than thirty (30) days after the request of the Leasehold Mortgagee referred to below, for the remainder of the term of this Agreement effective as of the date of such rejection or disaffirmance or termination, upon all the terms and provisions contained in this Agreement; provided that (i) the Leasehold Mortgagee makes a written request to LESSOR for such new lease within ninety (90) days after the effective date of such rejection or disaffirmance or termination, as the case may be, and such written request is accompanied by a copy of such new lease, duly executed and acknowledged by the Leasehold Mortgagee or its designee and (ii) upon taking possession of the Premises the Leasehold Mortgagee cures any outstanding Curable Defaults within the period reasonably required to cure the same. Any new lease made pursuant to this paragraph shall have the same priority with respect to other interests in the Premises as this Agreement. The provisions of this paragraph shall survive the rejection or disaffirmance or termination of this Agreement and shall continue in full force and effect thereafter to the same extent as if this paragraph were a separate and independent contract made by LESSOR and the Leasehold Mortgagee.

G. So long as a Leasehold Mortgage is in effect (i) LESSOR will not accept a voluntary surrender of this Agreement, (ii) this Agreement shall not be modified in any material respect, and (iii) LESSOR and LESSEE shall not allow the fee interest in the Premises to merge with the leasehold estate created by this Agreement, without, in each case, the prior written consent of the Leasehold Mortgagee. Any violation of this paragraph shall be void.

The provisions of this Section 6.8 are for the benefit of any Leasehold Mortgagee and may be relied upon and shall be enforceable by any Leasehold Mortgagee. No Leasehold Mortgagee shall be liable upon the covenants, agreements or obligations of LESSEE contained in this Agreement, except as expressly provided herein.

LESSOR shall execute any instruments any such Leasehold Mortgagee may reasonably request or require from LESSOR, with respect to the provisions of this Section 6.8 excluding a subordination agreement or joinder of the Leasehold Mortgage.

6.9 Equipment and Trade Fixtures. LESSEE will retain title to all of its trade fixtures and equipment and any improvements and property installed by LESSEE during the term of the Agreement. Upon termination of the Agreement or upon removal of trade fixtures and equipment, the LESSEE shall restore the Premises to good condition at its sole cost and expense. Any LESSEE improvements or property installed not removed becomes the property of LESSOR.

6.10 Further Capital Improvement. LESSEE is granted right to make further capital improvement on the Premises within the scope of the Agreement at its sole cost and expense. In the event that any capital improvement, permanent improvement, fixture, new construction, or the like is proposed or made by LESSEE that requires a new paved surface for aircraft or automobile ingress or egress, including any associated new taxiway, taxi lane, or aircraft parking apron, or automobile parking lot, then LESSEE shall, at its sole cost and expense, install and maintain any such new private use paved surfaces during the term of the Agreement including providing for drainage requirements.

6.11 Airport Protection by LESSEE. LESSEE expressly agrees for itself, its successors, and assigns, to restrict the height of structures, objects of natural growth, and other obstructions on the Rented Premises to such a height so as to comply with City Building Code and Federal Aviation Regulations Part 77 and to prevent any use of the Premises which would interfere with or adversely affect the operation, maintenance or development of the Airport, or otherwise constitute an airport hazard.

6.12 Fueling on Airport. LESSEE is granted the non-exclusive right ~~and obligation~~ to fuel aircraft from refueling vehicles and provide ancillary services at tenant hangars and approved locations by LESSOR located outside of the Premises and upon the Premises of others with their permission and upon their request.

6.13 Fire Extinguishers. LESSEE shall provide sufficient number of fire extinguishers as may be required under fire codes for the safe protection of aircraft, persons, and property on the Premises. Such fire extinguishers shall be properly inspected and certified annually.

6.14 Compliance with Applicable Laws, Rules, and Regulations. Notwithstanding other requirements contained herein, the LESSEE at its sole cost and expense, hereby agrees to and shall comply with all applicable laws, ordinances, rules, and regulations established by federal, state, local government agency, and by the City, as they may be amended from time to time, and conduct its operations and commercial business in accordance with all applicable regulations pertaining to airports, including Airport Rules and Regulations, attached hereto as Exhibit "E", promulgated by the LESSOR governing safe and efficient operation of Fernandina Beach Municipal Airport. The LESSOR may, from time to time, modify and/or update the Rules and Regulations. LESSOR will provide LESSEE with a copy of the updated Rules and Regulations, and once updated or revised, those Rules and Regulations shall become a part of the Agreement. The LESSOR and LESSEE agree that material violations of any of the conditions of the Agreement or any violations of the Airport's Rules and Regulations shall be sufficient cause for termination of the Agreement and eviction of LESSEE from said Premises, in accordance with Article 10 herein.

6.15 Airport Security. LESSEE has obligation to operate upon its Premises to not undermine the security of the Airport. LESSOR shall install and maintain adequate fences and gates to control unauthorized access on to the Airport. LESSEE shall provide to the Airport Manager a security plan at least once annually.

6.16 Compliance with Environmental Law, Rules, and Regulations. LESSEE expressly represents, covenants, warrants, guarantees, and agrees that it shall comply in all material respects with all federal, state, and local laws, ordinances, rules, and regulations protecting the environment. Any cost or expense to remain or to be compliant with applicable environmental rules and regulations shall be the responsibility of the LESSEE unless attributable to the grossly negligent acts or omissions of LESSOR. LESSEE agrees to keep themselves informed of future changes in the existing environmental laws.

6.17 Hazardous Materials and Toxic Waste. LESSEE shall not knowingly or if reasonably should have known cause or permit to occur:

a. Any violation of any federal, state, or local law, ordinance, or regulation now or later enacted, related to environmental conditions on, under, or about the Premises, or arising from LESSEE'S use or occupancy of the Premises, including, but not limited to, soil and ground water conditions; or

d. If any authority demands that a clean-up plan be prepared and that a clean-up be undertaken because of any deposit, spill, discharge, or other release of hazardous substances that occurs during the term hereof, or any renewals hereof, at, or from the

Premises, or which arises from LESSEE's use or occupancy of the Premises, then LESSEE shall, at LESSEE's expense, prepare and submit the required plans and all related bonds and other required financial assurances; and LESSEE shall carry out all work required by such clean-up plans at its sole and exclusive expense.

6.18 LESSOR's and LESSEE's Certificates. LESSOR and LESSEE, on written request from each other, shall execute and deliver to the other party or any Leasehold Mortgagee or prospective purchaser, if so requested, without charge, a certificate certifying that this Agreement is in full force and effect, and whether it has been modified (and if there have been modifications, stating them), and whether or not the party executing the certificate knows of any default, breach or violation by the other party under any of the terms of this Agreement, and such other matters as may reasonably be requested.

13.2 Independent Contractor. In conducting its business hereunder, LESSEE acts as an independent contractor and not as an agent of LESSOR. The selection, retention, assignment, direction, and payment of LESSEE'S employees shall be the sole responsibility of LESSEE, and LESSOR shall not attempt to exercise any control over the daily performance of duties of LESSEE'S employees.

13.3 Subordination. The Agreement shall be subordinate to the provisions of any existing or future agreement between LESSOR and the United States, relative to the operation or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal funds for the development of the Airport.

13.4 Entire Agreement. The Agreement, RFP 2015-101.2 and LESSEE's proposal in response to RFP 2015-101.2 together constitute the entire agreement and understanding between the parties, and as of its effective date supersedes all prior or independent

contracts or agreements between the parties covering the subject matter hereof. Any change or modification hereof must be in writing signed by both parties.

13.5 Headings. Article titles and paragraph titles of the Agreement are inserted only as a matter of convenience and for reference and in no way define, limit, augment, or describe the scope, content, or intent of any provision of the Agreement.

13.6 Severability. If any substantive provision hereof shall be finally declared void or illegal by any court or administrative agency having jurisdiction and such declaration results in a substantial failure of consideration for either party, the entire Agreement shall be subject to termination by such party. Otherwise, such declaration shall not be cause for termination of the Agreement, but only such void or illegal provision shall be canceled or deemed to be of no effect.

13.7 National Emergency. During the time of war or national emergency, the LESSOR shall have the right to lease the landing area or all or any part of the Premises upon demand to the United States Government, and if any such agreement is executed, the provisions of the Agreement with the LESSEE herein, and all obligations of LESSEE to make the payments as required herein, shall be suspended for the length of time that the United States Government requires the use of the said landing area and/or Premises. This period of time during which the Agreement is so suspended will not count against the time provisions of the then existing Agreement.

13.8 Force Majeure. Neither LESSOR, nor LESSEE, shall be deemed to be in violation to the Agreement if either is prevented from performing any of its obligations hereunder by reasons of strikes, boycotts, labor disputes, embargoes, shortages of materials, acts of God, acts of public enemy, acts of superior governmental authority, weather conditions, floods, riots, rebellions, acts of sabotage, or any other circumstances for which it is not responsible, or which are not under its control, provided; however, that this section does not apply to failure by LESSEE to pay the rentals, fees, taxes, and charges set forth herein. In any such case a prompt written notice shall be given to the other party of the existence of such causes and of readiness to resume performance upon the removal, or non-existence thereof.

13.9 Governing Law, Venue and Attorney's Fees. The Agreement shall be construed in accordance with the laws of the State of Florida. Venue for any state law action brought hereunder shall be Nassau County, Florida. Should jurisdiction in state court not be available, then venue for any federal action brought hereunder shall be the U.S. District Court, Middle District of Florida, Jacksonville Division. In the event of any litigation between the parties regarding the breach and/or enforcement of the Agreement, the prevailing party shall be entitled to its reasonable attorney's fees and costs, including at the appellate court level, from the non-prevailing party as determined by a court of competent jurisdiction.

13.10 Non-Waiver. The failure of the LESSOR to insist upon strict performance of any of the terms, conditions, or covenants herein set forth shall not be deemed a waiver of any rights or remedies that it may have and shall not be deemed a waiver of any breach or default by the LESSEE of the terms, conditions, or covenants contained herein.

13.11 Radon Gas Notice. Pursuant to Florida Statutes Section 404.056(8), LESSOR hereby makes, and LESSEE hereby acknowledges, the following notification:

a. Radon Gas: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

b. LESSOR makes no representation or warranty with respect to the presence or absence of radon on the Premises, and LESSEE shall undertake such inspection or testing as it deems necessary or convenient to assure itself as to the presence or absence of radon.

13.12 Additional Terms. The Lease is being executed in advance of the commencement of operation and prior to construction on the Premises. Accordingly, LESSOR and LESSEE each agrees that it will cooperate and act reasonably with the other in resolving issues consistent with the intent of the Agreement and to ensure timely construction and performance and a professional work product.

GROUND LEASE AGREEMENT FOR Southshore CRE, Inc. FOR PROPERTY LOCATED AT THE FERNANDINA BEACH MUNICIPAL AIRPORT

This GROUND LEASE AGREEMENT (hereinafter referred to as "Agreement"), made and entered into this 4th day of February, 2019, made by and between the **CITY OF FERNANDINA BEACH, FLORIDA**, a municipal corporation (hereinafter referred to as "LESSOR" or "City,") and **Southshore CRE Incorporated**, an OHIO For-Profit Corporation, its successors and assigns (hereinafter referred to as "LESSEE".)

WHEREAS, LESSOR owns, controls and operates the Fernandina Beach Municipal Airport (hereinafter referred to as "Airport"), in the City of Fernandina Beach, County of Nassau, and State of Florida; and

WHEREAS, LESSEE has proposed to lease certain property from LESSOR at the LESSOR's municipal airport for aeronautical related activities; and

WHEREAS, LESSOR desires to make real property available to LESSEE at the Airport for the construction of aircraft storage hangars, ramp apron, auto parking and related infrastructure for business use and storage of aircraft;

NOW THEREFORE, for and in consideration of the Premises and the mutual benefits and covenants contained in this Agreement, the parties hereby agree as follows:

1. Leased Premises. LESSOR hereby leases to LESSEE, and LESSEE hereby leases from LESSOR, the following real property identified and shown on Exhibit "A" and Exhibit "B" Lease Areas, attached hereto (hereinafter referred to as the "Premises"), together with the right of ingress and egress for vehicles and aircraft. The Premises is located within an area of Airport property designated the east area.

The LESSEE is authorized to conduct the following non-exclusive use at the Airport: All operations associated with the conduct of the LESSEE's flight operations including but not limited to general commercial aircraft storage, and other non-commercial related aviation operations to include minor maintenance and repairs on LESSEE's aircraft. Additionally, the LESSEE is permitted to provide the commercial storage of aircraft of others. Any other commercial aeronautical activity may be permitted in the future, however such activity would require expressed written consent by LESSOR and LESSEE obtaining necessary permits, as may be required. All LESSEE operations shall comply with all federal, state and local rules, regulations and ordinances.

For the purposes of this Agreement, the term "Premises" shall include the use of airspace above and in the vicinity of said Airport, which is being used for conducting airport operations by LESSEE.

2. Term. The term of this Agreement shall be for a period of twenty (20) years,

commencing on the first day of the first month following the execution of this Agreement by both parties (the "Lease Commencement Date"), and continuing for said term, unless earlier termination under the provisions of this Agreement.

Provided the LESSEE is not in default of any terms and conditions of this Agreement, upon expiration of the initial Twenty (20) year term, the LESSEE shall have the right to extend the Lease for an additional Ten (10) year term on the same terms and conditions contained herein. Furthermore, if the LESSEE is not in default of any terms and conditions of this Agreement, the LESSEE may request to extend this Agreement for an additional Ten (10) years. This renewal option shall be based on a renegotiation and mutual agreement of both parties. Such written notice must be given a minimum of 120 days and no more than 270 days before the end of each term. All options for extension of this Agreement term shall be subject to performance standards noted below and accompanying continued capital investment toward improvements and repair. Such performance standards include:

a. At the 10 year anniversary of the Agreement, and every five (5) years thereafter, the LESSOR may conduct an inspection of the Premises to ascertain that facility and any improvements have been maintained in a condition and appearance to present clean, safe and attractive facilities at the Airport. Items considered will include, but not limited to, siding and exterior finish, roofing, doors including hangar doors, structural framing, apron pavement, lighting, electrical, landscaping, drainage, signage, and parking areas including pavement and striping. Any repairs required shall be completed by the LESSEE within 180 days of receipt of written notice from LESSOR that such repairs are to be made by LESSEE. If such reasonable repairs are not completed, then LESSEE will be billed at 115% of cost for LESSOR to complete identified repairs.

b. If Lessee desires, at the expiration of the 10 year renewal term, or if exercised at the expiration of any additional extensions, LESSEE may request a new lease. If LESSOR determines that the leased Premises are not required for other airport uses, the LESSEE has met its obligations under the term of the preceding lease, and the LESSOR finds that a new lease is appropriate, the LESSOR and LESSEE may negotiate a new lease at terms to be agreed upon at the time of the negotiations. The duration of the new lease shall be at the LESSOR'S option.

3. Rent. In consideration of the rights and privileges granted by this Agreement, LESSEE agrees to pay LESSOR the following ground rent from the date of commencement of this Agreement for two separate parcels.

a. Rent for the use of real property on Airport property within the area further described in Section 8 as the **Phase 1 Development Parcel** is based on a total lease area of 11,109 square feet; at a lease rate of $0.20 dollars per square foot per year. Initial annual ground rent for the Phase 1 Development Parcel shall be $2,221.80 per year.

b. Rent for the use of real property on Airport property within the area further described in Section 8 as the **Phase 2 Development Parcel** is based on a total lease area of 86,805 square feet; at a lease rate of $0.20 dollars per square foot per year. Initial annual ground rent for the Phase 2 Development Parcel shall be $17,361.00 per year.

c. This annual ground rent shall be converted to equal monthly payments to be made at the rate of $1,631.90 per month, which also is subject to applicable sales tax currently $106.07 per month or a total of $1,737.97 per month, and shall commence on the first day of the first month following the execution of this Agreement. All payments shall be due and payable without notice on or before the first day of each month. This rental rate shall be reduced in the event that the LESSEE or LESSOR provides notice to eliminate lease of the Phase 2 Development Parcel in accordance with the terms and conditions of Section 8 of this lease agreement below.

d. This ground rent rate shall be reviewed each year by the LESSOR and ground rent rates, plus all applicable taxes, shall be adjusted so as to maintain a fair rental rate based on change in the Consumer Price Index (CPI) – All Urban Consumers South Urban Region – All Items (base year 1982-84=100), as published by the United States Department of Labor-Bureau of Labor Statistics, an appraisal, market rent study or other method designated by LESSOR. Such CPI change will be computed each year after the completion of the month of July and any change will be implemented and effective with October rent payments of each year. An appraisal, market rent study or alternative method as designated by the LESSOR may be substituted periodically for the CPI adjustment and shall be at least four years apart and any such adjustment will also be implemented in October of the applicable year. In no event, however, shall the ground rent be less than the previous year's rental amount. The Tenant shall be solely responsible for the payment of all applicable ad valorem property taxes.

4. Delinquency Charge. Any payments received after the tenth (10th) day of the month are subject to a delinquency charge of one and one-half percent (1 ½%) per month beginning with the eleventh (11^{th}) day after payment is due.

5. Place of Payment. All payments due LESSOR from LESSEE shall be made payable to the City of Fernandina Beach, and mailed to P. O. Box 1146, Fernandina Beach, Florida 32035 or delivered to 1180 South 5^{th} St. Extension, Fernandina Beach, Florida 32034.

6. Non-Exclusive Right. It is not the intention of this Agreement to grant to LESSEE the exclusive right to provide any or all of the services described in this Agreement at any time during the term of this Agreement. LESSOR reserves the rights, at its sole discretion, to grant others certain rights and privileges, to grant others certain rights and privileges upon the Airport which are identical in part or in whole to those granted to LESSEE. However, LESSOR does covenant and agree that:

a. It shall enforce all Airport Minimum Standards for Commercial Aeronautical Activities as currently approved or requirements for all similar services and activities conducted at the Airport;

b. Any other provider of similar services or activities will not be permitted to operate on the Airport under rates, terms, or conditions which are more favorable than those set forth in this Agreement; and

c. It will not permit the conduct of any aeronautical endeavor or activity at the Airport, except under an approved lease or operating agreement, or as general aviation by the general public.

7. Appurtenant Privileges. LESSEE shall be entitled, in common with others so authorized, to the non-exclusive use of all facilities and improvements of a public nature which now are or may hereafter be connected with or appurtenant to the Airport, including but not limited to, the use of rights-of-way, common area utilities, landing areas, runways, taxiways, navigational aids, terminal facilities and aircraft parking areas designated by LESSOR.

8. Construction and Use of Premise. LESSEE is hereby granted the non-exclusive privilege to engage in, and LESSEE agrees to engage in development which includes construction and maintenance of up to three (3) shared wall row hangars, ramp apron, auto parking and related infrastructure on the Premises for LESSEE'S business use, or for other commercial use as may be approved by LESSOR, built in accordance with plans and specifications contained in the Architecture and Building Design Standards for Development on the Airport and as approved by LESSOR and other aviation or aeronautical activities and services necessary or incidental thereto, such approval shall not be unreasonably withheld by LESSOR. The construction of three (3) shared wall row hangars shall be referred to as the **Phase 1 Development** and will take place on the Phase 1 Development parcel on the sketch and description found at Exhibit "A" to this lease agreement. If Phase 1 Development construction on the Premises has not begun within one (1) year of the date of this Agreement, and construction of three (3) shared wall row hangars is not completed within fifteen (15) months of the beginning of construction, this Agreement may be terminated by the LESSOR with thirty (30) days written notice to LESSEE.

LESSEE shall lease additional airport property for potential future aircraft hangar development, referred to herein as **Phase 2 Development**. A description and sketch of Phase 2 property can be found at Exhibit "B" to this lease. LESSEE shall have fifteen (15) months from commencement of this lease to provide written notice to LESSEE of intent to develop additional hangars on the Phase 2 Development parcel and shall also submit all required documents for design review by the City of Fernandina Beach Technical Review Committee. If written notice of intent and submittal of all required documents to the City of Fernandina Beach Technical Review Committee is not completed on or before fifteen (15) months from commencement of this lease, LESSOR may, at its sole discretion, terminate the lease of Phase 2 Development parcel upon thirty (30) days written notice. If LESSEE provides notice that it does not intend to build Phase 2, the Parties shall consider this lease to be amended thirty (30) days following receipt of the date of written notice to remove the Phase 2 Development parcel. The lease of the Phase 1 Development parcel shall be unaffected by this notice. LESSEE may request an amendment of the Phase 2 parcel boundaries if proposed development on this parcel will only utilize a portion of the leasehold area, and this amendment will be contingent upon approval of the LESSOR.

The parties agree that this Agreement shall be construed as an "Aeronautical Use Agreement" and LESSEE shall not engage in any business on the Premises other than that specified herein. Included as part of the LESSEE's Phase 1 development are:

a. Three shared wall row hangars with the approximate dimensions of 40'x35', 40'x35', and 45'x35' with a single unisex shared restroom to be used for the commercial storage of aircraft of others and for no other purpose.

b. Suitable vehicle parking shall be installed and maintained by the LESSEE to allow the loading, unloading and parking of vehicles having business on the Premises.

c. All Phase 1 Development and Phase 2 Development improvements, including the design thereof, on the Premises must be permitted by the LESSOR prior to installation or construction. The LESSEE is responsible for applying for and obtaining all necessary construction permits and licenses required by local, state and federal laws and regulations.

d. The LESSEE shall construct an aircraft ramp apron on the Premises as designated by the LESSOR, for the purpose of aircraft access to the LESSEE's Hangar facilities. No structures or fixtures will be allowed on the ramp apron. Any and all taxi-lanes and ramp aprons shall be constructed to adequately permit aircraft and vehicles access to the Premises. Pavement construction shall be of equal or greater strength than that of the existing airport taxi-lanes/taxiways/aprons to which it shall abut. The design and construction are subject to review and approval by the LESSOR's Engineer or designee. Maintenance and repair or replacement of this aircraft ramp apron shall be the responsibility of the LESSOR during the term of this lease, and shall be at the sole cost and expense of the LESSOR.

e. Suitable pavement markings and lighting shall be installed and maintained by the LESSEE to provide for the orderly and safe movement of aircraft and vehicles on the Premises. Any lighting on the Premises must be approved by the LESSOR prior to installation, and not interfere with flight operations at the Airport.

f. All improvements shall be constructed, graded and drained so as to direct all storm water which may fall on the Premises into approved disposal devices. The LESSOR shall not contribute to storm water contamination and will take such steps and measures as are necessary to comply with the Airport's Storm Water Pollution Prevention Plan and all federal, state, and local regulations governing storm water discharge.

g. Any landscaping installed on the Premises is subject to approval by the LESSOR and shall be installed and maintained by the LESSEE.

9. Rights and Obligations of LESSEE.

a. Payments: LESSEE shall meet and pay all expenses and payments in connection with the use of the Premises and the rights and privileges herein granted, including taxes, ad valorem taxes, permit fees, impact fees, license fees and assessments lawfully levied or assessed upon the Premises or property situated hereon, as well as any and all utilities used or consumed by LESSEE on the Premises, including, but not limited to, water, gas, electricity, sewer, and refuse services.

b. Agreement to Pay Taxes and Obligations: LESSEE shall pay all lawful taxes and assessments, debts and obligations of every kind or nature which, during the term hereof, may become a lien upon or which may be levied by the state, county, city or any other tax levying body, upon any taxable interest of the LESSEE acquired in the Agreement or any taxable possessory right which LESSEE may have in or to the Premises or facilities hereby leased or the improvements thereon, or on the LESSOR'S fee simple interest therein, by reason of its use or occupancy thereof or otherwise as well as all taxes or taxable property, real or personal, owned by LESSEE in and about said Premises, whether said taxes are assessed in the name of LESSEE or LESSOR.

c. Premise Upkeep: The LESSEE shall, at its own expense, maintain and keep the Premises to include structural, roofs, and hangar doors as well as all improvements thereon including lighting, landscaping, drainage, signage, auto parking areas and aircraft parking ramp apron including all pavement and striping, in good condition and make all repairs, both interior and exterior, necessary to keep and maintain the Premises, including all improvements thereon in good condition. The Premises and all buildings, improvements, and property thereon must be maintained in a safe, clean and sanitary condition. The LESSOR shall require maintenance and needed repairs to be made in a timely manner.

d. Access: LESSEE shall have at all times the right of ingress to and egress from the rented Premises. To ensure this right the LESSOR shall make all reasonable efforts to keep adjacent areas to the rented Premises free and clear of all hazards and obstructions, natural and manmade.

e. Work in Hangar: It is clearly understood by the LESSEE that no right or privilege has been granted which would operate to prevent any person, firm or corporation operating aircraft on the Airport from performing any services on its own or leased aircraft with its own regular employees (including, but not limited to, maintenance and repair) that it may choose to perform. However, City building code requirements and governmental regulations must be met for the type of work being conducted (examples – painting of aircraft or heavy maintenance of aircraft.)

f. Commercial Activity: LESSEE is permitted to operate commercial aeronautical activities as described in Section 1. LESSEE hereby agrees that it shall comply with the contents of Exhibit "D" - Minimum Operating Standards for Commercial Aeronautical Activities (Minimum Standards), attached hereto, as currently approved or as may be amended from time to time. Should the Minimum Standards be updated, and any requirement become more restrictive than current Minimum Standards the LESSEE shall have eighteen (18) months from date of adoption to meet the revised Minimum Standards unless waived in writing by the LESSOR. Once updated, those Minimum Standards shall become a part of this Agreement.

g. Signs: During the term of this Agreement, LESSEE shall have the right, at its expense, to place in or on the Premises, a sign or signs. Said sign or signs shall be of a size, shape and design, and at a location or locations, approved by LESSOR and shall conform to the City's sign code. LESSEE shall be responsible for all permits. Notwithstanding any other provision of this Agreement, said sign(s) shall remain the property of LESSEE. LESSEE shall remove, at its expense, all lettering, signs and placards so erected on the Premises at the expiration of the term of this Agreement.

h. Compliance with Applicable Laws, Rules and Regulations: Notwithstanding other requirements contained herein, the LESSEE at its sole cost and expense hereby agrees to and shall comply with all applicable ordinances, laws, rules and regulations established by federal, state, and local government agency or by the City, and they may be amended from time to time, and conduct its operations or commercial business in accordance with all applicable regulations pertaining to airports, including Airport Rules and Regulations, attached hereto as Exhibit "E", promulgated by the LESSOR governing safe and efficient operation of Fernandina Beach Municipal Airport. The LESSOR may, from time to time, modify and/or update the Rules and

Regulations. LESSOR will provide LESSEE with a copy of the updated Rules and Regulations, and once updated or revised, those Rules and Regulations shall become a part of this Agreement.

i. Compliance with Environmental Law, Rules and Regulations: LESSEE expressly represents, covenants, warrants, guarantees, and agrees that it shall fully comply with all federal, state and local laws, ordinances, rules and regulations protecting the environment. Any cost or expense to remain or to be compliant with applicable environmental rules and regulations shall be the responsibility of the LESSEE. LESSEE agrees to keep themselves informed of future changes in the existing environmental laws. Such compliance will be responsibility of the LESSEE at its sole cost and expense.

j. Hazardous Materials and Toxic Waste: LESSEE shall not cause or permit to occur:

1. Any violation of any federal, state or local law, ordinance or regulation now or later enacted, related to environmental conditions on, under, or about the Premises, or arising from LESSEE'S use or occupancy of the Premises, including, but not limited to, soil and ground water conditions; or

2. The use, generation, release, manufacture, refining, production, processing or disposal of any hazardous substance on, under, over, or about the Premises.

3. LESSEE shall, at its sole and exclusive expense, comply with all laws and regulations regulating the storage or transportation of hazardous substances relating to the Premises, and shall further make all submissions to, provide all information required by, and comply with all requirements of all governmental authorities under applicable federal, state and local laws and regulations; and the LESSOR is to be immediately notified by LESSEE of any claim or allegation of non-compliance herewith.

4. If any authority demands that a clean-up plan be prepared and that a clean-up be undertaken because of any deposit, spill, discharge or other release of hazardous substances that occurs during the term hereof, or any renewals hereof, at or from the Premises, or which arises from LESSEE's use or occupancy of the Premises, then LESSEE shall, at LESSEE's expense, prepare and submit the required plans and all related bonds and other required financial assurances; and LESSEE shall carry out all work required by such clean-up plans at its sole and exclusive expense.

10. Continuing Obligation. LESSEE'S obligations under Section 9, subsection (j), and Section 11 and Section 15 of this Agreement shall survive the expiration or termination of this Agreement or any renewal thereof.

11. Indemnification for Toxic Wastes. LESSEE, for itself and on behalf of its officers, agents, employees, assigns, and contractors, does agree to protect, defend, ensure and indemnify LESSOR, its officers, directors, elected and appointed officials and employees, for any manner of loss, damage, cost or assessment which may result from or in any manner be related to the deposit, spill, discharge or other release, and or the presence, use, distribution or disposition of any toxic substance, chemical, metal, petroleum product, or hazardous or toxic waste, or any

other substance or derivative. This provision shall survive the expiration of this Agreement. This shall not apply to conditions which pre-exist the date of this Agreement.

12. Aerial Approaches. LESSOR reserves the right to take any action it considers necessary to protect the aerial approaches of the Airport against obstruction, together with the right to prevent LESSEE from erecting, or permitting to be erected, any building or other structure on or adjacent to the Airport which, in the opinion of the LESSOR, would limit the usefulness of the Airport or constitute a hazard to aircraft.

13. Leasehold Improvements.

a. LESSEE agrees to submit to LESSOR, for approval, detailed plans and specifications for any structural change, alteration, addition, improvement or removal from or to the Premises. LESSOR shall approve the plans and specifications as submitted, or transmit proposed revisions to LESSEE within sixty (60) days of receipt of the plans and specifications from LESSEE. In the event that LESSOR requires revisions of the original plans and specifications, LESSEE shall have thirty (30) calendar days from the date of receipt of the proposed revisions to resubmit the plans and specifications for LESSOR's approval. This initial review shall not constitute review for the purposes of obtaining City permits. LESSEE shall be required to obtain all permits from governmental agencies as may be required, including the City, and shall be solely responsible for all costs relating to permitting the proposed improvements.

b. Any such improvements made by LESSEE shall remain the property of the LESSEE until the expiration of this Agreement and any extensions or renewals thereof and which shall remain on the Premises until the expiration or termination of this Agreement, at which time such improvements shall become the property of LESSOR. LESSEE shall at all times maintain all improvements constructed on the property in good condition. Upon expiration or termination of this Agreement, the LESSEE shall execute any and all documentation necessary to transfer clear title to the leasehold improvements, free of any lien or encumbrance, to LESSOR.

c. LESSEE shall not permit any mechanic's or other liens to be placed upon the Premises, at any time, except that LESSEE shall be permitted to mortgage its leasehold improvements to be constructed on the Premises by LESSEE. LESSOR shall not be required to subordinate its interest to such Leasehold Mortgage. All documentation regarding any leasehold mortgage must be reviewed and approved by the LESSOR prior to finalization of documents, to assure that no interest of the LESSOR is included in the documentation.

d. LESSEE shall provide payment and performance bonds in amounts and form as approved by LESSOR, prior to commencement of construction.

e. Within sixty (60) days of completion of construction, erection or any alteration of any improvements by the LESSEE, the LESSEE shall provide to the LESSOR a complete set of "as-built" plans and drawings.

14. Insurance. LESSEE shall obtain and maintain continuously in effect at all times during the term of this Agreement, at LESSEE's sole expense, the following insurance:

a. Comprehensive general liability insurance with a Combined Single Limit (CSL) of not less than One Million ($1,000,000) Dollars protecting LESSOR against any and all liability by reason of LESSEE's conduct incident to the use of the Premises, caused by or arising out of any negligent or wrongful act or omission of LESSEE;

b. LESSEE agrees that, should it desire to lease space for aircraft hangar storage, it shall obtain Hangar Keepers liability insurance protecting LESSOR against any and all liability by reason of LESSEE'S conduct incident to the use of the Premises, caused by or arising out of any negligent or wrongful act or omission of LESSEE, in the minimum amount of Five Hundred Thousand ($500,000) Dollars;

c. All insurances as required under the applicable Airport Minimum Standards for Commercial Aeronautical Activities shall be provided to LESSOR;

d. Property insurance covering direct physical loss due to perils of fire, windstorm and extended coverage for full replacement value;

e. Copy of annual insurance certificate(s) to be attached hereto as Exhibit "C", Liability Insurance Certificate, and shall be provided to LESSOR annually; AND

f. All insurance requirements specified herein above shall name LESSOR as an additional insured with instructions that the insurance carrier will notify LESSOR if the LESSEE defaults on premium payments, and shall require that the insurance carrier notify LESSOR thirty (30) days prior to any event leading to the material modification or cancellation of the policy.

15. Indemnification. LESSEE agrees to assume liability for and indemnify, hold harmless, and defend the LESSOR, its commissioners, mayor, officers, employees, agents, and attorneys of, from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, arising directly or indirectly out of or in connection with any negligent and/or deliberate act or omission of LESSEE, its officers, employees, agents, and representatives. LESSEE'S liability hereunder shall include all attorney's fees and costs incurred by the LESSOR in the enforcement of this indemnification provision. This includes claims made by the employees of LESSEE against the LESSOR and LESSEE hereby waives its entitlement, if any, to immunity under Sections 440.11, Florida Statutes. The obligations contained in this provision shall survive termination of this Agreement and shall not be limited by the amount of any insurance required to be obtained or maintained under this Agreement. Nothing contained in the foregoing indemnification shall be construed to be a waiver of any immunity or limitation of liability the LESSOR may have under the doctrine of sovereign immunity of Section 768.28 Florida Statutes.

16. Assignment or Sublease. This Agreement, or any part thereof, may not be assigned, transferred or subleased by LESSEE, by process or operation of law or in any other manner whatsoever, without the prior written consent of LESSOR, which consent shall not be unreasonably withheld. Prior to issuing any written consent, LESSOR may demand such information it may require to adequately judge whether the proposed assignee, transferee or sub-

lessee can adequately perform the duties of the LESSEE under this Agreement.

17. Independent Contractor. In its use of the Premises, LESSEE acts as an independent contractor and not as an agent of LESSOR. The selection, retention, assignment, direction and payment of LESSEE'S employees shall be the sole responsibility of LESSEE, and LESSOR shall not attempt to exercise any control over the daily performance of duties of LESSEE'S employees.

18. Non-Discrimination. Notwithstanding any other inconsistent provision of this Agreement, during the performance of this Agreement, LESSEE, for itself, its heirs, personal representatives, successors in interest and assigns, as part of the consideration for this Agreement, does hereby covenant and agree, as a covenant running with the land, that:

a. No person on the grounds of race, color, religion, sex, or national origin shall be excluded from participating in, denied the benefits of, or otherwise be subjected to discrimination, in the use of the Premises.

b. In the furnishing of services on, over or under the Premises, no person on the grounds of race, color, religion, sex or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination;

c. LESSEE shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuation of Title VI of the Civil Rights Act of 1964 and Title VIII of the Civil Rights Act of 1968, and as said regulations may be amended.

19. Maintenance of Airport Facilities. LESSOR shall maintain all public and common joint use areas of the Airport, including the Air Operations Area, in good repair, and shall make such repairs, replacements or additions thereto, as in its opinion, are required and necessary for the safe and efficient operation of the Airport.

20. Termination. This Agreement shall be subject to termination by either party in the event of any one or more of the following:

a. The abandonment of the Airport as an airport or airfield;

b. The default by either party in the performance of any of the terms, covenants and conditions of this Agreement, and the failure of such defaulting party to remedy or to undertake to remedy to the other party's satisfaction such default for a period of thirty (30) days after receipt of notice from the non-defaulting party to the defaulting party to remedy same. This includes the failure of the LESSEE to complete the proposed improvements within the time frames as set forth herein;

c. Damage to or destruction of all or a material part of the Premises or Airport facilities necessary to the LESSEE'S operation;

d. LESSEE shall be entitled to terminate this Agreement in the event of the lawful

assumption by the United States, or any authorized agency thereof, of the operation, control or use of the Airport, or any substantial part thereof, in such a manner as to restrict substantially LESSEE from conducting its operations for a period in excess of ninety (90) days.

e. LESSOR shall be entitled to terminate this Agreement upon the filing of a voluntary petition in bankruptcy by LESSEE, including a reorganization plan, a general or other assignment for the benefit of creditors, adjudication as a bankrupt, or if a receiver is appointed for the property or affairs of LESSEE and such receivership is not vacated within thirty (30) days after the appointment of such receiver;

f. LESSOR shall be entitled to terminate this Agreement upon the conviction of LESSEE or any of LESSEE's officers, managers or employees of any crime involving moral turpitude relating to this Agreement of LESSEE's operations hereunder;

g. LESSEE shall have the right to terminate this Agreement and its obligations hereunder, by providing sixty (60) days written notice to LESSOR and by conveying to LESSOR the title to the improvements constructed on the Premises, free and clear of any lien or encumbrance, provided that LESSEE has properly maintained said property and it is in as good condition as when originally constructed, ordinary wear and tear excepted, and provided, further, that the obligations regarding accumulated rent and indemnification shall specifically survive.

h. In the event of abandonment or closure of the Airport by the LESSOR, referenced in Paragraph 20(a) above, LESSOR shall reimburse LESSEE the difference between LESSEE's actual investment costs including preliminary engineering and design fees, permitting fees, contracting and building fees, insurance, utilities, maintenance fees and ground leasing fees incurred by LESSEE minus rents collected by LESSEE through the date of abandonment or closure of the Airport, plus recapture of all investment costs and interest to date including accumulated expense and investments. This reimbursement obligation by LESSOR to LESSEE shall continue for a period of 20 years from the initial effective date of this Agreement.

21. Subordination. This Agreement shall be subordinate to the provisions of any existing or future agreement between LESSOR and the United States, relative to the operation or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal funds for the development of the Airport.

22. National Emergency. During the time of war or national emergency, the LESSOR shall have the right to lease the landing area or all or any part of the Premises upon demand to the United States Government, and if any such agreement is executed, the provisions of this Agreement with the LESSEE herein, and all obligations of LESSEE to make the payments as required in Section 3 above, shall be suspended for the length of time that the United States Government requires the use of the said landing area and/or Premises. This period of time during which the Agreement is so suspended will not count against the time provisions of the then existing Agreement.

23. Entire Agreement. This Agreement constitutes the entire agreement and understanding between the parties, and as of its effective date supersedes all prior or independent contracts or agreements between the parties covering the subject matter hereof. Any change or modification hereof must be in writing signed by both parties.

24. Severability. If any substantive provision hereof shall be finally declared void or illegal by any court or administrative agency having jurisdiction and such declaration results in a substantial failure of consideration for either party, the entire Agreement shall be subject to termination by such party. Otherwise, such declaration shall not be cause for termination of this Agreement, but only such void or illegal provision shall be canceled or deemed to be of no effect.

25. Notice. Any notice given by one party to the other in connection with this Agreement shall be in writing and shall be sent by certified mail, return receipt requested, postage prepaid, addresses as follows:

If to LESSOR, address to:

It shall be the LESSEE's responsibility to keep the address contained in this Agreement up to date and accurate.

26. Governing Law, Venue and Attorney's Fees. This Agreement is to be construed in accordance with the laws of the State of Florida, with venue in Nassau County, Florida. In the event of any litigation between the parties regarding the breach and/or enforcement of this Agreement, the prevailing party shall be entitled to its reasonable attorney's fees and costs, including at the appellate court level, from the non-prevailing party as determined by a court of competent jurisdiction.

27. Re-Entry. It is further understood and agreed between the parties hereto that in the event of any breach of any covenant or agreement on the part of the LESSEE to be performed and provided, that if such breach is not remedied by the LESSEE after reasonable notice in writing to it by the LESSOR, the LESSOR may re-enter and terminate this tenancy by giving the LESSEE thirty (30) days written notice, to quit the Premises. LESSOR shall at all times be entitled to recover by all lawful means any and all damages, including reasonable attorney's fees and costs, sustained by it through the breach of any said covenants and agreements on part of the LESSEE to be performed.

28. Obligation Upon Termination. Upon termination of this Agreement, all obligations of either party hereunder to the other shall cease and terminate, except as specifically provided herein, and the LESSEE agrees it shall immediately quit, surrender and return peaceable and quiet possession of the Premises, including all improvements to include but not limited to buildings, parking areas, and fuel facility improvements, to the LESSOR in as good order and condition as existed at the time of the initial occupancy and only reasonable wear and tear being accepted. LESSEE shall be allowed to remove all LESSEE's equipment and trade fixtures from the Premises, including the fuel facility equipment.

29. Inspection. The LESSOR shall have the right to enter upon the Premises at reasonable intervals during regular business hours to inspect the Premises for compliance with the terms and conditions of the Agreement and federal, state and local laws and regulations. In case of emergencies, the LESSOR shall have the right to immediately enter the Premises.

30. Further Airport Development. LESSOR reserves the right to further develop or improve the remaining area of the Airport as it sees fit, regardless of the desires or view of the LESSEE, and without interference or hindrance.

31. Non-Waiver. The failure of the LESSOR to insist upon strict performance of any of the terms, conditions or covenants herein set forth shall not be deemed a waiver of any rights or remedies that it may have and shall not be deemed a waiver of any breach or default by the LESSEE of the terms, conditions or covenants contained herein.

32. Radon Gas Notice: Pursuant to Florida Statutes Section 404.056(8), LESSOR hereby makes, and LESSEE hereby acknowledges, the following notification:

Radon Gas: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

LESSOR makes no representation or warranty with respect to the presence or absence of radon on the Premises, and LESSEE shall undertake such inspection or testing as it deems necessary or convenient to assure itself as to the presence or absence of radon.

33. Lease Commencement Date: The commencement date of this Agreement shall be the date set forth in Section 2 above.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first above written.

Section 1 – General

1.01 INTRODUCTION

The City of Fernandina Beach, as owner, operator, and sponsor of Fernandina Beach Municipal Airport (FBMA), being responsible for all aspects of the administration of this public, general aviation facility, and in order to foster and encourage the economic growth and orderly development of aviation and related aeronautical activities at FBMA has established certain requirements for commercial aeronautical entities to ensure that adequate aeronautical services and facilities are provided to the users of FBMA.

These Minimum Standards for Commercial Aeronautical Activities (Minimum Standards) are the threshold entry requirements for a person or persons, partnership, company, trust, corporation, or other business entity, based on FBMA and/or using FBMA, to engage in one or more commercial aeronautical service or activity to the public at FBMA. These Minimum Standards are to promote fair competition at FBMA, taking into consideration the aviation role of FBMA, facilities that currently exist at FBMA, services being offered at FBMA, and the future development planned for FBMA. The uniform application of these Minimum Standards, containing the minimum levels of service and facilities that must be offered by the service provider, relates primarily to the public interest and discourages substandard entrepreneurs, thereby protecting both established and future aeronautical activity as well as FBMA patrons. All commercial aeronautical operators are provided a level playing field on which they will hopefully prosper while providing excellent service to aviation customers. There is not any prohibition to exceed the minimum requirements in terms of quality of facilities and services provided.

The adoption of these Minimum Standards for Commercial Aeronautical Activities is recommended by the FAA to comply with federal law and regulations that prohibit the granting of exclusive rights to use an Airport that has received federal Airport Improvement Program (AIP) funding. The City of Fernandina Beach will comply with federal law and Federal Aviation Administration (FAA) Advisory Circulars which currently exist for MINIMUM STANDARDS FOR COMMERCIAL AERONAUTICAL ACTIVITIES, and EXCLUSIVE RIGHTS AT FEDERALLY-OBLIGATED AIRPORTS, and as those advisory circulars may be amended by the FAA from time to time.

These Minimum Standards are not intended to be all-inclusive, as the operator of a commercial aeronautical venture who is based on or uses FBMA will be subject to additional applicable federal, state and local laws, codes and ordinances and other applicable regulatory measures, including the Airport Rules and Regulations pertaining to all such activities.

1.02 PURPOSE

- Provide a minimum level of services that are offered to the public in connection with the conduct of particular aeronautical activities or services on FBMA
- Provide for the safe conduct of all commercial aeronautical activities at FBMA
- Protect airport users from unlicensed and unauthorized products and services
- Maintain and enhance the availability of adequate services for all airport users
- Provide that no entity receives a competitive advantage through less-than-fair and uniform market value use of City facilities
- Promote the economic health of FBMA businesses
- Promote the orderly improvement and development of FBMA

1.03 EXCLUSIVE RIGHTS

In accordance with FBMA assurances given to the federal or state government by the City as a condition to receiving federal or state funds, the granting of rights or privileges to engage in commercial aeronautical activities shall not be construed in any manner as affording any person or entity any exclusive right, other than the exclusive use of the land and/or improvements which are specifically set forth in a written lease, permit, or agreement.

1.04 STATEMENT OF POLICY

A fair and reasonable opportunity, without unjust discrimination, shall be accorded to all applicants to qualify and present ideas for doing business, using FBMA facilities and furnishings, which the City, deems are available for selected aeronautical activity or service. Proposals meeting the Minimum Standards as established by the City and set forth herein for commercial aeronautical activities at FBMA shall be presented to the City Commission for approval. Commercial aeronautical activities may be proposed that do not fall within the categories designated herein. In any such cases, appropriate Minimum Standards shall be developed on a case-by-case basis for such activities and, if accepted and approved by the City, incorporated into the entity's written agreement with the City and into these Minimum Standards by amendment. The City in its sole discretion may distribute a Letter of Interest (LOI) or a Request for Proposal (RFP) for the leasing/use of available FBMA facilities.

A written agreement, lease, or permit, properly executed by the City and a based or local area commercial aeronautical operator is a prerequisite to commencement of FBMA facility and airfield use by any commercial aeronautical activity. Contingent upon its qualifications, its meeting the established Minimum Standards with the City and the payment of the prescribed rentals, fees, and charges, commercial aeronautical operators shall have the right and privilege to engage in and conduct the activity or activities specified by written agreement with the City. All agreement provisions, however, must be compatible with the Minimum Standards herein contained and will not change or modify the standards and requirements themselves. In all cases where the words "standards" or "requirements" appear, it shall be understood that they are modified by the word "minimum." Any required determinations, interpretations, or judgments regarding what constitutes an acceptable minimum standard, or regarding compliance with such standard, shall be made by the City.

The City reserves and retains the right for the use of FBMA by others who may desire to use it, pursuant to applicable federal, state, and local laws, ordinances, codes, standards, and other regulatory measures pertaining to such use. The City further reserves the right to designate specific FBMA areas in which the individual or a combination of aeronautical services may be conducted. Such designation shall give consideration to the nature and extent of the operation and the lands and improvements available for such purpose, consistent with the orderly and safe operation of FBMA.

These Minimum Standards may be included in whole, in part, or by reference as part of all leases, and other agreements between the City and any entity desiring to be based on and/or use FBMA and engage in any commercial aeronautical activities. The rates, fees, and charges applicable to the providers of commercial aeronautical activities are established by the City to make FBMA as financially self-sustaining as possible and be sufficient to cover FBMA costs.

These Minimum Standards are not retroactive and do not alter any existing written agreement properly executed prior to the date of approval of these Minimum Standards and as may be amended that does not provide for application of future revisions of the Minimum Standards, in which case these Minimum Standards shall be effective consistent with such written agreement. In any event, upon expiration of an existing lease, agreement, or permit with the City or if the commercial aeronautical operator desires to materially increase or expand its activities, the commercial aeronautical operator shall then comply with the provisions of these Minimum Standards. Conversely, these Minimum Standards shall not be deemed to modify any existing agreement under which an entity is required to exceed these Minimum Standards, nor shall they prohibit the City from entering into or enforcing an agreement that

requires an entity to exceed the Minimum Standards. In the event of any conflict between the terms of these Minimum Standards and the provisions of any lease or agreement, the terms of the lease or agreement shall be controlling.

These Minimum Standards may be supplemented and amended by the City from time to time and in such manner and to such extent as is deemed appropriate by the City. Minimum Standards shall be reviewed and updated at minimum every five years or as needed to be amended.

The City reserves the right to lease an existing facility or any portion of an existing facility to a Specialized Aviation Service Operation (SASO) in order to maximize facility use and business opportunities. A lease of this nature shall be at the City's sole discretion, and shall be considered to meet any minimum facility requirements as defined in these Minimum Standards.

The City further reserves the right to designate from time to time the specific areas where individual aeronautical services or a combination of aeronautical services may be conducted, and to determine whether or not there is sufficient, appropriate, or adequate space at the proposed site to meet the minimum requirements established herein. Such determination shall consider the nature and extent of the proposed operation and the sites available for such purpose, consistent with the current Airport Master Plan and the orderly, safe, and efficient operation and development of FBMA.

1.05 WAIVER OF MINIMUM STANDARDS

No commercial aeronautical operator will be allowed to operate or provide services not in compliance with these Minimum Standards unless unusual circumstances exist which may give cause for consideration of a temporary waiver. The City may, at its sole discretion, waive or modify any portion of the Minimum Standards for any person or entity when it is determined that such waiver is in best interest of the public and will not result in unjust discrimination against other commercial aeronautical operators at FBMA. Any initial waiver will not exceed 12 months. However any waiver may be reviewed annually and extended in sole discretion of City.

1.06 GENERAL REQUIREMENTS FOR COMMERCIAL AERONAUTICAL OPERATORS

The following shall apply to all commercial aeronautical activity or service provider, either a FBO or SASO, at FBMA:

1. Unless otherwise provided by the City, all activities of the commercial aeronautical entity shall be conducted on an area or areas of sufficient size to accommodate all services that the commercial aeronautical operator is approved to perform, allowing for future growth and additional services as contemplated by the City or the commercial aeronautical operator at the time of application, but as limited by the space available on FBMA.
2. Shall conduct its business operations strictly within the areas assigned to it by the City, and its operations shall not in any way interfere with the operations of other commercial aeronautical entities, agencies, or other businesses operating on FBMA, the use of FBMA by the general public, or with any common use areas.
3. Shall provide their services or activities on a fair, equal, and not unjustly discriminatory basis to all users thereof, and they will charge fair, reasonable, and not unjustly discriminatory prices for each unit or services provided. Lessee may be allowed to make reasonable and non-discriminatory discounts, rebates, and other similar types of discounts to volume purchasers or users of the service provided. Further, any commercial aeronautical entity will insure that any sub-lessee or subcontractor comply with the provisions of this paragraph.
4. Personnel shall meet all federal, state, and local training and certification requirements applicable to their individual duties and company services.

5. Shall control the conduct and demeanor of its personnel and subtenants, as well as to conduct its business operations in a safe, orderly, efficient, and proper manner so as not to unreasonably disturb, endanger, or offend any customers, tenants, or competitive operators.
6. Shall employ the necessary quantity of trained staff, on-duty management, and supervisors to provide for the efficient, safe, and orderly compliance with its lease, agreement, sublease, or permit.
7. No right or privilege will be granted to any commercial aeronautical entity which would prevent any entity operating aircraft at FBMA from performing any services on its own aircraft with its own direct employees (W-2), including but not limited to maintenance and repair, that it may choose to perform.
8. The City reserves the right to further develop or improve FBMA as it sees fit, regardless of the desires or views of the commercial aeronautical operator, and without interference or hindrance. FBMA shall make every effort to minimize the disruption of normal airport usage during periods of repair or further airport development.
9. Airport access and security shall be maintained at all times in accordance with standards as may be established and required by the City.
10. Any fine or penalty imposed on the City by the FAA or other governmental body, resulting from lessee's or permittee's use, operations, and occupancy of the leased premises, will be payable by lessee or permittee.
11. Shall keep current and provide the Airport Manager with applicable point-of-contact(s) and phone numbers for emergency purposes.
12. Shall permit its personnel who drive motor vehicles on FBMA to do so only in accordance with the Airport Rules and Regulations, applicable federal, state, and local laws, ordinances, codes, or other similar regulations now in existence or as may be hereafter modified, amended, or enacted.
13. Shall keep and maintain its leased premises and all improvements in a neat and orderly condition at all times, and in good and substantial repair, condition, and appearance. Shall keep mowed and in a pleasing condition all landscaping and grass areas within its leased premises.
14. Shall commit no unlawful nuisance, waste, or injury on the leased premises and will refrain from doing anything which may result in the creation, commission, or maintenance of such nuisance, waste, or damage to property on FBMA.
15. Shall refrain from creating or allowing on its premises any obnoxious odors or smokes, or noxious gases or vapors. The creation of exhaust fumes by the operation of internal combustion engines or aircraft engines of other types, so long as such engines are maintained and are being operated in a proper manner, is not a violation of this paragraph, nor shall the reasonable operation of the commercial aeronautical operator's business constitute such violation, although some odors, gases, and vapors may result therefrom.
16. Shall refrain from doing anything which might interfere with the effectiveness or accessibility of FBMA's public utilities systems, drainage or sewer system, storm water management system, fire protection system, sprinkler system, alarm system, or fire hydrants and hoses, if any are installed or located on or in their leased premises.
17. Shall remove or dispose of debris and other waste material, whether solid or liquid, arising from the commercial aeronautical operator's activities. Any garbage, debris, or waste, which may be temporarily stored in the open, shall be kept in suitable metal garbage or waste receptacles equipped with tight-fitting covers of a design sufficient to contain whatever may be placed therein. Shall use extreme care when removing all such waste. Any hazardous waste generation, storage, or disposal shall comply with all applicable federal, state, and local regulations.
18. No fuels, oils, greases, detergents, or other insoluble substances shall be placed in the sewage or drainage systems or on the ground. Any FBO or SASO, at its sole cost and expense, shall comply with all requests made by the U.S. Environmental Protection Agency (EPA) or other competent governmental authority including, but not limited, to the installation of a grease

and oil trap designed to catch all oils, greases, detergents, and other insoluble substances used in the maintenance and washing of equipment and/or aircraft. The installation of any required equipment or structure shall conform to recommended specifications of the EPA or Florida Department of Environmental Protection (FDEP) as applicable.

19. Shall at no time conduct any aeronautical activity on leased property from a structure that would be considered temporary or mobile under Florida Building Codes and applicable City Ordinances without specific approval from the City.
20. Shall maintain all aprons, ramps, taxiways, roadways, and parking lots that are constructed by the FBO or SASO or reserved for their exclusive use.
21. Shall refrain from doing any act or thing upon the FBMA which will invalidate or conflict with any fire, property, or liability insurance policies covering FBMA.
22. Shall provide an adequate supply of properly located, type, size and operable fire extinguishers and other safety equipment in accordance with the National Fire Prevention Association (NFPA) requirements.

1.07 SUB-LESSEE OR SUBCONTRACTOR REQUIREMENTS

If a commercial aeronautical operator leaseholder desires to sublease space to another person or entity or contracts with an aeronautical operator to provide one or more specialized aviation services, the following conditions shall apply:

1. Lessee must obtain written approval of sublease or subcontractor agreement from the City before allowing sub-lessee or subcontractor to occupy or conduct any form of business from the lessee's leasehold. Said sublease or subcontract shall define the type of business and service to be offered by sub-lessee or subcontractor.
2. Sub-lessee or subcontractor shall also enter into an agreement with the City. Such agreement shall be appropriate to the particular type of services to be provided by sub-lessee or subcontractor. The agreement or permit shall provide for payment by sub-lessee or subcontractor to FBMA of fees pertinent to the types of services offered by sub-lessee or subcontractor unless prohibited by written agreement.
3. Lessee must have the facilities and physical space necessary to support the aeronautical services of his sub-lessee(s) or subcontractor(s). Such facilities and space shall be sufficient to accommodate the lessee's aeronautical service as well as those requirements for any sub-lessee or subcontractor according to these Minimum Standards.
4. The sub-lessee or subcontractor must meet all of the Minimum Standards established by the City for the category or categories of services to be furnished. The Minimum Standards may be met in combination by lessee and sub-lessee or subcontractor. Any sublease or subcontract agreement shall specifically define those services provided by lessee to sub-lessee or subcontractor that must be used to meet the Minimum Standards.
5. Sub-lessee or subcontractor shall provide evidence of minimum insurance coverage as determined by the City for the categories of service to be offered as noted in Section 1.08 and Appendix B. Additionally any sub-lessee or subcontractor shall carry premise insurance.

1.08 INSURANCE REQUIREMENTS FOR COMMERCIAL AERONAUTICAL OPERATORS

Insurance amounts as detailed in Appendix B provide a minimum guideline and may not meet the requirements for every commercial aeronautical entity. Each commercial aeronautical entity should make its own analysis to determine if more is needed. Insurance coverage shall be obtained and paid for by the commercial aeronautical operator as required in the coverage and amounts specified by the City. Commercial aeronautical operators shall demonstrate to the City's satisfaction evidence of its ability to acquire insurance coverage as stipulated for each particular type of operation. Each policy shall name the City of Fernandina Beach as additional insured. All insurance required shall apply as primary and not in excess of or contributing with other insurance which the commercial aeronautical entity may carry. A Certificate of Insurance or a copy of the insurance policies shall be furnished to the City with each annual

renewal and shall provide 30 days advance written notice of any change in coverage to any policy or cancellation of any policy. The City will provide 90 days advance notice of any changes to the minimum insurance coverage requirement. The types of insurance as noted in Appendix B may be added to or deleted from as determined by the City in its sole discretion.

A commercial aeronautical operator leaseholder shall be required to carry public liability insurance for any sub-lessee or subcontractor or provide a certificate of insurance which shows the entity and the City as named insured, in amounts commensurate with sub-lessee's or subcontractor's individual activities and services, as determined by the City.

Section 2 – Lease Requirements for Commercial Aeronautical Operators

2.01 BUSINESS PLANNING

The Airport Manager is the first person of contact to discuss providing or increasing a commercial aeronautical opportunity at FBMA. At this meeting any prospective commercial aeronautical operator can secure the necessary documents needed to complete the process to become a FBO or SASO at FBMA. Documents available include:

1. Minimum Standards for Commercial Aeronautical Activities
2. Airport Leasing Policy
3. Application for Ground or Facility Lease or Airport Operating Permit
4. Airport Ground Leasehold Development Process
5. Airport Architecture and Building Design Standards
6. Airport Rates and Charges
7. Sample Ground or Facility Lease
8. Airport Rules and Regulations

2.02 QUALIFICATION AND REQUIREMENTS

Any person desiring to conduct a commercial aeronautical activity on FBMA must complete a written application for an Airport Ground or Facility Lease or Airport Operating Permit and submit it to the Airport Manager detailing what aeronautical service or services are to be provided. No processing or approval action is possible until this application is submitted. Such application from any prospective commercial aeronautical operator assists in the City's determination that the applicant is technically and financially able to perform the services proposed. A person or entity shall have such business background and shall demonstrate the business capability to successfully provide the contemplated commercial aeronautical activity as to meet the City's approval. The information presented shall include financial documentation (annual balance sheets and related) to demonstrate the entity's financial capability to initiate operations and/or to construct improvements that may be required to support the proposed operation, or operations, and also indicate the commercial aeronautical operator's ability to operate the contemplated operations, once initiated. In each instance, the City shall be the final judge as to the qualifications and financial ability of the entity. A business plan may be required of entities desiring to operate on FBMA. The City also may request any such additional information as may reasonably be required to evaluate the proposal. Additionally any entity seeking to conduct commercial aeronautical activity at FBMA as a FBO shall demonstrate that it has adequate resources to realize the business objectives agreed to by the City and the entity.

Those commercial aeronautical entities not leasing or subleasing property on FBMA, such as an independent aeronautical operator or an independent service provider, also need to provide appropriate documentation as part of the application process for their proposed operation to secure an Airport Operating Permit. Such independent commercial aeronautical operators shall meet and maintain

compliance with the applicable Minimum Standards for their commercial activity. The City retains the right to restrict or deny such FBMA access if FBMA safety or efficiency is compromised by the existence of the proposed commercial service or activity. Further the City has the right to prohibit use or continued use of FBMA should a lease holding entity offer same or similar services on FBMA. Once an Airport Operating Permit is approved then each year such independent commercial aeronautical operators shall secure an annual renewal of the permit to include providing applicable operational certificates, providing evidence of insurance, and paying any applicable fees.

2.03 APPLICATION TO PROVIDE ON AIRPORT SERVICES

Demonstration of intent to conduct a business operation at FBMA shall be by application to the Airport Manager. The following at minimum must be provided:

1. The legal name of the entity submitting this application and its business name (if different).

8. The dates for commencement and completion of proposed development or the proposed date for commencement of the intended activities and proposed term for conducting same.
9. The equipment, any special tooling required, vehicles, and inventory proposed to be utilized in connection with the intended activities.
10. Will there be any hazardous materials located on site. If yes describe.
11. The number of persons to be employed, including the names and qualifications of each management/supervisory person, and specifications as to whether the employees will be full-time, part-time, or seasonal.
12. Periods (days and hours) of proposed operation:
13. The number of aircraft to be utilized in connection with the prop osed activities and the make, model, passenger seating capacity, cargo capacity, aircraft registration number, and copies of applicable operating certificates for each aircraft.
14. Amounts and types of insurance coverage to be maintained (no less than required under Minimum Standards).
15. For proposed agreements for lease of unimproved or improved Airport areas, a layout (to scale) of the size, configuration, and location of the property proposed for occupancy and a preliminary drawing(s) of the building(s) and improvements to be constructed, together with the identification of vehicle parking areas (See Ground Leasehold Development Process).
16. For proposed agreements to lease existing structures or improvements, a description of the size, location, and proposed utilization of office, hangar, tie-downs, and vehicle parking areas to be utilized (See Ground Leasehold Development Process).

19. Contact information of three credit references (name, title, company, telephone).

2.04 ACTION ON APPLICATION FOR COMMERCIAL AERONAUTICAL OPERATORS

With a properly submitted application to the Airport Manager, an agreement or lease will then be developed between the entity and the City. Both documents are also presented to the Airport Advisory Commission for its review. The Airport Advisory Commission will develop a recommendation and forward to the City Commission for its final action. This process can take 120 days from the receipt of application.

Applications may be denied for one or more of the following reasons:

1. The applicant, for any reason, does not meet qualifications, standards, and requirements established by these Minimum Standards.
2. The proposed operation or construction will create a safety hazard on FBMA.
3. The granting of the application will require the expenditure of local funds, labor, or materials on the facilities described in or related to the application, or the operation will result in a financial loss or hardship to FBMA.
4. There is no appropriate or adequate available space or building on FBMA to accommodate the proposed activity at the time of application.
5. The proposed operation, FBMA development, or construction does not comply or is inconsistent with the Land Development Code, approved Airport Layout Plan, or conflicts with federal, state, or local rules and regulations.
6. The development or use of the land area requested will result in aircraft or building congestion or will unduly interfere with the operation of any present commercial aeronautical operator on FBMA or restrict aircraft access to any commercial aeronautical operator's area.
7. Any party applying, or interested in the business, has supplied false information, or has misrepresented any material fact in the application or in supporting documents, or has failed to make full disclosure on the application.
8. Any party applying, or having an interest in the business, has a record of violating the FBMA Airport Rules and Regulations, the rules and regulations of any other airport, Florida Department of Aviation (FDOT) aviation regulations, or Federal Aviation Regulations.
9. Any party applying, or having an interest in the business, has defaulted in the performance of any lease or other agreement with the City or any lease or other agreement at any other airport.
10. On the basis of current financial information, the entity does not, in the opinion of the City, exhibit adequate financial responsibility to undertake the proposed services.
11. Any party applying, or having an interest in the business, is not sufficiently credit worthy and responsible in the judgment of the City to provide and maintain the business to which the application relates and to promptly pay amounts required under the lease.
12. The applicant cannot provide a performance bond or other adequate security in an amount required by the City to ensure performance of its obligations under its proposed lease or permit or ensure completion of any associated construction.
13. The applicant has committed any crime, or violated any local ordinance, rule, or regulation, which adversely reflects on its ability to conduct the FBO or SASO operation applied for.

2.05 SITE DEVELOPMENT AND CONSTRUCTION STANDARDS

Once the City Commission has approved the agreement, both parties sign the lease or agreement and rent becomes applicable. In the meantime, with a supporting recommendation from the Airport Advisory Commission, it is usual for a commercial aeronautical operator, if desired, to begin the site development and permitting process. The commercial aeronautical operator shall obtain at its sole expense all licenses and permits necessary for the conduct of the commercial aeronautical operator's activities at FBMA as required by the City or any other duly authorized governmental agency. However,

no construction of any kind shall be commenced at FBMA without final approval from the City, FAA, or any other agency that may have jurisdiction. Any proposed construction or modification of facilities by a commercial aeronautical operator will be subject to the development regulations described in the Airport Ground Leasehold Development Process, the Airport Architecture and Building Design Standards, applicable federal, state, local laws and regulations, Florida Building Codes, applicable City Building Ordinances, NFPA requirements, and conformity with the Airport Master Plan. The City must approve the plans and specifications prior to construction, and also approve the filing by the prospective commercial aeronautical operator of a notice of proposed construction required by FAR Part 77, "Objects Affecting Navigable Airspace," to the FAA (Form 7460-1).

Land that is designated for aeronautical purposes must be developed and used for aeronautical activities only. Non-aviation related activities shall not be allowed in buildings or hangars located on land designated for aeronautical purposes without FAA approval. However the City may, at its option, grant an exemption to permit in conjunction with an aeronautical use a limited non-aeronautical use of the land and facility usually not to exceed 30%. No commercial aviation operator shall be allowed to operate in, from, or around a City owned t-hangar or bulk row storage hangar.

All improvements constructed on FBMA, other than trade fixtures, shall become a part of the land and belong to the City upon expiration, termination, or cancellation of the lease agreement between the commercial aeronautical operator and the City covering such improvements. If the commercial aeronautical operator chooses to develop a site which is not currently served by taxiways, roadways, and/or utility services, the commercial aeronautical operator shall be responsible for extending such services and pavement surfaces to its site at the commercial aeronautical operator's sole expense, unless otherwise negotiated with the City. All such utility services and pavement areas shall be constructed in full compliance with FBMA and FAA standards, as well as applicable City codes.

Section 3 – Fixed Base Operator (FBO)

3.01 GENERAL

A Fixed Base Operator is an entity that provides multiple aeronautical services including aircraft fueling to aircraft owners, airport users, and airport tenants. Only a FBO shall be permitted to sell aviation fuel, lubricants, and other related services to both transit aircraft operations and operations of aircraft based at FBMA.

4.11 SASO – INDEPENDENT AERONAUTICAL OPERATOR

An independent aeronautical operator SASO requires the use of an aircraft to conduct its commercial aeronautical activity at FBMA, however, the independent aeronautical operator does not have commercial tenancy on FBMA. The City recognizes that certain commercial aeronautical operations do not always interface directly with the public and, therefore, do not necessarily require public facilities to satisfactorily conduct business. In some cases the only FBMA requirement is access to the airport or a tie down space since all other activities of the business are normally conducted off the airport. Such a provider must obtain an annual Airport Operating Permit from the City to conduct such business on FBMA. In no case shall a City owned t-hangar or bulk row storage hangar be used to operate a commercial operation on FBMA. However a properly permitted independent aeronautical operator SASO may use such hangar for aircraft storage only. An independent aeronautical operator SASO may also sublet from a FBO or SASO with approval of the City and payment of appropriate fees for the privilege to operate a commercial operation on FBMA. See Section 1.07 regarding subleasing.

A person holding a current FAA flight instructor certificate, who gives occasional flight instruction (does not advertise or proactively make available flight instruction) to an aircraft owner in the aircraft owner's aircraft, shall not be deemed a commercial aeronautical operator.

Minimum Standards:

provider include but are not limited to: certified mechanics and inspectors, aircraft detailers, prop balancing, and oil recyclers.

The City recognizes that certain commercial aeronautical operations do not always interface directly with the public and, therefore, do not necessarily require public facilities to satisfactorily conduct business. In some cases the only FBMA requirement is access to the airport to conduct its commercial aeronautical business. Such a provider must obtain an annual Airport Operating Permit from the City to conduct such business upon FBMA. A properly permitted independent service provider may also sublet from a FBO or SASO with approval of the City and payment of appropriate fees for the privilege to operate a commercial operation on FBMA.

Minimum Standards:

1. Except as otherwise noted previously herein, this SASO shall have a permit or agreement with the City of Fernandina Beach for the privilege to operate their commercial activity on FBMA. Such agreement is in addition to any possible subtenant status to another SASO or FBO.

4.14 FLYING CLUBS

In an effort to foster and promote flying for pleasure, develop skills in aeronautics, including pilotage, navigation, and an awareness and appreciation of aviation requirements and techniques, flying clubs are permitted at FBMA but are subject to these Minimum Standards, the Airport Rules and Regulations, federal, state, and local laws and regulations, and other restrictions as may be set forth in an operating agreement. A flying club qualifies as an individual under the FAA grant assurances. As such, a flying club has the right to fuel and maintain the aircraft of its members. All flying clubs desiring to base their aircraft and operate on FBMA must comply with the applicable provisions of these standards and requirements. However, they shall be exempt from regular commercial aeronautical operator requirements upon satisfactory fulfillment of the following:

The property rights of the members of the flying club shall be equal and no part of the net earnings of the flying club will inure to the benefit of any member in any form, such as salaries, bonuses, etc. The flying club may not derive greater revenue from the use of its aircraft than the amount necessary for the operations, maintenance, and replacement of its aircraft, facilities, and overhead, if any.
4. Flying clubs may not offer or conduct charter and/or air taxi services, or rental of aircraft operations. They may not conduct aircraft flight instruction except for regular members owning the aircraft, and only members of the flying club may operate the aircraft. Introduction

Fernandina Beach Municipal Airport (FBMA-FHB) is municipally owned and operated by the City of Fernandina Beach, Florida as a General Aviation Reliever Airport. These Airport Rules and Regulations (R&R) are intended to promote the health, safety, interest, and welfare of the public in general and in particular the operators, lessees, tenants, consumers, and users of FBMA, and to promote the safe, orderly, and efficient use of the Airport.

These R&R apply to all users, aeronautical and otherwise, of FBMA property, are not all-inclusive, and reinforce and emphasize federal, state, and local statutes, laws, ordinances, and regulations as well as leases and agreements that may apply (see Appendix A - References). In addition the content of Appendixes A and B attached hereto and made a part hereof shall be adhered to by all users of FBMA. In the event of a conflict between these R&R and a lease or other agreement, the lease or other agreement shall govern. Individual Airport users must adhere to the applicable provisions of these R&R and its attached Appendices, as well as any applicable leases and agreements, and all pertinent federal, state, and local statutes, laws, ordinances, and regulations that may be applicable to their operations.

Violations of the R&R may result in revocation of Airport access privileges, denial of use of the Airport, termination of leases or other agreements, and/or prosecution under applicable laws. Perpetration of violation(s) shall be considered as a factor in renewing or not renewing a violator's application or permit/lease renewal. Use of Airport property without approval or in conflict with these R&R is considered a trespass. Nothing in these R&R is intended to preclude any authorized City personnel from taking other action authorized by law. Section 6 of these R&R provides an appeal process to be followed in the event a user of the Airport is aggrieved by the interpretation and application of the R&R.

These R&R may be amended as required, however, every three years an updated revision should be published.

Section 1 – General

1.01 COMPLIANCE AND RESPONSIBILITIES:

a. By publication of these R&R, all persons based at FBMA will be deemed to have knowledge of the contents herein. Copies of these R&R will be distributed to all tenants and leaseholders, posted at the Airport, and available through the Airport Manager's office.

b. Entry upon/into the Airport by any person shall be deemed to constitute an agreement by such person to comply with and be governed by these R&R. All persons employed on or using the Airport shall cooperate with the Airport Manager or his designated representatives to enforce these R&R.

c. Airport tenants/leaseholders shall be responsible for compliance with all requirements of these R&R applicable to them for their exclusive areas and they shall be held liable for any fines, penalties, or other monetary assessments imposed upon the City by any agency having jurisdiction with respect to any violations involving these areas. Any user, who by their intentional or unintentional action or activity, cause the City to be fined, cited, sued, or charged unnecessary fees/fines, will be responsible for reimbursement of said fines/fees upon demand to the City.

d. Any permission granted by the Airport Manager or the City under these R&R is conditioned upon the payment of any and all applicable fees and charges established by the City.

1.03 LIABILITY:

a. The City shall not be responsible for loss, injury, or damage to persons or property by reason of fire, theft, vandalism, wind, flood, earthquake, collision, strikes, war, acts of terrorism, or act of God, nor shall the City be liable for injury to persons while on the Airport.

SUMMARY: The City Manager and City Attorney have been in negotiations with Eight Flags Aviation, LLC ("Eight Flags Aviation") since Eight Flags Aviation, LLC was awarded RFP 2015-101.2 for fixed based operator ("FBO") services and lease of land at the Fernandina Beach Municipal Airport. The basic terms are as follows: 1) lease term is for 20 years, with two (2) five-year renewal options; 2) payment to be remitted to the City for $.20 per square foot of unimproved land; 3) FBO to contribute to cost of design and construction of new welcome center in exchange for rent credits to be determined in separate financing and construction documents; and 4) a fuel flowage fee of $.08 per gallon delivered by fuel supplier.

The City received a professional survey from Eight Flags Aviation so the square footage is displayed on a sealed survey attached to the lease agreement, and it is possible that the lease area and survey could change in the future based upon final construction documents and City improvements such as T-hangars which changes shall be approved by the City Commission. The details of design, construction and financing the Welcome Center and related improvements will be memorialized in formal written agreements approved by Eight Flags Aviation, LLC and the City Commission within the next 1-2 years.

At the October 13, 2015 Special Commission Meeting scheduled for McGill Aviation to present arguments regarding reconsideration of the award of RFP 15-101.2, the City Commission expressed an interest in seeing survey areas and sketches of current and proposed lease areas for McGill Aviation and Eight Flags Aviation in order to clarify where the new Welcome Center will be located as well as other facilities on the North Area of the Airport.

FISCAL IMPACT: The additional revenue to the Airport to be determined by the actual number of feet leased as reflected on the final survey (estimated to be a minimum of $35,000 per year).

B. LESSOR and LESSEE acknowledge that the defaults or other events described in Section 10.1 herein may be classified as (i) "Curable Defaults" and (ii) "Non-Curable Defaults". The Non-Curable Defaults are any defaults which are by their nature not susceptible of being cured by a third person such as the Leasehold Mortgagee; and the Curable Defaults are all other defaults.

C. If a Curable Default occurs and if, prior to the expiration of the applicable grace period provided for in Section 10.1, the Leasehold Mortgagee shall give to LESSOR written notice that it intends to undertake a curing of all Curable Defaults and within such grace period the Leasehold Mortgagee commences upon a curing and thereafter pursues to conclusion the curing of all Curable Defaults continuously and diligently in good faith, then LESSOR will not take action to effect a termination of this Ground Lease or to re-enter or take possession of the Ground Leased Premises as a consequence of such Curable Default. However, if (i) a Curable Default is of such a nature that the curing thereof cannot be effected by the Leasehold Mortgagee until it shall have obtained possession of the Premises and (ii) prior to the effective date of a termination of this Agreement by LESSOR or LESSOR's re-entering or taking possession of the Premises, the Leasehold Mortgagee shall give to LESSOR written notice that it intends to institute foreclosure or other legal proceedings or to exercise any of its remedies under the Leasehold Mortgage concerned in order to gain possession of the Premises and within such grace period takes action to institute such remedies, then LESSOR will not take any action to effect a termination of this Agreement or to re-enter or take possession of the Premises as a consequence of such Curable Default so long as such Leasehold Mortgagee shall continue to prosecute its remedies under the Leasehold Mortgage (except during any such time it may be stayed or otherwise legally prevented from doing so) and cure all other Curable Defaults (if any) which may occur from time to time and which are susceptible of being cured by the Leasehold Mortgagee without its obtaining possession of the Premises and such Leasehold Mortgagee shall upon taking possession of the Premises cure

such Curable Defaults within the period reasonably required to cure the same.

D. If a Non-Curable Default occurs and (i) the Leasehold Mortgagee shall then be in the process of curing all then existing Curable Defaults pursuant to the provisions of subsection (C) above and (ii) the Leasehold Mortgagee shall give to LESSOR written notice that it intends to institute foreclosure or other legal proceedings or to exercise any of its remedies under the Leasehold Mortgage concerned in order to gain possession of the Premises, then LESSOR will not take any action to effect a termination of this Agreement or to re-enter or take possession of the Premises as a consequence of such Non-Curable Default so long as such Leasehold Mortgagee shall continue diligently to prosecute its remedies under the Leasehold Mortgage (except during any such time it may be stayed or otherwise legally prevented from doing so) and cure all Curable Defaults (if any) which may occur from time to time and which are susceptible of being cured by the Leasehold Mortgagee without its obtaining possession of the Premises and such Leasehold Mortgagee shall upon taking possession of the Premises cure such Curable Defaults within the period reasonably required to cure the same.

E. In the event a Leasehold Mortgagee or its designee designated for that purpose acquires the improvements and the leasehold estate pursuant to any proceedings for foreclosure of such Leasehold Mortgage, or by a voluntary assignment or transfer of this Agreement and the leasehold estate and the improvements in lieu of foreclosure or otherwise, the Leasehold Mortgagee or its designee or assignee as aforesaid shall be deemed an assignee of all the rights of LESSEE under this Agreement.

F. If this Agreement shall be rejected or disaffirmed pursuant to any bankruptcy law or other law affecting creditors' rights or if this Agreement is terminated for any other reason whatsoever, LESSOR will enter into a new lease of the Premises with the Leasehold Mortgagee or its designee not less than ten (10) nor more than thirty (30) days after the request of the Leasehold Mortgagee referred to below, for the remainder of the term of this Agreement effective as of the date of such rejection or disaffirmance or termination, upon all the terms and provisions contained in this Agreement; provided that (i) the Leasehold Mortgagee makes a written request to LESSOR for such new lease within ninety (90) days after the effective date of such rejection or disaffirmance or termination, as the case may be, and such written request is accompanied by a copy of such new lease, duly executed and acknowledged by the Leasehold Mortgagee or its designee and (ii) upon taking possession of the Premises the Leasehold Mortgagee cures any outstanding Curable Defaults within the period reasonably required to cure the same. Any new lease made pursuant to this paragraph shall have the same priority with respect to other interests in the Premises as this Agreement. The provisions of this paragraph shall survive the rejection or disaffirmance or termination of this Agreement and shall continue in full force and effect thereafter to the same extent as if this paragraph were a separate and independent contract made by LESSOR and the Leasehold Mortgagee.

G. So long as a Leasehold Mortgage is in effect (i) LESSOR will not accept a voluntary surrender of this Agreement, (ii) this Agreement shall not be modified in any material respect, and (iii) LESSOR and LESSEE shall not allow the fee interest in the Premises to merge with the leasehold estate created by this Agreement, without, in each case, the prior written consent of the Leasehold Mortgagee. Any violation of this paragraph shall be void.

The provisions of this Section 6.8 are for the benefit of any Leasehold Mortgagee and may be relied upon and shall be enforceable by any Leasehold Mortgagee. No Leasehold Mortgagee shall be liable upon the covenants, agreements or obligations of LESSEE contained in this Agreement, except as expressly provided herein.

Upon termination of the Agreement or upon removal of trade fixtures and equipment, the LESSEE shall restore the Premises to good condition at its sole cost and expense. Any LESSEE improvements or property installed not removed becomes the property of LESSOR.

In the event that any capital improvement, permanent improvement, fixture, new construction, or the like is proposed or made by LESSEE that requires a new paved surface for aircraft or automobile ingress or egress, including any associated new taxiway, taxi lane, or aircraft parking apron, or automobile parking lot, then LESSEE shall, at its sole cost and expense, install and maintain any such new private use paved surfaces during the term of the Agreement including providing for drainage requirements.

LESSOR shall install and maintain adequate fences and gates to control unauthorized access on to the Airport. LESSEE shall provide to the Airport Manager a security plan at least once annually.

LESSEE agrees to keep themselves informed of future changes in the existing environmental laws.

6.17 Hazardous Materials and Toxic Waste. LESSEE shall not knowingly or if reasonably should have known cause or permit to occur:

6.2 Fixed Based Operator. The following are LESSEE obligations regarding the operation of a FBO on Airport after the Commencement Date:

a. LESSEE shall not at any time use the Premises or any part thereof for any purposes other than the fixed based operation provided for and described herein, and such related activities as are herein expressly authorized, without advance written consent of LESSOR.

b. LESSEE shall provide all services as required of a FBO as set forth in the City's current Minimum Standards for Commercial Aeronautical Activities ~~and~~ as may be amended.

c. LESSEE shall furnish said goods and services on a fair, equal, and not unjustly discriminatory basis for all users thereof, and shall charge fair, reasonable, and not unjustly discriminatory prices for each unit or service, provided that the LESSEE may be allowed to

make reasonable and non-discriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

6.2.1 The LESSOR has entered into this Agreement with the understanding that the Services to be provided under this Agreement are subject to the personal supervision and management of persons who are experienced in the business of Fixed Base Operations and duly qualified under applicable governmental regulations. Therefore, LESSOR's has the right to consult with LESSEE in the event of any changes in control or management of the LESSEE to ensure that the public interest in availability of the Services is met. Accordingly, the LESSOR and LESSEE agree to the following limitations.

6.2.2 Assignment and Sublease. LESSEE shall not, at any time, assign, transfer, convey, mortgage, pledge, or encumber its interest under this Agreement, or any part of the leased space, to any party without prior written approval of LESSOR, such approval shall not be unreasonably withheld. Refusal by the LESSOR to approve assignment shall be based **solely** upon reasonable and verifiable concerns regarding the assignee's ability, based on experience and financial strength, to operate the FBO professionally. In no case will assignment be conditioned upon a renegotiation of the terms of the Agreement and any assignment shall allow the assignee to continue to operate under the terms and conditions described herein for the remainder of the term of the Agreement. Any attempted voluntary assignment, transfer, or subletting in violation of the provisions hereof shall be null and void and a default of this Agreement. No assignment, transfer, conveyance, or sublease by Operator shall relieve LESSEE of its primary responsibility for payment of rent and performance of all other obligations provided in this Agreement, without specific written consent by LESSOR to such relief. Any transfer of control of LESSEE or of LESSEE's operations, whether by merger or consolidation, or transfer of shares or membership interests shall constitute an assignment under this Section. The foregoing prohibition on assignment shall not be construed to limit LESSEE's rights to grant a Leasehold Mortgage as permitted in Section 6.8 herein.

6.3 Access. LESSEE, its employees, patrons, invitees, suppliers, agents, and contractors shall have at all times the right of ingress to and egress from the rented and managed Premises but this right does not relieve those named persons, firms, or corporations from the obligation to observe and obey all rules, regulations, or laws that may then currently be in effect in the operation of the Airport. To ensure this right the LESSOR shall make all reasonable efforts to keep adjacent areas to the rented Premises free and clear of all hazards and obstructions, natural and manmade.

6.4 Signs. During the term of the Agreement, LESSEE shall have the right, at its expense, to place on or at the Premises, a sign or signs identifying LESSEE. LESSEE shall be responsible for all permits for its own signage. Notwithstanding any other provision of the Agreement, said sign(s) shall remain the property of LESSEE. LESSEE shall remove, at its expense, all lettering, signs, and placards so erected on the Premises at the expiration of the term of the Agreement.

6.5 UNICOM. Notwithstanding that LESSOR owns the license for the aviation frequency associated with the "UNICOM", the LESSOR grants the LESSEE the non-exclusive right to use the UNICOM frequency to communicate with aircraft using the Airport. The acquisition,

cost, installation, and maintenance of communication equipment for radio communication with aircraft in flight or on the ground, or such substitute apparatus, for air safety as may be designated by the City or the FAA shall be for ~~the~~ responsibility of the LESSEE.

6.6 Aircraft Owner' Rights and Privileges. It is clearly understood by the LESSEE that no right or privilege has been granted which would prevent any person, firm, or corporation operating aircraft on the Airport from performing any services on its own or leased aircraft with its own regular employees (including, but not limited to, maintenance and repair) that it may choose to perform

6.7 Leasehold Improvements. The following pertains to leasehold improvements, which are governed by the Airport Development Guidelines and Standards, made by LESSEE on the Premises after the Commencement Date (prior to the Commencement Date, the following shall be subject to the Construction and Financing Agreements) and:

a. LESSEE agrees to submit to LESSOR, for approval, detailed plans and specifications for any structural change, alteration, addition, improvement, or removal from or to the Premises. LESSOR shall approve the plans and specifications as submitted, or transmit proposed revisions to LESSEE within thirty (30) days of receipt of the plans and specifications from LESSEE. In the event that LESSOR requires revisions of the original plans and specifications, LESSEE shall have thirty (30) calendar days from the date of receipt of the proposed revisions to resubmit the plans and specifications for LESSOR's approval. This initial review shall not constitute review for the purposes of obtaining City permits. LESSEE shall be required to obtain all permits from governmental agencies as may be required, including the City, and shall be solely responsible for all costs relating to permitting the proposed improvements.

b. Any such improvements made by LESSEE shall remain the property of the LESSEE until the expiration of the Agreement and any extensions or renewals thereof, and which shall remain on the Premises until the expiration or termination of the Agreement, at which time such improvements shall become the property of LESSOR. LESSEE shall at all times maintain all improvements constructed on the property in good condition. Upon expiration or termination of the Agreement, the LESSEE shall execute any and all documentation necessary to transfer clear title to the leasehold improvements, free of any lien or encumbrance, to LESSOR.

c. LESSEE shall not permit any mechanic's or other liens to be placed upon the Premises, at any time, except that LESSEE shall be permitted to mortgage its leasehold improvements to be constructed on the Premises by LESSEE in accordance with the provisions of Section 6.8 herein. LESSOR shall cooperate and provide customary assurances but shall not be required to subordinate its interest to such Leasehold Mortgage. All documentation regarding any leasehold mortgage must be reviewed and approved by the LESSOR prior to finalization of documents, to assure that no interest of the LESSOR is included in the documentation. Such review will be conducted promptly by LESSOR at its own expense.

d. LESSEE shall provide payment and performance bonds in amounts and form reasonably satisfactory to LESSOR, prior to commencement of construction.

e. Within sixty (60) days of completion of construction, erection, or any alteration of any improvements by the LESSEE, the LESSEE shall provide to the LESSOR a complete set without charge of "as-built" plans and drawings.

6.8 LESSEE may at any time and from time to time (and as many times as it desires) mortgage, hypothecate or pledge this Agreement and the leasehold estate created hereby and the interest of the LESSEE in and to this Agreement, together with LESSEE's right, title and interest in the improvements to the Premises and LESSEE's interest in any and all subleases and in and to all rents due or to become due thereunder (herein called a "Leasehold Mortgage"; and the holder of any such Leasehold Mortgage, whether or not the same is recorded of record, is herein called a "Leasehold Mortgagee").

LESSOR and LESSEE agree that so long as any such Leasehold Mortgage exists:

A. LESSOR will simultaneously mail to any Leasehold Mortgagee a copy of any notice given by LESSOR to LESSEE at the address given by such Leasehold Mortgagee to LESSOR for the receipt of such notice.

B. LESSOR and LESSEE acknowledge that the defaults or other events described in Section 10.1 herein may be classified as (i) "Curable Defaults" and (ii) "Non-Curable Defaults". The Non-Curable Defaults are any defaults which are by their nature not susceptible of being cured by a third person such as the Leasehold Mortgagee; and the Curable Defaults are all other defaults.

C. If a Curable Default occurs and if, prior to the expiration of the applicable grace period provided for in Section 10.1, the Leasehold Mortgagee shall give to LESSOR written notice that it intends to undertake a curing of all Curable Defaults and within such grace period the Leasehold Mortgagee commences upon a curing and thereafter pursues to conclusion the curing of all Curable Defaults continuously and diligently in good faith, then LESSOR will not take action to effect a termination of this Ground Lease or to re-enter or take possession of the Ground Leased Premises as a consequence of such Curable Default. However, if (i) a Curable Default is of such a nature that the curing thereof cannot be effected by the Leasehold Mortgagee until it shall have obtained possession of the Premises and (ii) prior to the effective date of a termination of this Agreement by LESSOR or LESSOR's re-entering or taking possession of the Premises, the Leasehold Mortgagee shall give to LESSOR written notice that it intends to institute foreclosure or other legal proceedings or to exercise any of its remedies under the Leasehold Mortgage concerned in order to gain possession of the Premises and within such grace period takes action to institute such remedies, then LESSOR will not take any action to effect a termination of this Agreement or to re-enter or take possession of the Premises as a consequence of such Curable Default so long as such Leasehold Mortgagee shall continue to prosecute its remedies under the Leasehold Mortgage (except during any such time it may be stayed or otherwise legally prevented from doing so) and cure all other Curable Defaults (if any) which may occur from time to time and which are susceptible of being cured by the Leasehold Mortgagee without its obtaining possession of the Premises and such Leasehold Mortgagee shall upon taking possession of the Premises cure

such Curable Defaults within the period reasonably required to cure the same.

D. If a Non-Curable Default occurs and (i) the Leasehold Mortgagee shall then be in the process of curing all then existing Curable Defaults pursuant to the provisions of subsection (C) above and (ii) the Leasehold Mortgagee shall give to LESSOR written notice that it intends to institute foreclosure or other legal proceedings or to exercise any of its remedies under the Leasehold Mortgage concerned in order to gain possession of the Premises, then LESSOR will not take any action to effect a termination of this Agreement or to re-enter or take possession of the Premises as a consequence of such Non-Curable Default so long as such Leasehold Mortgagee shall continue diligently to prosecute its remedies under the Leasehold Mortgage (except during any such time it may be stayed or otherwise legally prevented from doing so) and cure all Curable Defaults (if any) which may occur from time to time and which are susceptible of being cured by the Leasehold Mortgagee without its obtaining possession of the Premises and such Leasehold Mortgagee shall upon taking possession of the Premises cure such Curable Defaults within the period reasonably required to cure the same.

E. In the event a Leasehold Mortgagee or its designee designated for that purpose acquires the improvements and the leasehold estate pursuant to any proceedings for foreclosure of such Leasehold Mortgage, or by a voluntary assignment or transfer of this Agreement and the leasehold estate and the improvements in lieu of foreclosure or otherwise, the Leasehold Mortgagee or its designee or assignee as aforesaid shall be deemed an assignee of all the rights of LESSEE under this Agreement.

F. If this Agreement shall be rejected or disaffirmed pursuant to any bankruptcy law or other law affecting creditors' rights or if this Agreement is terminated for any other reason whatsoever, LESSOR will enter into a new lease of the Premises with the Leasehold Mortgagee or its designee not less than ten (10) nor more than thirty (30) days after the request of the Leasehold Mortgagee referred to below, for the remainder of the term of this Agreement effective as of the date of such rejection or disaffirmance or termination, upon all the terms and provisions contained in this Agreement; provided that (i) the Leasehold Mortgagee makes a written request to LESSOR for such new lease within ninety (90) days after the effective date of such rejection or disaffirmance or termination, as the case may be, and such written request is accompanied by a copy of such new lease, duly executed and acknowledged by the Leasehold Mortgagee or its designee and (ii) upon taking possession of the Premises the Leasehold Mortgagee cures any outstanding Curable Defaults within the period reasonably required to cure the same. Any new lease made pursuant to this paragraph shall have the same priority with respect to other interests in the Premises as this Agreement. The provisions of this paragraph shall survive the rejection or disaffirmance or termination of this Agreement and shall continue in full force and effect thereafter to the same extent as if this paragraph were a separate and independent contract made by LESSOR and the Leasehold Mortgagee.

G. So long as a Leasehold Mortgage is in effect (i) LESSOR will not accept a voluntary surrender of this Agreement, (ii) this Agreement shall not be modified in any material respect, and (iii) LESSOR and LESSEE shall not allow the fee interest in the Premises to merge with the leasehold estate created by this Agreement, without, in each case, the prior written consent of the Leasehold Mortgagee. Any violation of this paragraph shall be void.

The provisions of this Section 6.8 are for the benefit of any Leasehold Mortgagee and may be relied upon and shall be enforceable by any Leasehold Mortgagee. No Leasehold Mortgagee shall be liable upon the covenants, agreements or obligations of LESSEE contained in this Agreement, except as expressly provided herein.

LESSOR shall execute any instruments any such Leasehold Mortgagee may reasonably request or require from LESSOR, with respect to the provisions of this Section 6.8 excluding a subordination agreement or joinder of the Leasehold Mortgage.

6.9 Equipment and Trade Fixtures. LESSEE will retain title to all of its trade fixtures and equipment and any improvements and property installed by LESSEE during the term of the Agreement. Upon termination of the Agreement or upon removal of trade fixtures and equipment, the LESSEE shall restore the Premises to good condition at its sole cost and expense. Any LESSEE improvements or property installed not removed becomes the property of LESSOR.

6.10 Further Capital Improvement. LESSEE is granted right to make further capital improvement on the Premises within the scope of the Agreement at its sole cost and expense. In the event that any capital improvement, permanent improvement, fixture, new construction, or the like is proposed or made by LESSEE that requires a new paved surface for aircraft or automobile ingress or egress, including any associated new taxiway, taxi lane, or aircraft parking apron, or automobile parking lot, then LESSEE shall, at its sole cost and expense, install and maintain any such new private use paved surfaces during the term of the Agreement including providing for drainage requirements.

6.11 Airport Protection by LESSEE. LESSEE expressly agrees for itself, its successors, and assigns, to restrict the height of structures, objects of natural growth, and other obstructions on the Rented Premises to such a height so as to comply with City Building Code and Federal Aviation Regulations Part 77 and to prevent any use of the Premises which would interfere with or adversely affect the operation, maintenance or development of the Airport, or otherwise constitute an airport hazard.

6.12 Fueling on Airport. LESSEE is granted the non-exclusive right ~~and obligation~~ to fuel aircraft from refueling vehicles and provide ancillary services at tenant hangars and approved locations by LESSOR located outside of the Premises and upon the Premises of others with their permission and upon their request.

6.13 Fire Extinguishers. LESSEE shall provide sufficient number of fire extinguishers as may be required under fire codes for the safe protection of aircraft, persons, and property on the Premises. Such fire extinguishers shall be properly inspected and certified annually.

6.14 Compliance with Applicable Laws, Rules, and Regulations. Notwithstanding other requirements contained herein, the LESSEE at its sole cost and expense, hereby agrees to and shall comply with all applicable laws, ordinances, rules, and regulations established by federal, state, local government agency, and by the City, as they may be amended from time to time, and conduct its operations and commercial business in accordance with all applicable regulations pertaining to airports, including Airport Rules and Regulations, attached hereto as Exhibit "E", promulgated by the LESSOR governing safe and efficient operation of Fernandina Beach Municipal Airport. The LESSOR may, from time to time, modify and/or update the Rules and Regulations. LESSOR will provide LESSEE with a copy of the updated Rules and Regulations, and once updated or revised, those Rules and Regulations shall become a part of the Agreement. The LESSOR and LESSEE agree that material violations of any of the conditions of the Agreement or any violations of the Airport's Rules and Regulations shall be sufficient cause for termination of the Agreement and eviction of LESSEE from said Premises, in accordance with Article 10 herein.

6.15 Airport Security. LESSEE has obligation to operate upon its Premises to not undermine the security of the Airport. LESSOR shall install and maintain adequate fences and gates to control unauthorized access on to the Airport. LESSEE shall provide to the Airport Manager a security plan at least once annually.

6.16 Compliance with Environmental Law, Rules, and Regulations. LESSEE expressly represents, covenants, warrants, guarantees, and agrees that it shall comply in all material respects with all federal, state, and local laws, ordinances, rules, and regulations protecting the environment. Any cost or expense to remain or to be compliant with applicable environmental rules and regulations shall be the responsibility of the LESSEE unless attributable to the grossly negligent acts or omissions of LESSOR. LESSEE agrees to keep themselves informed of future changes in the existing environmental laws.

6.17 Hazardous Materials and Toxic Waste. LESSEE shall not knowingly or if reasonably should have known cause or permit to occur:

a. Any violation of any federal, state, or local law, ordinance, or regulation now or later enacted, related to environmental conditions on, under, or about the Premises, or arising from LESSEE'S use or occupancy of the Premises, including, but not limited to, soil and ground water conditions; or

b. The use, generation, release, manufacture, refining, production, processing, or disposal of any hazardous substance on, under, over, or about the Premises.

c. LESSEE shall, at its sole and exclusive expense, comply with all laws and regulations regulating the storage or transportation of hazardous substances relating to the Premises, and shall further make all submissions to, provide all information required by, and comply with all requirements of all governmental authorities under applicable federal, state, and local laws and regulations; and the LESSOR is to be immediately notified by LESSEE of any claim or allegation of non-compliance herewith.

d. If any authority demands that a clean-up plan be prepared and that a clean-up be undertaken because of any deposit, spill, discharge, or other release of hazardous substances that occurs during the term hereof, or any renewals hereof, at, or from the

Premises, or which arises from LESSEE's use or occupancy of the Premises, then LESSEE shall, at LESSEE's expense, prepare and submit the required plans and all related bonds and other required financial assurances; and LESSEE shall carry out all work required by such clean-up plans at its sole and exclusive expense.

6.18 LESSOR's and LESSEE's Certificates. LESSOR and LESSEE, on written request from each other, shall execute and deliver to the other party or any Leasehold Mortgagee or prospective purchaser, if so requested, without charge, a certificate certifying that this Agreement is in full force and effect, and whether it has been modified (and if there have been modifications, stating them), and whether or not the party executing the certificate knows of any default, breach or violation by the other party under any of the terms of this Agreement, and such other matters as may reasonably be requested.

13.10 Non-Waiver. The failure of the LESSOR to insist upon strict performance of any of the terms, conditions, or covenants herein set forth shall not be deemed a waiver of any rights or remedies that it may have and shall not be deemed a waiver of any breach or default by the LESSEE of the terms, conditions, or covenants contained herein.

Good morning,

It was a pleasure speaking with you as well, Juan.

The total project bid amount was intended as $399,771.00. I went back and found that one of the

subtotals double counted the restoration which caused the totals to sum higher than we listed.

American Civil Construction will honor $399,771.00 to perform the work necessary for the ITB 26-08 Clinch Drive Water Main Extension project.

Please let me know if you have any additional questions, we are looking forward to working with your team!

Subject: Confirmation of Bid Amount – ITB 26-08 Clinch Drive Water Main Extension

Nathan,

It was a pleasure speaking with you earlier today. I wanted to follow up and recap our phone conversation to confirm our understanding.

The City of Fernandina Beach received a bid from American Civil Construction, Inc. for ITB 26-08 – Clinch Drive Water Main Extension. The total project bid amount listed was $399,776. However, when the individual line items on the Bid Pricing Form are added together, the total appears to be $413,358.

Could you please confirm that American Civil Construction, Inc. will honor the $399,776 bid amount that was submitted with the bid?

If confirmed, the City will move forward with processing a Resolution for consideration by the City Commission at the March 17, 2026, meeting.

I appreciate your assistance and look forward to your response.

Thanks,
Juan Brown

	in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States. The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract. The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules,	

regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

(c) Subcontracts. Each nonexempt prime contractor or subcontractor shall include the equal opportunity clause in each of its nonexempt subcontracts.

(d) Inclusion of the equal opportunity clause by reference. The equal opportunity clause may be included by reference in all Government contracts and subcontracts, including Government bills of lading, transportation requests, contracts for deposit of Government funds, and contracts for issuing and paying
U.S. savings bonds and notes, and such other contracts and subcontracts as the Director of OFCCP may designate.

(e) Incorporation by operation of the order. By operation of the order, the equal opportunity clause shall be considered to be a part of every contract and subcontract required by the order and the regulations in this part to include such a clause whether or not it is physically incorporated in such contracts and whether or not the contract between the agency and the contractor is written.

(f) Adaptation of language. Such necessary changes in language may be made in the equal opportunity clause as shall be appropriate to identify properly the parties and their undertakings.

The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135. E. (b) Federally assisted construction contracts. (1) Except as otherwise provided, each administering agency shall require the inclusion of the following language as a condition of any grant, contract, loan, insurance, or guarantee involving federally assisted construction which is not exempt from the requirements of the equal opportunity clause: The applicant hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause: During the performance of this contract, the contractor agrees as follows: (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.	41 CFR §60-1.4(b) and 2 CFR 200 APPENDIX II (C)

	(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin. (3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to

individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved

	in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States. The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract. The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules,	

regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

(c) Subcontracts. Each nonexempt prime contractor or subcontractor shall include the equal opportunity clause in each of its nonexempt subcontracts.

(d) Inclusion of the equal opportunity clause by reference. The equal opportunity clause may be included by reference in all Government contracts and subcontracts, including Government bills of lading, transportation requests, contracts for deposit of Government funds, and contracts for issuing and paying
U.S. savings bonds and notes, and such other contracts and subcontracts as the Director of OFCCP may designate.

(e) Incorporation by operation of the order. By operation of the order, the equal opportunity clause shall be considered to be a part of every contract and subcontract required by the order and the regulations in this part to include such a clause whether or not it is physically incorporated in such contracts and whether or not the contract between the agency and the contractor is written.

(f) Adaptation of language. Such necessary changes in language may be made in the equal opportunity clause as shall be appropriate to identify properly the parties and their undertakings.

Without limitation of the foregoing, the parties acknowledge and agree that any encroachments, severances or reservations of oil, gas or other minerals, or oil, gas or other mineral leases affecting the Property shall be deemed Title Objections, and that the lien of general real estate taxes for the then-current tax fiscal year as of the Closing shall not constitute a Title Objection.

20. Agreement Effective. This Agreement and any modifications, amendments or alterations hereto shall not be effective or binding upon either of the parties unless and until executed by both SELLER and PURCHASER.

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Ordinance 2026-04
(Legislative) Land Development Code Text Amendment - Conservation Lands Signage

ITEM TYPE: Ordinance (w/o fiscal impact)

REQUESTED ACTION: Consider Ordinance 2026-04 at Second Reading.

SYNOPSIS: LDC text amendment to establish regulations and design criteria for conservation signage. Currently, the ordinance prohibits signs on properties designated as Conservation (CON) zones. The suggested ordinance aims to allow certain signage on conservation lands which acknowledges donors, sponsors, or partners who have played a role in the acquisition, restoration, or management of these areas, all while maintaining the natural character and ecological integrity of the land. The language in red in Exhibit A reflects a change recommended by the Planning Advisory Board in 5.05.02(1) to clarify the reference to five (5) acres and changes recommended by the City Attorney in 5.05.02(6) to address the requirements of the permit.

The City Commission, at their February 17, 2026, regular meeting, approved Ordinance 2026-04 at First Reading.

FISCAL IMPACT: N/A

1. Summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals and welfare):

This Land Development Code (LDC) Text Amendment creates a new LDC Section 5.05.00 Specific Provisions for Recognition Signage to allow limited signage on conservation lands for the recognition of donors, sponsors, or partners who have contributed to the acquisition, restoration, or stewardship of such properties, while preserving the natural character and ecological integrity of these lands and specifically adding design standards for signage. Allowing such sign would call attention to the use and protections on the land, promotes appreciation for conservation areas, and celebrates those who chose to donate their land to this cause. Conservation areas contribute tremendously to the sense of place in Fernandina Beach. Areas zoned conservation not only promotes passive physical activity and offers safe harbors for wildlife, it ensures vital ecosystem services (such as air and water filtration, flood mitigation, and preserving biodiversity) remain intact. Simply adding the possibility of placing signage to recognize donors, sponsors, and partners would encourage more people to donate their land and celebrate those who have already done so.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the City of Fernandina Beach, if any:

(a) An estimate of direct compliance costs that businesses may reasonably incur if the ordinance is enacted: **$0.00**

(b) Any new charge or fee imposed by the proposed ordinance or for which businesses will be financially responsible: **None**

(c) An estimate of the City of Fernandina Beach regulatory costs, including estimated revenues from any new charges or fees to cover such costs: **$0.00**

Direct impacts involve the cost associated with the maintenance of property. The City currently maintains such city owned conservation property within the City.

3. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance: **None, businesses will not be affected by the proposed ordinance.**

4. Additional information the governing body deems useful (if any): **None**

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

4. OLD BUSINESS

There were no Old Business cases to be presented.

5. NEW BUSINESS

5.1 ***(Legislative)*** **PAB 2025-0016 - FUTURE LAND USE MAP AMENDMENT, LOT 8-9-10 BELVEDERE AVENUE** - The City of Fernandina Beach requests a change of the Future Land use Map category from Low Density Residential (LDR) to Conservation (CON) for the three parcels of land identified as 00-00-31-178A-0002-0080, 00-00-31-178A-0002-0090, and 00-00-31-178A-0002-0100 totaling 0.39 acres of land.

Ms. Pearson introduced the Staff Report analysis and recommended approval. Staff finds the request to be sufficiently compliant with the Comprehensive Plan, Land Development Code and City Commission goals to increase conservation land use and zoning acreage.

Board Discussion was opened.

Member Stevenson stated that he did not review the legal analysis in detail due to its length but assumed it was sufficient given that it was extensive and notarized. Several other members concurred.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Gillette, to recommend approval of PAB 2025-0016 to the City Commission; AND that PAB case 2025-0016 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

5.2 ***(Quasi-Judicial)*** **PAB 2025-0017 - ZONING MAP AMENDMENT, LOT 8-9-10 BELVEDERE AVENUE** - The City of Fernandina Beach requests a change to the Zoning Map category from Low Density Residential (R-1) to Conservation (CON) for the three parcels of land identified as 00-00-31-178A-0002-0080, 00-00-31-178A-0002-0090, and 00-00-31-178A-0002-0100 totaling 0.39 acres of land.

Ms. Pearson presented the Staff Report analysis and recommended approval.

Public Hearing was opened.

Joel McCarthy, 2120 Belvedere Road, owner of Lots 10 and 11, asked whether conservation designation is the same as wetlands. Ms. Pearson responded that the parcels may be wetlands and that Conservation zoning of the properties would render the land undevelopable.

Margaret Kirkland, 1377 Plantation Point Drive, speaking on behalf of Conserve Nassau, said she is appreciative of the person who donated this land to conservation.

Member Stevenson commented that it is great that land is being moved into conservation and that the City should think about creating a "roadmap" for people to facilitate the process of being able to move parts of their lands into conservation.

Kim Wolford, 1315 Broome Street, stated that she has been working with Ms. Kirkland and the Planning & Conservation Department on developing a general program along with signage aimed at improving public education and awareness regarding available conservation options. Member Stevenson suggested that Ms. Wolford contact City Clerk Best about making a special presentation during the City Commission meeting.

Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Gillette, to recommend approval of PAB 2025-0017 to the City Commission as per Staff recommendation; AND that PAB case 2025-0017 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

5.3 ***(Legislative)*** **- PAB 2025-0018 - CITY OF FERNANDINA BEACH**
The City of Fernandina Beach requests a Land Development Code (LDC) Text Amendment to LDC Section 5.03.00 Signs, to permit limited signage on conservation lands for the recognition of donors, sponsors, or partners who have contributed to the acquisition, restoration, or stewardship of such

properties, while preserving the natural character and ecological integrity of these lands.

Ms. Pearson introduced the case and provided a brief presentation. She explained that Conservation-zoned properties are not specifically addressed in the Land Development Code under signage regulations; however, certain provisions of the Code do allow temporary signage on Conservation land. Ms. Pearson recommended approval of the case in order to align signage practices with the goals for Conservation-zoned properties.

Chair Doster asked whether property owners interested in selling or donating their land to the City should be contacted. Ms. Pearson responded that Ms. Kathy Russell in the Conservation Department would be the appropriate point of contact.

Member Robas asked about the size of the signage shown in the presentation, and Ms. Pearson provided the dimensions.

Member Robas also emphasized the importance of recognizing land donors but expressed concern about maintaining consistency in signage. She noted that inconsistent signage could create visual clutter and encouraged the establishment of a standard to minimize disruption to the landscape.

Member Stevenson stated that he supports recognition efforts and shared his view that some level of "advertising" is inherent in this type of signage.

Ms. Prince asked whether the proposal applied only to land donated to the City.

Ms. Pearson explained that signage requests may also come from land trusts or state entities that wish to recognize their involvement or donation. She stated that the intent is to allow signage while establishing provisions and guidelines to ensure quality and consistency. Ms. Pearson noted that while Conservation zoned lands currently allow temporary signage, the goal is not to encourage it, as temporary signage could be repeatedly installed and removed without maintaining design standards. She further explained that clearer guidelines would help address signage on both publicly and privately owned Conservation zoned properties.

Additional discussion followed regarding the proposed amendment, including clarification of the intent to allow recognition signage from land trusts and other donors while establishing clear design standards, permitting requirements, and limits on size, placement, and environmental sensitivity. Board members discussed consistency in signage appearance, sign permitting process, and the need for proportionality between sign size and land area, as well as concerns about viewshed impacts and long-term maintenance. Several members emphasized the importance of adopting uniform standards applicable to both public and private conservation lands, while others expressed a desire for clearer language before implementation.

ACTION TAKEN: A motion was made by Member Gillette, seconded by Member Stevenson, to recommend approval of PAB 2025-0018 to the City Commission for a Land Development Code (LDC) Text Amendment to LDC Section 5.03.00 Signs, with the noted amendment to LDC Section 5.05.02 (A)(1); that property of 5 acres or less shall not exceed a maximum signage size of 6 square feet, and that properties larger than 5 acres shall not exceed a maximum signage size of 16 square feet.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

5.4 ***(Legislative)*** **- PAB 2025-0020 - CITY OF FERNANDINA BEACH**

The City of Fernandina Beach requests a Land Development Code (LDC) Text Amendment to LDC Section 11.08.04 Specific Penalties for Violation of Tree Permit Requirements, and Table 11.08.04 Fines for Unauthorized Tree Removal (2 or more), to clarify the calculations of fines and establish minimum fine associated with Multi-Family, Subdivisions, Mixed-Use, and Non-Residential violations.

Ms. Pearson introduced the case and provided a brief presentation on the proposed text amendment, noting that the amendment aligns with the City's conservation goals and the character of the community.

Member Stevenson stated that the amendment would clarify the Land Development Code and reduce potential misinterpretation.

Ms. Prince concurred and referenced a City policy that had been applied in past tree removal enforcement cases, including proceedings before the Special Magistrate. She explained that the policy prioritized fines based on tree size, with larger trees carrying higher penalties to serve as a deterrent. She noted that during an appeal, questions arose addressing the authority to establish this policy and asked whether fines would be assessed by tree size, per tree, or based on the total number of trees removed. Ms. Pearson responded that the proposed amendment specifies that fines would be assessed based on the size of the tree removed.

Ms. Prince presented several hypothetical scenarios, and Member Gillette suggested that additional clarification may be needed regarding which property types would be subject to the fines, including legal considerations related to "lot of record."

The Board discussed potential revisions to the language.

Public Comment was opened.

Margaret Kirkland, speaking on behalf of Conserve Nassau, stated that the penalties were established for a reason and expressed support for clearer fine assessment criteria. She added that many of the affected sites are likely to be heavily impervious and stated that higher fines for tree removal are appropriate given the environmental impacts.

ACTION TAKEN: A motion was made by Member Gillette, seconded by Member Stevenson, to recommend approval of PAB 2025-0020 to the City Commission for Land Development Code (LDC) Text Amendment to LDC Section 11.08.04 Specific Penalties for Violation of Tree Permit Requirements, and Table 11.08.04 Fines for Unauthorized Tree Removal (2 or more), to clarify the calculations of fines and establish minimum fine associated with Multi-Family, Subdivisions, Mixed-Use, and Non-Residential violations.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

6. BOARD BUSINESS

Member Gillette provided an update on impact fees, noting that state law allows a 50% increase in fees, with potential for higher increases under extreme circumstances. He explained that for the County to collect fees from the City, an interlocal agreement is typically required. Some entities, such as the school board, have agreements in place, while others do not, resulting in situations where the City pays fees to the County but cannot charge back, effectively creating double taxation for residents.

Member Stevenson inquired about the next County meeting for final adoption, and there was discussion regarding its scheduling.

Member Gillette also addressed mobility fees, explaining that county projects are focused east of I-95 and highlighting how City funds are being used for County infrastructure projects, potentially creating inequities for the City. He proposed drafting a new interlocal agreement to ensure fairness and suggested that the board draft a letter to the County.

Kim Wolford, 1315 Broome Street, thanked Mr. Gillette and asked how residents could be involved; he recommended contacting the County commissioner representing the City. Further discussion ensued regarding fee allocation, fines, and County arguments.

Ms. Prince provided input, and Mr. Akramoff shared past experiences and county perspectives, including challenges with transportation in large developments. Member Gillette clarified how the fee charts were developed, emphasizing that the City bears much of the burden. Member Robas noted that the fees impact housing affordability.

The Board discussed next steps for drafting a letter to the County, emphasizing that it must be submitted to the City Commission for approval. Ms. Wolford noted that the City generates a significant portion of the County's tax revenue and expressed concern about the imbalance in fee allocation, which Member Gillette agreed with.

5. NEW BUSINESS

5.1 ***(Legislative)*** **PAB 2025-0016 - FUTURE LAND USE MAP AMENDMENT, LOT 8-9-10 BELVEDERE AVENUE** - The City of Fernandina Beach requests a change of the Future Land use Map category from Low Density Residential (LDR) to Conservation (CON) for the three parcels of land identified as 00-00-31-178A-0002-0080, 00-00-31-178A-0002-0090, and 00-00-31-178A-0002-0100 totaling 0.39 acres of land.

Ms. Pearson introduced the Staff Report analysis and recommended approval. Staff finds the request to be sufficiently compliant with the Comprehensive Plan, Land Development Code and City Commission goals to increase conservation land use and zoning acreage.

Board Discussion was opened.

Member Stevenson stated that he did not review the legal analysis in detail due to its length but assumed it was sufficient given that it was extensive and notarized. Several other members concurred.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Gillette, to recommend approval of PAB 2025-0016 to the City Commission; AND that PAB case 2025-0016 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

5.2 ***(Quasi-Judicial)*** **PAB 2025-0017 - ZONING MAP AMENDMENT, LOT 8-9-10 BELVEDERE AVENUE** - The City of Fernandina Beach requests a change to the Zoning Map category from Low Density Residential (R-1) to Conservation (CON) for the three parcels of land identified as 00-00-31-178A-0002-0080, 00-00-31-178A-0002-0090, and 00-00-31-178A-0002-0100 totaling 0.39 acres of land.

Ms. Pearson presented the Staff Report analysis and recommended approval.

Public Hearing was opened.

Joel McCarthy, 2120 Belvedere Road, owner of Lots 10 and 11, asked whether conservation designation is the same as wetlands. Ms. Pearson responded that the parcels may be wetlands and that Conservation zoning of the properties would render the land undevelopable.

Margaret Kirkland, 1377 Plantation Point Drive, speaking on behalf of Conserve Nassau, said she is appreciative of the person who donated this land to conservation.

Member Stevenson commented that it is great that land is being moved into conservation and that the City should think about creating a "roadmap" for people to facilitate the process of being able to move parts of their lands into conservation.

Kim Wolford, 1315 Broome Street, stated that she has been working with Ms. Kirkland and the Planning & Conservation Department on developing a general program along with signage aimed at improving public education and awareness regarding available conservation options. Member Stevenson suggested that Ms. Wolford contact City Clerk Best about making a special presentation during the City Commission meeting.

Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Gillette, to recommend approval of PAB 2025-0017 to the City Commission as per Staff recommendation; AND that PAB case 2025-0017 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

5.3 ***(Legislative)*** **- PAB 2025-0018 - CITY OF FERNANDINA BEACH**
The City of Fernandina Beach requests a Land Development Code (LDC) Text Amendment to LDC Section 5.03.00 Signs, to permit limited signage on conservation lands for the recognition of donors, sponsors, or partners who have contributed to the acquisition, restoration, or stewardship of such

properties, while preserving the natural character and ecological integrity of these lands.

Ms. Pearson introduced the case and provided a brief presentation. She explained that Conservation-zoned properties are not specifically addressed in the Land Development Code under signage regulations; however, certain provisions of the Code do allow temporary signage on Conservation land. Ms. Pearson recommended approval of the case in order to align signage practices with the goals for Conservation-zoned properties.

Chair Doster asked whether property owners interested in selling or donating their land to the City should be contacted. Ms. Pearson responded that Ms. Kathy Russell in the Conservation Department would be the appropriate point of contact.

Member Robas asked about the size of the signage shown in the presentation, and Ms. Pearson provided the dimensions.

Member Robas also emphasized the importance of recognizing land donors but expressed concern about maintaining consistency in signage. She noted that inconsistent signage could create visual clutter and encouraged the establishment of a standard to minimize disruption to the landscape.

Member Stevenson stated that he supports recognition efforts and shared his view that some level of "advertising" is inherent in this type of signage.

Ms. Prince asked whether the proposal applied only to land donated to the City.

Ms. Pearson explained that signage requests may also come from land trusts or state entities that wish to recognize their involvement or donation. She stated that the intent is to allow signage while establishing provisions and guidelines to ensure quality and consistency. Ms. Pearson noted that while Conservation zoned lands currently allow temporary signage, the goal is not to encourage it, as temporary signage could be repeatedly installed and removed without maintaining design standards. She further explained that clearer guidelines would help address signage on both publicly and privately owned Conservation zoned properties.

Additional discussion followed regarding the proposed amendment, including clarification of the intent to allow recognition signage from land trusts and other donors while establishing clear design standards, permitting requirements, and limits on size, placement, and environmental sensitivity. Board members discussed consistency in signage appearance, sign permitting process, and the need for proportionality between sign size and land area, as well as concerns about viewshed impacts and long-term maintenance. Several members emphasized the importance of adopting uniform standards applicable to both public and private conservation lands, while others expressed a desire for clearer language before implementation.

ACTION TAKEN: A motion was made by Member Gillette, seconded by Member Stevenson, to recommend approval of PAB 2025-0018 to the City Commission for a Land Development Code (LDC) Text Amendment to LDC Section 5.03.00 Signs, with the noted amendment to LDC Section 5.05.02 (A)(1); that property of 5 acres or less shall not exceed a maximum signage size of 6 square feet, and that properties larger than 5 acres shall not exceed a maximum signage size of 16 square feet.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

5.4 ***(Legislative)*** **- PAB 2025-0020 - CITY OF FERNANDINA BEACH**

The City of Fernandina Beach requests a Land Development Code (LDC) Text Amendment to LDC Section 11.08.04 Specific Penalties for Violation of Tree Permit Requirements, and Table 11.08.04 Fines for Unauthorized Tree Removal (2 or more), to clarify the calculations of fines and establish minimum fine associated with Multi-Family, Subdivisions, Mixed-Use, and Non-Residential violations.

Ms. Pearson introduced the case and provided a brief presentation on the proposed text amendment, noting that the amendment aligns with the City's conservation goals and the character of the community.

Member Stevenson stated that the amendment would clarify the Land Development Code and reduce potential misinterpretation.

Ms. Prince concurred and referenced a City policy that had been applied in past tree removal enforcement cases, including proceedings before the Special Magistrate. She explained that the policy prioritized fines based on tree size, with larger trees carrying higher penalties to serve as a deterrent. She noted that during an appeal, questions arose addressing the authority to establish this policy and asked whether fines would be assessed by tree size, per tree, or based on the total number of trees removed. Ms. Pearson responded that the proposed amendment specifies that fines would be assessed based on the size of the tree removed.

Ms. Prince presented several hypothetical scenarios, and Member Gillette suggested that additional clarification may be needed regarding which property types would be subject to the fines, including legal considerations related to "lot of record."

The Board discussed potential revisions to the language.

Public Comment was opened.

Margaret Kirkland, speaking on behalf of Conserve Nassau, stated that the penalties were established for a reason and expressed support for clearer fine assessment criteria. She added that many of the affected sites are likely to be heavily impervious and stated that higher fines for tree removal are appropriate given the environmental impacts.

ACTION TAKEN: A motion was made by Member Gillette, seconded by Member Stevenson, to recommend approval of PAB 2025-0020 to the City Commission for Land Development Code (LDC) Text Amendment to LDC Section 11.08.04 Specific Penalties for Violation of Tree Permit Requirements, and Table 11.08.04 Fines for Unauthorized Tree Removal (2 or more), to clarify the calculations of fines and establish minimum fine associated with Multi-Family, Subdivisions, Mixed-Use, and Non-Residential violations.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

6. BOARD BUSINESS

Member Gillette provided an update on impact fees, noting that state law allows a 50% increase in fees, with potential for higher increases under extreme circumstances. He explained that for the County to collect fees from the City, an interlocal agreement is typically required. Some entities, such as the school board, have agreements in place, while others do not, resulting in situations where the City pays fees to the County but cannot charge back, effectively creating double taxation for residents.

Member Stevenson inquired about the next County meeting for final adoption, and there was discussion regarding its scheduling.

Member Gillette also addressed mobility fees, explaining that county projects are focused east of I-95 and highlighting how City funds are being used for County infrastructure projects, potentially creating inequities for the City. He proposed drafting a new interlocal agreement to ensure fairness and suggested that the board draft a letter to the County.

Kim Wolford, 1315 Broome Street, thanked Mr. Gillette and asked how residents could be involved; he recommended contacting the County commissioner representing the City. Further discussion ensued regarding fee allocation, fines, and County arguments.

Ms. Prince provided input, and Mr. Akramoff shared past experiences and county perspectives, including challenges with transportation in large developments. Member Gillette clarified how the fee charts were developed, emphasizing that the City bears much of the burden. Member Robas noted that the fees impact housing affordability.

The Board discussed next steps for drafting a letter to the County, emphasizing that it must be submitted to the City Commission for approval. Ms. Wolford noted that the City generates a significant portion of the County's tax revenue and expressed concern about the imbalance in fee allocation, which Member Gillette agreed with.
