Two senior grant applications have been received.

Review annual report to the County:

Annual Report will be sent to the County and Staff Liaison will also send the City Manger for review.

Plans for 2021:

Discussion about the best ways to continue advocating for the arts within our community. The consensus was that the ad and the articles possibly did more to support the county arts and culture organizations than a community forum would have done. Therefore, brainstorming was done to consider possible ways to be more present in the community. Some ideas include setting up at the farmers market and sounds on center.

*Adjournment
