CITY COMMISSION AGENDA ITEM

City of Fernandina Beach

SUBJECT: Resolution 2022-133
Tentative Millage Rate for FY 2022/2023

ITEM TYPE: Resolution (w/ fiscal impact)

REQUESTED ACTION: Consider Resolution 2022-133.

SYNOPSIS: The City Commission must adopt the proposed millage rate and schedule public hearings prior to adoption of the final millage rate and budget. An early step in the annual budget adoption process is to set a millage rate, referred to as the tentative or proposed rate. Once set, this rate is difficult to increase, but may be decreased during the budget process.

Staff has prepared a draft budget with a tentative millage rate which maintains and, in some instances, expands, public service levels. Last year's operating millage rate was set at 5.3330 mills and this year is expected to yield \$17,570,498 in the draft 2022-2023 budget.

The operating millage rate "roll-back" rate is 4.7709.

Staff recommends adopting a tentative operating millage rate of 5.3330. Maintaining the same millage rate will produce sufficient revenues to support operations that will continue the current level of service.

The City's Fund Balance Policy (per Resolution 2012-128) establishes 20% as the minimum for the General Fund's unrestricted, uncommitted, or unassigned balance. The Building Fees Fund Reserve is restricted per Florida Statutes 553.8(7), and may only be used for expenditures related to the Building and Permitting functions. The anticipated unrestricted, uncommitted, or unassigned reserve for the fiscal year ending September 30, 2023, is budgeted to be 20.3%.

FISCAL IMPACT: Approval of the tentative millage rate is necessary for preparation of the FY 2022-2023 Budget.

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): I recommend that the City Commission adopt proposed Resolution 2022-133.
