Proclamation

WHEREAS, it is with honor that the City of Fernandina Beach ("City") hereby recognizes Code Enforcement Director Michelle Forstrom upon her retirement; and

WHEREAS, Director Forstrom began her employment on January 18, 2005. Throughout the course of her twenty-one-year three-month tenure, Director Forstrom steadily advanced based on ability, aptitude, and can-do spirit; from Office Assistant I, Staff Assistant II, Permit Clerk, Code Compliance Officer, Code Enforcement Manager, to now Director of Code Enforcement; and

WHEREAS, in furtherance of delivering the highest standards of code enforcement expertise and best practices, Director Forstrom holds a variety of professional certifications, some of which include: Florida Association of Code Enforcement ("FACE") Administrative Aspects of Code Enforcement, FACE Fundamentals of Code Enforcement, FACE Legal Issues in Code Enforcement, FACE Officer Safety and Field Applications, and Florida Association of Business Tax Officials Senior Official. Director Forstrom also served on the FACE Board of Directors representing the Northeast Area Chapter as well as FACE Treasurer; and

WHEREAS, Director Forstrom championed efforts to achieve Florida Fish and Wildlife Conservation Commission Wildlife Lighting Program compliance on City beaches which is critical to sea turtle hatchling survival; and

WHEREAS, Director Forstrom steadfastly demonstrated professionalism, integrity, and compassion, earning the respect of colleagues and the gratitude of citizens; and

WHEREAS, the City Commission hereby acknowledges the sacrifices made not only by Director Forstrom, but also her family, who shared in the challenges of a loved one committed to a code enforcement career; and

WHEREAS, following more than two decades of dedicated service, Director Forstrom retires March 31, 2026. As she embarks on a well-deserved retirement, she leaves a legacy of service and commitment to the safety and well-being of her community which unequivocally benefited the City of Fernandina Beach and community at large.

NOW, THEREFORE, BE IT RESOLVED, by the City Commission of the City of Fernandina Beach, Florida, that genuine and sincere gratitude is hereby expressed for the professional efforts of:

"CODE ENFORCEMENT DIRECTOR MICHELLE FORSTROM"

IN WITNESS WHEREOF, I, James Antun, as Mayor, have hereunto set my hand and caused the Official Seal of the City of Fernandina Beach to be affixed this 17th day of March 2026.

Proclamation

WHEREAS, it is with distinction that the City of Fernandina Beach ("City") hereby recognizes Conservation and Environmental Manager Katherine Russell upon her retirement; and

WHEREAS, Manager Russell began City employment on June 10, 1991, as a temporary seasonal Water Safety Instructor. Throughout the course of her thirty-two-year three-month tenure, Manager Russell served in a variety of essential recreation and environmental roles; from Aquatics Coordinator, Aquatics Director, Aquatics Supervisor, Greenway Supervisor, Parks and Recreation Manager, to now Conservation and Environmental Manager; and

WHEREAS, following acquisition of the Ron Sapp Egans Creek Greenway, Manager Russell enthusiastically undertook the challenge of establishing sustainable conservation land protocols and standards in furtherance of protecting the 300+ acre parcel of wetlands, salt marsh, hardwood/mixed forest, wildlife, and over five miles of walking/biking trails; and

WHEREAS, due to her preservation expertise and high-level productivity, Manager Russell's conservation responsibilities have since dramatically expanded to include oversight of all City-owned conservation lands, beach parks, and projects, continuing her long-standing commitment to environmental stewardship and public access to natural spaces; and

WHEREAS, through ethical and proactive care, Manager Russell steadfastly guarded and protected the City's rich natural ecosystems and the resources contained therein, earning the respect of colleagues and gratitude of the community; and

WHEREAS, following more than three decades of dedicated service, Manager Russell retires March 27, 2026. As she sets out into retirement, her staunch devotion to conservation and preservation will endure as an indelible mark for future generations to explore, study, and enjoy.

NOW, THEREFORE, BE IT RESOLVED, by the City Commission of the City of Fernandina Beach, Florida, that genuine and sincere gratitude is hereby expressed for the conscientious and professional efforts of:

"CONSERVATION AND ENVIRONMENTAL MANAGER KATHY RUSSELL"

IN WITNESS WHEREOF, I, James Antun, as Mayor, have hereunto set my hand and caused the Official Seal of the City of Fernandina Beach to be affixed this 17th day of March 2026.

Proclamation

WHEREAS, Light Up Amelia, Inc. is a non-profit organization founded in 2014 with the mission of celebrating the 4th of July and lighting Centre Street trees, made possible solely through private donations and corporate sponsorship; and

WHEREAS, in 2015, Light Up Amelia, Inc. boldly expanded its programming to include New Year's Eve fireworks which is when Florida Public Utilities Company ("FPUC") proudly united in partnership to co-sponsor the annual New Year's Eve Shrimp Drop and Fireworks special event, held at the City's historic downtown waterfront; and

WHEREAS, each year's family-friendly festivities kick off with the Shrimp Drop countdown at 7:00 p.m., aligning with Greenwich Mean Time, ensuring inclusiveness for younger revelers and families who wish to participate at an earlier hour; and

WHEREAS, in 2025, the Shrimp Drop earned national recognition when it was named on USA Today's "Ten Best" list of New Year's Eve drop events across the United States, highlighting Fernandina Beach as a premier holiday destination; and

WHEREAS, in the weeks leading up to ringing in 2026, FPUC engaged the community through an interactive "Name the Shrimp" campaign, inviting public participation in selecting the name of the event's new shrimp mascot; and

WHEREAS, more than 1,500 community members cast their votes, resulting in the winning name, "Wattson," which was announced just ahead of the 7:00 p.m. Shrimp Drop, adding excitement and community spirit to the countdown; and

WHEREAS, the 2026 New Year's Eve Shrimp Drop welcomed more than 10,000 attendees to the downtown waterfront for a safe, festive, and family-friendly celebration, made possible through the dedicated partnership of FPUC and Light Up Amelia, Inc.; and

WHEREAS, FPUC team members enhanced the celebration by staffing interactive booths offering celebratory party supplies including hats, crowns, shrimp necklaces, and noisemakers, as well as a photo opportunity area featuring Wattson, further fostering community engagement and holiday cheer; and

WHEREAS, the continued partnership between FPUC and Light Up Amelia, Inc. exemplifies meaningful collaboration between local government, nonprofit organizations, and private industry in creating memorable community traditions.

NOW, THEREFORE, BE IT PROCLAIMED, by the City Commission of the City of Fernandina Beach, Florida, that special recognition is hereby expressed to:

"Florida Public Utilities Company and Light Up Amelia, Inc."

for their committed partnership, community engagement, and contributions to the success of the annual New Year's Eve Shrimp Drop and Fireworks special event.

IN WITNESS WHEREOF, I, James Antun, hereunto set my hand and cause the Official Seal of the City of Fernandina Beach, Florida, to be affixed this 17th day of March 2026.

Enterprise Funds

- Enterprise funds are expected to fund operations through charges for services.
- Ideally, the funds will generate an excess of revenues over expenditures in their operations, which is then available for debt payments, contingencies and capital purchases.
- The City has 7 Business Class Funds
  - Fund 410 – Golf
  - Fund 420 – Airport
  - Fund 440 – Sanitation
  - Fund 450 – Wastewater
  - Fund 460 – Water
  - Fund 470 – Stormwater
  - Fund 480 - Marina

CAUTION: This email originated from outside the organization. Do not click links or open attachments unless you recognize the sender, were expecting this email, and know the content is safe.

Afternoon Chiefs,

I hope this note finds you well.

We have really valued our Beyond School Walls partnership with your organizations and think this year's joint sessions has been a success for your organizations and the students!

As you all know, we operate this program under a Memorandum of Understanding that was first signed back in April of 2024 (copy attached for ease of reference). The MOU's two-year term will expire this April 2026. There is the option to renew/extend the agreement for two additional one-year periods with the same terms and conditions. It is noted our agency's intent/request to renew must be submitted in writing 60 days out from the current term end. We would love the opportunity to renew and continue the program for participating students and Mentors.

Please let me know thoughts, questions, etc.

If extension is agreeable to you all, please let me know what, if anything beyond this email, is required to serve as official request from our agency to renew/extend the agreement for an additional year.

With appreciation,
Sara

MENTORING PROGRAM AGREEMENT
BETWEEN THE CITY OF FERNANDINA BEACH
AND BIG BROTHERS BIG SISTERS OF NORTHEAST FLORIDA

This **MENTORING PROGRAM AGREEMENT** (the "Agreement") between Big Brothers Big Sisters of Northeast Florida ("BBBSNEFL") and the City of Fernandina Beach("City"), a municipal corporation, for and on behalf of the City of Fernandina Beach Fire ("FBFD") and Police ("FBPD") Departments, for one-on-one mentoring by volunteer mentors from FBFD and FBPD (the "Program") is entered into this 16th day of April, 2024.

WITNESSETH:

WHEREAS, for over 95 years, BBBSNEFL has helped children and youth achieve success in life by working with community volunteers who mentor youth in one-on-one relationships as Big Brothers and Big Sisters; and

WHEREAS, BBBSNEFL encourages workplace mentoring partnerships between students in Nassau County and volunteer mentors from local business and governmental entities; and

WHEREAS, volunteer mentors in the Program will work with their mentees to help strengthen their academic skills, encourage conflict resolution, build positive interpersonal skills, develop effective study skills, nourish self-confidence, and foster an appreciation for goal setting; and

WHEREAS, BBBSNEFL and the City believe it is to their mutual benefit to enter into this Agreement so that volunteer mentors from FBFD and FBPD will be able to provide one-on-one mentoring to students in Nassau County.

NOW, THEREFORE, in consideration of the mutual promises herein, BBBSNEFL and the City agree as follows:

1. **Term of Agreement.** The term of this Agreement (the "term") begins on 4/16/24, 2024, and terminates on April 16, 2026. Upon mutual agreement of the parties, the term may be extended for two additional one-year periods with the same terms and conditions as are set forth herein. Notice of BBBSNEFL's request for an additional renewal period must be given in writing at least 60 days prior to the end of the current term.

2. **Termination of Agreement.** Either party has the right to terminate this Agreement at any time by providing at least 30 days' written notice of such termination to the other party.

3. **Purpose of Agreement.** The purpose of this Agreement is to allow FBFD and FBPD to provide one-on-one mentoring at fire and police stations to high school aged students who are interested in pursuing a career in fire and rescue or police services. Students will be exposed to real-world fire and rescue and police environments and have the opportunity to observe various aspects of emergency services activities at local fire and police stations and develop an understanding of the many facets of FBFD's and FBPD's day-to-day operations. In addition, the mentoring experience will encourage high school graduation and post-secondary opportunities.

4. **Specific Responsibilities of BBBSNEFL.** It is the responsibility of BBBSNEFL to:

    a. Provide training to the FBFD and FBPD volunteer mentor and mentors' respective stations.

b. Provide background screening which includes Level II local, state, and federal background checks, and fingerprinting.
c. Provide a Match Support Specialist who will:
    i. Match mentors and students based on common interests;
    ii. Communicate regularly with FBFD, FBPD, mentors, and students;
    iii. Arrange all transportation and travel with students to fire and police stations;
    iv. Coordinate logistics for mentoring sessions and activities;
    v. Develop individual improvement plans with specific academic goals for each participating student in concert with the mentor, mentee, and mentee's teachers;
    vi. Provide report cards and any other pertinent information about the students to mentors;
    vii. Have quarterly feedback sessions with mentors;
    viii. Provide an end-of-the-year report on student's grades, behavior, attendance, and promotion to the next grade.
d. Acquire parental/guardian permission for each student's participation in the Program.
e. Provide a signed consent/hold harmless statement from the parent/guardian of each student participating in the Program.
f. Undertake and agree that it will indemnify and hold harmless the City of Fernandina Beach, its members, officials, officers, employees, and agents, and be responsible for reasonable attorney's fees on account of thereof that may be sustained or incurred by reason of any and all claims, demands, suits, actions, judgments, and executions for damages of any and every kind and by whomever and whenever made or obtained, allegedly caused by, arising out of, or relating in any manner to the activity of any Participant or Participants supplied by BBBSNEFL pursuant to this Agreement.
g. Procure and maintain, during the term of this Agreement and any renewal period, liability insurance as shown in Exhibit A.
h. Withdraw a Participant when directed to do so by the Fire Chief or Police Chief.

5. **Specific Responsibilities of FBFD and FBPD**. It is the responsibility of FBFD and FBPD to:
    a. Make a one-year commitment to the Program.
    b. Identify, solicit, and recruit volunteer mentors.
    c. Identify a FBFD and FBPD contract person who will work with BBBSNEFL to coordinate various aspects of the Program.
    d. Provide a copy of FBFD and FBPD Rules and Regulations and an appropriate orientation to participating students in connection with its facilities and its policies and procedures at the first session.
    e. Provide a FBFD or FBPD volunteer mentor for each participating student. Each department will provide up to 5 mentors for this program.
    f. Provide a meeting space for mentors and mentees at local fire and police stations once a month for three to four hours.
    g. Provide participants with opportunities to observe various aspects of FBFD and FBPD day-to-day routines and operations.

6. **City of Fernandina Beach Insurance and Indemnification.** The City of Fernandina Beach is insured for its own negligence, and its obligations with respect thereto are controlled by the provisions and limitations of Chapter 768.28, Florida Statutes.

    The parties recognize that BBBSNEFL is an independent contractor. BBBSNEFL agrees to assume liability for and indemnify, hold harmless, and defend the City, its commissioners, mayor, officers, employees, agents, and attorneys of, from, and against all liability and expense,

including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, arising directly or indirectly out of or in connection with any negligent and/or deliberate act or omission of BBBSNEFL, its officers, volunteers, employees, agents, and representatives. City liability hereunder shall include all attorney's fees and costs incurred by the City in the enforcement of this indemnification provision. This includes claims made by the employees of BBBSNEFL against the City, and BBBSNEFL hereby waives its entitlement, if any, to immunity under Section 440.11, Florida Statutes. The obligations contained in this provision shall survive termination of this Agreement and shall not be limited by the amount of any insurance required to be obtained or maintained under this Agreement. Nothing contained in the foregoing indemnification shall be construed to be a waiver of any immunity or limitation of liability the City may have under the doctrine of sovereign immunity or Section 768.28, Florida Statutes.

7. **Governing Law/Venue.** This Agreement is governed by and construed in accordance with the laws of the State of Florida and the ordinances of the City of Fernandina Beach. Venue for any action arising out of this Agreement will lie in the jurisdictional courts of Nassau County, Florida.

8. **Modification of Agreement.** Modification of this Agreement must be made in writing by mutual consent of both parties and attached to this Agreement.

9. **Notices.** All notices under this Agreement must be in writing and delivered by personal delivery, or United States certified, return receipt requested mail. Such notices will be delivered to the following:

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for ITB 26-01.

2. This sworn statement is submitted by (entity) Presco South Construction whose business address is 3350 SW 148th Ave #110 and (if applicable) Federal Employer Identification Number (FEIN) is 26-1976302 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

3. My name is Jorge Diaz and my relationship to the entity named above is President.

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or
    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any
natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

JD Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)

JD The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

ADDENDA

A written response to bidder questions will be issued via Addendum and posted on the City's website at www.fbfl.us/bids and DemandStar at www.demandstar.com. It is the bidder's responsibility to check the City's website for Addenda prior to submitting their bid. The deadline for questions is **ten** days before bid opening.

If there is an Addendum it becomes part of the original Bid and shall be acknowledged by attaching a copy of the Addendum, signed by an authorized representative of the person or company submitting the bid or proposal. Failure to do so may disqualify the bid or proposal.

CONTRACTOR PERSONNEL

1. CITY reserves the right to reject any CONTRACTOR employee doing business for the awarded CONTRACTOR that has not received the proper safety training or is not performing work in a safe manner. Any costs resulting in a rejection of personnel will be solely at the CONTRACTOR's expense.

2. No sub-contractor shall be employed by CONTRACTOR for the provision of these services without the prior written approval of the CITY.

PERFORMANCE STANDARDS/QUALITY REQUIREMENTS

In addition to those requirements set forth in the Scope of Work, all services (and items incidental thereto) and work provided by CONTRACTOR shall conform to the following:

PROJECT SCHEDULE

CONTRACTOR shall begin no later than **fourteen** calendar days from issuance of Notice to Proceed; all work must be completed **within 90 calendar days of startup**.

TIME OF PERFORMANCE

1. CONTRACTOR may, upon approval by City designee, be provided weekends and after-hours access to the site, if necessary or desired, to complete the project, weather permitting. However, no additional sums shall be paid other than that specified in the bid response.

2. CONTRACTOR may set up equipment onto the jobsite without commencing work for a maximum of seven calendar days. Location of equipment storage will be provided by the City designee.

3. CONTRACTOR will, prior to any delay submit notification of delay in writing within five calendar days to City designee.

4. CONTRACTOR shall submit documentation explaining the cause of delay. CITY shall determine the extent of delay and extend the time for completing the work if, in CITY's judgment, the findings justify an extension. Any delay shall not entitle CONTRACTOR to any additional compensation. The sole remedy of CONTRACTOR shall be an extension of time.

5. CONTRACTOR shall arrange with the City designee a sequence of procedures, means of access, space for storage of materials and equipment and use of approaches, corridors, and stairways. CITY shall not be responsible for lost or stolen materials or tools left on the job site.

SITE MAINTENANCE

1. Extreme care shall be taken to safeguard all existing facilities, paved walkways, site amenities, utilities, windows, and vehicles on or around the job site. Damage to public and/or private property shall be the responsibility of CONTRACTOR and shall be repaired and/or replaced in equal or better condition at no additional cost to the CITY. CONTRACTOR shall use all means to protect existing objects, structures and vegetation designated to remain. In the event of damage, immediately make all repairs, replacements, and dressings to damaged materials, to the approval of CITY, at no additional cost to the CITY. In the event of damage to public and/or private property, CONTRACTOR shall immediately contact the CITY's designee and inform them about the location and extent of the damages and will stay on site until his investigation of the damage is concluded.

2. CONTRACTOR shall place all debris in refuse container and keep the premises free from rubbish at the end of each working day. The CONTRACTOR shall be responsible for supplying, emptying and the removal of waste containers/dumpsters, as necessary.

3. CONTRACTOR shall arrange material storage so as not to interfere with the CITY's operations.

4. CONTRACTOR shall at the completion of the job, remove unused material and rubbish from the site. If CONTRACTOR refuses at any time to remove the debris from the premises, or to keep the working area clean, such cleaning will be completed by the CITY and deducted from the balance due CONTRACTOR.

5. CONTRACTOR shall store all materials to be protected against weather, vandalism, and theft. Any materials found to be damaged or missing shall be replaced by CONTRACTOR at no cost to the CITY.

6. CONTRACTOR shall be responsible for clean up at the site at the conclusion of the project, including excess construction materials, and a thorough cleaning of all areas that were affected by CONTRACTOR or their subcontractors to the satisfaction of the CITY.

SAFETY

1. CONTRACTOR shall be aware that this project is subject to public vehicle and pedestrian traffic at all times.

2. CONTRACTOR shall comply with all Federal/County/City laws/ordinances and City Fire codes during the execution of this project.

3. CONTRACTOR shall continuously maintain adequate protection of all work from damage and shall protect public and privately owned property, structures, vehicles, utilities, and work of any kind against damage or interruptions of service, which may result from the operations of the CONTRACTOR.

4. CONTRACTOR shall provide Safety Data Sheets: If any chemicals or materials or products containing toxic substances, as defined by Chapter 442, Florida Statutes, are to be used at any time during this the contract period, CONTRACTOR shall furnish Safety Data Sheets to the City designee prior to commencing this project.

5. CONTRACTOR shall perform all work under supervision of a capable supervisor using skilled employees.

6. CONTRACTOR shall have a person, which is on their payroll and with ***the authority to make decisions, on site at all times.***

REQUIRED INSPECTIONS

Prior to the start of any work, CONTRACTOR shall examine all surfaces and report in writing to the City designee any conditions detrimental to work. Failure to observe this injunction constitutes a waiver to any subsequent claims to the contrary.

CITY'S RIGHTS TO INSPECT, REJECT, AND STOP WORK

1. Right to Inspect Work - CITY will have the right to inspect the work at all times. Such inspections will not relieve the CONTRACTOR of any of its obligations to perform the work in strict accordance with the contract documents.

2. Right to Reject Work - CITY will have the right to reject work which does not conform to the contract documents. CITY may require special inspection or testing of the work.

3. Right to Stop Work - If CITY reasonably believes that CONTRACTOR is failing to carry out the work in accordance with the contract documents; CITY may order CONTRACTOR to stop the work, or a portion of the work, until such time as the cause of such stop order has been eliminated.

4. Right to Carry Out Work - If CONTRACTOR fails to perform the work properly or fails to perform any provision of the contract documents, including unauthorized project schedule delays, CITY, after three days written notice to CONTRACTOR without correction, may correct the deficiencies through the CITY's own forces or through others and may deduct the cost thereof from the payment then or thereafter due to the CONTRACTOR.

WARRANTY

1. CONTRACTOR shall provide warranty stating that the Atlantic Recreation Center Auditorium Windows and Storefront Glass Project is complete in detail and finish, and free of hazardous conditions. The material warranty and workmanship must have a one-year warranty.

2. If CITY deems it unacceptable to have CONTRACTOR correct the work which has been incorrectly done, a deduction from the contract price shall be made as determined by CITY. Such a deduction from the contract price shall in no way affect the CONTRACTOR's responsibility for defects, which may occur nor their ability for correcting them, and damage caused by them.

3. Supplies and/or services furnished as a result of this bid shall be covered by the most favorable commercial warranties, expressed or implied, that the bidder and/or manufacturer gives to any customer. The rights and remedies provided herein are in addition to and do not limit any rights afforded to the CITY by any other clause of this bid. Any applicable written warranty from the product manufacturer and/or representative company shall commence from date of completion and acceptance by the CITY.

A Certified Check or Bid Bond shall be for an amount not less than five percent (5%) of the Bid price and shall be made payable to the CITY OF FERNANDINA BEACH as a guarantee that the Bidder will not withdraw its bid for a period of ninety (90) calendar days after Bid closing time. Bid Bonds or Certified Checks will be returned to unsuccessful bidders within 10 days of bid award. Successful bidders will receive their Certified Check or Bid Bond after the contract/agreement has been signed and a Performance and Payment Bond is received.

PERFORMANCE AND PAYMENT BONDS:

a. In the event the Contract is awarded to the Bidder, Bidder will thereafter enter into a written contract with the CITY OF FERNANDINA BEACH and furnish a Payment and Performance Bond in an amount equal to the contract price. The form of the bonds shall be in accordance with Section 255.05 of Florida Statutes. Failing to do so, Bidder shall forfeit its bid security.

   Payment and Performance Bond shall be secured from or countersigned by an agency or surety company recognized in good standing and authorized to do business in the State of Florida.

   The following exceptions to bidder providing Performance and Payment Bonds are as follows: In lieu of the Performance and Payment Bonds, a contractor may file with the City an alternative form of security in the form of cash, a money order, a certified check, a cashier's check, an irrevocable letter of credit, or a security of a type listed in part II of chapter 625, Florida Statutes. Any such alternative form of security shall be for the same purpose and be subject to the same conditions as those applicable to the bonds. The value of an alternative form of security shall be in the amount of the bid.

10. PUBLIC INFORMATION

a. All information contained in this Bid is public information, and as such will be handled in accordance with chapter 119, Florida Statutes.

11. ADDITIONAL INFORMATION

a. The City reserves the right to require Bidders to provide references and information on previous similar experience prior to award of the contract.

12. QUESTIONS

a. Any questions about the INVITATION TO BID should be communicated per instructions in the INVITATION TO BID.

13. INDEMNIFICATION AND INSURANCE

INDEMNIFICATION

The CONTRACTOR agrees to assume liability for and indemnify, hold harmless, and defend the City, its commissioners, mayor, officers, employees, agents, and attorneys of, from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the CONTRACTOR, its agents, officers, contractors, subcontractors, employees, or anyone else employed or utilized by the CONTRACTOR in the performance of this Agreement. The CONTRACTOR's liability hereunder shall include all attorney's fees and costs incurred by the City in the enforcement of this indemnification provision. This includes claims made by the employees of the CONTRACTOR against the City and the CONTRACTOR hereby waives its entitlement, if any, to immunity under Section 440.11, Florida Statutes. The obligations contained in this provision shall survive termination of this Agreement and shall not be limited by the amount of any insurance required to be obtained or maintained under this Agreement.

Subject to the limitations set forth in this Section, the CONTRACTOR shall assume control of the defense of any claim asserted by a third party against the City and, in connection with such defense, shall appoint lead counsel, in each case at the CONTRACTOR's expense. The City shall have the right, at its option, to participate in the defense of any third-party claim, without relieving CONTRACTOR of any of its obligations hereunder. If the CONTRACTOR assumes control of the defense of any third-party claim in accordance with this paragraph, the CONTRACTOR shall obtain the prior written consent of the City before entering into any settlement of such claim. Notwithstanding anything to the contrary in this Section, the CONTRACTOR shall not assume or maintain control of the defense of any third-party claim, but shall pay the fees of counsel retained by the City and all expenses, including experts' fees, if (i) an adverse determination with respect to the third-party claim would, in the good faith judgment of the City, be detrimental in any material respect to the City's reputation; (ii) the third-party claim seeks an injunction or equitable relief against the City; or (iii) the CONTRACTOR has failed or is failing to prosecute or defend vigorously the third-party claim. Each party shall cooperate, and cause its agents to cooperate, in the defense or prosecution of any third-party claim and shall furnish or cause to be furnished such records and information, and attend such conferences, discovery proceedings, hearings, trials, or appeals, as may be reasonably requested in connection therewith.

It is the specific intent of the parties hereto that the foregoing indemnification complies with Section 725.06, Florida Statutes, as amended. CONTRACTOR expressly agrees that it will not claim, and waives any claim, that this indemnification violates Section 725.06, Florida Statutes, as amended. Nothing contained in the foregoing indemnification shall be construed as a waiver of any immunity or limitation of liability the City may have under the doctrine of sovereign immunity or Section 768.28, Florida Statutes.

INSURANCE

Prior to commencement of any work under this Contract and until completion and final acceptance of the work, the CONTRACTOR/VENDOR shall, at its sole expense, maintain the following insurance on its own behalf, and furnish to the CITY certificates of insurance evidencing same and reflecting the effective date of such coverage as follows:

The term "Contractor" as used in the insurance rider, shall mean, and include Subcontractors of every tier.

A. Worker's Compensation and Occupational Disease Insurance in accordance with the applicable law or laws; Employer's Liability Insurance with limit of at least One Million ($1,000,000) dollars. This includes sole proprietorships and officers of corporations who will be performing work on the job.

B. Commercial General Liability with a combined Bodily Injury and Property Damage limit of not less than ONE Million ($1,000,000.00) dollars per occurrence and TWO Million ($2,000,000) Dollars in the aggregate. The aggregate must be applicable on a per project basis. Coverage must include the following perils:
   1. Broad Form Blanket Contractual Liability for liability assumed under this Contract and all other Contracts relative to the project.
   2. Completed Operations/Products Liability.
   3. Broad Form Property Damage
   4. Personal and Advertising Injury Liability
   5. Independent Contractors
   6. Endorsements must be furnished reflecting the inclusion of the interests of Owner, Construction Manager, General Contractor, Contractor, (your company) , their officers, directors, partners, representatives, agents and employees, and naming each as an Additional Insured on a primary and non-contributing basis.
   7. Coverage is to be endorsed to reflect that insurance is to be primary and non-contributory with respect to any other collectable insurance, for the Owner, General Contractor, Contractor, (your company) and all other parties required to be named as additional insureds.
   8. Coverage is to be provided on an "occurrence" basis with carriers licensed and admitted to conduct business in the State of [your state] or otherwise acceptable to the Contractor (your company).

9. A copy of policy and/or endorsement(s) and any other documents required to verify such insurance are to be submitted with the appropriate certificate(s), or upon the request of Contractor (your company). Failure to provide these documents is not to be construed as a waiver of the requirements to provide such insurance.

C. Commercial Automobile Liability Insurance covering the use of all Owned, Non-Owned, and Hired Vehicles with combined Bodily Injury and Property Damage Limit of at least One Million ($1,000,000.00) Dollars.

D. Umbrella I Excess Liability Insurance with a limit of no less than One Million ($1,000,000) minimum per occurrence.

E. During the term of this agreement, (if applicable) the Contractor/Vendor will carry Professional Liability Insurance which will cover liability for any damage or non-performance on account of any error, omission, or other provable negligence caused by the Contractor/Vendor. The amount of insurance shall not be less than One Million ($1, 000,000) per occurrence and aggregate.

F. Loss Deductible – If the insurance of any CONTRACTOR/VENDOR contains deductible(s), penalty(s) or self-insured retention(s), the CONTRACTOR/VENDOR
Whose insurance contains such provision(s) shall be solely responsible for payment of such deductible(s), penalty(s) or self-insured retention(s).

G. Where an Off Project Site Property exposure exists, the Contractor at its sole expense shall furnish to the Owner and Contractor (your company) Certificates of Insurance and other required documentation evidencing the following coverage which shall provide for the interests of [Name of Owner] , [Name of General Contractor] and (your company) to be named as Loss Payees and shall contain a provision requiring the insurance carriers to waive their rights of subrogation against all indemnities' named in the contract.
"All Risk" Property Insurance on all materials, equipment and supplies intended to become a permanent part of the construction stored on premises away from the project site and while in transit, until actually delivered to the project site. Coverage is to be provided on a replacement cost basis.

H. The above insurances shall each contain the following wording verbatim: "[Name of Owner], [Name of General Contractor], and (your company) are interested in the maintenance of this insurance and it is agreed that this insurance will not be canceled materially changed or not renewed without at least a thirty (30) day advance written notice to [Name and address of Owner], [Name and address of General Contractor] and [Name and address of your company] by certified mail-return receipt requested."

I. The amount of insurance contained in the aforementioned insurance coverages shall not be construed to be a limitation of the liability on the part of the Subcontractor or any of its Subcontractors.

J. The Contractor shall file certificates of insurance prior to the commencement of work with the Owner and the General Contractor which shall be subject to the Owner, General Contractor and (your company) approval of adequacy of protection and the satisfactory character of the Insurer.

K. Any type of insurance or any increase of limits of liability not described above which the Subcontractor requires for its own protection or on account of statute shall be its own responsibility and at its own expense.

L. The carrying of the insurance described shall in no way be interpreted as relieving the Contractor or Subcontractor of any responsibility of liability under this Contract.

M. Any policies effected by the Contractor on its Owned and/or Rented Equipment and Materials shall contain a provision requiring the insurance carriers to waive their rights of subrogation against the [Name of Owner], [Name of General Contractor], [Name of Contractor (your company)] and all other indemnities named in the Contract.

N. Should the Contractor engage a Subcontractor, the same conditions will apply under this contract to each Subcontractor, however, the retained Subcontractor shall be required to maintain limits of liability of not less than One Million ($1,000,000.00) Dollars per occurrence and Two Million ($2,000,000) Dollars in the aggregate, with said limits applicable on a per project basis, or such greater limits as may be required by the retaining Subcontractor.

14. PAYMENT

Payment due hereunder shall be made by the City to CONTRACTOR/VENDOR in accordance with the Florida Prompt Payment Act.

15. BID PROTESTS

Bid protest conditions and procedures are in accordance with City Ordinances – Part 2, Chapter 2, Article VII, Division 2, Section 2-444.

16. FEDERAL GRANT MONEY

In the event this project is funded with federal grant monies, CONTRACTOR/VENDOR may not participate in the bid if CONTRACTOR/VENDOR is listed in the Excluded Parties List System (EPLS) a federal suspension and debarment listing www.sam.gov CONTRACTOR/VENDOR shall include copy of search results with bid or proposal.

17. LOBBYING

a. Lobbying is defined as any action taken by an individual, firm, association, joint venture, partnership, syndicate, corporation, and/or all other groups who seek to influence the governmental decision of a Board Member, the City Manager, and/or any City Personnel during the solicitation process. The lobbying black-out period commences upon the issuance of this solicitation and concluded upon the signing of the agreement. CONTRACTORS shall not contact any Commission Member and/or any requesting or evaluating Department/Office personnel during said black-out period. All questions and procedural matters shall be directed to the City Manager. The City Commissioners and/or the City Manager may disqualify any solicitation response where any Commissioner, the City Manager, and/or City Personnel have been lobbied in violation of the blackout period.

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for _____.

2. This sworn statement is submitted by (entity) _____ whose business address is _____ and (if applicable) Federal Employer Identification Number (FEIN) is _____(If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

3. My name is_____and my relationship to the entity named above is _____.

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or
    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any
natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)
____ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.
____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)
____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)
____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for 26-01 ARC Auditorium Windows .

2. This sworn statement is submitted by (entity) C. C. Borden Construction, Inc. whose business address is 1019 Rosselle St. Jacksonville, FL 32204 and (if applicable) Federal Employer Identification Number (FEIN) is 59-291644 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

3. My name is Camille C. Borden and my relationship to the entity named above is President .

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or
    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any
natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)
   _X_ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.
   ____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)
   ____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)
   ____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

ARTICLE IV – OFFICERS: Section 12. Power of Attorney.
Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII – Execution of Contracts: Section 5. Surety Bonds and Undertakings
Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes Nathan J. Zangerle, Assistant Secretary to appoint such attorneys-in-fact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, Renee C. Llewellyn, the undersigned, Assistant Secretary, The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company do hereby certify that the original power of attorney of which the foregoing is a full, true and correct copy of the Power of Attorney executed by said Companies, is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 24TH day of FEBRUARY, 2026

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for CITY OF FERNANDINA BEACH.

2. This sworn statement is submitted by (entity) Goldson Construction Corp whose business address is 734 N State Rd 7 Plantation, FL 33317 and (if applicable) Federal Employer Identification Number (FEIN) is 81-0879746 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

3. My name is Fidel Goldson and my relationship to the entity named above is Owner/President.

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or
    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any
natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

✓ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)

____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:
    1. A predecessor or successor of a person convicted of a public entity crime; or
    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)
   _X_ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.
   ____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)
   ____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)
   ____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES
THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for ITB 26-07.

2. This sworn statement is submitted by (entity) Presco South Construction whose business address is 3350 SW 148th Ave #110 and (if applicable) Federal Employer Identification Number (FEIN) is 26-1976302 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

3. My name is Jorge Diaz and my relationship to the entity named above is President.

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or
    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any
natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

JD Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)

JD The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

DRUG-FREE WORKPLACE CERTIFICATION

The below-signed INDIVIDUAL/FIRM certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace prepare, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or services a copy of the statement specified in paragraph 1.
4. In the statement in paragraph 1., notify the employees that, as a condition of working on the commodities or contractual services that are under proposal, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.

Bidders are hereby put on notice that no contact shall be made with any of the City Commission members, other City staff, or others that may be involved in the selection process to discuss this request or to influence the outcome of the selection.

ADDENDA

A written response to bidder questions will be issued via Addendum and posted on the City's website at www.fbfl.us/bids and DemandStar at www.demandstar.com. It is the bidder's responsibility to check the City's website for Addenda prior to submitting their bid. The deadline for questions is **ten** days before bid opening.

If there is an Addendum it becomes part of the original Bid and shall be acknowledged by attaching a copy of the Addendum, signed by an authorized representative of the person or company submitting the bid or proposal. Failure to do so may disqualify the bid or proposal.

CONTRACTOR PERSONNEL

1. CITY reserves the right to reject any CONTRACTOR employee doing business for the awarded CONTRACTOR that has not received the proper safety training or is not performing work in a safe manner. Any costs resulting in a rejection of personnel will be solely at the CONTRACTOR's expense.

2. No sub-contractor shall be employed by CONTRACTOR for the provision of these services without the prior written approval of the CITY.

PERFORMANCE STANDARDS/QUALITY REQUIREMENTS

In addition to those requirements set forth in the Scope of Work, all services (and items incidental thereto) and work provided by CONTRACTOR shall conform to the following:

PROJECT SCHEDULE

CONTRACTOR shall begin no later than **fourteen** calendar days from issuance of Notice to Proceed; all work must be completed **within 90 calendar days of startup**.

TIME OF PERFORMANCE

1. CONTRACTOR may, upon approval by City designee, be provided weekends and after-hours access to the site, if necessary or desired, to complete the project, weather permitting. However, no additional sums shall be paid other than that specified in the bid response.

2. CONTRACTOR may set up equipment onto the jobsite without commencing work for a maximum of seven calendar days. Location of equipment storage will be provided by the City designee.

3. CONTRACTOR will, prior to any delay submit notification of delay in writing within five calendar days to City designee.

4. CONTRACTOR shall submit documentation explaining the cause of delay. CITY shall determine the extent of delay and extend the time for completing the work if, in CITY's judgment, the findings justify an extension. Any delay shall not entitle CONTRACTOR to any additional compensation. The sole remedy of CONTRACTOR shall be an extension of time.

5. CONTRACTOR shall arrange with the City designee a sequence of procedure, means of access, space for storage of materials and equipment and use of approaches, corridors, and stairways. CITY shall not be responsible for lost or stolen materials or tools left on the job site.

SITE MAINTENANCE

1. Extreme care shall be taken to safeguard all existing facilities, paved walkways, site amenities, utilities, windows, and vehicles on or around the job site. Damage to public and/or private property shall be the responsibility of CONTRACTOR and shall be repaired and/or replaced in equal or better condition at no additional cost to the CITY. CONTRACTOR shall use all means to protect existing objects, structures and vegetation designated to remain. In the event of damage, immediately make all repairs, replacements, and dressings to damaged materials, to the approval of CITY, at no additional cost to the CITY. In the event of damage to public and/or private property, CONTRACTOR shall immediately contact the CITY's designee and inform them about the location and extent of the damages and will stay on site until his investigation of the damage is concluded.

2. CONTRACTOR shall place all debris in refuse container and keep the premises free from rubbish at the end of each working day. The CONTRACTOR shall be responsible for supplying, emptying and the removal of waste containers/dumpsters, as necessary.

3. CONTRACTOR shall arrange material storage so as not to interfere with the CITY's operations.

4. CONTRACTOR shall at the completion of the job, remove unused material and rubbish from the site. If CONTRACTOR refuses at any time to remove the debris from the premises, or to keep the working area clean, such cleaning will be completed by the CITY and deducted from the balance due CONTRACTOR.

5. CONTRACTOR shall store all materials to be protected against weather, vandalism, and theft. Any materials found to be damaged or missing shall be replaced by CONTRACTOR at no cost to the CITY.

6. CONTRACTOR shall be responsible for clean up at the site at the conclusion of the project, including excess construction materials, and a thorough cleaning of all areas that were affected by CONTRACTOR or their subcontractors to the satisfaction of the CITY.

SAFETY

1. CONTRACTOR shall be aware that this project is subject to public vehicle and pedestrian traffic at all times.

2. CONTRACTOR shall comply with all Federal/County/City laws/ordinances and City Fire codes during the execution of this project.

3. CONTRACTOR shall continuously maintain adequate protection of all work from damage and shall protect public and privately owned property, structures, vehicles, utilities, and work of any kind against damage or interruptions of service, which may result from the operations of the CONTRACTOR.

4. CONTRACTOR shall provide Safety Data Sheets: If any chemicals or materials or products containing toxic substances, as defined by Chapter 442, Florida Statutes, are to be used at any time during this the contract period, CONTRACTOR shall furnish Safety Data Sheets to the City designee prior to commencing this project.

5. CONTRACTOR shall perform all work under supervision of a capable supervisor using skilled employees.

6. CONTRACTOR shall have a person, which is on their payroll and with ***the authority to make decisions, on site at all times.***

REQUIRED INSPECTIONS

Prior to the start of any work, CONTRACTOR shall examine all surfaces and report in writing to the City designee any conditions detrimental to work. Failure to observe this injunction constitutes a waiver to any subsequent claims to the contrary.

CITY'S RIGHTS TO INSPECT, REJECT, AND STOP WORK

1. Right to Inspect Work - CITY will have the right to inspect the work at all times. Such inspections will not relieve the CONTRACTOR of any of its obligations to perform the work in strict accordance with the contract documents.

2. Right to Reject Work - CITY will have the right to reject work which does not conform to the contract documents. CITY may require special inspection or testing of the work.

3. Right to Stop Work - If CITY reasonably believes that CONTRACTOR is failing to carry out the work in accordance with the contract documents; CITY may order CONTRACTOR to stop the work, or a portion of the work, until such time as the cause of such stop order has been eliminated.

4. Right to Carry Out Work - If CONTRACTOR fails to perform the work properly or fails to perform any provision of the contract documents, including unauthorized project schedule delays, CITY, after three days written notice to CONTRACTOR without correction, may correct the deficiencies through the CITY's own forces or through others

and may deduct the cost thereof from the payment then or thereafter due to the CONTRACTOR.

WARRANTY

1. CONTRACTOR shall provide warranty stating that the MLK, Jr. Complex Windows and Storefront Glass Replacement is complete in detail and finish, and free of hazardous conditions. The material warranty and workmanship must have a one-year warranty.

2. If CITY deems it unacceptable to have CONTRACTOR correct the work, which has been incorrectly done, a deduction from the contract price shall be made as determined by CITY. Such a deduction from the contract price shall in no way affect the CONTRACTOR's responsibility for defects, which may occur nor their ability for correcting them, and damage caused by them.

3. Supplies and/or services furnished as a result of this bid shall be covered by the most favorable commercial warranties, expressed or implied, that the bidder and/or manufacturer gives to any customer. The rights and remedies provided herein are in addition to and do not limit any rights afforded to the CITY by any other clause of this bid. Any applicable written warranty from the product manufacturer and/or representative company shall commence from date of completion and acceptance by the CITY.

INSURANCE REQUIREMENTS

Insurance requirements are outlined in the General Conditions of this Invitation to Bid.

BOND REQUIREMENTS

Bid bonds requirements are outlined in the General Conditions of this Invitation to Bid.

EQUAL OPPORTUNITY/AFFIRMATIVE ACTION

   The following exceptions to bidder providing Performance and Payment Bonds are as follows: In lieu of the Performance and Payment Bonds, a contractor may file with the City an alternative form of security in the form of cash, a money order, a certified check, a cashier's check, an irrevocable letter of credit, or a security of a type listed in part II of chapter 625, Florida Statutes. Any such alternative form of security shall be for the same purpose and be subject to the same conditions as those applicable to the bonds. The value of an alternative form of security shall be in the amount of the bid.

10. PUBLIC INFORMATION

a. All information contained in this Bid is public information, and as such will be handled in accordance with chapter 119, Florida Statutes.

11. ADDITIONAL INFORMATION

a. The City reserves the right to require Bidders to provide references and information on previous similar experience prior to award of the contract.

12. QUESTIONS

a. Any questions about the INVITATION TO BID should be communicated per instructions in the INVITATION TO BID.

13. INDEMNIFICATION AND INSURANCE

INDEMNIFICATION

The CONTRACTOR agrees to assume liability for and indemnify, hold harmless, and defend the City, its commissioners, mayor, officers, employees, agents, and attorneys of, from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the CONTRACTOR, its agents, officers, contractors, subcontractors, employees, or anyone else employed or utilized by the CONTRACTOR in the performance of this Agreement. The CONTRACTOR's liability hereunder shall include all attorney's fees and costs incurred by the City in the enforcement of this indemnification provision. This includes claims made by the employees of the CONTRACTOR against the City and the CONTRACTOR hereby waives its entitlement, if any, to immunity under Section 440.11, Florida Statutes. The obligations contained in this provision shall survive termination of this Agreement and shall not be limited by the amount of any insurance required to be obtained or maintained under this Agreement.

Subject to the limitations set forth in this Section, the CONTRACTOR shall assume control of the defense of any claim asserted by a third party against the City and, in connection with such defense, shall appoint lead counsel, in each case at the CONTRACTOR's expense. The City shall have the right, at its option, to participate in the defense of any third-party claim, without relieving CONTRACTOR of any of its obligations hereunder. If the CONTRACTOR assumes control of the defense of any third-party claim in accordance with this paragraph, the CONTRACTOR shall obtain the prior written consent of the City before entering into any settlement of such claim. Notwithstanding anything to the contrary in this Section, the CONTRACTOR shall not assume or maintain control of the defense of any third-party claim, but shall pay the fees of counsel retained by the City and all expenses, including experts' fees, if (i) an adverse determination with respect to the third-party claim would, in the good faith judgment of the City, be detrimental in any material respect to the City's reputation; (ii) the third-party claim seeks an injunction or equitable relief against the City; or (iii) the CONTRACTOR has failed or is failing to prosecute or defend vigorously the third-party claim. Each party shall cooperate, and cause its agents to cooperate, in the defense or prosecution of any third-party claim and shall furnish or cause to be furnished such records and information, and attend such conferences, discovery proceedings, hearings, trials, or appeals, as may be reasonably requested in connection therewith.

It is the specific intent of the parties hereto that the foregoing indemnification complies with Section 725.06, Florida Statutes, as amended. CONTRACTOR expressly agrees that it will not claim, and waives any claim, that this indemnification violates Section 725.06, Florida Statutes, as amended. Nothing contained in the foregoing indemnification shall be construed as a waiver of any immunity or limitation of liability the City may have under the doctrine of sovereign immunity or Section 768.28, Florida Statutes.

INSURANCE

Prior to commencement of any work under this Contract and until completion and final acceptance of the work, the CONTRACTOR/VENDOR shall, at its sole expense, maintain the following insurance on its own behalf, and furnish to the CITY certificates of insurance evidencing same and reflecting the effective date of such coverage as follows:

The term "Contractor" as used in the insurance rider, shall mean, and include Subcontractors of every tier.

A. Worker's Compensation and Occupational Disease Insurance in accordance with the applicable law or laws; Employer's Liability Insurance with limit of at least One Million ($1,000,000) dollars. This includes sole proprietorships and officers of corporations who will be performing work on the job.

B. Commercial General Liability with a combined Bodily Injury and Property Damage limit of not less than ONE Million ($1,000,000.00) dollars per occurrence and TWO Million ($2,000,000) Dollars in the aggregate. The aggregate must be applicable on a per project basis. Coverage must include the following perils:
   1. Broad Form Blanket Contractual Liability for liability assumed under this Contract and all other Contracts relative to the project.
   2. Completed Operations/Products Liability.
   3. Broad Form Property Damage
   4. Personal and Advertising Injury Liability
   5. Independent Contractors
   6. Endorsements must be furnished reflecting the inclusion of the interests of Owner, Construction Manager, General Contractor, Contractor, (your company) , their officers, directors, partners, representatives, agents and employees, and naming each as an Additional Insured on a primary and non-contributing basis.
   7. Coverage is to be endorsed to reflect that insurance is to be primary and non-contributory with respect to any other collectable insurance, for the Owner, General Contractor, Contractor, (your company) and all other parties required to be named as additional insureds.
   8. Coverage is to be provided on an "occurrence" basis with carriers licensed and admitted to conduct business in the State of [your state] or otherwise acceptable to the Contractor (your company).

9. A copy of policy and/or endorsement(s) and any other documents required to verify such insurance are to be submitted with the appropriate certificate(s), or upon the request of Contractor (your company). Failure to provide these documents is not to be construed as a waiver of the requirements to provide such insurance.

C. Commercial Automobile Liability Insurance covering the use of all Owned, Non-Owned, and Hired Vehicles with combined Bodily Injury and Property Damage Limit of at least One Million ($1,000,000.00) Dollars.

D. Umbrella I Excess Liability Insurance with a limit of no less than One Million ($1,000,000) minimum per occurrence.

E. During the term of this agreement, (if applicable) the Contractor/Vendor will carry Professional Liability Insurance which will cover liability for any damage or non-performance on account of any error, omission, or other provable negligence caused by the Contractor/Vendor. The amount of insurance shall not be less than One Million ($1, 000,000) per occurrence and aggregate.

F. Loss Deductible – If the insurance of any CONTRACTOR/VENDOR contains deductible(s), penalty(s) or self-insured retention(s), the CONTRACTOR/VENDOR Whose insurance contains such provision(s) shall be solely responsible for payment of such deductible(s), penalty(s) or self-insured retention(s).

G. Where an Off Project Site Property exposure exists, the Contractor at its sole expense shall furnish to the Owner and Contractor (your company) Certificates of Insurance and other required documentation evidencing the following coverage which shall provide for the interests of [Name of Owner] , [Name of General Contractor] and (your company) to be named as Loss Payees and shall contain a provision requiring the insurance carriers to waive their rights of subrogation against all indemnities' named in the contract.
"All Risk" Property Insurance on all materials, equipment and supplies intended to become a permanent part of the construction stored on premises away from the project site and while in transit, until actually delivered to the project site. Coverage is to be provided on a replacement cost basis.

H. The above insurances shall each contain the following wording verbatim: "[Name of Owner], [Name of General Contractor], and (your company) are interested in the maintenance of this insurance and it is agreed that this insurance will not be canceled materially changed or not renewed without at least a thirty (30) day advance written notice to [Name and address of Owner], [Name and address of General Contractor] and [Name and address of your company] by certified mail-return receipt requested."

I. The amount of insurance contained in the aforementioned insurance coverages shall not be construed to be a limitation of the liability on the part of the Subcontractor or any of its Subcontractors.

J. The Contractor shall file certificates of insurance prior to the commencement of work with the Owner and the General Contractor which shall be subject to the Owner, General Contractor and (your company) approval of adequacy of protection and the satisfactory character of the Insurer.

K. Any type of insurance or any increase of limits of liability not described above which the Subcontractor requires for its own protection or on account of statute shall be its own responsibility and at its own expense.

L. The carrying of the insurance described shall in no way be interpreted as relieving the Contractor or Subcontractor of any responsibility of liability under this Contract.

M. Any policies effected by the Contractor on its Owned and/or Rented Equipment and Materials shall contain a provision requiring the insurance carriers to waive their rights of subrogation against the [Name of Owner], [Name of General Contractor], [Name of Contractor (your company)] and all other indemnities named in the Contract.

N. Should the Contractor engage a Subcontractor, the same conditions will apply under this contract to each Subcontractor, however, the retained Subcontractor shall be required to maintain limits of liability of not less than One Million ($1,000,000.00) Dollars per occurrence and Two Million ($2,000,000) Dollars in the aggregate, with said limits applicable on a per project basis, or such greater limits as may be required by the retaining Subcontractor.

14. PAYMENT

Payment due hereunder shall be made by the City to CONTRACTOR/VENDOR in accordance with the Florida Prompt Payment Act.

15. BID PROTESTS

Bid protest conditions and procedures are in accordance with City Ordinances – Part 2, Chapter 2, Article VII, Division 2, Section 2-444.

16. FEDERAL GRANT MONEY

In the event this project is funded with federal grant monies, CONTRACTOR/VENDOR may not participate in the bid if CONTRACTOR/VENDOR is listed in the Excluded Parties List System (EPLS) a federal suspension and debarment listing www.sam.gov CONTRACTOR/VENDOR shall include copy of search results with bid or proposal.

17. LOBBYING

a. Lobbying is defined as any action taken by an individual, firm, association, joint venture, partnership, syndicate, corporation, and/or all other groups who seek to influence the governmental decision of a Board Member, the City Manager, and/or any City Personnel during the solicitation process. The lobbying black-out period commences upon the issuance of this solicitation and concluded upon the signing of the agreement. CONTRACTORS shall not contact any Commission Member and/or any requesting or evaluating Department/Office personnel during said black-out period. All questions and procedural matters shall be directed to the City Manager. The City Commissioners and/or the City Manager may disqualify any solicitation response where any Commissioner, the City Manager, and/or City Personnel have been lobbied in violation of the blackout period.

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for _____.

2. This sworn statement is submitted by (entity) _____ whose business address is _____ and (if applicable) Federal Employer Identification Number (FEIN) is _____(If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

3. My name is_____and my relationship to the entity named above is _____.

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or
    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any
natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)
   ____ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.
   ____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)
   ____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)
   ____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

3. My name is Camille C. Borden and my relationship to the entity named above is President/Owner .

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

   1. A predecessor or successor of a person convicted of a public entity crime; or

   2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

   _X_ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

   ____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

   ____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)

   ____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

Bond Amount: Five percent of the bid

PROJECT : (Name, location or address, and Project number, if any):

Building Dept Windows Remove and Replace - City Hall
Selective demolition and modifications: Window Replacement

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters in to a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed by the Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

FEDERAL CONTRACT REQUIREMENTS

ARPA FUNDS 2022

Certification Regarding Lobbying

(To be submitted with each bid or offer exceeding $100,000)

EXHIBIT "I"

The undersigned certifies, to the best of his or her knowledge and belief, that:

(a) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(b) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(c) The undersigned shall require that the language paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995).

The Contractor, C.C. Borden Construction, Inc., certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., apply to this certification and disclosure, if any.

INSTRUCTIONS FOR COMPLETION OF SF-LLL, DISCLOSURE OF LOBBYING ACTIVITIES

This disclosure form shall be completed by the reporting entity, whether sub-awardee or prime Federal recipient, at the initiation or receipt of a covered Federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. section 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.

2. Identify the status of the covered Federal action.

3. Identify the appropriate classification of this report. If this is a follow-up report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last previously submitted report by this reporting entity for this covered Federal action.

4. Enter the full name, address, city, State and zip code of the reporting entity. Include Congressional District, if known. Check the appropriate classification of the reporting entity that designates if it is, or expects to be, a prime or subaward recipient. Identify the tier of the sub-awardee, e.g., the first sub-awardee of the prime is the 1st tier. Subawards include but are not limited to subcontracts, subgrants and contract awards under grants.

5. If the organization filing the report in item 4 checks "Sub-awardee," then enter the full name, address, city, State and zip code of the prime Federal recipient. Include Congressional District, if known.

6. Enter the name of the federal agency making the award or loan commitment. Include at least one organizational level below agency name, if known. For example, Department of Transportation, United States Coast Guard.

7. Enter the Federal program name or description for the covered Federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans, and loan commitments.

8. Enter the most appropriate Federal identifying number available for the Federal action identified in item 1 (e.g., Request for Proposal (RFP) number; Invitations for Bid (IFB) number; grant announcement number; the contract, grant, or loan award number; the application/proposal control number assigned by the Federal agency). Included prefixes, e.g., "RFP-DE-90-001."

9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.

10. (a) Enter the full name, address, city, State and zip code of the lobbying registrant under the Lobbying Disclosure Act of 1995 engaged by the reporting entity identified in item 4 to influence the covered Federal action.

(b) Enter the full names of the individual(s) performing services, and include full address if different from 10(a). Enter Last Name, First Name, and Middle Initial (MI).

11. The certifying official shall sign and date the form, print his/her name, title, and telephone number.

EXHIBIT I-1: REQUIRED CONTRACT PROVISIONS

2 CFR 200.326 Contract provisions. The non-Federal entity's contracts must contain the applicable provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards. The non-Federal entity's contracts must contain the applicable provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards.

All Contracts

THRESHOLD	PROVISION	CITATION
>$150,000 (Simplified Acquisition Threshold)	Contracts for more than the simplified acquisition threshold currently set at $150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.	2 CFR 200 APPENDIX II (A)
>$10,000	All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.	2 CFR 200 APPENDIX II (B)
None	Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.	2 CFR 200 APPENDIX II (F)
None	Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.	2 CFR 200 APPENDIX II (H)
None	Records of non-Federal entities. The U.S. Department of Housing and Urban Development (HUD), Inspectors General, the Comptroller General of the United States, the Texas General Land Office (GLO), and the pass-through entity, or any of their authorized representatives, must have the right of access to any documents, papers, or other records of the non-Federal entity which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right also includes timely and reasonable access to the non-Federal entity's personnel for the purpose of interview and discussion related to such documents.	2 CFR 200.336

N/A

None	Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award must be retained for a period of three years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding agency or pass-through entity in the case of a subrecipient. Federal awarding agencies and pass-through entities must not impose any other record retention requirements upon non-Federal entities. The only exceptions are the following:	2 CFR 200.333

N/A	(a) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. (b) When the non-Federal entity is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period. (c) Records for real property and equipment acquired with Federal funds must be retained for 3 years after final disposition. (d) When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 3-year retention requirement is not applicable to the non-Federal entity. (e) Records for program income transactions after the period of performance. In some cases recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned. (f) Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates). (1) If submitted for negotiation. If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the pass-through entity) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission. (2) If not submitted for negotiation. If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the pass-through entity) for negotiation purposes, then the 3-year retention period for the proposal, plan, or computation and its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

EO Clause for Construction Contracts > $10K including administration & engineering contracts associated with construction contracts

THRESHOLD	PROVISION	CITATION
>$10,000	Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60–1.3 must include the equal opportunity clause provided under 41 CFR 60–1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964–1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." 41 CFR 60-1.4 Equal opportunity clause. (b) Federally assisted construction contracts. (1) Except as otherwise provided, each administering agency shall require the inclusion of the following language as a condition of any grant, contract, loan, insurance, or guarantee involving federally assisted construction which is not exempt from the requirements of the equal opportunity clause: The applicant hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause: During the performance of this contract, the contractor agrees as follows: (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause. (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.	41 CFR §60-1.4(b) and 2 CFR 200 APPENDIX II (C)

	(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to

	individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information. (4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment. (5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor. (6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders. (7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law. (8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States. The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause

	regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance. The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings. (c) Subcontracts. Each nonexempt prime contractor or subcontractor shall include the equal opportunity clause in each of its nonexempt subcontracts. (d) Inclusion of the equal opportunity clause by reference. The equal opportunity clause may be included by reference in all Government contracts and subcontracts, including Government bills of lading, transportation requests, contracts for deposit of Government funds, and contracts for issuing and paying U.S. savings bonds and notes, and such other contracts and subcontracts as the Director of OFCCP may designate. (e) Incorporation by operation of the order. By operation of the order, the equal opportunity clause shall be considered to be a part of every contract and subcontract required by the order and the regulations in this part to include such a clause whether or not it is physically incorporated in such contracts and whether or not the contract between the agency and the contractor is written. (f) Adaptation of language. Such necessary changes in language may be made in the equal opportunity clause as shall be appropriate to identify properly the parties and their undertakings. >$2,000	*Compliance with the Davis-Bacon Act (40 U.S.C. 3141 et seq.) as supplemented by Department of Labor regulations (29 CFR part 5) and with the Copeland "Anti-Kickback" Act (18 U.S.C. 874; 40 U.S.C. 3145) as supplemented in Department of Labor regulations (29 CFR part 3):* Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.	2 CFR 200 APPENDIX II (D)
>$100,000	Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.	2 CFR 200 APPENDIX II (E)

Such disclosures are forwarded from tier to tier up to the non-Federal award.	
>$100,000	All Section 3 covered contracts shall include the following clause (referred to as the Section 3 clause): A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing. B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations. C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin. D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135. E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135. F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.	24 CFR §135.38

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES
THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for ITB24-11.

2. This sworn statement is submitted by (entity) J.C. Stanford & Son whose business address is 1062 S State rd 19, Palatka FL and (if applicable) Federal Employer Identification Number (FEIN) is 54-2080934 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

3. My name is Kaylyn Hart and my relationship to the entity named above is C.O.O. _____.

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or

    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

X Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)

____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for ITB 26-07 MLK, JR. RECREATION COMPLEX WINDOWS AND STOREFRONT GLASS REPLACEMENT
2. This sworn statement is submitted by (entity) THOMAS MAY CONSTRUCTION CO. whose business address is 310 COLLEGE DR., ORANGE PARK, FL. 32065 and (if applicable) Federal Employer Identification Number (FEIN) is 59-2520445 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: N/A .)

3. My name is JOSHUA GOFF and my relationship to the entity named above is VICE-PRESIDENT .

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or
    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

CITY OF FERNANDINA BEACH
ITB 26-07
MLK, Jr. RECREATION COMPLEX WINDOWS AND STOREFRONT GLASS REPLACEMENT

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any
natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)
   __X__ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.
   ____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)
   ____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)
   ____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

COMMISSION ACTION: Adopt

RESOLUTION 2026-39

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, AMENDING RESOLUTION 2025-169 TO APPROVE AN AMENDED ENGAGEMENT LETTER WITH GRAY ROBINSON PA INCLUDING AVIATION LEGAL SERVICES ON THE LIST OF QUALIFIED OUTSIDE LEGAL COUNSEL IN FISCAL YEAR 2025/2026; AUTHORIZING ADMINISTRATIVE CORRECTION OF SCRIVENER'S ERRORS; AUTHORIZING EXECUTION; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, from time to time, the City Attorney desires to consult with qualified outside legal counsel on important and sometimes controversial issues involving conflicts, complex legal matters, and labor concerns; and

WHEREAS, from time to time, the City requires legal counsel to represent the various City Boards and Commission and to serve as Special Magistrate for appeals of non-criminal penalties pursuant to civil citations and to hear complaints filed under the City's Human Relations Ordinance; and

WHEREAS, the City Commission, at its September 16, 2025, Regular Meeting, approved Resolution 2025-169, a list of outside counsel available via engagement agreements with the City to consult with the City Attorney on complex legal matters; and

WHEREAS, the City Attorney wishes to amend the engagement agreement with Gray Robinson PA to include aviation law expertise to the list of services available; and

WHEREAS, funding is budgeted and available in the Airport Professional Services Account 420 53100, in an amount not to exceed $10,000 in FY 2025/2026.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, THAT:

SECTION 1. The City Commission hereby approves amending Resolution 2025-169 approving an amended Engagement Letter with Gray Robinson PA to include Aviation Legal Services as outlined in Exhibit A.

SECTION 2. The City Clerk and City Manager are hereby authorized to execute the Engagement Agreement, attached hereto, upon review and approval of the City Attorney.

SECTION 3. The City Manager, or his or her designee, may administratively correct typographical and/or scrivener's errors of this Resolution which do not make substantive changes or otherwise affect the intent of the Resolution, upon receiving approval of the City Attorney, by filing a corrected or recodified copy of same with the City Clerk.

SECTION 4. This Resolution takes effect immediately upon passage.

SUBJECT: Special Counsel Services to City Airport

Thank you for the opportunity to discuss our Firm's expertise in aviation and land use law for special counsel services to the City's airport.

Our existing contract with the City (enclosed) already provides a broad scope of access to all of our professionals and resources here at GrayRobinson, P.A. upon written request, excluding representation in litigation. Representation for litigation, if any should be requested, must always be covered by a separate written agreement.

Therefore, based on our discussion of the City's anticipated needs for legal services to the airport (which does not include litigation) this falls within the substantive scope of our existing contract.

As also noted in our existing contract, while I would continue to perform most of the work within my expertise, I may utilize other members of our Firm when deemed appropriate. And, if the rates for such professionals would differ from the substantially discounted rates extended for my services, upon providing you with a schedule of rates presently in effect for all individuals who may perform work on this matter.

Based on the airport's anticipated needs including the possibility for legal requests with regard to: airport leases, grants, FBO contracting, possible amendments to master plan and land use regulations, and surplus property, I would recommend support from the following professionals within GrayRobinson, P.A.:
Guy Haggard, Board Certified by The Florida Bar in Aviation Law, together with his associate, Drew Haggard; and with regulatory support, if needed, from Chris Dawson.

A schedule of their government discounted rates and professional biographies are enclosed.

As always, please do not hesitate to contact me if you should have any additional questions.

If you have no further questions, you are welcome to provide authorization to proceed by submitting a substantive legal requests to my email address. The quoted rates will expire September 1, 2026 if no legal requests are submitted before that time.

Enclosures as noted

Systems-focused government relations lawyer, lobbyist, and engineer collaborating with private and public clients to reimagine the future of Florida. Dedicated to building prosperity and resilience through smart development, adaptability, and innovation.

Chris Dawson is a lawyer and professional lobbyist serving private and public sector clients with government relations needs across Florida. A community-driven and future-focused advocate, he protects client interests at the executive and legislative levels of state government, as well as before political subdivisions of the state. He collaborates with utilities, developers, engineering firms, design professionals, contractors, local governments, and associations to help navigate change, plan for the future, and expand opportunities for sustainable growth.

Chris guides clients through the legislative process with a deep understanding of the regulatory and procedural hurdles that can accompany policymaking, funding, and appropriations, including complex litigation. He holds two degrees in civil engineering and draws on this technical training to provide unique value and insight for clients managing projects in the infrastructure, land use, environmental, social and economic development, transportation, and construction sectors, among others. He also represents several of the largest nonprofit organizations in the state, furthering veterans affairs, child welfare services, and environmental conservation priorities.

A sixth-generation Floridian, Chris is committed to the future of the state and helps clients engineer solutions to today's most disruptive challenges - from ecosystem restoration and disaster recovery to public infrastructure resilience and sea-level rise. His subject matter expertise and integrated approach help clients develop valuable road maps for new ways of operating by taking the long view. On the local level, he provides impact planning and regulatory advisory services involving new and emerging technologies driving change and innovation in building and construction, water quality and treatment, and transportation and mobility. A natural servant leader and collaborator, he frequently teams with GrayRobinson colleagues across the firm to provide the resources necessary for clients managing long-term, large-scale projects.

Notable Work

- Legal and lobbying representation of Gulf County, Florida.
  - Recovery assistance prior to and during the landfall of Hurricane Michael, including liaising with County leadership, Division of Emergency Management, and the Governor's Office to pre-position and deploy recovery assets as quickly as possible.
  - On-the-ground aid in the immediate aftermath of Hurricane Michael, including engaging with Florida's Department of Economic Opportunity, Florida Department of Law Enforcement, and legislators to survey damage and engage with County leadership to expedite recovery efforts and mitigate long-term economic effects.
  - Ongoing support involving all aspects of recovery efforts following Hurricane Michael from a government relations perspective, including securing a critical match waiver from the Governor's Office and consideration of the County's top priorities through federal and state recovery programs (FEMA reimbursement and CDBG-Disaster Recovery and Mitigation funds).
- Assisted Dewberry Engineers in lobbying the state to implement a statewide topographic LiDAR mapping program and a statewide bathymetric coastal mapping program - one of the most comprehensive geospatial efforts in history. In partnership with federal agencies USGS and NOAA, this multi-year, $100M+ effort will yield a full set of geospatial data for the entire landmass of Florida and its entire coastline for use in emergency planning, commerce and trade, and addressing sea level rise and environmental preservation issues.
- Assisted Clay County Utility Authority in lobbying the Florida Legislature to amend priority legislation from a 5-year implementation window to 10 years for utilities and municipalities statewide to cease the non-beneficial discharge of wastewater across the state.

Re: Engagement Letter for Special Counsel Representation of City of Fernandina Beach

Dear Ms. Prince:

We are pleased that you have asked GrayRobinson, P.A. (Firm) to continue to serve as special counsel to the City Attorney's office at the City of Fernandina Beach (the City). I appreciate the confidence you have placed in our Firm, and I look forward to working with you.

It has been our experience that things go more smoothly if both our client and we have a clear understanding in writing of the scope of the engagement and the role we have agreed to play. Consequently, our representation is limited to the matter as described below. This engagement letter will also govern all subsequent matters in which we may become involved on your behalf unless a separate arrangement is made that differs materially from the terms of this engagement letter.

Scope of Representation:

The scope of our engagement will be to provide on-going legal advice and services to the City's City Attorney office upon request. We will confirm each request with you in writing by email to the above address. However, this engagement does not include any representation in litigation. Representation for litigation will be covered by a separate, written agreement.

Billing, Fees and Expenses:

Our Firm will charge for our professional services on an hourly basis at the rate of $300.00 for attorneys and $150.00 for paralegals. These rates are discounted from our standard hourly rates. I will perform most of the legal work on this matter. However, I may utilize other members of our Firm whenever, in our discretion, we deem it appropriate. If requested, we will be glad to provide you with a schedule of rates presently in effect

for all individuals performing work on this matter. Additionally, our professional hourly rates will automatically increase on October 1 of each year by the change in consumer price index for all urban consumers for Tampa-St. Petersburg-Clearwater as of August of that year.

In addition to our professional services, we will bill the City for all disbursements and out-of-pocket expenses made or incurred. These typically include such items as document reproduction, travel expenses, long distance telephone calls, mailing charges, facsimile charges, messenger services and filing or recording fees. We may also use computerized research or other technology services, including generative technology services, to assist in handling your matters. Those services will be used when we believe that it is appropriate to do so. Expenses incurred or advanced on your behalf will be itemized on our billing invoice. Please note, if we anticipate that substantial expenses will be incurred, we will require that you pay the vendor directly and/or we may require a deposit from you in order to cover such expenses.

You will be billed periodically, usually monthly for the time incurred in the prior month. We are happy to discuss our billing invoice with you at any time and will welcome the opportunity to address any questions you may have. In the event you should disagree with or question any amount, you agree to communicate such disagreement or question to us, in writing, within thirty (30) days of the invoice date. Any disagreement you may have with a bill that is not communicated to us within that period shall be deemed waived.

Retainers

Because of our good relationship with the City, we will not request an advance Retainer for professional fees and/or costs associated with this matter.

Dispute Resolution

Should there arise any dispute concerning fees and costs earned and owed to the Firm and, if it becomes necessary for this Firm to retain an attorney or otherwise utilize the Firm's own attorneys to collect such fees and costs, the prevailing party to such dispute will be entitled to recover its attorney's fees, costs and expenses necessarily incurred. In addition, the City and the Firm each hereby waive any right to a jury trial for any controversy, dispute or claim arising out of or related to this Firm's representation of the City and/or this Agreement.

Advance Waiver

Because of the relatively large size of our Firm and our representation of many other clients, it is possible that one or more of our present or future clients have or will have matters adverse to the City. Our acceptance of your current representation will preclude us from accepting future representations adverse to the City which involve matters substantially related to the work we perform in the course of this engagement. However, as a condition to our undertaking the representation described in this letter, each agrees that our acceptance of this engagement shall not preclude us from representing other clients in the future who may have interests adverse to the City with respect to matters not substantially related to the specific matter or matters for which you have engaged our services.

We agree, however, that your consent to, and waiver of, such representation shall not apply in any instance where, as a result of our representation of the City, we have obtained proprietary or other confidential information of a non-public nature, that, if known to such other client, could be used in any such other matter by such client to a material or potential material disadvantage to the City.

No Representation of Corporate Affiliates

This will also confirm that unless we reach an explicit understanding to the contrary, we are being engaged by and will represent the City, and that we are not being engaged to represent any of your parent companies, subsidiaries, affiliated entities, officers, directors, members, partners, shareholders or employees (individually).

Termination

Unless previously terminated, our representation will terminate as follows: (1) if this is the only matter in which we represent the City, our representation will terminate upon our sending our final invoice for services rendered in this matter; and (2) if we represent the City in more than one matter, our representation of each matter will terminate upon sending the final invoice for that matter, and the attorney-client relationship will terminate completely (absent any new or subsequent engagements) upon our sending the final invoice in the last open matter.

Client Review

I am happy to answer any questions you may have regarding this engagement agreement. Likewise, you have the right to have this agreement reviewed by an outside party or other professional prior to signing. You understand that the Firm is not engaged until the signed original engagement agreement is returned to us.

Generative AI Disclosure

As part of our commitment to providing efficient and high-quality legal services, GrayRobinson may use advanced technologies, including generative artificial intelligence (AI), to assist in legal research, document drafting, and other related tasks. The use of such technologies is supervised by our qualified attorneys and is intended to enhance, not replace, the legal judgment and expertise that we bring to your case.

Please be advised of the following:

- Human Oversight: All work products generated by AI tools are carefully reviewed and validated by licensed attorneys in our firm. We do not rely on AI-generated content without human oversight.
- Confidentiality: We take your privacy and confidentiality seriously. Any information shared with or processed by AI tools is subject to the same rigorous confidentiality and data protection standards as all other information handled by our firm.

- Limitations of AI: While AI tools can assist in streamlining certain processes, they are not infallible. The final responsibility for the accuracy, relevance, and appropriateness of any legal advice, document, or strategy rests with our attorneys.
- Consent: By engaging our services, you acknowledge and consent to the use of generative AI tools as part of our legal services. If you have any concerns about the use of AI in your case, please inform us, and we will discuss alternative approaches to meet your needs.

Entire Agreement

These terms, and the attached Additional Understanding Regarding Representation, which are incorporated by reference, constitute our entire Agreement for the representation of the City. There are no other arrangements or agreements regarding our representation of you which are not expressed in this Agreement. Any modification of the Agreement must be in writing, by mail, fax or e-mail. The Agreement is binding on you and on the Firm, and the respective legal representatives and successors of each.

If the terms of this engagement as set forth in this letter meet with your approval, please indicate by signing this letter in the space provided below, and returning a copy to our offices.

We appreciate the confidence and trust you have placed in us as your special counsel, and I encourage you to communicate with me if at any time you have questions on the status or progress of your matters. I look forward to working with you and your staff on any matters you deem appropriate. If you have any questions, please do not hesitate to contact me.

Best regards,

Nikki C. Day, B.C.S.
GrayRobinson, P.A.

Additional Understanding Regarding Representation

Payment of Invoices

In the event that our invoices are not timely paid, or that payment terms satisfactory to us are not established, we reserve the right to renegotiate the terms of this engagement and/or to pursue our other remedies, including the right to charge you interest of 1½% per month for any invoice which has not been paid within 30 days of the date the invoice is mailed or emailed to you. We also reserve the right to withdraw as your counsel in the event you fail to honor your agreement with respect to our legal fees or for any just reason as permitted or required under the Florida Code of Professional Responsibility or as permitted by the rules of courts of the State of Florida. In the event of our withdrawal, you will promptly pay for all services rendered by us prior to the date of withdrawal.

Electronic Data

This will serve as our disclosure that the Firm does presently and will continue to maintain confidential and privileged information in electronic form. This practice will be followed in our work on this matter. The Firm does take measures that it understands to be reasonable and consistent with current business practices to protect that information.

Outcome or Result

We will strive to do our best to meet your needs in this and other any matter we subsequently undertake for you. Either at the commencement, or during the course of our representation, we may express opinions or beliefs concerning the litigation or various courses of action and the results that might be anticipated. Any such statement made by any attorney, consultant or employee of our Firm is intended to be an expression of opinion only, based on information available to us at the time, and should not be construed as a promise or guarantee. We cannot and do not make any representations, warranties or guarantees concerning the outcome of this or any representation we undertake. We will give you our best advice, render opinions, and seek to obtain the desired result. In this regard, it is most important that we communicate regularly.

File Retention

Following the termination of the representation/engagement, any otherwise nonpublic information you have supplied to the Firm (unless previously removed or destroyed by specific request) will be retained by us and kept confidential in accordance with applicable rules of professional conduct, and the Firm reserves the right to send such materials to off-site storage at any time. Any retrieval of material once the file is closed may incur an expense for which you will be responsible. The Firm's retention policy provides that we retain stored and closed files for a period of ten (10) years after which they may be destroyed. Thus, if there are any documents which you need from those we possess, we recommend that you obtain them at the conclusion of our work on this matter. Failure to do so will waive and indemnify the Firm from any liability for the destruction of materials.

Nothing contained herein shall be construed in conflict with the Prompt Payment Act, section 218.70 et. seq., Florida Statutes, nor section 119.0701, Florida Statutes, as each may be amended from time to time. It is the intent of the parties for the Firm to provide legal advice to the City, not to act as an agent on its behalf. However, the Firm will comply with all provisions of section 119.011(2), Florida Statutes, as may be applicable.

IF THE FIRM HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE FIRM'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

LEASE AGREEMENT

THIS LEASE AGREEMENT hereinafter referred to as "Agreement", by and between the **CITY OF FERNANDINA BEACH, FLORIDA**, a municipal corporation, hereinafter referred to as "Lessor," and **Take Stock in Children,** a Florida Nonprofit Corporation, and its assigns, hereinafter referred to as "Lessee", or "Tenant".

WITNESSETH:

WHEREAS, the said Lessor desires to demise, lease and rent unto the Lessee, and the said Lessee desires to rent and lease from Lessor space located at 516 S. 10th Street, Suite 119, Fernandina Beach, Florida, described as Suite 119, together with all improvements thereon and appurtenant rights thereto including, without limitation, parking areas, easements, declarations and rights of way; and

WHEREAS, the Building is the structure located at 516 South 10th Street that contains approximately twenty nine thousand three hundred and eighty (29,380) rentable square feet and the leased premises shall consist of approximately nine hundred eleven (911) rentable square feet (collectively, the "Premises"), and includes without limitation, all heating, venting, air conditioning, mechanical, electrical, elevator and plumbing systems, roofs, walls, foundations, fixtures, and non-exclusive parking spaces, including legally required handicap-striped spaces, all such parking is provided by Lessor at no additional cost; and

NOW, THEREFORE, for and in consideration of the mutual covenants, promises and agreements herein contained, the Lessor does hereby demise, lease and rent unto the said Lessee and the Lessee does hereby rent and lease from the Lessor the Premises, under and pursuant to the following terms and conditions:

NOW THEREFORE, in consideration of the mutual covenants contained in this Agreement, the parties hereby agree as follows:

1. **Term.** This Lease shall commence on June 1, 2026 (the **"Effective Date"**). The initial term shall run from the Effective Date through September 30, 2026 (the **"Initial Partial Lease Year"**). Thereafter, the Lease shall continue for one (1) full Lease Year, commencing on October 1, 2026 and expiring on September 30, 2027, unless renewed as provided herein (collectively, the **"Term"**).

Each twelve (12) month period beginning on October 1 and ending on September 30 shall be referred to as a **"Lease Year."**

2. Rent. Lessee agrees to pay as an initial annual rental rate ("Rent"), based on a $8.92 per rentable square foot, at an annual rate of eight thousand one hundred twenty four dollars and forty eight cents ($8124.48), to be paid in monthly installments as outlined in Section 2 (a). Thereafter, the Rent shall be adjusted annually in accordance with Section 3 herein below.

(a) Lessee shall pay Rent in the amount of six hundred seventy seven dollars and four cents ($677.04) per month in advance on the first day of each calendar month, such monthly installment to be prorated for any partial calendar month in which the Effective Date or Termination Date shall occur. Rent shall be payable without demand by the Lessor, and shall be subject to sales tax, unless Lessee provides Lessor with proof of tax exempt status. All amounts (unless otherwise provided herein) other than the Rent and the adjustments thereto described in Section 3 hereof owed by Lessee to Lessor hereunder shall be deemed additional rent.

(b) Except as otherwise provided in this Lease, it is the intention of the parties that the Lessor shall receive the rents, additional rents, and all sums payable by the Lessee under this Lease free of all taxes, expenses, charges, damages and deductions of any nature whatsoever (except as otherwise provided hereinafter) and the Lessee covenants and agrees to pay all sums (including rent taxes) which except for this Lease would have been chargeable against the Premises and payable by the Lessor, unless the Lessor provides Lessor with proof of tax exempt status.

3. Annual Rent Adjustments.

(a) The annual Rent shall be subject to an annual increase per Lease Year, on the anniversary of the Effective Date as set forth herein. Lessee shall automatically increase said payments, without formal notification by the Lessor that such increase is due. The rental rate shall be adjusted each lease year based on change in Consumer Price Index (CPI) – All Urban Consumers South Urban Region – All Items (base year 1982-84=100), as published by the United States Department of Labor – Bureau of Labor Statistics. Such CPI change will be computed each year using the July index prior to the Effective Date and any change will be implemented and effective with the onset of a new Lease Year.

(b) Delinquency In Payment Of Rent. Delinquency Charge. A delinquency charge of one and one-half percent (1-1/2%) per month shall be added to any rental payment, which is rendered more than ten (10) days delinquent.

(c) Place of Payment. All payments due Lessor from Lessee shall be made payable to the City of Fernandina Beach, and delivered or mailed to 1180 South 5th St. Extension, Fernandina Beach, Florida 32034, attention Utility Billing. All payments of rent shall be made when due, without any statement or specific invoice required.

4. Renewals.

(a) If the Lessee is not in default on the terms and conditions of the lease, including but not limited to the payment of rent, and has not been in default on the terms and conditions of the lease within the past year, the Lease may be renewed and extended with the written mutual agreement of both parties. The City/Lessor reserves the right to make changes to the terms and conditions of this lease including the right of Lessor to collect additional rent, and the cost for common area maintenance and operating expenses after the initial one (1) year term of this lease. The option to renew this Lease shall be for two (2) additional periods of one (1) year each, next immediately ensuing after the expiration of the initial Term of this Lease and the subsequent renewal periods by notifying Lessor in writing not less-than ninety (90) days before the expiration of the immediately preceding initial Term or subsequent renewal Term of this Lease of the Lessee's intention to exercise its option to renew, but Lessee shall have no option to extend this Lease beyond two (2) renewal periods of one (1) year each after the initial Term. In the event that Lessee so elects to extend this Lease, then, for such extended period of the Term, all of the terms, covenants and conditions of this Lease shall continue to be, and shall be, in full force and effect during such extended period of the Term hereof.

5. Condition of Premises. Lessee agrees that they have inspected the Leased Premises, and requested the following repairs: (1) patch wall nail holes; (2) paint; (3) fix kickplate on entry door; (4) replace lighting that does not work; (5) replace bad ceiling tiles; (6) replace flooring. Lessor has agreed to make said repairs. Upon completion of repairs, Lessee will inspect and accept the condition of the premises as-is.

6. Use of Premises. Lessee may occupy and use the Premises during the Term for purposes of the operation of a nonprofit corporation providing college scholarships, mentors and college preparation programs for Nassau County low-income students, and such other purposes as shall be permitted by applicable law, ordinances and regulations, provided other permitted uses do not conflict with the uses of any other tenants in the Building. Lessee may operate during such days and hours as Lessee may determine, without the imposition of minimum or maximum hours of operation by Lessor and Lessee shall have access to the Premises, and may operate, up to 24 hours per day, seven (7) days per week, and 365 days per year. Lessor represents and warrants that the Premises may be used by Lessee for the use stated hereinabove under applicable laws, ordinances, rules and regulations ("Laws") including, without limitation, zoning Laws.

7. The parties agree that this agreement shall be construed as a "Lease Agreement" and Lessee shall not engage in any business on the Premises other than those services specified in section 6 above.

8. Lessee shall comply with all federal, state, county, City and local laws, rules, codes and regulations that may apply to the conduct of the business contemplated herein.

9. Lessee shall not cause or permit to occur:

(a) Any violation of any federal, state or local law, ordinance or regulation now or later enacted, related to environmental conditions on, under, or about the Premises, or arising from Lessee's use or occupancy of the Premises, including, but not limited to, soil and ground water conditions; or

(b) The use, generation, release, manufacture, refining, production, processing or disposal of any hazardous substance on, under, or about the Premises.

10. Lessee's obligations under Section 2, 3, 14 and 15 of this Agreement shall survive the expiration or termination of this Agreement or any renewal thereof.

11. During the term of this Agreement, Lessee shall have the right, at its expense, to place in or on the Premises, a sign or signs identifying Lessee. Said sign or signs shall be of a size, shape and design, and at a location or locations, approved and permitted by Lessor and in conformance with any overall directional graphics or sign program established by Lessor. Lessee shall also comply with any sign code regulations and obtain all permits required. Lessor's approval shall not be unreasonably withheld. Notwithstanding any other provision of this Agreement, said sign(s) shall remain the property of Lessee. Lessee shall remove, at its expense, all lettering, signs and placards so erected on the Premises at the expiration of the term of this Agreement, or any extension term.

12. Leasehold Improvements. Lessee shall not make any structural changes, additions, removal or improvements to the Premises without first obtaining Lessor's written consent or approval of such changes.

(a) Any such Lessor-approved improvements made by Lessee shall remain the property of the Lessee until the expiration or termination of this Lease at which time such improvements shall become the property of Lessor. Lessee shall at all times maintain all improvements constructed on the Premises in good condition.

(b) Lessee shall not permit any mechanic's or other liens to be placed upon the Premises, at any time, in connection with any such leasehold improvements.

13. Damage to Property. Lessee shall be responsible for all damage to property, real or personal, located on, in, or about the Premises, or public use areas damaged as a result of the Lessee, its agents, clients, contractors, employees or representative's negligence, misuse, or abuse. In the event the Lessee does not promptly repair, within thirty 30 days after receipt of written notice from Lessor, where prompt repair is practicable, any damaged property, for which the Lessee is responsible, the Lessor reserves the right to make such repairs at Lessee's expense, which shall become due and payable as part of the Lessee's next monthly rental payment. Such repairs shall be charged to Lessee at 115% of cost to Lessor. Lessee shall immediately report any damage caused to the Premises to the City Manager's Office.

14. Premises Maintenance, Repair, and Upkeep. The Lessee shall maintain the Premises in a neat and orderly condition. Lessee shall not commit, nor allow to be committed, any waste on the Premises, create or allow any nuisance to exist on the Premises, or use or allow the Premises to be used for any unlawful purpose or unsafe purpose. The Lessee shall, at its sole cost and expense, maintain and keep the Premises in good repair and make all repairs necessary to keep and maintain such space of the Premises, including all improvements thereon, in good condition so as to present an attractive appearance. The Premises and all improvements thereon must be maintained in a safe, clean, and sanitary condition. The Lessor shall require maintenance and needed repairs to be made by Lessee in a timely manner.

15. Rented Premises Upkeep. Lessor will maintain the structural components of the Building and routine Building maintenance, except for routine maintenance of the Premises, without additional cost to the Lessee. Lessee is responsible for routine maintenance on the Premises, specifically the office spaces, including but not limited to walls, carpets, paint, doors, and windows.

16. Insurance. Lessee shall obtain and maintain continuously in effect at all times during the term of this Agreement, with the entire premium for said coverage's to be paid entirely by the Lessee, the following insurance:

(a) Comprehensive general liability insurance protecting Lessee and Lessor against any and all liability by reason of Lessee's conduct incident to the use of the Premises, caused by or arising out of any wrongful and/or negligent act or omission of Lessee, in the minimum amount of $1,000,000.00; and

(b) The insurance specified in Section 16(a) shall name Lessor as an additional insured. The insurance coverage specified in Section 16(a) shall not be terminated or changed without providing at least thirty (30) days written notice to Lessor. Lessee shall provide Lessor with certificates of insurance evidencing coverage. If, at any time, Lessee does not have the required insurance, or such insurance is materially modified, canceled, or not renewed, Lessor may immediately terminate this Lease Agreement without liability, fee or penalty.

(c) Lessor and Lessee mutually agree to notify each other in writing as soon as practicable of any claim, demand or action arising out of an occurrence covered hereunder of which either party has knowledge, and to cooperate with each other in the investigation and defense thereof.

17. Indemnification. Lessee agrees to assume liability for and indemnify, hold harmless, and defend the Lessor, its elected officials, officers, employees, representatives, agents, and attorneys of, from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, except where plaintiff has comparative fault under Florida statutes. Where applicable, Lessee assumes liability for demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, arising directly or indirectly out of or in connection with any negligent and/or deliberate act or omission of Lessee, its officers, employees, agents, and representatives. Lessee's liability hereunder shall include all attorney's fees and costs incurred by the Lessor in the enforcement of this indemnification provision. This includes claims made by the employees of Lessee against the Lessor, and Lessee hereby waives its entitlement, if any, to immunity under Section 440.11, Florida Statutes. The obligations contained in this provision shall survive termination of this Agreement. Nothing contained in the foregoing indemnification shall be construed to be a waiver of any immunity or limitation of liability the Lessor may have under the doctrine of sovereign immunity or Section 768.28, Florida Statutes.

18. Independent Contractor. In conducting its operations hereunder, Lessee acts as an independent contractor and not as an agent of Lessor. The selection, retention, assignment, direction and payment of Lessee's employees shall be the sole responsibility of Lessee, and Lessor shall not attempt to exercise any control over the daily performance of duties by Lessee's employees.

19. Assignment. This Agreement, or any part thereof, may not be assigned, transferred or subleased by Lessee, except to affiliate companies, by process or operation of law or in any other manner whatsoever, without the prior written consent of Lessor, which consent will not be withheld unreasonably.

20. Non-Discrimination. Notwithstanding any other inconsistent provision of this Agreement, during the performance of this Agreement, Lessee, for itself, its heirs, personal representatives, successors in interest and assigns, as part of the consideration for this agreement, does hereby covenant and agree, as a covenant running with the land, that:

(a) No person on the grounds of race, color, religion, gender or national origin shall be excluded from participating in, denied the benefits of, or otherwise be subjected to discrimination,

in the use of the Premises; and

(b) In the furnishing of services on, over or under the Premises, no person on the grounds of race, color, religion, gender or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination.

21. Termination. This Agreement shall be subject to termination by either party in the event of any one or more of the following:

(a) Notice is provided in writing, delivered by either party, three (3) months prior to the desired termination date of the Lease Agreement. Rent, taxes and insurance shall be paid by Lessee through the date of termination;

(b) The abandonment of the Premises by Lessee for activities related with such organization;

(c) The default by either party in the performance of any of the terms, covenants and conditions of this Agreement, and the failure of such defaulting party to remedy or to undertake to remedy to the other party's satisfaction such default for a period of thirty (30) days after receipt of notice from the non-defaulting party to the defaulting party to remedy same; or

(d) Damage to or destruction of all or a material part of the Premises necessary to the operation of Lessee's business or services.

(e) Other extraordinary circumstance which substantially impacts the performance of Lessee's mission and purpose from the leased premises which is not applicable to the Section 22 Force Majeure clause, shall require Notice to the Lessor provided in writing, three (3) months prior to the desired termination date. Rent and insurance shall be paid by Lessee through the date of termination;

22. Force Majeure. Neither Lessor, nor Lessee, shall be deemed to be in violation of this Agreement if either is prevented from performing any of its obligations hereunder by reasons of strikes, boycotts, labor disputes, embargoes, shortages of materials, acts of God, acts of public enemy, acts of superior governmental authority, weather conditions, floods, named storms such as tropical storms and hurricanes, tornadoes, riots, rebellions, acts of sabotage, or any other circumstances for which it is not responsible, or which are not under its control, provided; however, that this paragraph does not apply to failure by Lessee to pay the rentals, fees, taxes, and charges set forth herein. In any such case a prompt written notice shall be given to the other party of the existence of such causes and of readiness to resume performance upon the removal, or non-existence thereof.

23. Entire Agreement. This Agreement constitutes the entire agreement and understanding between the parties, and as of its effective date supersedes all prior or independent contracts or agreements between the parties covering the subject matter hereof. Any change or modification hereof must be in writing signed by both parties.

24. Severability. If any substantive provision hereof shall be finally declared void or illegal by any court or administrative agency having jurisdiction, and such declaration results in a substantial failure of consideration for either party, the entire agreement shall be subject to termination by such party. Otherwise, such declaration shall not be cause for termination of this Agreement, but only such void or illegal provision shall be canceled or deemed to be of no effect.

25. Notice. Any notice given by one party to the other in connection with this agreement shall be in writing and shall be sent by certified mail, return receipt requested, with postage and certification fees prepaid, to the following addresses:

Lessee: Take Stock in Children
Attn: Executive Director
P.O. Box 15217
Fernandina Beach, FL 32035

Lessor: City of Fernandina Beach
City Manager
204 Ash Street
Fernandina Beach, FL 32034
Telephone: (904)310-3100

26. Governing Law and Venue. This Agreement shall be governed by and construed and interpreted in accordance with the laws of the State of Florida. Each of the parties hereto: (a) irrevocably submits itself to the exclusive jurisdiction of the Fourth Judicial Circuit Court, in and for Nassau County, Florida, and the jurisdiction of the United States District Court for the Middle District of Florida, Jacksonville Division, for the purposes of any suit, action or other proceeding arising out of, or relating to, this Agreement; (b) waives and agrees not to assert against any party hereto, by way of motion, as a defense or otherwise in any suit, action or other proceeding: (i) any claim that it is not personally subject to the jurisdiction of the above-named courts for any reason whatsoever; and (ii) to the extent permitted by applicable law, any claim that such suit, action or proceeding by any party hereto is brought in an inconvenient forum, or that the venue of such suit, action or proceeding is improper or that this Agreement or the subject matter hereof may not be enforced in or by such courts.

27. Re-Entry. It is further understood and agreed between the parties hereto that in the event of any breach of any covenant or agreement on the part of the Lessee to be performed and provided, that if such breach is not remedied by the Lessee after reasonable notice in writing to it by the Lessor, the Lessor may re-enter and terminate this tenancy by giving the Lessee thirty (30) days written notice, to quit the Premises. Lessor shall at all times be entitled to recover by all lawful means any and all damages sustained by it through the breach of any said covenants and agreements on part of the Lessee to be performed.

28. Attorney's Fees. Should either party bring suit to enforce its rights under this Agreement, the prevailing party shall be entitled to its reasonable attorney's fees and costs of such suit, including appeals, to be paid by the non-prevailing party.

29. Obligation Upon Termination. Upon termination of this Lease, all obligations of either party hereunder to the other shall cease and terminate, and the Lessee agrees that upon the termination of this Lease, it shall quit and surrender the Premises in as good order and condition as existed at the time of the initial occupancy and only reasonable wear and tear being accepted.

30. Non-Exclusivity. It is understood and agreed that nothing herein contained shall be construed to grant or authorize the granting of any exclusive right.

31. Radon Gas. Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department.

IN WITNESS WHEREOF, the parties have executed this Agreement on 17th day of March, 2026.

WHEREAS, Grantor is willing and able to grant to Grantee such easement and appurtenant rights as are hereinafter set forth; and

WHEREAS, Grantee desires to accept said easement rights, and is willing to perform the affirmative covenants hereinafter set forth;

NOW, THEREFORE, for and in consideration of the sum of $1.00 the affirmative covenants assumed by Grantee herein, and for other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged by Grantor, and the affirmative covenants assumed by Grantee herein, the parties agree as follows:

AGREEMENT

1. Recitals; Exhibits. The above recitals and all Exhibits attached to this Agreement are true and correct and are incorporated herein by this reference.

2. Easement. Grantor hereby grants to Grantee, its successors and assigns, a non-exclusive, revocable easement ("Easement") over, under, through, and across that certain real property situated in Nassau County, Florida, more particularly described on Exhibit "B" attached hereto and incorporated herein by this reference ("Easement Area") for the purpose of installing, constructing and/or maintaining a track and field facility for Grantee athletic events. Included in this Easement, Grantee shall at all times have the right of ingress and egress and the right to enter upon the Easement Area at any time it deems necessary for the purpose of exercising the easement rights granted hereby.

3. Grantor's Representations and Warranties. Grantor hereby represents and warrants to Grantee as follows:

3.1 Ownership. Grantor is the owner in fee simple of the certain parcel of real estate situated in Nassau County, Florida, more particularly described on Exhibit "A" on which Grantee intends to install, construct and/or maintain a track and field facility for Grantee athletic events.

3.2 Right to Convey Easement. Grantor warrants and represents that Grantor has the right to convey a non-exclusive, revocable Easement over, under, through, and across the property, more particularly described on Exhibit "B" and will defend the same easement against the lawful claims of all persons whomsoever.

3.3. Authority. Grantor does hereby fully warrant and represent that the party signing the Agreement on behalf of Grantor has the authority to bind Grantor to the Agreement.

4. Use of Easement Area. Notwithstanding the foregoing grants of easements, Grantor retains the right to use the Easement Area for any lawful purpose other than for a permanent building, structure, foundation, or other use inconsistent with the grants made herein.

5. Binding Effect. The foregoing grants of easements and rights appurtenant thereto, shall be and constitute covenants running with the land, benefitting the public at large and burdening the Easement Area, and shall be binding upon the heirs, successors, and assigns of the parties.

6. Governing Law, Venue and Attorneys' Fees. This Agreement is to be construed in accordance with the laws of the State of Florida, with venue in Nassau County, Florida. In the event of any litigation between the parties regarding the breach and/or enforcement of this Agreement, each party shall bear its own attorneys' fees, including presuit and at the appellate court level.

7. Entire Agreement. This Agreement embodies and constitutes the entire understanding between the parties with respect to the matters set forth in this Agreement. All prior or contemporaneous agreements, understandings, representations, and statements, oral or written,

are merged into this Agreement. Neither this Agreement nor any provision hereof may be waived, modified, amended, discharged, or terminated except by an instrument in writing signed by the party against which the enforcement of such waiver, modification, amendment, discharge or termination is sought, and then only to the extent set forth in such instrument.

8. Counterparts. This Agreement may be executed in two or more separate counterparts, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same instrument.

9. Restoration. In the event the easement is terminated, Grantee is required to restore the ground surface area of the Easement Area by replacing any pre-existing landscaping to as near a preconstruction condition as is practicable in the reasonable judgment of Grantor.

10. Insurance. Grantee shall obtain and maintain continuously in effect at all times during the term of this Agreement, at Grantee's sole expense, the following insurance:

a. Comprehensive general liability insurance with a Combined Single Limit (CSL) of not less than One Million ($1,000,000) Dollars sufficient to protect Grantor against any and all liability by reason of Grantee's conduct incident to the use of the Premises, caused by or arising out of any wrongful act or omission of Grantee. If Grantor's insurer for liability insurance allows, then Grantee shall designate Grantor as additionally insured on its insurance policies. In the event Grantee obtains insurance coverage in the future from a different carrier, Grantee shall name Grantor as an additional insured on the policy unless prohibited from doing so by the carrier.

b. Copy of annual insurance certificate(s) shall be provided to Grantor annually.

11. Indemnification. Grantee agrees to assume liability for and indemnify, hold harmless, and defend the Grantor, its superintendent, elected board members, officers, employees, agents, and attorneys of, from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, arising directly or indirectly out of or in connection with any negligent and/or deliberate act or omission of Grantee, its commissioners, mayor, officers, employees, volunteers, contractors, agents, and representatives. Grantee 's liability hereunder shall include all attorney's fees and costs incurred by the Grantor in the enforcement of this indemnification provision. This includes claims made by the employees of Grantee against the Grantor. The obligations contained in this provision shall survive termination of this Agreement.

TEMPORARY EASEMENT AGREEMENT
DOLPHIN STREET AND NORTH FLETCHER AVENUE

THIS EASEMENT AGREEMENT ("Agreement") is made and entered into this 17th day of March, 2026, by and between the City of Fernandina Beach, Florida, a municipal corporation, whose address is 204 Ash Street, Fernandina Beach, FL 32034 ("Grantor"), and United States Army Corps of Engineers, a department of the U.S. Army, Jacksonville District whose address is 701 San Marco Boulevard, Jacksonville, FL 32207-8175 ("Grantee").

RECITALS

WHEREAS, Grantor is the owner of certain real property situated within the municipal limits of the City of Fernandina Beach, Florida ("Grantor's Property"), more particularly described in Exhibit "A", and

WHEREAS, the Grantee desires an unrestricted temporary easement and right-of-way in, over and across Grantor's property for a period of 12 months and for the purpose of a temporary staging area to store equipment, erect and remove temporary structures, and trim, cut and remove obstructions such as vegetation and structures within the easement area; and

WHEREAS, the Grantor is willing to grant to Grantee an unrestricted, temporary easement and right-of-way in, over and across Grantor's property for a period of 12 months and for the purpose of a temporary staging area to store equipment, erect and remove temporary structures, and trim, cut and remove obstructions such as vegetation and structures within the easement area and temporary access area for the use and benefit of the Grantee; and

WHEREAS, Grantor is willing and able to grant to Grantee such temporary easement and appurtenant rights as are hereinafter set forth; and

WHEREAS, Grantee desires to accept said easement rights, and is willing to perform the affirmative covenants hereinafter set forth;

NOW, THEREFORE, for and in consideration of the sum of $10.00 the affirmative covenants assumed by Grantee herein, and for other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged by Grantor, and the affirmative covenants assumed by Grantee herein, the parties agree as follows:

AGREEMENT

1. Recitals; Exhibits. The above recitals and all Exhibits attached to this Agreement are true and correct and are incorporated herein by this reference.

2. Temporary Easement. Grantor hereby grants to Grantee, its successors and assigns, a temporary, non- exclusive easement and right-of-way ("Easement") in, over and across that certain real property situated in the City of Fernandina Beach, Nassau County, Florida, more particularly described on Exhibit "B" attached hereto and incorporated herein by this reference ("Easement Area") for a period not to exceed twelve (12) months, beginning with the date of possession of the land is granted to the United States, its representatives, agents, and contractors as a work area, for use by the United States, its representatives, agents, and contractors as a work area, including the right to move, store and remove equipment and supplies, and erect and remove temporary structures on the land and to perform any other work necessary and incident to the construction of the Naval Submarine Base Kings Bay Entrance Channel Dredging Project, together with the right to trim, cut, fell and remove therefrom all trees, underbrush, obstructions, and any other vegetation, structures, or obstacles within the limits of the right-of-way; reserving, however, to the landowners, their heirs and assigns, all such rights and privileges as may be used without interfering with or abridging the rights and easement hereby acquired; subject, however, to existing easements for public roads and highways, public utilities, railroads and pipelines.

3. Grantor's Representations and Warranties. Grantor hereby represents and warrants to Grantee as follows:

3.1 Ownership. Grantor is the owner in fee simple of the certain parcel of real estate situated in Nassau County, Florida, more particularly described on Exhibit "A" on which Grantee intends to use as a staging area and access area.

3.2 Right to Convey Easement. Grantor warrants and represents that Grantor has the right to convey a permanent Easement in, on, over and across the property, more particularly described on Exhibit "B" and will defend the same easement against the lawful claims of all persons whomsoever.

3.3. Authority. Grantor does hereby fully warrant and represent that the party signing the Agreement on behalf of Grantor has the authority to bind Grantor to the Agreement.

4. Use of Easement Area. Notwithstanding the foregoing grants of easements, Grantor retains the right to use the Easement Area for any lawful purpose other than for a permanent building, structure, foundation, or other use inconsistent with the grants made herein.

5. Binding Effect. The foregoing grants of easements and rights appurtenant thereto, shall be and constitute covenants running with the land, benefitting the public at large and burdening the Easement Area, and shall be binding upon the heirs, successors, and assigns of the parties.

6. Entire Agreement. This Agreement embodies and constitutes the entire understanding between the parties with respect to the matters set forth in this Agreement. All prior or contemporaneous agreements, understandings, representations, and statements, oral or written, are merged into this Agreement. Neither this Agreement nor any provision hereof may be waived, modified, amended, discharged, or terminated except by an instrument in writing signed by the party against which the enforcement of such waiver, modification, amendment, discharge or termination is sought, and then only to the extent set forth in such instrument.

7. Counterparts. This Agreement may be executed in two or more separate counterparts, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same instrument.

8. Restoration. In the event of construction, maintenance or repair in the Easement Area by Grantee, Grantee hereby agrees and understands that Grantee is required to restore the ground surface area of the Easement Area by replacing any pre-existing landscaping, fencing, concrete and/or asphalt to as near a preconstruction condition as is practicable in the reasonable judgment of the Grantee.

IN WITNESS WHEREOF, the parties have executed this instrument on the date first above written.

Dear Ms. Campbell:

The U.S. Army Corps of Engineers (Corps) will be conducting a project on behalf of the Department of the Navy to dredge the entrance channel of Naval Submarine Base Kings Bay (NSB Kings Bay). As agreed between the Navy and the State of Florida in the Memorandum of Understanding Concerning Dredging of the St. Mary's Inlet Channel dated December 18, 1986, all beach-quality sand recovered from NSB Kings Bay dredging operations are to be placed on State of Florida beaches. Consequently, part of the dredge disposal plan involves placing sand on beaches within the City of Fernandina Beach, Florida, which positively augments the re-nourishment efforts for the Nassau County Shore Protection Project.

In order to conduct the disposal/re-nourishment aspect of the dredging project, the Corps is requesting that the City provide certain temporary real estate interests as described below:

a. A Temporary Work Area Easement for the access areas shown in pink in the enclosed map (Enclosure 1, Exhibit A-1). The term of the easement should begin the date of easement execution and should expire no earlier than May 31, 2027.

b. A Temporary Work Area Easement for the staging areas shown in blue in the enclosed map (Enclosure 1, Exhibit A-1). The term of the easement should begin the date of easement execution and should expire no earlier than May 31, 2027.

I understand there is now a lock on the gate for the beach access from Dolphin Road. Please let us know whom the contractor should get in touch with to gain access.

Enclosed for your convenience are templates for the Certification of Lands (Enclosure 2), the Attorney's Certificate of Authority (Enclosure 3), and the required language for temporary work area easements (Enclosure 4). Also enclosed is the City of Fernandina Beach's Resolution 2025-77 (Enclosure 5), for your reference. Please provide the signed land certification and all supporting documentation by May 15, 2026, via email to angela.f.huggins@usace.army.mil.

3.1 Ownership. Grantor is the owner in fee simple of the certain parcel of real estate situated in Nassau County, Florida, more particularly described on Exhibit "A" on which Grantee intends to use as a staging area and access area.

3.2 Right to Convey Easement. Grantor warrants and represents that Grantor has the right to convey a permanent Easement in, on, over and across the property, more particularly described on Exhibit "B" and will defend the same easement against the lawful claims of all persons whomsoever.

3.3. Authority. Grantor does hereby fully warrant and represent that the party signing the Agreement on behalf of Grantor has the authority to bind Grantor to the Agreement.

4. Use of Easement Area. Notwithstanding the foregoing grants of easements, Grantor retains the right to use the Easement Area for any lawful purpose other than for a permanent building, structure, foundation, or other use inconsistent with the grants made herein.

5. Binding Effect. The foregoing grants of easements and rights appurtenant thereto, shall be and constitute covenants running with the land, benefitting the public at large and burdening the Easement Area, and shall be binding upon the heirs, successors, and assigns of the parties.

6. Entire Agreement. This Agreement embodies and constitutes the entire understanding between the parties with respect to the matters set forth in this Agreement. All prior or contemporaneous agreements, understandings, representations, and statements, oral or written, are merged into this Agreement. Neither this Agreement nor any provision hereof may be waived, modified, amended, discharged, or terminated except by an instrument in writing signed by the party against which the enforcement of such waiver, modification, amendment, discharge or termination is sought, and then only to the extent set forth in such instrument.

7. Counterparts. This Agreement may be executed in two or more separate counterparts, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same instrument.

8. Restoration. In the event of construction, maintenance or repair in the Easement Area by Grantee, Grantee hereby agrees and understands that Grantee is required to restore the ground surface area of the Easement Area by replacing any pre-existing landscaping, fencing, concrete and/or asphalt to as near a preconstruction condition as is practicable in the reasonable judgment of the Grantee.

IN WITNESS WHEREOF, the parties have executed this instrument on the date first above written.

RESOLUTION 2024-104

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, APPROVING A TEMPORARY EASEMENT AGREEMENT BETWEEN THE CITY OF FERNANDINA BEACH AND THE UNITED STATES ARMY CORPS OF ENGINEERS FOR BEACH RENOURISHMENT STAGING AND MOBILIZATION; AUTHORIZING EXECUTION; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the U.S. Army Corps of Engineers (USACE) will be conducting a project for the United States Navy to dredge the entrance channel of Naval Submarine Base Kings Bay; and

WHEREAS, the U.S. Navy and State of Florida have agreed that all beach-quality sand recovered in the dredging project is to be placed on State of Florida beaches, including beaches within the City of Fernandina Beach; and

WHEREAS, the USACE requests twelve-month temporary work easements at the following publicly-owned beach area for construction access and equipment staging: near the intersection of Dolphin Street and South Fletcher Avenue; and

WHEREAS, the City of Fernandina Beach granted the USACE temporary easements in 2023 to conduct beach renourishment work via Resolution 2023-76; and

WHEREAS, the City now wishes to grant temporary easements for beach renourishment over the next twelve months through June 2025.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, THAT**:**

SECTION 1. The City Commission hereby grants these temporary easements to USACE and directs the City Clerk and Interim City Manager to execute the temporary easement agreement with the USACE upon review and approval of the City Attorney, attached hereto as Exhibit 1.

SECTION 2. This Resolution shall become effective immediately upon passage.

ADOPTED this 4th day of June, 2024.

DOLPHIN STREET AND NORTH FLETCHER AVENUE

THIS EASEMENT AGREEMENT ("Agreement") is made and entered into this 4th day of June, 2024, by and between the City of Fernandina Beach, Florida, a municipal corporation, whose address is 204 Ash Street, Fernandina Beach, FL 32034 ("Grantor"), and United States Army Corps of Engineers, a department of the U.S. Army, Jacksonville District whose address is 701 San Marco Boulevard, Jacksonville, FL 32207-8175 ("Grantee").

RECITALS

WHEREAS, Grantor is the owner of certain real property situated within the municipal limits of the City of Fernandina Beach, Florida ("Grantor's Property"), more particularly described in Exhibit "A", and

WHEREAS, the Grantee desires an unrestricted temporary easement and right-of-way in, over and across Grantor's property for a period of 12 months and for the purpose of a temporary staging area to store equipment, erect and remove temporary structures, and trim, cut and remove obstructions such as vegetation and structures within the easement area; and

WHEREAS, the Grantor is willing to grant to Grantee an unrestricted, temporary easement and right-of-way in, over and across Grantor's property for a period of 12 months and for the purpose of a temporary staging area to store equipment, erect and remove temporary structures, and trim, cut and remove obstructions such as vegetation and structures within the easement area and temporary access area for the use and benefit of the Grantee; and

WHEREAS, Grantor is willing and able to grant to Grantee such temporary easement and appurtenant rights as are hereinafter set forth; and

WHEREAS, Grantee desires to accept said easement rights, and is willing to perform the affirmative covenants hereinafter set forth;

NOW, THEREFORE, for and in consideration of the sum of $10.00 the affirmative covenants assumed by Grantee herein, and for other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged by Grantor, and the affirmative covenants assumed by Grantee herein, the parties agree as follows:

AGREEMENT

1. Recitals; Exhibits. The above recitals and all Exhibits attached to this Agreement are true and correct and are incorporated herein by this reference.

2. Temporary Easement. Grantor hereby grants to Grantee, its successors and assigns, a temporary, non-exclusive easement and right-of-way ("Easement") in, over and across that certain real property situated in the City of Fernandina Beach, Nassau County, Florida, more particularly described on Exhibit "B" attached hereto and incorporated herein by this reference ("Easement Area") for a period not to exceed twelve (12) months, beginning with the date of possession of the land is granted to the United States, its representatives, agents, and contractors as a work area, for use by the United States, its representatives, agents, and contractors as a work area, including the right to move, store and remove equipment and supplies, and erect and remove temporary structures on the land and to perform any other work necessary and incident to the construction of the Naval Submarine Base Kings Bay Entrance Channel Dredging Project, together with the right to trim, cut, fell and remove therefrom all trees, underbrush, obstructions, and any other vegetation, structures, or obstacles within the limits of the right-of-way; reserving, however, to the landowners, their heirs and assigns, all such rights and privileges as may be used without interfering with or abridging the rights and easement hereby acquired; subject, however, to existing easements for public roads and highways, public utilities, railroads and pipelines.

3. Grantor's Representations and Warranties. Grantor hereby represents and warrants to Grantee as follows:

3.1 Ownership. Grantor is the owner in fee simple of the certain parcel of real estate situated in Nassau County, Florida, more particularly described on Exhibit "A" on which Grantee intends to use as a staging area and access area.

3.2 Right to Convey Easement. Grantor warrants and represents that Grantor has the right to convey a permanent Easement in, on, over and across the property, more particularly described on Exhibit "B" and will defend the same easement against the lawful claims of all persons whomsoever.

3.3. Authority. Grantor does hereby fully warrant and represent that the party signing the Agreement on behalf of Grantor has the authority to bind Grantor to the Agreement.

4. Use of Easement Area. Notwithstanding the foregoing grants of easements, Grantor retains the right to use the Easement Area for any lawful purpose other than for a permanent building, structure, foundation, or other use inconsistent with the grants made herein.

5. Binding Effect. The foregoing grants of easements and rights appurtenant thereto, shall be and constitute covenants running with the land, benefitting the public at large and burdening the Easement Area, and shall be binding upon the heirs, successors, and assigns of the parties.

6. Entire Agreement. This Agreement embodies and constitutes the entire understanding between the parties with respect to the matters set forth in this Agreement. All prior or contemporaneous agreements, understandings, representations, and statements, oral or written, are merged into this Agreement. Neither this Agreement nor any provision hereof may be waived, modified, amended, discharged, or terminated except by an instrument in writing signed by the party against which the enforcement of such waiver, modification, amendment, discharge or termination is sought, and then only to the extent set forth in such instrument.

7. Counterparts. This Agreement may be executed in two or more separate counterparts, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same instrument.

8. Restoration. In the event of construction, maintenance or repair in the Easement Area by Grantee, Grantee hereby agrees and understands that Grantee is required to restore the ground surface area of the Easement Area by replacing any pre-existing landscaping, fencing, concrete and/or asphalt to as near a preconstruction condition as is practicable in the reasonable judgment of the Grantee.

IN WITNESS WHEREOF, the parties have executed this instrument on the date first above written.

TEMPORARY EASEMENT AGREEMENT
DOLPHIN STREET AND NORTH FLETCHER AVENUE

THIS EASEMENT AGREEMENT ("Agreement") is made and entered into this 16th day of May, 2023, by and between the City of Fernandina Beach, Florida, a municipal corporation, whose address is 204 Ash Street, Fernandina Beach, FL 32034 ("Grantor"), and United States Army Corps of Engineers, a department of the U.S. Army, Jacksonville District whose address is 701 San Marco Boulevard, Jacksonville, FL 32207-8175 ("Grantee").

RECITALS

WHEREAS, Grantor is the owner of certain real property situated within the municipal limits of the City of Fernandina Beach, Florida ("Grantor's Property"), more particularly described in Exhibit "A", and

WHEREAS, the Grantee desires an unrestricted temporary easement and right-of-way in, over and across Grantor's property for a period of 12 months and for the purpose of a temporary staging area to store equipment, erect and remove temporary structures, and trim, cut and remove obstructions such as vegetation and structures within the easement area; and

WHEREAS, the Grantor is willing to grant to Grantee an unrestricted, temporary easement and right-of-way in, over and across Grantor's property for a period of 12 months beginning November 2023 and for the purpose of a temporary staging area to store equipment, erect and remove temporary structures, and trim, cut and remove obstructions such as vegetation and structures within the easement area and temporary access area for the use and benefit of the Grantee; and

WHEREAS, Grantor is willing and able to grant to Grantee such temporary easement and appurtenant rights as are hereinafter set forth; and

WHEREAS, Grantee desires to accept said easement rights, and is willing to perform the affirmative covenants hereinafter set forth;

NOW, THEREFORE, for and in consideration of the sum of $10.00 the affirmative covenants assumed by Grantee herein, and for other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged by Grantor, and the affirmative covenants assumed by Grantee herein, the parties agree as follows:

AGREEMENT

1. Recitals; Exhibits. The above recitals and all Exhibits attached to this Agreement are true and correct and are incorporated herein by this reference.

2. Temporary Easement. Grantor hereby grants to Grantee, its successors and assigns, a temporary, non-exclusive easement and right-of-way ("Easement") in, over and across that certain real property situated in the City of Fernandina Beach, Nassau County, Florida, more particularly described on Exhibit "B" attached hereto and incorporated herein by this reference ("Easement Area") for a period not to exceed twelve (12) months, beginning with the date of possession of the land is granted to the United States, its representatives, agents, and contractors as a work area, for use by the United States, its representatives, agents, and contractors as a work area, including the right to move, store and remove equipment and supplies, and erect and remove temporary structures on the land and to perform any other work necessary and incident to the construction of the Naval Submarine Base Kings Bay Entrance Channel Dredging Project, together with the right to trim, cut, fell and remove therefrom all trees, underbrush, obstructions, and any other vegetation, structures, or obstacles within the limits of the right-of-way; reserving, however, to the landowners, their heirs and assigns, all such rights and privileges as may be used without interfering with or abridging the rights and easement hereby acquired; subject, however, to existing easements for public roads and highways, public utilities, railroads and pipelines.

3. Grantor's Representations and Warranties. Grantor hereby represents and warrants to Grantee as follows:

3.1 Ownership. Grantor is the owner in fee simple of the certain parcel of real estate situated in Nassau County, Florida, more particularly described on Exhibit "A" on which Grantee intends to use as a staging area and access area.

3.2 Right to Convey Easement. Grantor warrants and represents that Grantor has the right to convey a permanent Easement in, on, over and across the property, more particularly described on Exhibit "B" and will defend the same easement against the lawful claims of all persons whomsoever.

3.3. Authority. Grantor does hereby fully warrant and represent that the party signing the Agreement on behalf of Grantor has the authority to bind Grantor to the Agreement.

4. Use of Easement Area. Notwithstanding the foregoing grants of easements, Grantor retains the right to use the Easement Area for any lawful purpose other than for a permanent building, structure, foundation, or other use inconsistent with the grants made herein.

5. Binding Effect. The foregoing grants of easements and rights appurtenant thereto, shall be and constitute covenants running with the land, benefitting the public at large and burdening the Easement Area, and shall be binding upon the heirs, successors, and assigns of the parties.

6. Entire Agreement. This Agreement embodies and constitutes the entire understanding between the parties with respect to the matters set forth in this Agreement. All prior or contemporaneous agreements, understandings, representations, and statements, oral or written, are merged into this Agreement. Neither this Agreement nor any provision hereof may be waived, modified, amended, discharged, or terminated except by an instrument in writing signed by the party against which the enforcement of such waiver, modification, amendment, discharge or termination is sought, and then only to the extent set forth in such instrument.

7. Counterparts. This Agreement may be executed in two or more separate counterparts, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same instrument.

8. Restoration. In the event of construction, maintenance or repair in the Easement Area by Grantee, Grantee hereby agrees and understands that Grantee is required to restore the ground surface area of the Easement Area by replacing any pre-existing landscaping, fencing, concrete and/or asphalt to as near a preconstruction condition as is practicable in the reasonable judgment of the Grantee.

IN WITNESS WHEREOF, the parties have executed this instrument on the date first above written.

DEPARTMENT OF THE ARMY
CORPS OF ENGINEERS, JACKSONVILLE DISTRICT
701 SAN MARCO BOULEVARD
JACKSONVILLE, FLORIDA 32207-8175

May 2, 2023

Mr. Charles L. George
City Manager
City of Fernandina Beach
204 Ash Street
Fernandina Beach, Florida 32034
Sent via email to cgeorge@fbfl.org

Dear Mr. George:

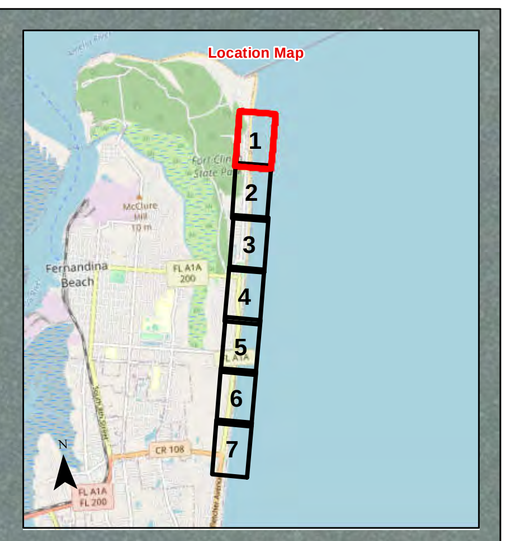
The U.S. Army Corps of Engineers (Corps) will be conducting a project on behalf of the Department of the Navy to dredge the entrance channel of Naval Submarine Base Kings Bay (NSB Kings Bay). As agreed between the Navy and the State of Florida in the Memorandum of Understanding Concerning Dredging of the St. Mary's Inlet Channel dated December 18, 1986, all beach-quality sand recovered from NSB Kings Bay dredging operations are to be placed on State of Florida beaches. Consequently, part of the dredge disposal plan involves placing sand on beaches within the City of Fernandina Beach, Florida, which positively augments the re-nourishment efforts for the Nassau County Shore Protection Project.

In order to conduct the disposal/re-nourishment aspect of the dredging project, the Corps is requesting that the City provide certain temporary real estate interests as described below:

a. A Temporary Work Area Easement for the access areas shown in pink in the enclosed map (Enclosure 1). The term of the easement should begin the date of easement execution and should expire no earlier than May 31, 2024.

b. A Temporary Work Area Easement for the staging areas shown in blue in the enclosed map (Enclosure 1). The term of the easement should begin the date of easement execution and should expire no earlier than May 31, 2024.

The language for the Temporary Work Area Easements is enclosed (Enclosure 2). Please provide the signed easements by May 31, 2023 via email to angela.f.huggins@usace.army.mil. For your convenience, also enclosed is the City Commission of the City of Fernandina Beach's Resolution 2022-74 (Enclosure 3) approving the temporary easements for last year's disposal/beach re-nourishment.



If you have any questions or require additional information, please contact Angela Huggins by email: angela.f.huggins@usace.army.mil or by telephone: 904-232-1939.

Sincerely,

Timothy H. McQuillen
Chief, Real Estate Division

TEMPORARY EASEMENT AGREEMENT
DOLPHIN STREET AND NORTH FLETCHER AVENUE

THIS TEMPORARY EASEMENT AGREEMENT ("Agreement") is made and entered into this 3rd day of May, 2022, by and between the City of Fernandina Beach, Florida, a municipal corporation, whose address is 204 Ash Street, Fernandina Beach, FL 32034 ("Grantor"), and United States Army Corps of Engineers, a department of the U.S. Army, Jacksonville District whose address is 701 San Marco Boulevard, Jacksonville, FL 32207-8175 ("Grantee").

RECITALS

WHEREAS, Grantor is the owner of certain real property situated within the municipal limits of the City of Fernandina Beach, Florida ("Grantor's Property"), more particularly described in Exhibit "A", and

WHEREAS, the Grantee desires an unrestricted temporary easement and right-of-way in, over and across Grantor's property for a period of 12 months beginning in November 2022 and for the purpose of a temporary staging area to store equipment, , erect and remove temporary structures, and trim, cut and remove obstructions such as vegetation and structures within the easement area; and temporary access area.

WHEREAS, the Grantor is willing to grant to Grantee an unrestricted, temporary easement and right-of-way in, over and across Grantor's property for a period of 12 months beginning in November 2022 and for the purpose of a temporary staging area to store equipment, , erect and remove temporary structures, and trim, cut and remove obstructions such as vegetation and structures within the easement area and temporary access area for the use and benefit of the Grantee; and

WHEREAS, Grantor is willing and able to grant to Grantee such temporary easement and appurtenant rights as are hereinafter set forth; and

WHEREAS, Grantee desires to accept said easement rights, and is willing to perform the affirmative covenants hereinafter set forth;

NOW, THEREFORE, for and in consideration of the sum of $10.00 the affirmative covenants assumed by Grantee herein, and for other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged by Grantor, and the affirmative covenants assumed by Grantee herein, the parties agree as follows:

AGREEMENT

1. Recitals: Exhibits. The above recitals and all Exhibits attached to this Agreement are true and correct and are incorporated herein by this reference.

2. Temporary Easement. Grantor hereby grants to Grantee, its successors and assigns, a temporary, non-exclusive easement and right-of-way ("Easement") in, over and across that certain real property situated in the City of Fernandina Beach, Nassau County, Florida, more particularly described on Exhibit "B" attached hereto and incorporated herein by this reference ("Easement Area") for a period not to exceed twelve (12) months, beginning with the date possession of the land

is granted to the United States, its representatives, agents, and contractors as a work area, including the right to (move, store and remove equipment and supplies, and erect and remove temporary structures on the land and to perform any other work necessary and incident to the construction of the Kings Bay Entrance Channel O&M Project, together with the right to trim, cut, fell and remove therefrom all trees, underbrush, obstructions, and any other vegetation, structures, or obstacles within the limits of the right-of-way; reserving, however, to the landowners, their heirs and assigns, all such rights and privileges as may be used without interfering with or abridging the rights and easement hereby acquired; subject, however, to existing easements for public roads and highways, public utilities, railroads and pipelines.

3. Grantor's Representations and Warranties. Grantor hereby represents and warrants to Grantee as follows:

3.1 Ownership. Grantor is the owner in fee simple of the certain parcel of real estate situated in Nassau County, Florida, more particularly described on Exhibit "A" on which Grantee intends to use as a staging area and access area.

3.2 Right to Convey Easement. Grantor warrants and represents that Grantor has the right to convey a temporary Easement in, on, over and across the property, more particularly described on Exhibit "B" and will defend the same easement against the lawful claims of all persons whomsoever.

3.3. Authority. Grantor does hereby fully warrant and represent that the party signing the Agreement on behalf of Grantor has the authority to bind Grantor to the Agreement.

4. Use of Easement Area. Notwithstanding the foregoing grants of easements, Grantor retains the right to use the Easement Area for any lawful purpose other than for a permanent building, structure, foundation, or other use inconsistent with the grants made herein.

5. Binding Effect. The foregoing grants of easements and rights appurtenant thereto, shall be and constitute covenants running with the land, benefitting the public at large and burdening the Easement Area, and shall be binding upon the heirs, successors, and assigns of the parties.

6. Entire Agreement. This Agreement embodies and constitutes the entire understanding between the parties with respect to the matters set forth in this Agreement. All prior or contemporaneous agreements, understandings, representations, and statements, oral or written, are merged into this Agreement. Neither this Agreement nor any provision hereof may be waived, modified, amended, discharged, or terminated except by an instrument in writing signed by the party against which the enforcement of such waiver, modification, amendment, discharge or termination is sought, and then only to the extent set forth in such instrument.

7. Counterparts. This Agreement may be executed in two or more separate counterparts, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same instrument.

8. Restoration. In the event of construction, maintenance or repair in the Easement Area by Grantee, Grantee hereby agrees and understands that Grantee is required to restore the ground surface area of the Easement Area by replacing any pre-existing landscaping, fencing, concrete and/or asphalt to as near a preconstruction condition as is practicable in the reasonable judgment of the Grantee.

IN WITNESS WHEREOF, the parties have executed this instrument on the date first above written.

DEPARTMENT OF THE ARMY
CORPS OF ENGINEERS, JACKSONVILLE DISTRICT
701 SAN MARCO BOULEVARD
JACKSONVILLE, FLORIDA 32207-8175

April 14, 2022

Mr. Dale L. Martin, City Manager
City of Fernandina Beach
204 Ash Street
Fernandina Beach, Florida 32034
Sent via email to dmartin@fbfl.org

Dear Mr. Martin:

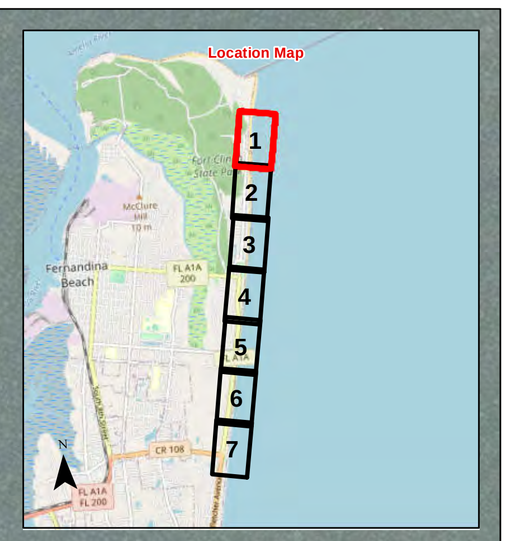
The U.S. Army Corps of Engineers (Corps) will be conducting a project on behalf of the Department of the Navy to dredge the entrance channel of Naval Submarine Base Kings Bay (NSB Kings Bay). As agreed between the Navy and the State of Florida in the Memorandum of Understanding Concerning Dredging of the St. Mary's Inlet Channel dated December 18, 1986, all beach-quality sand recovered from NSB Kings Bay dredging operations are to be placed on State of Florida beaches. Consequently, part of the dredge disposal plan involves placing sand on beaches within the City of Fernandina Beach, Florida, which positively augments the re-nourishment efforts for the Nassau County Shore Protection Project.

In order to conduct the disposal/re-nourishment aspect of the dredging project, the Corps is requesting that the City provide certain temporary real estate interests as described below:

a. A Temporary Work Area Easement for the access areas shown in pink in the enclosed map (Enclosure 1). The term of the easement should begin the date of easement execution and should expire no earlier than May 1, 2023.

b. A Temporary Work Area Easement for the staging areas shown in blue in the enclosed map (Enclosure 1). The term of the easement should begin the date of easement execution and should expire no earlier than May 1, 2023.

The language for the Temporary Work Area Easements is enclosed (Enclosure 2). Please provide the signed easements by May 27, 2022 via email to angela.f.huggins@usace.army.mil. For your convenience, also enclosed is the City Commission of the City of Fernandina Beach's Resolution 2021-98 (Enclosure 3) approving the temporary easements for last year's disposal/beach re-nourishment.



If you have any questions or require additional information, please contact Angela Huggins by email: angela.f.huggins@usace.army.mil or by telephone: 904-232-1939.

Sincerely,

Timothy H. McQuillen

TEMPORARY EASEMENT AGREEMENT
DOLPHIN STREET AND NORTH FLETCHER AVENUE

THIS EASEMENT AGREEMENT ("Agreement") is made and entered into this 16th day of May, 2023, by and between the City of Fernandina Beach, Florida, a municipal corporation, whose address is 204 Ash Street, Fernandina Beach, FL 32034 ("Grantor"), and United States Army Corps of Engineers, a department of the U.S. Army, Jacksonville District whose address is 701 San Marco Boulevard, Jacksonville, FL 32207-8175 ("Grantee").

RECITALS

WHEREAS, Grantor is the owner of certain real property situated within the municipal limits of the City of Fernandina Beach, Florida ("Grantor's Property"), more particularly described in Exhibit "A", and

WHEREAS, the Grantee desires an unrestricted temporary easement and right-of-way in, over and across Grantor's property for a period of 12 months and for the purpose of a temporary staging area to store equipment, erect and remove temporary structures, and trim, cut and remove obstructions such as vegetation and structures within the easement area; and

WHEREAS, the Grantor is willing to grant to Grantee an unrestricted, temporary easement and right-of-way in, over and across Grantor's property for a period of 12 months beginning November 2023 and for the purpose of a temporary staging area to store equipment, erect and remove temporary structures, and trim, cut and remove obstructions such as vegetation and structures within the easement area and temporary access area for the use and benefit of the Grantee; and

WHEREAS, Grantor is willing and able to grant to Grantee such temporary easement and appurtenant rights as are hereinafter set forth; and

WHEREAS, Grantee desires to accept said easement rights, and is willing to perform the affirmative covenants hereinafter set forth;

NOW, THEREFORE, for and in consideration of the sum of $10.00 the affirmative covenants assumed by Grantee herein, and for other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged by Grantor, and the affirmative covenants assumed by Grantee herein, the parties agree as follows:

AGREEMENT

1. Recitals; Exhibits. The above recitals and all Exhibits attached to this Agreement are true and correct and are incorporated herein by this reference.

2. Temporary Easement. Grantor hereby grants to Grantee, its successors and assigns, a temporary, non-exclusive easement and right-of-way ("Easement") in, over and across that certain real property situated in the City of Fernandina Beach, Nassau County, Florida, more particularly described on Exhibit "B" attached hereto and incorporated herein by this reference ("Easement Area") for a period not to exceed twelve (12) months, beginning with the date of possession of the land is granted to the United States, its representatives, agents, and contractors as a work area, for use by the United States, its representatives, agents, and contractors as a work area, including the right to move, store and remove equipment and supplies, and erect and remove temporary structures on the land and to perform any other work necessary and incident to the construction of the Naval Submarine Base Kings Bay Entrance Channel Dredging Project, together with the right to trim, cut, fell and remove therefrom all trees, underbrush, obstructions, and any other vegetation, structures, or obstacles within the limits of the right-of-way; reserving, however, to the landowners, their heirs and assigns, all such rights and privileges as may be used without interfering with or abridging the rights and easement hereby acquired; subject, however, to existing easements for public roads and highways, public utilities, railroads and pipelines.

3. Grantor's Representations and Warranties. Grantor hereby represents and warrants to Grantee as follows:

3.1 Ownership. Grantor is the owner in fee simple of the certain parcel of real estate situated in Nassau County, Florida, more particularly described on Exhibit "A" on which Grantee intends to use as a staging area and access area.

3.2 Right to Convey Easement. Grantor warrants and represents that Grantor has the right to convey a permanent Easement in, on, over and across the property, more particularly described on Exhibit "B" and will defend the same easement against the lawful claims of all persons whomsoever.

3.3. Authority. Grantor does hereby fully warrant and represent that the party signing the Agreement on behalf of Grantor has the authority to bind Grantor to the Agreement.

4. Use of Easement Area. Notwithstanding the foregoing grants of easements, Grantor retains the right to use the Easement Area for any lawful purpose other than for a permanent building, structure, foundation, or other use inconsistent with the grants made herein.

5. Binding Effect. The foregoing grants of easements and rights appurtenant thereto, shall be and constitute covenants running with the land, benefitting the public at large and burdening the Easement Area, and shall be binding upon the heirs, successors, and assigns of the parties.

6. Entire Agreement. This Agreement embodies and constitutes the entire understanding between the parties with respect to the matters set forth in this Agreement. All prior or contemporaneous agreements, understandings, representations, and statements, oral or written, are merged into this Agreement. Neither this Agreement nor any provision hereof may be waived, modified, amended, discharged, or terminated except by an instrument in writing signed by the party against which the enforcement of such waiver, modification, amendment, discharge or termination is sought, and then only to the extent set forth in such instrument.

7. Counterparts. This Agreement may be executed in two or more separate counterparts, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same instrument.

8. Restoration. In the event of construction, maintenance or repair in the Easement Area by Grantee, Grantee hereby agrees and understands that Grantee is required to restore the ground surface area of the Easement Area by replacing any pre-existing landscaping, fencing, concrete and/or asphalt to as near a preconstruction condition as is practicable in the reasonable judgment of the Grantee.

IN WITNESS WHEREOF, the parties have executed this instrument on the date first above written.

DEPARTMENT OF THE ARMY
CORPS OF ENGINEERS, JACKSONVILLE DISTRICT
701 SAN MARCO BOULEVARD
JACKSONVILLE, FLORIDA 32207-8175

May 2, 2023

Mr. Charles L. George
City Manager
City of Fernandina Beach
204 Ash Street
Fernandina Beach, Florida 32034
Sent via email to cgeorge@fbfl.org

Dear Mr. George:

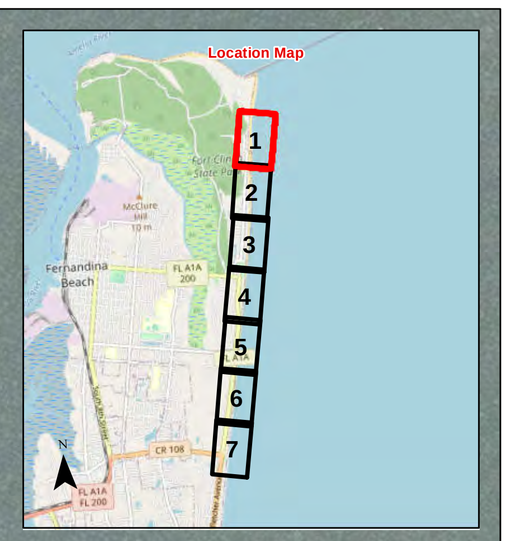
The U.S. Army Corps of Engineers (Corps) will be conducting a project on behalf of the Department of the Navy to dredge the entrance channel of Naval Submarine Base Kings Bay (NSB Kings Bay). As agreed between the Navy and the State of Florida in the Memorandum of Understanding Concerning Dredging of the St. Mary's Inlet Channel dated December 18, 1986, all beach-quality sand recovered from NSB Kings Bay dredging operations are to be placed on State of Florida beaches. Consequently, part of the dredge disposal plan involves placing sand on beaches within the City of Fernandina Beach, Florida, which positively augments the re-nourishment efforts for the Nassau County Shore Protection Project.

In order to conduct the disposal/re-nourishment aspect of the dredging project, the Corps is requesting that the City provide certain temporary real estate interests as described below:

a. A Temporary Work Area Easement for the access areas shown in pink in the enclosed map (Enclosure 1). The term of the easement should begin the date of easement execution and should expire no earlier than May 31, 2024.

b. A Temporary Work Area Easement for the staging areas shown in blue in the enclosed map (Enclosure 1). The term of the easement should begin the date of easement execution and should expire no earlier than May 31, 2024.

The language for the Temporary Work Area Easements is enclosed (Enclosure 2). Please provide the signed easements by May 31, 2023 via email to angela.f.huggins@usace.army.mil. For your convenience, also enclosed is the City Commission of the City of Fernandina Beach's Resolution 2022-74 (Enclosure 3) approving the temporary easements for last year's disposal/beach re-nourishment.



If you have any questions or require additional information, please contact Angela Huggins by email: angela.f.huggins@usace.army.mil or by telephone: 904-232-1939.

Sincerely,

Timothy H. McQuillen
Chief, Real Estate Division

TEMPORARY EASEMENT AGREEMENT
DOLPHIN STREET AND NORTH FLETCHER AVENUE

THIS TEMPORARY EASEMENT AGREEMENT ("Agreement") is made and entered into this 3rd day of May, 2022, by and between the City of Fernandina Beach, Florida, a municipal corporation, whose address is 204 Ash Street, Fernandina Beach, FL 32034 ("Grantor"), and United States Army Corps of Engineers, a department of the U.S. Army, Jacksonville District whose address is 701 San Marco Boulevard, Jacksonville, FL 32207-8175 ("Grantee").

RECITALS

WHEREAS, Grantor is the owner of certain real property situated within the municipal limits of the City of Fernandina Beach, Florida ("Grantor's Property"), more particularly described in Exhibit "A", and

WHEREAS, the Grantee desires an unrestricted temporary easement and right-of-way in, over and across Grantor's property for a period of 12 months beginning in November 2022 and for the purpose of a temporary staging area to store equipment, , erect and remove temporary structures, and trim, cut and remove obstructions such as vegetation and structures within the easement area; and temporary access area.

WHEREAS, the Grantor is willing to grant to Grantee an unrestricted, temporary easement and right-of-way in, over and across Grantor's property for a period of 12 months beginning in November 2022 and for the purpose of a temporary staging area to store equipment, , erect and remove temporary structures, and trim, cut and remove obstructions such as vegetation and structures within the easement area and temporary access area for the use and benefit of the Grantee; and

WHEREAS, Grantor is willing and able to grant to Grantee such temporary easement and appurtenant rights as are hereinafter set forth; and

WHEREAS, Grantee desires to accept said easement rights, and is willing to perform the affirmative covenants hereinafter set forth;

NOW, THEREFORE, for and in consideration of the sum of $10.00 the affirmative covenants assumed by Grantee herein, and for other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged by Grantor, and the affirmative covenants assumed by Grantee herein, the parties agree as follows:

AGREEMENT

1. Recitals: Exhibits. The above recitals and all Exhibits attached to this Agreement are true and correct and are incorporated herein by this reference.

2. Temporary Easement. Grantor hereby grants to Grantee, its successors and assigns, a temporary, non-exclusive easement and right-of-way ("Easement") in, over and across that certain real property situated in the City of Fernandina Beach, Nassau County, Florida, more particularly described on Exhibit "B" attached hereto and incorporated herein by this reference ("Easement Area") for a period not to exceed twelve (12) months, beginning with the date possession of the land

is granted to the United States, its representatives, agents, and contractors as a work area, including the right to (move, store and remove equipment and supplies, and erect and remove temporary structures on the land and to perform any other work necessary and incident to the construction of the Kings Bay Entrance Channel O&M Project, together with the right to trim, cut, fell and remove therefrom all trees, underbrush, obstructions, and any other vegetation, structures, or obstacles within the limits of the right-of-way; reserving, however, to the landowners, their heirs and assigns, all such rights and privileges as may be used without interfering with or abridging the rights and easement hereby acquired; subject, however, to existing easements for public roads and highways, public utilities, railroads and pipelines.

3. Grantor's Representations and Warranties. Grantor hereby represents and warrants to Grantee as follows:

3.1 Ownership. Grantor is the owner in fee simple of the certain parcel of real estate situated in Nassau County, Florida, more particularly described on Exhibit "A" on which Grantee intends to use as a staging area and access area.

3.2 Right to Convey Easement. Grantor warrants and represents that Grantor has the right to convey a temporary Easement in, on, over and across the property, more particularly described on Exhibit "B" and will defend the same easement against the lawful claims of all persons whomsoever.

3.3. Authority. Grantor does hereby fully warrant and represent that the party signing the Agreement on behalf of Grantor has the authority to bind Grantor to the Agreement.

4. Use of Easement Area. Notwithstanding the foregoing grants of easements, Grantor retains the right to use the Easement Area for any lawful purpose other than for a permanent building, structure, foundation, or other use inconsistent with the grants made herein.

5. Binding Effect. The foregoing grants of easements and rights appurtenant thereto, shall be and constitute covenants running with the land, benefitting the public at large and burdening the Easement Area, and shall be binding upon the heirs, successors, and assigns of the parties.

6. Entire Agreement. This Agreement embodies and constitutes the entire understanding between the parties with respect to the matters set forth in this Agreement. All prior or contemporaneous agreements, understandings, representations, and statements, oral or written, are merged into this Agreement. Neither this Agreement nor any provision hereof may be waived, modified, amended, discharged, or terminated except by an instrument in writing signed by the party against which the enforcement of such waiver, modification, amendment, discharge or termination is sought, and then only to the extent set forth in such instrument.

7. Counterparts. This Agreement may be executed in two or more separate counterparts, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same instrument.

8. Restoration. In the event of construction, maintenance or repair in the Easement Area by Grantee, Grantee hereby agrees and understands that Grantee is required to restore the ground surface area of the Easement Area by replacing any pre-existing landscaping, fencing, concrete and/or asphalt to as near a preconstruction condition as is practicable in the reasonable judgment of the Grantee.

IN WITNESS WHEREOF, the parties have executed this instrument on the date first above written.

DEPARTMENT OF THE ARMY
CORPS OF ENGINEERS, JACKSONVILLE DISTRICT
701 SAN MARCO BOULEVARD
JACKSONVILLE, FLORIDA 32207-8175

April 14, 2022

Mr. Dale L. Martin, City Manager
City of Fernandina Beach
204 Ash Street
Fernandina Beach, Florida 32034
Sent via email to dmartin@fbfl.org

Dear Mr. Martin:

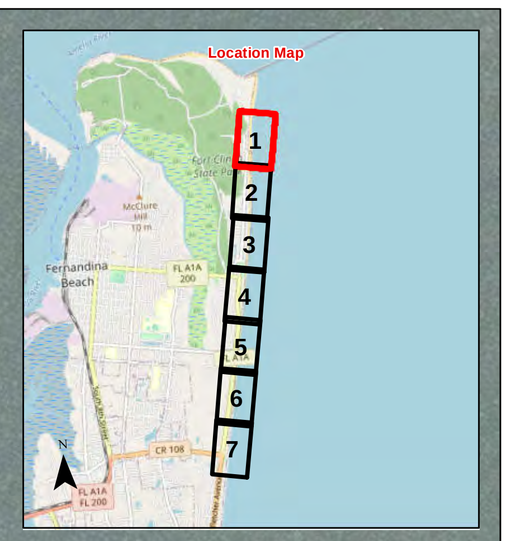
The U.S. Army Corps of Engineers (Corps) will be conducting a project on behalf of the Department of the Navy to dredge the entrance channel of Naval Submarine Base Kings Bay (NSB Kings Bay). As agreed between the Navy and the State of Florida in the Memorandum of Understanding Concerning Dredging of the St. Mary's Inlet Channel dated December 18, 1986, all beach-quality sand recovered from NSB Kings Bay dredging operations are to be placed on State of Florida beaches. Consequently, part of the dredge disposal plan involves placing sand on beaches within the City of Fernandina Beach, Florida, which positively augments the re-nourishment efforts for the Nassau County Shore Protection Project.

In order to conduct the disposal/re-nourishment aspect of the dredging project, the Corps is requesting that the City provide certain temporary real estate interests as described below:

a. A Temporary Work Area Easement for the access areas shown in pink in the enclosed map (Enclosure 1). The term of the easement should begin the date of easement execution and should expire no earlier than May 1, 2023.

b. A Temporary Work Area Easement for the staging areas shown in blue in the enclosed map (Enclosure 1). The term of the easement should begin the date of easement execution and should expire no earlier than May 1, 2023.

The language for the Temporary Work Area Easements is enclosed (Enclosure 2). Please provide the signed easements by May 27, 2022 via email to angela.f.huggins@usace.army.mil. For your convenience, also enclosed is the City Commission of the City of Fernandina Beach's Resolution 2021-98 (Enclosure 3) approving the temporary easements for last year's disposal/beach re-nourishment.



If you have any questions or require additional information, please contact Angela Huggins by email: angela.f.huggins@usace.army.mil or by telephone: 904-232-1939.

Sincerely,

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Resolution 2026-43
Award of Request for Proposal 26-04 - Management Banking Services

ITEM TYPE: Resolution (w/ fiscal impact)

REQUESTED ACTION: Consider Resolution 2026-43.

SYNOPSIS: The City's existing banking services contract expires May 14, 2026. As such, City staff developed and issued Request for Proposal ("RFP") 25-04 in December 2025, and established a Management Banking Services RFP Evaluation Committee who unanimously recommended First Federal Bank which was presented to the City Commission, via Resolution 2026-14, at their February 3, 2026, regular meeting.

The City Commission, at their February 3, 2026, regular meeting, determined the City's best interests would be served to fail Resolution 2026-14, rejecting the RFP 25-04 submittals. Staff was directed to reissue a Management Banking Services RFP with refined evaluation criteria weights, standardized interest earnings calculations, and expanded to include all Qualified Public Depositories in Nassau County.

RFP 26-04 for Management Banking Services was subsequently issued on February 26, 2026, which received four responses. The Management Banking Services RFP Evaluation Committee thoroughly and carefully reviewed RFP 26-04 submittals on March 5, 2026, and unanimously recommends awarding RFP 26-04 to First Federal Bank for a period of five (5) years with two (2) one-year renewal options, attached hereto as Exhibit A.

FISCAL IMPACT: If approved, the City will move to a contract where more interest earnings are realized.

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): At the pleasure of the City Commission.

COMMISSION ACTION: Adopt

RESOLUTION 2026-43

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, AWARDING RFP 26-04 FOR MANAGEMENT BANKING SERVICES TO FIRST FEDERAL BANK FOR A PERIOD OF FIVE (5) YEARS WITH TWO (2) ONE-YEAR RENEWAL OPTIONS; AUTHORIZING ADMINISTRATIVE CORRECTION OF SCRIVENER'S ERRORS; AUTHORIZING EXECUTION; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City's existing banking services contract expires May 14, 2026. As such, City staff developed and issued Request for Proposal ("RFP") 25-04 in December 2025, and established a Management Banking Services RFP Evaluation Committee who unanimously recommended First Federal Bank which was presented to the City Commission, via Resolution 2026-14, at their February 3, 2026, regular meeting; and

WHEREAS, the City Commission, at their February 3, 2026, regular meeting, determined the City's best interests would be served to fail Resolution 2026-14, rejecting the RFP 25-04 submittals. Staff was directed to reissue a Management Banking Services RFP with refined evaluation criteria weights, standardized interest earnings calculations, and expanded to include all Qualified Public Depositories in Nassau County; and

WHEREAS, RFP 26-04 for Management Banking Services was subsequently issued on February 26, 2026, which received four responses. The Management Banking Services RFP Evaluation Committee thoroughly and carefully reviewed RFP 26-04 submittals on March 5, 2026, and unanimously recommends awarding RFP 26-04 to First Federal Bank for a period of five (5) years with two (2) one-year renewal options, attached hereto as Exhibit A.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, THAT:

SECTION 1. The City Commission hereby awards RFP 26-04 for Management Banking Services to First Federal Bank, for a period of five (5) years with two (2) one-year renewal options, attached hereto as Exhibit A.

SECTION 2. The City Clerk and City Manager are hereby authorized to execute all pertinent agreements with First Federal Bank, upon review and approval of the City Attorney.

SECTION 3. The City Manager, or his or her designee, may administratively correct typographical and/or scrivener's errors of this Resolution which do not make substantive changes or otherwise affect the intent of the Resolution, upon receiving approval of the City Attorney, by filing a corrected or recodified copy of same with the City Clerk.

SECTION 4. This resolution shall take effect on the first business day following its adoption.

ADOPTED this 17th day of March, 2026.

    The only action related to an individual claiming the Proposer appropriated funds from her when we declined to allow her to deposit a fraudulent check. The matter was dismissed by the Court as having no merit and the individual is currently incarcerated on an unrelated matter.
13. Provide biographical information on the personnel that will be directly involved in the management of accounts, who the primary contact will be and what, if any, experience these individuals have in working with governmental clients.
    Please see biographical information in main proposal document included in response.
14. Will a customer service representative or a customer service department be assigned to handle day-to-day transactions? Yes
15. What are the hours of operation of the customer service unit involved in supporting the proposed areas?
    First Federal has provided emergency contact information for account representatives assigned to the City's relationship who can be reached at any time should the need arise. In addition to normal branch hours, the Customer Care Center is available from 7AM to 7PM Monday through Friday.
16. If an error is discovered by the City, how would you propose to resolve it (i.e. who should the City contact first, etc.)?
    As in the past, The City would contact Jim Weaver, the Market President, or Ryan McCarthy, Retail Market Manager, who will identify the appropriate department to resolve the issue. First Federal will promptly research and resolve any issue.

CITY OF FERNANDINA BEACH, FLORIDA
REQUEST FOR PROPOSAL 26-04
MANAGEMENT BANKING SERVICES

17. Will the Proposer cash checks drawn on a City disbursement account without charge to either the City or the check payee? Yes
18. Will the Proposer offer free checking to all City employees?
    Yes. Please see Employee Advantage Checking information provided in the main proposal document.
19. Would the Proposer be interested in offering a package of banking services, education programs and/or special rates to employees?
    Yes, please see the Employee Advantage Checking information provided in the proposal document. First Federal is available to provide educational presentations on a variety of topics if requested.
20. Provide a copy of the most recent security audit(s) of internet transactional sites and information regarding in-house systems and security hacking controls.
    We are unable to include security audit reports as part of this RFP process. Notably, our audits have excellent ratings, but these reports are confidential and not something than can be shared in these processes. In lieu, We are attaching a high-level overview/summary of the information security program (ISP) that we often provide regarding similar requests. We are open to having a call to discuss our information security posture to address any concerns.
21. How many times in the last three years has the Proposer's system been accessed by an unauthorized user? How was the access discovered? What action was taken in each instance?
    First Federal's system has not been accessed by an unauthorized user
22. How many times in the past three years has the Proposer's web access been down for routine maintenance, and he average down-time per year for these activities?
    Routine maintenance that requires downtime is scheduled for once a quarter on a Sunday morning at 2:00 AM EST. Downtime to complete this maintenance typically lasts for an hour or two per occurrence. Average overall downtime for these maintenance activities for the entire year is 6 hours. Notably, advance notice is always provided for any scheduled maintenance and the 2:00 AM timeslot was identified as the least impactful window based on customer login activity trends.
23. How many times in the past three years has the Proposer's web access been unavailable to users, not counting corporate take downs for routine maintenance, and he average amount of time the system was offline in each of the three years?
    We have not had an occurrence of an unplanned web access outage for online business banking in the past three years. Accordingly, the average amount of time the system was offline in each of the three years outside of routine maintenance is 0 (zero/none).
24. Will the Proposer provide a bank credit card with this Banking Services agreement, free of charge, to approximately 35 designated employees (this number can vary) with a monthly limit of $150,000.00.
    Yes, this service is currently provided to the City in the amounts stated.
25. Will the Proposer provide the City with a dedicated team of client service officers as well as a technical support staff familiar with treasury services for government entities?
    These services are currently provided to the City and First Federal continuously endeavors to improve and expand the services we provide.

REQUEST FOR PROPOSAL 26-04
MANAGEMENT BANKING SERVICES

26. In event of deposit corrections caused by either the City or the Proposer, no transaction fees shall be incurred for either debit or credit memos required for said correction. Is this agreeable? Yes
27. If the City needs additional bank accounts or expanded service during the term of the contract for banking services, will the Proposer provide such services at the rates already set forth in the contract? Yes.
28. Describe, in detail, the investment options and how interest on bank balances or an overnight sweep investment will be calculated and credited on all accounts.

    Please see the Approach and Methodology section of proposal response.
29. Quote the interest rate the Proposer is offering the City on funds remaining in the interest-bearing accounts overnight in terms of the Effective Federal Funds Rate.

    Please see the Approach and Methodology section of the proposal response.
30. Describe the method used to calculate the Earnings Credit Rate (ECR) and quote the interest rate the Proposer is offering the City on ECR funds in terms of the Effective Funds Rate. Please include the Proposer's explanation the impact of the bank formula for converting service charges to balance require3ments and list of the banks earnings credits for the last twelve months. Describe how interest on the excess balances is calculated and quote the interest rate the Proposer is offering the City on excess balances in terms of the Effective Federal Funds Rate.

    First Federal is proposing to provide all services at no charge to the City so an Earnings Credit Rate would not be applicable. Please see the Approach and Methodology section of the proposal response for a complete breakdown of the interest rates offered to the City
31. Describe the Proposer's overnight sweep investment options. Provide earnings history for the overnight sweep investment agreement(s) for the last twelve month. What (if any) fee is charged to sweep funds into the proposed investment vehicles(s)? How is the fee calculated? What time of day is the sweep deadline (end-of-day or new-day)?

    Please see the Approach and Methodology section of the proposal response for a complete breakdown of interest rates offered to the City. Daily sweeps to investment accounts are not necessary as the rates offered are on all collected balances.
32. What are the beginning and ending cut-off times in EST for initiating wire transfers to ensure same-day execution?

    Wire transfers can be initiated through Business Online Banking at any time. The outgoing wire cut-off time is 4:00 PM on business days.
33. What are the beginning and ending cut-off times in EST for receiving domestic wire transfers to ensure same-day credit?

    All wires received by 4:00 PM will be credited the same day. If a wire is received after 4:00 PM and the wire desk is still open, it will also be credited the same day.
34. Describe when and how a wire can be cancelled after the City releases it into the system. What is the latest time in the day to cancel? Is there a charge? If so, how much? How does this differ for wire transfers initiated by phone?

    A wire can be cancelled at any time prior to it being sent out to the Federal Reserve. Once a wire has gone out, a service message can be sent requesting a reversal. The receiving bank is not required to honor the reversal if the funds are not available. There is no charge to cancel a wire or request a reversal. For security reasons, First Federal does not permit wire transfers to be initiated by phone.

35. How and when is the City notified of a failed wire transfer?
    The City would be contacted immediately upon our notification of the failed wire.
36. Describe how the City can track wires through the system (input, approved and released).
    When submitted through Business Online banking, the status of wires can be viewed on the online system.
37. Describe the incoming wire notification process.
    Incoming wires will appear as a memo-post entry to the account upon receipt prior to 4:00 PM. Wires received after the wire desk closes will post the following business day. Customer may elect to receive email notification of account credits through the Notifi system as more particularly described in the proposal document.
38. What is the total amount of dollars that can be wired out across all accounts in a single day?
    The collected balance in any account can be wired out with proper City authorization.
39. What is the total amount of dollars that can be wired out of a single account per day?
    The collected balance in any account can be wired out with proper City authorization.
40. List any other wire fees not specifically covered under Banking Service Charges.
    None. First Federal is offering all services to the City at no charge.
41. Can wire transfer payments be originated online through the Proposer's online banking system? If so, are these initiated freeform or can templates be established?
    Yes. Wire initiation through Business Online banking is the preferred method. Wires can be initiated freeform for one-time use situations, or templates can be created for recurring wires, as needed.
42. Are wire templates user defined or can they be shared by other users?
    The can be shared by other City users with wire transfer authority.
43. What are the beginning and ending cut-off times in EST for initiating ACH transfers to ensure next-day execution?
    Credit and Debit deadlines are 7:00 PM EST one (1) business day prior to Effective Date
44. What are the beginning and ending cut-off times in EST for receiving ACH transfers to ensure next-day execution?
    Credit and Debit deadlines are 7:00 PM EST one (1) business day prior to Effective Date
45. Describe when and how an ACH can be cancelled after the City releases it into the system. What is the latest time in the day to cancel? Is there a charge? If so, how much? How does this differ for ACH transfers initiated by phone?
    An ACH can be cancelled up until the time it is processed to the Federal Reserve. ACH files are processed to the Fed at 10:00 AM, 2:00 PM, 4:00 PM and 7:00 PM EST. After processing a reversal would have to be requested through the Federal Reserve. The other institution may deny the reversal if no funds are available for return. There is no charge for a cancellation or requesting a reversal. For security reasons, First Federal does not process phone initiated ACH transfers.
46. How and when is the City notified of a failed ACH transfer?
    The status of an ACH transfer can be tracked through Business Online banking.
47. Describe how the City can track ACHs through the system (input, approved and released)?
    All ACH transactions submitted via Business Online Banking can be tracked via the website. A status of Pending approval, Pending origination or Processed will be assigned.

48. Describe the incoming ACH notification process.

    Incoming ACH entries will memo-post to the account when they are received. The City utilizes an ACH Debit block which prevents posting of ACH Debit entries to City accounts.

49. List any other ACH fees not specifically covered under the Banking Services Charges. None

50. Describe the file options for processing ACH payments. What ACH file transmission options are available?

    The City is currently originating ACH files utilizing the bank's Business Online (eCorp) system. This would continue to be the process utilized for ACH origination.

51. Can ACH payments be origination online through the Proposer's online banking system? If so, are these initiated in freeform or can templates be established?

    The City is currently originating ACH files utilizing the Proposer's Business Online (eCorp) system. This would continue to be the process utilized for ACH origination. Depending on the circumstances, transactions can be initiated free form for one-time use, or templates created for recurring transactions.

52. Are ACH templates user defined or can they be shared by other users?

    Templates can be utilized by all ACH authorized users/

53. The City currently transmits input files for ACH payments (direct deposits). City payroll direct deposits are bi-weekly (1 upload with approximately 325 employees) paid on Friday. When does the Proposer need the payroll file from the City for payments to be credited to the employee's account?

    The City is currently processing its payroll files through First Federal's Business Online banking solution. There would be no changes to the current process.

54. What is the total amount of dollars that can be sent ACH across all accounts in a single day?

    The City currently has established daily and monthly limits for ACH Credit and Debit transactions. Files exceeding established limits must be approved by an authorized bank officer. Requests to increase limits must be approved by the bank.

55. What is the total amount of dollars that can be sent via ACH out of a single account per day?

    The City currently has established daily and monthly limits for ACH Credit and Debit transactions. Files exceeding established limits must be approved by an authorized bank officer. Requests to increase limits must be approved by the bank.

56. What is the total amount of dollars that can be sent out by wire and ACH across all accounts in a single day?

    Wire transfers and ACH origination have separate limits. Wire transfers may be completed up to the total of collected balances based upon authorized approval processes. ACH origination is based on established daily limits following authorized approval. Collected balances would be reduced by any pending transactions.

57. What is the total amount of dollars that can be sent out by wire and Ach out of a single account per day?

    Wire transfers and ACH origination have separate limits. Wire transfers may be completed up to the total of collected balances based upon authorized approval processes. ACH origination is based on established daily limits following authorized approval. Collected balances would be reduced by any pending transactions.

58. Does the Proposer provide ACH blocking. If yes, what level of filtering can be applied (originator, originator and dollar amount, etc.)?

    The City currently maintains an ACH debit block on its accounts. In the first quarter of 2026, First Federal will begin offering ACH Positive Pay which will allow the City to establish and modify its own filters to allow or deny posting as it deems necessary.

59. What are the security measures that are in place for wire and ACH transfers?

    Utilizing the Business Online system, wire transfers must be inputted by one authorized user and approved by a second authorized user. Wire transfers exceeding $500,000 require the bank to perform a call back to the City to obtain wire verification from an authorized account signer before releasing it to the wire desk for processing. Upon reaching the wire desk a further review is performed before releasing the wire to the Federal Reserve.

    ACH origination completed through the Business Online system requires two authorized users, one to input the file and a second to approve the file before submitting to the bank for processing. ACH originations that exceed the approved daily/monthly limits must be approved by authorized bank personnel before Federal Reserve processing.

60. The City currently uses Positive Pay. Please provide information on the Proposer's Positive Pay services and explain when unmatched items (exceptions) are available to view and when decisions to pay or to not pay need to be sent to the Proposer.

    The City is currently using First Federal's check positive pay system. In the first quarter of 2026, First Federal will be adding ACH Positive Pay which will allow the City to establish and modify filters to pay or return incoming ACH transactions at their discretion.

61. There may be several days in a year when the City's office is closed, but the Proposer's office is open. Please describe the recommended solution for handling these situations as it pertains to an unmatched item (exception).

    The City is currently utilizing First Federal's check positive pay system. The procedures would remain unchanged going forward.

62. Can individual items, such as voided checks, be cancelled from the outstanding issue records? Describe the process.

    Voided checks cannot be removed from the issued checks file. Should a voided check be presented for payment it would be treated as an exception item requiring approval. This would alert the City if a voided check were presented as a fraudulent item.

63. What is the Proposer's policy on stale dated checks? How does the Proposer's Positive Pay system treat stale dated items?

    The Positive Pay system will flag any check issued more than 180 days previously for review by the City.

64. How will the City be notified of exceptions? If the City is notified by email, will an image of the exception item be available for viewing in the email?

    Notification is by email with the check number, amount and, if enabled, payee. The check image is not included.

65. Does the Proposer require Positive Pay services on all demand deposit accounts, even on accounts with no check writing function? Can accounts be designated as "post no check" to prevent potential fraud? What is the cost to make this account designation?

    If Positive Pay is declined by the City on accounts with check activity, Proposer requires that a waiver and indemnity be signed acknowledging their agreement to be liable for any check loss that could have been prevented had Positive Pay been in place. Accounts with no check activity can be set to block all checks at no charge.

66. Describe the Stop Payment process.

    Stop Payments can be placed by the City through Business Online at no charge to the City.

67. Describe the security features to include user identification and password maintenance. Include any other features that may be useful to the City.

    The City is currently using the Proposer's Business Online (eCorp) solution which is a scalable system allowing the City to assign user authorizations for various functions (view, transfer, wires, ACH, etc.) as required. Requests for new authorization or modifications to existing authorizations must be approved by an account signer.

68. Describe the Proposer's data retention features.

    The Proposer maintains account data in the manner and for the periods required by applicable Federal regulation.

69. Describe the Proposer's Safekeeping.

    The Proposer does not offer Safekeeping services. With regard to securities pledged as collateral for public deposits, pursuant to Florida Statutes Chapter 280 these are pledged to the State of Florida and controlled by them for the benefit of public entities. If further information is required we are happy to respond to any inquiries.

70. Include a sample of any service agreements your bank requires.

    Samples of agreements are attached as a part of the proposal documents.

71. Include samples of a monthly bank statement and analysis statement.

    Copies of Proposer's bank statements are attached as a part of the RFP documentation. Because services are being offered to the City at no charge, analysis statements would not be generated.

72. In addition to the services described, proposals for optional services may be submitted for other services that the Proposer feels may be of interest to the City.

First Federal Bank of Florida addresses Information Security in accordance with the Financial Services Modernization Act of 1999, better known as the Gramm-Leach-Bliley Act (GLBA) to appropriately protect customer information. Our policy follows best practices and standards set forth by GLBA, the Federal Financial Institutions Examination Council (FFIEC) Information Security IT Examination Handbook, Part 364 Appendix B, and other regulatory requirements published by regulatory agencies such as the FDIC and OCC.

The availability and integrity of information is critical to providing quality service, but FFBF recognizes that its most important asset is the trust of its customers. The confidentiality and protection of customer information is one of First Federal's fundamental commitments. An Information Security Program is one of the tools used to maintain information security compliance and customer trust. First Federal maintains an Information Security Program that contains forceful and enforceable language to establish clear requirements.

Key topics in the program include, but are not limited to:

- Information Security Strategy
- Coordination with Regulatory Guidance
- Risk Assessments
- Collection and Maintenance of Customer Information
- Security Objectives including the implementation, monitoring and testing of controls
- Encryption
- Data Classification
- Passwords and other access controls
- Network Access and Usage
- Employee Training and Security Awareness
- Retention and Destruction of Information Assets

First Federal protects information by instituting a security process that identifies risks, forms a strategy to manage the risks, implements the strategy, tests the implementation, and monitors the environment to control the risks. FFBF maintains effective security programs adequate for its operational complexity. First Federal policy continuously integrates processes, people, and technology to mitigate risk in accordance with risk assessments and acceptable risk tolerance levels. These security programs require integration of security activities and controls throughout the organization's business processes and set clear accountability for carrying out security responsibilities.

REQUEST FOR PROPOSAL 26-04
MANAGEMENT BANKING SERVICES

APPROACH AND METHODOLOGY – ACCOUNT ANALYSIS

First Federal has been proud to serve the City since 2019 and looks forward to continuing our relationship. After reviewing all aspects of our existing relationship, First Federal proposes the following for the City's consideration:

Contract Term:	5 Years (may be extended upon mutual agreement for two additional 1-year terms)
Initial 5-Year Term:	First Federal will pay interest on all collected funds at a rate equal to 90% of the Effective Federal Funds Rate (Current Effective Funds Rate – 3.64%), with a floor of .25%. Interest is compounded daily and credited monthly.
Analysis Fees:	First Federal will provide all services to the City at no charge provided combined ledger balances are maintained at $4,000,000 or more. First Federal reserves the right to charge analysis fees in accordance with the Proforma Account Analysis provided if combined ledger balances of $4,000,000 are not consistently maintained.

Throughout the Contract Term, the interest rate will be subject to change on the first business day of each month based on the Effective Federal Funds rate on the last business day of the previous month. City funds will be fully collateralized with eligible securities as described in the Florida statutes or placed in an Insured Cash Sweep with full FDIC coverage.

More information regarding the effective Federal Funds rate is shown on the following page and at https://apps.newyorkfed.org/markets/autorates/fed%20funds.

STATEMENT REGARDING BANK RANKING

First Federal Bank is federally chartered and regulated savings bank that elected under recent legislation to be regulated as a national bank, as opposed to a savings bank . As such, we are a member bank of the Federal Reserve system. Our deposits are guaranteed by the FDIC to the fullest amount allowed by law. The Federal Reserve ranks only commercial banks, not savings banks. However, we are ranked by asset size we are the 807th largest bank in the United States, and by deposits we are the 17th largest in Florida as ranked by S&P Global as of December, 2024. According to the FDIC statistics we are the bank with the most deposits in the Nassau County Florida market.

First Federal does not subscribe to Bankrate.com and therefore does not receive a rating. We have been ranked "5 Star, Superior" by BauerFinancial since 2000. A copy of the rating page is attached. In 2024, First Federal was named "Best Small Bank in Florida" by Newsweek magazine for the fourth straight year. Also in 2021, First Federal was named Top Midtier Bank in Florida by American Banker magazine. Most recently, First Federal was recognized by USA Today in America's Best Customer Service 2026 and America's Best Customer Service Financial Services 2026.

FUNDS AVAILABILITY POLICY DISCLOSURE

PURPOSE OF THIS DISCLOSURE

The information here describes our policy of holding deposited items in an account before funds are made available to you for withdrawal. This is our Funds Availability Policy. In summary our policy is to make your funds available on the first Business Day after the day of deposit. Please refer to the section DETERMINING THE AVAILABILITY OF YOUR DEPOSIT for the complete policy.

For purposes of this disclosure, the terms "you"/"your" refer to the customer and the terms "our"/"we"/"us" refer to FIRST FEDERAL BANK. The term "account" includes any demand deposit, negotiable order of withdrawal account, savings deposit, money market account or other non-time deposit account.

DETERMINING THE AVAILABILITY OF YOUR DEPOSIT

The length of the delay varies depending on the type of deposit and is explained below. When we delay your ability to withdraw funds from a deposit, you may not withdraw the funds in cash, and we will not pay checks you have written on your account by using these funds. Even after we have made funds available to you and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.
When we delay your ability to withdraw funds, the length of the delay is counted in Business Days from the day of your deposit. The term "Business Day" means any day other than a Saturday, Sunday or federally declared legal holiday, and the term "Banking Day" means that part of any Business Day on which we are open to the public for carrying on substantially all of our banking functions.
If you make a deposit before the close of business on a Business Day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after the close of business or on a day that we are not open, we will consider the deposit made on the next Business Day we are open.

AVAILABILITY SCHEDULE

Our policy is to make funds from your cash and check deposits available to you on the first Business Day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and we will use them to pay checks that you have written.

Cash Withdrawal Limitation. We place certain limitations on withdrawals in cash. In general, $275 of a deposit of checks is available for withdrawal in cash on the first Business Day after the day of deposit. In addition, a total of $550 of other funds becoming available on a given day is available for withdrawal in cash at or after 5:00 pm on that day. Any remaining funds will be available for withdrawal in cash on the following Business Day.

For example, if you deposit a check of $700 on a Monday, $275 of the deposit is available to withdraw in cash on Tuesday. You may withdraw another $550 of the deposit in cash at or after 5:00 pm on Wednesday. You may withdraw the rest in cash on Thursday.

HOLDS ON OTHER FUNDS FOR CHECK CASHING

If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it and we decided to delay availability on the deposit.

HOLDS ON OTHER FUNDS IN ANOTHER ACCOUNT

If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited and we decided to delay availability on the deposit.

LONGER DELAYS MAY APPLY

In some cases, we will not make all of the funds that you deposit by check available to you according to the previously stated availability schedule. Depending on the type of check that you deposit, funds may not be available until the second Business Day after the day of your deposit to pay checks you have written to others and for cash withdrawal not until the third Business Day after the day of your deposit. The first $275 of your deposits, however, may be available on the day of deposit.

If we are not going to make all of the funds from your deposit available to you according to the previously stated availability schedule, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

Funds you deposit by check may be delayed for a longer period under the following circumstances: (a) if we believe a check you deposit will not be paid; (b) if you deposit checks totaling more than $6,725 on any one day; (c) if you redeposit a check that has been returned unpaid; (d) if you have overdrawn your account repeatedly in the last six months; or (e) if an emergency condition arises that would not enable us to make the funds available to you, such as the failure of computer or communications equipment.

We will notify you if we delay your availability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh Business Day after the day of your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new customer, the following special rules may apply during the first 30 days your account is opened.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first $6,725 of a day's total deposits of cashier's, certified, teller's, travelers, and federal, state and local government checks will be available on the first Business Day after the day of deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over $6,725 will be available on the ninth Business Day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first $6,725 will not be available until the second Business Day after the day of deposit.

Funds from all other check deposits will be available on the eleventh Business Day after the day of your deposit.

DEPOSITS AT AUTOMATED TELLER MACHINES

If you make a deposit at an automated teller machine (ATM) that is owned and operated by us before 7:00 pm on a Business Day that we are open, we will consider the deposit made that day. However, if you make a deposit at an ATM that is owned and operated by us after 7:00 pm or on a day that we are not open, we will consider the deposit made on the next Business Day we are open.

We only allow deposits to be made at ATMs that we own or operate. All ATMs that we own or operate are identified as our machines.

ADDITIONAL ATM INFORMATION

In some cases, a deposit at an ATM will not be available according to the previously stated availability schedule. Depending on the type of check you deposit, funds may not be available until the second Business Day after the day of your deposit to pay checks you have written to others and for cash withdrawal not until the third Business Day after the day of your deposit. If we are not going to make all of the funds from your deposit available to you according to the previously stated availability schedule, we will mail you a notice the day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

Important Information About Your Account

Substitute Checks and Your Rights *What Is a Substitute Check?*

To make check processing faster, federal law permits banks to replace original checks with "substitute checks." These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check.

Some or all of the checks that you receive back from us may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other law with respect to those transactions.

What Are My Rights Regarding Substitute Checks?

In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, bounced check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to $2,500.00 of your refund (plus interest if your account earns interest) within 10 Business Days after we received your claim and the remainder of your refund (plus interest if your account earns interest) not later than 45 calendar days after we received your claim. We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

How Do I Make a Claim for a Refund? If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please

call us at: (386)755-0600
or write to us at:
First Federal Bank
Attn: Check Processing
P O Box 2029
Lake City, FL 32056
You may also email us at: firstfederal@ffbf.com

You must contact us within 40 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances. Your claim must include:

- A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
- An estimate of the amount of your loss;
- An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss; and
- A copy of the substitute check and/or the following information to help us identify the substitute check such as the check number, - the name of the person to whom you wrote the check, the amount of the check.

An expedited recredit claim must be submitted in writing. When a claim has been submitted orally, we must receive that written claim within 10 Business Days of the oral claim.

FIRST FEDERAL BANK

MANAGEMENT BANKING SERVICES

CONTINUOUS SERVICE, EMERGENCY SERVICES AND BUSINESS CONTINUITY STATEMENT

First Federal Bank addresses Business Continuity in accordance with the Federal Financial Institutions Examination Council (FFIEC) Business Continuity Planning February 2015 Handbook.

First Federal recognizes that a significant threat exists to its ability to continue normal business operations following a serious unexpected disruptive incident. The organization further recognizes that it needs to recover from disruptive incidents in the minimum possible time and that this necessity to ensure a speedy restoration of services requires a significant level of advance planning and preparation. For this reason, the Bank has a separate Business Continuity & Testing Policy which governs the Business Contingency Planning Process and Business Continuity Plan. First Federal has a primary hot site with generator power located in Lake City, Florida as well as a secondary hot site located in Fernandina Beach, Florida. Additionally, we have IT back up locations in both Texas and Georgia, as well as a contract with Agility to provide temporary mobile offices/branches if necessary. This service was used effectively in Panama City for several months following Hurricane Michael. There is virtually no time limit on our ability to continue operations from these sites.

In accordance with the Handbook, a Business Contingency Planning Process is in place to assist the organization in the maintenance or recovery of operations; including services to customers, when confronted with adverse events including, but not limited to, natural disasters, technological failures, human errors, or terrorism. The resulting Business Continuity Plan (BCP) is a bank-wide, process-oriented approach that considers technology, business processes, testing, and communication strategies. It also takes into account the potential for wide-area disasters that impact an entire region, and the resulting loss or inaccessibility of staff. It contains information on emergency contact details, strategies to mitigate impact, procedures to be implemented and communication processes to be followed in response to a serious disruptive event. In order to maintain the Plan's viability, the business contingency planning process includes updating the Plan to reflect changing business processes and new threat scenarios.

Although closely related and may involve a BCP effort, the bank does maintain a separate Incident Response and Notification Policy with guidelines for ensuring a rapid, coordinated response to incidents that threaten the confidentiality, integrity and availability of information, information systems, networks, facilities and employees, as well as the protection of the financial institution's assets, reputation, and customer information.

Like many financial institutions First Federal depends on third-party service providers to perform or support many of its critical operations. First Federal relies upon these third parties to have sufficient recovery capabilities for the specific services they perform/systems they provide on behalf of the bank. First Federal realizes it is the responsibility of the bank to properly oversee its outsourced relationships and demonstrate the ability to recover critical IT systems and resume normal business operations regardless of whether the process is supported in-house or at a third party service provider for all types of adverse events (e.g., natural disaster, infrastructure failure, technology failure, availability of staff, or cyberattack).

The bank retains a comprehensive Third Party Relationship Management Policy and separate third party specific Oversight policies that encompass business continuity of the vendor. This includes but is not limited to controlling the business continuity risks associated with the third party and their subcontractors, third party capacity and ability to restore services to multiple clients, testing with third party to validate their business continuity plans and cyber resilience.

Business Deposit Account Terms and Conditions

This document, along with any other documents we give you pertaining to your account(s), is a contract that establishes rules which control your account(s) with us. Please read this carefully. If you sign the customer relationship agreement or open or continue to have your account with us, you agree to these rules. You will receive a separate schedule of rates, qualifying balances, and fees if they are not included in this document. If you have any questions, please call us.

This agreement is subject to applicable federal laws and the laws of the State of Florida (except to the extent that this agreement can and does vary such rules or laws). The body of state and federal law that governs our relationship with you, however, is too large and complex to be reproduced here. The purpose of this document is to:

(1) summarize some laws that apply to common transactions;

(2) establish rules to cover transactions or events which the law does not regulate;

(3) establish rules for certain transactions or events which the law regulates but permits variation by agreement, and

(4) give your disclosures of some of our policies to which you may be entitled or in which you may be interested.

If any provision of this document is found to be unenforceable according to its terms, all remaining provisions will continue in full force and effect. We may permit some variations from our standard agreement, but we must agree to any variation in writing.

As used in this document the words "we," "our," and "us" mean the financial institution and the words "you" and "your" mean the account holder(s) and anyone else with the authority to deposit, withdraw, or exercise control over the funds in the account. The headings in this document are for convenience or reference only and will not govern the interpretation of the provisions. Unless it would be inconsistent to do so, words and phrases used in this document should be construed so the singular includes the plural and the plural includes the singular. "Party" means a person who, by the terms of an account, has a present right, subject to request, to payment from the account other than as a beneficiary or agent.

ARBITRATION - You agree that~your sole remedy for all claims and disputes arising under or relating to your account(s) or this agreement will be settled by binding arbitration in the State of Florida.~ The arbitration shall be conducted by an experienced arbitrator on a confidential basis pursuant to the Commercial Arbitration Rules of the American Arbitration Association.~ Any decision or award of such arbitration shall be binding upon all parties, in writing~and~shall include the assessment of costs, expenses and reasonable attorney's fees.~ An award of arbitration may be confirmed~by a court of competent jurisdiction.

LIABILITY - You agree, for yourself (and the person or entity you represent if you sign as a representative of another) to the terms of this account and the schedule of charges. You authorize us to deduct these charges directly from the account balance as accrued. You will pay any additional reasonable charges for services you request which are not covered by this agreement.

Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from charges or overdrafts, whether caused by you or another with access to this account. This liability is due immediately, and can be deducted directly from the account balance whenever sufficient funds are available. You have no right to defer payment of this liability, and you are liable regardless of whether you signed the item or benefited from the charge or overdraft. This includes liability for our costs to collect the deficit including, to the extent permitted by law, our reasonable attorneys' fees.

DEPOSITS - We will give only provisional credit until collection is final for any items, other than cash, we accept for deposit (including items drawn "on us"). Actual credit for deposits of, or payable in, foreign currency will be at the exchange rate in effect on final collection in U.S. dollars. We are not responsible for transactions by mail or outside depository until we actually record them. We will treat and record all transactions received after the close of business (7:30 am for night depository) on a business day we are open, or received on Saturday or a day we are not open for business, as if initiated on the next following business day that we are open.

WITHDRAWALS - Unless clearly indicated otherwise on the account records, any of you acting alone who signs in the space designated for signatures on the customer relationship agreement may withdraw or transfer all or any part of the account balance at any time, regardless of the type of ownership chosen. Each of you authorizes each other person signing the customer relationship agreement to endorse any item payable to you or your order for deposit to this account or any other transaction with us. We may charge your account for a check even though payment was made before the date of the check. We may refuse any withdrawal or transfer request which you attempt on forms not approved by us, by any method we do not specifically permit, which is greater in number than the frequency permitted, or which is for an amount greater or less than any withdrawal limitations. Even if we honor a nonconforming request, we may treat continued abuse of the stated limitations (if any) as your act of closing the account. We will use the date the transaction is completed by us (as apposed to the date you initiate it) to apply the frequency limitations. The fact that we may honor withdrawal requests that overdraw the available account balance does not obligate us to do so later. See the funds availability policy disclosure for information about when you can withdraw funds you deposit. For those accounts for which our funds availability policy disclosure does not apply, you can ask us when you make a deposit when those funds will be available for withdrawal.

We may require not less than 7 days' notice in writing before each withdrawal from an interest-bearing account other than a time deposit, or from any other savings account as defined by Regulation D. Withdrawals from a time account prior to maturity or prior to any notice period may be restricted and may be subject to penalty. See your notice of penalty for early withdrawal.

BUSINESS ACCOUNTS - Earnings in the form of interest, dividends, or credits will be paid only on collected funds, unless otherwise provided by law or our policy. We may require the governing body of the legal entity opening the account to give us a separate authorization telling us who is authorized to act on its behalf. We will honor the authorization until we actually receive written notice of a change from the governing body of the legal entity.

AUTHORIZED SIGNATURES - The authorized signatures for an account are those reflected on the customer relationship agreement, any resolution or other separate written authorization relating to the account received by us. For the payment of funds and for other purposes relating to any account you have with us, we are authorized to recognize those signatures, but we will not be liable to you for refusing to honor a check or other signed instructions if we believe, in good faith, that the signature appearing on such checks or instructions is not genuine. If the customer relationship agreement is not returned, you agree that we will not be liable to you for honoring checks or other signed instructions if we believe in good faith that the signature appearing on such checks or instructions is authorized. When your account is established, you may indicate your desire for more than one authorized signature on a check or other item drawn against the account by designating a specific number of desired signatures on the customer relationship agreement, a resolution or in a separate written authorization that is received by us. However, we do not offer accounts that require two or more signatures. Any such designation is solely for your convenience and internal control purposes and not binding on us. As a result, you agree that we may pay checks against your account without regard to the number of desired signatures. You may also give another person authority over your account by your conduct or failure to act and, although we may recognize such authorization, we may refuse to do so without liability to you. For example, if you voluntarily give information about your account (such as our routing and transit numbers and/or your account number) to a party who is seeking to sell you goods or services, and you do not physically deliver a check to that party, any item presented against your account by the party to whom you gave the information is deemed to have been authorized by you. Moreover, you guarantee and warrant that any unsigned draft that you deposit into your account is authorized.

FACSIMILE SIGNATURES - We are not liable for and reserve the right to reject any item drawn against any account that bears or appears to bear a signature or endorsement made by use of a facsimile signature stamp, machine or any method other than an original handwritten signature or endorsement, whether or not genuine. If you use, place or make a facsimile signature or endorsement on any item, you bear the risk of any unauthorized use of your facsimile method or the use of fake facsimiles and you agree that we may pay and charge your account for such item, regardless of by whom or by what means the actual or purported facsimile signature or endorsement may have been affixed (whether or not authorized) and regardless of by whom or by what means the item was created (whether or not authorized). As a result, you should maintain close control over your facsimile signature or endorsement device and promptly review your statements for unauthorized use of the device.

STOP PAYMENTS - You must make any stop-payment order in the manner required by law and we must receive it in time to give us a reasonable opportunity to act on it before our stop-payment cutoff time. To be effective, your stop-payment order must precisely identify the number, date, and amount of the item, and the payee.

You may stop payment on any item drawn on your account whether you signed the item or not, if you have an equal or greater right to withdraw from this account than the person who signed the item. A release of the stop-payment request may be made only by the person who initiated the stop payment order.

Our stop-payment cutoff time is one hour after the opening of the next banking day after the banking day on which we receive the item. Additional limitations on our obligation to stop payment are provided by law (e.g., we paid the item in cash or we certified the item).

STATEMENTS - You must examine your statement of account with "reasonable promptness." If you discover (or reasonably should have discovered) any unauthorized signatures or alterations, you must promptly notify us of the relevant facts. As between you and us, if you fail to do either of these duties, you will have to either share the loss with us, or bear the loss entirely yourself (depending on whether we used ordinary care and, if not, whether we substantially contributed to the loss). The loss could be not only with respect to items on the statement but other items with unauthorized signatures or alterations by the same wrongdoer.

You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 30 days from when the statement is first sent or made available to you.

You further agree that if you fail to report any unauthorized signatures, alterations, forgeries, or any other errors in your account within 30 days of when we first send or make the statement available, you cannot assert a claim against us on any items in that statement, and as between you and us the loss will be entirely yours. This 30-day limitation is without regard to whether we used ordinary care. The limitation in this paragraph is in addition to that contained in the first paragraph of this section.

Your duty to report other errors - In addition to your duty to review your statements for unauthorized signatures, alterations, and forgeries, you agree to examine your statement with reasonable promptness for any other error - such as an encoding error. You agree that the time you have to examine your statement and report to us will depend on the circumstances. However, such time period shall not exceed 30 days. Failure to examine your statement and report any such errors to us within 30 days of when we first send or make the statement available precludes you from asserting a claim against us for any such errors on items identified in that statement and as between you and us the loss will be entirely yours.

CHECK FRAUD LIABILITY - First Federal (Bank) offers a check fraud detection system which allows customers to transmit check information to the Bank on a daily basis about every check they issue. When checks are presented for payment, discrepancies are flagged for review and payment decision by the Customer. If the Customer fails to implement the fraud detection service offered by Bank or fails to transmit the required daily check information, the Bank will not be liable for any subsequent check fraud loss, unless we fail to act in good faith or exercise ordinary care.

DIRECT DEPOSITS - If, in connection with a direct deposit plan, we deposit any amount in an account which should have been returned to the Federal Government for any reason, you authorize us to deduct the amount of our liability to the Federal Government from the account or from any other account you have with us, without prior notice and at any time, except as prohibited by law. We may also use any other legal remedy to recover the amount of our liability.

ACCOUNT TRANSFER - This account may not be transferred or assigned without our prior written consent.

Business Deposit Account Terms and Conditions

TEMPORARY ACCOUNT AGREEMENT - If this option is selected, this is a temporary account agreement. Each person who signs in the space designated for signatures on the customer relationship agreement may transact business on this account. However, we may at some time in the future restrict or prohibit further use of this account if you fail to comply with the requirements we have imposed within a reasonable time.

SETOFF - We may (without prior notice and when permitted by law) set off funds in this account against any due and payable debt you owe us now or in the future, by any of you having the right of withdrawal, to the extent of such persons' or legal entity's right to withdraw. If the debt arises from a note, "any due and payable debt" includes the total amount of which we are entitled to demand payment under the terms of the note at the time we set off, including any balance the due date for which we properly accelerate under the note.

This right of setoff does not apply to this account if: (a) it is an IRA or other tax-deferred retirement account, or (b) the debt is created by a consumer credit transaction under a credit card plan (but this does not affect our rights under any consensual security interest), or (c) the debtor's right of withdrawal only arises in a representative capacity. We will not be liable for the dishonor of any check when the dishonor occurs because we set off a debt against this account. You agree to hold us harmless from any claim arising as a result of our exercise of our right of setoff.

RESTRICTIVE LEGENDS - We are not required to honor any restrictive legend on checks you write unless we have agreed in writing to the restriction. Examples of restrictive legends are "must be presented within 90 days" or "not valid for more than $1,000.00."

CHECK PROCESSING - We may process items mechanically by relying on the information encoded along the bottom of the items. This means that we may not individually examine all of your items to determine if the item is properly completed, signed and indorsed. You agree that we have not failed to exercise ordinary care solely because we use an automated system to process items and do not inspect all items processed in such a manner. We reserve the right not to inspect each item because using an automated process helps us keep costs down for you and all account holders. We may determine the amount of available funds in your account for the purpose of deciding whether to return an item for insufficient funds at any time between the time we receive the item and when we return the item or send a notice in lieu of return. We need only make one determination, but if we choose to make a subsequent determination, the account balance at the subsequent time will determine whether there are insufficient available funds.

CHECK CASHING - We may charge a fee for anyone that does not have an account with us who is cashing a check, draft, or other instrument written on your account. We may also require reasonable identification to cash such a check, draft, or other instrument. We can decide what identification is reasonable under the circumstances and such identification may be documentary or physical and may include collecting a thumbprint or fingerprint.

ACH AND WIRE TRANSFERS - This agreement is subject to Article 4A of the Uniform Commercial Code - Fund Transfers as adopted in the state in which you have your account with us. This agreement is also subject to the additional terms and conditions found in the Wire Transfer Agreement which is by reference incorporated herein. If you originate a fund transfer for which Fedwire is used, and you identify by name and number a beneficiary financial institution, an intermediary financial institution or a beneficiary, we and every receiving or beneficiary financial institution may rely on the identifying number to make payment. We may rely on the number even if it identifies a financial institution, person or account other than the one named. You agree to be bound by automated clearing house association rules. These rules provide, among other things, that payments made to you, or originated by you, are provisional until final settlement is made through a Federal Reserve Bank or payment is otherwise made as provided in Article 4A-403(a) of the Uniform Commercial Code. If we do not receive such payment, we are entitled to a refund from you in the amount credited to your account and the party originating such payment will not be considered to have paid the amount so credited. If we receive a credit to an account you have with us by wire or ACH, we are not required to give you any notice of the payment order or credit.

TRANSACTION ACCOUNT ORGANIZATION - We have organized your transaction account in a nontraditional way. Your transaction account consists of two subaccounts. One of these is a transaction subaccount (e.g., a checking subaccount). You will transact business on this subaccount. The other is a nontransaction subaccount (e.g., a savings subaccount). You cannot directly access the nontransaction subaccount, but you agree that we may automatically, and without a specific request from you, initiate individual transfers of funds between subaccounts from time to time at no cost to you. This account organization will not change the amount of federal deposit insurance available to you, your available balance, the information on your periodic statements, or the interest calculation, if this is an interest-bearing account. You will not see any difference between the way your transaction account operates and the way a traditionally organized transaction account operates, but this organization makes us more efficient and helps to keep costs down.

UNLAWFUL INTERNET GAMBLING NOTICE - Restricted transactions as defined in Federal Reserve Regulation GG are prohibited from being processed through this account or relationship. Restricted transactions generally include, but are not limited to, those in which credit, electronic fund transfers, checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in unlawful Internet gambling.

ACCOUNT INSTRUCTIONS - By signing this agreement, you authorize First Federal, now or in the future, to accept and act upon instructions from any authorized signer on the account(s) to do the following with regard to your account(s):

1. To open deposit accounts with First Federal

2. To transfer all or any portion of the balance of our accounts to any other account with First Federal. Unless a different limitation is disclosed in writing, we restrict the number of transfers from a savings account or money market account to another account or to third parties to a maximum of six per month (less the number of "preauthorized transfers" during the month). Other account transfer restrictions may be described elsewhere.

3. To close deposit accounts, process changes of account information or account type, otherwise service any of my First Federal accounts;

4. To obtain related services offered by First Federal.

You may give instructions orally or in writing, in person, by mail, messenger, telephone, facsimile, computer terminal, wire service, automated teller machine, or by any other reasonable method. We may accept and act upon such instructions which do not contain your signature with the same effect as if such instructions were signed by you. However, you acknowledge that we may, at our option, require your original signature or any other documentation before accepting and acting upon any instructions.

OVERDRAFT PROTECTION AGREEMENT - Unless we have agreed otherwise in writing, we are under no obligation to pay a check that exceeds the balance in your account. If, however, you have authorized overdraft protection, we may pay the overdraft by transferring funds to your checking account from the account(s) indicated by you on page two of the Customer Relationship Agreement. We may charge a service charge for the transfer. We will pay the overdraft if the check is signed by you or by the joint account holder.

We may make the transfer from the account(s) as specified on page two of the Customer Relationship Agreement, even though the transfer may reduce the balance in the debited account below any minimum balance requirement for that account.

If we have a written loan agreement with you, we may pay the overdraft by increasing the outstanding loan balance on the loan account(s) indicated by you on page two of the Customer Relationship Agreement. Overdraft protection provided by increasing your loan account balance requires a prior approved line of credit in accordance with the financial institution's loan policy and is subject to various additional disclosures

AUTOMATIC TRANSFER AUTHORIZATION - The accounts listed on page two of the Customer Relationship Agreement are covered by their individual terms and conditions, unless modified by this Authorization. If a transfer is made from a savings account or an interest bearing checking account, we may require 7 days' written notice of withdrawal. If no termination date is specified on page two of the Customer Relationship Agreement, this Authorization will remain in effect until terminated by the depositor in writing.

You agree to keep enough money in your Debited Account to cover the transfers you request by this Authorization. If your Debited Account balance is insufficient to cover the transfers you authorize, we may cancel this Authorization immediately without notice. We may use our rights and remedies under applicable law and our rules and regulations governing these types of accounts. These may include returning your checks or drafts unpaid and closing your account(s) by mailing a proper notice to you with a check equal to the balance in the account.

You agree, in consideration of this service rendered by us, to indemnify (repay us for any loss) and hold us harmless (release us from any responsibility) from any liability or loss due to the dishonor of any check presented. The liability or loss covered may include both a charge made or refused to be made by us under this Authorization. You agree to follow the rules that govern your account(s) as stated on your account agreement and as amended from time to time. We may take any security measures that we believe are necessary without notice to you.

Loan Payment Authorization - If the Credited Account listed on page two of the Customer Relationship Agreement is a debt you owe us (e.g., a mortgage or installment loan), you agree that we may continue to charge the Debited Account until the loan is paid or until you provide us with written notice of termination.

If your Debited Account does not have a sufficient balance on a day that a payment is to be debited, we may stop further efforts to debit your Debited Account. We may require you to make the payment and all subsequent payments until all payments under the loan are current. We will not use the availability of any credit line you may have with us to determine whether your Debited Account has a sufficient balance. At our option and discretion, we may resume charging the Debited Account without further instruction from you once all payments are current. If we do not resume charging your Debited Account, we will notify you in writing that we have terminated this Authorization. Termination of this Authorization does not excuse you from making timely payment under the terms of the loan.

AMENDMENTS AND TERMINATION - We may change any term of this agreement. Rules governing changes in interest rates are provided separately. For other changes, we will give you reasonable notice in writing or by any other method permitted by law. We may also close this account at any time upon reasonable notice to you and tender of the account balance personally or by mail. Notice from us to any one of you is notice to all of you.

Wire Transfer Agreement

Effective 12/01/24

This Wire Transfer Agreement (this "Agreement") sets forth the terms and conditions that apply to the wire transfer of funds from the account(s) of any Accountholder ("Accountholder"), sometimes referred to herein as "you" or "your", and First Federal Bank ("Bank"), sometimes referred to herein as "we", "our" or "us". This Agreement is by reference incorporated in and made a part of the Consumer Relationship Application and Agreement signed by Accountholder. By initiating a wire transfer transaction Payment Order, Accountholder hereby agrees to the terms and conditions contained in this Agreement. All terms used in this Agreement shall have the meanings given them by Section 4 of the applicable State Uniform Commercial Code, unless otherwise indicated.

PLEASE READ THIS AGREEMENT CAREFULLY. IT CONTAINS AN ARBITRATION PROVISION.

A. Authorization to Transfer Funds.

Subject to the terms of this Agreement, we are hereby authorized to honor, execute and charge to your account(s) any and all payment orders for wire transfers of funds, whether received by telephone, facsimile transmission, telegraphic means, written instructions, or computer communications device, from Accountholder, which term includes any authorized signers with the authority to deposit, withdraw or exercise control over the funds in the account(s), until we receive written notice revoking or modifying such authorization. You will notify us in written, authorized form, of any change, addition or deletion to the Accountholder or authorized signers listed in the Consumer Relationship Application and Agreement. We are further authorized to honor, execute and charge to your account(s) any and all requests for reverse wire or drawdown initiated under any agreement between the Accountholder and a third- party processor, payroll or otherwise. All wire transfer instructions received from Accountholder, either directly or by request for reverse wire or drawdown, are herein collectively referred to as the "Payment Orders".

B. Accounts Subject to this Agreement.

Subject to the terms of the Consumer Relationship Application and Agreement, and in accordance with this Agreement, accounts eligible to become subject to this Agreement and send and receive wire transfers are:

- Checking Accounts
- Savings Accounts
- Money Market Accounts

No wire transfer may be made from time deposits, i.e. Certificates of Deposit (CDs), Individual Retirement Accounts (IRAs) or other accounts that may be restricted by their own terms.

You must have sufficient collected funds in your account to cover the wire transfer. You may initiate a wire transfer only if the offsetting debit to your account will not cause you to exceed the account balance according to our records. However, we may, at our option, create an overdraft in your account and complete the wire transfer. If we do so, we will not be liable to you for damages to you for creating the overdraft. You agree to repay us immediately for any overdraft created by a wire transfer, together with our costs of collection and reasonable attorney's fees. We may offset the amount of the overdraft against the balance of any of your accounts with us and may exercise any rights that we may have under any agreements granting us security for the payment of liabilities or obligations of Accountholder to Bank.

C. Payment Orders and Wire Transfers

We will accept Payment Orders from you during regular business hours on regular banking business days (Monday through Friday, except Federal Reserve holidays). We may establish a cut-off time (or times) on business days for the receipt and processing of Payment Orders (and communications canceling or amending Payment Orders). Any Payment Order or communication received after such cut-off time, or on a Saturday, Sunday, or bank holiday shall be deemed received on the next business day.

At our sole discretion, we may handle your Payment Orders and those that we may receive from other customers in any order we select. We may use any means or routes that we, in our sole discretion, consider suitable to executing a Payment Order.

We reserve the right to record electronically any telephone conversations between you and us. By signing the Consumer Relationship Application and Agreement, you consent to our recording such conversations. However, the decision to record is totally within our discretion and we will not be liable for the failure to record any conversation whether intentional or otherwise.

You agree to provide us with all the information we are required to obtain under the Bank Secrecy Act and any other applicable federal or state laws and regulations. If you fail to provide us with all the information required by law regarding any wire transfer, you agree that the bank is not obligated to complete such transfers and is not liable for any losses or damages resulting from our refusal to execute any such wire transfer.

We are under no obligation to comply with any Payment Order or make any wire transfer which would result in an overdraft of your account(s) based on available collected balance(s) on deposit as determined by us or which would result in us violating any of our legal obligations.

We, and any subsequent receiving bank, may execute Payment Orders initiated by you for the wire transfer of funds to a beneficiary in the name of the beneficiary and/or by specifying the account number of the beneficiary, which you have furnished to us. You must ensure that all account numbers are accurate. In the event of a discrepancy between the name of the beneficiary and the account number, the Payment Order may be executed by use of the account number.

Once we have accepted your Payment Order, it cannot be cancelled or amended, except by mutual agreement. In the case of an error or an otherwise irregular wire transfer, we may, on our own initiative, request that the funds previously transferred on your behalf be returned by the receiving bank, beneficiary's bank or the beneficiary. However, we are under no obligation to do so. Your Payment Order is considered paid when it is executed, when the transfer is credited to the beneficiary's account on our books, or when we have advised the beneficiary by telephone or other means of the credit, whichever occurs first.

We may, at our discretion, call you at the telephone number on file to verify that a Payment Order (or communication amending or canceling a Payment Order) is authorized. You may change this number, if necessary, by written request.

For your protection, we may elect not to act upon a Payment Order if the Payment Order is not initiated in accordance with security procedures, if we are unable to obtain proper verification of such Payment Order which is satisfactory to us, or if there is any inconsistency between a Payment Order and information previously supplied. We will not be liable for any damages in these instances, nor in the instance of circumstances beyond our reasonable control, including but not limited to any act or failure to act by a third person or entity.

D. Security Procedures.

You agree to comply with the security procedures set forth in this Agreement and that the security procedures provide a reasonable degree of protection against unauthorized transfers. The Bank and the Accountholder agree that the security procedures are designed to verify the authenticity of Payment Orders and not to detect errors contained in any Payment Order. As part of our security procedures, we may, but are not required to, request written, signed instructions delivered in person or by secure electronic signature (i.e. DocuSign; DocMagic). At our sole discretion, we may seek verification or further authorization of any transfer request or related instruction. We may contact the Accountholder by any reasonable means in order to obtain assurance of the authenticity or other correctness of a Payment Order. We shall be under no obligation to do so in any case, however. If the verification is obtained by a callback, the callback may be recorded. If, upon attempting to obtain such verification, we are unable to do so, we may, in our sole discretion, either make the transfer or decline to follow the instructions. In such event, we shall not be liable to the Accountholder for any actual loss of any kind or for any consequential, punitive or exemplary damages in any amount, provided we have acted in good faith.

E. Fees.

Wire transfers are subject to all fees, penalties and charges, including but not limited to wire transfer fees that would otherwise apply to any bank transaction as described in the Bank's Personal and Business Account Fees and Service Charges. We may deduct any fee applicable to Payment Orders or wire transfers from your account(s).

F. Cancellation or Amendment of Payment Orders.

You may ask us to amend or cancel any Payment Order or related instruction, and we will use our best efforts to comply with such request if the request is made at a time and in a manner which gives us a reasonable opportunity to act on the request before we make the funds transfer or carry out the instruction as you originally requested. If you ask us to recover funds which we have already transferred, we shall be under no obligation to do so unless and until your deposits with the bank are at an amount reasonably determined in good faith by us to approximate the costs and expenses (including attorney's fees) which we may incur in attempting to recover the funds transferred. In lieu of such a deposit, we may request you to provide a bond or other assurance. The bank will take such action as it deems reasonable under the circumstances, including, for example, sending a request to reverse the transfer to any financial institution which received such funds. In no event, however, shall we be deemed to have guarantees or otherwise assured the recovery of any portion of the amount transferred, or to have accepted responsibility for any amount transferred before we receive and have a reasonable time to act upon the request to amend or cancel the transfer request.

G. Review of Statements and Advices.

You will review promptly and reconcile statements of account(s) sent by us, and will review promptly any written confirmation of wire transfers sent by us. You shall report any discrepancies between our records and your records within a reasonable time, not to exceed sixty (60) calendar days from the earlier of: the date of the statement of account, or the date such written confirmation is sent by Bank. If Accountholder fails to notify Bank of any discrepancies within the specified time period, Bank will be relieved of any liability with respect to any compensation provided for in Section H of this Agreement.

H. Liability, Compensation and Indemnity

1. **Subject to Section G of this Agreement, compensation, if any, for the loss of interest or use of funds due Accountholder as a result of Bank's error or Bank's failure to execute a Payment Order on the date received (if such request was received prior to our stated cut-off time on a regular banking business day) will be for a period not exceeding the lesser of (i) sixty (60) days or (ii) the period between the date of the request and the date of the error correction.**
2. **Compensation will be either of the following forms at our option: (i) adjusting your account balance, or (ii) reimbursing to you an amount equal to interest at a rate not exceeding the average current rate on the account, computed on a daily basis for the period and amount in question.**
3. **We shall in no event be liable for payment or for damages arising out of or in connection with a Payment Order or wire transfer after 60 days from the date of such Payment Order or wire transfer.**
4. **We shall in no event be liable for failure to provide notice to the beneficiary of receipt of a wire transfer.**
5. **Unless specifically prevented by Section 4 of the State Uniform Commercial Code, you hereby release and hold us harmless from and indemnify the Bank, its officers, directors, agents, representatives and successors in interest from and for any and all claims, demands, expenses (including but not limited to attorney's fees and costs, loss, or damages of any nature whatsoever arising directly or indirectly from any Payment Order initiated pursuant to this Agreement or any failure to detect erroneous Payment Orders, unless such damage or loss is caused by gross negligence or willful misconduct.**
6. **In no event shall we be liable for any punitive, special consequential or incidental damages, even if we have been informed of the possibility of such damages.**
7. **In no event shall we be responsible for any loss, claim, liability, damage or other amount arising in any way, directly or indirectly from any error, failure, or delay in the performance of any of Bank's obligation under this agreement caused by natural disaster, fire, war, strike, civil unrest, error in or inoperability of communication equipment or lines, or any other circumstance beyond the reasonable control of the bank. We are liable only for our gross negligence in performing our obligations under this Agreement, and are not responsible for your acts or omissions, including without limitation the amount, accuracy, timeliness of transmittal or due authorization of any Payment Orders received from you, or those of any other person. No clearing house, financial institution, or other instrumentality used to effectuate your Payment Orders shall be deemed the Bank's agent. BANK SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL, SPECIAL, PUNITIVE OR INDIRECT LOSS OR DAMAGE WHICH CUSTOMER SUFFERS IN CONNECTION WITH THIS AGREEMENT.**

I. Arbitration.

Any controversy or claim between or among the parties hereto including but not limited to those arising out of or relating to this Agreement, any incoming or outgoing wire transfer, or any other documents or related agreements executed in connection with an outgoing or incoming wire transfer ("Wire Transfer Documents"), including any claim based on or arising from an alleged tort, shall be determined by binding arbitration in accordance with the Federal Arbitration Act (or if not applicable, the applicable state law), and the Rules of the American Arbitration Association, unless both you and we agree in writing to mediate the dispute prior to submitting to binding arbitration. However, notwithstanding anything contained herein to the contrary, you and we agree that all controversies and claims shall be determined by binding arbitration if no resolution of the controversy or claim has been achieved through mediation within ninety (90) days of the parties' agreement to mediate or if either party does not agree to mediate. Judgment upon any arbitration award may be entered in any court having jurisdiction. Any party to this Agreement may bring an action, including a summary or expedited proceeding, to compel arbitration of any controversy or claim to which this Agreement applies in any court having jurisdiction over such action.

The arbitration shall be conducted in Columbia County, Florida and administered by the American Arbitration Association. All arbitration hearings will be commenced within ninety (90) days of the demand for arbitration; further the arbitrator shall only, upon a showing of cause, be permitted to extend the commencement of such hearing for up to an additional sixty (60) days.

Nothing in this Agreement shall be deemed to (i) limit the applicability of any otherwise applicable statutes of limitation or repose and any waivers contained in this Agreement; or (ii) be a waiver by us of the protection afforded by applicable State Uniform Commercial Code or any substantially equivalent state or federal law; or (iii) limit our rights, if any (A) to exercise self- help remedies such as (but not limited to) setoff, or (B) to obtain from a court provisional or ancillary remedies such as (but not limited to) injunctive relief or the appointment of a receiver in accordance with applicable law. We may exercise such self-help rights, or obtain such provisional or ancillary remedies at any time even while the arbitration is pending. By exercising or obtaining such remedies, neither you nor we waive the right to request that a dispute or controversy be decided by arbitration.

J. Agreement Terms.

We may at any time amend or otherwise change this Agreement upon thirty (30) days' written notice to Accountholder. If this Agreement needs to be amended because of a change in State or Federal Regulations, the change shall be effective immediately without notice. We may, in our discretion, without notice to you, terminate this Agreement at any time. You may terminate this Agreement at any time upon written notice to us. Termination of this Agreement will not otherwise affect any of the terms and conditions that apply to any account or service then in effect. Both parties will be bound by this Agreement. In the event of a conflict between this Agreement and oral communication from Bank employee(s), this Agreement controls. If any part of this Agreement is deemed invalid or unenforceable, the enforceability of the remaining provisions shall not be affected. This Agreement may not be transferred or assigned by Accountholder without the consent of Bank. Except as governed by federal law, this Agreement shall be governed by and construed with the laws of the State of Florida, and **VENUE FOR ANY ACTION BROUGHT PURSUANT TO THIS AGREEMENT SHALL BE IN COLUMBIA COUNTY, FLORIDA.**

(Including ACH, RDC, Wire Transfers, Internal Transfers and Positive Pay System)

THIS DISCLOSURE contains terms and conditions governing First Federal Bank Business Online Banking service ("BOB"), and those additional services (ACH, RDC , Wire Transfer and Positive Pay System) more specifically described in this Disclosure (collectively, the "Services").

Customer understands that by using one or more of the Services, you agree to the terms and conditions applicable to the Services as set forth in this Disclosure. Please retain a copy of this Disclosure and refer to it for help in answering questions about the Services.

Business Online Banking

General Information

Definitions. As used in this Disclosure, the following words have the meanings given below.

"Agreement" refers, collectively, to this Disclosure, the Business Online Banking Master Agreement, any applications for Services, any and all separate agreements/addenda for specific Services, and all account documents referred to herein.

"Customer", "you" and "your(s)" refer to each business that applies to use the Services, and each person who uses one or more of the Services with the permission of an applicant.

"Business" means any corporation, partnership, limited liability company, sole proprietorship, or any other type of entity maintaining a deposit account for commercial purposes.

"We", "us", "I", "our(s)", "First Federal Bank", or "Bank" refers to First Federal Bank of Florida where your accounts are located which are to be accessed utilizing the Services.

"Authorized Representative(s)" refers to any individual authorized by Customer to access the Account(s) of customer and utilize the Services on behalf of Customer.

"Deposit Account(s)", "Loan Account(s)", or "Account(s)" means any First Federal Bank of Florida checking or savings deposit account owned by the Customer, or loan or line of credit account accessed utilizing the Services.

"First Federal Bank of Florida Business Online Banking " is an electronic banking software program licensed by First Federal Bank, including any future upgrades. The program has been customized by First Federal Bank to permit the account and transaction information downloading functions referred to in this Disclosure.

"Services" means First Federal Bank Business Online Banking and, if applicable, ACH Origination, RDC , Wire Transfer and Positive Pay System, for which the Customer has applied, as the same are more specifically described in the Agreement.

"Business Day" means Monday, Tuesday, Wednesday, Thursday and Friday between the hours of 9:00 AM EST and 4:00 PM EST Saturdays, Sundays and banking holidays are not included.

General Description of Services.

First Federal Bank Business Online Banking is an electronic banking service that permits Customer, through the use of your personal computer and special software, to (a) access your designated Deposit Account(s) and Loan Account(s) to obtain current balance and transaction information; (b) transfer funds between your Deposit Account(s) and/or Loan Account(s); (c) place stop payment orders; (d) process direct deposit of payroll utilizing ACH origination; (e) process electronic remote deposits from your designated location utilizing RDC; (f) complete transfers outside First Federal through the wire transfer service, and (g) reduce the risk of check fraud by validation of issued checks through positive pay system.

Registration; Authorization to Charge Accounts; Account Access.

Each Customer desiring to use any of the Services must complete the Business Online Banking registration process in the name of the business. Customer may use Business Online Banking to access Deposit Accounts at First Federal Bank which you own and from which you have an unrestricted right to withdraw funds. The Bank reserves the right to limit the types of accounts that may be accessed. Customer may register for ACH origination service, RDC, Wire Transfer Services and/or Positive Pay System at the time of Business Online Banking registration or at any time subsequent to execution of the Business Online Banking Master Agreement by executing the appropriate Agreement/Addenda for the requested Services, which at the time of execution will become a part of your original Agreement as if the same had been executed simultaneously therewith.

Your Deposit Account(s) accessed using the Services continue to be governed by the following First Federal Bank of Florida documents, as the same may be amended or modified from time to time: (1) Terms and Conditions of your Account, Electronic Transfers, Funds Availability and Substitute Check Disclosure; (2) Products and Service Charges Disclosure; and (3) Signature Card or Customer Relationship Agreement. Customer acknowledges that it has been provided with copies of all of the above documents.

Customer is solely responsible for all transfers made by its Authorized Representatives using the Services. Customer authorizes Bank to debit its designated Deposit Account(s) for all transactions accomplished through the use of the Services. You agree that transfer instructions may be entered by any one (1) Authorized Representative, notwithstanding any provision contained in any other documentation governing a Deposit Account purporting to require more than one (1) signature on items withdrawing funds from the Deposit Account.

If Customer permits another person to use the Services or gives them access ID and/or password information, Customer is solely responsible for payments, transfers, or advances made by such person from the Account(s) even if Customer's authorization is exceeded.

Service Availability.

You or your Authorized Representative(s) may use the Services at any time, day or night, seven days a week, by signing on to the Services and entering your access ID and password. The Services will be temporarily unavailable from time to time for scheduled maintenance. Whenever possible, we will post scheduled maintenance times on our website. There may also be unscheduled down time resulting from circumstances beyond our control, such as power or communication failure. In those instances, we will work to restore service at the earliest possible time. We are not liable for any damages or claims of any kind which may arise from such scheduled or unscheduled periods of downtime, maintenance or inaccessibility.

Unavailable or Delayed Account Information.

First Federal Bank strives to provide complete, accurate and timely account information through Business Online Banking. However, unless otherwise required by law, we will not be liable to you if any such information is unavailable, delayed or inaccurate. Additionally, the Bank is not responsible for any errors or failure arising from any malfunction of customer's computer or its software, or for any computer virus or related problems that may be associated with use of the Services.

Disclosure of Account Information

We may disclose information to third parties about Customer accounts or the payments or transfers made:

- When necessary to verify or complete payments or transfers, or to resolve a problem related to a payment or transfer;
- To verify the existence and status of Customer account(s) to a third party such as a credit bureau or merchant;
- To comply with government agency or court orders;
- If you give us your written permission (including e-mail); and
- When deemed by Bank to be in the best interest of the Bank or Customer.

Wire Transfer Service

Customer may request that Bank permit it to initiate funds transfers from its Deposit Account(s) with Bank to accounts maintained with other financial institutions through the Federal Reserve System. Bank agrees to process wire transfers

for customer in accordance with the terms and conditions of this Disclosure. Customer will provide Bank with a list in writing of Authorized Representatives permitted to initiate wire transfers from its Deposit Account(s) and the transfer limitations for each.

Customer is responsible for all transfers made by its Authorized Representatives using the Wire Transfer Service. Customer authorizes us to debit its designated Deposit Account(s) for all transactions accomplished through the use of the Wire Transfer Service. You agree that wire transfer instructions may be entered by any one person who is authorized to conduct such transactions, notwithstanding any provision contained in any other documentation governing the Deposit Account purporting to require more than one signature on items withdrawing funds from the Deposit Account.

Bank Requires customers processing External Wire Transfers to list First Federal Bank of Florida as "also insured" in insurance policies.

Fees

There is a monthly fee associated with use of Business Online Banking. The monthly fee may be waived when one or more of the other Services are utilized. Please see the most recent Products and Service Charges disclosure for the current fees associated with Business Online Banking and the other Services. Customer agrees that Bank may debit its Deposit Account(s) for the applicable monthly fee.

Changes in Terms

We will mail or deliver a written notice to customer at least 30 days before the effective date of any change in a term or condition in this Disclosure or the Agreement referred to herein, if the change would result in increased fees or charges, increased liability to Customer, or increased limitations upon use of the Services, unless prior notice is excused by law. As an Business Online Banking customer, you agree that we may send any such notice to you only via electronic mail, and you will be deemed to have received it three (3) days after transmission.

Security Procedures / Protecting Your Password

Customer agrees that Bank may send confidential mailings or password confirmations to the current address shown in our records for the primary Deposit Account, whether or not that address includes a designation for delivery to the attention of any particular individual; and Customer agrees that First Federal Bank will not be responsible or liable to you in any way in the event such properly addressed information is intercepted by an unauthorized person, either in transit or at your place of business.

Customer agrees on behalf of itself and its Authorized Representatives to: (1) keep access ID and password information secure and strictly confidential, providing them only to individuals authorized to access the Account(s); (2) instruct any Authorized Representative given an access ID and password that he or she is not to disclose them to any unauthorized person; and (3) immediately notify us in writing or by electronic mail if you believe any access ID and password may have become known to an unauthorized person. Bank shall have no liability to customer, or any other person or entity for any unauthorized payment or transfer made using the access ID and password of Customer or any Authorized Representative of Customer that occurs before you have notified us of possible unauthorized use and we have had a reasonable opportunity to act on that notice.

Customer is responsible for the security of any software program it uses, including software supplied by the Bank, for the creation and/or the transmission of wire transfers or ACH files to the Bank; whether the software resides on the Customer's network/PC or on a remote server accessed through the Internet.

Customer is solely responsible for the assignment of individuals that can access the software.

Limitation of Liability

Customer will notify the Bank of any errors, omissions, interruptions, delay or unavailability of the Services or any possible security breach as promptly as practicable, and in any event within one Business Day after the earliest discovery thereof, or the date discovery should have occurred through the exercise of reasonable care, and, in the case of any error, omission or other discrepancy, within 14 days of the date of the earliest notice to Customer which reflects the same. Your failure to timely notify the Bank of any error, omission, or other discrepancy or security breach shall relieve the Bank of any liability for such error, omission or discrepancy.

Customer acknowledges and agrees that Bank shall not be liable for any damages or loss of any kind resulting from any unintentional error or omission by Bank in performing the Services, or unintentional deviation from the terms and conditions of this Disclosure, including any additional agreements. Customer acknowledges that Bank's systems and procedures established for providing the Services are commercially reasonable. Customer will defend, indemnify and hold Bank harmless from and against all liability, damage and loss arising out of any claims, suits, or demands brought by third parties with respect to the Services, and from any and all liability, damage or loss resulting from Customer's failure to

notify Bank of any change in Authorized Representative(s), or the use of the Services by any unauthorized person utilizing the Access ID and Password of an Authorized Representative of Customer.

Bank shall not be liable for any loss, damage, liability, or claim arising directly or indirectly from any error, delay, or failure to perform hereunder which is caused by earthquake, fire, natural disaster, civil or foreign disturbance, power outage, act of government, labor dispute, communication failure, legal constraints or any other event beyond its control.

In no event will Bank be liable for any indirect, consequential, punitive, or special damages.

Bank will have no liability for failing to transmit or delay in transmitting an entry if such transmittal would result in it exceeding any limitation imposed by any governmental or regulatory body.

Representations and Warranties

Customer represents and warrants to Bank that:

None of its transactions to be processed by Bank are prohibited by any applicable law, regulation, rule, order, or judgment; and

Both it and the clients with whom it does business are reputable and are not using Bank as a conduit for money laundering or other illicit purposes;

None of Customer's employees are nationals of a designated blocked country or "Specially Designated National," "Blocked Entity," "Specially Designated Terrorist," "Specially Designated Narcotics Trafficker," or "Foreign Terrorist Organization," as defined by the United States Office of Foreign Assets Control.

Confidential Information

Customer acknowledges that the Services, any database, and any proprietary data, processes, methods, information, or documentation disclosed or made available as part of the Services (other than those which are or become part of the public domain), are the exclusive and confidential property of Bank. Customer should use the same care and discretion that it does with respect to its own confidential property, but in no event less than reasonable care. Upon termination of the Services for any reason, Customer shall return to Bank any and all copies of the Confidential Information which are in its possession and control.

Enrollment and Certification of Authority

Before using the Services, or any of them, Customer, through an authorized signor on its Account(s) must provide Bank with the names of its Authorized Representative(s), and the approved Services and transaction limitations, if any, for each Authorized Representative. A Business Online Banking set-up request must be completed with all the access requests. First Federal Bank will use the set-up request to create your Business Online Banking account and establish the appropriate access capabilities for each authorized user. Additionally, prior to using ACH Origination or RDC Services the appropriate addenda must be executed and upon execution will by reference be incorporated into the Agreement.

Customer, through an authorized signor on its accounts, may make changes to its Authorized Representative(s) for any of the Services by notifying Bank in writing (including e-mail or facsimile). The request must be signed by an authorized signer on the account that the change is affecting. Customer agrees that Bank shall not be liable for any loss resulting from Customer's failure to promptly notify Bank of changes in its Authorized Representative(s).

Termination

Customer will comply with all terms of the Agreement and with the terms of any agreement governing the Accounts which are accessed using the Services. Bank may elect to terminate the Services described in this Disclosure upon ten (10) days written notice to Customer, or without notice if (a) Customer fails to comply with the Agreement, (b) if you do not pay any required fee when due, or (c) if your Accounts are not maintained in good standing. Bank reserves the right to terminate the Agreement, or suspend or cancel your password without notice to you, and shall have no liability to you, or any other person or entity for any loss, damage, cost or expense arising out of the Agreement or the Services, if we (a) suspect a breach of security; (b) suspect your Account has been used for illegal or fraudulent purposes; (c) reasonably believe that a payment or transfer is prohibited by federal law or regulation or otherwise as provided in this Disclosure or any Addenda thereto; or (d) ownership of the funds involved or the authority of the Authorized Representative creating the entry is in question.

Entire Disclosure

The Agreement, as the same may be amended from time to time, together with any exhibits, addenda, or other documentation attached thereto or incorporated by reference, contains the entire understanding between Customer

and First Federal Bank concerning the Services and supersedes any verbal conversations, other communications, and previous agreements, if any. In the event performance of the Services described herein would result in a violation of any present or future statute, regulation, or government policy to which the Bank is subject and which governs or affects the transactions contemplated by the Agreement, then the Agreement shall be deemed amended to the extent necessary to comply with such statute, regulation, or policy, and the Bank shall incur no liability to the Customer as a result of such violation or amendment.

The Agreement shall be construed in our favor in the event of any action, proceeding, trial or hearing at which the construction of the Agreement or any terms thereof may be an issue. A true and correct photocopy of the Agreement after it has been signed by or on behalf of all parties shall be as effective as the original and may be introduced into evidence at any trial or proceeding without compliance with any evidentiary predicate. The Agreement may be executed in counterparts all of which taken together shall be deemed to constitute the entire Agreement.

Non-Assignment

The Customer may not assign the Agreement or any of the rights or duties hereunder to any person without the Bank's prior written consent.

Binding Agreement Benefit

The Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective legal representatives, successors, and assigns. The Agreement is not for the benefit of any other person, and no other person shall have any rights with respect to the Bank or the Customer hereunder.

Governing Law

The Agreement shall be construed in accordance with and governed by the laws of the State of Florida and the NACHA rules. In the event of any claim or litigation regarding the rights and liabilities of the parties to the Agreement, the parties agree that the venue and jurisdiction for any such claim or litigation shall be in the Third Judicial Circuit, in and for Columbia County, Florida. In addition, the parties hereby waive their right to jury trial.

If any provision contained in the Agreement shall for any reason be held invalid, illegal, unlawful, void or unenforceable with respect to any party hereto, the remainder of the Agreement or the application of such provisions to a party other than those to whom it is held invalid, illegal, unlawful, void, or unenforceable, shall not be affected and each provision of the Agreement shall be valid and enforceable to the fullest extent permitted by law as if such invalid, illegal, unlawful, void or unenforceable provision had never been included herein.

In the event it should become necessary for us to enforce the terms of the Agreement, we shall be entitled, in addition to such damages and other relief as may be granted by the Court, to recover reasonable attorney's fees and costs, including attorney's fees incurred on any appeal.

Limitations on Transfers

Each fund transfer through Business Online Banking from your savings or money Market deposit account is subject to the same transfer limitations indicated in the Terms and Conditions of Your Account and Funds Availability disclosures in effect on the date of the transfer, and as provided in Federal Reserve Regulation D.

ACH ORIGINATION SERVICES

If ACH Origination Services are desired, Customer must apply for ACH lending limits and be approved before any ACH access will be granted. The ACH Guaranty and if applicable the ACH Third Party Agreement must be completed. If the Customer requires an increase in their ACH limits they must provide a written request for the limit increase to the ACH Coordinator at First Federal Bank for approval by the appropriate First Federal Bank Loan Officer, Loan Committee or Board of Directors. Bank reserves the right to require that all ACH transaction files be pre-funded by Customer prior to transmission.

Upon application and approval, customer will be permitted it to initiate electronic signals for paperless entries through the Bank to accounts maintained at Bank and at other financial institutions, by means of the Automated Clearing House (the "ACH"), in accordance with the terms and conditions of this Disclosure.

Customer and Bank agree that all ACH transaction files may require prefunding. Prefunded files must be submitted during normal business hours Monday through Friday between the hours of 9:00 am EST and 7:00 pm EST

Bank Requires customers processing ACH Origination to list First Federal Bank of Florida as "also insured" in insurance policies

Rules

The Customer will comply with and be bound by NACHA Rules. The Bank's obligation to inform the Customer of revisions to the NACHA Rules should be limited to those "of which the Bank has actual knowledge." This includes sanctions imposed by the Office of Foreign Asset Control blocking transactions to targeted individuals and countries.

Transmission of Entries: Security Procedures

The Customer's Authorized Representative will access the Business Online Banking ACH system by utilizing the pre-assigned Access ID and Password. The Customer will transmit all debit and credit entries to the Bank, and is responsible for ensuring that Bank receives the transmission, on or before the deadlines described in this Disclosure. Customer will conform all entries to the format, content and specifications of NACHA Rules. The Customer authorizes the Bank to transmit all entries received from it in accordance with the terms of this Disclosure, and to post credit or debit entries to the specified accounts. The Bank shall be entitled to rely on any written notice or other written communication believed by it in good faith to be genuine and to have been signed by the Authorized Representative, and any such communication shall be deemed to have been signed by such person.

Bank Obligations

In a timely manner and in accordance with NACHA Rules, the Bank will process, transmit, and settle the entries received from the Customer which complies with the terms of this Disclosure.

Customer Obligations

Compliance

Customer agrees to abide by all federal and state laws, and rules and regulations applicable to banking transactions, including those of the National Automated Clearing House Association for ACH transactions. Customer also agrees to process transactions as described in the Guides.

Authorized Representatives.

The Customer certifies that those individuals shown on the Business Online Banking Customer Enrollment as Authorized Representatives for ACH Services, as the same may be specifically limited by the ACH Authorization, are duly authorized to generate debit and credit entries on behalf of Customer and transmit the same to Bank for processing.

Warranties

The Customer warrants to Bank all warranties required by NACHA Rules to be made by Customer with respect to entries originated by Customer. Without limiting the foregoing, the Customer further warrants and agrees that (a) each entry is accurate, timely, has been authorized by the party whose account will be credited or debited and otherwise complies with NACHA Rules; (b) each debit entry is for a sum which, on the settlement date with respect to it, will be owed to Customer by the party whose account will be debited, is for a sum specified by such party to be paid to the Customer, or is a correction of a previously transmitted erroneous credit entry; (c) the Customer has complied with all pre-notification requirements of NACHA Rules; (d) the Customer will comply with the terms of the Electronic Funds Transfer Act and Uniform Commercial Code Article 4A (UCC4A), if applicable, and shall otherwise perform its obligations under this Change to Agreement in accordance with all applicable laws and regulations. The Customer will retain the original or a copy of the authorization record as required by NACHA Rules for a period of not less than two (2) years after termination or revocation of such authorization and will, upon request of Bank, furnish such original or copy to the Bank. The Customer shall indemnify Bank against any loss, liability, or expense (including attorney's fees and expenses) resulting from or arising out of any breach of any of the foregoing warranties or agreements.

Provisional Credit

The Customer acknowledges that the NACHA Rules make provisional any credit given for any entry until the financial institution crediting the account specified in the entry receives final settlement. If the financial institution does not receive final settlement, it is entitled to a refund from the credited party and the originator of the entry shall not be deemed to have paid the party.

Settlement

The Customer will maintain a Deposit Account with Bank at all times while utilizing ACH Origination Services and for a period of six months after the termination of the Agreement. The Customer will maintain immediately available funds in the Deposit Account as of the applicable settlement date sufficient to cover all credit entries initiated by it. The Customer authorizes the Bank to debit its Deposit Account on the applicable settlement date in the amount of each entry.

Cancellation or Amendment

The Customer shall have no right to cancel or amend any entry/file after its receipt by Bank. However, the Bank shall use reasonable efforts to act on a request by the Customer to cancel an entry/file before transmitting it to the ACH or crediting an on-us entry. Any such request shall comply with the security procedures set forth in Section II to the ACH section of this Disclosure. The Bank shall have no liability if it fails to effect the cancellation.

Rejection of Entries

The Bank shall reject any entry, including an on-us entry, which does not comply with NACHA rules and may reject any entry if the Customer is not otherwise in compliance with the terms of the Agreement. The Bank shall notify the Customer by any means deemed appropriate to the Bank, including telephone, facsimile transmission or e-mail, of such rejection no later than the Business Day such entry would otherwise have been transmitted by the Bank to the ACH or, in the case of an on-us entry, its effective entry date. The Bank shall have no liability to the Customer by reason of the rejection of any entry or the fact that such notice is not given at an earlier time than that provided for herein. The Bank shall retain the right to reject any on-us transactions for any valid reason such as, but not limited to, insufficient funds or revoked authorization.

Notice of Returned Entries

The Bank shall notify the Customer by telephone, e-mail or fax of the receipt of a returned ACH entry no later than one Business Day after receipt by Bank. The Bank shall have no obligation to retransmit a returned entry if Bank complied with the terms hereof with respect to the original entry. If a transaction is returned to Customer, it is the Customer's responsibility to collect any funds that are owed. The Bank has no obligation to originate a transaction where authorization has been revoked.

Reversals

The Customer may initiate a reversing entry or file of entries as permitted by the NACHA Rules.

Periodic Statement

The periodic statement issued by the Bank for the Customer's Deposit Account will reflect entries credited and debited to the Customer's Deposit Account. The Company agrees to notify the Bank within a reasonable time, not to exceed three (3) Business Days from the date the Customer reviews its accounts online or by other electronic means by which a discrepancy may be detected, and in any even no later that ten (10) Business Days after the Customer receives a periodic statement, of any discrepancy between the Customer's records and the information in the periodic statement.

Credit Information

Upon request by Bank, Customer agrees to provide Bank with current financial statements not less frequently than annually. Customer further agrees that from time to time you may obtain credit information about Customer from others, including other lenders and credit reporting agencies, and report to others (such as a credit reporting agency) regarding Customer's credit experience with Bank. I agree that you will not be liable for any claim arising from the use of information provided to you by others or for providing such information to others.

Liability

The Bank shall be responsible only for performing the Services expressly provided for in the Agreement and shall be liable only for its gross negligence in performing those Services. The Bank shall not be responsible for the Customer's acts or omissions (including without limitation the amount, accuracy, timeliness of transmittal, or due authorization of any Entry received from the Customer) or those of any other person, including without limitation any Federal Reserve Financial Institution or transmission or communications facility, any Receiver or Receiving Depository Financial Institution (including without limitation the return of an Entry by such Receiver or Receiving Depository Financial Institution), and no such person shall be deemed the Bank's agent. The Company agrees to indemnify the Bank against any loss, liability, or expense (including attorney's fees and expenses) resulting from or arising out of any claim of any person that the Bank is responsible for any act or omission of the Customer, or any other person described in this Section.

In no event shall the Bank be liable for any consequential, special, punitive, or indirect loss or damage which the Customer may incur or suffer in connection with the Agreement, including without limitation loss or damage from subsequent wrongful dishonor resulting from the Bank's acts or omissions pursuant to the Agreement.

Without limiting the generality of the foregoing provisions, the Bank shall be excused from failing to act or delay in acting if such failure or delay is caused by legal constraint, interruption of transmission or communication facilities, equipment failure, war, emergency conditions or other circumstances beyond the Bank's control. In addition, the Bank shall be

excused from failing to transmit or delay in transmitting an Entry if such transmittal would result in the Bank's having exceeded any limitation upon its intra-day net funds position established pursuant to present or future Federal Reserve guidelines or in the Bank's otherwise violating any provision of any present or future risk control program of the Federal Reserve or any rule or regulation of any other U.S. governmental regulatory authority.

The Customer is solely responsible for the accurate creation, modification, and deletion of the account information maintained in the Customer's personal computer and used for ACH transfer. The Customer agrees to comply with written procedures provided by the Bank for the creation, maintenance, and initiation of ACH transfers. The Customer is solely responsible for access by its employees of the data files maintained on the Customer's computer. The Customer is responsible for operator security procedures on any personal computer used for Services.

Subject to the foregoing limitations, the Bank's liability for loss shall be limited to general monetary damages not to exceed the total amount paid by the Customer for the affected ACH service, as performed by the Bank under this Agreement for the preceding 30 calendar days.

Inconsistency of Name and Account Number

The Customer acknowledges that if an entry describes the receiver inconsistently by name and account number, payment of the entry may be made on the basis of the account number even if it identifies a person different from the named receiver.

Retention of File

The Customer shall retain data on file adequate to permit remaking of entries for five (5) business days following the date of their transmittal to the Bank as provided herein and shall provide such data to the Bank upon its request.

Termination

The Services described in the Agreement may be terminated by the Bank in accordance with the provisions of the Termination provision set forth on Page 4 of this Disclosure. In the event that the Customer elects to terminate the Agreement, it shall provide the Bank with thirty (30) days written notice. Bank shall have no obligation to transmit entries if the Customer is in default of any of its obligations under the Agreement, including the obligation to pay Bank for each credit entry.

Authorized Third Parties

Customer may authorize a third party representative to originate entries on its behalf. Prior to transmitting any entries through a third party representative, Customer and the third party representative must execute Third Party Agreements.

Transmission Location and Formatting Instructions

All files will be formatted in a NACHA format. Transmission specifications will be established by First Federal Bank.

Personal Computer Transmissions

The Company will transmit files to First Federal Bank, 4705 West US Hwy 90 Lake City, FL 32055.
Telephone: 386-755-0600 or 386-362-3433

RDC SERVICES

The Bank provides certain check clearing services known as Remote Deposit Capture (eDeposit), whereby Customer uses an imager specified by Bank to scan paper checks to create an image cash letter file to be transmitted electronically to Bank. If the customer desires to use such Services, Customer must complete the RDC Remote Deposit Capture Program Application and Approval Form. If approved, Customer will be permitted to remotely submit deposits utilizing the RDC Service in accordance with the terms and conditions of this Disclosure.

Services

Provision of Services.

Subject to the terms and conditions of this Disclosure, Bank agrees to provide RDC Services to Customer. Bank shall have the right to determine, in its sole discretion, the nature and extent of the Services to be provided. The RDC Service is the sole property of Bank, and Customer has no ownership right in the Service, or any other property of Bank or its suppliers, other than those rights expressly granted under any addenda and the Agreement.

Modifications to Services

Bank reserves the right to modify the RDC Service from time to time without prior notice to Customer, provided, however, that Bank will give Customer at least 30 days' notice prior to making any modifications to the Services described herein that would materially alter their functionality, or increase any fee associated with the Service.

Equipment

Bank agrees to provide the necessary image capture equipment and software to Customer. All equipment and software will remain the property of Bank, and in the event of termination of this Service or the Agreement, all equipment and software will be returned by Customer to Bank. Customer will provide the necessary computer equipment and telecommunications services to connect to Bank's system.

Processing

Captured images utilizing Bank's equipment and software will be transmitted to Bank, processed by Bank and then sent to the Federal Reserve and/or a correspondent check clearing network, enabling Customer to clear their daily check deposits electronically as images, instead of physically transporting the checks to a local depository. When necessary, Bank will prepare "Substitute Checks" / Image Replacement Documents ("IRD"), as that term is defined in the Check Clearing for the 21st Century Act, also known as Check 21, and implemented through Reg. CC, to facilitate processing and collection of Customer's items. Once the file has been successfully received and processed by Bank, Bank will send daily settlement files to Customer's Deposit Account(s), utilizing for that purpose the Automated Clearing House system administered by the National Automated Clearing House Association ("NACHA"). Customer is responsible for ensuring that the checks scanned meet the ANSI X937 standards for image quality. Customer will cooperate with Bank in the event Bank needs assistance in the balancing of transactions, or such items will be placed in suspense by Bank pending resolution.

Fees

There is a monthly fee associated with use of RDC including the necessary equipment and software to be provided by Bank. Please see the most recent Products and Service Charges disclosure for the current fees associated with RDC and the other Services. Customer agrees that Bank may debit its Deposit Account(s) for the applicable monthly fee.

Substitute Checks

Bank represents and warrants that it has the capability to receive image files and initiate Image Replacement Documents. Bank agrees to remain the Reconverting Bank for all purposes under the Check Clearing Act for the 21st Century, and it's implementing regulations ("Check 21") and makes all warranties required there under.

Liability for Fines

Customer shall be liable for all fines levied against Bank by the National Automated Clearing House Association for any violation of the ACH Rules arising from Customer's intentional misconduct or negligence.

RDC Guides

Upon acceptance of Customer's application for use of RDC, Customer will be provided with a copy of the "RDC Customer Reference Guide". Customer will comply with all provisions and requirements contained in the Guide.

Termination of Service

Upon termination of this Service or the Agreement, all RDC equipment and software will be returned by Customer to Bank. Customer further agrees to certify in writing that all original checks remaining in its possession have been destroyed by a commercially reasonable method (e.g. shredding).

Customer Obligations

Compliance

Customer agrees to abide by all federal and state laws, and rules and regulations applicable to banking transactions, including those of the FFIEC for RDC transactions. Customer also agrees to process transactions as described in the Guides.

Training

Customer agrees to train its employees in the overall use of the RDC services, including the supervision and auditing of their employees' use of the service.

Customer's Representations and Warranties

Customer represents and warrants that all items scanned through image transport are made payable to Customer, that all signatures on each check are authentic and authorized, and that each check has not been altered.

Controls

Customer agrees to have controls in place to ensure that all checks processed through image capture equipment are destroyed within a commercially reasonable period of time, typically 14 days. No check transmitted to Bank shall be deposited into any bank causing funds to be debited twice from the account of the check writer. Customer agrees to be responsible for all consequential damages resulting from lack of proper controls over processed checks. Customer agrees that Bank may, at its discretion, conduct periodic onsite inspections of equipment and control procedures relating to processed checks.

Returns after Termination

If Bank receives a returned item for a check deposited by Customer after Customer has terminated the Agreement, then Customer agrees that Bank may debit Customer's Deposit Account, or if such Deposit Account has been closed by Customer, Bank will send a request for payment to the Customer, and Customer agrees to pay Bank within a commercially reasonable time.

Bank Obligations

Equipment

Bank agrees to provide Customer with equipment options which allow for the capture and transmission of check images and MICR information. Equipment will be owned by Bank, who will be solely responsible for its servicing and repair.

Payment of Deposits

Customer shall receive same day credit for all items processed and transmitted successfully to Bank prior to 7:00 PM EST on any Business Day. Items transmitted after 7:00 PM EST will be processed and credited on the next Business

Day. If applicable, items eligible for clearing through the ACH network will be originated by Bank on the next Business Day and credited to the Customer's Deposit Account.

Reports

Bank shall provide Customer with daily reports via the Internet, detailing items processed, return items, and deposit adjustments.

Retention of Check Images

Bank will retain the image cash letter file for 7 years.

Audit

Bank reserves the right to visit the customer site to ensure compliance with customer obligations. Bank reserves the right to require Customer to provide financial information from time to time to comply with financial monitoring.

POSITIVE PAY SYSTEM

Positive Pay System provides a method of check fraud detection for Customer utilizing a database of issued checks provided by Customer to Bank via Business Online Banking. Customer will transmit a daily listing of issued checks via Business Online Banking not later than 5:00 P.M. on the day of check issuance. Customer agrees that Bank will not be responsible for return of any item not found in the Positive Pay database resulting from Customer's failure to transmit daily issued check listings on a timely basis or failure to include any item in the daily issued check listing. The daily listings of issued checks are compiled into a Customer database and checks presented for payment through in clearings or over-the-counter are verified as issued prior to payment.

Checks Presented Through Inclearings

Customer will be provided a daily report of checks presented through inclearings which cannot be verified as issued through Positive Pay. Customer will notify Bank not later 11:00 AM EST each day whether to pay or return the reported items. Any checks not reviewed or specifically authorized to be returned by Customer will be paid.

Checks Presented Over-the-Counter

Checks presented for cash at any teller window will be verified through the Positive Pay. Any check which cannot be verified through Positive Pay will not be cashed until Customer authorization can be obtained. Customer will provide contact information for purposes of check verification on Positive Pay Agreement, and agrees that such information will be updated as necessary to insure availability of an Authorized Representative of Customer to provide check authorization information.

ACH ORIGINATION AGREEMENT

This agreement is made this the _____ day of _____, 20_____ between: First Federal Bank ("Financial Institution") and _____ _____("Company"). Company wishes to initiate credit and/or debit Entries through the Financial Institution to accounts maintained at Financial Institution and in other depository financial institutions by means of the Automated Clearing House Network ("ACH") pursuant to the terms of this Agreement and the rules of the National Automated Clearing House Association ("NACHA") and Financial Institution's operating rules and procedures for electronic entries, including any exhibits or appendices thereto now in effect, or as may be amended from time to time, (the "Rules"), and Financial Institution is willing to act as an Originating Depository Financial Institution ("ODFI") with respect to such Entries. This Agreement sets forth the terms and conditions pursuant to which Financial Institution will provide to Company the ACH Services outlined herein ("Services"). Company hereby requests Financial Institution to provide the Service described in this Agreement. By executing this Agreement and/or using the Services described in this Agreement, Company accepts and agrees to all terms, conditions, and provisions of this Agreement and agrees that this Agreement sets forth the terms and conditions pursuant to which Financial Institution will provide to Company the Service outlined herein. To the extent that Company transmits Entries via the Internet, Company must execute the Internet Banking System agreement which is hereby incorporated by reference and made a part hereof. In the event of inconsistency between a provision of this Agreement, the Uniform Commercial Code ("UCC"), the Internet Banking System agreement, and/or the Depository Agreement, the provisions of this Agreement shall prevail. Terms not otherwise defined in this Agreement shall have the meaning ascribed to those terms in the Rules. The term "Entry" shall have the meaning provided in the Rules and shall also mean the data received from Company hereunder from which Financial Institution initiates each Entry. First Federal will comply with standards set forth by the "Green Book Guide". For more information about the Green Book Guide please visit https://www.fiscal.treasury.gov/fsreports/ref/greenBook/introduction.htm
Therefore, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Financial Institution and Company, intending to be legally bound, do hereby agree as follows:

AGREEMENTS

1. **COMPLIANCE WITH RULES AND LAWS.** Company acknowledges it has a copy or has access to a copy of the Rules. Company may contact First Federal to borrow a NACHA rules book at any time. Company agrees to comply with and be subject to the Rules of NACHA in existence at the date of this Agreement, and any amendments to these Rules made from time to time. It shall be the responsibility of the Company that the origination of ACH transactions complies with U.S. law, including but is not limited to sanctions enforced by the Office of Foreign Assets Control ("OFAC"). It shall further be the responsibility of the Company to obtain information regarding such OFAC enforced sanctions. (This information may be obtained directly from the OFAC Compliance Hotline at 800-540-OFAC or from the OFAC's home page site at www.ustreas.gov/ofac.) Company agrees that the performance of any action by Financial Institution to debit or credit an account or transfer funds otherwise required by the Rules is excused from the performance of such action to the extent that the action is inconsistent with United States law, including the obligations of the Financial Institution under OFAC or any program administered by the United States Department of the Treasury's Financial Crimes Enforcement Network ("FinCEN"). Company agrees generally and warrants to Financial Institution that all actions by Company contemplated by this Agreement, including the preparation, transmittal, and settlement of Entries and payment orders, shall comply in all material respects with United States laws, regulations, regulatory guidelines and guidance, and official commentaries, including without limitation all such regulations, guidelines, and commentaries issued by the Board of Governors of the Federal Reserve and the Federal Financial Institutions Examination Council ("FFIEC"). Financial Institution will charge the Company with any fines or penalties imposed by OFAC, NACHA or any organization which are incurred as a result of non-compliance by the Company and the Company agrees to fully reimburse and/or indemnify Financial Institution for such charges or fines. The specific duties of the Company provided in the following paragraphs of this Agreement in no way limit the foregoing undertaking. The duties of the Company set forth in the following paragraphs of this Agreement in no way limit the requirement of complying with the Rules.

2. **UNDERWRITING.** Company approval for use of this Service may be subject to underwriting criteria established by Financial Institution from time to time. If Financial Institution requires application of underwriting criteria to Company approval for use of this Service, Financial Institution will communicate to Company the nature and content of that criteria and the information Company will be required to provide to Financial Institution. Company agrees to provide Financial Institution such financial, business and operating information as Financial Institution may reasonably request in connection with Financial Institution's underwriting and approval process. Financial Institution may require the personal guarantee of a principal or an owner of company. **Schedule F** should be executed if such a guarantee is required.

3. **SECURITY INTEREST.** To secure the payment and performance of Company's obligations set forth herein, Company grants to Financial Institution a security interest in and pledges and assigns to Financial Institution all of Company's right, title, and interest in the following described property, whether now owned or hereafter existing or acquired and wherever located: (a) all monies, instruments, savings, checking and other accounts of Company (excluding IRA, Keogh, trust accounts and other accounts subject to tax penalties if so assigned) that are now or in the future in Financial Institution's custody or control; (b) any other collateral described in any security instrument securing the obligations of Company to Financial Institution under this Agreement or any other obligation of Company to Financial Institution; and (c) all proceeds and products of the property as well as any replacements, accessions, substitutions, and additions to any of the above.

4. **DESIGNATION OF ADMINISTRATOR.** In order to originate ACH Entries, Company must designate at least one Administrator. Administrator(s) shall be responsible for designating "Users" who Company authorizes to issue Entries on its behalf. For the purposes of this Agreement, the term User shall also include the Administrator. The Financial Institution shall be entitled to rely on the designations made by the Company's Administrator(s) and shall not be responsible for matching the names of the company Users designated by the Administrator(s) to names or titles listed in Company's banking resolutions. Company agrees that any such online Entries shall comply with Financial Institution's Security Procedures, which are subject to change without notice to Company. Although Financial Institution is only required to act upon the instructions of the User(s), the Financial Institution may, in its sole discretion, execute debit or credit Entries initiated by any individuals authorized by Company to sign checks on Company accounts. The signature cards establishing the authorized signatories for Company deposit accounts are hereby incorporated by reference and made a part hereof.

5. **TRANSMISSION OF ENTRIES BY COMPANY.** User(s) shall initiate the debit or credit Entries in Schedule A hereunder on behalf of and selected by Company. Financial Institution shall be entitled to deem any person having knowledge of any Security Procedure, defined below in Section 8 of this Agreement and required to initiate Entries under this Agreement, to be a User. User(s) shall transmit Entries to Financial Institution in computer readable form in compliance with the formatting and other requirements set forth in the NACHA file specifications or as otherwise

specified by Financial Institution. Entries shall be transmitted to Financial Institution no later than the time and the number of days prior to the Effective Entry Date specified in the Processing Schedule attached hereto and made a part hereof as Schedule B. For the purposes of this Agreement, "Business Day" means Monday through Friday, excluding federal holidays and the "Settlement Date" with respect to any Entry shall be the Business Day when such Entry is debited or credited in accordance with instructions of the Company. A federal holiday calendar is attached as Schedule D. Entries received after the cut off time shall be deemed to have been received on the next Business Day. The total dollar amount of Entries transmitted by Company to Financial Institution on any one Settlement Day shall not exceed the lesser of the amount of collected funds in Company's account or the ACH Processing Limit set forth in the ACH Application and Approval form.

6. **THIRD PARTY SERVICE PROVIDERS.** Company may be using special equipment, services or software provided by a third party to assist it in processing Files hereunder ("Service Provider"). Company agrees not to use a Service Provider to transmit files to Financial Institution without first entering into Financial Institution's Third Party Service Provider Agreement. If Company uses Service Provider to transmit Files to Financial Institution and Company and Service Provider have not entered into a Third Party Service Provider Agreement, Company (a) agrees that Service Provider is acting as Company's agent in the delivery of Files to Financial Institution, and (b) agrees to assume full responsibility and liability for any failure of Service Provider to comply with the laws of the United States, the Rules and this Agreement. Financial Institution will not be liable for any losses or additional costs incurred by Company as a result of any error by Service Provider or a malfunction of equipment provided by Service Provider. Company is solely responsible for maintaining compliance with the requirements of Service Provider, including obtaining any software updates. Financial Institution's sole responsibility shall be to transmit Financial Institution approved transactions to the ACH Operator and Financial Institution shall not have any responsibility for any File handled by Service Provider until that point in time when Financial Institution accepts and approves a File from such Service Provider for processing. If Financial Institution authorizes Company to use a Service Provider, the terms and conditions governing the relationship between Company and the Service Provider shall be governed by a separate agreement between Company and Service Provider ("Service Provider Agreement"). All of Company's obligations and responsibilities under this Agreement will apply to the Service Provider, and Company's separate agreement with the Service Provider must so provide. At Financial Institution's request, Company will provide to Financial Institution a true and exact copy of such agreement. Company shall designate the Service Provider as a User and the Service Provider must also enter into a Service Provider Agreement before the Service Provider sends Files to Financial Institution. Notwithstanding the foregoing, Company hereby authorizes Financial Institution to accept any File submitted by the Service Provider even if the Service Provider has not been designated as a User or if the Third Party Service Provider has not executed the Service Provider agreement. Company hereby indemnifies and holds Financial Institution harmless for any losses, damages, fines, assessments, costs and expenses incurred or suffered by Financial Institution or any other person as a result of or arising from Company's use of Service Provider, including fines or assessments incurred under or pursuant to the Rules and attorneys' fees.

7. **SECURITY PROCEDURES.**

   (a) The Company shall comply with the "Security Procedures" described in Schedule C attached hereto and made a part hereof, and Company acknowledges and agrees that the Security Procedures, including (without limitation) any code, password, personal identification number, user identification technology, token, certificate, or other element, means, or method of authentication or identification used in connection with a Security Procedure ("Security Devices") used in connection therewith, constitute commercially reasonable security procedures under applicable law for the initiation of ACH entries. Company authorizes Financial Institution to follow any and all instructions entered and transactions initiated using applicable Security Procedures unless and until Company has notified Financial Institution, according to notification procedures prescribed by Financial Institution, that the Security Procedures or any Security Device has been stolen, compromised, or otherwise become known to persons other than User(s) and until Financial Institution has had a reasonable opportunity to act upon such notice. Company agrees that the initiation of a transaction using applicable Security Procedures constitutes sufficient authorization for Financial Institution to execute such transaction notwithstanding any particular signature requirements identified on any signature card or other documents relating to Company's deposit account maintained with Financial Institution, and Company agrees and intends that the submission of transaction orders and instructions using the Security Procedures shall be considered the same as Company's written signature in authorizing Financial Institution to execute such transaction. Company acknowledges and agrees that Company shall be bound by any and all Entries initiated through the use of such Security Procedures, whether authorized or unauthorized, and by any and all transactions and activity otherwise initiated by User(s), to the fullest extent allowed by law. Company further acknowledges and agrees that the Security Procedures are not designed to detect error in the transmission or content of communications or Entries initiated by Company and that Company bears the sole responsibility for detecting and preventing such error.

   (b) Company agrees to keep all Security Procedures and Security Devices protected, secure, and strictly confidential and to provide or make available the same only to User(s). Company agrees to instruct each User not to disclose or provide any Security Procedures or Security Devices to any unauthorized person. Financial Institution shall distribute Security Devices to the Administrator and Financial Institution shall otherwise communicate with the Administrator regarding Security Procedures. Company's Administrator shall have responsibility to distribute Security Devices to User(s) and to ensure the proper implementation and use of the Security Procedures by User(s). Where Company has the ability to change or modify a Security Device from time to time (e.g., a password or PIN), Company agrees to change Security Devices frequently in order to ensure the security of the Security Device. Company agrees to notify Financial Institution immediately, according to notification procedures prescribed by Financial Institution, if Company believes that any Security Procedures or Security Device has been stolen, compromised, or otherwise become known to persons other than User(s) or if Company believes that any ACH transaction or activity is unauthorized or in error. In the event of any actual or threatened breach of security, Financial Institution may issue Company a new Security Device or establish new Security Procedures as soon as reasonably practicable, but Financial Institution shall not be liable to Company or any third party for any delay in taking such actions.

   (c) Company agrees to notify Financial Institution immediately, according to notification procedures prescribed by Financial Institution, if the authority of any Administrator(s) shall change or be revoked. Company shall recover and return to Financial Institution any Security Devices in the possession of any User(s) whose authority to have the Security Device has been revoked.

   (d) Financial Institution reserves the right to modify, amend, supplement, or cancel any or all Security Procedures, and/or to cancel or replace any Security Device, at any time and from time to time in Financial Institution's discretion. Financial Institution will endeavor to give Company reasonable notice of any change in Security Procedures; provided that Financial Institution may make any change in Security Procedures without advance notice to Company if Financial Institution, in its judgment and discretion, believes such change to be necessary or desirable to protect the security of Financial Institution's systems and assets. Company's implementation and use of any changed Security Procedures after any change in Security Procedures shall constitute Company's agreement to the change and Company's agreement that the applicable Security Procedures, as changed, are commercially reasonable and adequate for the purposes intended.

8. **PHYSICAL AND ELECTRONIC SECURITY**

(a) Company is solely responsible for providing for and maintaining the physical, electronic, procedural, administrative, and technical security of data and systems in Company's possession or under Company's control. Financial Institution is not responsible for any computer viruses (including, without limitation, programs commonly referred to as "malware," "keystroke loggers," and/or "spyware"), problems or malfunctions resulting from any computer viruses, or any related problems that may be associated with the use of an online system or any ACH Origination services. Any material downloaded or otherwise obtained is obtained at Company's own discretion and risk, and Financial Institution is not responsible for any damage to Company's computer or operating systems or for loss of data that results from the download of any such material, whether due to any computer virus or otherwise. Company is solely responsible for maintaining and applying anti-virus software, security patches, firewalls, and other security measures with respect to Company's operating systems, and for protecting, securing, and backing up any data and information stored in or on Company's operating systems. Financial Institution is not responsible for any errors or failures resulting from defects in or malfunctions of any software installed on Company's operating systems or accessed through an Internet connection.

(b) Company acknowledges and agrees that it is Company's responsibility to protect itself and to be vigilant against e-mail fraud and other internet frauds and schemes (including, without limitation, fraud commonly referred to as "phishing" and "pharming"). Company agrees to educate User(s), agents, and employees as to the risks of such fraud and to train such persons to avoid such risks. Company acknowledges that Financial Institution will never contact Company by e-mail in order to ask for or to verify Account numbers, Security Devices, or any sensitive or confidential information. In the event Company receives an e-mail or other electronic communication that Company believes, or has reason to believe, is fraudulent, Company agrees that neither Company nor its User(s), agents, and employees shall respond to the e-mail, provide any information to the e-mail sender, click on any links in the e-mail, or otherwise comply with any instructions in the e-mail. Company agrees that Financial Institution is not responsible for any losses, injuries, or harm incurred by Company as a result of any electronic, e-mail, or Internet fraud.

(c) In the event of a breach of the Security Procedure, Company agrees to assist Financial Institution in determining the manner and source of the breach. Such assistance shall include, but shall not be limited to, providing Financial Institution or Financial Institution's agent access to Company's hard drive, storage media and devices, systems and any other equipment or device that was used in breach of the Security Procedure. Company further agrees to provide to Financial Institution any analysis of such equipment, device, or software or any report of such analysis performed by Company, Company's agents, law enforcement agencies, or any other third party. Failure of Company to assist Financial Institution shall be an admission by Company that the breach of the Security Procedure was caused by a person who obtained access to transmitting facilities of Company or who obtained information facilitating the breach of the Security Procedure from Company and not from a source controlled by Financial Institution.

9. **INTERNATIONAL ACH TRANSACTIONS ("IAT").** Company shall not initiate any IAT Entries without Financial Institution's prior approval. If approved by Financial Institution, the following provisions apply to IAT Entries originated by Company: returned IAT Entry, consumer payments will be credited to Company at the originated U.S. dollar amount; corporate payments will be credited to Company at the exchange rate determined by Financial Institution's processor at the time of return.

(a) IAT Entries are transmitted by Financial Institution in U.S. dollars and converted to the local currency for receipt in the foreign country at the exchange rate determined by Financial Institution's processor on the date determined by Financial Institution's processor. All risk of fluctuation in the applicable exchange rate is borne by Company and Company agrees and acknowledges that Financial Institution shall not be liable to Company for any loss or charge incurred by Company as the result of the application of any foreign currency exchange criteria imposed by any institution or agency located outside the United States.

(b) In the event of a returned IAT Entry, consumer payments will be credited to Company at the originated U.S. dollar amount; corporate payments will be credited to Company at the exchange rate determined by Financial Institution's processor at the time of return.

(c) In the event of an error in an Entry or duplicate entries, Company acknowledges and agrees that Company shall be liable for any and all losses caused by and a direct or indirect result from the error or duplicate Entry.

(d) Company shall originate all International ACH Transactions, as that term is defined in the Rules, with an IAT SEC code and Company hereby agrees to abide by all of the Rules related to IAT Entries.

(e) Company agrees that in the case of a non-Consumer Account, Company shall enter into an agreement with the Receiver whereby the Receiver agrees to abide by the Rules in effect from time to time.

(f) Company acknowledges that it has reviewed and understands provisions of the Rules dealing with exceptions for outbound IAT Entries and Company understands and agrees that laws, regulations, and rules of the country in which the Receiver is located shall govern the matters listed within that subsection. Company further acknowledges that Company understands how such laws, regulations and rules differ from the Rules.

(g) Company agrees and acknowledges that any assistance by Financial Institution does not in any manner obligate Financial Institution for the accuracy or enforceability of the Entry in any country outside the United States.

(h) Company bears the risk of any loss caused by any delay, tax, cost, tariff, fee, or other charge incurred on account of the Entry in any country outside the United States.

(i) If the settlement of any IAT Entry involves clearing of the Entry in more than one country outside the United States, Financial Institution shall be permitted to rely upon any advice or instruction received by Financial Institution from the financial institution or financial agency located in the first country outside the United States to which the Entry is directed.

(j) Company hereby indemnifies Financial Institution from and against any and all resulting claims, demands, losses, liabilities, or expenses, including attorneys' fees and costs, resulting directly or indirectly from Company's origination of an IAT Entry.

10. **CREDIT AND DEBIT ENTRIES; RECORDS RETENTION.** Company shall obtain an authorization ("Authorization Agreement" Schedule E) as required by the Rules from the person or entity whose account will be debited or credited as the result of a debit or credit Entry initiated by Company and Company shall retain the Authorization Agreement in original form while it is in effect and the original or a copy of each

authorization for two (2) years after termination or revocation of such authorization as stated in the Rules. Upon request, Company shall furnish the original or a copy of the authorization to any affected Participating Depository Financial Institution, as defined in the Rules.

The following table shows the proper SEC Codes to use depending on how you obtained the authorization to debit/credit an individual or company's account:

SEC Code	Debit / Credit	Authorization Method
PPD	Debit or Credit	Document signed by individual or similarly authenticated
CCD, CTX	Debit or Credit	Document signed or verbal agreement by Company
WEB, TEL	Debit	As required per NACHA rules.

11. **RECORDING AND USE OF COMMUNICATIONS.** Company and Financial Institution agree that all telephone conversations or data transmissions between them or their agents made in connection with this Agreement may be electronically recorded and retained by either party by use of any reasonable means. Financial Institution shall not be obligated to make such recordings.

12. **PROCESSING, TRANSMITTAL, AND SETTLEMENT BY FINANCIAL INSTITUTION.** Except as otherwise provided for in this Agreement and if Financial Institution elects to accept Entries, Financial Institution shall:

    (a) (i) use commercially reasonable efforts to comply with the instructions of Company, (ii) process Entries received from Company to conform with the file specifications set forth in the Rules, (iii) transmit such Entries as an ODFI to the "ACH" processor selected by Financial Institution, (iv) settle for such Entries as provided in the Rules, and (v) in the case of a credit Entry received for credit to an account with Financial Institution ("On-Us Entry"), Financial Institution shall credit the Receiver's account in the amount of such credit Entry on the Effective Entry Date contained in such credit Entry provided such credit Entry is received by Financial Institution at the time and in the form prescribed by Financial Institution in Section 5.

    (b) transmit such Entries to the ACH processor by the deposit deadline of the ACH processor, provided: (i) such Entries are completely received by Financial Institution's cut-off time at the location specified by Financial Institution to Company from time to time; (ii) the Effective Entry Date satisfies the criteria provided by Financial Institution to Company; and (iii) the ACH processor is open for business on such Business Day. Company agrees that the ACH processor selected by Financial Institution shall be considered to have been selected by and designated by Company. The Company will receive immediately available funds for any electronic debit entry initiated by it on the Settlement Date applicable thereto.

13. **SETTLEMENT OF CREDIT ENTRIES AND RETURNED DEBIT ENTRIES.** Company agrees to settle for all credit Entries issued by Company, User(s), or credit Entries otherwise made effective against Company. Company shall make settlement at such time on the date of transmittal by Financial Institution of such credit Entries as Financial Institution, in its discretion, may determine, and the amount of each On-Us Entry at such time on the Effective Date of such credit Entry as Financial Institution, in its discretion, may determine. Company shall settle with Financial Institution for the amount of each debit Entry returned by a Receiving Depository Financial Institution ("RDFI") or debit Entry dishonored by Financial Institution. Settlement shall be made by Company to Financial Institution in any manner specified by Financial Institution. Notwithstanding the foregoing, Financial Institution is hereby authorized to charge the account(s) ("Authorized Account(s)") designated in eCorp Set Up Request, as settlement for credit Entries issued by Company or returned or dishonored debit Entries. If Financial Institution requires pre-funding, Company shall maintain sufficient collected funds in the Authorized Account(s) to settle for the credit Entries at the time the credit Entries are issued by Company. In the event the Authorized Account or any other Company bank account does not have collected funds sufficient on the Settlement Date to cover the total amount of all Entries to be paid on such Settlement Date, Financial Institution may take any of the following actions:

    (a) Refuse to process all Entries, in which event Financial Institution shall return the data relating to such credit Entries to Company, whereupon Financial Institution shall have no liability to Company or to any third party as a result thereof; or

    (b) Process that portion of the credit Entries as Company has sufficient available funds in the Authorized Account to cover, in whatever order Financial Institution in its sole discretion shall elect to process, in which event Financial Institution shall return the data relating to such credit Entries as are not processed to Company, whereupon Financial Institution shall have no liability to Company or any third party as a result thereof; or

    (c) Process all credit Entries. In the event Financial Institution elects to process credit Entries initiated by Company and Company has not maintained sufficient available funds in the Authorized Account with Financial Institution to cover them, the total amount of the insufficiency advanced by Financial Institution on behalf of Company shall be immediately due and payable by Company to Financial Institution without any further demand from Financial Institution. If Financial Institution elects to pay Company's account in the overdraft on any one or more occasions, it shall not be considered a waiver of Financial Institution's rights to refuse to do so at any other time nor shall it be an agreement by Financial Institution to pay other items in the overdraft.

14. **PRE-FUNDING.** Customer will provide immediately available and collected funds sufficient to pay all ACH credit Entries initiated by Company the earlier of a) not later than 8:00 a.m. local time 2 banking days before each Settlement date; or b) when the ACH file is submitted for processing. Pre-funding is processed by holding funds sufficient to cover the full amount of the Entries initiated by Company until the Settlement date. Files

submitted more than 2 banking days before Settlement date will go through the pre-funding process 2 banking days before each Settlement date. Files initiated by Company that fail the pre-funding process as described will not be processed until funds are made available.

15. **ON-US ENTRIES.** Except as provided in Section 17, Rejection of Entries, or in the case of an Entry received for credit to an account maintained with Financial Institution (an "On-Us Entry"), the Financial Institution shall credit the Receiver's account in the amount of such Entry on the Effective Entry Date contained in such Entry, provided the requirements set forth in Section 12 (b) (i), (ii), and (iii) are met. If any of those requirements are not met, the Financial Institution shall use reasonable efforts to credit the Receiver's account in the amount of such Entry no later than the next Business Day following such Effective Entry Date.

16. **RESERVES.** From time to time, Financial Institution shall evaluate Company's transaction activity for the purpose of establishing averages for transaction frequency, amount, returns and adjustments. These evaluations will occur at least annually and may occur more frequently at Financial Institution's discretion. In connection with these evaluations, Financial Institution reserves the right to require Company to establish reserves with Financial Institution calculated by Financial Institution to cover Company's obligations to Financial Institution arising from ACH activities under this Agreement. Reserves may be expressed as a fixed dollar amount or as a "rolling reserve" calculated based on "rolling" averages determined by Financial Institution's periodic evaluations. The amount of reserves required by Financial Institution, if any, will be communicated directly to Company from time to time. Company agrees to establish reserves as required by Financial Institution within 5 banking days after receipt of a communication from Financial Institution setting forth the amount of required reserves and the basis of calculation used to determine the amount of reserves. Financial Institution may suspend ACH processing activity for Company if Company fails to establish the required amount of reserves within the time period specified by Financial Institution in its communication to Company.

17. **REJECTION OF ENTRIES.** Company agrees that Financial Institution has no obligation to accept Entries and therefore may reject any Entry issued by Company. Financial Institution has no obligation to notify Company of the rejection of an Entry but Financial Institution may do so at its option. Financial Institution shall have no liability to Company for rejection of an Entry and shall not be liable to pay interest to Company even if the amount of Company's payment order is fully covered by a withdrawable credit balance in an Authorized Account of Company or the Financial Institution has otherwise received full payment from Company. Financial Institution reserves the right to suspend/hold any originated file or transaction/transactions within the file that it deems necessary and allow originator to correct/adjust the file to the Financial Institution's approval. Financial Institution will then process the approved file, transaction/transactions for transmission.

18. **CANCELLATION OR AMENDMENT BY COMPANY.** Company shall have no right to cancel or amend any Entry after its receipt by Financial Institution. However, Financial Institution may, at its option, accept a cancellation or amendment by Company. If Financial Institution accepts a cancellation or amendment of an Entry, Company must comply with the Security Procedures provided in Section 7 of this Agreement. If such a request is received by the Financial Institution before the affected Entry has been transmitted to the ACH (or, in the case of an On Us Entry, before the Receiver's account has been credited or debited), the Financial Institution will use reasonable efforts to cancel or amend the Entry as requested, but the Financial Institution shall have no liability if the cancellation or amendment is not effected. If Financial Institution accepts a cancellation or amendment of an Entry, Company hereby agrees to indemnify, defend all claims and hold Financial Institution harmless from any loss, damages, or expenses, including but not limited to attorney's fees, incurred by Financial Institution as the result of its acceptance of the cancellation or amendment.

19. **REVERSALS OF ENTRIES.**

    (a) General Procedure. Upon proper and timely request by the Company, the Financial Institution will use reasonable efforts to effect a reversal of an Entry or File. To be "proper and timely," the request must (i) be made within five (5) Business Days of the Effective Entry Date for the Entry or File to be reversed; (ii) be made immediately, not to exceed ten (10) hours, upon discovery of the error; and (iii) be accompanied by a Reversal/Cancellation Request form and comply with all of the Rules. In addition, if the Company requests reversal of a Debit Entry or Debit File, it shall concurrently deposit into the Company Account an amount equal to that Entry or File. The Company shall notify the Receiver of any reversing Entry initiated to correct any Entry it has initiated in error. The notification to the Receiver must include the reason for the reversal and be made no later than the Settlement Date of the reversing Entry.

    (b) No Liability: Reimbursement to the Financial Institution. Under no circumstances shall the Financial Institution be liable for interest or related losses if the requested reversal of an Entry is not effected. The Company shall reimburse the Financial Institution for any expenses, losses or damages it incurs in effecting or attempting to effect the Company's request for reversal of an Entry.

20. **ERROR DETECTION.** Financial Institution has no obligation to discover and shall not be liable to Company for errors made by Company, including but not limited to errors made in identifying the Receiver, or an Intermediary or RDFI or for errors in the amount of an Entry or for errors in Settlement Dates. Financial Institution shall likewise have no duty to discover and shall not be liable for duplicate Entries issued by Company. Notwithstanding the foregoing, if the Company discovers that any Entry it has initiated was in error, it shall notify the Financial Institution of such error. If such notice is received no later than four (4) hours prior to the ACH receiving deadline, the Financial Institution will utilize reasonable efforts to initiate an adjusting Entry or stop payment of any On-Us" credit Entry within the time limits provided by the Rules. In the event that Company makes an error or issues a duplicate Entry, Company shall indemnify, defend all claims, and hold Financial Institution harmless from any loss, damages, or expenses, including but not limited to attorney's fees, incurred by Financial Institution as result of the error or issuance of duplicate Entries. Company is responsible for verifying file transmission to Financial Institution by checking for error messages and completed confirmation numbers.

21. **PROHIBITED TRANSACTIONS.** Company agrees not to use or attempt to use the Services (a) to engage in any illegal purpose or activity or to violate any applicable law, rule or regulation, (b) to breach any contract or agreement by which Company is bound, (c) to engage in any internet or online gambling transaction, whether or not gambling is legal in any applicable jurisdiction, or (d) to engage in any transaction or activity that is not specifically authorized and permitted by this Agreement. Company acknowledges and agrees that Financial Institution has no obligation to monitor Company's use of the Services for transactions and activity that is impermissible or prohibited under the terms of this Agreement; provided, however, that Financial Institution reserves the right to decline to execute any transaction or activity that Financial Institution believes violates the terms of this Agreement.

22. **PRENOTIFICATION.** Company, must send prenotification that it intends to initiate an Entry or Entries to a particular account within the time limits prescribed for such notice in the Rules. Such notice shall be provided to the Financial Institution in the format and on the medium provided in the media format section of such Rules. If Company receives notice that such prenotification has been rejected by an RDFI within the prescribed period, or that an RDFI will not receive Entries without having first received a copy of the Authorization signed by its customer, Company will not initiate any corresponding Entries to such accounts until the cause for rejection has been corrected or until providing the RDFI with such authorization within the time limits provided by the Rules.

23. **NOTICE OF RETURNED ENTRIES AND NOTIFICATIONS OF CHANGE.** Financial Institution shall notify Company by e-mail, facsimile transmission, US mail, or other means of the receipt of a returned Entry from the ACH Operator. Except for an Entry retransmitted by Company in accordance with the requirements of Section 5, Financial Institution shall have no obligation to retransmit a returned Entry to the ACH Operator if Financial Institution complied with the terms of this Agreement with respect to the original Entry. Company shall notify the Receiver by phone or electronic transmission of receipt of each return Entry no later than one Business Day after the Business Day of receiving such notification from Financial Institution. Financial Institution shall provide Company all information, as required by the Rules, with respect to each Notification of Change ("NOC") Entry or Corrected Notification of Change ("Corrected NOC") Entry received by Financial Institution relating to Entries transmitted by Company. Financial Institution must provide such information to Company within two (2) banking days of the Settlement Date of each NOC or Corrected NOC Entry. Company shall ensure that changes requested by the NOC or Corrected NOC are made within six (6) banking days of Company's receipt of the NOC information from Financial Institution or prior to initiating another Entry to the Receiver's account, whichever is later.

24. **ACCOUNT RECONCILIATION.** The Company agrees to notify the Financial Institution promptly of any discrepancy between the Company's records and the information shown on any periodic statement. If the Company fails to notify the Financial Institution within ten (10) calendar days of receipt of a periodic statement containing such information; the Company agrees that the Financial Institution shall not be liable for any other losses resulting from the Company's failure to give such notice or any loss of interest or any interest equivalent with respect to any Entry shown on such periodic statement. If the Company fails to notify the Financial Institution within thirty (30) calendar days of receipt of such periodic statement, the Company shall be precluded from asserting any discrepancy against the Financial Institution.

25. **PROVISIONAL SETTLEMENT.** Company shall be bound by and comply with the Rules as in effect from time to time, including without limitation the provision thereof making payment of an Entry by the RDFI to the Receiver provisional until receipt by the RDFI of final settlement for such Entry; and Company acknowledges that it has received notice of that Rule and or the fact that, if such settlement is not received, the RDFI shall be entitled to a refund from the Receiver of the amount credited and Company shall not be deemed to have paid the Receiver the amount of the Entry.

26. **COMPANY REPRESENTATIONS AND WARRANTIES; INDEMNITY.** With respect to each and every Entry transmitted by Company, Company represents and warrants to Financial Institution and agrees that (a) each person or entity shown as the Receiver on an Entry received by Financial Institution from Company has authorized the initiation of such Entry and the crediting or debiting of its account in the amount and on the Effective Entry Date shown on such Entry, (b) such authorization is operative at the time of transmittal or crediting or debiting by Financial Institution as provided herein, (c) Entries transmitted to Financial Institution by Company are limited to those types of credit and debit Entries set forth in Schedule A, (d) Company shall perform its obligations under this Agreement in accordance with all applicable laws, regulations, and orders, including, but not limited to, the sanctions laws, regulations, and orders administered by OFAC; laws, regulations, and orders administered FinCEN; and any state laws, regulations, or orders applicable to the providers of ACH payment services, and (e) Company shall be bound by and comply with the provision of the Rules (among other provisions of the Rules) making payment of an Entry by the RDFI to the Receiver provisional until receipt by the RDFI of final settlement for such Entry. Company specifically acknowledges that it has received notice of the rule regarding provisional payment and of the fact that, if such settlement is not received, the RDFI shall be entitled to a refund from the Receiver of the amount credited and Company shall not be deemed to have paid the Receiver the amount of the Entry. The Company shall defend, indemnify, and hold harmless the Financial Institution, and its officers, directors, agents, and employees, from and against any and all actions, costs, claims, losses, damages, or expenses, including attorney's fees and expenses, resulting from or arising out of (aa) any breach of any of the agreements, representations or warranties of the Company contained in this Agreement; or (bb) any act or omission of the Company or any other person acting on the Company's behalf.

27. **FINANCIAL INFORMATION AND AUDIT.** Financial Institution may from time to time request information from Company in order to evaluate a continuation of the Service to be provided by Financial Institution hereunder and/or adjustment of any limits set by this Agreement. Company agrees to provide the requested financial information immediately upon request by Financial Institution, in the form required by Financial Institution. Company authorizes Financial Institution to investigate or reinvestigate at any time any information provided by Company in connection with this Agreement or the Service. Upon request by Financial Institution, Company hereby authorizes Financial Institution to enter Company's business premises for the purpose of ensuring that Company is in compliance with this Agreement and Company specifically authorizes Financial Institution to perform an audit of Company's operational controls, risk management practices, staffing and the need for training and ongoing support, and information technology infrastructure. Company hereby acknowledges and agrees that Financial Institution shall have the right to mandate specific internal controls at Company's location(s) and Company shall comply with any such mandate. In addition, Company hereby agrees to allow Financial Institution to review available reports of independent audits performed at the Company location related to information technology, the Service and any associated operational processes. Company agrees that if requested by Financial Institution, Company will complete a self-assessment of Company's operations, management, staff, systems, internal controls, training and risk management practices that would otherwise be reviewed by Financial Institution in an audit of Company. If Company refuses to provide the requested financial information, or if Financial Institution concludes, in its sole discretion, that the risk of Company is unacceptable, if Company violates this Agreement or the Rules, or if Company refuses to give Financial Institution access to Company's premises, Financial Institution may terminate the Service and this Agreement according to the provisions hereof.

28. **LIMITATION OF LIABILITY.**

    (a) IN THE PERFORMANCE OF THE SERVICES REQUIRED BY THIS AGREEMENT, FINANCIAL INSTITUTION SHALL BE ENTITLED TO RELY SOLELY ON THE INFORMATION, REPRESENTATIONS, AND WARRANTIES PROVIDED BY COMPANY PURSUANT TO THIS AGREEMENT, AND SHALL NOT BE RESPONSIBLE FOR THE ACCURACY OR COMPLETENESS THEREOF. FINANCIAL INSTITUTION SHALL BE RESPONSIBLE ONLY FOR PERFORMING THE SERVICES EXPRESSLY PROVIDED FOR IN THIS AGREEMENT, AND SHALL BE LIABLE ONLY FOR ITS GROSS NEGLIGENCE OR WILLFUL MISCONDUCT IN PERFORMING THOSE SERVICES. FINANCIAL INSTITUTION SHALL NOT BE RESPONSIBLE FOR COMPANY'S ACTS OR OMISSIONS (INCLUDING, WITHOUT LIMITATION, THE AMOUNT, ACCURACY, TIMELINESS OF TRANSMITTAL OR AUTHORIZATION OF ANY ENTRY RECEIVED FROM COMPANY) OR THOSE OF ANY OTHER PERSON, INCLUDING, WITHOUT LIMITATION, ANY FEDERAL RESERVE BANK, ACH OPERATOR OR TRANSMISSION OR COMMUNICATIONS FACILITY, ANY RECEIVER OR RDFI (INCLUDING, WITHOUT LIMITATION, THE RETURN OF ANY ENTRY BY SUCH RECEIVER OR RDFI), AND NO SUCH PERSON SHALL BE DEEMED FINANCIAL INSTITUTION'S AGENT. COMPANY AGREES TO INDEMNIFY FINANCIAL INSTITUTION AGAINST ANY LOSS, LIABILITY OR EXPENSE (INCLUDING ATTORNEYS' FEES AND COSTS) RESULTING FROM OR ARISING OUT OF ANY CLAIM OF ANY PERSON THAT THE FINANCIAL INSTITUTION IS RESPONSIBLE FOR ANY ACT OR OMISSION OF COMPANY OR ANY OTHER PERSON DESCRIBED IN THIS SECTION 28(a).

(b) FINANCIAL INSTITUTION SHALL BE LIABLE FOR COMPANY'S ACTUAL DAMAGES DUE TO CLAIMS ARISING SOLELY FROM FINANCIAL INSTITUTION'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT; IN NO EVENT SHALL FINANCIAL INSTITUTION BE LIABLE FOR ANY CONSEQUENTIAL, SPECIAL, INCIDENTAL, PUNITIVE OR INDIRECT LOSS OR DAMAGE WHICH COMPANY MAY INCUR OR SUFFER IN CONNECTION WITH THIS AGREEMENT, WHETHER OR NOT THE LIKELIHOOD OF SUCH DAMAGES WAS KNOWN OR CONTEMPLATED BY THE FINANCIAL INSTITUTION AND REGARDLESS OF THE LEGAL OR EQUITABLE THEORY OF LIABILITY WHICH COMPANY MAY ASSERT, INCLUDING, WITHOUT LIMITATION, LOSS OR DAMAGE FROM SUBSEQUENT WRONGFUL DISHONOR RESULTING FROM FINANCIAL INSTITUTION'S ACTS OR OMISSIONS PURSUANT TO THIS AGREEMENT.

(c) WITHOUT LIMITING THE GENERALITY OF THE FOREGOING PROVISIONS, FINANCIAL INSTITUTION SHALL BE EXCUSED FROM FAILING TO ACT OR DELAY IN ACTING IF SUCH FAILURE OR DELAY IS CAUSED BY LEGAL CONSTRAINT, INTERRUPTION OF TRANSMISSION OR COMMUNICATION FACILITIES, EQUIPMENT FAILURE, WAR, EMERGENCY CONDITIONS OR OTHER CIRCUMSTANCES BEYOND FINANCIAL INSTITUTION'S CONTROL. IN ADDITION, FINANCIAL INSTITUTION SHALL BE EXCUSED FROM FAILING TO TRANSMIT OR DELAY IN TRANSMITTING AN ENTRY IF SUCH TRANSMITTAL WOULD RESULT IN FINANCIAL INSTITUTION'S HAVING EXCEEDED ANY LIMITATION UPON ITS INTRA-DAY NET FUNDS POSITION ESTABLISHED PURSUANT TO PRESENT OR FUTURE FEDERAL RESERVE GUIDELINES OR IN FINANCIAL INSTITUTION'S REASONABLE JUDGMENT OTHERWISE WOULD VIOLATE ANY PROVISION OF ANY PRESENT OR FUTURE RISK CONTROL PROGRAM OF THE FEDERAL RESERVE OR ANY RULE OR REGULATION OF ANY OTHER U.S. GOVERNMENTAL REGULATORY AUTHORITY.

(d) SUBJECT TO THE FOREGOING LIMITATIONS, FINANCIAL INSTITUTION'S LIABILITY FOR LOSS OF INTEREST RESULTING FROM ITS ERROR OR DELAY SHALL BE CALCULATED BY USING A RATE EQUAL TO THE AVERAGE FEDERAL FUNDS RATE AT THE FEDERAL RESERVE BANK OF NEW YORK FOR THE PERIOD INVOLVED. AT FINANCIAL INSTITUTION'S OPTION, PAYMENT OF SUCH INTEREST MAY BE MADE BY CREDITING THE ACCOUNT.

29. **INCONSISTENCY OF NAME AND ACCOUNT NUMBER.** The Company acknowledges and agrees that, if an Entry describes the Receiver inconsistently by name and account number, payment of the Entry transmitted by the Financial Institution to the RDFI may be made by the RDFI (or by the Financial Institution in the case of an On-Us Entry) on the basis of the account number supplied by the Company, even if it identifies a person different from the named Receiver, and that the Company's obligation to pay the amount of the Entry to the Financial Institution is not excused in such circumstances. Company is liable for and must settle with Financial Institution for any Entry initiated by Company that identifies the Receiver by account or identifying number or by name and account or identifying number.

30. **PAYMENT FOR SERVICES.** The Company shall pay the Financial Institution the charges for the services provided in connection with this Agreement, as set forth in Annual Fee Disclosure. All fees and services are subject to change upon thirty (30) days prior written notice from the Financial Institution. Such charges do not include, and the Company shall be responsible for payment of, any sales, use, excise, value added, utility or other similar taxes relating to such services, and any fees or charges provided for in the Depository Agreement between the Financial Institution and the Company with respect to the Account.

31. **AMENDMENTS.** Except as provided in Section 30, the Financial Institution may amend this agreement from time to time upon written notice to the Company. In the event that performance of services under this Agreement would result in a violation of any present or future statute, regulation or governmental policy to which the Financial Institution is subject, then this Agreement shall be amended to the extent necessary to comply with such statute, regulation or policy. Alternatively, the Financial Institution may terminate this Agreement if it deems such action necessary or appropriate under the circumstances. The Financial Institution shall have no liability to the Company as a result of any such violation, amendment or termination. Any practices or course of dealings between the Financial Institution and the Company, or any procedures or operational alterations used by them, shall not constitute a modification of this Agreement or the Rules, nor shall they be construed as an amendment to this Agreement or the Rules.

32. **NOTICES, INSTRUCTIONS, ETC.**

(a) Except as stated herein, the Financial Institution shall not be required to act upon any notice or instruction received from the Company or any other person, or to provide any notice or advice to the Company or any other person with respect to any matter.

(b) The Financial Institution shall be entitled to rely on any written notice or other written communication believed by it in good faith to be genuine and to have been signed by an authorized representative of Company, and any such communication shall be deemed to have been signed by such person. Such notice shall be effective on the second Business Day following the day received by the Financial Institution.

(c) Except as stated herein, any written notice or other written communication required or permitted to be given under this Agreement shall be delivered or sent by US mail, if to Company, at the address of Company on the books of Financial Institution and if to Financial Institution, at the following address:

First Federal Bank of Florida
Attn: ACH Department
4705 W US Hwy
90 Lake City,
Florida 32055

unless another address is substituted by notice delivered or sent as provided heron. Except as otherwise stated herein, any such notice shall be deemed given when received.

33. **DATA RETENTION.** The Company shall retain data on file adequate to permit the remaking of Entries for six (6) Business Days following the date of their transmittal by the Financial Institution as provided herein, and shall provide such Data to the Financial Institution upon its request.

34. **DATA MEDIA AND RECORDS.** All data media, Entries, security procedures and related records used by the Financial Institution for transactions contemplated by this Agreement shall be and remain the Financial Institution's property. The Financial Institution may, at its sole discretion, make

available such information upon the Company's request. Any expenses incurred by the Financial Institution in making such information available to the Company shall be paid by the Company.

35. **COOPERATION IN LOSS RECOVERY EFFORTS.** In the event of any damages for which Financial Institution or Company may be liable to each other or to a third party pursuant to the services provided under this Agreement, Financial Institution and Company will undertake reasonable efforts to cooperate with each other, as permitted by applicable law, in performing loss recovery efforts and in connection with any actions that the relevant party may be obligated to defend or elects to pursue against a third party.

36. **TERMINATION.** Either party may terminate this Agreement upon 10 calendar days written notice to the other; provided however that Financial Institution may terminate this agreement immediately upon its determination that Company is in violation of this Agreement, the ACH Rules or applicable laws or if Company initiates any bankruptcy proceeding or is otherwise declared insolvent. Any termination of this Agreement shall not affect any of Financial Institution's rights or Company's obligations with respect to any Entries initiated by Company prior to such termination, or the payment obligations of Company with respect to services performed by Financial Institution prior to termination, or any other obligations that survive termination of this Agreement. Company's obligation with respect to any Entry shall survive.

37. **ENTIRE AGREEMENT.** This Agreement (including the Schedules attached) together with the Depository Agreement, is the complete and exclusive statement of the agreement between the Financial Institution and the Company with respect to the subject matter hereof and supersedes any prior agreement(s) between the Financial Institution with respect to such subject matter. In the event of any inconsistency between the terms of this Agreement and the Depository Agreement, the terms of this Agreement shall govern. In the event performance of the services provided herein in accordance with the terms of this Agreement would result in a violation of any present or future statute, regulation or government policy to which the Financial Institution is subject, and which governs or affects the transactions contemplated by this Agreement, then this Agreement shall be deemed amended to the extent necessary to comply with such statute, regulation or policy, and the Financial Institution shall incur no liability to the Company as a result of such violation or amendment. No course of dealing between the Financial Institution and the Company will constitute a modification of this Agreement, the Rules, or the security procedures, or constitute an agreement between the Financial Institution and the Company regardless of whatever practices and procedures the Financial Institution and the Company may use.

38. **NON-ASSIGNMENT.** The Company may not assign this Agreement or any of the rights or duties hereunder to any person without the Financial Institution's prior written consent.

39. **WAIVER.** The Financial Institution may waive enforcement of any provision of this Agreement. Any such waiver shall not affect the Financial Institution's rights with respect to any other transaction or modify the terms of this Agreement.

40. **BINDING AGREEMENT; BENEFIT.** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective legal representatives, successors, and assigns. This Agreement is not for the benefit of any other person, and no other person shall have any right against the Financial Institution or the Company hereunder.

41. **HEADINGS.** Headings are used for reference purposes only and shall not be deemed part of this Agreement.

42. **SEVERABILITY.** In the event that any provision of this Agreement shall be determined to be invalid, illegal, or unenforceable to any extent, the remainder of this Agreement shall not be impaired or otherwise affected and shall continue to be valid and enforceable to the fullest extent permitted by law.

43. **GOVERNING LAW.** This Agreement shall be construed in accordance with and governed by the laws of the State of Florida, without reference to its conflict of laws, provisions, and applicable federal law.

IN WITNESS WHEREOF the parties hereto have caused this Agreement to be executed by their duly authorized officers effective the day and year first above written.

SCHEDULE A
COMPANY SELECTED
STANDARD ENTRY CLASS CODE

As used in the Agreement, the following* are ACH Standard Entry Class Codes (SEC) approved for use by Company (check all that apply), subject to any specific restrictions on the types of ACH transactions that may be originated, which are identified by Financial Institution below:

☐ CCD - Corporate Credit or Debit - Either a credit or debit where funds are either distributed or consolidated between corporate entities.

☐ CTX - Corporate Trade Exchange -The transfer of funds (debit or credit) within a trading partner relationship in which payments related information is placed in multiple addenda records.

☐ PPD - Prearranged Payment and Deposit

- o Direct Deposit - The transfer of funds into a consumer's account. Funds being deposited can represent a variety of products, such as payroll, interest, pension, dividends, etc.
- o Direct Payment - Preauthorized payment is a debit application. This includes recurring bills that do not vary in amount -- insurance premiums, mortgage payments, charitable contributions, and installment loan payments or standing authorizations where the amount does vary, such as utility payments.

*The above SEC Codes are the most commonly-used and not an all-inclusive list.

☐ WEB - Debit based transaction where authorization is given via corporate website

☐ TEL – Debit based transaction where authorization is given via telephone.

SCHEDULE B
PROCESSING SCHEDULE

Delivery of ACH Files:

Internet transmissions

The Company may electronically transmit files to the Financial Institution via Internet Banking System.

Format and content of entries

All files must be submitted in NACHA format. The Company should refer to Appendix Two in the NACHA Rulebook for specific formatting details.

Timing of delivery

Processing Deadline for ACH files:

Credit Entries

Transmission of a File - until 7:00 p.m. Eastern Standard Time (Standard or Daylight) two (2) business days prior to Effective Date*

Debit Entries

Transmission of a File - until 7:00 p.m. Eastern Standard Time (Standard or Daylight) one (1) business day prior to Effective Date*

*"Effective Date" must be a Business Day or the file will be processed on the first business day following the effective date.

SCHEDULE C
SECURITY PROCEDURES

Company is responsible to strictly establish and to maintain procedures to safeguard against unauthorized transactions. Company warrants that no individual will be allowed to initiate transfers in the absence of proper supervision and safeguards, and agrees to take reasonable steps to maintain the confidentiality of the security procedures and any passwords, codes, security devices, and related instructions provided by Financial Institution. If Company believes or suspects that any such information has been accessed by an unauthorized individual, Company will verbally notify Financial Institution immediately, followed by written confirmation. The occurrence of such notification will not affect any transfers made in good faith by Financial Institution prior to the notification and within a reasonable time period to prevent unauthorized transfers.

Data Security:

Limiting access and securely storing ACH data used in the routing and settlement of ACH transactions is a critical data security precaution. Company's ability to limit access to production data can be done through commercially available software products. Access can be limited to specific programs, user IDs, or read-only or read-and-edit-only access functionality. Files can also be transmitted between ACH participants using the following data protection methods: encryption and authentication.

- Encryption is a process of scrambling data content through hardware or software in order to protect the confidentiality of a file's contents. This information should remain encrypted between all parties in the ACH Network using commercially reasonable procedures and must be transmitted using security technology that is 128-bit RC4 technology (minimum standards).

- Authentication is a process of ensuring that files and data content have not been altered between the Originator and receiving points. Like encryption, this can be done using hardware or software to ensure data integrity.

Transmittal of Files:

Company will only transmit files on the dates specified in the agreed upon transmittal schedule (see Schedule B). Changes to o this schedule must be made in writing and signed by an authorized contact of the Company.

- Company will transmit files to Financial Institution via pre-arranged access to ACH system utilizing agreed upon logon procedures and proper access identification.

- Files will be encrypted by Company before being transmitted to Financial Institution.

Should any of the above procedures not be met, the file will be rejected by Financial Institution and Company will be notified.

Remote Deposit Capture Agreement

_____ (Company) has requested that First Federal Bank (Financial Institution) permit it to initiate deposits entries to Accounts maintained at Financial Institution by means of the Remote Deposit Capture (RDC) product. Capitalized terms used in this Agreement are defined in the Glossary or in the sections in which they are used. The Agreement sets out Company's rights, responsibilities and obligations and Financial Institution's rights, responsibilities and obligations with respect to this Service which Financial Institution may provide to Company from time to time.

1. **Image and Conversion Process.**

Check Imaging. Company uses an imager specified by Financial Institution to scan paper checks to create an image cash letter file to send to Financial Institution. Company agrees to purchase and configure the equipment and software according to the requirements of Financial Institution, as well as providing telecommunications services to connect to Financial Institution's system. Company is responsible for the image quality of all items transmitted to Financial Institution for processing. In the event that Company transmits an image of an item that cannot be further processed by Financial Institution due to the poor quality of the image, Financial Institution shall not be responsible for any delay in the processing or presentment of the item. Images captured will be transmitted to Financial Institution, processed by Financial Institution and then sent to the Federal Reserve Bank and/or a correspondent check clearing network, enabling Company to clear their daily check deposits electronically as images, instead of physically transporting the checks to a local depository. When necessary, Financial Institution will prepare "Substitute Checks", also known as Image Replacement Documents (IRD), to facilitate the deposit and collection of Company's items. In connection with the use of this process, images received for deposit by the daily cutoff time established by Financial Institution (see Schedule A) will be treated as same day deposits. images received for deposit after the cutoff time will be treated as next banking day deposits.

Company and Financial Institution agree as follows:

2. **Provision of Services.** Financial Institution has the right to determine, in its sole discretion, the nature and extent of the RDC Services to be provided. The RDC Services are the sole property of Financial Institution, and Company has no rights in any of them, or any other property of Financial Institution or its suppliers, other than those expressly granted under this agreement.

3. **United States Laws and Regulations.** Company shall comply in all material respects with the body of law commonly known as "Check 21." Further, Company agrees and acknowledges that it will not generate transactions that violate the laws or regulations of the United States. This includes, but is not limited to, sanction laws administered by the Office of Foreign Assets Control (OFAC). It shall be the responsibility of Company to obtain information regarding such OFAC enforced sanctions. (This information may be obtained directly from the OFAC Compliance Hotline at 800-540-OFAC or from the OFAC's home page site at www.ustreas.gov/ofac

4. **Eligible Items.** Company agrees that all items deposited are (a) drawn on a financial institution within the United States of America, excluding its territories, and (b) are properly payable in accordance with applicable law, including Articles 3 and 4 of the Uniform Commercial Code. In addition, items must not be drawn on Company or affiliates of Company. The availability of funds represented by any item and any requirements regarding final payment and collected funds shall be governed by the terms of Financial Institution's Account Agreement and applicable laws and regulations, including Federal Reserve Board Regulation CC. At Financial Institution's request, Company may be required tol maintain reserves in an account maintained at Financial Institution to cover any charges, costs, expenses, or losses incurred by Financial Institution in connection with the Services. Financial Institution shall communicate to Company from time to time the amount of reserves Financial Institution shall require, if any, in connection with the Services.

5. **Hardware and Software.** Company shall lease from Financial Institution the image scanner and related equipment (hardware and software) necessary to use the RDC product. Financial Institution makes no warranties of merchantability or fitness for a particular purpose or any other warranty, express or implied, on or regarding the equipment. Manufacturer's warranties may accompany the equipment and if the equipment fails while under these warranties, Company will contact the Financial Institution directly. Financial Institution is not responsible for any errors or failures relating to any malfunction neither of the equipment nor for any computer virus or related problems that may be associated with the use of the equipment. Financial Institution has the right, at its own discretion, from time to time to make changes to the RDC service that may result in equipment becoming no longer compatible with the Service. Financial Institution will have no obligation to update or replace any equipment purchased by Company. Financial Institution, however, will notify Company when such a change will occur in order for Company to replace the equipment in use with compatible equipment.

6. **Retention and Destruction of Items.** Company will retain any original check that has been deposited via the RDC product for a reasonable period of time in order to verify settlement and credit or to balance periodic statements, but not to exceed 45 calendar days from the date processed. After this retention period, Company will destroy and dispose of original checks. Company shall use a shredder as the preferred method of destruction. Company must establish Security Procedures reviewed by and acceptable to Financial Institution to safeguard original checks during the retention period to prevent the risk of theft; reproduction; unauthorized use; or the possibility of any fraudulent activity. Company agrees to keep confidential all information contained in any Item of a personal nonpublic nature to the same extent that Financial

Institution would be required by applicable law to keep confidential the same information. Company agrees to execute and deliver to Financial Institution, at its request, a separate Confidentiality Agreement addressing Financial Institution's requirements regarding nonpublic personal information. Financial Institution will retain Substitute Checks (IRDs) for seven (7) years. With respect to any investigation by Financial Institution involving an imaged item (a) that is illegible or of poor quality, (b) that arises from an unusual transaction, or (c) that is the subject of a dispute, Company agrees to produce either the original item or its own image of the item in order to facilitate the investigation by Financial Institution. If Company is unable to provide either the original item or its own image of the item, then Financial Institution's IRD, other image of the item, or other information related to the item shall be conclusive as to the terms of the item.

7. **Warranties and Covenants; Indemnity.** Company hereby represents, warrants and covenants to Financial Institution the following:
   a. Only acceptable items will be deposited and the Company certifies that no items have been altered;
   b. Original Items being imaged are made payable to Company;
   c. Images meet the quality standards set by Financial Institution;
   d. No duplicate items or files will be submitted for processing;
   e. The original check will not be deposited after it has been imaged for deposit;
   f. Financial Institution will not sustain a loss if Company has deposited an image;
   g. All information provided by Company to Financial Institution is accurate and true;
   h. Files submitted to Financial Institution do not contain viruses;
   i. Company has complied with all applicable rules, regulations and laws;
   j. Company indemnifies Financial Institution from any breach of the warranty provision; and
   k. All checks have been properly endorsed before scanning.
   l. Use of the Service by Company will be for business purposes only and no deposit or other transaction will bemade for consumer purposes.

   Company hereby agrees to indemnify and hold harmless Financial Institution for any loss, cost, expense, action or cause of action arising from or related to the Services described in this Agreement, whether such loss, cost, expense, action or cause of action is asserted by any customer of Company or any other third party.

8. **Monitoring Transactions.** Financial Institution will, monitor items deposited by Company for reasonable amounts based on either the initial anticipated activity of a new customer or the average activity of an established Company. Company will be contacted if Financial Institution deems a deposit to be an excessive amount, to validate the activity. Financial Institution has the right to periodically review transations for auditing purposes.

9. **Contingency.** In the event Company cannot use RDC to process its items for deposit (unable to capture or transmit items), then Company may deliver the original items to the nearest branch location of Financial Institution or send by overnight delivery at Company's expense the deposit to a branch location designated by Financial Institution for emergency conditions.

10. **Returned Items.** Financial Institution shall notify Company of the receipt of a returned item or an ACH Return Entry no later than one banking day after the banking day of such receipt. Financial Institution shall have no obligation to re-transmit a returned item or entry if Financial Institution complied with the terms of this Agreement with respect to the original item or entry. Company authorizes Financial Institution to charge back the amount of any returns to Company's designated Account. Company will promptly provide immediately available funds to indemnify Financial Institution if any deposited item or debit entry is returned after Financial Institution has permitted Company to withdraw funds in the amount thereof, or if any adjustment memorandum that relates to such item or entry is received by Financial Institution.

11. **Fees.** Company authorizes Financial Institution to debit its designated Account for Services provided under the Agreement in accordance with the schedule of fees and charges as disclosed in the Business Online Banking Disclosure. Financial Institution may change its fees from time to time upon written notice to Company.

12. **Liability.** Financial Institution shall be responsible only for performing the Services expressly provided for in the Agreement, and shall be liable only for its gross negligence or willful misconduct in performing those Services. In no event shall Financial Institution have any liability for any consequential, special, punitive, or indirect loss or damage which Company may incur or suffer in connection with this Agreement. In addition, Financial Institution shall be excused from failing to act or delay in acting if such failure or delay is caused by legal constraint, interruption of transmission or communications facilities, equipment failure, war, emergency conditions, or other conditions beyond Financial Institution's control. Financial Institution shall not be held liable for any failure of a third party to process, credit, or debit any transaction, or for other acts of omission.

13. **Amendments to Agreement.** From time to time Financial Institution may amend any of the terms and conditions contained in this Agreement, including any part of Schedules A through D attached hereto. Such amendments shall become effective upon receipt of notice by Company or such later date as may be stated in Financial Institution's notice to Company.

14. **Termination of Agreement.** Either party may terminate this Agreement upon 10 calendar days written notice to the other; provided however that FI may terminate this agreement immediately upon its determination that Company is in violation of the rules, regulations or applicable laws or if Company initiates any bankruptcy proceeding or is otherwise declared insolvent. Any termination of this Agreement shall not affect any of Financial Institution's rights or Company's obligations with respect to any Entries initiated by Company prior to such termination, or the payment obligations of Company with respect to services performed by Financial Institution prior to termination, or any other obligations that

survive termination of this Agreement. Company's obligation with respect to any item shall survive termination of this Agreement until any applicable statute of limitation has elapsed. Company agrees to return all leased equipment within 2 days of termination.

15. **Performance Standards.** This Agreement, together with the Account Agreement, sets forth the performance standards under which Company agrees to process or convert items for deposit to any of Company's Accounts. Company may deviate from these standards only after consultation with Financial Institution and with Financial Institution's prior agreement. Company agrees that the laws and regulations referenced in this Agreement and in the Account Agreement, including Articles 3 and 4 of the Uniform Commercial Code, and the NACHA Rules, shall supplement the terms of this Agreement and shall establish performance standards related to presentment, collection, return and payment of items and shall be deemed to be a part of this Agreement for all purposes.

16. **Miscellaneous.** This Agreement, including the attached Schedules A and B, is an addendum of this Remote Deposit Capture Agreement between Financial Institution and Company with respect to the subject matter and supersedes any prior agreement(s) between Financial Institution and Company with respect to such subject matter. Company may not assign this Agreement or any of the rights or duties hereunder without Financial Institution's prior written consent. Financial Institution may waive enforcement of any provision of this Agreement. Any such waiver shall not affect Financial Institution's rights with respect to any other transaction or modify the terms of this Agreement. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective legal representatives, successors, and assigns. This Agreement is not for the benefit of any other person, and no other person shall have any right against Financial Institution or Company hereunder. In the event that any provision of this Agreement shall be determined to be invalid, illegal, or unenforceable to any extent, the remainder of this Agreement shall not be impaired or otherwise affected and shall continue to be valid and enforceable to the fullest extent permitted by law. Financial Institution shall be entitled to rely on any written notice believed by it in good faith to be signed by one of the authorized representatives whose names and signatures are set forth in this Agreement and the implementation process and forms. This Agreement shall be governed by and construed in accordance with the laws of the United States of America and the state in which Financial Institution maintains Company's Accounts.

Customer agrees that Financial Institution has no obligation to accept a File and, therefore, may reject any File or the Images or other information contained therein submitted by Customer. Financial Institution has no obligation to notify Customer of the rejection of a File or the Images or other information contained therein. Financial Institution shall have no liability to Customer for the rejection of a File or the Images or other information contained therein or for the failure to notify Customer of such rejection.

Customer and Financial Institution agree that the transactions contemplated in this Agreement involve "commerce" under the Federal Arbitration Act ("FAA"). EVERY CONTROVERSY OR CLAIM BETWEEN CUSTOMER AND ANY INDEMNIFIED PARTY ARISING OUT OF, OR IS IN ANY WAY RELATED TO OR RESULTING FROM, THIS AGREEMENT, THE REMOTE DEPOSIT SERVICE OR ANY OTHER SERVICES PROVIDED BY FINANCIAL INSTITUTION, WHETHER BASED IN CONTRACT, TORT OR ANY OTHER LEGAL THEORY, INCLUDING CLAIMS OF FRAUD, SUPPRESSION, MISREPRESENTATION AND FRAUD IN THE INDUCEMENT, WILL BE RESOLVED BY BINDING ARBITRATION UNDER THE FAA. The arbitration will be administered by the American Arbitration Association ("AAA") under its Commercial Arbitration Rules (the "Arbitration Rules"). IF A CLAIM IS SUBMITTED TO ARBITRATION, (A) CUSTOMER WILL NOT HAVE THE RIGHT TO GO TO COURT OR TO HAVE A JURY TRIAL; (B) CUSTOMER WILL NOT HAVE THE RIGHT TO ENGAGE IN PRE-ARBITRATION DISCOVERY EXCEPT AS PROVIDED IN THE ARBITRATION RULES; (C) CUSTOMER WILL NOT HAVE THE RIGHT TO HAVE ANY CLAIM ARBITRATED AS A CLASS ACTION UNDER THE ARBITRATION RULES OR UNDER ANY OTHER RULES, WHETHER OF CIVIL PROCEDURE OR OTHERWISE AND (D) THE ARBITRATOR'S DECISION WILL BE FINAL AND BINDING WITH LIMITED RIGHTS TO APPEAL. THIS ARBITRATION PROVISION IS SUPPLEMENTAL TO, AND NOT IN LIEU OF, ANY OTHER ALTERNATIVE DISPUTE RESOLUTION PROVISION, AND, IN THE EVENT OF A CONFLICT BETWEEN THIS PROVISION AND ANY OTHER SUCH ALTERNATIVE DISPUTE RESOLUTION PROVISION, THE TERMS OF THIS PROVISION SHALL CONTROL. This agreement to arbitrate disputes will survive the closing of Customer's Accounts and the termination this Agreement.

IN WITNESS WHEREOF the parties hereto have caused this Agreement to be executed by their duly authorized officers.

Remote Deposit Capture

Annual Customer Training and Certification

WHAT IS REMOTE DEPOSIT CAPTURE?

Remote deposit capture (RDC) is a service that allows companies to convert the physical checks they receive from their customers into digital images that can be electronically transmitted to their bank for deposit. The business customer is responsible for balancing the deposit dollar amount to the checks before transmitting the deposit electronically (the system will automatically recognize the check amounts, typically with a high degree of accuracy). The business customer receives an electronic acknowledgment of the deposit and the checks are retained by the customer for later destruction. A key benefit of RDC is the customer does not have to go to the bank to make a deposit; plus, they get credit same Business day (at end of day) for checks deposited later in the day.

Customer Benefit:

- Minimal investment in Technology
- Quicker investment of available funds
- Improved end of month/quarter processing
- Greater employee productivity
- Reduced time spent on deposit preparation and presentment to the financial institution
- Fewer depository accounts and reduced fees
- Faster access to information and improved decision-making capabilities
- Improved availability and enhanced cash flow
- Later deposit cutoff times and faster funds availability
- Reduced return item (NSF) risk
- On-site remittance research capability

LEGAL RISKS

While RDC can be a tremendous time-saving tool for many businesses, the service is not without risk. It is important for any business considering using this service to understand these risks, as well as the steps that can be taken to mitigate them. Banks are well-versed in the risks associated with processing checks. With RDC, many of these risks are shifted to you. You will need to take certain precautions to prevent loss to either you or your customers. The most effective loss prevention measure you can take is ensuring that your company has a strong control environment in place. Because **First Federal Bank** is relying on you to institute such controls, the RDC Agreement will shift all risk of loss associated with use of the service to you, unless caused by the bank's own negligence or willful misconduct.

HOW REMOTE DEPOSIT CAPTURE WORKS

The process is relatively simple. Once you have established a remote deposit capture relationship with **First Federal Bank**, you will be able to scan each of your deposit items (i.e., checks) into digital image files using a desktop scanner and your personal computer. The image files are then transmitted to the bank's service bureau for item processing and image exchange electronically. The scanner will be leased or purchased from the bank.

In a paper check environment, **First Federal Bank** is responsible for handling items once they have been deposited. In a RDC environment, however, the items remain with you. Your company could be exposed to monetary liability and/or reputation risks should these items fall into the wrong hands. Also, since it is not readily apparent from the face of the check that it has been deposited electronically, another risk is the intentional or unintentional redeposit of the item, either into your company bank account or to your employee's personal bank account. **By limiting access to the items and instituting strong control procedures, you can prevent these issues.**

SYSTEM CONTROL POINTS

Capture (Image): Ensure adequate controls are in place at the point where image capturing occurs (normally at your office). Poor controls over capturing can result in poor quality images, piggyback checks (two checks fed at once), high rejection and exception rates, improper indexing, and capturing incomplete or forged documents. Procedures should prevent destruction of original documents before verifying image quality, especially when the imaged information is used to process transactions. Detailed image quality standards have not been set by the industry; any party in the clearing process can return an item due to inadequate image quality.

Capture (Check): Do not destroy checks immediately because the scanned checks might not be legible. You also don't want to keep the checks too long, since it will increase the possibility of a check mistakenly being presented for payment twice. **First Federal Bank** requires you to retain the items you deposit remotely for at least **14** days, but not more than **30** days before destroying them. Keep in mind that it may become necessary to refer back to the paper check should the image file not be of sufficient quality to allow the bank to settle the item electronically. While a file may meet **First Federal Bank** image quality standards, there is no guarantee that the image quality will be up to the standards of other banks in the settlement chain.

It is possible that an item will be returned to **First Federal Bank** as a non-conforming image weeks after it was originally deposited. Enough information should be available in the image file for **First Federal Bank** to create a "substitute check," which may then be presented for collection. If however, **First Federal Bank** is unable to do this, you will need to refer back to the paper check or, if the check is not available, have your customer reissue it in order to resolve the problem.

Duplicate Item Detection: Any party who converts an original paper item into an image or an Image Replacement Document (IRD) must warrant against presenting the item more than once.

Security: Adequate security controls should be in place (i.e., physical security, device security, workstation security, secure data lines, customer privacy) to protect the imaging system and confidential customer information. Security should provide for adequate separation of duties, input/output controls and prevent unauthorized changes of imaged data or insertion of fraudulent images.

Training: Adequate employee training is important for proper system use. A lack of knowledge of imaging procedures could lead to quality control issues and misplaced or unavailable data.

Backup and Recovery: Backup and recovery planning should ensure restoration and retrieval of information within recovery time objectives per your business continuity plan. The loss of imaged files can significantly affect business operations if backup electronic or paper files are not readily available. Your business should develop the contingency plan to physically transport the items to the bank or to the bank's backup site in the event of a system disruption or disaster.

CONCLUSION

The ability to deposit checks electronically has created a new era of electronic deposit preparation and settlement. As is often the case, technology can be a two-edged sword. RDC is no exception to this rule. If used properly, it can prove to be a valuable time-saving tool for your company. However, you should remain aware of the added risks and take protective measures.

REMOTE DEPOSIT CAPTURE FAQ

Why should my company deposit this way?
You can now eliminate time-consuming manual deposit preparation and trips to the bank, improving the speed and efficiency of both collections and returns.

How does it work?
You will be able to scan each of your deposit items (i.e., checks) into digital image files using a desktop scanner and your personal computer. The image files are then transmitted to the bank's service bureau for item processing and image exchange electronically. The scanner will be leased or purchased from the bank.

Can the destination account be changed and diverted to another account?
No; the account information is set up at the bank, and is not changeable at the customer site. You and your employees will access the **Remote Deposit Capture** website through your individual Cash Management login and individual **Remote Deposit Capture** user ID and password.

When will my funds be available?
Since you can deposit every weekday, and do not have to wait for a weekly trip to the bank, your money gets into your account faster. Funds are typically available on the same Business day (at end of day) after our processing.

What is a substitute check?
A substitute check is a paper reproduction of the original check, also known as an Image Replacement Document (IRD). It contains an image of the front and back of the original check and bears the MICR line containing all of the information appearing on the original check. A substitute check or IRD bears the same legal standings as the original paper item.

Can I make deposits from outside the local area?
Absolutely! This is one of the best features of Remote Deposit Capture. Items can be scanned and deposited electronically from anywhere -- even from another state.

Can I use any kind of scanner?
No; we will provide a scanner that is compatible with our software that will meet your check volume needs.

Do I have to copy each check before I scan it?
Continue doing what you normally do, however, with each batch of checks that you scan, a deposit report can be printed giving you a detailed list of each check, all of the MICR information and as much information about the check writer as you care to enter. Keep in mind that if you are keeping photocopies of original items, they will need to be kept in a secure location along with the originals.

What do I do with the original check?
Store them in a secure location for at least 45 days. You are then responsible for shredding them in a secure manner. We recommend that you attach the original checks to a copy of the daily report until you reconcile your monthly statement. Then securely store them until ready to be destroyed within the 45 day period.

Is this the same process that I see being used by some retailers and utilities?
No, they are actually converting your check into an electronic transaction. This conversion is called an ACH (Automated Clearing House) transaction, which electronically debits your account.

What kind of checks can I scan?
You can scan any original check in US dollars drawn on banks with a valid US routing number, including personal, corporate, government checks, cashier's checks, travelers' checks and money orders. You cannot scan photocopies or fax copies of original checks. Also, foreign checks that do not contain a US routing number will not scan.

Do I need to endorse the check with my deposit stamp?
Yes; since the IRD contains the front and back of the original check, it should be properly endorsed.

Do I need to prepare a deposit ticket?
No; the system will create a virtual deposit ticket for you, encoded with your account number and the total of your deposit.

Is there a deadline for my deposits to be credited to me on the same day?
Currently, the cutoff for same day processing is **7:00 p.m.** EST Deposits made after 7:00 **p.m. EST** will post the next business day.

How do I know if the bank received my deposit?
When your file has been received by the bank after our **7:00 p.m. EST** cutoff time, you will see the batch status change from "approved" to "processed" on your screen. Your account will be credited for the deposit after our nightly processing completes and you will be able to see your deposit via the online cash management system the following day.

Jennifer Laubenheimer, Vice President and Deposit Operations Officer, manages our very experienced Deposit Operations team based in Lake City, Florida. Jenny joined First Federal in 2010 and has extensive banking experience. She and her staff are prepared to provide prompt, personal service in all areas of daily processing. She is located in our Lake City Financial Center at 4705 W. US Highway 90, Lake City, Florida. Jenny can be reached by telephone at (386) 755-0600, Ext. 3912 and by email at laubenheimerj@ffbf.com.

In addition, First Federal is proud of its very capable Corporate Services department led by **Chris Stalvey, Vice President and Corporate Services Manager.** Chris will be responsible for implementation and daily activities through our Business Online Banking solution. The Deposit Operations and Corporate Services team work hand-in-hand to provide seamless, user-friendly processing. Chris joined First Federal in 2005 as a member of our IT Department team. His background in both IT and Deposit Operations combine to make him a valuable resource as Corporate Services Manager. Chris is located at 804 South Ohio Avenue,

Live Oak, Florida and can be reached by telephone at (386) 362-3433, Ext. 3957 and by email at stalveyc@ffbf.com.

Overseeing your relationship will be **Stephanie McClendon, Executive Vice President and Chief of Retail Community Banking**. Stephanie started her banking career with First Federal in March 1999. Over the years, she has developed many talents by taking on roles such as Teller, Customer Service Representative, Branch Manager, Consumer Lender, and Mortgage Originator. In August 2006, she assumed the role of Regional Manager overseeing 11 branches in 6 counties. In 2016, Stephanie then expanded her role to Director of Retail Banking responsible for retail sales relationships covering 27 branches in 13 counties. Currently, as Chief of Retail Community Banking, she manages the retail banking department, which has over $2 billion in deposits and over $50 million in consumer loans. While directing this effort, Stephanie also maintains a customer deposit portfolio as well as maintaining relationships with the Public Funds portfolio. Stephanie's focus is building solid relationships to meet the needs of our customers. Stephanie is located at 804 South Ohio Avenue, Live Oak, Florida and can be reached by telephone at (386) 362-3433 Ext. 3801 and email is mcclendons@ffbf.com.

FACTS

WHAT DOES FIRST FEDERAL BANK DO WITH YOUR PERSONAL INFORMATION?

Why?

Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.

What?

The types of personal information we collect and share depend on the product or service you have with us. This information can include but is not limited to:

- Social Security number and income
- account balances and transaction history
- credit history and credit scores

When you are *no longer* our customer, we continue to share your information as described in this notice.

How?

All financial companies need to share customers' personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers' personal information; the reasons First Federal Bank chooses to share; and whether you can limit this sharing.

Reasons we can share your personal information	Does First Federal Bank share?	Can you limit this sharing?
For our everyday business purposes— such as to process your transactions, maintain your account(s), respond to court orders and legal investigations, or report to credit bureaus	Yes	No
For our marketing purposes— to offer our products and services to you	Yes	No
For joint marketing with other financial companies	No	We don't share
For our affiliates' everyday business purposes— information about your transactions and experiences	No	We don't share
For our affiliates' everyday business purposes— information about your creditworthiness	No	We don't share
For our affiliates to market to you	No	We don't share
For non-affiliates to market to you	No	We don't share

Call 386-754-0090 or 386-362-7990 or go to www.ffbf.com

How does First Federal Bank protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings. We do not collect identifying information about visitors to our site; we do use standard software ("Cookies") to collect information for the strict purpose of tracking activity on our site.
How does First Federal Bank collect my personal information?	We collect your personal information, for example, when you ▪ open an account or make deposits or withdrawals from your account ▪ give us your contact information or apply for a loan ▪ use your credit or debit card We also collect your personal information from other companies.
Why can't I limit all sharing?	Federal law gives you the right to limit only ▪ sharing for affiliates' everyday business purposes—information about your creditworthiness ▪ affiliates from using your information to market to you ▪ sharing for non-affiliates to market to you State laws and individual companies may give you additional rights to limit sharing.
Affiliates	Companies related by common ownership or control. They can be financial and nonfinancial companies. ▪ *First Federal Bank does not have any affiliates.*
Non-affiliates	Companies not related by common ownership or control. They can be financial and nonfinancial companies. ▪ *First Federal Bank does not share with non-affiliates so they can market to you.*
Joint marketing	A formal agreement between nonaffiliated financial companies that together market financial products or services to you. ▪ *First Federal Bank does not have any joint marketing agreements between nonaffiliated financial companies.*

For California Customers: In accordance with California law, we will not share information we collect about you with companies outside of First Federal Bank, unless the law allows. For example, we may share information with your content, to service your accounts, or to provide rewards or benefits in which you are entitled. We will limit sharing among our companies to the extent required by California law. For additional information regarding your rights, please refer to the Privacy Notice for California residents (www.ffbf.com/ccpa).

FIRST FEDERAL BANK

CITY OF FERNANDINA BEACH
REQUEST FOR PROPOSAL 26-04
MANAGEMENT BANKING SERVICES

BACKGROUND INFORMATION

First Federal Bank has been serving customers since 1962 when it opened in Live Oak, Florida (Suwannee County) as First Federal Savings and Loan Association. First Federal is a federally chartered and regulated savings bank, and a member bank of the Federal Reserve System. Our deposits are guaranteed by the FDIC to the fullest amount allowed by law.

From the start, we have been equally committed to exceptional service and value. Today First Federal is a community based, mutual bank serving over 70,000 customers from 27 community banking branches, mortgage lending offices in Florida and across the Southeast and Midwest, and SBA and USDA lending offices in the Southeast. Because we are a mutual institution, we are owned by our customers and not stockholders, which allows us to be responsive to our customers' needs. First Federal prides itself on being committed to helping local communities flourish. We offer customers diversified financial services including personal and business banking, lending, mortgages, and more. We are constantly adding and improving our products and services to make banking as easy and beneficial as possible.

Ranked by asset size we are the 807th largest bank in the United States, and by deposits we are the 17th largest bank with headquarters in Florida as ranked by S&P Global. We have been ranked "5 Star, Superior" by BauerFinancial since 2000. In 2024, First Federal was named "Best Small Bank in Florida" by Newsweek magazine for the fourth straight year. In 2021, First Federal was named Top Midtier Bank in Florida by American Banker. Most recently, First Federal was recognized by USA Today in America's Best Customer Service 2026 and America's Best Customer Service Financial Services 2026.

As the bank has grown, we have kept pace with industry processing trends. We operate our own in-house data processing center utilizing the latest in item processing technology. This enables First Federal to offer our customers multiple access methods to account information, plus the flexibility to fulfill even the most unique banking needs. We fully support through prompt, personalized service, all of the traditional and electronic banking services you require to run an efficient business office.

The officers and staff of First Federal appreciate the opportunity to submit this proposal and stand ready to answer questions or provide additional information regarding the specialized services and products detailed below as well as any additional areas you may wish to explore.

COMMUNITY ORIENTED

First Federal prides itself on being committed to helping local communities flourish. Over the years First Federal has served the residents of Northeast Florida through numerous charitable and volunteer programs. Since 2020, $264,890 in contributions have directly benefited Nassau County. Bank wide, in 2024 First Federal employees contributed more than 5,200 volunteer hours and contributed more than $92,000 through the First Federal Way program which provides a 100% match by First Federal. These funds are distributed to various charitable organizations throughout the communities we serve. More information about these programs is available at www.ffbf.com.

COMMUNITY REWARDS PROGRAM

First Federal's Community Rewards Program is a way for the Bank to partner with the communities we serve to support local organizations and activities. Every time a First Federal customer who is enrolled in the program uses their debit card to make a signature-based transaction, First Federal donates money to a participating organization. First Federal customers just need to swipe, sign and support! All money raised comes from First Federal. Thanks to our customers, we've helped with special projects for after-school programs, intellectual and developmental disability agencies, temporary housing agencies, sports programs, various school-related programs and more. More than $696,000 has been donated since 2011. Last year over $62,900 was donated to 42 local organizations.

BANK EXCEPTIONS

NOT APPLICABLE

FIRST FEDERAL BANK

DEPOSITORY SERVICES MASTER AGREEMENT

THIS DEPOSITORY SERVICES MASTER AGREEMENT (the "Agreement") effective the _____ day of _____, 2026 by and between the **CITY OF FERNANDINA BEACH, FLORIDA** (hereinafter, the "City" or "you") and **FIRST FEDERAL BANK** (hereinafter "First Federal", "we" or "us") contains the terms and conditions (the "Terms") that apply to the depository services provided by First Federal to the City. This Agreement is to be read in conjunction with the Business Relationship Application and Agreement which contains general terms governing your deposit accounts, as well as the Business Online Banking Master Agreement and related agreements for specific Business Online Banking services which govern access to certain business services. Your request or use of any of the depository services covered by this Agreement constitutes your agreement to and acceptance of these Terms.

1) **Term.** The term of the Agreement is a five (5) year period commencing _____, 2026 to and including _____, 2031. The City shall have the option of two (1) one-year renewals of the Agreement. Written notice of the intent to renew this agreement shall be provided by the City 60 days prior to the ending date of the Agreement and shall be mutually agreed upon by the City and First Federal. In the event of default by First Federal, the City may procure banking services from other sources. Either party may terminate this Agreement upon ninety (90) days' written notice to the other party.
2) **Services.** First Federal will provide banking services (the "Services") to the City as shown on Attachment "A" hereto. The City may decide which of our services you wish to receive. Some Services may require the completion of an application, enrollment form or separate agreement. Applications, enrollments and requests are subject to our approval.
3) **Crediting Earnings and Analysis Fees**. First Federal will provide all Services to the City at no charge provided combined ledger balances are maintained at $4,000,000 or more. The City will earn interest on all balances at a per annum rate equal to 90% of the Effective Federal Funds Rate, adjusted monthly, based on the Effective Federal Funds as published on the last business day of each month, with a floor of .25%. Accrued earnings will be credited monthly. First Federal reserves the right to charge analysis fees in accordance with the fee schedule appended hereto as Attachment "B" if combined ledger balances of $4,000,000 or more are not consistently maintained. Account statements for all depository accounts will be provided to City within three (3) business days following month-end. The City has the option to open additional demand deposit accounts or certificates of deposit, as required.
4) **Public Depository.** First Federal has provided the City evidence of certification as a Qualified Public Depository and agrees to comply with the Florida Statutes as they relate to the depositories for public funds including, without limitation Chapters 17, 136, 218, 280 and 658.

5) **Banking Days and Processing Schedules/Cut-off Times.** A Banking Day is defined as Monday – Friday, excluding Federal bank holidays and any other day we are not actually open for business. Processing Schedules/Cut-off times are generally Close of Business Monday – Friday for transactions conducted at a branch or drive-thru and 7:00 PM for deposits made through remote deposit capture. We may change Processing Schedules/Cut-off times and will provide notice of any changes to you.

6) **Operating Procedures**. The City agrees to comply and to remain in compliance with all applicable federal, state and local laws, rules, regulations, ordinances and determinations of governmental authorities (referred to herein as "Requirements of Law") including, but not limited to, the Gramm-Leach-Bliley Act, Electronic Funds Transfer Act, the Bank Secrecy Act, the USA PATRIOT Act and all rules, regulations and obligations with respect to programs administered by the Office of Foreign Assets Control or the U.S. Department of Treasury's Financial Crimes Enforcement Network. You agree not to (i) re-sell or otherwise make our Services available to others; or (ii) use our Services in any way that damages or violates the rights of any third party, that violates Requirements of Law, or that will subject us or our contractors to investigation, prosecution or legal action. To the extent that the Services we provide involve the use of clearing systems (such as the Federal Reserve System) or other networks or associations, including VISA, MasterCard or the National Automated Clearing House Association (such systems, networks and associations being referred to collectively herein as "Associations") you agree that Services are provided subject to the rules, regulations and guidelines of the Associations, with which you agree to comply. You understand and agree that we are not responsible for the acts or omission of any Association, (including, for example, an Association's failure to satisfy a customary service level that affects our performance) or of any other member of any Association. Nothing in this Agreement shall be construed to diminish, restrict or otherwise reduce the obligations of any party to this Agreement under relevant Association rules.

7) **Service Availability and Standard of Care**. While we make every attempt to ensure the Services are available for your use, from time to time the Service(s) may be unavailable temporarily due to system maintenance or technical difficulties, including but not limited to, those of the given Internet service provider, cellular service provider, or Service software. We have certain obligations to you under applicable law. In addition, we agree to use ordinary care in performing Services. That obligation shall be measured by the reasonableness of banking procedures established for the transaction involved and general banking usage in the local area serviced by us.

8) **Access to Technology.** If we provide or permit you to access hardware, software, documentation, systems or other technology or intellectual property ("Technology"), you agree that we and/or or our suppliers retain all intellectual property rights in the Technology. You further agree: (i) to use the Technology solely for the purposes of accessing or using our Services; (ii) to maintain the confidentiality of the Technology and not to copy, transfer or disclose the Technology; (iii) not to attempt to circumvent any use or access limitations contained in the Technology, nor to access any system, file, software or service other than those specifically made available by us and not to translate, reverse engineer, disassemble or decompile any Technology; (iv) to limit Technology access to those of your personnel who have a need to have such access in connection with your receipt of Services from us; (v) to use the Technology in accordance with its documentation and all relevant security policies and procedures; and (vi) to return any and all copies of the Technology to us on request. Technology is provided to you on an "AS IS" basis and for purposes of this Agreement will be considered part of the "Services." You agree to be responsible for misuse of Technology by your personnel or by third parties to whom your personnel may disclose their User IDs

and/or passwords. You agree to cooperate with us in the investigation of any apparent unauthorized use of or access to our Technology by any person using a User ID or password assigned to you or who otherwise appears to have accessed our Technology through your systems.

9) **Security Procedures.** You will use user IDs and passwords to access the Services; and in some cases, additional security processes (together "logon credentials"). You agree to keep, and to require your personnel to keep, your logon credentials secret. You agree to prevent unauthorized access to your systems. You agree to notify us immediately if your logon credentials or those of your personnel are lost or stolen, if you believe someone else has discovered your logon credentials or those of your personnel, if you suspect there has been a breach of your computer system or if a device used for a Service is lost or stolen. We are authorized to provide Services to, release your account information to, and accept as authentic any instructions given to us by, any person who has entered a User ID, password or other logon credential assigned to you. You acknowledge that you are responsible for all acts and omissions of your personnel. As between you and us, you agree to accept sole responsibility for losses attributable to the acts or omission of your personnel.

10) **Assignment of Services.** First Federal will not assign any of the Services without the City's prior written approval. The City shall reserve the right to eliminate individual services if the charges associated with the services are considered by the City to be excessive.

11) **Force Majeure.** Neither party is responsible for any failure or delay in performance caused by Act of God, pandemic, natural disaster, strike, flood, fire, war, public enemy, any electrical, equipment or communications failure, third party act or omission, operation of any adverse governmental law, ruling, regulation, order or decree or any other event beyond its reasonable control.

12) **Notices.** All notices pertaining to matters in this Agreement shall be delivered to the parties via U.S. Certified Mail – Return Receipt Requested at the following addresses:

ELITE PUBLIC FUNDS CHECKING ACCOUNT

First Federal's high volume Elite Public Funds Checking Account is designed for entities that write and deposit more than 300 items per month. Included with this account is processing of cash and check deposits, returned checks, deposit corrections, night depository, internal transfer, electronic funds transfer, monthly account statements in hard copy format, including paid item images, and electronic format, per proposal.

BUSINESS INTEREST CHECKING NEGOTIATED – PUBLIC FUNDS

Business interest checking allows the City to earn negotiated interest rates on all collected funds with no transaction limitations. Included with this account is processing of cash and check deposits, returned checks, deposit corrections, night depository, internal transfer, electronic funds transfer, monthly account statements in hard copy format, including paid item images, and electronic format, per proposal.

INSURED CASH SWEEP

Member of Intrafi which allows First Federal to offer access to additional FDIC insurance and a return on funds.

- Insured Cash Sweep (ICS) offered through Intrafi is a demand account with unlimited withdrawals providing access to multi-million dollar FDIC insurance.
- Work exclusively with First Federal and receive one First Federal statement while accessing FDIC coverage from many institutions.

OTHER RELATIONSHIP ENHANCEMENTS

Transfer Services

Business Online Banking Transfer Services provides the user with real time account information. Check account balances, move funds between accounts, and create stop payments. Users may also view paid check and statement histories. The system is flexible in that one time internal transfers can be entered or repeat internal transfers can be set up as recurring templates. Scalable security allows varying levels of access to be established ranging from inquiry only to global access. Technical support will be provided at no charge to set up and implement Business Online Banking Transfer Services.

Positive Pay Services (Transaction Authorization System)

The Positive Pay system allows businesses to electronically upload a list of issued checks to the bank. Reports are produced daily of any check presented for payment that is not on the authorized list. This service protects against internal fraud and more importantly protects against counterfeit checks that have become very prevalent. Dealing with fraudulent checks lowers staff productivity. Positive Pay automates the review process. Technical support will be provided at no charge to set up and implement Positive Pay.

Wire Transfer Services

The Wire Transfer system allows businesses to enter one time wire transfers or set up recurring templates for wires sent repeatedly. The outgoing wire fee is discounted by 50% when you initiate wire transfers using the online Wire Transfer Service. Scalable security facilitates separation of duties so you may set up user access so no one person has the ability to initiate and send funds without secondary review and authorization. Technical support will be provided at no charge to set up and implement Wire Transfers.

Remote Deposit Capture

First Federal's remote deposit capture utilizes a desktop scanner provided by the bank at no cost that connects to your PC and the Internet. With it, you can scan checks and issue deposits electronically to the bank. Make deposits anytime day or night. Save time preparing deposits. Technical support will be provided at no charge to set up and implement Remote Deposit Capture is subject to approval.

Payroll/Direct Deposit Services

Technical on site support will be provided to assist your staff in implementing direct deposit of payroll. Special presentations will be provided by bank staff to educate employees of the benefits of direct deposit. Your staff would create the direct deposit file either through your payroll software or software First Federal would provide and transmit using Premier e-Corp. The file would be further processed by First Federal through the automatic clearinghouse network (ACH). ACH origination is subject to approval.

Courier Deposit Services

Daily courier deposit pick up services with specified time for pick up.

Lock Box Services

First Federal Lock Box Services reduces the cost of processing payments through automating the crediting of customer accounts and depositing the checks into the designated bank account. The payments would be directed to a designated post office box and collected daily by authorized First Federal staff. These payments would then be processed at First Federal through a system that will capture the account information and create an electronic file that may be imported into your accounting system to credit the customer account for the payment.

Rejects are limited when a list of billings are provided to populate a lookup table to facilitate matching payments to accounts when billing stubs are not included with the check. The same information is utilized to compare the customer account information captured from billing stubs for read accuracy verification.

As the customer information is captured, the check and remittances item is imaged for future reference if needed and the checks will be credited to the designated bank account. There are also reports available for monitoring payment activity.

Visa Credit Card and Debit Card– Business

First Federal offers both Visa Debit and Credit Cards for your business needs. Visa Debit Cards can be issued to appropriate personnel and linked to your primary operating account or a separate checking account created for this purpose. Visa Credit Cards can be provided at the specifications requested in the RFP.

Electronic Event Notice Service

Notifi provides the user the ability to set up automatic notifications when various events occur. The message is sent to users without the use of account numbers for privacy and security purposes. Titles or nicknames are used to help the user identify the account to which the message pertains. Examples of events are check paid, deposited amount, low balance alert or balance notification, etc. Technical support will be provided at no charge to set up and implement Premier Messenger.

Special Employee Benefits

First Federal staff will hold group meetings to explain the benefits of Enhanced Employee Advantage Checking, a special account that will be offered to all your employees, providing unlimited check writing, no monthly service charge for 1 year, and a free Visa Check Card.

Enhanced Employee Advantage Checking is a non-interest bearing checking account designed for employees of entities with an account relationship with First Federal. Low minimum opening deposit of $50; no minimum daily account balance; Free one box of standard checks per year; Free convenient 24 hour access to account information through Internet and Tele-bank; Free eStatement and internet bill pay; Free instant image debit card with access to more than 55,000 surcharge-free Allpoint Network ATM's nationwide.

Branch Hours

Branch hours vary slightly from branch to branch depending on the needs of the market served. Branch hours are subject to change upon 30 days' notice to our customers. Currently, the First Federal Branch located at 1891 S. 14th Street, Fernandina Beach, Florida, maintains the following hours:

CITY OF FERNANDINA BEACH, FLORIDA
REQUEST FOR PROPOSAL 26-04
MANAGEMENT BANKING SERVICES

GENERAL INFORMATION

The City of Fernandina Beach, Florida (City) is accepting competitive sealed proposals for **Management Banking Services** from qualified financial institutions capable of providing banking services best suited to the City.

The City of Fernandina Beach will receive sealed proposals from qualifying banks through **Demandstar.com** (www.demandstar.com). Proposals must be uploaded to Demandstar.com E-Bidding System prior to **10:00AM, February 27, 2026**.

Hand-delivery, mailed, faxed or emailed submissions will **not** be accepted.

The City seeks to establish a banking relationship with a qualified financial institution for its banking needs. The City is looking for a single bank to provide all the services outlined below for the duration of the contract. The banking range of services includes **collection and deposit, cash concentration and disbursement (CCD), account maintenance, and overnight investment services**. Maintaining open and frequent two-way communication between the successful bank and the City is essential. Both parties will establish services and service levels through contract or written agreement, ensure receiving timely responses, establishing fair pricing and compensation, and upholding the highest ethical standards.

Instructions, Exhibits A-H and Response Forms (Attachments A-D) to this Request for Proposal are required as part of the submittal.

CONTACT

Specification questions during the proposal period shall be submitted in writing to Purchasing Specialist, Wanda Weaks, wweaks@fbfl.org. **Respondents are hereby put on notice that no contact shall be made with any of the City Commission members, City Manager other City staff, or others that may be involved in the selection process to discuss this request or to influence the outcome of the selection.**

Responses to questions considered material to the solicitation shall be distributed via formal addenda and posted to the City of Fernandina Beach's website; www.fbfl.us/bids, Bid Posting web page and to DemandStar website www.demandstar.com. It is the Responder's responsibility to check the City's website for Addenda prior to submitting their proposal.

Any interpretations, clarifications, or changes will be made in the form of written addenda issued by the Purchasing Specialist and posted on the City Website at www.fbfl.us/bids and to DemandStar website at www.demandstar.com. Any oral communications will not be authoritative and will not be binding on the City. It is the sole responsibility of the proposer to visit the City's website prior to submitting a proposal to ascertain if any addenda have been issued, to obtain all such addenda, and to return Acknowledged Addenda with each proposal.

If there is an Addendum it becomes part of the original RFP and shall be acknowledged by attaching a copy of the Addendum, signed by an authorized representative of the person or company submitting the proposal. Failure to do so may disqualify the submittal. All Responders are advised that under Chapter 119, Florida Statutes, all responses are deemed a public record and open to the public as provided for in said statute.

CONTRACT PERIOD

All services shall be provided for a **five-year period**, with **two one-year renewals** by mutual agreement with negotiated changes, **for a total potential contract length of seven years**. If the selected bank shall not be the current provider of banking services, **FIRST FEDERAL BANK**, then the selected bank shall begin transition, conversion and implementation operations no later than **April 06, 2026** to be fully operational by **May 11, 2026**. A proposing bank other than **FIRST FEDERAL BANK** shall submit its implementation schedule as part of its response.

BANK QUALIFICATIONS

1. Qualified Public Depository:
   Only banks meeting the criteria set forth in Chapter 280, Florida Statutes, and the Florida Security for Public Deposits Act (Act) shall be considered. The selected bank must be a qualified public depository as set forth in the Act at the time of proposal and maintain this status throughout the life of the contract. A proposing bank shall provide evidence of its status as a qualified public depository.

2. Bank Financial Strength:
   A proposing bank shall provide evidence of its strength by showing its rank with the Federal Reserve Board and the amount of consolidated assets, submit audited financial statements for the past two years and provide a printout from Bankrate.com, or an equivalent rating agency.

3. Bank Location:
   The bank must have a full-service branch located within Nassau County, FL.

4. Relationship Manager, City Representative:
   A proposing bank shall provide the names, contact info, and functions of the Relationship Managers. The City shall have the right to meet with this proposed Relationship Manager at the Principal Contact Office and to approve the person so designated or their successor liaison. Should the City object to the person so designated, the bank will replace them with a qualified person, acceptable to the City, forthwith. The City Comptroller will identify one or more persons in the Finance Department office to represent the City.

5. Designated Account Executive:
   The City requests that the Respondent provide the name of a designated account executive, as well as an alternate. The designated account executive must have the authority to make timely decisions in the normal course of business and serve as the point of contact and liaison between the City and other people within the bank.

6. Continuous Services:
   The bank will have and maintain sufficient staff to support these requirements on a continuing basis without interruption of services. Repeated disruptions to services, regardless of the reason, will be just cause for cancellation of the Agreement by the City. The Relationship Manager will act as a liaison with the City, at no cost, for matters regarding the City's accounts.

CONTRACT STRUCTURE

The City expects to enter into a Master Banking Services agreement. The City expects the master agreement to be supplemented by other agreements including but not limited to wire transfer, positive pay services, stop payment, ACH, lock box, remote deposit, electronic banking agreements, and courier service. The selected bank's proposal shall become an integral part of the master agreement.

SCOPE OF SERIVCES

Account Structure:

1. The City currently maintains **nine accounts**. The City anticipates depositing a minimum of $8million and a maximum of $10million. The account balance is projected to fluctuate by up to $4million during the month. **No minimum balance requirement above $4million will be accepted.** The City requires the same structure currently in place and described below. The Comptroller may open new accounts or close existing accounts to facilitate the efficient and legally required flow of funds at the costs, terms and conditions to be contracted.

Collection and Deposit Accounts:

1. General Fund: This account receives most of the general government revenues of the City. Deposits may be in the form of cash, checks, credit and debit card, Fedwire, ACH and book transfers. Disbursements are generally check and EFT. This account should be set up to sweep overnight balances.

2. Payroll: Bi-weekly, Friday payroll direct deposit disbursements are charged to this account. This is a Zero Balance Account (ZBA) in which the money used to cover the payroll is drafted from the General Fund Account. Currently, the Payroll Department processes approximately **325** direct deposit transactions bi-weekly.

3. Cemetery: This is **NOT** a ZBA account. This is an account established for restricted purposes. It is a checking account with a minimal number of transactions each year.

4. FSA: This is a Zero Balance Account (ZBA) set up to track the payments for our Flexible Spending Program offered to employees.

5. AP Solutions: This is a Zero Balance Account (ZBA) used to pay vendors via check and ACH.

6. Golf: This is a Zero Balance Account (ZBA) used for Golf Operations and includes deposits via cash, check, ACH, wire transfer, vendor debit for purchases and credit card processing.

7. Marina: This account is **NOT** a ZBA account. This account is used for Marina Operations and includes deposits via cash, check, e-check, credit cards, vendor payments via auto pay

and Bill.com.

8. E-bay: This account is **NOT** a ZBA account. This account maintains a minimum account balance established for unusual or infrequent purchases or online auction transactions.

9. Fire – Ambulance: This account is **NOT** a ZBA account. The City's Emergency Services billing provider uses this account. It includes a lock box.

COLLECTION AND DEPOSIT SERVICES

Courier Service:

The City uses a courier service for deposits, 5 days per week, provided by the current provider at no extra cost to the City. The courier must be able to collect and deliver change orders. A proposing bank should include the cost of such service in their proposal on the **Proforma Account Analysis Response Form – Attachment C**. The specific locations for courier pickup include at least **7** different locations within the City; City Hall (2 Desks), Marina, Utility Billing, Parks & Recreation, Finance, Golf and Police. If alternate deposit methods are offered, proposers must state whether or not courier service is available and provide a solution for change orders.

Deposit Deadline/Ledger Cutoff Time:

A proposing bank shall provide deposit deadline schedules for each of its branches that will service the City.

ACH, EFT's, and Wire Transfers Incoming:

The RFP should include a wire transfer agreement. The agreement shall reflect that the selected bank agrees to the standard of 'simple negligence'. The City receives receipts through the ACH, EFT's, and Fedwire systems in its accounts on a regular basis. Receipts are received from payment card settlements, various customers, federal and state agencies, and from maturing investments. A proposing bank shall report ACH payment messages on the bank statements. The bank shall be capable of reporting ACH payment, EFT, and Fedwire messages in total on its web-based banking system. The bank shall report transaction confirmation numbers on its web-based banking system. The bank shall provide book transfer capability on its web-based banking system to transfer money between accounts at the bank.

ACH Debit Block:

The bank must be able to provide ACH Debit Block service to prevent unauthorized persons or companies from electronically debiting out bank accounts.

Returned Items:

All returned items shall be automatically redeposited a second time. Items returned a second time shall be forwarded to the Finance Department.

Overdraft Account Remediation:

It is not the intention of the City to overdraw any accounts. In the event of an overdraft, all checks presented for payment shall be paid. The City Comptroller or designee shall confirm wires or ACH transfers that will remedy such overdraft. The bank shall complete the wire/ACH transfer after confirmation. Any service fee to be charged to the City for overdrafts shall be

provided on the **Pro Forma Account Analysis Response Form, Attachment C** and the instrument shall be honored.

Deposit Reconciliation:
Only banks with the capability of providing deposit reconciliation services on a web-based banking system shall be considered. Each deposit ticket shall bear the department name and number.

Lock Box:
Proposals should include a Lock Box agreement. The City currently utilizes this feature to process payments for EMS billings.

Remote Deposit:
Proposals should include an Express Deposit agreement. Several of the City departments/locations currently use this service.

DISBURSEMENT SERVICES

Positive Pay Services:
As additional fraud protection over the City's checks, the City desires to negotiate a positive pay services agreement with a no-pay default option. The agreement shall reflect that the selected bank's positive pay system be implemented at its teller lines. The bank shall report discrepancies electronically through its web-based banking system. The City shall provide an affirmative or negative response for each 'exception check'.

Check Reconciliation:
Only banks with the capability of providing partial and full check reconciliation services on a web-based banking system shall be considered. Check reconciliation services may be part of a proposing bank's positive pay service.

Stop Payment and Date Legend:
The RFP should include a stop payment agreement. The agreement shall reflect a lifetime stop payment order.

The City shall imprint its checks with the following date legend, "This check must be cashed within 180 days pursuant to the Uniform Commercial Code", or other similar language agreed to by the City and selected bank. The stop payment agreement shall reflect the bank agrees to the standard of 'reasonable care' in honoring date legended checks.

ACH and Wire Transfers Outgoing:
The RFP should include a wire transfer agreement. The agreement shall reflect that the selected bank agrees to the standard of 'simple negligence'. The City disburses vendor payments electronically through ACH and wire transfers on a regular basis. Electronic payments are made for payroll direct deposit, federal and state tax liabilities, debt service, purchases of investment securities, and others. The bank shall memo-post ACH transfers immediately for later settlement and execute wire transfers within **15** minutes after placement. The bank shall promptly notify, by telephone, the Comptroller's designated contact of any wire failures. The bank shall report ACH payment messages on the bank statements. The bank shall be capable of

reporting ACH payment and wire transactions on its web-based banking system. The bank shall report transaction confirmation numbers on its web-based banking system.

ACCOUNT MAINTENANCE - web based

Electronic Banking:

Only banks capable of providing full-service web-based banking shall be considered. Web-based banking services are required to run on a secure internet browser and be hosted at the banking facility. Electronic banking services shall include but not be limited to detail and summary balance reporting of balances at the end of the previous banking day, stop payments, checks paid, wire transfers, positive pay, ACH transactions, EFT transactions, check reconciliation, deposit reconciliation, monthly account statements, and monthly account analysis. Proposers shall provide information on security measures used to protect the safety and access to City accounts.

Account Analysis:

The selected bank shall provide a monthly pro-forma account analysis statement for the City's accounts. The bank shall prepare account analysis statements in the Association for Financial Professionals' standard format using the standard set of service codes or standard service descriptions. The analysis will report at a minimum: services rendered, service volumes, unit costs, extended costs, and the calculation of the earnings credit. A proposing bank should provide its calculation of earnings credit or fee for the month of January 2026 data and using a combined collected balance equal to $1,000,000 as the City's proposed reserve requirement. The proposed Earnings Credit Rate (ECR) should be clearly identified. The proposing bank shall also prepare a pro-forma account analysis for January 2026 as per their rate structure included in their proposal. This shall include interest income, service fees extended, include a total fees amount and articulate compensating balances requirements. This should be provided on the **Proforma Account Analysis Form, Attachment C**, attach and additional page if needed.

Monthly Account Statements, Debit and Credit Memos:

A proposing bank shall prepare and render individual monthly account statements. The reporting period shall be the full calendar month. Statements shall be available to download no later than the **3rd** day of the following month. The bank shall allow a period of **60** days or more in which the City may notify the bank of account statement errors. The bank shall provide explanation of debit and credit adjustments to the City within **five** days from the day the bank posts the adjustments to the City's accounts. Via e-mail to the Finance Department at FinanceDept@fbfl.city.

INVESTMENT SERVICES

The City's desire is to maximize its interest earnings on all funds in all accounts.

The City requires all accounts and investments be secured in accordance with the Florida Statutes, Chapter 280.01, Security for Public Deposits and by the City's investment policy and section 218.45 Florida Statutes. Interest earnings shall be tied to the Effective Federal Funds Rate. Proposers should specify a floor and ceiling on the earnings rate, if applicable. If no floor or ceiling applies indicate "none".

The interest calculation on excess funds shall be completed after all regular demand deposit activity has been posted. Interest earnings can be posted daily, but no less than once a month.

The City may choose to invest additional funds through structured Certificates of Deposit (CDs). Proposers should also provide interest rates for the following:

6-month CD of $5 million
12-month CD of $5 million
24-month CD of $5 million
36-month CD of $5 million

In addition, a proposer may choose to provide additional investment recommendations to the City for any funds over the minimum balance that balance the City's need for security of funds, liquidity of funds, and interest earnings pursuant to Florida Statutes and the City's Investment policy as amended from time to time.

Master agreement with the City Requirements:
A proposing bank shall provide the following: daily receipts or trade tickets for all overnight investment transactions that include a thorough description of any collateral securities.

1. Automated daily balance reporting with detailed transactions and summary account information.
2. Monthly collateral reports from the custodian, including:
    a. Name, type/description, CUSIP
    b. Par value, market value, maturity date
    c. Credit ratings (Moody's/S&P)
3. Safekeeping receipts for pledged collateral sent directly to the City.
4. Monthly account analysis and billing statements.

OTHER SERVICES

Commercial Credit Cards:
The bank will provide a commercial credit card account with the banking services with online reporting and management. There shall be no annual fee assigned to this service. City credit cards are issued to approximately 35 employees. Each employee credit card carries a different monthly limit. The City will pay the balance in full on a monthly basis.

Cost of Services:
The intent of the City is to obtain the most cost-effective and efficient services. Banking services and documents not detailed on the proposal form will be provided to the City at no cost. The City will provide check stock. The bank shall provide other banking supplies such as tamperproof deposit bags, coin wrappers and deposit slips. The bank will prepare a monthly detailed analysis of the cost of services and shall have the authority to debit the General Account for the total applicable service charges. The bank should specify other services it can provide with a brief description and anticipated cost of these optional services.

Workplace Banking:
To facilitate employee use of payroll direct deposit, the City would prefer a proposing bank provide a workplace banking program and make available to City employees a checking account with no maintenance fees, no minimum balance requirements, and a no fee debit and ATM card.

Imaging Services:
To facilitate timely access and reduced record storage requirements, only banks with the capability to provide electronic imaging services shall be considered. The City currently utilizes web banking services for all cleared checks and bank statements. Images and statements shall be downloadable from its web-based banking system to the City's servers. Imaged items shall include but not be limited to paid checks (front and back), positive pay exception checks (front and back), deposit items, and debit and credit memos. The bank shall provide its timetable for availability of imaged documents and web-based access time limit.

Most Favored Customer:
State whether or not your bank is willing to provide the City price protection during the term of the contract. Specifically, subsequent to the execution of a contract with the City, if proposer enters into a contract with, or submits a written proposal to, another Florida public entity of comparable size and deposit profile that provides for a lower cost of services or higher interest earnings than those provided to the City under a similar pricing structure, proposer acknowledges and agrees to extend such more favorable pricing terms to the City for the remainder of the contract term.

Non-Exclusive:
The City reserves the right to establish additional accounts in other banks or provide for additional services from other banks, if the City so deems necessary. If the City elects to exercise this right, the contract covered by this Proposal shall remain in effect as regards all terms, agreements and conditions without penalty or diminution of ongoing banking services as contained therein and previously provided by the successful bank in this proposal.

Disaster Preparedness Availability:
In the event of a natural disaster or other disaster, the selected Respondent must have in effect a plan to accommodate the City with funds and a plan to accommodate the City with electronic banking services. Describe your disaster recovery plan to include specific plans related to servicing the City in the event of a disaster. Provide information regarding your ability to provide uninterrupted service.

PROSPECTIVE SERVICES

The City, subject to its future needs, reserves the right to request the selected bank to provide any additional banking services not covered by this RFP, at such cost, and under such terms as may be agreed upon, in writing by the Parties, and such additional services shall then be subject to all the terms and conditions of the Contract awarded under this RFP. The Comptroller may desire to consider additional or enhanced services not currently provided to the City. Proposing banks should provide a list of additional services they offer.

PROPOSAL TERMS AND CONDITIONS

Proposing banks must use the response forms to Request for Proposals. The response forms include separate sections for **Bank Information, Attachment "A", Proposal Summary, Attachment "B", Pro-forma Account Analysis, Attachment "C**" and other information. Proposals must be executed by authorized representatives of the proposing banks. Proposing banks must execute the **Proposer's Warranty**, **Attachment "D"** and include it with the proposal. Also include **copies** of audited financial statements for each of the **two most recent years**.

SELECTION PROCESS

The criteria for making an award recommendation are as follows:

1.	Financial Strength in Government Accounts	30%
2.	Quality of Scope of Conversion Plan and Implementation	15%
3.	Qualifications of Professional Personnel Assigned to City Accounts	15%
4.	Proposed Fees/Compensation/Interest Income Formula	30%
5.	Breadth of Services/Innovation/Additional Services	10%

TENTATIVE SCHEDULE

The City will attempt to adhere to the following schedule:

Feb 16, 2026	Issue Request for Proposal (RFP)
Feb 27, 2026	Bank Proposals Due Prior to 10:00AM EST
Mar 05, 2026	Evaluation Committee Makes Preliminary Decision
Mar 17, 2026	Recommend to Commission

Proposers may be asked to make an oral presentation of their proposals to the committee.

Evaluation of proposals will be made by an Evaluation Committee consisting of two City Employees and a Consultant approved by the City Manager. The Committee will conduct an evaluation of the information included in the response form and its attachments. A recommendation to award a contract will be made based on the criteria set forth in the Selection Process.

The City observes a "cone of silence" and policies for ethical and professional behavior on all advertised solicitations. After issuance of the solicitation, banks or their representatives shall refrain from contacting any member of the evaluation committee, the City Manager or the City Commission regarding this proposal until the Commission approves the successful proposer.

Costs of preparation of a response to this RFP are solely those of the proposer. The City assumes no responsibility for any such costs incurred by the proposer.

Proposal Submission:
Proposals must be received no later than the time and date and at the location specified in the request. No proposals shall be received later or at any other location than specified. Any response received later or at any other location than specified shall not be considered. It shall be the respondent's sole responsibility to ensure that their proposal reaches the specified time and place for receipt of proposals.

Proposal Opening:
Proposals shall be opened publicly in the presence of one or more witnesses at the time and place designated in the notice. The name of each proposer shall be listed on the RFP Opening Tally which will be posted on the City's website within twenty-four hours of RFP opening.

Cancellation or Postponement:
The City may, prior to proposal opening, elect to cancel the request or postpone the date and/or time of submission or opening. In the event this occurs, notification will be communicated on the City's website and demandstar.com.

Corrections, Additions to and Withdrawal of Proposals: -
The following shall govern the correction of Information submitted in a proposal when that information is a determinant to the responsiveness of the proposal:

1. Errors in the extension of unit prices stated in a submission or in multiplication, division, addition, or subtraction in a submission may be corrected by the Committee prior to an award. In such cases, the unit prices shall not be changed. When quoting in words and in figures on items, and the words and figures do not agree, the words shall govern and the figures shall be disregarded.

2. No respondent shall be permitted to correct an error after an opening that would cause such respondent to have the low proposal, except that any respondent may correct errors in extension of unit prices stated in the submission, or in multiplication, division, addition or subtraction. In such cases, unit price submissions shall not be changed, and such errors must be readily apparent on the face of the form.

3. Nothing herein is intended to prohibit the acceptance of a voluntary reduction in price from a low respondent after opening and prior to commencement of work, provided such reduction is not conditioned upon, or does not result in the modification or deletion of any specification or conditions contained in the request.

Acceptance:
Proposals shall be accepted without alteration or correction, except that the City of Fernandina Beach reserves the right to accept or reject any and all submissions.

Applicant Qualifications:
The evaluation committee will recommend an award to the most responsive and responsible proposer whose submission meets the requirements and criteria set forth in the request and whose award will, in the opinion of the evaluation committee, be in the best interest of and most advantageous to the City. Criteria set forth in the Request for Proposal shall be used in the evaluations.

Factors to be considered in determining whether the standard of responsibility has been met include whether, in the City of Fernandina Beach's determination, a prospective respondent has:

1. Appropriate financial resources, materials, equipment, facilities, personal resources, experience, knowledge and expertise, or the ability to obtain them in a manner necessary to indicate its capability to meet all contractual requirements.

2. A satisfactory record of performance as a full-service bank for other local government entities.

3. A record of integrity.

4. Legal qualifications to contract with the City.

5. Supplied all necessary information in connection with the inquiry concerning responsibility including, but not limited to, any licenses, permits, insurance, or organization papers required.

6. A proposal that successfully demonstrates the respondents' accuracy and attention to detail.

Information in a submission, which concerns the responsibility of the respondent, shall not necessarily be considered conclusive at the time of opening, except when the request unequivocally states that the submission shall not be considered responsive unless the particular information has not been so declared as a determinant of responsiveness of the submission:

1. The City may determine that the information submitted concerning the responsibility of the respondent is so administratively inadequate as to warrant a recommendation of rejection of the submission based on a lack of demonstrated respondent responsibility.

2. The City may, after a proposal opening, request additional information from the respondent concerning their responsibility to perform; and the respondent may voluntarily, after the opening, provide additional information or corrective information concerning their responsibility.

3. The City shall consider this and all other information gained prior to the time of award or rejection in making determinations and recommendations concerning the acceptance and award.

4. A proposal shall be considered responsive only if it conforms to the requirements of the request concerning pricing, specifications of the services requested, and any other matter unequivocally stated in the request as a determinant of responsiveness. A lack of conformity on these matters which is not substantive in nature may be considered a technicality or irregularity which may be waived by the City.

The prospective bank shall supply information requested by the City concerning the responsibility of the prospective bank. If such prospective bank fails to supply the requested information, the City shall base the determination of responsibility upon any available information or may find the prospective bank not responsive, if such information is not submitted within the time specified.

Award:
The award shall be made to the most responsive and responsible bank whose proposal meets the requirements and criteria set forth in the request and shall be effective upon the

approval of the City Commission. The City reserves the right, in its sole discretion, to accept or reject any and all proposals, to waive any irregularities or informalities, and to accept or reject any items or combination of items. In the event only one submission is received, the contract may be awarded to the sole proposer, or the City may elect to re-advertise the proposal, at the sole discretion of the City.

Termination:
The City may terminate the contract in whole or part with a **ninety-day written notice**, unless otherwise stated in the contract documents. If terminated, the City will be liable only for payment in accordance with the payment provisions of the Contract for those services rendered prior to termination.

a. If the Base Proposal or the Base Proposal plus the sum of any alternates fall into the criteria above requiring a Proposal Bond, the Proposer must enclose a Certified Check or Proposal Bond with each Proposal. A Certified Check or Proposal Bond must be for an amount not less than five percent (5%) of the Proposal price and
must be made payable to the CITY OF FERNANDINA BEACH as a guarantee that the Proposer will not withdraw its proposal for a period of ninety (90) calendar days after Proposal closing time. Proposal Bonds or Certified Checks will be returned to unsuccessful Proposal within 10 days of proposal award. Successful proposers will receive their Certified Check or Proposal Bond after the contract/agreement has been signed and a Performance and Payment Bond is received.

PERFORMANCE AND PAYMENT BONDS:

a. In the event the Contract is awarded to the Proposer, Proposer will thereafter enter into a written contract with the CITY OF FERNANDINA BEACH and furnish a Payment and Performance Bond in an amount equal to the contract price. The form of the
bonds shall be in accordance with Section 255.05 of Florida Statutes. Failing to do so, Proposer must forfeit its proposal security.
Payment and Performance Bond must be secured from or countersigned by an agency or surety company recognized in good standing and authorized to do business in the State of Florida.
The following exceptions to proposer providing Performance and Payment Bonds are as follows: In lieu of the Performance and Payment Bonds, a contractor may file with the City an alternative form of security in the form of cash, a money order, a certified check, a cashier's check, an irrevocable letter of credit, or a security of a type listed in part II of chapter 625, Florida Statutes. Any such alternative form of security must be for the same purpose and be subject to the same conditions as those applicable to the bonds. The value of an alternative form of security must be in the amount of the proposal.

10. PUBLIC INFORMATION

a. All information contained in this Proposal is public information, and as such will be handled in accordance with chapter 119, Florida Statutes.

11. ADDITIONAL INFORMATION

a. The City reserves the right to require Proposers to provide references and information on previous similar experience prior to award of the contract.

12. QUESTIONS

a. Any questions about the REQUEST FOR PROPOSAL should be communicated per instructions in the REQUEST FOR PROPOSAL.

13. INDEMNIFICATION AND INSURANCE

INDEMNIFICATION

The parties recognize that FIRM/LESSOR is an independent Contractor. FIRM/LESSOR agrees to assume liability for and indemnify, hold harmless, and defend the CITY, its commissioners, mayor, officers, employees, agents, and attorneys of, from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, arising directly or indirectly out of or in connection with any negligent and/or deliberate act or omission of FIRM/LESSOR, its officers, employees, agents, and representatives. FIRM/LESSOR's liability hereunder must include all attorney's fees and costs incurred by the CITY in the enforcement of this indemnification provision. This includes claims made by the employees of FIRM/LESSOR against the CITY and FIRM/LESSOR hereby waives its entitlement, if any, to immunity under Section 440.11, Florida Statutes. The obligations contained in this provision will survive termination of this Agreement and will not be limited by the amount of any insurance required to be obtained or maintained under this Agreement. Nothing contained in the foregoing indemnification will be construed to be a waiver of any immunity or limitation of liability the CITY may have under the doctrine of sovereign immunity or Section 768.28, Florida Statutes.

INSURANCE

Prior to commencement of any work under this Contract and until completion and final acceptance of the work, the FIRM/LESSOR must, at its sole expense, maintain the following insurance on its own behalf, and furnish to the CITY certificates of insurance evidencing same and reflecting the effective date of such coverage as follows:

The term "Contractor" as used in the insurance rider, will mean and include Subcontractors of every tier.

A. Worker's Compensation and Occupational Disease Insurance in

accordance with the applicable law or laws; Employer's Liability Insurance with limit of at least One Million ($1,000,000) dollars. This includes sole proprietorships and officers of corporations who will be performing work on the job.

B. Commercial General Liability with a combined Bodily Injury and Property Damage limit of not less than ONE Million ($1,000,000.00) dollars per occurrence and TWO Million ($2,000,000) Dollars in the aggregate. The aggregate must be applicable on a per project basis. Coverage must include the following perils:
   1. Broad Form Blanket Contractual Liability for liability assumed under this Contract and all other Contracts relative to the project.
   2. Completed Operations/Products Liability.
   3. Broad Form Property Damage
   4. Personal and Advertising Injury Liability
   5. Independent Contractors
   6. Endorsements must be furnished reflecting the inclusion of the interests of Owner, Construction Manager, General Contractor, Contractor, (your company), their officers, directors, partners, representatives, agents and employees, and naming each as an Additional Insured on a primary and non-contributing basis.
   7. Coverage is to be endorsed to reflect that insurance is to be primary and non-contributory with respect to any other collectable insurance, for the Owner, General Contractor, Contractor, (your company) and all other parties required to be named as additional insureds.
   8. Coverage is to be provided on an "occurrence" basis with carriers licensed and admitted to do business in the State of [your state] or otherwise acceptable to the Contractor (your company).
   9. A copy of policy and/or endorsement(s) and any other documents required to verify such insurance are to be submitted with the appropriate certificate(s),
      or upon the request of Contractor (your company). Failure to provide these documents is not to be construed as a waiver of the requirements to provide such insurance.

C. Commercial Automobile Liability Insurance covering the use of all Owned, Non-Owned, and Hired Vehicles with combined Bodily Injury and Property Damage Limit of at least One Million ($1,000,000) Dollars.

D. Umbrella I Excess Liability Insurance with a limit of no less than One Million ($1, 000,000) dollars minimum per occurrence.

E. During the term of this agreement, (if applicable) the FIRM/LESSOR will carry Professional Liability Insurance which will cover liability for any damage or non-performance on account of any error, omission, or other provable negligence caused by the FIRM/LESSOR. The amount of insurance must not be less than One Million ($1,000,000) Dollars per occurrence and aggregate.

F. Loss Deductible – If the insurance of any FIRM/LESSOR contains deductible(s), penalty(s) or self-insured retention(s), the FIRM/LESSOR

Whose insurance contains such provision(s) must be solely responsible for payment of such deductible(s), penalty(s) or self-insured retention(s).

G. Where an Off Project Site Property exposure exists, the Contractor at its sole expense must furnish to the Owner and Contractor (your company) Certificates of Insurance and other required documentation evidencing the following coverage which will provide for the interests of [Name of Owner] , [Name of General Contractor] and (your company) to be named as Loss Payees and will contain a provision requiring the insurance carriers to waive their rights of subrogation against all indemnities' named in the contract.
"All Risk" Property Insurance on all materials, equipment and supplies intended to become a permanent part of the construction stored on premises away from the project site and while in transit, until actually delivered to the project site. Coverage is to be provided on a replacement cost basis.

H. The above insurances must each contain the following wording verbatim: "[Name of Owner], [Name of General Contractor] , and (your company) are interested in the maintenance of this insurance and it is agreed that this insurance will not be canceled , materially changed or not renewed without at least a thirty (30) day advance written notice to [Name and address of Owner] , [Name and address of General Contractor] and [Name and address of your company] by certified mail-return receipt requested ."

I. The amount of insurance contained in the aforementioned insurance coverages will not be construed to be a limitation of the liability on the part of the Subcontractor or any of its Subcontractors.

J. The Contractor must file certificates of insurance prior to the commencement of work with the Owner and the General Contractor which will be subject to the Owner, General Contractor and (your company) approval of adequacy of protection and the satisfactory character of the Insurer.

K. Any type of insurance or any increase of limits of liability not described above which the Subcontractor requires for its own protection or on account of statute shall be its own responsibility and at its own expense.

L. The carrying of the insurance described shall in no way be interpreted as relieving the Contractor or Subcontractor of any responsibility of liability under this Contract.

M. Any policies effected by the Contractor on its Owned and/or Rented Equipment and Materials must contain a provision requiring the insurance carriers to waive their rights of subrogation against the [Name of Owner], [Name of General Contractor], [Name of Contractor (your company)] and all other indemnities named in the Contract.

N. Should the Contractor engage a Subcontractor, the same conditions will apply under this contract to each Subcontractor, however, the retained Subcontractor must be required to maintain limits of liability of not less than One Million ($1,000,000) Dollars per occurrence and Two Million ($2,000,000) Dollars in the aggregate, with said limits applicable on a per project basis, or such greater limits as may be required by the retaining Subcontractor.

14. PAYMENT

Payment due hereunder must be made by the City to FIRM/LESSOR in accordance with the Florida Prompt Payment Act. Florida Statute 218 Section 74.

15. PROPOSAL PROTESTS

Proposal protest conditions and procedures are in accordance with City Ordinances – Part 2, Chapter 2, Article VII, Division 2, Section 2-444.

16. FEDERAL GRANT MONEY

In the event this project is funded with federal grant monies, FIRM/LESSOR may not participate in the proposal if FIRM/LESSOR is listed in the Excluded Parties List System (EPLS) a federal suspension and debarment listing. The Federal Government's Excluded Parties List System (EPL) is located at, including but not limited to, https://www.sam.gov/portal/SAM/. FIRM/LESSOR must include copy of search results with bid or proposal.

17. LOBBYING

a. Lobbying is defined as any action taken by an individual, firm, association, joint venture, partnership, syndicate, corporation, and/or all other groups
who seek to influence the governmental decision of a Board Member, the City Manager, and/or any City Personnel during the solicitation process. The lobbying black-out period commences upon the issuance of this solicitation and concluded upon the signing of the agreement. CONTRACTORS must not contact any Commission Member and/or any requesting or evaluating Department/Office personnel during said black-out period. All questions and procedural matters must be directed to the City Manager. The City Commissioners and/or the City Manager may disqualify any solicitation response where any Commissioner, the City Manager, and/or City Personnel have been lobbied in violation of the black-out period.

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES

THIS FORM SHALL BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for _____.

2. This sworn statement is submitted by (entity) _____ whose business address is _____ and (if applicable) Federal Employer Identification Number (FEIN) is _____(If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

3. My name is_____and my relationship to the entity named above is _____.

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or

    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for

fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

____ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)

____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

27. If the City needs additional bank accounts or expanded service during the term of the contract for banking services, will the Proposer provide such services at the rates already set forth in the contract? Yes ___ or No ___ or at a negotiated rate? Yes ____ No ____
28. Describe, in detail, the investment options and how interest on bank balances or an overnight sweep investment will be calculated and credited on all accounts.
29. Quote the interest rate the Proposer is offering the City on funds remaining in the interest-bearing accounts overnight in terms of the Effective Federal Funds Rate.
30. Describe the method used to calculate the Earnings Credit Rate, ECR and quote the interest rate the Proposer is offering the City on ECR funds in terms of the Effective Federal Funds Rate. Please include in the Proposer's explanation the impact of the bank formula for converting service charges to balance requirements and listing of the bank earnings credits for the last twelve months. Describe how interest on the excess balances is calculated and quote the interest rate the Proposer is offering the City on excess balances in terms of the Effective Federal Funds Rate.
31. Describe the Proposer's overnight sweep investment options. Provide earnings history for the overnight sweep investment agreement(s) for the last twelve months. What (if any) fee is charged to sweep funds into the proposed investment vehicle(s)? How is the fee calculated? What time of day is the sweep deadline (end-of-day or new-day)?
32. What are the beginning and ending cut-off times in EST for initiating wire transfers to ensure same-day execution?
33. What are the beginning and ending cut-off times in EST for receiving domestic wire transfers to ensure same-day credit?
34. Describe when and how a wire can be cancelled after the City releases it into the system. What is the latest time in the day to cancel? Is there a charge? If so, how much? How does this differ for wire transfers initiated by phone?

35. How and when is the City notified of a failed wire transfer?
36. Describe how the City can track wires through the system (input, approved and released).
37. Describe the incoming wire notification process.
38. What is the total amount of dollars that can be wired out across all accounts in a single day?
39. What is the total amount of dollars that can be wired out of a single account per day?
40. List any other wire fees not specifically covered under Banking Service Charges.
41. Can wire transfer payments be originated online through the Proposer's online banking system? If so, are these initiated in freeform or can templates be established?
42. Are wire templates user defined or can they be shared by other users?
43. What are the beginning and ending cut-off times in EST for initiating ACH transfers to ensure next-day execution?
44. What are the beginning and ending cut-off times in EST for receiving ACH transfers to ensure next-day credit?
45. Describe when and how an ACH can be cancelled after the City releases it into the system. What is the latest time in the day to cancel? Is there a charge? If so, how much? How does this differ for ACH transfers initiated by phone?
46. How and when is the City notified of a failed ACH transfer?
47. Describe how the City can track ACHs through the system (input, approved and released).
48. Describe the incoming ACH notification process.
49. List any other ACH fees not specifically covered under Banking Service Charges.
50. Describe the file options for processing ACH payments. What ACH file transmission options are available?
51. Can ACH payments be originated online through the Proposer's online banking system? If so, are these initiated in freeform or can templates be established?
52. Are ACH templates user defined, or can they be shared by other users?
53. The City currently transmits input files for ACH payments (direct deposits). City Payroll direct deposits are bi-weekly (1 upload with approximately **325** employees) paid on Friday. When does the Proposer need the payroll file from the City for payments to be credited to the employee's account?
54. What is the total amount of dollars that can be sent ACH across all accounts in a single day?
55. What is the total amount of dollars that can be sent via ACH out of a single account per day?
56. What is the total amount of dollars that can be sent out by wire and ACH across all accounts in a single day?
57. What is the total amount of dollars that can be sent out by wire and ACH out of a single account per day?
58. Does the Proposer provide ACH blocking? If yes, what level of filtering can be applied (originator, originator and dollar amount, etc.)?
59. What are the security measures that are in place for wire and ACH transfers?

60. The City currently uses Positive Pay. Please provide information on the Proposer's Positive Pay services and explain when unmatched items (exceptions) are available to view and when decisions to pay or to not pay need to be sent to the Proposer.
61. There may be several days in a year when the City's office is closed, but the Proposer's office is open. Please describe the recommended solution for handling these situations as it pertains to an unmatched item (exception).
62. Can individual items, such as voided checks, be cancelled from the outstanding issue records? Describe the process.
63. What is the Proposer's policy on stale dated checks? How does the Proposer's Positive Pay system treat stale dated items?
64. How will the City be notified of exceptions? If the City is notified by email, will an image of the exception item be available for viewing in the email?
65. Does the Proposer require Positive Pay services on all demand deposit accounts, even on accounts with no check writing function? Can accounts be designated as "post no check" to prevent potential fraud? What is the cost to make this account designation?
66. Describe the Stop Payment process.
67. Describe the security features to include user identification and password maintenance. Include any other features that may be useful to the City.
68. Describe the Proposer's data retention features.
69. Describe the Proposer's Safekeeping.
70. Include a sample of any service agreements your bank requires.
71. Include samples of a monthly bank statement and analysis statement.
72. In addition to the services described, proposals for optional services may be submitted for other services that the Proposer feels may be of interest to the City.

RE: RFP 26-04 Management Banking Services

Dear Members of the Selection Committee,

First Port City Bank is pleased to submit our proposal to provide comprehensive banking services to the City of Fernandina Beach. We greatly appreciate the opportunity to be considered and are confident that, upon reviewing this proposal, you will clearly see that First Port City Bank is—and will continue to be—the best banking partner for the City.

While many financial institutions are FDIC insured and nationally or regionally recognized, First Port City Bank is uniquely distinguished by the recognition we have received locally here in Nassau County. We have been honored as a Professional Services Business of the Year by the Nassau County Chamber of Commerce, reflecting our commitment not just to banking excellence, but to meaningful community impact.

As a true community bank deeply rooted in Nassau County, every member of the team you will work with day-to-day lives and works in this community. No other financial institution can make that same claim. This local presence translates into faster response times, direct accessibility to decision-makers, and a level of accountability that only comes from serving your neighbors. When you call, you speak with someone local who understands the City and its unique operational needs.

From a financial perspective, our proposal demonstrates measurable value. Our earned income credit is significantly higher than competitors, directly enhancing the City's ability to offset service costs. Additionally, while your bid requirement is $4 million minimum balance to achieve preferred earnings rates, First Port City Bank requires only a $2 million minimum balance. Based on the City's January statement, the additional $2 million that would otherwise sit in a non-earning requirement could have generated approximately $56,000 in additional interest for just one month. If balances remained consistent, this equates to approximately $672,000 in additional earned interest annually—funds that could be redirected toward serving the citizens of Fernandina Beach.

A key operational advantage for the City is that First Port City Bank utilizes the same core processor (Fiserv) as your current financial institution. We believe there will with minimal disruption for this transition and a significantly reduced learning curve for City staff. Online banking, cash management tools, reporting platforms, and transaction workflows will

FIRST PORT CITY BANK
Putting *People* First

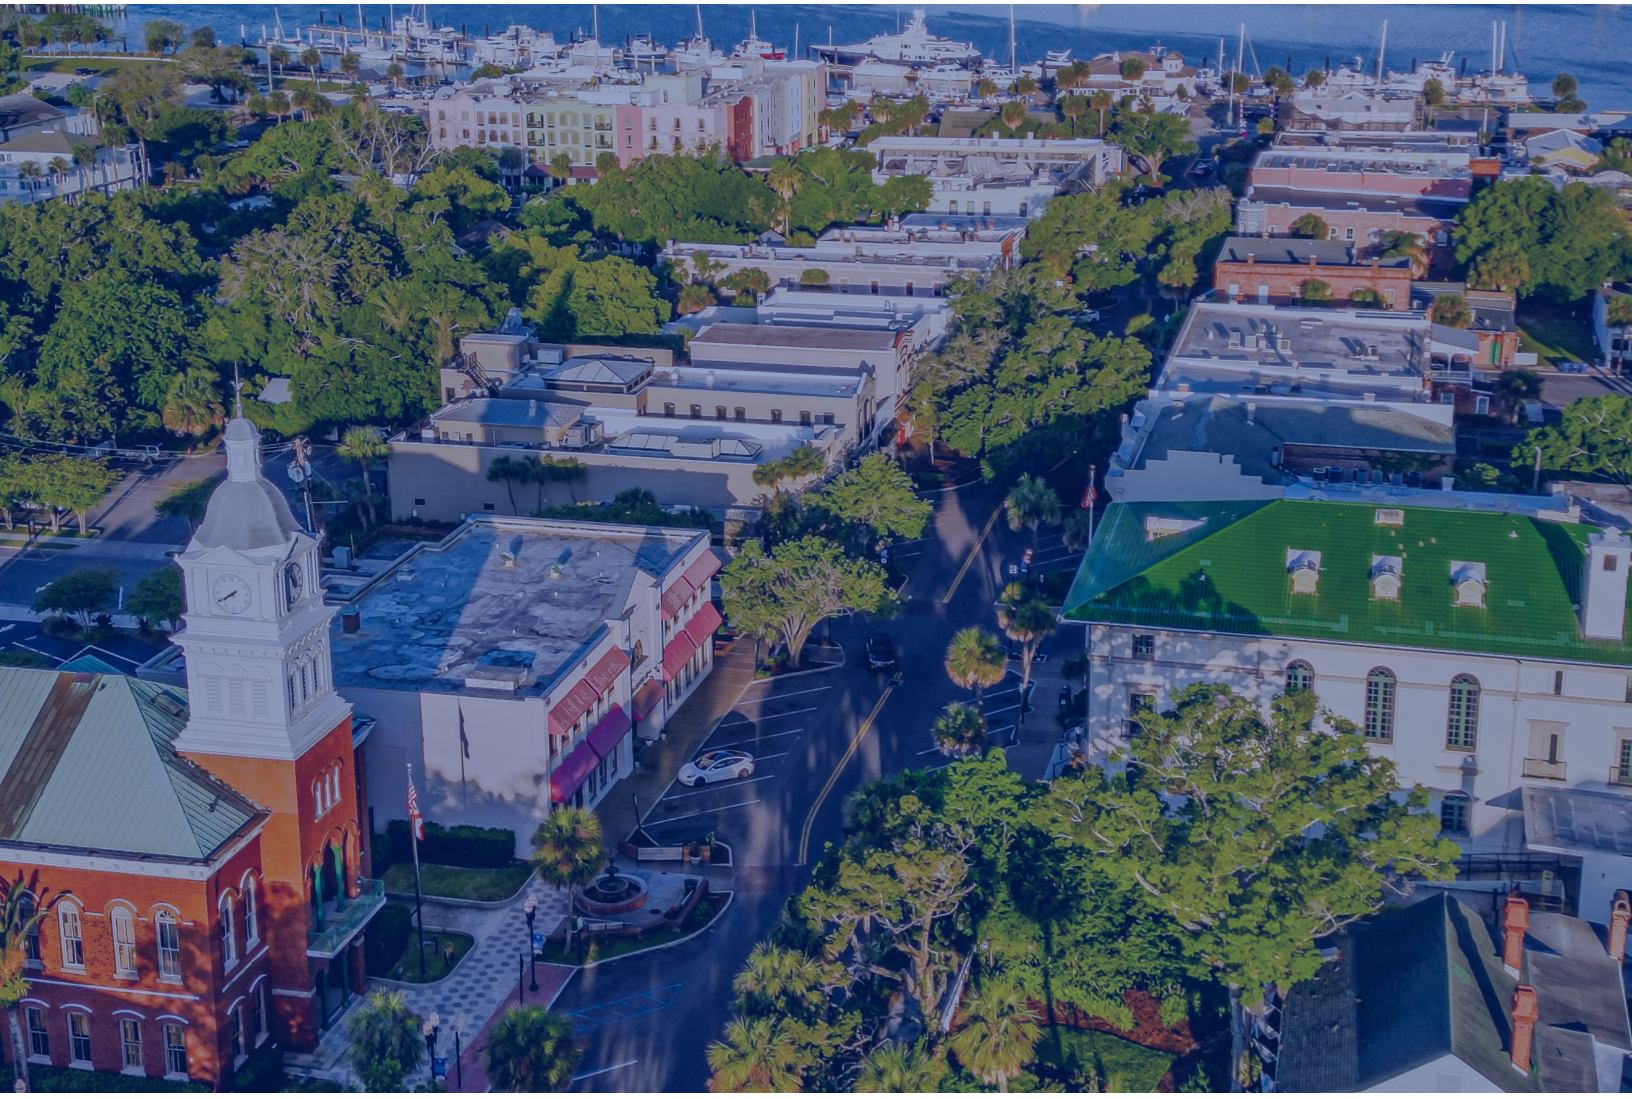
remain familiar, allowing your team to stay focused on serving the community without the burden of a complex system conversion.

Our dedicated local banking and operations teams stand ready to provide hands-on implementation, personalized service, and ongoing support throughout the entire relationship. We are committed to being a long-term partner for the City of Fernandina Beach—one that delivers reliability, accessibility, responsiveness, and measurable financial value every day.

Thank you again for the opportunity to submit this proposal. Should you have any questions or require clarification on any portion of our response, we would sincerely appreciate the opportunity to address them and provide any additional information needed during your review.

Respectfully,

Sincerely,



Michael Brooks

    Yes ✓ No ___

25. Will the Proposer provide the City with a dedicated team of client service officers as well as a technical support staff familiar with treasury services for government entities? Yes ✓ No___ Please describe the technical support that the City will receive.

    We will provide a dedicated team of Client Services Officers to support all treasury and cash management needs. The City will have contacts responsible for day-to-day service, issue resolution, and ongoing relationship management.

    This team is backed by specialized treasury technology support professionals who provide implementation assistance, system integration support, security administration, and technical troubleshooting. Together, this structure ensures responsive service, operational continuity, and secure, reliable treasury operations.

26. In event of deposit corrections caused by either the City or the Proposer, no transaction fees shall be incurred for either the debit or credit memos required for said correction. Is this agreeable? Yes ✓ No ____

27. If the City needs additional bank accounts or expanded service during the term of the contract for banking services, will the Proposer provide such services at the rates already set forth in the contract? Yes ___ or No ___ or at a negotiated rate? Yes ✓ No ____

    Yes, if it's the same type of Demand Deposit Accounts as listed in this RFP, they would follow the contracted rate. If it is for a new Certificate of Deposit, the rates will be negotiated.

28. Describe, in detail, the investment options and how interest on bank balances or an overnight sweep investment will be calculated and credited on all accounts. See Section L

29. Quote the interest rate the Proposer is offering the City on funds remaining in the interest-bearing accounts overnight in terms of the Effective Federal Funds Rate.

    FPCB recommends and proposes investing additional funds through structured Certificates of Deposit.

    First Port City Bank Certificate of Deposit Rates:

Term	**Interest Rate**
3 Months	3.56% APY
6 Months	3.55% APY
12 Months	3.49% APY
24 Months	3.25% APY
36 Months	3.15% APY

30. Describe the method used to calculate the Earnings Credit Rate, ECR and quote the interest rate the Proposer is offering the City on ECR funds in terms of the Effective Federal Funds Rate. Please include in the Proposer's explanation the impact of the bank formula for converting service charges to balance requirements and listing of the bank earnings credits for the last twelve months. Describe how interest on the excess balances is calculated and quote the interest rate the Proposer is offering the City on excess balances in terms of the Effective Federal Funds Rate.

    Calculation of ECR: FPCB will apply an Earnings Credit Rate equal to 23% of the Fed Funds Effective Rate H.15, as of the last business day of the prior month (currently at 0.84% with a floor of 0.25%), to the Average Available Balance (described as Investable Balance on the Analysis Statement) in the applicable account. Calculation Method is "Percent of Balance". This method multiplies the Earnings Allowance Balance (Average Available or Collected Balance) by the annualized Earnings Allowance Rate, divided by the number of Days in the Year (365 Day Year). This number is multiplied by the Days in the Analysis Period giving the Earnings Credit Allowance. The Earnings Credit Allowance is compared to the service charges assessed during the Analysis Period. If the Earnings Credit Allowance is greater than the The net charge to the account is zero ($0.00). If the Earnings Credit Allowance is less than the total service charges, the net charge to the account is the difference between total service charges and the Earnings Credit Allowance. **Calculation of Interest:** FPCB will apply an Interest Rate equal to 77% of the Fed Funds Effective Rate H.15, as of the last business day of the prior month **(currently at 2.80% with a floor of 0.50%)**, to the Available Balance above $2 million in the applicable account. FPCB uses the

Simple method to calculate interest. This method multiplies the Available Balance by the interest rate, divided by the number of Days in the Year (365 Day Year). This number is multiplied by the Days in the Statement Cycle resulting in Earnings Payment.

31. Describe the Proposer's overnight sweep investment options. Provide earnings history for the overnight sweep investment agreement(s) for the last twelve months. What (if any) fee is charged to sweep funds into the proposed investment vehicle(s)? How is the fee calculated? What time of day is the sweep deadline (end-of-day or new-day)?

    FPCB offers overnight sweep investments through IntraFi Cash Service (ICS). There are no fees for this service, and rates are negotiated for municipalities, so we have no way to provide an earnings history. The Same-Day Deposit Cutoff Time is 2:30pm ET.

32. What are the beginning and ending cut-off times in EST for initiating wire transfers to ensure same-day execution?
    Outgoing Wire Initiations: Beginning Time: 9:00am ET; Cut-off Time: 4:00pm ET. *FPCB will begin processing Business Online Banking wire requests submitted before 9:00am ET as early as 8:30am Monday through Friday (excluding holidays).* For extenuating circumstances, FPCB can process wires after the 4:00pm ET cut-off time, but before 5:00pm ET. *A request for post cut-off processing would need to be made early enough in the day so FPCB can ensure after-hour staffing is sufficient to handle the request.*

33. What are the beginning and ending cut-off times in EST for receiving domestic wire transfers to ensure same-day credit?
    Incoming Wire Receipts: Beginning Time: 9:00am ET; Cut-off Time: 5:00pm ET. FPCB will begin processing incoming wires received after hours the prior business day, or before 9:00am ET the same day as early as 8:30am Monday through Friday (excluding holidays).

34. Describe when and how a wire can be cancelled after the City releases it into the system. What is the latest time in the day to cancel? Is there a charge? If so, how much? How does this differ for wire transfers initiated by phone?
    FPCB performs callback verification for every outgoing wire transfer request not received in person. As soon as we receive verification of the wire, we proceed with internal approvals and system release. At any time before or during callback verification, the City can cancel a submitted wire transfer via telephone with no cancellation fee. After a verified and approved wire transfer has been released to the Federal Reserve, cancellation is not possible. If the City desires, they can direct FPCB to hold all their outgoing wires until a set time of day before releasing them to allow the City ample time to cancel a previously approved wire transfer. This is not our standard practice, but something we can put in place if the City deems it valuable.

35. How and when is the City notified of a failed wire transfer?

    We will notify by phone immediately, but we can also/alternatively set up designated COFB staff members to receive automated real-time emails directly from our wire system.

36. Describe how the City can track wires through the system (input, approved and released).

Within FPCB's Business Online Banking platform, the City can view outgoing wire transfers, including exceptions and confirmations. Additionally, the City can view a list of incoming wire transfers. The City can perform general searches or fine tune the search according to your preference.

37. Describe the incoming wire notification process.

    FPCB can send automated wire notification emails directly from our wire transfer system. The City can designate specific email recipients or groups, and can elect to receive Incoming Notifications, Outgoing Notifications or Both. Alternatively, the City's business online users can view lists of incoming wire transfers via FPCB's Business Online Banking platform.

38. What is the total amount of dollars that can be wired out across all accounts in a single day?

    FPCB establishes outgoing wire limits at the Client level, and not per account. We set Per Wire, Per Day and Per Month limits based on individual Client needs. We will work with the City to determine appropriate limits based closely on your anticipated wire volume. These limits can be adjusted as needed to accommodate periodic or ongoing volume increases. The City can set individualized limits per business online user if so desired. FPCB has a $6 million base limit, but on a per customer basis we can approve amounts over that amount, if necessary.

39. What is the total amount of dollars that can be wired out of a single account per day?

    FPCB establishes outgoing wire limits at the Client level, and not per account. We set Per Wire, Per Day and Per Month limits based on individual Client needs. We will work with the City to determine appropriate limits based closely on your anticipated wire volume. These limits can be adjusted as needed to accommodate periodic or ongoing volume increases. The City can set individualized limits per business online user if so desired.

40. List any other wire fees not specifically covered under Banking Service Charges.

    All Included in **"Attachment C"**

41. Can wire transfer payments be originated online through the Proposer's online banking system? If so, are these initiated in freeform or can templates be established?

    Yes, FPCB has a robust Business Online Banking system which includes a module for electronic wire requests. Wire requests can be initiated with or without templates, per your preference. The City can customize business online user access if so desired. Additionally, for wires that you wish to originate via template, you can assign to all users or just a few.

42. Are wire templates user defined or can they be shared by other users?

    Wire templates can be locked for a particular user (or users), or can be accessed/shared by all users - your choice

43. What are the beginning and ending cut-off times in EST for initiating ACH transfers to ensure next-day execution?

    ACH Transfer Originations: Beginning Time: 9:00am ET; Cut-off Time: 4:00pm ET. FPCB will begin processing ACH files submitted before 9:00am ET as early as 8:30am Monday through Friday (excluding holidays). Note: Credit entries require 2 business days prior to Effective Entry Date. Debit entries require only 1 business day prior to Effective Entry Date. Effective Entry Date must be a Business Day, or the file will be processed on the first business day following the effective date.

44. What are the beginning and ending cut-off times in EST for receiving ACH transfers to ensure next-day credit?

    Incoming ACH Transfers: Beginning Time: 9:00am ET; Cut-off Time: 4:00pm ET. Note: Credit entries require transmission 2 business days prior to Effective Entry Date. Debit entries require transmission only 1 business day prior to Effective Entry Date. Effective Entry Date must be a Business Day, or the file will be processed on the first business day following the effective date. If this question refers to ACH credit transactions originated at another Financial Institution to the City as Receiver, FPCB makes these credits available to you upon receipt, but no later than 9:00am ET on the transaction's effective entry date.

45. Describe when and how an ACH can be cancelled after the City releases it into the system. What is the latest time in the day to cancel? Is there a charge? If so, how much? How does this differ for ACH transfers initiated by phone?

    ACH transfers that are approved and released within Business Online Banking are automatically swept to our processor at the following times each day: 8:55am ET, 1:10pm ET, 3:00pm ET (last sweep for same day) and 4:00pm ET (last sweep for next day or two-day files). If the status on the transfer is either "Submitted" or "Pending Origination" the City user can delete the transfer. Once the status changes to "Processed", it can no longer be deleted/cancelled. There is no charge to cancel a Submitted or Pending Origination ACH transfer. FPCB does not accept ACH transfer requests via telephone.

46. How and when is the City notified of a failed ACH transfer?

    FPCB is typically notified of a failed ACH transfer by the Receiving Institution one or two days following the transfer's effective entry date. FPCB will notify the City via encrypted email the day we receive electronic notification from the Receiving Institution. Emails will be sent to the individual or group email address designated in the City's ACH Origination Agreement.

47. Describe how the City can track ACHs through the system (input, approved and released).

    Within FPCB's Business Online Banking platform, the City can view ACH transfers generated within the platform. The City can perform general searches or fine tune the search according to your preference. The search results will display the status of the transfer. When reviewing transfer details, the system will indicate whether the user has saved the transfer or the system has not completed processing for the transfer. The system will also send automated emails to designated users upon successful submission, when there is an error and/or when the transfer is ready for internal approval.

48. Describe the incoming ACH notification process.

    Incoming ACH transfers can be viewed within FPCB's Business Online Banking portal. Additionally, Users authorized by the City can set up email and/or text Alerts within the business online banking system to receive alerts for ACH withdrawals over a threshold amount, Recent Transactions, Credit Transactions posted, etc.

49. List any other ACH fees not specifically covered under Banking Service Charges. All Included in **"Attachment C"**

50. Describe the file options for processing ACH payments. What ACH file transmission options are available?

    FPCB asks that all ACH Origination entries are processed via our Business Online Banking system. We currently restrict all but the following SEC Code entries: PPD, CCD, CTX, and CIE. Files can be manually entered or imported (Nacha formatted files).

51. Can ACH payments be originated online through the Proposer's online banking system? If so, are these initiated in freeform or can templates be established?

    Yes, FPCB has a robust Business Online Banking system which includes a module for ACH Origination. ACH files can originate with or without templates, per your preference. The City can customize business online user access if so desired. Additionally, for ACH files that you wish to originate via template, you can assign access to the templates to all users or just a few.

52. Are ACH templates user defined, or can they be shared by other users?

    ACH templates can be restricted to a single user or shared by other City business online banking users.

53. The City currently transmits input files for ACH payments (direct deposits). City Payroll direct deposits are bi-weekly (1 upload with approximately **325** employees) paid on Friday. When does the Proposer need the payroll file from the City for payments to be credited to the employee's account?

    FPCB would need to receive the ACH file two business days prior to the Effective Entry Date, excluding holidays and weekends. For Friday pay date, FPCB would need to receive the file before 4:00pm ET on Wednesday. Files can be submitted up to 30 days in advance, if necessary. If Wednesday, Thursday or Friday are a holiday, allow an extra day to ensure the file is processed timely.

54. What is the total amount of dollars that can be sent ACH across all accounts in a single day?

    FPCB establishes outgoing ACH limits at the Client level, and not per account. We set Aggregate ACH Daily Limits and Aggregate ACH Monthly (Rolling 30 day) Limits based on individual Client needs. We will work with the City to determine appropriate limits based closely on your anticipated ACH volume. These limits can be adjusted as needed to accommodate periodic or ongoing volume increases. The City can set individualized limits per business online user if so desired.

55. What is the total amount of dollars that can be sent via ACH out of a single account per day?

    FPCB establishes outgoing ACH limits at the Client level, and not per account. We set Aggregate ACH Daily Limits and Aggregate ACH Monthly (Rolling 30 day) Limits based on individual Client needs. We will work with the City to determine appropriate limits based closely on your anticipated ACH volume. These limits can be adjusted as needed to accommodate periodic or ongoing volume increases. The City can set individualized limits per business online user if so desired.

56. What is the total amount of dollars that can be sent out by wire and ACH across all accounts in a single day?

    FPCB establishes outgoing ACH and Wire limits at the Client level, and not per account. The limits set for ACH and Wire Origination are unique for each type and work independently of the other. These limits based on individual Client needs. We will work with the City to determine appropriate limits based closely on your anticipated ACH and Wire volume. These limits can be adjusted as needed to accommodate periodic or ongoing volume increases. The City can set individualized limits per business online user if so desired. FPCB has a $6 million base limit, but on a per customer basis we can approve amounts over that amount, if necessary.

57. What is the total amount of dollars that can be sent out by wire and ACH out of a single account per day?

    FPCB establishes outgoing ACH and Wire limits at the Client level, and not per account. The limits set for ACH and Wire Origination are unique for each type and work independently of the other. These limits based on individual Client needs. We will work with the City to determine appropriate limits based closely on your anticipated ACH and Wire volume. These limits can be adjusted as needed to accommodate periodic or

ongoing volume increases. The City can set individualized limits per business online user if so desired. FPCB has a $6 million base limit, but on a per customer basis we can approve amounts over that amount, if necessary.

58. Does the Proposer provide ACH blocking? If yes, what level of filtering can be applied (originator, originator and dollar amount, etc.)?

    FPCB offers ACH Positive Pay. Within that system, the City can add ACH transactions to a Block list based primarily on Company ID of the Originator. The City can further limit by dollar amount, frequency, start and end date.

59. What are the security measures that are in place for wire and ACH transfers?

    Wires and ACH: FPCB requires use of soft or hard token OTP + PIN to login to Business Online Banking and OTP before submitting wire request or ACH file. Wires: FPCB performs callback verification to account owners or authorized signers to verify every wire request that is submitted in a manner that is not in person.

60. The City currently uses Positive Pay. Please provide information on the Proposer's Positive Pay services and explain when unmatched items (exceptions) are available to view and when decisions to pay or to not pay need to be sent to the Proposer.

    FPCB offers Check (Standard and Reverse) and ACH Positive Pay, which are accessed via single sign-on through Business Online Banking. Automated email reminders are sent to designated users evert business day at 10am ET and users must resolve the exceptions by 11am daily. Exceptions are typically available by 8am and often as early as the night before. For Standard Positive Pay, users upload a check issue file before 4pm ET each day they issue checks. The system compares the check issue file with checks that present for payment and presents exceptions to the user to review and resolve. For Reverse Positive Pay, check issue files are not uploaded and every check that presents for payment is considered an exception that must be reviewed and resolved by 11am. For ACH Positive Pay, users will review ACH transactions as they present and can add valid transactions to an Approved list and invalid/unauthorized transactions to a block list. Adding ACH transactions to the Approved or Blocked lists will automate decisions for future ACH transactions matching the approve or block criteria.

61. There may be several days in a year when the City's office is closed, but the Proposer's office is open. Please describe the recommended solution for handling these situations as it pertains to an unmatched item (exception).

    FPCB follows the Federal Reserve Holiday Schedule and, with the exception of emergency situations, will be open when the Federal Reserve is open. The City will be asked to select a default Pay or Return setting that will go into effect if a City user fails to login and resolve exceptions. The system will mark each exception accordingly and FPCB will honor the default decision if exceptions are not resolved. For default Return decisions, FPCB Operations staff will make a courtesy call to the City if they notice all items are set to Return. FPCB recommends the City have at least one Positive Pay user that can login and resolve exceptions when the City is closed on days that the Federal Reserve (and FPCB) is open.

62. Can individual items, such as voided checks, be cancelled from the outstanding issue records? Describe the process

    Yes, if the City chooses to use Standard Positive Pay and uploads (or manually enters) a check issue file, voided checks should reflect the status "VOIDED". Likewise, checks for which a stop payment have been issued should reflect the status "STOPPED". Alternatively, a City user can manually enter voided or stopped checks

into the check issue file as each situation occurs. The system will update your existing check issue file accordingly. As long as the information is reflected in the system before 4pm ET, any stopped or voided items that present for payment that night will be flagged and presented as exceptions.

63. What is the Proposer's policy on stale dated checks? How does the Proposer's Positive Pay system treat stale dated items?

    FPCB's Positive Pay system does not recognize stale dated checks as exceptions. Recommendation is to issue stop payments for checks you no longer wish to pay when the check has not cleared before your desired internal timeframe.

64. How will the City be notified of exceptions? If the City is notified by email, will an image of the exception item be available for viewing in the email?

    Automated emails are sent to each designated Positive Pay user at 10:00am ET, reminding the user to login and resolve any positive pay exceptions that are present. For security reasons, the email is a static message and does not state whether there are, or are not, any exceptions. Nor does the email contain images of any exception items.

65. Does the Proposer require Positive Pay services on all demand deposit accounts, even on accounts with no check writing function? Can accounts be designated as "post no check" to prevent potential fraud? What is the cost to make this account designation?

    FPCB does not require Positive Pay services on any demand deposit account unless the account has been compromised and the customer does not want to close the compromised account and open a new one. Barring fraud situations, Positive Pay customers can specify which accounts they want to enroll for the service. Customers can request posting restrictions be placed on accounts for which they write no checks. There is no charge for this option.

66. Describe the Stop Payment process.

    FPCB business customers can issue stop payment orders for single Check or ACH Debits that have not yet been posted by reaching out to their local branch. We must receive the stop payment requests in time to give us a reasonable opportunity to act on it before our stop payment cutoff time. Our stop payment cutoff time is one hour after the opening of the next banking day after the banking day on which we receive the item. We generally request ACH stop payment requests be made at least 3 days before the transaction is scheduled to post. Stop payment orders for checks must precisely identify the number, date, and amount of the item, and the payee. Check stop payments must be in writing, but oral ACH stop payment orders are effective for 14 calendar days unless confirmed in writing within the 14-day period. Check stop payments are valid for 6 months and will lapse after that time if you do not renew the order in writing before the end of the 6-month period. FPCB charges a $32 fee for each stop payment.

67. Describe the security features to include user identification and password maintenance. Include any other features that may be useful to the City.

    For Cash Management Customers we require unique User ID, and soft or hard password tokens plus PIN for ACH, RDC and wire services. We require 100% call back for verification on all wires. 128-bit encryption for Business Online Banking

68. Describe the Proposer's data retention features.

    We keep electronic copies of account data for 6 years. See Section J - Disaster Recovery Plan for additional information

69. Describe the Proposer's Safekeeping.

    Physical data & Information is held for 6 years in cold storage. See Section J - Disaster Recovery Plan for additional information

70. Include a sample of any service agreements your bank requires. All Included in **"Section K & S"**

71. Include samples of a monthly bank statement and analysis statement. See Section BB-B70 (Other Attachments)

72. In addition to the services described, proposals for optional services may be submitted for other services that the Proposer feels may be of interest to the City. See Section O

First Port City Bank – 5-Star BauerFinancial Rating

First Port City Bank is proud to maintain a **5-Star "Superior" Rating** from *BauerFinancial, Inc.*, the nation's leading independent bank rating and research firm. This top-tier designation is awarded exclusively to institutions that demonstrate exceptional financial strength, operational performance, and long-term stability.

BauerFinancial's 5-Star rating reflects First Port City Bank's strong capital position, high-quality asset portfolio, consistent profitability, and effective risk management practices. As an unbiased, independent evaluator, BauerFinancial does not accept payment for ratings—ensuring that all institutions are measured using the same rigorous standards.

Why This Matters for Our Clients & Partners

- **Financial Stability & Security:** A 5-Star rating indicates that First Port City Bank exceeds regulatory capital requirements and is positioned for resilience in varying economic conditions.
- **Low Risk & Strong Asset Quality:** The rating recognizes the bank's focus on sound lending practices and responsible portfolio management.
- **Proven Performance:** This classification places First Port City Bank among the strongest banks in the nation, reinforcing our commitment to operational excellence and fiscal stewardship.
- **Reliable, Long-Term Partner:** For municipalities, businesses, nonprofits, and individuals, this rating provides confidence that the bank is a stable, well-managed, and trusted financial partner.

Commitment to Excellence

Earning a 5-Star "Superior" Rating underscores First Port City Bank's ongoing dedication to safeguarding customer assets, supporting local economic growth, and providing responsive, relationship-focused banking services. Our financial strength allows us to meet the needs of our clients today and support their long-term success.

First Port City Bank – Voted *Best Bank* Three Years in a Row (2023, 2024, 2025)

For three consecutive years, First Port City Bank has been honored by our community as the **Best Bank** in the *NewsLeader Best of the Best Awards*. This recognition—earned in 2023, 2024, and again in 2025—reflects the trust, loyalty, and continued confidence that local residents and businesses place in our team.

As a community-focused financial institution, our mission has always been to put people first. Whether it's delivering personalized banking solutions, supporting local nonprofits, investing in Nassau County's growth, or providing exceptional customer service at every touchpoint, First Port City Bank is committed to making a meaningful difference in the lives of the customers we serve.

Receiving this honor for three consecutive years highlights the strength of our relationships, the dedication of our employees, and the impact of our "people over profits" philosophy. We are incredibly grateful to our community for voting for us year after year—and we remain committed to raising the bar, advancing innovative financial solutions, and continuing to be the bank our community can count on.

First Port City Bank was proudly recognized by the Nassau County Chamber of Commerce as the 2025 Professional Services Business of the Year, an honor that reflects our strong financial performance, customer service excellence, and meaningful community impact. This recognition underscores our commitment to delivering responsive, relationship-driven banking solutions while maintaining the highest standards of professionalism, compliance, and operational integrity. As a locally focused community bank serving Nassau County, we combine experienced leadership, sound financial management, and innovative banking technology to meet the evolving needs of municipalities, businesses, and residents. This award affirms our role as a trusted financial partner dedicated to supporting long-term economic growth and community success.

Implementation Schedule

G

FIRST PORT
CITY BANK
Putting *People* First

First Port City Bank is committed to delivering a seamless, secure, and fully controlled transition process. Our structured three-week implementation plan is designed to ensure zero disruption to payroll, vendor payments, treasury operations, or public funds compliance.

Through proactive planning, dual-control safeguards, system testing, and dedicated support, we provide a smooth conversion experience with clear communication and hands-on guidance every step of the way.

As stated at the RFP Review at the last Commissioners Meeting, the estimated cost to the City for conversion was outlined at approximately $10,000. First Port City Bank is waiving over $40,000 in fees and equipment to help minimize any conversion costs to the City. (See Attachment C)

A key differentiator between First Port City Bank and other financial institutions is that our Implementation and Support Team lives and works here in Nassau County — and the same professionals who guide you through the onboarding and transition process will continue servicing your account long after go-live. We do not hand clients off to a separate service center or rotating support team. This continuity ensures institutional knowledge is preserved, communication remains seamless, and the City benefits from a consistent, accountable partnership with a team that understands your operations from day one.

Implementation Schedule (Cont.)

First Port City Bank will include the following Implementation Team:

- **COFB Relationship Manager – Sheryl Ross**
  - VP & Business Relationship Officer
- **Designated Account Executive – Beth Boles**
  - VP & Manger of Deposit Operations/Treasury Services
- **Designated Account Executive (Alternate) – Scott Curtis**
  - SVP & Chief Operations Officer (COO)
- **Branch Support – Charleston Garrett**
  - AVP & Fernandina Beach Branch Manager
- **FL Market Leadership – Mike Brooks**
  - SVP & FL Market Leader / Chief Marketing Officer (CMO)

Implementation Kick-off Meeting

The initial implementation kick-off meeting will establish clear project milestones, define responsibilities, and confirm the anticipated transition timeline. During this session, First Port City Bank and the City will collaboratively define the following:

Discovery & Control Review:

1. Inventory all accounts and funds
2. Review ACH, wires, positive pay, and merchant services
3. Confirm authorized signers & resolution requirements
4. Review dual control structure
5. Establish implementation schedule

Agreements:

1. Execute banking resolution
2. Execute collateral agreement
3. Finalize treasury management agreements
4. Verify authorized signers & treasury management users

Implementation Schedule (Cont.)

Because the City of Fernandina Beach operates on the same core provider (Fiserv) as its current banking partner, First Port City Bank does not anticipate any significant system changes or technical barriers during conversion. This shared platform substantially reduces implementation complexity, minimizes disruption, and streamlines data migration and system interfacing.

As a result, we anticipate completing the **full implementation within three weeks or less**, with many accounts and treasury services fully operational within the first week. Certain ancillary services, such as commercial credit cards, may require up to seven business days for issuance and activation. Overall, the shared core environment positions the City for an efficient, low-risk transition with minimal operational impact.

SAMPLE SCHEDULE:

Week 1 – Account Opening & Control Setup

- Focus: Structure & safeguards
- Open all accounts
- Establish ACH and wire limits per policy
- Configure dual control for ACH and wires
- Create online banking users by department
- Enable fraud alerts and security controls
- Order deposit materials
- Set up Remote Deposit Capture machines
- Order Credit Cards
- Coordinate Courier Service

Week 2 – Conversion & Testing

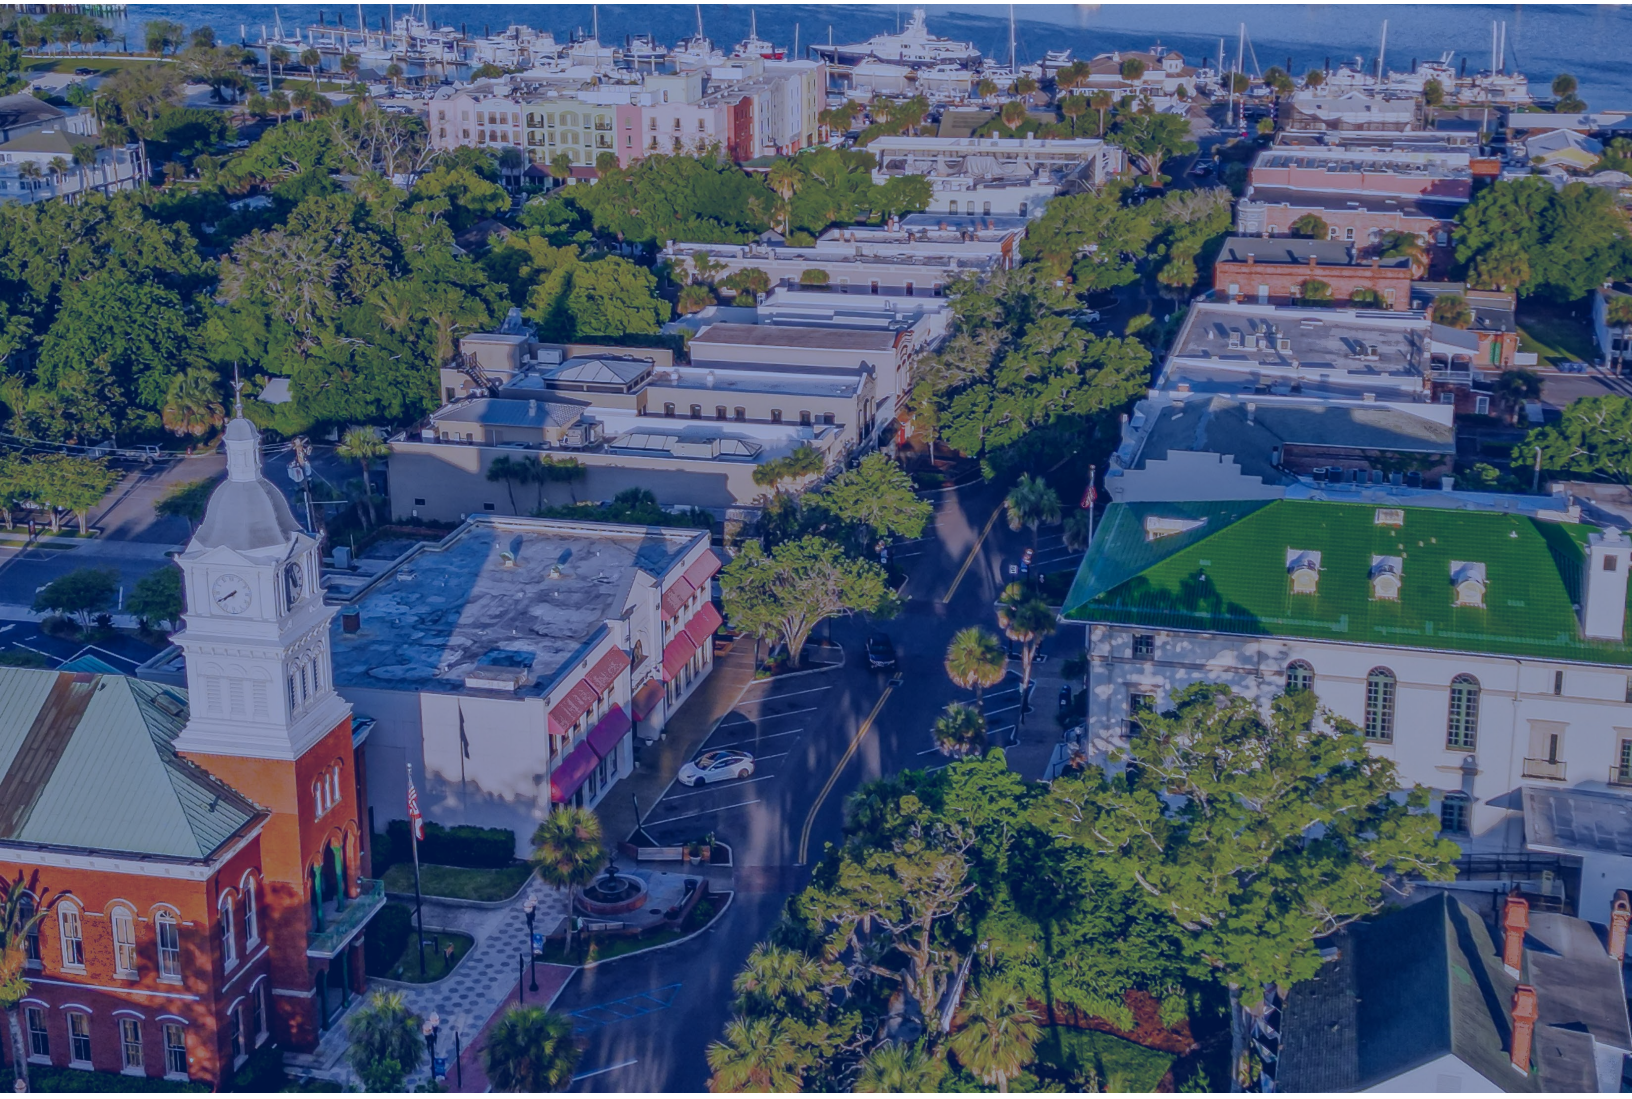
- Update payroll processor with new account information
- Send and confirm ACH test file
- Update vendor ACH master file
- Confirm positive pay file format
- Update EFTPS and state tax portals
- Update merchant settlement accounts

All payment systems tested and validated

Week 3 – Training & Go-Live

- Conduct on-site or virtual finance team training
- Confirm first live payroll processing
- Confirm first vendor ACH batch
- Monitor first wire transactions
- Validate reporting
- Daily follow-up during first 5 business days

First Port City Bank has the flexibility to move at the pace required by the City. Whether the timeline calls for an accelerated transition or a more phased approach, our team will align with your preferred schedule. We understand and respect the demands placed on City staff and are committed to minimizing disruption, reducing administrative burden, and making the transition as seamless and efficient as possible. Our implementation process is designed to work around your operational calendar, not the other way around.



During the kick-off meeting, First Port City Bank and the City will collaboratively review and finalize a detailed implementation checklist to clearly define responsibilities, milestones, and timelines. Below is a sample checklist that illustrates the structured approach we utilize to ensure the transition remains organized, efficient, and free of unnecessary delays. This is just a simple version. We have a more detailed version we will use for implementation.

Funds Availability Schedule & Deposit Float Methodology

I

Funds Availability Schedule

First Port City Bank adheres to a clear and customer-focused Funds Availability Policy designed to provide timely access to deposited funds while ensuring compliance with all federal regulations. The following outlines our standard availability timelines as they apply to all checking accounts.

General Availability

Our standard policy is to make funds from cash and check deposits available **on the first business day after the day the deposit is received**. Once funds are available, they may be withdrawn in cash, and will also be used to pay items presented against the account. Electronic direct deposits are available **on the day we receive the deposit**.

A “business day” is defined as Monday through Friday, excluding federal holidays. Deposits made on a day the bank is not open will be treated as received on the next business day.

Special Processing Considerations

If First Port City Bank cashes a check drawn on another institution, or accepts such a check for deposit, the Bank may delay availability of funds already in the customer’s account until the time the deposited check would have become available had it been deposited normally.

Compliance and Regulatory Assurance

First Port City Bank strictly complies with all U.S. laws and regulations governing deposit availability, including OFAC and FinCEN requirements. In rare instances involving suspected sanctions violations or international ACH transactions, posting may be delayed until proper review is completed, and customers will be notified accordingly.

IMPORTANT ACCOUNT INFORMATION FOR OUR CUSTOMERS
from
First Port City Bank
400 West Shotwell Street, PO Box 1070
Bainbridge, GA 39818-1070
Telephone (229)-246-6200

ACKNOWLEDGEMENT AND HOLD HARMLESS

You acknowledge that entries cannot be initiated that violate the laws of the United States, including, but not limited to, programs administered by OFAC and FinCEN, or other laws, including, but not limited to, the laws and payment system rules of the receiving countries, and agree to indemnify and hold us harmless with respect to any entries that you initiate that do violate such laws. Effective July 1, 2020, specific provisions were added for all international ACH payments. To comply with the law, posting of transactions will be delayed if items are suspected of being in violation of OFAC sanctions.

YOUR ABILITY TO WITHDRAW FUNDS

This policy statement applies to all checking accounts. Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

Determining the Availability of a Deposit

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit on a day we are not open, we will consider that the deposit was made on the next business day we are open.

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in one of your accounts. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

Longer Delays May Apply

Case-By-Case Delays - In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first $275 of your deposits, however, may be available on the first business day. If we are not going to make all of the funds from your deposit available on the first business day, after we receive your deposit, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the first business day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

Safeguard Exception Delays - In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

* We believe a check you deposit will not be paid.
* You deposit checks totaling more than $6,725 on any one day.
* You redeposit a check that has been returned unpaid.
* You have overdrawn your account repeatedly in the last six months.
* There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

Special Rules for New Accounts

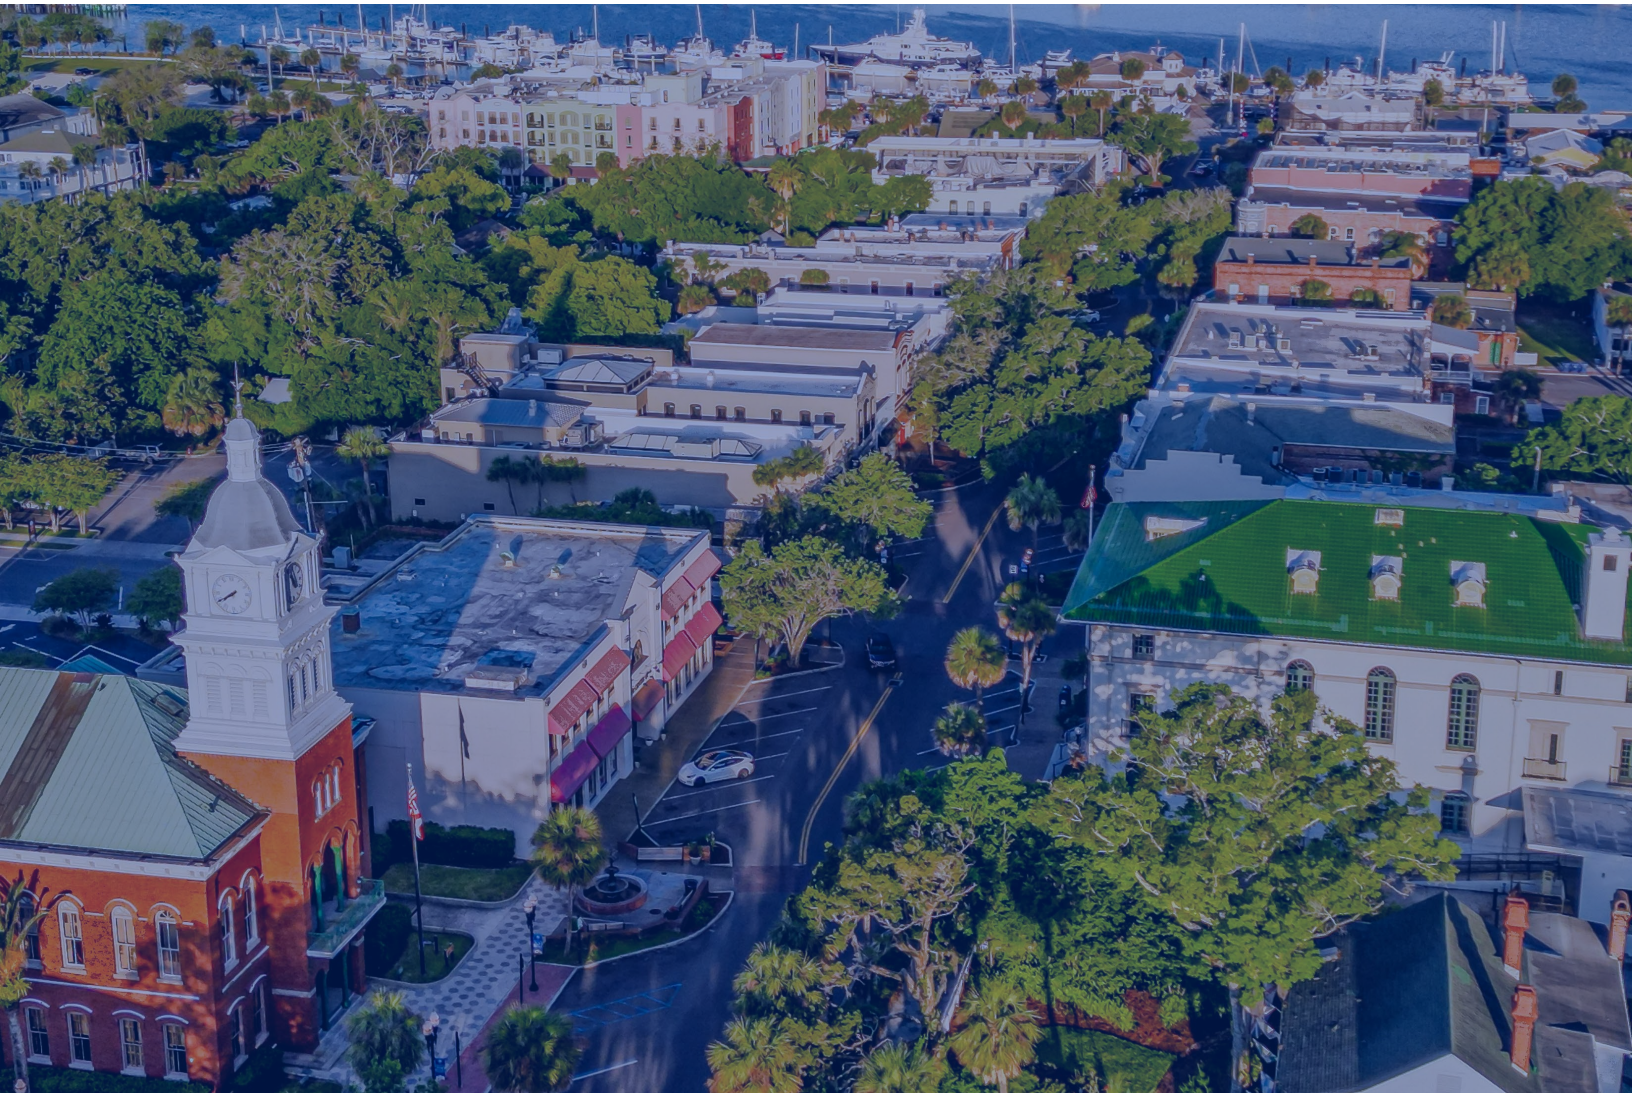
If you are a new customer, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first $6,725 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit, if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over $6,725 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first $6,725 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the ninth business day after the day of your deposit.

Methodology for Computing Deposit Float

Calculating EFAA Float:



Determine Total Float by Item Type.
Distribute float using the formula:
Float Item Type × (Account Deposit ÷ Total Float Amount + GL Credits).

Assign Next Day Available by deducting the amount from the lowest Float Item Type greater than Item Type 0.

Assign Deposits Over by deducting the amount from the total float assigned and adjusting other float amounts accordingly.

Calculating Earnings Float:

Determine Total Float by Item Type.
Distribute float using the same formula:
Float Item Type × (Account Deposit ÷ Total Float Amount + GL Credits).

Disaster Recovery Plan

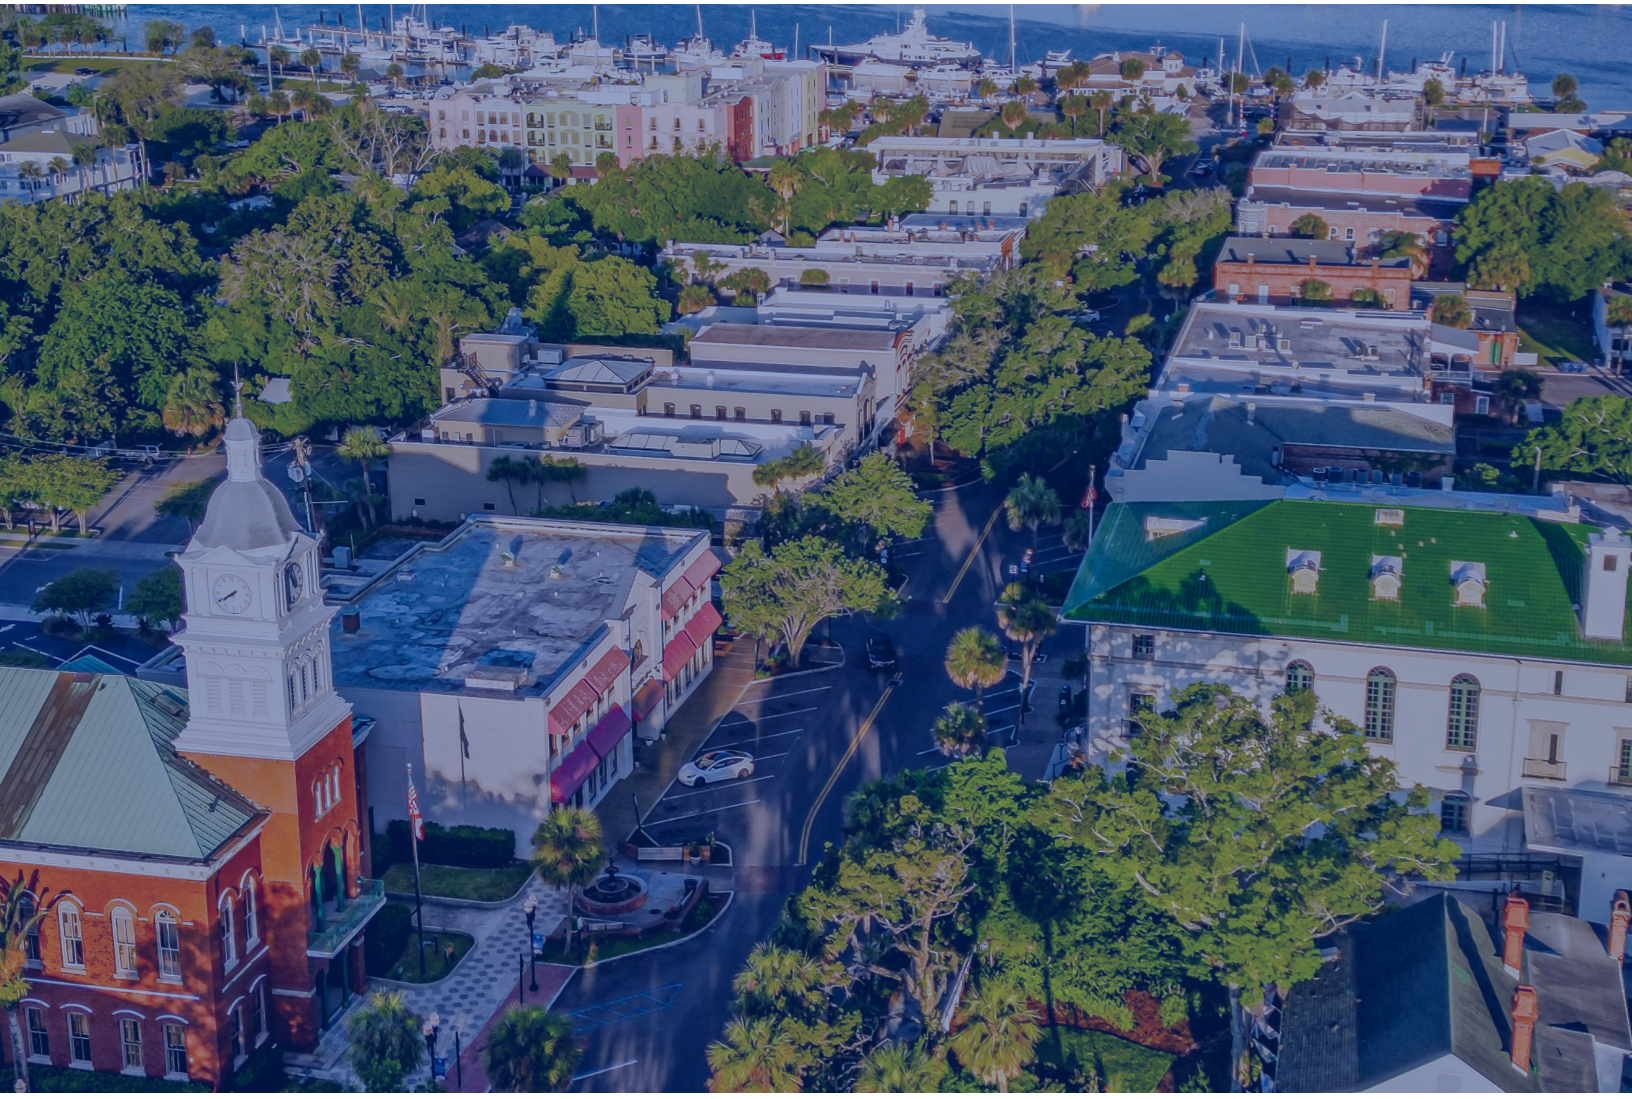
Summary of First Port City Bank's Disaster Recovery & Redundancy plan

As with all financial institutions, disaster recovery and system redundancy are critical to maintaining operational stability and protecting customer data. First Port City Bank has implemented a comprehensive disaster recovery strategy designed to ensure continuity, resilience, and the highest level of availability across all banking applications.

Following a rigorous vendor management and due diligence process, the Bank selected industry-leading disaster recovery partners to support our infrastructure. Our strategy incorporates both geographic and operational redundancy, supported by two primary operations centers: one located in Fernandina Beach, Florida, and the other in Bainbridge, Georgia.

Operational leadership and staffing are intentionally distributed between these locations. Two members of our four-person Executive Team are based in Fernandina Beach and two in Bainbridge. Our Treasury team operates from Fernandina Beach, while our Deposit Operations team is based in Bainbridge. Both teams are fully cross-trained and capable of performing each other's functions, ensuring seamless continuity of operations.

Given the potential for severe weather in Northeast Florida, particularly during hurricane season, our Fernandina Beach operations and branch facility are equipped with backup generators to maintain uninterrupted service during power outages.



Data protection is structured in multiple layers:

- Nightly local backups are performed at both Fernandina Beach and Bainbridge.

- Each location transmits a copy of its backup data to the alternate operations center, providing geographic redundancy.
- As a tertiary safeguard, data is backed up nightly to a Barracuda device at our operations center and subsequently replicated to Barracuda's secure facility in Troy, Michigan.
- Annually, we conduct a full server restoration test with Barracuda to validate the integrity and functionality of our recovery processes.

Our core banking system is provided by Fiserv, one of the three largest core processors in the United States, serving approximately 40% of banks nationwide. Fiserv maintains extensive disaster recovery infrastructure. Our primary Fiserv data center is located in Alpharetta, Georgia, with a fully redundant backup facility in Phoenix, Arizona. Fiserv conducts an annual failover to its Phoenix facility, and First Port City Bank actively participates in comprehensive operational testing during this process.

This overview summarizes the Bank's core systems and data redundancy framework. We welcome any additional questions and are happy to provide further details as needed.

ACH ORIGINATION PRODUCT SCHEDULE

Rev 12-2023

By signing this ACH Origination Product Schedule ("Product Schedule") City of Fernandina Beach FL ("Customer") hereby requests **First Port City Bank** ("Financial Institution") to provide the Services described in this Product Schedule, and Customer accepts and agrees to all terms, conditions, and provisions of this Product Schedule and agrees that this Product Schedule sets forth the terms and conditions pursuant to which Financial Institution will provide to Customer the ACH Services outlined herein ("Services"). Customer further agrees that this Product Schedule is entered into as a Product Schedule under the Business Online Banking and Master Cash Management Agreement ("Master Agreement"). Financial Institution and Customer agree that by executing this Product Schedule, Customer acknowledges receipt of and agrees to the terms of the Master Agreement

Customer wishes to initiate credit and/or debit Entries through the Financial Institution to accounts maintained at Financial Institution and at other depository financial institutions by means of the Automated Clearing House Network ("ACH") pursuant to the terms of this Product Schedule and the rules of the National Automated Clearing House Association ("NACHA") and Financial Institution's operating rules and procedures for electronic entries, including any exhibits or appendices thereto now in effect, or as may be amended from time to time, (the "Rules"), and Financial Institution is willing to act as an Originating Depository Financial Institution ("ODFI") with respect to such Entries. In the event of inconsistency between a provision of this Product Schedule, the Uniform Commercial Code ("UCC"), the Master Agreement, and/or the Depository Agreement, the provisions of this Product Schedule shall prevail. Terms not otherwise defined in this Product Schedule shall have the meaning ascribed to those terms in the Rules. The term "Entry" shall have the meaning provided in the Rules and shall also mean the data received from Customer hereunder from which Financial Institution initiates each Entry.

Therefore, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Financial Institution and Customer, intending to be legally bound, do hereby agree as follows:

AGREEMENT

1. COMPLIANCE WITH RULES AND LAWS. Customer acknowledges it has a copy or has access to a copy of the Rules. The Rules may also be purchased online at www.nacha.org/rulesyourway. Customer agrees to comply with and be subject to the Rules of NACHA in existence at the date of this Product Schedule, and any amendments to these Rules made from time to time. It shall be the responsibility of the Customer that the origination of ACH transactions complies with U.S. law, including but not limited to sanctions enforced by the Office of Foreign Assets Control ("OFAC"). It shall further be the responsibility of the Customer to obtain information regarding such OFAC enforced sanctions. (This information may be obtained directly from the OFAC Compliance Hotline at 800-540-OFAC or from the OFAC's home page site at www.ustreas.gov/ofac.) Customer agrees that the performance of any action by Financial Institution to debit or credit an account or transfer funds otherwise required by the Rules is excused from the performance of such action to the extent that the action is inconsistent with United States law, including the obligations of the Financial Institution under OFAC or any program administered by the United States Department of the Treasury's Financial Crimes Enforcement Network ("FinCEN"). Customer agrees generally and warrants to Financial Institution that all actions by Customer contemplated by this Product Schedule, including the preparation, transmittal, and settlement of Entries and payment orders, shall comply in all material respects with United States laws, regulations, regulatory guidelines and guidance, and official commentaries, including without limitation all such regulations, guidelines, and commentaries issued by the Board of Governors of the Federal Reserve and the Federal Financial Institutions Examination Council ("FFIEC"). Financial Institution will charge the Customer with any fines or penalties imposed by OFAC, NACHA or any organization which are incurred because of non-compliance by the Customer and the Customer agrees to fully reimburse and/or indemnify Financial Institution for such charges or fines. The specific duties of the Customer provided in the following paragraphs of this Product Schedule in no way limit the foregoing undertaking. The duties of the Customer set forth in the following paragraphs of this Product Schedule in no way limit the requirement of complying with the Rules.

.

ACH ORIGINATION PRODUCT SCHEDULE

Rev 10-2023

2. UNDERWRITING. Customer approval for use of this Service may be subject to underwriting criteria established by Financial Institution from time to time. If Financial Institution requires application of underwriting criteria to Customer approval for use of this Service, Financial Institution will communicate to Customer the nature and content of that criteria and the information Customer will be required to provide to Financial Institution. Customer agrees to provide Financial Institution such financial, business, and operating information as Financial Institution may reasonably request in connection with Financial Institution's underwriting and approval process. Financial Institution may require the personal guarantee of a principal or an owner of company. **Schedule H** should be executed if such a guarantee is required.

3. SECURITY INTEREST. To secure the payment and performance of Customer's obligations set forth herein, Customer grants to Financial Institution a security interest in and pledges and assigns to Financial Institution all of Customer's right, title, and interest in the following described property, whether now owned or hereafter existing or acquired and wherever located: (a) all monies, instruments, savings, checking and other accounts of Customer (excluding IRA, Keogh, trust accounts and other accounts subject to tax penalties if so assigned) that are now or in the future in Financial Institution's custody or control; (b) any other collateral described in any security instrument securing the obligations of Customer to Financial Institution under this Product Schedule or any other obligation of Customer to Financial Institution; and (c) all proceeds and products of the property as well as any replacements, accessions, substitutions, and additions to any of the above.

4. DESIGNATION OF ADMINISTRATOR. To originate ACH Entries, Customer must designate at least one Administrator. Administrator(s) shall be responsible for designating "Users" who Customer authorizes to issue Entries on its behalf. For the purposes of this Product Schedule, the term User shall also include the Administrator. The Financial Institution shall be entitled to rely on the designations made by the Customer's Administrator(s) and shall not be responsible for matching the names of the Customer Users designated by the Administrator(s) to names or titles listed in Customer's banking resolutions. Customer agrees that any such online Entries shall comply with Financial Institution's Security Procedures, which are subject to change without notice to Customer. Although Financial Institution is only required to act upon the instructions of the User(s), the Financial Institution may, in its sole discretion, execute debit or credit Entries initiated by any individuals authorized by Customer to sign checks on Customer accounts. The signature cards establishing the authorized signatories for Customer deposit accounts are hereby incorporated by reference and made a part hereof.

5. TRANSMISSION OF ENTRIES BY CUSTOMER. User(s) shall initiate the debit or credit Entries in **Schedule A** hereunder on behalf of and selected by Customer. Financial Institution shall be entitled to deem any person having knowledge of any Security Procedure, defined below in Section 8 of this Product Schedule, and required to initiate Entries under this Product Schedule, to be a User. User(s) shall transmit Entries to Financial Institution in computer readable form in compliance with the formatting and other requirements set forth in the NACHA file specifications or as otherwise specified by Financial Institution. Entries shall be transmitted to Financial Institution no later than the time and the number of days prior to the Effective Entry Date specified in the Processing Schedule attached hereto and made a part hereof as **Schedule B**. For the purposes of this Product Schedule, "Business Day" means Monday through Friday, excluding federal holidays and the "Settlement Date" with respect to any Entry shall be the Business Day when such Entry is debited or credited in accordance with the Rules. A federal holiday calendar is attached as **Schedule G.** Entries received after the cut off time shall be deemed to have been received on the next Business Day. The total dollar amount of Entries transmitted by Customer to Financial Institution on any one Business Day shall not exceed the lesser of the amount of collected funds in Customer's account or the ACH Processing Limit set forth in **Schedule D** to this Product Schedule. Customer may not reinitiate entries except as prescribed by the Rules.

"*Entry Settlement Limit*" means the maximum aggregate amount of In-Process Entries permitted to be outstanding at any time, which amount shall be separately communicated to Customer by Financial Institution in writing from time to time.

"*In-Process Entries*" means the aggregate dollar amount of all credit or debit Entries initiated by Customer and in process on any date for which settlement has not occurred with respect to credit Entries, or the applicable period for the return of items has not expired with respect to debit Entries.

"*Overlimit Entry*" means an Entry the amount of which would cause the aggregate amount of In-Process Entries to exceed the Entry Settlement Limit. Customer agrees that Financial Institution will not process an Overlimit Entry. Financial Institution will suspend any Overlimit Entry submitted by Customer and may, following its receipt of an Overlimit Entry; suspend all In-Process Entries. Customer acknowledges that any Overlimit Entry or other In-Process Entries suspended by Financial Institution will not settle on their scheduled Settlement Date. If Customer wishes to initiate an Entry that would cause the amount of In-Process Entries to exceed the Entry Settlement Limit, Customer may submit to Financial Institution its request to initiate an Entry that otherwise would be an Overlimit Entry. Customer must submit its request at least 2 banking days prior to the date on which Customer wishes to initiate the Entry that otherwise would be an Overlimit Entry. Financial Institution may require from Customer financial or other information in connection with Financial Institution's consideration of the request. Financial Institution may grant or deny Customer's request at its sole discretion. In addition to the foregoing, Financial Institution generally reserves the right to limit the nature and amount of the preauthorized debit/credit Entries processed under this Product Schedule or to refuse to process any debit/credit Entries under this Product Schedule if, in Financial Institution's sole judgment (i) there is reasonable cause to believe that any Entry will be returned or will not settle in the ordinary course of the transaction for any reason, (ii) to do otherwise would violate any limit set by the applicable clearing house association or any governmental authority or agency to control payment system risk, or (iii) a preauthorized credit Entry or the return of a preauthorized debit Entry would create an overdraft of Customer's Accounts. If any of the foregoing actions are taken by Financial Institution with respect to a particular preauthorized debit/credit Entry, Financial Institution will notify Customer as promptly as practicable, but in no event later than 2 banking days after its decision. Customer may not reinitiate entries except as prescribed by the Rules.

6. THIRD-PARTY SERVICE PROVIDERS. Customer may be using special equipment, services or software provided by a third party to assist it in processing Files hereunder ("Service Provider"). If Customer uses Service Provider to transmit Files to Financial Institution, Financial Institution recommends, but does not require, Customer and Service Provider enter into Financial Institution's Third-Party Service Provider Agreement. If Customer is transmitting files on behalf of an organization that does not have a contractual relationship with Financial Institution, execution of the Financial Institution's Third-Party Service Provider Agreement is mandatory.

If Customer uses Service Provider to transmit Files to Financial Institution and Customer and Service Provider have not entered into a Third-Party Service Provider Agreement, Customer (a) agrees that Service Provider is acting as Customer's agent in the delivery of Files to Financial Institution, and (b) agrees to assume full responsibility and liability for any failure of Service Provider to comply with the laws of the United States, the Rules, and this Product Schedule. Financial Institution will not be liable for any losses or additional costs incurred by Customer because of any error by Service Provider or a malfunction of equipment provided by Service Provider. Customer is solely responsible for maintaining compliance with the requirements of Service Provider, including obtaining any software updates. Financial Institution's sole responsibility shall be to transmit Financial Institution approved transactions to the ACH Operator and Financial Institution shall not have any responsibility for any File handled by Service Provider until that point in time when Financial Institution accepts and approves a File from such Service Provider for processing. If Financial Institution authorizes Customer to use a Service Provider, the terms and conditions governing the relationship between Customer and the Service Provider shall be governed by a separate agreement between Customer and Service Provider ("Service Provider Agreement"). All of Customer's obligations and responsibilities under this Product Schedule will apply to the Service Provider, and Customer's separate agreement with the Service Provider must so provide. At Financial Institution's request, Customer will provide to Financial Institution a true and exact copy of such agreement. Customer shall designate the Service Provider as a User and the Service Provider must also enter into a Service Provider Agreement before the Service Provider sends Files to Financial Institution.

Notwithstanding the foregoing, Customer hereby authorizes Financial Institution to accept any File submitted by the Service Provider even if the Service Provider has not been designated as a User or if the Third-Party Service Provider has not executed the Service Provider Agreement. Customer hereby indemnifies and holds Financial Institution harmless for any losses, damages, fines, assessments, costs, and expenses incurred or suffered by Financial Institution or any other person because of or arising from Customer's use of Service Provider, including fines or assessments incurred under or pursuant to the Rules and attorneys' fees.

7. SECURITY PROCEDURES. In addition to, and without limiting the generality of, the Security Procedure provisions of the Master Agreement, the Customer shall comply with the "Security Procedures" described in **Schedule C** attached hereto and made a part hereof, and Customer acknowledges and agrees that the Security Procedures constitute commercially reasonable security procedures under applicable law for the initiation of ACH entries.

8. PHYSICAL AND ELECTRONIC SECURITY. In addition to, and without limiting the generality of, the Physical and Electronic Security provisions of the Master Agreement, Customer specifically acknowledges and agrees that as part of its obligation to provide for the security of data and systems in Customer's possession or under Customer's control, Customer shall comply with the provisions of Section 1.6 of the Rules, entitled "Security Requirements," for the safeguarding of Protected Information, as that term is defined in the Rules.

9. INTERNATIONAL ACH TRANSACTIONS ("IAT"). Customer shall not initiate any IAT Entries without Financial Institution's prior approval. If approved by Financial Institution, the following provisions apply to IAT Entries originated by Company:

(a) IAT Entries are transmitted by Financial Institution in U.S. dollars and converted to the local currency for receipt in the foreign country at the exchange rate determined by Financial Institution's processor on the date determined by Financial Institution's processor. All risk of fluctuation in the applicable exchange rate is borne by Customer and Customer agrees and acknowledges that Financial Institution shall not be liable to Customer for any loss or charge incurred by Customer as the result of the application of any foreign currency exchange criteria imposed by any institution or agency located outside the United States.

(b) In the event of a returned IAT Entry, consumer payments will be credited to Customer at the originated U.S. dollar amount; corporate payments will be credited to Customer at the exchange rate determined by Financial Institution's processor at the time of return.

(c) In the event of an error in an Entry or duplicate entries, Customer acknowledges and agrees that Customer shall be liable for all losses caused by and a direct or indirect result from the error or duplicate Entry.

(d) Customer shall originate all International ACH Transactions, as that term is defined in the Rules, with an IAT SEC code and Customer hereby agrees to abide by all the Rules related to IAT Entries.

(e) Customer agrees that in the case of a non-Consumer Account, Customer shall enter into an agreement with the Receiver whereby the Receiver agrees to abide by the Rules in effect from time to time.

(f) Customer acknowledges that it has reviewed and understands the section of the Rules entitled (or otherwise dealing with) "Rules Exceptions for Outbound IAT Entries" and Customer understands and agrees that laws, regulations, and rules of the country in which the Receiver is located shall govern the matters listed within that subsection. Customer further acknowledges that Customer understands how such laws, regulations and rules differ from the Rules.

(g) Customer hereby indemnifies Financial Institution from and against any and all resulting claims, demands, losses, liabilities, or expenses, including attorneys' fees and costs, resulting directly or indirectly form Customer's origination of an IAT Entry.

(h) Customer agrees and acknowledges that any assistance by Financial Institution does not in any manner obligate Financial Institution for the accuracy or enforceability of the Entry in any country outside the United States.

(i) Customer bears the risk of any loss caused by any delay, tax, cost, tariff, fee, or other charge incurred on account of the Entry in any country outside the United States.

(j) If the settlement of any IAT Entry involves clearing of the Entry in more than one country outside the United States, Financial Institution shall be permitted to rely upon any advice or instruction received by Financial Institution from the financial institution or financial agency located in the first country outside the United States to which the Entry is directed.

(k) IAT Entries must be authorized as provided in the Rules. The form and content of the authorization, including whether such authorization may be oral, electronic, or written, shall be governed by the laws and payment system rules of the receiving country.

10. CREDIT AND DEBIT ENTRIES; RECORDS RETENTION. Customer shall obtain an authorization ("Authorization Agreement", **Schedule I**) as required by the Rules from the person or entity whose account will be debited or credited as the result of a debit or credit Entry initiated by Customer and Customer shall retain the Authorization Agreement in original form while it is in effect and the original or a copy of each authorization for three (3) years after termination or revocation of such authorization as stated in the Rules. Upon request, Customer shall furnish the original or a copy of the authorization to any affected Participating Depository Financial Institution, as defined in the Rules. Financial institution agrees to provide the identity of affected Participating Depository Financial Institutions to Customer upon written request by Customer. Customer shall be solely responsible for communicating with the Participating Depository Financial Institution to establish the method by which the Authorization Agreement will be provided, and Customer agrees to provide the Authorization Agreement to the identified Participating Depository Financial Institution within the time frame identified in the Rules.

Customer shall ensure that all authorization requirements of the Rules for each SEC Code are satisfied and in compliance with the Rules.

11. RECORDING AND USE OF COMMUNICATIONS. Customer and Financial Institution agree that all telephone conversations or data transmissions between them or their agents made in connection with this Product Schedule may be electronically recorded and retained by either party by use of any reasonable means. Financial Institution shall not be obligated to make such recordings.

12. PROCESSING, TRANSMITTAL, AND SETTLEMENT BY FINANCIAL INSTITUTION. Except as otherwise provided for in this Product Schedule and if Financial Institution elects to accept Entries, Financial Institution shall:

(a) (i) use commercially reasonable efforts to comply with the instructions of Customer, (ii) process Entries received from Customer to conform with the file specifications set forth in the Rules, (iii) transmit such Entries as an ODFI to the "ACH" processor selected by Financial Institution, (iv) settle for such Entries as provided in the Rules, and (v) in the case of a credit Entry received for credit to an account with Financial Institution ("On-Us Entry"), Financial Institution shall credit the Receiver's account in the amount of such credit Entry on the Effective Entry Date contained in such credit Entry provided such credit Entry is received by Financial Institution at the time and in the form prescribed by Financial Institution in Section 5.

(b) transmit such Entries to the ACH processor by the deposit deadline of the ACH processor, provided: (i) such Entries are completely received by Financial Institution's cut-off time at the location specified by Financial Institution to Customer from time to time; (ii) the Effective Entry Date satisfies the criteria provided by Financial Institution to Customer; and (iii) the ACH processor is open for business on such Business Day. Customer agrees that the ACH processor selected by Financial Institution shall be considered to have been selected by and designated by

Customer. The Customer will receive immediately available funds for any electronic debit entry initiated by it on the Settlement Date applicable thereto.

13. PAYMENT FOR CREDIT ENTRIES AND RETURNED DEBIT ENTRIES. Customer agrees to pay for all credit Entries issued by Customer, User(s), or credit Entries otherwise made effective against Customer. Customer shall make payment to Financial Institution on the date as determined by Financial Institution in its sole discretion, ("Payment Date"). Customer shall pay Financial Institution for the amount of each debit Entry returned by a Receiving Depository Financial Institution ("RDFI") or debit Entry dishonored by Financial Institution. Payment shall be made by Customer to Financial Institution in any manner specified by Financial Institution. Notwithstanding the foregoing, Financial Institution is hereby authorized to charge the account(s) ("Authorized Account(s)") designated in **Schedule E**, as payment for all payments due Financial Institution under this Agreement. Customer shall maintain sufficient collected funds in the Authorized Account(s) to pay for all payments due Financial Institution under this Agreement on the Payment Date. In the event the Authorized Account or any other Customer bank account does not have collected funds sufficient on the Payment Date to cover the total amount of all Entries to be paid on such Payment Date, Financial Institution may take any of the following actions:

(a) Refuse to process all Entries, in which event Financial Institution shall return the data relating to such credit Entries to Customer, whereupon Financial Institution shall have no liability to Customer or to any third party as a result thereof; or

(b) Process that portion of the credit Entries as Customer has sufficient available funds in the Authorized Account to cover, in whatever order Financial Institution in its sole discretion shall elect to process, in which event Financial Institution shall return the data relating to such credit Entries as are not processed to Customer, whereupon Financial Institution shall have no liability to Customer or any third party as a result thereof; or

(c) Process all credit Entries. In the event Financial Institution elects to process credit Entries initiated by Customer and Customer has not maintained sufficient available funds in the Authorized Account with Financial Institution to cover them, the total amount of the insufficiency advanced by Financial Institution on behalf of Customer shall be immediately due and payable by Customer to Financial Institution without any further demand from Financial Institution. If Financial Institution elects to pay Customer's account in the overdraft on any one or more occasions, it shall not be considered a waiver of Financial Institution's rights to refuse to do so at any other time nor shall it be an agreement by Financial Institution to pay other items in the overdraft.

14. PRE-FUNDING. Financial Institution reserves the right to require Customer to pre-fund an Account maintained at Financial Institution prior to the Settlement Date of the ACH file. Financial Institution shall determine whether pre-funding is required based on criteria established from time to time by Financial Institution. Financial Institution will communicate directly to Customer if pre-funding is required and, if requested by Customer, will provide Customer with an explanation of its pre-funding criteria. If it is determined that pre-funding is required, Customer will provide immediately available and collected funds sufficient to pay all Entries initiated by Customer (a) not later than 08:00 a.m. local time **2 banking days** before each Settlement Date, and (b) prior to initiating any Entries for which pre-funding is required.

15. ON-US ENTRIES. Except as provided in Section 17, Rejection of Entries, or in the case of an Entry received for credit to an account maintained with Financial Institution (an "On-Us Entry"), the Financial Institution shall credit the Receiver's account in the amount of such Entry on the Effective Entry Date contained in such Entry, provided the requirements set forth in Section 12 (b) (i), (ii), and (iii) are met. If any of those requirements are not met, the Financial Institution shall use reasonable efforts to credit the Receiver's account in the amount of such Entry no later than the next Business Day following such Effective Entry Date.

16. RESERVES. From time to time, Financial Institution shall evaluate Customer's transaction activity for the purpose of establishing averages for transaction frequency, amount, returns and adjustments. These evaluations

will occur at least annually and may occur more frequently at Financial Institution's discretion. In connection with these evaluations, Financial Institution reserves the right to require Customer to establish reserves with Financial Institution calculated by Financial Institution to cover Customer's obligations to Financial Institution arising from ACH activities under this Product Schedule. Reserves may be expressed as a fixed dollar amount or as a "rolling reserve" calculated based on "rolling" averages determined by Financial Institution's periodic evaluations. The amount of reserves required by Financial Institution, if any, will be communicated directly to Customer from time to time. Customer agrees to establish reserves as required by Financial Institution within 2 banking days after receipt of a communication from Financial Institution setting forth the amount of required reserves and the basis of calculation used to determine the amount of reserves. Financial Institution may suspend ACH processing activity for Customer if Customer fails to establish the required number of reserves within the time period specified by Financial Institution in its communication to Customer.

17. REJECTION OF ENTRIES. Customer agrees that Financial Institution has no obligation to accept Entries and therefore may reject any Entry issued by Customer. Financial Institution has no obligation to notify Customer of the rejection of an Entry, but Financial Institution may do so at its option. Financial Institution shall have no liability to Customer for rejection of an Entry and shall not be liable to pay interest to Customer even if the amount of Customer's payment order is fully covered by a withdrawable credit balance in an Authorized Account of Customer or the Financial Institution has otherwise received full payment from Customer.

18. CANCELLATION OR AMENDMENT BY CUSTOMER. Customer shall have no right to cancel or amend any Entry after its receipt by Financial Institution. However, Financial Institution may, at its option, accept a cancellation or amendment by Customer. If Financial Institution accepts a cancellation or amendment of an Entry, Customer must comply with the Security Procedures provided in Section 7 of this Product Schedule. If such a request is received by the Financial Institution before the affected Entry has been transmitted to the ACH (or, in the case of an On-Us Entry, before the Receiver's account has been credited or debited), the Financial Institution will use reasonable efforts to cancel or amend the Entry as requested, but the Financial Institution shall have no liability if the cancellation or amendment is not effected. If Financial Institution accepts a cancellation or amendment of an Entry, Customer hereby agrees to indemnify, defend all claims, and hold Financial Institution harmless from any loss, damages, or expenses, including but not limited to attorney's fees, incurred by Financial Institution as the result of its acceptance of the cancellation or amendment.

19. REVERSALS OF ENTRIES.

(a) General Procedure. Upon proper and timely request by the Customer, the Financial Institution will use reasonable efforts to affect a reversal of an Entry or File to the extent reversal is expressly permitted by the Rules. To be "proper and timely," the request must (i) be made within five (5) Business Days of the Effective Entry Date for the Entry or File to be reversed; (ii) be made immediately, not to exceed ten (10) hours, upon discovery of the error; (iii) be in writing – email with company contact information included will suffice, and (iv) the basis for such reversal must be expressly permitted by the Rules and otherwise in compliance with the Rules. In addition, if the Customer requests reversal of a Debit Entry or Debit File, it shall concurrently deposit into the Customer Account an amount equal to that Entry or File. The Customer shall notify the Receiver of any reversing Entry initiated to correct any Entry it has initiated in error. The notification to the Receiver must include the reason for the reversal and be made no later than the Settlement Date of the reversing Entry.

(b) No Liability: Reimbursement to the Financial Institution. Under no circumstances shall the Financial Institution be liable for interest or related losses if the requested reversal of an Entry is not affected. The Customer shall reimburse the Financial Institution for any expenses, losses, or damages it incurs in effecting or attempting to affect the Customer's request for reversal of an Entry.

20. ERROR DETECTION. Financial Institution has no obligation to discover and shall not be liable to Customer for errors made by Customer, including but not limited to errors made in identifying the Receiver, or an Intermediary

or RDFI or for errors in the amount of an Entry or for errors in Settlement Dates. Financial Institution shall likewise have no duty to discover and shall not be liable for duplicate Entries issued by Customer. Notwithstanding the foregoing, if the Customer discovers that any Entry it has initiated was in error, it shall notify the Financial Institution of such error. If such notice is received no later than four (4) hours prior to the ACH processing deadline, the Financial Institution will utilize reasonable efforts to initiate an adjusting Entry or stop payment of any On-Us" credit Entry within the time limits provided by the Rules. If Customer makes an error or issues a duplicate Entry, Customer shall indemnify, defend all claims, and hold Financial Institution harmless from any loss, damages, or expenses, including but not limited to attorney's fees, incurred by Financial Institution as result of the error or issuance of duplicate Entries.

21. PROHIBITED TRANSACTIONS. Customer agrees not to use or attempt to use the Services (a) to engage in any illegal purpose or activity or to violate any applicable law, rule or regulation, (b) to breach any contract or agreement by which Customer is bound, (c) to engage in any internet or online gambling transaction, whether or not gambling is legal in any applicable jurisdiction, or (d) to engage in any transaction or activity that is not specifically authorized and permitted by this Agreement. Customer acknowledges and agrees that Financial Institution has no obligation to monitor Customer's use of the Services for transactions and activity that is impermissible or prohibited under the terms of this Agreement; provided, however, that Financial Institution reserves the right to decline to execute any transaction or activity that Financial Institution believes violates the terms of this Agreement.

22. PRENOTIFICATION. Customer, at its option, may send prenotification that it intends to initiate an Entry or Entries to a particular account within the time limits prescribed for such notice in the Rules. Such notice shall be provided to the Financial Institution in the format and on the medium provided in the media format section of such Rules. If Customer receives notice that such prenotification has been rejected by an RDFI within the prescribed period, or that an RDFI will not receive Entries without having first received a copy of the Authorization signed by its customer, Customer will not initiate any corresponding Entries to such accounts until the cause for rejection has been corrected or until providing the RDFI with such authorization within the time limits provided by the Rules.

23. NOTICE OF RETURNED ENTRIES AND NOTIFICATIONS OF CHANGE. Financial Institution shall notify Customer via encrypted e-mail, facsimile transmission, US mail, or other means of the receipt of a returned Entry from the ACH Operator. Except for an Entry retransmitted by Customer in accordance with the requirements of Section 5, Financial Institution shall have no obligation to retransmit a returned Entry to the ACH Operator if Financial Institution complied with the terms of this Product Schedule with respect to the original Entry. Customer shall notify the Receiver by phone or electronic transmission of receipt of each return Entry no later than one Business Day after the Business Day of receiving such notification from Financial Institution. Financial Institution shall provide Customer all information, as required by the Rules, with respect to each Notification of Change ("NOC") Entry or Corrected Notification of Change ("Corrected NOC") Entry received by Financial Institution relating to Entries transmitted by Customer. Financial Institution must provide such information to Customer within two (2) banking days of the Settlement Date of each NOC or Corrected NOC Entry. Customer shall ensure that changes requested by the NOC or Corrected NOC are made within six (6) banking days of Customer's receipt of the NOC information from Financial Institution or prior to initiating another Entry to the Receiver's account, whichever is later.

24. ACCOUNT RECONCILIATION. The Customer agrees to notify the Financial Institution promptly of any discrepancy between the Customer's records and the information shown on any periodic statement. If the Customer fails to notify the Financial Institution within ten (10) calendar days of receipt of a periodic statement containing such information; the Customer agrees that the Financial Institution shall not be liable for any other losses resulting from the Customer's failure to give such notice or any loss of interest or any interest equivalent with respect to any Entry shown on such periodic statement. If the Customer fails to notify the Financial Institution within thirty (30) calendar days of receipt of such periodic statement, the Customer shall be precluded from asserting any discrepancy against the Financial Institution.

25. PROVISIONAL SETTLEMENT. Customer shall be bound by and comply with the Rules as in effect from time to time, including without limitation the provision thereof making payment of an Entry by the RDFI to the Receiver provisional until receipt by the RDFI of final settlement for such Entry; and Customer acknowledges that it has received notice of that Rule and or the fact that, if such settlement is not received, the RDFI shall be entitled to a refund from the Receiver of the amount credited and Customer shall not be deemed to have paid the Receiver the amount of the Entry.

26. CUSTOMER REPRESENTATIONS AND WARRANTIES; INDEMNITY. With respect to each and every Entry transmitted by Customer, Customer represents and warrants to Financial Institution and agrees that (a) each person or entity shown as the Receiver on an Entry received by Financial Institution from Customer has authorized the initiation of such Entry and the crediting or debiting of its account in the amount and on the Effective Entry Date shown on such Entry, (b) such authorization is operative at the time of transmittal or crediting or debiting by Financial Institution as provided herein, (c) Entries transmitted to Financial Institution by Customer are limited to those types of credit and debit Entries set forth in **Schedule A**, (d) Customer shall perform its obligations under this Product Schedule in accordance with all applicable laws, regulations, and orders, including, but not limited to, the sanctions laws, regulations, and orders administered by OFAC; laws, regulations, and orders administered FinCEN; and any state laws, regulations, or orders applicable to the providers of ACH payment services, (e) Customer shall be bound by and comply with the provision of the *Rules* (among other provisions of the *Rules*) making payment of an Entry by the RDFI to the Receiver provisional until receipt by the RDFI of final settlement for such Entry; and (f) Customer shall ensure that any and all non-public personal information provided by Customer to Financial Institution shall be secure and will not be disclosed to any unauthorized person. Customer specifically acknowledges that it has received notice of the rule regarding provisional payment and of the fact that, if such settlement is not received, the RDFI shall be entitled to a refund from the Receiver of the amount credited and Customer shall not be deemed to have paid the Receiver the amount of the Entry. The Customer shall defend, indemnify, and hold harmless the Financial Institution, and its officers, directors, agents, and employees, from and against any and all actions, costs, claims, losses, damages, or expenses, including attorney's fees and expenses, resulting from or arising out of (aa) any breach of any of the agreements, representations or warranties of the Customer contained in this Product Schedule; or (bb) any act or omission of the Customer or any other person acting on the Customer's behalf.

27. ADDITIONAL CUSTOMER WARRANTIES FOR SELECTED STANDARD ENTRY CLASSES. NACHA, in its role of ensuring the safety, security, and viability of the ACH network, has determined that certain single-use or limited-use consumer authorizations have the potential to increase risk in the ACH system and compromise system effectiveness by increasing the incidence of returned Entries. Therefore, to qualify as an Originator of such Entries, Customer hereby warrants to Financial Institution that for each such ACH Entry submitted for processing, Customer has obtained all authorizations from the Receiver as required by the Rules, by Regulation E or other applicable law, and this Product Schedule. Customer also makes the additional warranties to Bank that Bank makes to each RDFI and ACH Operator under the Rules for the respective SEC codes for Entries originated by Customer. Customer hereby indemnifies and holds Financial Institution harmless from any liability arising out of Customer’s breach of these warranties.

28. FINANCIAL INFORMATION AND AUDIT. Financial Institution may from time-to-time request information from Customer to evaluate a continuation of the Service to be provided by Financial Institution hereunder and/or adjustment of any limits set by this Product Schedule. Customer agrees to provide the requested financial information immediately upon request by Financial Institution, in the form required by Financial Institution. Customer authorizes Financial Institution to investigate or reinvestigate at any time any information provided by Customer in connection with this Product Schedule or the Service. Upon request by Financial Institution, Customer hereby authorizes Financial Institution to enter Customer’s business premises for the purpose of ensuring that Customer complies with this Product Schedule and Customer specifically authorizes Financial Institution to perform an audit of Customer’s operational controls, risk management practices, staffing and the need for training and

ongoing support, and information technology infrastructure. Customer hereby acknowledges and agrees that Financial Institution shall have the right to mandate specific internal controls at Customer's location(s) and Customer shall comply with any such mandate. In addition, Customer hereby agrees to allow Financial Institution to review available reports of independent audits performed at the Customer location related to information technology, the Service, and any associated operational processes. Customer agrees that if requested by Financial Institution, Customer will complete a self-assessment of Customer's operations, management, staff, systems, internal controls, training, and risk management practices that would otherwise be reviewed by Financial Institution in an audit of Customer. If Customer refuses to provide the requested financial information, or if Financial Institution concludes, in its sole discretion, that the risk of Customer is unacceptable, if Customer violates this Product Schedule or the Rules, or if Customer refuses to give Financial Institution access to Customer's premises, Financial Institution may terminate the Service and this Product Schedule according to the provisions hereof.

29. LIMITATION OF LIABILITY.

(a) IN THE PERFORMANCE OF THE SERVICES REQUIRED BY THIS AGREEMENT, FINANCIAL INSTITUTION SHALL BE ENTITLED TO RELY SOLELY ON THE INFORMATION, REPRESENTATIONS, AND WARRANTIES PROVIDED BY CUSTOMER PURSUANT TO THIS AGREEMENT, AND SHALL NOT BE RESPONSIBLE FOR THE ACCURACY OR COMPLETENESS THEREOF. FINANCIAL INSTITUTION SHALL BE RESPONSIBLE ONLY FOR PERFORMING THE SERVICES EXPRESSLY PROVIDED FOR IN THIS AGREEMENT AND SHALL BE LIABLE ONLY FOR ITS GROSS NEGLIGENCE OR WILLFUL MISCONDUCT IN PERFORMING THOSE SERVICES. FINANCIAL INSTITUTION SHALL NOT BE RESPONSIBLE FOR CUSTOMER'S ACTS OR OMISSIONS (INCLUDING, WITHOUT LIMITATION, THE AMOUNT, ACCURACY, TIMELINESS OF TRANSMITTAL OR AUTHORIZATION OF ANY ENTRY RECEIVED FROM CUSTOMER) OR THOSE OF ANY OTHER PERSON, INCLUDING, WITHOUT LIMITATION, ANY FEDERAL RESERVE BANK, ACH OPERATOR OR TRANSMISSION OR COMMUNICATIONS FACILITY, ANY RECEIVER OR RDFI (INCLUDING, WITHOUT LIMITATION, THE RETURN OF ANY ENTRY BY SUCH RECEIVER OR RDFI), AND NO SUCH PERSON SHALL BE DEEMED FINANCIAL INSTITUTION'S AGENT. CUSTOMER AGREES TO INDEMNIFY FINANCIAL INSTITUTION AGAINST ANY LOSS, LIABILITY OR EXPENSE (INCLUDING ATTORNEYS' FEES AND COSTS) RESULTING FROM OR ARISING OUT OF ANY CLAIM OF ANY PERSON THAT THE FINANCIAL INSTITUTION IS RESPONSIBLE FOR ANY ACT OR OMISSION OF CUSTOMER OR ANY OTHER PERSON DESCRIBED IN THIS SECTION 29(a).

(b) FINANCIAL INSTITUTION SHALL BE LIABLE FOR CUSTOMER'S ACTUAL DAMAGES DUE TO CLAIMS ARISING SOLELY FROM FINANCIAL INSTITUTION'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT; IN NO EVENT SHALL FINANCIAL INSTITUTION BE LIABLE FOR ANY CONSEQUENTIAL, SPECIAL, INCIDENTAL, PUNITIVE OR INDIRECT LOSS OR DAMAGE WHICH CUSTOMER MAY INCUR OR SUFFER IN CONNECTION WITH THIS AGREEMENT, WHETHER OR NOT THE LIKELIHOOD OF SUCH DAMAGES WAS KNOWN OR CONTEMPLATED BY THE FINANCIAL INSTITUTION AND REGARDLESS OF THE LEGAL OR EQUITABLE THEORY OF LIABILITY WHICH CUSTOMER MAY ASSERT, INCLUDING, WITHOUT LIMITATION, LOSS OR DAMAGE FROM SUBSEQUENT WRONGFUL DISHONOR RESULTING FROM FINANCIAL INSTITUTION'S ACTS OR OMISSIONS PURSUANT TO THIS AGREEMENT.

(c) WITHOUT LIMITING THE GENERALITY OF THE FOREGOING PROVISIONS, FINANCIAL INSTITUTION SHALL BE EXCUSED FROM FAILING TO ACT OR DELAY IN ACTING IF SUCH FAILURE OR DELAY IS CAUSED BY LEGAL CONSTRAINT, INTERRUPTION OF TRANSMISSION OR COMMUNICATION FACILITIES, EQUIPMENT FAILURE, WAR, EMERGENCY CONDITIONS OR OTHER CIRCUMSTANCES BEYOND FINANCIAL INSTITUTION'S CONTROL. IN ADDITION, FINANCIAL INSTITUTION SHALL BE EXCUSED FROM FAILING TO TRANSMIT OR DELAY IN TRANSMITTING AN ENTRY IF SUCH TRANSMITTAL WOULD RESULT IN FINANCIAL INSTITUTION'S HAVING EXCEEDED ANY LIMITATION UPON ITS INTRA-DAY NET FUNDS POSITION ESTABLISHED PURSUANT TO PRESENT OR FUTURE FEDERAL RESERVE GUIDELINES OR IN FINANCIAL INSTITUTION'S REASONABLE JUDGMENT OTHERWISE WOULD VIOLATE ANY PROVISION OF ANY PRESENT OR FUTURE RISK CONTROL PROGRAM OF THE FEDERAL RESERVE OR ANY RULE OR REGULATION OF ANY OTHER U.S. GOVERNMENTAL REGULATORY AUTHORITY.

(d) SUBJECT TO THE FOREGOING LIMITATIONS, FINANCIAL INSTITUTION'S LIABILITY FOR LOSS OF INTEREST RESULTING FROM ITS ERROR OR DELAY SHALL BE CALCULATED BY USING A RATE EQUAL TO THE AVERAGE FEDERAL FUNDS RATE AT THE FEDERAL RESERVE BANK OF NEW YORK FOR THE PERIOD INVOLVED. AT FINANCIAL INSTITUTION'S OPTION, PAYMENT OF SUCH INTEREST MAY BE MADE BY CREDITING THE ACCOUNT.

30. INCONSISTENCY OF NAME AND ACCOUNT NUMBER. The Customer acknowledges and agrees that, if an Entry describes the Receiver inconsistently by name and account number, payment of the Entry transmitted by the Financial Institution to the RDFI may be made by the RDFI (or by the Financial Institution in the case of an On-Us Entry) on the basis of the account number supplied by the Customer, even if it identifies a person different from the named Receiver, and that the Customer's obligation to pay the amount of the Entry to the Financial Institution is not excused in such circumstances. Customer is liable for and must settle with Financial Institution for any Entry initiated by Customer that identifies the Receiver by account or identifying number or by name and account or identifying number.

31. PAYMENT FOR SERVICES. The Customer shall pay the Financial Institution the charges for the services provided in connection with this Product Schedule, as set forth in **Schedule F**. All fees and services are subject to change upon thirty (30) days prior written notice from the Financial Institution. Such charges do not include, and the Customer shall be responsible for payment of, any sales, use, excise, value added, utility or other similar taxes relating to such services, and any fees or charges provided for in the Depository Agreement between the Financial Institution and the Customer with respect to the Account.

32. AMENDMENTS. Except as provided in Section 31, the Financial Institution may amend this Product Schedule from time to time upon written notice to the Customer. If performance of services under this Product Schedule would result in a violation of any present or future statute, regulation, or governmental policy to which the Financial Institution is subject, then this Product Schedule shall be amended to the extent necessary to comply with such statute, regulation, or policy. Alternatively, the Financial Institution may terminate this Product Schedule if it deems such action necessary or appropriate under the circumstances. The Financial Institution shall have no liability to the Customer because of any such violation, amendment, or termination. Any practices or course of dealings between the Financial Institution and the Customer, or any procedures or operational alterations used by them, shall not constitute a modification of this Product Schedule or the Rules, nor shall they be construed as an amendment to this Product Schedule or the Rules.

33. NOTICES, INSTRUCTIONS, ETC.

(a) Except as stated herein, the Financial Institution shall not be required to act upon any notice or instruction received from the Customer or any other person, or to provide any notice or advice to the Customer or any other person with respect to any matter.

(b) The Financial Institution shall be entitled to rely on any written notice or other written communication believed by it in good faith to be genuine and to have been signed by an authorized representative of Customer, and any such communication shall be deemed to have been signed by such person. Such notice shall be effective on the second Business Day following the day received by the Financial Institution.

(c) Except as stated herein, any written notice or other written communication required or permitted to be given under this Product Schedule shall be delivered or sent by US mail, if to Customer, at the address of Customer on the books of Financial Institution and if to Financial Institution, at the following address:

First Port City Bank
Attn: Deposit Operations
400 W Shotwell Street
Bainbridge, GA 39819

unless another address is substituted by notice delivered or sent as provided heron. Except as otherwise stated herein, any such notice shall be deemed given when received.

34. DATA RETENTION AND PROTECTION. The Customer shall retain data on file adequate to permit the remaking of Entries for five (5) Business Days following the date of their transmittal by the Financial Institution as provided herein and shall provide such Data to the Financial Institution upon its request. Customer acknowledges and agrees to comply with any and all Data Security Requirements contained in the Rules, including without limitation any requirements of ACH Originators, Third-Party Service Providers and Third-Party Senders to protect account numbers used in the initiation of ACH Entries and Files by rendering them unreadable when stored electronically.

35. DATA MEDIA AND RECORDS. All magnetic tapes, Entries, security procedures and related records used by the Financial Institution for transactions contemplated by this Product Schedule shall be and remain the Financial Institution's property. The Financial Institution may, at its sole discretion, make available such information upon the Customer's request. Any expenses incurred by the Financial Institution in making such information available to the Customer shall be paid by the Customer.

36. COOPERATION IN LOSS RECOVERY EFFORTS. In the event of any damages for which Financial Institution or Customer may be liable to each other or to a third party pursuant to the services provided under this Product Schedule, Financial Institution and Customer will undertake reasonable efforts to cooperate with each other, as permitted by applicable law, in performing loss recovery efforts and in connection with any actions that the relevant party may be obligated to defend or elects to pursue against a third party.

37. TERMINATION. In addition to, and without limiting the generality of, the Termination provisions of the Master Agreement, Financial Institution may terminate this Product Schedule immediately upon its determination that Customer is in violation of this Product Schedule, the ACH Rules, or applicable laws or if Customer initiates any bankruptcy proceeding or is otherwise declared insolvent. Any termination of this Product Schedule shall not affect any of Financial Institution's rights or Customer's obligations with respect to any Entries initiated by Customer prior to such termination, or the payment obligations of Customer with respect to services performed by Financial Institution prior to termination, or any other obligations that survive termination of this Product Schedule. Customer's obligation with respect to any Entry shall survive termination of this Product Schedule until any applicable statute of limitation has elapsed.

38. ENTIRE AGREEMENT. This Product Schedule (including the Schedules attached) together with the Depository Agreement and the Master Agreement, is the complete and exclusive statement of the agreement between the Financial Institution and the Customer with respect to the subject matter hereof and supersedes any prior agreement(s) between the Financial Institution with respect to such subject matter. In the event of any inconsistency between the terms of this Product Schedule, the Depository Agreement or the Master Agreement, the terms of this Product Schedule shall govern. In the event performance of the services provided herein in accordance with the terms of this Product Schedule would result in a violation of any present or future statute, regulation or government policy to which the Financial Institution is subject, and which governs or affects the transactions contemplated by this Product Schedule, then this Product Schedule shall be deemed amended to the extent necessary to comply with such statute, regulation or policy, and the Financial Institution shall incur no liability to the Customer as a result of such violation or amendment. No course of dealing between the Financial Institution and the Customer will constitute a modification of this Product Schedule, the Rules, or the security procedures, or constitute an agreement between the Financial Institution and the Customer regardless of whatever practices and procedures the Financial Institution and the Customer may use.

39. NON-ASSIGNMENT. The Customer may not assign this Agreement or any of the rights or duties hereunder to any person without the Financial Institution's prior written consent.

ACH ORIGINATION PRODUCT SCHEDULE

Rev 10-2023

40. WAIVER. The Financial Institution may waive enforcement of any provision of this Agreement. Any such waiver shall not affect the Financial Institution's rights with respect to any other transaction or modify the terms of this Agreement.

41. BINDING AGREEMENT; BENEFIT. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective legal representatives, successors, and assigns. This Agreement is not for the benefit of any other person, and no other person shall have any right against the Financial Institution or the Customer hereunder.

42. HEADINGS. Headings are used for reference purposes only and shall not be deemed part of this Agreement.

43. SEVERABILITY. If any provision of this Agreement shall be determined to be invalid, illegal, or unenforceable to any extent, the remainder of this Agreement shall not be impaired or otherwise affected and shall continue to be valid and enforceable to the fullest extent permitted by law.

44. GOVERNING LAW. This Agreement shall be construed in accordance with and governed by the laws of the State of Georgia without reference to its conflict of law's provisions, and applicable federal law.

45. SAME DAY ENTRIES. If Same Day ACH is offered by Financial Institution, a credit or debit Entry with an Effective Entry Date of the date of or a date prior to the date of the transmission of the Entry or File to Bank and received by Bank prior to the applicable cut-off time set forth in **Schedule B** shall be considered a Same Day Entry. Entries exceeding the amount permitted in the Rules and IAT Entries are not eligible for Same Day ACH processing. In addition to any other fees that Customer is obligated to pay Bank, Customer hereby agrees to pay Bank the Same Day Entry fee established by Bank from time to time for Same Day Entries transmitted to Bank by Customer.

This Product Schedule must be signed on behalf of Customer by an Authorized Customer Representative.

IN WITNESS WHEREOF, the parties hereto have executed this Product Schedule through their duly authorized officers on the dates indicated below.

ACH ORIGINATION PRODUCT SCHEDULE

Schedule A – Customer Selected Standard Entry Class Code

Rev 10-2023

As used in the Product Schedule, the following* are ACH Standard Entry Class Codes (SEC) approved for use by Customer (check all that apply), subject to any specific restrictions on the types of ACH transactions that may be originated, which are identified by Financial Institution below:

***ARC* - Accounts Receivable Entry** -** An ACH debit created from a check received in the U.S. Mail or a drop box location and converted to an ACH debit. (Refer to NACHA Rules regarding items eligible for check conversion). The eligible source document may be taken at a manned bill payment location as well as received via the mail or comparable delivery service.

BOC* – Back Office Conversion* – During back-office processing, an ACH debit is created from a check received at the point of check being tendered or received at a "manned" bill payment location for in-person payments. (Refer to NACHA Rules regarding items eligible for check conversion).

***CCD* – Corporate Credit or Debit –** Either a credit or debit where funds are either distributed or consolidated between corporate entities. May have one addenda record attached (CCD+)

CTX* - Corporate Trade Exchange* –The transfer of funds (debit or credit) within a trading partner relationship in which payments related information is placed in multiple addenda records. (up to 9,999 addenda records).

IAT* – International ACH Transaction* – *A* debit or credit Entry that is part of a payment transaction involving a financial agency's office that is not located in the territorial jurisdiction of the United States. (Refer to NACHA Rules for further definitional details**)**

***POP* - Point-of-Purchase** -** ACH debit application used by Originators as a method of payment for the in-person purchase of goods or services by receivers (check conversion). (Refer to NACHA Rules regarding items eligible for check conversion).

***PPD* - Prearranged Payment and Deposit**

Direct Deposit - The transfer of funds into a consumer's account. Funds being deposited can represent a variety of products, such as payroll, interest, pension, dividends, etc.

Direct Payment - Preauthorized payment is a debit application. This includes recurring bills that do not vary in amount -- insurance premiums, mortgage payments, charitable contributions, and installment loan payments or standing authorizations where the amount does vary, such as utility payments.

***RCK* - Re-presented Check** -** An ACH debit application used by originators to re-present a consumer check that has been processed through the check collection system and returned because of insufficient or uncollected funds. (Refer to NACHA Rules regarding items eligible for check conversion).

TEL* - Telephone-Initiated Entry* – This is used for the origination of a debit transaction to a consumer's account pursuant to an oral authorization obtained from the consumer via the telephone. (Single or Recurring Entry). A TEL Entry may be either a Single Entry, Recurring Entry, or Subsequent Entry to a Standing Authorization.

WEB - ***Internet-Initiated/Mobile Entry***** - Consumer debits authorized via the Internet or mobile device (after account validation); or a person-to-person (P2P) credit regardless of initiation method (Single or Recurring Entry). A WEB Entry may be either a Single Entry, Recurring Entry, or Subsequent Entry to a Standing Authorization.

*The SEC Codes listed below are the most commonly used and not an all-inclusive list.

**The SEC Codes are restricted for use without prior written request from Customer and subsequent approval by Financial Institution.

Financial Institution has identified the following ACH transaction restrictions:

First Port City Bank ACH Originators and/or Third-Party Service Providers are limited to using the following SEC Codes, unless otherwise requested by Originator in writing: CCD and PPD

Schedule C – Security Procedures

Rev 10-2023

Customer is responsible to strictly establish and to maintain procedures to safeguard against unauthorized transactions. Customer warrants that no individual will be allowed to initiate transfers in the absence of proper supervision and safeguards, and agrees to take reasonable steps to maintain the confidentiality of the security procedures and any passwords, codes, security devices, and related instructions provided by Financial Instituion. If Customer believes or suspects that any such information has been accessed by an unauthorized individual, Customer will verbally notify Financial Institution immediately, followed by written confirmation. The occurrence of such notification will not affect any transfers made in good faith by Financial Institution prior to the notification and within a reasonable time period to prevent unauthorized transfers.

Data Security:
Limiting access and securely storing ACH data used in the routing and settlement of ACH transactions is a critical data security precaution. Customer's ability to limit access to production data can be done through commercially available software products. Access can be limited to specific programs, user IDs, or read-only or read-and-edit-only access functionality. Files can also be transmitted between ACH participants using the following data protection methods: encryption and authentication.

- **Encryption** is a process of scrambling data content through hardware or software in order to protect the confidentiality of a file's contents. This information should remain encrypted between all parties in the ACH Network using commercially reasonable procedures and must be transmitted using security technology as provided in the Rules (minimum standards).
- **Authentication** is a process of ensuring files and data content have not been altered between the Orginator and receiving points. Like encryption, this can be done using hardware or software to ensure data integrity.

Customer acknowledges and agrees to comply with any and all Data Security Requirements contained in the Rules, including without limitation any requirements of ACH Originators, Third-Party Service Providers and Third-Party Senders to protect account numbers used in the initiation of ACH Entries and Files by rendering them unreadable when stored electronically.

Customer understands and agrees that the authenticity of any ACH File or Entry transmitted to the Financial Institution may be verified pursuant to one or more of the following security procedures:

Security Procedure:

1. **Dual Control:** Customer will submit ACH entries under dual control, i.e., one user creates file, and a second user approves/submits file.
2. **Customer Call-Back:** Financial Institution will perform call-back verification with Customer, by using Customer's phone number referenced in this agreement or in Financial Institution's core system, for files originated without dual control.
3. **Security Tokens:** Financial Institution will enforce use of multifactor authentication tokens, in conjunction with a unique User PIN, for ACH file origination submissions.
4. **E-Mail Verification:** Email communication between Customer and Financial Institution regarding ACH files, transaction information, limit exceptions and/or increases must be encrypted or otherwise protected, i.e.: password protection.
5. **Processing Calendar:** Customer will provide Financial Institution with a processing calendar at the beginning of each calendar year, or periodically thereafter if schedule changes, listing specific file submission dates and/or recurring schedule of file submissions.
6. **Malware/Antivirus Protection Software:** Customer is responsible for having adequate and up to date malware and antivirus protection software installed on device(s) used to transmit ACH files. Customer will provide software information.

REJECTED ☐ **(Checking this box indicates Customer wishes to reject at least one Security Procedure described below.)**

Customer may reject the "commercially reasonable Security Procedures" offered by the Financial Institution and elect to use Customer's own Security Procedures by indicating its rejection in the above box. If Customer rejects the Financial Institution's Security Procedure, Customer hereby acknowledges that the Financial Institution first offered to Customer a "commercially reasonable Security Procedure." The Financial Institution may, at its option, refuse to accept Customer's Security Procedures, in which case, the Financial Institution shall refuse to accept Entries initiated by Customer.

COMPANY SELECTED SECURITY PROCEDURE

This election, if the Rejection box is checked by Customer, constitutes a part of the Agreement in effect between Customer and the Financial Institution. Capitalized terms not otherwise defined herein shall have the meaning ascribed them in the Agreement. Customer acknowledges that the Financial Institution has offered to Customer Security Procedures to verify the authenticity of ACH Entries, which Procedures Customer agrees are reasonable in the context of Customer's operation, requirements, and internal procedures. Customer acknowledges that the Financial Institution has offered this Service and Customer has elected to send ACH Entries to the Financial Institution using Customer's selected Security Procedure. Customer acknowledges and understands that selecting Security Procedures other than Security Procedures 1 through 6 listed above may substantially increase the risk of loss to Customer. CUSTOMER HEREBY REJECTS AND REFUSES THE SECURITY PROCEDURES OFFERED BY THE FINANCIAL INSTITUTION FOR TRANSMISSION OF ACH ENTRIES TO THE FINANCIAL INSTITUTION. By rejecting any of the Security Procedures listed above, Customer is refusing the Financial Institution's Security Procedure and requests the Financial Institution to follow Customer's selected Security Procedure. Customer may not reject the Security Procedures number 2, Customer Call-Back and number 3, Security Tokens. CUSTOMER HEREBY AGREES TO BE BOUND BY ANY TRANSFER, WHETHER OR NOT AUTHORIZED, ISSUED IN CUSTOMER'S NAME AND ACCEPTED BY THE FINANCIAL INSTITUTION IN COMPLIANCE WITH CUSTOMER'S SELECTED SECURITY PROCEDURES. By checking the box(s) below, Customer rejects the indicated Security Procedure:

Schedule H – Principal/Owner Guaranty

Rev 10-2023

This Schedule is used when Financial Institution requires the guarantee of the Customer's principal/owner of obligations of the customer under the ACH Origination Product Schedule.

The undersigned hereby guarantees the prompt payment and performance of all amounts, fees, and obligations of City of Fernandina Beach FL (Customer) due and owing to **First Port City Bank** (Financial Institution) arising under or in connection with that certain Customer Agreement for ACH Origination (the "Agreement"), dated of even date herewith between Customer and Financial Institution.

This Guaranty is intended to cover all obligations of Customer under the Agreement, including, but not limited to,

(a) the payment of fees and amounts arising under the Agreement or in connection with any deposit account maintained by Customer with Financial Institution,

(b) the compliance by Financial Institution with all laws, regulations and rules related to Customer's origination and processing of ACH Entries under the Agreement,

(c) Customer's obligations with respect to Reserves and the return of ACH Entries under the Agreement, and

(d) the accuracy and performance of Customer's warranties under the Agreement.

To secure the payment and performance of this Guaranty, the undersigned hereby grants to Financial Institution a security interest in and to all deposit accounts owned by the undersigned and maintained at Financial Institution.

The undersigned hereby agrees and acknowledges that this Guaranty is a guarantee of performance and not of collection, and that Financial Institution may, upon default or violation by Customer of any terms of the Agreement, proceed directly against the undersigned for satisfaction and performance of the obligations of Customer under the Agreement without first proceeding against Customer.

Wholesale Lockbox Services Agreement

Schedule B - Irregular Item Processing Procedures

This Agreement is made this ___ day of _____, 20___ between City of Fernandina Beach FL the undersigned Company ("you" and "Company") and First Port City Bank ("we", "us" and "Bank") with respect to the Bank's Wholesale Lockbox service ("Service").

The Service. We will establish a post office box address where persons may mail payments to us. We will process the payments we receive for you each business day and will credit such payments to the Company's account #_____that night. The post office box will be located at TBD and mail will be picked up at TBD Monday through Friday, excluding Bank and/or US Postal Service holidays, and at TBD on TBD.

Fees. You agree to pay us the fees established for this Service. Service fees will be examined periodically and are subject to change at any time, with 30 days' notice to the Company. We may deduct our fees from account # _____by the fifteenth business day of each month for the previous month's activity. Current service fees are described in Schedule A.

Our Processing of Checks. You authorize us to endorse all checks we receive on your behalf through this Service. We may accept checks for deposit to your account without endorsement and regardless of any difference between the name of the payee and the legal name of the Company. You will be deemed to warrant the endorsement of all items we receive through this Service, as well as your right to receive such items for deposit to your account.

Irregular Items. We will process irregular items as per the agreed upon irregular item processing procedures. See Schedule B, Irregular Item Processing Procedures.

Images of Checks. We will image the front and back of each check processed pursuant to this Service and will retain the record for ____ year(s). You acknowledge that imaging processing is subject to error on occasion and agree to hold us and any third-party processor we use harmless from all claims, actions, damages, attorney's fees, and costs associated with our inability to produce copies of checks.

Your Instructions to Payers. You agree to instruct payers not to send cash, notices, communications, or other materials with their payments to the address specified for this Service. We agree to forward all communication or other materials included with the payments to you either via the US Postal Service or electronic image.

Limitation of Liability. We will be liable to you only for damages arising directly from our intentional misconduct or gross negligence in the performance of this Service. We will not be responsible for any loss, delay, cost or liability which arises, directly or indirectly, in whole or in part, from: your actions or omissions, negligence or breach of any Agreement with us; any ambiguity, inaccuracy or omission in any instruction or information provided to us; accidents, strikes, labor disputes, civil unrest, fire, flood, water damage (e.g., from fire suppression systems), or acts of God; or the actions of others or causes that are beyond our reasonable control. We will not be responsible under any circumstances for special, indirect, or consequential damages which you incur as a result of our actions or omissions, even if we are aware of the possibility for such damages. Any claim, action or proceeding by you to enforce the terms of this Agreement or to recover for any Service-related loss must be commenced within one year from the date that the event giving rise to the claim, action or proceeding first occurs. You agree to cooperate with us in any loss recovery efforts we undertake to reduce any loss or liability that arises in connection with your Services. You acknowledge that our Service fees have been established in contemplation of: these limitations on our liability; your Agreement to review statements, confirmations, and notices promptly and to notify us immediately of any discrepancies or problems; and your Agreement to assist us in any loss recovery effort.

Indemnification. You agree to indemnify, defend, and hold us harmless from and against any claim, damage, loss, liability, and cost (including, without limitation, attorney's fees) of any kind which results directly or indirectly, in whole or in part, from: (a) our actions or omissions, if they are in accordance with your instructions or the terms of this Agreement; or (b) the actions or omissions of you, your agents or employees.

Wholesale Lockbox Services Agreement

No Jury Trial. We both agree to waive the right to request a jury trial in the event an action is brought by either of us with respect to our Service or this Agreement, its interpretation or enforcement. We agree to resolve such disputes through mediation.

Termination. Either party may terminate this Agreement, with or without cause, by giving 45 days' prior notice to the other party. We may terminate or suspend the Service immediately and without prior notice if: (a) you breach any Agreement with us; (b) we have reason to believe that an unauthorized transaction has taken or may take place involving any of your accounts or the Service; (c) you become insolvent or the subject of a bankruptcy, receivership, or dissolution proceeding; or (d) we are uncertain as to any person's authority to give us instructions regarding your account or the Service. The termination of this Agreement will not affect the rights or obligations of either party that arises prior to termination. Upon termination of the Service by either party, the post office box will be closed. Mail addressed to the Company and received at the box will be forwarded to an address provided by the Company for 30 days. After 30 days, mail addressed to the Company and received at the box will be returned to the sender.

Miscellaneous Terms.

Changes to the Agreement. Changes to this Agreement may be made by the Company's Authorized Representative, the Company Business Office Manager, or the Company Controller.

Receipt of Information. Any person who has access to the lockbox portal will be able to review and download information pertaining to the lockbox items.

Amendments. We may amend (add to, delete or change) the terms of this Agreement by providing you with prior written notice.

Entire Agreement. This Agreement supplements (and supersedes where inconsistent) the terms of your deposit Agreement with us. Unless we provide otherwise in writing, this constitutes the entire Agreement between you and us with respect to the Service.

Governing Law/Compliance. This Agreement will be governed by and construed in accordance with the laws of the State of Georgia, without reference to its conflict of law provisions.

No Assignment. You may not assign any right or delegate any obligation under this Agreement without our prior written consent.

No Third-Party Beneficiaries. This Agreement is made for the exclusive benefit of you and us. No third party has any rights under this Agreement. Unless you have our prior written consent, you may not use the Service to collect payments owing to third parties.

Waivers/Validity. Any waiver by us must be in writing to be effective. Our waiver of any right will not be deemed a waiver of other rights or of the same right at another time. If any provision of this Agreement is found to be void or invalid, the remainder of this Agreement will remain in full force and effect.

By signing below, you confirm that you are authorized to execute this Agreement on behalf of the Company and that a resolution or similar action taken by the Company to approve this Agreement has been approved by its members or governing body.

IN WITNESS WHEREOF, the parties have executed this Agreement the day and year first written.

Schedule B - Irregular Item Processing Procedures

1. Any item sent to the Bank via Overnight Courier or other form of hand delivery shall not be deemed to be received by the Bank until the Bank has processed the item for deposit according to its regular procedures.
2. **Inspection of Payee**: Each item that is not payable to a Company approved payee name, or a reasonable variation thereof, or completely missing the Company approved payee name, as designated below, will not be deposited and will be sent to the Company for disposition. Company represents and warrants that it has legal authority to accept for deposit and otherwise negotiate items payable to a payee different from the Company's legal name as designated below.

   Company Approved Payee:

   Bank will process checks with the following payees:

   a. _____

   b. _____

   c. _____

3. **Stale-Dated and Post-Dated Items**: The Bank will deposit all items into the Account even if it is stale-dated, post-dated, or does not bear a date. The Bank is under no obligation to discover such items and the Company agrees that neither will the Bank be held liable if any of the above-mentioned items are deposited into the Company's account.
4. **Returned Items**: Item(s) returned for insufficient funds will be re-deposited. Item(s) returned a second time will be charged back to the checking account. Item(s) and chargeback slip(s) will be sent to:_____. Item(s) returned for other reasons (ex. Stop Payment, Account Closed, etc.) will be charged back to the checking account. Item(s) and chargeback slip(s) will be sent to the above-mentioned address.
5. **Differing Amounts**: If the numeric and written amounts of an Item do not match, the Bank will use the written amount or the amount that matches the invoice. If the amount of the Item cannot be determined, or is missing altogether, then the Item will not be deposited into the Account and will be returned to the Company.
6. **Unsigned Items**: If the drawer's signature is missing, the Bank will process the check.
7. **Legended Items**: Items bearing restrictive legends or endorsements (e.g. "final payment" , "paid in full" or words of similar meaning), will be deposited into the Account notwithstanding any such language. The Company hereby agrees that the Bank does not assume any responsibility or liability for the deposit of such items.
8. **Foreign Items**: Any item received at the Lockbox denominated in a foreign currency, other than Canadian, and drawn upon a foreign bank, other than Canadian, will be rejected and the payment will be forwarded to the Company for disposition.

   Canadian item:

   If drawn on a Canadian bank and in US funds, the item will be processed as a regular item.

   If drawn on a Canadian bank and in Canadian funds, the item will be forwarded to the Company.

9. **Credit Card Processing**: Invoices received for credit card payment will be imaged and sent to the Company for processing.

POSITIVE PAY PRODUCT SCHEDULE

Rev 05-2023

This Positive Pay Product Schedule is entered into by and between First Port City Bank ("**Financial Institution**") and City of Fernandina Beach FL ("**Customer**"), as a Product Schedule under the Business Online Banking and Master Cash Management Agreement ("Master Agreement") and sets forth the terms and conditions pursuant to which Financial Institution will provide to Customer the Positive Pay Services outlined herein ("**Services**"). Financial Institution and Customer agree that by executing this Product Schedule, Customer acknowledges receipt of and agrees to the terms of the Master Agreement and that this Product Schedule becomes part of the Master Agreement. Terms not otherwise defined in this Product Schedule shall have the meaning ascribed to those terms in the Master Agreement. In the event of inconsistency between a provision of this Product Schedule, the Uniform Commercial Code as in effect in the State of Georgia (the "**UCC**"), and/or the Master Agreement, the provisions of this Product Schedule shall prevail.

To participate in Positive Pay, a service provided by Financial Institution, Customer must have at least one First Port City Bank commercial checking account. If you are applying for Positive Pay with another person or persons, at least one signer must have full signing authority on the accounts listed on this Product Schedule for Positive Pay. All authorized signers, including users with access who are not authorized signers, on the account must sign this Product Schedule for Positive Pay. If there is any change of ownership or signing authority on any of the account(s), notification must be immediately provided to Financial Institution. By signing this Product Schedule, the account holder(s) gives authority for other applicants/authorized users listed below to have full access and privileges to the account(s) to which this Product Schedule applies.

ACCOUNT SERVICES. Customer requests and agrees to accept from Financial Institution, and Financial Institution agrees to provide Positive Pay Services to Customer. The Positive Pay Service will include fraud mitigation services for both check disbursements and ACH transactions being presented to Financial Institution for payment or settlement. The Services shall apply to the accounts of Customer listed in Schedule "A" attached hereto and incorporated herein by reference ("**Authorized Accounts**").

I. CHECK POSITIVE PAY SERVICES

Description of Service. Subject to the terms and conditions of this Product Schedule, Financial Institution shall provide the Service to Company, which allows Financial Institution to identify valid checks presented for payment, notify Company of any exceptions and to return any checks that do not match the check issue information reported.

1. **Issue File.** Customer shall electronically transmit to Financial Institution on every Business Day, **no later than 4:00ET**, by manual entry or by importing into Business Online Banking, a file (the "**Issue File**") which accurately identifies the check number, exact dollar amount, account number, payee name, issue date and an issue indicator for voided and issued items with respect to checks issued by Customer (each such check referred to herein as an "**Item**") which are to be presented for payment to Financial Institution. Business Days are defined as Monday through Friday, excluding federal holidays (see Schedule C) and weekends. The Issue File shall be in a format prescribed by Financial Institution and submitted via the Services, except where otherwise permitted by Financial Institution in its sole and exclusive discretion. The parties intend that the Issue File transmitted to Financial Institution constitutes the signature of Customer for purposes of determining whether a Presented Check is properly payable. "**Presented Check**" means a check drawn on an Authorized Account and presented to Financial Institution for payment. By transmitting the Issue File, Customer expressly warrants that all Presented Checks that match the information in the Issue File are properly payable. Customer acknowledges that Financial Institution is not responsible for detecting any Customer error contained in any Check Issue File sent by Customer to Financial Institution. Customer shall update the Issue File upon issuance of each Item through Business Online Banking. If Financial Institution is unable to process/load the Issue File for any reason, Financial Institution will contact Customer and request the Issue File be modified and re-issued.

   Notwithstanding anything to the contrary in this Product Schedule or on the Online Banking Services' website, Customer must also utilize the payee verification feature associated with the Positive Pay Services. Financial Institution's payee verification services require the payee's name to match against Customer's Issue File at a minimum threshold or matching score. The payee's name in the Issue File will be electronically compared to the payee's name on presented checks. Other information related to the payee's name may also be electronically

compared as part of the automated verification process to establish a matching score. Such comparisons that result in a minimum threshold or matching score will be deemed to be a matching check. Customer is responsible for complying with the payee verification services' check specifications as specified by Financial Institution from time to time to ensure the highest level of performance from the payee verification services. Any presented check that does not result in a minimum threshold or matching score shall be deemed an exception check and reported as such in accordance with the terms of this Part I of the Product Schedule.

Customer's first issue file, upon implementation of the Services, must contain a current reconciled listing of outstanding, unpaid checks issued on each Authorized Account. Financial Institution reserves the right to require Customer to submit one or more additional such listings so that all outstanding, unpaid checks issued on any Authorized Account have been reported to Financial Institution before the initial comparison with in-clearing items.

Issue files manually entered or electronically imported into Business Online Banking **after the 4:00pm ET** cutoff may be matched against the following day's check file.

2. **Exceptions Report.** As in-clearing items are received by Financial Institution, Financial Institution will issue a daily online Exception Check Report with respect to any items that do not match the data contained in the Issue File, including the payee's name in connection with the payee verification services. Financial Institution will provide Exceptions to Customer through Financial Institution's Business Online Banking service **by 9:00am ET**, daily. Customer agrees that any User designated by an Administrator will review and respond to Financial Institution concerning each exception item via Business Online Banking or, if the electronic service is unavailable, response to Financial Institution shall be by facsimile transmission signed by a User, **no later than 11:00am ET** on the same business day that Financial Institution notifies Customer of the Exception Item(s). Customer will indicate affirmatively whether Customer wishes to pay (a "Pay Decision") or return (a "Return Decision") each item on the Report. If Customer wishes to return an item(s), Customer will indicate the specific reason for return. If Financial Institution does not receive Customer's response to the Exceptions Report by 11:00am ET, Financial Institution will act on the default instructions to pay or return item(s) as previously agreed upon between Customer and Financial Institution (see Schedule A). Customer agrees to specify one or more authorized persons who shall be available immediately on all Business Days to respond to Financial Institution inquiries regarding an Exceptions Report.

   Notwithstanding anything in this Part I to the contrary, Financial Institution may, in its sole and absolute discretion, return to the person presenting a check drawn on an Authorized Account for payment over the counter at one of Financial Institution's teller stations any such check that does not appear on an Issue File. Customer acknowledges and agrees that Financial Institution shall have no obligation to inform Customer that any such check has been presented for payment at a Financial Institution teller station. Financial Institution shall have no liability to Customer for wrongful dishonor with respect to any such check.

   Financial Institution is not responsible for detecting any Customer error contained in any Issue File, Pay Decision or Return Decision sent by Customer to Financial Institution.

3. **Remedies.**
   A. **U.C.C. Liability.** To the extent permitted by U.C.C. Articles 3-A and 4, the liability of Financial Institution under this Part I shall in all cases be subject to the provisions of this Product Schedule, including, without limitation, any provisions hereof that exclude, or limit warranties made by, damages payable to or remedies available from Financial Institution.
   B. **Wrongful Honor.** It shall constitute wrongful honor by Financial Institution if Financial Institution pays an Exception Check listed in a timely Exception Check Report unless: (i) Customer issued a Pay Decision, or (ii) Customer selected the pay default option and did not issue a Return Decision by the 11:00am ET deadline. If there is wrongful honor, the following shall apply:

1. Financial Institution shall be liable to Customer for the lesser of the amount of the wrongfully paid Exception Check or Customer's actual damages resulting from Financial Institution's payment of the Exception Check.
2. Financial Institution expressly waives any right it may have to assert that Customer is liable forthe amount of the wrongfully honored Exception Check on the grounds that the Exception Check was properly payable under U.C.C. Section 4-401.
3. Financial Institution retains the right to assert Customer's failure to exercise reasonable care under U.C.C. Sections 3-A-1406 and 4-406.
4. Financial Institution retains the right to assert the defense that Customer has sustained no actual damages because Financial Institution's honor of the Exception Check discharged for value an indebtedness of Customer.

C. **Wrongful Dishonor.** Except as provided below, it shall constitute wrongful dishonor by Financial Institution if Financial Institution dishonors an Exception Check: (i) that Financial Institution has been ordered to pay pursuant to a Pay Decision, or (ii) for which Customer has not issued a Return Decision under the pay default option by the 11:00am ET deadline.
   1. Financial Institution's liability for wrongful dishonor of an Exception Check shall be limited to the damages for wrongful dishonor recoverable under U.C.C. Articles 3-A and 4.
   2. Notwithstanding (c)(1) above, Financial Institution shall have no liability to Customer for wrongful dishonor when Financial Institution, acting in good faith, returns an Exception Check:
      (a) that it reasonably believed was not properly payable; or
      (b) if there are insufficient Available Funds on deposit in the Authorized Account; or
      (c) if required to do so by the service of legal process on Financial Institution or the instructions of regulatory or government authorities or courts.

D. **Rightful Payment and Dishonor.** The following shall apply:
   1. If Financial Institution honors an Exception Check in accordance with the pay default option selected by Customer or in accordance with a Pay Decision issued by Customer, such honor shall be rightful, and Customer waives any right it may have to assert that the Exception Check was not properly payable under U.C.C. section 4-401.
   2. If Financial Institution dishonors an Exception Check in accordance with the return default option selected by Customer or in accordance with a Return Decision issued by Customer, the dishonor shall be rightful, and Customer waives any right it may have to assert that the dishonor was wrongful under the U.C.C. section 4-402.
   3. Customer agrees that Financial Institution exercises ordinary care whenever it rightfully pays or returns an exception Check consistent with the provisions of this Product Schedule.

II. REVERSE POSITIVE PAY SERVICES

This Part applies if Reverse Positive Pay Services (hereinafter the "Services") are requested by Customer in Schedule A.

1. **Paid Check Record. By 9:00am ET** on each Business Day (the "Paid Record Deadline"), Financial Institution will provide or otherwise make available to Customer, through the Financial Institution's Online Banking Services' website (under the Reverse Positive Pay tab), information regarding the presented checks paid against the account(s) designated by Customer for this Reverse Positive Pay Service (an "Authorized Account") the previous Business Day. Business Days are defined as Monday through Friday, excluding federal holidays (see Schedule C) and weekends. The Services will show each check paid, along with the serial number and the amount processed through the Federal Reserve. Customer can compare this information to the checks issued by Customer.

2. **Payment Instructions.** Customer must compare the information provided by Financial Institution with Customer's check or item issuance records. Customer shall notify Financial Institution **no later than 11:00am ET** on the same Business Day (the "Return Decision Deadline"), via the Business Online Banking Services' website, of Customer's decision on any reported presented checks that should be dishonored and returned (a "Return

Decision"). Financial Institution may rely on any instructions and Return Decisions received from Customer that are made in accordance with the requirements of the Services and the Business Online Banking Services' website. Financial Institution is authorized to finally pay any presented check listed in the Paid Check Record unless Customer instructs Financial Institution to return the check or item prior to the Return Decision Deadline.

3. **Payment and Dishonor of Presented Checks.** Financial Institution will pay or return presented checks in accordance with Customer's Return Decision or pay as default (see Schedule A).

   A. **Return Decision.** When Customer provides a Return Decision, Financial Institution shall return to the depositary Financial Institution any presented check drawn on an Authorized Account that Customer directs Financial Institution to return via a Return Decision. Financial Institution is not responsible for detecting any Customer error contained in any Return Decision sent by Customer to Financial Institution. Financial Institution reserves the right to require Customer to place a stop payment order on any check or item to be returned.

   B. **Pay Default.** If Customer fails to provide a Return Decision to Financial Institution in accordance with Schedule A, Financial Institution will finally pay and charge to the Authorized Account, to the extent there are sufficient Available Funds in the Authorized Account, any presented check drawn on that Authorized Account.

   4. **Checks Presented for Payment at Financial Institution Teller Stations and Items-Converted-to-ACH.** The Services are not designed to compare Customer's list of issued checks against checks that are (a) presented for payment over-the-counter at Financial Institution teller stations ("Teller Cashed Checks") or (b) converted to an electronic transaction (such as an accounts receivable entry or "ARC") that will be presented for payment through the Automated Clearing House network ("Items-Converted-to-ACH"). Teller Cashed Checks and Items-Converted to-ACH are not eligible for Return Decisions and will be processed and paid in accordance with Financial Institution's standard procedures as set forth in the Account Agreement or as otherwise provided by agreement of the parties or applicable ACH network rules. Teller Cashed Checks may be eligible for return in accordance with Financial Institution's standard procedures, which may require an affidavit. Checks converted to ACH may be eligible for return if they meet NACHA regulations.

5. **Remedies.**

   A. **U.C.C. Liability.** To the extent applicable, the liability provisions of U.C.C. Articles 3 and 4 shall govern the Services and this Part II, except as modified below. To the extent permitted by U.C.C. Articles 3 and 4, the liability of Financial Institution related to the Services described in this Part II shall in all cases be subject to the provisions of this Product Schedule, including, without limitation, any provisions thereof that exclude or limit warranties made by, damages payable to, or remedies available from Financial Institution.

   B. **Wrongful Honor.** It shall constitute wrongful honor by Financial Institution if Financial Institution pays a presented check for which Customer issued a Return Decision by the Return Decision Deadline set forth in this Part II. If there is wrongful honor, the following shall apply:

      1. Financial Institution shall be liable to Customer for the lesser of the amount of the wrongfully paid presented check or Customer's actual damages resulting from Financial Institution's payment of the presented check.
      2. Financial Institution expressly waives any right it may have to assert that Customer is liable for the amount of the wrongfully honored presented check on the grounds that the presented check was properly payable under U.C.C. Section 4-401.
      3. Financial Institution retains the right to assert Customer's failure to exercise reasonable care under U.C.C. Sections 3-406 and 4-406.
      4. Financial Institution retains the right to assert the defense that Customer has sustained no actual damages because Financial Institution's honor of the presented check discharged for value an indebtedness of Customer.

C. **Wrongful Dishonor.** Except as provided below, it shall constitute wrongful dishonor by Financial Institution if Financial Institution dishonors a presented check for which Customer has not issued a Return Decision by the Return Decision Deadline set forth in this Part II.

1. Financial Institution's liability for wrongful dishonor of a presented check shall be limited to the damages for wrongful dishonor recoverable under U.C.C. Articles 3 and 4.

2. Notwithstanding the above, Financial Institution shall have no liability to Customer for wrongful dishonor when Financial Institution, acting in good faith, returns a presented check:

(a) that it reasonably believed was not properly payable; or
(b) if there are insufficient Available Funds on deposit in the Authorized Account; or
(c) if required to do so by the service of legal process on Financial Institution or the instructions of regulatory or government authorities or courts.

D. **Rightful Payment and Dishonor.** The following shall apply:

1. If Financial Institution honors a presented check in accordance with the Pay Default described above, such honor shall be rightful, and Customer waives any right it may have to assert that the presented check was not properly payable under U.C.C. section 4-401.

2. If Financial Institution dishonors a presented check in accordance with a Return Decision issued by Customer, the dishonor shall be rightful, and Customer waives any right it may have to assert that the dishonor was wrongful under the U.C.C. section 4-402.

3. Customer agrees that Financial Institution exercises ordinary care whenever it rightfully pays or returns a presented check consistent with the provisions of this Product Schedule.

6. **Information Regarding Presented Checks.** Customer shall notify Financial Institution by the Paid File Deadline set forth in section 2 of this Part II if the information regarding presented checks is not available under the Reverse Positive Pay tab of the Online Banking website by the Paid Record Deadline. Financial Institution will make reasonable efforts to make the information about presented checks available to Customer and honor Customer's instructions. Financial Institution's failure to provide the information about presented checks will not discharge Customer's obligation regarding any check that was otherwise properly payable at the time of presentment.

7. **Assignment.** To the extent that Customer suffers a loss under this Part II, Financial Institution assigns to Customer any claim that Financial Institution would have against a depositary or collecting Financial Institution to recover the loss, including any claim of breach of warranty under U.C.C. Sections 4-207, 4-208, and 4-209.

STOP PAYMENT AND RETURN DECISIONS. The Service will not be used as a substitute for Financial Institution's stop payment service. Customer will follow Financial Institution's standard stop payment procedures if it desires to return a Matching Check or other check that was validly issued. Nothing in this Product Schedule will limit Customer's right to stop payment on any Matching Check or other check or Financial Institution's right to return any Matching Check or other check that Customer has authorized Financial Institution to pay in accordance with this Product Schedule if Financial Institution determines in its sole discretion that the check is not properly payable for any reason (without Financial Institution's agreeing to, or being required to, make such determination in any circumstance) or that there are insufficient collected and available funds in the Account to pay it.

COMMUNICATIONS INTERRUPTION/FAILURE. If a Presented Check is personally presented by an individual over the counter to Financial Institution during such time that Financial Institution is experiencing an interruption or failure of communications or data processing facilities or systems, emergency conditions, or any other difficulties beyond the control of Financial Institution, then, notwithstanding any other provision of this Product Schedule, Customer authorizes Financial Institution to pay the Presented Check, even if the Presented Check is an Exception Item (defined above). Additionally, Financial Institution shall have no obligation to notify Customer of any such Presented Check.

LIMITATION OF LIABILITY AND INDEMNIFICATION. Each Presented Check that Financial Institution pays in accordance with this Product Schedule will be deemed to be properly payable. Each Matching Check or other check Customer authorized Financial Institution to pay in accordance with this Service will be paid without Financial Institution performing its customary (or any other) check verification procedures, and Financial Institution will have no liability whatsoever for paying the check if its serial number or amount is altered, or if it is counterfeit, bears a forged or unauthorized signature, or was otherwise not validly issued. Each check which is not a Matching Check, and which Financial Institution returns pursuant to the terms of this Product Schedule, will be deemed not to be properly payable. Customer (i) agrees to indemnify and hold Financial Institution harmless from any losses or liabilities it may suffer or incur as a result of its payment of a Matching Check or other check at Customer's instruction, and (ii) releases and forever discharges Financial Institution, and its parent, subsidiaries, affiliates, successors, officers, directors, employees and agents, from any and all manner of action or actions, suits, claims, damages, judgments, levies, executions, expenses, costs, interest, attorneys' fees and legal expenses, whether known or unknown, liquidated or not liquidated, fixed, contingent, direct or indirect, which Customer has, or ever can, may or shall have or claim to have against Financial Institution regarding or relating to the return or payment of any check pursuant to provisions of this Product Schedule.

III. ACH POSITIVE PAY SERVICES

This part applies if the ACH Positive Pay Debits and/or ACH Positive Pay Credits (hereinafter the "Service") is requested by Customer in Schedule A.

1. **Definitions.**

   "**Authorized Account**" in this Part III means the Account(s) of Customer maintained at Financial Institution to which the Service rendered by Financial Institution will apply.

   "**Alert**" in this Part III means the notification(s) Customer receives related to the Service, which may be a default notification or based on the notification criteria Customer elects within the Business Online Banking Services' website (hereinafter the "Portal").

   "Business Day" is defined as Monday through Friday, excluding federal holidays (see Schedule C) and weekends.

   "**Exception Entry**" means an ACH Debit or Credit Entry that is filtered as elected by Customer through the Service.

   "**Pay Decision**" means the instructions of Customer to Financial Institution provided via the Portal requesting Financial Institution to pay/post an Exception Entry.

   "**Pay Default Disposition**" means a default disposition that Customer may elect whereby all Exception Entries that do not meet Customer's ACH filter instructions (as described in this Part III) are debited from, or credited to, Customer's Authorized Account if Customer does not override the default disposition via the Portal **no later than 11:00am ET**, as set forth in the Portal, on a Business Day.

   "**Return Decision**" means the instructions of Customer to Financial Institution via the Portal instructing Financial Institution to return an Exception Entry.

   "**Return Default Disposition**" means a default disposition that Customer may elect whereby all Exception Entries that do not meet Customer's ACH filter instructions (as described in this Part III) are automatically scheduled to be returned to the Originator of the ACH Debit or Credit Entry if Customer does not override the default disposition via the Portal **no later than 11:00am ET**, as set forth within the Portal, on a Business Day.

2. **Service.** The Service described in this Part allows Customer to elect how Financial Institution will handle ACH Debit Entries and/or ACH Credit Entries (as those terms are defined in the ACH Rules) presented to Customer's Authorized Account(s). Using the Service, Customer may "filter" all incoming ACH Debit and/or Credit Entries and provide instructions via the Portal instructing Financial Institution to authorize only those Entries that meet a set of pre-determined rules created by Customer within the Portal (the "Filter Rules"), each as further described below.

Customer acknowledges that the Service has been identified by Financial Institution as a service that can reduce the risk of fraudulent ACH Debit or Credit Entries being posted against Customer's Authorized Account(s) when such Service is adopted and properly utilized by Customer. By conforming to the terms and conditions of this Part III, Customer acknowledges and agrees that it may significantly reduce the chance that fraudulent ACH Debit and/or Credit Entries will be debited from, or credited to, Customer's Authorized Account(s) by electronically matching incoming ACH Debit and/or Credit Entries to Customer's filter instructions.

By utilizing the ACH filter feature, Customer instructs Financial Institution to filter all incoming ACH Debit and/or Credit Entries presented to Customer's Authorized Account(s) to Customer, in accordance with the Filter Rules. Such ACH Debit or Credit Entries will be presented to Customer for review as Exception Entries. Customer will be notified via Alert of Exception Entries that are otherwise scheduled for either the Pay Default Disposition or Return Default Disposition, as elected by Customer on Schedule A (also referred to collectively as Customer's "Default Option"). Customer's Default Option will apply to an ACH Debit or Credit Entry unless Customer overrides the Default Option **no later than 11:00am ET** set forth in the Portal.

As part of the "Filter Election" described above, upon review of any Exception Entry, Customer may utilize the approved list" feature available via the Portal to change its existing filter election to expressly permit any future incoming ACH Debit and/or Credit Entries based on a company identification. Once on the "approved list," all subsequent incoming ACH Debit and/or Credit Entries from that company identification will be automatically paid/posted as presented to Financial Institution if they are within any restrictions placed on the "approved list" by Customer.

3. **Payment and Dishonor of Exception Entries.**

   A. **Return Default Option.** Customer may choose to *override* the Return Default Option of individual Exception Entries presented via the Services by providing a Pay Decision to Financial Institution **no later than 11:00am ET** as set forth within the Portal, in which case such Exception Entries will be debited from, or credited to, Customer's Authorized Account(s) on the Settlement Date. If Customer does not override the Return Default Decision before the pre-established deadline set forth in the Portal, the ACH Debit or Credit Entry will be automatically returned.

   B. **Pay Default Option.** While Financial Institution strongly recommends that Customer elect and utilize the Return Default Option, Customer may elect and utilize the Pay Default Option by indicating the same on Schedule A. Customer agrees that its election to utilize the Pay Default Option is at its sole risk and Customer shall be responsible for any loss resulting in whole or in part from such election.

   Customer may choose to *override* the Pay Default Option of individual Exception Entries presented via the Portal by providing a Return Decision to Financial Institution **no later than 11:00am ET** as set forth within the Portal, in which case such Exception Entries will be automatically returned to the Originator. If Customer does not override the Pay Default Option before the pre-established deadline set forth in the Portal, the ACH Debit or Credit Entry will be debited from, or credited to, Customer's Authorized Account.

4. **Customer and Financial Institution Communications.** This Part III and any instructions submitted by Customer via the Portal and in compliance with the requirements of the Business Online Banking Service are Financial Institution's record of Customer's ACH filter request and represent Financial Institution's understanding of Customer's request. If the information that Customer has provided via the Portal is incorrect in any category, Customer must correct the information via the Portal immediately, as Financial Institution is NOT responsible for filtering ACH Debit and/or Credit Entries unless they are accurately described as set forth in this Part III or via the Portal.

   Financial Institution is not responsible for detecting any Customer error contained in any ACH Debit and/or Credit Entries presented, decisioned, returned or processed, or in any Pay Decision or Return Decision by Customer.

If Financial Institution or its service provider is unable to notify Customer of Exception Entries via an Alert, the Default Option elected by Customer shall apply.

Customer's ACH filter instruction(s) will be accepted subject to the condition that ACH Debit and/or Credit Entries have not already been posted or are not otherwise in the process of posting, and that Financial Institution will have a reasonable opportunity to act on Customer's request before any such processing.

Financial Institution shall have a reasonable time after receipt of Customer's request to implement the Service and shall not assume responsibility for stopping ACH Debit or Credit Entries that have already been posted to Customer's Account(s).

5. Remedies.

A. **Financial Institution Liability.** To the extent permitted by applicable law, the liability of Financial Institution under this Part III shall in all cases be subject to the provisions of the Product Schedule, including, without limitation, any provisions thereof that exclude or limit warranties made by, damages payable by, or remedies available from Financial Institution.

B. **Wrongful Payment/Posting.** It shall constitute wrongful payment/posting by Financial Institution if Financial Institution pays/posts an Exception Entry that is subject to filter instruction and for which Customer has provided a Return Decision **no later than 11:00am ET** as set forth within the Portal. If there is wrongful payment/posting, Financial Institution shall be liable to Customer for the lesser of the amount of the wrongfully paid/posted Exception Entry or Customer's actual damages resulting from Financial Institution's posting of the Exception Entry, subject to the terms of the Product Schedule.

C. **Rightful Payment and Return.** If Financial Institution honors an Exception Entry in accordance with a Pay Decision by Customer as described above, such payment/posting shall be rightful, and Customer waives any right it may have to assert otherwise.

If Financial Institution returns an Exception Entry in accordance with a Return Decision by Customer as described above, or otherwise pursuant to a Return Default Disposition as described in this Part III, the return shall be rightful, and Customer waives any right it may have to assert otherwise.

Customer agrees that Financial Institution exercises ordinary care whenever it rightfully pays/posts or returns an Exception Entry consistent with the provisions of this Part III.

6. **Other Terms of the Services.** Customer acknowledges that the Service does not preclude Financial Institution's standard ACH processing procedures, which may cause an ACH Debit or Credit Entry to be dishonored even if Customer's instructions do not otherwise require Financial Institution to return such ACH Debit or Credit Entry.

Customer acknowledges that the Service does not apply to transactions between Customer and Financial Institution, including any Financial Institution affiliates and subsidiaries, such as loan or credit card payments ("Financial Institution-Related Entries"). Financial Institution is permitted to pay Financial Institution-Related Entries regardless of whether Customer has included these in Customer's ACH filter elections as reflected in this Part III and until such time as Customer's election with respect to the underlying Financial Institution-Related Entries is revoked or otherwise terminated.

Customer acknowledges that the Service is intended to be used to identify and return ACH Debit and/or Credit Entries which Customer suspects in good faith are fraudulent or otherwise unwarranted. The Service is NOT intended to be a substitute for authorization instructions or to delay Customer's decision on ACH Debit Entries, including but not limited to stop payment orders on ACH Debit Entries which are not suspected in good faith to be unauthorized. If Financial Institution suspects or deems, in Financial Institution's sole discretion, that Customer is using the Service contrary to those intentions, Financial Institution may require Customer to provide evidence that ACH Debit Entries that Financial Institution returns pursuant to Customer's instructions

were in fact unauthorized. In addition, Financial Institution may hold Customer liable for losses that Financial Institution sustains on ACH Debit Entries which Financial Institution is requested to return under the Service and which Customer does not reasonably establish as unauthorized ACH Debit Entries, including as under the ACH Rules.

FEES AND CHARGES. Customer agrees to pay Financial Institution the fees as provided in the Fee Schedule in Schedule "B" attached hereto and incorporated herein by reference **("Schedule of Fees")**. Customer acknowledges that Financial Institution may amend or change the Schedule of Fees from time to time.

Survival. Section titled "LIMITATION OF LIABILITY AND INDEMNIFICATION" of this Product Schedule will survive termination of the Service.

Termination. This Product Schedule may be terminated by Financial Institution or Customer upon thirty (30) days' written notice. The Service will automatically terminate if the Account is closed for any reason. Termination of the Service will not terminate Customer's or Financial Institution's rights or obligations under this Product Schedule with respect to events or actions that occurred before termination.

NON-ASSIGNMENT. The Customer may not assign this Agreement or any of the rights or duties hereunder to any person without the Financial Institution's prior written consent.

WAIVER. The Financial Institution may waive enforcement of any provision of this Agreement. Any such waiver shall not affect the Financial Institution's rights with respect to any other transaction or modify the terms of this Agreement.

BINDING AGREEMENT; BENEFIT. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective legal representatives, successors, and assigns. This Agreement is not for the benefit of any other person, and no other person shall have any right against the Financial Institution or the Customer hereunder.

HEADINGS. Headings are used for reference purposes only and shall not be deemed part of this Agreement.

SEVERABILITY. If any provision of this Agreement shall be determined to be invalid, illegal, or unenforceable to any extent, the remainder of this Agreement shall not be impaired or otherwise affected and shall continue to be valid and enforceable to the fullest extent permitted by law.

GOVERNING LAW. This Agreement shall be construed in accordance with and governed by the laws of the State of Georgia without reference to its conflict of law's provisions, and applicable federal law.

This Product Schedule must be signed on behalf of Customer by an Authorized Customer Representative.

IN WITNESS WHEREOF, the parties hereto have executed this Product Schedule through their duly authorized officers on the dates indicated below.

REMOTE DEPOSIT CAPTURE PRODUCT SCHEDULE

Rev 02-2024

By signing this Remote Deposit Product Schedule ("Product Schedule") City of Fernandina Beach FL ("Customer") hereby requests First Port City Bank ("Financial Institution") to provide the Service described in this Product Schedule. Customer agrees that this Product Schedule sets forth the terms and conditions pursuant to which Financial Institution will provide to Customer the Service outlined herein and is entered into as a Product Schedule under the Business Online Banking and Master Cash Management Agreement ("Master Agreement"). Financial Institution and Customer agree that by executing this Product Schedule, Customer acknowledges receipt of and agrees to the terms of the Master Agreement. Terms not otherwise defined in this Product Schedule shall have the meaning ascribed to those terms in the Master Agreement. In the event of inconsistency between a provision of this Product Schedule, the Uniform Commercial Code (the "UCC"), the Master Agreement, and/or the Depository Agreement, the provisions of this Product Schedule shall prevail.

Therefore, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Financial Institution and Customer, intending to be legally bound, do hereby agree as follows:

Terms and Conditions

1. General Description of Remote Deposit Service. Subject to the terms, provisions and conditions of this Product Schedule, Financial Institution shall provide the Remote Deposit Service to Customer, which allows Customer to make deposits to Customer's deposit accounts listed in **Schedule A** attached hereto and made a part hereof (each such deposit account an "**Account**" and, collectively, the "**Accounts**") from Customer's office by scanning checks on a desktop scanner and delivering the images and information required hereby to Financial Institution or Financial Institution's designated processor (a "**Processor**"). The terms Financial Institution and Processor may be used interchangeably when used in relation to any services performed by a Processor on behalf of Financial Institution including, but not limited to, the receipt and processing of images and check data and any notices related thereto. The scanner must capture an image of the front and back of each Check (as herein defined) to be deposited (each an "**Image**" and, if more than one, "**Images**") in accordance with the Procedures (as herein defined), must read and capture the magnetic ink character recognition ("**MICR**") line on each check and must read and capture all such other data and information as is required by this Product Schedule. After capture of the Images, the MICR line on each check and all other required data and information from each check, Customer will transmit one or more files containing the Images, the MICR line from each check and all other required data and information from or pertaining to all checks and other required information (each such file a "**File**" and, if more than one, "**Files**") to Financial Institution or Processor via the Internet. Subject to compliance with the terms, provisions and conditions of, and as provided in, this Product Schedule, Financial Institution will provisionally credit the Account or Accounts designated by Customer for the amount of the deposit(s) to which the File(s) pertains on the day of receipt of the File(s) and enter the images of the checks into the collection process, in accordance with the provisions of Financial Institution's then current deposit account agreement and disclosure pertaining to the Account(s) into which the deposit is to be made (the "**Deposit Agreement**") and this Product Schedule. Customer acknowledges and agrees that Financial Institution may discontinue, and/or change the terms of the Remote Deposit Service or any related content, features, products or services associated therewith, at any time without notice or liability to Customer or any third party. Customer hereby agrees that Financial Institution shall be the exclusive provider of the Remote Deposit Service provided in accordance with this Remote Deposit Service Schedule and that Customer will not use the same or similar services of any other party.

2. Hardware and Software. Customer understands it must, and hereby agrees to, at its sole cost and expense, use computer hardware and software that meets all technical requirements for the proper delivery of the Remote Deposit Service and that fulfills Customer's obligation to obtain and maintain secure access to the Internet. Customer understands and agrees it may also incur, and shall pay, any and all expenses related to the use of the Remote Deposit Service, including, but not limited to, telephone service or Internet service charges. Customer is solely responsible for the payment of any and all costs and expenses associated with meeting and maintaining all technical requirements and additional items necessary for the proper use of the Remote Deposit Service. Customer understands and agrees that it is solely responsible for the operation, maintenance and updating of all equipment, software and services used in connection with the Remote Deposit

Service and the cost thereof, and Customer hereby agrees that it will perform, or cause to be performed, all vendor recommended maintenance, repairs, upgrades and replacements, and such performance shall be rendered by properly trained personnel, whether they are employees of Customer or third-party employees. Financial Institution is not responsible for, and Customer hereby releases Financial Institution from any and all claims or damages resulting from, or related to, any computer virus or related problems that may be associated with using electronic mail or the Internet. Financial Institution hereby advises Customer, and Customer hereby agrees, to scan its computer hardware and software on a regular basis using a reliable computer virus detection product in order to detect and remove computer viruses. In connection with its use of the Remote Deposit Service, Customer shall only use the hardware described in **Schedule B** attached hereto and made a part hereof (as the same may be amended or supplement, the "**Hardware List**") or such other hardware as is approved in advance by Financial Institution and shall only use such software as is approved in advance by Financial Institution.

All right, title and interest in and to (a) any and all computer programs, including, but not limited to, the object and source codes therefore, and any and all updates, upgrades, fixes and enhancements thereto and any and all documentation, user guides and instructions pertaining thereto (everything in this clause (a), collectively, "**Software**"), (b) the Remote Deposit Procedure Manual (defined herein below) and (c) any and all users guides, instructions and other documentation provided to, or used by, Customer in connection with the Remote Deposit Service (everything in this clause (c) together with the Remote Deposit Procedure Manual, collectively, the "**Documentation**") shall be, and remain, the property of Financial Institution or any third party Software provider, as applicable. Unless otherwise expressly authorized, Customer may not (a) copy, reproduce, transmit, retransmit, disseminate, display, publish, sell, broadcast, circulate, distribute, transfer, assign, commercially exploit, reverse engineer, reverse compile or create derivative works of, the Software in any form or (b) copy, reproduce, transmit, retransmit, disseminate, display, publish, sell, broadcast, circulate, distribute, transfer, assign, commercially exploit the Documentation.

3. Checks Deposited and Security Interest. Customer hereby agrees that it will only scan and deposit a check(s) as that term is defined in Federal Reserve Board Regulation CC ("**Reg CC**"). Customer agrees that the image of the check that is transmitted to Financial Institution (each such check and other item a "**Check**" and, if more than one, "**Checks**") shall be deemed an "item" within the meaning of Article 4 of the Uniform Commercial Code (1990 Official Text). Customer further agrees that it will not remotely deposit any check or other item that: (a) are payable to any person or entity other than Customer, except for affiliate businesses and/or pseudonyms as documented in **Schedule E**, (b) are drawn, or otherwise issued, by Customer or any affiliate of Customer on any account of Customer or of such affiliate, (c) are prohibited by Financial Institution's then current procedures pertaining to the Remote Deposit Service (the "**Procedures**") or are in violation of any law, rule or regulation, (d) Customer knows or suspects, or should know or suspect, is fraudulent or otherwise not authorized by the owner of the account on which the Check is drawn, (e) have been previously endorsed by a financial institution and are either "substitute checks" (as defined in Reg CC or other applicable federal law or regulation) or "image replacement documents" that purport to be substitute checks, without Financial Institution's prior written consent, (f) are drawn on financial institutions that are located outside of the United States or Territories of the United States, (g) is a Remotely Created Check, or (h) which are not acceptable to Financial Institution for deposit into a deposit account as provided in the Deposit Agreement, which is incorporated herein by reference and made a part hereof (Checks described in clauses (a) through (h) each a "**Prohibited Check**" and, collectively, "**Prohibited Checks**").

Customer grants Financial Institution a security interest in all Accounts or other deposits (whether general or special) of Customer's at the Financial Institution, and in all funds in such Accounts or other deposits, to secure Customer's obligations to Financial Institution under this Product Schedule. This security interest will survive termination of this Product Schedule.

4. Scanning of Checks and Transmission of Files. Customer shall properly install and use all software and hardware required by this Product Schedule or otherwise required for, or related to, the use of the Remote Deposit Service. Customer shall (a) scan the front and back of each Check to be deposited and thereby capture the image of the front and back of each Check and capture the MICR encoding on, and any other required data from, each Check and (b) transmit the File containing the images of, the MICR line from and all other required data and information from or pertaining to, such Checks and other

information to Financial Institution or its Processor in accordance with the Procedures, a copy of which Procedures have either heretofore been, or are herewith, provided to Customer by Financial Institution, and Customer acknowledges receipt thereof. Financial Institution reserves the right to amend the Procedures, with or without prior notice to Customer. Financial Institution may also provide Customer with, or require Customer to establish, a User ID, a personal identification number ("**PIN**") and/or passwords and other procedures (collectively, "**Security Procedures**") to access the Remote Deposit Service. The specific Security Procedures will be described in the Procedures. Customer agrees to, at all times, (a) comply with the Procedures, (b) safeguard the confidentiality and security of the Procedures, Security Procedures and all other proprietary property or information Financial Institution provides to Customer in connection with the Remote Deposit Service and (c) notify Financial Institution immediately if Customer has any reason to believe the security or confidentiality required by this provision has been or may be breached. Customer acknowledges, understands and agrees the Security Procedures are not designed for the detection of errors. Financial Institution is not, and will not be, obligated to detect errors by Customer or others, even if Financial Institution takes certain actions from time to time to do so.

Customer is solely responsible for providing for and maintaining the physical, electronic, procedural, administrative, and technical security of data and systems in your possession or under your control. Financial Institution is not responsible for any computer viruses (including, without limitation, programs commonly referred to as "malware," "keystroke loggers," and/or "spyware"), problems or malfunctions resulting from any computer viruses, or any related problems that may be associated with the use of an online system. Any material downloaded or otherwise obtained is obtained at Customer's own discretion and risk, and Financial Institution is not responsible for any damage to Customer's computer or operating systems or for loss of data that results from the download of any such material, whether due to any computer virus or otherwise. Customer is solely responsible for maintaining and applying anti-virus software, security patches, firewalls, and other security measures with respect to its operating systems, and for protecting, securing, and backing up any data and information stored in or on your operating systems. Financial Institution is not responsible for any errors or failures resulting from defects in or malfunctions of any software installed on Customer's operating systems.

Customer acknowledges and agrees that Customer will protect itself and be vigilant against e-mail fraud and other internet frauds and schemes (including, without limitation, fraud commonly referred to as "phishing" or "pharming"). Customer agrees to educate its representative(s), agents, and employees as to the risks of such fraud and to train such persons to avoid such risks. Customer acknowledges that Financial Institution will never contact Customer by e-mail in order to ask for or to verify Account numbers, Security Devices, or any sensitive or confidential information, and will never provide links to websites in e-mails that Financial Institution transmits to Customer. In the event Customer receives an e-mail or other electronic communication that Customer believes, or has reason to believe, is fraudulent, Customer agrees that Customer shall not respond to the e-mail, provide any information to the e-mail sender, click on any links in the e-mail, or otherwise comply with any instructions in the e-mail. To the extent allowed by law, Customer agrees that Financial Institution is not responsible for any losses, injuries, or harm incurred by Customer as a result of any electronic, e-mail, or internet fraud.

In the event of a breach of the Security Procedure, Customer agrees to assist Financial Institution in determining the manner and source of the breach. Such assistance shall include, but shall not be limited to, providing Financial Institution or Financial Institution's agent access to its hard drive, storage media and devices, systems and any other equipment or device that was used in breach of the Security Procedure. Customer further agrees to provide to Financial Institution any analysis of such equipment, device, or software or any report of such analysis performed by Customer, its agents, law enforcement agencies, or any other third party. Customer's failure to assist Financial Institution shall be an admission by Customer that the breach of the Security Procedure was caused by a person who obtained access to its transmitting facilities or who obtained information facilitating the breach of the Security Procedure from Customer and not from a source controlled by Financial Institution.

To ensure accuracy, Customer shall balance the dollar amount of each deposit to the sum of the Checks prior to transmitting the File in accordance with the Procedures. Customer may send multiple Files to Financial Institution or Processor throughout the day. The total dollar value of the Files sent by Customer to Financial Institution on any day shall not exceed

the dollar amount specified in **Schedule A** (the "**Deposit Limit**"). If the total dollar value of the Files sent by Customer to Financial Institution on any day exceeds the Deposit Limit, Financial Institution may, at its option, refuse to accept the File that exceeds the Deposit Limit, or Financial Institution may accept and process the File. Customer agrees not to exceed the Deposit Limit. To be eligible for processing on the day transmitted, Files must be received by Financial Institution no later than the cut-off time specified in **Schedule A** (the "**Cut-Off Time**"). A File is considered received by Financial Institution when a complete copy of such File has been written on a Financial Institution electronic storage device in conformity with Financial Institution's technical and operational requirements. To meet the Cut-Off Time, the entire File must be received by Financial Institution prior to the Cut-Off Time, and the File must successfully pass the edits for conformity with the technical requirements. For purposes of determining when a File has been delivered and received, Financial Institution's records shall be determinative. A File which is not balanced in accordance with the Procedures, or which is received after the Cut-Off Time shall be deemed to have been received on the business day following the business day on which the File is actually received by Financial Institution. Financial Institution reserves the right to change the number of Files that may be transmitted in a day, the Deposit Limit and the Cut-Off Time. All such changes shall be effective immediately and may be implemented prior to Customer's receipt of notice thereof. Customer may contact Financial Institution at any time to verify the current number of Files that may be transmitted in a day, the Deposit Limit and the Cut-Off Time.

Maintenance and Destruction of Original Check. Customer shall securely store all original Checks for a period of thirty (30) days after Customer has received notice from Financial Institution that the File containing the images of such Checks has been accepted (such period the "**Retention Period**"). During the Retention Period, Customer shall take appropriate security measures to ensure that: (a) only authorized personnel shall have access to original Checks, (b) the information contained on such Checks shall not be disclosed, (c) such Checks will not be duplicated or scanned more than one time and (d) such Checks will not be deposited or negotiated in any form. Customer shall also implement proper security procedures and internal controls to ensure the confidentiality of any information that is considered to be confidential personal information that is retained by Customer. Customer shall destroy original Checks upon the expiration of the Retention Period applicable to such Checks. Customer will use commercially reasonable methods of destruction approved by Financial Institution to destroy original Checks after expiration of the Retention Period. Customer will promptly (but in all events within 5 business days) provide any retained Check (or, if the Check is no longer in existence, a sufficient copy of the front and back of the Check) to Financial Institution as requested to aid in the clearing and collection process or to resolve claims by third parties with respect to any Check.

5. Image and MICR Quality. Each File transmitted by Customer to Financial Institution shall contain Images of the front and the back of the Checks scanned and remotely deposited by Customer. Each Image of each Check shall be of such quality that the following information can clearly be read and understood by sight review of such Image:

(a) the amount of the Check;
(b) the payee of the Check;
(c) the signature of the drawer of the Check;
(d) the date of the Check;
(e) the Check number;
(f) the information identifying the drawer and the paying financial institution that is preprinted on the Check, including the MICR line; and
(g) all other information placed on the Check prior to the time an image of the Check is captured, such as any required identification written on the front of the Check and any indorsements applied to the back of the Check.

Each Image shall also meet all standards for image quality established by the American National Standards Institute ("**ANSI**"), the Board of Governors of the Federal Reserve or any other regulatory agency, clearing house or association.

Customer shall also capture and transmit to Financial Institution the full-field MICR encoding on each Check. In accordance with the Procedures, Customer shall ensure that the following information is captured from the MICR line of each Check:

(a) the American Bankers Association routing transit number ("**RTN**");
(b) the number of the account on which the Check is drawn;
(c) when encoded, the amount of the Check; and
(d) when encoded, the serial number and the process control field of the Check.

6. Receipt of File. Customer agrees that Customer shall be solely liable for, and Financial Institution shall not have any liability whatsoever to Customer for, any File or the Images or other information contained therein that are not received by Financial Institution or for any File or the Images or other information contained therein that are intercepted or altered by an unauthorized third party. Customer agrees that Financial Institution has no obligation to accept a File and, therefore, may reject any File or the Images or other information contained therein submitted by Customer. Financial Institution has no obligation to notify Customer of the rejection of a File or the Images or other information contained therein. Financial Institution shall have no liability to Customer for the rejection of a File or the Images or other information contained therein or for the failure to notify Customer of such rejection. Upon receipt of a File submitted by Customer, Financial Institution may examine such File and the Images and other information contained therein to ensure that Customer has complied with this Product Schedule and followed the Procedures. If Financial Institution determines that Customer has not complied with this Product Schedule or followed the Procedures or if errors exist in the Images or other information contained in the File, Financial Institution, in its sole discretion, may either reject the File or elect to correct the error and accept and process the corrected File (a "**Corrected File**"). As a form of correction, Financial Institution may credit Customer's Account for the full amount of the deposit and make any necessary adjustments to the Account to correct the error. Financial Institution may, at its option, also perform a risk management analysis of one or more Files submitted by Customer to detect potentially fraudulent Checks, and, in its sole discretion, Financial Institution may reject any such File or the Images or other information contained therein. If after examination of a File and the Images and other information contained therein, Financial Institution determines that Customer has complied with this Product Schedule and processed and transmitted the File in accordance herewith and with the Procedures, the File is balanced and the Images meet the requirements of Section 5 of this Product Schedule, then Financial Institution shall accept the File (an "**Accepted File**") for deposit to Customer's Account. Upon acceptance of the File, Financial Institution shall electronically notify Customer of receipt and acceptance of the Accepted File for deposit. Notwithstanding the fact that Financial Institution has accepted a File for deposit, any credit made to Customer's Account shall be provisional, and Customer shall remain liable to Financial Institution for any errors, inaccuracies, breach of warranties and any other loss sustained by, or claim made against, Financial Institution.

7. Provisional Credit and Availability of Funds. Upon acceptance of the File, Financial Institution shall grant Customer's Account Provisional Credit (as herein defined) for the total amount of the Corrected File or the Accepted File, as applicable. As used herein, "Provisional Credit" means that the credit is made to Customer's Account subject to final payment of the Checks and subject to the terms of the Deposit Agreement. For the purpose of determining availability of funds, Financial Institution may hold funds for the period of time permitted by Financial Institution's availability disclosure.

8. Laws, Rules and Regulations. Customer agrees to comply with all existing and future operating procedures used by Financial Institution for processing of transactions. Customer further agrees to comply with, and be bound by, all applicable state or federal laws, rules, regulations, orders, guidelines, operating circulars and pronouncements, affecting checks and drafts, including, but not limited to, all rules and procedural guidelines established by the Federal Trade Commission ("**FTC**"), the Board of Governors of the Federal Reserve and any other clearinghouse or other organization in which Financial Institution is a member or to which rules Financial Institution has agreed to be bound. The Rules are incorporated herein by reference. These procedures, rules, and regulations (collectively the "Rules") and laws are incorporated herein by reference. In the event of conflict between the terms of this Product Schedule and the Rules, the Rules will control.

9. Collection of Checks. Financial Institution, in its sole discretion, shall determine the manner in which Images shall be presented for payment to the drawee financial institution. Financial Institution, in its sole discretion, shall select the clearing agents used to collect and present the Images, and Financial Institution's selection of the clearing agents shall be considered to have been designated by Customer. Financial Institution shall not be liable for the negligence of any clearing agent. Collection of Checks is also subject to the Rules and the terms of the Deposit Agreement.

10. Contingency Plan. Customer agrees that, in the event Customer is not able to capture, balance, process, produce or transmit a File to Financial Institution, or otherwise comply with the terms hereof or of the Procedures, for any reason, including, but not limited to, communications, equipment or software outages, interruptions or failures, Customer will transport the originals of all Checks to the closest office of Financial Institution and deposit original Checks with Financial Institution until such time that the outage, interruption or failure is identified and resolved. Customer hereby acknowledges and agrees that Financial Institution shall not be liable to Customer for any loss or damage of any nature sustained by Customer as the result of the inability of Customer to use the Remote Deposit Service. The deposit of original Checks at an office of Financial Institution shall be governed by the terms and conditions of the Deposit Agreement and not by the terms of this Product Schedule. Notwithstanding the foregoing, and to the extent applicable, Section 11 of this Product Schedule dealing with warranties shall apply to the deposit of original Checks.

11. Warranties. Customer represents, warrants and covenants the following to Financial Institution:

(a) Checks Deposited. Customer shall only deposit Checks that are authorized by this Product Schedule, the Procedures and the Deposit Agreement;

(b) Image Quality. Each Image transmitted by Customer to Financial Institution contains an accurate representation of the front and the back of each Check and complies with the requirements of this Product Schedule;

(c) Accuracy of Information. All data and other information submitted by Customer to Financial Institution, including but not limited to data contained in the MICR line of each Check, is complete and accurate and complies with the requirements of this Product Schedule;

(d) Business Purpose Only. Customer is not a consumer, and the Remote Deposit Service shall be used for business purposes only;

(e) No Duplicates. Customer will not: (i) create duplicate Images of the Checks, (ii) transmit a duplicate Image or File to Financial Institution, or (iii) deposit or otherwise negotiate the original of any Check of which an Image was created. Customer further warrants that no subsequent transferee, including but not limited to Financial Institution, a collecting or returning financial institution, drawer, drawee, payee or endorser, will be asked to pay the original Item from which the Image(s) was created or a duplication (whether paper or electronic) of the Item(s);

(f) No Loss. No Subsequent transferees of the Item(s), including but not limited to Financial Institution, a collecting or returning financial institution, drawer, drawee, payee or endorser, shall sustain a loss as the result of the fact that the Image was presented for payment or returned instead of the original Check;

(g) Information. All information provided by Customer to Financial Institution is true, complete and accurate and properly reflects the business, financial condition and principal partners, owners or officers, of Customer. Customer is not engaged in, or affiliated with, any businesses, products or methods of selling other than those disclosed by Customer to Financial Institution;

(h) Authority and Legality. (i) Customer is authorized to enter into, and perform its obligations under, this Product Schedule; (ii) the person signing this Product Schedule on behalf of Customer is duly authorized to execute this Product Schedule; (iii) this Product Schedule is valid and enforceable against Customer in

accordance with its terms; and (iv) the entry into, and performance of, this Product Schedule by Customer will not violate any law, or conflict with any other agreement, to which Customer is subject;

(i) No Litigation. There is no action, suit or proceeding pending or, to Customer's knowledge, threatened which, if decided adversely, would impair Customer's ability to carry on its business substantially as now conducted or which would adversely affect Customer's financial condition or operations.

(j) Transactions. All Checks and business transactions of Customer are, and will be, bona fide and all signatures on Checks are authentic and authorized;

(k) Rule Compliance. Customer conducts its business and submits Checks and Files in compliance with this Product Schedule, the Procedures, applicable law and the Rules;

(l) Computer Virus. No Files or Checks contain any computer viruses or other harmful, intrusive or invasive codes.

12. Returned Checks.

(a) Chargeback of Returned Checks. If Images of Checks deposited by Customer are dishonored or otherwise returned unpaid by the drawee financial institution, or are returned by a clearing agent for any reason, including, but not limited, to issues relating to the quality of the Image, Customer understands and agrees that, since Customer either maintains the original Check or has destroyed the original Check in accordance with Section 0 of this Product Schedule, the original Check will not be returned, and Financial Institution may charge back an Image of the Check to Customer's Account. Customer understands and agrees that the Image may be in the form of an electronic or paper reproduction of the original Check or a substitute check. Unless otherwise instructed by Financial Institution, Customer agrees not to deposit the original Check if an Image or other debit as previously described is charged back to Customer.

(b) Special Instructions. Customer may request that Financial Institution re-present returned Images of Checks to the drawee or process returned Images of Checks according to instructions provided by Customer to Financial Institution (the "**Special Instructions**"). These Special Instructions may be given to Financial Institution in a separate document in conjunction with or subsequent to the execution of this Product Schedule. Financial Institution shall not be bound by such Special Instructions until such time as Financial Institution has agreed in writing to accept the Special Instructions. Notwithstanding the fact that Financial Institution has agreed to accept the Special Instructions, Financial Institution may, in its sole discretion, disregard the Special Instructions and charge the returned Check back to Customer Account to which the Checks were deposited. In the event that Customer has requested that returned Images of Checks be re-presented, in no event will Financial Institution re-present an Image of a Check in excess of the limit established or permitted for the number of times that a Check may be re-presented. Customer may change or amend the Special Instructions by providing Financial Institution a written request to change or amend the Special Instructions. Changes or amendments to the Special Instructions shall not become effective until acknowledged and accepted in writing by Financial Institution. Customer hereby agrees to pay Financial Institution the fees for processing returned Checks and Special Instructions contained in Financial Institution's then current schedule of fees for such services.

13. Fees and Charges. So long as this Product Schedule remains in effect, Customer agrees to pay to Financial Institution the normal deposit account service charges established from time to time by Financial Institution and, in addition thereto, the fees and charges set forth in the Fee Schedule attached to this Product Schedule as **Schedule C** or provided from time to time hereafter to Customer, and all such other fees and charges as may be agreed upon from time to time by Customer and Financial Institution.

REMOTE DEPOSIT CAPTURE PRODUCT SCHEDULE

Rev 02-2024

Customer authorizes Financial Institution to deduct any charges for the Remote Deposit Service from any Account, even if such deduction causes an overdraft in the Account. Should Customer fail or refuse to pay any charges under this Product Schedule, Customer agrees to pay all collection costs (including reasonable attorney's fees) which may be incurred by Financial Institution. Financial Institution shall have the right to increase or decrease charges imposed for the Remote Deposit Service and will notify Customer of the changes, to the extent required by law. Customer's use of the Remote Deposit Service after changes have been made shall constitute Customer's agreement to the same.

In addition to the Remote Deposit Service fees, Customer agrees to pay all taxes, tariffs and assessments levied or imposed by any government agency in connection with the Remote Deposit Service, this Product Schedule, and/or the software or equipment made available to Customer (excluding any income tax payable by Financial Institution). Customer is also responsible for the costs of any communication lines and any data processing charges payable to third parties.

14. Amendments. Except as provided in Section 13, the Financial Institution may amend this Product Schedule from time to time upon written notice to the Customer. If performance of services under this Product Schedule would result in a violation of any present or future statute, regulation, or governmental policy to which the Financial Institution is subject, then this Product Schedule shall be amended to the extent necessary to comply with such statute, regulation, or policy. Alternatively, the Financial Institution may terminate this Product Schedule if it deems such action necessary or appropriate under the circumstances. The Financial Institution shall have no liability to the Customer because of any such violation, amendment, or termination. Any practices or course of dealings between the Financial Institution and the Customer, or any procedures or operational alterations used by them, shall not constitute a modification of this Product Schedule or the Rules, nor shall they be construed as an amendment to this Product Schedule or the Rules.

15. Notices, Instructions, Etc.

(a) Except as stated herein, the Financial Institution shall not be required to act upon any notice or instruction received from the Customer or any other person, or to provide any notice or advice to the Customer or any other person with respect to any matter.

(b) The Financial Institution shall be entitled to rely on any written notice or other written communication believed by it in good faith to be genuine and to have been signed by an authorized representative of Customer, and any such communication shall be deemed to have been signed by such person. Such notice shall be effective on the second Business Day following the day received by the Financial Institution.

(c) Except as stated herein, any written notice or other written communication required or permitted to be given under this Product Schedule shall be delivered or sent by US mail, if to Customer, at the address of Customer on the books of Financial Institution and if to Financial Institution, at the following address:

First Port City Bank
Attn: Deposit Operations
400 W Shotwell Street
Bainbridge, GA 39819

unless another address is substituted by notice delivered or sent as provided hereon. Except as otherwise stated herein, any such notice shall be deemed given when received.

16. Data Media and Records. All magnetic tapes, security procedures and related records used by the Financial Institution for transactions contemplated by this Product Schedule shall be and remain the Financial Institution's property. The Financial Institution may, at its sole discretion, make available such information upon the Customer's request. Any expenses incurred by the Financial Institution in making such information available to the Customer shall be paid by the Customer.

17. Cooperation in Loss Recovery Efforts. In the event of any damages for which Financial Institution or Customer may be liable to each other or to a third party pursuant to the services provided under this Product Schedule, Financial Institution and Customer will undertake reasonable efforts to cooperate with each other, as permitted by applicable law, in performing loss recovery efforts and in connection with any actions that the relevant party may be obligated to defend or elects to pursue against a third party.

18. Confirmation: Account Reconciliation. Financial Institution will provide notice of receipt of deposits to Customer's Account on the periodic statement for such Account. Customer is responsible for detecting and reporting to Financial Institution any discrepancy between Customer's records and the records Financial Institution provides to Customer. If Customer does not detect and notify Financial Institution of such a discrepancy within 30 days of Customer's receipt of any terminal printout, mailed report or periodic statement (each a "**Report**"), whichever is received first, then such transactions shall be considered correct, and Customer shall be precluded from asserting such error or discrepancy against Financial Institution.

19. Update Notice. Customer shall provide written notice to Financial Institution of any changes to the information previously provided by Customer to Financial Institution, including, but not limited to, any additional locations, any change in business, any new business, the identity of principals and/or owners, the form of business organization, type of goods and services provided and method of conducting sales. Such notice must be received by Financial Institution within 5 business days of the change. Customer shall provide any additional information requested by Financial Institution within 5 days of such request. Financial Institution retains the right to: (i) review Customer's Checks, Files and business activities from time to time to confirm Customer is conducting business as stated by Customer at the time of the execution of this Product Schedule and (ii) re-price or terminate the Remote Deposit Service based on changes to information previously provided to Financial Institution by Customer.

20. Financial Institution's Duties. Financial Institution's duties and responsibilities are limited to those described in this Product Schedule, the Deposit Agreement and any other agreements governing the Accounts. Financial Institution will use commercially reasonable care in performing its responsibilities under this Product Schedule.

21. Financial Institution's Responsibilities. Customer agrees to monitor its account balances and charges, to promptly notify Financial Institution if any Report conflicts with Customer's records, and to refrain from acting on information it has reason to believe is erroneous. In all instances, Financial Institution's and, if the services of a third-party provider are utilized in the provision of the Remote Deposit Service, such third party's sole liability to Customer shall be limited to the correction of any errors made. Financial Institution shall not be responsible for suspension of performance of all or any of its obligations, responsibilities or covenants hereunder, whether expressed or implied, if at any time, or from time to time, compliance therewith is prevented or hindered by, or are in conflict with, any federal or state law, regulation or rule, the order of any court of competent jurisdiction, any act of God or of the public enemy, war, epidemic, strike, or work stoppages of the U.S. Postal Service and commercial carrier(s), or electric power disruption or shortage, telecommunications failure or computer failures; acts, omissions or errors of any carrier and/or agent operating between Customer and Financial Institution or Financial Institution and any Federal Reserve Bank or other agency utilized to exercise transfers or any recipients of transferred funds; any incorrect, unauthorized or fraudulent use or other fraud by any person other than Financial Institution's employees; or, without limiting the generality of the foregoing, any other cause or circumstance beyond Financial Institution's control or other conditions or circumstances not wholly controlled by Financial Institution, which would prohibit, retard or otherwise affect Financial Institution's complete or partial performance under this Product Schedule.

22. Internet Disclaimer. Financial Institution does not, and cannot, control the flow of any documents, files, data or other information via the Internet, whether to or from Financial Institution's network, other portions of the Internet or otherwise. Such flow depends in large part on the performance of Internet services provided or controlled by third parties. Actions or inactions of such third parties can impair or disrupt Customer's connections to the Internet (or portions thereof).

Financial Institution cannot guarantee that such events will not occur. Accordingly, Financial Institution disclaims any and all liability arising out of, resulting from or related to, such events, and in no event shall Financial Institution be liable for any damages of any kind (whether in contract, in tort or otherwise) that are attributable or in any way related to the Internet infrastructure or Customer's or Financial Institution's ability or inability to connect to the Internet.

23. Indemnification and Liability; Third-Party Claims. Customer hereby indemnifies Financial Institution and each of its parents, subsidiaries and affiliates and their respective officers, directors, employees, partners, agents, insurers and attorneys (each and "**Indemnified Party**" and, collectively, the "**Indemnified Parties**") for, and holds each of the Indemnified Parties harmless from and against, all actions, causes of action, claims, damages, liabilities and expenses (including reasonable attorneys' fees) of any nature or kind (including those by third parties) arising out of, or related to, this Product Schedule, including all actions, causes of action, claims, damages, liabilities and expenses arising out of, related to or resulting from: (a) Customer's (i) failure to report required changes, (ii) transmission of incorrect data to Financial Institution or (iii) failure to maintain compliance with the Rules, (iv) destruction of original Checks, (v) deposit of an electronic representation of a substitute check into an Account instead of an original Check, (vi) deposit of a prohibited check; (b) Financial Institution's (i) provision of the Remote Deposit Service, (ii) action or inaction in accordance with, or in reliance upon, any instructions or information received from any person reasonably believed by Financial Institution to be an authorized representative of Customer, (c) Customer's breach of any of Customer's warranties, representations and/or obligations under this Product Schedule or any other agreement between Customer and Financial Institution, including, but not limited to, the Deposit Agreement, and the terms of this paragraph shall survive the termination of this Product Schedule. and/or (d) Customer's breach or violation of any Rules; provided, however, Customer is not obligated to indemnify Financial Institution for any damages solely and proximately caused by Financial Institution's gross negligence or willful misconduct.

24. Third Parties; Maintenance.

(a) Remote Deposit Service from Others. Customer may be using special equipment, services or software provided by a third party to assist it in processing Checks and Files hereunder (each a "**Third Party**" and, if more than one, "**Third Parties**"). Customer (i) agrees that any Third Party is acting as Customer's agent in the delivery of Checks and Files to Financial Institution, and (ii) agrees to assume full responsibility and liability for any failure of that Third Party to comply with the Rules or this Product Schedule. Financial Institution will not be liable for any losses or additional costs incurred by Customer as a result of any error by a Third Party or a malfunction of equipment provided by a Third Party. Customer shall provide at least 10 days advance written notice to Financial Institution in the event it uses any such Third Party. Customer is solely responsible for maintaining compliance with the requirements of any Third Party, including obtaining any software updates. Financial Institution shall not have any responsibility for any Check or File handled by a Third Party until that point in time when Financial Institution accepts and approves a Check or File from such Third Party for processing.

(b) Equipment Maintenance. Excluding the Bank-provided scanner, customer shall be solely responsible for obtaining and properly maintaining its equipment and system requirements, its electrical services, and telephone system, including computer equipment, Internet connectivity, scanning terminals (unless contracted with Financial Institution) and any other equipment or items necessary to receive the Remote Deposit Service. Financial Institution shall not be liable to Customer, in any manner whatsoever, for any type of errors, losses, damages or other claims related to Customer's failure to do so.

25. Use of Trademarks. Customer may not use Financial Institution's name or trademarks without the express written consent of Financial Institution. If Customer is permitted to use any of Financial Institution's name, trademarks or promotional materials, Customer will not indicate, directly or indirectly, that Financial Institution endorses, or is connected in any way with, any of Customer's goods or services.

26. Financial Information and Audit. Financial Institution may from time-to-time request information from Customer in order to evaluate a continuation of the Remote Deposit Service to be provided by Financial Institution hereunder and/or adjustment of any limits set by this Product Schedule. Customer agrees to provide the requested financial information immediately upon request by Financial Institution, in the form required by Financial Institution. Customer authorizes Financial Institution to investigate or reinvestigate at any time any information provided by Customer in connection with this Product Schedule or the Remote Deposit Service and to request reports from credit bureaus and reporting agencies for such purpose. Upon request by Financial Institution, Customer hereby authorizes Financial Institution to enter Customer's business premises for the purpose of ensuring that Customer is in compliance with this Product Schedule and Customer specifically authorizes Financial Institution to perform an audit of Customer's operational controls, risk management practices, staffing and the need for training and ongoing support, and information technology infrastructure. Customer hereby acknowledges and agrees that Financial Institution shall have the right to mandate specific internal controls at Customer's location(s) and Customer shall comply with any such mandate. In addition, Customer hereby agrees to allow Financial Institution to review available reports of independent audits performed at the Customer location related to information technology, the Remote Deposit Service and any associated operational processes. Customer agrees that if requested by Financial Institution, Customer will complete a self-assessment of Customer's operations, management, staff, systems, internal controls, training and risk management practices that would otherwise be reviewed by Financial Institution in an audit of Customer. If Customer refuses to provide the requested financial information, or if Financial Institution concludes, in its sole discretion, that the risk of Customer is unacceptable, or if Customer refuses to give Financial Institution access to Customer's premises, Financial Institution may terminate the Remote Deposit Service according to the provisions hereof.

27. Confidential Information and Proprietary Right in Data. All information of a business nature relating to the assets, liabilities or other business affairs disclosed to Financial Institution by Customer and Customer's customers in connection with this Product Schedule is confidential. Except as allowed by applicable law, Financial Institution shall not disclose or permit access to any such information by any person, firm or corporation. Financial Institution shall cause its officers, employees and agents to take such action as shall be reasonably necessary to preserve and protect the confidentiality of such information, by disclosing such information only to persons needing to have access thereto for the performance of the Financial Institution's obligations under this Product Schedule or to any other party to which Financial Institution may be required by law to report such information. Customer agrees to hold confidential, and to use only in connection with the Remote Deposit Service, all information furnished to Customer by Financial Institution or by third parties from whom Financial Institution has secured the right to use the Remote Deposit Service, including, but not limited to, Financial Institution's product and service pricing structure, system design, programming techniques or other unique techniques. In addition, should Customer at any time receive or acquire any information relating to another Customer of Financial Institution, Customer shall promptly return such information to Financial Institution and not reveal such information to any other party and shall not make use of such information for its own benefit or otherwise. Financial Institution's and Customer's obligations and agreements under this paragraph shall not apply to any information supplied that was known to either party prior to the disclosure by the other, is or becomes generally available to the public other than by breach of this Product Schedule or otherwise becomes lawfully available on a non-confidential basis from a third party who is not under an obligation of confidence to either party. Notwithstanding anything to the contrary contained herein, it is understood and agreed by the parties hereto that the performance of the Remote Deposit Service is or might be subject to regulation and examination by authorized representatives of the Comptroller of the Currency, the Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation and/or a State regulatory agency, and Customer agrees to the release by Financial Institution of Customer's reports, information, assurances and other data and information as may be required under applicable laws and regulations. Customer agrees that any specifications or programs developed by Financial Institution in connection with this Product Schedule or supplied or made available to Customer by Financial Institution, are the exclusive property of Financial Institution, its agents, suppliers or contractors, and further agrees that such material shall not be copied or used in any manner or for any purpose without the express written consent of Financial Institution. This clause shall survive the termination of the Product Schedule.

REMOTE DEPOSIT CAPTURE PRODUCT SCHEDULE

Rev 02-2024

28. Entire Agreement. This Product Schedule (including the Schedules attached) together with the Depository Agreement and the Master Agreement, is the complete and exclusive statement of the agreement between the Financial Institution and the Customer with respect to the subject matter hereof and supersedes any prior agreement(s) between the Financial Institution with respect to such subject matter. In the event of any inconsistency between the terms of this Product Schedule, the Depository Agreement or the Master Agreement, the terms of this Product Schedule shall govern. In the event performance of the services provided herein in accordance with the terms of this Product Schedule would result in a violation of any present or future statute, regulation or government policy to which the Financial Institution is subject, and which governs or affects the transactions contemplated by this Product Schedule, then this Product Schedule shall be deemed amended to the extent necessary to comply with such statute, regulation or policy, and the Financial Institution shall incur no liability to the Customer as a result of such violation or amendment. No course of dealing between the Financial Institution and the Customer will constitute a modification of this Product Schedule, the Rules, or the security procedures, or constitute an agreement between the Financial Institution and the Customer regardless of whatever practices and procedures the Financial Institution and the Customer may use.

29. Financial Accommodation. Customer and Financial Institution agree that this Product Schedule and the Service constitute an agreement to provide a "financial accommodation" as defined in 11 U.S.C. §365.

30. No Third-Party Beneficiaries. This Product Schedule shall not be construed to confer any rights or remedies upon any person not a party to this Product Schedule, whether as a third-party beneficiary or otherwise, against Customer or Financial Institution, their respective successors, assigns and affiliates. The Customer may not assign this Agreement or any of the rights or duties hereunder to any person without the Financial Institution's prior written consent.

31. Waiver. The Financial Institution may waive enforcement of any provision of this Agreement. Any such waiver shall not affect the Financial Institution's rights with respect to any other transaction or modify the terms of this Agreement.

32. Binding Agreement; Benefit. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective legal representatives, successors, and assigns. This Agreement is not for the benefit of any other person, and no other person shall have any right against the Financial Institution or the Customer hereunder.

33. Headings. Headings are used for reference purposes only and shall not be deemed part of this Agreement.

34. Severability. If any provision of this Agreement shall be determined to be invalid, illegal, or unenforceable to any extent, the remainder of this Agreement shall not be impaired or otherwise affected and shall continue to be valid and enforceable to the fullest extent permitted by law.

35. Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of Georgia, without reference to its conflict of law's provisions, and applicable federal law.

36. Termination. This Product Schedule may be terminated by Financial Institution or Customer upon thirty (30) days' written notice. The Service will automatically terminate if the Account is closed for any reason. Termination of the Service will not terminate Customer's or Financial Institution's rights or obligations under this Product Schedule with respect to events or actions that occurred before termination.

This Product Schedule must be signed on behalf of Customer by an Authorized Customer Representative.

REMOTE DEPOSIT CAPTURE PRODUCT SCHEDULE

SCHEDULE B - REMOTE DEPOSIT CAPTURE HARDWARE LIST

Rev 02-2024

List of Hardware:

Scanner(s) License. If the Scanner(s) is provided by Financial Institution as part of this Service, Financial Institution hereby grants to Customer a nontransferable non-exclusive license ("License") to use the Scanner(s) listed in this Schedule B ("Scanner(s)") only in connection with the Service provided by Financial Institution. Customer accepts the License subject to the terms and conditions set forth in the following sections.

(i) **OWNERSHIP OF SCANNER(S)**. Customer acknowledges the Scanner(s) is and shall at all times remain the sole and exclusive property of Financial Institution and agrees that Customer will do nothing inconsistent with such ownership. Customer agrees that nothing in this License shall give Customer any right, title or interest in the Scanner(s) other than the right to use the Scanner(s) in accordance with this License, and Customer agrees that it will not attack the validity of this License.

(ii) **USE.** Customer shall use the Scanner(s) in a careful and proper manner in accordance with the Documentation and shall comply with and conform to all federal, state, municipal, and other laws, ordinances and regulations in any way relating to the possession, use or maintenance of the Scanner(s). If at any time during the term hereof, Financial Institution supplies the Customer with labels, plates or other markings, stating that the Scanner(s) is owned by Financial Institution, the Customer shall affix and keep them upon a prominent place on the Scanner(s). The Customer shall limit the use of the Scanner(s) to the processing of transactions with Financial Institution pursuant to this Product Schedule. The Customer may not use the Scanner(s) to facilitate processing transactions with any other person without the prior express written authorization of Financial Institution.

(iii) **RECEIPT OF SCANNER(S)**. Customer agrees that Financial Institution will deliver or ship the Scanner(s) to Customer at the address designated by Customer in this Product Schedule. Customer acknowledges that delivery or shipment to the address designated by Customer shall be considered receipt of the Scanner(s) by Customer.

(iv) **INSPECTION**. Customer shall inspect the Scanner(s) within 24 hours after receipt thereof. Unless Customer, within this period of time, gives written notice to Financial Institution specifying any defect in or other proper objection to the Scanner(s), Customer agrees that it shall be conclusively presumed, as between Financial Institution and Customer, that Customer has fully inspected and acknowledged that the Scanner(s) is in good condition and repair, and that Customer is satisfied with and has accepted the Scanner(s) in such good condition and repair. Financial Institution shall at any and all times during business hours have the right to enter into and upon the premises where the Scanner(s) may be located for the purpose of inspecting the same or observing its use. Customer shall give Financial Institution immediate notice of any attachment or other judicial process affecting Scanner(s) and shall, whenever requested by Financial Institution, advise Financial Institution of the exact location of the Scanner(s).

(v) **MAINTENANCE.** Customer shall maintain the Scanner(s) in working order by following the instructions for proper use, care and cleaning of the Scanner(s) provided to Customer. In the event that the Scanner(s) does not function in accordance with the manufacture's specifications, Financial Institution shall either repair or replace the Scanner(s) within three (3) business days from the date of receipt of notification from the Customer. Financial Institution shall not repair or replace the Scanner(s) if it is lost or damaged as provided in Section (vi), or because of misuse, negligence or failure of Customer to follow instructions for proper use, care and cleaning of the Scanner(s).

(vi) **LOSS AND DAMAGE.** In the event of loss or damage of any kind to the Scanner(s), or any part thereof, Customer shall make a payment to Financial Institution in an amount contained in an invoice submitted by Financial Institution to

Customer ("Invoice Amount"). Payment shall be due within thirty (30) calendar days of receipt of the invoice from Financial Institution. Failure to make such payment shall be a default under Section (xi) of this Schedule B.

(vii) **SURRENDER OF SCANNER(S).** Within fifteen (15) calendar days of the expiration or earlier termination of this Product Schedule, with respect to the Scanner(s), Customer shall return the Scanner(s) to Financial Institution in good repair, condition and working order (ordinary wear and tear resulting from proper use thereof alone excepted), or Customer shall pay Financial Institution the Invoice Amount contained in an invoice submitted to Customer upon termination. If Customer fails to return the Scanner(s), or if the Scanner(s) is not in good working order and repair upon return, or if Customer fails to pay the Invoice Amount, such failure shall be a default under Section (xi) of this Schedule B.

(viii) **LOCATION OF SCANNER(S)**. Without the written permission of Financial Institution, Customer will not permit the Scanner(s) to be removed from the Customer's business addresses and Customer shall not physically locate the Scanner(s) outside of the United States.

Customer must notify Financial Institution if the scanner(s) moves from the location(s) assigned below:

Scanner#_____ Physical Location (address, city, state and zip): 204 Ash Street Fernandina Beach, FL 32034

Scanner#_____ Physical Location (address, city, state and zip): _____

Scanner#_____ Physical Location (address, city, state and zip): _____

(ix) **PERSONAL PROPERTY**. The Scanner(s) is, and shall at all times remain, personal property notwithstanding that the Scanner(s) or any part thereof may now be, or hereafter become, in any manner affixed or attached to, or imbedded in, or permanently resting upon, real property or any building thereon, or attached in any manner to what is permanent as by means of cement, plaster, nails, bolts, screws or otherwise.

(x) **ENCUMBRANCES**. Customer shall not do any act that will in any way encumber the title of Financial Institution in and to the Scanner(s). In the event the Scanner(s) becomes the subject of any lien or encumbrance through the action of Customer, Customer shall indemnify and hold harmless Financial Institution from all costs, losses or expenses with respect thereto, and Customer shall immediately pay any such lien and obtain a release thereof.

(xi) **DEFAULT**. If Customer fails to pay any amount herein provided within thirty (30) calendar days after the same is due and payable, Financial Institution shall have the right to take possession of the Scanner(s), without demand or notice, wherever same may be located, without any court order or other process of law. Customer hereby waives any and all damages occasioned by such taking of possession. Any such taking of possession shall constitute a termination of this Product Schedule. The Financial Institution may also debit the Customer's Account or Settlement Reserve for amounts due and payable to Financial Institution.

(xii) **FINANCIAL INSTITUTION'S EXPENSES**. Customer shall pay Financial Institution all costs and expenses, including reasonable attorney fees, incurred by Financial Institution in exercising any of its rights or remedies hereunder or in enforcing any of the terms, conditions or provisions hereof.

Wire Transfer
Agreement

K

By signing this Wire Transfer Product Schedule ("Product Schedule") City of Fernandina Beach FL "Customer," "you," "your," "its" or "User") hereby requests First Port City Bank (FPCB) ("Financial Institution," "our," "us," or "we") to provide the Service described in this Product Schedule. Customer agrees that this Product Schedule sets forth the terms and conditions pursuant to which Financial Institution will provide to Customer the Service outlined herein and is entered into as a Product Schedule under the Business Online Banking and Master Cash Management Agreement ("Master Agreement"). Financial Institution and Customer agree that by executing this Product Schedule, Customer acknowledges receipt of and agrees to the terms of the Master Agreement. Terms not otherwise defined in this Product Schedule shall have the meaning ascribed to those terms in the Master Agreement. In the event of inconsistency between a provision of this Product Schedule, the Uniform Commercial Code (the "UCC"), the Master Agreement, and/or the Depository Agreement, the provisions of this Product Schedule shall prevail.

Therefore, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, FPCB and Customer, intending to be legally bound, do hereby agree as follows:

1. **Authorization to Accept Payment Orders.** First Port City Bank (FPCB) is authorized to accept and/or execute "Payment Orders," as that term is defined in Article 4A of the Uniform Commercial Code issued by Customer, Administrators(s), User(s) Authorized Customer Representatives or Authorized Customer Agents, as those terms are defined herein.

   1.1. **Online Banking Payment Orders; Designation of Administrator.** The most secure method for the issuance of Payment Orders and the method recommended by FPCB is via Online Banking. Customer acknowledges and agrees that the commercially reasonable security procedure offered by FPCB is the security procedure used in conjunction with Online Banking. In order to submit Payment Orders via Online Banking, Customer must designate at least one Administrator in accordance with the Master Agreement. Administrator(s) shall be responsible for designating those persons who Customer authorizes to make Payment Orders on its behalf ("User(s)"). Administrator(s) may also set dollar limits on funds transfer amounts for Users per account. FPCB shall not be responsible for the limits established by Customer's Administrator(s). FPCB shall be entitled to rely on the designations made by the Customer's Administrator(s) and shall not be responsible for matching the names of the Customer Users designated by the Administrator(s) to names or titles listed in Customer's banking resolutions. Customer agrees that any such online Payment Order shall comply with FPCB's disbursement and security policies, which are subject to change without notice to Customer.

   1.2. **Written or Oral Payment Orders.** Issuance of a Payment Order by any means other than through Online Banking is a rejection by Customer of the security procedure offered by FPCB to Customer and constitutes Customer's selection of a security procedure chosen by Customer. Customer hereby expressly agrees to be bound by any Payment Order, whether or not authorized, issued in its name and accepted by FPCB in compliance with the Security Procedure, defined below. By one or more written resolutions acceptable to the FPCB and certified by Customer in accordance with Schedule A attached hereto, Customer shall designate those individuals (herein referred to as "Customer's Authorized Representative(s)") who shall be authorized to designate, on Schedule B attached hereto or other form acceptable to FPCB, one or more "Authorized Customer Agents" as the sole representatives of Customer authorized to transmit and verify funds transfer instructions hereunder on behalf of Customer that are not issued via Online Banking, and shall indicate on such Schedule the functions that each Authorized Customer Agent is authorized to conduct on behalf of Customer. Designation of Authorized Customer Agents may be altered or revoked from time to time upon written notice to the FPCB from any of Customer's Authorized Representative, provided that the FPCB may in its sole discretion act upon verbal notice of revocation which FPCB reasonably believes to be from any Customer's Authorized Representative(s), which revocation shall later be confirmed in writing by a Customer's Authorized Representative. FPCB shall be entitled to deem any person having knowledge of any security codes required in order to initiate funds transfer instructions under this Product Schedule to be an Authorized Customer Agent. Customer may establish dollar limits and limits on daily number of Payment Orders for Authorized Customer Agents. Such limits, if any, shall be designated in Schedule B.

2. **Execution and Acceptance of Payment Orders.** First Port City Bank (FPCB) is hereby authorized to honor, execute and accept each and every Payment Order received by it in the name of the Customer as sender and initiated by an Administrator or User via Online Banking or issued by an Authorized Customer Agent. If FPCB elects to accept Payment Orders issued by Customer, FPCB shall use reasonable efforts to comply with the Payment Order in paying the proceeds

to the beneficiary, if FPCB is also the beneficiary's financial institution, or in executing the Payment Order if FPCB is not also the beneficiary's financial FPCB to ensure that payment is made to the beneficiary on the payment date. FPCB shall be entitled to deem any person having knowledge of any security codes required in order to initiate Payment Orders under this Product Schedule to be an Authorized Customer Agent. FPCB may, in all cases, rely on and accept Payment Orders issued on behalf of Customer by any individual(s) authorized by Customer to sign checks on any of Customer's depository accounts with FPCB.

3. **Security Procedures.** In addition to, and without limiting the generality of, the Security Procedure provisions of the Master Agreement, Customer shall comply with the "Security Procedures" set forth in this Product Schedule, including Schedule C attached hereto and made a part hereof, and Customer acknowledges and agrees that the Security Procedures constitute commercially reasonable security procedures under applicable law for the initiation of Payment Orders.

4. **Settlement**. First Port City Bank (FPCB) is not obligated by this Product Schedule to honor, execute, or accept any Payment Order. If FPCB elects to accept Payment Orders issued by Customer, Customer agrees to settle for all Payment Orders issued by Customer, Customer's Administrator(s), User(s), Authorized Customer Agent(s) or Payment Orders otherwise made effective against Customer. Settlement shall be made by Customer to FPCB in any manner specified by FPCB. Notwithstanding the foregoing, FPCB is hereby authorized to charge the account designated by Customer ("Authorized Account") as settlement for Payment Orders issued by Customer. Customer shall designate the Authorized Account in Schedule F attached hereto and made a part hereof. Customer shall maintain sufficient collected funds in the Authorized Account to settle for the Payment Order at the time that the Payment Order is issued. FPCB may, in its sole discretion, transfer funds from the Authorized Account in excess of the collected balance and thereby create an overdraft. In this event, Customer shall promptly reimburse FPCB upon demand in the amount of the overdraft together with any interest fees or charges which would otherwise be charged to Customer as a result of an overdrawn account based upon the FPCB's account rules and pricing schedules. If FPCB elects to pay Customer's account in the overdraft on any one or more occasions, it shall not be considered a waiver of FPCB's rights to refuse to do so at any other time nor shall it be an agreement by FPCB to pay checks or other items in the overdraft. FPCB shall have the right to charge other accounts maintained by Customer with FPCB that are not designated as an Authorized Account if FPCB accepts the Payment Order and the designated Authorized Account does not have sufficient balances to settle for the Payment Order. FPCB may process Payment Orders in any order convenient to FPCB and FPCB may charge items, including settlement for Payment Orders, in any order or sequence selected by FPCB.

5. **Method of Issuance of Payment Orders.**

5.1. Issuance of Payment Orders. Customer may issue Payment Orders via Online Banking, by secure e-mail, telephone, or in writing. Payment Orders may only be executed on a "Business Day" which is Monday through Friday, excluding Federal holidays. Payment Orders received before the cut-off time established by FPCB will be processed on the same Business Day. Payment Orders received on a non-Business Day or after the cut-off time on a Business Day will be treated as being received on the next Business Day. The funds transfer cut-off times are described in Schedule F. Customer acknowledges that FPCB shall have no obligation to ascertain the identity of the beneficiary or the beneficiary's financial institution and shall have the right to reject any Payment Order that does not identify the account number and address of the beneficiary and the identifying number of the beneficiary's financial institution. Customer further acknowledges that FPCB is not responsible for detecting any Customer error contained in any Payment Order sent by the Customer to FPCB. FPCB may, at its option, record electronically all telephonic instructions received by FPCB from Customer without further notification and may retain such recordings for any period of time selected by FPCB. Customer consents to the recording of such telephone conversations. The decision of whether to record a particular conversation is within FPCB's discretion, and FPCB has no liability for failure to record.

5.2. Repetitive Instructions. First Port City Bank (FPCB) will transfer funds on a repetitive basis to other Customer accounts or third-party accounts as described in written instructions to FPCB signed by an Administrator or Authorized Customer Agent as contained in Schedule E attached hereto and made a part hereof. The transfers will be considered repetitive if they are to be affected at least monthly with the original written instructions remaining constant except for the date and dollar amount of the transfer involved. FPCB shall assign a unique code for each repetitive transfer which Customer shall furnish to FPCB at the time the transfer request is made.

6. **Errors in Payment Orders.** Customer agrees that First Port City Bank (FPCB) shall have no obligation to discover errors in Payment Orders and shall not be liable to Customer for errors made by Customer, including but not limited to errors made in identifying the beneficiary, or an intermediary or beneficiary's financial institution, or for errors in the amount of the Payment Order. FPCB shall likewise have no duty to discover and shall not be liable for duplicate Payment Orders issued by Customer. In the event that Customer makes an error or issues a duplicate Payment Order, Customer shall indemnify, defend all claims, and hold FPCB harmless from any loss, damages, or expenses, including but not limited to attorneys' fees, incurred by FPCB as the result of completion of the funds transfer.

7. **Use of Account Numbers**. The Customer is notified, and hereby acknowledges, that in executing or otherwise acting on a Payment Order First Port City Bank (FPCB) shall rely solely and exclusively upon identifying account or identification numbers of a beneficiary, beneficiary's financial institution or intermediary financial institution and shall not rely on the name of the beneficiary. Likewise, acceptance of a Payment Order may be made by a beneficiary's financial institution on the basis of an identifying or financial institution account number even if it identifies a person different from the named beneficiary. Customer is liable for and must settle with FPCB for any funds transfer initiated by Customer that identifies the beneficiary by account or identifying number or by name and account or identifying number. FPCB shall have no duty to detect any inconsistency between the name and number contained in a Payment Order and the Customer shall be responsible for any inconsistencies. The Customer shall indemnify and hold FPCB harmless from and against any loss, liability, expense or damage that the FPCB may incur as a result of such inconsistency, including, without limitation, attorneys' fees and expenses of litigation.

8. **Amendments and Cancellations.**

   8.1. A Payment Order may be canceled by the Customer, provided the cancellation instruction is received by First Port City Bank (FPCB), and verified pursuant to the Security Procedures in effect, at a time and in a manner affording FPCB a reasonable opportunity to act prior to FPCB's acceptance of the Payment Order.

   8.2. First Port City Bank (FPCB) is not obligated to amend or cancel a Payment Order after acceptance, but if in FPCB's sole discretion, it agrees with Customer to do so, it may condition such amendment or cancellation upon compliance with the Security Procedures. Any cancellation of a Payment Order by FPCB shall relieve FPCB of any obligation to act on such Payment Order and any amendment of a Payment Order by FPCB shall relieve FPCB of any obligation to act on such Payment Order in its un-amended form.

   8.3. Customer acknowledges and agrees that after a Payment Order has been accepted by the beneficiary's financial institution, return of such funds must be authorized by the beneficiary and First Port City Bank (FPCB) has no responsibility to procure the return of such funds. If Customer asks FPCB to recover funds which FPCB has already transferred, FPCB shall be under no obligation to do so. If Customer deposits with FPCB an amount reasonably determined in good faith by FPCB to approximate the costs and expenses (including attorney's fees) which FPCB may incur in attempting to recover the funds transferred, FPCB may, in its sole discretion make an attempt to recover the funds. In lieu of such a deposit, FPCB may request Customer to provide a bond or other assurance of payment reasonably satisfactory to FPCB. Upon such deposit, or the supplying of such other assurance, FPCB may take such action as it deems reasonable under the circumstances, including, for example, sending a request to reverse the transfer to any financial institution that received such funds. In no event, however, shall FPCB be deemed to have guaranteed or otherwise assured the recovery of any portion of the amount transferred, nor to have accepted responsibility for any amount transferred.

9. **Rejection of Payment Order.** Customer agrees that First Port City Bank (BPCB) has no obligation to accept a Payment Order and therefore may reject any Payment Order issued by Customer. FPCB has no obligation to notify Customer of the rejection of the Payment Order issued by Customer but FPCB may so notify at its option. FPCB shall have no liability to Customer for rejection of a Payment Order and shall not be liable to pay interest to Customer even if the amount of Customer's Payment Order is fully covered by a withdrawable credit balance in an Authorized Account of Customer or FPCB has otherwise received full payment from Customer.

10. **Use of Correspondents, Agents, and Systems**.

    10.1. The Customer agrees that in executing any Payment Order First Port City Bank (FPCB) may make use of such correspondents, agents and Payment Order and communication systems as it deems necessary or desirable to

execute such Payment Order. To the fullest extent permitted by law (a) such correspondents, agents and systems shall be deemed to be agents of the Customer and FPCB shall not be liable for any errors, negligence, suspension, or default of any of them or for any failure to identify the beneficiary or any mistake in payment by any of them, and (b) FPCB shall not be liable for any errors, mutilations, mis-delivery, or failure of delivery in the transmission of any Payment Order by such correspondents, agents and Payment Order and communication systems or for any suspension of any means of communication or for any imposition of a censorship, exchange control or other restriction by such correspondents, agents and Payment Order and communication systems, all such risk being borne by the Customer.

10.2. Each Payment Order, amendment or cancellation thereof, carried out through a funds transfer system will be governed by all applicable funds transfer system rules, whether or not First Port City Bank (FPCB) is a member of the system. Any Payment Order or cancellation thereof may be transmitted by any financial institution by use of the funds transfer system of the Federal Reserve Financial Institution ("Fedwire"). The rights and obligations of FPCB and the Customer with respect to any Payment Order, any part of which is carried out through the use of the Fedwire, will be governed by any applicable laws, the regulations of the Board of Governors of the Federal Reserve System, and the operating circulars of the Federal Reserve Financial Institution. The Customer acknowledges FPCB's right to reserve, adjust, stop payment, or delay posting of an executed Payment Order is subject to the laws, regulations, circulars, and rules described in this Section 10.2.

11. Compliance with Laws. Customer agrees to comply with all applicable laws, rules, procedures and regulations with respect to the use of its accounts at First Port City Bank (FPCB) and its use of the service described in this Product Schedule. FPCB will comply with regulations issued by the U.S. Treasury's Office of Foreign Assets Control ("OFAC"). It shall be the responsibility of Customer to obtain information regarding such OFAC regulations. (This information may be obtained directly from the OFAC Compliance Hotline at 800-540-OFAC or from OFAC's home page site at www.ustreas.gov/ofac). If any Payment Order is to a person or entity listed on OFAC's list of Specially Designated Nationals and Blocked Persons, by law FPCB shall not complete the transfer and shall "block" the funds until such time that OFAC issues a written release to FPCB.

12. Unauthorized Transactions and Other Errors. First Port City Bank (FPCB) shall provide the Customer with advices describing each Payment Order paid or executed on behalf of the Customer. Such advices shall be emailed to recipient(s) designated by the Customer not later than the business day following the day of execution or payment to a beneficiary of a Payment Order or as determined by FPCB in its discretion. The Customer shall notify FPCB of any discrepancy between the Payment Order and the related funds transfer, or of any unauthorized transaction or other error on the next business day following receipt of any advice or within 30 calendar days of the delivery or mailing by FPCB (whichever occurs first) of any statement of account relating to the Authorized Account, whichever is earlier, which time limits Customer agrees are reasonable. If notification of an unauthorized transaction or other error is communicated orally, it shall be confirmed promptly in writing. The Customer will be deemed to have received any advices and statements of account that are mailed by FPCB five business days after such mailing. FPCB shall have no liability to the Customer for any loss or damage sustained by the Customer arising out of any Payment Order referenced in a statement of account for the Authorized Account or in an individual advice, and no legal proceeding or action shall be brought by Customer against FPCB to recover such loss or damage, unless (a) Customer shall have given the written notice as provided for herein, and (b) such legal proceeding or action shall be commenced within the period established by UCC 4A. Customer waives any right to seek or enforce payment of attorneys' fees related thereto.

13. Indemnification. In addition to, and without limiting the generality of, the indemnification provisions of the Master Agreement, Customer shall be liable to First Port City Bank (FPCB) for and shall indemnify and hold FPCB and its affiliates and their respective officers, directors, employees and agents harmless from and against any and all claims, causes of action, damages, expenses (including reasonable attorneys' fees and other legal expenses), liabilities and other losses arising or resulting from acts or omissions of Customer, or from the provision of invalid or inaccurate data by Customer or by any other person or entity acting on Customer's behalf, including without limitation (a) a breach by Customer of any provision of this Product Schedule; (b) FPCB's debiting or crediting of the account of any person or entity as requested by Customer; and (c) the failure to act or the delay of any financial institution other than FPCB.

14. Limitation of Liability. In addition to, and without limiting the generality of, the limitation of liability provisions of the Master Agreement:

14.1. First Port City Bank (FPCB) shall be responsible only for performing the funds transfer services described in this Product Schedule and shall be liable only for its own gross negligence or willful misconduct in performing these Services. FPCB shall not be liable for acts or omission by Customer or any other person or entity, including without limitation any funds transfer systems, any Federal Reserve Financial Institution, any beneficiary's financial institution and any beneficiary, none of which shall be deemed the FPCB's agent. In addition to the "Force Majeure" provisions of the Master Agreement, FPCB shall be excused from delaying or failing to execute a funds transfer due to any changes in the rules, regulations and policies of the Federal Reserve Board that affect FPCB's ability to send or receive funds at any time, for any reason, if the funds transfer would result in the FPCB's exceeding any limitation on its intra-day net funds position established through Federal Reserve guidelines or if the funds transfer would result in violating any present or future risk control program of the Federal Reserve or a rule or regulation of any other governmental regulatory authorities.

14.2. Except as otherwise required by applicable law, First Port City Bank (FPCB) shall not be liable for any loss or liability arising from (a) any inaccuracy or failure to act on the part of any person not within FPCB's reasonable control, including but not limited to the failure of any other financial institution(s) to provide accurate or timely information to FPCB or the Customer, (b) the failure of other financial institutions to accept payment orders, (c) Customer's negligence, wrongful act or breach of this Product Schedule, or (d) any ambiguity or inaccuracy in any instruction given to FPCB by Customer.

14.3. ANY LIABILITY OF FIRST PORT CITY BANK (FPCB) FOR LOSS OF INTEREST RESULTING FROM ITS ERROR OR DELAY SHALL BE CALCULATED USING A RATE EQUAL TO THE FEDERAL FUNDS RATE AT THE FEDERAL RESERVE FINANCIAL INSTITUTION OF NEW YORK FOR THE PERIOD INVOLVED. PAYMENT WILL BE MADE BY CREDITING THE APPROPRIATE ACCOUNT AT THE FINANCIAL INSTITUTION INVOLVED IN THE FUNDS TRANSFER. FPCB SHALL NOT BE RESPONSIBLE FOR CUSTOMER'S ATTORNEYS' FEES.

15. International Payment Orders. Fund transfers to beneficiaries outside of the United States may be paid to the beneficiary in the foreign currency of the country to which the funds are transferred. It is the responsibility of Customer to notify the beneficiary that the funds originated in U.S. dollars may be paid to the beneficiary in the currency of the country to which the funds are transferred at First Port City Bank (FPCB) buying rate of exchange for funds transfers.

16. Customer Cooperation. In the event that First Port City Bank (FPCB) is entitled under the law governing mistake and restitution to recover from any beneficiary all or any part of a funds transfer made to such beneficiary hereunder, Customer shall upon FPCB's request but without expense to FPCB testify in any legal proceedings and otherwise take any action necessary to assist or enable FPCB to recover from such beneficiary. Customer hereby consents to FPCB's disclosure to government authorities of information concerning the Customer and transactions under this Product Schedule that FPCB believes to be appropriate or necessary to fulfill legal recordkeeping and reporting requirements.

17. Furnishing Information. Upon request the Customer will provide First Port City Bank (FPCB) with any transaction information necessary for FPCB to handle inquiries and tracing, or otherwise to comply with applicable laws and regulations relating to Payment Orders, including but not limited to, dollar amounts, account(s) affected, dates and names of beneficiaries and third parties involved in the transfer.

18. Transactions with Financial Institutions. If the Customer is a financial institution (as defined in UCC 4A), and under applicable law the Customer is not deemed the originator of the order to which a Payment Order relates, the Customer agrees to indemnify and hold First Port City Bank (FPCB) harmless for any loss or liability owed to such originator to the extent that such loss or liability would not have been incurred if the Customer had been an originator.

19. Entire Agreement. The Business Account Agreement governing Customer's account (the "Account Agreement"), the Master Agreement, and this Product Schedule (a) constitute the entire agreement between First Port City Bank (FPCB) and Customer regarding the use of FPCB's funds transfer service; (b) supersede any prior agreements between the FPCB and Customer regarding funds transfers and (c) shall be binding upon and enforceable against Customer's successors and assigns. If any inconsistency exists between the Account Agreement and this Product Schedule, the terms of this Product Schedule shall control. If any part of this Product Schedule is found to be invalid, illegal or unenforceable, the remaining provisions shall remain in effect.

20. **Governing Law.** This Agreement shall be construed in accordance with and governed by the laws of the State of Georgia, without reference to its conflict of law's provisions, and applicable federal law.

21. **Amendments; Termination.** First Port City Bank (FPCB) may amend this Product Schedule from time to time as set forth in the Master Agreement. FPCB and Customer may terminate this Product Schedule as set forth in the Master Agreement.

22. **Payment for Services.** Customer shall pay First Port City Bank (FPCB) the charges for the services provided in connection with this Product Schedule and the Master Agreement, as set forth in Schedule G and in FPCB's Limit and Fees Schedule, which can be obtained by contacting FPCB and is hereby incorporated by reference and made a part hereof.

23. **Notices, Instructions, Etc.** Except as stated herein, any written notice or other written communication required or permitted to be given under this Product Schedule shall be delivered or sent by US mail, if to Customer, at the address of Customer on the books of First Port City Bank (FPCB) and if to FPCB, at the address set forth in the Master Agreement and pursuant to requirements of the Notice provisions thereof.

This Product Schedule must be signed on behalf of Customer by an Authorized Customer Representative.

IN WITNESS WHEREOF, the parties hereto have executed this Product Schedule through their duly authorized officers on the dates indicated below.

Stop Payment **Agreement**

K

Stop Payment Agreement

First Port City Bank does not maintain a separate standalone Stop Payment Agreement. All stop payment terms, conditions, and procedures are clearly outlined within our standard **Deposit Account Terms and Conditions**, specifically in **Section 9 on Page 5**. For your reference, the applicable portion of the agreement is provided below.

(9) Stop Payments

The rules in this section cover stopping payment of items such as checks and drafts. Rules for stopping payment of other types of transfers of funds, such as consumer electronic fund transfers, may be established by law or our policy. If we have not disclosed these rules to you elsewhere, you may ask us about those rules.

We may accept an order to stop payment on any item from any one of you. You must make any stop-payment order in the manner required by law, it must be made in a signed and dated writing, and we must receive it in time to give us a reasonable opportunity to act on it before our stop-payment cutoff time. Because the most effective way for us to execute a stop-payment order is by using an automated process, to be effective, your stop-payment order must precisely identify the number, date, and amount of the item, and the payee.

You may stop payment on any item drawn on your account whether you sign the item or not. Your stop-payment order is effective for six months. Your order will lapse after that time if you do not renew the order in writing before the end of the six-month period. We are not obligated to notify you when a stop-payment order expires.

If you stop payment on an item and we incur any damages or expenses because of the stop payment, you agree to indemnify us for those damages or expenses, including attorneys' fees. You assign to us all rights against the payee or any other holder of the item. You agree to cooperate with us in any legal actions that we may take against such persons. You should be aware that anyone holding the item may be entitled to enforce payment against you despite the stop-payment order.

Our stop-payment cutoff time is one hour after the opening of the next banking day after the banking day on which we receive the item. Additional limitations on our obligation to stop payment are provided by law (e.g., we paid the item in cash or we certified the item).

ICS Deposit **Agreement**

K

ICS Deposit Placement Agreement

You, the undersigned, enter into this ICS Deposit Placement Agreement ("*Agreement*") with the following financial institution ("*we*" or "*us*"):

First Port City Bank

This Agreement states the terms and conditions on which we will endeavor to place deposits for you at depository institutions through ICS®, the IntraFi Cash Service® of IntraFi LLC ("*IntraFi*").

1. Deposit Placement

(a) Subject to the terms and conditions of this Agreement, we will act as your agent in placing deposits for you through ICS. Schedule 1 describes the procedure by which we will place deposits for you through ICS. Schedule 2 describes the account type and placement feature that we will use.

(b) Each depository institution at which deposits may be placed through ICS ("*Destination Institution*") will be one at which deposit accounts are insured by the Federal Deposit Insurance Corporation ("*FDIC*") up to the FDIC standard maximum deposit insurance amount ("*SMDIA*") of $250,000.

(c) **A LIST IDENTIFYING INTRAFI NETWORK BANKS, WHICH ARE FDIC-INSURED DEPOSITORY INSTITUTIONS, APPEARS AT HTTPS://WWW.INTRAFI.COM/NETWORK-BANKS. CERTAIN CONDITIONS MUST BE SATISFIED FOR "PASS-THROUGH" FDIC DEPOSIT INSURANCE COVERAGE TO APPLY.** IntraFi network banks may be added or removed without notice. As described below, you may designate any Destination Institution as ineligible to receive your funds.

(d) Subject to the terms and conditions of this Agreement, when we place deposits in a deposit account at a Destination Institution for your funds placed through ICS ("*Deposit Account*"), the amount of our outstanding placements for you at the Destination Institution through ICS and through CDARS®, the Certificate of Deposit Account Registry Service®, will not exceed $250,000.

(e) On the signature page of this Agreement, you will enter a unique alphanumeric identifier for you ("*Depositor Identifier*"). You will enter your federal taxpayer identification number ("*TIN*") as your Depositor Identifier, unless you do not have a TIN, in which case you will enter an alternate identifier that we approve.

(f) You will use the same Depositor Identifier for all placement of deposits for you through ICS or CDARS by us or any other institution.

(g) Deposits that we place for you in Deposit Accounts will be "deposits," as defined by federal law, at the Destination Institutions.

(h) Each Deposit Account, including the principal balance and the accrued interest, will be a deposit obligation solely of the Destination Institution at which it is held. It will not be a deposit obligation of us or of any other person or entity.

2. Agency and Custodial Relationship

(a) We will act as your agent in placing deposits for you through ICS. Under a separate agreement with you that grants us custodial powers ("*Custodial Agreement*"), we will also act as your custodian for the Deposit Accounts. The Bank of New York Mellon ("*BNY*") provides services that support deposit placement through ICS, including acting as our sub-custodian.

(b) As your custodian, we will open on our records, either directly or with the assistance of BNY, a custodial account in which we will hold your interests in the Deposit Accounts ("*Custodial Account*"). We may permit you to have multiple Custodial Accounts.

(c) Each Deposit Account will be recorded (i) on the records of a Destination Institution in the name of BNY, as our sub-custodian, (ii) on the records of BNY in our name, as your custodian, and (iii) on our records in your name. The recording will occur in a manner that permits the Deposit Account to be FDIC-insured to the same extent as if it were recorded on the records of a Destination Institution in your name.

(d) For purposes of Article 8 of the Uniform Commercial Code, we will act as your securities intermediary for, and will treat as financial assets, the Deposit Accounts and all your security entitlements and other related interests and assets with respect to the Deposit Accounts, and we will treat you as entitled to exercise the rights that constitute the Deposit Accounts.

(e) All interests that we hold for the Deposit Accounts will be held by us only as your securities intermediary and will not be our property. You will be the owner of the funds in the Deposit Accounts and any interest on those funds.

(f) You may terminate the custodial relationship between you and us at any time. You may not transfer the Deposit Accounts to another custodian, but you may dismiss us as your custodian for a Deposit Account and request that it be recorded on the records of the Destination Institution in your name.

(g) We will endeavor to cause any request from you pursuant to Section 2(f) to be promptly forwarded to the Destination Institution. Each Destination Institution has agreed that it will promptly fulfill any such request, subject to its customer identification policies and other account opening terms and conditions.

(h) If a Deposit Account has been recorded on the records of a Destination Institution in your name pursuant to this Section 2, you will be able to enforce your rights in the Deposit Account directly against the Destination Institution, but we will no longer have any custodial responsibility for it and you will not be able to enforce any rights against the Destination Institution through us.

(i) If we were to become insolvent, our receiver or other successor in interest could transfer custody of the Deposit Accounts, and our rights and obligations under this Agreement, to a new custodian. Alternatively, you could exercise your right to have the Deposit Accounts recorded on the records of the Destination Institutions in your name pursuant to this Section 2.

3. Interest Rate

(a) The interest rate for the Deposit Accounts at Destination Institutions ("*Interest Rate*") will be the then-current rate that we specify, which may be any rate (including zero) and which we may modify at any time. Interest compounds daily. Through your continued participation in ICS, you accept each applicable Interest Rate.

(b) If we permit you to have more than one Custodial Account, we may specify a different Interest Rate for each Custodial Account.

(c) Payment of the full amount of all accrued interest on a Deposit Account at a Destination Institution will be solely the responsibility of the Destination Institution. Neither we nor any other person or entity will be indebted to you for such payment.

4. Placement Procedures

4.1. Account Type, ICS Settlement, and Statements

(a) Settlement of payments to and from participating institutions in ICS through BNY that includes the type of deposits we place for you ("*ICS Settlement*") will occur each day that is not a Saturday, a Sunday, or another day on which banks in New York, New York, are authorized or required by law or regulation to close ("*Business Day*").

(b) You may confirm through the DCP (i) the aggregate principal balance in the Deposit Accounts ("*Program Balance*") and (ii) the principal balance and accrued interest of the Deposit Accounts at each Destination Institution as of the preceding Business Day or, after ICS Settlement-related processing, as of that Business Day.

(c) We will provide you with a periodic statement of custodial holdings for your funds placed through ICS that will include, as of the end of the statement period, your Program Balance, your principal balance at each Destination Institution, and the total interest and annual percentage yield for the period.

(d) The account information available on the DCP as described in Section 4.1(b), and the periodic statements described in Section 4.1(c), will be the only evidence that you receive of your ownership of the funds. You should retain the account statements.

4.2. Triggering Events

(a) Funds will be transferred to or from the Deposit Accounts in response to an event specified in this Agreement that triggers such movement ("*Triggering Event*"). A Triggering Event may result in a transfer of funds from a root account with us that contains your funds ("*Root Account*") to the Deposit Accounts at ICS Settlement ("*Program Deposit*") or a transfer of funds from the Deposit Accounts to the Root Account at ICS Settlement ("*Program Withdrawal*").

(b) Schedule 1 sets forth Triggering Events applicable to your deposits.

4.3. Program Deposits

(a) Subject to the terms and conditions of this Agreement, and except as provided in Section 4.3(b), a Triggering Event for a Program Deposit will result in a transfer of funds to the Deposit Accounts at ICS Settlement the *next* Business Day ("*Regular Program Deposit*").

(b) Schedule 1 may provide that a transfer of funds to the Deposit Accounts at ICS Settlement on the *same* Business Day ("*Same-Day Program Deposit*") is available and, if so, the cutoff time for you to request a Same-Day Program Deposit ("*Same-Day Deposit Cutoff Time*").

(c) We may impose a maximum Program Balance amount for deposits that we place for you through ICS and will inform you of any such amount we impose. Even if a Triggering Event for a Program Deposit occurs, we may choose not to transfer the amount to the Deposit Accounts if it would cause the Program Balance to exceed the maximum.

4.4. Program Withdrawals

(a) Subject to the terms and conditions of this Agreement, and except as provided in Section 4.4(b), a Triggering Event for a Program Withdrawal will result in a transfer of funds from the Deposit Accounts at ICS Settlement the *next* Business Day ("*Regular Program Withdrawal*").

(b) Schedule 1 may provide that a transfer of funds from your Deposit Accounts at ICS Settlement on the *same* Business Day ("*Same-Day Program Withdrawal*") is available and, if so, the cutoff time for you to request a Same-Day Program Withdrawal ("*Same-Day Withdrawal Cutoff Time*").

4.5. Withdrawal Advances; Security Interest

(a) If Schedule 1 states that we will advance funds to you in anticipation of a Program Withdrawal, or if we otherwise decide in our discretion to advance funds to you in anticipation of a Program Withdrawal, you will owe the amount of these funds to us and we will retain from the funds we receive at ICS Settlement the amount we have advanced to you.

(b) With respect to any amount that you owe to us pursuant to Section 4.5(a):

(i) you grant us, and acknowledge that we have, a security interest in, and a lien on, the Deposit Accounts, related security entitlements, and other related interests and assets that we may hold for you as custodian and securities intermediary pursuant to the Custodial Agreement for the amount that you owe to us,

(ii) if a Destination Institution fails before a Program Withdrawal is completed, we may retain the amount of the Program Withdrawal from the proceeds of your FDIC insurance claim to satisfy the amount that you owe to us, and

(iii) to the extent that the amount that you owe to us is not satisfied from the interests and assets we are holding for you pursuant to the Custodial Agreement, or from the proceeds of any FDIC insurance claim, the amount remains owed by you to us and is payable on demand.

(c) If, in a separate agreement, you have granted us a security interest in the Deposit Accounts or in any security entitlements or other interests or assets relating to the Deposit Accounts as collateral for a loan to you or otherwise, we may decline to honor a request for a Program Withdrawal, or decline to honor a debit transaction in the Root Account that would trigger a Program Withdrawal or be funded by a Program Withdrawal, to the extent the Program Withdrawal would cause your Program Balance to fall below the loan amount or other amount that you have agreed to maintain in the Deposit Accounts or to which the security interest applies. If, in a separate agreement, you have granted us a security interest in the Root Account, we also may decline to honor transactions in the Root Account in accordance with the separate agreement.

4.6. Account Type and Withdrawal Limit, If Any

(a) Deposits that we place for you at a Destination Institution will be placed in a Deposit Account that is a demand deposit account ("*DDA*") or a Deposit Account that is a money market deposit account ("*MMDA*"), as provided in Schedule 2. In accordance with federal regulations, each Destination Institution reserves the right to require written notice of an intended withdrawal from an MMDA not less than seven days before the withdrawal is made. Each Destination Institution has agreed that it will not exercise this right for ICS deposits unless it does so for all savings deposits it holds, including those not received through ICS.

(b) Schedule 2 provides (i) that we will place deposits for you in DDAs, (ii) that we will place deposits for you in MMDAs, or (iii) that we may place deposits for you in DDAs, MMDAs, or both.

(c) Schedule 2 also provides, if MMDAs will or may be used, (i) that an MMDA Program Withdrawal limit of six per month applies or (ii) that no MMDA Program Withdrawal limit applies.

(d) If a Program Withdrawal limit applies and you exceed the six permitted Program Withdrawals from MMDAs in a month:

(i) We may (A) transfer all the remaining funds in the MMDAs to the Root Account associated with the Custodial Account for the MMDAs or (B), if you also have a Custodial Account for DDA deposits, transfer all the remaining funds in the MMDAs to the Custodial Account for DDA deposits.

(ii) In subsequent months we may effect either such transfer at the time of your sixth Program Withdrawal.

(e) If you exceed the six permitted Program Withdrawals from MMDAs in multiple months, we may also make the Custodial Account for the MMDAs ineligible for Program Deposits.

5. Placement Feature

5.1. Reciprocal and One-Way

(a) We are eligible to use a feature of ICS in which, when we place deposits, we receive matching deposits placed by other participating institutions in ICS and may pay a fee to IntraFi ("*Reciprocal Feature*").

(b) We are also eligible to use a feature of ICS in which, when we place deposits, we do not receive matching deposits, but we and IntraFi may receive fees from Destination Institutions ("*One-Way Feature*").

(c) Schedule 2 provides (i) that we may use either the Reciprocal Feature or the One-Way Feature, (ii) that we will use only the Reciprocal Feature, or (iii) that we will use only the One-Way Feature.

5.2. Placement Feature and Rate

(a) Interest on the Deposit Accounts will be earned at the specified Interest Rate regardless of whether the Reciprocal Feature or the One-Way Feature is used.

(b) When the Reciprocal Feature is used, the fee paid to IntraFi may affect rate determination. When the One-Way Feature is used, fees paid by Destination Institutions, or cost-of-funds rates for Destination Institutions, may affect rate determination.

(c) If we are eligible to use the Reciprocal Feature, and you authorize us to use either the Reciprocal Feature or the One-Way Feature, we may use a feature with greater benefits to you, to us, or both.

5.3. Placement Requirements

(a) Under the laws of some states, governmental units may submit deposits for placement through a deposit placement network only if the placing institution is located in the state and receives matching deposits of an equal maturity, if any, and an equal amount.

(b) If you are a state governmental unit, or if you are otherwise subject to restrictions on the placement of deposits for you, you are responsible for determining whether deposit placement in accordance with this Agreement satisfies any applicable restrictions.

6. Daily Allocation and Depositor Control

6.1. Daily Allocation; Review and Consent

(a) The process for allocating Program Deposits, Program Withdrawals, and funds already on deposit reflects various considerations, including the need for certain Destination Institutions to receive deposits in amounts that they have placed for their own customers and possible limits on the amounts that an institution is authorized to place or a Destination Institution has agreed to receive. Applicable deposit amounts may change from day to day. Accordingly, the allocation of funds takes place each Business Day.

(b) The set of Destination Institutions to which your funds on deposit are allocated on a Business Day, and the amount allocated to each Destination Institution, may differ from a previous Business Day's allocation. A different allocation may involve the movement of funds from one Destination Institution to another Destination Institution, even though you do not have a Program Deposit or a Program Withdrawal. Such movements of funds will not affect the Interest Rate.

(c) You exercise control over the allocation of your funds through direct contact with us and through the DCP. You are responsible for reviewing the important information we provide you through the DCP, including information regarding proposed allocations that we provide each Business Day. In addition, on request at any time, we will provide you with a list of all Destination Institutions.

(d) Although we will not allocate your funds to Destination Institutions that you exclude or reject as set forth below, you authorize and consent to the allocation of your funds at Destination Institutions that you approve, or do not exclude or reject, as set forth below.

6.2. Destination Institution Exclusions

(a) You may enter the name of any depository institution on a list of exclusions from eligibility to receive deposits we place for you through ICS ("*Exclusions List*").

(b) You may add institutions to your Exclusions List in a manner we specify, which may be by entering exclusions on Schedule 2, by entering them through the DCP, or in another manner.

(c) An Exclusions List, and any changes to it, will be effective within one Business Day after the first Business Day on which we have received the Exclusions List or changes to it from you or you have entered them on the DCP.

6.3. Depositor Control Panel

(a) You must be capable of using, and you agree to use, the Depositor Control Panel ("*DCP*"), an online tool, to review provisional allocations of deposits and for other purposes. You also agree to receive notices that may be posted on the DCP or sent to you by email. The address of the Depositor Control Panel is https://www.depositorcontrol.com.

(b) You represent that you have a computer with Internet access, an e-mail address, the ability to download and print information from the DCP, and the knowledge and experience to use an online tool for DCP functionality. In addition, you acknowledge that you must obtain and maintain all equipment and services necessary for access to the DCP.

(c) To access the DCP, you must create login credentials. To create your login credentials, click on the applicable link on the DCP home page. Alternatively, we may send to you an email containing a link that will enable you to create login credentials. If we have enabled access by you to the DCP using a single-sign-on system that we provide, you may not be able to self-register for the DCP in the manner described above.

(d) From within the DCP, you may invite a user to create login credentials that will permit the user to access your DCP account. Such users may have access to your account information and DCP functionality, and you are responsible for their acts or omissions.

6.4. Depositor Placement Review

(a) Each Business Day, your aggregate principal balance that will be in Deposit Accounts after that day's ICS Settlement will be provisionally allocated to Destination Institutions. The amount allocated will reflect your Program Balance as of the last ICS Settlement, plus any Program Deposit that will occur at the day's ICS Settlement, minus any Program Withdrawal that will occur at the day's ICS Settlement. The allocation may provide that previously-deposited funds will be removed from a Destination Institution and deposited in another Destination Institution.

(b) After the provisional allocation occurs on a Business Day, but before allocation becomes final at ICS Settlement, Depositor Placement Review ("*DPR*") will occur through the DCP. Even if a Destination Institution is not on your Exclusions List, the final allocation that day will not allocate your funds to the Destination Institution if you reject it during DPR through the DCP. Your rejection of a Destination Institution will be effective only if you submit it before DPR ends.

(c) The DPR period each Business Day will be as follows: 3:00 PM to 3:15 PM Eastern time. Daylight Saving Time applies when nationally in effect. We may change the DPR period by posting notice on the DCP in advance of the change.

(d) In DPR, you will see a list of Destination Institutions to which your funds are proposed to be allocated at ICS Settlement later that day ("*Proposed Placement List*"), reflecting the provisional allocation of all your funds, including funds that will be moved from one Destination Institution to another Destination Institution. The Proposed Placement List will include the principal balance allocated to each Destination Institution. If you review the Proposed Placement List, and you click the approval button or you do not reject any of the Destination Institutions on the list, you will be approving the allocation and your funds will be allocated in accordance with the list.

(e) If you reject any of the Destination Institutions on the Proposed Placement List, you will be approving allocation to Destination Institutions on the list that you do not reject. After entering rejections, if sufficient time remains in DPR, you will have the opportunity to review a list of other Destination Institutions to which your funds could be allocated ("*Alternate Placement List*"). If you click the approval button for the Alternate Placement List, or you do not reject any of the Destination Institutions on it, you will be approving the allocation of your funds to any of the listed Destination Institutions. If you reject any of the Destination Institutions on the Alternate Placement List, you will be approving allocation to listed Destination Institutions that you do not reject. Your funds may be allocated to any combination of Destination Institutions on the Proposed Placement List and the Alternate Placement List that you do not reject.

(f) If the provisional allocation on a Business Day would result in funds of yours currently at a Destination Institution being moved to another Destination Institution and you reject the other Destination Institution

in DPR that Business Day, the funds will not necessarily remain at the first Destination Institution. The funds will be allocated to a Destination Institution that you do not reject or returned to the Root Account.

(g) A Destination Institution that you reject in DPR will also be added to your Exclusions List, for purposes of future allocations, within one Business Day after the Business Day on which you submit the rejection.

(h) We do not guarantee that all your funds will be allocated to Destination Institutions on any particular day, even if they were allocated to Destination Institutions on a previous day. Exclusions and rejections of Destination Institutions may increase the chance that funds will not be allocated. If funds not yet transferred to the Deposit Accounts are not allocated to a Destination Institution on a Business Day, the funds will remain in the Root Account. If funds previously transferred to the Deposit Accounts are not allocated to a Destination Institution on a Business Day, the funds will be returned to the Root Account.

7. FDIC Insurance Considerations

7.1. Deposit Insurance Coverage

(a) You may obtain information about FDIC deposit insurance coverage by visiting the FDIC website at http://www.fdic.gov or by contacting the FDIC by letter, email, or telephone.

(b) All of your deposits at a Destination Institution in the same insurable capacity (whether you are acting directly or through an intermediary) will be aggregated for the SMDIA. You should add to your Exclusions List any depository institution at which you have other deposits in the same insurable capacity. Insurable capacities include, among others, individual accounts and joint accounts.

(c) You are responsible for determining whether deposits we place for you are maintained in separate insurable capacities. Separate divisions within a corporate entity are not eligible for separate insurance coverage, and a separate TIN or other Depositor Identifier does not establish a separate insurable capacity.

(d) We will use the Depositor Identifier to identify you, and we will place deposits for you on the understanding that you are not submitting deposits for placement in ICS or CDARS under more than one Depositor Identifier in the same insurable capacity.

(e) The requirements for FDIC deposit insurance coverage of the deposits of governmental units, including the United States government, state and local governments, the District of Columbia, and the Commonwealth of Puerto Rico, are set forth in FDIC regulations. If you are a governmental unit, you are responsible for determining whether the requirements for deposit insurance have been met. We are not responsible for losses resulting from the placement of deposits that are not eligible for FDIC deposit insurance.

(f) Records that we maintain, or that BNY maintains for us, reflecting ownership of the Deposit Accounts will be used to establish your eligibility for deposit insurance coverage. Accordingly, you must immediately report to us any changes in ownership information so that there will be accurate information to provide to the FDIC if a Destination Institution fails and the FDIC pays its insured deposits by cash payment. The FDIC could also require you to provide additional documentation.

7.2. Responsibility to Monitor Deposits; Available Information

(a) You are responsible for monitoring the total amount of your funds at each Destination Institution in each insurable capacity to determine the extent of FDIC deposit insurance coverage available to you for deposits at that Destination Institution. You should confirm that each placement of your funds at Destination Institutions is consistent with your exclusions and rejections.

(b) You can obtain publicly available financial information on Destination Institutions from the National Information Center of the Federal Reserve System at www.ffiec.gov/nicpubweb/nicweb/nichome.aspx.

7.3. Uninsured Deposits

(a) Although we will not place a deposit for you through ICS at any one Destination Institution in an amount that exceeds the SMDIA, a deposit that we place for you will not be eligible for FDIC insurance coverage at a Destination Institution before it becomes a deposit at the Destination Institution or after it is withdrawn from the Destination Institution.

(b) A deposit in the Root Account will be aggregated with your other deposits with us in the same insurable capacity for application of the SMDIA of $250,000.

(c) If you cannot accept the risk of having a deposit with us that is not fully insured, you will be responsible for making arrangements with us, if we offer

them, to have the deposits collateralized, protected by a properly-executed repurchase sweep arrangement, or otherwise adequately protected, in a manner consistent with applicable law. You should consult your legal advisor to determine whether a collateralization arrangement is consistent with applicable law.

(d) If you cannot accept the risk of having a deposit with us that is not fully insured, and we do not offer arrangements of the kind described in Section 7.3(c) or we offer them but you do not make such arrangements with us, you should not submit deposits for placement through ICS.

7.4. Deposit Insurance Payments

(a) In case of the liquidation of, or other closing or winding up of the affairs of, an insured depository institution, the FDIC is generally required by law to pay each insured deposit "as soon as possible," either by cash payment or by transferring the deposit to another insured depository institution. It is possible, however, that an insurance payment could be delayed. Neither we nor any other person or entity will be obligated to advance funds to you with respect to an insurance payment or to make any payment to you in satisfaction of a loss you might incur as a result of a delay in an insurance payment.

(b) If a Destination Institution at which we place deposits for you is closed and the FDIC does not transfer deposits that include your funds to another insured depository institution, but will make a deposit insurance cash payment, we will cause a deposit insurance claim for your funds to be filed with the FDIC, and we will credit to you the proceeds of the deposit insurance claim that we receive for your funds, subject to any valid security interest.

(c) If the FDIC makes a deposit insurance cash payment for a Deposit Account at a closed Destination Institution, the FDIC is required by law to pay the principal amount plus unpaid accrued interest to the date of the closing of the Destination Institution, as prescribed by law, subject to the SMDIA. No interest is earned on a Deposit Account at a Destination Institution after it closes.

(d) If the FDIC transfers the deposits of a closed Destination Institution to another insured depository institution, the acquiring institution may assume a Deposit Account. The acquiring institution may change the rate at which it pays interest on the assumed Deposit Account, subject to your right to withdraw the funds.

8. Additional Considerations

8.1. Compare Rates

(a) We are not acting as your investment advisor with respect to the placement of funds using ICS, and we are not advising you about alternative investments. You are responsible for comparing the rates of return and other features of the Deposit Accounts to other available deposit accounts and other kinds of investments before choosing placement through ICS.

(b) The Interest Rate may be higher or lower than a cost-of-funds rate for a Destination Institution, an interest rate for another customer, or interest rates on comparable deposits available directly from us, from the Destination Institutions at which the Deposit Accounts are held, from other Destination Institutions, or from insured depository institutions that are not Destination Institutions.

8.2. Allocation Considerations

(a) The ICS allocation process is subject to applicable law and may be affected by our objectives, IntraFi's objectives, or both, including administrative convenience, reduction of costs, and enhancement of profits.

(b) Participating institutions in the ICS service may make compensatory payments resulting in payments to other participating institutions, or receive compensatory payments resulting from payments by other participating institutions, including compensatory payments that reflect the difference between an interest rate for deposits placed by an institution and a rate at which the receiving institution would otherwise pay interest.

8.3. Mutual Institution Rights

(a) Your funds may be placed in a Deposit Account at a Destination Institution that is in the mutual form of organization. Such a Deposit Account will be recorded on the records of the mutual institution in the name of the sub-custodian and not in your name. The sub-custodian will not attend or vote at any meeting of the depositor members of a mutual institution, or exercise any subscription rights in a mutual institution's mutual-to-stock conversion, either on its own behalf or on your behalf.

(b) If we receive from the sub-custodian notice of a meeting of depositor members of a mutual institution or other materials or information relating to a mutual institution's mutual-to-stock conversion, we may forward

such notice, materials, or information to you. If you wish to receive such notice, materials, or information directly from the mutual institution, or if you wish to attend or vote at any meeting of the depositor members of the mutual institution or receive subscription rights, you must, before the applicable record date (a date that is usually at least one year before the mutual institution's board of directors adopts a plan of conversion), dismiss us as your custodian and have the Deposit Account recorded on the records of the mutual institution in your name pursuant to Section 2(f).

9. Other Provisions

9.1. Release and Use of Identifying Information

(a) We may provide information that identifies you ("*Identifying Information*"), including your name, your TIN or other Depositor Identifier, and information on your deposits, to a party that provides services in connection with ICS ("*Service Provider*"), including IntraFi and BNY. A Service Provider may use Identifying Information in providing services in connection with ICS.

(b) We or a Service Provider may also provide Identifying Information to a Destination Institution at which your funds are deposited, but will do so only to the extent necessary to comply with a request by you or your agent or to comply with applicable law. In addition, we or a Service Provider may provide Identifying Information to the FDIC in connection with a deposit insurance claim.

(c) Except as provided in Section 9.1(a) or Section 9.1(b), we will not provide Identifying Information to any party unless we determine that (i) we are required by applicable law to do so or (ii) we are permitted by applicable law to do so and have reasonable grounds to do so to protect our own legal or business interests or the legal or business interests of IntraFi or BNY.

(d) IntraFi may use and disclose any and all analyses, comparisons, indexes, or other data or information assembled, compiled, or otherwise developed by IntraFi, including information regarding aggregated activity of ICS depositors, as long as it does not individually identify you.

9.2. Tax Reporting and Withholding

(a) To the extent required by applicable law, we will file with the U.S. Internal Revenue Service ("IRS"), and furnish to you, IRS Form 1099-INT or its equivalent, or IRS Form 1042-S or its equivalent, for interest paid on the Deposit Accounts by the Destination Institutions.

(b) If we are notified by the IRS that backup withholding is required for interest on the Deposit Accounts, or if we otherwise determine that we are required by applicable law to collect such backup withholding, we will collect it and pay it to the IRS.

9.3. Liability and Dispute Resolution

(a) We will maintain, directly or through a Service Provider, appropriate records of our placements for you. We will not place deposits for you through ICS at a Destination Institution that is the subject of a then-effective exclusion on your Exclusions List, at a Destination Institution that is the subject of a then-effective rejection by you, or at a Destination Institution under one Depositor Identifier in an amount that exceeds the SMDIA.

(b) If all or part of your funds in a Deposit Account at a Destination Institution are uninsured because of our failure to comply with the requirements set forth in Section 9.3(a), and if the Destination Institution fails and you do not otherwise recover the uninsured portion, we will reimburse you for your documented loss of the uninsured portion that you do not otherwise recover.

(c) SUBJECT TO OUR REIMBURSEMENT OBLIGATION IN SECTION 9.3(b), AND EXCEPT AS MAY BE OTHERWISE REQUIRED BY APPLICABLE LAW, WE WILL NOT BE LIABLE, AND IN NO EVENT WILL INTRAFI OR BNY BE LIABLE, TO YOU OR TO ANY OTHER PERSON OR ENTITY FOR ANY LOSS OR DAMAGE INCURRED OR ALLEGEDLY INCURRED IN CONNECTION WITH THIS AGREEMENT. WITHOUT LIMITING THE FOREGOING, WE, INTRAFI, AND BNY WILL NOT HAVE ANY LIABILITY TO YOU OR ANY OTHER PERSON OR ENTITY FOR: (i) ANY LOSS ARISING OUT OF OR RELATING TO A CAUSE OVER WHICH WE DO NOT HAVE DIRECT CONTROL, INCLUDING THE FAILURE OF ELECTRONIC OR MECHANICAL EQUIPMENT OR COMMUNICATION LINES, TELEPHONE OR OTHER INTERCONNECT PROBLEMS, UNAUTHORIZED ACCESS, THEFT, OPERATOR ERRORS, GOVERNMENT RESTRICTIONS, OR FORCE MAJEURE (*E.G.*, EARTHQUAKE, FLOOD, SEVERE OR EXTRAORDINARY WEATHER CONDITIONS, NATURAL DISASTERS OR OTHER ACT OF GOD, FIRE, ACTS OF WAR, TERRORIST ATTACKS, INSURRECTION, RIOT, STRIKES, LABOR DISPUTES OR SIMILAR PROBLEMS, ACCIDENT, ACTION OF GOVERNMENT, COMMUNICATIONS, SYSTEM OR POWER FAILURES, OR EQUIPMENT OR SOFTWARE MALFUNCTION), (ii) DELAY IN ANY FDIC INSURANCE PAYMENT, (iii) THE FINANCIAL CONDITION OF ANY DESTINATION INSTITUTION OR THE ACCURACY OF ANY FINANCIAL INFORMATION ABOUT ANY DESTINATION INSTITUTION, OR (iv) ANY SPECIAL, INDIRECT,

PUNITIVE, INCIDENTAL, OR CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS).

(d) ANY DISPUTE ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT WILL BE GOVERNED BY THE DISPUTE RESOLUTION, ARBITRATION, CHOICE OF LAW, VENUE, WAIVER OF JURY TRIAL, AND COSTS RELATED TO DISPUTES PROVISIONS, IF ANY, CONTAINED IN THE CUSTODIAL AGREEMENT.

9.4. Miscellaneous

(a) This Agreement constitutes the entire agreement between you and us relating to the placement of deposits through ICS and any other matter herein, supersedes prior agreements, understandings, negotiations, representations, and proposals, whether written or oral, relating to any matter herein, and may not be amended by any oral representation or oral agreement. This Section 9.4(a) will not affect the validity of any written addenda to this Agreement into which we have entered with you.

(b) Schedule 1 and Schedule 2 are incorporated into and made part of this Agreement. We may amend this Agreement, including any Schedule, prospectively by giving you written notice of the amendment at least fourteen (14) days before the effective date of the amendment, which will be specified in the notice or, if no effective date is specified in the notice, the date that is fourteen (14) days after we give you written notice of the amendment. We may provide written notice of the amendment by means of a posting on the DCP, an entry on your account statement, an email message, or a printed letter.

(c) Either party may terminate this Agreement on written notice to the other, but the obligations of both parties will survive with respect to any funds deposited at the time of termination. In addition, the provisions of this Section 9.4 will survive termination.

(d) Except as provided in Section 2(i), this Agreement may not be assigned, in whole or in part, by either party except by operation of law or as required by applicable law, and any purported assignment in violation hereof is void.

(e) The headings in this Agreement are not intended to describe, interpret, define, or limit the scope, meaning, or intent of this Agreement or any clause in it. Except as otherwise specified, a reference to a Section is a reference to a section of this Agreement. A reference to a Schedule is a reference to a schedule to this Agreement. The term “applicable law” refers to all applicable statutes, rules, regulations, and judicial orders, whether federal, state, or local. The words “include,” “includes,” and “including” do not imply exclusion.

(f) This Agreement and, unless otherwise provided in the Custodial Agreement, the Custodial Agreement may be executed in counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute only one instrument. This Agreement and, unless otherwise provided in the Custodial Agreement, the Custodial Agreement will be valid, binding, and enforceable against you and us when executed by one of the following means that we accept: (i) an original manual signature, (ii) a DocuSign® eSignature or another electronic signature that we accept, or (iii) a faxed, scanned (including in a PDF document), or photocopied signature that we accept. Each DocuSign® eSignature, other electronic signature, or faxed, scanned, or photocopied signature that we accept shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original signature, and you and we waive any objection to the contrary.

Schedule 1 to ICS Deposit Placement Agreement

Program Deposits and Program Withdrawals

This **Schedule 1** is part of the ICS Deposit Placement Agreement ("*Agreement*"). Terms not defined in this Schedule 1 have the meanings, if any, assigned elsewhere in the Agreement.

1. Specified Terms

(a) For DDAs, the Target Balance, Minimum Sweep Amount, and Minimum Return Amount are as follows:

Target Balance	Minimum Sweep Amount	Minimum Return Amount
$	$	$

(b) For MMDAs, the Target Balance, Minimum Sweep Amount, and Minimum Return Amount are as follows:

Target Balance	Minimum Sweep Amount	Minimum Return Amount
$	$	$

(c) The Same-Day Deposit Cutoff Time is as follows:

☐ (insert time) ☐ AM ☐ PM (check AM or PM) ☐ Eastern ☐ Central ☐ Mountain ☐ Pacific (check time zone)

Daylight Saving Time applies when nationally in effect unless checked here ☐

2. Program Deposits

(a) The Triggering Event for a Regular Program Deposit is a net change in your Root Account balance that causes it to exceed the Target Balance by more than the Minimum Sweep Amount. After posting all your Root Account activity for a Business Day, we will determine whether your Root Account balance exceeds the Target Balance by more than the Minimum Sweep Amount. Subject to the terms and conditions of this Agreement, if such a Triggering Event occurs, we will transfer the amount by which your Root Account balance exceeds the Target Balance to the Deposit Accounts at ICS Settlement on the next Business Day.

(b) The Triggering Event for a Same-Day Program Deposit is a Same-Day Program Deposit request by you that we receive and accept before the Same-Day Deposit Cutoff Time on a Business Day. Subject to the terms and conditions of this Agreement, if such a Triggering Event occurs, we will transfer the requested amount to the Deposit Accounts at ICS Settlement later on the same Business Day.

(c) If a Triggering Event for a Program Deposit occurs, we may debit the Root Account and credit a holding account before the transfer of funds to the Deposit Accounts occurs at ICS Settlement. Funds held in a holding account may not accrue interest prior to ICS Settlement.

3. Program Withdrawals

(a) All Program Withdrawals will be Regular Program Withdrawals, which occur on the Business Day following the Triggering Event. The Triggering Event for a Program Withdrawal is a net change in your Root Account balance, after the posting of all your Root Account activity for a Business Day, that causes it (exclusive of any amounts that we credit as advances in anticipation of a Program Withdrawal) to be less than the Target Balance by more than the Minimum Return Amount. Subject to the terms and conditions of this Agreement, if such a Triggering Event occurs, we will transfer an amount from the Deposit Accounts at ICS Settlement on the next Business Day, up to the available amount in the Deposit Accounts, sufficient to restore your Root Account balance to the Target Balance.

(b) Subject to the terms and conditions of this Agreement, and subject to the rules and cutoff times that otherwise apply to root accounts with us, we will honor your debit transactions in the Root Account so long as the sum of your Root Account balance and your balance in the Deposit Accounts of the applicable type, after taking into account any pending Program Deposits and any pending Program Withdrawals, is not less than zero. We will do so even if the amount of the debit transaction exceeds your Root Account balance. You will owe us any amounts that we credit as advances in anticipation of a Program Withdrawal, and we will retain those amounts from the funds we receive at ICS Settlement.

(c) If a Triggering Event for a Program Withdrawal occurs, we may credit the Root Account and debit a holding account before the transfer of funds from the Deposit Accounts occurs at ICS Settlement.

Schedule 2 to ICS Deposit Placement Agreement

Account Type, Placement Feature, and Exclusions

This **Schedule 2** is part of the ICS Deposit Placement Agreement ("*Agreement*"). Terms not defined in this Schedule 2 have the meanings, if any, assigned elsewhere in the Agreement.

1. Account Type

☐ We will place deposits for you in DDAs.

☐ We will place deposits for you in MMDAs.

☐ We may place deposits for you in DDAs, MMDAs, or both.

(Check one above.)

→

☐ You may use up to six MMDA Program Withdrawals per month.

☐ No per-month MMDA Program Withdrawal limit applies.

(If MMDAs will or may be used, check one above.)

2. Placement Feature

☐ We may use the Reciprocal Feature, the One-Way Feature, or both in placing deposits for you.

☐ We will use only the Reciprocal Feature in placing deposits for you.

☐ We will use only the One-Way Feature in placing deposits for you.

(Check one above.)

3. Exclusions

(a) You may place depository institutions on your Exclusions List by identifying them in the list below, unless we specify another means by which you will provide your Exclusions List.

(b) The Exclusions List should include the city and state of the depository institution's main office (rather than the city and state of a branch location). The Exclusions List may also include the institution's FDIC certificate number or transit routing number. If you do not list any exclusions enter "none" under Name of Institution on the first line (but your signature after a blank list will constitute your acknowledgment that you have not listed any exclusions).

(c) Exclusions List:

Name of Depository Institution	City and State	FDIC Certificate or Routing Number

(Add lines if necessary.)

Custodial Agreement

You, the undersigned, enter into this Custodial Agreement ("*Agreement*") with the following financial institution ("*we*" or "*us*"):

1. Pursuant to this Agreement, you authorize us to hold and act as your custodian with respect to all deposit accounts, including all time deposits, money market deposit accounts, and demand deposit accounts, issued or established pursuant to the CDARS Deposit Placement Agreement, the ICS Deposit Placement Agreement, or a predecessor agreement ("*Deposit Accounts*") for funds of yours placed as deposits through CDARS®, the Certificate of Deposit Account Registry Service®, or ICS®, the IntraFi Cash Service®, and all your security entitlements and other related interests and assets with respect to the Deposit Accounts ("*Related Entitlements*"). The custodial account in which we will hold the Deposit Accounts and Related Entitlements ("*Custodial Account*") comprises all the CDARS and ICS custodial accounts that we maintain for you.

2. As your custodian, we may (i) cause the Deposit Accounts to be titled in our name or in the name of our sub-custodian, (ii) collect for your account all interest and other payments of income or principal pertaining to the Deposit Accounts, (iii) endorse on your behalf any check or other instrument received for your account that requires endorsement, (iv) in accordance with your instructions, deposit your funds in, or withdraw your funds from, the Deposit Accounts, (v) in accordance with your instructions, deliver or transfer funds from another account with us to the Deposit Accounts or deliver or transfer funds from the Deposit Accounts to another account with us, (vi) for Deposit Accounts that are time deposits, surrender for payment for your account maturing CDs and those for which early withdrawal is requested, (vii) execute and deliver or file on your behalf all appropriate receipts and releases and other instruments, including whatever certificates may be required from custodians or may be necessary to obtain exemption from taxes and to name you when required for the purpose of the instrument, and (viii) take such other actions as are customary or necessary to effectuate the purposes of this Agreement.

3. For purposes of Article 8 of the Uniform Commercial Code in applicable state law ("*UCC*"), we will act as your securities intermediary for, and will treat as financial assets, any Deposit Accounts and Related Entitlements that we hold for you pursuant to this Agreement. The Custodial Account will be a securities account, as defined in the UCC.

4. We may comply with any writ of attachment, execution, garnishment, tax levy, restraining order, subpoena, warrant, or other legal process that we believe (correctly or otherwise) to be valid. We may notify you of such process by telephone, electronically, or in writing. If we are not fully reimbursed for records research, imaging, photocopying, and handling costs by the party that served the process, we may charge such costs to your account, in addition to any minimum fee we charge for complying with legal processes.

5. We may honor any legal process that is served personally, by mail, or by electronic mail or facsimile transmission at any of our offices or an office of our agent (including locations other than where the funds, records, or property sought is held), even if the law requires personal delivery at the office where your account or records are maintained.

6. We will have no liability to you for any good-faith act or omission by us in connection with this Agreement. You agree to indemnify us and our sub-custodian, and to hold us and our sub-custodian harmless from, all expenses (including counsel fees), liabilities, and claims arising out of any good-faith act or omission by us in connection with this Agreement or compliance with any legal process relating to the Custodial Account that we believe (correctly or otherwise) to be valid. You agree to pay any service charges that we impose on the Custodial Account.

7. You may be an individual in an individual capacity, more than one individual in a joint capacity, or a trust, partnership, corporation, or other legal entity. We may accept instructions on your behalf from any individual who signs this Agreement as or on behalf of a Depositor and from any of the following individuals:

Name	Title or Legal Capacity

By signing below, you ("*Depositor*") and we ("*Relationship Institution*") agree to be legally bound by this Custodial Agreement, effective when you and we have signed it. If the Custodial Account will be a joint account, each owner of the Custodial Account must sign this Agreement.

Overnight Sweep Facility & Basis Point Reduction

For the overnight sweep facility, FPCB is a member of the IntraFi Network, just as COFB's current banking provider. IntraFi is a network of participating banks that allows us to insure our customers' deposits for amounts over the FDIC limit of $250,000, up to $160 million.

There are **NO** basis point reductions.

IntraFi is a nationally recognized deposit placement network that enables First Port City Bank to provide enhanced cash management solutions with access to multi-million-dollar FDIC insurance coverage across participating financial institutions.

Through IntraFi services such as ICS® (Insured Cash Sweep®) and CDARS®, the City can place large deposits with First Port City Bank while maintaining full FDIC protection, daily liquidity, and streamlined reporting—all through a single trusted banking relationship. This structure delivers maximum security, operational efficiency, and safety of public funds without sacrificing local service and accountability.

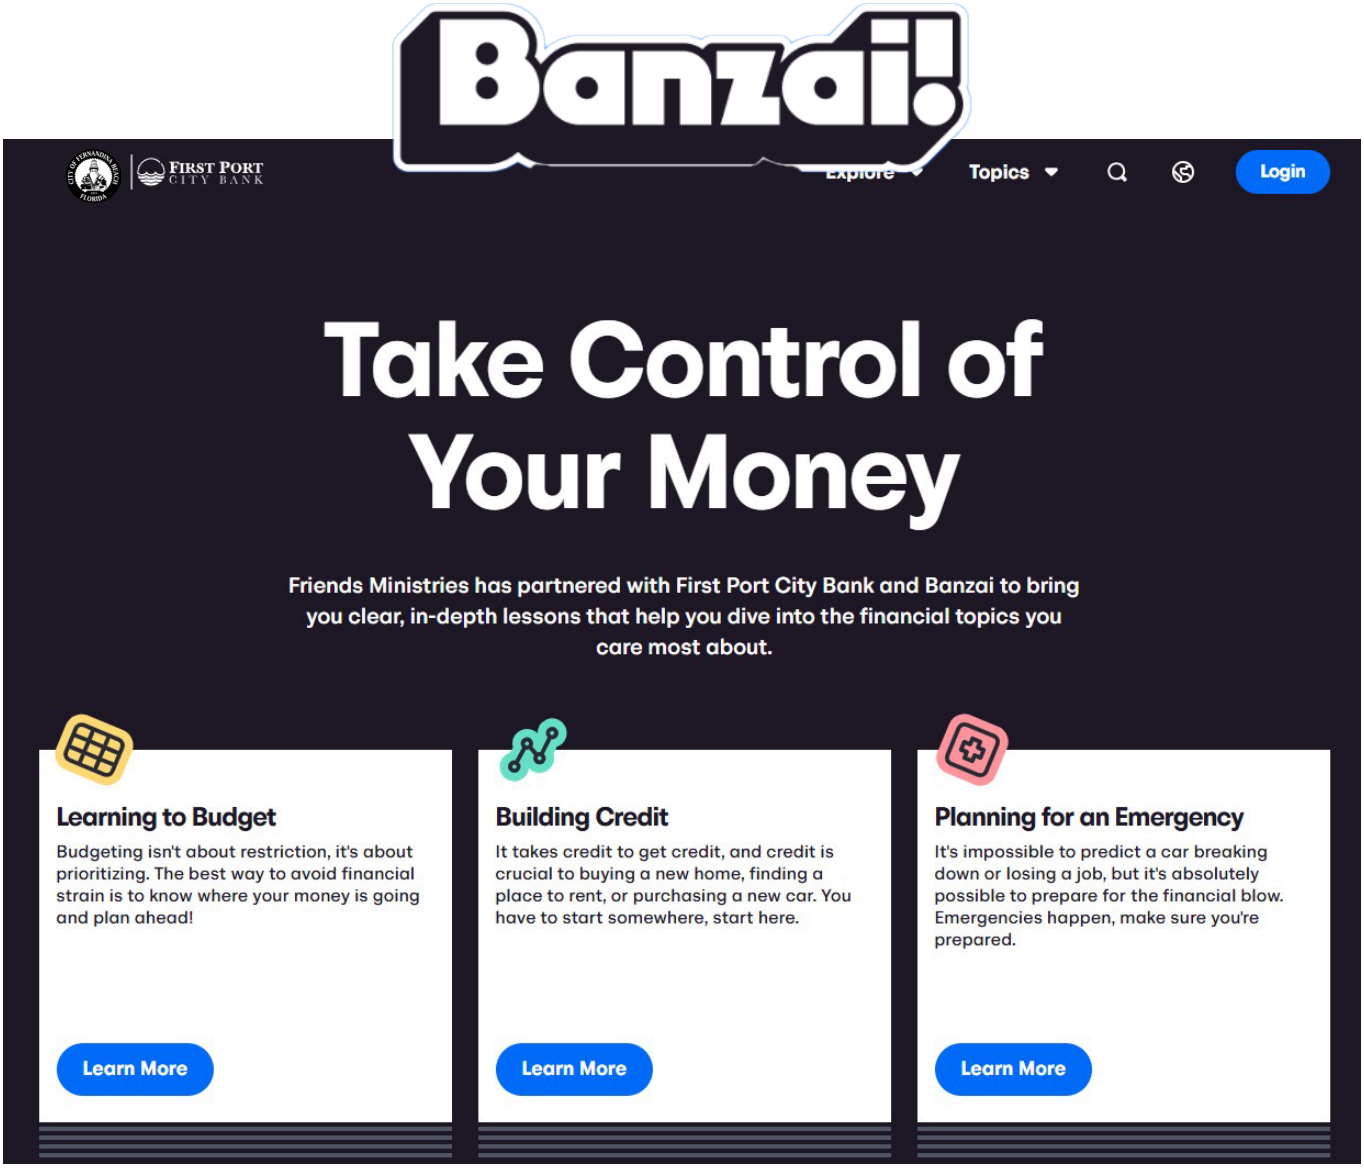
SmartSafe Technology – Accelerated Funds Availability

First Port City Bank's SmartSafe technology modernizes cash handling by providing same-day provisional credit for deposits, allowing clients to begin earning interest immediately. Unlike traditional courier-based cash collection — where funds collected after a scheduled pickup are not credited until the following business day — SmartSafe deposits are verified, reported, and credited the same day.

This accelerated crediting process improves liquidity, enhances cash flow visibility, and reduces idle cash exposure. For municipalities such as the City, this means collected funds begin working sooner, generating interest revenue earlier and strengthening overall treasury efficiency.
By combining enhanced security, real-time reporting, and faster crediting, SmartSafe delivers a safer, more efficient, and more financially advantageous alternative to traditional armored courier deposit methods.

**Smartsafe(s) are in addition to regular courier pickups.*

Same-Day ACH with Bill Bay



First Port City Bank offers Same-Day ACH functionality fully integrated within our Bill Bay platform, providing a fast, efficient alternative to traditional wire transfers. Payments submitted before 3:00 PM are processed and settled the same business day, allowing vendors and payees to receive funds quickly without the higher costs typically associated with wire transfers.

Same-Day ACH delivers the speed businesses need, the convenience of integrated bill payment processing, and a more cost-effective solution for time-sensitive transactions — all within one streamlined platform.

INDEPENDENT AUDITOR'S REPORT

To the Stockholders and Board of Directors
Port City Holding Co., Inc.
Bainbridge, Georgia

Opinion

We have audited the accompanying consolidated financial statements of Port City Holding Co., Inc. (a Georgia Corporation) and Subsidiary, which comprise the consolidated balance sheets as of December 31, 2023 and 2022, and the related consolidated statements of income, comprehensive income, changes in stockholders' equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Port City Holding Co., Inc. and Subsidiary as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Port City Holding Co., Inc. and Subsidiary and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Port City Holding Co., Inc. and Subsidiary's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

To the Stockholders and Board of Directors
Port City Holding Co., Inc.
Bainbridge, Georgia

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Port City Holding Co., Inc. and Subsidiary's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Port City Holding Co., Inc. and Subsidiary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

Port City Holding Co., Inc. (the "Company") is a bank holding company whose principal activity is the ownership and management of its wholly-owned subsidiary, First Port City Bank (the "Bank"). The Bank generates commercial, agricultural, mortgage and consumer loans and receives deposits from customers located primarily in Bainbridge and Donalsonville, Georgia. In 2019, the Bank opened a branch in both Yulee, Florida and Fernandina Beach, Florida. The Company is regulated by the Federal Reserve Bank and is subject to periodic examinations. The Bank operates under a state charter and provides a full range of banking services. As a state-chartered institution, the Bank is subject to regulation by the Federal Deposit Insurance Corporation and the Georgia State Department of Banking and Finance.

Basis of Consolidation

The consolidated financial statements include the accounts of the Company and its wholly-owned subsidiary, the Bank. Significant intercompany accounts and transactions have been eliminated in consolidation.

Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Material estimates that are particularly susceptible to significant change in the near term relate to the determination of the allowance for credit losses, other-than-temporary impairment of investment securities, the valuation of foreclosed assets, the valuation of deferred tax assets and the fair value of financial instruments.

While management uses available information to recognize losses on loans and to determine the carrying value of foreclosed assets, further reductions in the carrying amounts of loans and foreclosed assets may be necessary based on changes in local economic conditions. In addition, regulatory agencies, as an integral part of their examination process, periodically review the estimated losses on loans and the carrying value of foreclosed assets. Such agencies may require the Company to recognize additional losses based on their judgments about information available to them at the time of their examination. Because of these factors, it is reasonably possible that the estimated losses on loans and the carrying value of foreclosed assets may change materially in the near term. However, the amount of the change that is reasonably possible cannot be estimated.

Cash and Cash Equivalents

The Company considers cash on hand, cash items in process of collection, amounts due from depository institutions, and interest-bearing deposits in other depository institutions to be cash and cash equivalents for purposes of the statement of cash flows. Cash flows from time deposits in other banks, loans, restricted equity securities, deposits, other borrowings and treasury stock activity are reported net.

The Federal Reserve Bank is no longer requiring the Bank to maintain a reserve requirement as of December 31, 2023 or 2022. The Federal Reserve Bank does not have plans to reimplement the reserve requirement in the near future but reserves the right to increase the reserve percentage at a future date. The Company may also be required to maintain minimum deposit levels with correspondent banks in conjunction with federal funds accommodation lines.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents (continued)

The Company maintains amounts due from banks which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts.

Investment Securities

All investment securities are classified as available for sale and recorded at fair value with unrealized gains and losses excluded from earnings and reported in accumulated other comprehensive income, net of the related deferred income tax effect. At December 31, 2023, there were no known events that have occurred that would require an impairment evaluation of these investments.

The amortization of purchase premiums and accretion of discounts are recognized in interest income using the interest method over the lives of the securities. Realized gains and losses on security transactions, determined using the specific identification method, are included in earnings on the settlement date. Declines in the fair value of securities below their cost that are deemed to be other-than-temporary are reflected in earnings as realized losses.

Restricted Equity Securities

Restricted equity securities consist of stock in the Federal Home Loan Bank and Farmer Mac. The securities have no quoted market values and are carried at cost. At their discretion, the entities may declare dividends on the stock. Management reviews for impairment based on the ultimate recoverability of the cost bases in the investments.

Loans and Interest Income

Loans are reported at principal amounts outstanding net of deferred loan origination fees and the allowance for credit losses. Interest on all loans is calculated by using the simple interest method on the daily balance of the principal amount outstanding. Loan origination fees are deferred and recognized over the term of the loan. Loan origination costs are recognized at the time the loan is recorded. The accrual of interest on loans is discontinued when, in management's opinion, the borrower may be unable to meet payments as they become due, unless the loan is well-secured and in process of collection. Past due status is based on contractual terms of the loan. In all cases, loans are placed on nonaccrual or charged off at an earlier date if collection of principal or interest is considered doubtful. All interest accrued, but not collected for loans that are placed on nonaccrual or charged off, is reversed against interest income or charged to the allowance, unless management believes that the accrual of interest is recoverable through the liquidation of collateral.

Interest income on nonaccrual loans is recognized on either the cash-basis or cost-recovery method, until the loans are returned to accrual status. Loans are returned to accrual status when the loan has been performing according to the contractual terms for a period of not less than six months and future payments are reasonably assured.

Allowance for Credit Losses ("ACL") – Loans

The current expected credit loss (“CECL”) approach requires an estimate of the credit losses expected over the life of an exposure (or pool of exposures). It replaced the incurred loss approach’s threshold that delayed the recognition of a credit loss until it was probable a loss event was incurred. The estimate of expected credit losses is based on relevant information about past events, current conditions, and reasonable and supportable forecasts that affect the collectability of the reported amounts. Historical loss experience is generally the starting point for estimating expected credit losses. The Company then considers whether the historical loss experience should be adjusted for asset-specific risk characteristics or current conditions at the reporting date that did not exist over the historical period used. The Company also considers future economic conditions and portfolio performance as part of a reasonable and supportable forecast period.

The ACL is a valuation account that is deducted from the loans' amortized cost basis to present the net amount expected to be collected on the loans. Loans are charged off against the ACL when management believes the uncollectibility of a loan balance is confirmed. In the event that collection of principal becomes uncertain, the Company has policies in place to reverse accrued interest in a timely manner, therefore, the Company has made a policy election to exclude accrued interest from the measurement of the ACL.

Management determines the ACL balance using relevant available information from internal and external sources, relating to past events, current conditions, and reasonable and supportable forecasts. Historical credit behaviors along with model judgments provide the basis for the estimation of expected credit losses. Adjustments to modeled loss estimates may be made for differences in current loan-specific risk characteristics such as differences in underwriting standards, portfolio mix, delinquency level, or term as well as for changes in environmental conditions, such as changes in economic conditions, property values, or other relevant factors. For the majority of loans and leases, the ACL is calculated using a discounted cash flow methodology applied at the portfolio level.

Expected credit losses are reflected in the allowance for credit losses through a charge to the provision for credit losses. The ACL-loans is measured on a collective basis when similar risk characteristics exist. The Company calculates the ACL for each portfolio segment using a discounted cash flow methodology at the portfolio level, with loss rates, prepayment assumptions and curtailment assumptions driven by each loan’s collateral type.

Loans that do not share risk characteristics are evaluated on an individual basis. When management determines that foreclosure is probable or when the borrower is experiencing financial difficulty at the reporting date and repayment is expected to be provided substantially through the operation or sale of the collateral, expected credit losses are based on the fair value of the collateral at the reporting date, adjusted for selling costs as appropriate or the present value of expected cash flows.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Allowance for Credit Losses - Loans (Prior to the Adoption of ASU 2016-13)

Prior to the adoption of ASU 2016-13, the ACL was an amount that represented a reserve for probable incurred losses in the loan portfolio. The ACL was evaluated on a regular basis by management and was based upon management's periodic review of various risks in the loan portfolio highlighted by historical experience, the nature and volume of the loan portfolio, overall portfolio quality, review of specific problem loans, current economic conditions that may affect the borrower's ability to pay, estimated value of any underlying collateral, and prevailing economic conditions. This evaluation was inherently subjective as it required estimates that were susceptible to significant revision as more information became available. The ACL evaluation did not include the effects of expected losses on specific loans or groups of loans that were related to future events or expected changes in economic conditions.

The ACL consisted of specific and general components. The specific component included loans management considered impaired and other loans or groups of loans that management classified with higher risk characteristics. For such loans that were classified as impaired, an allowance was established when the discounted cash flows, collateral value, or observable market price of the impaired loan was lower than the carrying value of that loan. The general component covered non-classified loans and was based on historical loss experience adjusted for qualitative factors.

The Company segregated the loan portfolio by type of loan and utilized this segregation in evaluating exposure to risks within the portfolio. In addition, based on internal reviews and external reviews performed by independent loan reviewers and regulatory authorities, the Company further segregated the loan portfolio by loan grades based on an assessment of risk for a particular loan or group of loans. In establishing allowances, management considered historical loan loss experience but adjusted this data with a significant emphasis on data such as risk ratings, current loan quality trends, current economic conditions, and other factors in the markets where the Company operates. Factors considered include, among others, current valuations of real estate in their markets, unemployment rates, the effect of weather conditions on agricultural related entities, and other significant local economic events.

Allowance for Credit Losses – Off-Balance Sheet Credit Exposures

Management estimates expected credit losses on commitments to extend credit over the contractual period during which the Company is exposed to credit risk on the underlying commitments. The ACL on off-balance sheet credit exposures is adjusted as a provision for credit loss expense. The estimate includes consideration of the likelihood that funding will occur and an estimate of expected credit losses on commitments expected to be funded over its estimated life. The ACL is calculated using the same aggregate reserve rates calculated for the funded portion of loans at the portfolio level applied to the amount of commitments expected to fund.

Allowance for Credit Losses – Available-for-Sale Securities ("AFS")

For AFS debt securities in an unrealized loss position, the Company first assesses whether it intends to sell, or whether it is more likely than not that it will be required to sell the security before recovery of its amortized cost basis. If either of the criteria regarding intent or requirement to sell is met, the security's amortized cost basis is written down to fair value through income. For AFS debt securities that do not meet the aforementioned criteria, the Company evaluates whether the decline in fair value has resulted from credit losses or other factors. In making this assessment, management considers the extent to which fair value is less than amortized cost, any changes to the rating of the security by a rating agency, and adverse conditions specifically related to the security, among other factors. If this assessment indicates that a credit loss exists, the present value of cash flows expected to be collected from the security are compared to the amortized cost basis of the security.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Allowance for Credit Losses – Available-for-Sale Securities ("AFS") (continued)

If the present value of cash flows expected to be collected is less than the amortized cost basis, a credit loss exists and an ACL is recorded for the credit loss, limited by the amount that the fair value is less than the amortized cost basis. Any amount of unrealized loss that has not been recorded through an ACL is recognized in other comprehensive income. Accrued interest receivable on AFS debt securities is excluded from the estimate of credit losses.

Changes in the ACL are recorded as provision for (or reversal of) credit loss expense. Losses are charged against the ACL when management believes the uncollectibility of an AFS security is confirmed or when either of the criteria regarding intent or requirement to sell is met.

Premises and Equipment

Premises and equipment are carried at cost with depreciation computed using the straight-line method. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is reflected in earnings for the period. The cost of maintenance and repairs which do not improve or extend the useful life of the respective asset is charged to earnings as incurred whereas significant improvements are capitalized.

Foreclosed Assets

Foreclosed assets represent other real estate owned and other repossessions acquired through, or in lieu of, loan foreclosure or other proceedings. Foreclosed assets are held for sale and are initially recorded at fair value less estimated selling costs. Any write down to fair value at the time of transfer to foreclosed assets is charged to the allowance for credit losses. Subsequent to foreclosure, valuations are periodically performed by management and the assets are carried at the lower of the carrying amount or fair value less costs to sell. Costs of improvements are capitalized, whereas costs relating to holding foreclosed assets and subsequent write downs to the value are expensed. There were no foreclosed assets held as of December 31, 2023 and 2022.

Comprehensive Income

Accounting principles generally require that recognized revenue, expenses, gains and losses be included in net income. Although certain changes in assets and liabilities, such as unrealized gains and losses on available for sale securities, are reported as a separate component of the equity section of the balance sheet; such items, along with net income, are components of comprehensive income.

Income Taxes

The income tax accounting guidance results in two components of income tax expense: current and deferred. Current income tax expense reflects taxes to be paid or refunded for the current period by applying the provisions of the enacted tax law to the taxable income or excess of deductions over revenues. The Company determines deferred income taxes using the liability (or balance sheet) method. Under this method, the net deferred tax asset or liability is based on the tax effects of the differences between the book and tax bases of assets and liabilities, and enacted changes in tax rates and laws are recognized in the period in which they occur.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes (continued)

Deferred income tax expense results from changes in deferred tax assets and liabilities between periods. Deferred tax assets are recognized if it is more likely than not, based on the technical merits, that the tax position will be realized or sustained upon examination. The term more likely than not means a likelihood of more than 50 percent; the terms examined and upon examination also include resolution of the related appeals or litigation processes, if any. A tax position that meets the more-likely-than-not recognition threshold is initially and subsequently measured as the largest amount of tax benefit that has a greater than 50 percent likelihood of being realized upon settlement with a taxing authority that has full knowledge of all relevant information. The determination of whether or not a tax position has met the more-likely-than-not recognition threshold considers the facts, circumstances, and information available at the reporting date and is subject to management's judgment. Deferred tax assets may be reduced by deferred tax liabilities and a valuation allowance if, based on the weight of evidence available, it is more likely than not that some portion or all of a deferred tax asset will not be realized. Any effect of a change in federal and state income tax rates on deferred tax assets and liabilities is recognized in income tax expense in the period that includes the enactment date.

The consolidated federal income tax returns of the Company and the Bank for 2022, 2021, and 2020 are subject to examination by the IRS, generally for three years after they were filed.

Earnings Per Share

Basic earnings per share are computed by dividing net income by the weighted average number of common shares outstanding during the period. The weighted average number of shares outstanding used to calculate basic earnings per share were 274,853 and 214,731 for the years ended December 31, 2023 and 2022, respectively.

Diluted earnings per share reflects additional potential common shares that would have been outstanding if dilutive potential common shares had been issued, as well as any adjustment to income that would result from the assumed issuance. Potential common shares that may be issued by the Company relate to outstanding vested stock options. The dilutive shares outstanding used to calculate diluted earnings per share were 282,888 and 221,711 for the years ended December 31, 2023 and 2022, respectively.

Stock Compensation Plans

Stock compensation accounting guidance requires that the compensation cost relating to share-based payment transactions be recognized in financial statements. That cost will be measured based on the grant date fair value of the equity or liability instruments issued. The stock compensation accounting guidance covers a wide range of share-based compensation arrangements including stock options, restricted share plans, performance-based awards, share appreciation rights and employee share purchase plans.

The stock compensation accounting guidance requires that compensation cost for all stock awards be calculated and recognized over the employees' service period, generally defined as the vesting period. For awards with graded-vesting, compensation cost is recognized on a straight-line basis over the requisite service period for the entire award. A Black-Scholes model is used to estimate the fair value of stock options, while the market price of the Company's common stock at the date of grant is used for restricted stock awards and stock grants.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Transfers of Financial Assets

Transfers of financial assets are accounted for as sales, when control over the assets has been surrendered. Control over transferred assets is deemed to be surrendered when (1) the assets have been isolated from the Company - put presumptively beyond the reach of the transferor and its creditors, even in bankruptcy or other receivership, (2) the transferee obtains the right (free of conditions that constrain it from taking advantage of that right) to pledge or exchange the transferred assets, and (3) the Company does not maintain effective control over the transferred assets through an agreement to repurchase them before their maturity or the ability to unilaterally cause the holder to return specific assets.

Servicing Rights

In accordance with ASC 860-50, the Company recognizes a servicing asset or liability for a servicing contract when the transfer of a financial asset meets the requirements for a sale. The Company originates government guaranteed loans and sells the guaranteed portion of the loan with the servicing right retained. The servicing fee received is based on a percentage of the loan principal balance. The fee is received for performing loan administration functions such as collecting loan payments and maintaining loan records. For the period ending December 31, 2023 and 2022, included as a component of noninterest income was approximately $271,000 and $209,000, respectively, in loan servicing fee income.

As of December 31, 2023 and 2022, included as a component of other assets is a servicing asset totaling approximately $714,000 and $648,000, respectively. The Company has elected to measure servicing assets on a class-by-class basis. As of December 31, 2023, all servicing assets are measured using the fair value method. Under the fair value method, servicing assets are measured at fair value at each reporting date with changes in the fair value of the assets reported in earnings. The Company recognizes the inherent risk in measuring servicing assets at fair value and may implement instruments to mitigate the income statement effect of changes in the fair value of servicing assets. The fair value of the Company's servicing asset is determined using a discounted cash flow model. Inputs used in the discount cash flow model include market prepayment data, market trading results, coupon par values and discount rate assumptions.

Leases

The Company recognizes its leases on the balance sheet as required under ASU No. 2016-02 "Leases (Topic 842)". The lease standard requires recognition of both an operating right-of-use asset and operating lease liability as determined based on the present value of remaining minimum lease payments, discounted using the Company's incremental borrowing rate as of the date the Company entered the lease or adopted ASU No. 2016-02. Management implemented the standard under a modified retrospective approach and has elected to apply several of the available practical expeditions, including:

- Carryover of historical lease determination and lease classification conclusions.
- Carryover of historical initial deposit cost balance for existing leases.
- Accounting for lease and non-lease components in contracts in which the Company is a lessee as a single lease component.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue from Contracts with Customers

The Company records revenue from contracts with customers in accordance with Accounting Standards Codification Topic 606, "Revenue from Contracts with Customers" ("Topic 606"). Under Topic 606, the Company must identify the contract with a customer, identify the performance obligations in the contract, determine the transaction price, allocate the transaction price to the performance obligations in the contract and recognize revenue when (or as) the Company satisfies a performance obligation. Significant revenue has not been recognized in the current reporting period that results from performance obligations satisfied in previous periods.

The majority of the Company's revenues come from interest income and other sources, including loans and securities, that are not subject to Topic 606. Services within the scope of Topic 606 include service charges on deposit accounts, data processing fees, debit card and ATM fees, all of which are presented within noninterest income. The Company enters into various contracts with customers to provide these traditional banking services on a routine basis. The Company's performance obligations are generally service-related and provided on a daily, monthly or quarterly basis. The performance obligations are generally satisfied as services are rendered and the fees are collected at such time, or shortly thereafter. It is not typical for contracts to require significant judgment to determine the transaction price. See Note 17 for additional information.

Advertising

Advertising costs are expensed as incurred. Advertising costs were approximately $183,000 and $176,000 for the period ending December 31, 2023 and 2022, respectively.

Reclassifications

Certain reclassifications were made to the prior year's presentation to conform to the current year.

Fair Value of Financial Instruments

Fair values of financial instruments are estimates using relevant market information and other assumptions, as disclosed in Note 16. Fair value estimates involve uncertainties and matters of significant judgment. Changes in assumptions or in market conditions could significantly affect the estimates.

Subsequent Events

The Company has evaluated all transactions, events, and circumstances for consideration or disclosure through May 29, 2024, the date these consolidated financial statements were available to be issued and has reflected or disclosed those items within the consolidated financial statements and related footnotes as deemed appropriate.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Adoption of New Accounting Standards

On January 1, 2023, the Company adopted ASU 2016-13, *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments,* as amended, which replaces the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss ("CECL") methodology. The measurement of expected credit losses under the CECL methodology is applicable to financial assets measured at amortized cost, including loan receivables, loan commitments, leases, financial guarantees, and held to maturity debt securities. It also applies to off-balance sheet credit exposures not accounted for as insurance (loan commitments, standby letters of credit, financial guarantees, and other similar instruments) and net investments in leases recognized by a lessor in accordance with Topic 842 on leases. In addition, ASC 326 made changes to the accounting for available for sale debt securities. One such change is to require credit losses to be presented as an allowance rather than as a write-down on available for sale debt securities management does not intend to sell or believes that it is more likely than not they will be required to sell.

The Company adopted ASC 326 using the modified retrospective method for all financial assets measured at amortized cost and off-balance-sheet credit exposures. Results for reporting periods beginning after January 1, 2023 are presented under ASC 326 while prior period amounts continue to be reported in accordance with previously applicable GAAP. The Company did not record a change to retained earnings as of January 1, 2023 for the cumulative effect of adopting ASC 326.

In addition, for available for sale debt securities, the new methodology replaces the other-than-temporary impairment model and requires the recognition of an allowance for reductions in a security's fair value attributable to declines in credit quality, instead of a direct write-down of the security when a valuation decline is determined to be other-than-temporary. There was no financial impact related to this implementation. The Company has made a policy election to exclude accrued interest from the amortized cost basis of debt securities and report accrued interest in accrued interest receivable in the consolidated balance sheets.

ASU No. 2022-02 – *Financial Instruments - Credit Losses (Topic 326): Troubled Debt Restructurings and Vintage Disclosures* ("ASU 2022-02"). ASU 2022-02 eliminates the troubled debt restructuring ("TDR") measurement and recognition guidance and requires that entities evaluate whether the modification represents a new loan or a continuation of an existing loan consistent with the accounting for other loan modifications. Additional disclosures relating to modifications to borrowers experiencing financial difficulty are required under ASU 2022-02. ASU 2022-02 also requires disclosure of current-period gross write-offs. The Company adopted this ASU effective January 1, 2023 on a prospective basis. (if applicable - except for the amendments related to recognition and measurement of TDRs, which were adopted using the modified retrospective method).

NOTE 2. INVESTMENT SECURITIES

Investment securities have been classified in the consolidated balance sheets according to management's intent. The carrying amount of investment securities available for sale and their approximate fair values are summarized as follows:

	Amortized Cost	Gross Unrealized Gains	Gross Unrealized Losses	Fair Value
December 31, 2023:				
U.S. Government & federal agencies	**$ 17,714,005**	**$ -**	**$ (1,317,068)**	**$ 16,396,937**

	$ 54,388,883	$ 933	$ (6,268,201)	$ 48,121,615

The Company elected to exclude accrued interest receivable from the amortized cost basis of available-for-sale securities disclosed throughout this note. As of December 31, 2023 and 2022, accrued interest receivable for available-for-sale securities totaled $227,435 and $230,503, respectively, and is included in the "accrued interest receivable" line item on the Company's consolidated balance sheet.

The amortized cost and fair value of investment securities as of December 31, 2023, by contractual maturity, are shown below. Actual maturities may differ from contractual maturities because issuers may have the right to call or prepay obligations with or without call or prepayment penalties. SBA loan pools and mortgage-backed securities are shown separately in the following maturity summary.

	Amortized Cost	Fair Value
Due in one year or less	$ 6,488,141	$ 6,354,690
Due from one to five years	8,521,645	8,070,226
Due from five to ten years	3,910,206	3,449,807

	$ (3,519,752)	$ 34,716,295	$ (2,748,449)	$ 12,342,852

At December 31, 2023, there were one hundred and three available-for-sale securities that had unrealized losses. U.S. Treasury and agency securities, state, county & municipal securities, and agency mortgage-backed securities are issued, guaranteed or otherwise supported by the United States government, an agency of the United States, or a government sponsored enterprise. In analyzing an issuer's financial condition, management considers whether the securities are issued by the federal government or its agencies, whether downgrades by bond rating agencies have occurred and the results of reviews of the issuer's financial condition. The unrealized losses are largely due to increases in market interest rates over the yields available at the time the underlying securities were purchased. As management has the ability to hold debt securities until maturity, or for the foreseeable future if classified as available-for-sale, no declines are deemed to be other than temporary. As of December 31, 2023, no ACL was established for investment securities available for sale.

NOTE 2. INVESTMENT SECURITIES (CONTINUED)

Restricted equity securities consist of the following:

	December 31,	
	2023	2022
Federal Home Loan Bank stock	**$ 338,600**	$ 234,100
Farmer Mac stock	**7,500**	7,500

NOTE 3. LOANS AND ALLOWANCE FOR CREDIT LOSSES

Portfolio Segmentation

In accordance with U.S. GAAP, the loan portfolio was disaggregated into five segments and further disaggregated into classes for certain disclosures. A portfolio segment is defined as the level at which an entity develops and documents a systematic method for determining its allowance for credit losses. The segments used in the portfolio include commercial real estate; residential real estate; commercial; ag production; and consumer and other. The commercial real estate segment has been divided into three classes; construction and development; farmland; and other. The residential real estate segment has been divided into three classes; construction and development; 1-4 family; and multifamily. Commercial, ag production, and consumer and other loans are considered classes in themselves.

The composition of the Company's loan portfolio at December 31, 2023 and 2022 are shown below:

	2023	2022

The Company elected to exclude accrued interest receivable from the amortized cost basis of loans disclosed throughout this note. As of December 31, 2023 and 2022, accrued interest receivable for loans totaled $2,025,887 and $1,547,509, respectively, and is included in the "accrued interest receivable" line item on the Company's consolidated balance sheet.

The Company grants loans and extensions of credit to individuals and a variety of firms and corporations located within the Bank's markets. Although the Company has a diversified loan portfolio, 89% of the portfolio is concentrated in loans secured by real estate as of December 31, 2023 and 2022, respectively.

NOTE 3. LOANS AND ALLOWANCE FOR CREDIT LOSSES (CONTINUED)

Portfolio Segmentation (continued)

The following describe risk characteristics relevant to each of the portfolio segments:

Commercial Real Estate: The commercial real estate loans consist of construction and development, farmland, and other commercial real estate loans.

Construction and development loans consist of loans to builders and commercial borrowers. These loans are secured by real estate. These loans are vulnerable to changes in economic conditions. Further, the nature of these loans is such that they are difficult to evaluate and monitor. The risk of loss on construction and development loans is dependent on the accuracy of the initial estimates of property value upon completion of the projects, and the estimated costs (including interest) of the projects.

Farmland loans are typically repaid from business cash flow and are secured by the underlying farmland.

Other commercial real estate loans include owner occupied loans where the primary source of repayment are cash flows from the ongoing operations and activities conducted by the owners. Underwriting criteria for these loans require initial and on-going reviews of borrower cash flows. Economic conditions impacting cash flows of the borrowers or declines in collateral values are risk to this loan type. This class also includes income producing properties such as office and industrial buildings and retail shopping centers. These loans are repaid from rent income derived from the properties.

Residential Real Estate: The residential real estate loans consist of construction and development, 1-4 family, and multifamily real estate loans.

Construction and development loans consist of loans to builders and individuals for the construction of primary residences. These loans are secured by real estate. Loans are typically repaid through the sale or refinance of the underlying property.

1-4 family loans are repaid by various means such as a borrower’s income, sale of the property, or rental income derived from the property.

Multifamily loans are mortgage real estate loans for the closed-end purchase or refinancing of mortgages for apartment complexes and condominiums. These loans are secured by multifamily properties primarily located in the Company’s market area. The financial strength of the borrowers, income from the properties, and collateral values of the properties are assessed as part of the underwriting criteria of these loans. Risks associated with these loans include reductions in cash flow of the property due to market conditions and vacancy rates and declines in collateral values of properties securing the loans.

NOTE 3. LOANS AND ALLOWANCE FOR CREDIT LOSSES (CONTINUED)

Portfolio Segmentation (continued)

Commercial: Commercial loans are made to small and medium sized companies in the Company's market area. Commercial loans are generally used for working capital purposes or for acquiring equipment, inventory or furniture. Primarily all of the Company's commercial loans are secured loans, along with a small amount of unsecured loans. The Company's underwriting analysis consists of a review of the financial statements of the borrower, the lending history of the borrower, the debt service capabilities of the borrower, the projected cash flows of the business, the value of the collateral, if any, and whether the loans is guaranteed by the principals of the borrower. These loans are generally secured by the accounts receivable, inventory and equipment. Commercial loans are typically made on the basis of the borrower's ability to make repayment from the cash flow of the borrower's business, which makes them of higher risk than residential loans and the collateral securing loans may be difficult to appraise and may fluctuate in value based on the success of the business. The Company seeks to minimize these risks through its underwriting standards.

Ag Production: These loans are generally made to farmers for various purposes related to crops, livestock, related equipment/machinery, and other farm operations. Repayment is primarily dependent on the personal income of the borrower and income from farming operations, which can be impacted by economic and other market conditions. As a general practice, the Company takes as collateral a security interest in the underlying crops, livestock, equipment, etc. Such loans are monitored via inspections and/or evaluations, as applicable.

Consumer & other: Consumer and other loans are extended for various purposes, including purchases of automobiles, recreation vehicles, and boats. The Company also offers home improvement loans, lines of credit, personal loans, and deposit account collateralized loans. Repayment of these loans is primarily dependent on the personal income of the borrowers, which can be impacted by economic conditions in their market areas such as unemployment levels. Loans to consumers are extended after a credit evaluation, including the creditworthiness of the borrower(s), the purpose of the credit, and the secondary source of repayment. Consumer loans are made at fixed and variable interest rates and may be made on terms of up to five years. Risk is mitigated by the fact that the loans are of smaller individual amounts and spread over a large number of borrowers.

Credit Risk Management

The Company employs a credit risk management process with defined policies, accountability and routine reporting to manage credit risk in the loan portfolio segments. Credit risk management is guided by credit policies that provide for a consistent and prudent approach to underwriting and approvals of credits. Within the Loan Policy, procedures exist that elevate the approval requirements as credits become larger and more complex. All loans are individually underwritten, risk-rated, approved and monitored.

Responsibility and accountability for adherence to underwriting policies and accurate risk ratings lies in each portfolio segment. For the consumer portfolio segment, the risk management process focuses on managing customers who become delinquent in their payments. For the commercial, agricultural and real estate portfolio segments, the risk management process focuses on underwriting new business and, on an ongoing basis, monitoring the credit of the portfolios, including an internal review on the largest credits on an annual basis or more frequently as needed.

Credit quality and trends in the loan portfolio segments are measured and monitored regularly. Detailed reports, by product, collateral, accrual status, etc., are reviewed by senior management, the Loan Committee and the Board of Directors.

Internal risk-ratings, or grades, are assigned to each loan based on an analysis of the financial strength, collateral, and other credit attributes underlying each loan. Management analyzes the resulting ratings, as well as other external statistics and factors such as delinquency, to track the migration performance of the portfolio balances. The rating methodology complies with the asset classification system promulgated by the federal banking agencies. Loan grades range from one to eight, with one-graded loans having the least credit risk, as defined below:

Excellent (Grade 1) – Highest quality. Loans fully secured by cash, cash equivalents, or the unconditional guaranty of U.S. Government Agency security.

Superior (Grade 2) – Above average quality. Minimal risk of loss. Borrowers with strong, stable financial trends. Strong cash flow, covering debt service requirements and some portion of capital expenditures. Alternative sources of repayment are evident and financial ratios are comparable to or exceed the industry norms. Trends are positive. Prominent position in the industry or local economy. Industry performance is above average. Management strong in most areas and backup depth is good. Individuals with stable and reliable cash flow and above average liquidity and cash flow. Collateral is marketable and adequate to liquidate the debt, if necessary. Modest risk from exposure to contingent liabilities.

Satisfactory (Grade 3) – Average quality. Cash flow is adequate to cover all debt service requirements but not capital expenditures. Balance sheet may be leveraged but still comparable to the industry. Financial trends stable to mixed over long term but no significant concerns exist at this time. Generally stable industry outlook may have some cyclical characteristics. Average position in industry or local economy. Management is considered capable and stable. Individuals with reliable cash flow but alternative sources of repayment would require sale of assets that may be considered illiquid. Financial position has been leveraged to an average degree or individual has an average net worth position considering income and debt. Loans in this category should be performing satisfactorily.

Watch (Grade 4) – Below average quality. Loan conditions require more frequent monitoring than the higher grades. Stability is lacking in the primary repayment source, cash flow, credit history or liquidity; however, the instability is manageable and considered temporary. Overall trends are not yet adverse. Individuals whose source of income or cash flow have become unstable or limited. Income may decline due to current business or economic conditions. The individual has a somewhat highly leveraged condition and limited capital. Moderate history of some degree of slow payment may be exhibited.

NOTE 3. LOANS AND ALLOWANCE FOR CREDIT LOSSES (CONTINUED)

Credit Risk Management (continued)

Special Mention (Grade 5) – Included in this category are loans which do not presently expose the Company to a sufficient degree of risk to warrant adverse classification but do possess credit deficiencies deserving management's close attention. Failure to correct deficiencies could result in greater credit risk in the future. Ordinarily, such borderline credits have characteristics which corrective management attention would remedy. Specific negative events within the obligor or the industry jeopardize cash flow and repayment. Borrower is taking positive steps to improve situation. Individuals who exhibit some degree of weakness in financial condition. Moderate delinquency may exist from time to time.

Substandard (Grade 6) – Substandard loans are inadequately protected by the current sound net worth and paying capacity of the obligor or of the collateral pledged, if any. Loans so classified must have a well-defined weakness or weaknesses that jeopardize the liquidation of the debt. They are characterized by the distinct possibility that the bank will sustain some loss if the deficiencies are not corrected.

Doubtful (Grade 7) – Loans classified doubtful have all the weaknesses inherent in those classified substandard with the added characteristic that the weaknesses make collection or liquidation in full, on the basis of currently known facts, conditions and values, highly questionable and improbable. The possibility of loss is high. A full or partial reserve may be warranted.

Loss (Grade 8) – Loans classified loss are considered uncollectible and of such little value that their continuance as bankable assets is not warranted. This classification does not mean that the loan has absolutely no recovery or salvage value but rather it is not practical or desirable to defer writing off this basically worthless asset even though partial recovery may be affected in the future.

Internal risk ratings by loan segment and class as of December 31, 2023 and 2022, respectively, are presented in the following tables. Balances presented are based on book balance, or recorded investment.

Past Due Loans

A loan is considered past due if any required principal and interest payments have not been received as of the date such payments were required to be made under the terms of the loan agreement. Generally, management places loans on non-accrual when there is a clear indication that the borrower's cash flow may not be sufficient to meet payments as they become due, which is generally when a loan is 90 days past due.

The following table presents the aging of past due loans as of December 31, 2023 by segment and class. Balances presented are based on book balance, or recorded investment.

NOTE 3. LOANS AND ALLOWANCE FOR CREDIT LOSSES (CONTINUED)

Loan Modifications

The allowance for credit losses incorporates an estimate of lifetime expected credit losses and is recorded on each asset upon asset origination or acquisition. The starting point for the estimate of the allowance for credit losses is historical loss information, which includes losses from modifications of receivables to borrowers experiencing financial difficulty. The Company uses a discounted cash flow methodology to determine the allowance for credit losses. An assessment of whether a borrower is experiencing financial difficulty is made on the date of a modification.

Because the effect of most modifications made to borrowers experiencing financial difficulty is already included in the allowance for credit losses because of the measurement methodologies used to estimate the allowance, a change to the allowance for credit losses is generally not recorded upon modification. The Company could modify loans by providing principal forgiveness on certain of its real estate loans. When principal forgiveness is provided, the amortized cost basis of the asset is written off against the allowance for credit losses. The amount of the principal forgiveness is deemed to be uncollectible; therefore, that portion of the loan is written off, resulting in a reduction of the amortized cost basis and a corresponding adjustment to the allowance for credit losses.

In some cases, the Company will modify a certain loan by providing multiple types of concessions. Typically, one type of concession, such as a term extension, is granted initially. If the borrower continues to experience financial difficulty, another concession, such as principal forgiveness, may be granted. Upon the Company's determination that a modified loan, or portion of a loan, has subsequently been deemed uncollectible, the loan, or portion of the loan, is written off.

The following table presents loans modified due to borrowers experiencing financial difficulty for the period ending December 31, 2023.

	Rate and Payment Concession	Total Loans
Commercial real estate		
Construction and development	$ -	$ -
Farmland	-	-
Other commercial	5,313,150	5,313,150
Residential real estate

Consumer & other	14,809	14,809
Ending balance	$ 5,351,674	$ 5,351,674

There were three loans modified with rate and payment concessions during 2023. There were no commitments to lend additional funds to these borrowers as of December 31, 2023.

NOTE 3. LOANS AND ALLOWANCE FOR CREDIT LOSSES (CONTINUED)

Loan Modifications (continued)

Prior to adoption of ASU 2022-02 on January 1, 2023, the restructuring of a loan was considered a troubled debt restructuring ("TDR") if both the borrower was experiencing financial difficulties and the Company had granted a concession to the terms of the loan. Concessions may have included interest rate reductions to below market interest rates, principal forgiveness, restructured amortization schedules and other actions intended to minimize potential losses.

At December 31, 2022, impaired loans included loans that were classified as Troubled Debt Restructurings (“TDRs”). The restructuring of a loan is considered a TDR if both (i) the borrower is experiencing financial difficulties and (ii) the creditor has granted a concession.

In assessing whether or not a borrower is experiencing financial difficulties, the Company considers information currently available regarding the financial condition of the borrower. This information includes, but is not limited to, whether (i) the debtor is currently in payment default on any of its debt; (ii) a payment default is probable in the foreseeable future without the modification; (iii) the debtor has declared or is in the process of declaring bankruptcy and (iv) the debtor's projected cash flow is sufficient to satisfy contractual payments due under the original terms of the loan without a modification.

The Company considers all aspects of the modification to loan terms to determine whether or not a concession has been granted to the borrower. Key factors considered by the Company include the debtor's ability to access funds at a market rate for debt with similar risk characteristics, the significance of the modification relative to unpaid principal balance or collateral value of the debt, and the significance of a delay in the timing of payments relative to the original contractual terms of the loan. The most common concessions granted by the Company generally include one or more modifications to the terms of the debt, such as (i) a reduction in the interest rate for the remaining life of the debt, (ii) an extension of the maturity date at an interest rate lower than the current market rate for new debt with similar risk, (iii) a temporary period of interest-only payments, and (iv) a reduction in the contractual payment amount for either a short period or remaining term of the loan.

There was one commercial loan totaling $6,712 that was modified in 2022 and designated as TDR as of December 31, 2022. The TDR designation related to a borrower experiencing financial difficulties where a payment concession was granted. The subject TDR was considered impaired as of December 31, 2022 and carried a specific reserve equivalent to the unpaid principal balance.

There were no charge-offs recorded for 2022 modifications designated as a TDR. Any changes in the recorded investment before and after the restructuring date were due to borrower pay downs. There were no loans modified as a TDR during 2022 that were ninety days or more past due and still accruing interest as of December 31, 2022.

For the period ending December 31, 2023 and 2022, included as a component of noninterest income was ($55,075) and $68,316, respectively, in fair value adjustments related to the Company's loan servicing asset.

NOTE 9. EMPLOYEE BENEFIT PLANS

Deferred Compensation Plan

On January 1, 2005, the Bank implemented the "Deferred Compensation Plan for Directors". The plan is an unfunded, non-qualified deferred compensation agreement. The deferred compensation plan is available for all members of the Bank's board of directors with participation available on a voluntary basis. Under the plan, participating board members defer monthly meeting fees which also accrue interest at an interest rate established by the plan. Participation remains in effect unless an individual is no longer a member of the Bank's board of directors or voluntarily exits the plan. The accrued benefits for the deferred compensation amounted to $1,663,187 and $1,400,514 at December 31, 2023 and 2022, respectively. Deferred compensation expense for the year ended December 31, 2023 and 2022 was $262,673 and $255,492, respectively.

NOTE 9. EMPLOYEE BENEFIT PLANS (CONTINUED)

Employee Profit Sharing Plan

The Company offers the benefit of participating in a 401(k) profit sharing plan to eligible employees. Eligible employees may make voluntary contributions to the plan through payroll deductions on a pre-tax basis. The Company also matches the employee contributions up to a 4% total contribution of the employee's compensation. All Company and employee contributions are subject to certain limitations set by law. For the year ended December 31, 2023 and 2022, expenses attributable to the plan amounted to $222,059 and $200,568, respectively.

Supplemental Executive Retirement Pension Plan

The Bank established a "Supplemental Executive Retirement Plan" in November of 2022 and entered into agreements with certain executive officers under this plan. Participants in the plan participate on a noncontributing basis. Information pertaining to the activity in the plan as of and for the year ended December 31, 2023 is as follows:

NOTE 9. EMPLOYEE BENEFIT PLANS (CONTINUED)

Stock Options

The Company's Board of Directors authorized the establishment of the 2000 Incentive Stock Option Plan. Options granted under the plan expire based upon the terms within each stock option agreement. Options vest cumulatively from the grant date on each annual anniversary date. In the event that an individual granted options under the plan ceases employment with the Company, the unexercised portion of the granted options will cease to vest. Vested options shall expire, terminate and become un-exercisable on the thirtieth day following the date on which the individual's service terminated. If an individual's service with the Company is terminated for cause, granted options will expire, terminate and become un-exercisable as of the termination date. Forfeitures are accounted for in the period for which they occur.

Compensation expense for incentive stock options is based on the market price of the Company stock at the grant date. Compensation expense is recognized proportionally over the respective vesting period. The fair value of the Company's stock is estimated based upon the Black-Scholes pricing model. Volatility of the Company's stock is based upon the average change in the Company's book value per share. For the year end December 31, 2023 and 2022, the Company recognized compensation expense for incentive stock option agreements of $156,975 and $153,963, respectively.

A summary of outstanding stock options for the year ended December 31, 2023 is presented below:

	Number	Weighted-Average Exercise Price	Weighted-Average Remaining Contractual Term	Aggregate Intrinsic Value
Under Option, beginning of period	28,195	$118.38	5.49	$3,337,788

NOTE 9. EMPLOYEE BENEFIT PLANS (CONTINUED)

Stock Options (continued)

As of December 31, 2023, unrecognized compensation expense related to unvested incentive stock options totaled $439,235.

During 2023, vested options totaling 465 were exercised which resulted in cash proceeds to the Company of $39,790.

NOTE 10. OTHER BORROWINGS

Advances from the Federal Home Loan Bank ("FHLB") at December 31, 2023 and 2022 amounted to $-. The advances are secured by investment securities, residential real estate loans, and commercial real estate loans. At December 31, 2023, total available borrowings with the FHLB, based on the availability of qualifying collateral, amounted to approximately $42,448,000, of which approximately $8,309,000 was available to be drawn. The Company entered into standby letters of credit with the Federal Home Loan Bank ("FHLB") to secure certain public deposits in lieu of pledging securities. The letters of credit totaled $34,139,000 as of December 31, 2023.

NOTE 11. INCOME TAXES

The components of income tax expense for the years ended December 31, 2023 and 2022 were as follows:

	$ 2,667,425	$ 2,633,356

NOTE 12. COMMITMENTS & CONTINGENCIES

Credit Related Financial Instruments

The Company is a party to financial instruments with off-balance-sheet risk in the normal course of business to meet the financing needs of its customers. These financial instruments include commitments to extend credit and standby letters of credit. Those instruments involve, to varying degrees, elements of credit risk in excess of the amount recognized in the balance sheet. The contractual amounts of those instruments reflect the extent of involvement the Company has in particular classes of financial instruments.

The exposure to credit loss in the event of nonperformance by the other party to the financial instrument for commitments to extend credit and standby letters of credit is represented by the contractual amount of those instruments. The same credit policies are used in making commitments and conditional obligations as for on-balance-sheet instruments. In most cases, collateral is required to support financial instruments with credit risk.

NOTE 12. COMMITMENTS & CONTINGENCIES (CONTINUED)

Credit Related Financial Instruments (continued)

A summary of the Company's commitments as of December 31, 2023 and 2022, respectively, is approximately as follows:

	2023	2022
Commitments to extend credit	**$ 60,589,482**	$ 61,813,617
Standby letters of credit	**6,605,026**	6,476,026
	$ 67,194,508	$ 68,289,643

Commitments to extend credit are agreements to lend to a customer as long as there is no violation of any condition established in the contract. Commitments generally have fixed expiration dates or other termination clauses and may require payment of a fee. Since many of the commitments may expire without being drawn upon, the total commitment amounts do not necessarily represent future cash requirements. The Company evaluates each customer's creditworthiness on a case-by-case basis. The amount of collateral obtained, if deemed necessary by the Company, upon extension of credit is based on management's credit evaluation. Collateral held varies but may include unimproved and improved real estate, certificates of deposit or personal property.

Standby letters of credit are conditional commitments issued by the Company to guarantee the performance of a customer to a third party. Those uncollateralized guarantees are primarily issued to local businesses. The credit risk involved in issuing letters of credit is essentially the same as that involved in extending loan facilities to customers.

The Company may maintain an allowance for off-balance sheet credit exposures such as unfunded balances for existing lines of credit, commitments to extend future credit, as well as both standby and commercial letters of credit when there is a contractual obligation to extend credit and when this extension of credit is not unconditionally cancellable. The allowance for off-balance sheet credit exposures is adjusted as a provision for credit loss expense. The estimate includes consideration of the likelihood that funding will occur, which is based on a historical funding study derived from internal information, and an estimate of expected credit losses on commitments expected to be funded over its estimated life, which are the same loss rates that are used in computing the allowance for credit losses on loans. The allowance for credit losses for unfunded commitments is included in other liabilities on the consolidated balance sheet. Following consideration of funding rates, cancellable provisions in loan agreements, and the overall level of unfunded commitments, the Company recorded an allowance for unfunded loan commitments of $93,000 as of December 31, 2023. The allowance for unfunded loan commitments was established via a provision for credit loss expense of $93,000.

Unused Lines of Credit

The Bank has unsecured federal funds lines of credit with four correspondent financial institutions providing borrowing capacity up to $20,500,000 with interest determined at the time of any advance. The arrangements are reviewed annually for renewal of the credit line.

Contingencies

The Company and the Bank are subject to a certain amount of claims and litigation which arise in the normal course of business activities. Management uses applicable accounting standards to determine if contingencies are required to be accrued or disclosed in the consolidated financial statements.

NOTE 13. CONCENTRATIONS

The Company originates primarily commercial, agricultural, agribusiness, commercial real estate, residential real estate and consumer loans to its customers. A substantial portion of the Company's customers' abilities to honor their contracts is dependent on economic stability in Southwest Georgia.

As set forth in Note 3, a large portion of the Company's loan portfolio is concentrated in real estate loans. As of December 31, 2023, approximately 89% of the Company's loan portfolio is secured by real estate. A substantial portion of these loans is secured by real estate in the Company's primary market area. Accordingly, the ultimate collectability of the loan portfolio is susceptible to changes in real estate conditions in the Company's primary market area. The other significant concentrations of credit by type of loan are also set forth in Note 3. The Company, as a matter of policy, does not extend credit to any single borrower or group of related borrowers in excess of the Bank's secured legal lending limit.

The Bank may extend credit on terms that result in a concentration of credit risk. As of December 31, 2023, the Bank reported approximately $9,319,000 in loans that were originated with regulatory loan to value exceptions.

At various times throughout the year, the Company maintains cash balances and federal funds sold with other financial institutions which exceed federally insured limits. The Company monitors the capital adequacy of these financial institutions on a quarterly basis.

As of December 31, 2023, the Bank had one customer deposit relationship that exceeded 5% of total deposits.

NOTE 14. REGULATORY MATTERS

The Bank is subject to various regulatory capital requirements administered by state and federal banking agencies. Failure to meet minimum capital requirements can initiate certain mandatory and possibly additional discretionary actions by regulators that, if undertaken, could have a direct material effect on the Bank's financial statements. Under capital adequacy guidelines and the regulatory framework for prompt corrective action, the Bank must meet specific capital guidelines that involve quantitative measures of assets, liabilities, and certain off-balance-sheet items as calculated under regulatory accounting practices. The Bank's capital amounts and classification are also subject to qualitative judgments by the regulators about components, risk weightings, and other factors.

The Basel III capital rules, implemented in the U.S. with certain changes mandated by the Dodd-Frank Act, strengthen the definition of regulatory capital, increase risk-based capital requirements, and make selected changes to the calculation of risk-weighted assets. The rules became effective January 1, 2015, for the Bank, subject to a transition period for several aspects, including the capital conversation buffer and certain regulatory capital adjustments and deductions, as described below. Under the Basel III capital rules, the minimum capital requirements for the Bank include a common equity Tier 1 (CET1) ratio of 4.5%; Tier 1 capital ratio of 6%; total capital ratio of 8%; and leverage ratio of 4%. When fully phased-in on January 1, 2019, the Basel III capital rules included a capital conversation buffer of 2.5% that is added on top of each of the minimum risk-based capital ratios. The implementation of the capital conservation buffer began on January 1, 2016 at the 0.625% level and increased to 1.25% at January 1, 2017. The buffer continued to be phased-in over a two-year period (increasing by 0.625% on each subsequent January 1 until it reached 2.5% on January 1, 2019). Under the Basel III capital rules, the Bank is well capitalized if it has a CET1 ratio of 6.5% or greater, a Tier 1 risk-based capital ratio of 8% or greater, a total risk-based capital ratio of 10% or greater, a leverage ratio of 5% or greater and are not subject to any written agreement, order, capital directive or prompt corrective action directive from a federal and/or state banking regulatory agency to meet and maintain a specific capital level for any capital measure.

NOTE 14. REGULATORY MATTERS (CONTINUED)

Quantitative measures established by regulation to ensure capital adequacy require the Bank to maintain minimum amounts and ratios (set forth in the following table) of common equity Tier I capital, Tier I, and total capital (as defined in the regulations) to risk-weighted assets (as defined), and of Tier 1 capital (as defined) to average assets (as defined). Management believes, as of December 31, 2023 and 2022, that the Bank met all capital adequacy requirements to which they are subject.

As of December 31, 2023, the most recent notification from the regulatory authorities categorized the Bank as well capitalized under the regulatory framework for prompt corrective action. To be categorized as well capitalized, the Bank must maintain minimum Common Equity Tier I, Tier I risk-based, total risk-based, and Tier 1 leverage ratios as set forth in the following table. There are no conditions or events since that notification that management believes have changed the institution's category.

The Bank's actual capital amounts and ratios are presented in the table below.

	Actual		Minimum Capital Requirement		Minimum To Be Well Capitalized Under Prompt Corrective Action Provisions	
	Amount	Ratio	Amount	Ratio	Amount	Ratio
As of December 31, 2023 ($ in thousands):

NOTE 15. LIMITATION ON DIVIDENDS

The board of directors of any state-chartered bank in Georgia may declare and pay cash dividends on its outstanding capital stock, up to specified limits, without any request for approval of the Bank's regulatory agency if certain conditions are met. These restrictions are based on the level of regulatory classified assets, the prior year's net earnings, and the ratio of equity capital to total assets. The amount of cash dividends available for payment in 2024, without prior approval, is approximately $1,831,000.

NOTE 16. FAIR VALUE MEASUREMENTS

Determination of Fair Value

The Company uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. In accordance with the *Fair Value Measurements and Disclosures* topic (FASB ASC 820), the fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value is best determined based upon quoted market prices. However, in many instances, there are no quoted market prices for the Company's various financial instruments. In cases where quoted market prices are not available, fair values are based on estimates using present value or other valuation techniques. Those techniques are significantly affected by the assumptions used, including the discount rate and estimates of future cash flows. Accordingly, the fair value estimates may not be realized in an immediate settlement of the instrument.

The fair value guidance provides a consistent definition of fair value, which focuses on exit price in an orderly transaction (that is, not a forced liquidation or distressed sale) between market participants at the measurement date under current market conditions. If there has been a significant decrease in the volume and level of activity for the asset or liability, a change in valuation technique or the use of multiple valuation techniques may be appropriate. In such instances, determining the price at which willing market participants would transact at the measurement date under current market conditions depends on the facts and circumstances and requires the use of significant judgment. The fair value is a reasonable point within the range that is most representative of fair value under current market conditions.

Fair Value Hierarchy

In accordance with this guidance, the Company groups its financial assets and financial liabilities generally measured at fair value in three levels, based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value.

Level 1 - Valuation is based on quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. Level 1 assets and liabilities generally include debt and equity securities that are traded in an active exchange market. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2 - Valuation is based on inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly. The valuation may be based on quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the asset or liability.

Level 3 - Valuation is based on unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which determination of fair value requires significant management judgment or estimation.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. The Company's policy is to recognize transfers between levels of the fair value hierarchy on the actual date of the event or circumstance that caused the transfer. There were no transfers of assets or liabilities between levels of the fair value hierarchy during the period.

NOTE 16. FAIR VALUE MEASUREMENTS (CONTINUED)

Assets and Liabilities Measured at Fair Value on a Recurring Basis: Assets and liabilities measured at fair value on a recurring basis are summarized below. For available for sale securities, the Company obtains fair value measurements from an independent pricing service. The fair value measurements consider observable data that may include exchange prices, dealer quotes, market spreads, cash flows, the US Treasury yield curve, live trading levels, trade execution data, market consensus prepayment speeds, credit information and the bond's terms and conditions.

NOTE 16. FAIR VALUE MEASUREMENTS (CONTINUED)

Assets Measured at Fair Value on a Nonrecurring Basis: Under certain circumstances, management makes adjustments to fair value for assets and liabilities although they are not measured at fair value on an ongoing basis. Collateral-Dependent Loans

The Company classifies a loan as collateral-dependent when a borrower is experiencing financial difficulty and repayment is expected to be provided substantially through the operation or sale of collateral. Commercial loans have collateral that is comprised of real estate and business assets. Consumer loans have collateral that is substantially comprised of residential real estate.

The fair value of collateral-dependent loans is measured based on the value of the collateral securing these loans. Collateral-dependent loans are classified within Level 3 of the fair value hierarchy. Collateral may be real estate and/or business assets including equipment, inventory, and/or accounts receivable. The Company primarily determines the value of the collateral based on independent appraisals performed by qualified licensed appraisers. These appraisals may utilize a single valuation approach or a combination of approaches including comparable sales and the income approach. Appraised values are discounted for costs to sell and may be discounted further based on management's historical knowledge, changes in market conditions from the date of the most recent appraisal, and/or management's expertise and knowledge of the customer and the customer's business. Such discounts by management are subjective and are typically significant unobservable inputs for determining fair value. The Company also prepares internal real estate collateral evaluations for smaller balance loans. For loan secured by equipment, automobiles and other personal property, the Company will rely on third party pricing sources. Collateral-dependent loans are reviewed and evaluated on at least a quarterly basis and adjusted accordingly, based on the same factors discussed above.

NOTE 16. FAIR VALUE MEASUREMENTS (CONTINUED)

Impaired Loans

Loans considered impaired under ASC 310-10-35, *Receivables*, are loans for which, based on current information and events, it is probable that the Company will be unable to collect all principal and interest payments due in accordance with the contractual terms of the loan agreement. Impaired loans can be measured based on the present value of expected payments using the loan's original effective rate as the discount rate, the loan's observable market price, or the fair value of the collateral less selling costs if the loan is collateral dependent.

The fair value of impaired loans were primarily measured based on the value of the collateral securing these loans. Impaired loans are classified within Level 3 of the fair value hierarchy. Collateral may be real estate and/or business assets including equipment, inventory, and/or accounts receivable. The Company primarily determines the value of the collateral based on independent appraisals performed by qualified licensed appraisers. These appraisals may utilize a single valuation approach or a combination of approaches including comparable sales and the income approach. Appraised values are discounted for costs to sell and may be discounted further based on management's historical knowledge, changes in market conditions from the date of the most recent appraisal, and/or management's expertise and knowledge of the customer and the customer's business. Such discounts by management are subjective and are typically significant unobservable inputs for determining fair value. The Company also prepares internal real estate collateral evaluations for smaller balance loans. For loan secured by equipment, automobiles and other personal property, the Company will rely on third party pricing sources. Impaired loans are reviewed and evaluated on at least a quarterly basis for additional impairment and adjusted accordingly, based on the same factors discussed above.

Other Real Estate Owned

Other real estate owned, consisting of properties obtained through foreclosure or in satisfaction of loans, are initially recorded at fair value less estimated costs to sell upon transfer of the loans to other real estate. Subsequently, other real estate is carried at the lower of carrying value or fair value less costs to sell. Fair values are generally based on third party appraisals of the property and are classified within Level 3 of the fair value hierarchy. The appraisals are sometimes further discounted based on management's historical knowledge, and/or changes in market conditions from the date of the most recent appraisal, and/or management's expertise and knowledge of the customer and the customer's business. Such discounts are typically significant unobservable inputs for determining fair value. In cases where the carrying amount exceeds the fair value, less estimated costs to sell, a loss is recognized in noninterest expense.

For Level 3 assets measured at fair value on a non-recurring basis as of December 31, 2023, the significant unobservable inputs primarily used in the fair value measurements are shown below:

	Carrying Amount	Valuation Technique	Significant Unobservable Input
Nonrecurring:			
Collateral-dependent loans	$ 2,205,075	Appraisal/In-house	Appraisal discounts (5-10%)
Other real estate owned	-	Appraisal/In-house	Appraisal discounts (5-10%)

NOTE 17. REVENUE FROM CONTRACTS WITH CUSTOMERS

Service charges on deposit accounts, other service charges, commissions and fees and gains/losses on the sale of other real estate are included within the noninterest income portion of the consolidated financial statements. The following provides information on the Company's sources of noninterest income within the scope of ASC 606 for the periods indicated.

Service Charges and Other Fees

Service charges and other fees include deposit account maintenance fees, overdraft fees, wire transfer fees, sweep fees and safe deposit box fees. Revenue is recognized for these services either over time, corresponding with a deposit accounts' monthly cycle, or at a point in time for transaction-related services and fees. Payment for service charges on deposit accounts is primarily received immediately or in the following month through a direct charge to customers' accounts. Safe deposit box rental income is recognized on a monthly basis as the Bank's performance obligation is satisfied. For the years ended December 31, 2023 and 2022, there were $446,813 and $258,907, respectively, in service charges and other fees.

ATM Surcharges and Interchange Fees

ATM fees are transaction-based fees recognized at the time the transaction is executed as that is the point at which the Bank satisfies the performance obligation. Debit card interchange fees are earned from debit cardholder transactions conducted through various payment networks. Interchange fees from debit cardholders transactions represent a percentage of the underlying transaction amount and are recognized daily, concurrently with the transaction processing services provided to the debit cardholder. For the years ended December 31, 2023 and 2022, there was $737,377 and $619,654, respectively, in ATM surcharges and interchange fees.

Gains/Losses on the Sale of Other Real Estate Owned

Net gains and losses on sales of other real estate owned are recorded in other noninterest income in the Company's consolidated financial statements. The Company records a gain or loss from the sale of other real estate owned when control of the property transfers to the buyer, which generally occurs at the time of an executed deed. When the Company finances the sale of other real estate owned to the buyer, the Company assesses whether the buyer is committed to perform their obligations under the contract and whether collectability of the transaction price is probable. Once these criteria are met, the other real estate owned asset is derecognized and the gain or loss on sale is recorded upon the transfer of control of the property to the buyer. For the year end December 31, 2023 and 2022, there were no sales of other real estate owned.

INDEPENDENT AUDITOR'S REPORT

To the Stockholders and Board of Directors
Port City Holding Co., Inc.
Bainbridge, Georgia

Opinion

We have audited the accompanying consolidated financial statements of Port City Holding Co., Inc. (a Georgia Corporation) and Subsidiary, which comprise the consolidated balance sheets as of December 31, 2024 and 2023, and the related consolidated statements of income, comprehensive income, changes in stockholders' equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Port City Holding Co., Inc. and Subsidiary as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Port City Holding Co., Inc. and Subsidiary and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Port City Holding Co., Inc. and Subsidiary's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

To the Stockholders and Board of Directors
Port City Holding Co., Inc.
Bainbridge, Georgia

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Port City Holding Co., Inc. and Subsidiary's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Port City Holding Co., Inc. and Subsidiary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

Port City Holding Co., Inc. (the "Company") is a bank holding company whose principal activity is the ownership and management of its wholly-owned subsidiary, First Port City Bank (the "Bank"). The Bank generates commercial, agricultural, mortgage and consumer loans and receives deposits from customers located primarily in Bainbridge and Donalsonville, Georgia. In 2019, the Bank opened a branch in both Yulee, Florida and Fernandina Beach, Florida. The Company is regulated by the Federal Reserve Bank and is subject to periodic examinations. The Bank operates under a state charter and provides a full range of banking services. As a state-chartered institution, the Bank is subject to regulation by the Federal Deposit Insurance Corporation and the Georgia State Department of Banking and Finance.

Basis of Consolidation

The consolidated financial statements include the accounts of the Company and its wholly-owned subsidiary, the Bank. Significant intercompany accounts and transactions have been eliminated in consolidation.

Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Material estimates that are particularly susceptible to significant change in the near term relate to the determination of the allowance for credit losses, other-than-temporary impairment of investment securities, the valuation of foreclosed assets, the valuation of deferred tax assets and the fair value of financial instruments.

While management uses available information to recognize losses on loans and to determine the carrying value of foreclosed assets, further reductions in the carrying amounts of loans and foreclosed assets may be necessary based on changes in local economic conditions. In addition, regulatory agencies, as an integral part of their examination process, periodically review the estimated losses on loans and the carrying value of foreclosed assets. Such agencies may require the Company to recognize additional losses based on their judgments about information available to them at the time of their examination. Because of these factors, it is reasonably possible that the estimated losses on loans and the carrying value of foreclosed assets may change materially in the near term. However, the amount of the change that is reasonably possible cannot be estimated.

Cash and Cash Equivalents

The Company considers cash on hand, cash items in process of collection, amounts due from depository institutions, and interest-bearing deposits in other depository institutions to be cash and cash equivalents for purposes of the statement of cash flows. Cash flows from time deposits in other banks, loans, restricted equity securities, deposits, other borrowings and treasury stock activity are reported net.

The Federal Reserve Bank is no longer requiring the Bank to maintain a reserve requirement as of December 31, 2024 or 2023. The Federal Reserve Bank does not have plans to reimplement the reserve requirement in the near future but reserves the right to increase the reserve percentage at a future date. The Company may also be required to maintain minimum deposit levels with correspondent banks in conjunction with federal funds accommodation lines.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents (continued)

The Company maintains amounts due from banks which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts.

Investment Securities

All investment securities are classified as available for sale and recorded at fair value with unrealized gains and losses excluded from earnings and reported in accumulated other comprehensive income, net of the related deferred income tax effect. At December 31, 2024, there were no known events that have occurred that would require an impairment evaluation of these investments.

The amortization of purchase premiums and accretion of discounts are recognized in interest income using the interest method over the lives of the securities. Realized gains and losses on security transactions, determined using the specific identification method, are included in earnings on the settlement date. Declines in the fair value of securities below their cost that are deemed to be other-than-temporary are reflected in earnings as realized losses.

Restricted Equity Securities

Restricted equity securities consist of stock in the Federal Home Loan Bank and Farmer Mac. The securities have no quoted market values and are carried at cost. At their discretion, the entities may declare dividends on the stock. Management reviews for impairment based on the ultimate recoverability of the cost bases in the investments.

Loans and Interest Income

Loans are reported at principal amounts outstanding net of deferred loan origination fees and the allowance for credit losses. Interest on all loans is calculated by using the simple interest method on the daily balance of the principal amount outstanding. Loan origination fees are deferred and recognized over the term of the loan. Loan origination costs are recognized at the time the loan is recorded. The accrual of interest on loans is discontinued when, in management's opinion, the borrower may be unable to meet payments as they become due, unless the loan is well-secured and in process of collection. Past due status is based on contractual terms of the loan. In all cases, loans are placed on nonaccrual or charged off at an earlier date if collection of principal or interest is considered doubtful. All interest accrued, but not collected for loans that are placed on nonaccrual or charged off, is reversed against interest income or charged to the allowance, unless management believes that the accrual of interest is recoverable through the liquidation of collateral.

Interest income on nonaccrual loans is recognized on either the cash-basis or cost-recovery method, until the loans are returned to accrual status. Loans are returned to accrual status when the loan has been performing according to the contractual terms for a period of not less than six months and future payments are reasonably assured.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Allowance for Credit Losses ("ACL") – Loans

The current expected credit loss (“CECL”) approach requires an estimate of the credit losses expected over the life of an exposure (or pool of exposures). It replaced the incurred loss approach’s threshold that delayed the recognition of a credit loss until it was probable a loss event was incurred. The estimate of expected credit losses is based on relevant information about past events, current conditions, and reasonable and supportable forecasts that affect the collectability of the reported amounts. Historical loss experience is generally the starting point for estimating expected credit losses. The Company then considers whether the historical loss experience should be adjusted for asset-specific risk characteristics or current conditions at the reporting date that did not exist over the historical period used. The Company also considers future economic conditions and portfolio performance as part of a reasonable and supportable forecast period.

The ACL is a valuation account that is deducted from the loans' amortized cost basis to present the net amount expected to be collected on the loans. Loans are charged off against the ACL when management believes the uncollectibility of a loan balance is confirmed. In the event that collection of principal becomes uncertain, the Company has policies in place to reverse accrued interest in a timely manner, therefore, the Company has made a policy election to exclude accrued interest from the measurement of the ACL.

Management determines the ACL balance using relevant available information from internal and external sources, relating to past events, current conditions, and reasonable and supportable forecasts. Historical credit behaviors along with model judgments provide the basis for the estimation of expected credit losses. Adjustments to modeled loss estimates may be made for differences in current loan-specific risk characteristics such as differences in underwriting standards, portfolio mix, delinquency level, or term as well as for changes in environmental conditions, such as changes in economic conditions, property values, or other relevant factors. For the majority of loans and leases, the ACL is calculated using a discounted cash flow methodology applied at the portfolio level.

Expected credit losses are reflected in the allowance for credit losses through a charge to the provision for credit losses. The ACL-loans is measured on a collective basis when similar risk characteristics exist. The Company calculates the ACL for each portfolio segment using a discounted cash flow methodology at the portfolio level, with loss rates, prepayment assumptions and curtailment assumptions driven by each loan’s collateral type.

Loans that do not share risk characteristics are evaluated on an individual basis. When management determines that foreclosure is probable or when the borrower is experiencing financial difficulty at the reporting date and repayment is expected to be provided substantially through the operation or sale of the collateral, expected credit losses are based on the fair value of the collateral at the reporting date, adjusted for selling costs as appropriate or the present value of expected cash flows.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Allowance for Credit Losses – Off-Balance Sheet Credit Exposures

Management estimates expected credit losses on commitments to extend credit over the contractual period during which the Company is exposed to credit risk on the underlying commitments. The ACL on off-balance sheet credit exposures is adjusted as a provision for credit loss expense. The estimate includes consideration of the likelihood that funding will occur and an estimate of expected credit losses on commitments expected to be funded over its estimated life. The ACL is calculated using the same aggregate reserve rates calculated for the funded portion of loans at the portfolio level applied to the amount of commitments expected to fund.

Allowance for Credit Losses – Available-for-Sale Securities ("AFS")

For AFS debt securities in an unrealized loss position, the Company first assesses whether it intends to sell, or whether it is more likely than not that it will be required to sell the security before recovery of its amortized cost basis. If either of the criteria regarding intent or requirement to sell is met, the security's amortized cost basis is written down to fair value through income. For AFS debt securities that do not meet the aforementioned criteria, the Company evaluates whether the decline in fair value has resulted from credit losses or other factors. In making this assessment, management considers the extent to which fair value is less than amortized cost, any changes to the rating of the security by a rating agency, and adverse conditions specifically related to the security, among other factors. If this assessment indicates that a credit loss exists, the present value of cash flows expected to be collected from the security are compared to the amortized cost basis of the security.

If the present value of cash flows expected to be collected is less than the amortized cost basis, a credit loss exists and an ACL is recorded for the credit loss, limited by the amount that the fair value is less than the amortized cost basis. Any amount of unrealized loss that has not been recorded through an ACL is recognized in other comprehensive income. Accrued interest receivable on AFS debt securities is excluded from the estimate of credit losses.

Changes in the ACL are recorded as provision for (or reversal of) credit loss expense. Losses are charged against the ACL when management believes the uncollectibility of an AFS security is confirmed or when either of the criteria regarding intent or requirement to sell is met.

Premises and Equipment

Premises and equipment are carried at cost with depreciation computed using the straight-line method. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is reflected in earnings for the period. The cost of maintenance and repairs which do not improve or extend the useful life of the respective asset is charged to earnings as incurred whereas significant improvements are capitalized.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Foreclosed Assets

Foreclosed assets represent other real estate owned and other repossessions acquired through, or in lieu of, loan foreclosure or other proceedings. Foreclosed assets are held for sale and are initially recorded at fair value less estimated selling costs. Any write down to fair value at the time of transfer to foreclosed assets is charged to the allowance for credit losses. Subsequent to foreclosure, valuations are periodically performed by management and the assets are carried at the lower of the carrying amount or fair value less costs to sell. Costs of improvements are capitalized, whereas costs relating to holding foreclosed assets and subsequent write downs to the value are expensed. There were no foreclosed assets held as of December 31, 2024 and 2023.

Comprehensive Income

Accounting principles generally require that recognized revenue, expenses, gains and losses be included in net income. Although certain changes in assets and liabilities, such as unrealized gains and losses on available for sale securities, are reported as a separate component of the equity section of the balance sheet; such items, along with net income, are components of comprehensive income.

Income Taxes

The income tax accounting guidance results in two components of income tax expense: current and deferred. Current income tax expense reflects taxes to be paid or refunded for the current period by applying the provisions of the enacted tax law to the taxable income or excess of deductions over revenues. The Company determines deferred income taxes using the liability (or balance sheet) method. Under this method, the net deferred tax asset or liability is based on the tax effects of the differences between the book and tax bases of assets and liabilities, and enacted changes in tax rates and laws are recognized in the period in which they occur.

Deferred income tax expense results from changes in deferred tax assets and liabilities between periods. Deferred tax assets are recognized if it is more likely than not, based on the technical merits, that the tax position will be realized or sustained upon examination. The term more likely than not means a likelihood of more than 50 percent; the terms examined and upon examination also include resolution of the related appeals or litigation processes, if any. A tax position that meets the more-likely-than-not recognition threshold is initially and subsequently measured as the largest amount of tax benefit that has a greater than 50 percent likelihood of being realized upon settlement with a taxing authority that has full knowledge of all relevant information. The determination of whether or not a tax position has met the more-likely-than-not recognition threshold considers the facts, circumstances, and information available at the reporting date and is subject to management's judgment. Deferred tax assets may be reduced by deferred tax liabilities and a valuation allowance if, based on the weight of evidence available, it is more likely than not that some portion or all of a deferred tax asset will not be realized. Any effect of a change in federal and state income tax rates on deferred tax assets and liabilities is recognized in income tax expense in the period that includes the enactment date.

The consolidated federal income tax returns of the Company and the Bank for 2023, 2022, and 2021 are subject to examination by the IRS, generally for three years after they were filed.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Earnings Per Share

Basic earnings per share are computed by dividing net income by the weighted average number of common shares outstanding during the period. The weighted average number of shares outstanding used to calculate basic earnings per share were 278,485 and 274,853 for the years ended December 31, 2024 and 2023, respectively.

Diluted earnings per share reflects additional potential common shares that would have been outstanding if dilutive potential common shares had been issued, as well as any adjustment to income that would result from the assumed issuance. Potential common shares that may be issued by the Company relate to outstanding vested stock options. The dilutive shares outstanding used to calculate diluted earnings per share were 285,896 and 282,888 for the years ended December 31, 2024 and 2023, respectively.

Stock Compensation Plans

Stock compensation accounting guidance requires that the compensation cost relating to share-based payment transactions be recognized in financial statements. That cost will be measured based on the grant date fair value of the equity or liability instruments issued. The stock compensation accounting guidance covers a wide range of share-based compensation arrangements including stock options, restricted share plans, performance-based awards, share appreciation rights and employee share purchase plans.

The stock compensation accounting guidance requires that compensation cost for all stock awards be calculated and recognized over the employees' service period, generally defined as the vesting period. For awards with graded-vesting, compensation cost is recognized on a straight-line basis over the requisite service period for the entire award. A Black-Scholes model is used to estimate the fair value of stock options, while the market price of the Company's common stock at the date of grant is used for restricted stock awards and stock grants.

Transfers of Financial Assets

Transfers of financial assets are accounted for as sales, when control over the assets has been surrendered. Control over transferred assets is deemed to be surrendered when (1) the assets have been isolated from the Company - put presumptively beyond the reach of the transferor and its creditors, even in bankruptcy or other receivership, (2) the transferee obtains the right (free of conditions that constrain it from taking advantage of that right) to pledge or exchange the transferred assets, and (3) the Company does not maintain effective control over the transferred assets through an agreement to repurchase them before their maturity or the ability to unilaterally cause the holder to return specific assets.

Servicing Rights

In accordance with ASC 860-50, the Company recognizes a servicing asset or liability for a servicing contract when the transfer of a financial asset meets the requirements for a sale. The Company originates government guaranteed loans and sells the guaranteed portion of the loan with the servicing right retained. The servicing fee received is based on a percentage of the loan principal balance. The fee is received for performing loan administration functions such as collecting loan payments and maintaining loan records. For the period ending December 31, 2024 and 2023, included as a component of noninterest income was approximately $276,000 and $271,000, respectively, in loan servicing fee income.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Servicing Rights (continued)

As of December 31, 2024 and 2023, included as a component of other assets is a servicing asset totaling approximately $707,000 and $714,000, respectively. The Company has elected to measure servicing assets on a class-by-class basis. As of December 31, 2024, all servicing assets are measured using the fair value method. Under the fair value method, servicing assets are measured at fair value at each reporting date with changes in the fair value of the assets reported in earnings. The Company recognizes the inherent risk in measuring servicing assets at fair value and may implement instruments to mitigate the income statement effect of changes in the fair value of servicing assets. The fair value of the Company's servicing asset is determined using a discounted cash flow model. Inputs used in the discount cash flow model include market prepayment data, market trading results, coupon par values and discount rate assumptions.

Leases

The Company recognizes its leases on the balance sheet as required under ASU No. 2016-02 "Leases (Topic 842)". The lease standard requires recognition of both an operating right-of-use asset and operating lease liability as determined based on the present value of remaining minimum lease payments, discounted using the Company's incremental borrowing rate as of the date the Company entered the lease or adopted ASU No. 2016-02. Management implemented the standard under a modified retrospective approach and has elected to apply several of the available practical expeditions, including:

- Carryover of historical lease determination and lease classification conclusions.
- Carryover of historical initial deposit cost balance for existing leases.
- Accounting for lease and non-lease components in contracts in which the Company is a lessee as a single lease component.

Revenue from Contracts with Customers

The Company records revenue from contracts with customers in accordance with Accounting Standards Codification Topic 606, "Revenue from Contracts with Customers" ("Topic 606"). Under Topic 606, the Company must identify the contract with a customer, identify the performance obligations in the contract, determine the transaction price, allocate the transaction price to the performance obligations in the contract and recognize revenue when (or as) the Company satisfies a performance obligation. Significant revenue has not been recognized in the current reporting period that results from performance obligations satisfied in previous periods.

The majority of the Company's revenues come from interest income and other sources, including loans and securities, that are not subject to Topic 606. Services within the scope of Topic 606 include service charges on deposit accounts, data processing fees, debit card and ATM fees, all of which are presented within noninterest income. The Company enters into various contracts with customers to provide these traditional banking services on a routine basis. The Company's performance obligations are generally service-related and provided on a daily, monthly or quarterly basis. The performance obligations are generally satisfied as services are rendered and the fees are collected at such time, or shortly thereafter. It is not typical for contracts to require significant judgment to determine the transaction price. See Note 17 for additional information.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Advertising

Advertising costs are expensed as incurred. Advertising costs were approximately $153,000 and $183,000 for the period ending December 31, 2024 and 2023, respectively.

Reclassifications

Certain reclassifications were made to the prior year's presentation to conform to the current year.

Fair Value of Financial Instruments

Fair values of financial instruments are estimates using relevant market information and other assumptions, as disclosed in Note 16. Fair value estimates involve uncertainties and matters of significant judgment. Changes in assumptions or in market conditions could significantly affect the estimates.

Subsequent Events

The Company has evaluated all transactions, events, and circumstances for consideration or disclosure through May 29, 2025, the date these consolidated financial statements were available to be issued and has reflected or disclosed those items within the consolidated financial statements and related footnotes as deemed appropriate.

NOTE 2. INVESTMENT SECURITIES

Investment securities have been classified in the consolidated balance sheets according to management's intent. The carrying amount of investment securities available for sale and their approximate fair values are summarized as follows:

The Company elected to exclude accrued interest receivable from the amortized cost basis of available-for-sale securities disclosed throughout this note. As of December 31, 2024 and 2023, accrued interest receivable for available-for-sale securities totaled $231,117 and $227,435, respectively, and is included in the "accrued interest receivable" line item on the Company's consolidated balance sheet.

The amortized cost and fair value of investment securities as of December 31, 2024, by contractual maturity, are shown below. Actual maturities may differ from contractual maturities because issuers may have the right to call or prepay obligations with or without call or prepayment penalties. SBA loan pools and mortgage-backed securities are shown separately in the following maturity summary.

	Amortized Cost	Fair Value

At December 31, 2024, there were one hundred and five available-for-sale securities that had unrealized losses. U.S. Treasury and agency securities, state, county & municipal securities, and agency mortgage-backed securities are issued, guaranteed or otherwise supported by the United States government, an agency of the United States, or a government sponsored enterprise. In analyzing an issuer's financial condition, management considers whether the securities are issued by the federal government or its agencies, whether downgrades by bond rating agencies have occurred and the results of reviews of the issuer's financial condition. The unrealized losses are largely due to increases in market interest rates over the yields available at the time the underlying securities were purchased. As management has the ability to hold debt securities until maturity, or for the foreseeable future if classified as available-for-sale, no declines are deemed to be other than temporary. As of December 31, 2024, no ACL was established for investment securities available for sale.

NOTE 2. INVESTMENT SECURITIES (CONTINUED)

Restricted equity securities consist of the following:

	December 31,

There were no sales of securities available for sale for the year ended December 31, 2024.

Proceeds from sales of securities available for sale for the year ended December 31, 2023 amounted to $545,900 with gross realized gains of $49.

Investment securities with a carrying value of approximately $6,174,000 and $5,274,000 at December 31, 2024 and 2023, respectively, were pledged to secure public deposits as required by law.

NOTE 3. LOANS AND ALLOWANCE FOR CREDIT LOSSES

Portfolio Segmentation

In accordance with U.S. GAAP, the loan portfolio was disaggregated into five segments and further disaggregated into classes for certain disclosures. A portfolio segment is defined as the level at which an entity develops and documents a systematic method for determining its allowance for credit losses. The segments used in the portfolio include commercial real estate; residential real estate; commercial; ag production; and consumer and other. The commercial real estate segment has been divided into three classes; construction and development; farmland; and other. The residential real estate segment has been divided into three classes; construction and development; 1-4 family; and multifamily. Commercial, ag production, and consumer and other loans are considered classes in themselves.

The composition of the Company's loan portfolio at December 31, 2024 and 2023 are shown below:

	2024	2023
Commercial real estate		
Construction and development	$ **33,161,899**	$ 41,966,192

The Company elected to exclude accrued interest receivable from the amortized cost basis of loans disclosed throughout this note. As of December 31, 2024 and 2023, accrued interest receivable for loans totaled $2,449,398 and $2,025,887, respectively, and is included in the "accrued interest receivable" line item on the Company's consolidated balance sheet.

The Company grants loans and extensions of credit to individuals and a variety of firms and corporations located within the Bank's markets. Although the Company has a diversified loan portfolio, 89% of the portfolio is concentrated in loans secured by real estate as of December 31, 2024 and 2023, respectively.

NOTE 3. LOANS AND ALLOWANCE FOR CREDIT LOSSES (CONTINUED)

Portfolio Segmentation (continued)

The following describe risk characteristics relevant to each of the portfolio segments:

Commercial Real Estate: The commercial real estate loans consist of construction and development, farmland, and other commercial real estate loans.

Construction and development loans consist of loans to builders and commercial borrowers. These loans are secured by real estate. These loans are vulnerable to changes in economic conditions. Further, the nature of these loans is such that they are difficult to evaluate and monitor. The risk of loss on construction and development loans is dependent on the accuracy of the initial estimates of property value upon completion of the projects, and the estimated costs (including interest) of the projects.

Farmland loans are typically repaid from business cash flow and are secured by the underlying farmland.

Other commercial real estate loans include owner occupied loans where the primary source of repayment are cash flows from the ongoing operations and activities conducted by the owners. Underwriting criteria for these loans require initial and on-going reviews of borrower cash flows. Economic conditions impacting cash flows of the borrowers or declines in collateral values are risk to this loan type. This class also includes income producing properties such as office and industrial buildings and retail shopping centers. These loans are repaid from rent income derived from the properties.

Residential Real Estate: The residential real estate loans consist of construction and development, 1-4 family, and multifamily real estate loans.

Construction and development loans consist of loans to builders and individuals for the construction of primary residences. These loans are secured by real estate. Loans are typically repaid through the sale or refinance of the underlying property.

1-4 family loans are repaid by various means such as a borrower’s income, sale of the property, or rental income derived from the property.

Multifamily loans are mortgage real estate loans for the closed-end purchase or refinancing of mortgages for apartment complexes and condominiums. These loans are secured by multifamily properties primarily located in the Company’s market area. The financial strength of the borrowers, income from the properties, and collateral values of the properties are assessed as part of the underwriting criteria of these loans. Risks associated with these loans include reductions in cash flow of the property due to market conditions and vacancy rates and declines in collateral values of properties securing the loans.

NOTE 3. LOANS AND ALLOWANCE FOR CREDIT LOSSES (CONTINUED)

Portfolio Segmentation (continued)

Commercial: Commercial loans are made to small and medium sized companies in the Company's market area. Commercial loans are generally used for working capital purposes or for acquiring equipment, inventory or furniture. Primarily all of the Company's commercial loans are secured loans, along with a small amount of unsecured loans. The Company's underwriting analysis consists of a review of the financial statements of the borrower, the lending history of the borrower, the debt service capabilities of the borrower, the projected cash flows of the business, the value of the collateral, if any, and whether the loans is guaranteed by the principals of the borrower. These loans are generally secured by the accounts receivable, inventory and equipment. Commercial loans are typically made on the basis of the borrower's ability to make repayment from the cash flow of the borrower's business, which makes them of higher risk than residential loans and the collateral securing loans may be difficult to appraise and may fluctuate in value based on the success of the business. The Company seeks to minimize these risks through its underwriting standards.

Ag Production: These loans are generally made to farmers for various purposes related to crops, livestock, related equipment/machinery, and other farm operations. Repayment is primarily dependent on the personal income of the borrower and income from farming operations, which can be impacted by economic and other market conditions. As a general practice, the Company takes as collateral a security interest in the underlying crops, livestock, equipment, etc. Such loans are monitored via inspections and/or evaluations, as applicable.

Consumer & other: Consumer and other loans are extended for various purposes, including purchases of automobiles, recreation vehicles, and boats. The Company also offers home improvement loans, lines of credit, personal loans, and deposit account collateralized loans. Repayment of these loans is primarily dependent on the personal income of the borrowers, which can be impacted by economic conditions in their market areas such as unemployment levels. Loans to consumers are extended after a credit evaluation, including the creditworthiness of the borrower(s), the purpose of the credit, and the secondary source of repayment. Consumer loans are made at fixed and variable interest rates and may be made on terms of up to five years. Risk is mitigated by the fact that the loans are of smaller individual amounts and spread over a large number of borrowers.

Credit Risk Management

The Company employs a credit risk management process with defined policies, accountability and routine reporting to manage credit risk in the loan portfolio segments. Credit risk management is guided by credit policies that provide for a consistent and prudent approach to underwriting and approvals of credits. Within the Loan Policy, procedures exist that elevate the approval requirements as credits become larger and more complex. All loans are individually underwritten, risk-rated, approved and monitored.

Responsibility and accountability for adherence to underwriting policies and accurate risk ratings lies in each portfolio segment. For the consumer portfolio segment, the risk management process focuses on managing customers who become delinquent in their payments. For the commercial, agricultural and real estate portfolio segments, the risk management process focuses on underwriting new business and, on an ongoing basis, monitoring the credit of the portfolios, including an internal review on the largest credits on an annual basis or more frequently as needed.

Credit quality and trends in the loan portfolio segments are measured and monitored regularly. Detailed reports, by product, collateral, accrual status, etc., are reviewed by senior management, the Loan Committee and the Board of Directors.

Internal risk-ratings, or grades, are assigned to each loan based on an analysis of the financial strength, collateral, and other credit attributes underlying each loan. Management analyzes the resulting ratings, as well as other external statistics and factors such as delinquency, to track the migration performance of the portfolio balances. The rating methodology complies with the asset classification system promulgated by the federal banking agencies. Loan grades range from one to eight, with one-graded loans having the least credit risk, as defined below:

Excellent (Grade 1) – Highest quality. Loans fully secured by cash, cash equivalents, or the unconditional guaranty of U.S. Government Agency security.

Superior (Grade 2) – Above average quality. Minimal risk of loss. Borrowers with strong, stable financial trends. Strong cash flow, covering debt service requirements and some portion of capital expenditures. Alternative sources of repayment are evident and financial ratios are comparable to or exceed the industry norms. Trends are positive. Prominent position in the industry or local economy. Industry performance is above average. Management strong in most areas and backup depth is good. Individuals with stable and reliable cash flow and above average liquidity and cash flow. Collateral is marketable and adequate to liquidate the debt, if necessary. Modest risk from exposure to contingent liabilities.

Satisfactory (Grade 3) – Average quality. Cash flow is adequate to cover all debt service requirements but not capital expenditures. Balance sheet may be leveraged but still comparable to the industry. Financial trends stable to mixed over long term but no significant concerns exist at this time. Generally stable industry outlook may have some cyclical characteristics. Average position in industry or local economy. Management is considered capable and stable. Individuals with reliable cash flow but alternative sources of repayment would require sale of assets that may be considered illiquid. Financial position has been leveraged to an average degree or individual has an average net worth position considering income and debt. Loans in this category should be performing satisfactorily.

Watch (Grade 4) – Below average quality. Loan conditions require more frequent monitoring than the higher grades. Stability is lacking in the primary repayment source, cash flow, credit history or liquidity; however, the instability is manageable and considered temporary. Overall trends are not yet adverse. Individuals whose source of income or cash flow have become unstable or limited. Income may decline due to current business or economic conditions. The individual has a somewhat highly leveraged condition and limited capital. Moderate history of some degree of slow payment may be exhibited.

NOTE 3. LOANS AND ALLOWANCE FOR CREDIT LOSSES (CONTINUED)

Credit Risk Management (continued)

Special Mention (Grade 5) – Included in this category are loans which do not presently expose the Company to a sufficient degree of risk to warrant adverse classification but do possess credit deficiencies deserving management's close attention. Failure to correct deficiencies could result in greater credit risk in the future. Ordinarily, such borderline credits have characteristics which corrective management attention would remedy. Specific negative events within the obligor or the industry jeopardize cash flow and repayment. Borrower is taking positive steps to improve situation. Individuals who exhibit some degree of weakness in financial condition. Moderate delinquency may exist from time to time.

Substandard (Grade 6) – Substandard loans are inadequately protected by the current sound net worth and paying capacity of the obligor or of the collateral pledged, if any. Loans so classified must have a well-defined weakness or weaknesses that jeopardize the liquidation of the debt. They are characterized by the distinct possibility that the bank will sustain some loss if the deficiencies are not corrected.

Doubtful (Grade 7) – Loans classified doubtful have all the weaknesses inherent in those classified substandard with the added characteristic that the weaknesses make collection or liquidation in full, on the basis of currently known facts, conditions and values, highly questionable and improbable. The possibility of loss is high. A full or partial reserve may be warranted.

Loss (Grade 8) – Loans classified loss are considered uncollectible and of such little value that their continuance as bankable assets is not warranted. This classification does not mean that the loan has absolutely no recovery or salvage value but rather it is not practical or desirable to defer writing off this basically worthless asset even though partial recovery may be affected in the future.

Internal risk ratings by loan segment and class as of December 31, 2024 and 2023, respectively, are presented in the following tables. Balances presented are based on book balance, or recorded investment.

Past Due Loans

A loan is considered past due if any required principal and interest payments have not been received as of the date such payments were required to be made under the terms of the loan agreement. Generally, management places loans on non-accrual when there is a clear indication that the borrower's cash flow may not be sufficient to meet payments as they become due, which is generally when a loan is 90 days past due.

The following table presents the aging of past due loans as of December 31, 2024 by segment and class. Balances presented are based on book balance, or recorded investment.

Loan Modifications

The allowance for credit losses incorporates an estimate of lifetime expected credit losses and is recorded on each asset upon asset origination or acquisition. The starting point for the estimate of the allowance for credit losses is historical loss information, which includes losses from modifications of receivables to borrowers experiencing financial difficulty. The Company uses a discounted cash flow methodology to determine the allowance for credit losses. An assessment of whether a borrower is experiencing financial difficulty is made on the date of a modification.

Because the effect of most modifications made to borrowers experiencing financial difficulty is already included in the allowance for credit losses because of the measurement methodologies used to estimate the allowance, a change to the allowance for credit losses is generally not recorded upon modification. The Company could modify loans by providing principal forgiveness on certain of its real estate loans. When principal forgiveness is provided, the amortized cost basis of the asset is written off against the allowance for credit losses. The amount of the principal forgiveness is deemed to be uncollectible; therefore, that portion of the loan is written off, resulting in a reduction of the amortized cost basis and a corresponding adjustment to the allowance for credit losses.

In some cases, the Company will modify a certain loan by providing multiple types of concessions. Typically, one type of concession, such as a term extension, is granted initially. If the borrower continues to experience financial difficulty, another concession, such as principal forgiveness, may be granted. Upon the Company's determination that a modified loan, or portion of a loan, has subsequently been deemed uncollectible, the loan, or portion of the loan, is written off.

NOTE 9. EMPLOYEE BENEFIT PLANS

Deferred Compensation Plan

On January 1, 2005, the Bank implemented the "Deferred Compensation Plan for Directors". The plan is an unfunded, non-qualified deferred compensation agreement. The deferred compensation plan is available for all members of the Bank's board of directors with participation available on a voluntary basis. Under the plan, participating board members defer monthly meeting fees which also accrue interest at an interest rate established by the plan. Participation remains in effect unless an individual is no longer a member of the Bank's board of directors or voluntarily exits the plan. The accrued benefits for the deferred compensation amounted to $1,861,927 and $1,663,187 at December 31, 2024 and 2023, respectively. Deferred compensation expense for the year ended December 31, 2024 and 2023 was $314,398 and $262,673, respectively.

NOTE 9. EMPLOYEE BENEFIT PLANS (CONTINUED)

Employee Profit Sharing Plan

The Company offers the benefit of participating in a 401(k) profit sharing plan to eligible employees. Eligible employees may make voluntary contributions to the plan through payroll deductions on a pre-tax basis. The Company also matches the employee contributions up to a 4% total contribution of the employee's compensation. All Company and employee contributions are subject to certain limitations set by law. For the year ended December 31, 2024 and 2023, expenses attributable to the plan amounted to $221,658 and $222,059, respectively.

Supplemental Executive Retirement Pension Plan

The Bank established a "Supplemental Executive Retirement Plan" in November of 2022 and entered into agreements with certain executive officers under this plan. Participants in the plan participate on a noncontributing basis. Information pertaining to the activity in the plan as of and for the year ended December 31, 2024 is as follows:

Stock Options

The Company's Board of Directors authorized the establishment of the 2000 Incentive Stock Option Plan. Options granted under the plan expire based upon the terms within each stock option agreement. Options vest cumulatively from the grant date on each annual anniversary date. In the event that an individual granted options under the plan ceases employment with the Company, the unexercised portion of the granted options will cease to vest. Vested options shall expire, terminate and become un-exercisable on the thirtieth day following the date on which the individual's service terminated. If an individual's service with the Company is terminated for cause, granted options will expire, terminate and become un-exercisable as of the termination date. Forfeitures are accounted for in the period for which they occur.

Compensation expense for incentive stock options is based on the market price of the Company stock at the grant date. Compensation expense is recognized proportionally over the respective vesting period. The fair value of the Company's stock is estimated based upon the Black-Scholes pricing model. Volatility of the Company's stock is based upon the average change in the Company's book value per share. For the year end December 31, 2024 and 2023, the Company recognized compensation expense for incentive stock option agreements of $179,561 and $156,975, respectively.

A summary of outstanding stock options for the year ended December 31, 2024 is presented below:

	$ 2,911,830	$ 2,667,425

NOTE 12. COMMITMENTS & CONTINGENCIES

Credit Related Financial Instruments

The Company is a party to financial instruments with off-balance-sheet risk in the normal course of business to meet the financing needs of its customers. These financial instruments include commitments to extend credit and standby letters of credit. Those instruments involve, to varying degrees, elements of credit risk in excess of the amount recognized in the balance sheet. The contractual amounts of those instruments reflect the extent of involvement the Company has in particular classes of financial instruments.

The exposure to credit loss in the event of nonperformance by the other party to the financial instrument for commitments to extend credit and standby letters of credit is represented by the contractual amount of those instruments. The same credit policies are used in making commitments and conditional obligations as for on-balance-sheet instruments. In most cases, collateral is required to support financial instruments with credit risk.

NOTE 12. COMMITMENTS & CONTINGENCIES (CONTINUED)

Credit Related Financial Instruments (continued)

A summary of the Company's commitments as of December 31, 2024 and 2023, respectively, is approximately as follows:

Commitments to extend credit	**$ 69,958,504**	$ 60,589,482
Standby letters of credit	**6,429,510**	6,605,026
	$ 76,388,014	$ 67,194,508

Commitments to extend credit are agreements to lend to a customer as long as there is no violation of any condition established in the contract. Commitments generally have fixed expiration dates or other termination clauses and may require payment of a fee. Since many of the commitments may expire without being drawn upon, the total commitment amounts do not necessarily represent future cash requirements. The Company evaluates each customer's creditworthiness on a case-by-case basis. The amount of collateral obtained, if deemed necessary by the Company, upon extension of credit is based on management's credit evaluation. Collateral held varies but may include unimproved and improved real estate, certificates of deposit or personal property.

Standby letters of credit are conditional commitments issued by the Company to guarantee the performance of a customer to a third party. Those uncollateralized guarantees are primarily issued to local businesses. The credit risk involved in issuing letters of credit is essentially the same as that involved in extending loan facilities to customers.

The Company may maintain an allowance for off-balance sheet credit exposures such as unfunded balances for existing lines of credit, commitments to extend future credit, as well as both standby and commercial letters of credit when there is a contractual obligation to extend credit and when this extension of credit is not unconditionally cancellable. The allowance for off-balance sheet credit exposures is adjusted as a provision for credit loss expense. The estimate includes consideration of the likelihood that funding will occur, which is based on a historical funding study derived from internal information, and an estimate of expected credit losses on commitments expected to be funded over its estimated life, which are the same loss rates that are used in computing the allowance for credit losses on loans. The allowance for credit losses for unfunded commitments is included in other liabilities on the consolidated balance sheet. Following consideration of funding rates, cancellable provisions in loan agreements, and the overall level of unfunded commitments, the Company recorded an allowance for unfunded loan commitments of $37,000 and $93,000 as of December 31, 2024 and 2023, respectively.

Unused Lines of Credit

The Bank has unsecured federal funds lines of credit with four correspondent financial institutions providing borrowing capacity up to $20,500,000 with interest determined at the time of any advance. The arrangements are reviewed annually for renewal of the credit line.

Contingencies

The Company and the Bank are subject to a certain amount of claims and litigation which arise in the normal course of business activities. Management uses applicable accounting standards to determine if contingencies are required to be accrued or disclosed in the consolidated financial statements.

NOTE 13. CONCENTRATIONS

The Company originates primarily commercial, agricultural, agribusiness, commercial real estate, residential real estate and consumer loans to its customers. A substantial portion of the Company's customers' abilities to honor their contracts is dependent on economic stability in Southwest Georgia.

As set forth in Note 3, a large portion of the Company's loan portfolio is concentrated in real estate loans. As of December 31, 2024, approximately 89% of the Company's loan portfolio is secured by real estate. A substantial portion of these loans is secured by real estate in the Company's primary market area. Accordingly, the ultimate collectability of the loan portfolio is susceptible to changes in real estate conditions in the Company's primary market area. The other significant concentrations of credit by type of loan are also set forth in Note 3. The Company, as a matter of policy, does not extend credit to any single borrower or group of related borrowers in excess of the Bank's secured legal lending limit.

The Bank may extend credit on terms that result in a concentration of credit risk. As of December 31, 2024, the Bank reported approximately $1,693,000 in loans that were originated with regulatory loan to value exceptions.

At various times throughout the year, the Company maintains cash balances and federal funds sold with other financial institutions which exceed federally insured limits. The Company monitors the capital adequacy of these financial institutions on a quarterly basis.

As of December 31, 2024, the Bank had two customer deposit relationships that exceeded 5% of total deposits.

NOTE 14. REGULATORY MATTERS

The Bank is subject to various regulatory capital requirements administered by state and federal banking agencies. Failure to meet minimum capital requirements can initiate certain mandatory and possibly additional discretionary actions by regulators that, if undertaken, could have a direct material effect on the Bank's financial statements. Under capital adequacy guidelines and the regulatory framework for prompt corrective action, the Bank must meet specific capital guidelines that involve quantitative measures of assets, liabilities, and certain off-balance-sheet items as calculated under regulatory accounting practices. The Bank's capital amounts and classification are also subject to qualitative judgments by the regulators about components, risk weightings, and other factors.

The Basel III capital rules, implemented in the U.S. with certain changes mandated by the Dodd-Frank Act, strengthen the definition of regulatory capital, increase risk-based capital requirements, and make selected changes to the calculation of risk-weighted assets. The rules became effective January 1, 2015, for the Bank, subject to a transition period for several aspects, including the capital conversation buffer and certain regulatory capital adjustments and deductions, as described below. Under the Basel III capital rules, the minimum capital requirements for the Bank include a common equity Tier 1 (CET1) ratio of 4.5%; Tier 1 capital ratio of 6%; total capital ratio of 8%; and leverage ratio of 4%. When fully phased-in on January 1, 2019, the Basel III capital rules included a capital conversation buffer of 2.5% that is added on top of each of the minimum risk-based capital ratios. The implementation of the capital conservation buffer began on January 1, 2016 at the 0.625% level and increased to 1.25% at January 1, 2017. The buffer continued to be phased-in over a two-year period (increasing by 0.625% on each subsequent January 1 until it reached 2.5% on January 1, 2019). Under the Basel III capital rules, the Bank is well capitalized if it has a CET1 ratio of 6.5% or greater, a Tier 1 risk-based capital ratio of 8% or greater, a total risk-based capital ratio of 10% or greater, a leverage ratio of 5% or greater and are not subject to any written agreement, order, capital directive or prompt corrective action directive from a federal and/or state banking regulatory agency to meet and maintain a specific capital level for any capital measure.

NOTE 14. REGULATORY MATTERS (CONTINUED)

Quantitative measures established by regulation to ensure capital adequacy require the Bank to maintain minimum amounts and ratios (set forth in the following table) of common equity Tier I capital, Tier I, and total capital (as defined in the regulations) to risk-weighted assets (as defined), and of Tier 1 capital (as defined) to average assets (as defined). Management believes, as of December 31, 2024 and 2023, that the Bank met all capital adequacy requirements to which they are subject.

As of December 31, 2024, the most recent notification from the regulatory authorities categorized the Bank as well capitalized under the regulatory framework for prompt corrective action. To be categorized as well capitalized, the Bank must maintain minimum Common Equity Tier I, Tier I risk-based, total risk-based, and Tier 1 leverage ratios as set forth in the following table. There are no conditions or events since that notification that management believes have changed the institution's category.

The Bank's actual capital amounts and ratios are presented in the table below.

NOTE 15. LIMITATION ON DIVIDENDS

The board of directors of any state-chartered bank in Georgia may declare and pay cash dividends on its outstanding capital stock, up to specified limits, without any request for approval of the Bank's regulatory agency if certain conditions are met. These restrictions are based on the level of regulatory classified assets, the prior year's net earnings, and the ratio of equity capital to total assets. The amount of cash dividends available for payment in 2025, without prior approval, is approximately $2,834,000.

NOTE 16. FAIR VALUE MEASUREMENTS

Determination of Fair Value

The Company uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. In accordance with the *Fair Value Measurements and Disclosures* topic (FASB ASC 820), the fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value is best determined based upon quoted market prices. However, in many instances, there are no quoted market prices for the Company's various financial instruments. In cases where quoted market prices are not available, fair values are based on estimates using present value or other valuation techniques. Those techniques are significantly affected by the assumptions used, including the discount rate and estimates of future cash flows. Accordingly, the fair value estimates may not be realized in an immediate settlement of the instrument.

The fair value guidance provides a consistent definition of fair value, which focuses on exit price in an orderly transaction (that is, not a forced liquidation or distressed sale) between market participants at the measurement date under current market conditions. If there has been a significant decrease in the volume and level of activity for the asset or liability, a change in valuation technique or the use of multiple valuation techniques may be appropriate. In such instances, determining the price at which willing market participants would transact at the measurement date under current market conditions depends on the facts and circumstances and requires the use of significant judgment. The fair value is a reasonable point within the range that is most representative of fair value under current market conditions.

Fair Value Hierarchy

In accordance with this guidance, the Company groups its financial assets and financial liabilities generally measured at fair value in three levels, based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value.

Level 1 - Valuation is based on quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. Level 1 assets and liabilities generally include debt and equity securities that are traded in an active exchange market. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2 - Valuation is based on inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly. The valuation may be based on quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the asset or liability.

Level 3 - Valuation is based on unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which determination of fair value requires significant management judgment or estimation.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. The Company's policy is to recognize transfers between levels of the fair value hierarchy on the actual date of the event or circumstance that caused the transfer. There were no transfers of assets or liabilities between levels of the fair value hierarchy during the period.

NOTE 16. FAIR VALUE MEASUREMENTS (CONTINUED)

Assets and Liabilities Measured at Fair Value on a Recurring Basis: Assets and liabilities measured at fair value on a recurring basis are summarized below. For available for sale securities, the Company obtains fair value measurements from an independent pricing service. The fair value measurements consider observable data that may include exchange prices, dealer quotes, market spreads, cash flows, the US Treasury yield curve, live trading levels, trade execution data, market consensus prepayment speeds, credit information and the bond's terms and conditions.

Should transparency in input factors diminish, additional obligations could be classified as level 3 assets in the future. No transfers were made between level 1 or 2 assets measured at fair value on a recurring basis during 2024 or 2023.

NOTE 16. FAIR VALUE MEASUREMENTS (CONTINUED)

Assets Measured at Fair Value on a Nonrecurring Basis: Under certain circumstances, management makes adjustments to fair value for assets and liabilities although they are not measured at fair value on an ongoing basis. The following table presents the financial instruments carried on the consolidated balance sheet by caption and by level in the fair value hierarchy at December 31, 2024 and 2023 measured at fair value on a nonrecurring basis.

Collateral-Dependent Loans

The Company classifies a loan as collateral-dependent when a borrower is experiencing financial difficulty and repayment is expected to be provided substantially through the operation or sale of collateral. Commercial loans have collateral that is comprised of real estate and business assets. Consumer loans have collateral that is substantially comprised of residential real estate.

The fair value of collateral-dependent loans is measured based on the value of the collateral securing these loans. Collateral-dependent loans are classified within Level 3 of the fair value hierarchy. Collateral may be real estate and/or business assets including equipment, inventory, and/or accounts receivable. The Company primarily determines the value of the collateral based on independent appraisals performed by qualified licensed appraisers. These appraisals may utilize a single valuation approach or a combination of approaches including comparable sales and the income approach. Appraised values are discounted for costs to sell and may be discounted further based on management's historical knowledge, changes in market conditions from the date of the most recent appraisal, and/or management's expertise and knowledge of the customer and the customer's business. Such discounts by management are subjective and are typically significant unobservable inputs for determining fair value. The Company also prepares internal real estate collateral evaluations for smaller balance loans. For loan secured by equipment, automobiles and other personal property, the Company will rely on third party pricing sources. Collateral-dependent loans are reviewed and evaluated on at least a quarterly basis and adjusted accordingly, based on the same factors discussed above.

NOTE 16. FAIR VALUE MEASUREMENTS (CONTINUED)

Other Real Estate Owned

Other real estate owned, consisting of properties obtained through foreclosure or in satisfaction of loans, are initially recorded at fair value less estimated costs to sell upon transfer of the loans to other real estate. Subsequently, other real estate is carried at the lower of carrying value or fair value less costs to sell. Fair values are generally based on third party appraisals of the property and are classified within Level 3 of the fair value hierarchy. The appraisals are sometimes further discounted based on management's historical knowledge, and/or changes in market conditions from the date of the most recent appraisal, and/or management's expertise and knowledge of the customer and the customer's business. Such discounts are typically significant unobservable inputs for determining fair value. In cases where the carrying amount exceeds the fair value, less estimated costs to sell, a loss is recognized in noninterest expense.

For Level 3 assets measured at fair value on a non-recurring basis as of December 31, 2024, the significant unobservable inputs primarily used in the fair value measurements are shown below:

	Carrying Amount	Valuation Technique	Significant Unobservable Input
Nonrecurring:			
Collateral-dependent loans	$ 14,842,337	Appraisal/In-house	Appraisal discounts (5-10%)
Other real estate owned	-	Appraisal/In-house	Appraisal discounts (5-10%)

NOTE 17. REVENUE FROM CONTRACTS WITH CUSTOMERS

Service charges on deposit accounts, other service charges, commissions and fees and gains/losses on the sale of other real estate are included within the noninterest income portion of the consolidated financial statements. The following provides information on the Company's sources of noninterest income within the scope of ASC 606 for the periods indicated.

Service Charges and Other Fees

Service charges and other fees include deposit account maintenance fees, overdraft fees, wire transfer fees, sweep fees and safe deposit box fees. Revenue is recognized for these services either over time, corresponding with a deposit accounts' monthly cycle, or at a point in time for transaction-related services and fees. Payment for service charges on deposit accounts is primarily received immediately or in the following month through a direct charge to customers' accounts. Safe deposit box rental income is recognized on a monthly basis as the Bank's performance obligation is satisfied. For the years ended December 31, 2024 and 2023, there were $582,835 and $446,813, respectively, in service charges and other fees.

ATM Surcharges and Interchange Fees

ATM fees are transaction-based fees recognized at the time the transaction is executed as that is the point at which the Bank satisfies the performance obligation. Debit card interchange fees are earned from debit cardholder transactions conducted through various payment networks. Interchange fees from debit cardholders transactions represent a percentage of the underlying transaction amount and are recognized daily, concurrently with the transaction processing services provided to the debit cardholder. For the years ended December 31, 2024 and 2023, there was $818,926 and $737,377, respectively, in ATM surcharges and interchange fees.

NOTE 17. REVENUE FROM CONTRACTS WITH CUSTOMERS

Gains/Losses on the Sale of Other Real Estate Owned

Net gains and losses on sales of other real estate owned are recorded in other noninterest income in the Company's consolidated financial statements. The Company records a gain or loss from the sale of other real estate owned when control of the property transfers to the buyer, which generally occurs at the time of an executed deed. When the Company finances the sale of other real estate owned to the buyer, the Company assesses whether the buyer is committed to perform their obligations under the contract and whether collectability of the transaction price is probable. Once these criteria are met, the other real estate owned asset is derecognized and the gain or loss on sale is recorded upon the transfer of control of the property to the buyer. For the year end December 31, 2024 and 2023, there were no sales of other real estate owned.

(1) Important Information about Procedures for Opening a New Account

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

(2) Agreement

This document, along with any other documents we give you pertaining to your account(s), is a contract (also referred to as "this agreement") that establishes rules which control your account(s) with us. Please read this carefully and retain it for future reference. If you open the account (whether in-person, electronically, or by any other method permitted by us) or continue to use the account after receiving a notice of change or amendment, you agree to these rules. You will receive a separate schedule of rates, qualifying balances, and fees if they are not included in this agreement. If you have any questions, please ask us.

This agreement is subject to applicable federal laws, the laws of the state of Florida and other applicable rules such as the operating letters of the Federal Reserve Banks and payment processing system rules (except to the extent that this agreement can and does vary such rules or laws). The body of state and federal law that governs our relationship with you, however, is too large and complex to be reproduced here. The purpose of this agreement is to:

1. summarize some laws that apply to common transactions;
2. establish rules to cover transactions or events which the law does not regulate;
3. establish rules for certain transactions or events which the law regulates but permits variation by agreement; and
4. give you disclosures of some of our policies to which you may be entitled or in which you may be interested.

If any provision of this agreement is found to be unenforceable according to its terms, all remaining provisions will continue in full force and effect. We may permit some variations from our standard agreement, but we must agree to any variation in writing either on the signature card for your account or in some other document. Nothing in this agreement is intended to vary our duty to act in good faith and with ordinary care when required by law.

As used in this agreement the words "we," "our," and "us" mean the financial institution and the words "you" and "your" mean the account holder(s) and anyone else with the authority to deposit, withdraw, or exercise control over the funds in the account. However, this agreement does not intend, and the terms "you" and "your" should not be interpreted, to expand an individual's responsibility for an organization's liability. If this account is owned by a corporation, partnership or other organization, individual liability is determined by the laws generally applicable to that type of organization. The headings in this agreement are for convenience or reference only and will not govern the interpretation of the provisions. Unless it would be inconsistent to do so, words and phrases used in this agreement should be construed so the singular includes the plural and the plural includes the singular.

"Party" means a person who, by the terms of an account, has a present right, subject to request, to payment from the account other than as a beneficiary or agent.

(3) Liability

You agree, for yourself (and the person or entity you represent if you sign as a representative of another) to the terms of this account and the schedule of charges. You authorize us to deduct these charges, without notice to you, directly from the account balance as accrued. You will pay any additional reasonable charges for services you request which are not covered by this agreement.

Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from charges or overdrafts, whether caused by you or another with access to this account. This liability is due immediately, and we can deduct any amounts deposited into the account and apply those amounts to the shortage. You have no right to defer payment of this liability, and you are liable regardless of whether you signed the item or benefited from the charge or overdraft.
