c. A written award of acceptance (Purchase Order) mailed or otherwise furnished to the successful Proposer will result in a binding contract without further action by either party.
d. Unless otherwise noted in the specifications, the length of the agreement will be one year, with two one-year renewals possible based on the mutual consent of the parties.
e. Upon award, for construction projects, the Contractor will be required to complete/execute the City's Contract and General Conditions for Construction Services. An example of the contract can be found on the City's website at www.fbfl.us/bids, Bids and Purchasing web page.
f. Agreement may be cancelled with 60-day notice unless otherwise stated in signed contract documents.

8. NOT RESPONSIBLE FOR COSTS

a. The City will not be responsible for any cost incurred by a prospective Proposer in responding to this REQUEST FOR PROPOSAL.

9. BONDS

- If Proposal is less than $100,000 no Proposal Bond or Payment and Performance Bond required.
- If Proposal is greater than $100,000 and is for material only, a Proposal Bond is required but no Payment and Performance Bond is required.
- If Proposal is $100,000 - $200,000, and is for services, a Proposal Bond is required but no Payment and Performance Bond is required.
- If Proposal is greater than $200,000, and is for services, Proposal Bond and Payment and Performance Bond is required.

PROPOSAL BOND:

a. If the Base Proposal or the Base Proposal plus the sum of any alternates fall into the criteria above requiring a Proposal Bond, the Proposer must enclose a Certified Check or Proposal Bond with each Proposal. A Certified Check or Proposal Bond must be for an amount not less than five percent (5%) of the Proposal price and
must be made payable to the CITY OF FERNANDINA BEACH as a guarantee that the Proposer will not withdraw its proposal for a period of ninety (90) calendar days after Proposal closing time. Proposal Bonds or Certified Checks will be returned to unsuccessful Proposal within 10 days of proposal award. Successful proposers will receive their Certified Check or Proposal Bond after the contract/agreement has been signed and a Performance and Payment Bond is received.

PERFORMANCE AND PAYMENT BONDS:

a. In the event the Contract is awarded to the Proposer, Proposer will thereafter enter into a written contract with the CITY OF FERNANDINA BEACH and furnish a Payment and Performance Bond in an amount equal to the contract price. The form of the bonds shall be in accordance with Section 255.05 of Florida Statutes. Failing to do so, Proposer must forfeit its proposal security.
Payment and Performance Bond must be secured from or countersigned by an agency or surety company recognized in good standing and authorized to do business in the State of Florida.
The following exceptions to proposer providing Performance and Payment Bonds are as follows: In lieu of the Performance and Payment Bonds, a contractor may file with the City an alternative form of security in the form of cash, a money order, a certified check, a cashier's check, an irrevocable letter of credit, or a security of a type listed in part II of chapter 625, Florida Statutes. Any such alternative form of security must be for the same purpose and be subject to the same conditions as those applicable to the bonds. The value of an alternative form of security must be in the amount of the proposal.

10. PUBLIC INFORMATION

a. All information contained in this Proposal is public information, and as such will be handled in accordance with chapter 119, Florida Statutes.

11. ADDITIONAL INFORMATION

a. The City reserves the right to require Proposers to provide references and information on previous similar experience prior to award of the contract.

12. QUESTIONS

a. Any questions about the REQUEST FOR PROPOSAL should be communicated per instructions in the REQUEST FOR PROPOSAL.

13. INDEMNIFICATION AND INSURANCE

INDEMNIFICATION

The parties recognize that BROKER/CONSULTANT is an independent Contractor. BROKER/CONSULTANT agrees to assume liability for and indemnify, hold harmless, and defend the CITY, its
commissioners, mayor, officers, employees, agents, and attorneys of, from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, arising directly or indirectly out of or in connection with any negligent and/or deliberate act or omission of BROKER/CONSULTANT, its officers, employees, agents, and representatives. BROKER/CONSULTANT's liability hereunder must include all attorney's fees and costs incurred by the CITY in the enforcement of this indemnification provision. This includes claims made by

the employees of BROKER/CONSULTANT against the CITY and BROKER/CONSULTANT hereby waives its entitlement, if any, to immunity under Section 440.11, Florida Statutes. The obligations contained in this provision will survive termination of this Agreement and will not be limited by the amount of any insurance required to be obtained or maintained under this Agreement. Nothing contained in the foregoing indemnification will be construed to be a waiver of any immunity or limitation of liability the CITY may have under the doctrine of sovereign immunity or Section 768.28, Florida Statutes.

INSURANCE

Prior to commencement of any work under this Contract and until completion and final acceptance of the work, the BROKER/CONSULTANT must, at its sole expense, maintain the following insurance on its own behalf, and furnish to the CITY certificates of insurance evidencing same and reflecting the effective date of such coverage as follows:

The term "BROKER/CONSULTANT" as used in the insurance rider, will mean and include Subcontractors of every tier.

A. Worker's Compensation and Occupational Disease Insurance in accordance with the applicable law or laws; Employer's Liability Insurance with limit of at least One Million ($1,000,000) dollars. This includes sole proprietorships and officers of corporations who will be performing work on the job.

B. Commercial General Liability with a combined Bodily Injury and Property Damage limit of not less than ONE Million ($1,000,000.00) dollars per occurrence and TWO Million ($2,000,000) Dollars in the aggregate. The aggregate must be applicable on a per project basis. Coverage must include the following perils:
   1. Broad Form Blanket Contractual Liability for liability assumed under this Contract and all other Contracts relative to the project.
   2. Completed Operations/Products Liability.
   3. Broad Form Property Damage
   4. Personal and Advertising Injury Liability
   5. Independent Contractors
   6. Endorsements must be furnished reflecting the inclusion of the interests of Owner, Construction Manager, General Contractor, Contractor, (your company), their officers, directors, partners, representatives, agents and employees, and naming each as an Additional Insured on a primary and non-contributing basis.
   7. Coverage is to be endorsed to reflect that insurance is to be primary and non-contributory with respect to any other collectable insurance, for the Owner, General Contractor, Contractor, (your company) and all other parties required to be named as additional insureds.
   8. Coverage is to be provided on an "occurrence" basis with carriers licensed and admitted to do business in the State of [your state] or otherwise acceptable to the Contractor (your company).
   9. A copy of policy and/or endorsement(s) and any other documents required to verify such insurance are to be submitted with the appropriate certificate(s),
   or upon the request of Contractor (your company). Failure to provide these documents is not to be construed as a waiver of the requirements to provide such insurance.

C. Commercial Automobile Liability Insurance covering the use of all Owned, Non-Owned, and Hired Vehicles with combined Bodily Injury and Property Damage Limit of at least One Million ($1,000,000) Dollars.

D. Umbrella I Excess Liability Insurance with a limit of no less than One Million ($1, 000,000) dollars minimum per occurrence.

E. During the term of this agreement, (if applicable) the BROKER/CONSULTANT will carry Professional

Liability Insurance which will cover liability for any damage or non-performance on account of any error, omission, or other provable negligence caused by the BROKER/CONSULTANT. The amount of insurance must not be less than One Million ($1,000,000) Dollars per occurrence and aggregate.

F. Loss Deductible – If the insurance of any BROKER/CONSULTANT contains deductible(s), penalty(s) or self-insured retention(s), the BROKER/CONSULTANT
Whose insurance contains such provision(s) must be solely responsible for payment of such deductible(s), penalty(s) or self-insured retention(s).

G. Where an Off Project Site Property exposure exists, the Contractor at its sole expense must furnish to the Owner and Contractor (your company) Certificates of Insurance and other required documentation evidencing the following coverage which will provide for the interests of [Name of Owner] , [Name of General Contractor] and (your company) to be named as Loss Payees and will contain a provision requiring the insurance carriers to waive their rights of subrogation against all indemnities' named in the contract.
"All Risk" Property Insurance on all materials, equipment and supplies intended to become a permanent part of the construction stored on premises away from the
project site and while in transit, until actually delivered to the project site. Coverage is to be provided on a replacement cost basis.

H. The above insurances must each contain the following wording verbatim: "[Name of Owner], [Name of General Contractor] , and (your company) are interested in the maintenance of this insurance and it is agreed that this insurance will not be canceled , materially changed or not renewed without at least a thirty (30) day advance written notice to [Name and address of Owner] , [Name and address of General Contractor] and [Name and address of your company] by certified mail-return receipt requested ."

I. The amount of insurance contained in the aforementioned insurance coverages will not be construed to be a limitation of the liability on the part of the Subcontractor or any of its Subcontractors.

J. The Contractor must file certificates of insurance prior to the commencement of work with the Owner and the General Contractor which will be subject to the Owner, General Contractor and (your company) approval of adequacy of protection and the satisfactory character of the Insurer.

K. Any type of insurance or any increase of limits of liability not described above which the Subcontractor requires for its own protection or on account of statute shall be its own responsibility and at its own expense.

L. The carrying of the insurance described shall in no way be interpreted as relieving the Contractor or Subcontractor of any responsibility of liability under this Contract.

M. Any policies effected by the Contractor on its Owned and/or Rented Equipment and Materials must contain a provision requiring the insurance carriers to waive their rights of subrogation against the [Name of Owner], [Name of General Contractor], [Name of Contractor (your company)] and all other indemnities named in the Contract.

N. Should the Contractor engage a Subcontractor, the same conditions will apply under this contract to each Subcontractor, however, the retained Subcontractor must be required to maintain limits of liability of not less than One Million ($1,000,000) Dollars per occurrence and Two Million ($2,000,000) Dollars in the aggregate, with said limits applicable on a per project basis, or such greater limits as may be required by the retaining Subcontractor.

14. PAYMENT

Payment due hereunder must be made by the City to BROKER/CONSULTANT in accordance with the Florida Prompt Payment Act.

15. PROPOSAL PROTESTS

Proposal protest conditions and procedures are in accordance with City Ordinances – Part 2, Chapter 2, Article VII, Division 2, Section 2-444.

16. FEDERAL GRANT MONEY

In the event this project is funded with federal grant monies, BROKER/CONSULTANT may not participate in the proposal if BROKER/CONSULTANT is listed in the Excluded Parties List System (EPLS) a federal suspension and debarment listing. The Federal Government's Excluded Parties List System (EPL) is located at, including but not limited to, https://www.sam.gov/portal/SAM/. BROKER/CONSULTANT must include copy of search results with bid or proposal.

17. LOBBYING

a. Lobbying is defined as any action taken by an individual, firm, association, joint venture, partnership, syndicate, corporation, and/or all other groups who seek to influence the governmental decision of a Board Member, the City Manager, and/or any City Personnel during the solicitation process. The lobbying black-out period commences upon the issuance of this solicitation and concluded upon the signing of the agreement. CONTRACTORS must not contact any Commission Member and/or any requesting or evaluating Department/Office personnel during said black-out period. All questions and procedural matters must be directed to the City Manager. The City Commissioners and/or the City Manager may disqualify any solicitation response where any Commissioner, the City Manager, and/or City Personnel have been lobbied in violation of the black-out period.

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for _____._____ _____

2. This sworn statement is submitted by (entity) _____ whose business address is _____ and (if applicable) Federal Employer Identification Number (FEIN) is _____(If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

3. My name is_____and my relationship to the entity named above is _____.

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or

    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

____ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)

____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

DRUG-FREE WORKPLACE CERTIFICATION

The below-signed INDIVIDUAL/FIRM certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace prepare, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or services a copy of the statement specified in paragraph 1.

4. In the statement in paragraph 1., notify the employees that, as a condition of working on the commodities or contractual services that are under proposal, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.

5. Impose a sanction on, or require fine satisfactory participation in drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I Certify that this firm complies fully with the above drug-free workplace requirements.

CONFLICT OF INTEREST STATEMENT

This sworn statement is submitted with Bid, Proposal or Contract for _____._____ _____

This sworn statement is submitted by (entity) _____ whose business address is _____ and (if applicable) Federal Employer Identification Number (FEIN) is _____(If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

My name is_____and my relationship to the entity named above is_____.

1. The above-named entity is submitting a Proposal for the City of Fernandina Beach.
2. The Affiant has made diligent inquiry and provides the information contained in the Affidavit based upon his/her own knowledge.
3. The Affiant states that only one submittal for the above proposal is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
4. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraints of free competitive pricing in connection with the entity's submittal for the above proposal. This statement restricts the discussion of pricing data until the completion of negotiations if necessary and execution of the Contract for this project.
5. Neither the entity not its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participation in contract letting by any local, State, or Federal Agency.
6. Neither the entity nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
7. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with the City of Fernandina Beach.
8. I certify that no member of the entity's ownership or management, or staff has a vested interest in any aspect of the City of Fernandina Beach.
9. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify the City of Fernandina Beach.

RE: Request for Proposal #23-03 – Employee Benefits Consulting and Brokerage Services

Dear Ms. Weaks:

On behalf of Risk Management Associates, Inc., a wholly owned subsidiary of Brown & Brown, Inc., we are pleased to submit our proposal for the City of Fernandina Beach's Request for Proposal #23-03 for Employee Benefits Consulting and Brokerage Services. We trust that you will find our response to be concise in demonstrating our understanding of the City's solicitation for a qualified, professional employee benefits consultant.

Market Presence
5th largest insurance broker in the United States of America – $22+ Billion in premiums

Public Sector Experience – 30+ Years of Service
We represent more Florida Governments than any other broker. Our office is 100% dedicated to the insurance needs of Florida's public sector clients.

Homegrown Florida Company
Founded in 1939 in Daytona Beach, our company remains proudly Florida domiciled. Brown & Brown is the largest broker in Florida, with 60 offices throughout the state.

Local Presence
The proposed management team is located in our Corporate Headquarters in Daytona Beach (300 North Beach Street, Daytona Beach, FL 32114). Additionally, a local Brown & Brown office is located in Jacksonville, FL.

The A-Team
Our team brings extensive public sector experience, a unique perspective from representing public employers ranging from small special districts to large cities, counties and school districts, and expertise in assisting in cost containment strategies.

Brown & Brown's Employee Benefits Division has developed into one of the nation's largest with premiums more than $4 billion annually. This premium affords us a distinct advantage when it comes time to negotiate the City's renewals. Our success is due largely to our ability to adapt to the demands of the marketplace and to the needs of our clients. Our employee benefits team provides our many

public sector clients with the tools and resources they need to develop and continue successful employee benefits programs:

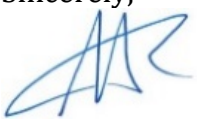
- Budget Projections
- Detailed Claims Analysis (if available)
- Benchmarking Reports
- Unique Team of Subject Matter Experts
- Communications & Presentations
- Extensive Compliance Resources

Our staff is comprised of experienced forward-thinkers, with a client-first, service-focused approach. They are highly trained in public entity compliance and Florida State Statute 112.08 regarding public entity insurance placement.

It is our intent to demonstrate our firm's willingness and ability to provide the requested services as outlined in this bid response. Every effort was made to concisely provide all requested information, all required completed forms, and succinctly illustrate our understanding of the required scope of services as well as other services provided by or recommended by Brown & Brown.

We thank the Selection Committee, in advance, for your review and consideration of our response. We are excited for the opportunity to work with the City and are confident that a partnership with Brown & Brown will yield significant cost savings and increase employee satisfaction with the benefit plans.

I, Matthew Montgomery, am authorized to negotiate and contractually obligate Brown & Brown. I can be reached at:



300 North Beach Street
Daytona Beach, FL 32114
Email: Matt.Montgomery@bbrown.com | Direct: (386) 239-7245

Mr. Montgomery and Melanie Stegall will be the Project Managers/Advisors assigned to the City of Fernandina Beach's project and are both located in the Brown & Brown Headquarters in Daytona Beach. Ms. Stegall's contact information is below:

Melanie Stegall
Email: Melanie.Stegall@bbrown.com | Direct: (386) 239-5779

We are available at the request of the City to participate in any oral interviews. Please feel free to contact me should you need further clarification of our proposal.

Sincerely,

Matthew Montgomery
Executive Vice President

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for RFP 23-03 Employee Benefits Consulting & Brokerage Services
2. This sworn statement is submitted by (entity) Risk Management Associates, Inc. whose business address is 300 N. Beach St., Daytona Beach, FL 32114 and (if applicable) Federal Employer Identification Number (FEIN) is 59-2445801 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)
3. My name is Matthew Montgomery and my relationship to the entity named above is Executive Vice President
4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.
5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.
6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:
    1. A predecessor or successor of a person convicted of a public entity crime; or
    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.
7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.
8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

CITY OF FERNANDINA BEACH FLORIDA
RFP 23-03 EMPLOYEE BENEFITS CONSULTING AND BROKERAGE SERVICES

_X_ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)

____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

DRUG-FREE WORKPLACE CERTIFICATION

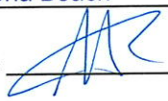
The below-signed INDIVIDUAL/FIRM certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace prepare, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or services a copy of the statement specified in paragraph 1.

4. In the statement in paragraph 1., notify the employees that, as a condition of working on the commodities or contractual services that are under proposal, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.



5. Impose a sanction on, or require fine satisfactory participation in drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I Certify that this firm complies fully with the above drug-free workplace requirements.

Signature: _____ Date: 3/20/2023

Our insurance will exceed the Insurance requirements in the RFP (see informational Certificate of Insurance on the next pages). Of particular note:

- Item B, page 13, requests a "Per Project" General Aggregate. Due to the nature of our business, our General Liability coverage applies on a Per Policy basis. You will find that our General Aggregate far exceeds the $3,000,000 requirement with a $20,000,000 limit including the Umbrella limits.
- Item B9, page 13, requests copies of actual policies. Brown & Brown legal counsel prefers not to provide copies of policies to any outside party. We will, however, provide updated Certificates of Insurance and/or other forms confirming appropriate insurance coverage.

THIS FORM MUST BE INCLUDED WITH BID/PROPOSAL

CONFLICT OF INTEREST STATEMENT

This sworn statement is submitted with Bid, Proposal or Contract for RFP 23-03 Employee Benefits Consulting and Brokerage Services

This sworn statement is submitted by (entity) Risk Management Associates, Inc. whose business address is 300 N. Beach St., Daytona Beach, FL 32114 and (if applicable) Federal Employer Identification Number (FEIN) is 59-2445801 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

My name is Matthew Montgomery and my relationship to the entity named above is Executive Vice President

1. The above-named entity is submitting a Proposal for the City of Fernandina Beach.
2. The Affiant has made diligent inquiry and provides the information contained in the Affidavit based upon his/her own knowledge.
3. The Affiant states that only one submittal for the above proposal is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
4. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraints of free competitive pricing in connection with the entity's submittal for the above proposal. This statement restricts the discussion of pricing data until the completion of negotiations if necessary and execution of the Contract for this project.
5. Neither the entity not its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participation in contract letting by any local, State, or Federal Agency.
6. Neither the entity nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
7. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with the City of Fernandina Beach.
8. I certify that no member of the entity's ownership or management, or staff has a vested interest in any aspect of the City of Fernandina Beach.
9. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify the City of Fernandina Beach.

Tab 2

Project Scope of Work

Tab 2: Project Scope of Work

Scope of Work	Agree	Disagree
General Services		
1. Provide dedicated personnel to be the main contact for managing account relationship. The contact will be readily accessible to City Human Resources personnel.	✓	
2. Provide general and technical guidance on employee benefit issues to include market analysis, trends, contract and statute interpretation and cost containment methods.	✓	
3. Assist in the development and review of communication materials written by the City's benefit administrators and other participating organizations for content, appearance, compliance, and accuracy.	✓	
4. Assist the City on a regular basis and in a timely manner to provide information, analysis and guidance on any and all aspects of City benefit program policy and administration.	✓	
5. Provide a qualified representative to attend meetings with City staff, Management Team, and employees as requested or needed.	✓	
6. Review all plan documents for accuracy and compliance with appropriate laws and regulations, appropriateness of items to be included in a section 125 Plan and review of annual required filings.	✓	
7. Advise and assist the City in negotiating renewal rates and plan provisions.	✓	
8. Assist the City in annual enrollment meetings or health fairs as needed.	✓	
9. Respondents are required to be HIPAA compliant.	✓	
10. Apprise the City of current issues in the areas of benefits law and administration.	✓	
11. Act as liaison with insurance/contract issues.	✓	
12. Presentations to elected officials as needed	✓	
Technical Services		
1. Health Plan Comparison/Utilization Analysis – The BROKER/CONSULTANT is expected to work with the City in securing and analyzing financial and claims data from each of the carriers on a quarterly basis, and/or as requested by the City in order to monitor City benefit plans. Once analyzed, the BROKER/CONSULTANT is expected to provide a summary explanation of the data emphasizing any important trends, emerging problems, etc. It is preferred that the BROKER/CONSULTANT have in-house utilization analysis of all City medical relationships, including managed-care alternatives.	✓	
2. Compliance – The BROKER/CONSULTANT will advise the City on any federally mandated compliance requirements relevant to City plans and providing guidance, when requested, in developing compliance strategies.	✓	

3. Actuarial Report Services – The BROKER/CONSULTANT will assist in the preparation of materials required for an annual actuarial review of the City's Health Benefit program. This currently entails the City's annual actuarial filing pursuant to FS112.08 and GASB 75 OPEB valuation.	✓	
4. Section 125 Plan – The BROKER/CONSULTANT will participant in the review of all plan documents for accuracy and compliance with appropriate laws and regulations, and appropriateness of items to be included in the plan. This includes a review of IRS Form 5500 annually submitted by the City for accuracy and compliance.	✓	
5. Wellness/Disease Management Programs – The BROKER/CONSULTANT will assist the City in evaluation, implementing and measuring the effectiveness of wellness and disease management programs.	✓	
6. Litigation – On rare occasions, the City may be involved in litigation arising from requests for proposals, contracting, or employee grievances. If such a situation should occur, the BROKER/CONSULTANT may be contracting, or employee grievances.	✓	
7. Automated benefits administration and enrollment services and programs. The BROKER/CONSULTANT shall provide secure, automated benefits administration and enrollment services.	✓	
Request for Proposal Services		
1. Develop RFP's for various City Benefits programs a. In conjunction with the Human Resources department, prepare Requests for Proposals in compliance with the City's purchasing requirements, exploring all feasible plan designs, for employee benefit programs as needed. b. Develop evaluation criteria. c. Address any questions from vendors in the RFP process. d. Be present and participate in oral interviews as needed e. Prepare a report analyzing the proposals using the evaluation criteria f. If requested, prepare recommendations and defense of said recommendations.	✓	
2. Appeals – Prepare response to any administrative RFP appeals. a. Assist City Attorney in preparation of defense in the event litigation should result from the RFP process. b. Testify in court at the request of the City Attorney if litigation should result from the RFP process	✓	
3. Contracts a. Assist with the development of contracts with vendors. b. Work with the City attorney to ensure contract legality. c. Conduct negotiations of benefits; plan design, premiums rates and performance guarantees.	✓	
4. Implementation a. Serve as an intermediary (ombudsman) between the vendors and City during the implementation of new programs. b. Prepare rate-deduction spreadsheets. c. Review new program announcement material for content, appearance, compliance and accuracy.	✓	

5. Ongoing Contract Services – It is expected that the BROKER/CONSULTANT will: a. Participate in negotiations with vendors on proposed rates and benefits changes to existing contracts. b. Audit existing contracts on an annual basis for satisfactory performance and contract compliance. c. Provide quarterly written analysist of the medical plans' claims experience. d. Periodically provide market analysis of current renewal actions for similar sized employers in southwest Florida and analysis of quality of services and vale provided by various managed care vendors.	✓

Additional Teammates Serving the City

Brandon Savage

Director of Analytics

Email: Brandon.Savage@bbrown.com
Phone: (386) 239-7241

Brandon Savage will serve as the City's dedicated Analytical Consultant. He has over 13 years of insurance industry and has excelled in a variety of diverse roles over the course of his career, including Account Executive and Director of Account Management, predominantly for self-funded clients or fully insured clients with 300+ lives.

He is an alumnus of the State University of New York and holds a Florida Life & Health License. Brandon has been with Brown & Brown just over 5 years and leads the Analytics team. On a high level, Brandon's team is responsible for analyzing claims data, making recommendations for changes in plan design where needed, benchmarking plan designs, identifying cost drivers, as well as serving as the primary liaison with our actuaries.

Areas of Expertise Include:

- Quarterly claims analysis
- Monthly budget summaries
- Plan Design & Contribution benchmarking
- Financial projections
- Employer & Employee contribution modeling
- Alternate stop loss deductible recommendations
- Coordination with actuary to assist with 112.08, RDS, GASB, and OPEB filings for self-funded public entity clients

Ashley Diaz

Population Health Consultant

Email: Ashley.Diaz@bbrown.com
Phone: (386) 868-0191

Ashley Diaz is a member of Brown & Brown's National Population Health team. She brings over 5 years of experience consulting in workforce wellness, health, and productivity in the middle-market. Ashley has worked with employers in every major industry with workforces ranging from 100 to 10,000 employees. Ashley is certified through the Wellness Council of America (WELCOA) and holds her 2-15 Life, Health, and Annuity License. She earned a B.A. in Communication and Media Studies from Stetson University.

Areas of Expertise Include:

- Assessing current insurance programs, wellness programs, and engagement strategies
- Analyzing claims to identify specific cost and productivity drivers
- Determining the estimated cost of unmanaged emotional and behavioral health issues
- Developing a 3-year custom roadmap with recommendations tailored to the City's unique needs
- Developing an engagement strategy including communication and incentive programs for employees
- Creating a performance dashboard and establishing annual review metrics for vendors and programs we put in place with the City.

Curt Evans

Actuary

Curt Evans has 31 years of experience in providing employee benefit actuarial consulting. He is a Fellow of the Society of Actuaries and an Enrolled Actuary under ERISA.

Mr. Evans consults on active and retiree health and welfare benefit programs for the private and public sector. The active healthcare services that he provides include plan design costing, premium equivalence and reserve determinations, and Medicare Part D creditable coverage testing. Retiree services include actuarial valuations for financial statement reporting under FASB and GASB, including cash flow, expense and liability forecasting. Mr. Evans also consults on retirement benefit programs for the private and public sector. He is knowledgeable on all aspects of pension administrative, funding and accounting rules. He consults with clients on plan funding and investment strategies, financial forecast projections, valuation assumptions and method setting, plan design alternatives, and legal and government reporting compliance.

Mr. Evans graduated from Penn State University in 1988 with a bachelor's degree in mathematics, became an Enrolled Actuary in 1993 and a Fellow of the Society of Actuaries in 2001.

Dr. Louise Short, MD, MSC

National Clinical Leader

Dr. Short is the National Clinical Leader for Brown & Brown. Her passion and her focus is working with employers to develop innovative strategies and solutions that engage and support employees and their families in making good choices to avoid the cost and consequences of poor health. She is a seasoned, results-driven physician with a background in internal medicine, occupational and preventive medicine, and 25 years of experience providing clinical leadership in designing, implementing and measuring Population Health programs and strategies.

Previously Dr. Short was a partner at Mercer where she built the Population Health practice for the South and spent six years consulting to national and global employers on approaches to improve health outcomes and control cost. She has worked with many jumbo employers including Lowe's, Bank of New York Mellon, Dollar General, and PepsiCo.

Her expertise also includes analytics, epidemiology, managed care plan administration and medical management, clinical and behavioral health strategy and program management, and outcomes measurement strategy and execution. Dr. Short has a focus on making the healthcare system work better and has relationships as well as in-depth knowledge of many of the advocacy and navigation vendors and solutions.

Prior to Mercer, Dr. Short worked at Healthways (now Sharecare) assisting health plan and employer clients defining the needs of their populations and developing strategic approaches and products to assist in improving clinical outcomes and ROI. Dr. Short also spent over thirteen years working as a medical director for both UnitedHealthcare and Anthem, including Corporate Medical Director for BCBSGA, a 2.5-million-member plan, and also directing research and business development for Anthem's health outcomes research subsidiary. Previously, Dr. Short was an epidemiologist at the Centers for Disease Control and Prevention and in clinical practice.

Joel L. Axler, MD

National Behavior Health Leader

Dr. Axler is a board-certified Child, Adolescent and Adult Psychiatrist. He has a wealth of experience addressing mental health and substance abuse issues that face employer groups and has a passion for helping employers develop innovative solutions to improve behavioral health access and quality of care. Dr. Axler has experience building effective integrated physical-mental health care solutions and developing and deploying innovative strategies to enhance member engagement and motivation to improve adherence with treatment, leading to better quality of life for employees and their families.

With more than 30 years of experience in healthcare, Dr. Axler has held leadership positions directing the psychiatric care of children, adolescents and adults in academic, private practice and insurance settings. Prior to joining Brown & Brown, Dr. Axler served as the Behavioral Health Managing Medical Director for Anthem Inc. for the Government Business sectors, including Medicaid and Medicare. At Anthem he was responsible for the administration of mental health and substance use disorder services for the health plans, overseeing the impact on healthcare quality, cost, and outcomes including managing the psychiatric health needs of members in the Georgia Medicaid program and the Georgia Foster Care program. Prior he served as chief medical director at Peachford Behavioral Hospital in Atlanta, one of the largest residential psychiatric facilities in the Southeast. Previously he was a Regional Medical Director for the commercial business for United Behavioral Health (UBH) for 15 years.

Key Individuals – Regulatory & Compliance Team

Brown & Brown's Regulatory & Compliance team is made up of attorneys that work with our consultants to deliver accurate, timely information. They assist us in providing our clients with insight and information regarding the legislative and regulatory requirements for employee welfare benefits to assist you in better understanding your employee benefits and make the best decisions for your employees. The biographies for two of these attorneys are below:

Scott Wold, Esq.,

Vice President, Regulatory and Legislative Strategy

With over 17 years of employee benefits experience, Scott Wold serves as the Vice President - Regulatory and Legislative Strategy in the Employee Benefits division of Brown & Brown. Scott is responsible for researching and analyzing appropriate industry responses and best practices to address key legislative and regulatory efforts. Scott supports the Brown & Brown team members and customers regarding matters pertaining to customer compliance with employee benefit laws such as the Affordable Care Act, ERISA, HIPAA, and COBRA.

Prior to joining Brown & Brown, Scott worked as a lawyer in private practice. He was most recently a shareholder of the law firm of Hitesman & Wold, P.A., where he practiced exclusively in the employee benefits area since 2004.

Scott received his undergraduate degree, cum laude, from Bethel College and his law degree, cum laude and Order of the Coif, from Southern Methodist University School of Law. He is a member of the Hennepin County Bar and Minnesota State Bar Associations. Scott is active in his community and has served in various capacities for several non-profit organizations.

Dan Brady, J.D.

Regulatory and Legislative Specialist

Dan Brady serves as the Regulatory and Legislative Specialist in the Employee Benefits division for Brown & Brown. Dan is responsible for consulting with Brown & Brown teams, customers and prospects on employee benefits issues. These include ERISA, COBRA, HIPAA, the ACA and other federal and state rules and regulations.

Prior to joining Brown & Brown, Dan worked at RBC Wealth Management and interned with TCF Bank. In those roles, he gained experience with regulatory and compliance matters, conducting compliance reviews and performing risk assessments. He volunteered at the ICWA Law Center and served as a student attorney at the Law Office of the Tenth Judicial District Public Defender. He also spent several years as a Marketing and Sales Representative with a small software company.

Dan received his B.A. from the University of St. Thomas in 2013 and his J.D. with a concentration in compliance from the University of St. Thomas School of Law.

2. Provide a profile of the proposed account executive's current client assignments. Your submittal should include the number of accounts, their complexity, and some reference to time allotments for each.

The proposed management team assigned to the City of Fernandina Beach will be led by Matt Montgomery and Melanie Stegall, with more than 10 years and 8 years, respectively, of experience serving Florida's public entities to enhance and manage their employee benefits programs. Morgan Legath, Senior Benefits Specialist will serve as the day-to-day contact for claims and service issues and resolution. Ms. Legath has 9 years of providing exceptional service to our public sector clients. Our team is fully committed and able to provide the City with the highest level of service and ongoing overall management.

Our office is proactively staffed to account for any growth that may occur in the coming years. We review our team's workload on an ongoing basis to ensure our team has the capacity to continue to provide the highest level of service to all of our clients, large or small.

Matt Montgomery
Brown & Brown
Public Sector
Executive Vice President
Project Manager

LOCATION: Corporate Headquarters
Daytona Beach, FL

Mr. Montgomery leads Brown & Brown Public Sector with almost 20 years of experience in Federal and State Government and more than a decade representing Florida Local Government Property, Casualty and Employee Benefits Programs. Matt will be one of the Project Managers for the City of Fernandina Beach, ensuring that the Brown & Brown Public Sector practice completely supports the City's administration.

Matt's expertise spans the entire insurance industry with a focus on large local governments. Matt is the team leader for the brokerage teams which serve Cities of Sarasota, St. Cloud and Ocala.

Matt is particularly adept at aiding clients with presentations to executive staff and elected officials in order to achieve programmatic objectives around budget, Plan administration, long term vision, and industry trends.

As part of Mr. Montgomery's duties as EVP of Brown & Brown Public Sector, Matt is ultimately responsible for the entire team of professionals and the service standards and deliverables provided to our governmental clients. His philosophy is to build successful teams, procedures and results around two main themes.
Accountability and Communication

Mr. Montgomery currently services the following:
2 Clients – 50-100 Employees (Low Complexity)
2 Clients – 100-300 Employees (Slightly Complex)

Melanie Stegall
Brown & Brown
Public Sector
Employee Benefits Advisor
Project Manager

LOCATION: Corporate Headquarters
Daytona Beach, FL

Melanie Stegall is the employee benefits advisor and consultant assigned as the day-to-day contact for the City of Fernandina Beach. She and Mr. Montgomery will work closely on all projects, strategy, and deliverables for the City.

She began working at Brown & Brown in 2015 and focuses solely on the public sector employee benefits segment. She consistently focuses on long-term cost containment strategies, compliance managing her clients' insurance costs over the long term. She is a very hands-on and proactive consultant and works closely with her clients to establish strategies and initiatives to enhance their benefits programs.

Past projects include:

- Annual renewal negotiations for all clients (medical, dental, vision, life, disability, flexible spending accounts, group Medicare plans, and voluntary benefits)
- Managing RFP process for public sector clients
- Onsite clinic consulting to include RFP process, vendor selection, implementation and ongoing coordination between clinic vendor and health plan
- Working closely with Insurance Committees to establish renewal calendars, and with RFP design and management, vendor selection, and negotiations
- Presentations to Boards, Commissions, and Councils
- Monthly, Quarterly, and Annual claims reviews to include Executive Summaries and recommendations in order to accomplish budgetary goals
- Coordination with actuary to assist with 112.08, RDS, GASB, and OPEB filings for self-funded public entity clients, when necessary
- Compliance oversight for all clients
- Wellness program design, implementation, and ongoing initiatives
- Transitioning multiple clients from fully insured to self-funded health plans
- Disability contract analysis to identify potential areas of concern or where improvements could be made based on industry
- Healthcare concierge vendor selection and implementation
- Commitment to the highest level of service to both HR and leadership teams as well as their employees.

Ms. Stegall currently services the following:
8 Clients – 50-100 Employees (Low Complexity)
4 Clients – 100-300 Employees (Slightly Complex)
2 Clients – 300-500 Employees (Moderately Complex)
2 Clients – 500+ Employees (Higher Complexity)

Morgan Legath
Brown & Brown
Public Sector
Senior Employee Benefits Specialist

LOCATION: Corporate Headquarters
Daytona Beach, FL

Ms. Hathaway will serve as the City's day-to-day service contact. She assists in analysis of carrier reports, benefit plan structures, plan design and industry trends and makes appropriate benefit plan recommendations. She acts as a liaison between clients and the Insurance Carriers to resolve escalated complex service issues that require policy interpretation. Ms. Legath also ensures all Quality Control requirements are met.

Ms. Hathaway earned her MBA in Risk Management & Insurance from Florida State University. She holds a Certified Employee Benefits Specialist (CEBS), Group Benefits Disability Specialist (GBDS) and Voluntary Benefits Specialist (VBS) designations, as well as the 2-15 Life, Health and Variable Annuities license in the state of Florida.

Brown & Brown

Tab 4

Firm Qualifications and References

Tab 4: Firm Qualifications and References

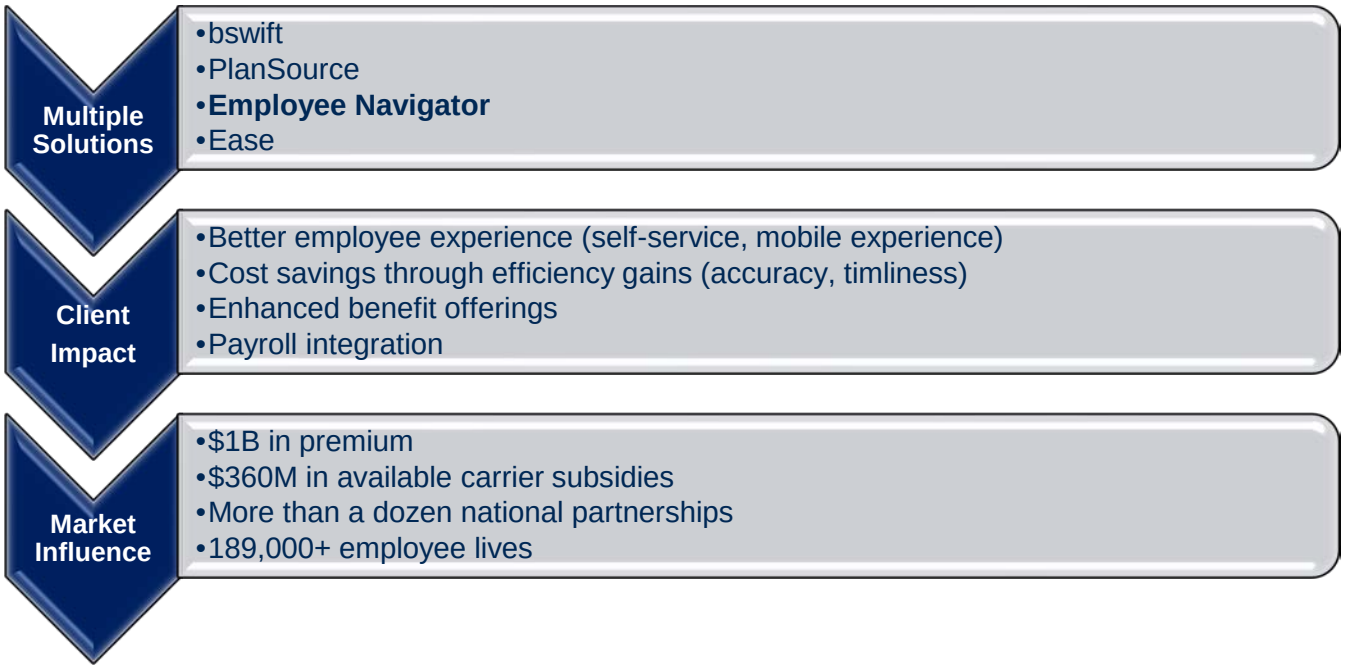
1. **Provide a brief history and description of your firm. Include a description of resources or services that may be utilized that are not housed in your local office. Separately, provide a description of services and resources that may be introduced to the City of Fernandina Beach over time that may add value to its employee benefits program or other business objectives.**

Organizational History

Founded by the Brown family in Daytona Beach, Florida in 1939, Brown & Brown has grown into the 5th largest broker in the world. With more than 15,000 employees and more than 450 offices in the United States, England, Ireland, Canada, Grand Cayman, and Bermuda, Brown & Brown and its subsidiaries offer a broad range of insurance and reinsurance products and services to business, public entity, individual, trade and professional association clients nationwide.

Brown & Brown is a publicly traded company on the New York Stock Exchange under the stock symbol (BRO) and is also a fortunate member of the S&P500 Index.

Brown & Brown is "Built to Last" and its decentralized structure allows its offices to be proactive and to quickly react to changes according to local environments without waiting for bureaucratic approval. An important by-product of Brown & Brown's decentralized structure is that it serves to improve the quality of customer service. Each office is able to tailor its operations to fit the needs of its clients. However, we have national alignment as well. We have senior leadership dedicated solely to employee benefits, as well as a National Benefits Committee to share ideas and shape our employee benefits priorities and policies. The senior leaders and Benefits Committee sit on advisory boards of the insurance carriers and routinely meet with the insurance carriers' senior leadership teams, perform RFPs for all benefits related products and services, and are held responsible for the successful implementation of new initiatives and products.



Resources Outside of Our Local Office

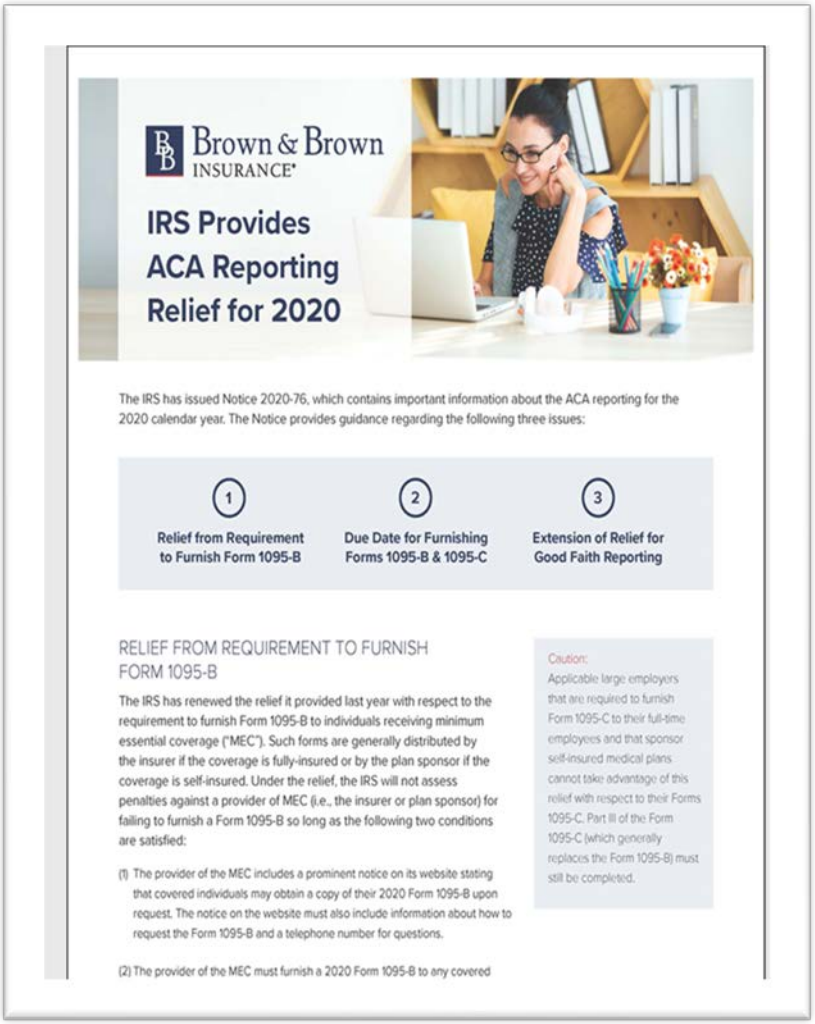
EBTech

EBTech is Brown & Brown's team of benefit technology experts that implements and provides ongoing support for multiple benefits administration platforms. Our goal is to provide our clients the toolset needed to administer your benefit programs and give your employees a positive enrollment experience. This unique resource harnesses the highest level of experts and expertise in the industry to evaluate, review and recommend the benefit technology platform best suited for your needs among all available platforms available in the market today.

Our EBTech team has:

- Vetted more than 60 vendors
- Invited 14 vendors to participate in an RFP that included 324 questions
- Invited 8 vendors to present to an internal panel of benefit and technology specialists
- Selected 4 vendors that we actively utilize today

Compliance



Our robust compliance resources allow us to keep our clients abreast of any upcoming regulations that may impact the Employee Benefits program. Employee Benefits compliance has become one of the most complex challenges facing employers and is where Brown & Brown can add tremendous value. Since the implementation of the Affordable Care Act, employers are turning to us more than ever to keep them informed and to assist them in complying with all DOL, HIPAA, GINA and most recently, COVID-19 guidance and requirements. ***Additionally, we commit to notifying the City, as early as is appropriate, if notified of a breach of protected information, ideally within 24 hours.***

Brown & Brown commits to ensuring the communication of any guidance or requirements is concise and directly addresses any questions or concerns the City may have.

Brown & Brown has recognized this challenge facing our employer clients, and in turn, has devoted substantial resources into developing solutions for addressing the continued complexity around compliance. One of our top resources is the ***Brown & Brown's Regulatory & Compliance Services Team*** – helping to simplify your employee benefit compliance.

Brown & Brown recognizes that one of the most important aspects of working with the City is to provide timely and accurate information on topics that affect how employers and benefit plans operate. As brokers and consultants, our value to you depends on how well we achieve this goal. This is increasingly important as the benefits' field continues to look for products and systems that can make plans more effective and efficient.

Our Regulatory & Compliance team is made up of attorneys that work with our consultants to deliver accurate, timely information.

Brown & Brown INSURANCE

IRS Provides ACA Reporting Relief for 2020

The IRS has issued Notice 2020-76, which contains important information about the ACA reporting for the 2020 calendar year. The Notice provides guidance regarding the following three issues:

1. Relief from Requirement to Furnish Form 1095-B
2. Due Date for Furnishing Forms 1095-B & 1095-C
3. Extension of Relief for Good Faith Reporting

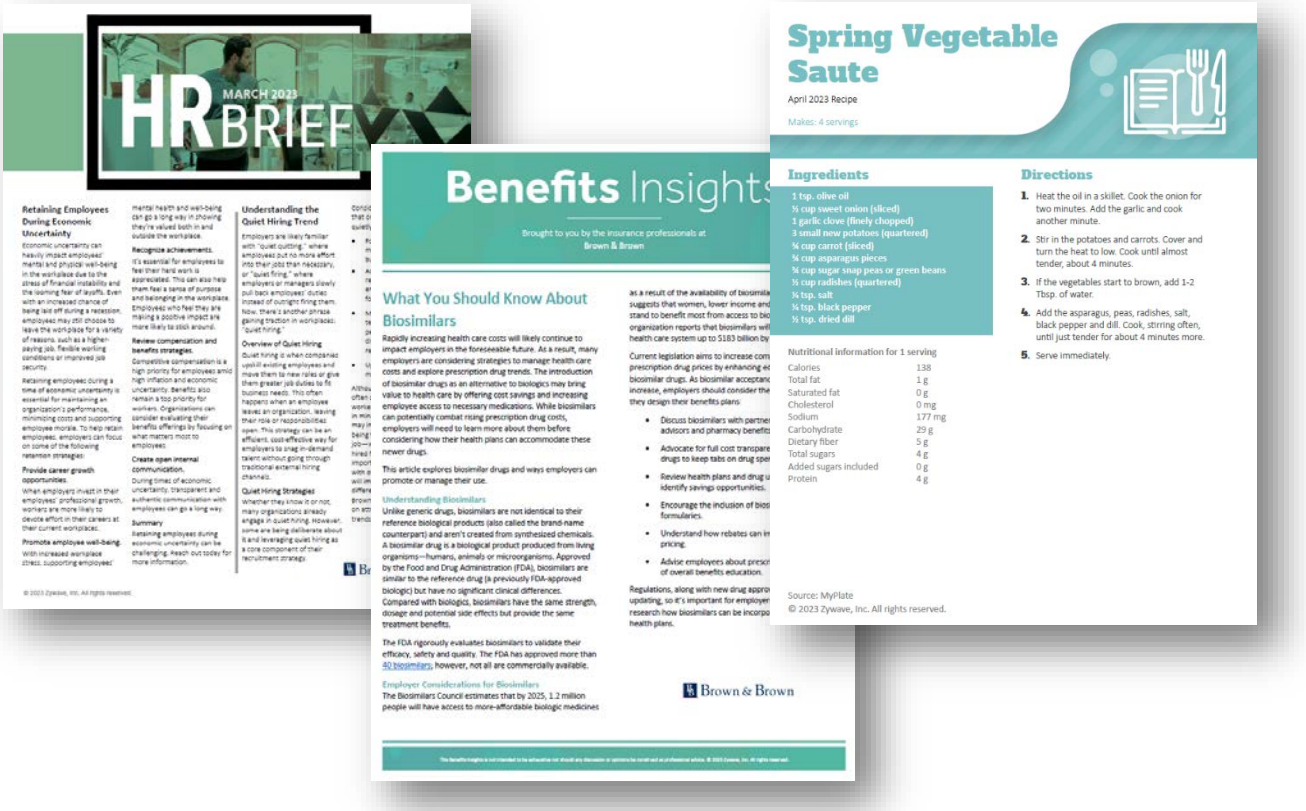
RELIEF FROM REQUIREMENT TO FURNISH FORM 1095-B

The IRS has renewed the relief it provided last year with respect to the requirement to furnish Form 1095-B to individuals receiving minimum essential coverage ("MEC"). Such forms are generally distributed by the insurer if the coverage is fully-insured or by the plan sponsor if the coverage is self-insured. Under the relief, the IRS will not assess penalties against a provider of MEC (i.e., the insurer or plan sponsor) for failing to furnish a Form 1095-B so long as the following two conditions are satisfied:

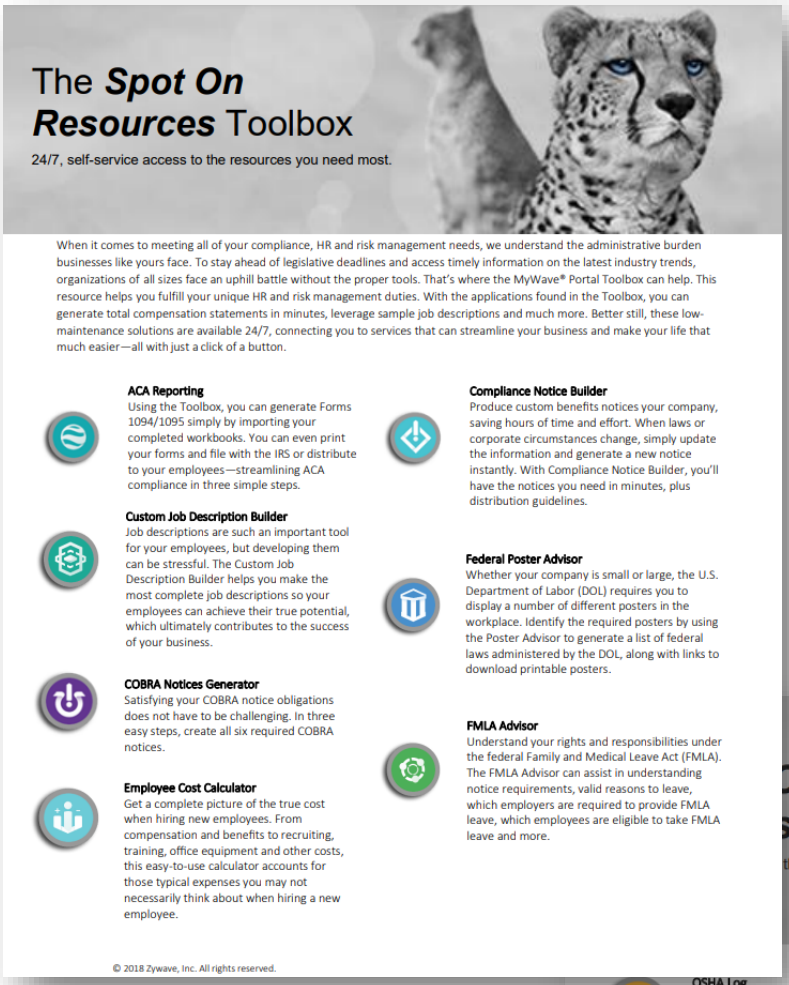
(1) The provider of the MEC includes a prominent notice on its website stating that covered individuals may obtain a copy of their 2020 Form 1095-B upon request. The notice on the website must also include information about how to request the Form 1095-B and a telephone number for questions.

(2) The provider of the MEC must furnish a 2020 Form 1095-B to any covered

Caution:
Applicable large employers that are required to furnish Form 1095-C to their full-time employees and that sponsor self-insured medical plans cannot take advantage of this relief with respect to their Forms 1095-C. Part III of the Form 1095-C (which generally replaces the Form 1095-B) must still be completed.



Additional Contracted Services



All our clients receive access to HR Workplace Services and Zywave for compliance resources and toolkits. These are free to all clients. We also utilize Medcom for other compliance services including COBRA administration. We also provide technology consulting and assistance through our Brown & Brown EB Tech Center. They are part of Brown & Brown, but a separate team. Should the City choose to access any of these, they would be at no cost.

Company Name	Contact Person	Phone Number
HR Workplace Services	John Dale, President	480-302-6517
Zywave	Mike Gallihugh, Sr. Account Exec.	804-536-3394
Medcom	Michael Bracken, President	904-596-2239
EB Tech Center (A part of Brown & Brown)	Steve Piccolino, VP	518-210-4573

HR and Employee Communications

Our office provides HR and Employee communications from Zywave as part of our Employee Benefits Monthly Newsletter. These resources and communications, as well as the Spot On Resources Toolbox are provided to our clients at no additional cost.

The *Spot On Resources* Toolbox

24/7, self-service access to the resources you need most.

When it comes to meeting all of your compliance, HR and risk management needs, we understand the administrative burden businesses like yours face. To stay ahead of legislative deadlines and access timely information on the latest industry trends, organizations of all sizes face an uphill battle without the proper tools. That's where the MyWave® Portal Toolbox can help. This resource helps you fulfill your unique HR and risk management duties. With the applications found in the Toolbox, you can generate total compensation statements in minutes, leverage sample job descriptions and much more. Better still, these low-maintenance solutions are available 24/7, connecting you to services that can streamline your business and make your life that much easier—all with just a click of a button.

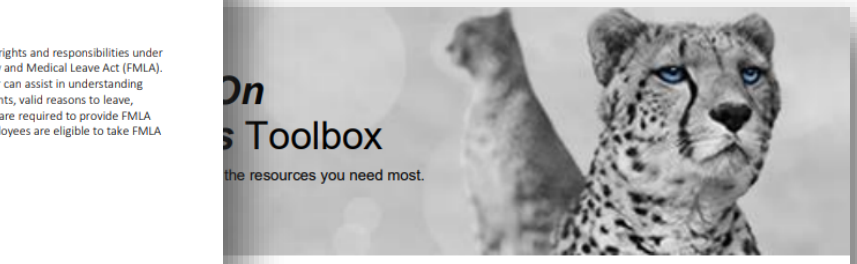
ACA Reporting
Using the Toolbox, you can generate Forms 1094/1095 simply by importing your completed workbooks. You can even print your forms and file with the IRS or distribute to your employees—streamlining ACA compliance in three simple steps.

Custom Job Description Builder
Job descriptions are such an important tool for your employees, but developing them can be stressful. The Custom Job Description Builder helps you make the most complete job descriptions so your employees can achieve their true potential, which ultimately contributes to the success of your business.

COBRA Notices Generator
Satisfying your COBRA notice obligations does not have to be challenging. In three easy steps, create all six required COBRA notices.

Employee Cost Calculator
Get a complete picture of the true cost when hiring new employees. From compensation and benefits to recruiting, training, office equipment and other costs, this easy-to-use calculator accounts for those typical expenses you may not necessarily think about when hiring a new employee.

Compliance Notice Builder
Produce custom benefits notices your company, saving hours of time and effort. When laws or corporate circumstances change, simply update the information and generate a new notice instantly. With Compliance Notice Builder, you'll have the notices you need in minutes, plus distribution guidelines.



Federal Poster Advisor
Whether your company is small or large, the U.S. Department of Labor (DOL) requires you to display a number of different posters in the workplace. Identify the required posters by using the Poster Advisor to generate a list of federal laws administered by the DOL, along with links to download printable posters.

FMLA Advisor
Understand your rights and responsibilities under the federal Family and Medical Leave Act (FMLA). The FMLA Advisor can assist in understanding notice requirements, valid reasons to leave, which employers are required to provide FMLA leave, which employees are eligible to take FMLA leave and more.

© 2018 Zywave, Inc. All rights reserved.

Spot On Resources Toolbox

A portal supporting your digital experience with solutions to help you: ACA reporting app, HR forum, compliance tools, etc.

...On
...s Toolbox
...the resources you need most.

OSHA Log
A turnkey solution that helps you track incidents, generate OSHA mandated reports and create forms—all in a secure, cloud-based environment with 24/7 access.

Health Plan Compliance Calendar
Just by answering a few questions about your health care plan, you can generate your own customized compliance calendar. Featuring a rolling list of federal compliance dates, monthly reminders and supplementary resources, you will have everything you need to remain informed, meet upcoming deadlines and generate the applicable notices.

HR Self-assessment
Analyze your human resource competencies to ensure you are creating an environment for employees to thrive. Employers can assess their HR management practices, employee relations, recruiting process, training and development process, and more. Once a module is completed, explanations will be provided to highlight where improvements can be made.

Sample Job Descriptions
A well-written job description is one of the main ways to connect qualified applicants to positions at your organization. Using sample job descriptions, you can effectively and accurately highlight an employment opportunity to potential candidates.

Interview Question Builder
Choose from over 400 pre-developed behavioral interview questions in 49 categories to create a ready-to-use interview guide in just a few minutes. This will ensure that you are asking the right interview questions, as these are key to evaluating whether a candidate has the knowledge, skills and qualities necessary to become a successful employee.

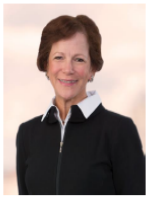
Multi-state Law Comparison Tool
This tool is a convenient way for you to view and download labor laws in different states. If you have locations in multiple states, you may be concerned about which state labor laws apply to your business. This easy-to-use resource will generate side-by-side charts to compare and contrast state laws.

Performance Review Builder
Performance reviews are such an important tool for motivating employees and increasing their contributions to your business, but the process can be stressful. This tool generates performance appraisals based on an employee's occupation, which can be customized with ratings and comments to describe performance issues. The customizable action plan will then help the employee improve their performance, so they can achieve their true potential while at the same time contribute to the success of your business.

In addition to our internal Brown & Brown Regulatory & Compliance Team, Brown & Brown also has a relationship with Miller Johnson, PA, highly respected ERISA attorneys. They provide additional insight and compliance guidance for our clients.

In addition to providing written updates as regulations are released, the team provides the following services:

- General compliance reviews of health and welfare benefit plans
- Interpreting new laws and regulations impacting benefits
- Web-based trainings
- Monthly updates on various employee benefit topics including:
  - Affordable Care Act (ACA)
  - HIPAA
  - FMLA
  - COVID-19
  - State laws
  - Regular compliance communication shared through our podcast that are eligible for SHRM credit
  - E-mail communication with timely content
  - Legislative and regulatory articles detailing important issues
  - Research and analysis



See below for Compliance Resources Communications Examples.

Exploring New Alternatives to Traditional Employer Group Health Coverage

APRIL 25, 2018 AT 2PM EST

As a result of new DOL regulations, the requirements to establish an association health plan have been relaxed, potentially opening up this option for more employers. We will discuss the new rules and how they differ from the old ones and explain the situation where employers may want to consider joining an association health plan. We will also explain what a "captive health insurer" is, and how a captive may differ from a traditional self-funded employer group health plan with stop loss insurance. Again, we will identify the circumstances under which an employer may want to consider using a captive. Finally, we'll update you on any new legal developments affecting employer group health and welfare plans.

Hosted By Mary V. Bauman

Mary V. Bauman is an attorney at Miller Johnson in Grand Rapids, MI. She works with employers in establishing, amending, and terminating employee benefit plans of all types. Ms. Bauman is the chair of the firm's employee benefits and executive compensation practice group, and leads the health care reform team. She is a frequent speaker to corporations and professional associations on employee benefits topics including health care reform (Affordable Care Act), HIPAA (Health Insurance Portability and Accountability Act), and HITECH (Health Information Technology for Economic and Clinical Health Act). Ms. Bauman is recommended by Chambers USA for Employee Benefits & Executive Compensation and is listed in the "Best Lawyers in America®" for Employee Benefits Law. Other significant honors include being recognized as a Most Influential Woman by the Grand Rapids Business Journal and a Woman in the Law by Michigan Lawyers Weekly.

Top 10 COBRA Mistakes and How to Avoid Them

The Consolidated Omnibus Budget Reconciliation Act (COBRA) requires that employers provide former employees and dependents who lose group health benefits with an opportunity to continue group health insurance coverage for a limited period of time. Compliance with the complex rules regarding COBRA coverage can be difficult and mistakes can be costly. Penalties for noncompliance can include excise taxes and statutory fines. The risks also include lawsuits to compel coverage and costly adverse selection of COBRA coverage.

Most employer-sponsored group health plans are subject to COBRA's continuation coverage requirements. However, some employers, such as churches and small employers, are exempt from COBRA. In addition, certain welfare benefit plans, such as long-term and short-term disability plans, are not subject to COBRA because they do not provide medical care.

This Compliance Overview lists the most common mistakes made by employers and provides practical information and tips for avoiding the penalties and risks associated with these mistakes.

LINKS AND RESOURCES

- Employer's Guide to Group Health Continuation Coverage under COBRA, a DOL publication
- Frequently Asked Questions from the DOL on COBRA continuation coverage
- DOL's final rule on COBRA notice requirements

HIGHLIGHTS

PRACTICAL TIPS

- COBRA applies to employers that had 20 or more employees on typical business days during the preceding year.
- Qualifying events are events that cause loss of group health coverage and trigger COBRA coverage for qualified beneficiaries.
- Employers subject to COBRA must provide several notices to inform participants and beneficiaries of their rights.
- Plans subject to COBRA must have reasonable procedures in place for qualified beneficiaries to notify the plan administrator of certain events.

This Compliance Overview is not intended to be exhaustive nor should any discussion or opinions be construed as legal advice. Readers should contact legal counsel for legal advice.

Past Performance (Fully Insured)

Below are just a couple of examples of how Brown & Brown has consistently provided exceptional service, program management and cost savings/containment to our clients.

DeSoto County Board of County Commissioners

Employee Benefits Summary – Brown & Brown has served as the County's broker and consultant since 2011. Included in this contract is the complete program suite of employee benefits brokerage, consulting and ongoing support services. We provide service including, but not limited to complete design and marketing of the employee benefits coverages, claim reviews, insurance committee meeting attendance, open enrollment meetings, health fair coordination assistance, wellness program assistance, customized benefit guide, online enrollment system (PlanSource), Telehealth Program, Employee Assistance Program (EAP) and compliance updates.

We have continually provided cost savings to the County via formal RFP processes, current carrier negotiations and strategic plan design enhancements. Since we began our relationship with the County, we have assisted them in saving more than $5 million dollars in premium costs.

Gilchrist County School District

Employee Benefits Summary– Brown & Brown was awarded the District's Employee Benefits Brokerage and Consulting contract in 2019. These services include ongoing servicing and marketing all employee benefits lines of coverage, managing their benefits administration platform, COBRA administration, OPEB Filing, quarterly claims reviews, insurance committee meeting attendance, customized benefit guide, open enrollment assistance, compliance updates and guidance.

When Brown & Brown became the Broker for the District, they were with AvMed for their medical coverage and were not receiving any wellness dollars or credits towards their benefits administration technology. In 2020, we have moved the District to Florida Blue, saving the District more than $200,000 from their AvMed renewal. Florida Blue's offering also included an annual $15,000 wellness fund and $10,000 towards implementation of their technology platform. Throughout our strategic partnership, carrier and vendor negotiations, Brown & Brown has assisted the District in **saving more than $550,000.**

Past Performance (Self-Funded)

City of Sarasota – Self-Funded with Health Care Center

Employee Benefits Summary – Brown & Brown was awarded the City of Sarasota's Employee Benefits consulting contract in December 2016. Included in this contract is the complete suite of employee benefits brokerage, consulting, and support services. Including complete marketing of employee benefits coverages, onsite health care center, quarterly claims reviews, open enrollment meetings, health fair coordination, benefits-at-a-glance booklets, OPEB Filing, Actuarial Services, Online Enrollment system, Telehealth Program, Employee Assistance Program, Mail Order Pharmacy Program, and compliance updates.
We have consistently worked with the City to ensure they are making the most out of their onsite health center and using the health center to drive costs down on their health plan. Each year, Brown & Brown works with the City to develop any RFPs according to when each contract is expiring.

Through Brown & Brown's strategic partnerships, contract and vendor negotiations, procurement management and carving out the Rx program, the City has realized significant savings year after year, totaling approximately $2 million since Brown & Brown became broker of record.

City of St. Cloud – Self-Funded with Health Care Center

Employee Benefits Summary – Brown & Brown has provided the City with a full complement of employee benefits services since 2011. These services include servicing and marketing of all employee benefits lines of insurance coverage, onsite health care center, COBRA administration, quarterly/ semi-annual claims review, open enrollment meetings, health fair, benefits-at-a-glance booklets, OPEB Filing, Actuarial Services, Online Enrollment system, Telehealth Program, Employee Assistance Program, Mail Order Pharmacy Program, compliance updates and ACA Reporting.

At the inception of our agreement the City was fully insured, did not have a wellness program, and continued to struggle with double digit premium increases on their medical plan. Through a carefully constructed and innovative plan we mapped out a strategic vision to improve the cost effectiveness of the City's short and long-term healthcare benefits program. Since implementation, we have taken the City to a successful self-funded health plan. Additionally, Brown & Brown procured a health care center administrator, interviewed clinic administration vendors, and assisted in the design of the health care center. We have continued to provide enhanced and innovative solutions to ensure the City is able to provide the most comprehensive and competitive Employee Benefits Program for their employees and their families. Through innovation, managing procurement processes, when necessary, and dynamic negotiations, Brown & Brown has assisted the City of St. Cloud in saving more than **$6,000,000 in premium** when compared to the fully insured program that was in place in 2011.

3. Describe your firm's efforts to remain current on business and employee benefit issues relating to the City of Fernandina Beach business profile, including industry or association memberships, if applicable.

The entirety of our Public Sector Employee Benefits team is trained specifically to provide Florida's local governments with the highest level of expertise, service, and guidance through the medical and ancillary insurance markets. That expertise and specialization with local governments has propelled our team and company to be one of the largest providers of brokerage services to local governments in the State of Florida. They are highly trained in public entity compliance and Florida State Statute 112.08 regarding public entity insurance placement.

Our team also completes ongoing continuing education courses, carrier and vendor product and market update seminars, compliance seminars and workshops to ensure we continue to stay at the forefront of any trends, products or legislation that may have an impact on our clients and their employees.

Brown & Brown Public Sector is involved and committed to industry organizations to include:

Professional Affiliations:

- Florida Educational Risk Management Association (FERMA)
- Florida School Board Association (FSBA)
- Risk Management Society (RIMS)
- Public Risk and Insurance Management Association (PRIMA)
- Florida Association of Counties (FAC)
- Florida City and County Managers Association (FCCMA)
- Florida Governmental Finance Officers Association (FGFOA)
- Florida Public Human Resources Association (FPHRA)

Professional Organization Memberships:

- SHRM – Society for Human Resource Management
- FPHRA – Florida Public Human Resources Association
- FLC - Florida League of Cities
- FCCMA – Florida City and County Management Association
- FAC – Florida Association of Counties
- FERMA – Florida Educational Risk Management Association
- NOLHA – National Organization of Life & Health Agents
- PRIMA – Public Risk Management Association
- RIMS – Risk & Insurance Management Society

4. Provide five current client references of similar size, complexity, or with similar needs. Limit your response to those clients that are principally serviced from your local office.

Equal Opportunity Employer / Drug-Free Workplace

May 19, 2022

This letter serves as a recommendation for services provided by Brown & Brown Public Risk Insurance Advisors. Brown & Brown has provided Brokerage Services for Employee Benefits to DeSoto County for over 10 years. They assist our Human Resources staff with carriers regarding coverage, plans, policies, compliance and billing. They also aid with events such as Open Enrollment and Health Fairs.

Brown & Brown provides excellent customer service to our staff with enrollments, terminations, changes and handle's our day to day issues with claims, billing, policy questions, etc. Their level of service also includes attending our insurance committee meetings, providing the committee with monthly claim reports and guiding us through implementation of our wellness programs.

Our tenure with Brown & Brown speaks for itself as their staff continues to work hard for the insurance needs of the County. I feel confident that Brown & Brown will deliver should you consider them for your brokerage service needs.

Best Regards,

Human Resources Director

Identified Service Areas

Tab 5: Identified Service Areas

1. **Employee Benefits Assessment and Analysis – Provide a summary of your firm's process in conducting risk assessment and analysis for firms similar to the City of Fernandina Beach. Identify resources to be used, if not already part of the proposed service team. Provide samples of internal or external reports that are a product of such assessment and analysis. Based upon the information currently available, identify areas of emerging risk relative to the City of Fernandina Beach operations, or risk warrants greater attention.**

Project Approach

Our process involves performing an in-depth analysis to optimize the benefits program and identify cost savings strategies to enable us to design and manage financially sustainable benefits programs, as well as, delivering best in class service by resolving claims and billing issues, educating, and assisting employees, and providing compliance guidance.

Brown & Brown focuses on understanding our clients' needs and delivering customized solutions.

Learn

Introductory Meeting:
If Brown & Brown has the honor of being awarded the City's contract, our first priority will be an in-person meeting to introduce the Brown & Brown team to the City's staff. This meeting will include review the City's key objectives and initiatives. We will discuss positive aspects of the current program, as well as any areas of concern. Additionally, we will review the proposed timeline for completion of services/deliverables and adjust as necessary.

Issue and Process Agent of Record Letters
Brown & Brown will create the letters within 5 days of contract execution and provide to the City to print on their own letterhead, sign and return to us. Brown & Brown will distribute the letters to the carriers for processing. This will ensure Brown & Brown has access to all carrier and vendor documents and data necessary to perform a thorough review and analysis.

Analyze

Compliance Audit
Brown & Brown will review the City's current program for regulatory compliance with all state and federal regulations (i.e., Section 125, HIPAA, GINA, etc.). Additionally, we will provide any federal and state compliance updates as they occur. We will complete this audit within the first quarter of the contract and annually within the first quarter.

Review of current SPDs, Agreements, Summaries, etc.
Within the first 30 days, Brown & Brown will review all current documentation for accuracy to ensure the program is being administered as the City desires.

Benchmarking Report
Brown & Brown will complete benchmarking of similar size entities in the same region as the City, as well as within the state and nationally to show comparative plan data. We will begin this process about 30 days after contract execution. Project completion will be approximately 15-30 days.

Manage

Implementation/Open Enrollment Support
Implementation and education are critical when considering changing any component of the employee benefits program. It is extremely important that we create and implement a strategy that ensures the employees understand the offerings that are available to them, the value of those benefits and the best way to utilize the benefits to contain their out-of-pocket costs. Some of the ways we conduct these meetings are outlined below:

- In-Person & Virtual Meetings
  - We will meet with your employees every year during open enrollment to present and explain the benefits and address questions. We are also available at any point during the year to meet with your employees to educate them on a variety of topics like health/wellness, cost savings tools and methods, and how best to use the plan and other free resources.
- Employee Videos
  - We can produce an employee video explaining the benefits so that all new hires can have the benefit of an open enrollment meeting when they begin employment and also for active employees during the open enrollment time period.
- Employee Webinars/Seminars

- We routinely offer webinars/seminars for employees on a variety of topics including how to use the benefits, EAP services and other requested topics of interest.

Brown & Brown has several methods of educating employees at open enrollment and throughout the year with various tools:

- PowerPoint presentations
- On-site group or one on one meetings
- Open enrollment announcements
- Customized Flyers
- Customized educational videos, which can be posted on our clients' internet
- Webinars
- Electronic enrollment including videos and wellness education
- Employee enrollment hotline managed by dedicated Brown & Brown staff
- Employee enrollment email at Brown & Brown
- Employee compensation statements
- Online enrollment systems
- Customized employee communications on specific topics

In addition to managing the enrollment presentations, the Brown & Brown team will take on the responsibility of preparing the Benefit Administration and Online Enrollment platform with the updated benefit information prior to open enrollment. They will set up and test the EDI feeds between the system and carriers. We are available for direct discussions with employees who need assistance with medications, choosing plans, who need continuity of care or authorizations for certain services and can assist employees who need to find new physicians (if moving from one network to another).

Quality Control Guidelines

Brown & Brown has a thorough and extensive quality control process that assures the quality and accuracy of all Brown & Brown transactions and processes. It is imperative to maintain strict controls and protocols in all facets of our business to ensure that our clients' requests, communications, and financial transactions are conducted with the utmost accuracy and consistency. Brown & Brown utilizes a separate internal audit division to ensure that these protocols and procedures are strictly followed. This division is accountable only to the CEO of Brown & Brown. We are audited every other year for financial transactions and for adherence to quality service processes and procedures. Our most recent audit resulted in our receipt of the second highest award among 200 offices.

It is our intent to handle each of our client's projects and requests as expeditiously and accurately as possible. We carefully document all requests and communications of each client's program so that any employee can review that file and understand what has been done and what needs to be done for that client.

We review each policy for accuracy using a detailed checklist. Our checklist contains not only standard policy terms but also any custom terms and conditions that we have negotiated for our clients.

Confidentiality
Brown & Brown maintains strict protocols controlling all files and correspondence. Each employee signs a confidentiality agreement forbidding any sharing or breach of customer information with anyone but that customer.

In addition, Brown & Brown's electronic data is controlled and maintained by Brown & Brown's Corporate Information Technology Department. Below is a summary of security measures to ensure electronic data remains confidential. ***In the unlikely event of a breach of protected information, we commit to notifying the City as early as appropriate, ideally within 24 hours.***

Brown & Brown IT conducts frequent internal security audits of in place groups, individual accounts, internal and external discussion groups with an emphasis on ensuring that a user:

- Only has access to the files, folders, and emails relevant to their respective position and responsibilities within Brown & Brown.
- Brown & Brown IT has a Data Governance Product which reports to a SQL database showcasing user access to network resources.
- Brown & Brown IT employs a security appliance which monitors and prevents external penetration of the network securing our data and our users from any external malicious impact.

Ongoing Program Management
Brown & Brown commits to the highest level of ongoing program management including, but not limited to the Scope of Services requested in this solicitation. We would consider these our core competencies.

Advocate

Carrier Products/Services
Brown & Brown regularly attend continuing education and seminars showcasing upcoming products and/or services offered by our carrier partners. This allows us to stay at the forefront of new tools/services that may assist in further cost containment and plan management.

Claims Issues/Employee Advocacy
Brown & Brown will continue to provide a dedicated account management team that will help the City and its employees navigate through any claim or billing issues or questions, claims appeals, pharmacy denials or delays, eligibility questions, explanation of benefits and services and benefit reviews when needed. We advocate for our clients on every issue to ensure accurate and timely resolution and escalating any unresolved issues. Our office staffs account managers with significant experience, who can assist our clients with provider coding errors, explaining Explanation of Benefit Statements, auditing provider billing for accuracy, and getting refunds issued for clients. Our account management leadership team has the relationships with top management at the carrier level to resolve escalated issues timely. We will go to the top management for exceptions when needed.

Insurance policies don't always address specific individual issues that arise and so we will always advocate for the City and its employees.

We know that health insurance is personal. When someone must use their insurance, in many cases it is a stressful time for them. We want to use our significant experience and expertise to help in any way we can.

Wellness Initiatives

Brown & Brown understands that wellness is more than just physical. Overall, wellness is a balance of physical, emotional, and financial wellbeing. We consistently explore new and innovative ways to add value and deliver cost savings to our clients. We can deliver these things through a robust wellness program. Brown & Brown proactively brings ideas and options to our clients regarding their wellness programs. Brown & Brown would collaborate with the City to support the HR team and employees in the continued growth and success of their wellness initiatives. Brown & Brown will negotiate wellness funds, provided by the carriers, that can be utilized to encourage participation and engagement in health fairs, as well as other wellness initiatives and events. We will review and discuss the current wellness program with the HR team and make recommendations for additional activities that may be of interest to the City's employee population. We will also review the current wellness program for compliance with ADA (Americans with Disabilities Act), ACA (Affordable Care Act) and HIPAA (Health Insurance Portability and Accountability Act).

Health & Wellness Fairs

Brown & Brown works closely with our clients to provide Health and Wellness Fairs. We contact vendors and community partners to participate in the fairs and provide the employees with giveaways, prizes, food, and education regarding their services. We take the lead on these initiatives.

Service Methodology

Exceptional customer service is a quality that Brown & Brown prides itself upon. Our dedicated executive account team will continue to serve as an extension of the City's Human Resources team and provide prompt resolution to any issues, concerns, or requests. We commit to having a member of our team available for onsite activities, as requested.

The Brown & Brown executive account team manages the daily service issues that may arise regarding claims, compliance, billing, and eligibility. Due to our status with the insurance carriers, we have the distinct advantage of having a dedicated contact in each carrier's home office to assist us with resolving any issues in the most efficient manner possible***. It is our commitment to resolve all issues within a 24-hour period.*** If we cannot meet that deadline, we will contact the City's team with an update stating why we are unable to resolve the issue and include an expected time frame for resolution.

Emerging Risks/Trends

Increasing medical costs

- ✓ Medical provider/supply cost increases
- ✓ Increased claims utilization

Increasing pharmacy costs

- ✓ Specialty Rx
- ✓ Specialty Treatments (i.e. Gene Therapy)

Continued cost drivers

- ✓ Aging Population
- ✓ High-Cost Diagnoses (i.e. cancer, musculoskeletal, hypertension)
- ✓ Delay of care (i.e. preventive screenings, specialist visits, mental health)

Employee Experience

- ✓ Employee Attraction
- ✓ Employee Retention
- ✓ Competitive Benefit Package Offerings

Listed above are a few emerging risks/trends we are likely to continue to see for the foreseeable future. Brown & Brown and our teams of experts have not only identified these, and other trends that are emerging, but also reviewed case studies and resources on ways to mitigate the risk and assist our clients through any of these challenges they may face.

Several of the resources provided by Brown & Brown can assist in identifying and providing a strategy to mitigate some of these risks and enhance the employee experience, including but not limited to:

- ✓ **Population Health Team**
- ✓ **Robust Wellness Initiatives**
- ✓ **Targeted Employee Education and Communication**
- ✓ **Comprehensive Benefit Program Analysis and Recommendations**

2. **Marketing – Describe your firm's proposed marketing processes and strategies. Provide comment on current program structure and pricing (to the extent possible) with particular emphasis on your firm's assessment of the insurance market. Include identification of resources that are not part of the proposed service team. Provide a suggested listing of markets that may be considered for each major line of coverage, including your rationale for such a course of action. Include any intermediaries to be used and your relationship with those companies. (Note: The City is requesting a sample only of the markets that your company would use for an account of the size of Fernandina Beach).**

Design

Pre-Renewal Discussion
Brown & Brown will conduct a pre-renewal discussion annually, typically in January, to discuss the previous year's results and make recommendations for plan design changes for the City to consider. Having these discussions prior to drafting Requests for Proposals will allow us to provide accurate specifications that reflect the strategies, goals, and initiatives the City desires.

Request for Proposal Process
Brown & Brown will facilitate and manage a comprehensive marketing process to assist the City in the solicitation of selected lines of coverage. We will create a timeline of the RFP process to ensure the City has ample time to review our findings and make decisions.

This process consists of the following:

- Collection of Information
- Discussion and Approval of RFP Specifications
- Release of RFP to the Market
- Review of Submitted Proposals and Preliminary Recommendations
- Finalist Interviews (if necessary) and Recommendations

Current Renewal Process Timeline:

Receive Carrier Renewals	Mid to late May
Market Coverages, as directed by the City	Early to mid-June (Approximately 4 weeks allotted for carriers to respond)
Review and Present Carrier Options to City	Mid to late July
Best and Final Offers, if necessary & Selection	Late July
Brown & Brown Notifies Carriers	Late July – Early August
Implementation and Open Enrollment	Late August – Early September

***This is a customizable process based on when the City needs to have the renewal approved by the City Commission and desired Open Enrollment dates.**

Analysis of Renewal Offers

- Collection and analysis of all carrier responses
- Executive analysis and summary of benefit recommendations by Brown & Brown
- Our presentation includes:
  - Ratings of carriers
  - Market summary
  - Fully insured plan spreadsheet with details of all competitive quotes
  - Alternative funding options
- Ongoing plan design and benefit consultation, rate and/or plan negotiations with carriers until the City makes a final decision
- Attendance at any Commission Meetings and carrier negotiations throughout the decision-making process and thereafter

Network Analysis

Brown & Brown frequently analyzes provider networks for all carriers that we utilize. If our clients have a specific provider that is used but not in network, we work very closely with the carriers to explore all our options and possibilities to ensure the employees have access to quality providers. Continually analyzing provider networks and maintaining superior providers is of the utmost importance to ensure our clients and their employees continue to have access to excellent care for minimum out of pocket costs.

During the marketing process, we will perform a network analysis for a specific radius to ensure the desired providers are included. If the desired providers are not in-network with a carrier, we can explore other carriers and complete a Network Disruption Report to ensure the least amount of disruption and inconvenience both administratively and to the employees.

If it is necessary to change carriers, Brown & Brown works extremely close with our clients and the carriers to ensure we match coverages as closely as possible or enhance benefits and lower costs. We will manage the implementation process to ensure a smooth transition for the employees as well as the HR team.

Carrier/Vendor Selection and Negotiations

Brown & Brown will notify all carriers of the City's selections and begin negotiations to ensure the City received the most competitive terms and conditions possible. Our premium volume with all the major carriers allows us to consistently negotiate the most competitive terms and conditions for our clients year after year.

It is our mission to utilize market forces and competition in the marketplace in the pursuit of competitive insurance placements for our clients every year. This concept underlines one of our core business principles: ***Always do what is right for the client.*** We are constantly focused on the balance between holding the market's interest while simultaneously conducting competitive processes in a professional manner.

Brown & Brown will conduct an annual market analysis to obtain formal quotes for medical, dental, vision, life, short-term and/or long-term disability, Employee Assistance Program, flexible spending plans and other supplemental benefits as directed by the City. We routinely conduct formal bids for all benefit programs including administrative services such as Online Enrollment systems. Below is a list of some of our preferred carrier partners:

Medical	Aetna	Capital Health Plans	Humana
	Assurant	Cigna	Neighborhood Health Partnership
	AvMed	Florida Health Care Plans	United Healthcare
	Florida Blue (all affiliates)	Health First / Florida Hospital Care Advantage	
Alternate Funding / Other	All Savers (UHC) – Not available to Public Sector clients	Innovative Health Plan	Ownership Rewards
	Benecon / FGHS	Innovative Workplace Benefits	Trustmark
	ELAP Services	National General Life	Wellnet
National Preferred Ancillary & Worksite	Aetna*	EyeMed	Principal Financial*
	Aflac*	Florida Combined Life	Securian Financial (Ochs/MN life)
	AIG*	Guardian Life & Health*	Standard Insurance*
	Allstate Financial*	Hartford Life*	SunLife Financial (Assurant)*
	Ameritas	Humana*	Superior Vision
	Axa Financial*	Lincoln Financial*	TransAmerica*
	Cigna*	Metropolitan Life*	United Healthcare
	Colonial Life*	Mutual of Omaha*	Unum Insurance*
			Vision Service Plan (VSP)

For securing services and lines of coverage which require formal RFP process, Brown & Brown will collaborate with the City of Fernandina Beach to review all claims, utilization, pharmacy, benefit summaries, plan design, etc. to strategize and develop appropriate specifications. Our team will draft a proposal including all agreed upon specifications and will submit to City Staff for final submission to carriers. Once approved, Brown & Brown will release the RFP to the carriers and will grant them 2-3 weeks to submit their responses (if time permits). Once all responses are received, Brown & Brown will review and analyze submittals and present results with our recommendations to Staff and City Commission.

3. **Data Management – Provide commentary on the projected needs for the City of Fernandina Beach relative to data management and your firm's approach to meeting those needs. Include resources or systems that might be utilized to enhance this area of benefits management.**

Actuarial Services (at no cost to the City)

Brown & Brown has the ability to provide actuarial services via our internal Brown & Brown Consulting Team, or an external actuarial firm, Jay Miniati Actuarial Services. We work closely with both teams, depending on client preference and complexity. Both provide exceptional service and analysis.

The assigned Brown & Brown management team will manage the actuarial processes and relationships. We commit to providing all requested documents, reports, budget estimates, funding projections and filings in a timely manner.

Brown & Brown's Director of Analytics, Brandon Savage, will also work very closely with the chosen actuary to ensure all information is provided in a timely manner for accurate completion and submission of the 112.08 filing, if necessary. This filing is not currently a requirement for fully-insured groups, but if the City chooses to explore self-funding, Brown & Brown has resources in place to be able to provide this service.

Reporting and Meaningful Analytics

Brown & Brown will assist the City with the ongoing management of its insurance and cost management by providing budget projections and quarterly claims reviews. The quarterly executive summary will illustrate claims and pharmacy utilization. These quarterly reviews provide the data beneficial for strategy discussions that will assist us in formulating our marketing strategy to execute against our review.

Brown & Brown conducts and presents a thorough review of the current plans and makes recommendations to the HR team, insurance committee and/or Commission Members, as often as requested. Brown & Brown also coordinates with the current medical carrier to meet with the HR team and/or attend insurance committee meetings to review: utilization, loss ratio, high-cost claims and pharmacy spend and utilization, and new programs to be considered.

We will provide monthly reporting and develop and report any pertinent information to the City's Human Resources/Risk Management team, as necessary. Included in the reports are the following:

- Medical Claims
- Lifestyle and Chronic Conditions
- High-Cost Claims
- Risk Trends/Demographics
- Pharmacy Claims
- Benchmarking
- Top Drug Utilization
- Historical Data

4. **Program Design – Provide a brief summary of potential program designs that may be appropriate for the City of Fernandina Beach for the major lines of coverage. Include rational for your suggestions. Given the information provided, identify your firm's key strategies in evaluating the optimum alternatives for the City of Fernandina Beach in the major lines of coverage.**

Brown & Brown will do a full analysis of the City's program, including claims data, wellness program, and any other pertinent factors, to determine further recommendations for the City's program. We do this is to ensure our recommendations have a direction and can make a meaningful impact on the City's program and employees.

A few strategies we would explore are:

1. **Comprehensive Population Health Review** – a comprehensive review of the City's medical plan, utilization, top Rx utilization, large claimants and wellness initiatives. This review will uncover diagnoses driving the City's claims, provide clarity on possible design changes, program recommendations or initiatives that may be available to assist the City and their employees in mitigating these risks, containing rising costs and enhancing the employee's experience with the employee benefits program.
2. **Employee Survey** – this will uncover employee satisfaction with the City's current Employee Benefits program. Results will determine Brown & Brown's recommendations for plan design or program enhancements. Employee satisfaction is critical for employee retention.
3. **Alternate Funding Mechanisms** – we will explore alternate funding mechanisms, such as self-funding, level funding, captives and consortiums. We will provide an analysis showing the pros, cons and financials associated with the funding arrangements and provide recommendations based on our analysis.
4. **Employee Assistance Program (EAP)** – Explore EAP options beneficial for all employees for mental, financial and overall health and wellbeing.

5. **Communications – Describe formal and informal communication processes for the City of Fernandina Beach. Include proposed schedules of key meetings, timelines, and other process mileposts for the proposed client service. Include any proprietary client communications that may be appropriate and available to the City of Fernandina Beach to facilitate communications. Describe your firm's capability of producing annual benefit statements and open enrollment communications for employees.**

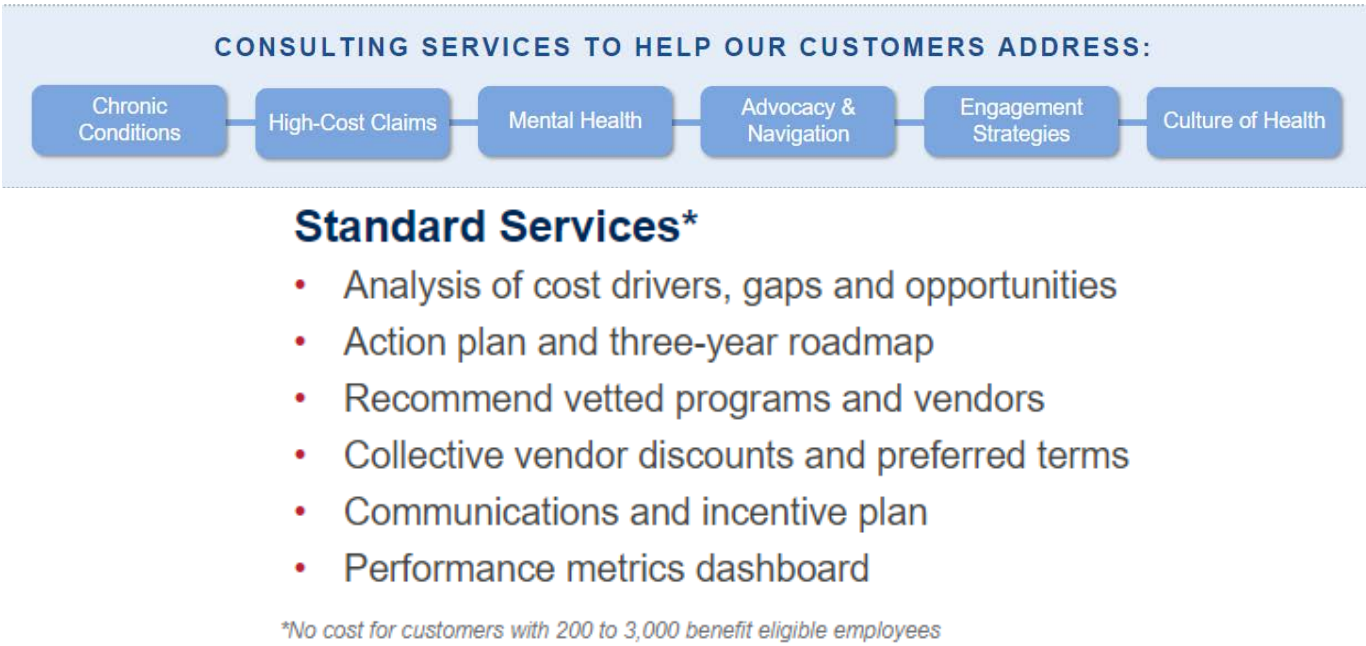
Brown & Brown commits to communicating with the City's staff and employees in any manner the City deems appropriate.

For ongoing communications, our team typically will communicate in the following ways:

- ✓ In-Person/Virtual Meetings
- ✓ Email/Secure Email
- ✓ Direct Phone Lines
- ✓ Newsletters
- ✓ Customized Service Calendar (See Tab 8: Attachments for a Sample Customized Service Calendar)
- ✓ Compliance Communications (fliers, email, webinars, etc.)

Pre-renewal/Renewal Communications:

- ✓ Sample Renewal Proposal (See Tab 8: Attachments for a Sample Renewal Proposal.)
- ✓ Webinars
- ✓ Renewal Questionnaires (See Tab 8: Attachments for a Sample Renewal Questionnaire.)
- ✓ Customized Benefit Guide (See Tab 8: Attachments for a Sample Benefit Guide.)



Open Enrollment Communications:

As stated in question #1, regarding ways Brown & Brown will **Manage** the City's employee benefits program, open enrollment implementation and education are key components of a successful employee benefits program. As stated previously as well, it is extremely important that we create and implement a strategy that ensures the employees understand the offerings that are available to them, the value of those benefits and the best way to utilize the benefits to contain their out-of-pocket costs. While we have outlined a comprehensive list of those communications, we commit to providing customized communications in any way the City deems the most appropriate and impactful to their employees and their families.

6. **Other Services (Optional) – Provide a brief summary of other services available from your firm that may be appropriate to the City of Fernandina Beach consideration.**

Population Health Consulting

There are many levers to pull when addressing cost efficiency in a health insurance program. In order to make recommendations on specific vendors, plan management, and individual health management, your Brown & Brown team will work together to develop targeted solutions to control costs using our Population Health Consulting services. While it is a bit more difficult to do a deep dive into claims data for a group the size of the City of Fernandina, we still want to ensure all employees are engaged in their health and understand the resources available to them.

Our Population Health Differentiators

Clinical Expertise
Our **Population Health Consultants** include experienced physicians, registered nurses and certified wellness consultants

Strategic Framework
We apply our **Intelligent Health Plan™** framework to tailor a strategy to each client's unique population health needs

Employee Engagement Tools

Brown & Brown has enhanced technology services with our Employee Benefits App and Benefits Hub website. The Benefits App can allow your employees easy access to the health and welfare plans information, ID cards and FSA/HSA balances.

The Benefits Hub website is a discount service platform that contains discounts for many different services such as weight loss programs, gyms, grocery delivery, pet insurance, etc.

EMPLOYEE ENGAGEMENT

You won't be limited by the capabilities of just one platform. Brown & Brown has undergone a significant vetting process, so we can recommend and implement a technology partner that fits your particular needs and budget.

BenefitHub

BenefitHub is an easy to use, employee engagement tool that allows you to really amp up your benefits package. You now have the ability to offer direct bill products such as student loan refinancing, pet insurance, identity theft protection, and more. If that's not enough, BenefitHub's Discount Marketplace offers over 300,000 discounts to help employees save an average of &4,900 a year on their purchases, while also earning cash back rewards that never expire! BenefitHub can be accessed through desktop, tablet, and smartphone devices.

mybenefitsapp

MyBenefitsApp is exactly what your employee needs to keep up with their benefits information anytime, anywhere. This platform allows employees to access and print generic ID cards, download, and print benefit documents and forms, watch educational benefits, find providers, and more 24/7. The customization capabilities ensure that your app has your exact company logo, color scheme, fonts, and more! MyBenefitsApp can be accessed through desktop, tablet, and smartphone devices.

Employee Engagement With BenefitHub

ATTRACT, RETAIN, AND MOTIVATE THE BEST TALENT FOR YOUR BUSINESS WITH BENEFITHUB

BenefitHub is an easy-to-use portal with a full range of benefits and rewards you can offer your employees.

Why BenefitHub?

- All your benefits, in one place

Tab 7

Compensation / Cost of Service

Tab 7: Compensation / Cost of Service

Submittals shall include an annual service fee as part of their response to this RFP. The successful firm shall be compensated on an annual fee basis. Fees will be payable quarterly at the end of each quarter. All program premiums and charges are to be written net of commission and the acceptance of a commission shall be grounds for immediate termination of the contract. If a carrier does not or cannot work on a net of commission arrangement, the firm shall disclose this fact and the commission shall be deducted from the annual fee. The successful firm shall provide an annual statement from each carrier confirming that the insurance carrier has paid no commissions. Full disclosure of all compensation earned, either directly or indirectly, is required. Use of intermediaries, wholesalers, subsidiary companies, etc. is expected and encouraged if advantageous to the City of Fernandina Beach. However, all fees and or commissions earned as a result of their use must be disclosed and will be deducted from the annual fee. Additionally, the City reserves the right to seek additional relevant records as a means of enforcing this provision.

Agreed and confirmed.

Brown & Brown

A Proposal of Employee Benefits Coverage and Service

Client ABC

Melanie Stegall, GBDS, VBS
Employee Benefits Advisor

Morgan Legath, GBA, GBDS, VBS
Employee Benefits Specialist

Morgan Johnson, GBDS
Marketing Analyst

Revised Proposal Date: August 2022

Effective Date: October 1, 2022

Public Risk Insurance Advisors

Brown & Brown is one of the largest and most respected independent insurance intermediaries in the nation, with over 80 years of continuous service. The Company is ranked as the sixth largest such organization in the United States by Business Insurance magazine.

Public Risk Insurance Advisors (PRIA), a wholly owned subsidiary of Brown & Brown, Inc., has established itself as one of the premier insurance services organizations for public entities in the United States. Our in-depth understanding of the unique risk exposures and operating environment of public entities allows us to tailor insurance products and services to effectively meet their needs. As the only independent insurance agency solely dedicated to the public entity market, we are uniquely qualified to meet and exceed the expectations of our clients. Our 20 years of insuring local governments has afforded us significant experience and insight into the unique challenges and constraints that our clients face.

As a Brown & Brown company, PRIA has access to hundreds of insurance markets nationwide. The buying power and premium leverage within the organization is surpassed by few agencies.

PRIA focuses on developing innovative approaches towards managing your risk. Cost effective insurance products, professional service, and commitment to client's needs are our primary goals. Proof of account satisfaction is reflected by a 97% business retention rate.

Employee Benefits is just one area of expertise we can provide. Our benefit programs include
Medical, Dental, Vision, Cobra, Life, Disability and Section 125 pre-tax reimbursement accounts just to name a few. We are able to provide fully insured programs for employers of all sizes and self funded programs to meet the special needs of employers interested in that type of arrangement. In addition to providing the insurance programs, we assist in the design, cost-containment, management and development of your employee benefit package.

All Employee Benefit clients are assigned an "In House" Employee Beefits Specialist to assist with Billing, Claims, Eligibility, Enrollment, or any other issues or questions that arise.

For our clients that opt for self insured programs, we not only provide the mentioned above, but also supply detailed reports to help you monitor your program closely. We also place the reinsurance, help design a plan to meet your needs and work closely with you and the Third Party administrator during the implementation as well as throughout the year to ensure the plan operates smoothly.

As for property and casualty, PRIA is a recognized leader in the area of professional liability, governmental and municipal insurance programs, pollutions liability and many other specialized areas of risk. All property and casualty clients are assigned an "In-House" Public Risl Specialist.

Commitment to Our Clients

The Employee Benefits Division at Pubic Risk Insurance Advisors is focused on providing you with the best products at the most competitive rates possible. We ensure a very high level of customer service by remaining involved with you after the plan's effective date.

In addition to the PRIA's Employee Benefits Advisor, all clients are assigned a team of dedicated service and marketing professionals committed to fast, efficient and friendly service during plan renewal and every other day of the year.

- We provide assistance with carriers to resolve any issues concerning policy administration, claims and billing.
- We provide expertise in designing, analyzing, and maintaining an employee benefits program that will help you attract and retain quality employees.
- We provide timely guidance on local and national trends in employee benefits and in the carrier marketplace.

As part of the 6th largest insurance broker in the country (as determined by Business Insurance magazine) we have the resources to partner with clients of all sizes and industries to maximize benefits and contain costs. The Employee Benefits Division in Daytona Beach, FL is fully automated and highly efficient in marketing plan renewals and new business. We have access to all local and national carriers, third party administrators, and other specialists in the employee benefits industry including:

Medical · Dental · Vision · Life · Disability Plans · Cafeteria Plans · 401(k) Plans · Self-funded and Partially Self-funded arrangements · Employee Assistance Programs · Voluntary (employee-paid) Long-Term Disability, Short-Term Disability, Dental and Accident & Sickness plans.

Disclaimer Information

Public Risk Insurance Advisors Disclaimers and Disclosures:

• Brown & Brown makes every attempt to place coverage with carriers rated A- or better through A.M. Best, a national credit rating Advisors with a specific focus on the insurance industry. Additional information, including carrier ratings can be found at www.ambest.com. Brown & Brown cannot certify the financial soundness or stability of a company, so we encourage you to review the financial information for each carrier as found in one or more of the following sources before making a decision as to where to place your coverage: a state department of insurance website, A.M. Best Company website, or a carrier website.

• The analysis of the following plans is a summary. Please refer to the policy certificate for a full list of coverage and exclusions.

• The rates and benefits in this proposal are based upon underwriting factors which include, but are not limited to, the census provided, the effective date shown, the status of employees/dependents (i.e. actively at work, COBRA, FMLA), final enrollment, etc. If any of the aforementioned changes prior to the proposed effective date, the final provisions, including rates, for these plans may vary or result in the proposed plan to be withdrawn.

• If you select to change carriers, any existing plans with other carriers should not be cancelled until advised by Public Risk Insurance Advisors.

• This proposal may not be a complete listing of all available benefit options. Different benefit levels may be available.

• This presentation is the proprietary work product of Public Risk Insurance Advisors and is not authorized for further use or distribution.

• All insurance carriers have their own operating procedures. A change in carrier could affect certain benefits and coverage.

• Public Risk Insurance Advisors representatives are available to explain any items presented. It is assumed that the recipients of this proposal will seek an explanation of any items that may be in question.

• Public Risk Insurance Advisors representatives may from time to time provide guidance regarding certain requirements affecting health plans, including the requirements of federal and state health care reform legislation. Such guidance is based on good-faith interpretation of laws and regulations currently in effect, and is not intended to be a substitute for legal advice. Employers should contact their own legal counsel for advice regarding legal requirements.

• The network directories/facility lists obtained via paper directories or carrier websites may contain providers and facilities that are no longer participating in the insurance carriers' networks. We cannot be responsible for any changes to the provider/facility listings that are not reflected. To ensure that a specific provider or facility is still participating in the provider's preferred network, we recommend contacting the provider/facility directly.

• Failure to adhere to provisions of the Affordable Care Act (such as pay-or-play, employer reporting requirements, benefit mandates, etc.) may result in significant fees and penalties to the employer. For a more comprehensive explanation of what fees and penalties may apply to you, you may contact your Public Risk Insurance Advisors representative at any time.

• You are required to comply with Health Care Reform's Summary of Benefits & Coverage (SBC) distribution guidelines, which include requirements for SBC distribution at the plan renewal date. If an employee must enroll to continue coverage, the SBC must be provided when open enrollment materials are distributed. If enrollment materials are not distributed, employees must receive an SBC by the first day they are eligible to enroll. For insured plans, if coverage continues automatically for the next year, the SBC must be provided at least 30 days before the beginning of the new plan year. If the policy is not issued by that date, the SBC must be provided within seven business days once the information is available. Please refer to the Department of Health & Human Services' (HHS) official guidance for complete details regarding renewal and other SBC distribution guidelines.

• Compensation: In addition to the commissions or fees received by us for assistance with the placement, servicing, claims handling, or renewal of your insurance coverages, other parties, such as excess and surplus lines brokers, wholesale brokers, reinsurance intermediaries, underwriting managers and similar parties, some of which may be owned in whole or in part by Brown & Brown, Inc., may also receive compensation for their role in providing insurance products or services to you pursuant to their separate contracts with insurance or reinsurance carriers. That compensation is derived from your premium payments. Additionally, it is possible that we, or our corporate parents or affiliates, may receive contingent payments or allowances from insurers based on factors which are not client-specific, such as the performance and/or size of an overall book of business produced with an insurer. We generally do not know if such a contingent payment will be made by a particular insurer, or the amount of any such contingent payments, until the underwriting year is closed. That compensation is partially derived from your premium dollars, after being combined (or "pooled") with the premium dollars of other insured's that have purchased similar types of coverage. We may also receive invitations to programs sponsored and paid for by insurance carriers to inform brokers regarding their products and services, including possible participation in company-sponsored events such as trips, seminars, and advisory council meetings, based upon the total volume of business placed with the carrier you select. We may, on occasion, received loans or credit from insurance companies. Additionally, in the ordinary course of our business, we may receive and retain interest on premiums you pay from the date we receive them until the date of premiums are remitted to the insurance company or intermediary. In the event that we assist with placement and other details of arranging for the financing of your insurance premium, we may also receive a fee from the premium finance company.

Questions and Information Requests: Should you have any questions or require additional information, please contact this office at 386-252-6176 or, if you prefer, submit your question or request online at http://www.bbinsurance.com/customerinquiry.shtml.

CURRENT GUIDE TO BEST'S RATINGS

Best's Rating:
Represents an opinion based on a company's financial strength, operating performance and market profile

Secure Best's Ratings: A++ to B+ (Superior to Good)
Vulnerable Best's Ratings: B to D (Fair to Poor)

Outlooks:

Positive = indicates possible rating upgrade due to favorable financial/market trend relative to the current rating level.

Not Rated Companies:
NR = Companies that are not rated by A.M. Best

Rating Modifiers:
u = Under Review (change in financial condition)
pd = Public Data (Insurers do not subscribe to Best's rating process)
s = Syndicate (operating at Lloyds)

Financial Size Categories:
Reflects the company's size based on its capital surplus and conditional reserve funds in millions of U.S. dollars, using the scale below:

FSC I	less than 1	less than 1 mill	FSC IX	250 to 500
FSC II	1 to 2	1 to 2	FSC X	500 to 750
FSC III	2 to 5	2 to 5	FSC XI	750 to 1,000
FSC IV	5 to 10	5 to 10	FSC XII	1,000 to 1,250
FSC V	10 to 25	10 to 25	FSC XIII	1,250 to 1,500
FSC VI	25 to 50	25 to 50	FSC XIV	1,500 to 2,000
FSC VII	50 to 100	50 to 100	FSC XV	greater than 2,000
FSC VIII	100 to 250	100 to 250	" -- "	unknown / not rated

A.M. BEST'S INSURANCE RATINGS & CARRIER WEBSITES

The insurance company providing coverage has the following A.M. Best Financial Rating:
A++ to D = Highest to Lowest Rating
XV to I = Largest to Smallest Rating
Not Rated Companies:
NR = Not rated by A.M. Best

Age 75 +	$6.010	$6.010	$6.010	$6.010	$6.010	$6.010

Notes:

On the effective date, all eligible employees will be allowed to elect or increase coverage up to the Guaranteed Acceptance Level as defined for newly eligible employees ($150k). At the Annual Open Enrollment Period, current eligible employees may elect or increase up to 2 increments ($20k) on a guaranteed acceptance basis (any total election over $150K will require EOI).

Spouse life can be added in increments of $5k up to $150k ($25k GI) and the employee rates above would apply to the spouse. Child life can be added with a benefit of $10k or $15k for $0.130 per $1k. Current insured employees can elect an additional $20,000 at open enrollment without EOI, as long as they do not exceed the guarantee issue amount.

Premium Calculation

Step 1: Benefit _____ / 1000 = _____ # Units

Step 2: # Units _____ x _____ Age-banded Rate = $_____ Premium Per Month

Example: 44 year old, $200,000 Benefit

$200,000 / 1000= 200 Units

200 x Age 44 rate = $42.00

CLIENT ABC

Pre-Renewal Questionnaire

SPECIMEN

Pre-Renewal Questionnaire

As one of our valued clients, our priorities are to ensure that you understand your coverage, are adequately informed of the options available and are properly insured. As part of your annual review, it is imperative that you take a few moments to review and complete the following and return it to our office. Our team will use the information in this questionnaire to go out to market and ensure your renewal plans are set up correctly.

Please complete the following sections and return along with your current census.

1) **Employee Count Worksheet & Affiliated Companies:** We show that you have 50 or more eligible employees; however, if you have part-time employees, that can have an impact on certain compliance-related items. This form provides us with the full picture of your employee counts.

2) **Quote Request Form:** We typically go out to market and request similar plan designs to what you have in place, unless you tell us differently. This form gives you an opportunity to ask for different plan designs, inquire about specific carriers, and indicate your interest in add-on solutions.

3) **Pre-Renewal Questionnaire:** This is the form we use to gather basic information about you and your organization. While we DO have much of this on file, you would be surprised at how often these come back to us with NEW information!

4) **Employee Handbook:** This is a good opportunity for you to review your client handbook. If there are any areas of concern, or if you would like sample handbook language, please let us know. We can review your concerns with our HR Resources and send you sample handbooks and policies.

5) **Census:** If you are interested in marketing any lines of coverage, we need to confirm your current eligible employees and their salaries. Please complete the attached Excel template and return to me. Additionally, be sure to verify this census against your current invoices to ensure there are no missing employees, or employees who have recently terminated. If we do not receive a completed census back from you, we may be unable to market additional coverage options.

If you have any questions, please reach out to me.

SPECIMEN

Employee Count Worksheet & Affiliated Companies

Determination of Group Size: These are calculations that are required for certain regulatory tests.

Is your organization an Applicable Large Employer* (ALE)? *(circle one)* Yes No Unknown

ALE Determination: *An ALE is an employer that has 50 or more full-time equivalent employees. If unsure, please complete the following calculation to determine your ALE status.*

Please base all of your responses on the prior calendar year (2021). Counts should include any employee working for any business that is considered a single employer under subsection (b), (c), (m), or (o) of IRS Section 414. Please let us know if you have questions on this section.

A. Calculate the average number of total employees *(eligible and non-eligible – anyone receiving a W-2)*

2021	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	Total	Avg.

Total: Add up all monthly columns
Average: Divide the total by 12
Average Number of Total Employees in 2021: _____

B. Calculate the average number of employees who worked 30 hours or more per week each month

2021	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	Total	Avg.

Total: Add up all monthly columns
Average: Divide the total by 12
Average Number of Total Employees in 2021: _____

C. Calculate the total number of employees who worked less than 30 hours per week each month *(see instructions below)*

2021	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	Total	Avg.
Hours														
FTE														

Hours: Total number of "hours of service" for all employees who work less than 30 hours of service per week for that month (including paid time off and paid vacations)
FTE: Divide the hours by 120 on a monthly basis
Total: Add up the monthly FTE columns
Average: Divide the total by 12
Average Number of Full-Time Equivalent Units for 2021: _____

D: Calculate the total number of full-time equivalent employees

Total number of Full-Time Equivalent Employees for 2021 *(Add up the total from B and C)*: _____

SPECIMEN

Please have business owner, accountant, or attorney complete.

Please list below all affiliates that would qualify as one employer under subsection (b), (c), (m), or (o) of section 414 of the Internal Revenue Code. Please include a description of how the entities are affiliated (i.e., parent/child, % common ownership, etc.).

Name of Employer Group:	

Name of Business Entity	Employer Federal Tax ID	Description of affiliation	# Employees	# Eligible Employees*

**Only include employees who are eligible for your benefits program. If an entity has its own benefit program, enter zero.*

SPECIMEN

Quote Request Form

Each year, your Account Executive will present options for any renewing line of coverage currently in place. Please use this form to let us know if there are any **additional** coverages or services **that you do not currently have in place** that you would like us to quote for your upcoming renewal. You can also use this form to indicate any Group Services or Compliance Items that you have questions on or would like additional information on. Once received, your Account Executive will contact you to identify any additional items needed to quote, or to confirm the information that you have requested.

WELCOME

The City of Bonita Springs is committed to providing our employees with a comprehensive benefits program to help you stay healthy and feel secure. This booklet will provide a brief description of those benefits which include medical, dental, vision, life/AD&D, voluntary life/AD&D, disability insurance. The City also offers employees a $200 allowance that can be used as the employee chooses for vision, voluntary life/AD&D, short-term disability, long-term disability, or dependent coverage. For a detailed description of these benefits please refer to the applicable Certificates of Coverage.

ANNUAL OPEN ENROLLMENT

During the annual open enrollment period, you may make changes to your benefit plan elections and/or the family members you cover. Changes can only be made outside of the annual enrollment period if you experience a qualified life event. Now is the time to carefully review your plan options. Open Enrollment for our benefit plans will be conducted until the end of March. Elections you make during open enrollment will become effective April 1, 2023.

WHAT'S NEW FOR 2023-2024

Medical insurance is renewing with United Healthcare

- New plan will be a traditional PPO with copays for several common services
- Network will remain Choice Plus Network
- The City will fund $1,950 into a Health Reimbursement Account (HRA) for employees enrolled in medical
- The City will pay 100% of the premium for employee only coverage and 75% for all dependent coverage

Dental, Vision, Life and Disability are renewing with The Standard

- No change in rates

WHO WE COVER

Employees are eligible to participate in the City of Bonita Springs employee benefits program:

- if they work 30 or more hours a week. Coverage will be effective 1st of the month following 30 days of employment.

Dependent Eligibility

A dependent is defined as the participant's legal spouse and dependent child(ren) of the participant. Dependent children may be covered as follows:

- Medical
  - ❑ To end of the calendar year following their 26th birthday with no eligibility requirements
  - ❑ From their 26th birthday to the end of the calendar year of their 30th birthday if they are unmarried and do not have a dependent of his or her own, is a resident of Florida or a student, not enrolled in any other health plan, and not entitled to benefits under Title XVIII of the Social Security Act unless the child is a handicapped or dependent child
- Dental & Vision
  - ❑ Through the end of the month following their 26th birthday
- Voluntary Life
  - ❑ Unmarried dependent children from birth through age 20, or to age 24 if full time student

SPECIMEN

QUALIFIED LIFE EVENTS

Premiums for medical, dental, and vision insurance are deducted through a Cafeteria Plan established under Section 125 of the Internal Revenue Code (IRC) and are pre-tax to the extent permitted. Under Section 125, changes to your pre-tax benefits can be made ONLY during the Open Enrollment period unless you or your qualified dependents experience a qualifying event and the request to make a change is made within 30 days of the qualifying event. An "eligible" qualifying event is determined by the Internal Revenue Service (IRS) Code, Section 125.

• Marriage	• Divorce or legal separation (subject to State regulations)
• Death of spouse, child or other qualified dependent	• Birth, gain legal custody or adoption of child
• Gain or loss of other group coverage (including Medicare coverage)	• Change in employment status for employee, spouse or dependent
• Change in residence due to an employment transfer	• Change of dependent status
• An increase or decrease in your work hours causes eligibility or ineligibility	• Losing eligibility for coverage under a State Medicaid or CHIP (including Florida Kid Care) program (60-day notification period).

IMPORTANT

If you experience a qualifying event, **you must contact Human Resources within 30 days of the qualifying event** to make the appropriate changes to your coverage. Beyond 30 days, requests will be denied and the employee may be responsible both legally and financially for any claim and/or expense incurred as a result of the employee or a dependent who continues to be enrolled but no longer meets eligibility requirements. If approved, changes will take place on the date of the qualifying event. Any cancellations will be processed on the date that coverage ends. You will be required to furnish valid documentation supporting a change in status or "Qualifying Event." Occurrence of a Qualifying Event during the plan year does not allow for change of Plan type.

SPECIMEN

MEDICAL INSURANCE TERMS

Coinsurance
Coinsurance is the percentage of the medical services you are responsible to pay after the deductible has been met. Once you have met your deductible for the plan year, you pay the coinsurance amount up to the out-of-pocket maximum.

Copay
A fee you pay every time you get medical care or a prescription. Copays can vary based on where you get care.

Deductible
A deductible is the amount of money you must pay before the plan begins paying benefits for specified services. Deductibles do not apply to all services- see summary plan description for application.

Embedded Deductible
Plan begins paying benefits that require cost sharing for the first family member who meets the per-person deductible. Once one or more of the remaining family members meet the family deductible the plan pays benefits for all covered family members.

Explanation of Healthcare Benefits (EOB)
A letter you receive after getting care that shows costs, the amount the health plan is expected to pay and the amount you are expected to pay. You do not pay anything when you receive an EOB.

Non-Embedded Deductible
When the family deductible is met the plan beings sharing costs for each member. The deductible can be met by one or combination of family members.

Out-of-Pocket Maximum
The out-of-pocket maximum is the maximum amount you will pay, inclusive of copayments/coinsurance and deductibles for covered services, in a plan year. Once you have reached the out-of-pocket maximum during a policy year the plan pays any remaining eligible services at 100%.

Premium
Your regular payment to your health plan. Generally, a higher premium means lower monthly out-of-pocket costs, and a lower premium means higher out-of-pocket costs. Your premium does not count towards your deductible or out-of-pocket maximum.

Plan Milestones and Stages

1. When your plan begins, you're in the first stage. You pay for all your covered medical costs with your HRA. Once the HRA has been exhausted, you pay the remaining amount of your deductible until it has been met.
2. After hitting your deductible, you enter the next stage. You now pay only a percentage of your medical costs, and the health plan pays the rest. This is the **coinsurance** stage of your plan.
3. The coinsurance stage lasts until you reach the **out-of-pocket** maximum. At that point, the plan starts paying for all covered medical costs for the rest of the plan year.

SPECIMEN

MEDICAL INSURANCE TERMS

In-Network
In-network refers to providers or health care facilities that are part of a health plan's network of providers with which it has negotiated a discount. Insured individuals usually pay less when using an in-network provider because those networks provide services at lower cost to the insurance companies with which they have contracts. Example: You go to a doctor and the total charge is $250. You get a discount of $75 because you went to an in-network doctor and our negotiated rate with them is lower. United Healthcare pays $155. You pay what's left, which is $20.

Out-of-Network
Out-of-network refers to physicians, hospitals or other health care providers who are considered nonparticipants in an insurance plan or network. Depending on an individual's health insurance plan, expenses incurred by services provided by out-of-plan health professionals may not be covered or covered only in part by individual's insurance company. Example: You go to a doctor and the total charge is $250. You won't get a discount because the doctor is out of network. United Healthcare still pays $155, but you'll be responsible for what's left, which is $95.

PPO/Copay Plan vs. High Deductible/HSA Plan
A copay plan offers convenient copays for office visits and prescriptions for ease and low costs for your everyday care needs. The High Deductible Health Plan has higher deductible limits which apply to all non-preventative serves and no copays but offers an HSA to save for current and future out-of-pocket healthcare expenses. Remember, your annual wellness visit is covered at 100%, regardless of plan choice, so don't forget to have your annual wellness visit.

SPECIMEN

WHERE TO GO WHEN SEEKING MEDICAL ATTENTION

Do not pay more than you must for medical care. The emergency room is meant for emergencies such as life threating illnesses and injuries. Walk-in-clinics are designed to treat common ailments, provide basic primary health care, and are typically staffed by nurse practitioners and sometimes a physician's assistant. Urgent care facilities are designed to treat patients who are suffering from acute, non-life-threatening illnesses and injuries that are beyond the capacities of a regular walk-in-clinic and are typically open for extended hours. To maximize savings, use in-network facilities.

Reasons to see your Primary Care Physician:

Chronic Conditions such as:

- Hypertension/High Blood Pressure
- Diabetes/High Blood Sugar
- High cholesterol
- Heart disease
- Arthritis
- Depression

Acute Conditions such as:

- Headache and/or fever
- Urinary tract infection
- Minor injuries
- Back, neck, shoulder, knee and/or hip pain

Benefits of visiting your PCP:

- Low copay
- Medical history is available
- Established relationship with your doctor and clinical staff

Reasons to use a Virtual Visit:

- Cough, cold or flu
- Minor strains & sprains
- Bronchitis & sinus infection
- Skin & eye issues
- Upset stomach
- Urinary tract/bladder infections
- Rashes
- Pink eye
- Pediatric issues
- Psychological issues
- Visit with a licensed therapist

Benefits of virtual visits:

- 24/7 access to care
- Low copay
- Board certified physicians
- Nationwide network
- Available on smartphone or tablet
- Use when PCP, Urgent care or Extended Hour Care Center are unavailable to you

Reasons to visit an Urgent Care:

- Acute minor trauma
- Cough, cold or flu
- Upper respiratory infections
- Strains, sprains & fractures
- Minor allergic reactions and asthma attacks
- Immunizations
- Back, neck, shoulder, knee and/or hip pain
- Minor lacerations, burns and other small wounds
- Urinary tract/ bladder infections

Benefits of urgent care visits:

- Low copay
- Shorter wait time
- Same-day appointments
- Significant savings over ER

Reasons to visit the Emergency Room:

- Any life-threatening emergency
- Any severe illness or injury
- Unresponsiveness
- Chest pain
- Weakness on one side
- Inability to speak
- Spine or head injury
- Change in mental status
- Difficulty breathing
- Uncontrolled bleeding
- Poisoning
- Severe abdominal pain

SPECIMEN

THE STANDARD BASIC LIFE/AD&D & VOLUNTARY LIFE/AD&D INSURANCE

Life insurance protects your family or other beneficiaries in the event of your death. The death benefit helps replace the income you would have provided and can help meet important financial needs. It can help pay your mortgage, rent, run your household, send your children to college, pay off debts, etc. **The City of Bonita Springs provides eligible, full-time employees with the benefit amount of 1x salary of life and AD&D, at no cost to the employee**. Employees can also enroll in voluntary life and AD&D insurance at a group rate for themselves, spouses, and children up to the age of 20 or 24 if full time student.

Summary: Voluntary Life insurance

Guarantee Issue	$50,000
Maximum Benefit Amount	$200,000
Increments of	$25,000

Spouse Coverage

Spouse Guarantee Issue	$25,000
Maximum Benefit Amount	$100,000
Increments of	$5,000

Not to exceed 100% of employee amount

Child(ren) Coverage

Birth to 20 years	$5,000 or $10,000
24 years if full-time student	$5,000 or $10,000

How to calculate your voluntary life/AD&D costs per paycheck:

1. Indicate your elected benefit amount (EBA)
2. Divide EBA by $1,000
3. Enter age rate from cost table
4. Multiply Step 2 by Step 3
5. Multiply Step 4 by 12 then divide by number of pay-cycles (24 or 26) to calculate your cost per paycheck

Employee Age	Employee Rate/$1,000	Spouse Rate/$1,000
Under 25	$0.080	$0.080
25 – 29	$0.100	$0.100
30 – 34	$0.096	$0.096
35 – 39	$0.139	$0.139
40 – 44	$0.226	$0.226
45 – 49	$0.257	$0.257
50 – 54	$0.399	$0.399
55 – 59	$0.772	$0.772
60 – 64	$0.988	$0.988
65 – 69	$1.062	$1.062
70 – 74	$1.062	$1.062
75+	$1.062	$1.062
AD&D	$0.020	$0.020
Child Life + AD&D/$1,000	$0.200	

Important Reminders

Group Life and AD&D Insurance benefits reduce to 65% at age 65, 45% at age 70, and 25% at age 75.

Voluntary Life and AD&D Insurance benefits reduce to 65% at age 65, 40% at age 70, and 25% at age 75.

You must be actively at work on the effective date, or your coverage will be delayed until you return to active employment.

New hires can enroll up to the Guarantee Issue amount without submitting Evidence of Insurability (EOI), if they enroll within 31 days of their initial eligibility date. If you choose not to participate at the time you are initially eligible, and elect to enroll later, you will be required to submit EOI for all amounts of coverage.

EOI is required for employees who want to increase coverage at Open Enrollment, elect over the Guarantee Issue, and for new hires electing over the Guarantee Issue.

For Limitations & Exclusions, please refer to the certificate of coverage or benefit summary.

SPECIMEN

THE STANDARD VOLUNTARY SHORT-TERM DISABILITY

If you become unable to perform your regular job duties for an extended time due to sickness or accidental injury, you can be covered by the short-term disability (STD) policy.

Your income replacement benefit would equal **60%** of your basic weekly earnings. The maximum weekly benefit you can receive is **$1,500**. Benefits begin after you have been unable to work for **7 days** due to a covered sickness or accident and will continue to be paid for up to 90 days. Your STD benefit will be reduced by any disability income you receive for other sources, such as Social Security, worker's compensation, and/or state disability plans, to provide you with a combined monthly benefit equal to 60% of your basic weekly earnings.

The Estimated Rate Calculation below will be based on your weekly gross income and your age. The final premium calculations will be done by The Standard.

Short-Term Disability Calculation – Cost Per Paycheck	
A. Enter your annual salary	
B. Divide your annual salary by 52	
C. Enter the weekly benefit percentage	60%
D. Multiply "B" times "C"	
E. Enter the maximum weekly benefit	$1,500
F. Enter the lesser of "D" or "E". This is your benefit amount	
G. Multiply "F" times your monthly rate per $10 of benefit	
H. Divide "G" by $10	
I. Multiply "H" by 12	
J. Enter the annual pay cycle	26
K. Divide "I" by "J". This is your premium (cost per paycheck)	

Short-Term Disability Calculation – Example 43-year-old, $60,000 annual salary	
A. Enter your annual salary	$60,000
B. Divide your annual salary by 52	$1,153.85
C. Enter the weekly benefit percentage	60%
D. Multiply "B" times "C"	$692.31
E. Enter the maximum weekly benefit	$1,500
F. Enter the lesser of "D" or "E". This is your benefit amount	$692.31
G. Multiply "F" times your monthly rate per $10 of benefit	$303.92
H. Divide "G" by $10	$30.39
I. Multiply "H" by 12	$364.68
J. Enter the annual pay cycle	26
K. Divide "I" by "J". This is your premium (cost per paycheck)	$14.03

Employee Age	Rate/$10
Under 25	$0.439
25 – 29	$0.631
30 – 34	$0.631
35 – 39	$0.535
40 – 44	$0.439
45 – 49	$0.439
50 – 54	$0.535
55 – 59	$0.578
60 – 64	$0.663
65 – 69	$0.663
70 – 74	$0.342
75+	$0.342

SPECIMEN

For Limitations & Exclusions, please refer to the certificate of coverage or benefit summary.

THE STANDARD VOLUNTARY LONG-TERM DISABILITY

If you become unable to perform your regular job duties for an extended time due to sickness or accidental injury, you can be covered by the long-term disability (LTD) policy.

Your income replacement benefit would equal 60% of your basic monthly earnings. The maximum monthly benefit you can receive is $6,000. Benefits begin after you have been unable to work for 90 days due to a covered sickness or accident and will continue to be paid for up to two years if you are disabled in your own occupation. If you are disabled in any occupation, benefits will be paid for up to SSNRA. Your LTD benefit will be reduced by any disability income you receive for other sources, such as Social Security, worker's compensation, and/or state disability plans, to provide you with a combined monthly benefit equal to 60% of your basic monthly earnings.

The LTD plan contains a pre-existing condition exclusion. The exclusion applies only to conditions for which medical advice, diagnosis, care or treatment was recommended or received or for which a reasonably prudent person would have sought care within the 3-month period prior to the effective date of coverage and the disability begins within 12 months of the effective date of coverage.

Long-Term Disability Calculation – Cost Per Paycheck	
Annual salary divided by 12 = monthly salary	$
Enter lesser of monthly salary or max monthly salary	$
Monthly salary times rate (see age banded table) divided by 100 = monthly premium	$
(Monthly premium times 12) divided by 26 for bi-weekly or 24 for semi-monthly cost = cost per pay period	$

Long-Term Disability Calculation – Example 43-year-old, $60,000 annual salary	
Annual salary divided by 12 = monthly salary **($60,000/12)**	**$5,000**
Enter lesser of monthly salary or max monthly salary	**$5,000**
Monthly salary times rate (see age banded table) divided by 100 = monthly premium **($5,000 x $0.627)/100**	**$31.35**
(Monthly premium times 12) divided by 26 for bi-weekly or 24 for semi-monthly cost = cost per pay period	**$14.47**

Employee Age	Rate/$100
Under 24	$0.248
25 – 29	$0.248
30 – 34	$0.330
35 – 39	$0.462
40 – 44	$0.627
45 – 49	$0.660
50 – 54	$1.254
55 – 59	$1.254
60 – 64	$1.634
65 – 69	$1.634
70 – 74	$0.743
75+	$0.743

Employee Assistance Program

The Employee Assistance Program (EAP) is arranged through The Standard as part of the LTD benefit. The EAP offers confidential support to help you meet life's challenges. A simple phone call connects you with a team of experienced professionals ready to assist you with a wide range of personal, family, and work issues. The EAP is available 24 hours a day, 7 days a week, includes 3 face-to-face counseling visits, an unlimited number of phone consultations, assistance with financial and legal matters, and referrals to community resources.

For Limitations & Exclusions, please refer to the certificate of coverage or benefit summary.
The Estimated Rate Calculation above will be based on your monthly gross income and your age. The final premium calculations will be done by The Standard.

IMPORTANT NOTICES

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under federal law restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean-section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother of her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours if applicable).

Genetic Information Nondiscrimination Act (GINA)

The Genetic Information Nondiscrimination Act of 2008 protects employees against discrimination based on their genetic information. Unless otherwise permitted, your employer may not request or require any genetic information from you or your family members.

GINA prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law.

To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. "Genetic Information" as defined by GINA, includes an individual's family medical history, the results of genetic tests, the fact that a member sought or received genetic services, and genetic information of a fetus carried by a member or an embryo lawfully held by a member receive assistive reproductive services.

Mental Health Parity and Addiction Equity Act (MHPAEA)

The Mental Health Parity and Addiction Act of 2008 general requires group health plans and health insurance issuers to ensure that financial requirements (such as co-pays and deductibles) and treatment limitations (such as annual visit limits) applicable to mental health or substance use disorder benefits are no more restrictive than the predominant requirements or limitations applied to substantially all medical/surgical benefits. For more Information regarding the criteria for medical necessity determinations made under your employer's plan with respect to mental health or substance use disorder benefits, please contact your plan administrator at 1-866-633-2446.

Michelle's Law

When a dependent child loses student status for purposes of the group health plan coverage as a result of a medically necessary leave of absence from a post-secondary educational institution, the group health plan will continue to provide coverage during the leave of absence for up to one year, or until coverage would otherwise terminate under the group health plan, whichever is earlier.

For additional information, contact your plan administrator at 1-866-633-2446.

Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). The Women's Health and Cancer Rights Act requires group health plans and their insurance companies and HMOs to provide certain benefits for mastectomy patients who elect breast reconstruction. For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

Breast reconstruction benefits are subject to deductibles and co-insurance limitations that are consistent with those establishes for other benefits under the plan. If you would like more information on WHCRA benefits, contact HR at 239-949-6296.

Your Information.
Your Rights.
Our Responsibilities.

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. **Please review it carefully.**

Your Rights

You have the right to:

- Get a copy of your health and claims records
- Correct your health and claims records
- Request confidential communication
- Ask us to limit the information we share
- Get a list of those with whom we've shared your information
- Get a copy of this privacy notice
- Choose someone to act for you
- File a complaint if you believe your privacy rights have been violated

See page 17 for more information on these rights and how to exercise them

Your Choices

You have some choices in the way that we use and share information as we:

- Answer coverage questions from your family and friends
- Provide disaster relief
- Market our services and sell your information

See page 18 for more information on these rights and how to exercise them

Our Uses and Disclosures

We may use and share your information as we:

- Help manage the health care treatment you receive
- Run our organization
- Pay for your health services
- Administer your health plan
- Help with public health and safety issues
- Do research
- Comply with the law
- Respond to organ and tissue donation requests and work with a medical examiner or funeral director
- Address workers' compensation, law enforcement, and other government requests
- Respond to lawsuits and legal actions

See page 18 for more information on these rights and how to exercise them

SPECIMEN

Your Rights

When it comes to your health information, you have certain rights.
This section explains your rights and some of our responsibilities to help you.

Get a copy of your health and claims records	• You can ask to see or get a copy of your health and claims records and other health information we have about you. Ask us how to do this. • We will provide a copy or a summary of your health and claims records, usually within 30 days of your request. We may charge a reasonable, cost-based fee.
Ask us to correct health and claims records	• You can ask us to correct your health and claims records if you think they are incorrect or incomplete. Ask us how to do this. We may say "no" to your request, but we'll tell you why in writing within 60 days.
Request confidential communications	• You can ask us to contact you in a specific way (for example, home or office phone) or to send mail to a different address. • We will consider all reasonable requests, and must say "yes" if you tell us you would be in danger if we do not.
Ask us to limit what we use or share	• You can ask us **not** to use or share certain health information for treatment, payment, or our operations. • We are not required to agree to your request, and we may say "no" if it would affect your care.
Get a list of those with whom we've shared information	• You can ask for a list (accounting) of the times we've shared your health information for six years prior to the date you ask, who we shared it with, and why. • We will include all the disclosures except for those about treatment, payment and health care operations, and certain other disclosures (such as any you asked us to make). We'll provide one accounting a year for free but will charge a reasonable, cost-based fee if you ask for another one within 12 months.
Get a copy of this privacy notice	• You can ask for a paper copy of this notice at any time, even if you have agreed to receive the notice electronically. We will provide you with a paper copy promptly.
Choose someone to act for you	• If you have given someone medical power of attorney or if someone is your legal guardian, that person can exercise your rights and make choices about your health information. • We will make sure the person has this authority and can act for you before we take any action.
File a complaint if you feel your rights are violated	• You can complain if you feel we have violated your rights by contacting us using the information on page 1. • You can file a complaint with the U.S. Department of Health and Human Services Office for Civil Rights by sending a letter to 200 Independence Avenue, S.W., Washington, D.C. 20201, calling 1-877-696-6775, or visiting **www.hhs.gov/ocr/ privacy/hipaa/complaints/.** • We will not retaliate against you for filing a complaint.

SPECIMEN

Your Choices

For certain health information, you can tell us your choices about what we share.

If you have a clear preference for how we share your information in the situations described below, talk to us. Tell us what you want us to do, and we will follow your instructions.

In these cases, you have both the right and choice to tell us to:

- Share information with your family, close friends, or others involved in payment for your care
- Share information in a disaster relief situation

If you are not able to tell us your preference, for example if you are unconscious, we may go ahead and share your information if we believe it is in your best interest. We may also share your information when needed to lessen a serious and imminent threat to health or safety.

In these cases, we *never* share your information unless you give us written permission:

- Marketing purposes
- Sale of your information

Our Uses and Disclosures

How do we typically use or share your health information?

We typically use or share your health information in the following ways.

Help manage the health care treatment you receive	• We can use your health information and share it with professionals who are treating you.	*Example: A doctor sends us information about your diagnosis and treatment plan so we can arrange additional services.*
Run our organization	• We can use and disclose your information to run our organization and contact you when necessary. • **We are not allowed to use genetic information to decide whether we will give you coverage and the price of that coverage.** This does not apply to long term care plans.	*Example: We use health information about you to develop better services for you.*
Pay for your health services	• We can use and disclose your health information as we pay for your health services.	*Example: We share information about you with your dental plan to coordinate payment for your dental work.*
Administer your plan	• We may disclose your health information to your health plan sponsor for plan administration.	*Example: Your company contracts with us to provide a health plan, and we provide your company with certain statistics to explain the premiums we charge.*

SPECIMEN

How else can we use or share your health information?

We are allowed or required to share your information in other ways – usually in ways that contribute to the public good, such as public health and research. We have to meet many conditions in the law before we can share your information for these purposes.

For more information see: **www.hhs.gov/ocr/privacy/hipaa/understanding/consumers/index.html.**

Help with public health and safety issues	We can share health information about you for certain situations such as: • Preventing disease • Helping with product recalls • Reporting adverse reactions to medications • Reporting suspected abuse, neglect, or domestic violence • Preventing or reducing a serious threat to anyone's health or safety
Do research	• We can use or share your information for health research.
Comply with the law	• We will share information about you if state or federal laws require it, including with the Department of Health and Human Services if it wants to see that we're complying with federal privacy law.
Respond to organ and tissue donation requests and work with a medical examiner or funeral director	• We can share health information about you with organ procurement organizations. • We can share health information with a coroner, medical examiner, or funeral director when an individual dies.
Address workers' compensation, law enforcement, and other government requests	• We can use or share health information about you: • For workers' compensation claims • For law enforcement purposes or with a law enforcement official • With health oversight agencies for activities authorized by law • For special government functions such as military, national security, and presidential protective services
Respond to lawsuits and legal actions	• We can share health information about you in response to a court or administrative order, or in response to a subpoena

Our Responsibilities

- We are required by law to maintain the privacy and security of your protected health information.
- We will let you know promptly if a breach occurs that may have compromised the privacy or security of your information.
- We must follow the duties and privacy practices described in this notice and give you a copy of it.
- We will not use or share your information other than as described here unless you tell us we can in writing. If you tell us we can, you may change your mind at any time. Let us know in writing if you change your mind.

For more information see: **www.hhs.gov/ocr/privacy/hipaa/understanding/consumers/noticepp.html.**

Changes to the Terms of this Notice

We can change the terms of this notice, and the changes will apply to all information we have about you. The new notice will be available upon request, on our web site, and we will mail a copy to you.

Effective Date: April 1, 2023

IMPORTANT NOTICES

Important Notice from City of Bonita Springs about Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with City of Bonita Springs and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare
prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice. There are two important things you need to know about yourcurrentcoverageand Medicare's prescription drug coverage:

- Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- City of Bonita Springs has determined that the prescription drug coverage offered by City of Bonita Springs is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay ahigher premium (apenalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join AMedicare Drug Plan?

If you decide to join a Medicare drug plan, your current City of Bonita Springs coverage will be affected. If you enroll in a Medicare prescription drug plan, you and your eligible dependents will not be eligible to receive all of your current health and prescription drug benefits. United Healthcare administers the group health coverage available to City of Bonita Springs employees, retirees and dependents. The included prescription drug benefit provides:

	Network	Non-Network	Mail Order
Tier 1	$10	$10	$25
Tier 2	$35	$35	$87.50
Tier 3	$70	$70	$175

If you do decide to join a Medicare drug plan and drop your current City of Bonita Springs coverage, be aware that you and your dependents will not be able to get this coverage back. **When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?** You should also know that if you drop or lose your current coverage with City of Bonita Springs and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through City of Bonita Springs changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- ☐ Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778). **Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

IMPORTANT NOTICES

New Health Insurance Marketplace Coverage Options & Your Health Coverage

PART A: General Information
When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer.

What is the Health Insurance Marketplace?
The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to
find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?
You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?
Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a
reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.[1]

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?
For more information about your coverage offered by your employer, please check your summary plan description or contact your Human Resources Department. The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

PART B: Information About Health Coverage Offered by Your Employer
This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

1. Employer Name **City of Bonita Springs**	**4. Employer Identification Number (EIN)** **29-6349914**	
5. Employer Address **9101 Bonita Beach Rd**	**6. Employer Phone Number** **239-949-6269**	
7. City **Bonita Springs**	**8. State** **Florida**	**9. ZIP Code** **34135**
10. Who can we contact about employee health coverage at this job? **Lisa Roberson**		
11. Phone Number **239-949-6262**	**12. Email Address** **Lisa.roberson@cityofbonitasprings.org**	

[1]An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs

SPECIMEN

IMPORTANT NOTICES

New Health Insurance Marketplace Coverage Options & Your Health Coverage

Here is some basic information about health coverage offered by this employer:

As your employer, we offer a health plan to:

☐ All employees.

☒ Some employees. Eligible employees are working 30 or more hours per week.

With respect to dependents:

☒We do offer coverage. Eligible dependents are a spouse of the employee, a natural child, a stepchild, a legally adopted child, a child for whom legal guardian ship has been awarded to the employee or spouse, the newborn child of an enrolled dependent until the newborn reaches 18 months of age.

☐We do not offer coverage.

☒ If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, **HealthCare.gov** will guide you through the process. Here's the employer information you'll enter when you visit **HealthCare.gov** to find out if you can get a tax credit to lower your monthly premiums. The information below corresponds to the Marketplace Employer Coverage Tool. Completing this section is optional for employers but will help ensure employees understand their coverage choices.

13.Is the employee currently eligible for coverage offered by this employer, or will the employee be eligible in the next 3 months?

☒**Yes** (Continue)

13a. If the employee is not eligible today, including as a result of a waiting or probationary period, when is the employee eligible for coverage?____(mm/dd/yyyy)

☐ **No** (STOP and return this form to employee)

14.Does the employer offer a health plan that meets the minimum value standard*?

☒**Yes** (Go to question 15)☐**No** (Stop and return this form to employee)

15.For the lowest-cost plan that meets the minimum value standard* offered only to the employee (don't include family plans): If the employer has wellness programs, provide the premium that the employee would pay if he/she received the maximum discount for any tobacco cessation programs, and didn't receive any other discounts based on wellness programs.

How much would the employee have to pay in premiums for this plan per month? $0.00

If the plan year will end soon and you know that the health plans offered will change, go to question 16. If you don't know, STOP and return form to employee.

16.What change will the employer make for the new plan year?

☐Employer won't offer health coverage

☐Employer will start offering health coverage to employees or change the premium for the lowest-cost plan available only to the employee that meets the minimum value standard.* (Premium should reflect the discount for wellness programs. See question 15.)

A.How much will the employee have to pay in premiums per month for that plan? $_____

Date of Change: _____

SPECIMEN

IMPORTANT NOTICES

Premium Assistance Under Medicaid and the Children's Health Insurance Program CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit **www.healthcare.gov**.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at **www.askebsa.dol.gov** or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2022. Contact your State for more information on eligibility –

ALABAMA – Medicaid
Website: http://myalhipp.com/ Phone: 1-855-692-5447
FLORIDA – Medicaid
Website: https://www.flmedicaidtplrecovery.com/flmedicaidtplrecovery.com/hipp/index.html Phone: 1-877-357-3268
GEORGIA – Medicaid
GA HIPP Website: https://medicaid.georgia.gov/health-insurance-premium-payment-program-hipp Phone: 678-564-1162, Press 1 GA CHIPRA Website: https://medicaid.georgia.gov/programs/third-party-liability/childrens-health-insurance-program-reauthorization- act-2009-chipra Phone: (678) 564-1162, Press 2

City of Fernandina Beach
City Clerk's Office – RFP #23-03
204 Ash Street
Fernandina Beach, FL 32034

To whom it may concern,

Gallagher is thankful for the opportunity to respond to this RFP for Employee Benefits Brokerage and Consulting Services. Our North Florida team has the expertise and experience needed to advise the City of Fernandina Beach on providing a cost-effective and competitive benefits program. In addition to a deep understanding of the local employer market conditions and healthcare delivery systems, we are particularly strong in the public entity segment. Our public entity client relationships in North Florida currently include:

- City of Jacksonville
- City of Atlantic Beach
- Citizens Property Insurance Corporation
- Jacksonville Electric Authority
- Jacksonville Transportation Authority
- St. Johns River Management District

On a national scale, Gallagher represents more than 3,000 public entity and scholastic clients. Our locally-based team will leverage Gallagher's shared resources model to bring innovative and road-tested solutions that help the City manage cost while improving the employee experience. A few notable characteristics of our firm include:

- In-house compliance and actuarial consulting services. We do not outsource any of these positions to subcontractors.
- We value organizational culture, vision and mission. We have been recognized as one of the World's Most Ethical Companies ten years in a row by Ethisphere Institute™ - the only consulting/brokerage firm to receive this designation.
- Gallagher has over a 90-year history of servicing our clients' interest

Over the last 10 years working with the City, Gallagher is proud of the results our partnership has accomplished. Some recent highlights include:

- Negotiated average annual medical premium rate increase of less than 1% over the past 5 years
- Earned the First Coast Worksite Wellness Council's Healthiest Companies Award every year since 2013 Platinum Level since 2021.
- $192,000 in premium refunded to City in 2022 for plan year 2021, as a result of participating contract negotiated with United Healthcare.
- $16,000 in annual savings and assisted in the negotiations for Life insurance plan with a 3-year rate guarantee.

The City of Fernandina Beach is an important client to Gallagher and receives support from our most experienced local team members. We are excited for the opportunity to extend our partnership and look forward to your evaluation and feedback.

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for Employee Benefits Consulting and Brokerage Services

2. This sworn statement is submitted by (entity) Gallagher Benefit Services whose business address is 501 Riverside Ave. Ste. 1000 Jacksonville, FL 32202 and (if applicable) Federal Employer Identification Number (FEIN) is 36-4291971 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

3. My name is Peter Moore and my relationship to the entity named above is Area Sr. Vice President

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or

    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

CITY OF FERNANDINA BEACH FLORIDA
RFP 23-03 EMPLOYEE BENEFITS CONSULTING AND BROKERAGE SERVICES

X Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)

____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

DRUG-FREE WORKPLACE CERTIFICATION

The below-signed INDIVIDUAL/FIRM certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace prepare, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or services a copy of the statement specified in paragraph 1.

4. In the statement in paragraph 1., notify the employees that, as a condition of working on the commodities or contractual services that are under proposal, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.

5. Impose a sanction on, or require fine satisfactory participation in drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I Certify that this firm complies fully with the above drug-free workplace requirements.

CONFLICT OF INTEREST STATEMENT

This sworn statement is submitted with Bid, Proposal or Contract for Employee Benefits Consulting and Brokerage Services

This sworn statement is submitted by (entity) Gallagher Benefit Services whose business address is 501 Riverside Ave. Ste. 1000 Jacksonville, FL 32202 and (if applicable) Federal Employer Identification Number (FEIN) is 36-4291971 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

My name is Peter Moore and my relationship to the entity named above is Area Sr. Vice President

1. The above-named entity is submitting a Proposal for the City of Fernandina Beach.
2. The Affiant has made diligent inquiry and provides the information contained in the Affidavit based upon his/her own knowledge.
3. The Affiant states that only one submittal for the above proposal is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
4. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraints of free competitive pricing in connection with the entity's submittal for the above proposal. This statement restricts the discussion of pricing data until the completion of negotiations if necessary and execution of the Contract for this project.
5. Neither the entity not its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participation in contract letting by any local, State, or Federal Agency.
6. Neither the entity nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
7. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with the City of Fernandina Beach.
8. I certify that no member of the entity's ownership or management, or staff has a vested interest in any aspect of the City of Fernandina Beach.
9. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify the City of Fernandina Beach.

This sworn statement is submitted by (entity) Gallagher Benefit Services whose business address is 501 Riverside Ave. Ste. 1000 Jacksonville, FL 32202 and (if applicable) Federal Employer Identification Number (FEIN) is 36-4291971 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

My name is Peter Moore and my relationship to the entity named above is Area Sr. Vice President

1. The above named is fully informed respecting the preparation and contents of the attached proposal and of all pertinent circumstances respecting such proposal;
2. Such Proposal is genuine and is not a collusive or sham proposal;
3. Neither the said Proposer nor any of its officers, partners, owners, agents, representatives, employees, or parties in interest, including this affiant, has in any way colluded, connived, or agreed, directly or indirectly, with any other Bidder, firm or person to submit a collusive or sham Proposal in connection with such Contract, or has in any manner, directly or indirectly, sought by agreement or collusion or communication or conference with any other Bidder, firm, or person to fix the price or prices in the attached proposal or any other Bidder, or to fix any overhead, profit or cost element of the proposal price or the proposal price of any other Bidder, or to secure through any collusion, connivance, or unlawful agreement any advantage against the City of Fernandina Beach, Florida or any person interested in the proposed Contract; and
4. The price or prices quoted in the attached proposal are fair and proper and are not tainted by any collusion, conspiracy, connivance, or unlawful agreement on the part of the Bidder or any of its agents, representatives, owners, employees, or parties in interest, including this affiant.

DISPUTES DISCLOSURE FORM

Answer the following questions by placing as "X" after "YES" or "NO". If you answer "YES", please explain in the space provided, or via attachment.

Has your firm or any of its officers, received a reprimand of any nature or been suspended by the Department of Professional Regulations or any other regulatory agency or professional association within the last five (5) years?

YES___ NO__X__

Has your firm, or any member of your firm, been declared in default, terminated or removed from a contract or job related to the services your firm provides in the regular course of business within the last five (5) years?

YES_____NO__X__

Has your firm had against it or filed any request for equitable adjustment, contract claims, bid protest, or litigation in the past five (5) years that is related to the services your firm provides in the regular course of business?

YES__X__NO_____

If yes, state the nature of the request for equitable adjustment, contract claim, litigation, or protest, and state a brief description of the case, the outcome or status of the suit and the monetary amounts or extended contract time involved.

I hereby certify that all statements made are true and agree and understand that any misstatement or misrepresentation or falsification of facts shall be cause for forfeiture of rights for further consideration of this proposal for the City of Fernandina Beach.

Authorized Signature	Printed or Typed Name and Title

Please note that GBS has been named in a civil lawsuit filed by the School Board of Osceola County, Florida ("Osceola"). Osceola has asserted numerous causes of action alleging that GBS collected monies in excess of what was permitted under the terms and conditions of the parties' services agreement. It is against Gallagher policy to comment on pending litigation. However, in evaluating RFP responses, it is vital for City of Fernandina Beach to note that GBS disagrees with Osceola's interpretation of its prior contract with GBS and that GBS intends to vigorously defend this matter. If selected, GBS will provide City of Fernandina Beach with annual compensation disclosures and would be happy to engage in further dialogue about revenue streams that are tied to the various insurance products which may be of interest to your organization.

AUTHORIZED SIGNATURE: PBMoore **DATE:** 3/21/23

CITY OF FERNANDINA BEACH, FLORIDA
ADDENDUM NO. 1
For RFP 23-03
EMPLOYEE BENEFITS CONSULTING AND BROKERAGE SERVICES

1. Do you currently have a benefits consultant/broker? If so, who?
   Joshua Jolley, CEBS
   Gallagher Company
   501 Riverside Ave, Ste 1000
   Jacksonville, FL 32202
   904-548-2302

2. What is your current contract fee amount for all lines of coverage? Current fees are commission based. Life Insurance is 1x annual earnings to $150k; and AD&D. Currently Mutual of Omaha. The agent is L.B. Bryan Company. The annual premium is $47,854.00.

3. Please provide commission percentages as well as annual premium by line of coverage.
   Current Premiums: Medical $2,909,583; Dental $96,115; Vision $76,404
   Current Percentages: Medical 3.09%; Dental 3%; Vision 10%

4. What value added services does the current broker offer at no cost to the City? (i.e. Ben Admin platform, COBRA admin, etc.) Employee Navigator is offered by the current broker of record at no additional charge.

5. Please confirm the City is fully insured. The City is Fully Insured for all lines of coverage.

6. Is the City considering transitioning to a self-funded program? The City is not considering a change to self-funded at this time. The City evaluates this on a year-to-year basis.

7. Doe the City pay a fee for the enrollment technology or does current Agent of Record cover the cost associated with Employee Navigator? Agent of Record covers the cost

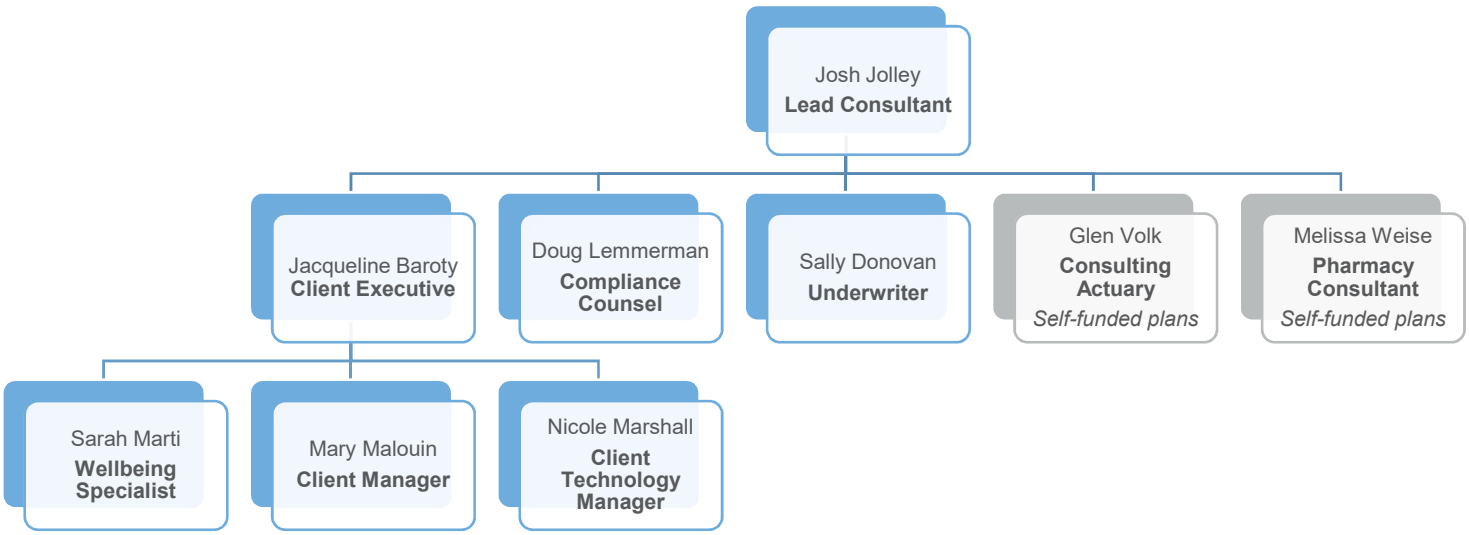
Project Scope of Work

The successful BROKER/CONSULTANT shall be able to perform or provide the following services. These services shall include but not be limited to:



General Services
• Provide dedicated personnel to be the main contact for managing account relationship. The contact will be readily accessible to City Human Resources personnel.
• Provide general and technical guidance on employee benefit issues to include market analysis, trends, contract and statute interpretation and cost containment methods.
• Assist in the development and review of communication materials written by the City's benefit administrators and other participating organizations for content, appearance, compliance and accuracy.
• Assist the City on a regular basis and in a timely manner to provide information, analysis and guidance on any and all aspects of City benefit program policy and administration.
• Provide a qualified representative to attend meetings with City staff, Management Team, and employees as requested or needed.
• Review all plan documents for accuracy and compliance with appropriate laws and regulations, appropriateness of items to be included in a Section 125 Plan and review of annual required filings.
• Advise and assist the City in negotiating renewal rates and plan provisions.
• Assist the City in annual enrollment meetings or health fairs as needed.
• Respondents are required to be HIPAA compliant.
• Apprise the City of current issues in the areas of benefits law and administration.
• Act as liaison with insurance/contract issues.
• Presentations to elected officials as needed.

Technical Services
• Health Plan Comparison/Utilization Analysis – The BROKER/CONSULTANT is expected to work with the City in securing and analyzing financial and claims data from each of the carriers on a quarterly basis, and/or as requested by the City in order to monitor City benefit plans. Once analyzed, the BROKER/CONSULTANT is expected to provide a summary explanation of the data emphasizing any important trends, emerging problems, etc. It is preferred that the BROKER/CONSULTANT have in-house utilization analysis of all City medical relationships, including managed-care alternatives.
• Compliance – The BROKER/CONSULTANT will advise the City on any federally mandated compliance requirements relevant to City plans and providing guidance, when requested, in developing compliance strategies.
• Actuarial Report Services – The BROKER/CONSULTANT will assist in the preparation of materials required for an annual actuarial review of the City's Health Benefit program. This currently entails the City's annual actuarial filing pursuant to FS112.08 and GASB 75 OPEB valuation.
• Section 125 Plan – The BROKER/CONSULTANT will participate in the review of all plan documents for accuracy and compliance with appropriate laws and regulations, and appropriateness of items to be included in the plan. This includes a review of IRS Form 5500 annually submitted by the City for accuracy and compliance.
• Wellness/Disease Management Programs- The BROKER/CONSULTANT will assist the City in evaluation, implementing and measuring the effectiveness of wellness and disease management programs.
• Litigation – On rare occasions, the City may be involved in litigation arising from requests for proposals, contracting, or employee grievances. If such a situation should occur, the BROKER/CONSULTANT may be expected to assist the City in providing necessary materials and testify if needed.
• Automated benefits administration and enrollment services and programs. The BROKER/CONSULTANT shall provide secure, automated benefits administration and enrollment services.

Request for Proposal Services
• Develop RFP's for various City Benefits programs.
• In conjunction with the Human Resources department, prepare Requests for Proposals in compliance with the City's purchasing requirements, exploring all feasible plan designs, for employee benefit programs as needed.
• Develop evaluation criteria.
• Address any questions from vendors in the RFP process.
• Be present and participate in oral interviews as needed.
• Prepare a report analyzing the proposals using the evaluation criteria.
• If requested, prepare recommendations and defense of said recommendations.
• Appeals – Prepare response to any administrative RFP appeals.
• Assist City Attorney in preparation of defense in the event litigation should result from the RFP process.
• Testify in court at the request of the City attorney if litigation should result from the RFP process.
• Assist with the development of contracts with vendors.
• Work with the City attorney to ensure contract legality.
• Conduct negotiations of benefits; plan design, premiums rates and performance guarantees.
• Implementation
• Serve as an intermediary (ombudsman) between the vendors and City during the implementation of new programs.
• Prepare rate-deduction spreadsheets.
• Review new program announcement material for content, appearance, compliance and accuracy.
• Ongoing Contract Services – It is expected that the BROKER/CONSULTANT will:
• Participate in negotiations with vendors on proposed rates and benefits changes to existing contracts.
• Audit existing contracts on an annual basis for satisfactory performance and contract compliance.
• Provide quarterly written analysis of the medical plan's claims experience.
• Periodically provide market analysis of current renewal actions for similar sized employers in southwest Florida and analysis of quality of services and value provided by various managed care vendors.

Individual Qualifications

1. **Provide a resume for each individual that will be assigned to work on the City of Fernandina Beach account. Include account executives, account managers, marketing personnel, and other specialists that would actively work with the City of Fernandina Beach. Include an estimate of each key person's allocated time to the City of Fernandina Beach account. Include an organizational chart identifying the team and reporting structures.**

Responsible for defining client objectives and the overall management of clients' Health & Welfare plans, Josh will collaboratively lead our consultative approach and brokerage team to deliver the best solutions for the City. Client service delivery is outlined and managed by Jacqueline Bartoy, an experienced Client Executive with extensive knowledge in mid-large employer health plans. Mary Malouin is your dedicated client manager, reporting to Jacqueline, and will be your advocate for daily program management and regular client communication. Sarah Marti specializes in supporting organizational wellbeing and will regularly attend strategy discussions to oversee the deployment of solutions that increase employee engagement in personal health. We estimate that our core team will dedicate 10-15% of their time focused on the City of Fernandina Beach.

Specialized Gallagher consultants will be brought in for their unique expertise on an as-needed basis. This includes our Client Technology Manager, Nicole Marshall, Financials/Underwriting supported by Sally Donovan and Compliance Counsel led by Doug Lemmerman. Should the City transition to a self-funded health plan in the future, our team will engage our Actuarial Consulting practice represented by Glen Volk and Pharmacy Consulting practice represented by Melissa Weise.

Company Ownership Structure

Arthur J. Gallagher & Co. is an international corporation domiciled in Delaware and publicly traded on the NYSE under the trade symbol AJG. Gallagher Benefit Services Inc. (Gallagher) is a wholly owned subsidiary of Arthur J. Gallagher & Co.

Benefits Brokerage and Consulting | Gallagher Benefit Services - Gallagher Benefit Services, Inc. (Gallagher), a wholly owned subsidiary of Arthur J. Gallagher & Co., has provided brokerage and consulting services since the benefits division was founded in 1961. For over 60 years, Gallagher has specialized in strategic benefits consulting, brokerage and administration. Our benefits brokers and consultants understand the value of building relationships, providing superior, cost-effective benefit products and services that meet the ever-changing needs of our clients.

2. Provide a profile of the proposed account executive's current client assignments. Your submittal should include the number of accounts, their complexity, and some reference to time allotments for each.

The team will be led by Josh Jolley, with client service execution managed by Jacqueline Bartoy. Jacqueline and Mary Malouin, Senior Client Manager, will work closely together and make up your dedicated client management team who will all be ultimately responsible for plan management & consulting, coordination of Gallagher resources, and vendor management.

Team Member	**Number of Accounts** 200+ Employees Moderate to High Complexity	Estimated time reserved for client service, **per account**	**Number of Accounts** 51 – 199 Employees Moderate to Low Complexity	Estimated time reserved for client service, **per account**
Josh	7	50-120 hours annually	15	25 – 50 hours annually
Jacqueline	7	100 - 300 hours annually	4	25 - 50 hours annually

Your Gallagher team will be your local resource that puts the strength of our entire 4,500-person global benefits team to work for the City's benefits program. Our team's expertise spans the benefits and human resources spectrum.

Biography

Joshua A. Jolley

Area Vice President | Health & Welfare

E: joshua_jolley@ajg.com | D: 904.421.7765 | M: 904.571.6248

501 Riverside Ave. Suite 1000, Jacksonville, FL 32202

Areas of Responsibility

Josh specializes in providing benefits & HR consulting services to medium and large employers. He is responsible for defining client objectives and the overall management of his clients' Health & Welfare Plans. In his role, he leads the development and maintains performance accountability of Client Service Plans.

Experience

Josh began his employee benefits career with Gallagher in 2014. He has expertise in strategic planning, merger and acquisition due diligence, alternate funding mechanisms and cost containment strategies for large, multi-site employers. Josh works extensively with public entity clients throughout North Florida. Prior to Gallagher, Josh worked at Aerotek as a Technical Recruiter. In this role, he was responsible for the identification, placement and performance of contract employees, as well as maintaining client relationships.

Gallagher

Firm Qualifications and References

1. **Provide a brief history and description of your firm. Include a description of resources or services that may be utilized that are not housed in your local office. Separately, provide a description of services and resources that may be introduced to the City of Fernandina Beach over time that may add value to its employee benefits program or other business objectives.**

About Gallagher

Gallagher started as a single office in Chicago and has grown to a publicly traded global organization with more than $6.9 billion in adjusted revenues, 850 offices in 68 countries, more than 39,000 team members with service capabilities in 130-plus countries. Our business units and subsidiaries provide the full spectrum of specifically tailored risk management products and solutions for complex operations.

Gallagher's history is a compelling story of the insurance business. To learn more visit: ajg.com/about-us/.

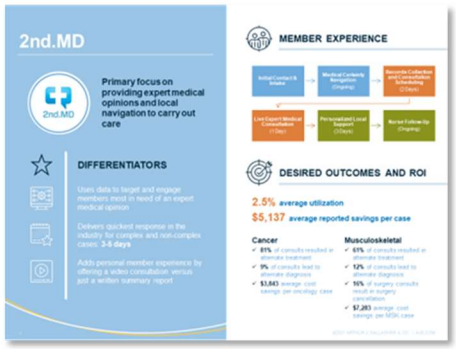
Breadth and Depth of Expertise

With more than 4,500 employees in Gallagher's benefits and HR consulting division (Gallagher) and over 300 offices throughout the U.S., Gallagher can remain close to you while also providing the resources of its national organization. Our experts support each other and your organization to provide a comprehensive portfolio of services needed in the ever increasing technical and challenging health and welfare space.

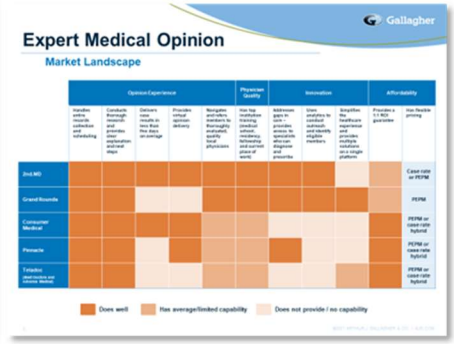
People & Culture

Gallagher's strength lies in its foundation — it's people. Gallagher's culture fosters imagination and rewards those who see beyond boundaries. All employees – from Gallagher's client-facing ERISA attorneys to Gallagher's administrative staff – are included in the delivery of services to clients and understand that their contributions are critical to Gallagher's day-to-day success. To engage Gallagher is to gain a significant advantage, because Gallagher is uniquely committed to working so that you can face the future with confidence.

Relationships



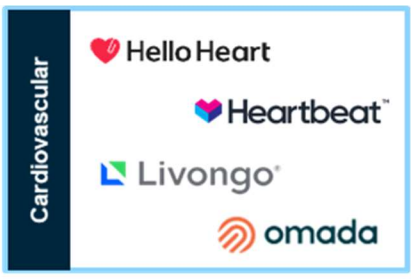
Gallagher has long understood that successful businesses are made from successful partnerships. Gallagher's focus is not the size of the client but the quality of the business relationship.



At every meeting and in every interaction with the City, it is Gallagher's intention to provide creative ideas on an ongoing basis throughout the year. We know that the best ideas can come from anywhere, so we stay actively involved in learning about the employee benefits marketplace through membership and education in national associations, our large carrier network, and our in-house experts, to name a few. Your Gallagher team is always prepared to provide the City with up-to-date insights on new products and services.

In addition to making sure we've built the right relationships with external industry leaders, practitioners, and consultants, Gallagher also focuses on the internal organic development of new, cutting-edge solutions through our Innovation Lab, which meets bimonthly to discuss new and emerging trends and solutions. The Innovation Lab is a mission-driven practice partnering with large employers to help fix the cost, quality, and experience of healthcare and benefits, as well as improve the living standard and engagement of employees. Our Innovation Lab assesses and provides due diligence of solutions to provide for consideration. We bring these assessments and intelligence to your team during strategy session as well as when it is needed or timely based on goals and data.

Examples of the solutions we review and an excerpt from one specific area, Expert Medical Opinions.



Senior professionals at Gallagher serve in leadership roles in major organizations around the world, including the National Business Group on Health, and The Conference Board. Company leaders also frequently contribute to major publications, including the New England Journal of Medicine, Benefit Trends, the Wall Street Journal, and Business Insurance.

Through our involvement in relevant local, regional, and national industry organizations, we seek to stay consistently informed on emerging industry trends and changes in the marketplace. Gallagher's contributions to the area of thought leadership also include:

Gallagher Women In Leadership Conference Each year, Gallagher's Women in Leadership Conference assembles a panel of influential female leaders and invites them to share their experience and expertise during a session of learning, networking, and thoughtful discussion.

Gallagher Better Works Insights Reports Authored by Gallagher thought leaders, these reports help employers cultivate a better workplace that balances the physical, emotional, financial, career, and organizational elements of wellbeing and drives better business outcomes.

Client/Consultant Advisory Groups We regularly collaborate on advisory forums with our most important clients to help shape the future of American and global benefits.

Examples of our team delivering client innovation include:

Total Reward Statements

A Total Rewards Statement is a valuable communication tool in the HR process as we generally find that an employee's total compensation can be as much as 30% - 50% above base compensation. Communicating this key information in a personalized way that employees can recognize and appreciate, is critical in retaining and engaging them. Gallagher's Total Rewards Statements are customized to ensure the organization can communicate their unique strengths as an employer in the most effective manner.

Given our extensive experience working with middle market organizations, Gallagher approaches each project as unique. We take the time to learn about your business in an effort to customize our approach to the specific needs of your organization.

Gallagher will help you throughout the process of creating Employee Total Reward Statements by providing ideas, examples, and best practices for determining which elements to include, how to quantify them, and how to display them on the statement. We will work directly with your organization to evaluate all monetary and non-monetary benefits and provide samples of various statements for consideration to create a statement that fits within your organization's brand.

Advanced Wellness Strategies

Gallagher currently consults with the City on the strategic planning, implementation and measurement of the City's employee wellbeing programs and initiatives. Current services include maintenance of a multi-year strategy to ensure the City's goals and desired outcomes are being met, collaborating with the City and wellness vendors and carriers for annual program planning, Health Fair and Flu Clinic event coordination, and facilitation of the FCWWC Healthiest Companies Award, where we worked with the City to identify and implement specific strategies to enhance their program to the Platinum (highest) recognition level. We offer additional consulting services to support the ongoing enhancement of wellbeing programs to aid in the City's efforts to continue to offer meaningful, valuable and impactful wellbeing programs and initiatives to support the wellbeing of their employees, such as:

- Communication resources;
- Vendor search options;
- Assistance with policy and incentive structure development (such as tying medical premiums to certain wellness criteria); and
- Compliance guidance

Modern Benefit Offerings

Gallagher continuously monitors industry and environmental news to determine upcoming organizational needs and what proactive solutions we may recommend. Additionally, we have an internal Vendor Intelligence Platform that we use for Gallagher Associates across the globe to review and discuss vendors and benefits already utilized so that we are able to speak from experience. Examples of these unique benefits include:

- Lifestyle Spending Account (LSA), which is a post-tax customizable benefits plan funded by employers and provided to your employees can utilize for a variety of expenses related to lifestyle and wellbeing;
- Adoption Assistance;
- Caregiver Assistance;
- Dedicated Mental Health Tools and Resources;
- Dedicated Type II Diabetes Tools and Resources;
- Dedicated Heart Health Tools and Resources; and
- Corporate Giving and Volunteering Programs, just to name a few

2. Describe any special expertise your firm has in providing employee benefits and insurance services to clients with similar or related business activities, specifically include experience with self-insured health plans offered by government employers. Include a list of current client relationships (local or otherwise), if not included in your references.

Gallagher has extensive experience with multiple funding options, including self-funding, minimum premium payment and ASO contracting. We also have access to a variety of systems-based actuarial tools that can help guide the City's funding decisions. The recommendations that your Gallagher team makes for your particular plan will be based on a comprehensive, comparative analysis of several different funding scenarios. Gallagher enjoys consulting relationships with tens of thousands of clients – of all sizes - across the globe. The majority of our clients are split between fully insured and self-funded. In the state of Florida, Gallagher works with over 100 clients that are self-funded or level-funded for their medical plan.

3. Describe your firm's efforts to remain current on business and employee benefit issues relating to the City of Fernandina Beach business profile, including industry or association memberships, if applicable.

With more than 3,000 public entity and scholastic clients, Gallagher's Public Sector Practice is dedicated to serving the needs of public employers. The City will have a partner with extensive experience working with states, counties, cities and, government employers. We have built our Public Sector Practice by bringing together over 200 consultants to share best practices, products, resources, benchmarking and data, and practice specialists to best serve our public sector clients. Public sector practitioners at Gallagher have spent decades providing industry-leading solutions in the public sector. We are active in the public sector community, including participation in organizations such as Association of School Business Officials (ASBO), Public Risk Management Association (PRIMA), Government Finance Officers Association (GFOA), National Public Employer Labor Relations Association (NPELRA), National Association of Counties (NACo), International City Managers Association (ICMA) and International Public Managers Association (IPMA-HR).

We understand the City faces unique challenges as a public sector employer. Your organization is exempt from certain laws and subject to others that may — or may not — create flexibility and cost efficiency. Tax revenue and other revenue sources are subject to change and drive the design and financing of employee compensation and benefits. Often, collective bargaining agreements and intense public scrutiny affect the City's decisions. Your Gallagher team takes these factors into consideration. We bring a broad range of public sector-focused solutions and expertise, including work in collective purchasing, benchmarking data and healthcare utilization review and analysis. In addition, with our industry specialization and large number of public entity clients, you have access to a deep reservoir of industry benchmarks. As a partner with the City, Gallagher will design a strategy that aligns investments in employee health, talent management, financial wellbeing and career growth with financial realities in the public sector. We'll help build a better workplace that inspires employees to give their professional best — and help the City meet its business objectives for years to come. Your Gallagher team will partner with you to overcome complex challenges, and help you serve the public in a fiscally responsible manner ─ now, and well in to the future.

4. Provide five current client references of similar size, complexity, or with similar needs. Limit your response to those clients that are principally serviced from your local office.

Identified Service Areas

1. **Employee Benefits Assessment and Analysis – Provide a summary of your firm's process in conducting risk assessment and analysis for firms similar to the City of Fernandina Beach. Identify resources to be used, if not already part of the proposed service team. Provide samples of internal or external reports that are a product of such assessment and analysis. Based upon the information currently available, identify areas of emerging risk relative to the City of Fernandina Beach operations, or risk warrants greater attention.**

During the annual strategic planning process, we are inquisitive, listening to the needs of the organization and perspectives of your key stakeholders as we work to identify short- and long-term opportunities for improvement. Your Gallagher team will always begin with your needs in mind. We will work with the City to fully understand your employee benefit strategies and priorities, including cost containment, satisfaction and engagement, industry competitiveness, your program philosophy and other concerns. We propose applying the following five steps as a framework for developing an employee benefits program strategy:

1. Discovery & Analysis

Demographics: Analyze employee characteristics. See People Insights flyer for a sample.
Cost and financial modeling: Inventory employee benefit programs while focusing on key cost drivers, outcomes and comparisons with benchmarks. See sample Benchmarking study included.
Satisfaction: Survey population and provide assessment of current employee benefit programs including the communication of these programs and benefits

2. Desired State and Goal Setting

Determine differences: Identify areas where meaningful changes are expected for the organization, employees and macro environment
Identify impacts: Provide evaluations of the preferred future state and impacts of changing variables to benefits program stakeholders
Develop specific goals: Use tangible metrics to outline goals for the next three (3) years with benefits program stakeholders

3. Identify Opportunities

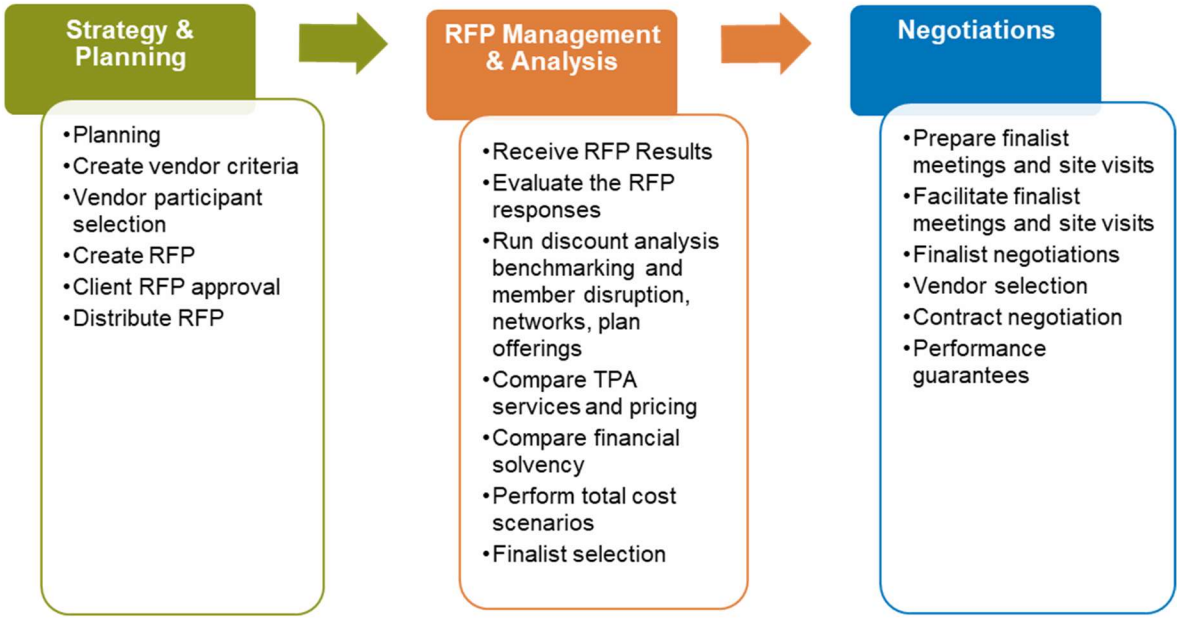
Evolving needs: Align offerings with changing needs in your employee benefits program due to environmental/pandemic impacts
Compliance review: Complete compliance review to identify any potential gaps or opportunities for improvement. See Compliance Resources included.

4. Strategic and Tactical Options Evaluation

Develop strategic alternatives: Leverage the gaps and opportunities analysis to create options for reaching goals over the next three (3) years
Propose tactics: Evaluate tactics that will support strategic alternatives while taking into consideration institution culture, benchmarking data, and other factors

5. Implementation and Management

Vendor Selection: Select and secure the most qualified vendors with the most favorable terms (including performance guarantees) to deliver the programs and designs determined by this strategic planning process
Implementation: Onboard newly customized programs based on identified needs
Integration: Introduce programs to employees ensuring a positive onboarding experience
Measurement: Identify key metrics which will be regularly tracked to determine performance and provide insight for continued strategic opportunities
Communicate & engage: Develop a communication strategy to educate and engage staff so they perceive value
Advocacy: A dedicated support team to provide ongoing support for employees and management to answer questions, educate members, and assist in resolving claims issues



The City has very strong employee retention and many employees ultimately retire from the City. It is important that the City keep employee health engagement at the top of priorities to ensure employees manage their health risks as proactively as possible, and in a cost-effective manner.

2. Marketing – Describe your firm's proposed marketing processes and strategies. Provide comment on current program structure and pricing (to the extent possible) with particular emphasis on your firm's assessment of the insurance market. Include identification of resources that are not part of the proposed service team. Provide a suggested listing of markets that may be considered for each major line of coverage, including your rationale for such a course of action. Include any intermediaries to be used and your relationship with those companies. (Note: The City is requesting a sample only of the markets that your company would use for an account of the size of Fernandina Beach).

Your Gallagher team will always begin with your objectives in mind and apply our process to deliver reliable results. Our approach to soliciting proposals from the insurer market involves a well-prepared narrative of your organization's structure and goals for your employee benefits program. We are careful to submit accurate and complete data to the insurers to further entice market competition. Our in-house analytics/underwriting tools provide objective analysis to verify appropriateness of insurer pricing methodology and project future market conditions. We approach the insurance market as your advocate and leverage our relationships along with data-driven insights to drive the best outcomes.

Vendor Negotiation Expertise

Gallagher places well over $10 billion of premium per year in global insurance markets, giving us substantial clout with carriers and preferred contract terms. We know the markets and their specific strengths and can evaluate carriers who have the right products for your individual needs. Gallagher maintains complete independence to remain objective in providing the best insurance carriers and service providers, networks, and risk arrangements for each unique negotiation. As a standard procedure, Gallagher will evaluate alternative carriers/vendors and variations to plan design that can reduce costs.

Managing Renewals

Holding carriers accountable for reasonable renewals based on each client's situation along with past and present utilization trends is a Gallagher core competency. We will track and analyze the City's program data whether it be medical and prescription drug claims, dental, vision, etc. and use that data, along with employee and dependent demographics, to assess reasonableness of carrier renewal offers. We begin with objective analysis of data and further improve terms by leveraging our relationships and market influence. There have been numerous times over the years where Gallagher has leveraged this information with carriers to garner improved renewal terms or otherwise identify better alternatives in the market.

Current Program Structure

We are confident in the effectiveness and structure of the City's current benefits program structure. One advantage of the arrangement with United Healthcare is that the City is eligible to share in surplus premiums (when the medical claims experience is favorable) without taking any additional liability. For the current size of the City's medical plan, we expect claims volatility from year to year. However, the City recovered approximately $192,000 of premium in 2022. The City HR staff also realizes efficiencies by packaging medical, dental and vision with United Healthcare to simplify employee communication and administration.

Below is an outline of current and alternative markets by line of coverage that Gallagher approaches on behalf of the City:

Line of Coverage	Carrier	Alternative Markets available through Gallagher
Medical	United Healthcare	Florida Blue, Cigna, Aetna, Group Benefit Captives and Consortiums
Dental	United Healthcare	Delta Dental, MetLife, Sun Life, Ameritas, Guardian, Lincoln and many other A-rated carriers
Vision	United Healthcare	Eyemed, VSP, Davis and many other A-rated carriers
Life	Mutual of Omaha	Unum, Standard, Lincoln, Sun Life, Reliance Standard and many other A-rated carriers

Current Pricing Structure

We believe that the City of Fernandina Beach is competitively priced with your current carriers. Specific to medical, the City's annual premium rate increase has averaged to less than 1% over the past five years. Every year our Financial Benefits Consulting team will perform a renewal analysis to determine if the incumbent medical carrier's renewal methodology is logical as well as to help position us for negotiations. We recommend a market check every three years to ensure your pricing remains competitive. In 2022, the City's-paid life plan achieved $16,000 in savings with a three-year rate guarantee through the marketing exercise that Gallagher performed.

3. Data Management – Provide commentary on the projected needs for the City of Fernandina Beach relative to data management and your firm's approach to meeting those needs. Include resources or systems that might be utilized to enhance this area of benefits management.

Our consultants rely on data to enhance client decision-making and measure success. On a proactive basis, our consultants are reviewing claims data to understand health plan performance and identify opportunities to mitigate risk. When new targeted solutions are implemented, the overall evaluation of strategies and vendor partners must include some form of meaningful measurement to determine long-term success.

As a medium sized fully-insured health plan, City of Fernandina Beach should expect to receive regular data analysis including:

- Medical premium to claims reporting (see attached sample Financial Monitoring Report)
- Large claimant ($50k+) identification and tracking
- Self-funding feasibility study
- Benchmarking of plan costs, plan designs and competitiveness
- Dynamic, data-backed library of benefit program solutions and results

Gallagher leverages both carrier reporting and in-house financial analysis to equip the City with data and insights on their health plan performance. Sally Donovan is our financial analysis and underwriter responsible for producing reporting.

Gallagher's proprietary benchmarking database is updated annually and includes information from over 4,000 employee benefit programs across the U.S. This data can be customized to compare the City's benefits program to other public entities and/or employers in the Southeast. Gallagher's depth of experience in the public entity space will make this data more relevant to the City than other benchmarking resources.

Information Security

Gallagher diligently protects the privacy and security of City of Fernandina Beach's plan data and takes extra precautions in handling that information. Because we follow strict security policies and procedures, all Gallagher employees with access to confidential information are regularly trained on security issues and HIPAA compliance.

All Gallagher locations have disaster recovery plans. Each location has set contingencies for office space, computers and equipment, and each provides detailed communications instructions, including staff contact trees.

All of your data is stored on secure servers that are backed up each night and stored offsite, while standby servers perform online duplication. Finally, online access to relevant areas of Gallagher's website is available only through a Secure Sockets Layer (SSL) enabled web browser that supports encryption technology.

4. **Program Design – Provide a brief summary of potential program designs that may be appropriate for the City of Fernandina Beach for the major lines of coverage. Include the rationale for your suggestions. Given the information provided, identify your firm's key strategies in evaluating the optimum alternatives for the City of Fernandina Beach in the major lines of coverage.**

Self-funded feasibility study – based on the premium volume and size of the City's medical program, we encourage a regular review of funding method strategies (self-funded, self-funded through a captive/pool, level-funded, minimum premium, etc.) as an alternative to a fully-insured arrangement. It will be important to continue to consider plan funding as the broader fully-insured market continues to experience unsustainable premium rate increases. Our financial analysis team ensures that underwriting methods are sound and that the City has an accurate representation of potential financial gain/loss from pursuing a new funding strategy.

Regarding plan design changes, we believe it is important to be competitive with other public entities, including the State of Florida. This also helps in recruiting and retaining employees—which is a challenge in today's environment for most employers. An example of three extra benefits that could be added to your medical plans to make them more robust and attractive are coverage for: bariatric surgery; fertility; and hearing aids. This will help ensure that the City meets the needs of your multi-generational workforce.

5. **Communications – Describe formal and informal communication processes for the City of Fernandina Beach. Include proposed schedules of key meetings, timelines, and other process mileposts for the proposed client service. Include any proprietary client communications that may be appropriate and available to the City of Fernandina Beach to facilitate communications. Describe your firm's capability of producing annual benefit statements and open enrollment communications for employees.**

Renewal & Marketing Timeline

Every year at least 120 days prior to the City's renewal date, your Gallagher team meets internally to determine any needs that you may have for the coming year, review your claims experience and potential marketing strategy. We then meet with the City to review this data and hear from you what your internal strategies are for the coming year. From this Annual Planning Meeting we then determine if we will be going to the carrier markets and can propose the timeline of such exercise. Once we have the incumbent carriers' renewals as well as any proposed carriers' quote, we present all of this information to the City. If desired, we can facilitate carrier finalist meetings with the top proposed carriers so that the City can make a more well-rounded decision. Once a decision is made, internally we begin developing the employee-facing Open Enrollment communication that includes a benefit book to employees as well as updating your Employee Navigator portal. Open Enrollment typically takes place for the City around the end of August and runs for two weeks. During this time, we're monitoring the progress of employees enrolling and helping your HR team answer any questions that may arise. Once Open Enrollment is complete, we continue by ensuring the enrollment elections are delivered to the carrier, that implementation with any new carriers is complete and that the first month's carrier invoice and carrier policies and certificates are accurate.

Other Timelines

Aside from the above-outlined renewal and marketing timeline, we also closely monitor and follow benefit compliance timelines, such as Medicare Part D notices to your members by October 15th every year, and will continuously notify you of any upcoming benefit deadlines. Additionally we stay in regular communication with the City to review your claims experience, discuss any member claim issues, and assist with any carrier or benefit questions that you may have throughout the year.

Communications

Gallagher places high importance on the role of communications in employee benefits. An employee who has a greater understanding of his/her benefit program will value it more and will be more likely to stay with your organization longer. Increasing employee retention, engagement, and recruitment are critical by-products of a strong communications program.

Effective communications do more than inform the workforce about their benefits. They create an ongoing dialog through targeted, personally relevant messages that engage employees and strengthen their cultural connection. Employees should gain a clear understanding of key policies, procedures and programs – and any required or optional actions to take.

All of our communication materials are generated from experts within our firm. Gallagher's communications services, resources and technology solutions include:

Paper and Electronic Employee Communications

We will work with your organization to develop both paper and electronic communications that meet your employee needs and organizational structure. These communications could include open enrollment and new hire materials, employee education and wellness monthly newsletters/posters, Total Rewards/Annual Benefit Statements, and home mailers. We pride ourselves on making these communications both informative and attractive.

Annual Open Enrollment Communications

Gallagher will help to plan the most effective approach to open enrollment based on the City's employee demographics, available communication channels, enrollment goals and budget. Items which are included in scope and may be recommended, upon strategy development, include:

- Standard Benefit Summaries
- Organization of vendors and applicable materials
- Announcement letters (i.e. benefit fairs, carrier/plan design changes)
- Open enrollment literature/PowerPoint presentation
- Articles for the company newsletter or Intranet
- Implementation timelines

Communications are developed with the employee in mind and incorporate relevant information in easy-to-understand verbiage.

Web-based Benefits Administration, HR and Compliance Software

Gallagher provides and supports an online benefits administration service as part of our core services for the City. Employee Navigator is an online benefits system that helps HR simplify administration and creates an intuitive, employee self-service experience. The technology tracks and automates enrollments, billing, compliance filings, HR tasks and provides extensive reporting options.

In addition to providing this technology, Gallagher has an in-house Client Technology Manager, Nicole Marshall, as an internal available expert to customize the system as customer needs evolve.

6. Other Services (Optional) – Provide a brief summary of other services available from your firm that may be appropriate to the City of Fernandina Beach consideration.

HR & Compensation Consulting

The Gallagher Human Resources & Compensation Consulting Practice (HRCC) offers human resources and compensation consulting solutions and best practices to help attract, engage, develop, and reward talent, empowering our clients with solutions for a sustained and successful future. Working in the United States, Canada, and United Kingdom, our experienced consultants work with clients to gain holistic insights into their workforce and deliver strategic, people-based solutions that mitigate risk, improve cost, and maximize the physical, emotional, financial and career wellbeing of all employees. Our robust solution set encompasses:

- Compensation and Rewards Consulting
- Engagement Solutions
- HR Consulting
- Executive Search and Leadership Advisors
- Research and Analytics

Retirement Plan Services

We design, develop and deliver customized retirement strategies with the right funds, reasonable fees and trustworthy fiduciary management to meet our clients' organizational objectives.

- Retirement plan design (including 401(k), 403(b), 457, profit sharing, money purchase and traditional pension plans)
- Investment consulting
- Compliance support related to retirement plans
- Employee communications around retirement plans and financial wellbeing
- Vendor search and benchmarking
- Actuarial services related to retirement plans

7. Broker/Consultant Compensation – Identify your firm's preference on the means of compensation for services. Provide a detailed analysis of the fee build-up, including allocated time and rates for the service providers. Identify any proposed services that may be outside an agreed-upon fee and an estimate for those services, if applicable. Include the details of any proposed incentive plan, if recommended.

We are flexible in the method of compensation in which we are paid and we are open to a number of compensation arrangements. Our general approach to compensation, however, never changes. We make these promises to all of our clients:

- Our compensation may be derived from fees or commissions, or a combination of both. The choice is made by each client based on their philosophical and budgetary considerations
- Our compensation will be a fair reflection of the services we are asked to provide
- Our compensation will be inclusive and agreed upon in advance
- We will fully disclose to our clients all compensation we receive each year

An important part of our value proposition is that we can offer a broad and deep set of services under a fully transparent fee model. Our proposal is based on an accurate assessment of the scope of work and sets forth a budget allocated for the services required. We track our services against this budget regardless of whether it is being paid on a retainer basis or under a commission arrangement. We don't use a "billable hour" structure to determine our costs and therefore we can offer you the flexibility of getting the right team assigned without risking quality and service delivery.

Factors that are considered in our fee development include: size and complexity of health plan, employee wellbeing support, technology support, actuarial support, and length of service contract.

Gallagher proposes a flat annual fee of $82,500 for the initial 3-year term and $85,000 for the potential two additional one-year extensions.

The HR & Compensation Consultants and Retirement Plan Services mentioned above would be for an additional cost than the above proposed fee.

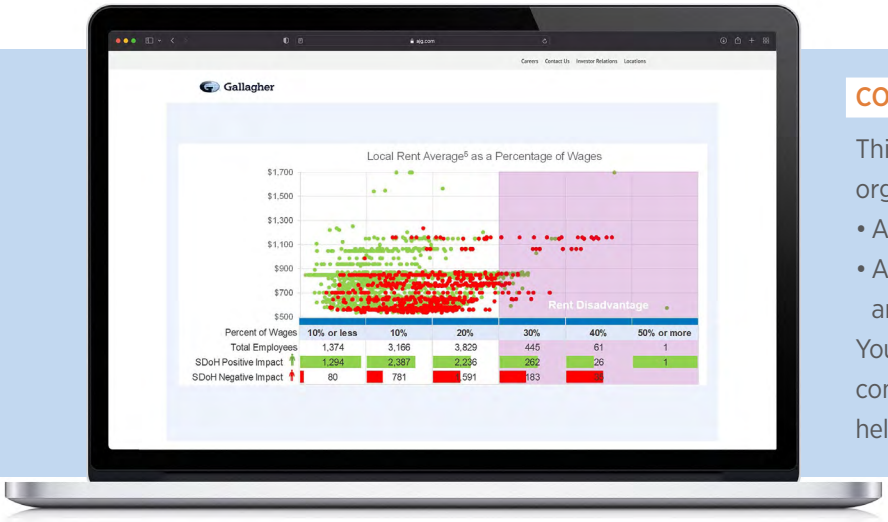
People Insights Report

Today's successful HR strategy takes into consideration who your employees are—both at work and at home. Gallagher's People Insights Report offers a different view on your workforce, set against the backdrop of national data sources and tailored benchmarks, to help you facilitate strategic conversations. You will gain actionable insights accompanied by consultative observations and recommendations in three areas critical to a successful total rewards strategy: career stages, social determinants of health and compensation.



CAREER STAGES

Here you will find pictorial insights into the distribution of your workforce and employment tenure across five career stages, along with benchmarks from the Bureau of Labor Statistics[1]. This data will be helpful in formulating competitive organizational strategies, including recruiting and onboarding, succession planning, and employee communications.

SOCIAL DETERMINANTS OF HEALTH

The health, wellbeing and productivity of your workforce are affected by socioeconomic factors. Based on current data from the Federal Agency for Healthcare Research and Quality[2], this analysis brings into focus the impact of these factors on your unique employee population, as well as next steps you can take in mitigating these impacts.

COMPENSATION

This analysis examines pay distributions for your organization in unique ways, such as:

- Are wages skewed by age, career stage or gender?
- Are employees able to comfortably live in the areas they work in based on their pay?

You can relate this data to your existing compensation strategy as you continually shape it to help recruit and retain the right talent.

Publicly available data from [1]www.bls.gov and [2]www.ahrq.com

Want insights customized to your workforce? It's easy!

Combined Plan Expenses

This analysis is for illustrative purposes only, and is not a guarantee of future expenses, claims costs, managed care savings, etc. There are many variables that can affect future health care costs including utilization patterns, catastrophic claims, changes in plan design, health care trend increases, etc. This analysis does not amend, extend, or alter the coverage provided by the actual insurance policies and contracts. Please see your policy or contact us for specific information or further details in this regard.

Location in Proximity to Fernandina Beach

1. Include information on staff availability, office locations and issues of accessibility.

Gallagher's core team all live and work in Jacksonville, FL. We will be available to meet with City staff in-person and attend public meetings as appropriate. If any of Gallagher's specialized consultants located out-of-area are requested to meet in-person, we will accommodate all reasonable travel costs to attend meetings.

Primary Service Office	Secondary Service Office	Corporate Headquarters
501 Riverside Ave. Suite 1000 Jacksonville, FL 32202	463820 State Rd 200 Suite 101, Yulee, FL 32097	2850 Golf Road Rolling Meadows, IL 60008

*For a full listing of all Gallagher offices, please visit www.ajg.com/locations.

Compensation / Cost of Service

1. **Submittals shall include an annual service fee as part of their response to this RFP. The successful firm shall be compensated on an annual fee basis. Fees will be payable quarterly at the end of each quarter. All program premiums and charges are to be written net of commission and the acceptance of a commission shall be grounds for immediate termination of the contract. If a carrier does not or cannot work on a net of commission arrangement, the firm shall disclose this fact and the commission shall be deducted from the annual fee. The successful firm shall provide an annual statement from each carrier confirming that the insurance carrier has paid no commissions. Full disclosure of all compensation earned, either directly or indirectly, is required. Use of intermediaries, wholesalers, subsidiary companies, etc. is expected and encouraged if advantageous to the City of Fernandina Beach. However, all fees and or commissions earned as a result of their use must be disclosed and will be deducted from the annual fee. Additionally, the City reserves the right to seek additional relevant records as a means of enforcing this provision.**

Gallagher proposes a flat annual fee of $82,500, billed quarterly, for the initial 3-year term and $85,000 for the potential two additional one-year extensions. Gallagher will continue to provide full disclosure on an annual basis, of all compensation earned.

Re: RFP# 23-03 – Employee Benefits Consulting & Brokerage Services

Dear Evaluation Committee Member:

Gehring Group, a Risk Strategies Company, is pleased to provide this proposal in response to the City of Fernandina Beach's RFP No. 23-03 for Employee Benefits Consulting & Brokerage Services. Through our extensive experience over the past 30 years serving as Benefits Consultant/Broker for over 130 Florida public sector entities (including over 65 municipalities), we are confident that our firm will meet your needs by offering in-depth industry and employee benefits knowledge having worked specifically with public sector employers since the inception of our company. What this means to you and your members is year-round support and proactive planning, assisting the City in continuing to attract and retain employees by offering the strongest, most cost-effective benefit plans through our aggressive negotiations and our carrier status in the marketplace. In addition, we will provide efficiencies, value-added services, and an unparalleled service standard with our ongoing goal of not merely meeting the City's needs but exceeding your expectations.

With team members having an average of 12.2 years and leadership having an average of 17.9 years of industry experience, Gehring Group has grown to become the most respected employee benefits and risk management consulting agencies in the state. Upon becoming a division of RSC Insurance Brokerage, Inc. (d/b/a Risk Strategies Company) on January 1, 2022, Gehring Group has access to a number of additional resources and support. RSC has over 4,000 valued team members, in-house legal and actuarial specialists, and places employee benefit program premiums in excess of $2.5 billion per year. Together we are National industry leaders, ranking in the top three in the country in various specialties with a robust offering in both employee benefits and property and casualty.

As part of the Risk Strategies family, Gehring Group continues our public sector focus, currently serving numerous clients similar in scope and size to the City of Fernandina Beach who have successfully implemented leading edge concepts such as Consumer Directed Health Plans, creative Stop Loss programs, Onsite Clinics, and Innovative Wellness/Mental health Programs in addition to fully insured, participating, level/graded and self-funded programs. Gehring Group is unique in our qualifications to be your broker/consultant for three notable reasons:

1) Public sector is our only industry specialty which will allow the City to leverage our extensive knowledge and understanding of your unique needs, take advantage of our negotiating experience and collaboratively work together to manage future costs of providing employee benefits to your employees and retirees;

2) **Our unique non-producer corporate organizational structure** allows us to offer clients a broad depth of value-added services along with the ability to reinvest revenue to enhance the support we provide year over year; and

3) **Our all-inclusive service model** allows our clients the opportunity to utilize our resources without concern for additional costs while providing full transparency including additional value-added services such as online enrollment solutions, customized print, electronic and video communications, the **CAVU®** benefits benchmarking tool, and the **Mineral** online human resources research and training software.

For those on the proposal evaluation committee, we want to again emphasize Gehring Group's focus on the public sector. Our extensive experience working with other public entities allows us to anticipate your needs and partner together proactively. We have a deep bench of experienced professionals who are experts in all types of funding arrangements, pharmacy options, plan designs, supplemental offerings, wellness initiatives, employer clinics, etc. with a proven track record for saving our clients money. In addition, we have developed trusted legal and educational resources and strong carrier and professional relationships, allowing us to provide proven and exceptional insurance consulting services and guidance regarding plan strategy and legislation applying to governmental employers. Throughout this proposal, our team provides a positive commitment to provide the required services as outlined in the RFP as well as a commitment to continue to seek innovative solutions to the City's benefits cost challenges.

The names of key persons, representatives, and project managers who will be the main contacts for the City regarding these services are as follows and can be reached via our toll-free number (800) 244-3696 or email.

Name	Title	Email
Proposal Contact:	Cindy Thompson, VP - Operations	cindy.thompson@gehringgroup.com
Team Lead:	Shawn Fleming, Senior Benefits Consultant	shawn.fleming@gehringgroup.com
Executive Staff:	Anna Maria Studley, Client Development	annamaria.studley@gehringgroup.com

In summary, Gehring Group meets all qualification requirements including licensing, insurance, and years of experience, and we are confident that we can provide the City of Fernandina Beach with additional value and exceptional services. Our approach to the business, coupled with our extensive public sector experience, familiarity with applicable regulations, market relationships, and enthusiasm make us the broker of choice. We thank the members of the selection committee in advance for the review of our comprehensive response and stand ready to provide any additional clarification upon review of this proposal's contents.

Sincerely,

Kurt N. Gehring

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for RFP-23-03, Employee Benefits Consulting & Brokerage Services

2. This sworn statement is submitted by (entity) RSC Insurance Brokerage, Inc. whose business address is 3500 Kyoto Gardens Drive, Palm Beach Gardens, FL 33410 and (if applicable) Federal Employer Identification Number (FEIN) is 16-1689464 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: N/A .)

3. My name is Kurt N. Gehring and my relationship to the entity named above is Managing Director .

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

   1. A predecessor or successor of a person convicted of a public entity crime; or

   2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

CITY OF FERNANDINA BEACH FLORIDA
RFP 23-03 EMPLOYEE BENEFITS CONSULTING AND BROKERAGE SERVICES

__X__ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)

____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

DRUG-FREE WORKPLACE CERTIFICATION

The below-signed INDIVIDUAL/FIRM certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace prepare, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or services a copy of the statement specified in paragraph 1.

4. In the statement in paragraph 1., notify the employees that, as a condition of working on the commodities or contractual services that are under proposal, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.

5. Impose a sanction on, or require fine satisfactory participation in drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I Certify that this firm complies fully with the above drug-free workplace requirements.

RFP 23-03 EMPLOYEE BENEFITS CONSULTING AND BROKERAGE SERVICES

EXHIBIT "F"

CONFLICT OF INTEREST STATEMENT

This sworn statement is submitted with Bid, Proposal or Contract for RFP-23-03, Employee Benefits Consulting & Brokerage Services.

This sworn statement is submitted by (entity) RSC Insurance Brokerage, Inc. whose business address is 3500 Kyoto Gardens Drive, Palm Beach Gardens, FL 33410 and (if applicable) Federal Employer Identification Number (FEIN) is 16-1689464 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: N/A .)

My name is Kurt N. Gehring and my relationship to the entity named above is Managing Director .

1. The above-named entity is submitting a Proposal for the City of Fernandina Beach.
2. The Affiant has made diligent inquiry and provides the information contained in the Affidavit based upon his/her own knowledge.
3. The Affiant states that only one submittal for the above proposal is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
4. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraints of free competitive pricing in connection with the entity's submittal for the above proposal. This statement restricts the discussion of pricing data until the completion of negotiations if necessary and execution of the Contract for this project.
5. Neither the entity not its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participation in contract letting by any local, State, or Federal Agency.
6. Neither the entity nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
7. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with the City of Fernandina Beach.
8. I certify that no member of the entity's ownership or management, or staff has a vested interest in any aspect of the City of Fernandina Beach.
9. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify the City of Fernandina Beach.

RISK strategies | GEHRING GROUP A RISK STRATEGIES COMPANY

Tab 2: Project Scope of Work

The successful BROKER/CONSULTANT shall be able to perform or provide the following services. These services shall include but not be limited to:

General Services

1. **Provide dedicated personnel to be the main contact for managing account relationship. The contact will be readily accessible to City Human Resources personnel.**

The dedicated personnel proposed to manage the account relationship with the City of Fernandina Beach is Shawn Fleming, Senior Benefits Consultant, who can be reached at (561)626-6797 or (800)244-3696 and whose email address is shawn.fleming@gehringgroup.com. Shawn is our certified expert in self-funded programs as well as onsite clinics and is supported by an entire team of benefits experts including a backup consultant, Athena Erchard.

Group has a longstanding commitment to quality assurance that starts with providing a team of qualified, licensed professionals assigned to each client, ensuring that client requests are responded to thoroughly, timely, and with expertise. These individuals are readily accessible to the City's HR personnel and available for onsite meetings, committee meetings, video conferencing, etc. The team proposed to service the needs of the City boast decades in the employee benefit arena as well as service to public sector entities. Your service team will continue to include the following individuals:

Role	Name	Florida Insurance License #	Years of Industry Experience
Senior Benefits Consultant	Shawn Fleming, CSFS	E059700	19 years
Backup Benefits Consultant	Athena Erchard	A078425	25 years
Employee Benefits Analyst	Joshua Rupp	W307652	8 years
Senior Account Manager	Mary Ellen Morris	A184949	32 years
Account Relations Manager	Katherine Howard	W237417	7 years
Support Staff – i.e.: Graphics, Employee Advocates, Wellness		n/a	n/a

Licensing can be verified at: http://www.myfloridacfo.com/data/aar_alis1/

Resumes for each of the individuals listed above as well as our executive team are included in Tab 3: Individual Qualifications. The roles of each team member are further detailed below:

Senior Benefits Consultant:

Shawn Fleming

Location: Palm Beach Gardens

Your Senior Benefits Consultant is responsible for spearheading strategic and budget planning, making recommendations as necessary and providing guidance with regard to plan design, new products, funding options, compliance and legislation. Shawn and Athena are available as needed for meetings with decision makers and available to make presentations to executive staff, employee committees and City leaders as required.

	Benefits Consultant: Athena Erchard Location: Sarasota	Your Benefits Consultant supports the Senior Benefits Consultant Consultant in meeting the needs of the City regarding all aspects of its employee benefits program. Athena will be available as a resource to the team for all staff and committee meetings, throughout the RFP process, renewal negotiations and quarterly reporting as well as serving as an expert resource for questions regarding your employee benefits program.
	Senior Employee Benefits Analyst: Joshua Rupp Location: Jacksonville	Your senior employee benefits analysts will work closely with your Senior Benefits Consultant regarding all financial and analytical functions including compiling and issuing RFPs, evaluation of proposals and aggressive renewal negotiations. They are also responsible for monitoring claims utilization and large claims, making recommendations relative to utilization patterns and providing budget and renewal projections.
	Senior Account Manager: Mary Ellen Morris Location: Palm Beach Gardens	Mary Ellen Morris will serve as the City's Senior Account Manager and assist staff and employees with day-to-day benefits related issues. She will serve as a direct contact regarding all service aspects of the benefits program including compliance issues, program implementation, open enrollment coordination and attendance, wellness planning, employee advocacy, and various other service roles.
	Account Relations Manager: Katherine Hughes Location: Palm Beach Gardens	The Account Relations Manager works hand in hand with the assigned Account Manager and serves as an in-house member of the service team responsible for coordinating implementations, enrollments, health fairs, etc. and ensuring all day-to-day service issues are addressed. Katherine (Katie) is also responsible for review and editing of the employee benefits handbook and accuracy of employee communicatons materials.

2. Provide general and technical guidance on employee benefit issues to include market analysis, trends, contract and statute interpretation and cost containment methods.

As an agency with experts in all areas of employee benefits insurance, Gehring Group focuses on recommending proposals that best meet the needs of our clients. Gehring Group, acting as your independent employee benefits broker, has extensive experience in conducting an analysis to determine the best opportunities to better manage health care costs. This may include the evaluation of alternative funding methods, provider network discounts or contract types, or the implementation of new benefit options, an onsite health center or aggressive wellness program. Our clients can be sure that any recommendation is solely based on the specific needs and goals of their organization.

In addition, Gehring Group has taken a proactive stance and is consistently monitoring the current events taking place amidst the current fast-paced legislative environment. When new legislation is enacted, our team immediately holds educational seminars, webinars, and workshops along with providing one on one guidance to ensure our clients are educated on all new requirements to ensure all plans and policies remain in compliance. Our team and partner resources have been an educational resource on various legislation including but not limited to Florida Statutes, the Affordable Care Act (ACA), Firefighter Cancer Bill, Families First Coronavirus Response Act (FFCRA), Coronavirus Aid, Relief, and Economic Security (CARES) Act, American Rescue Plan Acta (ARPA) the Inflation Reduction Act (IRA) and most recently RxDC reporting and disclosure.

We will provide the City with updates regarding any changes applicable to the City's benefits programs and assist in planning and preparation to remain in compliance with all legislative and reporting requirements. In fact, our team is currently assisting all clients in completing the newly required Sec. 204 reporting requirement implemented as a result of the Consolidated Appropriations Act (CAA).

Gehring Group is also known for being an innovator and trend-setter in the employee benefits marketplace. We evaluate all emerging cost saving options to determine viability for our clients and review new plan options as they become available under any new legislation. We maintain a strong commitment to remain at the forefront of industry trends, market conditions, innovative concepts and new types of health insurance programs being presented by insurance companies and third-party administrators. Through our knowledge and expertise of all types of plan designs and funding arrangements, Gehring Group staff is able to aid our clients in determining which carriers and programs represent viable options in order to assist management in making better-informed decisions regarding the implementation of new concepts, and determining whether they are in the best interest of the organization. For some groups this may mean consolidating plans to better consolidate risk and reduce adverse selection, while for other entities it may mean providing more plan options to better accommodate the needs of various types of employee populations within the entity who may be seeking varying coverage levels or alternatively, more affordable premium costs.

Our team has also evaluated the benefits of various other concepts to contain/reduce health care costs including:

- Innovative and holistic wellness programs,
- "Centers of Excellence" Hospitals
- Onsite/near-site clinic implementation and ROI monitoring,
- Telemedicine,
- Customized employee assistance programs and mental health services/networks,
- Value-based plan designs,
- Specialty physician designation cost share differences,
- Plans with "narrow networks" and client specific networks,
- Alternative funding options
- International prescription sourcing,
- Pharmacy rebates and re-contracting of terms
- Negotiation of wellness funds, technology funds, additional carrier services and support,
- Captive funding arrangements, and
- Live diabetic monitoring with mobile-enabled glucometers via a third-party diabetes management vendor.

Gehring Group remains ahead of the curve regarding the evaluation and implementation of new cost saving concepts in order to locate creative cost saving solutions and guide our clients through the entire selection and implementation process. Our concentration in the public sector enables us to have access to an extensive amount of public sector employee benefits benchmark data in-house. This includes statistics on plan benefits, employer contributions, waiting periods, trend factors and other related data. With this data and our knowledge of the local market, we review and consider all available cost saving options when developing a strategic plan with our clients. In addition, our integrity and credibility in the marketplace is recognized by the carriers with whom we work, allowing for direct access to underwriters, preferred status recognition as brokers for the public sector and enables our team members to achieve a high level of results when negotiating.

3. **Assist in the development and review of communication materials written by the City's benefit administrators and other participating organizations for content, appearance, compliance and accuracy.**

   Gehring Group's professional in-house professional Graphics Department enables us to assist our clients with various types of employee communication and educational materials. As part of our services, we draft and produce an open enrollment booklet, employee communication pieces such as payroll stuffers, department posters, wellness brochures, member reminders, announcements, etc. in print or electronic format. (Samples are included in Exhibits A and B). The proposed Gehring Group team is also available as a resource to review communication materials created by the City for content, accuracy, appearance, and compliance prior to distribution. This allows our clients to consistently communicate its employee benefit offerings and keep their employees well educated regarding their employee benefit options and responsibilities. All work products and samples included in the Exhibits section were created and produced in house. Communication materials are inclusive in our proposed scope of services at no additional fee or print limitation. Additional information regarding Gehring Group's communication services is included in Tab 5.

4. **Assist the City on a regular basis and in a timely manner to provide information, analysis and guidance on any and all aspects of City benefit program policy and administration.**

   Your assigned team will maintain continuous communication throughout the plan year to provide support to staff with analytical, budgetary, administrative, legislative, member challenges, enrollment, and billing questions. We are also available to assist with the resolution of claim problems and other issues such as policy interpretation. In addition to your Senior Account Manager and Senior Analyst, the City will also have access to our in-house Client Service Specialists to lend assistance. Please also note that there is never any additional charge for meetings or onsite visits.

5. **Provide a qualified representative to attend meetings with City staff, Management Team, and employees as requested or needed.**

   Gehring Group is available to attend and assist with meetings with the City Council, staff, management, employees, and labor groups. Our team also participates in many of our clients' employee committees that include labor representation and are veteran presenters to various governing bodies including various types of Councils, Boards and Committees.

6. **Review all plan documents for accuracy and compliance with appropriate laws and regulations, appropriateness of items to be included in a Section 125 Plan and review of annual required filings.**

   Confirmed. Your Gehring Group team of experts is available to assist the City in reviewing all plan documents, plan amendments and flexible benefits plans for completeness, accuracy, and compliance with appropriate laws and regulations. In addition, our team can serve as a resource for annual required filings such as the ACA 1094/1095-C forms and the PCORI fee (if applicable). Our proposal also includes the actuarial services to perform the annual required 112.08 filing of actuarial soundness, in the event the City of Fernandina Beach is interested in transitioning to a self-insured arrangement. We work hand in hand with our actuaries to compile and review all data necessary to complete any annual required filings and reserve requirements.

As part of the RFP, renewal and/or implementation process, Gehring Group ensures that all solicitations, applications, plan documents and contracts for all current and new vendors are complete and accurate and forwarded to the applicable vendors in a timely manner. In addition, our team reviews all vendor contracts to ensure they are in line with what was proposed and presented and will review the City's Employee Benefits Handbook for accuracy and compliance.

Gehring Group also works with our clients to ensure they are compliant with all annual notice and disclosure requirements. To assist in this effort, the Benefits Consultant and team will meet annually to review your programs compliance with frequently changing local, State and Federal legislation specific to government entities. We have developed our "Annual Notices and Disclosures" checklist to ensure that all requirements have been addressed. It provides a description of the notice, when it is due, allowed distribution methods and easy access to links locate the notice.

7. Advise and assist the City in negotiating renewal rates and plan provisions.

Confirmed. Gehring Group's large public sector client base will provide your group with the necessary negotiating strength when dealing with various insurance carriers during the renewal season and throughout the year. Gehring Group represents you, not the insurance company. Through our extensive experience negotiating numerous plan renewals each year, we are able to identify excessive trend factors and other cost drivers in our clients' renewal proposals from the various carriers. In addition, due to our large number of public sector clients, we have access to industry specific benchmark data within our own client base.

Gehring Group provides expert analysis, progressive solutions, and top-level negotiating skills. Our firm has negotiated the savings of millions of dollars in premiums for our clients in addition to providing enhanced benefits through our program analysis and creative plan placement. To accomplish this, your Gehring Group team will conduct detailed reviews, analysis and projection sessions with decision makers at key points throughout the year, typically quarterly. We consistently track the available claims utilization data of your program throughout the plan year in order to more effectively prepare for the renewal process and develop strategies for ensuring that the City receives the most value for its health care dollar. We will provide monthly claim reports and review large claims data to determine whether your programs are running favorably and utilize this claims data to forecast budget projections and negotiate with vendors.

8. Assist the City in annual enrollment meetings or health fairs as needed.

Assistance with Enrollment Meetings

Your Gehring Group Senior Account Manager will be the primary contact and resource for all services related to open enrollment coordination, preparation, and attendance. She and the other Account Management team members will guide you through planning, implementation and execution of renewal decisions made each year. Our open enrollment coordination and assistance includes but is not limited to:

- Creating and producing annual benefits booklets and employee communications
- Coordinating and conducting open enrollment meetings
- Attending open enrollment meetings to assist employees (one-on-one)
- Coordinating all materials or carrier/vendor participation for open enrollment
- Creating open enrollment informational PowerPoint presentations and videos
- Providing additional staff to support multiple locations and time slots for employee meetings

- Supporting Staff and working with applicable HRIS and/or online enrollment systems
- Arranging multilingual representatives (as needed)
- Reviewing SPD and Plan Documents for accuracy

Based on our team and back up approach for servicing our clients, your Gehring Group service team is truly an extension of, and valuable resource to the benefits administration and human resources staff throughout the open enrollment process.

During the COVID-19 pandemic and CDC recommendations for social distancing at the time, our team got even more creative in our efforts to provide our clients with innovative enrollment solutions. Using our in-house video production technology and graphics resources, we were able to provide our clients with several alternatives to the in-person, group enrollment meeting, allowing our clients and their employees to maintain social distancing recommendations while continuing to provide thorough employee education. These options included:

1. Live Virtual Open Enrollment Presentation
2. Pre-recorded Open Enrollment Presentation
3. Pre-recorded Voiceover PowerPoint Presentation

Our information client flyer which outlines these options is included below.

During these unprecedented times... We are working hard to support you while keeping everyone safe!

This year benefit education meetings may require a different presentation style. As a result, our team has prepared creative options for your upcoming Open Enrollment Season.

- **Live Virtual Open Enrollment Presentation** – prepared and presented through Microsoft Teams, (or other safe host platform), utilizing scheduled meeting times with your staff and presented live by your Gehring Group Account Manager.
- **Pre-recorded Open Enrollment Presentation** – prepared and presented by your Gehring Group Account Manager and sent as a safe link to share with staff through your internal intranet or email. This option can be viewed as a scheduled meeting or posted for accessibility when convenient on laptops, tablets, smart phones, or desktops. This presentation can also serve as an additional resource for future New Hire Orientation meetings.
- **Pre-recorded Voiceover PowerPoint Presentation** – prepared pre-recorded presentation with accompanied PowerPoint. Once complete the pre-recorded presentation will be sent as a safe link to share with staff through your internal intranet or email. This option can be viewed as a scheduled meeting or posted for accessibility when convenient on laptops, tablets, smart phones, or desktops. This presentation can also serve as an additional resource for future New Hire Orientation meetings.
- **Bentek Admin Assist** - a new and convenient virtual option to assist employees with the Bentek enrollment process. This is recommended as a scheduled appointment meeting, individual assist format.

Contact your Gehring Group Account Manager to discuss the most effective option for your team and organization.

Assistance with Health Fairs

Gehring Group's Account Managers and Wellness Coordinators have coordinated open enrollment, health and wellness fairs for the majority of our current clients and can work with the City on determining the most desirable incentive to encourage employee participation. We can arrange for vendors that include but are not limited to:

- All current insurance carriers & TPAs, FSA, Worksite, and other service providers;
- Onsite medical services such as biometrics, the "mammovan" and onsite angio screenings;
- Financial wellness services from local non-profits such as the Debt Management Credit Counseling;
- Gyms such as LA Fitness, Planet Fitness and YMCA; and
- Local vendors such as Costco and Sam's.

We will work with the City to identify preferred local vendors and community resources and will assist in outreach to develop a partnership with those resources. In some scenarios, we have already developed discounts through other clients which can be made available to others in the region. As a result of the variety of clients we serve we know of a large variety of wellness resources, vendors, and community resources to consider.

9. Respondents are required to be HIPAA compliant.

Our organization has established several policies and procedures to ensure the confidentiality, integrity, and availability of all our information and information systems. We formed these policies and procedures to minimize any risks to the organization from internal and external events. These policies and procedures cover areas such as: hardware and software purchasing, anti-virus and anti-spam systems, data management including data encryption and confidentiality, network and telecommunication security, and access controls and password usage. We are HIPAA compliant, maintain business associate agreements with all clients and vendors and adhere to best practices regarding the transmission of protected health insurance (PHI) and personally identifiable information (PII).

Specific examples of the use of security techniques to protect information include the strict use and monitoring of VPNs between computer facilities, the use of secure FTP (FTP/ES) for transferring files between our organization and external parties, the use of PGP public key encryption to secure information stored on systems, and the use of encrypted email for transmitting sensitive information.

HIPAA compliance is at the core of our processes and systems engineering which starts with executing Business Associate Agreements with clients, carriers, and other applicable vendors, utilizing "secure" email to transmit sensitive data and regular password and security updates. Gehring Group has implemented strict controls designed to protect customer data and ensure data availability and conducts an annual HIPAA risk assessment via a third-party authorized HITRUST CSF Assessor. Throughout the use of redundant communications infrastructure, processing environment, access controls, monitoring controls, and security policies/procedures, Gehring Group and Bentek are able to provide stable and secure services to its customers.

Gehring Group understands and remains in full compliance with the Privacy and Security regulations as well as the regulatory landscape specified by HIPAA legislation and federal and state privacy laws. In addition, all employees are required to complete an annual HIPAA training program to ensure an effective company-wide understanding of each employee's responsibility relating to data privacy and security, and ethics and integrity. These training protocols provide employees with an understanding of the importance of protecting the

confidentiality of client data. Such training and policies are part of our comprehensive corporate compliance privacy program.

10. Apprise the City of current issues in the areas of benefits law and administration.

Gehring maintains a strong commitment to remain at the forefront of new legislation, and to educate our clients in a clear and understandable, timely manner regarding updates and changes in federal and state legislation. We employ a proactive approach to learning, interpreting, and educating on all applicable regulations as released. Our compliance team includes in-house CPAs, our attorney partners, tenured licensed professionals, and seasoned human resources professionals holding the PHR and SPHR designations. We believe independence and transparency are important in our role as advisors. In order to play an "independent role" as your employee benefits consultant, Gehring is not currently involved in any specific political, regulatory or legislative activities. We do, however, remain informed regarding movements in regulatory activities on a very timely basis via our strategic partnerships.

Strategic Legal Partnership – Seyfarth Shaw

Seyfarth

Gehring Group retains Seyfarth Shaw's Benjamin Conley as an additional resource for legal issues and research regarding health and welfare plans, ERISA and other benefits related topics. Mr. Conley regularly advises on defined benefit and defined contribution plan compliance, ACA, Section 125, ERISA, COBRA, and HIPAA privacy regulations. He is also a member of Seyfarth Shaw's healthcare reform team and regularly consults with various governmental agencies such as the IRS, Department of Health and Human Services and the Department of Labor on health care reform developments, receiving clarification and interpretation of guidance directly from the source. One example of this is Seyfarth Shaw's participation in the American Bar Association's Joint Committee on Employee Benefits. This is an influential organization that meets regularly with representatives from the IRS to pose issues needing further clarification and discussion. This group oftentimes influences IRS regulatory decisions.

Focus on Client Education

Gehring Group is recognized within the industry as experts in the Employee Benefits field. During this time of legislative change, Gehring Group has taken on the role of becoming an educational resource for our clients by hosting several informative seminars on relevant topics. Our experts employ several methods of educating our clients and informing them about changes in federal, state, and/or local laws. These include:

- **Gehring Group Newsletters**
  Gehring Group provides you with updates regarding any changes in applicable laws and how they might affect your benefits program via our Gehring Group newsletters which are distributed via email and posted on our client portal. (**Exhibit D**)

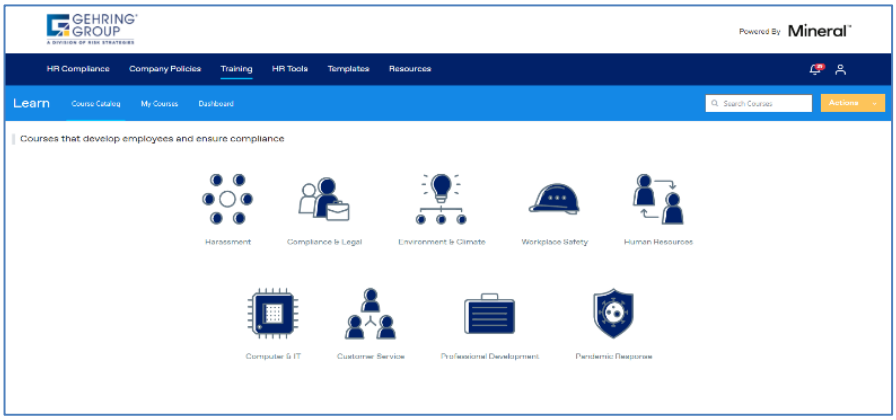
- **Client Seminars, Webinars & Workshops**

During the COVID-19 pandemic, Gehring Group hosted weekly webinars regarding the new legislation surrounding the Families First Coronavirus Response Act (FFCRA), the subsequent Coronavirus Aid, Relief, and Economic Security (CARES) Act, American Rescue Plan Act (ARPA) and corresponding legislation surrounding COVID-19. As part of our commitment to keeping our clients informed and educated, Gehring Group also hosts an annual two-day ***Insurance Education, Innovation, and Excellence Summit*** and provides recurring ***Benefits Administration Workshops*** on topics including: Benefits Basics; Public Sector 101 & Florida Sunshine Laws; Releasing and Bid for Benefits; Open Enrollment Planning; When Things Go Wrong; Industry Associations; Compliance Notices; etc. The sessions are designed for the public sector benefits administrator. We also recently introduced a ***Mental Health First Aid Workshop,*** a two-day class focusing on providing solutions when addressing increasing concerns around mental health and substance abuse disorders. These sessions are taught by our very own Anna Maria Studley, Director of Client Development and Joelle Kantor, Wellness Coordinator, both of whom have achieved certification as a *National Council Mental Health First Aid* instructor.

In the event of new legislation such as the ***Firefighter Cancer Bill,*** our experts hosted a special legislative workshop, providing legal resources to answer questions and guiding through the financial considerations and potential funding options. These additional educational opportunities enable our clients to connect with peers and discuss best practices and emerging trends.

- **Face-to-Face Meetings**

Last, but not least, Gehring Group will make a point to meet with clients, face to face, to address issues or opportunities specific to that client. It is our goal to provide our clients with any training and support as needed. Since Gehring Group sits on the agent advisory councils of many of the major insurance carriers in the state, we are often the first to be informed of new health plan trends and product offerings resulting from the new legislative mandates and can therefore keep our clients well informed of any programs or potential new cost saving opportunities. In addition, we meet with each client to address any changes in state or federal regulations that may affect them.



Gehring Group has taken a proactive stance and is consistently monitoring the current events taking place amidst the current fast-paced legislative environment. Gehring Group will provide the City with updates regarding any changes applicable to client benefits programs and assist in planning and preparation to remain in compliance with all legislative requirements.

MINERAL HR ONLINE RESEARCH TOOL

Mineral™

Gehring Group also provides *Mineral* to all clients <u>at no additional charge</u>. *Mineral* offers a one-stop resource for quick answers to thousands of human resources and employee benefits questions covering such issues as record-keeping, employment law, wages and withholding, workers' compensation, harassment, ERISA, COBRA, and FMLA. *Mineral* provides you with easy and immediate access to expert HR advisors who will provide information and answers in a timely manner to minimize the exposure and risk associated with legal and regulatory matters. These answers are provided via phone, web, or email, followed up with a written

response to summarize the issue and result. This services also includes over 200 safety training courses and the ability to assign and track completion of training.

HR Hotline – Immediate, unlimited help from PHR and SPHR Advisors via phone or email.

- Phone access to HR advisers anytime Mon-Fri, 9am-8pm EST
- Written/email follow-up on complex issues or researched matters
- National and regional expertise

HR Library – Immediate access to HR resources to solve your HR concerns.

- Thousands of forms, documents, tools, and checklists for every HR department
- Job description builder and salary benchmarking tools

Learn Pro – More than 200 online training courses that ensure compliance, reduce risk and drive employee engagement.

- Intuitive administrative dashboard
- Risk and Safety content
- Robust reporting

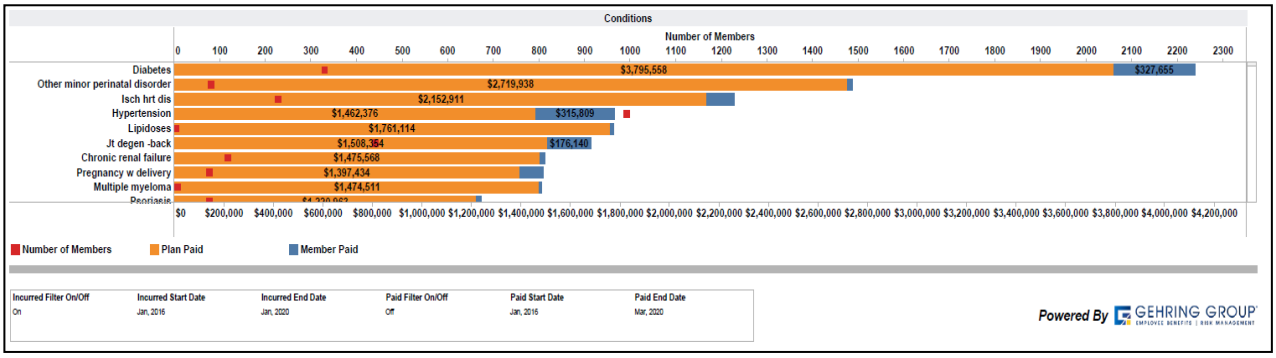
11. Act as liaison with insurance/contract issues.

Your Gehring Group team will be extensively involved in interacting with all of the City's carriers and vendors. We view our role as the liaison between the City and its vendors and represent your best interests in negotiating, coordinating, implementing and monitoring all aspects of plan benefits and service. We will be your liaison for any insurance or contract issues and consistently review carrier performance and interact with claims departments to ensure claims are processed correctly. In addition, we are able to negotiate performance guarantees with vendors regarding implementation, ongoing member service criteria and provider discounts.

Members of your service team are not only available to benefits administration staff and decision makers but are also directly accessible by employees and retirees. We are available to assist our clients and their employees in the resolution of unresolved claim issues. In addition to your assigned account manager, Gehring Group also provides three in-house Client Service Specialists who serve as employee advocates specifically for this purpose. These staff members are available to help employees work through claims issues by analyzing the issue and working with the carrier claims department or service representative as well as the provider's office to seek resolution. Our internal Client Service Specialists are also intricate in helping to

resolve escalated claims issues by assisting with writing appeal letters in the event a claim has been denied. Our Gehring Group team will follow up with the applicable carrier claims department or service representative and assist in gathering all required information and documentation and continuously follow up throughout the appeal process. They exhaust all avenues in their efforts to bring each employee issue to resolution.

12. Presentations to elected officials as needed.



Members of your Gehring Group service team are available to attend City Council meetings and conduct presentations to elected officials as needed to provide PowerPoint presentations, review coverage proposals and answer any questions the City Council may have. Members of your current Gehring Group service team are well-versed in working with the public sector and their elected officials. We feel it is our responsibility to support and nurture the relationship between City staff and elected officials as it relates to your benefits program.

Technical Services

1. **Health Plan Comparison/Utilization Analysis – The BROKER/CONSULTANT is expected to work with the City in securing and analyzing financial and claims data from each of the carriers on a quarterly basis, and/or as requested by the City in order to monitor City benefit plans. Once analyzed, the BROKER/CONSULTANT is expected to provide a summary explanation of the data emphasizing any important trends, emerging problems, etc. It is preferred that the BROKER/CONSULTANT have in-house utilization analysis of all City medical relationships, including managed-care alternatives.**

Gehring Group's Analytical Services Department staff members are experts in the evaluation skills necessary to present complex insurance information in an easy-to-understand format. Gehring Group will review monthly and historical claims experience, demographic data trends and plan performance from a financial perspective, providing a summary explanation of our findings. Our seasoned and experienced analysts review and evaluate each client's plan performance on a monthly or quarterly basis, seeking out any claims' anomalies, with further extensive analysis performed at scheduled intervals, typically annually.

One example how Gehring Group utilized this data in conjunction with benefit recommendations was for a City similar in size to the City. Upon our review of this City's top conditions by cost, we were able to illustrate to our client the extent to which treatment of diabetes was impacting their plan. With this information, we were able to make the recommendation to increase the level of coverage on this specific condition and lower the out-of-pocket costs for employees, ultimately increasing treatment and prescription drug adherence with the goal of better care resulting in a lower claims costs impact to the overall plan by those with diabetes.

In the event the City decides to transition to a self-insured medical plan, Gehring Group is proposing our NavMD claims analysis platform within the scope of services included within this proposal. Gehring Group's NavMD data analytics platform allows us to evaluate claims data and network utilization in real time to further optimize plan designs by review of claims data.

Data Analytics – Through our in-house NavMD platform, we are able to provide trend analysis, risk segmentation, high claimant stop-loss reimbursement reports, premium and funding assessments, provider network utilization analysis and most recently COVID-19 utilization summaries for our self-insured clients. This consistent monitoring and review will help determine whether renewal projections are in line and allow for any adjustments to budget expectations.

Gehring Group utilizes the NavMD data analytics platform to evaluate claims data and network utilization for our self-insured clients even further. NavMD Analytics is a predictive health analytics and health plan management system. It provides many clinical and risk measures of total populations and subpopulations, integrated with demographic data, compliance averages for Episodic Treatment Groups® of conditions, Episodic Risk Groups®, medical and pharmacy compliance, condition prevalence and slide calculators that automatically calculate Value Based utilization for pharmacy, (medical possession ratio) and outpatient best practice standards of care.

Plan Design Modeling – Plan Design Modeling is supported by the rich Data Analytics & Reporting capabilities. The Plan Modeling component is a core feature of the system designed to provide the information necessary to add value to health care planning. Whether you want to employ value-based plan design through employee intervention and wellness programs, or simply better track your high-cost populations in order to contain cost and retain higher cash flow, the Plan Modeling tool is where we capitalize on diligent data analysis.

These tools provide comparative analyses on proposed plan strategies using historical claims data by simulating the effect of plan modifications. Forecasting and modeling both simple and complex strategy adjustments against actual claims experience in your health plan. These tools interactively support creativity in plan design, producing innovative approaches modeled for higher cost savings, increased cash flow and improved plan efficiency.

The following includes various dashboard and utilization reports created in Gehring Group's NavMD Data Analytics platform utilized to conduct various types of analyses for our clients to pinpoint key metrics such as high-cost conditions, potential provider or benefit overutilization, wellness targets, etc. This tool also provides high level benchmarking that is real-time and specific to other public sector employers of similar demographics.

RISK strategies | GEHRING GROUP A RISK STRATEGIES COMPANY

2. **Compliance – The BROKER/CONSULTANT will advise the City on any federally mandated compliance requirements relevant to City plans and providing guidance, when requested, in developing compliance strategies.**

Gehring Group makes a proactive and timely commitment to provide the City with regular updates regarding any changes in applicable laws. Our team will also promptly advise the City on any federally mandated compliance requirements and provide guidance as necessary. We provide our clients, with updates regarding any changes in applicable laws and how they might affect your benefits program through various means including the issuance of newsletters, client seminars, workshops, webinars, and face-to-face meetings. Additional details surrounding our Focus on Client Education and legal resources through Seyfarth Shaw is included #10 under "General Services" above. In addition, Exhibit D: Sample Employee Benefit Newsletters includes several examples of such notifications on legislative issues. We are proactive on follow-up and will contact you directly in the event of any legislative changes that may affect your group or your coverage.

Due to Gehring Group's very proactive response to new legislation, we have hosted a number of workshops, informational seminars and webinars on new legislation for our clients and their benefits staff so that they have all the information needed to remain in compliance and are comfortable in their understanding of any new requirements. During the last several years, Gehring Group has hosted and presented at the following educational events:

February 21, 2023	**Webinar –** The End of the Public Health Emergency

As the insurance market continues to evolve, Gehring Group diligently reviews all newly available product offerings to ensure that our clients are always presented with the best available options while complying with all mandates and requirements of state and federal legislation. As detailed in prior sections of this proposal response, Gehring Group provides training and webinars on various topics relevant to benefits staff and the administration of the City's employee benefits program. These additional educational opportunities are

available at no additional cost and enable our clients to connect with peers and discuss best practices and emerging trends.

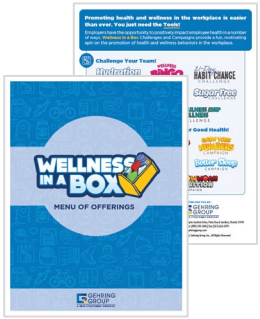
Additional tools utilized by our service teams include various external resources as well as checklists developed internally to assist with organization and compliance. Some of these checklists include:

- Annual Legislative and ACA Compliance Review
- Compliance Notices Review
- Account Management Open Enrollment Checklist
- Implementation Checklist (New Carrier, New Client)
- Member Appeal Process Checklist
- Analytical Final Decisions Checklist
- Graphics Timeline Checklist (Employee Benefits Highlights)
- Employee Benefits Highlights Booklet Review Checklist

Gehring Group has taken a proactive stance and is consistently monitoring the current events taking place amidst the current fast-paced legislative environment. Gehring Group will provide the City with updates regarding any changes applicable to client benefits programs and assist in planning and preparation to remain in compliance with all legislative requirements.

3. **Actuarial Report Services – The BROKER/CONSULTANT will assist in the preparation of materials required for an annual actuarial review of the City's Health Benefit program. This currently entails the City's annual actuarial filing pursuant to FS112.08 and GASB 75 OPEB valuation.**

In the event the City transitions to a self-insured arrangement, Gehring Group's analytical team (which consists of former carrier underwriters) will work in conjunction with our actuaries to perform required filings, annual projections, self-funded rate setting and reserve calculations to ensure independent actuarial review. We also work directly with the actuary and the TPA/Carrier to gather the applicable information to provide to the City's OPEB actuary in order to complete the annual GASB actuarial study. This typically includes acquiring data for both the active population and the retiree population and includes but is not limited to obtaining a census file containing: social security numbers, names, genders, dates of birth, percent of gross premium paid by the retiree, percent of gross premium paid by the retiree for dependents, health plan option selected, tier of coverage enrolled, and the retiree contribution provided by the employer. In addition, a census file must be received by the health plan that includes every individual covered (employee, retiree, and dependent) that includes an indicator of whether or not the individual has a Medicare status. The Medicare status will indicate: 0=not Medicare eligible; 1=process as secondary to Medicare Part A only; and 2=process as secondary to Medicare Part A & B. Also, if the employer provides the retirees group life insurance, census data will also have to be provided as the retiree receives an "implicit subsidy" by paying a "group premium rate" that is lower than the fair market value of the life coverage because of being bundled with the demographics of active employees. We will assist and coordinate the compilation of all required information.



4. **Section 125 Plan – The BROKER/CONSULTANT will participate in the review of all plan documents for accuracy and compliance with appropriate laws and regulations, and appropriateness of items to be included in the plan. This includes a review of IRS Form 5500 annually submitted by the City for accuracy and compliance.**

Gehring Group is available to review and assist with the filing of all required forms and advise on issues relating to items to be included in the City's Section 125 plan. In the event legal interpretation is required, Gehring retains Seyfarth Shaw's Benjamin Conley as an additional resource for issues and research regarding health and welfare plans, ERISA, and other benefits related topics. Mr. Conley regularly advises on defined benefit and defined contribution plan compliance, Section 125, ERISA, COBRA, and HIPAA privacy regulations. He is also a member of Seyfarth Shaw's healthcare reform team and regularly consults with various governmental agencies such as the IRS, Department of Health and Human Services and the Department of Labor on health care reform developments, receiving clarification and interpretation of guidance directly from the source.

5. **Wellness/Disease Management Programs- The BROKER/CONSULTANT will assist the City in evaluation, implementing and measuring the effectiveness of wellness and disease management programs.**

Gehring Group is a strong proponent of wellness programs and initiatives within the workplace. We have helped clients implement numerous programs and wellness initiatives to help control costs and improve their population's overall health and well-being. We have also employed custom designed Wellness programs to target chronic condition management, implemented innovative wellness programs which incorporate various types of incentives, and promoted additional health engagement through biometric screenings, the "mammovan", and blood glucose screenings.

Gehring Group has assisted numerous clients in implementing a structured wellness program with the goal of encouraging employees toward a culture of wellness while ensuring compliance with EEOC and ACA guidelines. We are available to assist our clients in developing a concrete wellness strategy with written goals and are there each step of the way. Gehring Group coordinates services between carriers, health and wellness vendors, and the client to facilitate the delivery of appropriate and coordinated health management and care management services through various outlets including clinics, educational seminars, management programs offered through the carrier, carrier resources, programs developed by the Gehring Group wellness team, and health improvement wellness challenge platform vendors. Gehring Group's Wellness Coordinators are also available to advise and assist in designing and implementing programs to help achieve effective population health management practices for your organization. Gehring Group's Wellness Coordinators have knowledge of various effective wellness vendors and can provide you with an overview of which services may be in your best interest.

For those clients seeking to keep employees more engaged in its wellness efforts, Gehring Group provides access to turnkey educational collateral that includes custom materials and program tracking for initiatives such as hydration challenges, nutrition tracking, walking and other initiatives. Successes of these various Wellness program initiatives include clients receiving honors for *Healthiest Employer* awards, Gold and Silver leveled mentions through *Tobacco Free Florida Wellness* awards, *BlueZone* community designation, *Mental Health USA's Bell Seal* and many more.

In addition to the regular monitoring of the City's claims experience and utilization trends, Gehring Group can use the aggregate results of these biometrics to provide valuable insight to aid in making recommendations for specific disease management programs offered by the City's carriers or other third-party vendors and

recommend plan changes to encourage preventive care visits and prescription drug adherence for those with chronic conditions. Our Wellness Coordinators also utilize this data to develop a long-term wellness strategy and make recommendations regarding the types of wellness initiatives to implement. Through the implementation of a long-term well strategy and scheduled programs and events, we can target the conditions and behaviors that will have the greatest impact to the health of your members as well as utilization of the health plan.

Our experience in recommending wellness program initiatives includes such Florida clients as the Martin County School District, City of Naples, City of Stuart, Charlotte County BOCC and the City of Clearwater. The following includes two case studies of how client wellness initiatives have positively impacted their benefits program:

Case Studies

Example 1: Municipality (400 employees)

Consumer Driven Health Plan Model with Wellness Initiatives

Over the past six years, this City has worked with Gehring Group and its health partner, CIGNA, to build a health improvement program to improve the well-being of its employees, but also help them realize the financial rewards of a healthy workforce. Creating a culture built on management support for healthy change has been crucial to the City's successful wellness journey. And the results of this five-year strategy have been record-breaking and award-winning by many standards.

Starting Simple

Recognizing that employees perform best when healthy, the City implemented a voluntary wellness incentive program. They rewarded employees for health actions, encouraging them to reach targets relating to such factors as BMI, blood sugar level, cholesterol, blood pressure and smoking with a reward of an additional $500 in a Health Reimbursement Account.

Building on Success

As the program gained traction, our team partnered with the City to implement Cigna's MotivateMe program to enhance their wellness efforts. Providing coaching online and over the phone, this program gives employee even more opportunities to be rewarded for achieving wellness goals. The coaching encourages employees to reach previously unattainable targets by improving nutrition, exercising, learning to manage stress, working toward a healthier weight, and ending tobacco use. Each year, the City comes closer to its strategic goal of behavior change. Participation in the wellness incentive program rose to 99% with increased funding from the City, employees' Health Reimbursement Account funding became dependent upon completion of a biometric screening and health assessment.

Today, the wellness program includes an extensive roster of strategies, ranging from exercise and healthy cooking programs to fitness challenges and health fairs. Through their Onsite Wellness Coordinator, the City has developed strategies and funding options that enable employees to use Cigna-provided programs as well as local resources. And as employees have become more engaged in their well-being, the efforts have shown significant improvement in workforce health and productivity – all of which contributes to greater fiscal well-being for the City and the City budget. **Most notably, this City has not had to change plan funding for four years in a row nor change what employees pay for their benefits.** In addition to this, the City has also accomplished the following achievements:

- **4 years with no rate increase to health plan**
- **99% Participation in Wellness Incentive Program**
- **22% increase in preventive care visits (60% vs. norm 25%)**
- **$288,000 in actual ROI from various programs**
- **11% reduced catastrophic claims cost per covered life**
- **7% decrease in blood pressure & 23% reduction in cholesterol risk levels**
- **4% decrease in High Risk Levels and 7% increase in Low Risk Levels**
- **Platinum Employer by AHA – BlueZone Approved – CIGNA WellBeing Award Recipient – American Heart Association Gold Workplace Health Achievement Award**

Example 2: Municipality (970 employees)

Wellness Program with HRA Funding Incentive

Using carrier-provided wellness funds, Gehring Group worked with this municipality to develop and implement a City-wide wellness initiative with achievable health targets and various physical activity programs throughout the year with the goal of engaging and encouraging employees to develop or maintain healthy lifestyles. As part of the implementation process, we also assessed the current health benefit design, modifying it slightly to increase projected claim savings to fund initiatives in future years. Our team met with City Leadership, decision makers, attorneys, and all unions to educate them on the short- and long-term advantages to their members and their families, resulting in full union approval from all bargaining units.

The program provides resources that allow employees to maximize their overall health and wellbeing. This voluntary program is offered to all employees who are enrolled in the City's medical plan and provides incentives for each wellness target achieved or each management program completed. Incentives can total up to $500 and may be accessed through a pre-tax Health Reimbursement Arrangement (HRA) account and utilized to offset plan deductibles, copays and other qualified out of pocket expenses. To receive the incentives, the program requires employees to complete an annual wellness exam, achieve specific target numbers and/or participate in various disease management programs and wellness incentive activities. The following is an example of the various programs and activities available:

Table 1: Wellness Initiative Program through the Employee Health Center (10/1/21 - 9/30/22)

Measurement	Target		Management Program	Incentive
Completion of a Health Risk Assessment (HRA) and Biometrics Screening				$75
Weight Measurement A. Body Mass Index (BMI) OR B. Waist Circumference	BMI: 25 or less OR A waist circumference Male <= 40 inches or Females <= 35 inches	If target not met, then enroll in one of these programs through the Clinic. Please note the length of programs on the following page to allow adequate time to complete prior to September 30, 2022.	Weight Management	$50
Blood Sugar	100 mg/dL or less or HGB A1C 6.0 or less		Diabetes Management	$50
Cholesterol	Total: 199mg/dL or less or HDL: 59mg/dL or above		Cholesterol Management	$50
Blood Pressure	Systolic: 135 or less Diastolic: 85 or less		Hypertension Management	$50
Nicotine Use	No use detected		Nicotine Cessation	$50

Table 2: Wellness Incentive Activities offered by the City (10/1/21 – 9/30/22)

Activity	Target	Incentive	Total
Living Well in PSL Programs	Complete Up to 3 Programs	$25 Each (Up to $75 Maximum)	Total Maximum Equals Up to $175
Exercise Participation	12 Days Per Month	$25 Per Quarter (Up to $100 Maximum)	
"Did You Know?" Seminars & Preventive Screenings	Complete Up to 4	$25 Each (Up to $100 Maximum)	

During the most recent plan year, 41% of employees received an incentive for participating in a health risk assessment, achieving various health targets, participation in smoking cessation programs, exercising twelve or more days per month and attending educational seminars/webinars. Although participation was slightly down due to the effects of COVID-19, this past year remains a success. The City and Gehring Group will be increasing its efforts relating to wellness communication and program options when it is safe to do so.

6. **Litigation – On rare occasions, the City may be involved in litigation arising from requests for proposals, contracting, or employee grievances. If such a situation should occur, the BROKER/CONSULTANT may be expected to assist the City in providing necessary materials and testify if needed.**

In the event the City is involved in litigation arising from requests for proposals, contracting, or employee grievances, members of our team are available to assist the City and the administration in proving necessary materials and testify, if required.

7. **Automated benefits administration and enrollment services and programs. The BROKER/CONSULTANT shall provide secure, automated benefits administration and enrollment services.**

It is our understanding that the City currently utilizes the *Employee Navigator* platform to perform its employee benefits online enrollment and administration tasks and reporting of eligibility to the applicable insurance providers. If the City is pleased with the current option, Gehring Group would assume the cost of any fees related to the Employee Navigator software platform and assist the City with supporting aspects of continuing to the existing system.

In the event the City is interested in a more robust enrollment platform that was built and customized for the public sector, Gehring Group recommends the Bentek Online Enrollment and Administration System. With Bentek's benefits administration and employee enrollment portal, public sector entities have been able to streamline their benefits administration processes and have a HIPAA secure, comprehensive solution to provide YEAR-ROUND benefits administration services and enrollment capabilities, ensuring a reduction in manual processes and increase in employee satisfaction.

Additional Gehring Group, Florida public sector entities that have increased their benefits administration efficiencies via Bentek include:

About Bentek®

Bentek® is a system developed over 15 years ago specifically to meet the unique needs of the public sector. It is an easy and convenient, online benefits enrollment and administration system that streamlines benefit enrollment by delivering a web-based enrollment solution to over 100 Florida public sector entities throughout the country.

Via Bentek, our clients have access to a sophisticated, completely paperless benefits enrollment and administration solution that increases efficiencies in numerous ways including:

- ☑ Allowing employees to access their benefits information 24 hours a day/365 days a year;
- ☑ Providing one central place for employers to administer all lines of benefits coverage for employees and retirees;
- ☑ Allowing automated eligibility transmissions to your carriers;
- ☑ Providing a more efficient way to record qualifying events and beneficiary designations, and more.

The online enrollment experience is designed to guide employees through the enrollment process in progressive steps, each tracked within the Enrollment Progress Bar. During any enrollment process (Open Enrollment, New Hire, Qualifying Event), employees can view both current and future enrollment and deduction information for all benefit options on one screen.

Bentek is a completely cloud-based benefits enrollment and administration solution that streamlines your administrative processes and provides a comprehensive solution inclusive of the following features:

Employee Self-Service

- Powerful self-service tool providing employees with 24/7/365 access from the comfort of their homes to view their real time comprehensive benefits summary, review and compare plans, report qualifying life events, upload supporting documents, view dependents, manage beneficiaries for life insurance and retirement plans, and more.
- Increased employee engagement with access to current enrollment, cost, plan documents, provider information and a plan comparison tool to assist with enrollment decisions.
- Customized content including open enrollment news, embedded links, and access to videos and presentations which create a system that is complete with benefit resources for employees.

Open Enrollment

- Provides a rules-based enrollment and customized user experience built with benefit logic, alerts, and informational notifications based on the client's plan eligibility rules specifically designed for the annual enrollment period.
- Ability to immediately upload supporting documents for dependent verification upon completing the annual open enrollment session.
- Provides a detailed confirmation statement of all elected benefits and deductions that can be saved, printed, and viewed in future sessions.
- Ability to access to detailed plan information such as Summaries of Benefits and Coverage, plan summaries, plan comparisons and acknowledge compliance notifications, disclaimers, etc.
- Supports passive enrollment to eliminate interruption to daily administration activities.
- Supports carrier, plan, and rate changes without requiring employees to re-enroll.
- Has no blackout periods during renewal planning and set-up.

New Hire Enrollment

- New hires have access to the New Hire Enrollment module in Bentek throughout their eligibility waiting period to elect benefits, upload supporting documents, and designate life insurance beneficiaries.
- Provides a rules-based enrollment and customized user experience built with benefit logic, alerts, and informational notifications based on the client's plan eligibility rules specifically for new hires.
- Ability to immediately upload supporting documents for dependent verification upon completing a new hire enrollment session.
- Displays all employer-paid benefits to employees during their new hire enrollment.

Benefits Administration

- Management of employee demographics, personnel data, coverage eligibility, and dependent records in one single system of record.
- Automatically transmits electronic eligibility to insurance providers.
- Offers administrators visibility into plan statistics and system activity via a customized dashboard and automated system notifications.
- Offers an Announcements and Communication Center to reach out to new hires and send reminders to employees during annual enrollment.
- Benefit Administrators can approve qualifying life event submissions and generate customized approval, pending, and denial letters.
- Personnel and Payroll audit features to maintain the integrity of data between the Payroll system, HRIS system, and Bentek.
- Generates self-bills for all lines of coverage.
- Provides access to over 40 standard reports.

RetireSweet$_{sm}$

With Bentek, employers can now streamline the management of retirees with a single solution to manage the entire employee and retiree population. Bentek's RetireSweet$_{sm}$ is packed with features to help Administrators track retiree eligibility, enrollment, premiums, pensions and more. The RetireSweet module includes the following features:

- Total years of service (original hire date)
- Retirement subsidies and subsidy calculators
- Pension plans
- Benefit eligibility
- Medicare Advantage Plans
- Retirement System Data Files
- Customized enrollment experience
- Individual retiree invoices with custom cover letters
- Retiree payment tracking system
- Comprehensive retiree reporting
- Automated system notifications
- Retiree specific dashboards

Advantage of the Gehring Group/Bentek® relationship.

Lastly, it is important to note the increased level of efficiency that is inherent in Gehring Group's preferred relationship with Bentek. This enables our clients to benefit from this unique synergy and provides Gehring Group with several service-related advantages including but not limited to:

- Immediate and increased access to reporting and census data for Gehring Group staff to assist employees with claims issues in a timely fashion;
- Ability to provide Bentek staff with information regarding renewal progress, negotiations and information updates;
- Full participation from the Gehring Group team during the renewal process, working hand in hand with Bentek to deliver a world class solution and streamlined communication to employees; and

Due to Gehring Group's continuous working relationship with Bentek, we are better able to serve in assisting staff and carriers/vendors with implementations, benefit updates and general enrollment questions.

Please Note: A separate Professional Services Agreement, Software as a Service Licensing Agreement, and Business Associate Agreement will be required to be executed by the City directly with Bentek, LLC.

Request for Proposal Services

1. **Develop RFP's for various City Benefits programs.**
    a. **In conjunction with the Human Resources department, prepare Requests for Proposals in compliance with the City's purchasing requirements, exploring all feasible plan designs, for employee benefit programs as needed.**
    b. **Develop evaluation criteria.**
    c. **Address any questions from vendors in the RFP process.**
    d. **Be present and participate in oral interviews as needed.**
    e. **Prepare a report analyzing the proposals using the evaluation criteria.**
    f. **If requested, prepare recommendations and defense of said recommendations.**

Gehring Group's strategy and service philosophy center around remaining involved with our clients on a year-round basis. We review all lines of coverage and benefits included in the total employee benefits program package, develop RFPs, conduct RFP processes, evaluate proposals, negotiate renewals, provide recommendations, and provide legislative updates, guidance, and education.

Gehring Group's traditional marketing process includes a comprehensive analysis of your current programs, past programs, claims history, in addition to numerous other factors including demographics and the local market. In addition to reviewing incumbent carrier renewal quotes, we would review a list of prospective carriers, coalitions, and trusts with HR staff in discussing whether to release any RFPs for the various lines of coverage. As an independent consultant our goal is to identify all available products and insurers are considered to ensure that you find the best match for your needs. Gehring Group's ability to conduct an independent assessment of carriers and network options allows us to focus on what is in the best interest of the City and its members. Our annual service and marketing process includes the following steps:

Market Solicitation (The RFP Process)

To provide you with enough time for the RFP process and subsequent decision-making process, Gehring Group prepares a timetable of activities including any approvals needed for final decisions. This schedule can be customized to accommodate additional onsite meetings, and any specific needs or additional services requested.

Our team, in conjunction with the Human Resources department, will prepare and release all requests for proposals as directed for all applicable lines of coverage. As part of our service, we conduct all phases of the procurement process for those lines of insurance as requested, from RFP development through the proposal analysis and recommendation process, coordinating with the City's HR and Procurement Departments as needed. This includes:

- Exploring all feasible plan designs, for employee benefit programs as needed
- Developing evaluation criteria.
- Addressing any questions from vendors in the RFP process.

- Be present and participate in oral interviews as needed.
- Preparing a report analyzing the proposals using the evaluation criteria.
- Preparing recommendations and defense of said recommendations if requested.

Our involvement in this process is very comprehensive. We feel it is our job to keep our clients up to date regarding any new products in the industry that may reduce administrative burden or aid in the reduction of health care costs. We have extensive experience bidding all lines of coverage, evaluating alternative funding arrangements as well as bidding for any additional coverages requested.

Proposal Evaluation & Recommendation

Upon receipt of proposals submitted in response to the RFP process, Gehring Group will perform a detailed analysis of each program offered. We will compare all proposals side by side to the in-force program and illustrate the program differences to include the advantages and disadvantages of each. This will include a detailed cost comparison which outlines the total cost of the program in addition to breaking down the costs related to employer and employee contributions and detailing all applicable proposal caveats or opportunities for multi-line discounts.

At this time, we will also compare provider networks to determine which proposers may be considered viable options in addition to performing a network disruption analysis and network discount analysis. During this stage in the procurement process, Gehring Group will meet with Staff to review our initial findings. Once our analysis has determined that particular vendors are viable based on cost, schedule of benefits, value-added services, A.M. Best rating, etc., we then attempt to clear up any details that must be clarified prior to making a recommendation. This process is a second level request for clarification and is conducted following the review of submitted proposals. As insurance is one of the few areas in public entity purchasing regulations where simultaneous negotiations can take place, it is always important for the RFP process to include a "best and final" interview process within the RFP timeline, negotiating performance guarantees where applicable. After such finalist negotiations and continuous communication with City staff, we will provide our formal evaluation and recommendation, based on your needs and goals.

Plan Renewals & Effective Negotiations

In addition to conducting a formal RFP or market solicitation process for the lines of insurance coverage included within your employee benefits program, Gehring Group will develop and assist with budget projections (if claims data is available), provide a timeline of expectations which includes securing the first offer of renewal at the earliest possible date to begin aggressively negotiating pricing and terms for your plan renewals. This is done early in the process to ensure the least amount of disruption as possible to your membership while balancing the client's needs, goals, and union commitments. Our specific focus on serving the Public Sector and client base in the region and state allow us to leverage the credibility we have established with insurance carriers and government trusts more efficiently. It is also important to note the ability of our experienced team to not only effectively negotiate the benefits and costs of your program(s), but also value-added services and benefits such as wellness services/funding, onsite carrier support, technology funding and aggressive pharmacy rebate returns. We get results both for the employer providing the benefit program and each and every member enrolled.

2. **Appeals – Prepare response to any administrative RFP appeals.**
    a. **Assist City Attorney in preparation of defense in the event litigation should result from the RFP process.**
    b. **Testify in court at the request of the City attorney if litigation should result from the RFP process.**

In the event the City is involved in litigation arising from requests for proposals, contracting, or employee grievances, members of our team are available to assist the City and the administration in proving necessary materials and testify if required.

3. **Contracts**
    a. **Assist with the development of contracts with vendors.**
    b. **Work with the City attorney to ensure contract legality.**
    c. **Conduct negotiations of benefits; plan design, premiums rates and performance guarantees.**

Gehring Group is available to assist with the development and review of vendor contracts in conjunction with the City Attorney and staff. This includes but is not limited to the negotiation of plan benefits, cost factors, and performance guarantees. We view our role as the liaison between the City and its vendors and represent your best interests in negotiating, coordinating, implementing and monitoring all aspects of plan benefits, costs and service.

4. **Implementation**
    a. **Serve as an intermediary (ombudsman) between the vendors and City during the implementation of new programs.**
    b. **Prepare rate-deduction spreadsheets.**
    c. **Review new program announcement material for content, appearance, compliance and accuracy.**

After the RFP, evaluation and decision-making process, Gehring Group team members take the lead with staff for program implementation and enrollment. Planning for open enrollment begins well before renewal time. Gehring Group's approach to open enrollment starts with the development of a renewal timeline detailing all aspects of the process, working backwards from the desired open enrollment period. Your Gehring Group Account Manager will be intricately involved throughout the planning and enrollment process, helping to coordinate the various steps of the process including but not limited to:

- Assisting in coordinating and attending employee informational and enrollment meetings at all sites as determined by the client. Inherent in this process is determining whether enrollment meetings will be mandatory, or optional.
- Determining open enrollment meeting format (i.e., health fair style, group informational meetings, one-on-one, and/or video);
- Coordinating meeting locations, times, collateral needed and if carrier representatives are requested;
- Providing additional staff to support multiple locations and time slots for employee meetings
- Arranging multilingual representatives (as needed)
- Developing communication collateral (i.e., open enrollment announcement posters, annual employee benefits guide, etc.);
- Facilitating technology partner (Employee Navigator or Bentek) plan and cost updates to the enrollment site;
- Facilitating cancellation or renewal of current insurer upon written acceptance;

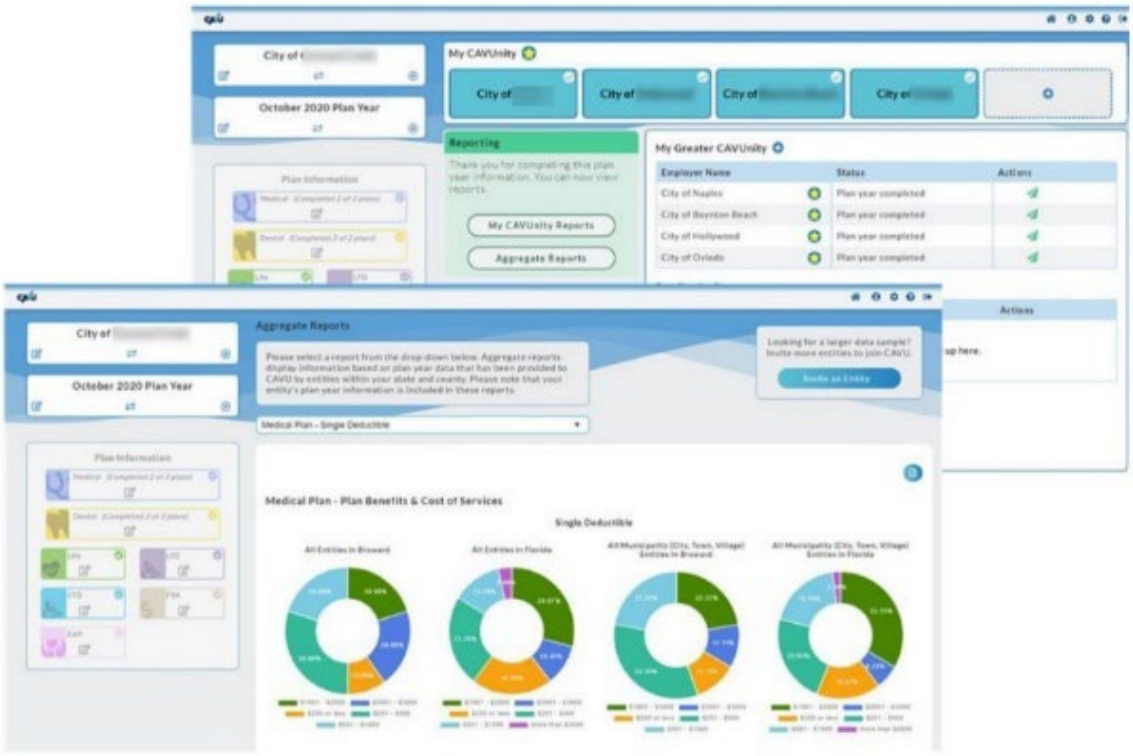
- Ensuring that applications and contracts for all new vendors are complete, accurate and forwarded to the applicable vendors in a timely manner; and
- Review all vendor contracts to ensure they are in line with what was proposed and presented.

Again, our team is available to assist with the annual open enrollment to conduct meetings, give presentations, and meet with employees individually to clarify any questions regarding their coverage. In addition, we can provide additional licensed staff to attend meetings at multiple locations and time slots if necessary. We can also conduct new-hire enrollments on a scheduled basis. Your Gehring Group Account Manager will maintain continuous communication throughout the plan year to provide support to staff with administrative, legislative, enrollment and billing questions.

5. **Ongoing Contract Services – It is expected that the BROKER/CONSULTANT will:**
    a. **Participate in negotiations with vendors on proposed rates and benefits changes to existing contracts.**
    b. **Audit existing contracts on an annual basis for satisfactory performance and contract compliance.**
    c. **Provide quarterly written analysis of the medical plan's claims experience.**
    d. **Periodically provide market analysis of current renewal actions for similar sized employers in southwest Florida and analysis of quality of services and value provided by various managed care vendors.**

In addition to conducting a formal RFP or market solicitation process for the lines of insurance coverage included within your employee benefits program, Gehring Group will develop and assist with budget projections, securing renewal offers at the earliest possible date to begin aggressively negotiating pricing, benefit changes, and terms for your plan renewals. This is done early in the process to ensure the least amount of disruption as possible to your membership while balancing the City's needs, goals and union obligations. Our specific focus on serving the public sector and client base in the region and state allow us to leverage the credibility we have established with insurance carriers and government trusts more efficiently. Also important to note is the ability of our experienced team to not only effectively negotiate the benefits and costs of your program(s), but also value added services and benefits such as wellness services/funding, onsite carrier support, technology funding and aggressive pharmacy rebate returns. We get results both for the employer providing the benefit program and each and every member enrolled. In addition, we would audit existing contracts on an annual basis for satisfactory performance and contract compliance as well as review all vendor contracts to ensure they are in line with what was proposed and presented to the City.

Gehring Group also provides our clients with reporting and analysis that is relevant to their funding arrangement on a timely basis, typically monthly or quarterly. We also monitor the group's "large claims" (i.e. claims approaching or exceeding the specific stop loss deductible or pooling level if fully insured) on a regular basis. These reports include but are not limited to:



- Claims experience (premium/funding versus claims)
- Cost per employee per month
- Renewal cost projections
- Executive cost summaries
- Large claimant lists
- Top utilized prescription drug utilization reports (by cost & by volume)
- Cash Detail Analysis
- Monthly Reinsurance claims report

- Provider displacement analysis
- Summary of benefits comparisons
- Real-time entity benefits surveys
- Employee/retiree surveys

As part of our continuous service, Gehring Group staff conducts detailed reviews, analysis, and projection sessions with decision makers at key points throughout the year. We consistently track claims utilization data of your program throughout the plan year to more effectively prepare for the budget planning and renewal process. We review available claims utilization reports to determine whether your programs are running favorably and utilize this claims data to forecast renewal projections and negotiate with vendors.

Additionally, Gehring Group periodically conducts a market analysis of entities similar in size and location to the City. The results of this survey would enable the City to measure your program benefits and costs against other public sector entities of like size and composition. We realize the value in maintaining a competitive benefits package as it relates to employee hiring and retention. This information would aid the City in maintaining a benefits program that remains competitive in comparison to its local market.

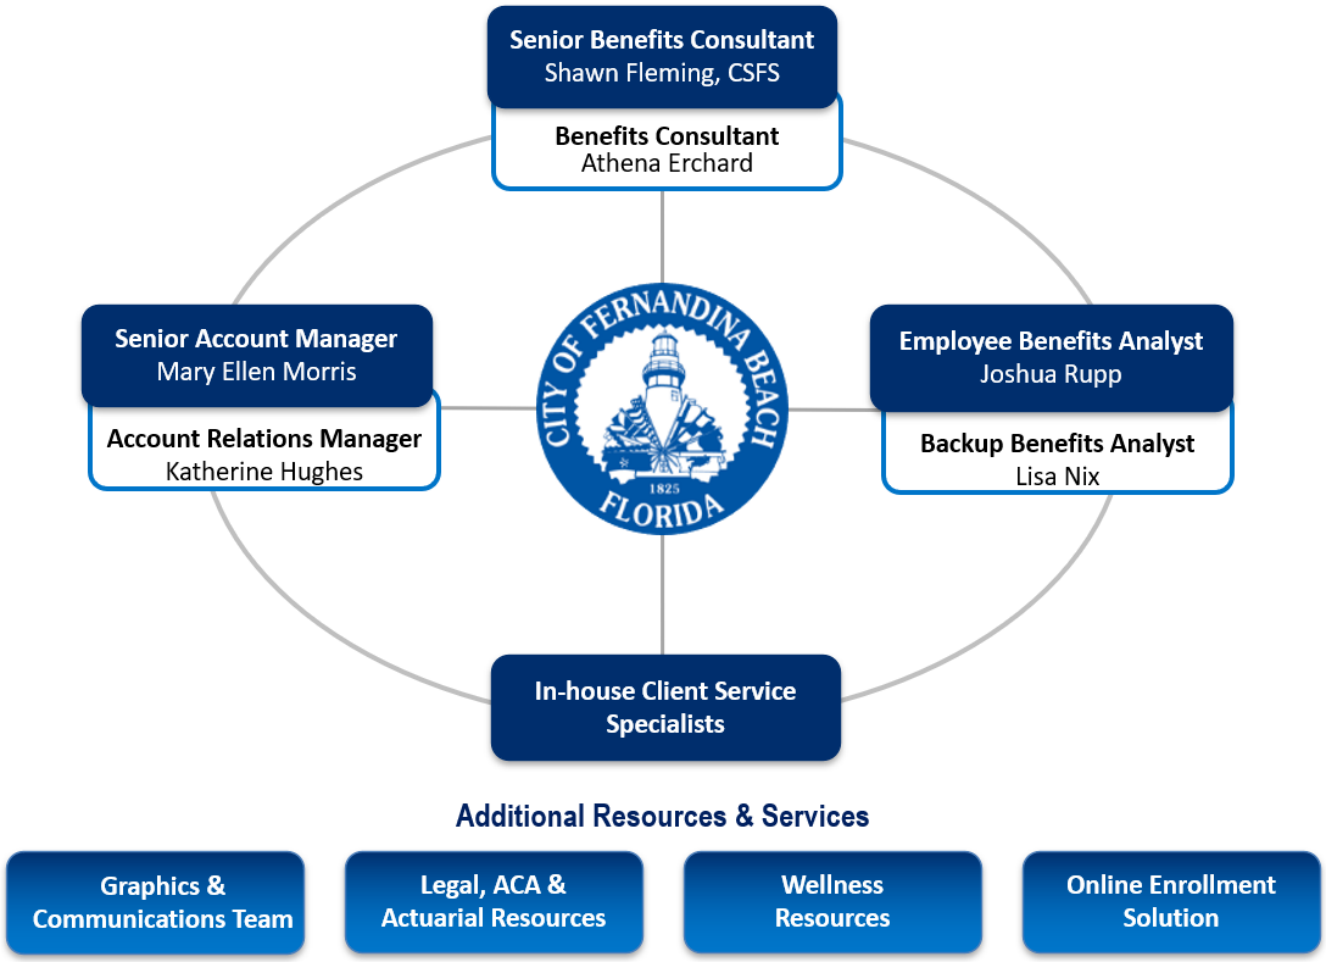
In addition, Gehring Group has developed a new public sector benchmarking tool. CAVU® is an online employee benefits benchmarking software specifically for public sector employers and went live and online in 2020. With this tool, public sector employers can complete a survey to enter their plan benefits and costs, compare their cost and benefits to other participating employers, and even invite other entities to participate. CAVU can provide valuable information on costs and benefit trends to aid public sector employers in making important decisions regarding plan options, schedules of benefits and employer/employee contributions.

Tab 3: Individual Qualifications

1. **Provide a resume for each individual that will be assigned to work on the City of Fernandina Beach account. Include account executives, account managers, marketing personnel, and other specialists that would actively work with the City of Fernandina Beach. Include an estimate of each key person's allocated time to the City of Fernandina Beach account. Include an organizational chart identifying the team and reporting structures.**

Gehring Group's service team consists of highly qualified personnel whose resumes include years of consulting for and servicing public sector clients. The service team proposed includes the following personnel:

Role	Name	Florida Insurance License #	Years of Industry Experience
Senior Benefits Consultant	Shawn Fleming, CSFS	E059700	19 years
Backup Benefits Consultant	Athena Erchard	A078425	25 years
Employee Benefits Analyst	Joshua Rupp	W307652	8 years
Senior Account Manager	Mary Ellen Morris	A184949	32 years
Account Relations Manager	Katherine Howard	W237417	7 years
Support Staff – i.e.: Graphics, Employee Advocates, Wellness		n/a	n/a



Licensing can be verified at: http://www.myfloridacfo.com/data/aar_alis1/

In addition to the above, each team has a variety of support personnel including wellness coordinators, graphic artists, actuarial resources, employee advocates, as well as additional subject matter experts in areas such as voluntary benefits, pharmacy consultants, actuarial services, data anlytics, mental health rescources and more. In addition, the City will also have direct access to additional staff resources with varying specialties and industry specific certifications including:

- Registered Employee Benefits Consultant – REBC
- Certified Employee Benefits Specialist – CEBS
- Professional and Senior Professional, Human Resources – PHR and SPHR
- Certified Self-Funding Specialist – CSFS
- Certified Healthcare Reform Specialist - CHRS
- Voluntary/Worksite Benefits Certification
- Benefits Technology Certification
- Registered Employee Benefits Consultant Certification - REBC
- USA Mental health First Aid – National Certification
- NAHU Medicare Certification
- Group Benefits Associate - GBA

Our service team model for the City of Naples is represented as follows:

Team Member Resumes

Lead Benefits Consultant: Shawn Fleming, CSFS

Professional Licenses: Life, Health & Variable Annuity
Additional Certifications: NAHU Certified Self-Funding Specialist
Education: University of Missouri
Degree: B.S., Business Administration
Years in Industry: 19 years

Expertise & Qualifications

Shawn began his insurance career in 2002 pursuant to earning his Bachelor of Science Degree in Business Administration from the University of Missouri. He has served as a Financial Representative for Northwestern Mutual, and immediately prior to joining Gehring Group in 2007, worked with another large brokerage firm. Shawn's responsibilities included analyzing current benefit plans for partners and employees, developing RFPs, and providing plan analysis to clients. While there, Shawn earned a reputation for using his detailed contract, demographic, and product analysis to ensure proper plan design and selection. Shawn has brought his extensive analytical and presentation skills to his position as Senior Benefits Consultant for the Gehring Group.

Entering his 16th year at Gehring Group, Shawn's focus has remained on serving the public sector. He has provided employee benefits consulting services for groups with 50 to 5,000 employees, implementing various benefits program strategies and steadily refining his level of expertise in all types of insurance programs and funding arrangements. In addition, Shawn also pioneered Gehring Group's efforts with regards to onsite clinic/wellness center consultation, a role in which he spearheaded the process for over a dozen Gehring Group clients throughout the state in the successful implementation of an onsite clinic, even integrating preventive and wellness services through the clinic for seamless claims reporting. As the subject matter expert on these initiatives, his expertise in this area combined with his knowledge of the health insurance market makes Shawn a valuable asset to any employer considering managing a self-insured health plan that integrates wellness services via an onsite clinic.

Shawn is also well respected as an insurance expert among the various carriers and vendors with whom Gehring Group works. He was requested to serve and remains a current member of Cigna's Agent Advisory Committee for the Florida Region which provides him with advanced notice of new product offerings as well as the opportunity to share feedback regarding carrier service issues and make recommendations to improve products and services. He has also built strong relationships with representatives from United Healthcare, Florida Blue, Human and Aetna as well as numerous ancillary and worksite coverage providers.

Public Sector Experience

Shawn currently serves as the Senior Benefits Consultant for such public sector entities as the Okaloosa County Board of County Commissioners, Walton County Sheriff, Pinellas County Sheriff's Office, City of Clearwater, City of Dunedin, City of Oviedo, Charlotte County Board of County Commissioners, and Highlands County Board of County Commissioners.

Benefits Consultant: Athena Erchard

Professional Licenses: Life, Health & Variable Annuity
Education: Palm Beach Atlantic University
Degree: B.A., Marketing & Psychology
Years in Industry: 25

Expertise & Qualifications

Athena Erchard is an experienced employee benefits professional with over 25 years of experience in the industry including time at a public sector employer as well as an international brokerage and consulting firm. During the course of her career, she has worked in multiple roles allowing her the unique opportunity to gain an understanding of the client perspective from different vantage points. Athena has spent over 10 years working specifically in the public sector large group space analyzing benefit plans, funding arrangements and insurance carrier data, researching and developing employer tools for comparing programs and managing open enrollments, benefit fairs and wellness programs. She has extensive experience in bidding for all lines of coverage including medical, stop loss coverage, dental, vision, life, disability and more.

Her work history is rich, building solid relationships with all major carriers, working with large group employers, and assisting through the navigation of healthcare reform and the options afforded in this cycle of the benefits arena. Athena has worked as a Senior Marketing Analyst, Account Executive and as an Employee Benefits division manager which provides her clients with an in-depth understanding through organizing and analyzing data to best fit the needs of employer group. Her communication skills and industry knowledge foster a dynamic relationship

with both clients and carriers. Her collaborative spirit helps maintain interpersonal relationships between brokers, clients, and employees. She has been instrumental in developing strategies that include various funding arrangements based on client objectives with consideration of the insurance marketplace, budget objectives, benchmarking, and legislative compliance.

Public Sector Experience

Athena is a member of the National Association of Health Underwriters, Florida Association of Health Underwriters and Tampa Bay Underwriters organizations. Her current clients include the Highlands County Board of County Commissioners, Tampa Bay Water Authority, City of Venice, West Manatee Fire District and City of Marco Island.

Senior Employee Benefits Analyst: Joshua Rupp

Professional Licenses: Life, Health & Variable Annuity
Designations: AHIP (DHP, HIA, & PHIAS)
Education: University of North Florida
Degree: B.S. Psychology, A.S. Paralegal
Industry Tenure: 8 years

Expertise and Qualifications

Joshua recently joined Gehring Group, bringing eight years of insurance industry experience and knowledge to our team of employee benefits analysts. Joshua discovered his interest in data analytics while serving as an undergraduate research and teaching assistant at the University of North Florida. His pursuit of this passion ultimately resulted in the permanent decision to work in the area of benefits consulting.

Prior to joining the Gehring Group, Joshua entered the industry as a marketing assistant for a large brokerage firm, quickly moving up to the position of Benefits Marketing Manager and later becoming a Benefits Analyst. During that time, his constant drive for continuing education resulted in becoming the team's subject matter expert in medical stop loss insurance and other alternate funding options. He also served as the team's internal educator/trainer, vendor/carrier liaison, and the benefits marketing/analytics resource.

Joshua's educational background in the area of law has also contributed to his understanding of and ability to analyze and compare benefits contracts, which improves leverage throughout the carrier negotiation process during clients' annual benefits renewals. Additionally, his experience in analytics has helped to identify and delineate action items for yearly benefits strategy review meetings, providing opportunities for the client to address the needs of their employees while tackling claims costs. Lastly, his experience in benefits marketing has led to a comprehensive understanding of plan designs and funding arrangements offered by major carriers and TPAs, providing additional cost levers when making changes to plans or carriers/vendors.

Joshua's responsibilities as Senior Employee Benefits Analyst will include (but are not limited to) providing claims analysis over the course of the year, working with the Lead Consultant throughout the annual renewal process, and providing any ad hoc analyses and benchmarking that could prove helpful to the needs of the client.

Public Sector Experience

Joshua's experience prior to joining the Gehring Group/Risk Strategies team includes serving a number of public sector entities in the North Florida area.

Senior Account Manager: Mary Ellen Morris

Professional Licenses: Life, Health & Variable Annuity
Certifications: Worksite Specialist (NAHU)
Education: University of Windsor Ontario, Canada
Degree: B.A., Communications
Years in Industry: 32

Expertise and Qualifications

Mary Ellen Morris will serve as the County's Senior Account Manager assisting staff and its employees with day-to-day benefits related issues. Mary Ellen will have direct responsibility for coordination and conducting open enrollments, providing claims, wellness fair assistance in addition to aiding with billing, carrier issues, and acting as the service resource to her clients. She is supported by several other Gehring Group staff members including other account managers, in-house account relation specialists, analyst, claims and software specialists for the Bentek benefit platform. She will be a direct contact regarding all service aspects for the City's employee benefits programs including implementation, open enrollment, employee claim issues, and compliance.

Mary Ellen began her career as an Account Executive for Humana Health Insurance serving in several professional rolls from Group Medicare Manager for three counties to Account Executive for Palm Beach County. Mary Ellen's career has included insurance product sales, employee benefits, broker account management, team management, regulatory compliance, health care reform, education, and training. As the health insurance environment has evolved over the years, Mary Ellen has had firsthand experience with not only large employers but also small and individual, Medicare as well as ancillary product lines.

At Gehring Group, Mary Ellen plays a pivotal role in building and maintaining strong relationships with clients, and insurance carriers. Mary Ellen's expertise, experience and ability to multi-task enables her to work very effectively and independently with complex employee benefit programs consisting of group medical, dental life, vision, pharmacy management, disability, and worksite benefits. In this professional position Mary Ellen works with clients and insurance carriers to implement insurance programs, resolve benefit administration issues, and deliver ongoing superior customer service.

Mary Ellen also takes pride in bringing a consultative approach for clients as well as their members, understanding that benefits can be a stressful, complicated process for many.

Public Sector Experience

Mary Ellen's clients include such public sector entities as the St. Lucie Tax Collector, City of Hollywood, City of Marco Island, City of Sanibel, City of Sebastian, and Solid Waste Authority of Palm Beach County.

Executive Team & Additional Staff Resources

Kurt Gehring, National Practice Leader – Public Entities

Professional Licenses: Life, Health & Variable Annuity, General Lines Property & Casualty, Surplus Lines
Education: Florida State University
Degree: BA – Marketing
Industry Tenure: 30+ years

Expertise & Qualifications

Kurt Gehring is an alumnus of Florida State University and currently serves on FSU's College of Business Board of Governors. His commitment to the local community also shines through his corporate support of various community and charitable organizations such as the Florida Sheriff's Youth Ranches, the Crockett Foundation, as well as his service as a member of the Board of Directors of the Arc of Palm Beach County.

An insurance industry veteran with over 30 years' experience, Kurt is an insurance expert licensed in Health, Life, and Variable Annuities, Property and Casualty Insurance, and Surplus Lines License. Kurt has successfully recommended, implemented, and serviced various types of employee benefit, workers' compensation and property and casualty insurance programs, while specializing in the large group market. Recognized for his extensive knowledge, expertise as well as his excellent communication skills, Kurt has been a featured speaker at various conferences on a variety of insurance topics.

Kurt founded the Gehring Group with the mission of providing clients the highest level of service exceeding, not only industry standards, but also client expectations. Recognizing the inherent challenges in servicing organizations with a large number of employees, various contracting parties, and insurance obligations, Kurt developed Gehring Group's unique, team-based approach customized to meet the specific needs of each client. Kurt inspires each Gehring Group employee to make an unprecedented effort to address each situation both promptly and effectively. The success of the Gehring Group is a direct result of this promised and delivered, unparalleled service standard.

Under the guidance and visionary leadership of Kurt Gehring, Gehring Group clients have successfully implemented leading edge concepts such as Consumer Directed Health Plans, Onsite Clinics, and Innovative Wellness Programs. In addition, the Gehring Group developed Bentek®, an internet-based employee benefits administration system in order to meet the growing benefit administration needs of its clients. This system allows clients to conduct internet enrollments, transmit electronic eligibility to insurance carriers, and provides employees with access to an "Employee Benefits Center" help site. The Gehring Group's growth and success in maintaining long lasting client relationships is a result of its strong commitment to personalized service to its clients as an independent resource, facilitator, advocate, and advisor.

Kate Grangard, CPA, Managing Director - National Public Entities Practice

Professional Licenses: Certified Public Accountant, Certified Health Care Reform Specialist
Honors: Board Member – The Lord's Place; 2016 Class of "Leadership Florida"
Education: Fordham University
Degree: BS – Business Administration, Public Accounting
Industry Tenure: 25+ years

Expertise & Qualifications

Kate Grangard graduated with honors from Fordham University in 1987 with a B.S. degree in Business Administration with a concentration in Public Accounting. She is a licensed Certified Public Accountant in Florida and has also held licensure in New York. Kate is a member of the American Institute of Certified Public Accountants, the Florida Institute of Certified Public Accountants, and an associate member of the Association of Certified Fraud Examiners, a member of the Florida Government Finance Officers Association, and the Government Finance Officers Association. Kate began her career in public accounting with the Metropolitan Services Group of Price Waterhouse in Manhattan. As an auditor, she worked on a variety of industry clients including financial institutions, insurance companies, and pension funds. After moving to Florida, she continued her Price Waterhouse career in the West Palm Beach office.

Mrs. Grangard also spent 11 years as Vice President of Finance for a Florida based national restaurant chain. In her position, she developed and managed the accounting, risk management, employee benefits, and information technology departments. In this executive position, she designed and implemented highly successful internal control and risk management programs and formulated and implemented company policies and procedures. In addition, in the finance arena, she successfully obtained senior debt facility commitments and maintained the commercial bank and financing partner relationships. Notably, Kate's achievements in the risk management area while in this position resulted in substantial savings to the company. In managing this department, she gained experience in the property and casualty, general liability, workers compensation, employee benefits, and umbrella insurance sectors. Her ability to first recognize contributing factors to trends and negative experience, and subsequently effectively negotiate and redesign program parameters resulted in substantial savings to her employer.

Kate brings her extensive management, finance, audit and analytical experience, and customer service commitment to her leadership role with the Gehring Group: and is a cultural zealot. Kate is a legislative compliance lead on the Health Care Reform Acts for our clients and is respected as a highly regarded speaker and educator on health care reform updates for various state and national conferences and groups. Additionally, as COO/CFO of Gehring Group for over 16 years, Kate is responsible for overseeing the growth and development of the Company's finances, infrastructure, and team members so that Gehring Group is able to meet its commitment to provide the highest level of customer service to its clients.

Kate is a highly respected and requested speaker, including as Keynote, on healthcare legislation at various public sector conferences including GFOA, SALGBA, FPHRA, FGFOA, and FPELRA. She also authors and presents webinars and seminars throughout the year believing her role to be an educator committed to informing clients regarding compliance and planning. She is a provider for Continuing Education credits for CPAs and human resources professionals; and her sessions are regularly also accepted for credit for payroll professionals and attorneys.

Kate has always had a strong commitment to her community and to the public sector clientele Gehring Group serves. Kate currently serves on the Health Care Reform committee as part of the legal working group of the Council of Insurance Agents & Brokers; as a member of GFOA's CORBA (The Committee on Retirement and Benefits); and on the Employer Working Group of NAHU (National Association of Health Underwriters). Kate loves her South Florida Community and currently serves on the Executive Board of The Lord's Place, an organization in Palm Beach County dedicated to breaking the cycle of homelessness; is a mentor for Women of Tomorrow; and a 20+ year member of the Jupiter-Tequesta Kiwanis Club. She is also a graduate and active lifetime member of Leadership Florida (Class XXXV).

Anna Maria Studley, Director of Client Development

Professional Licenses: Life, Health & Variable Annuity
Education: Suffolk Community College
Degree: Associates – Accounting and Business Administration
Industry Tenure: 40+ years

Expertise & Qualifications

A fifteen-year veteran of serving the public sector here at Gehring Group, Anna Maria Studley is a seasoned professional with over 40 years of experience in the insurance industry and has obtained vast experience undertaking many roles in the insurance sector. Her work history includes time as a General Agent and a Consultant, experience with two national insurance carriers, owning and operating a third-party administration company, and experience as Director of Account Management with a national brokerage firm. Her responsibilities have included: providing analysis of benefit plans and claims utilization, oversight of the RFP and evaluation process, management of various funding arrangements, coordination of open enrollments and health fairs, and the handling of escalated member issues and billing reconciliation. Licensed in 26 states, she has also serviced such large employers as IBM and FPL where she managed several multi-state employee benefit programs, performed health insurance claim audits, and assisted with the completion of required Form 5500s. Her expertise in compliance issues, state and federal regulations also make her a valuable asset the Gehring Group team and the clients she serves.

In addition, Anna Maria brings invaluable insight and experience from her employment experience with two national health insurance carriers. Her years at these carriers enabled her to gain special expertise regarding the inner workings of an insurance carrier and provided the opportunity for the establishment of significant industry relationships. As Senior Benefits Consultant and resource to your Gehring Group service team, Anna Maria is responsible for overseeing all aspects of client service and technical analysis to ensure delivery of the highest level of service with the ultimate goal of achieving both client and member satisfaction. She is supported by several other Gehring Group staff members including account managers, benefits specialists, and analytical staff. Most recently Anna Maria has obtained her certification as a *National Council Mental Health First Aid* instructor who is able to proactively provide solutions when addressing increasing concerns around mental health and substance use disorders. She has also achieved the National Association of Health Care Underwriters' *Medicare Certification* which meets all CMS requirements and complements each plan sponsor's plan-specific training.

Anna Maria's experience at Gehring Group includes servicing clients to whom she brings the experience and knowledge to lead each client in its effort of maintaining a cost-effective program.

Danielle Shull, Director of Client Experience

Professional Licenses: Life, Health & Variable Annuity
Education: University of Florida
Degree: B.A., Business Administration
Industry Tenure: 18 years

Expertise & Qualifications

As Director of Client Experience, Danielle is a client advocate, responsible for identifying opportunities in which Gehring Group can continue to meet the short and long-term needs of our valued clients. A highly respected and valued member of the Leadership Team, Danielle also sits on the Sales and Marketing Team, assists with team

member training, identifies, and promotes process improvement, and provides recommendations that enhance the growing needs of our clients. Prior to her current role, Danielle served Gehring Group as the Manager of Account Management Services and Training and prior, a Senior Account Manager, for over 10 years, where she successfully developed long lasting client relationships based on a foundation of trust, integrity, and outstanding performance. As Senior Account Manager at Gehring Group, she assisted in overseeing the account services team and was involved with all aspects of account management including expediting the resolution of contractual, coverage, billing, and claim disputes, planning open enrollments, presenting at employee enrollment meetings, implementing comprehensive wellness programs, as well as organizing seminars and events.

During her tenured career with Gehring Group, Danielle has achieved exceptional client satisfaction. Danielle's extensive experience, high standards, and commitment to both the client and Gehring Group are contributing factors to her success in this position. With the trust of her peers and leadership, Danielle's input and recommendations are highly valued contributions to the ongoing success and growth of the organization.

Danielle is a dedicated leader both inside and outside of the office. Danielle has sat on multiple wellness committees assisting clients with development of strong worksite wellness programs. She currently serves on the Gehring Group Company Event Planning Committee, assisting with the various events of the Company's Helping Hands and Hearts Committee. Danielle also represents Gehring Group on the Marketing Committee of the Council of Insurance Agents & Brokers in Washington, D.C. and sits on the boards of the Executive Leadership Council of the Leukemia Lymphoma Society of Palm Beach County, and the Executive Board of the Palm Beach County Women's Chamber of Commerce, for whom she chairs the Giraffe Awards, a highly anticipated annual celebration of women leaders in the community.

Kimberly Hall, Analytics Team Supervisor

Professional Licenses: Life, Health & Variable Annuity
Education: Immaculata College
Degree: B.S., Mathematics/Computer Science/Physics
Industry Tenure: 30+ years

Expertise & Qualifications

In her role as the Analytics Team Supervisor, Kim Hall will be responsible for overseeing the team performing the financial and analytical aspects relating to the account. She will also be an additional contact regarding all financial aspects of the Citys's benefits program.

Kimberly is a tenured professional with extensive experience in the Underwriting and Actuarial Services arena. Prior to joining the Gehring Group, Kimberly spent 28 years in the underwriting department of Blue Cross Blue Shield of Delaware where she served as an Underwriting Senior Consultant and then promoted to Tactical Manager where she provided operational management to the entire underwriting department. In this role, she was responsible for developing, evaluating, and recommending underwriting strategies designed to increase market share by providing cost-effective solutions for clients. She was also involved in conducting analysis of client data and financials, monitoring performance, rate setting strategy, coaching and account level guidance and collaborating between sales, account management and other key internals. As Tactical Manager for over 10 years, Kimberly served as a company-wide resource on matters pertaining to rating and was responsible for reviewing and approving the work output of the entire unit, as well as delivering top-notch consulting work on the most "premier accounts".

Kimberly Hall earned her Bachelor of Science Degree in Mathematics/Computer Science/Physics graduating Sigma Zeta Math/Science Honor Society from Immaculata College, Pennsylvania. Upon her move to Florida, Kim joined the Gehring Group team in early 2015. Having worked with Local and National governmental accounts, her level of expertise has proven and invaluable resource to our team.

Wellness Coordinator: Joelle Kantor

Professional Designations: MCHES, CCWS, USA Mental Health First Aid Train the Trainer
Education: University of North Florida
Degree: B.S.H., Community Health, Minor Health Education
Years with Gehring Group: 6 years
Industry Tenure: 9 years

Expertise & Qualifications

A skilled professional with focus in corporate wellness program implementation, Joelle has valuable experience in designing and implementing wellness, fitness, and health improvement programs and promotions. Joelle's experience involves working with both large and small employee populations, and she is focused on long-term participation and results.

As Wellness Coordinator at Gehring Group, Joelle employs a combination of experience, knowledge, enthusiasm, coordination, and empathy to deliver cost saving, achievable, proven, and innovative programs to our clients. During her years working in this specialized field, Joelle has worked in both the private and public sectors and has achieved a reputable resume which includes the planning and coordination of aggressive wellness program initiatives, wellness fairs and biometric screenings for populations of 50 to over 2,000 employees.

In addition to these accomplishments, Joelle holds a bachelor's degree in Health Science from the University of North Florida, with a Minor in Health Education, and has also achieved the *Masters in Certified Health Education Specialist* and *Certified Corporate Wellness Specialist* health and wellness related credentials including mental health and PTSD.

---

2. Provide a profile of the proposed account executive's current client assignments. Your submittal should include the number of accounts, their complexity, and some reference to time allotments for each.

Gehring Group takes much into consideration when assigning a client service team. This includes the complexity of programs, funding arrangement, plan anniversary date, size of group, wellness initiatives, availability of technology tools, etc. Time allotments for each staff member may vary from group to group and year to year based on the ongoing activities of the group such as carrier changes, implementation of new plan options, wellness initiatives, etc. For example, an account manager would need to spend more time with a group who is conducting a mandatory open enrollment versus a group conducting a passive open enrollment (changes only). Likewise, a client conducting a comprehensive RFP process for all lines of coverage would require more time from its Senior Benefits Consultant than a group who received an aggressive renewal offer from an incumbent carrier with whom they are very satisfied. We structure our assignments so that service requirements can be met timely, and deadlines do not accumulate at a one particular time of the year.

Shawn Fleming, your assigned Senior Benefits Consultant, and his team have significant public sector experience, serving the employee benefits needs of groups with 80 to 5,000+ employees, self-insured and fully insured. His client base ranges in size and complexity, have varying funding arrangements and have plan anniversary dates at varying times throughout the year. The time spent on each client depends on a variety of factors including whether there is a bid/RFP process planned during the year, new initiatives being implemented, renewal strategy, onsite clinic performance (if applicable), and more. Gehring Group strategically aligns our consultants and their teams with a client base to ensure they have the time and resources to provide a superior level of service. Shawn's current client profile is as follows:

Public Sector Clients	Fully Insured	Self-Insured	Total Clients
Over 1,000 employees	1	4	**5**
500-999 employees	1	6	**7**
100-499 employees	4	11	**15**
Less than 100 employees	6	0	**6**

Tab 4: Firm Qualifications & References

1. **Provide a brief history and description of your firm. Include a description of resources or services that may be utilized that are not housed in your local office. Separately, provide a description of services and resources that may be introduced to the City of Fernandina Beach over time that may add value to its employee benefits program or other business objectives.**

Gehring Group, a Risk Strategies Company, is pleased to provide this proposal in response to the City of Fernandina Beach's RFP #23-03 for Employee Benefits Consulting and Brokerage Services. Through our extensive experience over the past 30 years serving as Benefits Consultant/Broker for over 130 Florida public sector entities, we are confident that our firm will offer efficiencies, value-added services, in-depth public sector experience, and an unparalleled service standard with the goal of not merely meeting the City's needs, but exceeding City expectations. With team members having an average of 12.2 years and leadership having an average of 17.9 years of industry experience, Gehring Group has grown to become one of the most respected insurance and risk management consulting agencies in the state. Our team meets all years of service, licensing and technical requirements outlined in the RFP and is known for its innovative approach to employee benefits.

Gehring Group, Inc. was a Florida corporation for over 30 years prior to becoming a Risk Strategies Company on January 1, 2022, and now has even more to offer. Risk Strategies has over 4,000 valued team members and places employee benefit program premiums in excess of $2.5 billion per year. We are industry leaders, ranking in the top three in the country in various specialties and have a robust offering in both employee benefits and property and casualty.

As part of the Risk Strategies family, Gehring Group continues our public sector focus, currently serving numerous clients similar in scope and size to the City of Fernandina Beach who have successfully implemented leading edge concepts such as Consumer Directed Health Plans, creative Stop Loss programs, Onsite Clinics, and Innovative Wellness Programs. In addition to expert level benefits consulting services, we are also known for the value-added services that we provide to our clients including:

- Legislative Updates & Planning
- Employee Advocacy Services
- Actuarial Services & Data Analytics
- Custom Graphics & Communications
- Wellness Program Consulting
- Employee Health Center (Clinic) Consulting
- Human Resources & Compliance Resources
- Educational & Networking Opportunities

We hold a strong commitment to hiring talented high caliber professionals for our team and remaining on the cutting edge of industry innovation. Our philosophy is to provide a comprehensive level of superior brokerage and employee benefits consulting services to each of our clients. We take an innovative, proactive approach to continuously enhance the quality of our performance level beyond industry standards. We are a collaborating partner, helping each client accomplish their desired benefits program goals by developing long term strategies and working diligently to produce positive results through analytics, innovation, and technology. In addition, all service team members have achieved their Florida insurance license and can legally advise employees regarding their benefit options.

Available Resources

Throughout the years that Gehring Group has been servicing our public sector clients, our firm has provided numerous services and additional resources to accomplish our goal of providing a superior service standard with expert consulting experience. The level of available resources has continued to expand along with the availability of new products and technology in the healthcare and insurance marketplace. These resources include but are not limited to:

- Production of annual employee benefit guides and targeted employee communications at no additional cost to the City
- Educational webinars and seminars on various relevant employee benefits, human resources, and compliance topics
- Access to our client portal containing valuable information regarding employee benefits and healthcare reform
- Access to Mineral, an online human resources research tool
- Expertise in clinic consulting to spearhead the process of bidding for, evaluating, implementing and overall management oversight an onsite employee health center (if applicable)
- A service team available for all scheduled meetings as well as attendance at all open enrollment meetings
- Service representatives available to meet with employees on an individual basis to assist in resolving claim issues or answer any general insurance questions
- Two Gehring Group employees who have obtained their certification as National Council Mental Health First Aid instructors who are able to proactively provide solutions when addressing increasing concerns around mental health and substance use disorders
- Actuarial services for annual rate setting and reserve requirement calculations as well as the required annual 112.08 Filing of Actuarial Soundness
- Gehring Group's NavMD data analytics tool through which we can provide trend analysis, risk segmentation, high claimant stop-loss reimbursement reports, premium and funding assessments, provider network utilization analysis and most recently COVID-19 utilization summaries.
- Access to CAVU® public sector benefits benchmarking tool

In addition to the above, Gehring Group staff members are consistently evaluating cutting edge products and services in order to provide our clients with up-to-date information on all cost saving alternatives.

2. Describe any special expertise your firm has in providing employee benefits and insurance services to clients with similar or related business activities, specifically include experience with self-insured health plans offered by government employers. Include a list of current client relationships (local or otherwise), if not included in your references.

Special Expertise

Since Gehring Group's client base consists of public entities, our firm is uniquely qualified in its understanding of public entity issues. We understand the bid process and public record laws while maintaining knowledge of the constantly changing and complex Statutes that apply to governmental organizations. This specialized knowledge is especially vital when negotiating renewals and program changes with insurance carriers, Florida

insurance trusts, and health insurance consortiums. We have access to benchmark information and are familiar with the Florida insurance market as a whole.

Additionally, our staff has extensive experience with evaluating, implementing, and servicing all types of programs that include Health Savings Accounts (HSA), Health Reimbursement Accounts (HRA), Consumer Driven Health Plans (CDHP), and Cafeteria Plans. Through our knowledge and expertise, Gehring Group is able to aid clients in determining which plans represent viable options in order to assist management in making informed decisions regarding new concepts and identifying benefit programs that are in the best interest of their organization and membership. We work with the City to ensure that all union and benefit obligations have been considered throughout any RFP, evaluation, and implementation process, and that the resulting contracts conform with the City's obligations under any union agreements. During Gehring Group's tenured experience, we have assisted our clients through a variety of plan and funding changes, transitioning clients from being fully insured to minimum premium to a totally self-insured arrangement in order to take advantage of the savings associated.

We also support our clients in our role as advisor in the face of new legislation issued by each new administration. We have assisted and continue to assist our clients through the compliance steps mandated by the Affordable Care Act and were first on site to guide our clients through the legislation relating to the COVID-19 pandemic including the FFCRA, the CARES Act, the America Rescue Plan Act (ARPA), etc., and routinely guide our clients with compliance and preparing financially in anticipation of legislative regulations. During this time of legislative change, Gehring Group has taken on the role of becoming an educational resource for our clients by consistently hosting informative seminars and webinars on relevant topics.

Gehring Group has proven to be invaluable in assisting clients to control spiraling benefit costs. We continually ensure clients are up to date and informed on the latest market trends and recommend that our clients make employee benefits management a strategic initiative by defining objectives and developing an action plan based on meeting those objectives and ensuring an organized, complete approach to fulfilling our clients' benefits and budget needs.

Self-Funding Expertise

Gehring Group's experience with self-funded medical plans extends back three decades. We have extensive expertise in managing self-funded programs for both small and large group entities and have transitioned numerous employers from a fully insured arrangement to a self-funded arrangement with specific and aggregate stop loss. Our experience includes:

- Obtaining the necessary eligibility, updated schedule of medical benefits and claims history required to market stop loss coverage and third-party administrator services.
- Preparing market requests for medical stop loss insurance quotes and TPA ASO services and confirming any special coverage options or changes requested by the City.
- Sending requests for stop loss quotes to carriers and third-party administrators identified as key providers for this type of service and coverage.
- Negotiating with carriers including confirmation or clarification for coverage terms and pricing prior to completion of the market analysis.
- Preparing a comprehensive analysis of all stop loss proposals reflecting coverage terms, contract basis, price and noting any deviations from current terms/coverage.
- Collaborating with our actuary in the gathering of all necessary claims information, lag reports, funding information and policy documents necessary to complete the City's Annual Filing of Actuarial Soundness as required under Florida Statute 112.08 for self-insured plans.

- Providing the actuarial services to perform required IBNR calculations and annual health plan rate setting.
- Integrating the services of an employee health center (onsite clinic) with the self-funded medical plan (if applicable).
- Implementing a comprehensive wellness program with premium and/or HRA funding incentives.
- Evaluating carrier pharmacy coverage options including carving out pharmacy benefit with a PBM (Pharmacy Benefit Manager).
- Presenting final market analysis with supporting narrative to the City.

To effectively market as self-funded program, we at Gehring Group consider many factors. We must present and negotiate a plan that is in line with our clients' goals, contribution structure, plan design, union obligations and entity structure. We would also consider the available health insurance carrier ASO options and provider networks and discounts available under such. We also consider all the various types of stop loss coverage options. To solicit the most competitive stop loss quotes, we would review for the City's consideration all cost saving options, including but not limited to:

- Traditional specific deductible with aggregate coverage,
- Aggregating specific deductible options,
- Stop loss tiered pooling options,
- Features such as monthly maximum liability accommodation,
- Stop Loss Captives, Limited liability tiered pooling options, etc.

Currently, approximately 50% of Gehring Group clients are self-insured and range in size from 40 to 4,000 employees. For many of the following clients, our team has spearheaded the entire transition process from being fully insured to self-insured, providing guidance and recommendations as necessary. Some of these clients include:

1. City of Oviedo (330 employees)
2. City of Rockledge (225 employees)
3. Keys Energy Services (210 employees)
4. City of Dunedin (320 employees)
5. City of Palm Bay (900 employees)
6. City of Clearwater (1,800 employees)
7. City of North Port (620 employees)
8. City of Cocoa Beach (300 employees)
9. Hernando County Board of County Commissioners (1,030 employees)
10. Pinellas County Sheriff's Office (2,700 employees)

Self-insured clients also have greater access to claims data and require consistent attention and monitoring; therefore, we perform monthly, quarterly, and annual in-depth analysis of overall plan performance data utilizing Gehring Group's NavMD Data Analytics Platform. Through our in-house NavMD platform, we are able to provide trend analysis, risk segmentation, high claimant stop-loss reimbursement reports, premium and funding assessments, provider network utilization analysis and most recently COVID-19 utilization summaries. This consistent monitoring and review will help determine whether renewal projections are in line and allow for any adjustments to budget expectations.

3. Describe your firm's efforts to remain current on business and employee benefit issues relating to the City of Fernandina Beach business profile, including industry or association memberships, if applicable.

Gehring Group maintains a strong commitment to remain at the forefront of industry trends, new legislation, cutting edge benefits technology tools, and new types of insurance programs offered by insurance companies and third-party administrators to remain ahead of the curve. Our team also monitors all legislation that affects our clients. For example, our ACA specialists are available for questions relating to the 1094/1095-C filing requirements and is currently assisting all clients in completing the newly required prescription drug reporting implemented as a result of the Consolidated Appropriations Act (CAA).

Gehring Group is well respected as a forward-thinking consultant. We were on the forefront of evaluating the concept of the employer onsite clinic and determining the potential cost savings available under such an arrangement. Inherent in our onsite clinic experience, we have independently advised on, and implemented numerous onsite/near-site health center models with various clinic service vendors. Entities similar in size and scope for whom we have implemented onsite health centers include the Palm Beach County Sheriff's Office, City of Clearwater as well as the Charlotte, Hernando, and Martin County Boards of County Commissioners. We have also assisted numerous public sector clients in evaluating various benefits technology tools such as online open enrollment and administration systems.

INDUSTRY ASSOCIATION MEMBERSHIPS

Additionally, Gehring Group's expertise is well-known throughout the state as evidenced by the repeated number of requests for our staff members to be featured speakers at various Florida public sector associations and other national organizations including:

- FAC – Florida Association of Counties
- FASD – Florida Association of Special Districts
- FERMA – Florida Educational Risk Management Association
- FGFOA – Florida Government Finance Officers Association
- Florida League of Cities
- FPELRA – Florida Public Employer Labor Relations Association
- FPHRA – Florida Public Human Resources Association
- Florida Institute of Certified Public Accounting Chapter Meetings
- PRIMA – Public Risk Management Association
- RIMS – Risk & Insurance Management Society
- SALGBA – State and Local Government Benefits Association
- SHRM – Society for Human Resource Management

Gehring Group is also a member of each of the above listed associations through which we are able to stay abreast of all issues public sector entities are facing today.

TRADE MAGAZINE & WELLNESS RECOGNITIONS

In addition to recognition as industry experts, Gehring Group has earned other significant achievements within the prior four years are outlined below. Being selected as an honoree for these awards is a great tribute to each and every one of our employees, and reflection of our corporate culture; as well as a reflection of the support we receive from our clients.

4. Provide five current client references of similar size, complexity, or with similar needs. Limit your response to those clients that are principally serviced from your local office.

All of the following clients are serviced from Gehring Group's Palm Beach Gardens located. Note that the proposed employee benefits analyst is based in Jacksonville, FL.

Tab 5: Identified Services Areas

1. **Employee Benefits Assessment and Analysis – Provide a summary of your firm's process in conducting risk assessment and analysis for firms similar to the City of Fernandina Beach. Identify resources to be used, if not already part of the proposed service team. Provide samples of internal or external reports that are a product of such assessment and analysis. Based upon the information currently available, identify areas of emerging risk relative to the City of Fernandina Beach operations, or risk warrants greater attention.**

As an independent agent/consultant, Gehring Group focuses on recommending programs that best meet the needs of our clients. Inherent in this process is evaluating the programs currently in force and available solutions. Although this includes evaluating cost factors within our analysis; we also take into consideration plan benefits, network availability and discounts and how they may vary from carrier to carrier and region to region. A.M. Best rating and reputation for service is also considered in our goal of ensuring that each client's program is in line with their employee benefits philosophy and budgetary constraints.

During Gehring Group's long-term relationship with our clients, we have been able to utilize the RFP process as well as our significant market leverage for our clients who have a fully insured medical funding arrangement. Gehring Group also encourages our clients to not only focus on premium costs, but also on behavior modification with an emphasis on driving better overall health outcomes. This includes a focus on preventive care, prescription drug adherence and consistent evaluation of preventable chronic conditions through regular provider visits. Creating a healthier employee population ultimately results in lower claims costs in the long term as well as lower increases in medical and prescription drug expenses.

THIS APPROACH INCLUDES:

- Deep dive analysis into detailed claims reporting utilizing Gehring Group's in-house NavMd and Aviso analytics platform;
- Identifying and targeting modifiable health behaviors and plan cost drivers to encourage appropriate utilization of healthcare dollars;
- Identifying emerging risk categories to proactively make recommendations for cost saving solutions;
- Implementation of wellness strategies and disease management programs to impact high-cost targets; and
- Analysis of implemented programs and results, making adjustments as necessary based on the data.

Consequently, our clients have experienced positive outcomes that are the cumulative result of many strategic efforts including the implementation of the Employee Health Center, incentivized health risk assessments, and the implementation of carrier wellness incentive program. This has been evidenced by the below average cost increases in comparison to national trend. One example is the identification of diabetes as a high-cost chronic condition through our NavMD Analytics tool. With this knowledge, an employer is able to consider making changes to plan design to encourage better self-care by reducing costs for treatment.

Emerging Risks

Some of the major areas of emerging risk for all employers includes the onslaught of the COVID-19 global pandemic and the unknown burden it will place on employers as well as the mental health of the nation.

Additional risks include the rising costs of specialty medications and the introduction of gene therapies as addressed below.

COVID-19 Pandemic

At the beginning of the COVID-19 global pandemic, Gehring Group immediately provided our clients with educational and legal resources particularly in regard to the new employment rules and regulations as established by the FFCRA and the CARES Act, and now ARPA, to ensure that all of our clients were compliant and remained up-to-date with legislation that was changing on a daily basis as it related to employment law, absence management, benefits administration, and insurance coverage changes. During the peak of the pandemic, Gehring Group held six legislative update webinars and established a Client COVID-19 Resource Center. Our webinar topics entailed:

- Impact on Public Sector Employers
- Families First Coronavirus Response Act: Emerging Guidance & Answers
- Understanding COVID-19 and the Testing Alternatives
- COVID-19 Return to Work Considerations and Decision Making
- Reopening During a Pandemic: Is it Safe to go back into the Water?
- Protecting Your Organization from Cyber Crime
- Let's Talk COVID Vaccines (Expert Panelist: Dr. Pete LoFaso)
- FFCRA, COVID Related Employer/Employee Update (Expert Panelists: Ben Conley, Ron Kramer of Seyfarth Shaw)
- Outbreak Period, Vaccine Update, and the Considerations of the American Rescue Plan Act (ARPA) on the Public Sector (Expert Panelists: Ben Conley, Ron Kramer of Seyfarth Shaw)
- Tax Credits and COBRA Benefits under the American Rescue Plan
- The Fourth Wave: Updates on Vaccine & Mask Mandates
- COVID in our Midst: Understanding the Current State of Affairs

In addition, our analytical team has begun to analyze the impact of COVID claims to our clients' medical programs. Gehring Group will continue to monitor and assist our clients throughout this pandemic and provide all the tools and resources available to the City which includes monitoring claims exposure, return-to-work products, as well as virtual solutions for employee communications and open enrollment.

Mental Health

Recognizing that the status of mental health of our employees has become an ever-increasing concern for employers and the nation as a whole, Gehring Group has made several investments to expand our knowledge of the issue. This includes having two Gehring Group employees obtain their certification as National Council Mental Health First Aid instructors who are able to proactively provide solutions when addressing increasing concerns around mental health and substance use disorders. In addition, Joelle Kantor, the City's Wellness Coordinator has also been certified as a Counselor for the Crisis Text Line (www.crisistextline.org).

Gehring Group's most recent annual two-day Public Sector Summit also included a significant amount of relevant content, providing information and communication solutions to help employers address this concern including:

- Tackling Mental Health in the Workplace, Taylor Adams, Director of Workplace Mental Health, Mental Health America
- Moving Forward Together: How the Pandemic is Impacting Different Generations, Kim Lear, Keynote

- Wired & Tired: The Physical & Mental Manifestation of Living Through a Pandemic, Dr. Lucy McBride, Board Certified Internist, Mental Health Advocate
- Responding to Misinformation:, Dr. Joe Smyser, CEO, Public Good Projects

In addition, Gehring Group hosted a *First Responder Mental Health Focus Group* to help address the concerns of our clients' Police and Fire employees.

Specialty Pharmacy Cost Escalation

As mentioned previously, specialty pharmacy costs are exceeding all costs at an extremely rapid pace. Gehring Group continually monitors solutions that are available in the marketplace to help reduce the exposure of these exorbitant cost increases. We have identified several areas of opportunity to assist in reducing these costs and have been reviewing with our clients throughout our renewal discussions.

Specialty Pharmacy and Gene Therapy Cost Escalation

Specialty pharmacy costs are exceeding all costs at an extremely rapid pace. In addition, Gene therapies are expensive, and a single treatment can cost millions of dollars. Gehring Group continually monitors solutions that are available in the marketplace to help reduce the exposure of these exorbitant cost increases. Gehring Group can research and identify areas of opportunity to assist the City in reducing these costs and will consider further throughout our renewal discussions in the future.

Gehring Group will keep the City apprised not only of those emerging risks, but also any potential programs or solutions to mitigate the amount of risk to the City.

2. **Marketing – Describe your firm's proposed marketing processes and strategies. Provide comment on current program structure and pricing (to the extent possible) with particular emphasis on your firm's assessment of the insurance market. Include identification of resources that are not part of the proposed service team. Provide a suggested listing of markets that may be considered for each major line of coverage, including your rationale for such a course of action. Include any intermediaries to be used and your relationship with those companies. (Note: The City is requesting a sample only of the markets that your company would use for an account of the size of Fernandina Beach).**

Marketing & Strategic Planning

An employee health benefits program is one of the most significant cost drivers in any employer's budget, as well as the greatest tax favored benefit an employer can provide an employee. In the current COVID and regulatory environment, the resulting changing marketplace, and the widespread availability of technology tools – benefits program management, cost mitigation, communication and compliance are achieved for our clients through people, planning, innovation, process, and product.

Gehring Group's strategy and service philosophy center around remaining involved with the City on a year-round basis with extensive strategic planning, data analysis and setting of future goals. We review all lines of coverage and benefits and work with the City's HR Department and Purchasing to develop the RFP and determine those lines suitable for bidding. Gehring Group's traditional marketing process includes a comprehensive analysis of the current programs, past programs, claims history, in addition to numerous other factors including demographics and the local market and is fully described in Tab 2 under Request for Proposal Services. In addition to reviewing the incumbent carriers' renewal offers, we would review a list of prospective carriers, coalitions, and trusts with HR staff in determining whether to release any RFPs for the various lines of coverage.

Gehring Group employs a number of strategies in developing a long-term strategic plan. Our plan includes regular meetings with you to understand your organization's goals, budget, organizational considerations, culture, and plan competitiveness compared to benchmark and local entities. Additionally, we look at your organization's loss experience for multiple years and perform analytics on your data utilizing in-house software and technology to develop forecasting scenarios for your current plan design and providing the City with annual budget projections based on actual claims utilization. Our review also considers agreements made through collective bargaining as well as retiree offerings. In our lengthy experience serving the Public Sector, we have learned that each client's needs are unique; from geographic location and employee demographics to union relations and retiree coverage; therefore, Gehring Group utilizes a customized approach to determining the needs and priorities of each client, focusing on making recommendations that are sustainable and specific to the client and their specific situation. Our goal is to recommend programs to drive long-term cost savings versus merely reducing benefits to the employee population to drive cost savings.

One example of a client's long-term strategy included a three-year path to increasing the aggressiveness of their wellness program with the goal of targeting unhealthy lifestyles – adding incentives for physical activities in the first year; adding wellness health targets verified by physicians in the second year; and finally, a non-smoker incentive in the third year, all while monitoring utilization and making plan changes to curb abuse year over year. Other clients have set goals to transition from a fully insured arrangement to a minimum premium arrangement in order to get more comfortable with the concept of self-funding. Others have implemented such concepts as an onsite employee health center, onsite health coaches and wellness coordinators and incentives for participation in health risk assessments.

We understand that employee benefits are a very important aspect of an employee's compensation package. Accordingly, we agree that a long-term strategic benefit plan must be in place to allow both the employer and employee anticipate and prepare for stepped change be it financial or regarding plan design. Gehring Group's goal is to maintain long-term client relationships and assist our clients in developing long range strategies to conform to the client's overall financial goals. Getting the most out of your benefits dollar is one of our primary goals when servicing our clients.

Gehring Group is also known for being an innovator in the employee benefits marketplace. We evaluate all emerging cost saving options to determine viability for our clients and review new plan options made available under new legislation. For example, we were the first to implement consumer driven health plans as well as other cost saving strategies such as onsite clinics in the Public Sector. Through our knowledge and expertise of all types of plan designs and funding arrangements, Gehring Group staff is able to aid our clients in determining which carriers and programs represent viable options in order to assist management in making better-informed decisions regarding the implementation of new concepts and ascertaining whether they are in the best interest of the organization. For some groups this may mean consolidating the number of plans to better consolidate risk and reduce adverse selection, while for other entities it may mean providing more plan options to better accommodate the needs of various types of employee populations within the entity who may be seeking varying coverage levels or alternatively, more affordable premium costs.

We also evaluate the benefits of various other concepts including telemedicine, value-based plan designs, specialty physician designation cost share differences, plans with "narrow networks", carving out pharmacy coverage with a pharmacy benefit manager (PBM) and live diabetic monitoring with mobile-enabled glucometers via a third-party diabetes management vendor. Gehring Group remains ahead of the curve regarding the evaluation and implementation of new cost saving concepts in order to locate creative cost saving solutions and guide our clients through the entire selection and implementation process. We review and consider all available cost saving options when developing a strategic plan with our clients.

Insurance Markets

Considering that the number of major medical insurance carriers has continued to shrink over the past years, it is important to consider not only the cost of the proposed plans, but also the value-added services that you may be gaining or losing by switching carriers. These services may include wellness dollars, wellness program options, assistance with Medicare D filings with CMS (Centers for Medicare & Medicaid Services) and the depth of disease management programs.

As an independent agent/consultant, Gehring Group focuses on recommending proposals that best meet the needs of our clients. We take into consideration how plan benefits may vary from carrier to carrier as well as A.M. Best rating in our goal of providing each client with the program is most in line with the client's employee benefits philosophy and budgetary constraints. The following includes, but is not limited to, insurance markets with whom Gehring Group may consider for the City during the market solicitation process for each major line of coverage:

3. Data Management – Provide commentary on the projected needs for the City of Fernandina Beach relative to data management and your firm's approach to meeting those needs. Include resources or systems that might be utilized to enhance this area of benefits management.

Data Management with Bentek®

Gehring Group has assisted a number of our clients to achieve additional benefits administration efficiencies associated with open enrollment process and benefits program as a whole through the implementation of the Bentek Online Enrollment System. Bentek® segregates processes and embodies three online modules:

1. The **Client Administration System** allows for one point of entry for employee benefits data management and performs the functions of an employee benefits data management system all year round, allowing for regular electronic transmission of eligibility data to carriers.
2. The **Open Enrollment Module** allows internet access for employees to confirm or make changes to their benefits and/or plan selections for the upcoming plan year.
3. The **Employee Benefits Center** allows internet access to employees giving them the capability to view and modify (as allowed) and request modification of their benefit elections and deductions, and link to benefit booklet information.

Through Bentek, our clients have been able to better manage life insurance beneficiary designation, achieve automatic transmission of eligibility updates to multiple insurance carriers, simplify the reporting of qualifying events subject to the administrators acceptance, have the ability to print a report of changes to employee benefits for bill reconciliation, maintain coverage data for ACA filing purposes, and offer an employee benefits center with links and forms that mitigate informational request calls to HR; in short, Bentek® serves as another member of your benefits administration team. It remains a customizable solution that has proven itself an invaluable, easy to use resource for over 100 Florida clients, who have applauded the responsiveness and professional knowledge exhibited by Bentek staff.

Bentek continues to enhance its enrollment platform with recent new features such as dashboard widgets, employee text messaging, customizable reports, multi-factor authentication, decision support plan comparisons, and retiree administration (RetireSweet®). In addition, the new Admin Assist feature allows administrators to log in as an employee to see what they see and answer enrollment questions much more quickly.

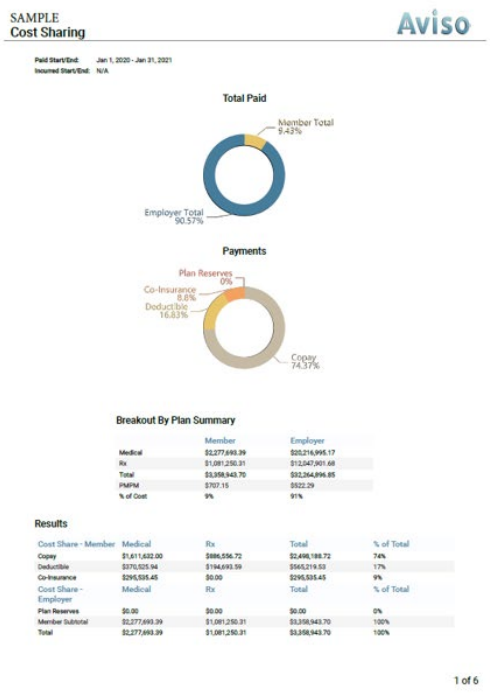
Additional information regarding the advantages and features of the Bentek software is included in Tab 2, question 7 under *Technical Services*.

Data Management with NavMD Data Analytics

For our fully insured clients, our analytics team reviews carrier claims experience reports, large claims lists, and claims trends on a monthly basis to identify additional wellness targets, potential benefit overutilization and prescription drug cost saving opportunities.

For our self-insured clients, we perform monthly, quarterly, and annual in-depth analysis of the overall plan performance data utilizing Gehring Group's NavMD Data Analytics Platform. Through our in-house NavMD platform, we are able to provide trend analysis, risk segmentation, high claimant stop-loss reimbursement reports, premium and funding assessments, provider network utilization analysis and most recently COVID-19 utilization summaries to our self-insured clients. This consistent monitoring and review will help determine whether renewal projections are in line and allow for any adjustments to budget expectations.

Gehring Group utilizes the NavMD data analytics platform to evaluate claims data and network utilization for our self-insured clients even further. **Gehring Group NavMD Analytics** is a predictive health analytics and health plan management system. It provides many clinical and risk measures of total populations and subpopulations, integrated with demographic data, compliance averages for Episodic Treatment Groups® of conditions, Episodic Risk Groups®, medical and pharmacy compliance, condition prevalence and slide calculators that automatically calculate Value Based utilization for pharmacy, (medical possession ratio) and outpatient best practice standards of care.



Plan Design Modeling is supported by the rich Data Analytics & Reporting capabilities, the Plan Modeling component is a core feature of the system designed to provide the information necessary to add value to health care planning. Whether you want to employ value-based plan design through employee intervention and wellness programs, or simply better track your high-cost populations in order to contain cost and retain higher cash flow, the Plan Modeling tool is where we capitalize on diligent data analysis.

These tools provide comparative analyses on proposed plan strategies using historical claims data by simulating the effect of plan modifications. Forecasting and modeling both simple and complex strategy adjustments against actual claims experience in your health plan. These tools interactively support creativity in plan design, producing innovative approaches modeled for higher cost savings, increased cash flow and improved plan efficiency.

The following includes various dashboard and utilization reports created in Gehring Group's NavMD Data Analytics platform utilized to conduct various types of analyses for our clients to pinpoint key metrics such as high-cost conditions, potential provider or benefit overutilization, wellness targets, etc. This tool also provides high level benchmarking that is real-time and specific to other Public Sector employers of similar demographics.

RISK strategies | GEHRING GROUP A RISK STRATEGIES COMPANY

4. **Program Design – Provide a brief summary of potential program designs that may be appropriate for the City of Fernandina Beach for the major lines of coverage. Include the rationale for your suggestions. Given the information provided, identify your firm's key strategies in evaluating the optimum alternatives for the City of Fernandina Beach in the major lines of coverage.**

Gehring Group looks forward to continuing our successful track record in proposing strategies to drive long-term cost mitigation and savings for the City of Fernandina Beach and its medical and prescription drug programs. Furthermore, we will initiate our discussions regarding various innovative strategies that include, but are not limited to:

- The implementation of a Value-Based Benefit Program – This type of program would, for example, reward those individuals with chronic conditions by providing lower deductibles, copays, etc. as a reward for proper adherence to the appropriate standards of care.
- Promotion of Centers of Excellence – We would investigate the implementation of network steerage programs to encourage members to utilize "centers of excellence" programs and facilities for specialties such as orthopedic and cardiovascular services, in addition to transplant services.
- Specialty Pharmacy Programs – Specialty Pharmacy costs continue to outpace all other medical and prescriptions costs at an extremely rapid pace. Gehring Group continually monitors solutions that are available in the marketplace to help reduce the exposure of these exorbitant cost increases.
- Price Transparency Tools – Gehring Group is investigating a number of price transparency tools that can be integrated with our NavMD data analytics platform to provide additional cost information that can be used to drive plan change and other program design decisions.
- Interactive Wellness Programs – There are a number of interactive wellness and coaching programs that can be implemented to increase employee engagement in the treatment of their own chronic conditions. Some of these options include Omada for Diabetes Prevention and Physera for virtual physical therapy.

Utilizing the knowledge gained through extensive data analysis, employee surveys and wellness results, we can work with the City of Fernandina Beach to develop and implement strategies to tackle health costs while improving treatment options.

5. **Communications – Describe formal and informal communication processes for the City of Fernandina Beach. Include proposed schedules of key meetings, timelines, and other process mileposts for the proposed client service. Include any proprietary client communications that may be appropriate and available to the City of Fernandina Beach to facilitate communications. Describe your firm's capability of producing annual benefit statements and open enrollment communications for employees.**

Communications with City Staff

Gehring Group provides year-round service and support, maintaining continuous communication throughout the plan year to provide support to staff with administrative, legislative, enrollment and billing questions. Each renewal year, Gehring Group and the client determine a tentative schedule for meetings, events, open enrollment, etc. These meetings can take place quarterly, semi-annually, or as needed. Gehring Group strives to be available to our clients whenever the need arises, and there is never any charge for travel for onsite meetings. Gehring Group staff is also readily available by phone, video conferencing, and for onsite meetings as needed and is also available to provide on-site assistance with new-hire orientations and employee benefits fairs.

To prepare for each plan year, Gehring Group prepares a timetable of activities as outlined below. This schedule can be customized to accommodate the RFP process, additional onsite meetings, and any specific needs or additional services requested by the City.

Proposed Schedule of Activities (assumes October 1st Renewal Date)	
Date	**Meeting/Action**
9 months prior to renewal	• Provide early budgetary projections for renewal premium costs
6 months prior to renewal	• Gehring Group review of current employee benefits program including claims experience (if available) • Conduct Local Entity Survey (if deemed necessary) • Meet with employee benefits committee or Staff as needed • Gehring Group to request coverage renewals
5 months prior to renewal	• Renewals Due at Gehring Group (if available) • Review Quarterly claims experience & meet with Staff • Review Renewal proposals compared to local trends and benchmarks to determine if coverages need to be bid • Release RFP to market (if deemed necessary)
4 months prior to renewal	• Gehring Group receives proposal responses from Purchasing • Gehring Group review and analysis of proposals • Draft of initial review presented to Staff • Interview finalists (if deemed necessary) • Best and Final offers due • Gehring Group recommendation / Gehring Group available to make presentations to committees and/or Staff • Staff makes selection

Proposed Schedule of Activities (assumes October 1st Renewal Date)	
Date	**Meeting/Action**
3 months prior to renewal	• Preparation of OE Materials including Employee Benefit Highlights booklet and communication posters, payroll stuffers, etc. • Discuss and finalize employer contribution strategies • Updates made to **Employee Nav/Bentek®** for plan, carrier and payroll deductions • Plan Implementation
End of July	• Open Enrollment Communication Meetings • Completion of implementation paperwork with carriers • **Employee Nav/Bentek®** test file transmissions to any new carriers/vendors • Implementation meetings with all applicable carriers in the event of a carrier change
August	• Open Enrollment via **Employee Nav/Bentek®** • Benefits Fair (if applicable) • Finalize all details regarding new plan year
October 1st	• Plan Year Begins • Assist employees with any continuation of coverage issues • Open enrollment recap and discussion with Staff
October - December	• Conduct New Hire Orientations as necessary • Additional meetings with Staff and/or employees as needed
December	• Review Quarterly claims experience (if available) & meet with Staff • Additional meetings with Staff and/or employees as needed
January - March	• Conduct New Hire Orientations as necessary • Additional meetings with Staff and/or employees as needed
April 1st (6 months prior to renewal)	• Meet to review plan performance to determine bid process is necessary • All additional consulting services as deemed necessary

**Gehring Group attendance at all insurance committee meetings as scheduled.*
***Please note that all dates outlined above are tentative and subject to change based on City personnel schedules, claims report availability, and insurance carrier cooperation.*

As part of our continuous service, Gehring Group staff also conducts detailed reviews, analysis, and projection sessions with decision makers at key points throughout the year. We consistently track the available claims utilization data of your program throughout the plan year in order to more effectively prepare for the renewal process and develop strategies for ensuring that your group gets the most value for its health care dollar.

Communications with Employees

Our team will work with the City of Fernandina Beach to prepare and distribute annual member benefit packages. For our other clients with multi-site locations, we distribute packets by location to ensure that each location receives the appropriate number of copies.

In addition, Gehring Group provides a robust suite of options to our clients regarding benefits communication. From face-to-face interaction at employee meetings to paper communication pieces to educational videos, we realize that employee communication is key to getting the most out of your employee benefits program. These options include:

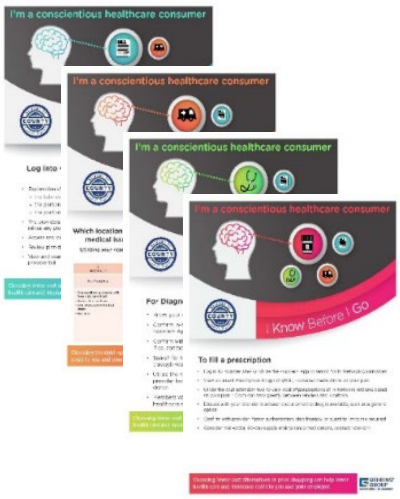
✓ Employee Benefits Guide

Gehring Group employs an in-house Graphics Department which enables us to assist our clients with employee communications materials. One of the tools necessary in the communication process is the annual employee benefits guide. At the beginning of each new plan year, we compile all the information regarding your insurance coverages and summarize it in a custom employee friendly benefit booklet. This booklet has proven to be a valuable resource and has allowed members to clearly understand plan options, related costs to make decisions in their best interest each year. This service is offered at no additional cost. We will provide you with enough copies for open enrollment and as needed for new-hire orientations throughout the plan year, as well as an electronic version for posting on your intranet or applicable location. **(Exhibit A) Click or scan the QR code to the right to review a sample benefits guide.**

✓ Professional Employee Communications

In addition to the provision of the employee benefits guide, we can also draft and produce employee communication pieces such as, department posters, mass employee mailings, Wellness Program brochures, etc. This allows the City to better communicate its employee benefit offerings and keep their employees well educated regarding their employee benefit options and responsibilities. Gehring Group produces all brochures and other work product in-house at no additional charge which increases our level of efficiency. **(Exhibit B)**

✓ Employee Educational/Wellness Campaigns

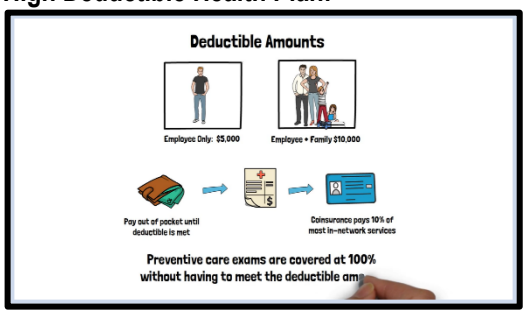


We also have pre-designed wellness campaigns and challenges that are easy to implement, relevant and timely. Some of the campaigns recently implemented by clients include a focus on being a conscientious consumer and include:

- Using your Flexible Spending Account – *"You're going to need those (glasses, prescriptions, braces, … anyway."*
- Let's Get Appy – *"Utilize your carrier App by downloading the carrier app for convenience and cost savings."*
- Preventive Healthcare Services – *"I understand the importance of using Preventive Healthcare Services."*

- Know Before You Go – *"What is considered emergency care versus non-emergency; where to go for diagnostic testing; the best place to fill a prescription."*
- Wellness in a Box – *Pre-designed wellness campaigns complete with education and challenges to increase engagement.*

Our team can aid the City in developing a communication and determining a targeted message. The following are samples of some of the campaigns listed above.

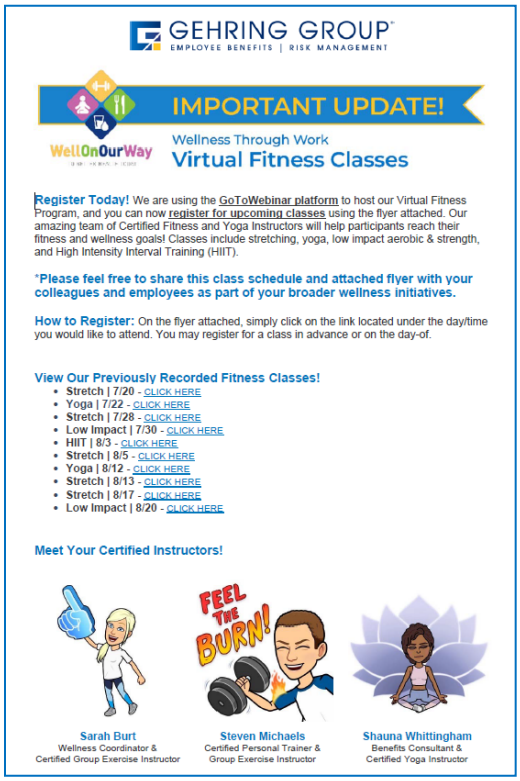


✓ **Video Communication**

Gehring Group has also developed custom whiteboard education/communication videos which provide employees with a concise video utilized to educate them on various benefit options or additional services such as EAP and health center promotion (if applicable) with additional topics coming soon. These videos can be hosted on the City's intranet or other applicable location. **Click or scan the QR code to the right to review one of our educational videos** regarding High Deductible Health Plans. These videos can be scripted and edited based on the City's plan benefits.

Employee Assistance Plan:

High Deductible Health Plan:

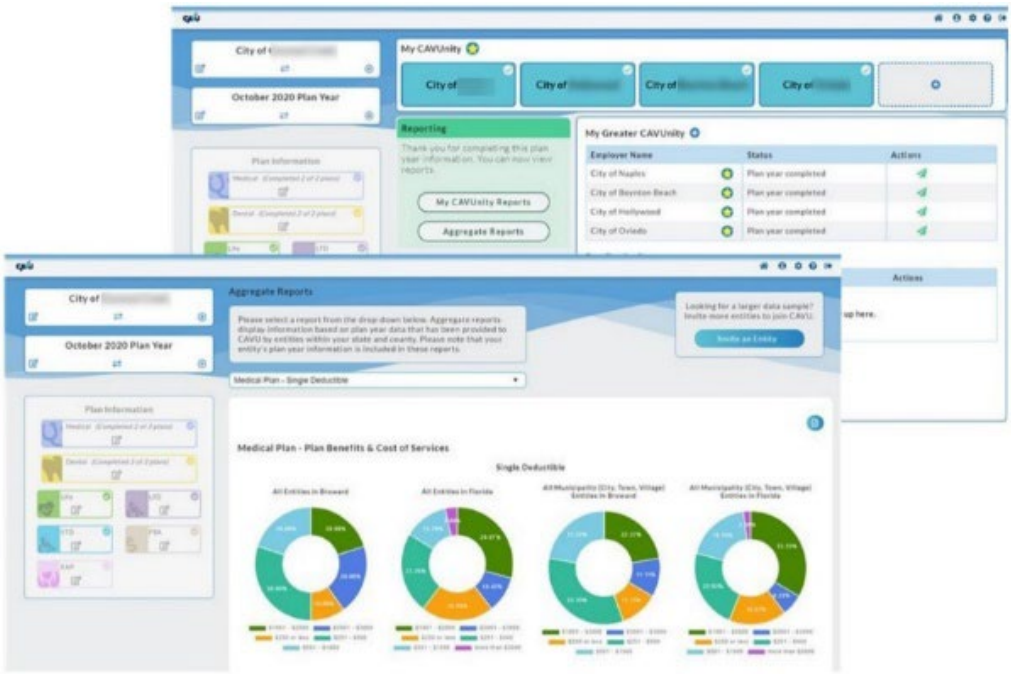


6. Other Services (Optional) – Provide a brief summary of other services available from your firm that may be appropriate to the City of Fernandina Beach consideration.

In addition to the comprehensive services outline herein, we would like to take this opportunity to outline additional services available. These include:

- **Wellness & Nutrition Offerings**

In addition to implementing and maintaining multifaceted and award-winning wellness programs, Gehring Group also provides additional capabilities to support and enhance wellness program initiatives. What sets Gehring Group apart is that our wellness coordinators are also certified fitness, mental health awareness and yoga instructors. Our team can provide both in-person and virtual yoga and stretch classes as well as low and high impact fitness training on a group basis. Sessions can be recorded for future access and utilized in conjunction with other initiatives included in your wellness program. We also have subcontracted resources to provide nutrition education sessions and health cooking classes. Recently, Gehring Group hosted a webinar for all clients on the topic of *Maintaining Health Eating Habits Throughout the Holiday Season* presented by a Registered Dietitian & Nutritionist.



In addition to fitness and nutrition resources, Gehring Group has also established wellness education campaigns such as *Stress Less, Heart Health, and Know Your Numbers* and wellness challenges including *Step it Up, Wellness BINGO, 21 Day Habit Change* to assist employers in keeping employees engaged and motivated.

With everchanging scheduling needs associated with such current events as COVID-19, our wellness coordinators successfully collaborated with our clients to continue to reach employees that may not be

working during regularly scheduled times of the day or onsite, providing physical activity, mental health, and wellness events. This was accomplished through a variety of media such as online training and virtual competitions ensuring continuation without disruption of employer initiatives and member wellness programs.

- **CAVU BENEFITS BENCHMARKING**

In addition, Gehring Group has developed a new public sector benchmarking tool. CAVU® is an online employee benefits benchmarking software specifically for public sector employers and went live and online in 2020. With this tool, public sector employers have the ability to complete a survey to enter their plan benefits and costs, compare their cost and benefits to other participating employers, and even invite other entities to participate. CAVU can provide valuable information on costs and benefit trends to aid public sector employers in making important decisions regarding plan options, schedules of benefits and employer/employee contributions.

- **Onsite/Near-site Employee Health Center (Clinic) Consulting**

Gehring Group also assists our clients in the decision of whether to open an employee health center. If requested, Gehring Group will conduct a feasibility analysis to determine if our clients can take advantage of the potential cost saving benefits of opening an on-site or near-site clinic/health center. By shifting costs from the medical plan to the clinics, many employers have been better able to manage specific areas of claims costs, while providing additional access to medical care to their employees. With over 20 clients currently operating an employee health center, Gehring Group's experience in these efforts is unparalleled. We spearhead the process from conducting the bid process, determining which clinic provider and clinic model would best meet the needs of our clients and overseeing the implementation process once a decision has been made. Based on our analysis, we would determine whether the onsite clinic concept would be in the best interest of the specific employer.

When an employee health center is in place, your Gehring Group team can provide support and assistance with any challenges that may arise, review existing interlocal agreements that may be in place, review utilization of both the health plan and the clinic annually to identify trends and make recommendations of possible modifications to services provided at the clinic to enhance both the member experience and Return on Investment to the Client.

7. **Broker/Consultant Compensation – Identify your firm's preference on the means of compensation for services. Provide a detailed analysis of the fee build-up, including allocated time and rates for the service providers. Identify any proposed services that may be outside an agreed-upon fee and an estimate for**

Gehring Group is open to compensation via commissions or flat fee arrangement. Per direction above, the following includes Gehring Group's flat fee proposal.

With our focus on working collaboratively throughout the year with our clients and their members, and not wanting our clients to hesitate to use us as a resource when needed, we are proposing a comprehensive level of employee benefits consulting services under an annual flat fee arrangement with no commission built into City premiums as requested on page 7 (Tab 7: Compensation/Cost of Services) of RFP #23-03. Gehring Group proposes an annual flat fee of $99,000 for the first three (3) years of the upcoming contract term with the following escalators for the subsequent two years as applicable based on the enrollments system selected. Gehring Group's cost proposal for the full five-year term is as follows:

Employee Benefits Consulting Services	Annual Fee with Employee Navigator	Annual Fee with Bentek
Year 1	$99,000	$126,000
Year 2	$99,000	$126,000
Year 3	$99,000	$126,000
Year 4	$101,000	$128,000
Year 5	$101,000	$128,000

As one of the top producing brokers/consultants for Public Sector entities throughout the state, our philosophy has always been to offer complete revenue disclosure upon request which we will continue to practice with the City. There are no additional charges to the City as this arrangement includes:

- All travel costs associated with servicing the City
- ACA advisory and planning services
- Onsite attendance at annual Open Enrollment meetings as needed
- Development, production, and printing of annual employee benefit booklet and other employee communications (Samples included in Exhibit A and B)
- Actuarial services (112.08, rate and reserve setting, and IBNR calculation) if self-insured
- Access to Gehring Group Workshops and Educational Webinars
- Access to Mineral online H.R. research tool

Gehring Group is open to discussion regarding alternative service and compensation options under consideration by the City such as matching the current commission structure.

Tab 6: Location in Proximity to Fernandina Beach

Include information on staff availability, office locations, and issues of accessibility.

Gehring Group, a Risk Strategies Company, is located in Palm Beach Gardens, Florida and provides employee benefits services to large group public sector clients throughout the state. To service our client's employees, our team members are available by phone, email, virtual call (Zoom, Teams, etc.) and in person. To accomplish in person availability, we have been successful in meeting the needs of employees by establishing a monthly or some other appropriate schedule for a team member to be onsite at the client to meet with employees regarding questions relating to enrollment, benefits, claims and/or billing. Gehring Group services over 130 public sector clients from the panhandle to the City of Key West and has every confidence in our ability to offer a high level of service to the City of Fernandina Beach. Our service model and the technology tools we provide enable our team members to remain in touch with our clients on a regular basis.

An important offering to consider within our proposal that would result in reducing the number of employee questions and increasing enrollment efficiencies overall is the implementation of the Bentek Online Enrollment and Administration System. Further details regarding the features and advantages of Bentek are included in Tab 2 and Exhibit G.

Tab 7: Compensation / Cost of Service

Submittals shall include an annual service fee as part of their response to this RFP. The successful firm shall be compensated on an annual fee basis. Fees will be payable quarterly at the end of each quarter. All program premiums and charges are to be written net of commission and the acceptance of a commission shall be grounds for immediate termination of the contract. If a carrier does not or cannot work on a net of commission arrangement, the firm shall disclose this fact and the commission shall be deducted from the annual fee. The successful firm shall provide an annual statement from each carrier confirming that the insurance carrier has paid no commissions. Full disclosure of all compensation earned, either directly or indirectly, is required. Use of intermediaries, wholesalers, subsidiary companies, etc. is expected and encouraged if advantageous to the City of Fernandina Beach. However, all fees and or commissions earned as a result of their use must be disclosed and will be deducted from the annual fee. Additionally, the City reserves the right to seek additional relevant records as a means of enforcing this provision.

Gehring Group is open to compensation via commissions or flat fee arrangement. Per direction above, the following includes Gehring Group's flat fee proposal.

With our focus on working collaboratively throughout the year with our clients and their members, and not wanting our clients to hesitate to use us as a resource when needed, we are proposing a comprehensive level of employee benefits consulting services under an annual flat fee arrangement with no commission built into City premiums as requested on page 7 (Tab 7: Compensation/Cost of Services) of RFP #23-03. Introduction

The City of Oviedo provides group insurance benefits to eligible employees. The Employee Benefit Highlights Booklet provides a general summary of the benefit options as a convenient reference. Please refer to the City's Personnel Policies and/or Certificates of Coverage for detailed descriptions of all available employee benefit programs and stipulations therein. If an employee requires further explanation or needs assistance regarding claims processing, please refer to the customer service phone numbers under each benefit description heading or contact Human Resources for further information.

Online Benefit Enrollment

The City provides employees with an online benefits enrollment platform through Bentek's Employee Benefits Center (EBC). The EBC provides benefit-eligible employees the ability to select or change insurance benefits online during the annual Open Enrollment Period, New Hire Orientation, or for Qualifying Life Events.

Accessible 24 hours a day, throughout the year, employees may log in and review comprehensive information regarding benefit plans, and view and print an outline of benefit elections for themselves and dependent(s). Employees also have access to important forms and carrier links, can report qualifying life events and review and make changes to life insurance beneficiary designations.

To Access the Employee Benefits Center:

- ✓ Log on to **www.mybentek.com/oviedo**

  Please Note: *Link must be addressed exactly as written. Due to security reasons, the website cannot be accessed by Google or other search engines.*
- ✓ Sign in using a previously created username and password or click "Create an Account" to set up a username and password.
- ✓ If employee has forgotten username and/or password, click on the link "Forgot Username/Password" and follow the instructions.
- ✓ Once logged on, navigate using the Launchpad to review current enrollment, learn about benefit options, and make any benefit changes or update beneficiary designations.

For technical issues directly related to using the EBC, please call (888) 5-Bentek (523-6835) or email Bentek Support at support@mybentek.com, Monday through Friday during regular business hours 8:30am - 5:00pm.

To access Bentek using a mobile device, scan code.

Group Insurance Eligibility

The City of Oviedo's group insurance plan year is October 1 through September 30.

Employee Eligibility

Employees are eligible to participate in the City's insurance plans if they are in a full/part time budgeted position, working 30 hours or more per week. Employees, working a minimum schedule of 25 hours or more per week, are eligible to purchase voluntary benefit products only. Coverage will be effective the first day of the month following 30 days of employment. For example, if an employee is hired on April 11, effective date of coverage will be June 1.

Separation of Employment

If an employee separates from employment with the City, insurance will continue through the end of month in which separation has occurred. COBRA continuation of coverage may be available as applicable by law. Notification of COBRA rights will be communicated by the City's COBRA Administrator.

Dependent Eligibility

A dependent is defined as the legal spouse and/or dependent child(ren) of the participant or the spouse. The term "child" includes any of the following:

- A natural child
- A legally adopted child
- A stepchild
- A newborn child (up to the age of 18 months) of a covered dependent (Florida)
- A child for whom legal guardianship has been awarded to the participant or the participant's spouse

Dependent Age Requirements

Medical Coverage: A dependent child may be covered through the end of the calendar year in which the child turns age 26.

Dental Coverage: A dependent child may be covered through end of calendar year in which child turns age 26.

Vision Coverage: A dependent child may be covered through end of calendar year in which child turns age 26.

Disabled Dependents

Coverage for an unmarried dependent child may be continued beyond age 26 if:

- The dependent is physically or mentally disabled and incapable of self-sustaining employment (prior to age 26); and
- Primarily dependent upon the employee for support; and
- The dependent is otherwise eligible for coverage under the group medical plan; and
- The dependent has been continuously insured

Proof of disability will be required upon request. Please contact Human Resources if further clarification is required.

© 2016, Gehring Group, Inc., All Rights Reserved

Qualifying Events and Section 125

Section 125 of the Internal Revenue Code

Premiums for medical, dental, vision insurance, contributions to Flexible Spending Accounts (FSA), and/or certain supplemental plan premiums are deducted through a Cafeteria Plan established under Section 125 of the Internal Revenue Code and are pre-taxed to the extent permitted. Under Section 125, changes to an employee's pre-tax benefits can be made ONLY during the Open Enrollment period unless the employee or qualified dependent(s) experience(s) a Qualifying Event and the request to make a change is made within 30 days of the Qualifying Event.

Under certain circumstances, an employee may be allowed to make changes to benefit elections during the plan year, if the event affects the employee, spouse or dependent's coverage eligibility. An "eligible" Qualifying Event is determined by Section 125 of the Internal Revenue Code. Any requested changes must be consistent with and due to the Qualifying Event.

Examples of Qualifying Events:

- Employee gets married or divorced
- Birth of a child
- Employee gains legal custody or adopts a child
- Employee's spouse and/or other dependent(s) die(s)
- Loss or gain of coverage due to employee, employee's spouse and/or dependent's termination or start of employment
- An increase or decrease in employee's work hours causes eligibility or ineligibility
- A covered dependent no longer meets eligibility criteria for coverage
- A child gains or loses coverage with other parent or legal guardian
- Change of coverage under an employer's plan
- Gain or loss of Medicare coverage
- Losing or becoming eligible for coverage under a State Medicaid or CHIP (including Florida Kid Care) program (60 day notification period)

IMPORTANT

If an employee experiences a Qualifying Event, **Human Resources must be contacted within 30 days of the Qualifying Event** to make the appropriate changes to the employee's coverage. The employee may be required to furnish valid documentation supporting a change in status or "Qualifying Event". If approved, changes may be effective the date of the Qualifying Event or the first of the month following the Qualifying Event. Newborns are effective on the date of birth. Qualifying Events will be processed in accordance with employer and carrier eligibility policy. Beyond 30 days, requests will be denied and employee may be responsible, both legally and financially, for any claim and/or expense incurred as a result of the employee or dependent who continues to be enrolled but no longer meets eligibility requirements.

Summary of Benefits and Coverage

A **Summary of Benefits & Coverage (SBC)** for the Medical Plan is provided as a supplement to this booklet being distributed to new hires and existing employees during the Open Enrollment period. The summary is an important item in understanding employee's benefit options. A free paper copy of the SBC document may be requested or is also available as follows:

Medical Insurance

The City offers medical insurance through Florida Blue to benefit-eligible employees. The costs per pay period for coverage are listed in the premium tables below and a brief summary of benefits is provided on the following page. For more detailed information about the medical plans, please refer to carrier's Summary of Benefits and Coverage (SBC) document or contact Florida Blue's customer service.

Medical Insurance – BlueChoice PPO HRA Plan
With Tobacco Affidavit

24 Payroll Deductions - Per Pay Period Cost

Tier of Coverage	Employer Cost with Affidavit	Employee Cost with Affidavit
Employee Only	$610.84	$0.00
Employee + Spouse	$885.13	$231.75
Employee + Child(ren)	$856.47	$207.52
Employee + Family	$1,113.63	$424.98

Please Note: *Employees who complete an affidavit attesting to their tobacco free status, will receive a $50.00 premium credit (towards each tier).*

Medical Insurance – BlueChoice PPO HRA Plan
Without Affidavit

24 Payroll Deductions - Per Pay Period Cost

Tier of Coverage	Employer Cost without Affidavit	Employee Cost without Affidavit
Employee Only	$560.84	$50.00
Employee + Spouse	$835.13	$281.75
Employee + Child(ren)	$806.47	$257.52
Employee + Family	$1,063.63	$474.98

Tobacco Surcharge

Employees will have an opportunity to eliminate the tobacco surcharge by:

- Completing a tobacco cessation program and a negative nicotine test.
- Completing a negative nicotine test two times in 60 days.

For more information on the free Tobacco Cessation courses, offered by the City to employees and dependents, please contact Human Resources.

Health Reimbursement Account

The City provides employees, who enroll in the City of Oviedo's medical plan, a Health Reimbursement Account (HRA) administered by P&A Group. HRA monies are funded by the City, not taxable, and can be used for any qualified medical expenses used toward in-network or out-of-network deductible (i.e. physician services, and hospital services). The Health Reimbursement monies provide tax-free funds to help cover expenses incurred under the medical plan.

Wellness Incentive Program

1. Health Reimbursement

Eligible employee covered on the City's medical plan will receive funding into an employee HRA account ONLY after completing a personal Annual Health Assessment (AHA) **AND** follow-up visit through the Premise Health Wellness Center between July 1, 2022 and June 30, 2023. If all requirements are met, the City will fund the HRA account as follows:

- Employee Only: Up to $750 if a non-tobacco user affidavit is signed or up to $500 for tobacco users.
- Employee + Family: Up to $1,500 if a non-tobacco user affidavit is signed or up to $1,000 for tobacco users.
- Annual Health Assessment Bonus: Employees will receive a $50 gift card upon completion of a personal Annual Health Assessment.

Please Note: *Unused funds DO NOT rollover year to year.*

2. Wellness Target Bonus

Employees who achieve the Wellness Targets below are eligible to receive Part II of the incentive program.

Wellness Targets:

- BMI 28 or Less or Men < 40"/ Women < 35" Waist
- Blood Pressure 130/90 or Less
- Cholesterol is 200 or Less or Total Cholesterol/HDL Ratio of 4 or Less
- Fasting Blood Glucose Less than 100 or HgA1C < 5.7

Alternatives are available to those who participate in certain health-related activities:

- A City Sponsored Wellness Challenge,
- Complete Two (2) Races, a Minimum of 5K in Length, or
- Complete a "Plan of Care" Through Premise Health Online or with a Premise Health Coach.

A Wellness Day and a second $50.00 gift card will be awarded following the completion of the Program (Parts I and II) on June 30, 2023. The Wellness Day will be available for use in August 2023 and must be utilized by June 30, 2024. The Wellness Day is not eligible for pay out upon separation and cannot be carried over. If the Wellness Day is not used by June 30, 2024, it will be automatically deactivated and removed.

Expenses Eligible for Reimbursement

Employees may request reimbursement of expenses for themselves or covered dependent(s). Eligible expenses must be necessary for the diagnosis, treatment, cure, mitigation or prevention of a specific medical condition. Cosmetic expenses are not eligible for reimbursement. Reimbursement checks will be issued to the employee throughout the year for incurred expenses up to the maximum annual benefit amount. For more information regarding eligible expenses, visit P&A group online at www.padmin.com

Filing a Claim

Employee may submit claim forms to P&A Group and must include a copy of carrier's Explanation of Benefits or receipts for eligible medical services received. Claim forms can be submitted online at P&A's website, via P&A's mobile app or via fax to (877) 855-7105, which is indicated on the claims form.

Claims Mailing Address | 17 Court Street, Suite 500 | Buffalo, NY 14042
Fax: (877) 855-7105

P&A Group | Customer Service: (800) 688-2611 | www.padmin.com

All claims must be filed within 90 days after the plan year, or 30 days from the date employee becomes ineligible to file for expenses incurred while participating during the plan year.

Employee Health Center

City of Oviedo Employee Health & Wellness Center

Premise Health, manages the City's on-site Health & Wellness Center for benefit-eligible employees and dependent(s) (age 10 and above). Services received at the Health & Wellness Center are completely voluntary and confidential. Medical information will not be shared with the City unless it is documentation related to worker's compensation.

Premise Health provides short wait times to be seen by the doctor, no copays or deductibles, and several other ways to help lower out-of-pocket costs and improve health; including over 150 medications dispensed at no charge.

Employees on the group medical plan who are referred to Center for Diagnostic Imaging (CDI) for imaging, such as an MRI or CAT Scan, will have no co-pay or out -of-pocket expense

Benefit-eligible employees may elect to receive Premise Health & Wellness services, free of charge, without being a group health insurance participant. Proof of other insurance must be provided.

Additional benefits of using the Employee Health & Wellness Center include:

1. **Personal Annual Health Assessment:** Employee may participate in an Annual Health Assessment and receive a personalized health analysis with lab result interpretations and trends.
   - After an employee has an Annual Health Assessment completed at the Health Center, the employee will automatically be assigned to a Health Coach who will be available to answer questions or offer individualized consultation on personal health goals.
     - ✓ Registered Nurse
     - ✓ Registered Dietitian
     - ✓ Tobacco Cessation Coach
     - ✓ Exercise Coach
     - ✓ Behavioral Health Coach
2. **Employee Education:** The latest in scientific-based medicine is provided online.
3. **Reporting & Other Benefits:** Have access to a detailed set of reports and other benefits.

City of Oviedo Health Center Hours of Operation

Monday	8:00 a.m. – 6:00 p.m.
Tuesday	8:00 a.m. – 12:00 p.m.
Wednesday	8:00 a.m. – 6:00 p.m.
Thursday	8:00 a.m. – 12:00 p.m.
Friday	7:00 a.m. – 11:00 a.m.

City of Lake Mary and Sanford Health Center Hours of Operation

Tuesday	Lake Mary	7:00 a.m. – 3:00 p.m.
Wednesday	Sanford	8:00 a.m. – 5:00 p.m.
Thursday	Sanford	8:00 a.m. – 7:00 p.m.
Friday	Lake Mary	8:00 a.m. – 12:00 p.m.

The City shares locations and hours with the City of Lake Mary and the City of Sanford. Employees traveling to another center for non-emergency medical visits should schedule their appointment during non-work hours or will be required to use accrued leave.

Please Note: *After the first incident, a surcharge of $25 will be assessed if an employee or eligible dependent(s):*

- *Does not show for a scheduled appointment*
- *Cancels visit after 8:00 am on the day of scheduled appointment*
- *Arrives more than 10-minutes late for a scheduled appointment*

Additionally; a surcharge of $50 will be assessed for any subsequent incidents throughout the plan year.

City of Oviedo | 310 Alexandria Blvd., Oviedo, FL 32765

Dental Insurance

MetLife DHMO Plan

The City offers dental insurance through MetLife to benefit-eligible employees. The costs per pay period for coverage are listed in the premium table below and a brief summary of benefits is provided on the following page. For more detailed information about the dental plan, please refer to carrier's summary plan document or contact MetLife's customer service.

Dental Insurance – MetLife DHMO Plan

24 Pay Period Premium Deductions - Per Pay Period Cost

Tier of Coverage	Employee Cost
Employee Only	$8.63
Employee + One	$15.10
Employee + Family	$23.72

In-Network Benefits

The DHMO dental plan is an in-network only plan that requires all services to be provided by a Primary Dental Provider (PDP). Employee and dependent(s) may select any participating dentist in the MetLife Dental DHMO/Managed Care network to receive covered services. There is no coverage for services received out-of-network.

The DHMO plan's schedule of benefits is set forth by the Patient Charge Schedule (fee schedule) which is highlighted on the following page. Please refer to the summary plan document for a detailed listing of charges and benefits.

Out-of-Network Benefits

The DHMO plan does not cover any services rendered by out-of-network facilities or providers.

Plan Year Deductible

There is no plan year deductible.

Plan Year Benefit Maximum

There is no benefit maximum.

IMPORTANT NOTES

- *Each covered family member may receive up to two (2) routine cleanings per plan year covered under the preventive benefit. Members can also receive two (2) additional cleanings at the charge of a copay.*
- *Prior authorization is not required for specialty referrals for Endodontic, Orthodontic and Pediatric Services.*
- *Waiting periods and age limitations may apply.*
- *Referrals and prior authorizations are required to see specialists (Oral Surgeons, Periodontist, Orthodontist, etc.) within the network.*
- *Some cosmetic services may be covered. Please refer to the carrier's benefit summary or contact customer service for additional information.*
- *Implant benefits are also covered. Please refer to the carrier's benefit summary for additional information.*
- *A fee may be charged to a member for a missed appointment with less than 24 hours notice not to exceed $25.*

The summary on the following page has been provided as a convenient reference. For a full listing of covered services, please see the plan's Schedule of Benefits or contact MetLife's customer service.

Dental Insurance

MetLife Dental PPO Low Plan

The City offers two (2) dental PPO options through MetLife to benefit-eligible employees. The costs per pay period for coverage for the MetLife Dental PPO Low Plan are listed in the premium table below and a brief summary of benefits is provided on the following page. For more detailed information about the dental plans, please refer to the carrier's summary plan document or contact MetLife's customer service.

Dental Insurance – MetLife PPO Low Plan

24 Pay Period Premium Deductions - Per Pay Period Cost

Tier of Coverage	Employee Cost
Employee Only	$15.44
Employee + One	$34.13
Employee + Family	$56.41

In-Network Benefits

The Dental PPO Low Plan provides benefits for services received from in-network and out-of-network providers. It is also an open-access plan which allows for services to be received from any dental provider without having to select a Primary Dental Provider (PDP) or obtain a referral to a specialist. The network of participating dental providers the plan utilizes is the MetLife PDP network. These participating dental providers have contractually agreed to accept MetLife's contracted fee or "allowed amount". This fee is the maximum amount a MetLife dental provider can charge a member for a service. The member is responsible for a Plan Year Deductible (PYD) and then coinsurance based on the plan's charge limitations.

Out-of-Network Benefits

Out-of-network benefits are used when a member receives services by a non-participating MetLife PDP network provider. MetLife reimburses out-of-network services based on what it determines as the Maximum Reimbursable Charge (MRC). The MRC is defined as the most common charge for a particular dental procedure performed in a specific geographic area. If services are received from an out-of-network dentist, the member may be responsible for balance billing. Balance billing is the difference between the MetLife's MRC and the amount charged by the out-of-network dental provider. Balance billing is in addition to any applicable plan deductible or coinsurance responsibility.

Plan Year Deductible

The Dental PPO Low plan requires a $50 individual or a $150 family deductible to be met for in-network or out-of-network services before most benefits will begin. The deductible is waived for preventive services.

Plan Year Benefit Maximum

The maximum benefit (coinsurance) the Dental PPO Low plan will pay for each covered member is $1,250 for in-network and out-of-network services. All services, including preventive services, accumulate towards the benefit maximum. Once the plan's benefit maximum is met, the member will be responsible for future charges until next plan year.

To search for a participating provider, contact MetLife's customer service or visit www.metlife.com. When completing the necessary search criteria, select **PDP** network.

Plan References

***Out-Of-Network Balance Billing:** For information regarding out-of-network balance billing that may be charged by an out-of-network provider, please refer to the Out-of-Network Benefits section on the previous page.*

Important Notes

- *Each covered family member may receive up to two (2) routine cleanings per plan year covered under the preventive care benefit.*
- *For any dental work expected to cost $300 or more, the plan will provide a "Pre-Determination of Benefits" upon the request of the dental provider. This will assist with determining approximate out-of-pocket costs should employee have the dental work performed.*
- *Waiting periods and age limits may apply.*
- *Benefit frequency limitations may apply to certain services.*
- *Members are responsible for determining if their provider participates in the PDP network.*

Vision Insurance

Humana Vision 130 Plan

The City offers vision insurance through Humana to benefit-eligible employees. The costs per pay period for coverage are listed in the premium table below and a brief summary of benefits is provided on the following page. For more detailed information about the vision plan, please refer to the carrier's benefit summary or contact Humana's customer service.

Vision Insurance – Humana Vision 130 Plan

24 Pay Period Premium Deductions - Per Pay Period Cost

Tier of Coverage	Employee Cost
Employee Only	$2.59
Employee + Spouse	$4.94
Employee + Child(ren)	$5.19
Employee + Family	$7.62

In-Network Benefits

The vision plan offers the employee and their covered dependent(s) coverage for routine eye care, including eye exams, eyeglasses (lenses and frames) or contact lenses. To schedule an appointment, the employee and covered dependent(s) may select any network provider who participates in the Humana Insight network. At the time of service, routine vision examinations and basic optical needs will be covered as shown on the plan's schedule of benefits. Cosmetic services and upgrades are additional costs if elected at the time of the appointment.

Out-of-Network Benefits

Employees and covered dependent(s) may also choose to receive services from vision providers who do not participate in the Humana Insight network. When going out of network, the provider will require payment at the time of appointment. Humana will then reimburse based on the plan's out-of-network reimbursement schedule upon receipt of proof of services rendered.

Plan Year Deductible

There is no plan year deductible.

Plan Year Out-of-Pocket Maximum

There is no out-of-pocket maximum. However, there are benefit reimbursement maximums for certain services.

Vision Insurance

Humana Vision 150 Plan

The City offers vision insurance through Humana to benefit-eligible employees. The costs per pay period for coverage are listed in the premium table below and a brief summary of benefits is provided on the following page. For more detailed information about the vision plan, please refer to the carrier's benefit summary or contact Humana's customer service.

Vision Insurance – Humana Vision 150 Plan

24 Pay Period Premium Deductions - Per Pay Period Cost

Tier of Coverage	Employee Cost
Employee Only	$3.64
Employee + Spouse	$6.91
Employee + Child(ren)	$7.27
Employee + Family	$10.67

In-Network Benefits

The vision plan offers the employee and their covered dependent(s) coverage for routine eye care, including eye exams, eyeglasses (lenses and frames) or contact lenses. To schedule an appointment, the employee and covered dependent(s) may select any network provider who participates in the Humana Insight network. At the time of service, routine vision examinations and basic optical needs will be covered as shown on the plan's schedule of benefits. Cosmetic services and upgrades are additional costs if elected at the time of the appointment.

Out-of-Network Benefits

Employee and covered dependent(s) may also choose to receive services from vision providers who do not participate in the Humana Insight network. When going out of network, the provider will require payment at the time of appointment. Humana will then reimburse based on the plan's out-of-network reimbursement schedule upon receipt of proof of services rendered.

Plan Year Deductible

There is no plan year deductible.

Plan Year Out-of-Pocket Maximum

There is no out-of-pocket maximum. However, there are benefit reimbursement maximums for certain services.

Flexible Spending Accounts

The City offers Flexible Spending Accounts (FSA) administered through P&A Group. The FSA plan year is from October 1 through September 30.

If employee or family member(s) has predictable health care or work-related day care expenses, then employee may benefit from participating in an FSA. An FSA allows an employee to set aside money from the employee's paycheck for reimbursement of health care and day care expenses they regularly pay. The amount set aside is not taxed and is automatically deducted from the employee's paycheck and deposited into the FSA. During the year, the employee has access to this account for reimbursement of some expenses that are not covered by insurance. Participation in an FSA allows for substantial tax savings and an increase in spending power. Participating employee must re-elect the dollar amount to be deducted each plan year. There are two (2) types of FSAs:

Health Care FSA

This account allows participant to set aside up to an annual maximum of $2,850. This money will not be taxable income to the participant and can be used to offset the cost of a wide variety of eligible medical expenses that generate out-of-pocket costs. Participating employee can also receive reimbursement for expenses related to dental and vision care (that are not classified as cosmetic).

Examples of common expenses that qualify for reimbursement are listed below.

Please Note: The entire Health Care FSA election is available for use on the first day coverage is effective.

Dependent Care FSA

This account allows participant to set aside up to an annual maximum of $5,000 if single or married and file a joint tax return ($2,500 if married and file a separate tax return) for work-related day care expenses. Qualified expenses include day care centers, preschool, and before/after school care for eligible children and dependent adults.

Please note, if family income is over $20,000, this reimbursement option will likely save participants more money than the dependent day care tax credit taken on a tax return. To qualify, dependents must be:

- A child under the age of 13, or
- A child, spouse or other dependent who is physically or mentally incapable of self-care and spends at least eight (8) hours a day in the participant's household.

Please Note: Unlike the Health Care FSA, reimbursement is only up to the amount that has been deducted from participant's paycheck for the Dependent Care FSA.

A sample list of qualified expenses eligible for reimbursement include, but not limited to, the following:

- ✓ Prescription/Over-the-Counter Medications
- ✓ Menstrual Products
- ✓ Ambulance Service
- ✓ Chiropractic Care
- ✓ Dental and Orthodontic Fees
- ✓ Diagnostic Tests/Health Screenings
- ✓ Physician Fees and Office Visits
- ✓ Drug Addiction/Alcoholism Treatment
- ✓ Experimental Medical Treatment
- ✓ Corrective Eyeglasses and Contact Lenses
- ✓ Hearing Aids and Exams
- ✓ Injections and Vaccinations
- ✓ LASIK Surgery
- ✓ Mental Health Care
- ✓ Nursing Services
- ✓ Optometrist Fees
- ✓ Sunscreen SPF 15 or Greater
- ✓ Wheelchairs

Log on to http://www.irs.gov/publications/p502/index.html for additional details regarding qualified and non-qualified expenses.

Flexible Spending Accounts *(Continued)*

FSA Guidelines

- The Health Care FSA has a run out period at the end of the plan year (90 days) to submit reimbursement on eligible expenses incurred during the period of coverage within the plan year (October 1 through September 30).
- When a plan year ends and all claims have been filed, all unused funds will be forfeited and not returned.
- Employee can enroll in an FSA only during the Open Enrollment period, a Qualifying Event, or New Hire Eligibility period.
- Money cannot be transferred between FSAs.
- Reimbursed expenses cannot be deducted for income tax purposes.
- Employee and dependent(s) cannot be reimbursed for services not received.
- Employee and dependent(s) cannot receive insurance benefits or any other compensation for expenses reimbursed through an FSA.
- Domestic Partners are not eligible as Federal law does not recognize them as a qualified dependent.

Filing a Claim

Claim Form

A completed claim form, along with a copy of the receipt as proof of the expense can be submitted via mail, online, mobile app or by fax at (877) 855-7105. The IRS requires FSA participants to maintain complete documentation, including copies of receipts for reimbursed expenses, for a minimum of one (1) year.

Claims Mailing Address | 17 Court Street, Suite 500 | Buffalo, NY 14042
Fax: (877) 855-7105

P&A Group | Customer Service: (800) 688-2611 | www.padmin.com

HERE'S HOW IT WORKS!

An employee earning $30,000 elects to place $1,000 into a Health Care FSA. The payroll deduction is $41.66 based on a 24 pay period schedule. As a result, health care expenses are paid with tax-free dollars, giving the employee a tax savings of $197.

	With a Health Care FSA	Without a Health Care FSA
Salary	$30,000	$30,000
FSA Contribution	- $1,000	- $0
Taxable Pay	$29,000	$30,000
Estimated Tax 19.65% = 12% + 7.65% FICA	- $5,698	- $5,895
After Tax Expenses	- $0	- $1,000
Spendable Income	$23,302	$23,105
Tax Savings	**$197**	

Please Note: *Be conservative when estimating health care and/or dependent care expenses. IRS regulations state that any unused funds remaining in an FSA after a plan year ends and after all claims have been filed cannot be returned or carried forward to the next plan year.* ***This rule is known as "use-it or lose-it."***

Basic Life and AD&D Insurance

Basic Term Life

The City provides a Basic Term Life insurance for all eligible employees through New York Life. Eligible employees will receive a benefit amount of one (1) time their annual earnings rounded to the next higher $1,000 not to exceed $150,000.

Life Insurance Imputed Income

The IRS requires the imputed cost of employer paid Employee Life insurance benefit in excess of $50,000 must be included in income and is subject to Federal, Social Security and Medicare taxes.

Accidental Death & Dismemberment

Also, at no cost to the employee, the City provides Accidental Death & Dismemberment (AD&D) insurance which pays in addition to the Basic Term Life benefit when death occurs as a result of an accident. The AD&D benefit amount equals the Basic Term Life benefit, partial benefits may also be payable in the event of dismemberment as a result of an accident.

Age Reduction Schedule

Benefit amounts are subject to the following age reduction schedule:

- Reduces to 65% of the benefit amount at age 65
- Reduces to 40% of the benefit amount at age 70
- Reduces to 25% of the benefit amount at age 75

Retirees

Eligible Retirees may elect to purchase Life insurance coverage at the time of their retirement in the amount of $10,000. Benefit amount is not subject to any age reduction schedules.

Always remember to keep beneficiary forms updated. Beneficiary forms may be updated anytime through Bentek.

New York Life Group Benefit Solutions
Customer Service: (800) 362-4462 | www.mynylgbs.com

Voluntary Life Insurance

Voluntary Employee Life Insurance

Eligible employees may elect to purchase additional Life insurance on a voluntary basis through New York Life. This coverage may be purchased in addition to the Basic Term Life and AD&D coverages. Voluntary Life insurance offers coverage for employee, spouse or child(ren) at different benefit levels.

New Hires may purchase Voluntary Employee Life insurance without being subject to Medical Underwriting, also known as Evidence of Insurability (EOI), **up to the Guaranteed Issue amount of $150,000.**

Employees who wish to add Voluntary Life or increase coverage are subject to Medical Underwriting, also known as Evidence of Insurability (EOI).

- Employee can elect up to five (5) times their basic annual earnings (BAE); up to $200,000 maximum rounded to the higher $1,000.
- Benefit amounts are subject to the following age reduction schedule:
  - Reduces to 65% of the benefit amount at age 65
  - Reduces to 40% of the benefit amount at age 70
  - Reduces to 25% of the benefit amount at age 75
- Benefits terminate at retirement.

Monthly Voluntary Life Rate Table

Rate Per $1,000 of Benefit

Age Bracket *(Based On Employee Age)*	Voluntary Life Rate
Under Age 30	$0.07
30-34	$0.10
35-39	$0.12
40-44	$0.145
45-49	$0.225
50-54	$0.369
55-59	$0.639
60-64	$0.99
65-69	$1.45
70 +	$1.93

Voluntary Life Insurance *(Continued)*

Voluntary Spouse and/or Dependent Child(ren) Life Insurance

- Voluntary Dependent Life insurance coverage cannot be purchased separately, only as a family unit.
- A flat $10,000 benefit is offered for Voluntary Spouse coverage.
- A flat $5,000 benefit is offered for eligible unmarried child(ren) from six (6) months to age 26.
- A flat $500 benefit is offered for eligible child(ren) from birth to six (6) months.
- Spouse/Dependent Life Insurance coverage is a flat $1.27 per 24 payroll deductions, whether just spouse or dependent(s) are covered together or separately.
- Spouse coverage terminates at age 70.

Voluntary Short Term Disability

The City offers Voluntary Short Term Disability (STD) coverage through New York Life, to all eligible, full-time employees working a minimum of 40 hours per week and active part-time employees regularly working a minimum of 25 hours per week. The STD benefit pays the employee a percentage of weekly earnings if the employee becomes disabled due to an illness or non-work related injury.

Voluntary Short Term Disability (STD) Benefits

- STD provides a benefit of 60% of an employee's weekly earnings with a benefit maximum of $1,000 per week.
- An Employee must be disabled due to an illness for seven (7) consecutive days prior to becoming eligible for benefits (known as the elimination period).
- If the disability is due to a non-work related injury, the member may be eligible for benefits immediately.
- The maximum benefit period is 13 weeks.
- If the employee is unable to return to work after the 13 week STD maximum benefit has been exhausted, the employee will automatically be transitioned to Long Term Disability (LTD).
- Benefits may be reduced by other income including sick time.

New York Life Group Benefit Solutions
Customer Service: (800) 362-4462 | www.mynylgbs.com

Long Term Disability

The City provides Long Term Disability (LTD) insurance, through New York Life, at no cost to all eligible employees. The LTD benefit pays a percentage of gross monthly earnings if employee becomes disabled due to a injury or illness.

Long Term Disability (LTD) Benefits

- The LTD benefit pays 66.67% of monthly earnings up to a benefit maximum of $7,500 per month.
- An Employee must be disabled for 90 consecutive days prior to becoming eligible for benefits (known as the elimination period).
- If the employee returns to work on a part-time basis,the employee may continue to be eligible for partial benefits.
- Periodic evaluations may occur at the discretion of New York Life.
- If the employee is unable to return to their own occupation then the employee will continue to receive benefits for a maximum of 24 months.
- The benefit period maximum will be determined by the employee's age at the time the disabling event occurs.
- After 24 months, if the employee can return to any occupation in which they are suitably trained, educated, and/or capable of performing, the employee must return to that occupation (if the salary of that occupation does not meet the salary of the employee's own occupation, the plan will pay the difference).
- Long Term Disability benefits are taxable.

Employee Assistance Program

The City cares about the well-being of all employees on and off the job and provides, at no cost, a comprehensive Employee Assistance Program (EAP) through Aetna Resources for Living. EAP offers the employee and each family member access to licensed mental health professionals through a confidential program protected by State and Federal laws. The EAP is available to help employee gain a better understanding of problems that affect them, locate the best professional help for a particular problem, and decide upon a plan of action. EAP counselors are professionally trained and certified in their fields and available 24 hours a day, seven (7) days a week.

What is an Employee Assistance Program (EAP)?

An Employee Assistance Program offers covered employees and family members free and convenient access to a range of confidential and professional services to help address a variety of problems that may negatively affect employee or family member's well-being. Coverage includes six (6) face-to-face visits with a specialist, per person, per issue, per year, telephonic consultation, online material/tools and webinars. EAP offers counseling services on issues such as:

- ✓ Child Care Resources
- ✓ Legal Resources
- ✓ Grief and Bereavement
- ✓ Stress Management
- ✓ Depression and Anxiety
- ✓ Work Related Issues
- ✓ Adult & Elder Care Assistance
- ✓ Financial Resources
- ✓ Family and/or Marriage Issues
- ✓ Substance Abuse

Are Services Confidential?

Yes. Receipt of EAP services are completely confidential. If, however, participation in the EAP is the direct result of a Management Referral (a referral initiated by a supervisor/manager), we will ask permission to communicate certain aspects of the employee's care (attendance at sessions, adherence to treatment plans, etc.) to the referring supervisor/manager. The referring supervisor/manager will not receive specific information regarding the referred employee's case. The supervisor/manager will only receive reports on whether the referred employee is complying with the prescribed treatment plan.

Retirement Information

401(a)

All regular status employees working 32 hours or more per week (except certified firefighters and sworn police officers) are enrolled in the 401(a) Defined Contribution Plan effective within 15 days of employment. Employees must make an irrevocable election to contribute between 1% - 10% (pre-tax) of their annual salary. The City will match 100% of the first 5% of the employee's contributions. The plan is a defined contribution with a 5-year incremental vesting schedule. Mission Square Retirement, formerly ICMA-RC offers employees a number of investment options to make the most out of employee's retirement account. The City's Mission Square Retirement representative, Lorraine Rodriguez, may assist in planning retirement and investment goals.

457

A voluntary 457 deferred compensation plan is available for all full-time and budgeted part-time employees. Employees can contribute pre-tax dollars to this optional account. Contributions to this account can be stopped or changed at any time without penalty. Like the 401(a), the 457 offers a number of investment options to make the most out of employee's retirement account. The City's Mission Square Retirement representative, Lorraine Rodriguez, may assist in planning retirement and investment goals.

Roth IRA

A voluntary Roth IRA plan is available for all employees. An employee can elect to contribute after-tax dollars to this retirement account. The minimum contribution to the account is $10 per pay period and, like the 457, contributions can be stopped or changed at any time. The Roth IRA remains tax free on investment earnings while remaining in the account. In addition, employee will be free of any taxes or penalties when employee withdraws earnings from the Roth IRA as long as employee's account has met certain five (5) year aging requirements and employee has a qualifying event or reaches retirement age. Principal contributions to the account can be withdrawn at anytime, without penalty and are tax free.

Public Safety Pensions

Oviedo Police Officers and Firefighters each have a separate Pension Trust Fund. These pensions are designed to help the employee meet financial needs at retirement, or in the event of disability or death. These retirement plans are governed by Florida Statutes Chapter 175 and 185 for certified fire and sworn law enforcement employees respectively and Chapter 112 of the Internal Revenue Code. Employee member contributions are a percentage of compensation as defined in each retirement program's Summary Plan Document. Eligibility for benefits are in accordance with age and service requirements outlined in the program ordinances, Florida Statues and Summary Plan Documents. For more information regarding the fund, please contact any member on the Board of Trustees.

Retiree Medical Benefits

Medical Insurance – BlueChoice PPO HRA Plan

Retiree Rates

Monthly Rates

Tier of Coverage	Retiree Monthly Cost	Total Monthly Cost
Retiree Only	$1,221.68	$1,221.68
Retiree + Spouse	$2,233.76	$2,233.76
Retiree + Child(ren)	$2,127.98	$2,127.98
Retiree + Family	$3,077.22	$3,077.22

Group Retiree Health Plan

The City's Group Retiree Health Plan will be provided by the insurance carrier(s) in force at the time of retirement and is subject to change if the City changes carriers, benefits or rates. All of the following requirements must be met in order for a City employee to be eligible for retiree medical insurance benefits.

Employees covered by Defined Benefit Plans must adhere to the Plan requirement defining retirement. Those covered by a Defined Contribution Plan (401(a)), must complete 25 years of service or be age 62 with at least ten (10) years of service with the City.

Please Note: *Retiree benefits are offered under a separate medical plan for the purpose of the Affordable Care Act.*

Holiday Schedule

The 2022- 2023 Holiday Schedules for full-time regular and non-bargaining unit employees are listed below:

2022	Date	4/10s	5/8s
New Year's Day	—	—	—
M.L.K. Day	—	—	—
Memorial Day	—	—	—
Independence Day	—	—	—
Labor Day	Monday, 9/5	Monday, 9/5	Monday, 9/5
Thanksgiving Day	Thursday, 11/24	Wednesday, 11/23	Thursday, 11/24
Day after Thanksgiving	Friday, 11/25	Thursday, 11/24	Friday, 11/25
Christmas Holiday	Saturday, 12/24	Thursday, 12/22	Friday, 12/23
Christmas Holiday	Sunday, 12/25	Monday, 12/26	Monday, 12/26
Floating Holiday	Use on or before September 17, 2022		

2023	Date	4/10s	5/8s
New Year's Day	Sunday, 1/1	Monday, 1/2	Monday, 1/2
M.L.K. Day	Monday, 1/16	Monday, 1/16	Monday, 1/16
Memorial Day	Monday, 5/29	Monday, 5/29	Monday, 5/29
Independence Day	Tuesday, 7/4	Tuesday, 7/4	Tuesday, 7/4
Labor Day	Monday, 9/4	Monday, 9/4	Monday, 9/4
Thanksgiving Day	Thursday, 11/23	Wednesday, 11/22	Thursday,11/23
Day after Thanksgiving	Friday, 11/24	Thursday, 11/23	Friday, 11/24
Christmas Holiday	Sunday, 12/24	Monday, 12/25	Monday, 12/25
Christmas Holiday	Monday, 12/25	Tuesday, 12/26	Tuesday, 12/26
Floating Holiday	Use on or before September 16, 2023		

In order to be eligible for holiday pay, an employee must be in an active pay status, receiving pay for the scheduled workday before and after the holiday; i.e., worked the regular day or on approved leave with pay. Non-union shift employees observe the actual holiday (ex: Independence Day – July 4th) as the holiday for premium holiday pay purposes. Temporary, seasonal, and non-budgeted part-time employee may have the day off according to their schedule but are not eligible for holiday pay. Temporary, seasonal, and budgeted part-time employee is not eligible for the floating holiday.

Full-time regular status employee must have completed the initial (new hire) six-month probationary period or six (6) consecutive months' of employment in order to use their floating holiday.

For further details, non-union employees may refer to Personnel Procedures and Rules Manual, Chapter XIII. Union employees should refer to their respective bargaining agreement for rules pertaining to holidays.

I'm a conscientious healthcare consumer.

Health Care Flexible Spending Accounts (FSA) allow an employee to set aside pre-tax dollars from their paycheck into a Health Care FSA. The amount set aside is not taxed, automatically deducted from your paycheck and deposited into the FSA. During the year, the employee has access to the Healthcare FSA account to pay for expenses not covered by insurance.

Don't Forget! The 2021-22 plan year will end September 30, 2022. Participants have until December 14, 2022, to spend the funds and an additional 30 days (until January 14, 2023) to file claims for expenses that were paid without using the 90 Degree Mastercard.

Any funds not claimed by January 14, 2023, will be forfeited.

OKALOOSA COUNTY

I Use My Flexible Spending Account

SURPRISINGLY ELIGIBLE EVERYDAY ITEMS YOU CAN USE YOUR HEALTH CARE FSA DOLLARS ON!

- Mileage to/from Eligible Health Care Treatment
- Diabetes Care
- Home Safety Items - grab bars, shower bench, etc.
- Personal Care - family planning, eligible body lotions & serums, etc.
- Eligible Joint & Muscle Relief - shoe insoles, massage & heating pads, pain relief, light and acupressure pads.

Members can visit the FSAstore.com for a comprehensive list of eligible items or log on to **http://www.irs.gov/publications/p502/index.html** for additional details regarding qualified and non-qualified expenses.

For information on FSA eligible expenses, checking your balance, or substantiation requirements contact 90 Degree Benefits Mississippi, (800) 530-7222 or log onto **www.90degreebenefits.com/mississippi.php portal**.

[1] Healthcare FSA elected funds are available for use on the first day coverage is effective.
[2] Qualified Dependent care expenses include day care centers, preschool, and before/after school care for eligible children and dependent adults. Unlike the Health Care FSA, Dependent Care FSA reimbursement is only up to the amount that has been deducted from participant's paycheck.
[3] If single or married and file a joint tax return, $2,500 if married and file a separate tax return.

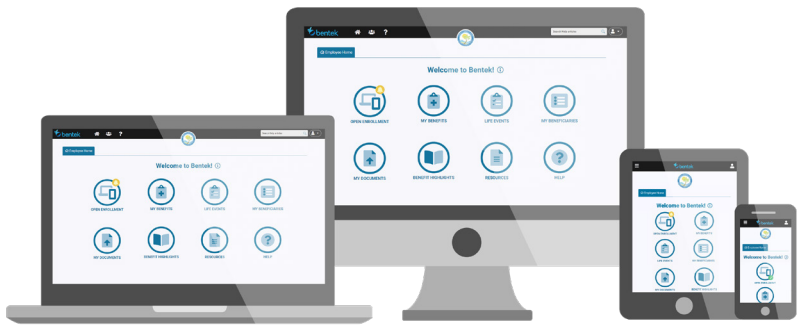
CLEARWATER

BRIGHT AND BEAUTIFUL · BAY TO BEACH

2022 OPEN ENROLLMENT

Monday, September 27th – Friday, October 15th

WE ARE GOING VIRTUAL!



Open Enrollment is the time of year when benefit eligible employees can make new benefit elections, or changes to their current elections, for the upcoming 2022 plan year.

There are no carrier changes this year, but it is important that everyone logs into Bentek to review their benefits and make any plan changes. Reminder: If you are in the FSA plan, you must re-enroll each year.

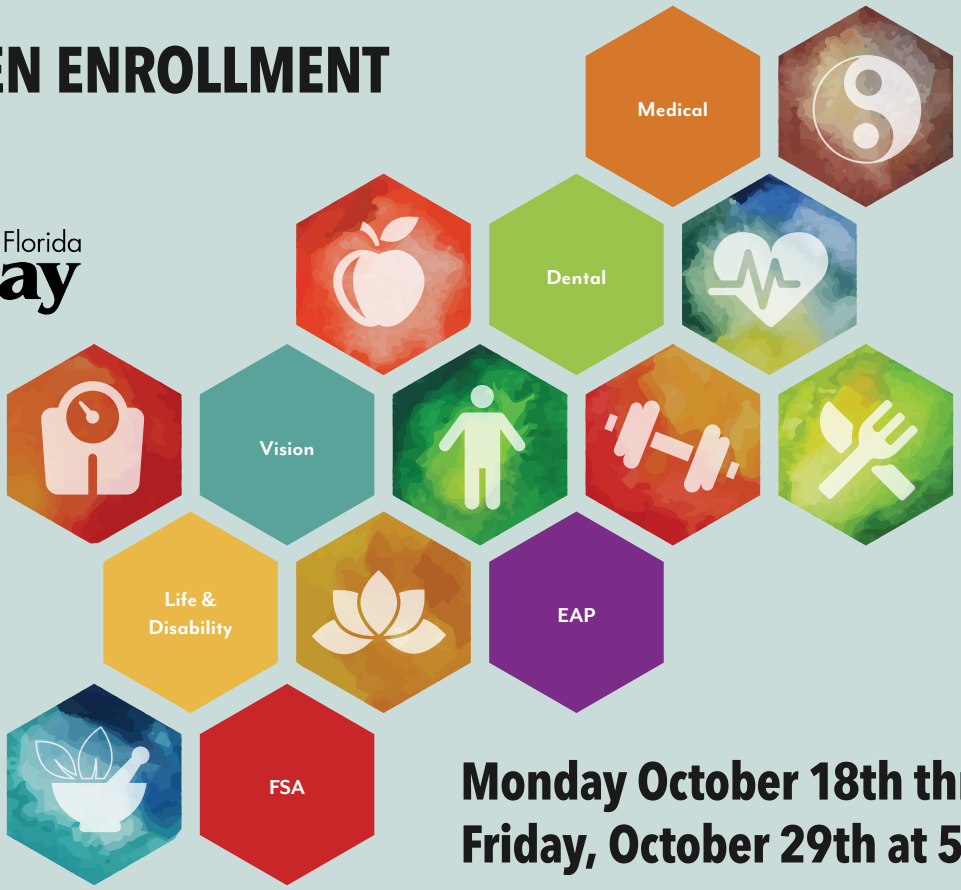
ONLINE ENROLLMENT THROUGH BENTEK

Open Enrollment is online! Bentek is our internet-based benefits-enrollment system, allowing you to do the following 24 hours-a-day/7 days-a-week during the Open Enrollment period:

- View all benefit elections and payroll deductions
- Make new elections or changes online
- View plan summaries and link to provider websites
- Designate life insurance beneficiaries

To access the site go to: **www.mybentek.com/clearwater**

Bentek Site will be open from Monday, September 27th – Friday, October 15th at 5:00pm.



If you have trouble accessing Bentek, please contact the Bentek Support Line at: support@mybentek.com, or: (888) 5-Bentek (523-6835) Monday – Friday 8:30am – 5:00pm EST

Questions or concerns? Please contact Human Resources at (727) 562-4870

To access Bentek using a mobile device, scan code.

DANIA BEACH
SEA IT. LIVE IT. LOVE IT.

Are you Ready to Get Back to "Normal"?

The City is excited to announce that we will be offering two Wellness Sessions to have open discussion on the following topics:

- COVID Fatigue: Strategies for enhancing emotional well-being during the pandemic and beyond
- How to cope with returning back to work after a pandemic
- Managing uncertainty
- Establishing emotional balance in challenging times

We will be open to discuss any other topics that may come up during the session to assist employees and provide you with the tools that you may need during these unusual times.

We have invited Lisa Stewart, Ph.D., LMHC, the Clinical Director of our Employee Assistance Program to help us navigate through this discussion. Please join us either virtually or in-person on one of the following dates and times:

WELLNESS SESSIONS

Virtual Meeting
WEDNESDAY, MAY 26TH | 1:00 PM
CLICK HERE TO JOIN
Call: +1 850-583-5114
Conference ID: 809 165 6#
Please RSVP by Friday, May 21st

In-Person Meeting
TUESDAY, JUNE 15TH | 1:00 PM
City Hall NW Conference Room
Please RSVP by Friday, June 11th , as there is a limit of 10 employees allowed due to social distancing

Both Sessions will last about one hour long. Please RSVP to Bendra Caseneuve either by calling Human Resources or emailing her at bcaseneuve@daniabeachfl.gov.

CITY OF Hollywood FLORIDA

2022 OPEN ENROLLMENT!

NOVEMBER 1 - NOVEMBER 19

The Open Enrollment period begins November 1 and ends on November 19. This is the time that you can make changes to your benefits – add or drop dependents, change plans, enroll in coverage or drop coverage. Representatives from Gehring Group will be hosting virtual open enrollment meetings and a pre-recorded video will also be made available from your Human Resources Department. All new elections and changes made during Open Enrollment will be effective January 1, 2022.

Online Enrollment is easy through Bentek

The Bentek Site will be open from November 1 at 7:00 a.m. and closing on November 19 at 6:00 p.m.

Open Enrollment is online! The City provides Bentek, an internet based online benefits enrollment system, available 24 hours a day, 7 days a week. Employees may:

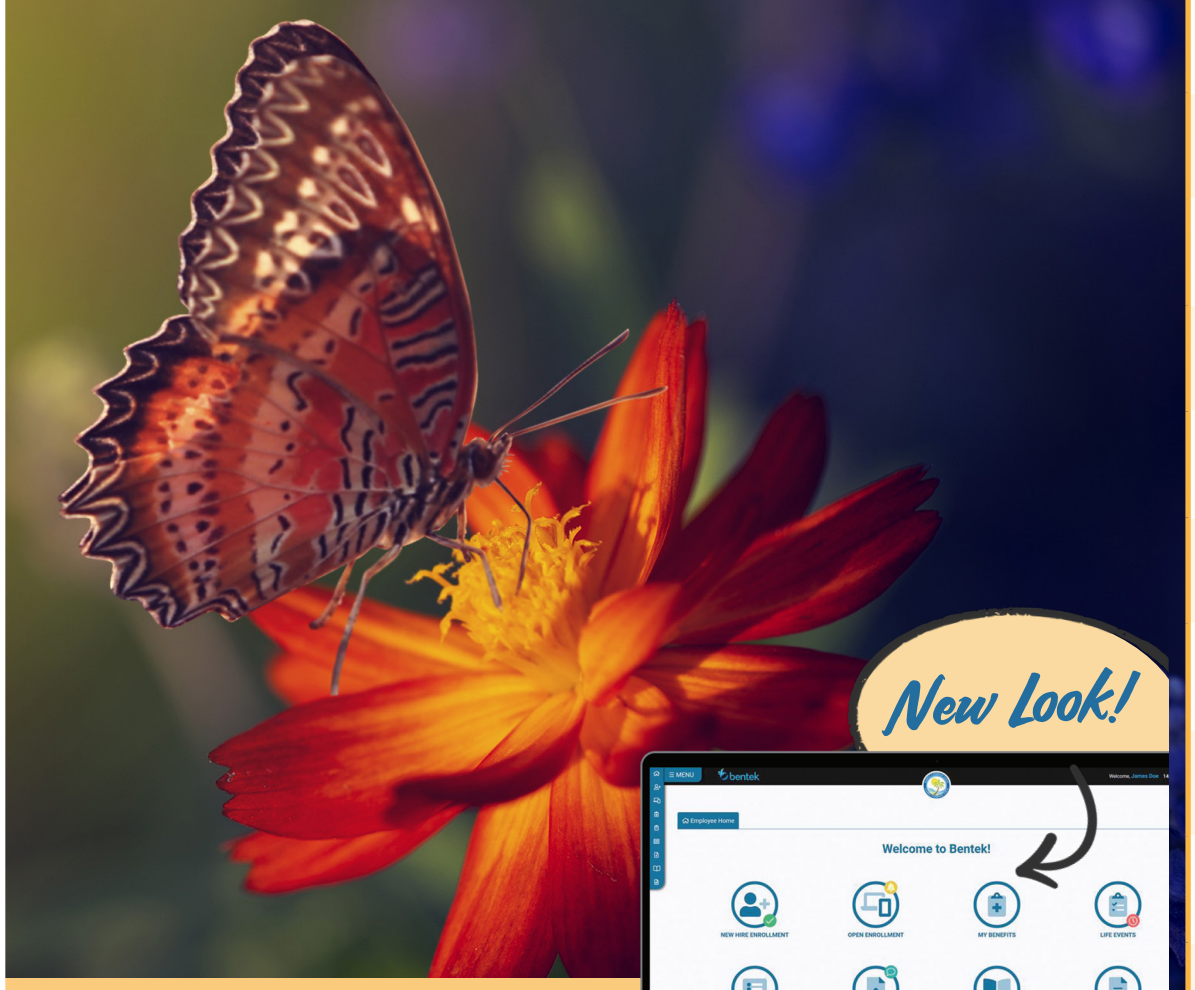
- View all benefit elections and payroll deductions
- View plan summaries and link to carrier websites
- Designate Life Insurance beneficiaries
- During open enrollment, employees may make new elections, change, add or remove dependents
- Enroll or re-enroll in Flexible Spending Accounts (FSA)/ Dependent Care Spending Accounts (DCA)

Please Note: *FSA accounts do not automatically rollover you must re-elect your amount each year.*

To access the site go to:
www.mybentek.com/hollywood

Please Note: If you wish to enroll or waive coverage under the City's benefit plans, **you must** log on to Bentek before the Open Enrollment period closes on November 19 at 6:00 p.m.

To access Bentek using a mobile device, scan code.



Thank you and we look forward to seeing you virtually!

2020-2021
OPEN ENROLLMENT

AUGUST 26 - SEPTEMBER 16, 2020

Open Enrollment is the time of year that you can make changes to your benefits: such as drop or add dependents, drop coverage, or enroll into coverage. All new elections and changes made during Open Enrollment will be effective October 1, 2020. The Open Enrollment period this year begins August 26 and ends on September 16.

Be on the look out for some video recordings from Human Resources with additional information pertaining to the upcoming Open Enrollment!

ONLINE ENROLLMENT THROUGH BENTEK

Open Enrollment is online! The City provides Bentek, an internet based online benefits enrollment system, available 24 hours a day, 7 days a week. Bentek and Gehring Group representatives will be available via phone to assist with online enrollment.

To access the site, visit **www.mybentek.com/coconutcreek**

All employees MUST log on to Bentek during the Open Enrollment period (August 18 - August 28 at 5:00pm) to verify coverage and update beneficiaries for the 2020-2021 Plan Year, even if planning to waive or maintain coverage elections.

VIRTUAL ONE-STOP-SHOP

Fall Legislative and Regulatory Update

Presented by:
Ben Conley
Seyfarth Shaw LLP

1

1

- Homeroom
- Public Safety Officer Support Act
- Snack Time
- Inflation Reduction Act
- Recess
- Regulatory Update on NSA & Transparency & Others
- Dismissal Bell

2

Public Safety Officer Support Act

- Expands existing Public Safety Officers Benefits Program
- New law covers first responders who:
  - Die from suicide
  - Are permanently disabled due to traumatic service-related experiences

3

Public Safety Officer Support Act

- Public Safety Officers' Benefits Program – Refresher:
  - Provides death & education benefits to survivors of deceased law enforcement officers, firefighters & first responders
    - One time death benefit
    - One time disability benefit
    - Support for higher education of deceased first responders
  - Administered by Bureau of Justice Assistance (sub-agency of DOJ)

4

Public Safety Officer Support Act

- Effective date: Retroactive to January 1, 2019
  - (Intended to also pick up claims stemming from January 6th incident)

5

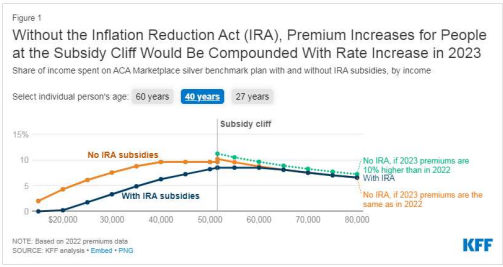
Inflation Reduction Act

- Background:
  - Key centerpiece of Biden Domestic Agenda related to climate change
  - Originally called "Build Back Better"
  - Efforts derailed earlier in 2022

6

Inflation Reduction Act

- Key provisions:
  - 15% minimum corporate tax
  - Prescription drug price reform
  - Increased IRS funding
  - ACA subsidy extension
  - **Significant energy investments**



7

Inflation Reduction Act – Healthcare Provisions

- ACA subsidy extension
  - Originally enacted through ARPA
    - Raises income "cap" on subsidy eligibility (from approximately $52k to approximately $106k for a family of 4)
    - Increase premium assistance for nearly 90% of Marketplace enrollees
  - Scheduled to expire at the end of 2022
- IRA extends assistance for three more years (through 2025)

8

Inflation reduction Act – HealthCare Provisions

9

Inflation Reduction Act – Healthcare Provisions

- Requires federal government to negotiate prices for certain drugs covered under Medicare
- Requires Rx companies to pay rebates if prices for drugs used by Medicare beneficiaries outstrip inflation
- Reduces cost-sharing for Part D program
- Caps monthly insulin cost to $35 for persons with Medicare
- Eliminates cost-sharing for adult vaccines in Part D program
- Delays Trump Admin drug rebate rule

10

Inflation Reduction Act

11

Number of Medicare Beneficiaries Potentially Affected by Selected Provisions in the Inflation Reduction Act

Provision	Eliminating the 5% coinsurance requirement for Medicare Part D catastrophic coverage	Capping out-of-pocket drug costs in Medicare Part D at $2,000	Eliminating cost sharing for adult vaccines covered under Medicare Part D	Expanding eligibility for full benefits for Medicare Part D Low-Income Subsidies up to 150% FPL
Number of Medicare Part D enrollees in 2020	**1.3 million*** had spending above the catastrophic coverage threshold	**1.4 million*** had annual out-of-pocket drug spending of $2,000 or more	**4.1 million** received a vaccine covered under Part D	**0.4 million** received partial benefits under the Low-Income Subsidy program

NOTE: *Reflects Part D enrollees without low-income subsidies. Estimates of beneficiaries potentially affected by these provisions are likely to be conservative because they are based on 2020 data and do not reflect increases in drug spending from 2020 to the year of implementation, growth in the population, or any increase in drug use and spending attributable to reduced financial barriers.
SOURCE: KFF, "How Would the Prescription Drug Provisions in the Senate Reconciliation Proposal Affect Medicare Beneficiaries?" July 2022.

12

Inflation Reduction Act

HHS Secretary negotiates Medicare drug prices	**$98.5b** savings
Drug manufacturer rebates for price increases above inflation	**$63.2b** savings[1]
Medicare Part D benefit redesign	**$30.0b** spending[2]
Cap on Part D premium growth for 2024-2029	Not scored separately
$35 monthly copay cap for insulin in Medicare Part D	**$5.1b** spending[3]
Expand income eligibility for Medicare Part D LIS full benefits	**$2.2b** spending
Eliminate cost sharing for adult vaccines in Medicare Part D	**$4.4b** spending
Improve adult vaccine access in Medicaid & CHIP	**$2.5b** spending
Delays the Trump Administration's drug rebate rule	**$122.2b** savings (2027-31)
Overall Budget Effects, 2022-2031[4]	**$236.6b** federal deficit reduction

CBO estimates that under the Inflation Reduction Act, the number of new drugs coming to the U.S. market would be reduced by about 1 drug between 2023-2032, about 5 drugs over the next decade, and about 7 drugs over the decade after that (of an estimated 1,300 drugs expected to be approved over the next 30 years).

13

Inflation Reduction Act – Healthcare Provisions

- No direct impact on employer plans
  - Provision limiting insulin cost for non-Medicare plans block from advancing
- Indirect impact?
  - Price impact?
    - American Benefits Council projects Rx manufacturers will shift cost to employer plans
    - KFF says rebate provisions will have flow-through benefits to employer plans
  - Drug innovation?
    - CBO estimates 1% reduction in new drugs coming to market over the next 30 years

14

NSA & Transparency Updates

- *Notices*
  - NSA Notice & Transparency in Coverage machine-readable file notice obligation can be satisfied by posting on TPA/Carrier website
  - Must use updated notice by 2023
  - Still requires a contractual arrangement with TPA/Carrier to take advantage of this guidance
  - NSA "public posting" obligation still creates uncertainty
- *Clarifications on Reference-Based Pricing Plans & Network-Only Plans*
  - NSA still applies in both settings with few exceptions:
    - If no network, then provisions relating to non-network providers in network facility are N/A
    - If no coverage for non-emergency air ambulance, then no obligations for non-network non-emergency air ambulance

15

Copay Maximizer Programs

- *What are they?*
  - Allows plan sponsor to maximize value of Rx manufacturer coupon
  - Common "brands" include SaveonSP, PrudentRx
- *What are the risks?*
  - Integration with HDHP/HSAs
  - State insurance regulations
  - *J&J v. SaveonSP*
  - ERISA, generally

Exhibit E
Sample Employee Benefit Newsletters

October 25, 2022

The IRS released the final 2022 forms for reporting under Internal Revenue Code (Code) Sections 6055 and 6056.

- **2022 Forms 1094-B and 1095-B** are the forms that will be used by providers of minimum essential coverage (MEC), including self-insured plan sponsors that are not applicable large employers (ALEs), to report under Section 6055.
- **2022 Forms 1094-C and 1095-C** are the forms that will be used by ALEs to report under Section 6056, as well as for combined Section 6055 and 6056 reporting by ALEs who sponsor self-insured plans.

The IRS revised Form 1095-B to remove references to the individual mandate penalty in the "Instructions for Recipients" section. No other substantive changes were made to the final forms for 2022 reporting. Final instructions have not been released yet. However, draft instructions (for Forms 1094-B and 1095-B, as well as for Forms 1094-C and 1095-C) are available, which include updated penalty maximums for 2022.

Furnishing Deadline Extension

A proposed rule issued in late 2021 extended the annual furnishing deadlines under Sections 6055 and 6056 for an additional 30 days. Reporting entities may rely on this proposed rule even though it has not been finalized. Due to this extension, **individual statements for 2022 must be furnished by March 2, 2023**. Reporting entities are encouraged to furnish statements to individuals as soon as they are able.

Important Dates

Feb. 28, 2023 – Paper IRS returns for 2022 must be filed by this date.

March 2, 2023 – Individual statements for 2022 must be furnished by this date.

March 31, 2023 – Electronic IRS returns for 2022 must be filed by this date.

No major substantive changes were made to the forms for 2022 reporting.

COMPLIANCE UPDATE

PCORI Fees Due August 1, 2022

The Internal Revenue Service (IRS) has issued Notice 2022-04 to increase the Patient-Centered Outcomes Research Institute (PCORI) fee amount for plan years ending on or after Oct. 1, 2021, and before Oct. 1, 2022. The updated PCORI fee amount is **$2.79** multiplied by the average number of lives covered under the plan. The IRS chart of filing due dates and applicable rates for the upcoming filing deadline is as follows:

Policy or Plan Ending Date in month of:	File return no later than:	Applicable rate:
January 2021	July 31, 2022	$2.66
February 2021	July 31, 2022	$2.66
March 2021	July 31, 2022	$2.66
April 2021	July 31, 2022	$2.66
May 2021	July 31, 2022	$2.66
June 2021	July 31, 2022	$2.66
July 2021	July 31, 2022	$2.66
August 2021	July 31, 2022	$2.66
September 2021	July 31, 2022	$2.66
October 2021	July 31, 2022	$2.79
November 2021	July 31, 2022	$2.79
December 2021	July 31, 2022	$2.79

PCORI Fees Background

The PCORI fee was created by the Affordable Care Act (ACA) and first applied for plan years or policy years ending after Sept. 30, 2012. The fee is imposed on health insurance issuers and self-insured plan sponsors to fund comparative effectiveness research.

These fees were originally scheduled to expire for plan or policy years ending on or after Oct. 1, 2019. However, a federal spending bill enacted at the end of 2019 extended the PCORI fees for an additional 10 years. As a result, the PCORI fee will apply through the plan or policy year ending before Oct. 1, 2029.

Highlights

Covered Plans

The PCORI fees generally apply to insurance policies providing accident and health coverage and self-insured group health plans including HRAs.

IRS Form 720

Issuers and plan sponsors must report and pay the PCORI fees annually on IRS Form 720 (Quarterly Federal Excise Tax Return).

Issuers or plan sponsors that file Form 720 only to report the PCORI fee do not need to file Form 720 for the first, third or fourth quarter of the year.

Payment Deadline

PCORI fees are due for plan or policy years ending in 2021 on **Aug. 1, 2022.**

Payment Deadline

PCORI fees are reported and paid annually on IRS Form 720 (Quarterly Federal Excise Tax Return). These fees are due each year by July 31 of the year following the last day of the plan year. For plans ending in 2021, the next PCORI fee payment will be due **Aug. 1, 2022**, since July 31, 2022, is a Sunday. Covered employers should have reported and paid PCORI fees for 2020 by Aug. 2, 2021 (since July 31, 2021, was a Saturday).

Calculating the PCORI Fee

The PCORI fees are calculated based on the average number of covered lives under the plan or policy. This generally includes employees and their enrolled spouses and dependents, unless the plan is an HRA or FSA. Final rules outline a number of alternatives for issuers and plan sponsors to determine the average number of covered lives.

A RISK STRATEGIES COMPANY

Third Round of Free COVID-19 Tests Are Now Available

May 20, 2022

The U.S. government announced on May 16 that it has obtained the funding for another round of free COVID-19 tests for U.S. households.

This is the third round of free at-home tests to become available from the federal government. The first round of free tests, which were delivered in January and February, brought four free COVID-19 tests to each requested household. In March, four more COVID-19 tests were offered in the second round of free testing.

Intending to provide quicker access to testing for American families, the federal government has doubled the number of COVID-19 tests available to each household in this round of free testing.

"As the highly transmissible subvariants of Omicron drive a rise in cases in parts of the country, free and accessible tests will help slow the spread of the virus," according to a White House fact sheet.

The announcement comes as COVID-19 cases and hospitalizations begin to rise once again. According to the National Public Radio, COVID-19 infections have risen 60% in the last two weeks.

With greater access to free testing, the White House hopes to reduce infection rates and subsequent hospitalizations throughout the country.

Information on how to receive this round of free COVID-19 test kits can be found here.

Intending to provide quicker access to testing for American families, the federal government has doubled the number of COVID-19 tests available to each household in this round of free testing.

This News Brief is not intended to be exhaustive, nor should any discussion or opinions be construed as legal advice. Readers should contact legal counsel or an insurance professional for appropriate advice.

A DIVISION OF RISK STRATEGIES

February 25, 2022

COMPLIANCE UPDATE

Reminder: Medicare Part D Disclosures due by March 1, 2022 for Calendar Year Plans

Group health plan sponsors are required to complete an online disclosure form with the Centers for Medicare & Medicaid Services (CMS) on an annual basis and at other select times, indicating whether the plan's prescription drug coverage is creditable or non-creditable.

This disclosure requirement applies when an employer-sponsored group health plan provides prescription drug coverage to individuals who are eligible for coverage under Medicare Part D.

The plan sponsor must complete the online disclosure **within 60 days after the beginning of the plan year**. For calendar year health plans, the deadline for the annual online disclosure is **March 1, 2022**.

Action Steps

To determine whether the CMS reporting requirement applies, employers should verify whether their group health plans cover any Medicare-eligible individuals (including active employees, disabled employees, COBRA participants, retirees, and their covered spouses and dependents) at the start of each plan year.

Employers that are required to report to CMS should work with their advisors to determine whether their prescription drug coverage is creditable or non-creditable. They should also visit CMS' creditable coverage website, which includes links to the online disclosure form and related instructions.

Important Dates

March 1, 2022
Deadline for sponsors of calendar year plans to complete an online disclosure form with CMS.

October 14, 2022
Deadline for group health plan sponsors to provide creditable coverage disclosures to Medicare-eligible individuals.

Each year, employers whose health plans provide prescription drug coverage to Medicare-eligible individuals must disclose to CMS whether that coverage is creditable or non-creditable.

This Compliance Update is not intended to be exhaustive nor should any discussion or opinions be construed as legal advice. Readers should contact legal counsel for legal advice.

Agencies Issue Guidance on Coverage of OTC COVID-19 Tests

On Jan. 10, 2022, the Depts. of Labor, Health and Human Services (HHS), and the Treasury issued FAQ guidance regarding the requirements for group health plans and health insurance issuers to cover over-the-counter (OTC) COVID-19 diagnostic tests.

Legal Requirements

Plans and issuers must cover the costs of COVID-19 tests during the COVID-19 public health emergency without imposing any cost-sharing requirements, prior authorization, or other medical management requirements.

Under guidance issued in June 2020, at-home COVID-19 tests had to be covered only if they were ordered by a health care provider who determined that the test was medically appropriate for the individual. At that time, the FDA had not yet authorized any at-home COVID-19 diagnostic tests. Since then, several types of OTC at-home tests have been approved.

As of Jan. 15, 2022, the cost of these tests must be covered, even if they are obtained without the involvement of a health care provider. However, the FAQs do not require tests to be covered if they are not for individualized diagnosis (such as tests for employment purposes).

Plan Options

Plans and insurance issuers may place some limits on coverage, such as:

- Requiring individuals to purchase a test and submit a claim for reimbursement, rather than providing direct coverage to sellers.
- Providing direct coverage though pharmacy networks or direct-to-consumer shipping programs and limiting reimbursements to other sources (the actual cost of the test, or $12, whichever is lower).
- Setting limits on the number or frequency of OTC COVID-19 tests that are covered (no less than 8 tests per month or 30-day period).
- Taking steps to prevent, detect and address fraud and abuse.

Important Dates

Dec. 2, 2021
President Biden announced that guidance would be issued clarifying coverage of OTC COVID-19 tests.

Jan. 10, 2022
Federal agencies issued the guidance implementing the requirements for coverage of OTC COVID-19 tests.

Jan. 15, 2022
Deadline for plans and issuers to provide coverage for OTC COVID-19 tests available without a health care provider order or assessment.

At-home COVID-19 tests must be covered even if they are obtained without the involvement of a health care provider.

This Compliance Update is not intended to be exhaustive nor should any discussion or opinions be construed as legal advice. Readers should contact legal counsel for legal advice.

Proposed Rule Extends ACA Reporting Furnishing Deadlines

On Nov. 22, 2021, the IRS released a proposed rule that extends the annual furnishing deadlines for Sections 6055 and 6056 reporting under the Affordable Care Act (ACA). This proposed rule essentially makes permanent the furnishing deadline extension that has been provided for each prior year of ACA reporting. Specifically, the proposed rule:

- **Extends the due date for furnishing statements to individuals** under Sections 6055 and 6056 by **30 days** from Jan. 31 each year; and
- **Provides additional penalty relief related to furnishing statements to individuals under Section 6055** for every year in which the individual mandate penalty is zero. Under this relief, employers generally will only have to provide Form 1095-B to covered individuals upon request.

The proposed rule also provides that minimum essential coverage (MEC) does not include Medicaid coverage that is limited to COVID-19 testing and diagnostic services provided under the Families First Coronavirus Response Act (FFCRA).

Under the proposed rule, the due date for filing forms with the IRS under Sections 6055 and 6056 remains unchanged. This means that forms must generally be filed with the IRS by **Feb. 28** of the year following the calendar year to which the statement relates (or **March 31**, if filing electronically).

Action Steps

This rule is in proposed form and has not been finalized. **However, the proposed rule provides that taxpayers may rely on the guidance in the rule beginning with the 2021 calendar year, even before the rule is finalized.**

Highlights

- The proposed rule provides an automatic 30-day extension of the annual deadline to furnish individual statements under Sections 6055 and 6056.
- The proposed rule also provides an alternative method for furnishing statements to individuals under Section 6055 for every year that the individual mandate penalty is zero.
- The annual deadline for filing returns with the IRS is not affected.

Important Dates

30 Days from January 31

Individual statements are due 30 days after Jan. 31 of the year following the calendar year to which the statement relates

February 28

Annual deadline for filing with the IRS on paper

March 31

Annual deadline for filing with the IRS electronically

GEHRING GROUP
EMPLOYEE BENEFITS | RISK MANAGEMENT

This Compliance Update is not intended to be exhaustive nor should any discussion or opinions be construed as legal advice. Readers should contact legal counsel for legal advice.

Proposed Rule Extends ACA Reporting Furnishing Deadlines

Sections 6055 and 6056 Reporting

Sections 6055 and 6056 were added to the Internal Revenue Code (Code) by the ACA.

- Section 6055 applies to providers of MEC, such as health insurance issuers and employers with self-insured health plans. These entities will generally use Forms 1094-B and 1095-B to report information about the coverage they provided during the previous year.
- Section 6056 applies to applicable large employers (ALEs)—generally, those employers with 50 or more full-time employees (including full-time equivalents) in the previous year. ALEs will use Forms 1094-C and 1095-C to report information relating to the health coverage that they offer (or do not offer) to their full-time employees.

Individual statements (Forms 1095-B and 1095-C) are generally required to be furnished by **Jan. 31** each year. Forms are generally required to be filed with the IRS by **Feb. 28** annually (or by **March 31** annually, if filing electronically).

Extended Furnishing Deadlines

The proposed rule provides an **automatic extension of 30 days** to furnish statements (Forms 1095-B and 1095-C) to individuals under Sections 6055 and 6056. Because the extension is automatic, reporting entities would not need to formally request an extension from the IRS.

Under the proposed rule, statements furnished to individuals will be timely if furnished **no later than 30 days after Jan. 31** of the calendar year following the calendar year to which the statement relates. If the extended furnishing date falls on a weekend day or legal holiday, statements will be timely if furnished on the next business day.

This rule is in proposed form and has not been finalized. **However, the proposed rule provides that taxpayers may rely on the guidance in the rule beginning with the 2021 calendar year, even before the rule is finalized.**

Impact on Filing Deadline

The proposed rule does not extend the due date for filing Forms 1094-B, 1095-B, 1094-C or 1095-C with the IRS. This due date remains **Feb. 28**, if filing on paper, or **March 31**, if filing electronically. Because the due dates are unchanged, potential automatic extensions of time for filing information returns are still available under the normal rules by submitting Form 8809. Additional extensions of time to file may also be available under certain hardship conditions.

Alternative Method of Furnishing under Section 6055

The individual mandate penalty has been reduced to zero, beginning in 2019. As a result, an individual does not need the information on Form 1095-B in order to calculate the individual's federal tax liability or file a federal income tax return. However, reporting entities required to furnish Form 1095-B to individuals must continue to expend resources to do so.

For all years that the individual mandate penalty is zero, the proposed rule provides an **alternative manner for a reporting entity to furnish statements to individuals under Section 6055**. Under this alternative manner of furnishing, the reporting entity must post a clear and conspicuous notice on its website stating that responsible

This Compliance Update is not intended to be exhaustive nor should any discussion or opinions be construed as legal advice. Readers should contact legal counsel for legal advice.

individuals may receive a copy of their statement upon request. The notice must include an email address, a physical address to which a request may be sent and a telephone number to contact the reporting entity with any questions. Reporting entities must generally retain the website notice until Oct. 15 of the year following the calendar year to which the statement relates.

ALEs that offer self-insured health plans are generally required to use Form 1095-C, Part III, to meet the Section 6055 reporting requirements, instead of Form 1095-B. Self-insured ALEs may use this relief for employees who are enrolled in the ALE's self-insured plan and who are not full-time employees of the ALE, as well as for non-employees (such as former employees) who are enrolled in the self-insured plan. **However, ALEs may not use the alternative method of furnishing for full-time employees who are enrolled in the self-insured plan.**

If, in the future, the individual mandate penalty is not zero, the IRS anticipates that reporting entities will need adequate time to develop or restart processes for preparing and mailing paper statements to responsible individuals. If the individual mandate penalty is modified in the future, the IRS anticipates providing guidance, if necessary, to allow sufficient time for reporting entities to restart the reporting process.

Elimination of Good Faith Transition Relief from Penalties

For each prior year of reporting, the IRS has provided transitional good-faith penalty relief for reporting entities that could show that they made good faith efforts to comply with the information reporting requirements. However, **the transitional good-faith relief from penalties for the reporting of incorrect or incomplete information on information returns or statements is not available for reporting for tax year 2021 and subsequent years**.

This good-faith relief was intended to be transitional to accommodate public concerns with implementing new reporting requirements under the ACA. These reporting requirements have now been in place for six years, and the IRS has determined that transitional relief is no longer appropriate. Therefore, the IRS has discontinued the transitional good-faith relief after tax year 2020.

Medicaid Coverage of COVID-19 Testing and Diagnostic Services

Prior guidance as a result of the COVID-19 pandemic has provided that Medicaid coverage that is limited to COVID-19 testing and diagnostic services under the FFCRA is not MEC under a government-sponsored program. As a result, an individual's eligibility for this type of coverage does not prevent the individual's eligibility for a premium tax credit.

The proposed rule adds Medicaid coverage for COVID-19 testing and diagnostic services to the health coverages listed in regulations that do not qualify as MEC under a government-sponsored program.

This Compliance Update is not intended to be exhaustive nor should any discussion or opinions be construed as legal advice. Readers should contact legal counsel for legal advice.

SARASOTA COUNTY SHERIFF'S OFFICE
FAIRNESS - INTEGRITY - RESPECT - SERVICE
SHERIFF KURT A. HOFFMAN
COLONEL BRIAN WOODRING, CHIEF DEPUTY

June 20, 2022

Mr. Kurt Gehring
Gehring Group
3500 Kyoto Gardens Drive
Palm Beach Gardens, FL 33410

Dear Mr. Gehring:

We have partnered with the Gehring Group for over twelve years and would like you to know the services you and your staff have provided, specifically over the last three years have been invaluable. The decision we made three years ago to manage our own program was not made lightly. We were faced with multiple decisions outside of our comfort zone and the expertise and guidance we received from the Gehring Group equipped us for such an undertaking.

On several occasions, your team have dropped everything and come to our offices, answered calls and emails and helped us navigate the tasks at hand. Your staff was able to ask the right questions, examine complex data, and provide us with clear and concise information that vitally impacted our organization and employees. I am confident that we would not have been as successful procuring and creating our own program if we had not engaged your firm. This could not have been accomplished without the consult we received from your dedicated and knowledgeable staff.

If you have any current projects that you wish to list the Sarasota County Sheriff's Office as a reference, you have my express permission to do so. Please accept this letter with my appreciation for what you and your staff did for us. We look forward to continued collaboration with you for the betterment of our employees and agency.

Respectfully,

Kurt A. Hoffman, Sheriff
Sarasota County, Florida

CHARLOTTE COUNTY

Kurt Gehring
The Gehring Group
1500 Kyoto Gardens Drive
Palm Beach Gardens, FL 33410

Dear Kurt,

I am pleased to provide a recommendation letter for the Gehring Group for all you have and continue to do in support of our self-funded Employee Health Benefits and our Property and Casualty Plans. The County has enjoyed the long-standing relationship and outstanding support of our Employee Health Plan and our two Employee Health Clinics. Charlotte County regards your company as an extension of our staff and our success is direct reflection of you and your entire team.

As part of Charlotte County's employee benefits program your team has helped us to control costs, perform RFP design, evaluation, and implementation, coordinated insurance committee meetings, provided us with the knowledge and expertise to open two employee health clinics. The first clinic opened in 2009 has provided us excellent care for our plan members and proven to be an integral part of our cost savings strategy.

The Property and Casualty Self Insured program partnership first was solidified by the guidance provided navigating thru the Hurricane Charley response, recovery and worked directly with our carriers to maximize their financial involvement. Your staff's technical and institutional knowledge in this arena continue to this day.

I am pleased to provide the County's recommendation letter in support of the Gehring Group for employee benefits and onsite clinic support in addition to our Self-Insured Property and Casualty program.

If you have any questions, I can be reached at 941.743.1244.

Sincerely,

Janine A. Hewitt

Ladies & Gentlemen:

The Palm Beach County Sheriff's Office has enjoyed a long relationship with the Gehring Group, as they have been our Agent of Record for Employee Benefits for over 20 years. During this extensive period of service, Gehring Group has provided outstanding service to our organization. They are highly regarded by me and my staff and have been a source of unqualified support and expertise to us throughout the years.

It is with pleasure that I recommend Gehring Group to other organizations. Please do not hesitate to call for further information.

Sincerely,

Ric L. Bradshaw

BENEFITS TECHNOLOGY

CLIENT INSPIRED **BENEFITS TECHNOLOGY**

mybentek.com

Client Inspired Benefits Technology

95% of our clients are public sector. Do you speak public sector?

▶ **We Customize!** Bentek's customization capabilities are limitless, with over **4,500 business rules**. We can offer our clients a custom solution that meets their needs, because no client is cookie-cutter.

▶ **Open Enrollment is Simple!** We believe that open enrollment should be simple and easy. Bentek's 6 STEP enrollment process uses progressive screens and makes enrollment take less than **5 minutes!** We support passive enrollment too, which employees can complete in as little as 2 steps.

▶ **Unlimited Support is Included!** Bentek's dedicated client services team provides every client year-round open enrollment implementation and support at no additional cost.

▶ **No Downtime During Open Enrollment!** Downtime should be reserved for vacation. Bentek manages your open enrollment simultaneously with year-round administrative functions so administrators don't miss a beat during this busy time.

▶ **Employee Benefit Center!** Employee self-service enables employees to upload documents, confirm status, access forms, update beneficiaries, and receive notifications and communications from the administrator.

▶ **Report and Eligibility Automation!** With our schedulers, administrators can automate the generation and transmission of reports and eligibility files.

▶ **Engaged & Informed!** We **rely on client feedback and insight** to help us define product features and determine prioritization. We publish our product roadmap in the Bentek application, so clients remained informed of upcoming enhancements.

Our Story. Our People.

We're a Company with a BIG HEART, citizens who are engaging, serving, and supporting the homeless, the disabled, the survivors, and the needy through our Helping Hands and Healing Hearts Committee. And it's those same dedicated hands and hearts that serve our public sector clients generously and enthusiastically, ensuring long term success and client retention.

We believe in providing hassle free, all-inclusive services to the public sector, so that public sector employers and employees can serve their communities.

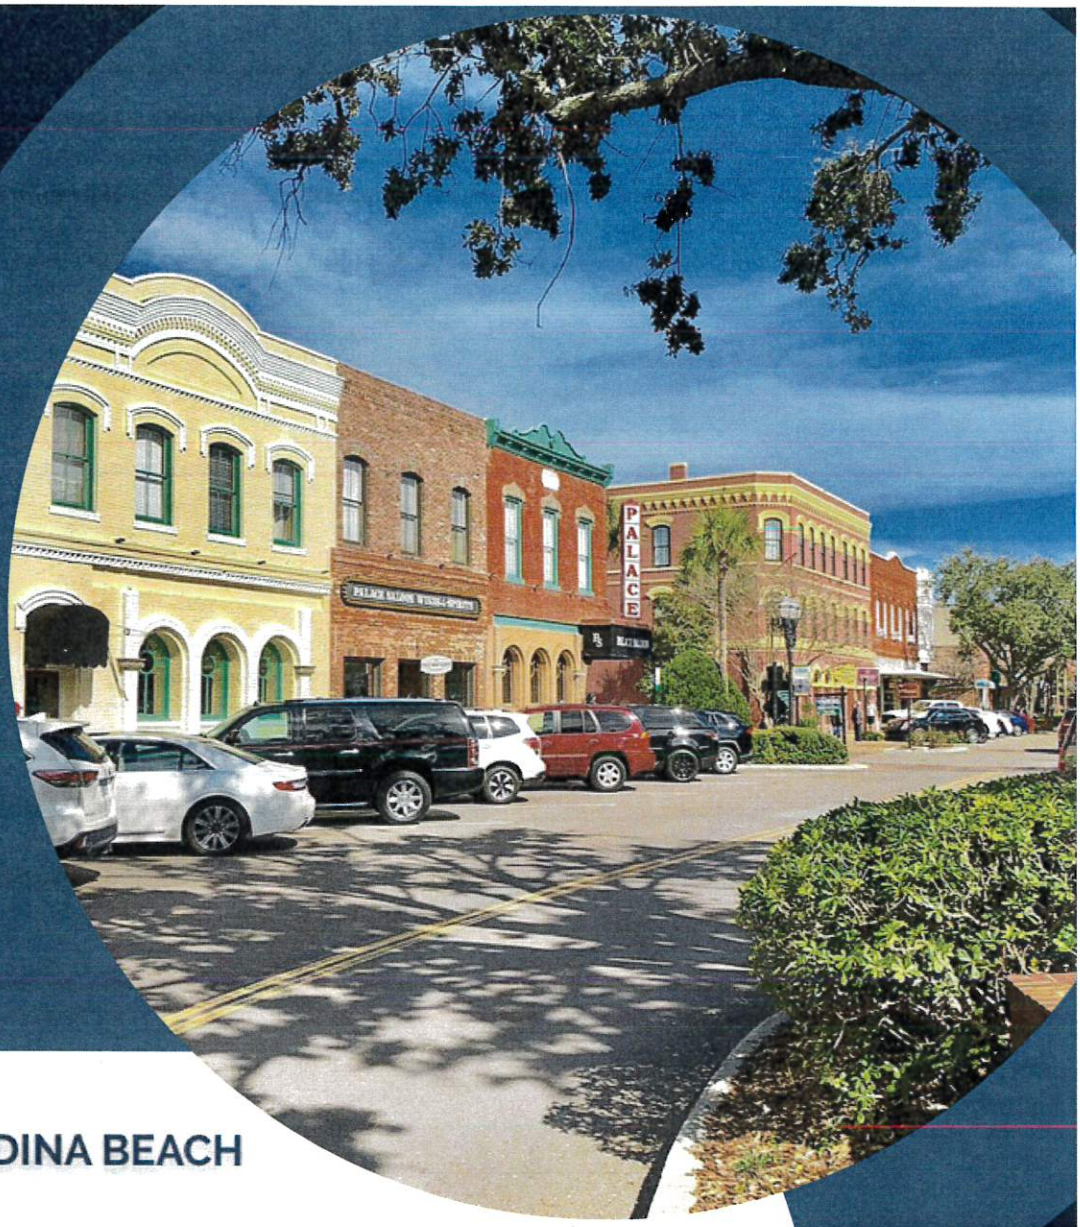
Kurt Gehring
The Gehring Group
3500 Kyoto Gardens Drive
Palm Beach Gardens, FL 33410

Kurt,

It is with great pleasure that I have the opportunity to recommend the Gehring Group for all services related to support of a self-funded Employee Health Benefits Plan. During the City's long relationship with the Gehring Group, they have provided a superior level of employee benefit consulting expertise with a high priority on satisfaction, cost and customer service.

As part of the City of West Palm Beach's employee benefits cost saving strategy, the Gehring Group has guided the City through the RFP design, evaluation, selection and implementation of our health plan and our onsite health clinic. Our Gehring Group team facilitates annual meetings with our ASO so that we hear from them in regard to trend and cost savings recommendations. The addition of an employee clinic has proven to be an asset in attracting talented employees, cost savings to the employees and retirees and it is a great ROI for the City.

The City has always had great confidence with the Gehring Group and their ability to problem solve and bring forth ideas that help the City to be a top choice for employees due the benefits it offers.



I am pleased to recommend the Gehring Group to any organization for employee benefits and onsite clinic consulting services.

If you have any questions, please feel free to contact me at (561) 494-1013.

Best regards,

Jennifer Chripczuk

RE: RFP #23-03 Employee Benefits Consulting and Brokerage Services

Dear Ms. Wanda Weeks:

We appreciate the opportunity to respond to the City of Fernandina Beach's Request for Proposal for Employee Benefits Consulting and Brokerage Services (RFP #23-03). We will work diligently to respond quickly to provide the best service and products to you over the tenure of our relationship. Please find enclosed our response to RFP #23-03.

After review of the Terms and Conditions put forth in the RFP, Mark III is committed to working closely with the City of Fernandina Beach to deliver best-in-class employee benefits, enrollment services, technology, and employee engagement services that are competitive, creative, and consistent with the desires of the employees and staff. We are an innovative company with a wealth of experience. We have customized services and products for municipalities like the City of Fernandina Beach over our 50 years of experience in the public sector.

Independence & Experience
With nearly 170 public sector customers and 50 years of experience, Mark III works with many municipalities across the Southeast, implementing and managing their benefit programs throughout the year.

Focusing on the public sector market gives Mark III insight into the unique needs of public sector employers like the City of Fernandina Beach.

Mark III is an independent employee benefits consulting firm, a debt-free corporation operating since 1973. Our Florida Headquarters is located in Brevard County, with a local presence in Nassau County. We work hard to be **the trusted benefits partner in the public sector**. We do not have a "pre-determined" product decision-making approach. We negotiate and use our leverage to have carriers compete for your business. This leverage allows us to develop creative benefits solutions that provide the best products available to your employees at the highest level of customer service.

What We Offer & How We Differ:

Medical Consulting & Plan Management

- Medical Plan Marketing and Evaluation Services
- Plan Specification Preparation
- Marketing your Plan Specifications
- Evaluation of Responses from the insurance carriers
- Plan Monitoring
- Accurate renewal calculations well in advance of the final renewal
- Setting budgeted rates
- Obtaining stop-loss coverage
- Providing pharmacy benefit solutions
- Creating Wellness Strategies

This allows the City of Fernandina Beach to accurately budget for the upcoming Fiscal Year and not be surprised if there is a cost issue with the medical plan. If there is a challenge with plan performance, planning and bidding can be done to give you multiple renewal options.

Voluntary Benefits

- Creating benefit recommendations based on plan performance and budget considerations
- Voluntary benefits in the marketplace have become very competitive in price and plan design; this creates an excellent value for all employees as we work with the City on creative plan design.
- Benefits will be customized for your employees to help recruit and retain the best employees. (no shelf products)
    - By offering best-in-class voluntary benefits and having insurance carriers compete for your business, the City can offer guaranteed issue products in every line of coverage for every employee, no matter their health status on all lines of coverage including but not limited to dental, vision, disability, cancer, accident, critical illness, hospital indemnity, term life, whole life, universal life, pet insurance, legal and identity protection.

Benefits Administration & Online Enrollment

Administration of benefits, we will provide at no additional cost a benefits administration system that will better:

- Manage new hires and terminations in a single system
- Integrate data with payroll systems
- Customize all data reporting
- Provide ongoing data connections to the insurance carriers
- Dedicated enrollment technology team

Wellness Strategy

We offer a dedicated Wellness Coordinator to guide your employee population to better health through:

- On-site clinics
- Wellness fairs
- An online wellness portal
- Innovative incentives

Our programs lower medical claims and keep costs contained in your medical plan.

Administrative & Cost Burden

Mark III absorbs all costs and administrative fees for:

- Flexible spending accounts
- COBRA administration
- Benefits administration system
- Employee communications
- and more at no additional cost to the City

Flexible Enrollment Options

We believe in a no-pressure, educational approach to benefits enrollment. Using salaried enrollment counselors provides true advocates for your employees and their families. We provide flexibility and convenience by:

- Group presentations
- Face-to-Face individual enrollment meetings
- Online self-service enrollment from our secure online platforms
- Call-center-based enrollment sessions with monitoring and call recording

Benefit Communication & Engagement

Mark III provides an innovative Employee Engagement and Communications Team to improve benefits participation and employee perception of the value of your benefits, helping you retain and recruit the best talent. We accomplish this through:

- Detailed and concise benefit guides
- Customized, animated product videos
- Branded online employee portal
- Direct communications, including email and text messaging
- Social media post creation and advertising
- Geofencing

We welcome the opportunity to extend our support and services to the City of Fernandina Beach with the leadership and vision required for your organization. We look forward to further sharing what Mark III can offer the City of Fernandina Beach.

Please let us know if you have any questions.

Sincerely,

EXHIBIT "B"

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for RFP #23-03 .

2. This sworn statement is submitted by (entity) Mark III Brokerage, Inc. whose business address is 211 Greenwich Road Charlotte, NC 28211 and (if applicable) Federal Employer Identification Number (FEIN) is 56-1055004 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

3. My name is Mark Browder and my relationship to the entity named above is VP, Consulting Services.

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or

    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

CITY OF FERNANDINA BEACH FLORIDA
RFP 23-03 EMPLOYEE BENEFITS CONSULTING AND BROKERAGE SERVICES

X Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)

____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

DRUG-FREE WORKPLACE CERTIFICATION

The below-signed INDIVIDUAL/FIRM certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace prepare, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or services a copy of the statement specified in paragraph 1.

4. In the statement in paragraph 1., notify the employees that, as a condition of working on the commodities or contractual services that are under proposal, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.

5. Impose a sanction on, or require fine satisfactory participation in drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I Certify that this firm complies fully with the above drug-free workplace requirements.

CONFLICT OF INTEREST STATEMENT

This sworn statement is submitted with Bid, Proposal or Contract for RFP #23-03.

This sworn statement is submitted by (entity) Mark III Brokerage, Inc. whose business address is 211 Greenwich Road Charlotte, NC 28211 and (if applicable) Federal Employer Identification Number (FEIN) is 56-1055004 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

My name is Mark E. Browder and my relationship to the entity named above is Vice President.

1. The above-named entity is submitting a Proposal for the City of Fernandina Beach.
2. The Affiant has made diligent inquiry and provides the information contained in the Affidavit based upon his/her own knowledge.
3. The Affiant states that only one submittal for the above proposal is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
4. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraints of free competitive pricing in connection with the entity's submittal for the above proposal. This statement restricts the discussion of pricing data until the completion of negotiations if necessary and execution of the Contract for this project.
5. Neither the entity not its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participation in contract letting by any local, State, or Federal Agency.
6. Neither the entity nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
7. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with the City of Fernandina Beach.
8. I certify that no member of the entity's ownership or management, or staff has a vested interest in any aspect of the City of Fernandina Beach.
9. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify the City of Fernandina Beach.

NAME: Mark E. Browder **TITLE:** Vice President

ADDRESS: 211 Greenwich Road

CITY: Charlotte **STATE:** NC

AUTHORIZED SIGNATURE:  **DATE:** 03/16/2023

CITY OF FERNANDINA BEACH, FLORIDA
ADDENDUM NO. 1
For RFP 23-03
EMPLOYEE BENEFITS CONSULTING AND BROKERAGE SERVICES

1. Do you currently have a benefits consultant/broker? If so, who?
   Joshua Jolley, CEBS
   Gallagher Company
   501 Riverside Ave, Ste 1000
   Jacksonville, FL 32202
   904-548-2302

2. What is your current contract fee amount for all lines of coverage? Current fees are commission based. Life Insurance is 1x annual earnings to $150k; and AD&D. Currently Mutual of Omaha. The agent is L.B. Bryan Company. The annual premium is $47,854.00.

3. Please provide commission percentages as well as annual premium by line of coverage.
   Current Premiums: Medical $2,909,583; Dental $96,115; Vision $76,404
   Current Percentages: Medical 3.09%; Dental 3%; Vision 10%

4. What value added services does the current broker offer at no cost to the City? (i.e. Ben Admin platform, COBRA admin, etc.) Employee Navigator is offered by the current broker of record at no additional charge.

5. Please confirm the City is fully insured. The City is Fully Insured for all lines of coverage.

6. Is the City considering transitioning to a self-funded program? The City is not considering a change to self-funded at this time. The City evaluates this on a year-to-year basis.

7. Doe the City pay a fee for the enrollment technology or does current Agent of Record cover the cost associated with Employee Navigator? Agent of Record covers the cost

TAB 2:
Project Scope of Work

CONSULTING & BROKERAGE SERVICES

Based on your statement of needs and specific requests outlined, we are confident Mark III has the knowledge and expertise you're seeking. In addition to meeting your requirements, we can also independently monitor plan activity, conduct quarterly meetings to discuss plan performance, develop quarterly & annual renewal projections and negotiate the final renewals on all group products we manage.

Outlined below, you will find the services we can offer the City of Fernandina Beach.

I. Mark III Insurance Brokerage Services

A. Initial/Annual Review Process: Typically, upon being hired Mark III would meet with the client and conduct an evaluation of the current insurance programs. This same process occurs on an annual basis to ensure plan performance and client satisfaction. Below are the items we take into consideration during the evaluation.

- The financial status of the company.
- The level of service provided, including but not limited to strong client service support, home office underwriting, contracts, and legal service departments claims processing, and related customer service.
- Networks that provide ample access to the locations where employees reside and the surrounding area.
- Flexibility to expand the network to cover employees.
- Network discounts and pricing.
- Plan design structure.
- Competitive rates or fee structure.
- The future stability of rates and fees.
- Providing comprehensive experience reports to the client and Mark III so that an evaluation can be made relative to plan performance.
- Carrier flexibility when plan design changes are necessary to meet the needs of the employees and the employer.
- Providing a quality service team that is dedicated to solving problems that arise during the plan year.
- Ongoing continuing education program to assist the employees' understanding of the plan's operation.

Once Mark III has completed the initial evaluation, we will meet with the City to deliver our assessment. After the City has reviewed the assessment, we will market any plans in question to obtain more competitive products. This is achieved through a request for proposal process (RFP) and negotiations. This is outlined in items B, C, and D below.

B. Developing the Bid Specifications
Mark III will prepare marketing specifications that give the carriers or vendors an accurate assessment of your existing program(s). This may also include other pertinent information such as census, current plan designs, requested plan designs, plan experience, stop-loss measurements, etc.

C. Marketing the Specifications
Upon completion of the bid specifications, Mark III will market the specs to a multitude of carriers or vendors. The purpose of this RFP is to solicit competitive proposals from qualified vendors on behalf of the City.

CONSULTING & BROKERAGE SERVICES

D. Evaluation of the Responses

Once all of the proposals are received, the City and Mark III will narrow down the most competitive carriers based on, but not limited to the following criteria:

- Quality of care provided to the employees and their dependents.
- The sound financial status of the carrier.
- The level of service provided. Including but not limited to strong client service support, home office underwriting, contracts, and legal service departments claims processing, and related customer service.
- Networks that provide excellent access to hospitals and physicians in the locations where employees reside and the surrounding areas.
- Network discounts and pricing.
- Competitive rates or fee structure.
- The future stability of rates/fees.
- Ability to provide comprehensive experience reports to the City and Mark III so that an evaluation can be made relative to plan performance.
- Carrier flexibility when plan design changes are necessary to meet the needs of the employees and the employer.
- Providing a quality service team that is dedicated to solving problems that arise during the plan year.
- The flexibility to expand the network to cover employees.

II. Mark III Consulting Services

A. Mark III will meet with the City as often as needed, focusing on your specific goals and priorities. This would include:

- Discussion of benefit priorities and financial/budgetary constraints.
- Sharing related experiences with typical plan designs and cost structures of other clients with similar demographics as a perspective for City of Fernandina Beach.
- Making renewal plan recommendations.
- Developing a strategic benefits plan.
- Marketing products when appropriate.
- Make recommendations on products to implement based on:
  - Employee satisfaction with plan designs
  - Compliance with State and Federal guidelines
  - Competitiveness of plan designs, rates, and fee structure
  - The future stability of rates
  - Ability to change the plan design to meet employee and dependent needs
  - Ease of administration
  - Develop enrollment plan as needed.
  - Develop enrollment dates and timeline.
  - When applicable, monthly tracking of claims.

CONSULTING & BROKERAGE SERVICES

B. Renewal Strategy and Negotiations
Mark III has the ability to provide our own renewal projections for the City. We can perform the following on all applicable products:

- Track claims monthly to look for trends and monitor the service level of the vendor.
- Provide quarterly meetings/updates versus annual review meetings.
- Provide quarterly underwriting projections based on current and past experience.
- Provide budget projections 6 months in advance versus an industry standard of 60 days.
- Prior to the City receiving the insurance company's annual renewal, Mark III will evaluate the plan experience and develop our renewal separate from the carrier to compare our estimates against theirs.
- Help maintain the financial integrity of the plan.
- Identify plan design challenges.
- Make recommended changes and provide cost impact analysis.

C. Renewal Accuracy and Competitiveness are based on the following:

1. Claims activity.
2. Competitiveness of the carrier's reserving philosophy. This is determined by comparing their assumptions to industry norms.
3. Competitiveness of the carrier's retention. This is determined by comparing their assumptions to industry norms.
4. Changes in the demographic composition of the client and how that has changed over time. – How do these demographics (manual rate) impact the renewal?
5. How competitive/aggressive the carrier is when weighing the manual rate vs. the experience rate?

Mark III Leverage

In the insurance industry, it is a common misconception that bargaining power is equivalent to leverage. However, pitting one company against the other in an attempt to gain the desired result isn't leverage, it is competition/negotiation and can at times be effective. Leverage is actually the ability to influence in the absence of bargaining.

One of our most competitive advantages is our presence in the local government market. With nearly 170 public sector accounts and 300,000 covered employees, Mark III is uniquely positioned in the insurance community. Over 95% of our client base is comprised of municipalities, county governments, and public school systems. Because we have a large presence in a defined market and geographic area, it allows us the opportunity to exert influence on behalf of our customers.

One example of this is in the area of insurance products. After 49 years of working in this market, we now have insurance carriers soliciting Mark III. The purpose of their solicitation is to find out what they can do for our customer base. As a result, Mark III customers now have access to products that cannot be obtained on the open market. Even in a competitive bid situation, no one can gain access to these products unless you are a direct customer of our organization. These products are completely proprietary to the Mark III customer base.

CONSULTING & BROKERAGE SERVICES

Some of the advantages of these proprietary products are as follows:

1. Lower Premium
2. Expanded Coverage
3. Enhanced Coverage (Where claim dollars actually occur)
4. Higher Wellness Benefits
5. Multi-Year Guarantee Issue

In short, these companies were willing to make concessions because of the size and demographic of our customer base. Should you decide to make Mark III a finalist in this RFP process, we will provide further explanations on this topic and examples.

Implementation & Enrollment

Once Mark III is designated as your employee benefits consultant, we would take the following steps to transition City of Fernandina Beach:

- Disseminate authorization to the appropriate vendors.
- Set a meeting with the City to determine your goals and outline any challenges that have occurred in the administration or performance of the benefit plans.
- Establish a timeline for the transition process (a sample timeline is provided in this response).
- If necessary, Mark III will gather the data from the various vendors to provide plan performance information and renewal estimates back to the client.
- If necessary, develop bid specifications.
- Market the specifications (RFP).
- Evaluate all vendor responses.
- Prepare evaluation analysis. (Generally a side-by-side spreadsheet comparison).
- Meet with the City to discuss results and your options.
- We also provide forms such as vendor agreements, plan documents, employee salary reduction agreements, and set up vendor orientation calls.

Mark III Enrollment Process

We have over 80 enrollment counselors who conduct enrollments for our clients throughout the year. We do not outsource the physical enrollment process to insurance companies or third-party enrollment firms. Mark III will actually communicate the benefits and conduct the open enrollment process on behalf of the City, which in turn gives you more control of your enrollment communication process.

The open enrollment process is set up in an educational format. Our counselors will educate your employees on the benefits offered by the City, answer their questions and address their concerns. At that point, the employee can feel comfortable making his or her own decision based on knowledge and understanding, rather than fear-based sales tactics. The Mark III counselor's sole responsibility is to help your employees understand their benefits, not give them a high-pressure sales pitch.

CONSULTING & BROKERAGE SERVICES

Below are just some of the advantages of our Mark III Enrollment services.

1. Our Enrollment Team:

- Nearly all of our counselors have 10+ years of communicating employee benefits to public sector employees.
- Mark III's counselors are paid a salary or per-diem.
- There are no commission, bonus, or incentive payouts of any kind to the counselor.
- Elimination of common arm-twisting sales tactics due to incentivized payouts.
- The entire process is educational.

2. Open Enrollment Process:

- Group Presentations – Mark III will schedule group meetings at each work location or virtually via Zoom, Teams, WebEx, etc., so employees do not have to travel. The counselor will give an overview of all the products and services offered by the City and supply them with a benefits booklet that contains all of their benefits information.
- Individual Meetings– Mark III will meet individually with each employee at their respective work location to answer questions, take elections and make any necessary changes.
- Make-up day – For employees that have an unforeseen event arise during the open enrollment process, Mark III will schedule a make-up day(s) to accommodate those employees.
- Enrollment Methods – Mark III offers three ways for employees to enroll in their benefits:
  - Face-to-face meetings with an enrollment counselor
  - Enrollment over the phone through our call center
  - Online self-enrollment through the City's enrollment portal
- Mark III App – Through the Mark III app, employees and their dependents can access benefit information, file a claim, schedule an appointment for enrollment, view contact information, and view enrollment information.

3. New Hire Orientation & Enrollment:

- Mark III conducts the orientation process for new hires. This can be done by phone with your dedicated account manager, or it can be done in person with an on-site enrollment counselor, whichever works best for the client. Below are the most common practices with the majority of our public sector accounts.
- Upon being hired, (first 30 days) the employee will call the Mark III account manager and enroll in the desired benefits.

4. Qualifying Event Change:

- Mark III will assist employees who need to make a benefit change due to a qualifying event throughout the plan year.

CONSULTING & BROKERAGE SERVICES

5. Internet-Based Enrollment Platform:

- Mark III offers an enrollment that is entirely electronic. There are several advantages to our internet-based enrollment platform.
- It ensures the delivery of benefit information is consistent.
- It completely eliminates the need for a paper applications process.
- All employee elections can be downloaded into your payroll system.
- Your staff can access and track the enrollment results on a daily basis. They can see who has made their elections and who has not, giving them more control over the enrollment process.
- Changes can be made by employees throughout the open enrollment process without completing a new application.
- It eliminates common paper application errors.
- It's a single access point delivering a much higher level of data entry accuracy.
- There are no hardware requirements for the City.
- A chat feature with a benefits counselor is available to employees if they have any questions regarding products, enrolling, etc.

Mark III has been conducting internet-based enrollments in the public sector since 2004. You will not find another Independent employee benefits consultant in Georgia who has more experience providing this type of enrollment communication in the local government market.

Enrollment Materials & Amenities

- Open Enrollment & Change of Benefits Letter – We provide a notification letter to all employees outlining the annual enrollment dates, times, and changes in benefits information. These letters serve as an informative outline. Detailed information is given at the group and individual meetings.
- Open Enrollment Posters/Flyers – We will produce and distribute open enrollment posters and flyers that display the dates and times of the enrollment at each individual work location for distribution.
- Employee Benefits Website – Mark III will construct an employee benefits website for the City employees. They will be able to download various forms, access voluntary insurance information, and view all other benefits deemed necessary by the City.
- Educational Videos – We produce customized educational videos that are specific to City of Fernandina Beach. They can include information on Insurance products, Flexible Spending Accounts, HRA's, HSA's, New Hire Orientation, Wellness Programs, and any other information that you want to be shared with your employee population.
- Employee Benefit Booklets –We will provide every employee with an employee benefits booklet. It will encompass all of the benefits administered by Mark III in one concise document as well as information you would like to add. A sample booklet has been included in this RFP.
- Benefits Statements – We provide benefit statements to each employee upon completion of their enrollment.

CONSULTING & BROKERAGE SERVICES

- Social Media Marketing - Mark III uses our Facebook and Instagram platforms to communicate to employees in a way that is convenient for them. By using targeted and/or generic audiences, we are able to remind employees about open enrollment.
- Text Message Marketing - Mark III offers our clients the option to utilize our text message marketing in the effort to communicate various messages (open enrollment, wellness program information, etc.) to your employees. Messages are customizable and can be scheduled when desired.
- Mark III Mobile App - Find details about all of your benefits, download forms, submit claims, ask questions, and more on the MyMark III Mobile App. Employees can download it on the App Store or Google Play free of charge.

PROJECT UNDERSTANDING AND APPROACH

Funding Plan Experience

The value that Mark III brings to the City is a broad knowledge of the employee benefits business. We have extensive fully insured and self funded experience.

They work in conjunction with Human Resources and Finance to build plan designs that keep the plan within budget and strategically building a health reserve for future costs. Quarterly updates at a minimum are provided, projecting plan costs out for the next year, applying trend and annualizing costs out to the end of the following policy year well before any carrier analysis is provided at renewal. IBNR estimates are provided as needed by clients.

Fixed, expected, and aggregate maximum costs are taken into consideration when projecting costs the next year, focusing on the changes necessary to stay within budget.

Mark III will provide all payroll deductions required for all products we manage. Mark III will develop and set rates and tier ratios for self funded medical plans for both discounted and non-discounted rates. This is accomplished through evaluation of plan costs on a per employee per month basis, which are converted into three, four, or five tier rates as required by the City. Both budget and renewal strategy would drive the rate structure.

Mark III regularly reviews stop loss impact and the value for the client. We also review the competitiveness of the rates offered for specific and aggregate protection as well as the value of the aggregate coverage versus the premium paid, whether with the TPA or a third party stop loss carrier, reviewing both plan experience, stop loss reimbursements, medical plan trend year over year, and leverage trend factors.

Mark III provides ongoing consulting that provides guidance on plan design that impact cost to alleviate required increases where budget cannot withstand, including development of rate structure, taking into consideration the client contribution strategy and philosophy on dependent rates.

Mark III will provide medical consulting that includes the following:

Plan Management, Data Analysis and Meetings with the City

Mark III is adept at project management and because we update our clients on changes in legislation on a regular basis, we move quickly should needs arise due to a change. Most recently, autism, transgender, and wellness communications have been involved that required client management and guidance.

Conduct annual review of claims administrators for quality of benefits, cost effectiveness, and plan administration.

Mark III will work with the City using the following criteria to evaluate all vendors whether the current administrator or a potential provider in a competitive bid:

- Quality of Care provided to the employees and their dependents.
- Sound financial status of the firm.
- Outstanding service, including but not limited to, strong client service support, home office underwriting, contracts and legal service departments, claims processing, and related customer service.
- Networks, which provide excellent access to hospitals and physicians in the locations where employees reside.
- Network discounts and pricing.
- Competitive rates or fee structure.
- Future stability of rates/fees.
- Providing comprehensive experience reports to the client so that an evaluation can be made relative the plan performance.
- Carrier flexibility when plan design changes are necessary to meet the needs of the employees and the employer
- Provides quality ongoing service and a service team that is dedicated to solving problems that arise during the plan year.
- An ongoing employee education program to assist the employees' understanding of the plan's operation.
- The flexibility to expand the network to cover new employees.

Consult with client to ensure plan documents are accurate and compliant due to regulatory changes.

Mark III will work in conjunction with the City to insure all documents are accurate and compliant as well as providing regular updates via email and notice documents required due to federal guidelines such as CHIPRA, Healthcare Reform, Creditable Coverage, etc.

Complete a quarterly analysis of the key drivers of the City's health and dental plan costs and the cost-effectiveness of the current plan designs.

Benchmark with comparable groups.

Meet quarterly with either or both the Human Resources Department or City Benefits Team to review results and discuss plan indications.

Mark III would meet with the City as often as needed focusing on priorities of the City through our normal consulting services which include:

- Discussion of benefit priorities and financial/budgetary constraints
- Sharing our experiences with typical plan designs and cost structures of other clients with similar demographics as a perspective for the City
- Make renewal plan recommendations
- Develop strategic plan for future planning
- Market products where appropriate
- Make recommendations on products to implement based on:
  - Employee satisfaction with the plan design
  - Compliance with State and Federal guidelines
  - Competitive plan designs
  - Competitive rates or fee structure
  - Future stability of rates
  - Ability to easily change the plan to meet new employee and dependent need
  - Ease of administration
- Develop enrollment plan as needed

- Develop enrollment dates and timeline
- Review of onsite website upon completion
- Monthly tracking of claims split by medical and prescription
- Quarterly consulting meetings or more often as needed

Mark III is your partner for your health plan and ancillary service administration and works to make your job easy providing the following services.

Consulting

- Provide quarterly versus annual review meetings
- Provide our underwriting projections based on current and past experience
- Budget projections 6 months in advance versus industry standard of 60 days
- Maintain financial integrity of health plan
- Identify plan design challenges
- Make recommended changes and provide cost impact

Annual Medical, Pharmacy and Dental Plan Renewals including plan negotiations

Assist in the development of an annual renewal strategy and conduct a pre-renewal analysis of health and dental plan utilization, claims history and census data to determine if the calculation provided by the carrier is consistent. Aggressively negotiate with the carriers on the City's behalf to achieve desired contract terms for policy requirements of the City.

Mark III develops an understanding of the goals and priorities of all of our customers by meeting with the customer. The purpose of the meeting is to discuss benefit priorities and financial/budgetary constraints. Our vast experience allows us to discuss all of the various products available in the marketplace. We also share our experiences with typical plan designs and cost structures of other clients with similar demographics as a perspective for the client to consider. Once the coverage items have been discussed, Mark III then helps the client create a strategic plan.

Mark III regularly reviews stop loss impact and the value for the client. We also review the competitiveness of the rates offered for specific and aggregate protection as well as the value of the aggregate coverage versus the premium paid, whether with the TPA or a third party stop loss carrier, reviewing both plan experience, stop loss reimbursements, medical plan trend year over year, and leverage trend factors used by stop loss carriers.

Assist in the annual rate structure development taking into account any plan design changes (cause and effect), administration fees, and/or other related underwriting services.

Mark III provides ongoing consulting that provides guidance on plan design that impact cost to alleviate required increases where budget cannot withstand, including development of rate structure taking into consideration the client contribution strategy and philosophy on dependent rates.

Assist in the marketing of plan coverage for medical, prescription, dental and other voluntary benefits.

Marketing the Specifications – Mark III will contact the qualified carriers and vendors to determine their interest in evaluating your medical plan. Carriers/vendors that express an interest are sent the specifications to obtain a response.

Evaluate the Responses – Once all proposals are received, Mark III will evaluate the responses and provide analysis of the responses based on the following criteria:

- Quality of Care provided to the employees and their dependents.
- Sound financial status of the firm.
- Outstanding service, including but not limited to, strong client service support, home office underwriting, contracts and legal service departments, claims processing, and related customer service.
- Networks, which provide excellent access to hospitals and physicians in the locations where employees reside.
- Network discounts and pricing.
- Competitive rates or fee structure.
- Future stability of rates/fees
- Providing comprehensive experience reports to the client so that an evaluation can be made relative the plan performance.
- Carrier flexibility when plan design changes are necessary to meet the needs of the employees and the employer.
- Provides quality ongoing service and a service team that is dedicated to solving problems that arise during the plan year.
- An ongoing employee education program to assist the employees' understanding of the plan's operation.
- The flexibility to expand the network to cover new employees.
- Mark III will provide a comprehensive evaluation, giving a side-by-side comparison of each vendor's offer.

We track the claims to look for trends and monitor the service level of the vendor.

We deliver accurate renewal estimates each year for clients like the City, months in advance of the renewal delivered by the payor.

This allows the City to accurately budget for the upcoming Fiscal Year and not be surprised if there is a cost issue with the medical plan.

So rather than being caught off guard if there is a challenge, planning and bidding can be done to give the City multiple renewal options.

Our predictive modeling experience comes in the form of claim reporting and the associated medical staff claims expectations for the individuals in question.

Our underwriting modeling follows industry accepted practices and protocols. Those sources include:

- Milliman
- Towers Perrin
- Hewitt
- Multiple payor underwriting models

Prior to the City receiving the renewal from the carrier/vendor, Mark III will evaluate the initial renewal package and gauge the competitiveness of their offer based on the following:

- Claims activity
- Competitiveness of the carrier's reserving philosophy. This will be determined by comparing their assumptions to industry norms.
- Competitiveness of the carrier's retention. This will be determined by comparing their assumptions to industry norms.

- Changes in the demographic composition of the client and how that has changed over time. How these demographics (manual rate) impact the renewal
- How competitive/aggressive the carrier is when weighing the manual rate vs. the experience rate or visa versa.

Once Mark III has completed the initial evaluation, we will meet with the County to deliver our initial assessment. Based on the initial results of our meeting and how satisfied the client and Mark III are with the renewal, the next step will be determined. If the renewal is competitive and there is not a significant financial or benefit change that is required, no action would be taken. If the response from the carrier/vendor were noncompetitive, then further negotiation would take place. If a satisfactory response from the carrier/vendor does not occur, the Mark III would market the plan in question to see if a more competitive offer can be attained from another source.

Mark III has had success in modifying benefit programs that enhance the benefits and/or reduce costs to the employees and the organization. Examples of these include:

Transparently Priced Pharmacy Contracts
These contracts produced significant reduction in cost for all clients ranging from $100,000 - $300,000 in yearly savings and removed any amount of spread pricing with a single administrative fee per prescription with various PBMs.

Dental PPO Plans and PPO Network Development
Installation of PPO plans positively reduced overall dental plan costs and created consumerism with dental coverage not previously achieved.

Network growth with significant discounts was achieved as a result of actually offering the benefit as it encouraged dental providers to join the network at a competitive reimbursement rate.

Our services also include:
- Healthcare consulting that includes tracking of claims and costs, including providing budgeted rates that are not dependent upon the carrier and can provide multiple year projections for planning.
- Wellness Consulting/ RFP preparation and advice
- External Pharmacy Contracts
- Healthcare Reform / Benefits Updates / Library
- Stop Loss Analysis: Specific Levels Examined based on based claims

Mark III works with you throughout the year, reviewing your plan costs and will:
- Provide quarterly versus annual review meetings
- Provide our underwriting projections based on current and past experience
- Budget projections 6 months in advance versus industry standard of 60 days
- Maintain financial integrity of health plan
- Identify plan design challenges
- Make recommended changes and provide cost impact for both medical and dental offerings

Assist in pharmacy benefit marketing services and pharmacy auditing services.

Pharmacy Plan Management

Mark III has extensive consulting experience with pharmacy plan management, whether wrapped into the medical or through a third party vendor. We have worked with third party administrators that provide pharmacy administration through various pharmacy benefit managers, using their leverage to get the best value for our clients.

Whether under one carrier or carved out, we exam utilization patterns to determine population disease states, generic versus brand utilization, and specialty drugs costs. Data is shared with all parties to insure care management needs are addressed where needed if there are gaps in care issues due to non-compliance.

We review the need for design levers such as DAW, Step Therapy, quantity level limits, controlled drug programs, required maintenance mail order, specialty drug care management programs, deductible plan designs, and overall education regarding pharmacy. Annually, data is used to determine plan design needs based on employee feedback, the employer experience, and budget needs

Assist with vision marketing services.

Mark III has extensive experience with vision marketing and management with vendors that include VSP, EyeMed, Superior, CEC, Cigna, BCBS, and UHC vision.

Our largest vision client is with Duke University through UHC Vision.

Actuarial Analysis for Annual Budget Forecasting and OPEB

Provide annual actuarial analysis of health and dental insurance claims reserves, including health insurance trust fund projections for upcoming fiscal years, as well as IBNR and OPEB analysis to ensure appropriate fund balances. Mark III will provide IBNR projections as well as standard reports from the medical carrier.

Mark III works in partnership with Cavanaugh Macdonald Consulting, LLC to provide actuarial analysis for OPEB for clients.

PCMC was founded to offer state and local governments the experience and dedication they deserve in retaining actuarial consulting services for their employee benefit plans.

Their capabilities are well recognized by the public sector pension plan community, as evidenced by our substantial client list.

Their strengths include:

- Consultants with an average of more than 25 years of experience serving public sector benefit plans — the expertise and knowledge of our staff regarding public sector actuarial consulting is as great if not greater than any of our competitors.
- Service as the retained actuary for multiple statewide and municipal retirement and health care plans.
- Strong ability to effectively communicate actuarial matters to Boards, staff and other constituents.
- Centralized production of technical work allowing for greater efficiency and cost-effectiveness in service delivery to our clients nationwide.
- An organizational structure that allows flexibility to meet client needs and to provide a high level of client/staff interaction.

These strengths drive their success and make us the leading public sector actuarial consultants in the country. We are committed to maintaining our focus and building on their success.

Mark III engages Cavanaugh Macdonald Consulting, LLC to provide GASB services. Additional costs would be incurred directly with this firm for their services but Mark III would coordinate information needed on the medical plan.

Mark III stays abreast of legislative development using the following sources, to name a few. Information also comes from medical providers, carriers, TPAs, and legal resources.

- EBIA
- Employee Benefits News
- SHRM
- HHS
- DOL
- Kaiser Employer Survey
- MetLife Employer Survey
- New York Times
- Wall Street Journal
- Harvard Business Review

Mark III disseminates compliance and trend information to clients as the developments occur.

Topics in the past have included:

- Healthcare Reform
- Debit Card Capabilities - Enhanced Data Capture
- Web Based Enrollment Opportunities
- Contrarian Point of View - Consumer Driven Health Care
- Dental Insurance Trends
- FSA Grace Period – Operational Pros and Cons
- Compliant Wellness Plan Incentive Strategies and Legal Updates
- Multi-layered Approach to Controlling Healthcare Costs
- Employer Based Wellness Strategies and Population Health Management
- Consumer Driven Health Trends
- Section 403b Regulation Changes and Implementation Strategies
- Section 125 Regulation Changes and the Impact of IIAS
- An Employers Strategies for Wellness and Cost Management
- Children's Health Insurance Program
- Healthcare Reform
- Mental Health Parity
- Early Retiree Subsidy

Mark III sends a Benefits Buzz as well as a Healthcare Reform Update monthly to all clients and Mark III staff. Samples are included under the Compliance tab.

Library Access:

SCHEDULING & TIMELINE

Historically, Mark III receives high marks on the transition process and the initial open enrollment. However, in order for Mark III to execute our duties effectively, we will need some cooperation from the City of Myrtle Beach.

Moving from one servicing vendor to a new employee benefits consultant doesn't have to be difficult. That's why we've developed a plan to ensure that your transition to Mark III Brokerage is smooth and seamless. Please note that services and products are dependent upon the client.

Day-to-day issues, open items, and claims management functions will all be addressed early in the process to ensure effective support and guidance of your employee benefits program. As your full-service employee benefits consultant, we will take care of all your insurance needs. Mark III will move quickly to gain familiarity with the client, including the following:

- Your operations
- Your business and industry environment
- Your employee benefits goals
- Your current coverage/policies
- Your personnel and reporting structure at the various locations
- Your style of operation
- Your claims

This information will allow us to operate effectively as your employee benefits consultant. We will also work with your staff to prioritize aspects of the employee benefits program for the marketing process to alternative carriers.

The following is a tentative transition and service plan designed for the client. We have expanded upon this concept to include a timetable and an idea of the services available to the client. This plan and timetable can be revised to reflect other services at your request.

In the first month: When we are selected as your new employee benefits consultant, the client and Mark III will meet to introduce team members and clarify roles and marketing objectives for the coming months. Mark III will notify carriers of the new assignment and establish a meeting date with them to review open issues. In the subsequent 12 months, we will take the following actions depending upon the services purchased and whether medical and/or voluntary are included.

Information Gathering & Potential Plan Design Changes

- Review historical information in files and request missing information
- Develop a benefits summary matrix
- Review funding alternatives and determine which to include in market specifications
- Run a health care claims analysis option
- Evaluate analysis findings and provide benchmarking data
- Discuss potential changes based on analysis and benchmarking
- Decide upon all plan design changes
- Update relevant plan documents

SCHEDULING & TIMELINE

Vendor Solicitation & Selection

- Review contractual obligations of current vendors
- Discuss desired vendor services and create a list
- Develop vendor services standards
- Evaluate proposals from third-party vendors and report recommendations
- Negotiate contractual provisions with third-party vendors
- Review of renewal policies

Workplace Wellness Initiatives

- Evaluate current wellness offerings and pinpoint areas for improvement
- Create goals and objectives for the wellness program
- Create an employee communications plan
- Develop a plan for measuring and tracking results

Open Enrollment

- Evaluate past open enrollments and identify areas for improvement
- Discuss options to improve open enrollment
- Develop enrollment plan and timeline
- Create an employee communications plan

Retirement Benefits

- Evaluate current retirement plan offerings and enrollment
- Decide on changes to planning structure or type
- Review legal obligations as a plan sponsor
- Develop an employee communications plan

Total Compensation & HR Support

- Examine how the benefits plan fits into employees' total compensation
- Discuss new perks or benefits to potentially add
- Distribute total compensation statements to employees
- Identify areas where the HR department is falling short and pinpoint tools to remedy issues
- Provide consistent access to relevant HR materials
- Evaluate employee handbook and revise as necessary
- Discuss hiring goals and evaluate current practices
- Create a plan to improve the recruiting process
- Discuss retention goals and evaluate current turnover rates
- Create a plan to increase employee satisfaction and retention

Compliance

- Discuss any compliance concerns or hurdles
- Create a plan for addressing compliance issues and provide compliance materials
- Outline a plan for maintaining compliance in the future

Employee Communication Support

- Review previous and current communications
- Identify where communications are lacking and how to improve
- Develop a new employee communications plan and provide regular communications

SCHEDULING & TIMELINE

The following information is confidential and specific to the group and Mark III Brokerage. This document is for informational purposes and is based on assumptions made by Mark III. Tasks and completion dates can be changed and updated as needed. All dates are to be determined and will be based on the enrollment start date. The information is being provided to you solely for the purpose of implementing the Annual Enrollment Process for the requested plan year.

8 - 10 weeks prior to enrollment	• Meetings will be held with the group and Mark III to discuss the implementation and enrollment process for all products offered by Mark III.
	• Mark III New Account Questionnaire to be completed by the group.
	• A conference call will be held with the group, Mark III, and the enrollment system to discuss the annual enrollment. This will be held once the products have been decided. Topics include:
	  ◦ Confirming enrollment dates and products to be enrolled
	  ◦ Pre-enrollment census file
	  ◦ Post-enrollment deduction file
	  ◦ Enrollment Website
	• Mark III Account Manager will request census data from the group. Census to include:
	  ◦ Demographic info: SSN, Name, DOB, DOH, Address, Gender, Salary, Occupation
	  ◦ Deductions info: To be determined
	• Mark III Account Manager, the enrollment system, and the medical carrier will have a conference call to discuss the post-enrollment data file layout required by the medical carrier.
	• Mark III Account Manager will request dependent eligibility census from prior medical carrier and/or group to load into enrollment website.

6 - 8 weeks prior to enrollment	• Mark III Account Manager to set up product implementation calls with carriers and group.
	• Mark III Account Manager will send carrier contracts for the group to sign.
	• Enrollment Schedule - Group and Enrollment Manager will work on drafting and confirming the enrollment schedule.
	• Mark III will work with the group on employee communication pieces for all products.
	  ◦ Mark III's Marketing team will create the benefits booklet for the group. The booklet will be approved by all insurance carriers and groups prior to printing.
	  ◦ Mark III Account Manager will send a draft of the Enrollment Poster & Flyer for review to the group. Once approved, the Mark III Account Manager will have a supply printed and mailed to distribute to each location.
	  ◦ Video Processing if applicable. Develop and review video content to communicate all products to employees.

3 weeks prior to enrollment	• Group will send the requested pre-enrollment census data to the Mark III Account Manager. • Once sent and processed at Mark III, the Mark III Account Manager will forward the payroll census data to the enrollment system. Product information (including rates) will also be sent to the enrollment system. • Mark III Account Manager will request that the enrollment system looks over the data to ensure that the necessary components are there to begin working on the website.
1 - 2 weeks prior to enrollment	• Mark III Account Manager, group, and the enrollment system will review the website and make sure that it is ready to be launched for the enrollment.
Enrollment Period	• Mark III enrollers will be on-site at group to assist employees with enrolling in their benefits, and answer questions related to the benefits being offered.
Last day of enrollment	• Website will close to Mark III Enrollers. (Remember, no elections will be permitted after this date so that post-enrollment data will be returned to group in a timely fashion.)
3 weeks after enrollment	• The enrollment system will send post-enrollment data to the group, Mark III Account Manager, and all insurance carriers. It will be the responsibility of the group to load the payroll deductions into their system. The file will be formatted so that it may be uploaded to the group payroll system. **NOTE: If there is a challenge with the electronic file that the group receives, the enrollment system and Mark III need to be notified ASAP.**
1 week after data is distributed by enrollment system	• Mark III Account Manager will confirm with all carriers that the data has been received and that all applications are being processed accordingly with the effective date of coverage.

CASE STUDIES

Case Study – Dependent eligibility audit saves County $1.28m

Situation: A large Florida county with a self-insured plan of over 3,000 dependent covered employees and 6,700 dependents. Client wanted to explore future dollars to capture if implementing a spousal surcharge.

Solution: A dependent eligibility audit by one of vendor partners was conducted and delivered better than expected participation, savings, and ROI results by finding spouses working outside the home that had access to benefits.

Result: Based on action from the audit of this county had:
·97% employee participation
·4.3% ineligible dependents
·Saved $1.28m on the first year with a 28x return on investment

Case Study – Dependent eligibility audit for a large school system

Situation: A large school system with a self-insured plan of over 3,000 dependent covered employees and 8,000 dependents. The school system wanted to maintain tight eligibility controls on their health plan and maintain their spousal carve-out.

Solution: A dependent eligibility audit by one of vendor partners was conducted and found spouses working outside the home that had access to benefits.

Result: Based on action from the audit of this school district found:
·16.3% ineligible dependents – 1,300 found
·Saved $7m on the first year

Case Study – Pharmacy Contract negotiation saves large County Government over $400K

Situation: A large County government with a self-insured plan had over 5,000 prescriptions on their plan with 118 specialty brands.

Solution: We negotiated the PBM contract to increase reimbursement across all brands including a large increase on specialty prescriptions.

Result: Based on negotiations, we were able to:
·Save over $400K in 2020-2021 on the contract

Case Studies- Outcomes Base Wellness Programs Provide Positive Results

#1

Situation: A large city was significantly at risk with health care costs continuing to rise year over year. The city had previously implemented a participation base wellness program in 2013, but they were not seeing results in health care costs or employees risk scores.

Solution: The city implemented an outcome base wellness program in 2015 with adding incentives for meeting standards, meeting metrics, and participating in coaching onsite.

Result: Over the last few years, the health of the population has significantly improved. The numbers tell the story and success of the program. The percent of the population at risk has decrease since implementing an outcomes base wellness program.

#2

Situation: A large employer with an employee population of implemented an onsite pharmacy and clinic, employees were offered incentives if they met with a health coach, but health care costs continued to rise across all employees and health risk status.

Solution: The county decided to implement health outcome standards to motivate employees to change unhealthy habits. Employees that meet standards earn HSA dollars of up to $750 and have continued to increase the HSA amount to $1200 in 2022.

Result: Year 1, 98% of the employee/retiree population participated in the health screenings and coaching program and after the first year 98% reduced or maintained their number for health risks.

Case Study – Targeting the Diabetes Population

Situation: For a large County Government employer, diabetes had become more prevalent among the chronic conditions along with high medical costs. This county continued seeing the costs increase before asking for other options besides coaching or programs offered through their medical plan.

Solution: Mark III assisted the county with implementing a third-party disease management program for diabetes. This voluntary wellness program offers one on one counseling with a pharmacy care manager 4-6 times during the year, no cost medications and supplies, and a cash incentive for employee/spouses/retirees actively participating in the program.

Result: Over 60% of the eligible population decided to participate in the program. The success of the program is attributed to bringing incentives, relationships, education, empowerment, and accountability to participants where they are. Participants enrolled in the program have decreased their health risk and decreased medical costs while those not enrolled in the program continue to have increased medical costs and increased risks.

Case Study – Targeting body weight, the root cause of many chronic conditions

Situation: As Mark III assisted many of our clients with implementing screenings, coaching, disease management and incentives we began to see blood pressure, cholesterol, diabetes decrease but the body weight and waist circumference measurements were still at a plateau.

Solution: Mark III decided to create a goal with incentives to encourage participants to make the changes needed to meet the goal and earn the incentive. Following guidelines from the CDC, American Heart Associated and American Diabetes Association employees would have a year following a biometric screening to meet the goal or show a 5% improvement in waist or body weight.

Result: We currently have many clients, county and city municipalities that have put the incentive in place with more adding it each year. The results have shown us that with incentives and a goal, progress can be made to move the needle and that employees who meet the standard decrease plan costs more than those who do not meet the standard. (Adding graph to back up data)

Case Study – Promotion of Weeklong Virtual Membership/Benefits Conference

Situation: One of our association clients had a need for promoting a week-long virtual conference surrounding all of the member benefits and insurance plans for their membership.

Solution: We created a full-fledged integrated communications plan involving website landing pages, events calendar, virtual platform, social media posts, geofencing, and search/social media advertising.

Result: Based on just the first two quarters of their new program, the social media strategy produced:

- Facebook page reach of 398 per month in 2021 increased nearly 11,000% to 44,000 reach during the campaign!
- Ad campaigns reached an additional 137,000 users and was seen nearly 500,000 times within 2 months.
- Average website traffic increased over double the average traffic before the campaign began.
- Virtual event had a total of 930 attendees vs 100-150 for the old in person event prior to 2020.

Case Study – Large North Carolina School District uses Direct Messaging to promote Open Enrollment

Situation: One of our large North Carolina School Districts with 12,000 employees approached us with wanting to use alternative means to expand communications on benefits open enrollment.

Solution: We created an integrated media plan which included direct opt-in data from the school district to put social media advertisements and text messages directly in front of employees.

Result: Using this strategy, we were able to:

- Reach nearly 3,000 employees on Facebook and Instagram.
- Had over 300 employees directly click on the social media posts to self-enroll
- Reach over 5,000 employees by text message
- Had a 10% click rate from text messages within an hour of text messages being sent

KEY PERSONNEL

Mark III's public sector team is experienced, highly skilled, and knowledgeable benefits experts who specialize in public school systems, county governments, municipalities/townships, and local authorities. Our team has the resources to support all aspects of the Scope of Services set forth by the Request for Proposal.

Meet your trusted Mark III team members:

President: Dan Browder

Vice Presidents: Mark Browder, Neil Browder
Dan, Mark, and Neil Browder bring over 30 years of experience in health, dental, vision, and voluntary benefits. Their focus is on formulating a strategic plan to advance the client and their employees in the right direction. They are skilled in all aspects of the insurance brokerage business including sales, client relationships, personal matters, agency management, and insurance company relationships.

Director of Operations: Crystal West
Crystal West is responsible for defining and implementing operational policies and guidelines for the organization while supervising and keeping track of the company's revenue margins and conducting budget reviews to maximize profits. She leads the account management team while also overseeing bill reconciliation and payroll. She is highly skilled in leadership and organizational abilities, have in-depth knowledge of data analysis software, working knowledge of customer relationship management (CRM) packages, and outstanding negotiation skills.

Implementation Manager: Cindy Hayden
Cindy Hayden has been working in the insurance industry for over 11 years. She works closely with new clients to ensure all data and files are collected and completed for a successful setup and enrollment. Cindy will also provide platform training to the client as well as propose solutions to issues that may arise throughout the year. Her skills include but are not limited to, claim resolutions, customer service management, and researching and facilitating solutions for employee benefits.

Account Managers: Angie Roberts, Becky Terebeckij, Cindy Horton, Ginger Durbin, Kathy Yount, Heidi Burke, Jeanne Shankles, Kathy Yount, Kim Ward, Kris Lucas, Laura Koszesza, Megan Wizansky, Sara Kilgore, Sherry McCormick
Our dedicated Account Managers all have extensive knowledge in the insurance industry. As licensed agents, they are responsible for educating the client on available benefits to assist HR Departments, Plan Administrators, and employees. Their focus is on providing exemplary customer service to each account they manage. They will provide continuous communication to the client to ensure that all of their needs are understood and addressed. Each of our Account Managers is knowledgeable on insurance procedures, efficient in problem-solving, and an advocate for the client and its employees.

Bill Reconciliation & Accounting Specialists: Andrea Mosley, Betsy Adams, Jennifer Siedlecki, Kelli Sluder, Kristen Ramey, Savannah Oertling
Our bill reconciliation and accounting specialists help manage all forms of financial accounts within the organization. Our team of specialists keeps accurate records of both accounts payable and accounts receivable, ensuring that invoices are paid where necessary and that clients pay invoices as required. They also communicate with carriers/vendors and the group on any discrepancies between bills and invoices to ensure accurate data is being communicated and received. They exemplify exceptional time management, communication, and problem-solving skills.

Director of Enrollment Technologies: Warren Wilson

Enrollment Operations: Ken Wininger, Sam Browder, Logan Honeycutt
EDI/Data Specialist: Eric Perry, Jessica Jones, Clint Gwin, Gabe Hirsch, Paige Danko, Noah Alexander
The enrollment technology team creates more efficient and effective benefits enrollment results by designing and constructing a customized enrollment platform. They collaborate with internal partners to streamline internal and external processes and interactions, including EOI, billing, communications, claims, and data exchange. They manage the technology platforms as well as design, implement, and maintain data interchange systems between companies or departments. Their focus is on partnering with team members to support new business development, achieve enrollment results, and develop product growth within existing clients.

Benefits Consultants: Tom Cheswick, Tracy McCarty, Will Campbell
Our benefits consultants have extensive knowledge both on the carrier and brokerage side of the business with over 50 years of combined experience. They are highly experienced subject matter experts with years of experience in wellness planning, plan underwriting, rate development, budget management, plan specifications, development, & marketing, including evaluation & contract review. They provide strategic guidance for both medical, voluntary, and ancillary products. Their focus is on implementing and negotiating top-of-the-line products with carriers/vendors to ensure long-term results that are cost-effective to the client. Their skills include but are not limited to providing clients with legislative and compliance resources, coordinating resource allocation to meet the employer's needs, and retaining and maintaining a cost-effective benefits package.

Regional Benefits Executives: Josh Nelson, Matt Susin
Our account executives have long-standing experience in the insurance industry. They focus on cultivating new client relationships and assisting current clients to provide solutions to their benefits needs and goals. Their responsibilities include maintaining client contact to assess employee benefit needs, researching and facilitating solutions for employee benefits issues, new client product sales, and partnering with consulting staff for client education as needed.

Wellness Coordinator: Makenzie Correll
Makenzie Correll works with existing and new clients to provide wellness solutions that meet the needs and goals of the organization. Because of the close relationships, she develops with the client, she is particularly sensitive to the issues that exist for the employer and is committed to finding long-term solutions. Her responsibilities include but are not limited to, creating a culture of wellness in the organization, assisting and managing available resources to help the client create a wellness program, creating vendor proposals and providing data analysis, and assisting in the implementation or maintenance of a wellness program created by consultant staff.

Director of Enrollment: Matthew Chapman

Case Managers: Angela Johnson, Chris Castanes, Cindy Wilson, Davan Johnson, Donna Cash, Kaye Edwards, Pam Cox, Patsy Hooker, Rodger Ramseur, Tom McCabe, Yvette Ulisnik
Our trusted enrollment managers are responsible for overseeing the entire enrollment process while managing our staff of non-commissioned enrollers. Their responsibilities and duties are to report to management all data on the enrollment, update company records with information relevant to each employee's enrollment, communicate with benefit providers to ensure services are supplied according to the agreement, supply employees with documents related to enrolling, maintaining and understanding their benefits coverage, and answering any questions regarding details of their benefits.

Call Center Manager: Rob Moss

Customer Service Specialists: Heather Chipley, Melinda Spurlin
Our customer service specialists are dedicated to answering benefits questions and resolving any concerns employees may have during and after enrollment. They are responsible for providing prompt, accurate, and friendly customer service. Those services include responding to inquiries regarding insurance availability, eligibility, coverages, policy changes, transfers, claim submissions and billing clarification.

Director of Marketing & Technology: Michael Smith

Marketing & Communication Specialists: Madalyn Lovejoy, Laken Honeycutt, Allyson Burgner
Our marketing team is comprised of highly skilled and qualified professionals. They look for consumer behavior trends and generate creative ideas. Our marketing team is well-versed in specialized marketing concepts, principles, and tactics. Their responsibilities include but are not limited to, conducting market research to find answers about consumer requirements, habits, and trends, brainstorming and developing ideas for creative marketing campaigns, and assisting in outbound or inbound marketing activities by demonstrating expertise in various areas (content development and optimization, social media advertising, web development, and digital marketing, etc.), and providing all communication materials to employees throughout the year for continued education and understanding.

Social Media Marketing: Allyson Burgner

Videographer: David Huff
David Huff is responsible for planning, filming, and editing benefits and group presentation videos. He uses his creativity and imagination to create customized client videos that are tailored to their employees. In addition, he creates customized benefits videos that educate employees on the benefits offered by their employer. Those videos can be found on the client's personalized microsite where policy information, benefits guides, contact information, and much more can be found.

IT/Systems Administrator: John Dorton
John Dorton is responsible for the maintenance, configuration, and reliable operation of computer systems and servers in the organization. His duties include but are not limited to, installing hardware and software, and participating in research and development to continuously improve and keep up with the IT business needs of the organization. He also actively resolves problems and issues with computer and server systems to limit work disruptions within the company.

JOSH **NELSON**

REGIONAL EXECUTIVE

(904) 759-7062

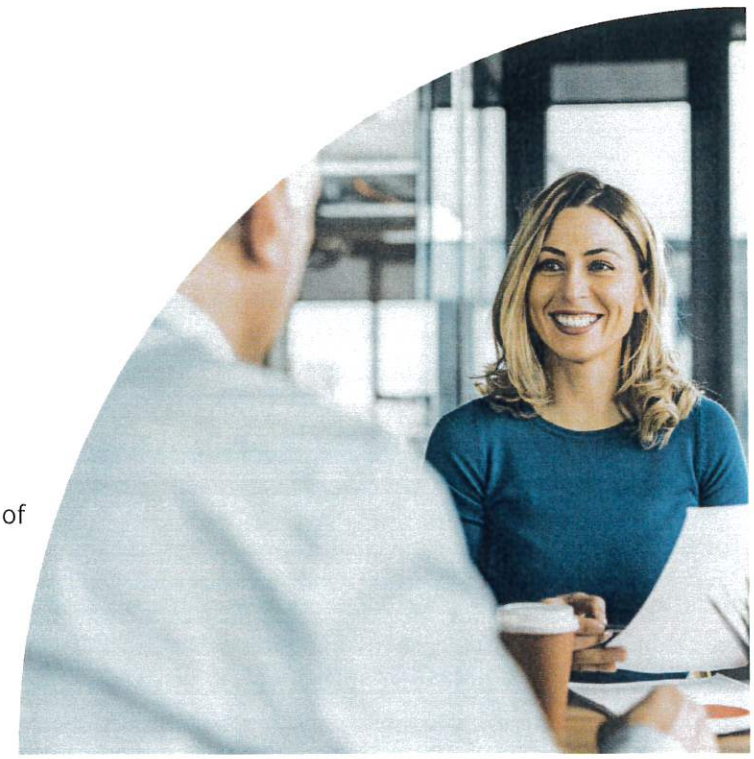
- Processing and forwarding enrollment material
- Adjust enrollment resources as necessary
- Scheduling group meetings & individual meetings
- Responsible for ongoing enrollment requirements, new hires, etc.

TAB 4:
Firm Qualifications & References

QUALIFICATIONS & EXPERIENCE

Mark III is a licensed employee benefits consultant in the state of Florida. Founded in 1973, we are still a privately held family-owned and operated business with over 50 full-time employees. We are a debt-free organization and maintain no affiliations with any insurance company, third-party administrator, or provider network. Our sole obligation is to our client.

Mark III has been representing public sector clients like the City of Fernandina Beach since 1977. Over the last 50 years, we have become one of the largest Independent Public Sector employee benefits consultants in the Southeast United States. In an industry where acquisition and mergers are quite common, it should be noted that we have never purchased or merged with another company or agency. All of our growth has been through the natural course of business and built upon the reputation of meeting or exceeding our client's expectations.



Mark III's entire customer base is comprised of municipalities, county governments, and public school systems. This concentrated focus on the public sector gives Mark III an incredibly unique perspective and skill set to offer the City of Albany. We possess an in-depth understanding of local government benefits and are discernibly qualified to evaluate, design, implement, manage and enhance your overall program.

As a member of your team, we will provide responsive, comprehensive, and quality counsel. We will proactively advise you on plan design or administrative changes, financial challenges, and compliance/legislation changes. The City of Albany can expect us to provide long-term solutions that are specific to your benefit challenges and give solid fiscal advice that contributes to the longevity and success of your program. We have extensive experience in all coverage lines.

These coverage lines include:

- Major Medical Programs: Traditional & Self-Funded
- Consumer Driven Health Plans (HSA's and HRA's)
- Dental Coverage
- Vision Coverage
- Life Insurance
- Long & Short Term Disability
- Optional/Voluntary Supplemental Health Policies
- Section 125 Programs (Flexible Spending Accounts)
- COBRA Administration

Mark III is not a named party to or involved in any active or pending civil or criminal suits, HIPAA violations, or allegations of state or federal regulatory violations. We take our work for clients like The City of Fernandina Beach seriously and we maintain strict adherence to guidelines and protect your employee's information as if it were our own information.

NOTE

We also have a large block of fully-funded and self-funded employers in North Carolina, Tennessee, and Virginia served by different consultant teams but the same support staff and processes. We have been in the medical consulting business since 1986 and a broker since 1973.

TAB 5:
Identified Service Areas

EMPLOYEE BENEFITS ASSESSMENT AND ANALYSIS

Provide a summary of your firm's process in conducting risk assessment and analysis for firms similar to the City of Fernandina Beach. Identify resources to be used, if not already part of the proposed service team. Provide samples of internal or external reports that are a product of such assessment and analysis. Based upon the information currently available, identify areas of emerging risk relative to the City of Fernandina Beach operations, or risk warrants greater attention.

Mark III develops an understanding of the goals and priorities of all of our customers by meeting with the customer. The purpose of the meeting is to discuss benefit priorities and financial/budgetary constraints. Our vast experience allows us to discuss all of the various products available in the marketplace. We also share our experiences with typical plan designs and cost structures of other clients with similar demographics as a perspective for the client to consider. Once the coverage items have been discussed, Mark III then helps the client create a strategic plan.

Mark III, with the client's input, will create an employee benefits strategic plan. The strategic plan will follow the SWOT analysis method. A SWOT analysis identifies the following:

1. Strengths of the current benefit plan.
2. Weaknesses of the current benefit plan.
3. Opportunities to improve the current benefit plan.
4. Threats to the current benefit plan.

Once the SWOT analysis has been completed, a strategic plan will be developed based on the results.

Typically plans include 2 to 3 year strategy incorporating budget, plan design, contribution strategy, and wellness goals. Mark III has consistently guided the client working in conjunction with the county based on its budget.

Strategies can be developed with long-term goals, discussing the various ways to achieve the goals noted. Often these are ever-changing, dependent upon plan performance in comparison to budget, whether recommendations are taken on plan renewal action, elected official decision making, pay raises, and the marketplace in general. We deliver accurate renewal estimates 7 months prior to the start of the new plan year, which is months in advance of the renewal delivered by the payor.

This allows the City to accurately budget for the upcoming Fiscal Year and not be surprised if there is a cost issue with the medical plan. So rather than being caught off guard if there is a challenge, planning and bidding can be done to give the City multiple renewal options.

Prior to the City receiving the renewal from the carrier/vendor, Mark III evaluates the initial renewal package and gauge the competitiveness of their offer.

Once Mark III has completed the initial evaluation, we will meet with the county to deliver our initial assessment. Based on the initial results of our meeting and how satisfied the client and Mark III are with the renewal, the next step will be determined. If the renewal is competitive and there is not a significant financial or benefit change that is required, no action would be taken. If the response from the carrier/vendor were uncompetitive, then further negotiation would take place. If a satisfactory response from the carrier/vendor does not occur, Mark III would market the plan in question to see if a more competitive offer can be attained from another source.

We provide renewals 120 days prior to the effective date.

Stop Loss insurance Evaluation for Self-Funded Clients
Mark III regularly reviews stop loss impact and the value for the client. We also review the competitiveness of the rates offered for specific and aggregate protection as well as the value of the aggregate coverage versus the premium paid, whether with the TPA or a third party stop loss carrier, reviewing both plan experience, stop loss reimbursements, medical plan trend year over year, and leverage trend factors used by stop loss carriers.

Pharmacy Plan Management for Self-Funded Clients
Mark III has extensive consulting experience with pharmacy plan management, whether wrapped into the medical or through a third-party vendor. We have worked with third party administrators that provide pharmacy administration through various pharmacy benefit managers, using their leverage to get the best value for our clients.

Whether under one carrier or carved out, we exam utilization patterns to determine population disease states, generic versus brand utilization, and specialty drugs costs. Data is shared with all parties to ensure care management needs are addressed where needed if there are gaps in care issues due to non-compliance.

We review the need for design levers such as DAW, Step Therapy, quantity level limits, controlled drug programs, required maintenance mail order, specialty drug care management programs, deductible plan designs, and overall education regarding pharmacy. Annually, data is used to determine plan design needs based on employee feedback, the employer experience, and budget needs.

MARKETING

Describe your firm's proposed marketing processes and strategies. Provide comment on current program structure and pricing (to the extent possible) with particular emphasis on your firm's assessment of the insurance market. Include identification of resources that are not part of the proposed service team. Provide a suggested listing of markets that may be considered for each major line of coverage, including your rationale for such a course of action. Include any intermediaries to be used and your relationship with those companies.

We provide all marketing and RFP development and analysis as well as arrange for finalist presentations as appropriate. We work with the client and the vendor to ensure all appropriate paperwork is completed once the final changes are approved.

From that point, we develop the strategy the client wants to use to inform all plan members of the changes.

Typically, these are communicated in open enrollment memos, on the client website we maintain through Mark III, in the booklet, and in poster advertisement for open enrollment meetings.

It is tailored to client needs.

Due to our book of business, Mark III has extensive experience in making health plan and voluntary benefit changes with various companies and we have staff that experts in knowing the most important points to stress during open enrollment for the various products offered.

In order to create an accurate quote for your health plan, we unfortunately cannot use a similar client's data. Without claims and historical data this is not possible. However, if we are selected as the consultant, we would be able to use your data and our leverage with carriers to give you the best plan possible. We are carrier agnostic.

DATA MANAGEMENT

Provide commentary on the projected needs for the City of Fernandina Beach relative to data management and your firm's approach to meeting those needs. Include resources or systems that might be utilized to enhance this area of benefits management.

Mark III provides updates based on client needs, including benchmark reports and utilization data. Data analytics reports services are broken down into multiple areas to include the medical/RX plans, voluntary plans, employee appreciation surveys, and wellness reports. These reports are all customizable based upon the client and plan needs. This plan would have to be discussed with your benefits team in the set up stages. Please note that these reports vary based on client size as carriers will not release utilization data for small groups so that limits what we can produce or access. There is a timeline overview in the introductory section of the response that outlines potential milestones.

We also provide an online enrollment and benefit administration system at no cost to the City. We are platform agnostic but typically will use Selerix Benselect or Employee Navigator, whichever makes sense for the benefits plans, payroll system and the processes the City already has in place. With these systems we can provide:

Integration
Offers connectivity to other web-based enrollment platforms. This enables carrier/vendor products, tools and content to be integrated easily into other systems

Flexible Business Rules
The system can be configured to support any combination of open enrollment, new hire enrollment, and year-round qualified status changes.

Customizable User Interface
From logos and color schemes, to complete employer branding, the Benefits-Selection user interface provides the flexibility to meet the demands of the most discerning employer groups. Plus, carrier/vendor product videos are available on the system.

Enrollment Setup and Administrator Tools
The enrollment website accommodates self-service and agent-assisted enrollment via co-browse sessions. Employees can enroll in core and voluntary benefit plans, review current benefits, and access forms and other documents.

Free Enrollment of Products
Enroll products with no technology cost via laptop, call center or online with employee self-service.

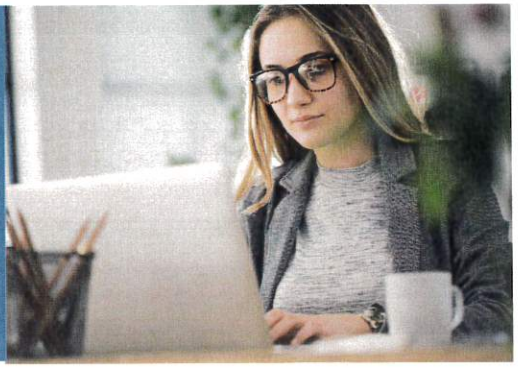
Administrator Tools
Administrator functionality enables the HR staff and/or enrollment case managers to monitor enrollment activity and process enrollments on behalf of employees requiring assistance, as well as view enrollment history for employees.

Post-Enrollment Data Integration
The data integration capabilities enable updates of employee and enrollment data to most back-office HRIS/payroll systems and carrier eligibility systems. After electronic interfaces are established, the system automatically manages all data transmissions, schedules, and data formats, ensuring each recipient receives the right data in the right format at the right time.

Case Building with Enrollment Platform
By simply answering questions in the online interview guide on the enrollment platform and importing key information, Mark III has the capability of publishing customized electronic enrollments, produce customized benefit statements, and create a variety of reports for their clients – all at the push of a button.

Step-by-Step Case Building Guide
A case-builder walks you through a wide range of information such as enrollment dates, benefit plans, rates, eligibility rules and payroll details, and census information.

Client Customization
Meet the needs of employer groups by using their logos, color schemes, communications, and presentations to brand the enrollment website. Videos can also be added.



Single or Multiple Sessions
You have the flexibility of completing the guided interview in one session, or logging out of the website and finishing it later. A check mark identifies the next step to complete on the outline.

POST-ENROLLMENT DATA INTEGRATION

DATA ANALYSIS & SECURITY

Information Security Policies
We have internal security policies adopted from the SANS Institute using commonly adopted security protocols and procedures, including but not limited to: encrypted hardware setups, Multi-factor Authentication, least privileged access, and employee cyber security training. We also require background checks on our employees and contractors. A full copy of the policies can be provided upon request.

SOCII Certified Platforms
We use a variety of technology platforms to fulfill our services. All platforms are vetted prior to use and have ongoing SOC certifications. Systems we use that our services with employee information would be a benefits enrollment and administration system (Selerix BenSelect, Employee Navigator, or WeCare), Email & File management services (Microsoft 365 Enterprise Cloud Services), and Amazon Web Services for call center recordings). Full SOCII reports can be provided upon request.

Business Continuity
From the technical perspective, our data is stored on cloud-based systems and backed up through redundant measures with those providers. For example, we have an Amazon AWS S3 data bucket that saves data to an AWS Data Center in Northern Virginia and automatically replicates it to Northern California for backup purposes. Being cloud-based, it makes our organization nimble and ready to execute from any location with an internet connection. A recent example our organization faced was the COVID-19 lockdown phase in the spring of 2020. Our operations were able to continue and excel thanks to these secure, redundant, and cloud-based technologies. We also have redundant separate internet and communications networks at our physical locations as well as Verizon MiFi jetpacks to maintain connection to our cloud-based services. All connections require TLS encrypted connections.

HIGHLIGHTS

Security-aware company culture: security and privacy training, individual acknowledgement, and frequent password changes.

Our combination of hardware and software-based security, plus proven security practices protects client data against loss, corruption, or unauthorized access.

Data encryption, intrusion prevention, firewalls, backups, server hardening, routine security updates, anti-virus scanning, and e-mail encryption.

PROGRAM DESIGN

Provide a brief summary of potential program designs that may be appropriate for the City of Fernandina Beach for the major lines of coverage. Include the rationale for your suggestions. Given the information provided, identify your firm's key strategies in evaluating the optimum alternatives for the City of Fernandina Beach in the major lines of coverage.

Plan Consulting Experience
Mark III has extensive experience building plans for our clients over the past 50 years.

While consulting with clients on fully-funded benefit plans, we also have over $350,000,000 of self-funded benefit plans under management, this is self-funded perspective that only Mark III can bring.

The self-funded medical plan business is an extraordinarily sophisticated business that requires years of knowledge and experience.

Mark III's focus on the public sector and our breadth of clients provides us with more leverage and knowledge, translating into value for the City.

We work with over 80,000 covered dental lives. In some cases, we are the largest consultant for these carriers nationally.

With respect to Section 125 benefits and flexible spending accounts, we have over 30,000 covered lives and bring significant experience and leverage for our clients.

We are in a unique space in the marketplace and know what is required for Public Sector Clients.

Our competitive advantage is our size and experience, which equates to leverage for the District.

We have the underwriting experience to negotiate the best arrangements for the District with the vendors.

We have significant experience in all coverage lines and bring negotiating power to bear for the City. Those coverage lines include:

- Medical Programs – Including Traditional Health Plan design and Consumer Driven Health Plans (HSAs and HRAs).
- Section 125 Programs
- Dental coverage
- Group Term Life
- Group Long Term Disability
- Group Short Term Disability
- Group Auto & Home Coverage
- Vision Coverage
- Group Long Term Care
- Payroll Deduction Permanent Life insurance
- Payroll Deduction Supplemental Health Coverage
- Payroll Deduction Short-term Disability Coverage

Our experience is in the Public Sector and is important because employees at the District have different needs and expectations than other industries.

Negotiating the Best Arrangements
We have the underwriting experience to negotiate the best arrangements for the client with the vendors. We have significant experience in all coverage lines and bring significant employee benefits experience to bear.

Focusing on public sector gives Mark III insight into the special needs of you and your employees.

Mark III has over $55,000,000 of voluntary benefits premium placed through the organization, providing significant leverage for our clients.

Benchmarking – Because of the customer base that we have in Public Sector, we are probably better suited than anyone to compare your benefits to other similar entities. This can be very helpful when discussing benefits with the elected leadership and employees.

You are our target customer.

Mark III provides a professional and committed service staff to support our customers. We do not rely on the insurance companies to service our clients.

We develop relationships with our customers by providing advice and marketing services on various employee benefit programs, providing communication strategies for the employees, and website development to aid in information and employee self-service.

Products
Mark III brings some of the most innovative plan designs to our customers.

- Outstanding Product Solutions

We are focused on equity, both from a pricing and benefits perspective.

- Guarantee Issue Solutions

Mark III has created a suite of product solutions that offers your employees guarantee issue.

This means that employees that you have who couldn't qualify for some of the current products would be able to obtain coverage through Mark III solutions.

This is a huge advantage for Mark III and is very important for your employees.
We offer products that deliver some of the greatest benefit value to the policyholder available. These products don't take years to build a "benefit," but rather, from the first day that the policy holder owns the policy, there is significant value.

As a broker, it is our responsibility to discern what is intrinsically valuable in a policy, what benefits are important, and what are not.

When one looks at a cancer policy, there are a significant number of benefits outlined in the policy form. It is hard to determine, what is valuable and what is not. Many insurance carriers want one to believe the more benefits outlined, the more valuable the policy.

What we set out to determine is: where is the value?

When one looks at mature blocks of cancer coverage policies, the largest single benefit payment category is radiation/chemotherapy payments. Increases in radiation therapy and chemotherapy claim costs drove carriers to significantly limit this benefit.

Chemotherapy claims can range $3,500 to $6,000 per treatment, once per week. Treatment can continue for months. We don't believe that a benefit that pays $300 or $400 per day adequately cover this exposure.

Cancer Plans that we offer provide some of the highest levels of radiation therapy/chemotherapy benefits for participants available in the market on a per treatment basis.

Secondly, another benefit that is touted by carriers is the first occurrence rider. Industry sources have indicated to us that the average duration of a cancer policy is 6 to 7 years. Therefore, the policy that delivers the greatest value in the shortest amount of time to the policyholder is the one that is the most valuable.
Policies that take years to build up a sizable first occurrence benefit don't deliver the benefit of many policies.

Managing a RFP/RFI Request for the City to Medical Vendors
We perform the following functions for the client when evaluating vendors for health plan changes. :

Plan Marketing and Evaluation Services
Mark III has the expertise to market and evaluate all employee benefits the City can offer. We will perform the following functions:

- **Specification Preparation**

With the guidance and assistance from the client, Mark III will prepare specifications that give the carriers/vendors an accurate assessment of your existing plans. This will include census, claims activity, current plan design, and requested plan designs. The specifications outline your concerns and goals.

- **Marketing the Specifications**

Mark III will contact the qualified carriers and vendors to determine their interest in evaluating your plans. Carriers/vendors that express an interest are sent the specifications to obtain a response. Mark III is responsible for gathering the responses from the qualified carriers/vendors.

- **Evaluate the Responses**

Once all proposals are received, the client and Mark III will narrow down the most competitive carriers/vendors based on, but not limited to, the following criteria:

- Quality of Care provided to the employees and their dependents.
- Sound financial status of the firm.
- Outstanding service, including but not limited to, strong client service support, home office underwriting, contracts, and legal service departments, claims processing, and related customer service.
- Networks, which provide excellent access to hospitals and physicians in the locations where employees reside.
- Network discounts and pricing.
- Competitive rates or fee structure.
- Future stability of rates/fees.

- Providing comprehensive experience reports to the client so that an evaluation can be made relative the plan performance.
- Carrier flexibility when plan design changes are necessary to meet the needs of the employees and the employer.
- Provides quality ongoing service and a service team that is dedicated to solving problems that arise during the plan year.
- An ongoing employee education program to assist the employees' understanding of the plan's operation.
- The flexibility to expand the network to cover new employees.

Mark III will provide a comprehensive evaluation, giving a side-by-side comparison of each vendor's offer.

Funding Plan Experience and Services

The value that Mark III brings to the City is a broad knowledge of the employee benefits business. We have extensive fully-insured, balanced-funded, self-funded, and pool arrangements.

Our consultants, have significant self-funded plan experience, managing Public Sector clients with medical plan budgets ranging from $1,200,000 to $30,000,000.

They work conjunction with Human Resources and Finance to build plan designs that keep the plan within budget while strategically building a health reserve for future costs and providing excellent benefits to employees. We will provide quarterly updates at a minimum, projecting plan costs out for the next year, applying trend and annualizing costs out to the end of the following policy year well before any carrier analysis is provided at renewal. IBNR estimates are provided as needed by clients.

Fixed, expected, and aggregate maximum costs are taken into consideration when projecting costs the next year, focusing on the changes necessary to stay within budget.

Mark III will provide all payroll deductions required for all products we manage. Mark III will develop and set rates and tier ratios for self-funded medical plans for both discounted and non-discounted rates. This is accomplished through evaluation of plan costs on a per employee per month basis, which are converted into three, four, or five tier rates as required by the District. Both budget and renewal strategy would drive the rate structure.

Mark III regularly reviews stop loss impact and the value for the client. We also review the competitiveness of the rates offered for specific and aggregate protection as well as the value of the aggregate coverage versus the premium paid, whether with the TPA or a third party stop loss carrier, reviewing both plan experience, stop loss reimbursements, medical plan trend year over year, and leverage trend factors.

Mark III provides ongoing consulting that provides guidance on plan design that impact cost to alleviate required increases where budget cannot withstand, including development of rate structure, taking into consideration the client contribution strategy and philosophy on dependent rates.

Mark III routinely provides budgeting consulting to clients. Various contribution strategies can be developed depending upon the organization's goals. These vary and are dependent upon the following:

- Organization's tolerance for change in increasing employee share
- Elected official' tolerance for change in increasing employee share
- Budgeted goals yearly based on plan performance
- Organization's philosophy on its responsibility as an employer for employee and dependent coverage
- Reserve
- Balance of benefit plan & pay increases

- Yearly revenues that impact budget
- Elected officials' yearly impact on budget
- Organizational tolerance for plan design changes
- Claims / Lasers / Plan Performance vs Budgeted Costs
- Adverse Selection barriers affecting performance

Population Care Management

The significant challenge that our clients face is the health of the employee and dependent population.

This issue includes the following:

- Weight, which drives Cardiovascular Disease, Hypertension, Diabetes
- Cholesterol leading to Coronary Artery Disease
- High Blood Pressure, which is a primary cause of Heart Disease, Heart Failure, Kidney Disease

Mark III is a leader in strategic population health management and has a proven track record in improving the health of the population and improving claims in controllable health conditions.

Mark III helps develop strategies to improve the health of the population.

- Disease Management strategies at the Employer level.
- Population Health Management at the Employer level.
- Implementation of the following based on comfort level and budget considerations:
  - Screenings
  - Coaching
  - Incentive based strategies
  - Accountability strategies
  - Clinics
  - Disease Management vendors
  - Data mining

The impact of our strategies is an improvement in the health of the population and a positive impact on the claims of our customers.

Why is this important? The main driver of healthcare cost is claims, and we have a meaningful impact on the dominant cost.

COMMUNICATIONS

Describe formal and informal communication processes for the City of Fernandina Beach. Include proposed schedules of key meetings, timelines, and other process mileposts for the proposed client service. Include any proprietary client communications that may be appropriate and available to the City of Fernandina Beach to facilitate communications. Describe your firm's capability of producing annual benefit statements and open enrollment communications for employees.

The client and Mark III will work together to determine the best option to enroll employees. There are three (3) ways in which employees can enroll in their benefits.

Onsite Benefits Counselors

Mark III provides non-commissioned benefit counselors to enroll your employees in their benefits.

- Licensed Benefits Counselors provide necessary educational information, like their customized Benefits Guide and videos, to help employees know what is being offered to them and navigate through the enrollment process.
- We are happy to enroll employees at their work location or at a central location/office.
- Employees will receive a signed benefit summary after their enrollment.
- 6 feet between our benefits counselors and the employees.
- We will provide surgical gloves and hand sanitizers for our enrollers and the employees.
- Face masks are encouraged, but not required.
- 30 minute appointments slots to allow for sanitation between appointments

Call Center

By utilizing Mark III's online scheduler and call center, our non-commissioned benefit counselors are available to assist employees in enrolling in their benefits, virtually.

- Dedicated 1-800 number for each group
- 100% Cloud Based
- Benefits Counselors can take calls remotely.
- Call Center Enrollment Managers are able to monitor call volume in real time.
- Call Center Enrollment Managers supervise our benefits counselors and are able to provide any help to the employee and the counselor.
- All calls are recorded and monitored.
- Employees are able to set an appointment for a benefits counselor to call them and enroll.
- Employees can call the 1-800 number Monday through Friday from 8:00 a.m. to 5:00 p.m. to speak with a benefit counselor.
- No new account login is required to make an appointment.

Self-Service

Employees can utilize our step-by-step self enrollment process to review and select their benefits.

- Each group has a customized benefits website with enrollment instructions.
- Ability for employees to login and make elections themselves.
- Simple illustrations and charts of benefit plan provisions and rates.
- Access to Benefits Guide.
- Product videos.
- Online chat feature with Benefits Representative.
- Automated email confirming the employee's benefit summary.

Mark III will work with you to create strong and strategic communication campaigns that increase employee awareness of open enrollment and builds employee engagement. We offer full-service, customized employee benefits communications. We partner with your staff to initiate a creative and consistent annual marketing and communication strategy/campaign delivered through various media. By developing these communication practices and materials, we can promote the benefit packages to your employees. The following communication techniques are available to you for implementation.

Employee Benefits Website

Mark III will create an employee benefits website specifically for the employees to use. Here they can download forms (claim, enrollment, wellness, etc.), view educational videos, and access voluntary insurance information. The benefit booklet is also available for the employee to view and download during Open Enrollment. The customized microsite is also used for employees who are enrolling, either onsite or through our call center, to set an appointment to meet with a benefits counselor.

Educational Videos

Our in-house media production team produces customized educational videos specific to your employee benefits. These videos highlight information regarding insurance products, flexible spending accounts, HSAs, new hire orientation, open enrollment, wellness programs, and any other topics you would like to be shared with your employees.

Employee Benefits Booklet

Mark III will provide each employee with an employee benefits booklet. It will include all of the benefits information administered by Mark III in one concise document with any additional information your staff would like to include. The booklet will be available to employees in print and PDF versions.

Social Media Marketing

Mark III uses our Facebook and Instagram platforms to communicate with employees in a way that is convenient for them. By using targeted and/or generic audiences, we can remind employees about open enrollment by sharing an ad with them. We also provide a link that directs them to the enrollment page on their customized microsite, where they can choose to schedule an appointment or self-enroll in their benefits.

Text Message Marketing

Mark III offers our clients the option to utilize our text message marketing to communicate various messages (open enrollment, wellness program information, etc.) to your employees. Messages are customizable and can be scheduled when desired.

Mark III Mobile App

Find details about your benefits, download forms, submit claims, ask questions, and more on the MyMark III Mobile App! You can download the app on the App Store or Google Play.

OTHER SERVICES

Provide a brief summary of other services available from your firm that may be appropriate to the City of Fernandina Beach consideration.

Other services we can offer include the benefit administration platform, ongoing payroll/deduction files to your payroll system or HRIS, bill reconciliation, consolidated billing, customized HR videos, promotional videos for the city, and communciation campaigns outside of open enrollment.

BROKER/CONSULTANT COMPENSATION

The client and Mark III will work together to determine the best option to enroll employees. There are three (3) ways in which employees can enroll in their benefits.

Please refer to **Tab 7 Pricing** for detailed pricing. Our compensation on the medical plan and associated services is typically a flat, annual consulting fee plus standard industry commissions on the voluntary benefits if acceptable to the City.

This allows us to provide ancillary services at no additional cost to the City or it's employees, while providing best-in-class benefits to help you recruit and retain the best talent.

COMPLIANCE UPDATES

There are countless rules and regulations governing employee benefit plans, many of which are complex. Our resources will help you meet your compliance obligations and keep you up to date on laws and regulations that affect your employee benefits program.

Our easy-to-read articles will help you find answers to your common COBRA, FMLA, health care reform, HIPAA, Medicare Part D, and Section 125 questions. Our monthly and quarterly newsletters provide concise, attorney-reviewed summaries of benefits rule changes to keep you up to date with the latest regulations.

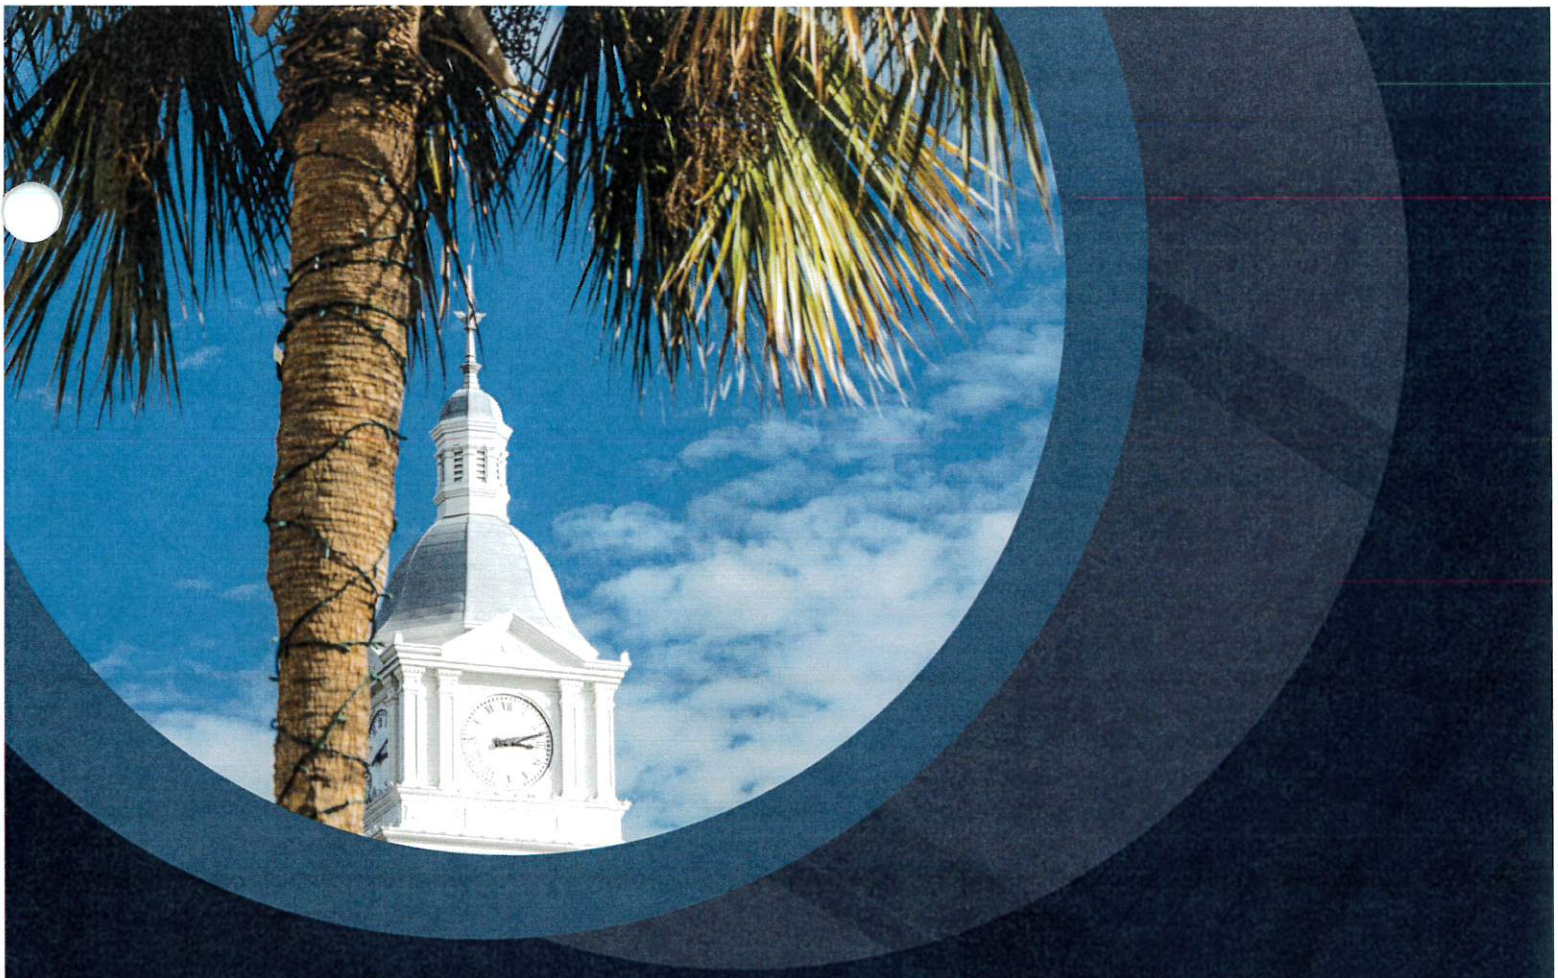
Health Care Reform

Health care reform is a primary concern for employers. We have a vast array of materials on health care reform to make it easy to stay on top of the ever-changing laws associated with health care reform.

FMLA Compliance

Complying with the Family Medical Leave Act (FMLA) is an important responsibility for HR and benefit managers. We have easy-to-understand informational materials and forms you need to administer FMLA within the law.

COBRA Compliance



Administering the Consolidated Omnibus Budget Reconciliation Act (COBRA) is another vital HR responsibility. Access numerous employer- and employee-facing educational pieces, as well as model forms and notices to help you remain compliant.

DOL Compliance

Over the past few years, the Department of Labor (DOL) has ramped up its enforcement of federal laws, such as the Fair Labor Standards Act (FLSA). Attorney-created resources can help you learn about DOL compliance obligations and make sure you are following all of the rules.

HIPAA Compliance

Plan sponsors know the importance of complying with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and HIPAA Privacy and Security regulations, but sometimes the implications of those laws on a business can be unclear. We can help our clients understand HIPAA laws and stay current with updates, as well as make administration easier with notices and forms.

TAB 6: Location in Proximity

YOUR MARK III TEAM

With over 50 years of experience in the public sector, we represent over 300,000 employees across the Southeastern United States.

Mark III understands the needs of local government and the K12 market intimately, we work to be your Florida Trusted Benefits Partner.

You will have a dedicated, local executive and point of contact in Josh Nelson who is located at our Nassau County office at: **29304 Pigeon Creek Road Hilliard, FL 32046.**

Additionally, you'll be supported, out of our Florida state headquarters in Brevard County in Rockledge, with additional support from our Johnson City, TN and Charlotte, NC service center locations.

New Hire

Benefit Information

Mark III Employee Benefits is available to help guide you through the benefits offered by your employer. Review the information below to better understand your benefit options.

Important!

- You have **30 days** from date of hire to enroll in benefits.
- **Qualify for Guaranteed Issue!** That means you will not have to answer any health questions when you first sign up for some benefits, up to guaranteed issue amounts. If you wait until the next year to enroll, you will have to answer health questions.
- **Receive up to $100 in Wellness Benefits** by signing up with certain plans. This means you will earn an annual benefit payment if you complete a qualified health screening test, whether or not there is any out-of-pocket cost to you!

Pre-Tax Benefits

- Cigna Medical
- FBA Flexible Spending Accounts
- Ameritas Dental
- Humana Vision
- Manhattan Life Group Cancer
- The Standard Group Accident
- The Standard Group Hospital Indemnity

Post-Tax Benefits

- The Standard Group Critical Illness
- AUL Short-Term Disability
- AUL Long-Term Disability
- AUL Voluntary Term Life
- Trustmark Universal Life

Wellness Benefits

Manhattan Life Group Cancer - **$100**
The Standard Group Accident - **$75**
The Standard Group Hospital Indemnity - **$50**
The Standard Group Critical Illness - **$100**

How To

Review Your Information & Benefits Online

Follow the instructions below to review your information and benefits year-round through the online enrollment platform.

STEP 1

Login Page: **https://standard.benselect.com/enroll/**

- Username: **SSN** (no dashes or spaces)
- PIN: **Last 4 of SSN + last 2 of birth year**
  (Example: Jane Doe, 123-45-6789, 01/01/1974; PIN: 678974)

STEP 2

Once logged in, you will be greeted with the **Welcome Page.**

- **Personal Information**: On the top right, select **You & Your Family** tab and then **Personal Information**. Here, you can review and ensure your information is up to date for your upcoming open enrollment (i.e. dependents and beneficiaries, email address, phone number, etc.).
- **Current Benefits**: On the top right, select **You & Your Family** tab and then **My Benefits** to view your current elected benefits. To print off or review your benefits summary, click **Review Forms That I Sign** which is located to the right of the screen.

QUESTIONS?

All information in this booklet is a brief description of your coverage and is not a contract. Please refer to your policy or certificate for each product for the exact terms and conditions.

DISCLAIMER

This guide is a brief summary of benefits offered to your group and does not constitute a policy.

Your employer may amend the benefits program at any time. Your Summary Plan Description (SPD) will contain the actual detailed provisions of your benefits. The SPD will be available at mymarkiii.com.

If there are any discrepancies between the information in this guide and the SPD, the language in the SPD will always prevail.

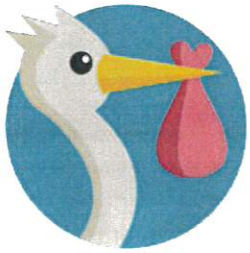
Important Points

- ✓ Your plan year runs from January 1, 2023 to December 31, 2023. This means your benefit elections will take effect January 1, 2023 unless otherwise noted.
- ✓ If you wish to add or make changes to your benefit elections, you have the option of self-enrolling or speaking with a trusted Mark III Benefits Counselor during your scheduled open enrollment.
- ✓ Once the enrollment period is over, you will not be able to make changes unless you experience a qualifying life event outlined by the IRS.
- ✓ **REMINDER!** Employees must re-enroll in their Flexible Spending and Dependent Care accounts each year! It will not automatically renew.
- ✓ This benefits guide is equipped with mobile-friendly barcodes commonly referred to as QR Codes. Use your smartphone to scan the QR codes to view your benefit summaries.
- ✓ All policy information can be found on your employee benefits portal at https://mymarkiii.com/townofhuntersvillenc/.

Qualifying Life Events

Open Enrollment selections are generally locked for the plan year, but certain exceptions called Qualifying Life Events (QLEs) can grant you a special enrollment period in which to make midyear changes. You are permitted to change benefit elections if you have a "change in status" and you make an election change that is consistent with the "change in status." Post-Tax benefits cannot be changed during the plan year without a QLE. Please contact your Group Contact for information on cancelling post-tax benefits.

Examples of QLEs



The following events will open a special ***30-day*** enrollment period from the date of the event, allowing you to make changes to your coverage. Documentation may be required.

marriage

divorce

childbirth/ adoption

death of a family member

loss of parental coverage

spouse gains or loses coverage

Welcome to Your Benefits!

Mark III Employee Benefits is here to help guide you through the benefits offered by your employer. This guide is simply a brief summary of benefits offered and does not constitute a policy.

Pre-Tax Benefit Information

A "**pre-tax basis**" means that the money you pay towards the cost of coverage comes out of your salary before you pay any taxes on it. By choosing this option, you reduce your taxable income, therefore reducing the taxes you owe. If you choose this option, you cannot drop coverage until the next annual enrollment period or unless you have a qualifying life event (i.e. birth of a child, divorce, separation, reduction in hours, etc.). If your premiums are deducted on a pre-tax basis, any benefits received under the plan could be treated as taxable income.

- ✓ UnitedHealthcare Medical
- ✓ Flores Flexible Spending Accounts
- ✓ Ameritas Dental
- ✓ CEC Vision

Post-Tax Benefit Information

A "**post-tax basis**" means that the money you pay towards the cost of coverage comes out of your salary after you pay taxes. You **WILL NOT** be able to make any changes once the enrollment period is over unless you experience a qualified life event outlined by the IRS (i.e. birth of a child, divorce, separation, reduction in hours, etc.).

- ✓ The Standard Short-Term Disability
- ✓ The Standard Long-Term Disability (Employer Paid)
- ✓ The Standard Basic Term Life (Employer Paid)
- ✓ The Standard Voluntary Term Life

How to Enroll at Open Enrollment

Flexible Spending Account

Flores

Healthcare Flexible Spending Account

The health care Flexible Spending Account (FSA) can reimburse you for eligible expenses you or your eligible dependents incur that are not paid by your existing health care plan.

Plan Features

- ✓ 2023 Medical Limit to contribute yearly - $2,800

Eligible Expenses

- ✓ Medical co-payments, co-insurance and deductibles
- ✓ Routine wellness visits
- ✓ Prescription expenses
- ✓ Vision expenses (including eye exams, eyeglasses and contact lenses)
- ✓ LASIK surgery
- ✓ Dental expenses (excluding cosmetic procedures)
- ✓ Orthodontia payments
- ✓ Hearing expenses
- ✓ OTC medical care items

Your Steps To Savings!

1. **Realize the Tax Savings.** You can set aside pre-tax money into an account to be reimbursed for eligible medical expenses. Savings will depend on your tax bracket.
2. **Estimate Your Expenses.** Plan for your upcoming expenses and include your spouse and dependents, if eligible. A brief list of expenses can be found to the right. A comprehensive list of allowable expenses and an expense worksheet can be found atwww.flores247.com.
3. **Enroll and Manage Your Account.** Contact your Human Resources Department to find out how to enroll for this benefit. Flores will send a custom Participant ID number via mail or email to help you manage your account.

Dependent Care Flexible Spending Account

The dependent care flexible spending account (FSA) can reimburse you for day care expenses provided for your dependents so that you (and your spouse, if you are married) can work. Care must be for a dependent child under age 13 or a dependent of any age that lives in your household that is incapable of self-care.

Plan Features

- ✓ 2023 Dependent Care Limit to contribute yearly - $2,500/$5,000 ($2,500 if you are married and file separate tax return and $5,000 if you file a joint return or file as single or head of household.

Eligible Expenses

Preschools | Before and after school care | Day camps

Ineligible Expenses

Overnight camps | Tuition/kindergarten & educational expenses | Regular fees not applied to care of child

Your Steps To Savings!

1. **Realize the Tax Savings.** You can set aside pre-tax money into an account to be reimbursed for eligible dependent childcare expenses. Savings will depend on your tax bracket. For example, if you are taxed at 25% and you enroll for $5,000 you would save $1,250 in taxes.
2. **Estimate Your Expenses.** Plan for your upcoming expenses. A brief list of expenses can be found to the right. A comprehensive list of allowable expenses and an expense worksheet can be found at www.flores247.com.
3. **Enroll and Manage Your Account.** Contact your Human Resource Department to find out how to enroll for this benefit. Flores will mail a custom Participant ID number to your home address to help you manage your account.

Flores Debit Card

1. **Enroll in Eligible Benefit Plan.** Your employer offers the Flores Benefits Card to employees who enroll in an eligible benefit plan. The card will allow you to pay for eligible expenses at participating providers at the time services are rendered, thus eliminating or reducing your out-of-pocket cost at the time of the purchase or service.
2. **Receive Your Flores Benefits Card.** Your Flores Benefits Card will be mailed upon your enrollment in an eligible benefit plan. No activation is required, but you should review the Cardholder Agreement included in this mailing, and then sign the back of your card.
3. **Proper Use & Account Management.** You will be able to view and manage your account on the Flores Web Portal, www.flores247.com. You should keep your receipts and invoices for payments made with your Flores Benefits Card, as you may be required to provide documentation to Flores to verify the eligibility of certain transactions. If requested, you may submit your documentation to Flores by uploading it to your online account, uploading using the Flores Mobile App, or sending it by fax or mail.

Recordkeeping Tip

Most payments will be automatically substantiated at the point of the transaction. Flores will only ask you to provide a copy of your receipts when substantiation is required per IRS guidelines. Establish a physical location where you will keep all receipts for your Flores Benefits Card purchases. Regardless of your position with your company, every employee will be treated the same in regard to IRS plan administration guidelines. No exceptions will be made. **If you are asked to provide a receipt, it must include:**

- name of provider or merchant
- description of service or item purchased
- date of service
- your out-of-pocket responsibility

Items such as handwritten explanations, Card transaction receipts or previous balance receipts cannot be used to verify an expense. If you do not have the receipt, you can contact the provider who can usually supply the receipt from their files.

FSA Frequently Asked Questions (FAQs)

How can I submit a claim? Claims may be uploaded to your account on our participant Flores247 Web Portal, www.flores247.com, or using our Flores Mobile app. You may also submit your request for reimbursement via fax or mail, if you prefer. Please note that all claims must be received by the filing deadline for the applicable plan year in which your expenses were incurred.

What must be included on receipts? All receipts for reimbursement must include the following information: Date of service, Description of Service, Out-of-Pocket Cost, Provider Name, and Patient Name.

Will I have a debit card? Possibly. If your plan offers the debit card, you can use your Flores Benefits Card at the point of purchase. Remember to keep all of your receipts in case they are requested for review.

Do I need to re-enroll in the health care & dependent care FSA each year? Yes, you must re-enroll with each new plan year. Elections do not rollover from year to year.

When will I have access to the funds in my health care FSA? After your first Health Care FSA contribution to the plan, you will have access to the total amount you have elected for the plan year, regardless of the current balance in your flexible spending account.

How will reimbursements be issued? Reimbursements will be mailed as a check to your home address. If you would like to have your reimbursement issued as a direct deposit, you may add your direct deposit information on the participant website (www.flores247.com) or submit a completed Direct Deposit Information Form. If your plan offers the debit card, you may use this card at the point of purchase to access your FSA dollars.

Can I change my election during the plan year? You may only change your annual election during the plan year if you experience a qualifying status change event. You must notify your employer within 30 days of any status change event in order to change your election. See the Allowable Status Changes Guide on our website (www.flores247.com) for further information.

Can I submit my spouse's / dependent's medical expenses to my health care FSA? Regardless of who is covered on your medical insurance, the Health Care FSA may reimburse expenses for your spouse or any qualifying tax or adult dependent.

What happens to my health care and dependent care FSA if I terminate from the company? Any expenses submitted for reimbursement must be incurred prior to your termination date or the benefit end date specified by your company. Claims must be submitted prior to the claims filing deadline for the plan year during which you terminated. In certain situations you may be eligible to continue your participation in the Health Care FSA through the election of COBRA. Please contact your Human Resource Department for further information.

What expenses are eligible to be reimbursed from the dependent care FSA? Your Dependent Care FSA can reimburse you for day care expenses provided for your dependent that allow you (and your spouse, if applicable) to work. Care must be for a dependent child under the age of 13, or a dependent of any age that lives in your household that is incapable of self-care. See the Allowable Dependent Care Expenses Guide on our website (www.flores247.com) for further information.

FSA Frequently Asked Questions (FAQs) Continued

What expenses are eligible for payment with my Flores Benefits Card? You can use your Flores Benefits Card to pay for expenses incurred during your active enrollment period in the current plan year. If a provider or merchant does not accept cards, you do have the option to file a manual request for reimbursement of your eligible out-of-pocket cost. Please visit www.flores247.com for a guide to allowable expenses. If you terminate employment during the plan year, the card will be turned off at that time. Only expenses incurred while you are an active participant will be considered reimbursable.

How can I use my Flores Benefits Card to pay for my eligible out-of-pocket expenses? Although the Flores Benefits Card is a debit card with a cash balance loaded onto it, you should select "credit" as the transaction type, and sign for purchases at authorized merchants. Please keep in mind that the Flores Benefits Card will decline if you try to swipe it for an amount greater than your available balance.

How should I send my documentation to Flores? Many transactions will be auto-approved at the point of sale and will not require further documentation. Flores will notify you by email or a mailed letter if additional information is needed to verify the eligibility of a particular transaction. You may submit your documentation by upload on the participant website, www.flores247.com, using the Flores Mobile App, or by fax or mail.

I used my card for an ineligible expense. What do I need to do to correct this? You may send a refund check to Flores for the ineligible amount, which will be credited back to your Flores Benefits Card to be used toward other eligible expenses you incur later in the year. You may also submit documentation that verifies you have paid out-of-pocket for an eligible expense, which Flores will use to offset the ineligible amount paid with your Flores Benefits Card.

Will I receive a new card each plan year? Your card is valid for five years from its issue date. Do not discard your card prior to its expiration date. At the start of each new plan year, your card will be reloaded with your new election amount. A new card will be mailed to you when your expiration date is approaching.

How do I obtain my account details?
Website: Visit www.flores247.com and log-in using Participant ID or Username and password
Mobile Website: Visit our mobile website at m.flores247.com
PID & Password Assistance: Dial 800.840.7684

Ameritas Information

We're Here to Help! This plan was designed specifically for the associates of Town of Huntersville. At Ameritas Group, we do more than provide coverage - we make sure there's always a friendly voice to explain your benefits, listen to your concerns, and answer your questions. Our customer relations associates will be pleased to assist you 7 a.m. to midnight (Central Time) Monday through Thursday, and 7 a.m. to 6:30 p.m. on Friday. You can speak to them by calling toll-free: 800-487-5553. For plan information any time, access our automated voice response system or go online to ameritas.com.

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Rx Savings

Our valued plan members and their covered dependents can save on prescription medications at over 60,000 pharmacies across the nation including CVS, Walgreens, Rite Aid and Walmart. This Rx discount is offered at no additional cost, and it is not insurance. To receive this Rx discount, Ameritas plan members just need to visit us at ameritas.com and sign into (or create) a secure member account where they can access and print an online-only Rx discount savings ID card.

Dental Rewards®

This dental plan includes a valuable feature that allows plan members to carry over part of their unused annual maximum. A member must submit at least one claim during the benefit year while staying at or under the plan-specific threshold amount. Earns an extra reward, called the PPO Bonus, by seeing a Network Provider. Employees and their covered dependents may accumulate rewards up to the stated maximum carry-over amount, then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan member doesn't submit a dental claim during a benefit year, all accumulated rewards will be lost; but he or she can begin earning rewards again the very next year.

Benefit Threshold	$500	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	$250	Dental Rewards amount is added to the following year's maximum
PPO Bonus (PPO Plan Only)	$100	Additional bonus is earned if the member sees a network provider
Maximum Carryover	$1,000	Maximum possible accumulation for Dental Rewards

Dental Network Information

To find a provider, visit ameritas.com and select FIND A PROVIDER, then DENTAL. Enter your criteria to search by location or for a specific dentist or practice. California Residents: When prompted to select your network, choose the Ameritas Network found on your ID Card or contact Customer Connections at 800-487-5553. Your provider network is Ameritas Classic and Plus Network.

Open Enrollment

If a member does not elect to participate when initially eligible, the member may elect to participate at the policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on January 1. If you do not enroll during your company's open enrollment period, then you will be subject to the Late Entrant Provision.

Dental Cost Estimator

Members can use our dental cost estimator at any time to find average procedure charges in their area. The estimates do not include network discounts or plan benefits. Find the dental cost estimator at ameritas.com/applications/group/estimator. After coverage begins, members can view average in-network charges in their secure member account. Members also may ask their dentist's office to submit a pretreatment estimate so they can see exactly how a proposed service would be covered and avoid any surprises. The pretreatment estimate is based on their plan benefits.

Language Services

We recognize the importance of communicating with our growing number of multilingual customers. That is why we offer a language assistance program that gives you access to: Spanish-speaking claims contact center representatives, telephone interpretation services in a wide range of languages, online dental network provider search in Spanish and a variety of Spanish documents such as enrollment forms, claim forms and certificates of insurance.

Ameritas Dental Rates

Tier of Coverage	*26 Pay Rates*
Employee Only	$0.00
Employee + Spouse	$13.88

Employee + Family	$40.50

Ameritas

For Claims/Customer Service call Ameritas: 1.800.776.9446 | Website: www.ameritas.com

This document is a highlight of plan benefits provided by Ameritas Life Insurance Corp. as selected by your employer. It is not a certificate of insurance and does not include exclusions and limitations. For a complete list of covered procedures, please see your benefits administrator.

Vision Plan

CEC community eye care

Enjoy the Simplicity of CEC!

Enrolling in CEC gives you the vision services you need and the ability to select the eyewear you want. With CEC, there's never any confusion about what's covered. It's that simple!

Benefit	Description	Co-Pay
	150 Plan	
Exam	A routine eye exam once a year*	$15
Eyewear	A **$150** flexible allowance for eyewear annually* You can get frames, lenses, contact lenses & lens enhancements, even non-prescription sunglasses!	$0
Contact Lens Fitting, Re-Fit or Evaluation	Once a year*	$15

Benefit	Description	Co-Pay
	250 Plan	
Exam	A routine eye exam once a year*	$15
Eyewear	A **$250** flexible allowance for eyewear annually* You can get frames, lenses, contact lenses & lens enhancements, even non-prescription sunglasses!	$0
Contact Lens Fitting, Re-Fit or Evaluation	Once a year*	$15

Additional Information	
Frequency	All benefits renew every 12 months
Additional Savings	Members who exceed their allowance are eligible for discounts on the overage at most network providers – a 20% for glasses and a 10% discount for contact lenses.

**Members are eligible for their benefits every plan year. Members are not required to wait until the prior plan years' service date has passed to obtain their current benefit.*

Your Coverage with Out-of-Network Providers

CEC allows you to use your full benefit when visiting an out-of-network provider. You'll need to submit an out-of-network claim form and will be reimbursed for the cost of the exam (minus the co-pay) and for the cost of the eyewear, up to the amount of the eyewear allowance (minus the co-pay). Note that co-pays for out-of-network visits are deducted from reimbursements. Reimbursement generally occurs within 60 days of submission. To learn more about filing an out-of-network claim, go to cecvision.com/oonform.

Insured	150 Plan Bi-Weekly Rates	250 Plan Bi-Weekly Rates
Employee Only	$4.29	$7.84
Employee + One	$8.20	$15.29
Employee + Family	$12.49	$23.12

Plan Features

Routine Retinal Screening. A routine retinal screening is an enhancement to the member's annual eye exam when seeing a CEC provider. **Frequency** – once per year | **Co-pay** – Up to $39 | **Coverage** – covered after co-pay

LASIK Discounts. Members can save up to 50% relative to national averages from more than 1,000 participation LASIK providers, including TLC Laser Eye Center.

You Can Get Sunglasses. Non-prescription eyewear, including sunglasses, is included in your CEC vision plan. Other non-prescription eyewear such as blue-light blocking glasses, safety glasses and readers are also included.

Plan Features Continued

Glasses and Contacts
Members can purchase glasses and contact lenses in the same plan year. And frames can be purchases every plan year.

Additional Pairs of Glasses
Members will receive a 20% savings on additional pairs of glasses and sunglasses, including lens enhancements, from most CEC providers within 12 months of their last exam.

Special Offers
A variety of special offers are available to CEC members. Visit cecvision.com/members/special-offers for additional information!

Member's Portal
CEC's website, cecvision.com, gives you 24/7 access to find a provider, view your benefit information, check your current eligibility, print a temporary ID card and more.

Vision is Important
Even if you have 20/20 vision, getting your annual eye exam is very important. At your appointment, your doctor can check for other health issues such as diabetes, high blood pressure, and even brain tumors.

Important Plan Information	
Routine Vision Coverage	CEC vision benefits are for routine eye care. Routine exams and contact lens fittings, as needed, and eyewear are covered by the CEC full-service benefit. Additionally, the CEC benefit now includes a routine retinal screening (digital imaging of the inside of the eye), which helps CEC doctors detect signs of eye disease and chronic health conditions including diabetes, hypertension, and high cholesterol. CEC vision coverage does not include medical treatment or surgical treatment of the eyes. Examples that could necessitate your visit being filed, by your provider, to your medical insurance include diabetes mellitus, glaucoma, cataracts, and other medical conditions.
Promotions	As is true of most vision plans, in-network providers will only allow members to use either their vision benefit allowance or an optical discount/promotion. Members who select the sales promotion (such as "BOGO" or "two-for-one sales") or a steep discount are not eligible for reimbursement from CEC for that purchase. Therefore, members cannot buy their eyewear at the sales promotion and submit an out-of-network claim for reimbursement for that purchase. This also applies to exam discounts. The member will still be able to use their CEC benefit at a later date either through the same provider or through a different provider.
Coordination of Benefits	Coordination of benefits is not permitted, either with respect to other vision plans or with respect to vision benefits under health insurance plans.
Additional Pairs of Overage Discounts	Most providers in the CEC network offer vision plan members a 20% discount on additional pairs of glasses as well as a 20% overage discount on glasses and a 10% overage discount on contacts on amounts exceeding the eyewear allowance. However, by law, CEC providers are not required to offer overage discounts. Before using your eyewear allowance to obtain eyewear, please check with your provider to see what discounts are offered.
Contact Lens Fittings & Evaluations	When seeing an in-network provider, the maximum coverage for contact lens fittings is $100, and the maximum coverage for contact lens evaluations is $80. Any amount that exceeds the maximum coverage is not covered.
Non-Prescription Eyewear Policy	Most providers in the CEC network allow vision plan members to use their eyewear allowance for the purchase of non-prescription eyewear. However, CEC providers are not required to extend coverage to non-prescription items, and a few have opted to restrict coverage to prescription eyewear. Before using your eyewear allowance to obtain non-prescription eyewear, please check with your provider to make sure that this is permissible.
Portability Benefit	Existing CEC members who terminate employment will be able to enroll in the CEC portability plan within 60 days of their termination date. Coverage will commence on the first day of the month following receipt of the member's completed form. New membership cards will be mailed to the member prior to their new effective date.

Short-Term Disability Plan

Group Short Term Disability Insurance

This coverage replaces a portion of your income when you can't work because of a qualifying disability. Even if you're healthy now, it's important to protect yourself and the people who count on your income.

This insurance can help you pay the bills when you're unable to work.

This Plan Offers:

- Competitive group rates
- The convenience of payroll deduction
- Benefits for a qualifying disability that is not work-related

About This Coverage

See the Important Details section for more information, including requirements, exclusions and definitions.

What Your Benefit Provides

This is the benefit you'd receive if you were to suffer a qualifying disability. Eligible earnings are your weekly insured predisability earnings, as defined by the group policy. Your benefit amount will be reduced by deductible income; see the Important Details section for a list of deductible income sources.

- **60% of your eligible earnings, up to a maximum benefit of $750 per week. Plan minimum $15 per week.**

Benefit Waiting Period

If you suffer a qualifying disability, your benefit waiting period is the length of time you must be continuously disabled before you can begin receiving your weekly benefit.

- **14 days for accidental injury**
- **14 days for physical disease, pregnancy or mental disorder**

How Long Your Benefits Last

This is the maximum length of time you could be eligible to receive a weekly disability benefit.

- **180 days**

Additional Features

Your coverage comes with some added features:

Return to Work Incentive.
Your disability benefit will not be reduced by any work earnings you receive until the combined amount of the benefit and your work earnings exceeds 100 percent of your predisability earnings.

Help with Returning to Work.
If a worksite modification would enable you to return to work, we can help your employer make approved modifications by covering some or all of the cost.

How Much Your Coverage Costs

Because this insurance is offered through Town of Huntersville, you'll have access to competitive group rates that may be more affordable than those available through individual insurance. You'll also have the convenience of having your premium deducted directly from your paycheck. How much your premium costs depends on a number of factors, such as your age and benefit amount.

Use this formula to calculate your premium payment:

_____ x 0.60 x _____ /10 = _____ → _____

Enter your weekly earnings (cannot be more than $1,250).	Enter your rate from the rate table.	This amount is an estimate of how much you'd pay each month.	To get a sense of your biweekly premium, multiply your monthly premium amount by 12 and then divide by 26.

Your Age (as of January 1)	*Rate per $10 of weekly benefit*
<25	$0.59
25 - 29	$0.57
30 - 34	$0.55
35 - 39	$0.56
40 - 44	$0.53
45 - 49	$0.74
50 - 54	$0.90
55 - 59	$1.14
60 +	$1.31

Not being able to work also means not being able to earn a paycheck. As you consider Short Term Disability insurance, think about the expenses you would need to cover if you were to become disabled:

- Mortgage or rent
- Utilities
- Groceries
- Medical bills
- Car insurance
- Childcare costs

To estimate your insurance needs, you'll need to consider your unique circumstances. Use our online calculator at www.standard.com/disability/needs.

Eligibility Requirements
To be eligible for coverage, you must be:
- A regular employee of Town of Huntersville
- Actively working at least 30 hours per week
- A citizen or resident of the United States or Canada

Temporary and seasonal employees, full-time members of the armed forces, leased employees and independent contractors are not eligible.

Employee Coverage Effective Date
To become insured, you must:
- Meet the eligibility requirements listed above
- Serve an eligibility waiting period*
- Apply for coverage and agree to pay premiums
- Be actively at work (able to perform all normal duties of your job) on the day before the scheduled effective date of insurance

If you are not actively at work on the day before the scheduled effective date of insurance, your insurance will not become effective until the day after you complete one full day of active work as an eligible employee.

All late applications (applying 31 days after becoming eligible) are subject to medical underwriting approval. Please contact your human resources representative or plan administrator for more information regarding the requirements that must be satisfied for your insurance to become effective.

**Defined as first day that follows 30 consecutive days as a member*

Definition of Disability
You will be considered disabled if, as a result of physical disease, injury, pregnancy or mental disorder:
- You are unable to perform with reasonable continuity the material duties of your own occupation, and
- You suffer a loss of at least 20 percent in your predisability earnings when working in your own occupation.

You are not considered disabled merely because your right to perform your own occupation is restricted, including a restriction or loss of license.

Exclusions
Subject to state variations, you are not covered for a disability caused or contributed to by any of the following:
- Your committing or attempting to commit an assault or felony, or your active participation in a violent disorder or riot
- An intentionally self-inflicted injury, while sane or insane
- War or any act of war (declared or undeclared, and any substantial armed conflict between organized forces of a military nature)
- The loss of your professional or occupational license or certification
- An activity arising out of or in the course of any employment for wage or profit

Limitations
Short Term Disability benefits are not payable for any period when you are:
- Not under the ongoing care of a physician in the appropriate specialty, as determined by The Standard
- Not participating in good faith in a plan, program or course of medical treatment or vocational training or education approved by The Standard, unless your disability prevents you from participating
- Confined for any reason in a penal or correctional institution
- Able to work and earn at least 20 percent of your predisability earnings in your own occupation but you elect not to
- Eligible to receive benefits for your disability under a workers' compensation law or similar law

When Your Benefits End
Your Short Term Disability benefits end automatically on the date any of the following occur:
- You are no longer disabled
- Your maximum benefit period ends
- Long term disability benefits become payable to you under a Long Term Disability plan
- Benefits become payable under any other disability insurance plan under which you become insured through employment during a period of temporary recovery
- You fail to provide proof of continued disability and entitlement to benefits
- You pass away

Deductible Income
Your benefits will be reduced if you have deductible income, which is income you receive or are eligible to receive while receiving Short Term Disability benefits. Deductible income includes:
- Sick pay, annual or personal leave pay, severance pay or other forms of salary continuation (including donated amounts) paid that exceeds 100 percent of your indexed predisability earnings when added to your Short Term Disability benefit
- Amounts under unemployment compensation law
- Amounts because of your disability from any other group insurance
- Any disability or retirement benefits received or you are eligible to receive from your employer's retirement plan
- Amounts under any state disability income benefit law or similar law
- Earnings from work activity while you are disabled, plus the earnings you could receive if you work as much as your disability allows
- Earnings or compensation included in your predisability earnings which you receive or are eligible to receive while Short Term Disability benefits are payable
- Amounts due from or on behalf of a third party because of your disability, whether by judgment, settlement or other method
- Any amount you receive by compromise, settlement or other method as a result of a claim for any of the above

When Your Insurance Ends
Your insurance ends automatically when any of the following occur:
- The date the last period ends for which a premium was paid
- The date your employment terminates
- The date the group policy (or your employer's coverage under the group policy) terminates
- The date you cease to meet the eligibility requirements (insurance may continue for limited periods under certain circumstances)
- The date Town of Huntersville ends participation in the group policy

Group Insurance Certificate
If coverage becomes effective and you become insured, you will receive a group insurance certificate containing a detailed description of the insurance coverage, including the definitions, exclusions, limitations, reductions and terminating events. The controlling provisions will be in the group policy. The information present in this summary does not modify the group policy, certificate or the insurance coverage in any way.

Long-Term Disability Plan

Group Long Term Disability Insurance

Group Long Term Disability insurance from Standard Insurance Company helps provide financial protection for insured members by promising to pay a monthly benefit in the event of a covered disability. ***The cost of this insurance is paid by Town of Huntersville.***

Eligibility

- **Definition of a Member.** You are a member if you are a regular employee of Town of Huntersville, actively working at least 30 hours per week, and a citizen or resident of the United States or Canada. You are not a member if you are a temporary or seasonal employee, a full-time member of the armed forces, a leased employee or an independent contractor.
- **Eligibility Waiting Period.** You are eligible on the first day that follows 30 consecutive days as a member.

Benefits

Monthly Benefit - 60 percent of the first $8,333 of monthly predisability earnings, reduced by deductible income (e.g., work earnings, workers' compensation, state disability, etc.)

Maximum Monthly Benefit - $5,000

Minimum Monthly Benefit - $100

Benefit Waiting Period - 180 days

Definition of Disability
For the benefit waiting period and the first 24 months that Long Term Disability benefits are payable, you will be considered disabled if, as a result of physical disease, injury, pregnancy or mental disorder:

- You are unable to perform with reasonable continuity the material duties of your own occupation, and
- You suffer a loss of at least 20 percent of your predisability earnings when working in your own occupation.

You are not considered disabled merely because your right to perform your own occupation is restricted, including a restriction or loss of license.

After the own occupation period of disability, you will be considered disabled if, as a result of a physical disease, injury, pregnancy or mental disorder, you are unable to perform with reasonable continuity the material duties of any occupation.

Maximum Benefit Period
If you become disabled before age 62, Long Term Disability benefits may continue during disability until age 65 or to the Social Security Normal Retirement Age (SSNRA) or 3 years 6 months, whichever is longest. If you become disabled at age 62 or older, the benefit duration is determined by the age when disability begins:

Age	Maximum Benefit Period
62	To SSNRA, or 3 years 6 months, whichever is longer
63	To SSNRA, or 3 years, whichever is longer
64	To SSNRA, or 2 years 6 months, whichever is longer
65	2 years
66	1 year 9 months
67	1 year 6 months
68	1 year 3 months
69+	1 year

Other Features and Services

- ✓ 24 hour coverage, including coverage for work-related disabilities
- ✓ Employee Assistance Program
- ✓ Reasonable Accommodation Expense Benefit
- ✓ Rehabilitation Incentive Benefit
- ✓ Rehabilitation Plan Provision
- ✓ Return to Work Incentive
- ✓ Survivors Benefit
- ✓ Temporary Recovery Provision
- ✓ Waiver of Premium while Long Term Disability benefits are payable

This information is only a brief description of the group Long Term Disability insurance policy sponsored by Town of Huntersville. The controlling provisions will be in the group policy issued by The Standard. The group policy contains a detailed description of the limitations, reduction in benefits, exclusions and when The Standard and Town of Huntersville may increase the cost of coverage, amend or cancel the policy. A group certificate of insurance that describes the terms and conditions of the group policy is available for those who become insured according to its terms. For more complete details of coverage, contact your human resources representative.

Basic Group Term Life Plan

Group Basic Life insurance from Standard Insurance Company helps provide financial protection by promising to pay a benefit in the event of an eligible member's covered death. Basic Accidental Death and Dismemberment (AD&D) insurance may provide an additional amount in the event of a covered death or dismemberment as a result of an accident. ***The cost of this insurance is paid by Town of Huntersville.***

Eligibility

- **Definition of a Member**: You are a member if you are an active employee of Town of Huntersville and regularly working at least 30 hours each week. You are not a member if you are a temporary or seasonal employee, a full-time member of the armed forces, a leased employee or an independent contractor.
- **Eligibility Waiting Period**: You are eligible on the first of the month that follows 30 consecutive days as a member.

Benefits

- **Basic Life Coverage Amount**: 2 times your annual earnings to a maximum of $250,000.
- **Basic AD&D Coverage Amount**: For a covered accidental loss of life, your Basic AD&D coverage amount is equal to your Basic Life coverage amount. For other covered losses, a percentage of this benefit will be payable.
- **Life Age Reductions**: Basic Life and AD&D insurance coverage amount reduces to 65 percent at age 65, to 45 percent at age 70, to 30 percent at age 75, to 20 percent at age 80, and to 15 percent at age 85.

Other Basic Life Features & Services

- Accelerated Benefit
- Life Services Toolkit
- Portability of Insurance Provision
- Repatriation Benefit
- Standard Secure Access account payment option
- Travel Assistance
- Right to Convert Provision
- Waiver of Premium

Other Basic AD&D Features

- Airbag Benefit
- Expanded AD&D Package
- Family Benefits Package
- Seat Belt Benefit

This information is only a brief description of the group Basic Life/AD&D insurance policy sponsored by Town of Huntersville. The controlling provisions will be in the group policy issued by The Standard. The group policy contains a detailed description of the limitations, reductions in benefits, exclusions and when The Standard and Town of Huntersville may increase the cost of coverage, amend or cancel the policy. A group certificate of insurance that describes the terms and conditions of the group policy is available for those who become insured according to its terms. For more complete details of coverage, contact your human resources representative.

Voluntary Group Term Life Plan

Life insurance coverage is designed to help provide financial support and stability to your family should you pass away. Accidental Death & Dismemberment (AD&D) insurance provides an extra layer of protection if you die or become dismembered in an accident. You can also cover your eligible spouse and child(ren).

About This Coverage

If you take no action you'll be covered under Basic Life Insurance provided you meet the eligibility requirements. Consider whether that would be enough to help your family meet daily expenses, maintain their standard of living, pay off debt and fund your children's education. If not, you may want to apply for additional coverage now.

How Much Can I Apply For?

Your combined Basic Life and Additional Life amounts cannot exceed a maximum of 8 times your annual earnings. The coverage amount for your spouse cannot exceed 100 percent of your Additional Life coverage. The coverage amount for your child(ren) cannot exceed 100 percent of your Additional Life coverage.

- **For You:** $10,000 – $150,000 in increments of $10,000
- **For Your Spouse:** $5,000 - $50,000 in increments of $5,000
- **For Your Child(ren):** $10,000

What is the Guarantee Issue Amount?

Depending on your eligibility, this is the maximum amount of coverage you may apply for during initial enrollment without answering health questions.

- **For You:** Up to $150,000
- **For Your Spouse**: Up to $50,000

AD&D Insurance

The benefit is paid if you or your dependents are seriously injured or pass away as a result of a covered accident.

What Does My AD&D Benefit Provide?

Note: You cannot buy more coverage for your spouse or child(ren) than you buy for yourself.

- **For You**: The AD&D insurance coverage amount matches what you elect for Additional Life insurance.
- **For Your Spouse**: The AD&D insurance coverage amount matches what you elect for Dependents Life insurance.
- **For Your Child(ren):** The AD&D insurance coverage amount matches what you elect for Dependents Life insurance.

Keep in mind that the amount payable for certain losses is less than 100 percent of the AD&D insurance benefit.

Additional Features

- **Accelerated Benefit:** If you become terminally ill, you may be eligible to receive up to 80 percent of your combined Basic and Additional Life benefit to a maximum of $500,000.

How Much Life Insurance Do You Need?

After a death in the family, there are many unexpected expenses. Your benefits could help your family pay for:

- Outstanding debt
- Burial expenses
- Medical bills
- Your children's education
- Daily expenses

To estimate your insurance needs, you'll need to consider your unique circumstances. Use our online calculator at **www.standard.com/life/needs**.

How Much Your Coverage Costs

Your Basic Life insurance is paid for by the Town of Huntersville. If you choose to purchase Additional Life coverage, you'll have access to competitive group rates, which may be more affordable than those available through individual insurance. You'll also have the convenience of having your premium deducted directly from your paycheck. How much your premium costs depends on a number of factors, such as your age and the benefit amount.

Use this formula to estimate your biweekly premium payment:

_____ ÷ 1000 = _____ X _____ = _____ → _____

Enter the amount of coverage you are requesting (see benefit amounts in the About This Coverage section).

Enter your rate from the rate table.

This amount is an estimate of how much you would pay each month.

To get a sense of your biweekly premium, multiply your monthly premium amount by 12 and then divide by 26.

If you buy coverage for your spouse, your monthly rate is shown in the table below. Use the same formula to calculate the premium that you used for yourself, but use your age and your spouse's rate. If you buy Dependents Life with AD&D coverage for your child(ren), your monthly rate is $2.30 for $10,000, no matter how many children you're covering. Your monthly AD&D rate of $0.30 for $10,000 is included.

Age (as of January 1)	*Your Rate* (Per $1,000 of Total Coverage)*	*Your Spouse's Rate* (Per $1,000 of Total Coverage)*
<30	$0.07	$0.08
30 - 34	$0.07	$0.09
35 - 39	$0.09	$0.11
40 - 44	$0.12	$0.15
45 - 49	$0.17	$0.22
50 - 54	$0.26	$0.33
55 - 59	$0.39	$0.52
60 - 64	$0.59	$0.78
65 - 69	$0.96	$1.27
70 - 74	$1.84	$2.45
75 +	$3.53	$4.70

**Includes a monthly AD&D rate of $0.03 per $1,000 of AD&D benefit.*
***Includes a monthly AD&D rate of $0.03 per $1,000 of AD&D benefit for your spouse.*

Important Details

Life and AD&D Insurance Eligibility Requirements

To be eligible for coverage, you must be:

- An active employee of Town of Huntersville
- Regularly working at least 40 hours per week
- Insured for Basic Life insurance through The Standard

Temporary and seasonal employees, full-time members of the armed forces, leased employees and independent contractors are not eligible. If you buy Additional Life and AD&D insurance for yourself, you may also buy Life and AD&D coverage for your eligible children and/or spouse. This is called Dependents Life and AD&D insurance. You can choose to cover your spouse, meaning a person to whom you are legally married. You may also choose to cover your child. Child means your child from live birth through age 25. Your child cannot be insured by more than one employee. Your spouse or child(ren) must not be full-time member(s) of the armed forces. You cannot be insured as both an individual and a dependent.

Medical Underwriting Approval for Life Coverage

Required for:

- Coverage amounts higher than the guarantee issue maximum amount
- All late applications (applying 31 days after becoming eligible)
- Requests for coverage increases
- Reinstatements
- Eligible but not insured under the prior life insurance plan

Visit www.standard.com/mhs to submit a medical history statement online.

Note: If your family status changes, you may have the ability to apply for coverage or increase your coverage for a limited time without having to submit a medical history. Please see your human resources representative or plan administrator for more information.

Coverage Effective Date for Life Coverage
To become insured, you must

- Meet the eligibility requirements listed in the previous sections,
- Serve an eligibility waiting period*,
- Receive medical underwriting approval (if applicable),
- Apply for coverage and agree to pay premium, and
- Be actively at work (able to perform all normal duties of your job) on the day before the insurance is scheduled to be effective.

If you are not actively at work on the day before the scheduled effective date of your insurance, including any optional coverages, your insurance will not become effective until the day after you complete one full day of active work as an eligible employee. Contact your human resources representative or plan administrator for further information about the applicable coverage effective date for your coverage, including any optional coverages.

**Defined as first day that follows 30 consecutive days as a member*

Life and AD&D Age Reductions
Under this plan, your coverage amount reduces to 65 percent at age 65, to 45 percent at age 70, to 30 percent at age 75, to 20 percent at age 80, and to 15 percent at age 85. Your spouse's coverage amount reduces by your age as follows: to 65 percent at age 65, to 45 percent at age 70, to 30 percent at age 75, to 20 percent at age 80, and to 15 percent at age 85. If you are age 65 or over, ask your human resources representative or plan administrator for the amount of coverage available.

Life Insurance Waiver of Premium
Your Life premiums may be waived if you:

- Become totally disabled while insured under this plan,
- Are under age 60, and
- Complete a waiting period of 180 days.

If these conditions are met, your Life insurance coverage may continue without cost until age 65, provided you give us satisfactory proof that you remain totally disabled. Life and AD&D Insurance Portability If your insurance ends because your employment terminates, you may be eligible to buy portable group insurance coverage from The Standard.

Life Insurance Conversion
If your insurance reduces or ends, you may be eligible to convert your existing Life insurance to an individual life insurance policy without submitting proof of good health.

Life Insurance Exclusions
Subject to state variations, you and your dependents are not covered for death resulting from suicide or other intentionally self-inflicted injury, while sane or insane. The amount payable will exclude amounts that have not been continuously in effect for at least two years on the date of death.

AD&D Benefits
The amount of the AD&D benefit is equal to the amount payable for your or your spouse's or child(ren)'s Life benefit on the date of the accident. For all other covered losses, the amount is shown as a percentage of the amount payable for the benefit on the date of the accident. No more than 100 percent of the AD&D benefit will be paid for all losses resulting from one accident. Any loss must be caused solely and directly by an accident within 365 days of the accident. A certified copy of the death certificate is needed to prove loss of life. All other losses must be certified by a physician in the appropriate specialty determined by The Standard.

Covered loss:	**Percentage of AD&D benefit payable:**
Life[1]	100%
One hand or one foot[2]	50%
Sight in one eye, speech or hearing in both ears	50%
Two or more of the losses listed above	100%
Thumb and index finger of the same hand[3]	25%
Quadriplegia	100%
Hemiplegia	50%
Paraplegia	50%

[1] Includes loss of life caused by accidental exposure to adverse weather conditions or disappearance if disappearance is caused by an accident that reasonably could have resulted in your death.
[2] Even if the severed part is surgically re-attached. This benefit is not payable if an AD&D benefit is payable for quadriplegia, hemiplegia, paraplegia, involving the same hand or foot.
[3] This benefit is not payable if an AD&D benefit is payable for the loss of the entire hand.

AD&D Insurance Exclusions
You are not covered for death or dismemberment caused or contributed to by any of the following:

- Committing or attempting to commit an assault or felony, or actively participating in a violent disorder or riot
- Suicide or other intentionally self-inflicted injury, while sane or insane
- War or any act of war (declared or undeclared), and any substantial armed conflict between organized forces of a military nature
- Voluntary consumption of any poison, chemical compound, alcohol or drug, unless used or consumed according to the directions of a physician
- Sickness or pregnancy existing at the time of the accident
- Heart attack or stroke
- Medical or surgical treatment for any of the above

When Your Insurance Ends
Your insurance ends automatically when any of the following occur:

- The date the last period ends for which a premium was paid
- The date your employment terminates
- The date you cease to meet the eligibility requirements (insurance may continue for limited periods under certain circumstances)
- The date the group policy, or your employer's coverage under the group policy, terminates
- For each elective insurance coverage, the date that coverage terminates under the group policy
- The date your Life coverage ends, your AD&D coverage will end as well

In addition to the above requirements, your Dependents Life and AD&D coverage ends automatically on the date your dependent ceases to meet the eligibility requirements for a dependent.

For more details on when your insurance ends, contact your human resources representative or plan administrator.

Group Insurance Certificate
If coverage becomes effective and you become insured, you will receive a group insurance certificate containing a detailed description of the insurance coverage, including the definitions, exclusions, limitations, reductions and terminating events. The controlling provisions will be in the group policy. The information present in this summary does not modify the group policy, certificate or the insurance coverage in any way.

Employee Assistance Program (EAP)

MYgroup
McLAUGHLIN YOUNG

How Our EAP Works

Looking for professional advice for personal, work-related, or family concerns? Free, confidential support is one of your benefits – and always there if you need it.

An EAP is a company-sponsored benefit that offers the support and resources you need to address personal or work-related challenges and concerns. Best of all, it's free for you and your household.

When you call the EAP, you are offered a needs assessment by an experienced, licensed clinician. If it is determined that the concern can be resolved through problem solving sessions, the clinician will assist in resolution. If it is determined that a referral is needed for ongoing support, the EAP will connect you with the most cost-effective resources for care.

You Are Covered

McLaughlin Young offers you and your immediate household members unlimited access to:

- ✓ Free, confidential help with personal or work-related concerns
- ✓ Referrals to other sources for assistance
- ✓ 24-hour emergency coverage

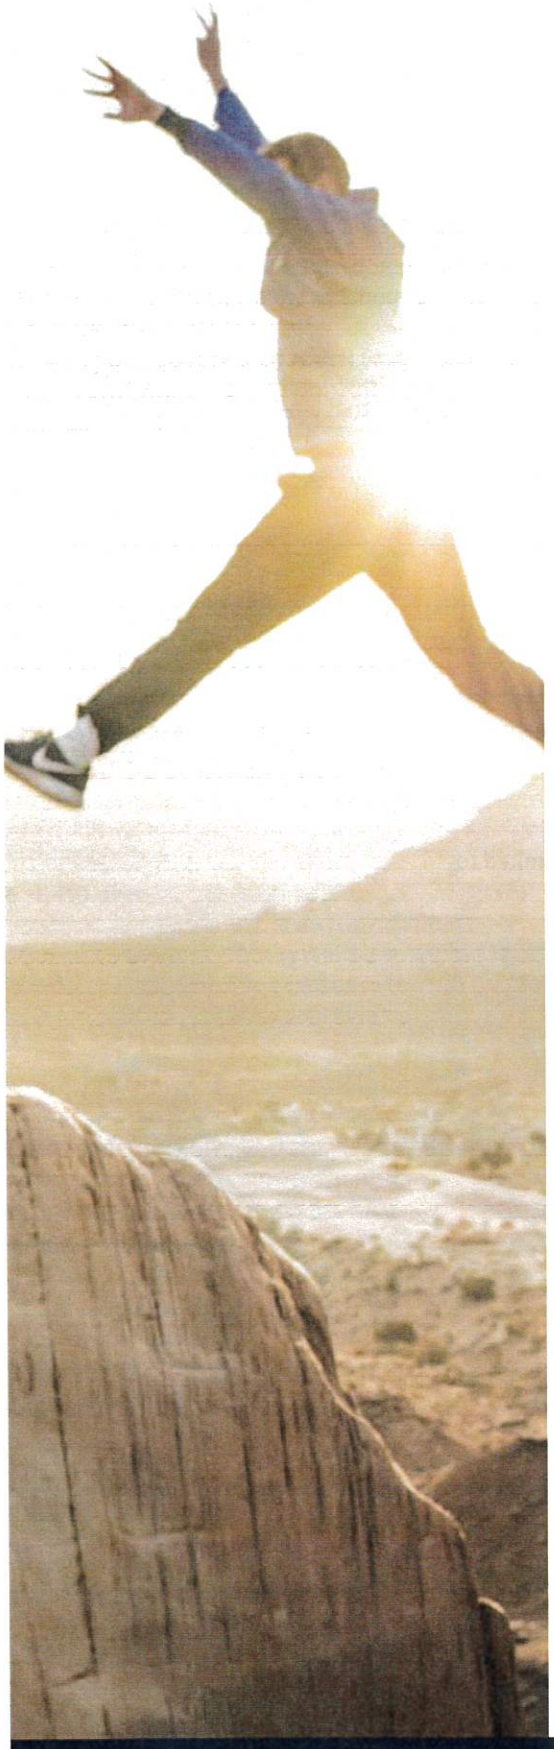
EAP Is Confidential

Confidentiality is an essential part of the EAP. Your company will not know of your participation in the services nor have access to any information without your consent. The only exceptions are when someone's safety is in question.

Reasons To Use The EAP

An EAP is designed to help with all kinds of life situations. Examples include, but are not limited to:

- ✓ Marital difficulties
- ✓ Family problems
- ✓ Parenting Stress
- ✓ Balancing work and family
- ✓ Relationship issues
- ✓ Work-related concerns
- ✓ Depression
- ✓ Alcohol and drug use/abuse
- ✓ Grief and loss
- ✓ Elder care
- ✓ Healthy living
- ✓ Crisis events
- ✓ Preventative



How To Access The EAP

Simply call **800-633-3353.**

A clinician may assess your situation prior to scheduling an appointment to ensure that you are receiving the most appropriate care.

Continuation of Benefits

If You Leave Employment

Ameritas Dental and/or UnitedHealthcare Medical

Under the group medical and/or dental plan(s), you and your covered dependents are eligible to continue coverage through COBRA if you experience certain "qualifying events". If you and your dependents are enrolled in these plan(s), you will be eligible to continue coverage through COBRA after you leave your employment for a specified period. In addition, while covered under the plan(s), if you should die, become divorced or legally separated, or become eligible for Medicare, your covered dependents may be eligible to continue coverage through COBRA. Also, while you are covered under the plan(s), your covered children who no longer qualify as an eligible dependent may continue coverage through COBRA. For more COBRA information, contact your Human Resources Department.

CEC Vision

Existing CEC members who terminate employment will be able to enroll in the portability plan within 60 days of their termination date. Coverage will commence on the first day of the month following receipt of the member's completed form. New membership cards will be mailed to the member prior to their new effective date. Please contact **CEC at 1-888-254-4290.**

Flores Flexible Spending Account

If you have a positive balance (payroll deductions are greater than the amount you have received in reimbursement) in your Medical Reimbursement Account at the time of your termination, you may continue participation in th. Plan for the remainder of the Plan year through COBRA. If you prefer to terminate your participation and contribution to the Plan, any balance in your account on the date of termination will be forfeited if claims were not incurred prior to the date of termination. For more COBRA information, contact your Human Resources Department.

The Standard Short-Term Disability

When you leave employment, you may continue your disability coverage by having the premiums that are currently deducted from your paycheck billed to your home address. To set up direct bill to your home address, contact **The Standard at 1-866-851-2429.**

The Standard Voluntary Term Life

When you leave your employment, you may convert the existing group term coverage you have through your employer to a guaranteed issue individual whole life policy. You also have the option of porting your existing voluntary coverage as well. It is the responsibility of the employee to convert or port coverage. You must apply for conversion or portability within 31 days from the date your employer terminates your term life coverage. For more information and a quote, please contact **The Standard at 1-800-378-4668.**

***If you do not convert or port your group term life insurance, coverage will terminate when you leave employment.*

NLC NATIONAL LEAGUE OF CITIES

Improving Employee Health & Wellbeing

How They're Doing it in Rocky Mount, NC

The realities of working remotely during the COVID-19 pandemic sparked a national conversation on work-life balance. The City of Rocky Mount, NC realized if employees are not receiving appropriate support, it may be difficult to be as productive and engaged in the workplace as they might otherwise be.

As a result, the City of Rocky Mount quickly became aware of the importance of their workplace wellness program. As health care spending continues to rise, one of the best things a company can do is to implement a wellness program that encourages employees to prevent the most expensive illnesses such as heart disease, diabetes, and obesity.

The City of Rocky Mount's "LiveWell" wellness program has helped provide employees with the tools necessary to be proactive about their health and live a healthier lifestyle.

The "LiveWell" wellness program consists of annual biometric screenings, HealthMapRx onsite disease management programs for cardiovascular, diabetes and behavioral health offered by PPCN, incentives for participating and meeting healthy standards, online webpage/phone app with FitThumb, newsletters, challenges, lunch and learns, and connecting with the city's Facebook closed group.

The City has witnessed an exceptional workforce participation rate of 85% in the wellness program each year.

Success is in the numbers:

In 2013, the City of Rocky Mount had a population that was significantly at risk. Biometric screenings were implemented to measure the waist circumference, blood pressure, total cholesterol, and A1C of City of Rocky Mount employees. Adding incentives, accountability measures, and onsite disease management over the next several years, the health of the population has significantly improved. The numbers tell the story and success of the program at the City of Rocky Mount.

	2013	2014	2015	2016	2017	2018	2019	2020	Standards
Waist Circumference	47%	45%	37%	34%	33%	29%	30%	29%	>40in. (M) >35in.(F)
Blood Pressure	23%	22%	18%	9%	8%	10%	8%	11%	>140/90
Total Cholesterol/HDL	28%	28%	28%	18%	17%	17%	7%	11%	>5.0
A1C	29%	32%	23%	26%	13%	17%	21%	21%	>8.0

→ IMPROVEMENT!!

HealthMapRx

The HealthMapRx program success is attributed to bringing incentives, relationships, education, empowerment, and accountability to employees where they are. The City of Rocky Mount employees who are engaged in the diabetes case management program are positively impacting their health and meeting the recommended clinical standards as compared to HEDIS measures.

Clinical Goals	Rocky Mount (n=93)	Industry Standard (2019 HEDIS)*	PPCN (n=1099)
Blood Pressure (<140/90)	82.7%	51.3%	82.8%
Cholesterol (LDL < 100)	76.1%		65.0%
Blood Glucose (A1C < 7%)	47.3%	34.9%	49.0%
Blood Glucose (A1C < 8%)	75.2%	48.9%	74.1%
Blood Glucose (A1C > 9%)	10.8%	40.1%	12.3%
Lipid Panel (past year)	97.8%		85.2%
A1C (past 6-months)	77.4%		73.8%
A1C (past year)	98.9%	90.0%	95.4%

Moving Forward

The pandemic has caused a sense of isolation, fear & uncertainty in general that still exist to this day, all of which has the potential to impact physical, financial, and mental health. In these unprecedented times, maintaining a wellness program is essential to any employee population. Providing an online wellness portal has allowed the City's employees to connect with each other through blogs, challenges, and classes. Monthly themes focusing on nutrition, exercise, finances, mental health, and specific health topics serves as reminders to care for oneself.

"The City of Rocky Mount's wellness program is inspiring, challenging, and fun! It helps me be more mindful of healthy choices and tracking my efforts to make sure I stay on track."
– Wendy Gupton,
LiveWell" Participant

The City was able to successfully conduct their annual biometric screenings under strict COVID protocols. This gave employees a glimpse into their physical health and helped continue their financial wellness incentives by completing their health coaching appointments virtually. An emphasis has been placed on enhancing the City's Employee Assistance Program services as well. The City have seen an uptick in participation and interest from their employees in all areas of wellness.

With continued focus on incentives, empowerment, and accountability, the City of Rocky Mount is poised to serve as a model for cities to improve the lives of their employees, their families, and their communities.

Authors of the Blog:

Kena Cofield Jones is the Director of Human Resources where she directs all facets of Human Resources to include talent management, classification & compensation, employee benefits, health, safety and wellness, etc. for the City of Rocky Mount, NC.

Elisa Pearson is the Wellness Coordinator and is responsible for managing the "LiveWell" Wellness Program that encompasses innovation & creativity, and encourages the City of Rocky Mount's employee to live their best life at work and away from work.

APPENDIX C:
Sample Compliance

COMPLIANCE OVERVIEW

Provided to you by Mark III Employee Benefits

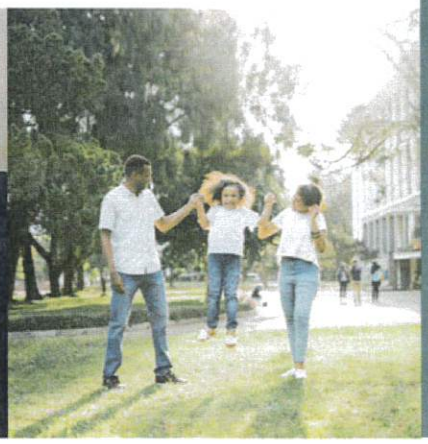
Increased Limits

- HSA contributions
- HDHP out-of-pocket maximum limit
- Tax exclusion for adoption assistance benefit

Employee Benefit Plan Limits for 2021

Many employee benefits are subject to annual dollar limits that are periodically updated for inflation by the IRS. The following commonly offered employee benefits are subject to these limits:

- High deductible health plans (HDHPs) and health savings accounts (HSAs);
- Health flexible spending accounts (FSAs);
- 401(k) plans; and
- Transportation fringe benefit plans.

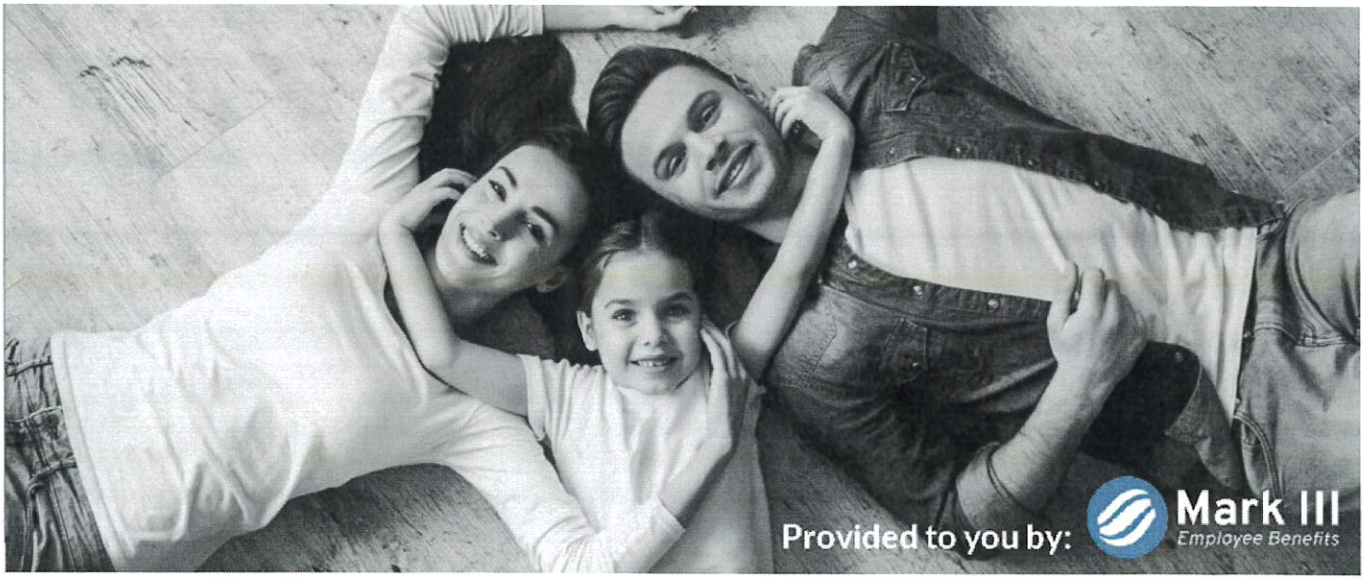


The IRS typically announces the dollar limits that will apply for the next calendar year well in advance of the beginning of that year. This gives employers time to update their plan designs and make sure their plan administration will be consistent with the new limits.

This Compliance Overview includes a chart of the inflation-adjusted limits for 2021. Although some of the limits will increase, most of the limits remain the same for 2021.

Unchanged Limits

- Tax exclusion for dependent care FSA benefits
- Catch-up contributions to an HSA
- HDHP minimum deductible
- Health FSA limit for employee pre-tax contributions
- Health FSA carryover limit
- Monthly limits for transportation fringe benefit plans
- Employees' elective deferrals to 401(k) plans, pre-tax and Roth
- Catch-up contributions to a 401(k) plan



Links & Resources

- **Revenue Procedure 2020-32**: 2021 limits for HSAs and HDHPs
- **IRS Notice 2020-79**: 2021 limits for retirement plans
- **Revenue Procedure 2020-45**: 2021 limits for health FSAs, adoption assistance, and transportation fringe benefits

COMPLIANCE OVERVIEW

Limit	2020	2021	Change
HSA Contribution Limit			
Self-only	$3,550	$3,600	**Up $50**
Family	$7,100	$7,200	**Up $100**
Catch-up contributions*	$1,000	$1,000	No change
HDHP Minimum Deductible			
Self-only	$1,400	$1,400	No change
Family	$2,800	$2,800	No change
HDHP Out-of-Pocket Maximum			
Self-only	$6,900	$7,000	**Up $100**
Family	$13,800	$14,000	**Up $200**
Health FSA			
Limit on employees' pre-tax contributions	$2,750	$2,750	No change
Carryover limit	$550	$550	No change
Dependent Care FSA*			
Tax exclusion	$5,000 ($2,500 if married and filing taxes separately)	$5,000 ($2,500 if married and filing taxes separately)	No change
Transportation Fringe Benefits (Monthly Limits)			
Transit pass and vanpooling (combined)	$270	$270	No change
Parking	$270	$270	No change
401(k) Contributions			
Employee elective deferrals	$19,500	$19,500	No change
Catch-up contributions	$6,500	$6,500	No change
Adoption Assistance Benefits			
Tax exclusion	$14,300	$14,440	**Up $140**

**Not subject to annual adjustment for inflation*

ACACOMPLIANCE BULLETIN

New SBC Template will be Required for 2021

Provided to you by Mark III Employee Benefits

Overview

On Nov. 8, 2019, the Departments of Labor (DOL) and Health and Human Services (HHS) issued an updated template and related materials for the summary of benefits and coverage (SBC). These materials are required to be used for plan years beginning on or after Jan. 1, 2021. This means that the updated template must be used for the 2021 plan year's open enrollment period.

The SBC is a concise document providing simple and consistent information about health plan benefits and coverage. It is intended to help consumers better understand their coverage and to make it easy to compare different options when shopping for new coverage.

Action Steps

Employers should prepare to use the new SBC template and related materials for the 2021 plan year. Prior to the beginning of the 2021 plan year:

- Self-funded plan sponsors should ensure that they are using the new template.
- Employers with insured plans should make sure the carrier is providing the correct version of the template.

HIGHLIGHTS

- The SBC is a concise document providing information about health coverage and costs.
- The SBC requirement applies to group health plans and health insurance issuers.
- The updated template and related materials must be used for plan years beginning on or after January 1, 2021.

IMPORTANT DATES

November 8, 2019
Revised SBC template and related materials were released.

January 1, 2021
Revised template and materials must be used for plan years beginning on or after this date.

Background

The Affordable Care Act (ACA) requires both grandfathered and non-grandfathered health plans and health insurance issuers to provide an SBC to applicants and enrollees, free of charge. The SBC must be produced in accordance with the applicable template. Form language and formatting must be precisely reproduced, unless instructions allow or instruct otherwise. Unless otherwise instructed, the plan or issuer must use 12-point font (as required by federal law), and must replicate all symbols, formatting, bolding and shading.

The DOL and HHS issued the updated SBC template and related materials on Nov. 8, 2019. Plans must start using the new template beginning on the first day of the first open enrollment period for any plan years (or, in the individual market, policy years) that begin on or after Jan. 1, 2021, with respect to coverage for plan or policy years beginning on or after that date.

Overview of the Updated Materials

The updated materials include the following:

- SBC Template
- Uniform Glossary
  - (1) List of anchors for SBC Uniform Glossary terms on www.HealthCare.gov/sbc-glossary/
- Sample Completed SBC
  - (1) AI/AN Zero Cost Sharing
  - (2) AI/AN Limited Cost Sharing
- Instructions for Completing the SBC:
  - (1) Group Health Plan Coverage
  - (2) Individual Health Insurance Coverage
- 'Why This Matters' language for SBC:
  - (1) "Yes" Answers
  - (2) "No" Answers
- Guide for Coverage Examples Calculations:
  - (1) Maternity Scenario—Calculator and Narrative
  - (2) Diabetes Scenario—Calculator and Narrative
  - (3) Simple Foot Fracture Scenario—Calculator and Narrative
- Coverage Examples Calculator (Oct. 2019 revision, for use on and after Jan. 1, 2021):
  - (1) Instructions
  - (2) Crosswalk of Changes (describes updates made to the Oct. 2019 version of the Coverage Examples Calculator)

Frequently Asked Questions

On Feb. 3, 2020, HHS issued the following frequently asked questions (FAQs) on the updated SBC template and related materials.

Q1. What is the intended implementation date for SBCs using the new template and associated documents?
Group health plans and health insurance issuers of individual and group market coverage will be required to use the 2021 SBC, 2021 Instructions, 2021 Guide and Narratives and, should they choose to use the Calculator, the 2021 Calculator, beginning on the first day of the first open enrollment period for any plan years (or, in the individual market, policy years) that begin on or after Jan. 1, 2021, with respect to coverage for plan or policy years beginning on or after that date.

Q2. Are plans and issuers required to use the updated Calculator?
No. Use of the Calculator is not required. The Calculator was developed by HHS, in consultation with the Departments of Labor and the Treasury, for group health plans and health insurance issuers to use as a tool to generate the estimated out-of-pocket costs that a consumer can expect to pay under the plan or coverage for three hypothetical medical scenarios: maternity care, type II diabetes, and a simple foot fracture.

This ACA Compliance Bulletin is not intended to be exhaustive nor should any discussion or opinions be construed as legal advice. Readers should contact legal counsel for legal advice.

Plans and issuers may create their own calculator using the Guide and Narratives provided by HHS, or modify the logic of the Calculator to provide their own method of calculating estimated out-of-pocket-costs for the coverage examples, which may be more accurate based on their particular plan or policy design. The Calculator makes several assumptions that may not be accurate for all plan or policy designs. ACA Implementation FAQs Part IX, Q9, announced a Calculator provided by HHS for the completion of the coverage examples, along with a safe harbor for plans and issuers that use the Calculator for the first year of applicability for the SBC requirements.

ACA Implementation FAQs Part XIX, Q8, stated that this safe harbor will continue to be in effect until further guidance is issued. To date, no such further guidance on the Calculator has been issued. Therefore, plans and issuers may continue to use the Calculator, even where it would be possible to develop a more accurate method for generating coverage examples, including applicable cost sharing, for the benefit design for which the plan or issuer is creating an SBC.

More Information

For more information on the updated SBC template and related materials—such as the instructions for completing the SBC—see the DOL or HHS websites.

This ACA Compliance Bulletin is not intended to be exhaustive nor should any discussion or opinions be construed as legal advice. Readers should contact legal counsel for legal advice.

Cover Letter

Dear City of Fernandina Beach Insurance Evaluation Committee,

Thank you for the opportunity to bid on the RFP#23-03 for Employee Benefits Consulting and Brokerage Services for the City of Fernandina Beach. U.S. Retirement & Benefits Partners (USRBP), which includes our benefits division U.S. Employee Benefits Services Group (USEBSG), was founded by an experienced group of retirement and benefits industry professionals who brought together top-tier independent benefit and retirement firms into a single national resource. We make available to our clients a broad array of services and tools to help them better manage their benefit programs and reduce administrative costs.

Employee Benefits Consultants Inc., a wholly owned subsidiary of US Retirement Partners, has been providing insurance solutions since 1998, joining the USEBSG organization in 2013. The unique combination of a local presence combined with the national strength of USRBP allows our team to deliver the highest level of services within the communities we serve while leveraging the industry's best practices. USEBSG works diligently with municipalities like The City of Fernandina Beach to deliver the most competitive solutions without sacrificing the personal service our clients expect.

Why Should COFB choose USEBSG and team for Agent and Agency Services?

USEBSG is a leading independent national financial services firm specializing in public school, governmental, corporate, and non-profit employee benefits plans and employer-sponsored retirement plans.

The USEBSG commitment is simple. Through an unparalleled wealth of knowledge, extensive experience and robust technology resources, we ensure our clients receive both value and satisfaction from their benefits and retirement programs and our administration and communication processes.

We proudly provide a premium, yet personal level of service to our clients, with proven results based on years of client success and a 99% retention rate. Through a wide range of bundled or unbundled options, SingleSource/MultiOption delivery and industry leading platforms, we listen to you and create a benefits package tailored to your needs.

Core Benefits

We master every aspect of designing customized programs to provide the core benefits, administration, and consulting services that work for both employees and employers. We focus on cost efficiency, convenience and flexibility, while maintaining a client first approach to benefits recommendations

Enrollment

Through our secure, full-featured benefits administration platforms, we provide a total ecosystem for managing employee benefits. Our systems are flexible, allowing us to work with a wide range of insurance providers and payroll systems, as well as bilingual, to accommodate both English and Spanish-speaking users.

HRE Compliance & Technology

We have years of extensive compliance consulting and oversight experience that helps keep our clients up to date with the intricacies and changing mandates of the Affordable Care Act. With our state-of-the-art compliance technology, we help ensure that you adhere to regulatory best practices and remain penalty free.

Strategic Planning

A strategic benefit plan is a three-to-five-year plan that outlines goals, strategies and action plans in regard to your employee benefits program. This approach is a methodical long-term approach to benefit planning, as opposed to making decisions year to year and will provide a thought-out road map for your future benefits.

Retaining employees throughout these rocky economic times is vital so that your company remains competitive and positioned favorably in its industry when the economy rebounds. Employees will also see the benefit from a strategic benefit plan in many ways. First, by finding ways to cut and contain costs for the company, the employee will likely reap some of the savings as well. In addition, this type of plan will provide assurance for employees worried about their benefits. Next to job security, employees worry most about their benefits and compensation, namely that they could be reduced or cut at any time. Studies have shown that workplace morale is strongly linked to the quality of employee benefits, so reassuring employees that their benefits will continue is a beneficial move for companies. The strategic benefits plan can include an employee communication initiative, which will keep employees informed and assured on the future status of their benefits package.

US Employee Benefits and Services group works with municipalities like City of Flagler Beach to provide core benefit programs that are strategic and personalized. We are committed to going above and beyond industry standards to support our clients.

Sincerely,

Brad Hoard, Managing Partner | jbhoard@usebsg.com | (850) 339-2283

8833 Perimeter Park Blvd., Ste. 802, Jacksonville, FL 32216

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for City of Fernandina Beach Bid # 23-03.

2. This sworn statement is submitted by (entity) EBCI/USEBSG whose business address is 2016 Delta Blvd Tallahassee Fl 32303 and (if applicable) Federal Employer Identification Number (FEIN) is 59-348-703 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

3. My name is John B Hoard and my relationship to the entity named above is Managing Partner.

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or

    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

CITY OF FERNANDINA BEACH FLORIDA
RFP 23-03 EMPLOYEE BENEFITS CONSULTING AND BROKERAGE SERVICES

X ____ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

X ____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

X ____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)

DRUG-FREE WORKPLACE CERTIFICATION

The below-signed INDIVIDUAL/FIRM certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace prepare, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or services a copy of the statement specified in paragraph 1.

4. In the statement in paragraph 1., notify the employees that, as a condition of working on the commodities or contractual services that are under proposal, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.

5. Impose a sanction on, or require fine satisfactory participation in drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I Certify that this firm complies fully with the above drug-free workplace requirements.

CONFLICT OF INTEREST STATEMENT

This sworn statement is submitted with Bid, Proposal or Contract for City of Fernandina Beach RFP 23-03.

This sworn statement is submitted by (entity) EBCI / USEBSG whose business address is 2016 Delta Blvd Tallahassee Fl 32303 and (if applicable) Federal Employer Identification Number (FEIN) is 59-348703 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

My name is John B Hoard and my relationship to the entity named above is Managing Partner.

1. The above-named entity is submitting a Proposal for the City of Fernandina Beach.
2. The Affiant has made diligent inquiry and provides the information contained in the Affidavit based upon his/her own knowledge.
3. The Affiant states that only one submittal for the above proposal is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
4. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraints of free competitive pricing in connection with the entity's submittal for the above proposal. This statement restricts the discussion of pricing data until the completion of negotiations if necessary and execution of the Contract for this project.
5. Neither the entity not its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participation in contract letting by any local, State, or Federal Agency.
6. Neither the entity nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
7. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with the City of Fernandina Beach.
8. I certify that no member of the entity's ownership or management, or staff has a vested interest in any aspect of the City of Fernandina Beach.
9. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify the City of Fernandina Beach.

DISPUTES DISCLOSURE FORM

Answer the following questions by placing as "X" after "YES" or "NO". If you answer "YES", please explain in the space provided, or via attachment.

Has your firm or any of its officers, received a reprimand of any nature or been suspended by the Department of Professional Regulations or any other regulatory agency or professional association within the last five (5) years?
YES___ NO X

Has your firm, or any member of your firm, been declared in default, terminated or removed from a contract or job related to the services your firm provides in the regular course of business within the last five (5) years?
YES_____NO X

Has your firm had against it or filed any request for equitable adjustment, contract claims, bid protest, or litigation in the past five (5) years that is related to the services your firm provides in the regular course of business?
YES_____NO X

If yes, state the nature of the request for equitable adjustment, contract claim, litigation, or protest, and state a brief description of the case, the outcome or status of the suit and the monetary amounts or extended contract time involved.

I hereby certify that all statements made are true and agree and understand that any misstatement or misrepresentation or falsification of facts shall be cause for forfeiture of rights for further consideration of this proposal for the City of Fernandina Beach.

CITY OF FERNANDINA BEACH, FLORIDA
ADDENDUM NO. 1
For RFP 23-03
EMPLOYEE BENEFITS CONSULTING AND BROKERAGE SERVICES

1. Do you currently have a benefits consultant/broker? If so, who?
   Joshua Jolley, CEBS
   Gallagher Company
   501 Riverside Ave, Ste 1000
   Jacksonville, FL 32202
   904-548-2302

2. What is your current contract fee amount for all lines of coverage? Current fees are commission based. Life Insurance is 1x annual earnings to $150k; and AD&D. Currently Mutual of Omaha. The agent is L.B. Bryan Company. The annual premium is $47,854.00.

3. Please provide commission percentages as well as annual premium by line of coverage.
   Current Premiums: Medical $2,909,583; Dental $96,115; Vision $76,404
   Current Percentages: Medical 3.09%; Dental 3%; Vision 10%

4. What value added services does the current broker offer at no cost to the City? (i.e. Ben Admin platform, COBRA admin, etc.) Employee Navigator is offered by the current broker of record at no additional charge.

5. Please confirm the City is fully insured. The City is Fully Insured for all lines of coverage.

6. Is the City considering transitioning to a self-funded program? The City is not considering a change to self-funded at this time. The City evaluates this on a year-to-year basis.

7. Doe the City pay a fee for the enrollment technology or does current Agent of Record cover the cost associated with Employee Navigator? Agent of Record covers the cost

A response to statements 2–12 is provided on page 2.

2. **Provide general and technical guidance on employee benefit issues to include market analysis, trends, contract and statute interpretation and cost containment methods.**
3. **Assist in the development and review of communication materials written by the City's benefit administrators and other participating organizations for content, appearance, compliance and accuracy.**
4. **Assist the City on a regular basis and in a timely manner to provide information, analysis and guidance on any and all aspects of City benefit program policy and administration.**
5. **Provide a qualified representative to attend meetings with City staff, Management Team, and employees as requested or needed.**

6. **Review all plan documents for accuracy and compliance with appropriate laws and regulations, appropriateness of items to be included in a Section 125 Plan and review of annual required filings.**
7. **Advise and assist the City in negotiating renewal rates and plan provisions.**
8. **Assist the City in annual enrollment meetings or health fairs as needed.**
9. **Respondents are required to be HIPAA compliant.**
10. **Apprise the City of current issues in the areas of benefits law and administration.**
11. **Act as liaison with insurance/contract issues.**
12. **Presentations to elected officials as needed.**

The following are in response to statements 2-12:

U.S. Employee Benefits Services Group Services Outline

Strategic Benefits Planning: assist in developing overall plan benchmarks and targets to ensure that the plan meets the objectives of the City of Fernandina Beach.

- Develop an understanding of clients' financial and human resource objectives.
- Routinely evaluate plan design, structure, and alternatives for all plans, ensuring that benefit designs are consistent with the benchmarks and targets set forth in the strategic benefit planning process.
- Provide recommendations regarding carrier and plan selection, rate development, and plan design consulting with the City of Fernandina Beach members.
- Leverage benchmarking and trends studies to inform multi-year benefits strategy.

Meetings with Client and Vendors: services will include attendance at and facilitation of regular meetings with the City of Fernandina Beach and vendors as needed to facilitate program management.

- Meet with the City of Fernandina Beach to discuss review of the program, state of the marketplace, progress made toward strategic plan, and developments within the City of Fernandina Beach.
- Attend in-person meetings upon request.
- Provide pre-renewal meetings to set strategies for upcoming renewals and provide financial forecasts.

- Meet annually to review prepared cost analysis and market survey; recommend plan design changes consistent with objectives.
- Provide educational webinars to the City of Fernandina Beach and district employees upon request.

Compliance: support the City of Fernandina Beach in remaining in compliance, including providing informational materials on legislative developments impacting employee benefit plans.

- Review all Plan Documents and Contracts.
- Consult with the City of Fernandina Beach on all benefit regulatory compliance issues.
- Assist in the preparation of materials (e.g., annual notices and plan documents) to meet requirements.

Carrier and Vendor Management: serve as a liaison with carriers and vendors.

- Serve as a liaison with carriers and vendors when service problems occur.
- Initiate carrier contract documents with selected carriers.
- Hold carrier and vendor partners accountable for meeting quality and service expectations.
- Provide Section 125 administration and support services.

Finance, Underwriting, and Actuarial Services: engage internal and external partners to conduct thorough financial and actuarial review of benefit plans and advise on design & cost-containment strategy. *Additional rates may apply when engaging external vendor for actuarial services that are not within scope.*

- Conduct thorough claims & plan performance analysis, monthly utilization reports, statistical analysis, and claims reserve studies.
- Identify and analyze trends affecting benefit costs.
- Provide pre-renewal forecasting.
- Develop rate structure review & recommendation and broader cost-containment strategy.
- Advise and counsel regarding program funding alternatives, recommend budget rates, employee contribution rates and monitor program costs against expectations.

Renewal & Requests for Proposal (RFPs): lead the renewal and RFP process, ensuring best outcomes for the City of Fernandina Beach and plan members.

- Develop RFPs and solicit benefits proposals.
- Aggressively negotiate and analyze carrier renewals to meet objectives.
- Analyze responses, negotiate with carriers/vendors to obtain best outcomes.

Voluntary Benefits: provide consulting on employee-paid coverage opportunities based on current benefits portfolio and lead implementation efforts.

- Procurement and implementation of voluntary benefits (Accident, Critical Illness, Hospital Indemnity, Universal Life, Life Insurance with Long-Term Care Rider, etc.)
- Education on the value and importance of Voluntary Benefits through communication campaigns and educational videos.

Technology: provide leading technology solutions and implementation support to simplify and elevate the administration of your benefits.

- Employee-facing website that includes benefits plan details, documents, and links to carrier/enrollment sites.
- Demo, review, and implementation of USRBP's proprietary enrollment platform, Employee Navigator.
- Access to The Employer Dashboard (access to benefits data across all lines of businesses and USRBP services).

Communications, Education, and Employee Support: help employees become educated consumers of health care and be knowledgeable and aware of the value of their benefit offerings.

- Development of employee communication materials and resources (including open enrollment newsletters, benefits guides, benefits websites, and monthly education pieces).
- Provide surveys and benchmarking data as needed to support City of Fernandina Beach goals.
- Provide education to the City of Fernandina Beach employees during open enrollment meetings.
- Year-round bi-lingual call center support to educate employees on their benefits plans and guide employees through their enrollment experience.

Day-to-Day Administrative Support: aid in the daily administration of programs, including resolution of vendor service issues and addressing questions and concerns raised by employees and management.

- Support member claims advocacy & other administrative activities as needed.
- City of Fernandina Beach will have dedicated personnel office and cell phone to provide prompt and above expectations for services.

Technical Services

U.S. Employee Benefits Services Group agrees to all conditions outlined below. We have provided additional information where beneficial.

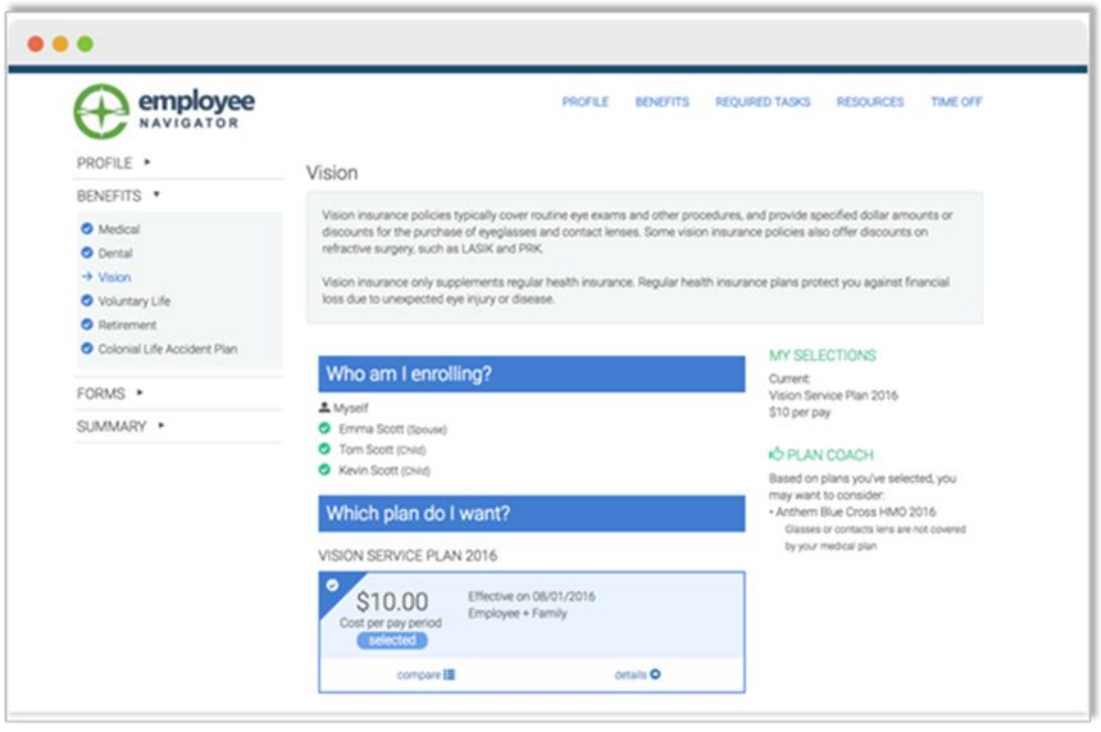
1. **Health Plan Comparison/Utilization Analysis** – The BROKER/CONSULTANT is expected to work with the City in securing and analyzing financial and claims data from each of the carriers on a quarterly basis, and/or as requested by the City in order to monitor City benefit plans. Once analyzed, the BROKER/CONSULTANT is expected to provide a summary explanation of the data emphasizing any important trends, emerging problems, etc. It is preferred that the BROKER/CONSULTANT have in-house utilization analysis of all City medical relationships, including managed-care alternatives.

2. **Compliance** – The BROKER/CONSULTANT will advise the City on any federally mandated compliance requirements relevant to City plans and providing guidance, when requested, in developing compliance strategies.

3. **Actuarial Report Services** – The BROKER/CONSULTANT will assist in the preparation of materials required for an annual actuarial review of the City's Health Benefit program. This currently entails the City's annual actuarial filing pursuant to FS112.08 and GASB 75 OPEB valuation.

4. **Section 125 Plan** – The BROKER/CONSULTANT will participate in the review of all plan documents for accuracy and compliance with appropriate laws and regulations, and appropriateness of items to be included in the plan. This includes a review of IRS Form 5500 annually submitted by the City for accuracy and compliance.

5. **Wellness/Disease Management Programs** - The BROKER/CONSULTANT will assist the City in evaluation, implementing and measuring the effectiveness of wellness and disease management programs.



6. **Litigation** – On rare occasions, the City may be involved in litigation arising from requests for proposals, contracting, or employee grievances. If such a situation should occur, the

BROKER/CONSULTANT may be expected to assist the City in providing necessary materials and testify if needed.

7. **Automated benefits administration and enrollment services and programs.** The BROKER/CONSULTANT shall provide secure, automated benefits administration and enrollment services.

USEBSG & Employee Navigator

Our benefits administration and enrollment platform is **Employee Navigator**, an all-in-one BenAdmin solution that integrates products, services, and administration into one user-friendly system. The simple HR and employee self-service portals are available 24/7/365 and allow users to easily enroll, renew, and manage their employee benefits on any device with ease of navigation.

In addition to getting new hires enrolled quickly, HR managers can:

- Review coverage status for all employees
- Monitor employee enrollment status and deadlines
- Manage contribution levels
- Store, review, and acknowledge important plan documents
- Customize system reports

Employee Navigator is more than just a benefits administration and enrollment platform. It seamlessly integrates with your insurance carriers and other HR partners such as Payroll and COBRA administration.

Compliance is made easy with COBRA automation. One system allows for updates of employee status, direct communication of notices, and data transmissions to TPAs. All certifications and regulations are maintained to provide fully secure services.

Another valuable feature of Employee Navigator is its ACA Reporting, which includes:

- **Eligibility Tracking for Hourly Employees**
    - Set-up stability and administrative periods
    - Easily track hours during measurement periods
    - Quickly identify eligible employees
    - Simple import of hours
- **Tool for 1094/1095 Reporting**
    - Track and categorize your employees
    - Import health plan enrollment data
    - Calculate affordability & monthly FTE
    - Generate and send 1094-C & 1095-C reports

It also includes an interactive guide to help navigate the process step-by-step, ALE & Affordability calculators, eligibility reports, simple management for variable hour employees, and full pre-transmission audit.

The fully secure platform has completed a SOC2 Type II + HITRUST audit.

For more information on Employee Navigator, refer to the informational flyer included at the end of Tab 2.

Request for Proposal Services

U.S. Employee Benefits Services Group agrees to all conditions outlined below.

1. **Develop RFP's for various City Benefits programs.**
    a. In conjunction with the Human Resources department, prepare Requests for Proposals in compliance with the City's purchasing requirements, exploring all feasible plan designs, for employee benefit programs as needed.
    b. Develop evaluation criteria.
    c. Address any questions from vendors in the RFP process.
    d. Be present and participate in oral interviews as needed.
    e. Prepare a report analyzing the proposals using the evaluation criteria.
    f. If requested, prepare recommendations and defense of said recommendations.
2. **Appeals – Prepare response to any administrative RFP appeals.**
    a. Assist City Attorney in preparation of defense in the event litigation should result from the RFP process.
    b. Testify in court at the request of the City attorney if litigation should result from the RFP process.
3. **Contracts**
    a. Assist with the development of contracts with vendors.
    b. Work with the City attorney to ensure contract legality.
    c. Conduct negotiations of benefits; plan design, premiums rates and performance guarantees.
4. **Implementation**
    a. Serve as an intermediary (ombudsman) between the vendors and City during the implementation of new programs.
    b. Prepare rate-deduction spreadsheets.
    c. Review new program announcement material for content, appearance, compliance and accuracy.

5. **Ongoing Contract Services – It is expected that the BROKER/CONSULTANT will:**

   a. Participate in negotiations with vendors on proposed rates and benefits changes to existing contracts.

   b. Audit existing contracts on an annual basis for satisfactory performance and contract compliance.

   c. Provide quarterly written analysis of the medical plan's claims experience.

   d. Periodically provide market analysis of current renewal actions for similar sized employers in southwest Florida and analysis of quality of services and value provided by various managed care vendors.

A Fully Integrated Benefits Administration Platform

Employee Navigator integrates products, services and administration into one user-friendly system. The platform includes a wide range of partnerships providing access to leading insurance company products and services. Our broad carrier network ensures easy administrative connectivity for the smooth ongoing management of your Plan.

All-in-One Benefits Solution

Employees can quickly be onboarded and enrolled to select benefits plans. They can review, monitor and manage their plan details at any time, on any device with ease of navigation.

Modern Tracking Systems

- **PTO and Vacation** – Employees can request time off, view PTO history and availability, and track holidays in real-time. HR and managers can approve employee requests, review history, customize policies and holidays, and ensure accuracy.
- **Asset Tracking** – One dashboard for accurate and detailed tracking allows employers to manage all assets from procurement to retirement for new and terminated employees.
- **ACA Tracking and Reporting** – Easily setup and track administrative periods, identify eligible employees and generate 1094-C and 1095-C reports, among other tasks.

Compliance Features

Compliance is made easy with COBRA automation. One system allows for updates of employee status, direct communication of notices, and data transmissions to TPAs. All certifications and regulations are maintained to provide fully secure services.

Tab 3 | Individual Qualifications

Attachments:

- Resumes

Individual Requirements

1. **Provide a resume for each individual that will be assigned to work on the City of Fernandina Beach account. Include account executives, account managers, marketing personnel, and other specialists that would actively work with the City of Fernandina Beach. Include an estimate of each key person's allocated time to the City of Fernandina Beach account. Include an organizational chart identifying the team and reporting structures.**

   Below are the bios and roles of each individual assigned to the City's account. Full resumes have been provided at the end of Tab 3.

J. Brad Hoard, Managing Partner

P: (850) 339-2283 | jbhoard@usebsg.com

Brad Hoard began his insurance career in 1994 as an individual life, health, and disability producer. In 1996 he began focusing on the group insurance market. Since then, Mr. Hoard, has worked diligently on developing innovative solutions for his clients.

Mr. Hoard works directly with his groups in the areas of health insurance consulting, administration and enrollments, and core and voluntary employee benefits. He currently works with cities, counties, and state agencies, as well as private businesses and national associations, with a primary focus in the K-12 market. In doing so, Mr. Hoard has developed a reputation in the north Florida market as a representative that will go above and beyond to provide his clients the best possible employee benefits package, along with unparalleled customer service to the group's employees. Brad graduated from Florida State University.

Brad Hoard will oversee the process and make sure all appropriate resources are in place while managing the support staff.

Mary Callahan, Account Executive

P: (904) 438-3259 | mcallahan@usebsg.com

Mary is an Account Executive with U.S. Employee Benefits Services Group's Tallahassee, FL, office (formerly Employee Benefits Consultants, Inc.) and is based in their Jacksonville, FL, location. Mary brings extensive experience in the employee benefits field and manages the administrative workload on both client and carrier side of workflow processes, including resolution of client inquiries to provide efficiency in support and excellence in service. She implements any changes to client coverage, including COBRA administration, ensuring knowledgeable support to a varied client base.

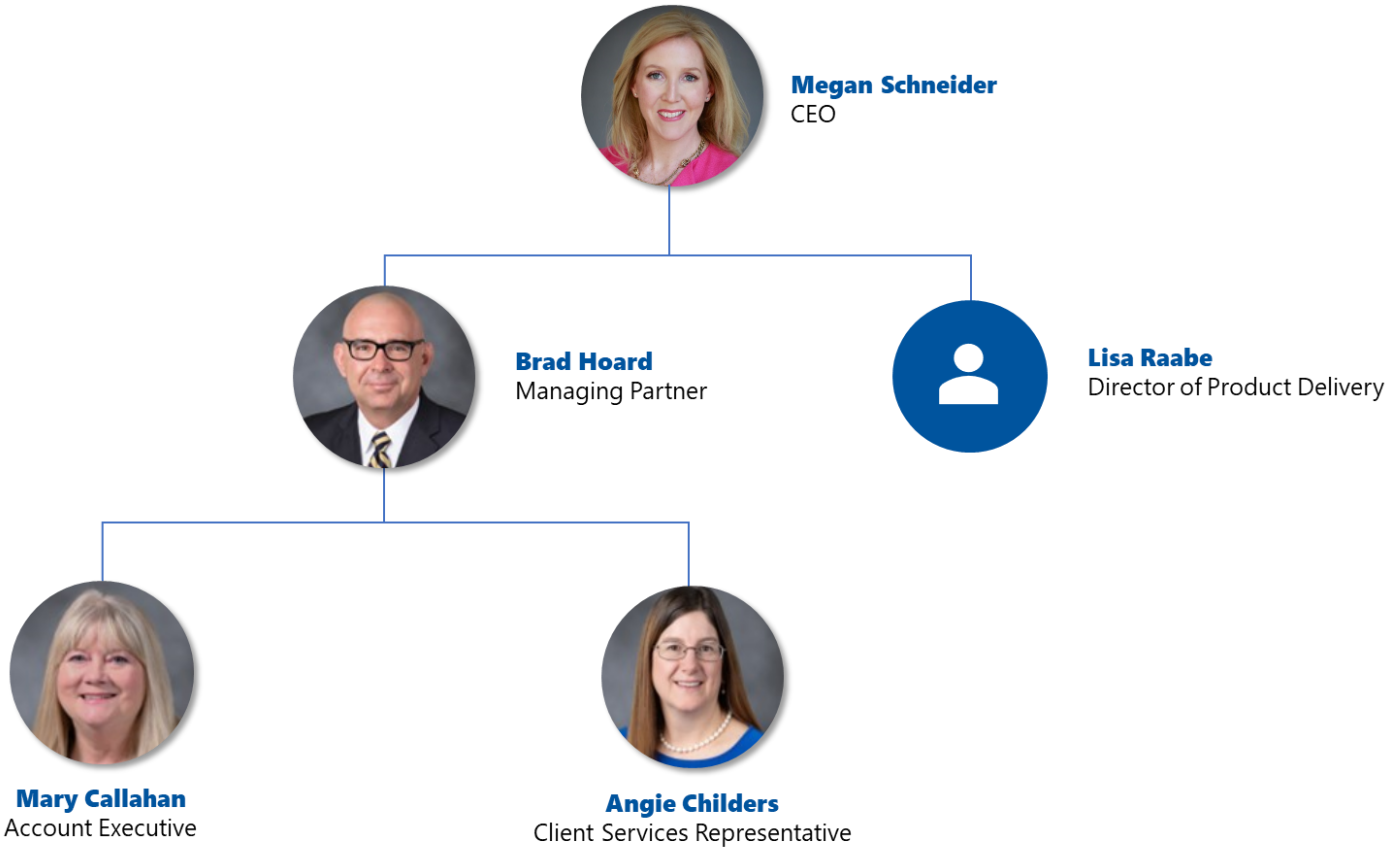
Mary Callahan will provide oversight for day-to-day administration and enrollment assistance.

Angie Childers, Client Services Representative

P: (850) 906-9099 | achilders@usebsg.com

Angie joined the U.S. Employee Benefits Services Group Tallahassee, FL, office in January 2018. She is a full-time Client Service Representative. In her role she works as a liaison between clients and carriers, assisting employers and employees with their benefits enrollment and administration portal, and submitting enrollments and terminations to the carriers.

Angie Childers will provide assistance for the billing and reconciliation process.



Lisa Raabe, Director of Product Delivery

P: (817) 809-4602 | lraabe@usenrollmentservices.com

Lisa is responsible for overseeing the product delivery team, which handles the implementation process and platform builds of the Employee Navigator system.

Lisa Raabe will be the point of contact for any onboarding implementation issues with Employee Navigator.

Organizational Chart

2. **Provide a profile of the proposed account executive's current assignments. Your submittal should include the number of accounts, their complexity, and some references to time allotments for each.**

Mary Callahan, Account Executive | Client Profile

Mary's current caseload is around 100 accounts for the USEBSG-EBCI Jacksonville and Tallahassee Office. She dedicates her time according to the complexity and urgency of each case. She is a seasoned Account Executive that is very good at multitasking and going above expectations to meet each client's unique needs.

U.S. Employee Benefits Services Group's Roles/Responsibilities by Title

Tab 4 | Firm Qualifications and References

Firm Qualifications and References

1. **Provide a brief history and description of your firm. Include a description of resources or services that may be utilized that are not housed in your local office. Separately, provide a description of services and resources that may be introduced to the City of Fernandina Beach over time that may add value to its employee benefits program or other business objectives.**

   Employee Benefits Consultant, Inc., dba U.S. Employee Benefits Services Group (USEBSG) is a wholly owned subsidiary of U.S. Retirement & Benefits Partners (USRBP), which is comprised of over 30 benefits and retirement firms across the country. USRBP was founded in 2008 and acquired Employee Benefits Consultants, Inc. (EBCI), which was founded in 1998, in 2013. This strategic alliance expanded the firm's capabilities, resources, and geographic footprint. Our commitment is to deliver efficient, cost-savings, strategic thinking, and creative solutions.

   Nationally, USRBP serves over 15,000 employer clients and approximately 3.5 million employees and individuals. Our Benefits and Technology segments offer core and worksite benefits solutions, TPA services, and compliance solutions for employers. Our Wealth segment offers comprehensive insurance, retirement, and wealth planning for executives and employees.

2. **Describe any special expertise your firm has in providing employee benefits and insurance services to clients with similar or related business activities, specifically include experience with self-insured health plans offered by government employers. Include a list of current client relationships (local or otherwise), if not included in your references.**

   EBCI, Led by Managing Partner Brad Hoard has been working with midsize Public Sector groups for the past 25 years. Having a proven success record in Florida advocating for new and existing clients in City, County, Schools and State Government sector, makes him a Subject Matter Expert for Core and voluntary benefit segments. Brad assists his clients by exploring all funding options available in the market that include Fully Insured, Level Funded, and Self-Funded arrangements. Brad also has a technology background that helps many clients like the City of Fernandina Beach meet their goals and unique needs.

   We have a large presence in the Public Sector including Government and K-12 employers and tout a 99% client retention rate. We manage over $850 million in insurance premiums and over $118 billion in assets under management and administration. Nationally, over 40% of the

School Districts in the United States are clients of USRBP.

3. Describe your firm's efforts to remain current on business and employee benefit issues relating to the City of Fernandina Beach business profile, including industry or association memberships, if applicable.

USEBSG and EBCI remain dedicated to constant education and awareness of their employees subscribing to industry specific business journals, attending and sponsoring conferences like the Florida League of Cities, SHRM, FASBO, NAIFA, Florida Association of Counties, Chambers of Commerce, and many more.

4. **Provide five current client references of similar size, complexity, or with similar needs. Limit your response to those clients that are principally serviced from your local office.**

Identified Service Areas

1. **Employee Benefits Assessment and Analysis – Provide a summary of your firm's process in conducting risk assessment and analysis for firms similar to the City of Fernandina Beach. Identify resources to be used, if not already part of the proposed service team. Provide samples of internal or external reports that are a product of such assessment and analysis. Based upon the information currently available, identify areas of emerging risk relative to the City of Fernandina Beach operations, or risk warrants greater attention.**

   J. Brad Hoard, Managing Partner, will conduct the annual benefit assessment. Brad will review current claims on the total incurred as well as all large claims analysis.

2. **Marketing – Describe your firm's proposed marketing processes and strategies. Provide comment on current program structure and pricing (to the extent possible) with particular emphasis on your firm's assessment of the insurance market. Include identification of resources that are not part of the proposed service team. Provide a suggested listing of markets that may be considered for each major line of coverage, including your rationale for such a course of action. Include any intermediaries to be used and your relationship with those companies. (Note: The City is requesting a sample only of the markets that your company would use for an account of the size of Fernandina Beach).**

USEBSG has a large presence in the Florida health insurance market as well as a large national presence with its Independent Marketing Organization National Benefit Partners.

Together the City of Fernandina Beachs' benefits plans will be marked to a variety of Florida and National medical providers on a fully insured, shared-funded and on a self-funded basis.

We control over $800+ million in premium and work with over 100 carriers and service providers in the market.

Our team has a process that encompasses a one stop shop mentality. Managing all your marketing needs for:

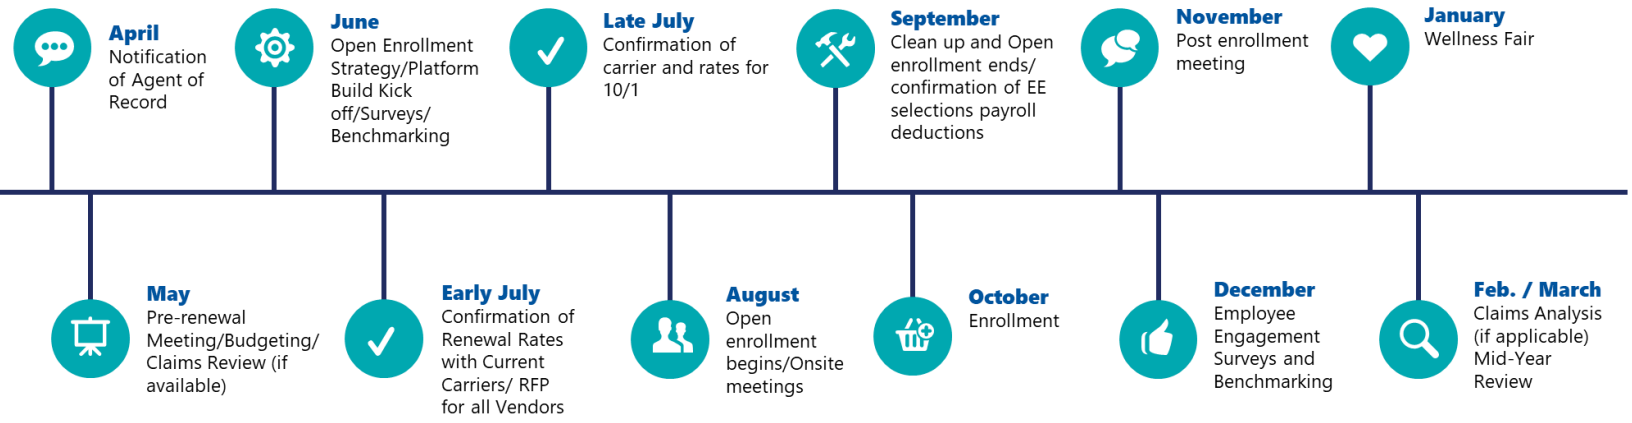
- Product, and Carrier Bids and proposals
- Benefits Administration
- Enrollment And Communication Plan Services

3. **Data Management – Provide commentary on the projected needs for the City of Fernandina Beach relative to data management and your firm's approach to meeting those needs. Include resources or systems that might be utilized to enhance this area of benefits management.**

Lisa Raabe, Director of Product Delivery

lraabe@usenrollmentservices.com | (817) 809-4602

Lisa will be the point of contact for any Employee Navigator Questions & Concerns



Claims Experience When available from the carrier, thorough claims & plan performance analysis, monthly claims utilization reports, statistical analysis and claims reserve studies, rate structure review & recommendation, cost-containment strategy, Special Risk Pool maintenance & recommendation, stop loss claim submissions, funding analysis, etc.

4. **Program Design – Provide a brief summary of potential program designs that may be appropriate for the City of Fernandina Beach for the major lines of coverage. Include the rationale for your suggestions. Given the information provided, identify your firm's key strategies in evaluating the optimum alternatives for the City of Fernandina Beach in the major lines of coverage.**

   USEBSG will follow the benefit culture created by the City of Fernandina Beach. All groups have different cultures regarding the benefit structure. Some want more benefits and less salary and others a combination of the two. USEBSG and the City will devise a plan of benefits that meets the "benefit culture" that is best suited for the city.

5. **Communications – Describe formal and informal communication processes for the City of Fernandina Beach. Include proposed schedules of key meetings, timelines, and other process mileposts for the proposed client service. Include any proprietary client communications that may be appropriate and available to the City of Fernandina Beach to facilitate communications. Describe your firm's capability of producing annual benefit statements and open enrollment communications for employees.**

   Below is a sample communication timeline containing key benefits milestones and meeting dates. This timeline is based on an October 1 effective date. This timeline has also been included as a separate attachment at the end of Tab 5.

6. **Other Services (Optional) – Provide a brief summary of other services available from your firm that may be appropriate to the City of Fernandina Beach consideration.**

We provide professional worksite benefits consulting that includes plan design, benefits analysis, underwriting review, and vendor recommendations.

Our experienced team members work with The City of Fernandina Beach to identify its needs so you can provide the most suitable product options for the employees.

Through our Partner firms and preferred vendor partners, USEBSG offers a vast array of benefit products for your clients. These are individual policies offered on a voluntary group basis.

- Life Insurance
- Cancer
- Critical Illness & Accident
- Disability Insurance
- Telemedicine
- Pharmacy Benefits
- Health Insurance Enhancement Plans
- College Tuition Benefits
- Pet Insurance
- Concierge Services.

From the numerous individual products on the market today to non-traditional healthcare solutions to specialty retirement plans, here are a few of our product solutions:

Mineral Solutions

Through our partnership with Mineral Solutions, we have the ability to bring together tools, resources and best practices no matter what a client's level of HR expertise all through the platform is. From an HR Assessment to identify gaps and action items to HR compliance library with thousands of regulatory updates, guides, checklists and templates all created by our team of certified HR and legal experts.

In addition, turn-key foundations like Smart Employee Handbook with continuous updates, compliance calendar, and To Dos help ensure clients know what to expect and work to stay ahead.

Some of key additions that Mineral Solutions has to offer include:

Smart Employee Handbook Plus

This revved-up version of our Smart Employee Handbook also allows you to create a multi-state compliant handbook with local policies, collect employee e-signatures and provide a Spanish language version to support your diverse workforce.

Workplace Harassment Prevention

Take proactive steps against workplace harassment with this complete catalog of awareness training. Each course includes interactive state-mandated topics to ensure compliance as well as Diversity, Equity and Inclusion training to help you build a strong, inclusive culture.

Anonymous Reporting

Empower your employees to anonymously report workplace concerns before they become larger issues—or a liability risk. This best-practices solution helps you manage and take action on reported incidents in a secure and timely manner.

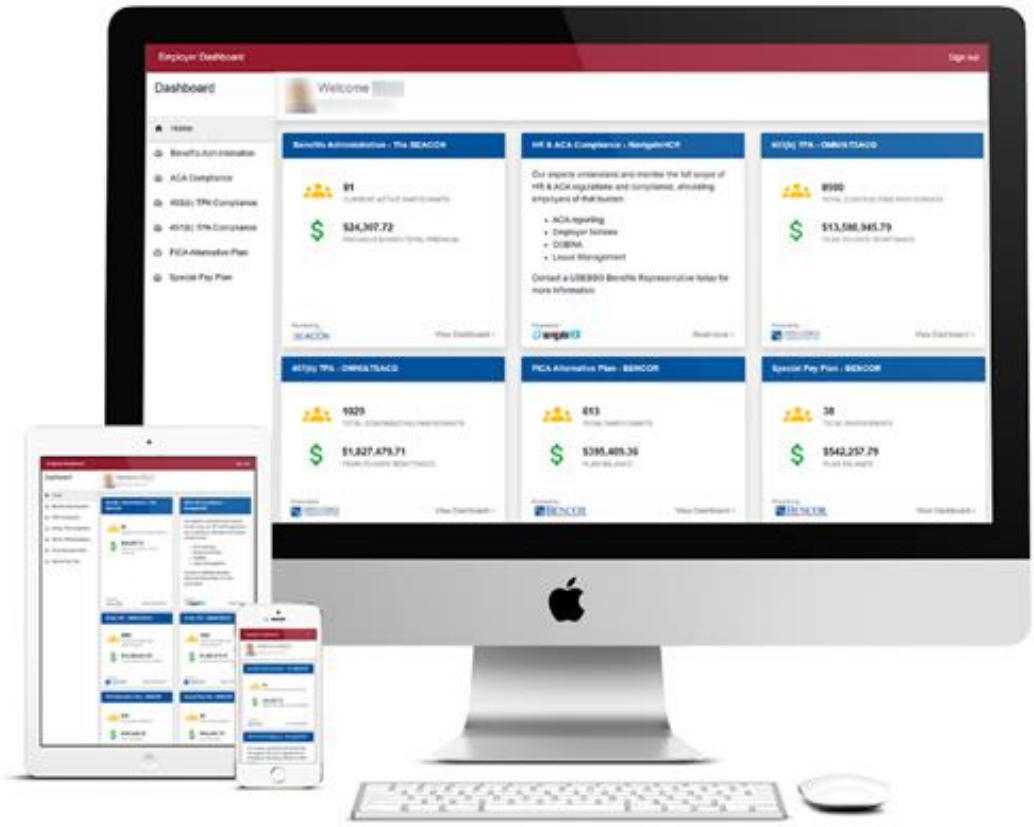
Workplace Safety

Reduce potential hazards, accidents and liability while creating a culture of safety. With more than 160 courses on everything from personal protective equipment and ladder safety to hazardous materials, transportation and more.

ACA, COBRA and FMLA Services:

Through our Partner Firm, NavigateHCR, we offer a variety of HR compliance services that help keep you compliant and avoid fines. Extensive ACA tracking and reporting functionality ensures you meet all Affordable Care Act mandates. We've got COBRA and FMLA administration covered as well.

From providing the General Initial Notice upon enrollment in benefits to premium collection for COBRA participants, cobraEDGE takes the burden off these administrative tasks.



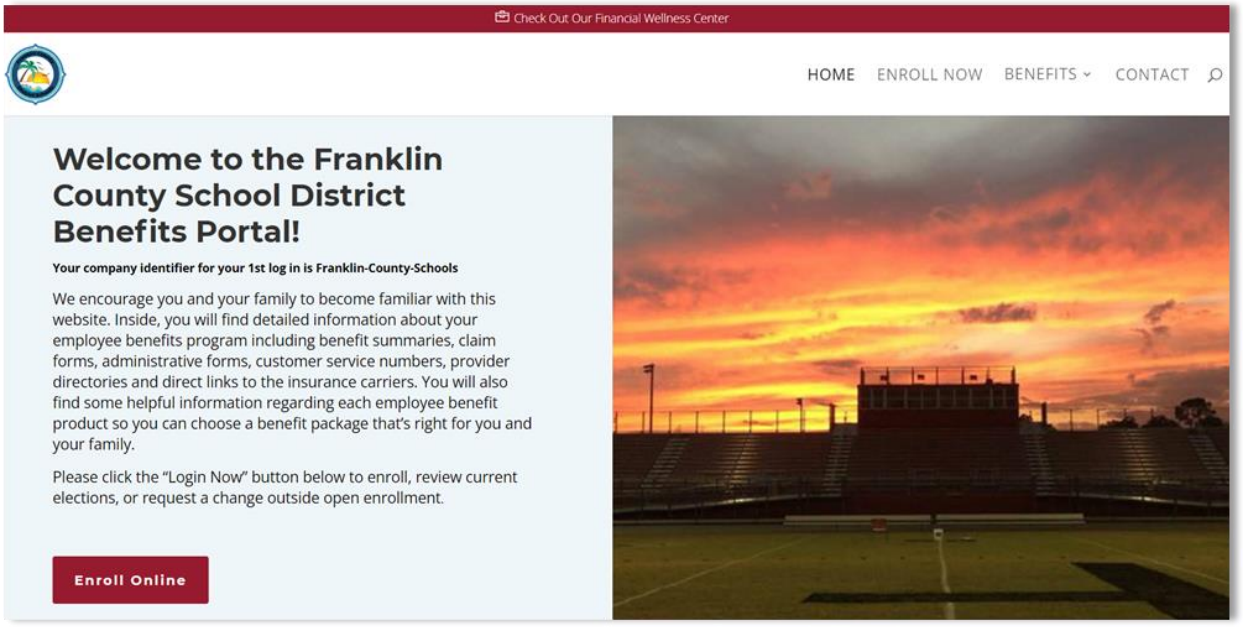
Managing leaves of absence is time-consuming and tedious. It requires expertise in state and federal laws, benefit rules and payroll. LeaveXpress takes the compliance

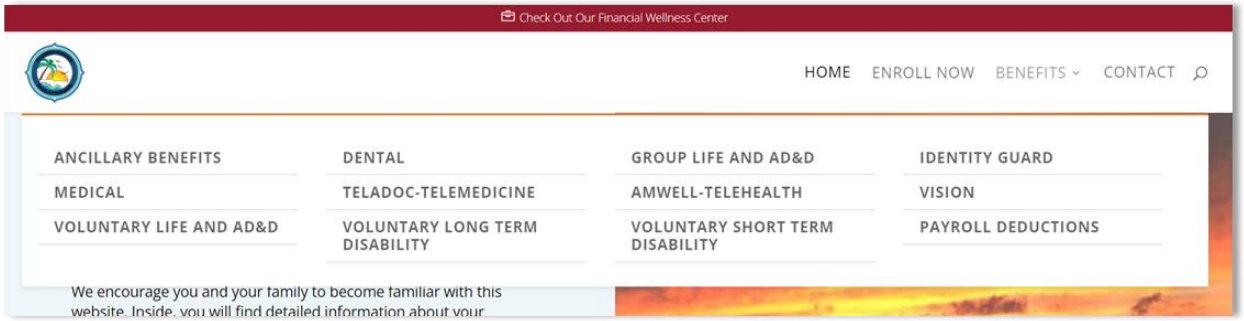
challenges off the hands of employers and includes direct communication with employees about their leaves of absence. This protects the employer from discrimination claims by keeping employee health information private from employer personnel.

The Benefits Dashboard:

The Benefits Dashboard takes the single-source service model to the next level. This groundbreaking platform streamlines data from all your USEBSG services and consolidates them into one easy-to-use site. From benefits administration to compliance services to retirement plans, you can find all the information you need, conveniently located in one place. In addition to direct access to your existing services, the site also provides educational information for other eligible services.

The fully secure platform is customized for each employer, and there is no cost to the employer. The simple, user-friendly technology eases the administrative burden of managing numerous benefit plans and services. It can be accessed from your desktop, tablet, and smartphone.





Employer Website

We build custom benefits websites for clients to enable them and their employees to access their employer-specific benefit plan. These websites enable employers to easily communicate the value of their full benefits package.

- Includes requested benefits information, plan information, and specific coverage details.
- Links to your enrollment platform alongside instructions on the enrollment process and key dates.
- Link to Financial Wellness, FAQs and other company resources.

Here is benefits website used by the Franklin County School District

403(b)/457(b) Third Party Administration:

We provide cost-effective, independent Third-Party Administration (TPA) for 403(b) and 457(b) Plans. In response to changing regulations, we offer peace of mind with a TPA platform that allows for the timely administration of your retirement savings plans. We utilize only the most experienced professionals and innovative systems in the industry to provide these services on a level that remains unmatched. Our comprehensive TPA compliance services include:

- Onsite IRS audit assistance
- Comprehensive Plan evaluation and reporting
- Provider evaluations and service agreements
- IRS Pre-Approved Volume Submitter Plan Document
- In-House Legal Counsel
- Continuous aggregation of Plan level data with demographic files
- Online Plan Distribution Service available 24/7
- Toll-free Bilingual customer services call center
- Secure online remittance services through EPARS®
- Investment Provider Service
- Contribution monitoring with corrective assistance for prior years
- QuickENROLL simplified enrollment
- Employee educational materials (Universal Availability)
- Financial Wellness Center
- Plan compliant forms and documents customized to each plan sponsor

Additional information on this service can be found at the end of Tab 5. See OMNI&TSACG Company Highlights and OMNI&TSACG Company Profile.

Financial Wellness

Help your employees achieve greater financial peace of mind with this no-cost web-based educational resource containing articles, videos, and calculators.

Workplace wellness is an investment in your most important asset—***your employees***. Studies have shown that employees are more likely to perform well when they are in optimal health. The following are benefits of implementing a wellness program:

- Lower health care costs, due to a healthier workforce and improved disease management
- Enhanced recruiting by attracting the most talented workers
- Reduced absenteeism
- Improved on-the-job time utilization, decision making and productivity
- Improved employee morale
- Reduction in turnover
- ConnectWell

Additional information on this service can be found at the end of Tab 5. See, Financial Wellness Website Overview.

Section 125

EBCI has access to the products their clients need. Section 125 plans, or cafeteria plans, provide an easy and effective way to add employee benefits, especially for businesses with several employees who regularly have medical and childcare expenses. Through a Section 125 plan, employees can deduct their insurance premiums pre-tax and set aside pre-tax funds to use toward qualified medical and dependent care expenses.

Additional information on this service can be found at the end of Tab 5. See, NavigateHCR Section 125 Compliance and Navigate HCR Services Overview.

Retirement Benefits

Special Pay Plan

Maximize the use of unused sick, vacation and leave payouts.

Stretch your benefits program dollars *and* help your employees derive maximum value from their benefits through a Special Pay Plan. Instead of making a cash payout, you can maximize the value of special forms of payment by depositing unused accumulated leave—on a pre-tax basis—into a Special Pay Plan, creating a tax savings for your organization and a meaningful benefit for your employees in the following ways:

- **Payroll Tax Savings:** Both the employer and the employee save up to 7.65% in payroll taxes (FICA and Medicare) by simply depositing unused accumulated leave into a Special Pay Plan instead of paying out in cash.
- **Tax-Deferred Benefit:** The Special Pay Plan is tax-deferred, meaning the retiree has full control over when they are taxed on the funds. If they choose, they could keep all or part of their unused leave in the Special Pay Plan and request a distribution once they are in a lower tax bracket following retirement. The best part? The funds are invested, so there is potential for tax-deferred earnings if the retiree does not withdraw right away.
- **Flexible Distribution Options:** The retiree can choose to leave their money in the Special Pay Plan for potential tax-deferred growth, withdraw their funds upon retirement age, or roll the funds over to another qualified retirement account.

  For more information on the Special Pay Plan, please refer to the Special Pay Plan flyer provided at the end of Tab 5.

  FICA Alternative Plan

  Give seasonal, part-time and temporary employees meaningful retirement options (while eliminating the employer's 6.2% Social Security contribution.

  Seasonal, part-time, and temporary governmental and school district employees can save for retirement with a FICA Alternative Plan, established under IRS Code Section 3121. The FICA Alternative Plan eliminates the 6.2% Social Security match by the employer and routes part-time employees' Social Security payments into an interest-bearing retirement account instead, creating a win-win arrangement for everyone in the following ways:

- **Payroll Tax Savings:** The employer saves the matching 6.2% Social Security contribution. The employee contributes 7.5% of their wages pre-tax, instead of the 6.2% after-tax Social Security contribution—leaving take-home pay virtually unchanged despite the increased retirement contribution.
- **Tax-Deferred Benefit:** The FICA Alternative Plan empowers part-time employees to invest for retirement, which means the potential for increased account value due to earnings over time. Depending on plan design, investments may be self-directed to meet personal retirement goals. And the best part is that earnings are tax-deferred until the participant withdraws their funds upon meeting eligibility requirements.
- **Flexible Distribution Options:** Upon becoming distribution-eligible, the participant has the option to cash out their accumulated funds or roll them into an IRA or another qualified plan.

For more information on the FICA Alternative Plan, please refer to the FICA Alternative Plan flyer provided at the end of Tab 5.

Attorney on Retainer: Jason Cogdill

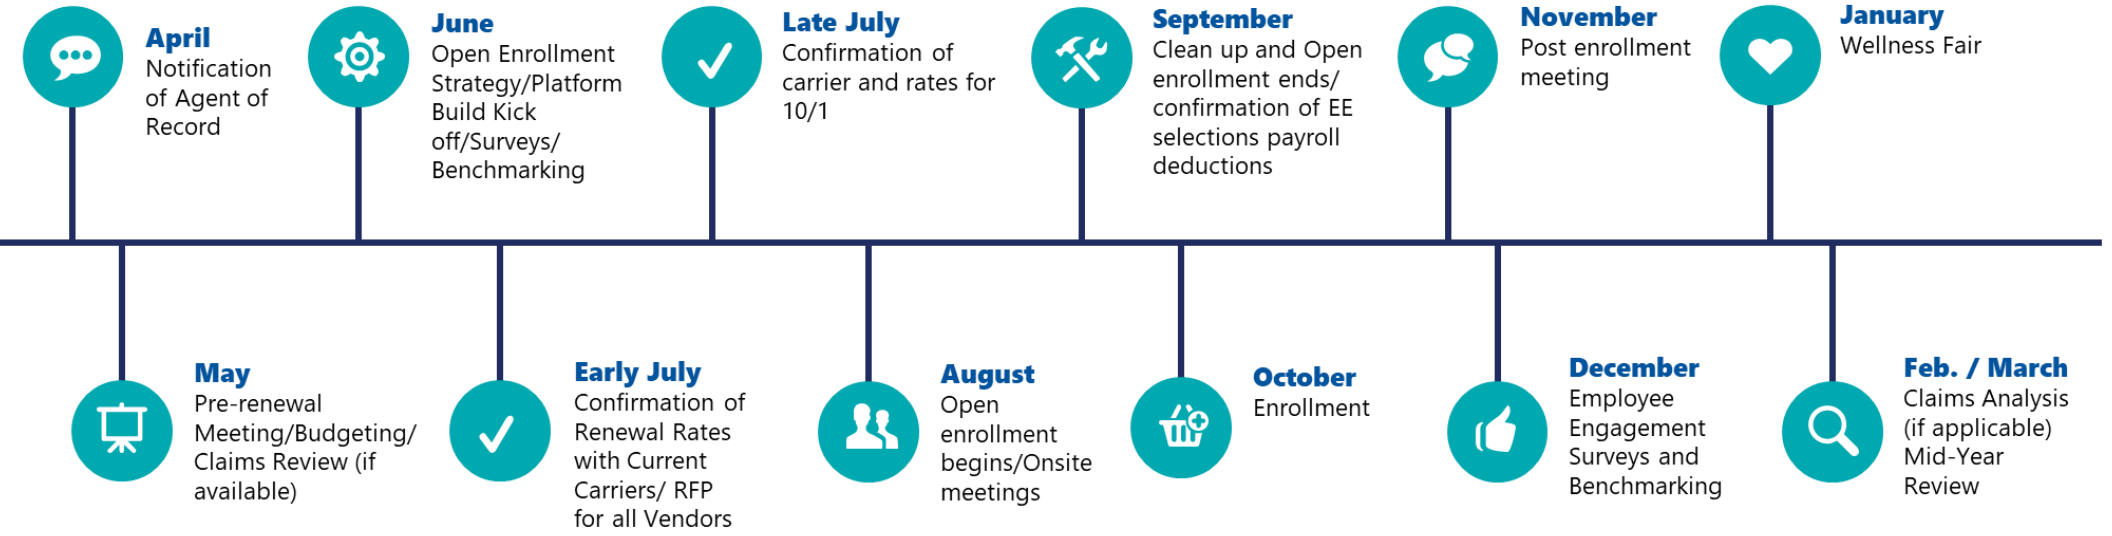
Jason Cogdill is an attorney at law that currently assists employee benefits advisors and sponsors with compliance for health and welfare benefit plans, including IRS tax rules, Employee Retirement Income & Security Act ("ERISA"), the Affordable Care Act, and the federal and state regulations. He provides advising and advocacy services for churches, individuals and not profits and is a frequent speaker on legal and ministry topics.

Jason also provides the U.S. Employee Benefits Services Group office and its clients with legal counseling in the areas of insurance law, compliance and the Affordable Cares Act. All clients will have the resources available to them to ask questions and request guidance in these areas. Jason is a valuable resource to us in the complex and ever-changing insurance and compliance environment.

Jason's full resume has been provided at the end of Tab 5.

7. **Broker/Consultant Compensation – Identify your firm's preference on the means of compensation for services. Provide a detailed analysis of the fee build-up, including allocated time and rates for the service providers. Identify any proposed services that may be outside an agreed-upon fee and an estimate for those services, if applicable. Include the details of any proposed incentive plan, if recommended.**

We are committed to working with COFB to structure a compensation arrangement that best fits your financial objectives. The proposed consulting fee range for the COFB would be $80,000 annually for a term of 3 years, payable quarterly. This fee is intended to be all-inclusive and comprehensive. Should a situation arise where USRBP would incur costs beyond our expectation, we would discuss them before performing the service.



In exchange for any negotiated fee, we will perform all the services listed below:

- Strategic Benefit Planning
- Meetings with Client and Vendors
- Carrier and Vendor Management
- Communications, Education & Employee Support
- Compliance Day-to-Day Administrative Support
- Finance, Underwriting, and Actuarial Services
- Policies, Procedures, and Disclosures
- Renewal and Requests for Proposal
- Technology
- Employee Health and Wellness

Additional projects involving added compliance audits or services, call center services, wellness solutions, or specialized consulting hours exceeding the scope for City of Fernandina Beach may incur additional fees. Consulting fees for specialized actuarial or legal support outside of the standard scope are billed at an hourly rate of approximately $175-$250 per hour depending on the services required. Any additional projects would be reviewed and estimated before performing services.

An increase in the number of employees enrolled in the plan of +10% would be subject to an increase in fees.

ABOUT US

BACKGROUND

U.S. OMNI & TSACG Compliance Services was founded for the sole purpose of providing comprehensive retirement plan compliance and administration services to 403(b) and 457(b) eligible employers.

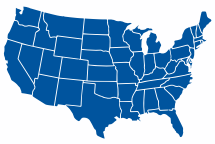
U.S. OMNI & TSACG Compliance Services is the largest provider of plan services to public education employees nationwide.

EXPERTISE

We have more than 25 years solely dedicated to governmental employers. We are an independently owned and operated plan administrator and do not market or sell investment products.

PROTECTION

We maintain real-time awareness of the regulatory environment, helping to ensure that your plan is kept up-to-date and compliant. Our company has acted as a special power of attorney in over 70 audits over the years - all of which ended successfully.



SERVICE AND SUPPORT

Plan Sponsors are assigned primary and secondary consultants to provide assistance with technical and plan design questions. We also utilize integrated support teams to develop, protect, and manage your plan. Our consulting services, which are not replicated by any other TPA in this industry, are provided to our clients at no additional cost.

EDUCATION

We provide “meaningful notice” employee communication that satisfies the IRS regulation regarding Universal Availability. Additionally, our Financial Wellness Center serves as an educational resource providing a variety of tools to assist in learning more about retirement savings and managing personal finances. Calculators, videos, and informative content are available to help guide the retirement planning process.

Financial Wellness

Financial Wellness Online

Help your employees achieve greater financial peace of mind. Available online, the Financial Wellness website comes with an abundance of educational resources about Retirement Planning, Saving for College, Personal Finances, Insurance & Protection, Employee Benefit Health Plans, and Social Security & Medicare.

These materials are provided for general information and educational purposes and do not promote any product or service.

The Benefits of Offering Financial Education at Work

Financial planning involves making several long-term decisions that affect major financial events.

Surveys show one in four workers suffer from serious financial distress commonly attributed to the planning and execution of financial strategies.

As financial stress continues to negatively impact and distract employees, many employers are finding financial education in the workplace may be the solution.

Financial wellness is influenced by several factors including personal characteristics, knowledge of financial concepts, spending and saving habits, and unexpected financial situations.

The Financial Wellness site serves as an educational resource providing tools and unbiased information to help your employees gain control of their financial wellness journey.

Complete with calculators, videos, and informative content, resources are provided to assist individuals seeking guidance on a range of long-term planning topics.

The site is available at no cost to employers for direct access on their employee portal.

Did you know?

One in four employees suffer from serious financial distress and may be distracted by it at work.

Provide your team with free financial education resources today.

Retirement Planning

Retirement is a significant life event for everyone. Our suite of tools assist your employees with easy-to-understand resources for retirement planning.

College Savings

Surveys show the second major financial concern for many consumers is saving for college. Help your employees discover savings plans, financial aid and tuition management resources in one place.

Personal Finance

From debt management to financial planning, there is a video, article or calculator available on the Financial Wellness site to guide your employees at varied levels of financial planning.

Insurance & Protection

The Financial Wellness site is complete with tools created to explain insurance and protection solutions. Employees will learn about various types of coverage and the factors that go into determining how much coverage they need.

Employee Benefit Health Plans

Understanding the different types of employee benefit health plans can be challenging for consumers. Our resources can keep your employees informed on how different health plans and insurance benefits work.

Social Security & Medicare

For many, Social Security and Medicare can be daunting topics. Our financial wellness tools help your employees understand Social Security benefits and Medicare coverage.

navigateHCR

Your guide to compliance

Compliance Communications
Section 125

Section 125 plans, or cafeteria plans, provide an easy and effective way to add employee benefits, especially for businesses with a number of employees who regularly have medical and childcare expenses. Through a Section 125 plan, employees can deduct their insurance premiums pre-tax and set aside pre-tax funds to use toward qualified medical and dependent care expenses.

A cafeteria plan must meet the specific requirements and regulations of Section 125 of the Internal Revenue Code. The written plan must specifically describe all benefits and establish rules for eligibility and elections and is the only means by which an employer can offer employees a choice between taxable and nontaxable benefits without the choice causing the benefits to become taxable.

SERVICE DETAILS

NavigateHCR's (NHCR's) Section 125 service includes:

- Preparation of Premium Only Plan (POP) documents
- POPs allow employers to offer benefits "pre-tax"
- Preparation of required forms and consultation regarding employer administered Flexible Spending Accounts (FSAs)
- Preparation of amendments when plan changes are made
- Ongoing consultation with employer

PENALTIES FOR NON-COMPLIANCE

Not only does a POP plan help an employer save on their payroll taxes, but there are also steep fines for noncompliance, including:

Fines of up to $5,000 or imprisonment of up to 1 year for willful violation of ERISA provisions;

Fines of up to $10,000 and/or imprisonment of up to 5 year for making any false statement or representation of fact, knowing it to be false, or for deliberate non disclosure of any fact required by ERISA;

The sponsoring employer could be liable for claims against the plan if the documents do not give participants accurate information regarding the plan polices.

WHAT SETS NHCR APART FROM COMPETITION

Consultation: NHCR answers questions and consults with employers and brokers on requirements and how they apply to specific companies or situations.

Education: NHCR provides timely news updates and also regularly publishes webinars, white papers, and other educational resources.

Technology: all NHCR clients are given access to a secure web portal where they complete and submit paperwork, upload data, view forms, download notices, and more.

HOW TO ENROLL WITH NHCR

Go to www.navigatehcr.com and submit an "Interest Form" (via the blue link in the bottom right corner of the home page) or email our Care Team at careteam@navigatehcr.com.

CONTACT INFORMATION

The NHCR Care Team is accessible by phone and email Monday through Friday from 8 AM to 8 PM EST. Please contact us by phone at (855) 742-7427, option 2, or by email at careteam@navigatehcr.com and we will be happy to assist you will any of your compliance needs.

This material was created by NavigateHCR to provide accurate and reliable information on the subjects covered but should not be regarded as a complete analysis of these subjects. This material is not intended to provide specific legal, tax, or other professional advice.

YOUR GUIDE TO COMPLIANCE

navigateHCR

ABOUT US

OUR COMPANY:

NavigateHCR (NHCR) is a full-service compliance and technology company founded in 2012. As the oldest healthcare compliance company in the nation, we offer a variety of services and solutions to assist employers with even the most complex requirements of the laws governing employee benefits.

NavigateHCR is a partner, not a competitor. We provide education and solutions to help you navigate the rough seas of compliance.

WHAT OUR SPECIALISTS DO:

Tailor solutions:

To an employer's unique situation and needs

Build and mantain:

Relationships and partnerships with others

Lessen:

the burden of time-consuming compliance work and oversight

Protect:

American businesses from costly fines, fees and penalties

YOUR GUIDE TO COMPLIANCE

COMPLIANCE COMMUNICATION

ERISA BOOST GULF

The Employee Retirement Income Security Act (ERISA) is a federal law that sets minimum standards for most voluntarily established pension and health plans in private industry. ERISA regulations require any employer that sponsors a health or welfare benefit plan to provide a Summary PlanDescription (SDP) to employees.

Employers are required to distribute numerous notices to employees each year. Under the Affordable Care Act (ACA), all employers are required to provide employees with informationabout their benefits.

This comprehensive service provides the appropriate notices for distribution to employees to help employers maintain compliance and avoid costly fines and penalties:

- **Assistance with ERISA regulations.**
- **Establish measurement periods and language.**
- **Preparation of "Wrap" SPD and Summary of Material Modifications (SMM).**
- **Toolkits for New Hires, Open Enrollment, Termination, FMLA, Variable-Hour Employees and more.**
- **Delivers required notices to employers monthly via online Compass portal.**
- **Includes descriptions for every notice with delivery rules and requirements.**

Technology. Our cloud-based technology uses a **Universal Application** which starts the algorithm process for product deliver. **Universal Data** solves the challenge of manually manipulating data.

navigateHCR

YOUR GUIDE TO COMPLIANCE

EXPOSURE ANALYTICS

EXPOSURE TESTING

Exposure testing provides pass/fail results and documentation along with guidance on how to correct failed test results to become compliant.

- **5500 Test**
- **6055/6056 Participation Test**
- **Affordability Test**
- **Benefits Participation Test**
- **Cadillac Test**
- **Section 125 Nondiscrimination Test**
- **Common Ownership Test**
- **W2DD Test**

Compliance regulations have always been challenging. The Affordable Care Act (ACA) added even more rules and regulations for employers to abide by or face fines, fees or penalties. This service consists of twelve individual exposure tests to identify and quantify employer noncompliance and exposure:

YOUR GUIDE TO COMPLIANCE

FUNCTIONAL DATA

ACA OCEAN

Applicable Large Employer (ALE) is defined as an **employer with 50 or more full-time equivalent employees**. It must file an information return **(form 1094)** with the IRS and provide statements **(form 1095)** to employees who were benefit eligible at any time during the reporting year. Self-Insured employers must also perform ACA filing each year, including reporting on dependents of employees.

For businesses with variable-hour employees, **ACA requires employers to track hours worked** so that benefits can be offered when a variable-hour employee **meets or exceeds the requirements.** The rules for measuring and offering benefits include significant **penalties for failure to comply.**

- **Assitance with monitoring inicial measurement period and ongoing employee measurement periods.**
- **Monthly data collected with reports showing the date an employee becomes benefit eligible, for how long the benefits remain, and the hours worked throughout the period.**
- **PDF copies of all forms.**
- **Post-filing reports and documentation from the IRS.**
- **Creation of 1094 and 1095 forms and calculation of line 14 and 16 IRS codes.**
- **Data collection and consolidation to capture employee information, months that benefits were offered and months of enrollment in benefits, or declination.**
- **Electronic transmission to the IRS with real-time IRS results.**
- **Optional 1095 distribution via USPS mail or electronic delivery.**

The ACA added even more rules and regulations for employers to abide by or face fines, fees or penalties. This service consists of twelve individual exposure tests to identify and quantify employer noncompliance and exposure.

FUNCTIONAL DATA

TRACKER: LEAVEXPRESS

Managing leaves of absence is time-consuming and tedious. It requires expertise in state and federal laws, benefit rules and payroll.

This service takes the compliance challenges off the hands of employers and includes direct communication with employees about their leaves of absence. This protects the employer from discrimination claims by keeping employee health information private from employer personnel. LeaveXpress service includes:

- **Data collection and consolidation to capture historical leaves of absence.**
- **All required documents sent on behalf of employer.**
- **Establish proper measurement periods and methods.**
- **Approval or denial of leave based on federal and/or state guidelines.**
- **Workflow process creation and management.**
- **Document storage.**
- **Real-time reporting for employers to view leave requests, status of leave, and return-to-work status.**

CONCIERGE SERVICES

PCORI FILING

The Patient Centered Outcomes Research Institute (PCORI) was established by the 2010 Affordable Care Act. PCORI is **a U.S.-based, non-governmental institute** created as a modification to the Social Security Act. **Employers with any type of self-insured benefit plan** must calculate and remit this fee with IRS form 720 **each year by July 31st**. This service includes:

- **Calculation number of covered lives per quarter.**
- **Calculation of the fee to be remitted to the IRS.**
- **Preparation of IRS form 720 with remittance coupon.**
- **Instructions for mailing the filing to the IRS.**

5500 FILING

The purpose of the Form 5500 filing is to provide the Internal Revenue Service and the Department of Labor with information about a benefit plan's or retirement plan's operation and compliance with government regulations.

- **Collection of proper schedules.**
- **Completion of form 5500.**
- **Transmission to DOL.**

US Retirement & Benefits Partners®

Flexible Spending Accounts

Flexible Spending Accounts 101

A Flexible Spending Account (FSA) allows employees to set aside money on a pre-tax basis to pay for eligible medical expenses tax-free throughout the year. Employees determine how much or how little they contribute, giving them the freedom to control their plan. Employers receive the benefit of full plan administration, compliance, and a dedicated account manager to assist with all plan inquiries.

How the Employer Benefits

- Permanently save 7.65% in FICA taxes
- Any unused FSA funds are forfeited back to the employer at the end of the year
- Flexible plan design allows the employer to offer a grace period or rollover allowance
- Plan administration, compliance, and education handled by USRBP
- Dedicated account manager provides employer-level service and education

How the Employee Benefits

- Contributions are made pre-tax
- Funds are used to pay for eligible medical expenses tax-free
- FSA funds can be used by the employee, their spouse, and any eligible dependent
- Easy online enrollment
- Debit card provided
- Online claims submission
- Mobile app

Your Plan on Your Time

- Access plan documents and forms
- Monitor account balance
- Download helpful resources
- Employees can enroll and submit claims online
- Access from your smartphone, computer, or tablet

Special Pay Plan

What is a Special Pay Plan?

A Special Pay Plan is a 401(a), 403(b), or 457(b) retirement plan designed to handle special forms of compensation in a tax-advantaged manner for governmental and school district employees. Funded upon retirement or at separation from service, these forms of compensation typically include unused sick leave and unused vacation pay.

Special Pay Employer Benefits

- Employer saves 7.65% FICA Taxes (Social Security and Medicare)
- Turnkey plan administration, compliance, and education
- Dedicated account manager
- 24/7 online plan access—download plan documents, monitor account transaction, and generate reports
- IRS-approved plan documents

Special Pay Employee Benefits

- Contributions are pre-tax
- Flexible distribution options
- Permanently save Social Security & Medicare taxes on contributions
- Contributions are 100% fully vested
- Full control over distribution timing for tax planning

Saving the Public Sector Millions Each Year

Dedicated Account Management • Turnkey Plan Administration, Compliance & Education • Ready-to-Implement IRS-Compliant Plan Designs

FICA Alternative Plan

What is a FICA Alternative Plan?

A FICA Alternative plan is a retirement plan under IRS Code Section 3121 for your seasonal, part-time, and temporary governmental and school district employees. Employers avoid the matching 6.2% Social Security contribution, replacing it with an impactful benefit for employees.

FICA Alternative Employer Benefits

- Employer saves the matching 6.2% Social Security contribution
- Turnkey plan administration, compliance, and education
- Unique retirement benefit attracts talent
- Dedicated account management
- 24/7 online plan access—download plan documents, monitor account transaction, and generate reports

FICA Alternative Employee Benefits

- 7.5% of wages are contributed on pre-tax basis
- Employee empowerment through valuable and portable retirement plan
- Education and communication that helps employees take advantage of their benefit

City of Fernandina Beach
RFP 23-03 Evaluation Committee Meeting
EMPLOYEE BENEFITS CONSULTING AND BROKERAGE SERVICES
March 31, 2023 – 1:30pm

Committee members present: Mark Foxworth, Denise Matson, Pauline Testagrose, Jeremiah Glisson, Katie Newton

Others Present: Joshua Rupp, Gehring Group; Kyle Stoekel, Brown & Brown Public Sector

Staff members present: Purchasing Agent Wanda Weaks

The meeting was called to order at 1:30PM by Purchasing Agent Wanda Weaks.

Five submittals were received for this Request for Proposal: Gehring Group, A Risk Strategies Company; US Employee Benefits; Brown & Brown Public Sector; Mark III Brokerage, Inc; Gallagher Benefit Services, Inc.

Individual scoring sheets, prepared by each committee member, were received prior to the meeting, and consolidated into one sheet, which tallied the total scores for each submittal. Based on the overall evaluation scoring the firms were ranked 1) Brown & Brown Public Sector; 2) Gallagher Benefit Services, Inc; 3) Gehring Group, A Risk Strategies Company; 4) US Employee Benefits; and 5) Mark III Brokerage, Inc.

Ms. Matson commented that all ratings were similar. Brown & Brown uses Employee Navigator, which the City already uses. Gehring met the City's needs, however, their cost was the highest. The consensus was that all the firms met the qualifications and would most likely do a good job for the City. The deciding factor was the price.

Ms. Testagrose concurred that cost was the driving factor.

Mr. Foxworth noted that cost was weighted at 25% of the total.

Ms. Newton noted that Brown & Brown has a Jacksonville office that would put them in close proximity to Fernandina Beach.

Mr. Glisson requested Brown & Brown designate a team for the City of Fernandina Beach.

Ms. Newton made a motion, seconded by Mr. Glisson, to recommend award of RFP #23-03 to Brown & Brown Public Sector. The motion carried, all being in favor.

A Resolution for City Commission approval will be prepared for the May 16, 2023, regular meeting agenda.

There being no further business for the committee, the meeting was adjourned at 1:39PM.

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Resolution 2023-79
Award of RFP 23-04 - Property, Casualty, and Workers Compensation Insurance Consulting Services

ITEM TYPE: Resolution (w/ fiscal impact)

REQUESTED ACTION: Consider Resolution 2023-79.

SYNOPSIS: The City has maintained an excellent long-term relationship with Gallagher Risk Management (formerly Harden & Associates) to provide consulting/broker services in the marketing of Property, Casualty and Workers Compensation insurance, but has not openly solicited for such services for many years.

The City issued Request for Proposal (RFP) 23-04 to consider the selection of a Property and Casualty Insurance Broker to assist the Finance Department and represent the City in the marketing of property, casualty and workers' compensation insurance and to provide risk management services in selected areas at the direction of the City Comptroller.

Four proposals were received in response to RFP 23-04 and considered by the Evaluation Committee. Risk Management Associates, Inc., a wholly owned subsidiary of Brown & Brown was ranked number one on the evaluation form and unanimously selected by the Evaluation Committee at its March 31, 2023, meeting. Following the notice of intent to award, Gallagher Risk Management filed a bid protest in accordance with Section 2-444 of the Municipal Code, stating that Brown & Brown is only able to solicit insurance proposals from one insurance carrier due to contractual obligations. The City Commission, at its May 2, 2023, regular meeting, considered the protest and directed the Evaluation Committee to reconvene to discuss the new information.

The Evaluation Committee met for a second time on May 8, 2023, to discuss the new information. Representatives from both Gallagher Risk Management and Brown & Brown submitted additional information to the Evaluation Committee for consideration and were present to answer questions. The Evaluation Committee subsequently voted 3-2 in favor of recommending Gallagher Risk Management be awarded RFP 23-04.

FISCAL IMPACT: The submittals were in the amounts of $65,000 for Brown & Brown and $75,000 for Gallagher Risk Management. The annual fee of the selected proposer will be allocated and budgeted in the property and casualty insurance accounts in all departments.

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): I recommend that the City Commission adopt proposed Resolution 2023-79.

Denise Matson, Human Resources Director	4/21/2023
Pauline Testagrose, Comptroller	4/21/2023
Katie Newton, Legal Assistant	4/24/2023
Agnes White, Administrative Services Manager	5/1/2023
Pauline Testagrose, Comptroller	5/2/2023
Charles George, Interim City Manager	5/9/2023
Tammi E. Bach, City Attorney	5/9/2023

Date: March 30, 2023

Submitted By: Denise Matson, Human Resources Director

COMMISSION ACTION: Adopt

RESOLUTION 2023-79

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, AWARDING RFP 23-04 TO _____ TO PROVIDE CONSULTING SERVICES FOR PROPERTY, CASUALTY AND WORKERS COMPENSATION INSURANCE IN THE AMOUNT OF _____ ANNUALLY; AUTHORIZING EXECUTION; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, in accordance with the City Purchasing Policies and Procedures, the City solicited a Request for Proposals (RFP 23-04) for Property and Casualty Insurance Brokerage Services; and

WHEREAS, the City received proposals from four firms – Risk Management Associates, Inc., a wholly owned subsidiary of Brown & Brown, Gallagher Risk Management, Inc., Cecil W Powell & Company, HUB Public Risk Inc; and

WHEREAS, an evaluation committee was convened on March 31, 2023, to discuss and rank the proposals based on experience, qualifications, and proposed cost for the scope of work specified. The committee ranked Risk Management Associates, Inc., a wholly owned subsidiary of Brown & Brown Inc. highest; and

WHEREAS, following the notice of intent to award, Gallagher Risk Management filed a bid protest in accordance with Section 2-444 of the Municipal Code, stating that Brown & Brown is only able to solicit insurance proposals from one insurance carrier due to contractual obligations; and

WHEREAS, the City Commission, at its May 2, 2023, regular meeting, considered the protest and directed the evaluation committee to reconvene to discuss the new information; and

WHEREAS, the evaluation committee met for a second time on May 8, 2023, and to discuss the new information. Representatives from Gallagher Risk Management and Brown & Brown submitted additional information to the evaluation committee for consideration and were present to answer questions. The evaluation committee subsequently voted 3-2 in favor of recommending Gallagher Risk Management be awarded RFP 23-04; and

WHEREAS, funding for this expense will be allocated and budgeted in the property and casualty insurance accounts in all departments.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, THAT:

SECTION 1. The City Commission hereby awards RFP 23-04 for Property, Casualty and Workers Compensation Consulting Services, to _____.

SECTION 2. The Interim City Manager and City Clerk, upon review by the City Attorney, are hereby authorized to execute an agreement with _____for a period of three years beginning October 1, 2023, through September 30, 2026, at an annual fee of $_____, with the option of two additional one-year renewals.

SECTION 3. This Resolution shall become effective immediately upon passage.

ADOPTED this 16th day of May, 2023.

CITY OF FERNANDINA BEACH FLORIDA
RFP 23-04 PROPERTY AND CASUALTY INSURANCE BROKERAGE SERVICES

INTRODUCTION

The City of Fernandina Beach Finance Department is accepting competitive sealed proposals for a qualified Property and Casualty Insurance Broker to assist the Finance Department and represent the City in the marketing of property and casualty insurance and to provide risk management services in selected areas at the direction of the City Comptroller.

The City will receive sealed proposals at the location stated below not later than **2:15pm, March 21, 2023.**

Any submittal received after the above stated time and date will not be considered. It will be the sole responsibility of the Respondent to have its submittal delivered to the City of Fernandina Beach, by U.S. Mail, hand delivery or any other method available to him/her; however, facsimile, or electronic submittals will not be accepted. Delay in delivery will be the sole responsibility of the Respondent. Submittals received after the deadline will not be considered.

This invitation to submit qualifications is not an authorization to approach the insurance marketplace on behalf of the City of Fernandina Beach. Prospective consultants failing to comply with this condition will be subject to disqualification.

RESPONDENTS ARE REFERRED TO THE ATTACHED GENERAL CONDITIONS FOR OTHER IMPORTANT INFORMATION REGARDING THE REQUEST FOR PROPOSAL PROCESS, REQUIREMENTS AND EXHIBITS.

The original RFP submittal (**1 original, 5 copies and 1 electronic copy, CD, or thumb drive**) must be delivered to City Hall in a sealed package, clearly marked on the outside, **RFP 23-04** and addressed to:

City of Fernandina Beach
Attn: City Clerk's Office – **RFP #23-04**
204 Ash Street
Fernandina Beach, FL 32034

Hand delivered Submittal is to be taken to the Clerk's Office at the above address.

The competitive sealed Submittal must be accompanied by a **Contact Sheet**, herein provided as "**Exhibit A**", **"Public Entity Crimes",** herein provided as "**Exhibit B**", **"Drug-Free Workplace Certification"** herein provides as **"Exhibit C"**, "**E-Verify Statement**" herein provided as **"Exhibit D"**, **"Proposer Acknowledgements and Agreements"**, herein provided as "**Exhibit E**", **"Conflict of Interest",** herein provided as, "**Exhibit F**", **"Non-Collusion Affidavit",** herein provided as "**Exhibit G" and "Dispute Disclosure",** herein provided as **"Exhibit H".**

RESPONDENT SHALL SIGN AND INCLUDE EXHIBITS "A-I". Failure to so, may result in rejection of the submittal.

INSURANCE REQUIREMENTS

Insurance requirements are outlined in the General Conditions of this Request for Proposal.

INCURRING COSTS

The City of Fernandina Beach is not liable for any costs incurred by the offer or submitting a proposal in response to this solicitation. The cost to prepare the proposal and travel to project interviews shall be the full responsibility of the Respondent.

GENERAL INFORMATION

The following coverages are desired in structuring the City's overall insurance program. In some instances, all items may not be available or may require modification. The City of Fernandina Beach will consider modified coverages to the extent that they provide adequate coverage in view of the overall program objectives. Creative alternatives to the below structure will be considered if they meet the overall objectives of the City of Fernandina Beach.

- All Risk Real and Personal Property (including flood, wind, hail)
- Premises and Operations (Comprehensive General Liability)
- Public Officials Errors and Omissions
- Employment Practices Liability
- Law Enforcement Liability (including Deadly Weapon Protection)
- Crime to include Blanket Dishonesty and Faithful Performance
- Automobile Liability and Physical Damage (including Hired and Non-Owned Liability)
- Workers' Compensation/Employers' Liability
- Airport Owners & Operators Liability
- Unmanned Aircraft Liability
- Mariana General Liability/Operators Liability
- Accidental Death and Dismemberment (Statutory coverage for police officers and fire fighters)
- Firefighter Cancer
- Environmental Legal Liability
- Flood Insurance through NFIP
- Cyber Liability

The annual anniversary date of the City's insurance program is October 1.

BACKGROUND INFORMATION

The City of Fernandina Beach, a municipality in Nassau County, Northeast Florida, has a staff of 230 full-time equivalent employees, with a projected population for 2023 of 14,500 permanent residents. The City encompasses approximately 15 square miles. The City functions as a Commission/Manager form of government.

The City provides a full range of services for both residents and seasonal visitors. Services include police and fire protection, construction and maintenance of roads and infrastructure, recreational facilities and activities, including a golf course; planning, building and code enforcement. In addition, the City provides water, wastewater, garbage, airport and marina services.

Scope of Services

Property and Casualty Insurance Brokerage Services

Services in advising and coordinating with the City's Comptroller include, but are not limited to the following:

- Prepare annual marketing strategy reports identifying anticipated market conditions and proposing a marketing strategy for the City's major loss exposure areas prior to policy renewal.
- Assist in developing underwriting data and specifications for renewal negotiations.
- Provide trended values for property insurance policies.
- Obtain bids from the insurance industry and negotiate the best terms and coverage for the various exposure areas.
- Evaluate the commitment and financial stability of the underwriters.
- Service existing insurance policies by reviewing coverage issues, issuing binders and Certificates of Insurance, and request endorsements from carriers in a timely manner.
- Schedule quarterly meetings with the City's risk management team to discuss loss control issues, exposure changes, and general administrative matters pertaining to the City's insurance program.
- Analyze the City's exposure to loss, adequacy of coverage, and develop options on coverage not presently purchased by the City.
- Provide service for day-to-day contact on insurance matters.
- Assists the City in developing insurance requirements for the various contracts (design, construction, and service) and in reviewing insurance policies, contracts, leases and bonds as requested by the City.
- Prepare an annual report including a schedule of policies in force, coverage provisions, premiums, insurance claims experience for the prior policy year and recommendations for possible adjustments to insurance coverage for the next policy year. The report should provide a summary of broker support services rendered during the prior year, with recommendations for broker services recommended for the subsequent year.
- Work with the City's Comptroller to establish a viable and cost- effective self-insurance program.
- Provide other services that are normally and customarily required of a municipal insurance broker.
- Analyze insurance market trends and report in advance on the affect that trends will have on pricing and coverage availability.
- Assist in the audit of Workers' Compensation classification coding.
- Provide routine verbal consulting advise on safety and loss control matters as they relate to the City's risk management program.
- Onsite inspections, written programs and training programs may be negotiated for an additional fee.
- Provide access to and consulting advice regarding the potential for utilizing new and emerging risk financing programs.

MINIMUM QUALIFICATIONS

The City encourages proposals from all insurance brokers meeting the following minimum qualifications:

- Licensed and in good standing with the State of Florida Department of Insurance.
- Firm shall have been in business in the State of Florida for a minimum of ten years.
- Minimum of ten years' experience in providing broker of record services for government entities within the State of Florida.
- Evidence of insurance agents' and brokers' errors and omissions insurance with a minimum limit as outlined in the General Terms and Conditions item #13.

The City seeks to enter into a contract that will commence no earlier than October 1, 2023, and will be in-place for a three-year term with an optional two one-year renewals, if mutually agreed upon by the CITY and the successful Respondent.

LICENSES

At a minimum, vendors must submit the following:

1. An active certified Florida Department of Financial Services Agency license; and be certified and or qualified to complete the project per project specifications.
2. Respondent, whether residents or nonresidents of Florida, must provide evidence of proper licensure with their submittal. Such evidence must be in the form of copies of their Florida license which authorizes Respondent to perform the work.
3. Respondent must hold the required license for the type of work to be performed at the time of their submittal and for the duration of the contract.

SUBMITTAL REQUIREMENTS

Interested firms shall include the following information in their submittal responses to this solicitation. The following format and sequence should be followed in order to provide consistency in the firm's responses and to ensure each submittal receives full consideration. Use 8 ½ x 11 sheet pages only with minimum font size of 10 points and with tabs or section dividers to separate sections as defined in this Request for Proposal. More than one section is permitted on one page unless otherwise indicated below. Undesignated information shall be inserted at the rear of each package. Place page numbers at the bottom of every page, excluding dividers. Submittal documents should not contain links to other web pages; such links will not be reviewed for evaluation purposes. **PLEASE INCLUDE PAGE TABS/SECTION DIVIDERS** so that those evaluating your submittal can easily compare each section with others that are submitted. If any of the information provided by the Respondent is found to be substantially unreliable, in the sole opinion of the Evaluation Committee their proposal may be rejected.

COVER LETTER AND FORMS – TAB 1

1. Maximum two pages outlining why the City should select your firm/team. Identify who will be the point of contact including their email address. Identify who will be the point of contact including their email address. Identify the Project Manager and in which office they are located.
2. City Exhibits A-I. Include any applicable licenses/certifications.

FIRM QUALIFICATIONS – TAB 2

1. Provide a brief history and description of your firm. Include a description of resources or services that may be utilized that are not housed in your local office. Separately, provide a description of services and resources that may be introduced to the City of Fernandina Beach over time that may add value to its employee benefits program or other business objectives.

QUALIFICATIONS AND EXPERIENCE OF PERSON(S) ASSIGNED – TAB 3

1. Provide a resume for each individual that will be assigned to work on the City of Fernandina Beach account. Include account executives, account managers, marketing personnel, and other specialists that would actively work with the City of Fernandina Beach. Include an estimate of each key person's allocated time to the City of Fernandina Beach account. Include an organizational chart identifying the team and reporting structures.
2. Provide a profile of the proposed account executive's current client assignments. Your submittal should include the number of accounts, their complexity, and some reference to time allotments for each.

REFERENCES PROVIDED BY OTHER CLIETS WITH COMPARABLE SERVICES – TAB 4

1. Provide five current client references of similar size, complexity, or with similar needs. Limit your response to those clients that are principally serviced from your local office.

ABILITY TO FURNISH REQUIRED SERVICES TO BEST SERVICE THE CITY – TAB 5

1. Describe any special expertise your firm has in providing property and casualty insurance services to clients with similar or related business activities, specifically include experience with plans offered by government employers. Include a list of current client relationships (local or otherwise), if not included in your references.
2. Describe your firm's efforts to remain current on property and casualty insurance issues relating to the City of Fernandina Beach business profile, including industry or association memberships, if applicable.

LOCATION IN PROXIMITY TO FERNANDINA BEACH – TAB 6

Include information on staff availability, office locations and issues of accessibility.

COMPENSATION / COST OF SERVICE – TAB 7

The successful firm shall be compensated on an annual fee basis. Fees will be payable quarterly at the end of each quarter with the first installment due October 31, 2023. All program premiums and charges are to be written net of commission and the acceptance of a commission shall be grounds for immediate termination of the contract. If a carrier does not or cannot work on a net of commission arrangement, the firm shall disclose this fact and the commission shall be deducted from the annual fee. The successful firm shall provide an annual statement from each carrier confirming that the insurance carrier has paid no commissions. Full disclosure of all compensation earned, either directly or indirectly, is required. Use of intermediaries, wholesalers, subsidiary companies, etc. is expected and encouraged if advantageous to the City of Fernandina Beach. However, all fees and or commissions earned as a result of their use, must be disclosed and will be deducted from the annual fee. Additionally, the City reserves the right to seek additional relevant records as a means of enforcing this provision.

SOLICITATION SCHEDULE

Listed below are the important dates and times related to this solicitation. The Procurement Division may find it necessary to change any of these dates or times. All dates are subject to change.

Request For Proposal	Date/Time
RFP Publication	February 17, 2023
RFP Submittal Due Date	March 21, 2023
Evaluation Committee Meeting	March 30, 2023

SUBMITTAL OPENING

The submittal opening is public on the date and at the time specified on the submittal form. It is the Respondent's responsibility to assure their submittal is delivered at the proper time and place of the submittal opening. Submittals which for any reason are not so delivered will not be considered.

SELECTION CRITERIA

Any proposal that does not meet the minimum qualifications as stated will be rejected. The criteria below are not necessarily listed in order of importance. Submittals will be evaluated on the following criteria:

CRITERIA	MAXIMUM POINTS
Scope and quality of services proposed and demonstrated ability of firm to provide all services identified in this RFP	**15**
Qualifications and experience of the person(s) assigned to perform services to the City	**15**
References provided by other clients with comparable services	**5**
Ability to furnish required service to best service the needs of the City of Fernandina Beach	**20**
Location in proximity to Fernandina Beach	**10**
Cost of Services	**35**
MAXIMUM TOTAL	**100**

SELECTION PROCEDURE

The submittals received will be evaluated by qualified personnel of the City. The Evaluation Committee shall be responsible for evaluating the qualifications and capabilities of Respondents who have submitted proposals in response to the Request for Proposals. Committee evaluations shall be conducted in accordance with applicable Florida Public Records Laws, including F.S. 119. Evaluation may include such activity as is deemed appropriated by the Committee to verify the qualifications and capabilities of the proposers and their ability to furnish the required goods or services.

The Evaluation Committee shall review the Submittals and prepare by consensus a recommendation of award to the firm or firms it deems to be most qualified and capable to perform the required services.

The Evaluation Committee, at its discretion, may request oral, written or visual presentations from; conduct interviews with; or conduct visits to the office, facilities or projects of the Proposers it selects from among those submitting Proposals.

If the Evaluation Committee decides to entertain presentations or conducts interviews at a subsequent meeting, it shall set the date, place and time for that meeting, then establish the order of presentations of interview before adjourning. The Purchasing Department shall be responsible for notifying all firms of the meeting and order of presentations or interviews.

If no oral presentations or interviews are requested, the Evaluation Committee selection shall be based on its review and evaluation of qualified firms at its initial Committee meeting.

The evaluation of Respondent qualifications and capabilities shall include but not be limited to such factors as: experience; capabilities; past record; past performance; adequacy of personnel; ability of professional personnel; willingness and ability to meet time and budget requirements; recent, current and projected workload; location; approach to the project; ability to furnish the required services; volume of work previously awarded to each firm submitting qualifications; and such other factors as may be determined by the Evaluation Committee to be

applicable to the particular requirements of the project for which the professional services have been requested.

At the conclusion of its evaluation, the Evaluation Committee shall report its recommendations and order of preference (final ranking) to the Board of Commissioners.

PROPOSAL EVALUATION

The City of Fernandina Beach shall be the judge of its own best interests, the submittals, and the resulting Contract. An award may be made to the most responsive and responsible firm whose submittal is determined to be the most advantageous to the City.

The governmental entities will consider as an important factor in the award, in addition to price, a demonstrated history of reliable and dependable service to similar users or demonstration of a long history of reliability and dependability for users with critical municipal needs similar to the governmental entities.

The City reserves the right to consider historic information and fact, whether gained from the Repondent's proposal, question and answer conferences, references, and/or other sources in the evaluation process.

The City reserves the right to conduct investigations as deemed necessary by the City to assist in the evaluation of any submittal and to establish the responsibility, qualifications and financial ability of Respondents, subcontractors, suppliers and other persons and organizations to preform and furnish the work in accordance with the submittal documents.

It is the Respondent's sole responsibility to submit information related to the evaluation categories. The City is under no obligation to solicit such information if the Respondent fails to include it within their submittal. Failure to provide requested information may result in the rejection of the submittal, or a deduction in evaluation points at the sole discretion of the Evaluation Committee.

AWARD

Award recommendation will be awarded to the most responsive and responsible Respondent offering the best value. The City reserves the right, based upon its deliberations and in its opinion, to accept or reject any or all submittals. The City also reserves the right to waive minor irregularities or variations to the specifications and in the award process.

Successful Respondent is required to have a Business License in the city where their home office is located. If Respondent's business office is located in the City of Fernandina Beach a business tax license is required.

RFP PACKAGE

Request for Proposal Documents and Specifications can be downloaded online at www.fbfl.us/bids. Any questions regarding the RFP package can be directed in writing to Wanda Weaks, Purchasing Agent, at wweaks@fbfl.org.

CONTACT

Specification questions during the submittal period must be submitted in writing to Wanda Weaks, Purchasing Agent, at wweaks@fbfl.org.

Respondents are hereby put on notice that no contact will be made with any of the City Commission members, other City staff, or others that may be involved in the selection process to discuss this request or to influence the outcome of the selection.

ADDENDA

A written response to Respondent questions will be issued via Addendum and posted on the City's website at www.fbfl.us/bids and DemandStar at www.demandstar.com. It is the Respondent's responsibility to check the

City's website for Addenda prior to submitting their proposal. The deadline for questions is ten days before proposal opening.

If there is an Addendum it becomes part of the original RFP and must be acknowledged by attaching a copy of the Addendum, signed by an authorized representative of the person or company submitting the proposal. Failure to do so may disqualify the proposal.

GENERAL CONDITIONS OF REQUEST FOR PROPOSAL

1. **PREPARATION OF PROPOSAL –** REQUEST FOR PROPOSAL will be prepared in accordance with the following:
   a. The enclosed Contact Sheet/Proposal Form, attached hereto as "Exhibit A", must be used when submitting your REQUEST FOR PROPOSAL.
   b. All information required by the Contact Sheet/Proposal Form must be furnished. The Proposer must print or type his/her name and manually sign the Form and any continuation sheet on which an entry is made.
   c. Unit prices must be shown and where there is an error in extension of price, the unit price will govern.
   d. Alternate Proposals will not be considered unless authorized by the Request for Proposal.
   e. Proposers will **not** include federal taxes nor State of Florida sales, excise, and use taxes in prices, as the City is exempt from payment of such taxes. An exemption certificate will be signed where applicable upon request.
   f. Proposers must make all investigations necessary to thoroughly inform themselves about any and all conditions related to the performance of the contract. Plea of ignorance by the Proposer of conditions that exists or may hereafter exist as a result of failure or omission on the part of the Proposer to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements provided for in the Purchasing Policy, Purchasing Ordinance and/or State and Federal Statutes. The City's Purchasing Ordinance is set forth in Chapter 2-420, *et seq*.
   g. Prices quoted must be FOB City of Fernandina Beach, Florida with all transportation charges prepaid unless otherwise specified in the Request for Proposal.
   h. Deliveries are to be FOB Destination unless otherwise specified in the Request for Proposal.
   i. Deliveries are to be made during regular business hours.
   j. Proposals and Proposal prices must be valid for a minimum of ninety (90) days, unless otherwise stated on the REQUEST FOR PROPOSAL.

2. **SUBMISSION OF PROPOSAL**
   a. Submittals and changes thereto must be enclosed in sealed envelopes and addressed as instructed. The name and address of the respondent, the date and hour of the Request for Proposal opening and the material or service must be placed on the outside of the envelope.
   b. REQUEST FOR PROPOSAL must be submitted on the forms furnished. Electronic Proposals will not be considered.

3. **REJECTION OF PROPOSAL**
   a. The City reserves the right to accept or reject any or all Proposals, to waive irregularities and technicalities, and to request resubmission or to re-advertise for the services. The City will be the sole judge of the submittals. The City's decision will be final.

4. **WITHDRAWAL OF PROPOSAL**
   a. Proposals may not be withdrawn after the time set for the opening for a period of time as specified.
   b. Proposals may be withdrawn prior to the time set for the opening. Such request must be in writing.

5. LATE PROPOSAL

a. REQUEST FOR PROPOSAL and modifications received after the time set for the opening will not be considered.
b. Modifications in writing received prior to the time set for the opening will be accepted.

LOCAL, STATE, AND FEDERAL COMPLIANCE

a. Proposers must comply with all local, state, and federal directives, orders and laws as applicable to the REQUEST FOR PROPOSAL and subsequent contract(s) in accordance with the requirements as stated in CFR 200.321, including but not limited to Equal Employment Opportunity (EEO), Minority Business Enterprise (MBE), and Occupational Safety and Health Administration (OSHA) as applicable to this contract.
b. A "Public Entity Crimes Statement", in accordance with Florida Statutes, Section 287.133 (3) (a), on Public Entity Crimes, attached hereto as "Exhibit B", must be received at the time of the proposal.
c. A "Drug Free Workplace Certification" attached hereto as "Exhibit C", must be received at the time of the proposal.
d. The City of Fernandina Beach requires that the Proposer selected will not discriminate under the contract against any person, in accordance with federal, state and local government regulations.
e. An "E-Verify Statement" attached hereto as "Exhibit D" must be received at the time of the proposal.

7. AWARD OF REQUEST FOR PROPOSAL

a. The REQUEST FOR PROPOSAL will be awarded to the most responsive and responsible proposer offering the best value to the City of Fernandina Beach.
b. The City reserves the right to accept and award item by item, and/or by group, or in the aggregate.
c. A written award of acceptance (Purchase Order) mailed or otherwise furnished to the successful Proposer will result in a binding contract without further action by either party.
d. Unless otherwise noted in the specifications, the length of the agreement will be one year, with two one-year renewals possible based on the mutual consent of the parties.
e. Upon award, for construction projects, the Contractor will be required to complete/execute the City's Contract and General Conditions for Construction Services. An example of the contract can be found on the City's website at www.fbfl.us/bids, Bids and Purchasing web page.
f. Agreement may be cancelled with 60-day notice unless otherwise stated in signed contract documents.

8. NOT RESPONSIBLE FOR COSTS

a. The City will not be responsible for any cost incurred by a prospective Proposer in responding to this REQUEST FOR PROPOSAL.

9. BONDS

- If Proposal is less than $100,000 no Proposal Bond or Payment and Performance Bond required.
- If Proposal is greater than $100,000 and is for material only, a Proposal Bond is required but no Payment and Performance Bond is required.
- If Proposal is $100,000 - $200,000, and is for services, a Proposal Bond is required but no Payment and Performance Bond is required.
- If Proposal is greater than $200,000, and is for services, Proposal Bond and Payment and Performance Bond is required.

PROPOSAL BOND:

a. If the Base Proposal or the Base Proposal plus the sum of any alternates fall into the criteria above requiring a Proposal Bond, the Proposer must enclose a Certified Check or Proposal Bond with each Proposal. A Certified Check or Proposal Bond must be for an amount not less than five percent (5%) of the Proposal price and
must be made payable to the CITY OF FERNANDINA BEACH as a guarantee that the Proposer will not withdraw its proposal for a period of ninety (90) calendar days after Proposal closing time. Proposal Bonds or Certified Checks will be returned to unsuccessful Proposal within 10 days of proposal award. Successful proposers will receive their Certified Check or Proposal Bond after the contract/agreement has been signed and a Performance and Payment Bond is received.

PERFORMANCE AND PAYMENT BONDS:

a. In the event the Contract is awarded to the Proposer, Proposer will thereafter enter into a written contract with the CITY OF FERNANDINA BEACH and furnish a Payment and Performance Bond in an amount equal to the contract price. The form of the bonds shall be in accordance with Section 255.05 of Florida Statutes. Failing to do so, Proposer must forfeit its proposal security.
Payment and Performance Bond must be secured from or countersigned by an agency or surety company recognized in good standing and authorized to do business in the State of Florida.
The following exceptions to proposer providing Performance and Payment Bonds are as follows: In lieu of the Performance and Payment Bonds, a contractor may file with the City an alternative form of security in the form of cash, a money order, a certified check, a cashier's check, an irrevocable letter of credit, or a security of a type listed in part II of chapter 625, Florida Statutes. Any such alternative form of security must be for the same purpose and be subject to the same conditions as those applicable to the bonds. The value of an alternative form of security must be in the amount of the proposal.

10. PUBLIC INFORMATION

a. All information contained in this Proposal is public information, and as such will be handled in accordance with chapter 119, Florida Statutes.

11. ADDITIONAL INFORMATION

a. The City reserves the right to require Proposers to provide references and information on previous similar experience prior to award of the contract.

12. QUESTIONS

a. Any questions about the REQUEST FOR PROPOSAL should be communicated per instructions in the REQUEST FOR PROPOSAL.

13. INDEMNIFICATION AND INSURANCE

INDEMNIFICATION

The parties recognize that BROKER/CONSULTANT is an independent Contractor. BROKER/CONSULTANT agrees to assume liability for and indemnify, hold harmless, and defend the CITY, its
commissioners, mayor, officers, employees, agents, and attorneys of, from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, arising directly or indirectly out of or in connection with any negligent and/or deliberate act or omission of BROKER/CONSULTANT, its officers, employees, agents, and representatives. BROKER/CONSULTANT's liability hereunder must include all attorney's fees and costs incurred by the CITY in the enforcement of this indemnification provision. This includes claims made by

the employees of BROKER/CONSULTANT against the CITY and BROKER/CONSULTANT hereby waives its entitlement, if any, to immunity under Section 440.11, Florida Statutes. The obligations contained in this provision will survive termination of this Agreement and will not be limited by the amount of any insurance required to be obtained or maintained under this Agreement. Nothing contained in the foregoing indemnification will be construed to be a waiver of any immunity or limitation of liability the CITY may have under the doctrine of sovereign immunity or Section 768.28, Florida Statutes.

INSURANCE

Prior to commencement of any work under this Contract and until completion and final acceptance of the work, the BROKER/CONSULTANT must, at its sole expense, maintain the following insurance on its own behalf, and furnish to the CITY certificates of insurance evidencing same and reflecting the effective date of such coverage as follows:

The term "BROKER/CONSULTANT" as used in the insurance rider, will mean and include Subcontractors of every tier.

A. Worker's Compensation and Occupational Disease Insurance in accordance with the applicable law or laws; Employer's Liability Insurance with limit of at least One Million ($1,000,000) dollars. This includes sole proprietorships and officers of corporations who will be performing work on the job.

B. Commercial General Liability with a combined Bodily Injury and Property Damage limit of not less than ONE Million ($1,000,000.00) dollars per occurrence and TWO Million ($2,000,000) Dollars in the aggregate. The aggregate must be applicable on a per project basis. Coverage must include the following perils:
   1. Broad Form Blanket Contractual Liability for liability assumed under this Contract and all other Contracts relative to the project.
   2. Completed Operations/Products Liability.
   3. Broad Form Property Damage
   4. Personal and Advertising Injury Liability
   5. Independent Contractors
   6. Endorsements must be furnished reflecting the inclusion of the interests of Owner, Construction Manager, General Contractor, Contractor, (your company), their officers, directors, partners, representatives, agents and employees, and naming each as an Additional Insured on a primary and non-contributing basis.
   7. Coverage is to be endorsed to reflect that insurance is to be primary and non-contributory with respect to any other collectable insurance, for the Owner, General Contractor, Contractor, (your company) and all other parties required to be named as additional insureds.
   8. Coverage is to be provided on an "occurrence" basis with carriers licensed and admitted to do business in the State of [your state] or otherwise acceptable to the Contractor (your company).
   9. A copy of policy and/or endorsement(s) and any other documents required to verify such insurance are to be submitted with the appropriate certificate(s),
      or upon the request of Contractor (your company). Failure to provide these documents is not to be construed as a waiver of the requirements to provide such insurance.

C. Commercial Automobile Liability Insurance covering the use of all Owned, Non-Owned, and Hired Vehicles with combined Bodily Injury and Property Damage Limit of at least One Million ($1,000,000) Dollars.

D. Umbrella I Excess Liability Insurance with a limit of no less than One Million ($1, 000,000) dollars minimum per occurrence.

E. During the term of this agreement, (if applicable) the BROKER/CONSULTANT will carry Professional

Liability Insurance which will cover liability for any damage or non-performance on account of any error, omission, or other provable negligence caused by the BROKER/CONSULTANT. The amount of insurance must not be less than One Million ($1,000,000) Dollars per occurrence and aggregate.

F. Loss Deductible – If the insurance of any BROKER/CONSULTANT contains deductible(s), penalty(s) or self-insured retention(s), the BROKER/CONSULTANT
Whose insurance contains such provision(s) must be solely responsible for payment of such deductible(s), penalty(s) or self-insured retention(s).

G. Where an Off Project Site Property exposure exists, the Contractor at its sole expense must furnish to the Owner and Contractor (your company) Certificates of Insurance and other required documentation evidencing the following coverage which will provide for the interests of [Name of Owner] , [Name of General Contractor] and (your company) to be named as Loss Payees and will contain a provision requiring the insurance carriers to waive their rights of subrogation against all indemnities' named in the contract.
"All Risk" Property Insurance on all materials, equipment and supplies intended to become a permanent part of the construction stored on premises away from the
project site and while in transit, until actually delivered to the project site. Coverage is to be provided on a replacement cost basis.

H. The above insurances must each contain the following wording verbatim: "[Name of Owner], [Name of General Contractor] , and (your company) are interested in the maintenance of this insurance and it is agreed that this insurance will not be canceled , materially changed or not renewed without at least a thirty (30) day advance written notice to [Name and address of Owner] , [Name and address of General Contractor] and [Name and address of your company] by certified mail-return receipt requested ."

I. The amount of insurance contained in the aforementioned insurance coverages will not be construed to be a limitation of the liability on the part of the Subcontractor or any of its Subcontractors.

J. The Contractor must file certificates of insurance prior to the commencement of work with the Owner and the General Contractor which will be subject to the Owner, General Contractor and (your company) approval of adequacy of protection and the satisfactory character of the Insurer.

K. Any type of insurance or any increase of limits of liability not described above which the Subcontractor requires for its own protection or on account of statute shall be its own responsibility and at its own expense.

L. The carrying of the insurance described shall in no way be interpreted as relieving the Contractor or Subcontractor of any responsibility of liability under this Contract.

M. Any policies effected by the Contractor on its Owned and/or Rented Equipment and Materials must contain a provision requiring the insurance carriers to waive their rights of subrogation against the [Name of Owner], [Name of General Contractor], [Name of Contractor (your company)] and all other indemnities named in the Contract.

N. Should the Contractor engage a Subcontractor, the same conditions will apply under this contract to each Subcontractor, however, the retained Subcontractor must be required to maintain limits of liability of not less than One Million ($1,000,000) Dollars per occurrence and Two Million ($2,000,000) Dollars in the aggregate, with said limits applicable on a per project basis, or such greater limits as may be required by the retaining Subcontractor.

14. PAYMENT

Payment due hereunder must be made by the City to BROKER/CONSULTANT in accordance with the Florida Prompt Payment Act.

15. PROPOSAL PROTESTS

Proposal protest conditions and procedures are in accordance with City Ordinances – Part 2, Chapter 2, Article VII, Division 2, Section 2-444.

16. FEDERAL GRANT MONEY

In the event this project is funded with federal grant monies, BROKER/CONSULTANT may not participate in the proposal if BROKER/CONSULTANT is listed in the Excluded Parties List System (EPLS) a federal suspension and debarment listing. The Federal Government's Excluded Parties List System (EPL) is located at, including but not limited to, https://www.sam.gov/portal/SAM/. BROKER/CONSULTANT must include copy of search results with bid or proposal.

17. LOBBYING

a. Lobbying is defined as any action taken by an individual, firm, association, joint venture, partnership, syndicate, corporation, and/or all other groups who seek to influence the governmental decision of a Board Member, the City Manager, and/or any City Personnel during the solicitation process. The lobbying black-out period commences upon the issuance of this solicitation and concluded upon the signing of the agreement. CONTRACTORS must not contact any Commission Member and/or any requesting or evaluating Department/Office personnel during said black-out period. All questions and procedural matters must be directed to the City Manager. The City Commissioners and/or the City Manager may disqualify any solicitation response where any Commissioner, the City Manager, and/or City Personnel have been lobbied in violation of the black-out period.

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for _____._____ _____

2. This sworn statement is submitted by (entity) _____ whose business address is _____ and (if applicable) Federal Employer Identification Number (FEIN) is _____(If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

3. My name is_____and my relationship to the entity named above is _____.

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or

    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

____ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)

____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

DRUG-FREE WORKPLACE CERTIFICATION

The below-signed INDIVIDUAL/FIRM certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace prepare, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or services a copy of the statement specified in paragraph 1.

4. In the statement in paragraph 1., notify the employees that, as a condition of working on the commodities or contractual services that are under proposal, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.

5. Impose a sanction on, or require fine satisfactory participation in drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I Certify that this firm complies fully with the above drug-free workplace requirements.

CONFLICT OF INTEREST STATEMENT

This sworn statement is submitted with Bid, Proposal or Contract for _____._____ _____

This sworn statement is submitted by (entity) _____ whose business address is _____ and (if applicable) Federal Employer Identification Number (FEIN) is _____(If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

My name is_____and my relationship to the entity named above is_____.

1. The above-named entity is submitting a Proposal for the City of Fernandina Beach.
2. The Affiant has made diligent inquiry and provides the information contained in the Affidavit based upon his/her own knowledge.
3. The Affiant states that only one submittal for the above proposal is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
4. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraints of free competitive pricing in connection with the entity's submittal for the above proposal. This statement restricts the discussion of pricing data until the completion of negotiations if necessary and execution of the Contract for this project.
5. Neither the entity not its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participation in contract letting by any local, State, or Federal Agency.
6. Neither the entity nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
7. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with the City of Fernandina Beach.
8. I certify that no member of the entity's ownership or management, or staff has a vested interest in any aspect of the City of Fernandina Beach.
9. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify the City of Fernandina Beach.

Cover Letter/Executive Summary

On behalf of Risk Management Associates, Inc., a wholly owned subsidiary of Brown & Brown, Inc., we are pleased to present many compelling reasons why our company is best suited to serve the City of Fernandina Beach.

Market Presence

5th largest insurance broker in the United States of America – $22+ Billion in premiums placed on behalf of our clients providing them unparalleled access to market and quote options.

Public Sector Experience

Our service office works only with public entities, so we are 100% focused on your business every day. We represent more Florida Governments than any other broker, with over 200 public entity clients. We also provide a nationwide network of public entity specialists to ensure the best governmental products and services in the country.

Homegrown Florida Company

Founded in 1939 in Daytona Beach, our company remains proudly Florida domiciled. Brown & Brown is the largest broker in Florida, with 60 Florida offices providing a myriad of industry support services.

Local Presence

The City's proposed service team is located in our Corporate Headquarters in Daytona Beach (300 North Beach Street, Daytona Beach, FL 32114). In addition, affiliated offices in Jacksonville, FL provide retail services, NFIP flood, and wholesale brokerage operations.

The A-Team

Michelle Martin, Sr. Vice President and 30+ year industry veteran, will serve as Project Manager of your team of Property & Casualty service professionals. A dedicated Account Executive and a Public Risk Advisor will also be provided to the City. In addition, the City will have access to our Claims Specialist.

Key Partnerships

We are proud to foster relationships with companies and industry experts in government that will bring value to the City's risk management program. Of utmost importance to the City is that our office is the largest broker by volume for the City's current Property, Liability and Workers' Compensation insurance carrier, the *Preferred* Governmental Insurance Trust. It will be critical for the City to utilize the best negotiating power available for this year's renewal.

Brown & Brown's rich corporate culture spans 84 years. From our early beginnings from a family-owned business in Daytona Beach to our current status as a $2,700,000,000 international industry leader, we have remained strong and focused in Florida. We have consistently grown because we have consistently invested in our personnel and infrastructure to continuously bring more to our customers.

Our knowledgeable, helpful staff goes over and beyond to be ensure accurate transactions and efficient use of the City's time. Our customers agree – we encourage you to reach out to the references provided. All references to our public entity experience are limited to those provided by this office that will serve the City, not an aggregation of national public entity business experience served by various offices and personnel that you may find with other competing agents/brokers.

Our team delivers industry-leading programmatic results and risk management resources, especially within the Public Sector. We strategically leverage market forces, spur competition, and as a result, can consistently bring the most viable insurance placements, program design, and risk management services to our clients. Throughout this response, our approach revolves around four main objectives that will exemplify why we are the best qualified firm to manage your Property & Casualty insurance needs:

1) Identify and transfer risk in accordance with the City's Vision and long-term goals
2) Reduce the City's Total Cost of Risk
3) Improve administrative efficiencies
4) Provide Concierge-Level Service including Loss Control, Claims Advocacy and Risk Consulting

Our strategies have been very successful. We have **never failed to improve** an entity's insurance program when taking over as the broker of record. We DO NOT STOP making improvements after the first year. It is our goal to assess individual client goals and stay ahead of the market pulse to negotiate program improvements perpetually.

We are a team of passionate, motivated, hard-working insurance industry leaders who are extremely excited and ready to work with the City on a new partnership focused on long-term goals and improvements to the City's current program with an injection of expertise, energy, and fresh ideas.

Sincerely,

Matthew Montgomery

Resident Insurance License	Issue Date
• 0220 - GENERAL LINES (PROP & CAS)	6/8/1994

Please Note: A licensee may only transact insurance with an active appointment by an eligible insurer or employer. If you are acting as a surplus lines agent, public adjuster, or reinsurance intermediary manager/broker, you should have an appointment recorded in your own name on file with the Department. If you are unsure of your license status you should contact the Florida Department of Financial Services immediately. This license will expire if more than 48 months elapse without an appointment for each class of insurance listed. If such expiration occurs, the individual will be required to re-qualify as a first-time applicant. If this license was obtained by passing a licensure examination offered by the Florida Department of Financial Services, the licensee is required to comply with continuing education requirements contained in 626.2815 or 648.395, Florida Statutes. A licensee may track their continuing education requirements completed or needed in their MyProfile account at https://dice.fldfs.com. To validate the accuracy of this license you may review the individual licensee record under "Licensee Search" on the Florida Department of Financial Services website at http://www.MyFloridaCFO.com/Division/Agents.

EXHIBIT "B"

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for RFP 23-04 - Property & Casualty Ins. Brokerage Services

2. This sworn statement is submitted by (entity) Risk Management Associates, Inc. whose business address is 300 N. Beach St. Daytona Beach, FL 32114 and (if applicable) Federal Employer Identification Number (FEIN) is 59-2445801 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

3. My name is Matthew Montgomery and my relationship to the entity named above is Executive Vice President

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or

    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

X Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)

____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

DRUG-FREE WORKPLACE CERTIFICATION

The below-signed INDIVIDUAL/FIRM certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace prepare, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or services a copy of the statement specified in paragraph 1.

4. In the statement in paragraph 1., notify the employees that, as a condition of working on the commodities or contractual services that are under proposal, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.

5. Impose a sanction on, or require fine satisfactory participation in drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I Certify that this firm complies fully with the above drug-free workplace requirements.

Our insurance will exceed the Insurance requirements in the RFP (see informational Certificate of Insurance on the next pages). Of particular note:

- Item B, page 12, requests a "Per Project" General Aggregate. Due to the nature of our business, our General Liability coverage applies on a Per Policy basis. You will find that our General Aggregate far exceeds the $3,000,000 requirement with a $20,000,000 limit including the Umbrella limits.
- Item B9, page 12, requests copies of actual policies. Brown & Brown legal counsel prefers not to provide copies of policies to any outside party. We will, however, provide updated Certificates of Insurance and/or other forms confirming appropriate insurance coverage.

THIS FORM MUST BE INCLUDED WITH BID/PROPOSAL

CONFLICT OF INTEREST STATEMENT

This sworn statement is submitted with Bid, Proposal or Contract for RFP 23-04-Property & Casualty Ins. Brokerage Services

This sworn statement is submitted by (entity) Risk Management Associates, Inc whose business address is 300 N. Beach St. Daytona Beach, FL 32114 and (if applicable) Federal Employer Identification Number (FEIN) is 59-2445801 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

My name is Matthew Montgomery and my relationship to the entity named above is Executive Vice President

1. The above-named entity is submitting a Proposal for the City of Fernandina Beach.
2. The Affiant has made diligent inquiry and provides the information contained in the Affidavit based upon his/her own knowledge.
3. The Affiant states that only one submittal for the above proposal is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
4. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraints of free competitive pricing in connection with the entity's submittal for the above proposal. This statement restricts the discussion of pricing data until the completion of negotiations if necessary and execution of the Contract for this project.
5. Neither the entity not its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participation in contract letting by any local, State, or Federal Agency.
6. Neither the entity nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
7. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with the City of Fernandina Beach.
8. I certify that no member of the entity's ownership or management, or staff has a vested interest in any aspect of the City of Fernandina Beach.
9. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify the City of Fernandina Beach.

My name is Matthew Montgomery and my relationship to the entity named above is Executive Vice President

1. The above named is fully informed respecting the preparation and contents of the attached proposal and of all pertinent circumstances respecting such proposal;
2. Such Proposal is genuine and is not a collusive or sham proposal;
3. Neither the said Proposer nor any of its officers, partners, owners, agents, representatives, employees, or parties in interest, including this affiant, has in any way colluded, connived, or agreed, directly or indirectly, with any other Bidder, firm or person to submit a collusive or sham Proposal in connection with such Contract, or has in any manner, directly or indirectly, sought by agreement or collusion or communication or conference with any other Bidder, firm, or person to fix the price or prices in the attached proposal or any other Bidder, or to fix any overhead, profit or cost element of the proposal price or the proposal price of any other Bidder, or to secure through any collusion, connivance, or unlawful agreement any advantage against the City of Fernandina Beach, Florida or any person interested in the proposed Contract; and
4. The price or prices quoted in the attached proposal are fair and proper and are not tainted by any collusion, conspiracy, connivance, or unlawful agreement on the part of the Bidder or any of its agents, representatives, owners, employees, or parties in interest, including this affiant.

DISPUTES DISCLOSURE FORM

Answer the following questions by placing as "X" after "YES" or "NO". If you answer "YES", please explain in the space provided, or via attachment.

Has your firm or any of its officers, received a reprimand of any nature or been suspended by the Department of Professional Regulations or any other regulatory agency or professional association within the last five (5) years?

YES___ NO__X_____

Has your firm, or any member of your firm, been declared in default, terminated or removed from a contract or job related to the services your firm provides in the regular course of business within the last five (5) years?

YES_____NO___X_____

Has your firm had against it or filed any request for equitable adjustment, contract claims, bid protest, or litigation in the past five (5) years that is related to the services your firm provides in the regular course of business?

YES_____NO__X_____

If yes, state the nature of the request for equitable adjustment, contract claim, litigation, or protest, and state a brief description of the case, the outcome or status of the suit and the monetary amounts or extended contract time involved.

I hereby certify that all statements made are true and agree and understand that any misstatement or misrepresentation or falsification of facts shall be cause for forfeiture of rights for further consideration of this proposal for the City of Fernandina Beach.

Firm Qualifications

Tab 2: Firm Qualifications

Provide a brief history and description of your firm. Include a description of resources or services that may be utilized that are not housed in your local office.

Our Company

Brown & Brown, Inc. was founded in 1939 (**in business for 84 years**) in Daytona Beach and has since grown to be the largest insurance intermediary in Florida and the 5th largest in the United States. We have over 450 offices in **the United States, England, Ireland, Canada, Grand Cayman, and Bermuda**, housing **more than 15,000 teammates**. We provide products and services to many industries in the USA and abroad.

Powered by a culture that values high performance and perseverance, Brown & Brown is arguably the most efficient operating platform in the insurance brokerage business. We consistently deliver high-quality solutions and services to a broad array of customers. Our entrepreneurial culture is built on integrity, innovation, superior capabilities, and discipline. We view insurance differently and use our experience, carrier relationships, and principled customer focus to deliver first-class service and solutions.

Brown & Brown began in Florida, and Florida remains one of our largest operations, including:

- **60 Florida** offices with more than **2,500** teammates.
- **$2.6 Billion** of insurance premiums placed in Florida.
- Outside of our Daytona Beach headquarters, operations include offices in: *Jacksonville, Tallahassee, and Atlanta, GA.*
- Customer-focused, ethical, transparent, and long-term operating model
- Stringent quality control and operating system requirements
- Significant investment in people and technological development to best serve our clients
- Direct access to national public entity and other subject-matter experts

One of our core philosophies, as communicated by Mr. J. Hyatt Brown, Chairman of Brown & Brown, illustrates our culture and corporate commitment:

"The best way is almost always the most difficult way. Long term success involves conflict with those who are not disciplined or committed. Our model is designed to allow those uncommitted, undisciplined people to find other companies whose focus is not forever."
J. Hyatt Brown

The Brown & Brown Public Sector team is a highly specialized unit of insurance advisors trained to deliver industry-leading services to public entities in the State of Florida. Since 1992, we have continuously refined that specialization and enhanced our services, while becoming the largest public entity brokerage in Florida. Our team provides Property & Casualty and Employee Benefits services to governments from Key West to the Panhandle and represents more than 200 clients.

We have proven over nearly three decades of service to local governments that we are a highly sophisticated and accountable team of insurance professionals, laser-focused on providing both world-class brokerage services and concierge-level support to our clients. We have built our reputation by empowering our governmental clients to outperform their industry peers and lower their cost of risk; all while staying within their annual budgetary constraints. Our team is committed to serve those who serve the public – and provide superior service to our clients and their staff.

Company Snapshot: Brown & Brown, Inc.

- ✓ Publicly traded Florida Corporation **formed in 1939 (operating for 84 years)**

- » Safety & Loss Control and Claims Mitigation Strategies
- » Insured Asset Schedule Management
- » Communicate Legislative Impacts, Industry Trends and Market Conditions

Resources and Services

Aviation Enterprise Team

PROPERTY & CASUALTY

Aviation Services

Supporting the Navigation of Your Flight Path

Overview

Aviation risks are unique and complex – regardless of your scope of operation. Brown & Brown has a risk management team dedicated to aviation that works with you and your team to gain a better understanding of your needs and identify, assess and help to manage the potential risks in your flight path.

How We Can Help

Our team consists of experienced aviation professionals who are not only licensed pilots, but also have the specialized knowledge needed to navigate the aviation insurance marketplace. We use this knowledge to consult on a diverse spectrum of aviation risks.

- **Direct Access:** We do not use domestic wholesale brokers, which allows our team to negotiate directly with insurance companies. As a result, you receive prompt service and expedited delivery of time-sensitive documents.
- **Accidents Happen:** Immediate first response is crucial in the aviation industry. Our team is accessible to help coordinate with claims professionals and deploy resources. We are accustomed to NTSB and FAA protocols, which enable us to communicate effectively in accident scene investigations.
- **Commitment:** To show our team's passion and commitment, we are actively involved with national and regional aviation organizations. These include the National Business Aircraft Association (NBAA), Aircraft Builder's Counsel (ABC) and the Aviation Insurance Association (AIA).
- **Safety:** Safety is the cornerstone of our industry. Through select insurance partners, we offer state-of-the-art aviation safety programs for flight departments. Some of these include:
  - Emergency Response Planning (ERP)
  - Safety Management Systems (SMS)
  - IS0-BAO Certification Phases I through III Implementation

Specialties

- Aircraft Hull & Liability
- Airport Liability
- Agricultural Aviation
- Aviation Products Liability
- Aviation General Liability
- Government & Municipal Aircraft & Airports
- Non-Owned Aircraft Liability
- Workers' Compensation
- Environmental Coverage
- Unmanned Aircraft Systems (UAS)

FEMA Public Assistance Coordination

Our vast experience in managing large property claims has led us to develop unique programs such as our FEMA Coordination program. This service was created in response to the difficulty that most public entities experienced in dealing with FEMA after the major storms in 2004.

Our first initiative was to gain an intimate understanding of the Stafford Act and its implications in providing public assistance funds in Florida. We then met directly with FEMA representatives in the Lake Mary Long Term Disaster Recovery office and quickly established a procedure and protocol with FEMA personnel that will improve their ability to expedite public assistance funds to our clients. For example, we have provided a current client property policy and schedule to FEMA in advance of any losses so that FEMA will not need to request this information directly from our clients. We have also coordinated the efforts of the insurance company's loss adjusters to better align with the data that FEMA requires on their Project Worksheets. These Project Worksheets are an integral part of FEMA's reimbursement process and can significantly slow the process if they are not completed accurately.

We are also committed to working directly with FEMA representatives and consultants to expedite every aspect of the public assistance process.

In the event of a major loss we will be assisting in every step of the insurance company claims process as well as the FEMA reimbursement process. We are confident that with the protocols in place we can effectively improve the expediting of claim payments and cash flows.

Exposure Identification Tool

RiskMeter Online™ CoreLogic®

A completely online resource providing on-demand hazard risk data. This in-house subscription is utilized to be sure the most accurate and complete underwriting data is provided to the property underwriters via the Property Schedule.

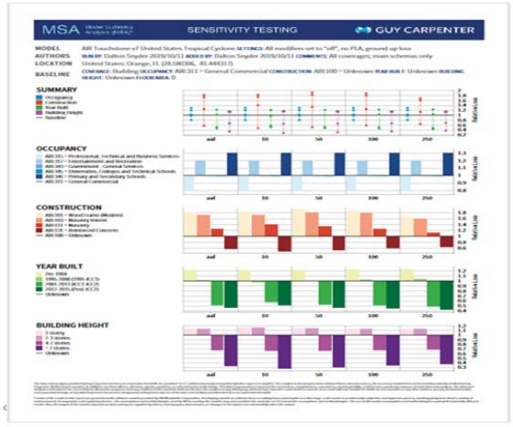
Real Time Data Available for individual sites includes:

- Distance to Coast
- Flood Zone Determination including distance from SFHA zone
- Storm Surge Score
- FEMA Flood Insurance Rate Map and panel number

Property Management Tools

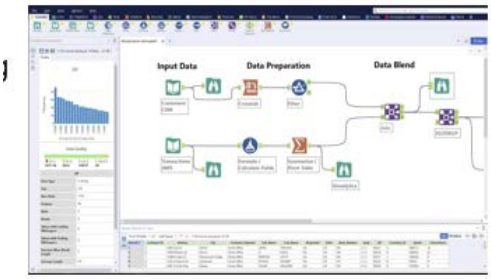
Via Preferred Governmental Insurance Trust, there are many value-added resources available, including FREE property appraisals. We assist in scrubbing/reconciling property appraisals and implementing new values. We also will provide annual advice on trending of values.

In addition, we will make available, at no cost, a valuable web-based Property Asset Management Tool. This property management web-based platform is offered by Asset Works, an industry leading appraisal and asset management company. AMP provides the user with an easy and efficient tool to maintain tangible property data including; buildings, contents, property in the open, vehicles, mobile equipment and other fixed assets. AMP can greatly increase the integrity of data and has complete conversion capability for catastrophic modeling, proof of loss documentation and a plethora of property-based reports.



Property Modeling & Risk Analytics

We have a national contract with AIR Worldwide for access to their **Touchstone** Platform. The Touchstone Platform provides proprietary software-driven program analytics of individual client risk exposures on multi-layered interactive maps. These highly sophisticated analyses provide actionable data via Interactive mapping and client-specific geographic risk profiles, including:



- Data analysis to reduce uncertainty, ensure accurate underwriting data, and preempt modeling formulas utilized by insurers to evaluate risk, set rate and coverage terms
- Custom catastrophe and non-catastrophic modelling analysis
- Visualize severe thunderstorm and windstorm risks
- Quality data analytics which measure true risk profiles
- Geo-visualization tool – Spatial Key

AIR® A Verisk Business

Data Auditing and Sensitivity Testing

Data Cleansing

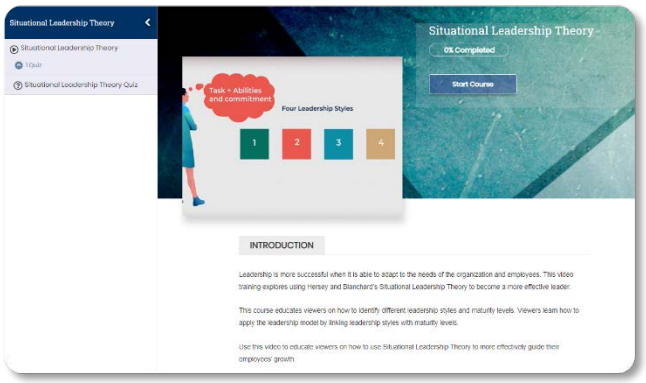
Vendor Insurance Requirements

One of the most critical risk exposures to public entities is Contractual Risk. We are well-versed in contractual risk transfer techniques.

We have worked with many clients to assist with Vendor Insurance Requirements, including the following steps:

- **Standard Procurement/RFP template for insurance requirements**
- **Matrix for appropriate limits for different types of vendors/risks**
- **Training on how to check a Certificate of Insurance to the requirements**
- **Direct Assistance and review of individual contract verbiage, coverage and limit requirements, certificate review, and more.**

Note: Contract suggestions concerning risk transfer is provided from a Risk Management perspective only and is not legal advice.



Online Training Resource

Streamery is an online streaming solution provided to our customers to facilitate the training of employees on the policies and procedures that build a safe workplace.

Streamery (f.k.a. TNN-Training Network Now) serves as a leader in the distribution of Safety, Management, Technology, and Human Resource training programs. They offer a variety of tools and solutions to help organizations comply with HR regulations and requirements, including OSHA, DOT and the EEOC. The innovative training platform includes over 700 videos on demand that can be streamed anytime, anywhere. The included Training Support Materials make this valuable resource the perfect tool for instructor led or individual training. Notable subjects include:

Defensive Driving
Emergency Planning
Active Shooter and Workplace Violence
Evacuation Procedures
Using Fire Extinguishers
First Aid- Until Help Arrives
Hazard Recognition
HIPPA Rules and Compliance

These work best when led by a supervisor or trainer from an individual department. The trainings are short (5-20 minutes on average), so are perfect for use in weekly safety meetings!

Separately, provide a description of services and resources that may be introduced to the City of Fernandina Beach over time that may add value to ~~its e~~mployee benefits program or other business objectives.

Training and Education

Our greatest expertise arises out of our experience with governmental clients at every size and every risk tolerance. We represent clients as small as 10 employees and as large as more than 50,000 employees. Those clients have risk management programs which range from 1st dollar, to almost completely bare from an insurance perspective. That experience allows us to bring expertise, ideas, and perspective from every possible angle within the industry.

From a training perspective, one of our on-staff strengths is guidance and development of Safety and Risk Policies and Procedures as described earlier in this Tab.

We offer corporate affiliates, carrier resources, and independent partners for loss control. There may be additional costs associated with this, and we offer further discussion concerning the needs of this service, plus additional verbiage to our contract to include services desired at an appropriate price point.

Safety and Loss Control

Safety is a key objective of our program, and a tailored loss control plan is the key to lowering the long-term cost of risk for the City. We will coordinate a highly qualified loss control representative for on-site training, safety audits, policy review, workers' compensation claim reduction and other activities at the direction of the City. We will be an active partner in assisting the City's loss control, safety and claim reduction efforts, and are committed to providing meaningful risk control tools and analysis. As such, our efforts will be tailored to the specific needs of the City and measured for cost effectiveness.

The City will be assigned a **Safety & Risk Management Consultant** to identify needs and deliver risk management resources. All our consultants have over 20 years of experience each. Customized on-site training is dependent upon the needs of the City. Some of the standard training topics include (but are certainly not limited to):

- Emergency and Hurricane Preparedness
- Defensive Driving
- Workplace ergonomics
- Job Hazard Analysis
- Employment Practices
- Mental Health/PTSD in the Workplace

Our Team will obtain, analyze, and monitor workers' compensation loss reports monthly and establish meetings with staff to review loss trends. We participate in claims reviews, mitigate claim issues, work directly with adjusters and defense counsel when necessary, and always seek to serve as an extension of our client's risk staff.

Brown & Brown will assist with the coordination of all resources available to the City.

Our overall approach is focused on proven insurance industry and risk management strategies which reduce your Total Cost of Risk. These can be broken down into the following categories.

- ✓ **Client Vision**
- ✓ **Risk Assessment**
- ✓ **Risk Management Consulting**
- ✓ **Risk Control Resources**
- ✓ **Market Research & Negotiation**
- ✓ **Program Design & Insurance Placement**
- ✓ **Concierge-level Service**
- ✓ **Industry Communications**

Other - Preferred Resources

Safety & Risk Management Services Overview

The success of any Public Entity is tied to its ability to protect and preserve its human and physical assets. This basic premise serves as the cornerstone of an effective safety and risk management program and underscores the importance of safety and risk management to the community. Preferred Loss Control Consultants are very aware of the valuable contribution that a comprehensive Loss Control Program can make to your bottom line.

To better serve our members, we provide a full complement of services, resources and support. All services and resources are free to Preferred members.

Below is a quick summary of the many resources provided to Preferred members:

- **Safety & Risk Management Consultative Services**

  The Preferred Loss Control Team provides safety and risk management consultative services based on the best practices of accident prevention and claims management. Through the development and implementation of a customized service plan, your Loss Control Consultant will assist you and your organization in reducing claims frequency/severity as well as controlling insurance costs.

- **Claims Management**

  Your Public Risk Underwriters of Florida Loss Control Consultant will assist with the coordination of Claims Reviews and Claims 101 training, which are provided by Preferred Governmental Claims Solutions (PGCS). The intent is to assist members with posturing claims for positive outcomes as well as educate members on the best practices of claims management.

- **Preferred TIPS Program**

  Provides a reimbursement of up to 50 percent for relevant safety equipment/risk management training up to a maximum of $5,000 per policy period.

- **Online Learning Center**

  An online training platform offering more than 700 training courses covering topics related to HR/employment practices, OSHA compliance, motor vehicle safety and cyber awareness.

- **Streaming Video Training**

  An on-line video streaming service offering an extensive video library of over 700 videos allows you to watch videos 24/7 on your preferred mobile device. Topics include transport safety, hazmat, workplace safety, construction safety and human resource/legal compliance.

- **Preferred Risk Management Resource Center**

  Available to members who have their EPLI coverage with Preferred. The Center provides access to numerous resources on employment law, cyber security, ADA website compliance, safety and emergency/disaster response, as well as access to Florida-based employment law experts. HR and cyber experts can be contacted via phone or email.

- **My Community Workplace**

  A valuable on-line resource that provides up-to-date information, expert commentary, cutting edge training and information on topics ranging from workplace sexual harassment and workplace discrimination to wrongful termination, cyber awareness, ethical behavior and child protection.

- **Preferred News**

  We provide a quarterly newsletter covering key governmental insurance issues, relevant articles and member news.

- **Preferred Seminars/Webinars**

  Educational seminars/webinars offered throughout the policy year on relevant topics that include presentations by Public Entity experts and Preferred's panel of defense attorneys.

Preferred GOVERNMENTAL INSURANCE TRUST

YOUR MEMBER SERVICES & LOSS CONTROL TEAM

Kevin Meehan oversees the Loss Control and Member Services department and implements member service initiatives. He develops and improves educational training programs, member service platforms, and member safety incentive programs. He is ultimately responsible for increasing member engagement to improve member loss experience and reduce out of pocket costs.

Christopher H. Kittleson has more than 25 years of risk management and loss control experience. Chris has developed industry expertise in the areas of Public Entity Safety Program Development, Return to Work Programs, Regulatory Compliance, Accident Investigation and Safety Training. Chris graduated Cum Laude from St. Cloud State University with a BS in Engineering Technology. He earned his Associate in Risk Management (ARM) and Certified Playground Safety Inspector (CPSI) designations. He was awarded the 2013 Safety Professional of the Year Award by the South Florida Chapter of the American Society of Safety Engineers (ASSE). Chris has presented on behalf of National Associations and has published several articles in loss control and risk management trade publications

Pam Hancock has been in the insurance industry for the past 26 years and has worked primarily with governmental entities during her career. She provides safety training, program/policy development, safety committee oversight, performs claims reviews, trending analysis and inspections. With an emphasis on education and a deep understanding of the claims process, Pam has become a valuable resource to Preferred members. Pam is a Certified ADA Coordinator.

Mike Marinan has a degree in Industrial Safety Engineering and over 37 years experience in the safety and risk management field. Mike's primary objectives include safety and loss control initiatives, reconciling issues between Preferred members and third-party claims administrators, and developing opportunities for the Trust's participants to gather knowledge, skills, and information to effectively govern and manage insurance costs. Mike is a member of ASSE, was appointed by the Governor to the Task Force on Workplace Safety and has provided multiple trainings to state agencies.

Mike Stephens has been involved with Loss Control and Member Services since 2004. Mike has completed the OSHA 501 Trainer Course in Occupational Safety and Health Standards (General Industry) and has attained certification as a Safety Auditor. Mike's safety awareness and dedication to customer service are what make him an essential part of the Member Services and Loss Control team. Mike is the resources and services coordinator and support specialist for all Preferred members.

PGIT

PERSONALIZED TOP-TIER CLAIMS SERVICE

PGCS LEADERSHIP TEAM

Fred Tucker, Vice President

Fred is responsible for the daily operations of PGCS. Fred began his career in the insurance industry as an independent adjuster in 1999, working his way into a management role with a national insurance agency where he led the risk services department. Fred joined PGCS in 2007 as a Senior Claims Specialist handling public entity automobile liability, general liability, employment liability with an emphasis on complex matters involving litigation management, working closely with defense counsel to ensure proactive handling of claims.

Cheryl Riley, Director of WC Claims

Cheryl is responsible for the overall direction and leadership of the PGCS workers' compensation claims unit. While at PGCS, Cheryl has steadily promoted and held the positions of Account Manager, Quality Assurance Manager and Workers' Compensation Claims Manager prior to her current position of Director of Workers' Compensation Claims. Cheryl's dedication to customer-centric solutions and focus on building strong 'partner' relationships has been successful for PGCS and its customers. Cheryl holds a Florida All Lines license, and has earned the designation of a Board Certified Workers' Compensation Litigation Claims Specialist.

Stacy Hargrove, Director of Liability Claims

Stacy Hargrove has more than 33 years of experience handling all types of liability claims and subrogation matters. She has held various positions within the claims industry and has proactively handled a variety of liability claim types including auto accident, slip and fall, premises liability, employer liability, and subrogation recovery; all with client accolades for excellent customer service and knowledge. Stacy has extensive litigation management experience and works directly with defense counsel in defending litigated claims. She has also monitored several trials and has been successful in partnering with her legal team to achieve favorable defense verdicts as well as other positive resolutions. Stacy has a wealth of knowledge in the liability arena and is an integral and valued member of the PGCS team.

Preferred GOVERNMENTAL INSURANCE TRUST

DISASTER PREPAREDNESS AND RESPONSE- WE ARE WITH YOU EVERY STEP OF THE WAY

We take a multiprong approach to disaster response and recovery and it begins with **preparedness**. Our loss control consultants work with you to review and implement a disaster recovery plan that will stand up to the worst of disasters. We provide one on one training on the claims process and distribute an annual preparedness guide with an abundance of resources to make sure that you are ready should a disaster strike. We also provide hurricane kits so that you have the necessary policy information at your fingertips in the event of a power outage.

When a named storm is approaching, our field adjusters from Engle Martin are staged nearby with all contact and policy information for each member so that they can provide damage inspections immediately after a storm. Engle Martin uses cutting edge drone technology to identify damage mitigation opportunities that you may not have known existed. The EM adjusters also have access to prior appraisals and COPE data which helps streamline and expedite the claims process. This real time response enables us to get advance claim payments in your hands **within days**.

EM ENGLE MARTIN & ASSOCIATES
Adjusters & Claims Administrators

FIRST ONSITE PROPERTY RESTORATION

Preferred has partnered with First Onsite Property Restoration company to provide **turn-key emergency response mitigation and property restoration** with a 24/7 response including holidays and weekends. Their project managers will complete an initial scope and get the equipment you need to get back up and running immediately. First Onsite can supply backup generators, portables or temporary structures, and anything else you need. The project manager from First Onsite will provide a seamless delivery of service to get you back to your pre-disaster state. If your preference instead is a local contractor, you can use any vendor that you choose or select from our preapproved list of vendors. Payments can be made directly to vendors for a seamless process.

To finalize your claim, we provide a claim resolution packet which includes all documentation to support your claim in addition to FEMA closeout assistance.

The brief description of coverage contained in this document is provided as an accommodation only and is not intended to cover or describe all Coverage Agreement terms. Public Risk Underwriters of Florida

St. Cloud State University, MN
B.S. Engineering Technology

Public Risk Underwriters
2007 to Present

OSHA Certified Educator
American Society of Safety Engineers
National Safety Council Certified
Defensive Driving Instructor
Certified Playground Safety Inspector

30 Years' Experience

2. **Provide a profile of the proposed account executive's current client assignments. Your submittal should include the number of accounts, their complexity, and some reference to time allotments for each.**

Brown & Brown will provide a unique team for your daily service needs.

Sr. Vice President – Project Manager

Michelle Martin is ultimately responsible for the City's satisfaction with products and services utilized by the City. She interacts daily with her clients to maintain our office's commitment to concierge-level service.

She currently handles 30 accounts including Cities, Counties, School Districts, and Special Taxing Districts. The accounts range in size from fully insured Towns to large, self-insured Counties and School Districts.

Time allotment for each account depends on the time of year of renewal (which varies – not all are 10/1), specific needs, special projects, claims activity, etc.

Account Executive

In order to ensure outstanding service delivery for all her clients, Kyle Stoekel provides Account Executive services to Michelle's client base. This includes a dedicated backup in the event Ms. Martin is out or unavailable, and is an added level of service to the Team's clients.

Kyle has the flexibility to address developing issues. For example, Kyle has focused in understanding and communicating the emerging risks of Cyber Insurance the past few years. In the past 6 months, Kyle has been focused on assisting clients with Property Valuations. Valuation updates has become a driving issue in today's current hard market, and our valuation trend review services have been invaluable to our clients.

Time allotment for each account depends on the time of year of renewal (which varies – not all are 10/1), specific needs, special projects, claims activity, etc.

Senior Public Risk Specialist (Daily Customer Service)

Trish Jenkins is responsible for oversight of 63 fully insured accounts. Her accounts have a low number of policies - similar to the City of Fernandina Beach - as many of the coverages are wrapped together into single "Package" policies. A majority of the policies she manages are also placed with the Preferred Governmental Insurance Trust, the City's current carrier.

Our Service Team is available to execute daily service requirements Monday-Friday from 8 AM to 5 PM. In the event Ms. Jenkins is out, a senior Public Risk Specialist will be assigned as backup and our entire service team is cross-trained and available to assist in times of high-volume. In addition, Alexa Gray is Ms. Jenkins' dedicated backup in the event she is out or unavailable, and is an added level of service to the Team's clients.

Time allotment for each account depends on specific needs, special projects, claims activity, etc.

Brown & Brown

Brown & Brown

Tab 5

Ability to Furnish Required Services

Tab 5: Ability to Furnish Required Services

1. **Describe any special expertise your firm has in providing property and casualty insurance services to clients with similar or related business activities, specifically include experience with plans offered by government employers. Include a list of current client relationships (local or otherwise), if not included in your references.**

Qualifications & Experience

In Florida, Brown & Brown Public Sector's sole focus is providing insurance placement and risk management services to governmental entities. Representing small towns and special districts, to large cities and counties, including the State of Florida, we have a deep understanding of your needs. Lines of insurance placed include Property, Casualty, Workers' Compensation, Surety/Bonds, Accident & Health, Life, Medical, and all specialty and ancillary lines. We utilize insurance products to include 1st dollar package programs, to multi-carrier self-insured program designs. For self-insureds, the appropriate strategies and expertise are readily available to provide necessary analytics, value-added resources, and consultative servicing staff.

Unparalleled capacity to serve the needs of local governments:

- Dedicated service team working exclusively for **Florida local governments** in all capacities surrounding risk and human resources.
- Access to highly experienced public entity resources including **Claims Team, Panel Counsel, Loss Control, Disaster Planning and Recovery, and Risk Management Specialists.**
- Only retail office in Florida **100%** committed to Florida's public entities
- We place **$175 million of annual premiums** for our Florida clients
  - Brown & Brown public sector currently represents over **200** of Florida's governmental entities
    - 22 Counties
    - 75 Cities
    - 7 Public School Districts
    - 7 Public Universities
    - *State of Florida*
    - 100+ Special Taxing Districts
    - 20 public airports

Partial Client List

Below is listing of our Florida public entity clients with attributes similar to that of the City of Fernandina Beach. A full Client List can be provided on request. Most of the clients below have been working with our Team for 5-10 years or more.

- City of Jacksonville
- City of Miami
- City of Ft. Lauderdale
- City of Treasure Island
- City of Weston
- Town of Highland Beach
- City of Springfield
- Town of Jupiter
- City of Lake Worth Beach
- City of Auburndale
- City of Jacksonville Beach
- City of Bellevue
- City of Bunnell
- City of Marco Island
- City of Marathon
- City of Naples
- City of Indian Shores
- City of Madeira Beach
- City of Punta Gorda
- City of Dania Beach
- City of Lighthouse Point
- City of Deltona
- City of Plantation
- City of Lauderhill
- City of North Miami
- City of North Port
- City of Palm Bay
- Sebring Airport Authority

By serving these like-accounts, we also have developed relationships with the major providers of governmental insurers in Florida. A critical aspect of a broker's ability is access to carriers to ensure the best programs year after year.

Marketing

One of Brown & Brown Public Sector's core competencies is our knowledge of and relationship with all competitive insurers. Our marketing process and philosophy is somewhat unique and can be summarized as follows:

- 100% Public Entity Team
- 28 Years of Relevant Experience
- 200+ Public Entity Clients
- C-Suite Carrier Relationships
- Brown & Brown Resources
- 15,000+ Global Teammates
- State, National & International Presence
- Strong Underwriter Relationships
- Corporate Public Entity Footprint
- Trade Group & Association Membership
- Real-Time Industry News & Communications
- Culture of Professionalism & Excellence

While we maintain and access all options available to us, we also take advantage of Brown & Brown's management of industry-leading programs for public entities nationwide such as:

- QBE – National Professional Liability program for public entities
- Catalytic - Property Capacity
- Arrowhead - Property Capacity
- Coalition -Cyber Practice
- *Preferred* Governmental Insurance Trust – Property, Liability, Workers Compensation

****It is important to note that in general this membership-pooling relationship has likely beat the market due to economies of scale in purchasing reinsurance.**

Only a handful of agents are qualified to access this Trust. We are the largest agent for Preferred Governmental Insurance Trust, so we have superior knowledge and leverage vs. any other appointed agent. This market will be critically important to maintain and negotiate for the 2023 Property renewal.

Application of Experience for Results

CASE STUDY: The year 2020 (during COVID lockdown) found this City with a new HR/Risk Director who had not handled Risk Management in her previous employment. We established a training and loss control implementation via many steps and concepts. Just a few steps in the effective plan implemented by the Brown & Brown Public Sector/City team include:

- **Weekly virtual meetings with Michelle Martin for several months, discussing:**
  - Risk Exposure Review
  - Insurance Coverage and application
  - Administrative Process Efficiencies
  - Conceptual Risk Management Strategies
  - Claims Process and reporting

- **Legislative and other Newsworthy Communications**
  - Implementation of Firefighter Cancer Insurance following the law change providing additional benefits to firefighters.

- **Loss Control Objectives Accomplished**
  - Update of Safety Manual
  - Re-Establish Safety Committee
  - Monthly Safety Committee Meetings with pertinent topics (attended by our staff)
  - "Safety Days" (PTO for compliant employees)
  - Accident Investigation Procedures
  - Implement mandatory virtual training for all employees
  - Develop job-specific training (responsibility in Departmental budgets)
  - MDSS Sheet awareness and updates

- **Review Vendor Insurance Requirements**
  - Assist with Procurement/Insurance Requirement standards
  - Assist with internal Certificate Review policy
  - Participate in special contract review with legal team
  - Review special Certificates of Insurance for compliance

- **Recognizing increase in slips and falls:**
  - Developed "See Something, Say Something" application which allows all employees to report dangerous conditions from their phone. This automatically reports conditions needing repair to Public Works on a priority basis.

RESULT: This City has virtually transformed by connecting and focusing major operational departments to a common goal of excellence via the Safety Committee. We are still measuring the ultimate impact via claims tracking but anticipate reduction in both frequency and severity. These amazing results have been skillfully executed by a tenacious HR/Risk Director who engaged the right City Staff, but with assistance and direction from our Staff to focus on effective processes, this entity has been able to continue momentum to achieve long-term success!

Scope of Services

Scope of Work	Agree	Disagree
Prepare annual marketing strategy reports identifying anticipated market conditions and proposing a marketing strategy for the City's major loss exposure areas prior to policy renewal.	✓	
Assist in developing underwriting data and specifications for renewal negotiations.	✓	
Provide trended values for property insurance policies.	✓	
Obtain bids from the insurance industry and negotiate the best terms and coverage for the various exposure areas.	✓	
Evaluate the commitment and financial stability of the underwriters.	✓	
Service existing insurance policies by reviewing coverage issues, issuing binders and Certificates of Insurance, and request endorsements from carriers in a timely manner.	✓	
Schedule quarterly meetings with the City's risk management team to discuss loss control issues, exposure changes, and general administrative matters pertaining to the City's insurance program.	✓	
Analyze the City's exposure to loss, adequacy of coverage, and develop options on coverage not presently purchased by the City.	✓	
Provide service for day-to-day contact on insurance matters.	✓	
Assists the City in developing insurance requirements for the various contracts (design, construction, and service) and in reviewing insurance policies, contracts, leases and bonds as requested by the City.	✓	
Prepare an annual report including a schedule of policies in force, coverage provisions, premiums, insurance claims experience for the prior policy year and recommendations for possible adjustments to insurance coverage for the next policy year. The report should provide a summary of broker support services rendered during the prior year, with recommendations for broker services recommended for the subsequent year.	✓	
Work with the City's Comptroller to establish a viable and cost- effective self-insurance program.	✓	
Provide other services that are normally and customarily required of a municipal insurance broker.	✓	
Analyze insurance market trends and report in advance on the affect that trends will have on pricing and coverage availability.	✓	
Assist in the audit of Workers' Compensation classification coding.	✓	
Provide routine verbal consulting advise on safety and loss control matters as they relate to the City's risk management program.	✓	

Scope of Work	Agree	Disagree
Onsite inspections, written programs and training programs may be negotiated for an additional fee.	✓	
Provide access to and consulting advice regarding the potential for utilizing new and emerging risk financing programs.	✓	

Service Philosophy

"First and foremost, our approach to building strong partnerships with our clients begins with listening. By listening first, we empower our team to focus on moving efficiently in the right direction. That focus maximizes the impact of our skillset in the marketplace and allows us to deliver unparalleled results to our clients."

Brown & Brown has the proven ability to exceed expectations with our custom delivery model. We will develop the project approach using proven tools and method such as:

- **Client Vision**- Every client relationship begins with listening. Our success in designing an effective risk management program requires the input of each client's decision makers. And our responsibilities begin with listening to those decision makers to understand the history of the risk management program, future goals, budget constraints, program design requirements and risk tolerance. We conduct annual pre-renewal meetings to establish our mutual strategic plan, program objectives, and budgetary guidelines.
- **Benchmarking** – We benchmark the terms that we secure for our clients against other similar public entities to ensure that we are getting the best possible rates and conditions in the insurance marketplace.
- **Risk Identification** - Immediate identification and complex analysis of risk exposures in a rapidly changing environment to ensure that we are never surprised with new risks that could affect your risk management program.
- Identify, prioritize, and provide risk management **resources** and risk transfer solutions that can be implemented effectively within your operating environment.
- Develop both short and long-range **budgeting projections** and objectives.
- Expert risk transfer strategies with **market leveraging** and creative program design including pros and cons of these strategies.
- Insurance policy management and **quality control** of all deliverables.
- Risk Control through identification of high loss exposures, claims advocacy, and application of safety/loss control resources.
- Concierge-Level Customer Service which **reduces internal administration costs** and improves service with Brown & Brown's expanded and efficient service delivery.

GENERAL WORKFLOW SCHEDULE

120+ days prior to policy expiration

- Initiate Marketing Process
- Current market conditions analysis
- Estimate change in cost impacts
- Discuss Budget Constraints and Goals
- Written request for underwriting data
- Assist in collection of risk exposure information
- Establish competitive markets to be approached
- Identify desired coverage, terms, and conditions goals
- Provide premium/budget estimates for all coverages.

90 to 120 Days prior to policy expiration

- Scrub Statement of Property Values
- Approval of Submission by client
- Submit all underwriting data to chosen and/or all interested carriers
- Updates to clients on marketing progress and early pricing indications

30 to 90 days prior to expiration

- Written summary of quotes received, and markets responses
- Provide Premium Comparison with expiring and renewal terms.
- Include Cost of Risk Analysis
- Obtain Catastrophic Modeling Results
- Develop recommendation for most effective program
- Budget recommendations and allocation

30 to 60 days prior to expiration

- Attend Meetings and Workshops
- Complete required signed documents
- Submit Requests to Bind to chosen carriers

Inside 30 days prior to expiration

- Request, review, and issue Binders
- Issue any recurring Certificates of Insurance
- Issue Invoices

30 to 60 days after policy inception

- Re-issue any expired binders
- Review, correct and issue policies

Ongoing

- Daily Policy Maintenance and Client Service Requests
- Claims Advocacy and Handling
- Large Claim Reviews
- Property appraisal management and implementation
- Update Statement of Values data
- Review Risk Management Polices
- Loss Prevention Program Implementation
- Flood Zone Audits for Property
- Market Trend and Emerging Markets Identification
- Legislative Change Tracking
- Industry News Communications
- Vendor Insurance Requirements Review
- Vendor Certificate Review
- Departmental Premium Allocations
- Invoicing and Accounting
- Assist with policy Audits
- Other Special Projects as agreed

Account Management & Service Continuity

- ✓ **Same-day response** to customer inquiries (24-hour agency policy on response time)
- ✓ All change requests from insureds are performed immediately. Follow-up with carriers is systematic and documented.
- ✓ All binders, endorsements, invoices and policies are checked for accuracy against a detailed checklist and against the proposal that was presented to the insured.
- ✓ Review and corrections of policies and endorsements is conducted within the same quality parameters – 30-day turnaround.
- ✓ Resolution guidelines for more complex issues.
- ✓ Endorsements must be delivered to insureds within one business week of receipt.
- ✓ Policies must be delivered to insureds within 30 days of receipt.
- ✓ Utilize sophisticated Agency Management software - AMS 360 – to document all transactions.
- ✓ Documentation can be provided in hard copy and/or various electronic formats.
- ✓ Clients have access to important documents via a shared link, including policies, certificates, schedules, white papers and more.

"CONCIERGE-LEVEL SERVICE MEANS OUR CLIENTS DO NOT WAIT, WORRY, OR WORK HARDER THAN NECESSARY."

One of the many reasons for our success and 99% Risk Management client retention is our approach. We are your risk management consultant and partner. We proactively pursue innovative solutions, insurance program improvements, research risk management resources, and reduction of your administrative burden by providing efficient and extensive services. Our concierge-level services include, but are not limited to:

- » **Renewal and new business applications assistance**: Gather underwriting information from financial reports, independent website research, claims data, various actuarial and analytical reports, physical site inspections, and engineering and loss control information prior to sending to your staff for completion – a time-saver for your staff.
- » **Reconcile Asset Schedules with Insurance Schedules**: This includes review of insurable assets such as buildings, contents, computers, mobile equipment, vehicles, property in the open, etc. This is generally a very time-consuming task which will be lifted from your staff as well.
- » **Assist with claim reporting function** directly with TPA and insurers, including pursuit of additional claim data. We will also coordinate and attend claims review meetings to offer corrective actions and improve claim results.

  For Property Claims, our team coordinates procedures and expectations annually directly with insurers and your dedicated field adjusters.
- » Provide, coordinate and promote all loss control and safety resources available.

Continual Exposure Analysis

Constant communication and observations of the rapidly changing exposures are critical to our ability to provide the most effective risk management program. Before approaching markets, it is important to discern exposure facts to recommend risk transfer options.

A few techniques and resources utilized for this important facet of our services includes:

- Evaluation of critical operations and conduct discussions concerning risk factors, including but not limited to Storm Resiliency, Flood Mapping Changes, and Service Interruptions.
- Interviews and discussions with various staff and departments, including assistance with data collection required for insurance applications.
- Resources for global risk exposures such as our national COVID-19 response and free resources availed to our clients and the general public.
- Coordinate On-site inspections/meetings.
- Loss trend analysis and recommendation of loss control resources.
- Review valuations and encourage COPE updates for property exposures. Tracking current updates to existing buildings, including roof updates, is impactful to your modeling and underwriter perception.
- Manage Property Appraisal process including coordination of inspections, trending, reconciliation of results, and communication of such with insurers. Ensuring current property valuation in this market is critical.
- **Flood Audit –** This is a unique process that we have developed to keep up with FEMA's rate, rule, and flood mapping changes. We regularly review anticipated flood zone changes (which can employ a variety of methods) to determine impact to structures located in Special Flood Hazard Areas (SFHA's). The importance of this exercise is to determine and communicate the implications of FEMA and the Robert T. Stafford Disaster Relief and Emergency Assistance Act* to our clients.

**The Stafford Act governs conditions of receiving Public Assistance. In addition to other guidance, it in general suggests that local governments purchase NFIP policies for eligible structures in Special Flood Hazard Areas (SFHA's).*

Agency Management Systems

The key to effective administrative support from our agency is through internal organization and follow-through. Our team utilizes Vertafore and a suite of agency management systems spearheaded by **AMS360 Online**. These systems enable our team to effectively manage all client tasks with integrated solutions focused on identifying, tracking and completing workflows on time, every time.

Our system manages all aspects of account management including, billing, document management, communications, (emails, applications, written correspondence, etc.), marketing, claims, certificates of insurance and many other daily transactional activities. All pending items are suspensed and completed in a specified time frame. This system is designed and maintained so that each service team member can service any account if a primary account representative is out of the office. To guarantee our ability to provide continuous uninterrupted service AMS 360 data is maintained in redundancy at an offsite location. **If any of our locations were to suffer a catastrophic loss we could still operate at full capacity on a remote basis and with the support of our multiple office structure.**

AMS360 is an agency management system that provides the foundation for our team to boost productivity and track all workflows. It helps streamline workflows, improve renewal timelines, improve teammate productivity and enables our team to deliver excellent customer service. AMS 360 allows our team to:

- Integrate agency-carrier workflows
- Better manage and access insurance documents and client content
- Configure workflows to route the right work to the right person at the right time
- Provides real-time insights
- Reduce time spent on finance and accounting through insurance process automation
- Automate alerts on renewals and analyze rate information for use by our brokerage team
- Integrate technology inputs from vendors, clients and carriers

Operational Continuity

Serving the Public Sector in the State of Florida has shaped our philosophy on continuity of operations. In addition to our secure servers, cloud-based systems, and an entire technology platform built on continuity, our team itself has the ability to work anywhere, anytime. Each teammate is equipped with a full workstation at home and at our offices, paired with a mobile laptop. That means we can be always up and operational, no matter the circumstance, standing ready to provide uninterrupted services to our governmental clients in Florida.

Quality Control

Our Agency Management Systems (AMS 360) and other Quality Control guidelines ensure that tasks and activities are completed in a timely manner. Brown & Brown has a **Quality Control division which includes multiple teams of internal auditors**. These auditors perform not only financial audits for all Brown & Brown offices, but also file and Information Technology audits of each office to assure funds, records and client service are performed in accordance with the company's policies and procedures. The results of these audits are made directly to Brown & Brown's Board of Directors. In addition, we have corporate standards, including procedures such as: Catastrophe Plan, Contract Review standards, Internal Procedures Manuals, Correspondence Management, Data Retention, etc.

All team members must and will follow corporate Quality Control Guidelines for timeliness and service delivery. Annual requirements include:

- Insurance Coverage Review Checklists completed annually
- Mandatory internal self-audit procedure and financial audits to ensure quality procedures and desired results.
- Mandatory annual compliance training for employees, including: insurance licensing, cyber/IT, ethics, and various computer software.
- These trainings are timely and are directly related to our customer experience. For example, MS Teams training was required immediately following the pandemic lockdown orders.

Our publicly traded company is subject to SEC regulation, and is audited by Deloitte & Touche, LLP, an independent registered public accounting firm. Our conservative financial strategy maintains low leverage and strong cash generation. The most recent Annual Report for fiscal year ending December 31, 2021 is available on our website at: https://investor.bbinsurance.com/annual-reports.

Security Committee

Although we cannot predict the future results of any company, we offer only financially secure insurers to our clients. Per corporate mandate, Brown & Brown is not authorized to provide quotes to our clients from unauthorized insurers or insurers with a less than AM Best rating of A- or those not rated by AM Best without an authorized exception. However, since it may be in the best interest of our clients to review and bind quotes from certain alternative risk transfer providers, Brown & Brown has established a Market Security Committee which reviews and monitors insurers falling into these categories: Risk Retention Groups, Captives, Self-Insured Groups, Trusts, State Funds, and Joint Underwriting Associations.

In addition,

- Each team member monitors industry news from various sources daily.
- AM Best ratings are confirmed and provided formally any time a quote is presented.

Any discussion or further research regarding ratings or financial position is performed as necessary.

2. Describe your firm's efforts to remain current on property and casualty insurance issues relating to the City of Fernandina Beach business profile, including industry or association memberships, if applicable.

Our Active Team

All teammates are encouraged to continue their pursuit of knowledge by continuing educational endeavors. As a result, most teammates hold professional insurance/risk designations, including:

- Bachelor of Science – Risk Management/Insurance and Finance
- ARM – Associates in Risk Management
- RMPE – Completion of Risk Management for Public Entities course
- CIC – Certified Insurance Counselor
- CISR – Certified Insurance Service Representative
- CRM – Certified Risk Manager
- CSRM – Certified School Risk Manager

Our Team is involved and committed to staying on the cutting edge of our business and client interests via industry organizations, including:

Ms. Martin is a member of the Southeast RIMS (Risk Management Society) Chapter, which generally meets in the Jacksonville area, and an advisory Board member for the Southwest Florida PRIMA (Public Risk Management Association) Chapter. Direct information from these important sources is shared and utilized in account management.

Enhanced News and Communication Resources

We provide timely topical updates. The following are examples of our recent, actual communication pieces focused on public entity risk, Florida concerns, and global risk management concerns. These are available via email and on our website, but we also proactively discuss directly with our clients how these developments may impact your unique entity.

- **White Papers**
- **Legislative and market updates**
- **Florida public-entity focused weekly newsletter – produced by our office!**

Going into 2023, property underwriting information needs to be even more detailed than was expected in the past. Costs and values should be analyzed for accuracy before submission. The improved underwriting data should be submitted to the marketplace early to account for delays.

January 2020 comparison – recommended 0.7% - 4.1% on average

Cyber Liability Legislative/Risk Update
August 2022

Two Florida Statutes have recently been signed into law that will impact your risk management programs for cyber liability exposures.

HB 7055 and HB 7057 were signed into law effective July 1, 2022.

HB 7055 amends FS 282 which is the State Information Technology Management Act, to include counties and municipalities. The new law appears to exclude Public Schools, State Universities and Special Taxing Districts in the requirements outlined in items 1-4 below.

The new Cyber Security Law (FS 282.3185-6) addresses Ransomware and Cybersecurity for counties and municipalities.

Below is an overview of bills that will potentially affect local governments in Florida's current legislative session:

SOVEREIGN IMMUNITY (per FS 768.28 – tort cap for FL governments is now $200k per person/$300k occurrence):

- CS/HB 401 – attached is a current Staff Analysis proposing an increased cap to $2.5M/$5M House Bill 401 (2023) - The Florida Senate (flsenate.gov)
- SB 604 is the "companion" and currently proposes a $400k/$600k cap. Senate Bill 604 (2023) - The Florida Senate (flsenate.gov)

Take Note

Politicians are showing a renewed interest in privacy. While ransomware claims have driven the state of the market for the last two years, underwriters still consider protections around sensitive data a vital underwriting component. Outside of various state laws, there have yet to be wholesale changes on a federal level.

Brown & Brown

Tab 6
Location

Tab 6: Location

Include information on staff availability, office locations and issues of accessibility.

Brown & Brown Public Sector's governmental specialists (proposed servicing office) are housed within Brown & Brown's corporate headquarters:

300 North Beach Street
Daytona Beach, FL 32114

Brown & Brown and subsidiary entities employ more than 100 teammates in the Jacksonville/Duvall County area, neighboring Nassau County to the South.

10151 Deerwood Park Blvd, Building 100, Suite 100
Jacksonville, FL 32256

Accessibility to the City of Fernandina Beach

As mentioned throughout this proposal, our team of public entity brokerages specialists stationed in the Daytona Beach Headquarters will best serve the City. Public Sector also has the advantage of close proximity to Brown & Brown's senior leadership and resources from this location.

Travel by Ms. Martin and other team members is frequent and can be verified by current clients.

In addition, other local office locations are available throughout the state if needed, including our offices in Jacksonville.

Of special note, we have utilized our network of 60 offices throughout the state for hurricane response and recovery. Most recently, our Ft. Myers and Naples offices were available to any of our clients, insurance companies, and insurance adjusters affected by Hurricane IAN. Brown & Brown staff from throughout the country assisted in manning these offices, providing food and other critical support for these affected communities.

Brown & Brown

Tab 7

Compensation / Cost of Service

Tab 7: Compensation / Cost of Service

The successful firm shall be compensated on an annual fee basis. Fees will be payable quarterly at the end of each quarter with the first installment due October 31, 2023. All program premiums and charges are to be written net of commission and the acceptance of a commission shall be grounds for immediate termination of the contract. If a carrier does not or cannot work on a net of commission arrangement, the firm shall disclose this fact and the commission shall be deducted from the annual fee. The successful firm shall provide an annual statement from each carrier confirming that the insurance carrier has paid no commissions. Full disclosure of all compensation earned, either directly or indirectly, is required. Use of intermediaries, wholesalers, subsidiary companies, etc. is expected and encouraged if advantageous to the City of Fernandina Beach. However, all fees and or commissions earned as a result of their use, must be disclosed and will be deducted from the annual fee. Additionally, the City reserves the right to seek additional relevant records as a means of enforcing this provision.

Term	Fee Proposal	Fee Installment
Annual	$65,000*	Quarterly

Brown & Brown Public Sector agrees to provide an annual fixed flat fee for all services proposed, payable in quarterly installments as requested. Brown & Brown adheres and commits to full transparency in disclosing revenues received.

We will provide quotes and policies net of commission whenever allowed** by insurers. Any retail commission received from carriers will be immediately returned. (**Certain insurers/carriers may have underwriting and quotation systems which require commission inclusion.)

*The exception to this condition is with the policies that are written in the National Flood Insurance Program. This program is a Federal program falling under the direction of FEMA. In April 2012 FEMA issued a memorandum of understanding directing the administrators (underwriting and policy issuance companies) to prohibit the practice of "rebating" or returning of commissions for flood policies written in the National Flood Insurance Program. The actual Memo from FEMA is included at the end of this section. Violations of this directive can result revoked contracts. Consequently, Brown & Brown legal counsel have determined that in order to maintain our good standing with NFIP and supporting administrators we must comply with this directive for all NFIP policies and all broker agreements. Therefore, Brown & Brown will receive commissions for NFIP policies as prescribed by FEMA/FIMA.

FEMA

W-12026

April 4, 2012

MEMORANDUM TO: Write Your Own (WYO) Principal Coordinators and the National Flood Insurance Program (NFIP) Servicing Agent

Edward L. Connor

FROM: Edward L. Connor
Deputy Associate Administrator for Federal Insurance

SUBJECT: Rebating of Agents' Commissions

Insurance rebating is a practice whereby insurance agents return a portion of their commission or something else of value to applicants to induce the purchase of insurance. Insurance rebating is confusing to consumers, and it has been the source of many complaints from agents and companies.

The Federal Insurance and Mitigation Administration (FIMA) has received inquiries over the past several years from interested parties, inside and outside of the insurance industry, expressing divergent views on the manner in which the National Flood Insurance Program (NFIP) should address insurance rebating.

After careful consideration, FIMA has concluded that the goals of the NFIP are better served by a system of uniform national pricing that will ensure that policyholders pay the same price for the same risk. FEMA does not directly regulate insurance agents who sell Standard Flood Insurance Policies. Pursuant to 44 C.F.R. Section 62.23 and the Financial Assistance/Subsidy Arrangement, 44 C.F.R. Part 62, Appendix A, however, FEMA administers the NFIP and sets standards governing the activities of participating WYO Companies related to the sale and marketing of flood insurance.

Accordingly, effective October 1, 2012, WYO Companies shall not authorize the rebating of commissions on new or renewal NFIP policies.

Any questions regarding this matter should be directed to Jhun de la Cruz, Underwriting Branch Chief, National Flood Insurance Program, Federal Insurance and Mitigation Administration, at jhun.de-la-cruz@dhs.gov.

Cecil W Powell & Company is honored to present our Proposal for **(RFP) 23-04 PROPERTY AND CASUALTY INSURANCE BROKERAGE SERVICES for The City of Fernandina Beach.**

Our team of highly qualified individuals approach the handling of our clients' insurance needs from both a quantitative and qualitative perspective to ensure that the City of Fernandina Beach benefits from an industry-leading Insurance Program which, among other advantages, will provide:

High-level Incorporation and Involvement of the City into key decision-making

Our clients are always consulted when it comes to key decisions involving their insurance program. CWP's commitment to raising the bar will manifest itself in affording the City of Fernandina Beach with ample opportunity for an increased level of input in the process of determining appropriate limits and retentions, selecting insurance carriers, formulating enhancements and policy language, as well as other areas.

Exceptional Service and Resources

Delivering outstanding client service has been a key differentiator at Cecil W. Powell & Company since our inception. It is the driver of our company – we value program administration on an equal level with placement of coverage. Our clients benefit from the superior service delivery platform that is fundamental to all our practices. There is an unparalleled focus placed upon developing a risk transfer program that is responsive to the individual and unique attributes of each client's current and potential future risk profile. Our operating model provides us with a competitive advantage which in turn enables us to better understand client risks while moving rapidly to act in a consultative manner, developing alternative solutions and better managing the client's total cost of risk, underscored by our 98% retention of client renewals.

Customized Collaborative Team Approach

Our team for The City of Fernandina Beach will consist of CWP team members indicated in Section 3 as well as our association with Apex Underwriters. Apex provides dedicated reviews and marketing of policies and is uniquely positioned to provide The City and CWP with its full team of insurance professionals for the upmost personalized service. CWP and Apex will collaborate to assure the best possible insurance markets are utilized.

In summary, we have the proven talent, market leverage, consultative skill, and resources to implement a program with the most competitive pricing and broadest policy terms available in the marketplace for the City of Fernandina Beach.

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for RFP-23-04.

2. This sworn statement is submitted by (entity) Cecil W. Powell & Company whose business address is 219 N. Newnan Street Jacksonville, FL 32202 and (if applicable) Federal Employer Identification Number (FEIN) is 59-1095765 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

3. My name is Luke Gowen and my relationship to the entity named above is Vice President.

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or

    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

x Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)

____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

DRUG-FREE WORKPLACE CERTIFICATION

The below-signed INDIVIDUAL/FIRM certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace prepare, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or services a copy of the statement specified in paragraph 1.

4. In the statement in paragraph 1., notify the employees that, as a condition of working on the commodities or contractual services that are under proposal, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.

5. Impose a sanction on, or require fine satisfactory participation in drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I Certify that this firm complies fully with the above drug-free workplace requirements.

CONFLICT OF INTEREST STATEMENT

This sworn statement is submitted with Bid, Proposal or Contract for RFP-23-04 .

This sworn statement is submitted by (entity) Cecil W. Powell & Company whose business address is 219 N. Newnan Street Jacksonville, FL 32202 and (if applicable) Federal Employer Identification Number (FEIN) is 59-1095765 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

My name is Luke Gowen and my relationship to the entity named above is Vice President .

1. The above-named entity is submitting a Proposal for the City of Fernandina Beach.
2. The Affiant has made diligent inquiry and provides the information contained in the Affidavit based upon his/her own knowledge.
3. The Affiant states that only one submittal for the above proposal is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
4. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraints of free competitive pricing in connection with the entity's submittal for the above proposal. This statement restricts the discussion of pricing data until the completion of negotiations if necessary and execution of the Contract for this project.
5. Neither the entity not its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participation in contract letting by any local, State, or Federal Agency.
6. Neither the entity nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
7. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with the City of Fernandina Beach.
8. I certify that no member of the entity's ownership or management, or staff has a vested interest in any aspect of the City of Fernandina Beach.
9. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify the City of Fernandina Beach.

Tab 2 – Firm Qualifications

Cecil W. Powell & Company has been providing insurance, bonding and risk management services to North Florida and South Georgia since 1935. Family-owned and community-focused, we are in the historic Morocco Temple building in downtown Jacksonville.

We adhere firmly to our founding values of honesty, client stewardship and commitment to excellence. These practices generally result in long-term relationships and we are honored to have our first client from 1935 still in a continuous relationship. It is not uncommon to serve customers through multiple generations of their businesses. Our Jacksonville office and its more than 40 insurance professionals provide services including Commercial Property & Casualty Insurance, Risk Management Services, Bonding, Employee Benefits, and Personal Lines. We have a culture of excellence in client-focused risk and insurance services. We are proud of our many associates who have earned advanced insurance and risk management designations identifying them as leaders in our industry.

CWP proposes to include all the work within the Scope of Services as outlined in the Request for Proposals RFP – 23-04 within our proposed fixed fee provided we can come to a revised, mutually acceptable indemnification agreement which better reflects the nature of professional relationship with, and services rendered by Broker under this RFP – as the current language is "boilerplate" and inappropriate for this agreement. We will work closely with City of Fernandina Beach Authority to determine coverage enhancements and collective renewal goals to achieve our anticipated outcome. Some brokers offer their own loss control reports; however, carriers look at these from a cynical viewpoint. As an option, we can facilitate the introduction of the City of Fernandina Beach to professional independent vendors, such as Regional Reporting, Inc. who provide comprehensive loss control reports that are honored by the underwriting community. While there is a charge outside the CWP fee for these services, the reports are then the property of the City.

As part of CWP's Risk Management services, our clients have access to industry-specific resources, online reporting and document sharing capabilities, safety education, and employee training materials. We provide service with a collaborative approach by our team members, including peer reviews and service team overlaps to provide the City with excellent service consistently. We design specifically tailored risk management solutions that consistently exceed needs and goals and prioritize cost effectiveness in the most collaborative manner to help achieve the City's goals.

Value-Added Services

- CWP can provide specialized and value-added services using our resources, and the resources available to us through national affiliations:
  - Risk Management
    - Strategic planning
    - Service
    - Technology

Tab 3 – Qualifications and experience of persons assigned

Lucas Gowen, AAI, AINS, AU, CRIS, CWCA, MLIS
Vice President Commercial Lines
Cecil W. Powell & Company

Lucas (Luke) Gowen joined CWP in 2018 as Vice President. He has more than 15 years of commercial property & casualty experience. He has had the privilege of handling insurance programs of many government/public entity businesses, including the Charlton County Board of Education, Charlton County Board of Commissioners, the Cities of Folkston, Nahunta and Waycross Insurance Programs. In addition to municipalities, his experience includes transportation and railroad operations, contractors, manufacturing, and non-profits.

Luke's extensive experience with small to mid-size cities gives him a unique insight into some of the challenges these cities face. He is prepared to bring a fresh perspective and innovative solutions to those challenges to support the City of Fernandina Beach in it's insurance and risk management program.

Luke holds a Bachelor of Business Administration from Georgia Southern University and has earned designations of Accredited Advisor in Insurance (AAI), Associate in Insurance (AINS), Associate in Commercial Underwriting (AU), Construction Risk & Insurance Specialist (CRIS), Management Liability Insurance Specialist (MLIS) and Certified Work Comp Advisor (CWCA).

Luke's current client assignments number 48 and include City governments, School Board of Education, Construction Companies, non-profit organizations, engineering firms, accountants, attorneys, and transportation carriers. Luke's time allocation is anticipated to be 1-2 hours weekly and in addition to weekly time allocation, more time will be used as needed for renewals, marketing, placement of coverages, quarterly meetings, claims reviews, strategy or to address any insurance issues that may arise.

Vincent B. Ellinor, CRIS, TRIP
Commercial Lines Account Manager
Cecil W. Powell & Company

Vincent B. (Vince) Ellinor joined CWP in 2019 and serves as Luke Gowen's primary account manager. Vince began his insurance career in 1985 as a personal lines insurance representative and transitioned to his passion for working with businesses in 1992 as a commercial insurance agent for American Insurance Underwriters in Jacksonville. In 2012 Vince joined Shapiro Insurance Group as a senior account manager handling mid-sized construction accounts and specialty contractors. He also acted as branch manager for a 3-year period, exposing him to multiple facets of the insurance industry and gaining an excellent perspective on the importance of client-agency relationships. He brings a passion for helping clients and a wealth of experience and knowledge to CWP and has been successful in helping medium to large commercial accounts in the field of contracting, transportation, non-profit organizations, and governmental entities, among others.

Vince is a graduate of Wolfson High School in Jacksonville FL with an AA from Florida State College at Jacksonville. Vince has earned the Construction Risk & Insurance Specialist (CRIS) and Transportation Risk and Insurance Professional (TRIP) designations. Vince's time allocation is anticipated to be 2-3 hours weekly and in addition to weekly time allocation, more time will be used as needed for renewals, marketing, placement of coverages, quarterly meetings, claims reviews, strategy or to address any insurance issues that may arise.

Zachary T. Allen, CRM, CRIS, MLIS
Risk Management Specialist
Cecil W. Powell & Company

Zachary (Zach) Allen joined CWP's Enterprise Strategic Accounts team in 2019 as an Account Executive and Risk Management Specialist. Zach received his undergraduate degree in Risk Management and Insurance from the University of Georgia. Since graduating from UGA, Zach has received specialty certifications, including Certified Risk Manager (CRM), Construction Risk & Insurance Specialist (CRIS) and Management Liability Insurance Specialist (MLIS). Driven by his passion for excellence in his field, Zach will complete his master's degree in Risk Management and Insurance from Florida State University.

Throughout his professional career, Zach has been involved in a variety of roles, including Claims Analyst for what is now a Fortune 250 company, as well as a Broker and large accounts Specialist for one of the world's largest publicly traded Insurance Firms. Currently, Zach focuses on his areas of core strength: Data Analysis, Risk Identification and Mitigation, Contractual Risk Transfer, Strategic Initiatives, and Insurance Contract Analysis, among others. He is driven to provide clients with the highest standard of service and holds a license to practice general lines insurance in the State of Florida. Zach's time allocation is anticipated to be on an as-needed basis.

Benjamin K. Powell, AFSB, CRIS
Senior Vice President
Bond / Surety Specialist
Cecil W. Powell & Company

Ben joined Cecil W. Powell in 2010 and is currently Senior Vice President. Ben has extensive experience providing surety bonding programs to clients throughout the United States.

Ben received his Bachelor of Business Administration and Master of Business Administration from Mercer University. He has earned the designations of Associate in Fidelity and Surety Bonding (AFSB) and Construction Risk and Insurance Specialist (CRIS). Ben's time allocation is anticipated to be on an as-needed basis.

Dan Thomas
Vice President Employee Benefits
Cecil W. Powell & Company

Dan joined Cecil W. Powell & Company in April of 2016 as Vice President, Employee Benefits. His primary role is client development via consultative approach while leveraging carrier relationships to exceed client goals consistently.

Dan possesses more than 35 years of employee benefit consulting experience concentrating on large employers. Dan's time allocation will be on as-needed.

Areas of Proficiency include:

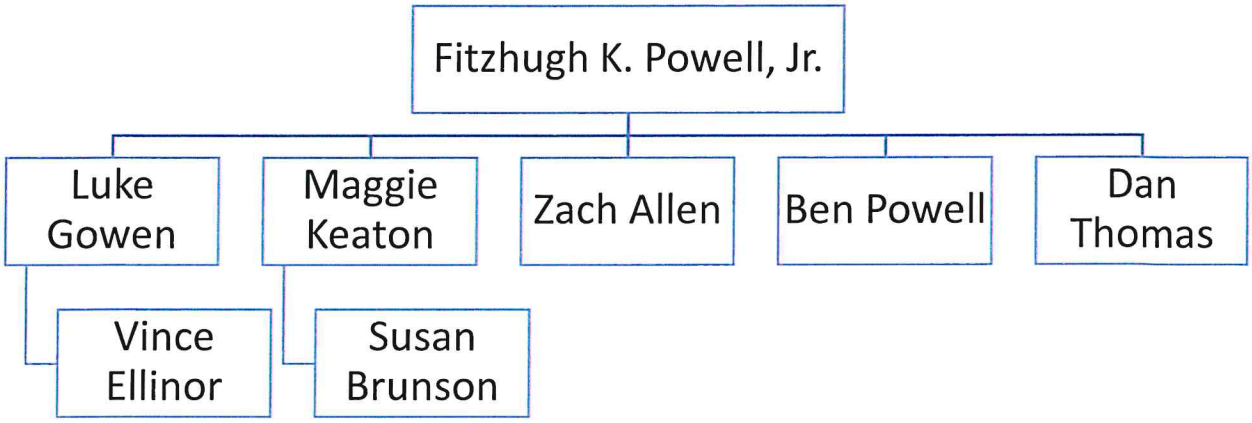
- Negotiation of financial terms with carriers
- Self-insured arrangements
- Government Compliance
- Health and Welfare benefits consulting
- Employee communications development
- Mergers and Acquisitions benefits integration
- Electronic benefits administration
- Financial and clinical review of claim data
- Labor negotiations on benefits

Fitzhugh K. Powell, Jr. AAI, CRIS, CWCA
President
Cecil W. Powell & Company

Fitz will serve as senior advisor to our City of Fernandina Beach team. He is the 3rd generation to serve as President of Cecil W. Powell & Company and has provided Risk Management and Property & Casualty Insurance services for more than 30 years. His strong carrier relationships are an advantage to any client.

Fitz has designed many unique insurance placements, including layered property coverage for public entities and private companies, as well as overseeing the development of custom loss control and claims handling approaches for clients. He understands unique contractual risk transfer agreements, as he provides risk management and broker services across all lines of property & casualty insurance and surety bonding.

Fitz has a BA in Business from Jacksonville University and he holds the professional designations of Accredited Advisor in Insurance (AAI); Construction Risk & Insurance Specialist (CRIS) and Certified Work Comp Advisor (CWCA) and holds a General Lines (Property & Casualty) insurance license. Fitz's time allocation is anticipated to be on an as-needed basis.



Maggie Keaton, AIC, ARM, CIC, CRIS
Senior Account Executive
Cecil W. Powell & Company

Maggie Keaton joined CWP as a Senior Account Executive and Claims Manager in 2019. Maggie has more than 25 years specializing in claim analysis and litigation, complex contract review and risk management services for several multi-national clients, aviation and government contracting risks as well as several high-profile family businesses. Maggie holds a BA from Emory University and was a member of the Lambda Alpha National Honor Society. Maggie is passionate about insurance and holds a General Lines (Property & Casualty) license, and has earned the designations of Certified Insurance Counselor (CIC), Associate in Risk Management (ARM), Construction Risk and Insurance Specialist (CRIS) as well as the Associate in Claims (AIC) designation. Maggie's time allocation is anticipated to be on an as-needed basis.

Susan Brunson
Commercial Lines Account Manager
Cecil W. Powell & Company

Susan Brunson joined CWP in 2017 as a commercial account manager for large, complex commercial clients. Susan has been in the insurance industry for more than 20 years handling property and casualty accounts, including municipalities and their airport systems, medical professional, construction and transportation. Susan's role on the team will be to provide backup support to the client service team. Susan and holds a General Lines insurance license as well as the professional designations of Agribusiness Farm Insurance Specialist (AFIS), Certified Insurance Counselor (CIC), Commercial Lines Coverage Specialist (CLCS) and Accredited Customer Service Representative (ACSR). Susan's time allocation is anticipated to be on an as-needed basis.

Cecil W. Powell & Company organizational chart

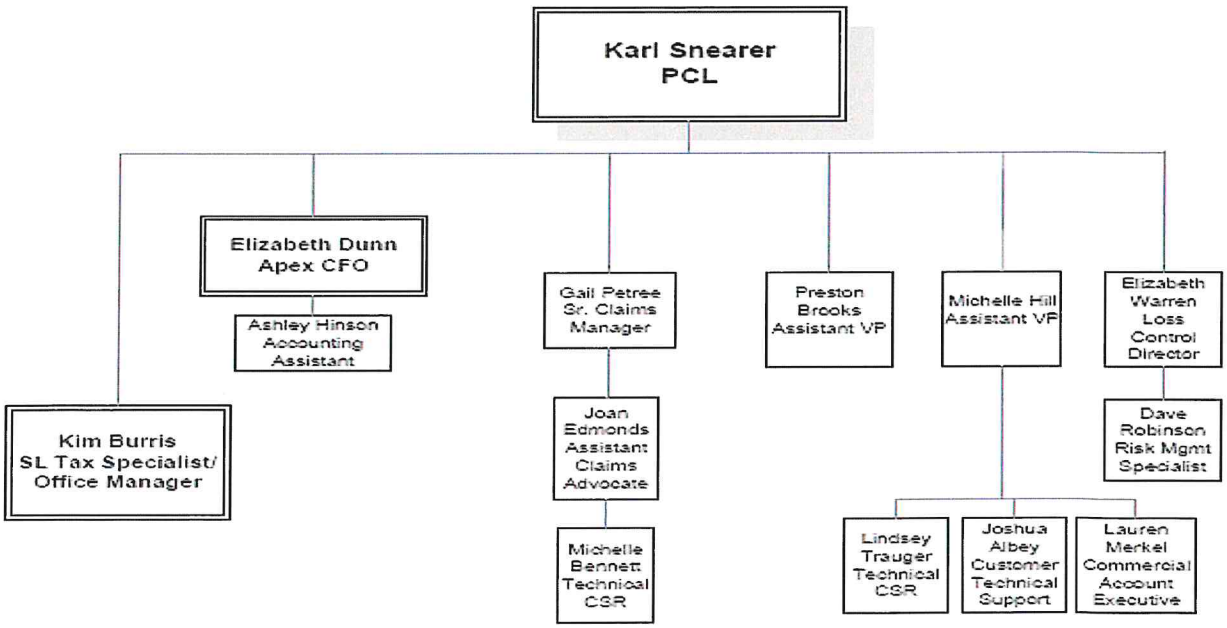
Cecil W. Powell & Company partnering with Apex Underwriters

Cecil W. Powell and Apex Underwriters thank you for including us in the broker selection process for the City of Fernandina Beach's property and casualty insurance needs. We pride ourselves on working as a team with our sister organizations, insureds, and carriers to provide open communication and service at any time.

Apex is a national leader as a Wholesale Broker, Program Administrator and Underwriting Manager. Apex specializes in Property & Casualty Insurance, Workers' Compensation, Risk Management and Claims Solutions. In addition, we pride ourselves in developing insurance and reinsurance solutions for Public Entities, Transit Authorities, Special Districts, and Educational Institutions. Founded in 1991 in Glen Allen, VA as a wholesale broker and MGA, Apex has grown to five major offices nationwide and over $270,000,000 in public entity premiums and member contribution. Our continued focus on the public entity world has allowed us to become one of the country's fastest-growing, well-respected, experienced, and talented public entity specialists.

Together, Apex and Cecil W. Powell goal is to use our experience, knowledge, relationships and consolidated insurance buying power to find the most comprehensive and competitive markets for City of Fernandina Beach. Many talk about innovative ideas, but the Cecil W. Powell agency and Apex partnership has a history of turning ideas into productive products that benefit insureds. Our history and on-going commitment to public entities and schools provides our insureds the power of a major broker with localized experience and a successful track record.

We have a dedicated claims department who work as Claim Advocates for our clients. We have found it essential for our clients to have people whose expertise is the claims process with the Carriers and who can walk the client through the process and be their voice when there are questions regarding coverage and representation.



In addition to our service and claims teams, we have a Loss Control Director on staff. Our Loss Control Director served as the Risk Manager for one of Georgia's largest cities for six years where she handled the Property, Liability and workers' compensation. Our Loss Control services help manage and reduce our clients overall risk by reviewing loss trends, identifying hazards, offering specific recommendations to mitigate losses, assisting with Safety Committee Development and guidance, and numerous training courses.

Company Information and Advantages

Cecil W. Powell delivers a full array of property-casualty insurance brokerage and risk management services to middle-market and large commercial clients. Our approach is to provide tailored insurance and risk management solutions for clients of every size and industry sector. Our team leverages decades of technical and industry-specific experience to solve complex risk problems, quickly and efficiently. Cecil W. Powell takes pride in providing superior customer services. All customer service representatives and assistants are trained in all aspects of commercial insurance and claims service and are licensed agents.

Apex Underwriters is the nation's premier public entity insurance broker. We are an equal opportunity employer, and publicly owned with combined annual revenues over $1.8 Billion. Apex's continued commitment to focus on the public sector has allowed us to grow 6 Offices, 120 Team Members with a combined $280,000,000 in public sector insurance premium placements throughout the United States. In Georgia, Apex is the largest and oldest Public Entity and Public School Intermediary. We pride ourselves on our knowledge and ability be true partners to you. Our local Georgia team consists of 13 team members with more than 160 years of combined experience, and more than 20 Professional Insurance designations. This team is responsible for more than $60,000,000 in Public Entity/School Premiums, Loss Control & Risk Management Services, as well as Claims Facilitation & Advocacy.

Apex Underwriters Organizational Chart

J. Michelle Hill –*Vice President*
Apex Underwriters
404-966-8916 • hill@apexinsurance.com
1720 Windward Concourse #270, Alpharetta, GA. 30005

Michelle is a Georgia-licensed Property & Casualty insurance professional with vast experience in underwriting and agency management. Her work has focused on municipal and county governments, educational institutes, and water authorities for over 11 years providing property, casualty, and workers compensation programs to insureds across the Southeast. Her unique position of having both underwriting and agency management experience gives her great insight into carrier and agency operations from the inside out, thus allowing her to better understand, serve, and deliver on the needs of her clients. Michelle holds a BA in Business Management from Georgia State University and is a strong believer in continuing education earning both her CISR and CSRM designations.

Gail T. Petree – *Claims Manage*
Apex Underwriters
678-455-5368 • petree@apexinsurance.com
4730 Hammond Industrial Drive #300, Cumming, GA. 30041

Located in our City of Cumming Claims Office, Gail has been with the company since 1987. During this 30+-year period, Gail has worked exclusively in the Public Sector Insurance arena. Previously serving as an Account Manager and Producer, Gail has spent the past 17 years using her extensive knowledge of public entity insurance to serve our clients as Claims Manager for our company's satellite Claims Division. Her thorough understanding of Public Entity property & casualty coverages along with her excellent communication skills allow her to provide prompt, professional claims support services as well as effective dialog between the Insured/Agent and the Insurance Company on all claims-related matters. She has held a Resident GA Insurance License for Property & Casualty for 25 years.

Joan Edmonds – *Sr. Claims Specialist*
Apex Underwriters
678-455-5368 • edmonds@apexinsurance.com
4730 Hammond Industrial Drive #300, Cumming, GA.

As Sr. Claims Specialist in our Cumming Claims Office, Joan has over 30 years of experience in the insurance industry. She holds a Resident GA Insurance License for Property & Casualty and has been with the company since 2004. Her career began with Chubb Group of Insurance Companies, where she served as an inside/outside property adjuster for eight years. Following her tenure with Chubb, Joan she served as Manager of the company's MGA program for public school systems. Her duties included contacting prospective clients, compiling information needed to complete applications for submissions to the carrier and acting as the liaison between the carrier and the client to gather any additional information needed for quotation. Joan's responsibilities include reviewing and processing new claims, assisting the Claims Manager in preparing status reports for upcoming claims reviews, and providing day-to-day customer and local agency service and support for all claims-related issues.

Elizabeth E. Warren – *Director of Loss Control*
Apex Underwriters
770-441-1888 Ext. 7845
warren@apexinsurance.com • 1720 Windward Concourse #270, Alpharetta, GA. 30005

Elizabeth proudly provides Loss Control and Risk Management services to our public entity clients. She was raised in metro-Atlanta and spent eight years in contract and corporate law. She holds a bachelor's degree in Marketing and later received her master's degree in Finance from the University of Georgia. Before joining our team, Elizabeth served as the Risk Manager for one of Georgia's largest cities for six years where she handled property, liability and workers compensation claims for multiple departments including Public Works, Recreation & Parks, and Police & Fire. As the Director of Loss Control for Apex, Elizabeth helps manage and reduce our clients' overall risks by reviewing loss trends, identifying hazards, offering specific recommendations to mitigate losses, and assisting with Safety Committee development and guidance and numerous training courses. With a desire to make a difference in her community, Elizabeth also serves on several local non-profit boards.

Michelle Bennett – *Loss Data Analyst*
Apex Underwriters
678-455-5368 • bennett@apexinsurance.com
4730 Hammond Industrial Drive #300, Cumming, GA. 30041

Michelle began her career with us in the early 1990's and currently serves Apex as a Loss Data Analyst. She holds a Resident GA Insurance License for Property & Casualty and works directly with our claims staff to serve the needs of our clients/agents. Michelle's primary role is ordering and analyzing updated loss information and composing loss history reports for marketing and claims review purposes. She also handles all requests for Certificates of Insurance and assists the Claims Office in reporting new claims and ensuring all acknowledgments, reserve advisory alerts and closing notices are submitted timely. With over 20 years of experience, Michelle's expertise in Public Entity Insurance is key to understanding the complex needs of our clients and agents.

Lindsey Trauger – *Technical Assistant*
Apex Underwriters
770-441-1888 Ext. 7851 • trauger@apexinsurance.com
1720 Windward Concourse #270, Alpharetta, GA. 30005

Lindsey is a graduate of Bauder College and started her insurance career with Apex in 2012. Her primary responsibilities include reviewing and processing all incoming policy change requests and updating and maintaining all our Insured's current asset lists, to include automobile schedules, property statements of value, equipment schedules, etc. Lindsey's attention to detail allows her to efficiently and accurately examine the data presented to locate any potential discrepancies and correct, update, and/or revise the information accordingly. Her work product is crucial to our sales team's ability to ensure all schedules have been thoroughly examined and updated both before, during, and after the marketing process in order to maintain accuracy in quoting.

Apex's Five Largest Relative Property Insurance Placements:

1. DeKalb County School District $3.6B TIV
2. Cullman County, AL $77M TIV
3. City of El Paso, TX $1.8B TIV
4. Liberty County BOE $832M TIV
5. Clarke County, NV $2.3B

Apex Underwriters insures over 20 or more accounts over $500M in TIV.

Largest Complex Accounts:

1. Cullman County, AL
2. Douglas County, GA
3. Apex places insurance for seven State pools
4. Douglas County, NV
5. City of Johns Creek, GA

Five Largest Public Entity Clients Currently Handled:

1. Douglas County, GA
2. City of Johns Creek, GA
3. Henry County BOE
4. Columbus Consolidated Government
5. City of Mobile, AL

March 17th, 2023

Hello,

It is my pleasure to recommend the Cecil W. Powell & Company to you. For more than eight years, Cecil W. Powell & Company has provided the Jacksonville Aviation Authority with insurance brokerage services to meet our insurance needs.

The company was always able to provide insurance brokerage services for the Jacksonville Aviation Authority when called upon. We were especially pleased with their expertise in developing our property insurance program to a professional level.

Please consider Cecil W. Powell & Company for your insurance needs. I recommend them and look forward to working with them again.

Sincerely,
Roger Studenski
Risk and Safety Manager
Jacksonville Aviation Authority

Tab 5 – Ability to furnish required services to best service the City

CWP and its wholesale partners serve as broker for a significant number of catastrophe-exposed clients in the Southeast and would be honored to represent the City of Fernandina Beach in the marketplace. Throughout our agency's history, we have had the great fortune to partner with a number of government/public entities.

The CWP team has had the pleasure of working with the following public entities:

- Charlton County Board of Education
- City of Amarillo, TX (including its Airport and Law Enforcement Property & Vehicles)
- City of Claude, TX
- City of Folkston, GA
- City of Jacksonville, FL
- Jacksonville Aviation Authority

CWP Market Analysis

Extensive risk analysis work is carried out even before we approach markets. As a result, when we engage the marketplace, we are fully prepared to negotiate from an advantageous position based on our depth of understanding of our client's risks. By thoroughly and strategically assessing City of Fernandina Beaches risks in advance, we can successfully demonstrate and substantiate to insurers the rationale behind our marketing proposition.

We take the fundamental view that we will do a better job for our clients, from every aspect, if we know as much as possible about their exposures. That means diving deep into the data, and knowing every aspect of the City's property values, Probable Maximum Loss (PML), flood elevations, neighboring exposures, policy wordings, limit adequacy, retention analysis, etc.

We believe that building a program from a limits, coverage, and pricing perspective requires analysis – running the models, inspecting facilities, reviewing policy wording, stress testing retentions and limits. This sets the stage for competition between property markets regarding terms, conditions and pricing. Using a layered structure, we aren't as dependent on one market or "insurance company". This "pre-underwriting" strategy and approach makes our marketing submission that much more powerful. We do not simply observe market conditions and apply benchmark rates for certain classes of business. Rather, we pre-underwrite your account so that when we bring a price into the market, it is backed by credible, empirical information. In turn, underwriters tend to be much more receptive during negotiations.

Accordingly, CWP's focus on extensive and unparalleled preparation and open and honest communication with markets are the foundation of all our marketing activity and helps persuade and influence the markets ultimately driving market-beating results that only a custom, tailored approach can achieve.

The CWP team approach to marketing consists of continuous review, based on ever-changing market conditions. By staying in constant contact with our various markets and coordinating visits by

underwriters to every location, we solidify their comfort with every aspect of the City's exposures to risk.

Our marketing philosophy is based upon the following key principles:

- The most effective insurance and risk management programs are those designed and maintained by a fully invested partnership among the client, broker, wholesale broker, and the carrier.
- We believe in differentiating our clients in the market in order to negotiate the best possible results.
- Our integrated approach utilizes input from our claims and loss control experts as to the viability of proposed contract language and selection of carriers prior to binding is as critical as implementation of a program.
- We will continually work to broaden the policy form to provide the broadest coverage
- We don't rely on any individual carrier, and by not allowing them to utilize their maximum capacity, we create program stability. By utilizing multiple carriers in a layered approach, the entire program will be shielded from a catastrophe loss.

OSHA COMPLIANCE

Cecil W. Powell & Company has a Dynamic OSHA Recordkeeping and First Report of Injury Platform available on OSHAlogs.com that we can offer clients.

- Enables our clients to:
  - Create accident reports
  - Track and measure injuries
  - Save or print OSHA documents on demand
  - View injury metrics in real time

- Save time by eliminating the need for *double/triple/quadruple* data entry.
- Eliminate errors by not having to transfer data or complete complicated calculations between forms.
- Helps our team at our agency help you
  - We get instant notification of incidents
  - We can view your data in real time

Automatically Generate OSHA Forms:

- Filling out <u>one</u> easy to use online form will allow you to generate PDF versions of all required OSHA forms with a click of a button!
- Includes all OSHA forms:
  - OSHA 300 Log
  - OSHA 300A
  - OSHA 301 Incident Report
- An incredible time saver!

Tab 6 – Location in proximity to Fernandina Beach

Cecil W. Powell & Company's main office is located at 219 N. Street in Jacksonville Florida. All office personnel are based out of this location which is approximately a 49 minute drive to Fernandina Beach.

Tab 7 – Compensation / Cost of Service

The cost of Broker services provided by Cecil W. Powell in response to RFP #23-04 are proposed at $75,000.00 (USD – annually), payable on a quarterly basis. Policies will be issued net of commission.

Tab 8 – Addendum

CWP proposes to include all the work within the Scope of Services as outline in the Request or Proposal RFP – 23-04 provided we can come to a revised, mutually acceptable indemnification agreement which better reflects the nature of professional relationship with, and services rendered by Broker under this RFP – as the current language is "boilerplate" and inappropriate for this agreement

EXHIBIT "B"

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for City of Fernandina Beach Florida RFP 23-04 Property and Casualty Insurance Brokerage Services.

2. This sworn statement is submitted by (entity) Arthur J. Gallagher Risk Management Services, LLC whose business address is 501 Riverside Avenue, Suite 1000, Jacksonville, FL 32202 and (if applicable) Federal Employer Identification Number (FEIN) is 36-2102482 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

3. My name is Alex Burton and my relationship to the entity named above is Area President.

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

   1. A predecessor or successor of a person convicted of a public entity crime; or

   2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

CITY OF FERNANDINA BEACH FLORIDA
RFP 23-04 PROPERTY AND CASUALTY INSURANCE BROKERAGE SERVICES

X Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)

____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

DRUG-FREE WORKPLACE CERTIFICATION

The below-signed INDIVIDUAL/FIRM certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace prepare, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or services a copy of the statement specified in paragraph 1.

4. In the statement in paragraph 1., notify the employees that, as a condition of working on the commodities or contractual services that are under proposal, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.

5. Impose a sanction on, or require fine satisfactory participation in drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I Certify that this firm complies fully with the above drug-free workplace requirements.

CONFLICT OF INTEREST STATEMENT

This sworn statement is submitted with Bid, Proposal or Contract for City of Fernandina Beach Florida RFP 23-04 Property and Casualty Insurance Brokerage Services

This sworn statement is submitted by (entity) Arthur J. Gallagher Risk Management Services, LLC whose business address is 501 Riverside Avenue, Suite 1000, Jacksonville, FL 32202 and (if applicable) Federal Employer Identification Number (FEIN) is 36-2102482 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

My name is Alex Burton and my relationship to the entity named above is Area President.

1. The above-named entity is submitting a Proposal for the City of Fernandina Beach.
2. The Affiant has made diligent inquiry and provides the information contained in the Affidavit based upon his/her own knowledge.
3. The Affiant states that only one submittal for the above proposal is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
4. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraints of free competitive pricing in connection with the entity's submittal for the above proposal. This statement restricts the discussion of pricing data until the completion of negotiations if necessary and execution of the Contract for this project.
5. Neither the entity not its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participation in contract letting by any local, State, or Federal Agency.
6. Neither the entity nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
7. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with the City of Fernandina Beach.
8. I certify that no member of the entity's ownership or management, or staff has a vested interest in any aspect of the City of Fernandina Beach.
9. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify the City of Fernandina Beach.

My name is Alex Burton and my relationship to the entity named above is Area President.

1. The above named is fully informed respecting the preparation and contents of the attached proposal and of all pertinent circumstances respecting such proposal;
2. Such Proposal is genuine and is not a collusive or sham proposal;
3. Neither the said Proposer nor any of its officers, partners, owners, agents, representatives, employees, or parties in interest, including this affiant, has in any way colluded, connived, or agreed, directly or indirectly, with any other Bidder, firm or person to submit a collusive or sham Proposal in connection with such Contract, or has in any manner, directly or indirectly, sought by agreement or collusion or communication or conference with any other Bidder, firm, or person to fix the price or prices in the attached proposal or any other Bidder, or to fix any overhead, profit or cost element of the proposal price or the proposal price of any other Bidder, or to secure through any collusion, connivance, or unlawful agreement any advantage against the City of Fernandina Beach, Florida or any person interested in the proposed Contract; and
4. The price or prices quoted in the attached proposal are fair and proper and are not tainted by any collusion, conspiracy, connivance, or unlawful agreement on the part of the Bidder or any of its agents, representatives, owners, employees, or parties in interest, including this affiant.

Executive Summary

Arthur J. Gallagher Risk Management Services, LLC ("Gallagher") is pleased to respond to the City of Fernandina Beach Florida ("the City") RFP 23-04 Property and Casualty Insurance Brokerage Services. Our involvement as the City's broker spans several decades. I personally lead the team that has supported the City for the entirety of my 23 year career. During this time, the City has experienced significant growth and faced new challenges and risks associated with an expanding population, increased tourism, and severe weather events. It has been a great privilege to have worked closely with so many incredible people at the City during my career. I believe the City has greatly benefited from our involvement and likewise — our teams have been enriched through our relationship with the City. The mutual goal has always been developing and executing successful risk management strategies to assure optimal outcomes for the City's taxpayers, employees, community, and visitors.

We recognize the importance of the decision the City is making and hope that as you review our detailed RFP response, the answer to the question of "Why should we select Gallagher?" becomes evident:

Proven Track Record of Providing Solutions for Key Issues

A long-term relationship alone is not a gauge of quality or success. We are proud of what we have accomplished together with the City during our decades of support as your broker and want to be measured by those successes. Many examples are provided within our response, but we have always remained focused and dedicated on helping the City achieve its mission and support the City's strategic goals. As the City does not have a dedicated risk management department, we consider ourselves the risk management arm of the City.

KEY MOMENT IN HISTORY

In 2002, the City had a very unfortunate vehicle accident. At the time, we helped lead an assessment of the City's safety culture that preceded an overhaul of the Safety Committee and other policies and procedures. Since that time, the City has experienced an improved safety culture as evidenced by periods of superior claim results along with other awards and acknowledgements by third parties. We continue to play an active role in helping the City maintain and enhance its safety culture.

Local Experienced Team with On-demand Availability and Flexibility

Our local team has significant tenure supporting the City. We work closely with various departments at the City including: City Manager, City Attorney, Finance, and Human Resources. We regularly attend in-person meetings with City's leadership as well as attend City Commission, Safety Committee, Employee Training, and department meetings as the needs arise. It is not uncommon that we might attend meetings with only hours' notice and our cell phones are available during non-working hours and days.

Unparalleled National and Florida Public Sector Expertise & Resources

Gallagher has 10,000+ public sector clients that represent $1.5B+ in annual premiums. 200+ Florida public sector clients, with over 40 Florida professionals serving the public sector. The Public Sector practice is one of Gallagher's largest industry verticals. Our Public Sector Practice regularly shares and distributes relevant and timely risk related information that benefits our clients and support teams. As this RFP is specific to a broker only, our response includes Gallagher specific resources and not those of the insurance carriers, although engaging and utilizing those resources is an important part of our role as your broker.

© 2023 Arthur J. Gallagher & Co.

Unencumbered Market Access and Clout

Gallagher's size and global reach allows broad access and leverage with all major domestic and international insurance and reinsurance carriers. As it relates to Florida, the core markets for the main coverages for municipalities, like Fernandina Beach, have been the Non-Profit Insurance Trusts. Gallagher has no common financial ownership with the Trust Administrators thus allowing for access and unbiased counsel when competing options are desired by the City. We have a history of strategically creating competition to drive down premium costs and assure the optimal delivery and engagement of the Trusts resources. For example, in 2019 we executed a RFP process in a challenging marketplace (i.e. double digit increases were common) that solicited options from the two largest insurance trusts (PGIT and FMIT) that led to a 32% decrease (~280k) while enhancing coverage and eliminating deductibles. We have had an integral role in the long-term relationship the City has had with Preferred Governmental Insurance Trust (PGIT).

Systematic Total Cost of Risk Approach

Gallagher's **CORE**360® approach offers a systematic model to examine the six cost drivers of risk management–insurance premiums, program structure, loss prevention & claims, uninsurable and uninsured losses, coverage gaps, and contractual liability. We will use **CORE**360 as the blueprint for our strategic plan to examine your risk management program

Ongoing Commitment

We believe staying with Gallagher is the best overall value in assisting the City's pursuit of sustaining a cost effective and comprehensive risk management program. Gallagher has the experience, resources, discipline, and insurance carrier relationships to help guide the City into the future.

We hope our response further demonstrates Gallagher's commitment and the best extension to your risk management team. Again, we are grateful for the opportunity to remain the City's insurance broker for many years to come.

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for City of Fernandina Beach Florida RFP 23-04 Property and Casualty Insurance Brokerage Services

2. This sworn statement is submitted by (entity) Arthur J. Gallagher Risk Management Services, LLC whose business address is 501 Riverside Avenue, Suite 1000, Jacksonville, FL 32202 and (if applicable) Federal Employer Identification Number (FEIN) is 36-2102482 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

3. My name is Alex Burton and my relationship to the entity named above is Area President.

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or

    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

© 2023 Arthur J. Gallagher & Co.

X Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)

____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

DRUG-FREE WORKPLACE CERTIFICATION

The below-signed INDIVIDUAL/FIRM certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace prepare, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or services a copy of the statement specified in paragraph 1.

4. In the statement in paragraph 1., notify the employees that, as a condition of working on the commodities or contractual services that are under proposal, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.

5. Impose a sanction on, or require fine satisfactory participation in drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I Certify that this firm complies fully with the above drug-free workplace requirements.

CONFLICT OF INTEREST STATEMENT

This sworn statement is submitted with Bid, Proposal or Contract for City of Fernandina Beach Florida RFP 23-04 Property and Casualty Insurance Brokerage Services

This sworn statement is submitted by (entity) Arthur J. Gallagher Risk Management Services, LLC whose business address is 501 Riverside Avenue, Suite 1000, Jacksonville, FL 32202 and (if applicable) Federal Employer Identification Number (FEIN) is 36-2102482 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

My name is Alex Burton and my relationship to the entity named above is Area President.

1. The above-named entity is submitting a Proposal for the City of Fernandina Beach.
2. The Affiant has made diligent inquiry and provides the information contained in the Affidavit based upon his/her own knowledge.
3. The Affiant states that only one submittal for the above proposal is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
4. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraints of free competitive pricing in connection with the entity's submittal for the above proposal. This statement restricts the discussion of pricing data until the completion of negotiations if necessary and execution of the Contract for this project.
5. Neither the entity not its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participation in contract letting by any local, State, or Federal Agency.
6. Neither the entity nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
7. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with the City of Fernandina Beach.
8. I certify that no member of the entity's ownership or management, or staff has a vested interest in any aspect of the City of Fernandina Beach.
9. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify the City of Fernandina Beach.

Lawsuits & Litigations

While our Jacksonville and Yulee based firms (previously Harden) have not been involved in any filings in request for equitable adjustment, contract claims, bid protest, or litigation in the past five years, as with any business, Arthur J. Gallagher & Co. and its affiliates ("Gallagher") may be involved in multiple regulatory actions, investigations or lawsuits (collectively, "Actions").

Specific details of Actions to which Gallagher is subject are noted in reports to the SEC, which are available in the Investor Relations/SEC Filings section at www.ajg.com, particularly in the "Commitments, Contingencies and Off-Balance Sheet Arrangements" footnote to Gallagher's financial statements set out in Gallagher's most-recent Annual Report on Form 10-K and Quarterly Report on Form 10-Q.

You may access these forms at ajg.com, under the tab "Investor Relations." We respect your interest in asking this question but are unable to give any more specific detail than can be found within the public information locations noted in this response.

FIRM QUALIFICATIONS

1. **Provide a brief history and description of your firm. Include a description of resources or services that may be utilized that are not housed in your local office. Separately, provide a description of services and resources that may be introduced to the City of Fernandina Beach over time that may add value to its employee benefits program or other business objectives.**

History of Harden

Legacy Harden & John T. Ferreira Insurance Office Merger Partner with Arthur J. Gallagher

In the mid-80s, Harden became part owner and managing partner of John T. Ferreira Insurance. In 2020, Harden merged into Gallagher thus greatly expanding our resources with being noted as the nation's largest public sector broker and one of the largest broker in the world.

About Gallagher

Gallagher is one of the world's largest insurance brokerage, risk management and consulting firms. As a community insurance broker and trusted local consultant, we help people and businesses move forward with confidence. With more than 44,000 people working around the globe, we're connected to the places where we do business and to every community we call home. Managing risk with customized solutions and a full spectrum of services, helping you foster a thriving workforce, and always holding ourselves to the highest standards of ethics to help you face every challenge for more than 95 years—that's *The Gallagher Way.*

1927	1,200+	$8.3B	44,000+	130+
Founding year	Global offices	Total Brokerage & Risk Management revenues (2022)	Employees	Countries served

Gallagher was one of the first brokers to transition from simply brokering insurance to providing true risk management services by identifying exposures, then developing and implementing ways to reduce those risks. In 1938, we designed the first retrospective rating program, which gave clients credit for holding down their losses. Gallagher once again broke new ground in 1963 by forming the first non-workers' compensation self-insurance program and formed Gallagher Bassett Services, Inc. to administer claims and loss control services. In 1984, Gallagher became a publicly-traded company (NYSE: AJG). Our most recent financial report can be found on our website www.ajg.com under the "Investor Relations" tab.

Today, Gallagher has 28+ specialized practice groups paired with managing directors to support these segments with continuous growth, research, and knowledge. Gallagher companies plan and administer a full array of insurance services to support our clients and our practice groups.

Gallagher's **CORE**360® Approach to Risk Management

Traditional Total Cost of Risk
actual costs

● Retained Losses ● Premiums ● Administration

CORE360® Approach
actual and potential costs

The goal of our **CORE**360® approach is to optimize your total cost of risk.

We accomplish this goal by adhering to a comprehensive and well organized process, under which we discuss each **CORE**360 cost driver, beginning with Insurance Premiums and ending with Contractual Liability.

The intent of our CORE360 Approach is to help you execute three critical objectives:

1. Determine your Optimal Risk Management Program
2. Minimize your Total Cost of Risk (TCOR)
3. Improve your Financial Health or Profitability

INSURANCE PREMIUMS
Cost for all your existing insurance policies. It also includes our compensation as your broker.

PROGRAM STRUCTURE
How the individual pieces of your program work together, as well as how you balance your risk appetite against your loss experience.

COVERAGE GAPS
Potential costs from any gaps in existing policies, such as sublimits, removable exclusions and extensions of coverage.

UNINSURED & UNINSURABLE LOSSES
Potential or actual costs of any risks you knowingly or unknowingly leave uninsured or uninsurable.

LOSS PREVENTION & CLAIMS
Your participation in a loss and how you minimize costs through appropriate loss prevention programs and claims management.

CONTRACTUAL LIABILITY
Costs resulting from the unsuccessful transfer of risk to, or assumption of uninsured liability from, a third party.

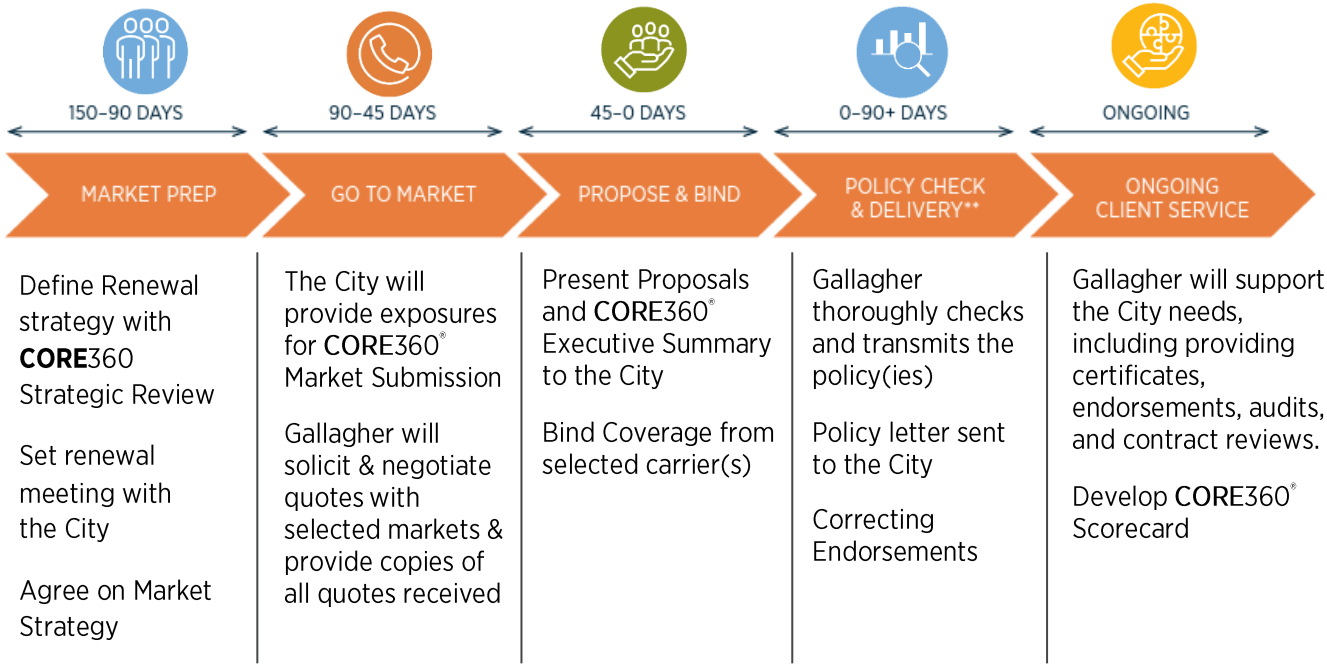
LEVERAGING RESOURCES OF THE INSURANCE CARRIERS

In addition to Gallagher resources, we also believe a successful risk management strategy often involves maximizing the resources of the insurance carriers. In the past 20+ years, we have continued to work closely with and engaged the resources of the City's insurance carrier Preferred. We will continue to seek commitments of resources from any of the City's carriers and hold them accountable to high standards and the delivery of services and support that align with the City's requirements.



Gallagher's Approach to Service and Marketing

We use **CORE**360 as the blueprint for our strategic plan to examine and service your risk management program, breaking down the cost drivers, establishing goals, and measurable actions for the each policy period.

CORE360® Stewardship Reports: We will submit annual stewardship reports and hold stewardship meetings where you can evaluate our performance and offer feedback. Stewardship meetings are designed for open, clear communication between the risk manager and the broker. We will bring your carriers to the table as part of the stewardship process to evaluate coverage and goals. Gallagher's stewardship report uses **CORE**360 to analyze how we've managed your total cost of risk and focus on the core areas of account management, marketing, risk control, and claims support.

Approach to Marketing: Gallagher's approach is different from other leading brokers. The same team that interacts with the client is the team that communicates and negotiates with the underwriters. This way, we build successful, long-term underwriting relationships for both our clients' and carrier partners' benefit.

- **STREAMLINED COMMUNICATION:** Gallagher ensures that communication between client and insurer only travels through one person – your Gallagher point of contact.
- **CONSISTENT, HIGH-QUALITY SUBMISSIONS:** By providing underwriters with a complete submission that paints a clear picture of your organization, we make it easy for underwriters to determine their interest in writing the account.
- **TRANSPARENCY:** Gallagher's service platform builds successful, long-lasting underwriting relationships. Accountability is built into the process because it is the same person doing both the servicing, and the marketing.

Gallagher Analytics: Gallagher Drive

Benchmarking Services

Compare your insurance program structures against industry peers and make more informed purchasing decisions around your coverages, your limits and potential exposures.

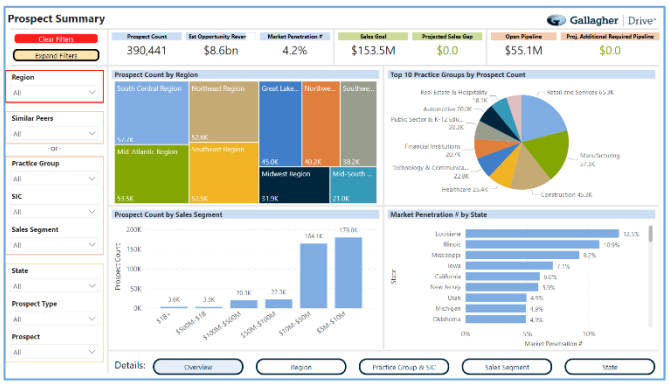
Placement Analytics

Gallagher has decades of experience working with carriers complemented with unique trade data to help ensure you optimize your insurance panel along with your total cost of risk. Review carriers to ensure risk is being managed with the right carrier.

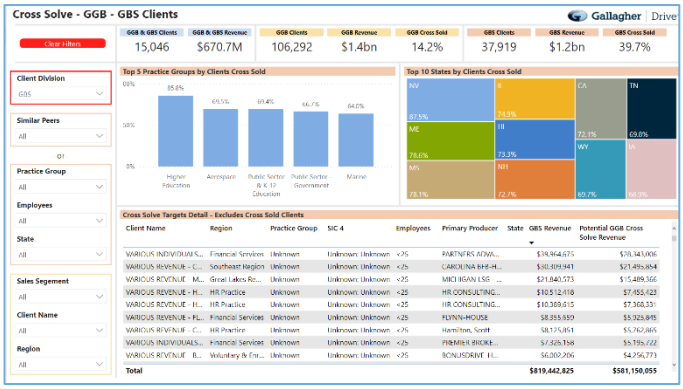
Claims Analytics

Gallagher's proprietary data combined with our robust forecasting and modeling tools can help you better analyze your organization's loss history and related impacts.

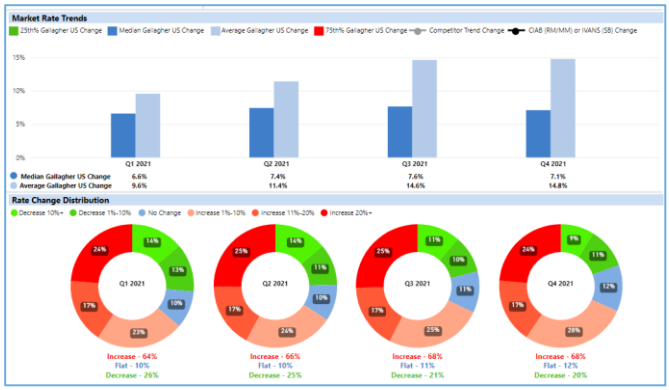
Consulting Services and Solutions



Our comprehensive suite of data visualizations and dashboards provide a visual story of the factors that comprise your specific total cost of risk. Our analytics consultants can show how they work together to deliver the performance your organization requires.



Gallagher | Drive®



Gallagher delivers powerful results through the combination of over 95 years of experience and power of data and analytics.

SAMPLE DASHBOARD

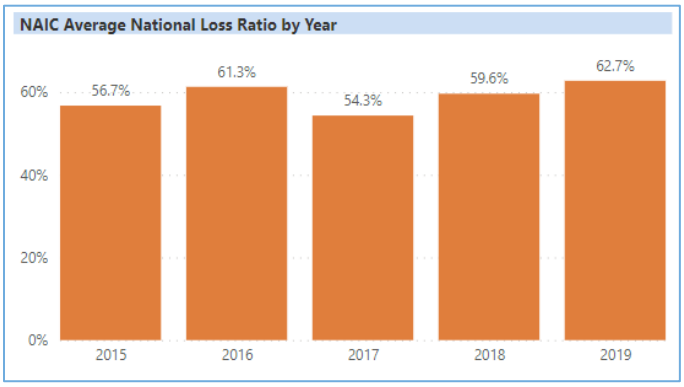
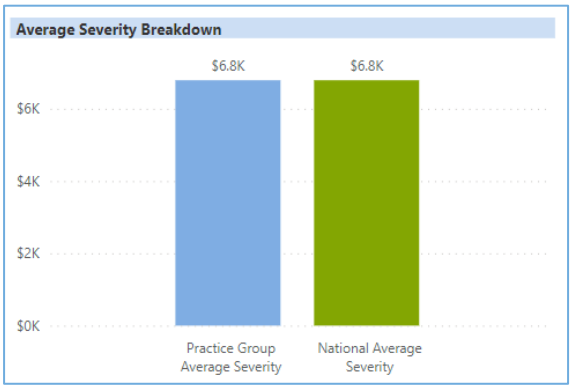
Gallagher



Benchmarking Services



Benchmarking plays one of the most crucial roles and managing an organization's risks. Gallagher Drive works to create a customized benchmarking report based on limits, retentions, coverages, and losses due to our large Public Sector database. Utilizing innovate technology and drawing upon Gallagher and third-party trade data, we are able to benchmark the City's insurance program structures against your peers in real time.

Not only are these dashboards used to benchmark your limits and rates by lines coverage, they can go even further with filters such as size, region, and practice, to prepare the most detailed and well-rounded report possible. Our benchmarking tools and capabilities are fully integrated with our **CORE**360 approach to compare your limits to loss data and provide a holistic, comprehensive view of the City's TCOR.

SAMPLE GENERAL LIABILITY BENCHMARKING REPORT

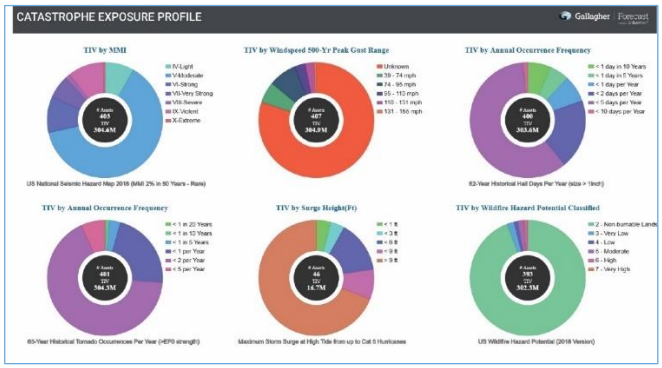
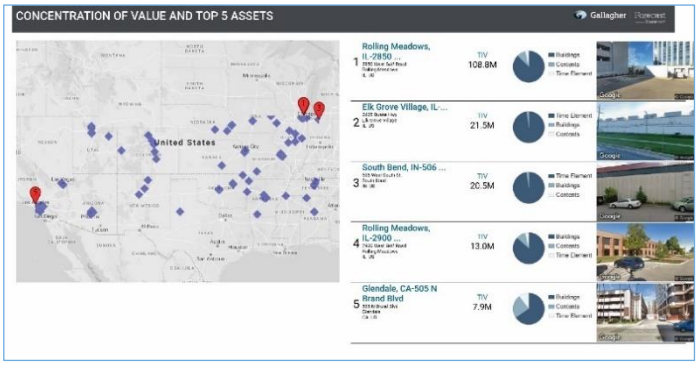
Gallagher Forecast: Placement Analytics



Natural events like earthquakes, floods, and wildfires are often unavoidable. However, they can be prepared for. Gallagher was part of a group that beta tested a real-time data management and CAT Modeling platform available through Gallagher Forecast. This tool provides the ability to look at live exposure data and analyze information in order to quantify risk profiles and program efficiencies. This data analysis can empower clients to make better risk decisions and draw conclusions in order to have more options when talking to property markets. Gallagher Forecast:

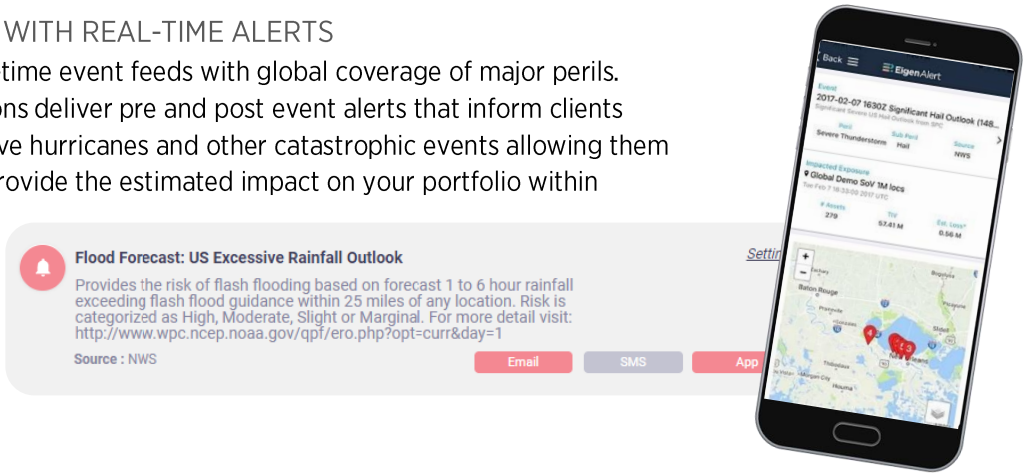


- Improves Modeling turnaround time, "speed of thought" risk analytics
- Brings real-transparency to risk modeling and unlocks the value of the data
- Use historical event footprints to "sense check" model results
- Organize risk factors and empower the team when talking to markets
- Check model results from standard vendors (RMS, AIR, etc.)
- Provide what-if scenarios to improve confidence in placement terms
- Proactively communicate impact of real-time events

Gallagher | Forecast

SAMPLE DASHBOARD

Catastrophe Exposure Profile and Detailed Analysis of Most Impactful Catastrophe Exposures



In addition, the profile report contains a handful of similar views, such as:

- Construction Occupancy Protection Exposure (COPE) Drivers of Value and Data Quality
- Other Catastrophe Exposure Profiles
- Concentration of Values and Top 5 Assets
- Top 5 Assets by US National Seismic Hazard
- Top 5 Assets by Tropical Cyclone Occurrence Frequency
- Top 5 Assets by Hail Occurrence Frequency
- Top 5 Assets by Storm Surge Hazard
- Top 5 Assets by Wildfire Hazard Potential

REAL-TIME EVENT RESPONSE WITH REAL-TIME ALERTS

Gallagher Forecast allows for real-time event feeds with global coverage of major perils. These automated event notifications deliver pre and post event alerts that inform clients about their assets exposed to active hurricanes and other catastrophic events allowing them to mobilize resources efficiently provide the estimated impact on your portfolio within minutes of an event. These alerts also allow you to facilitate disaster preparedness and response, business continuity, and supply chain resiliency.

Gallagher

Carrier Comparisons

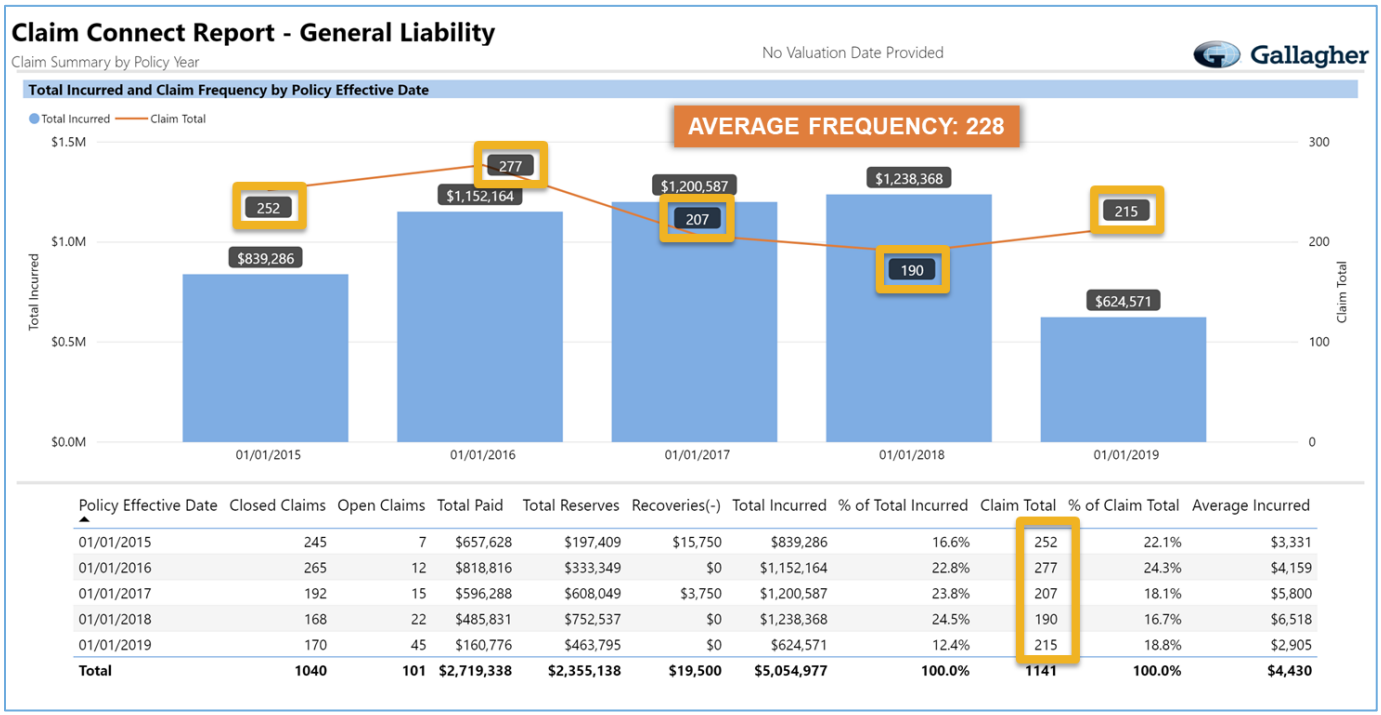
Drawing on Gallagher's trade data we identify which carriers have an appetite for your risk and their average premium rate. Using this data, we optimize your insurance panel while also seeking to optimize your total cost of risk. Our data-driven approach ensures we identify the top carriers with the best solutions for your risks.

SmartMarket

Gallagher | SmartMarket

SmartMarket, our proprietary platform, matches your specific needs with the most appropriate insurance company. We are developing the next generation of our SmartMarket platform, which will allow carriers real-time access into market trends and renewal opportunities. Allowing our insurance company partners direct visibility into your needs enables them to select those businesses that match their available capacity, creating a more competitive marketplace for you.

Claims Analytics



CASUALTY ANALYTICS

Our casualty analytics use Gallagher's proprietary data as well as industry best practices to benchmark your program. This process allows us to identify areas of strength and opportunities for improvement. We also benchmark your losses against our industry-leading claims database to make specific recommendations on your risk management program. In analyzing your data, we show claim trends within your loss history.

CLAIM CONNECT REPORT

We built a specialized dashboard to help us understand our clients' risk from an actuarial and analytic perspective called the Claims Connect Report. Our Claims Connect Report quantifies your claims loss risk and helps you better understand your unique claims/loss environment and provide insight into their potential future losses.

Ultimately, the report enables clients like the City to develop an action plan for improving overall loss experience.

Policy Effective Date	Closed Claims	Open Claims	Total Paid	Total Reserves	Recoveries(-)	Total Incurred	% of Total Incurred	Claim Total	% of Claim Total	Average Incurred

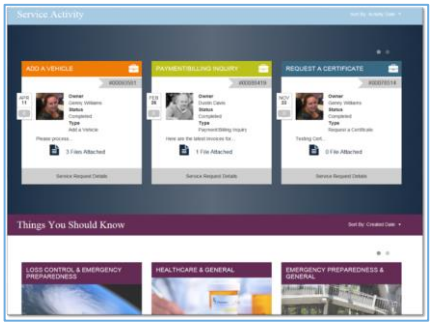
Gallagher

Additional Technology Tools

Gallagher | eRiskHub®

eRiskHub® is an interactive client portal that provides access to information and educational tools such as a data breach cost calculator, how to protect yourself from cyber risk exposures, how to respond to a data breach, and sample employer data/electronic device policies.

Gallagher | Submit



Gallagher Submit is our brand new electronic application software that pulls data from EPIC (our client database and billing system) which means less completion of tedious applications. Gallagher and their client can work simultaneously on renewals to properly execute renewal applications, updated exposures, schedules, etc.

Gallagher | Verify℠

Gallagher Verify is Gallagher's preferred certificate tracking, verification, and compliance software that has been successful at helping our clients reduce the administrative cost of managing vendor compliance and in increasing overall vendor compliance.

Gallagher | Insight

Gallagher Insight is a customizable, user-friendly, and secure web portal used for document sharing and communication, allowing for real-time collaboration between you and your Gallagher team. Insight affords you the ability to submit service requests, view documents, and engage your account team.

Gallagher

INVOLVEMENT IN THE SAFETY COMMITTEE

Shaun has been involved with the City's Safety Committee since the start of his career in 2000. He played a key role in the restructuring and leadership of the Committee in 2002 following an unfortunate vehicle accident. Since that time, the City's Safety Committee has often served as a best-in-class model to other Florida public entities. In 2019, the City's Human Resource Director was named by Preferred as the "Risk Manager of the Year" out of a pool over 400 members. With COVID-19, the Safety Committee was temporarily put on hold but we are excited about Denise's kickoff of the Safety Committee in 2023 and will continue to play an active role in it in the future.

National Risk Control Team: Claims Advocacy

With an average of 20 years of experience, our staff consists of more than 150 claims professionals across the country delivering superior claims services to our clients.

OUR SERVICES

INITIAL CLAIM REPORTING

- Reporting claims promptly to insurance carriers is essential in obtaining the most desirable result. For claims that require our immediate involvement, we provide alternative methods so our claims professionals can quickly engage.

LARGE LOSS CONSULTATION

- Our claims team immediately engages the adjuster and, if required, upper management.
- We continue to consult on the claim until it is resolved as efficiently as possible with the best possible outcome.

ADVOCACY

- Our job is to ensure you receive the highest level of service from your carriers and that coverage is interpreted in your best interest. We address your coverage questions as they arise and aggressively advocate on your behalf when necessary.
- We also:
  - Intervene on claims involving coverage issues and reservation of rights letters
  - Advise on selection of defense counsel
  - Work with claims adjusters to pursue the best defense strategy

CLAIMS REVIEW

- We recommend that our claims team participate in all carrier claim reviews.
- We will:
  - Agree on a schedule for the reviews with you and your carrier
  - Coordinate the type of review, in person or on phone, secure a location for the review, and identify files to be reviewed
  - Participate in the claim reviews to provide value-added expertise
  - Deliver a summary of claim reviews time frames

Advocacy

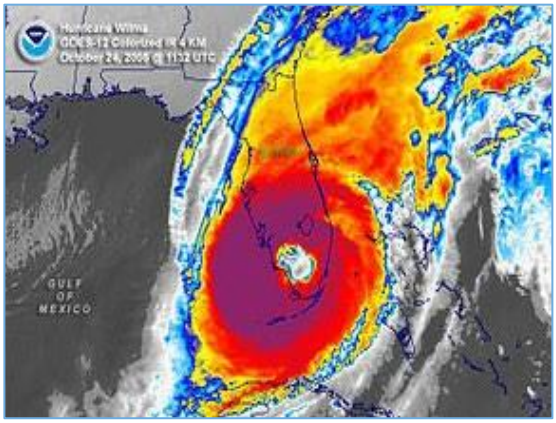
Gallagher has committed significant resources to advocate for our clients, both in terms of traditional claims adjustment and the more complex interactions with FEMA to ensure effective claim recoveries. We maintain a staff of highly experienced property claims consultants

PRE-LOSS SUPPORT

Effective pre-loss strategies are a core component of Gallagher's claims management services to the City. Gallagher's team integrates our claims response services with your existing Disaster Recovery Plans and other claims and risk management plans you have in place now.

© 2023 Arthur J. Gallagher & Co.

The Gallagher team identifies and analyzes ways to continually refine the City's current practices, and their interrelation with your insurance carriers, other local municipalities and Stafford Act requirements. One area of concentration includes coordinating pre-loss contracts as outlined by guidelines for reimbursement under Public Assistance programs to ensure effective claims response and continuity.



Utilizing a designated general adjuster is a standard, and a most effective approach to managing property claims where multiple insurers participate on one program. Our team first starts with getting upfront policy terms agreement by getting all carriers to agree to one manuscript form across the property placement to prevent any misunderstanding of coverage during a loss. We also make sure your adjusting team has the capacity to respond during a Catastrophe event and not spread thin because they have too many clients in the area preventing the City from getting the essential help needed.

LOSS RECOVERY, NEGOTIATION AND DISPUTE RESOLUTION

Gallagher will coordinate with the City, your coordinating adjuster, and participating insurers to facility a prompt response following a loss. At this stage, we work with your team to engage the pre-loss plan including coordination of contractors, insurers and claim staff. These services include, but aren't in any way limited to:

- Coordinating Assigned General Adjuster to inspect property and extent of loss
- Assist in recommendations with the City's staff and remediation experts on ways to preserve property
- Coordinate initial insurer meetings with Assigned General Adjuster and team
- Participate in claim review meetings
- Dedicated claims examiners – ultimately, a claims examiner from each participating insurer will work with the general adjuster on claims resolution. Our approach is to identify and build relationships with these representatives prior to the loss
- Identify & potentially contract with forensic accountants, disaster recovery/mitigation contractors – discuss the client's procurement requirements relating to these contracts
- Work closely with Risk Management's Property Loss Control Director and team to ensure their needs are met
- Assist in recommendations with the City's staff and remediation experts of ways to preserve property
- Process training to various departments and individuals on the claims management plan, as needed

A successful claim negotiation is a consensus-building process, which begins at the time of loss. When properly carried out, the process is a combination of decision-making, communication and most importantly, negotiation. A well-preserved claim presents the City's case strongly, and establishes your perspective at the outset. Realistic goals, the application of past lessons learned, and the commitment to act constructively in controlling the process are the keys to effective claim management.

GALLAGHER NATURAL HAZARDS & DISASTER RESPONSE PLATFORM

Gallagher provides a cloud-based platform to analyze, collect and investigate property exposures in addition to coordinate effective claim responses following natural disasters. Our technology platform allows you to perform "what if" scenarios, analyze flood and other natural hazards, along with model events to determine their impact on the City. Many clients have found this platform to be invaluable during disaster situations.

© 2023 Arthur J. Gallagher & Co.

INTRODUCING ADDITIONAL RISK CONTROL

In addition to the local team and claim advocacy services, the City has access to the Gallaghers National Risk Control Team (overview included within). These risk control and claims advocacy services provide an added layer of robust and highly qualified resources that will assist in unique claim scenarios (i.e. large loss consultation) and other risk control initiatives. Example: Shaun outlined an approach to maximize the online learning platform through integration with the City's HR software via an API connection. Our teams can work with the City's IT professionals and the Learning Management Systems IT team to assess the feasibility of this integration to improve the utilization, efficiencies, and effectiveness of online training.

National Risk Control Team: Risk Control

Gallagher's National Risk Control team has over 90 safety and risk control professionals to help the City successfully manage and navigate your risk program. Our consultants have extensive experience with public sector clients and understand the current and emerging risks, regulations, safety and health management systems, and various operational exposures.

Gallagher has included risk control resources in our base fee to assist the City with identifying claim trends and identifying areas to improve current loss prevention measures. Those resources include on-site consulting work, training modules, online loss prevention resources, periodic safety flyers/materials, and webinars on critical safety issues.

PROPOSED RISK CONTROL SERVICE OFFERING TO THE CITY

On Site Risk Assessment	**On-site assessment consists of reviewing operations, identifying potential risk/hazards and recommending corrective actions. Services Gallagher can provide include:** • Conducting a gap analysis to compare existing programs to your internal standards/best practices • Reviewing operations, as requested, to assist in managing risks. Using claims loss trending to determine areas to consider for on-site risk assessments • Accompanying and assisting insurance carriers when needed • Providing technical support for the risk management team in areas of safety/risk concerns
Risk/Safety Educational Training	**Develop/conduct safety educational training for managers, supervisors and employees. Services Gallagher can provide include:** • Conducting risk/safety training onsite or through "live" webinar series • Conducting Gallagher proprietary Supervisor Safety Management Skills Training (Maintenance Department) • Working with the risk management team to determine where specific training may be required • Providing safety training on various operational exposures and high-risk operations • Providing access to Gallagher's proprietary **CORE**360 Online Safety Training Platform
Program Consultation	**Program evaluation, assessment and recommendations to various operational risk. Services Gallagher can provide include:** • Providing safety program and procedure development. • Reviewing existing safety and health procedures and provide recommendations • Reviewing the "Fleet Safety Program" and comparing the program to industry standards of practice • Developing a safety-training matrix or reviewing existing training matrix for various job positions
Special Projects	**Client requested services for emerging risk or concerns (examples):** • Participate in accident investigation with the risk management team on serious accident events • Work with risk management team on emerging risk

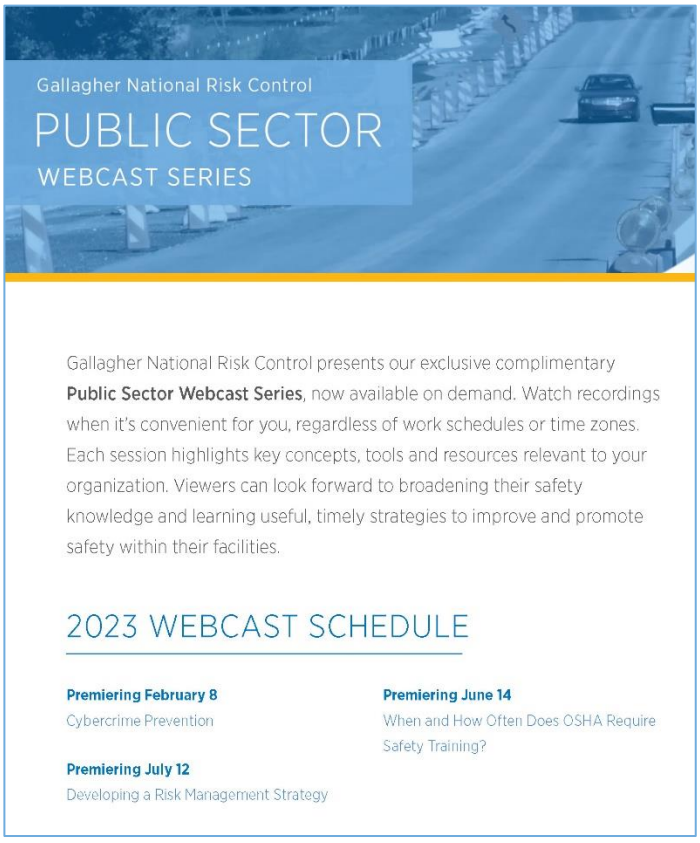
Risk Control Education & Compliance Resources

Gallagher STEP - Reduce Your Risk and Simplify Training



Safety training programs and educational materials for employees are critical for reducing accidents, increasing retention, and minimizing your total cost of risk now and in the future. Gallagher Safety Training Education Platform (STEP) is our proprietary learning management system (LMS) that supports your safety program, provides real-time access to your loss control plans and keeps employees up to date with the latest safety standards.

KEY BENEFITS OF GALLAGHER STEP

- Register for up to 10 complimentary modules every year from a library of over 100 training and safety shorts. In addition, monthly bulletins are available, covering topics such as general and environmental safety, human resources, and health and wellness.
- Save valuable time by assigning employee training and monitoring their latest progress and completion.
- Simplify the process of training to stay in compliance and avoid costly penalties.
- Onboard and train an unlimited number of users while enhancing your overall risk control program.

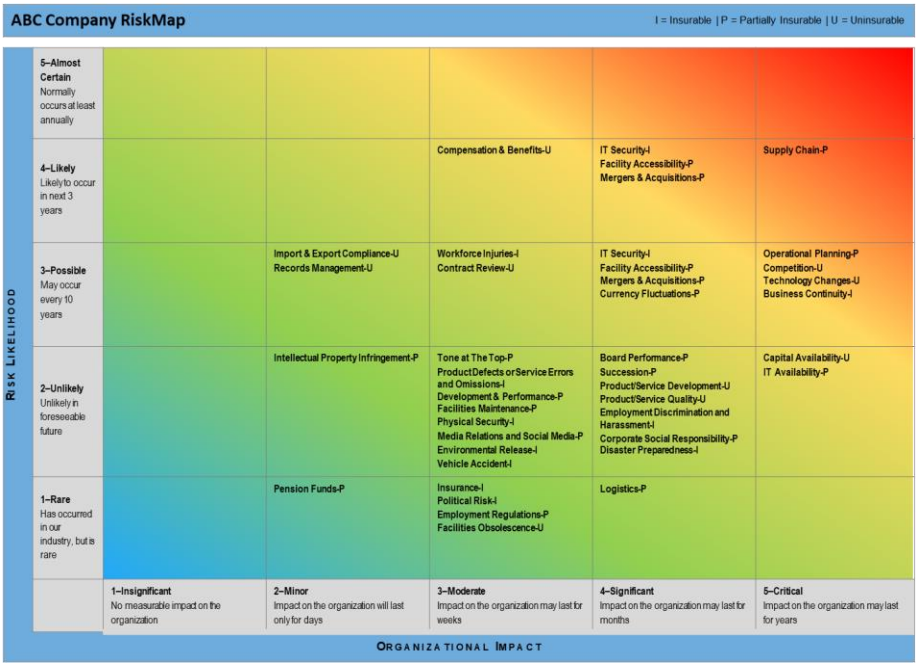
MOST POPULAR TRAINING MODULES:

- Sexual Harassment and Discrimination
- Slip, Trip, and Fall Training
- Electrical Safety Training
- Back Safety Training
- Safe Lifting Practices
- GHS Hazard Communication
- Fire Prevention Basics
- Personal Protective Equipment

Public Entity Publication (PEP) Talk

PEP Talk is published by Gallagher National Risk Control, are electronic publications promoting safety and covering insights relevant to Public Sector clients. These bulletins will enable you to review your program and provide information to assist you in strengthening your risk management plans.

Public Sector Webcast Series



Gallagher National Risk Control's Public Sector/K-12 working group presents our exclusive, complimentary Public Sector Webcast Series, now available on demand. Watch recordings when it is convenient for you, regardless of work schedules or time zones. Viewers can look forward to broadening their safety knowledge and learning useful, timely strategies to improve and promote safety within their facility.

Gallagher RiskMap — Strategic Risk Assessment

Gallagher RiskMap will help bring light to and better understand your risks. This is done by having leaders and executives respond to a customized RiskMap survey centered on the biggest needs of the organizations. Once the City completes the Strategic Risk Assessment, Gallagher maps out the top risks by industry into a tailored RiskMap report. Gallagher then presents the results to enrich discussions to solution around the most pressing risks.

The RiskMap is simple and requires minimal time and commitment on your team's part. The data is then collected, analyzed, and presented in a robust report.

Gallagher | RiskMap

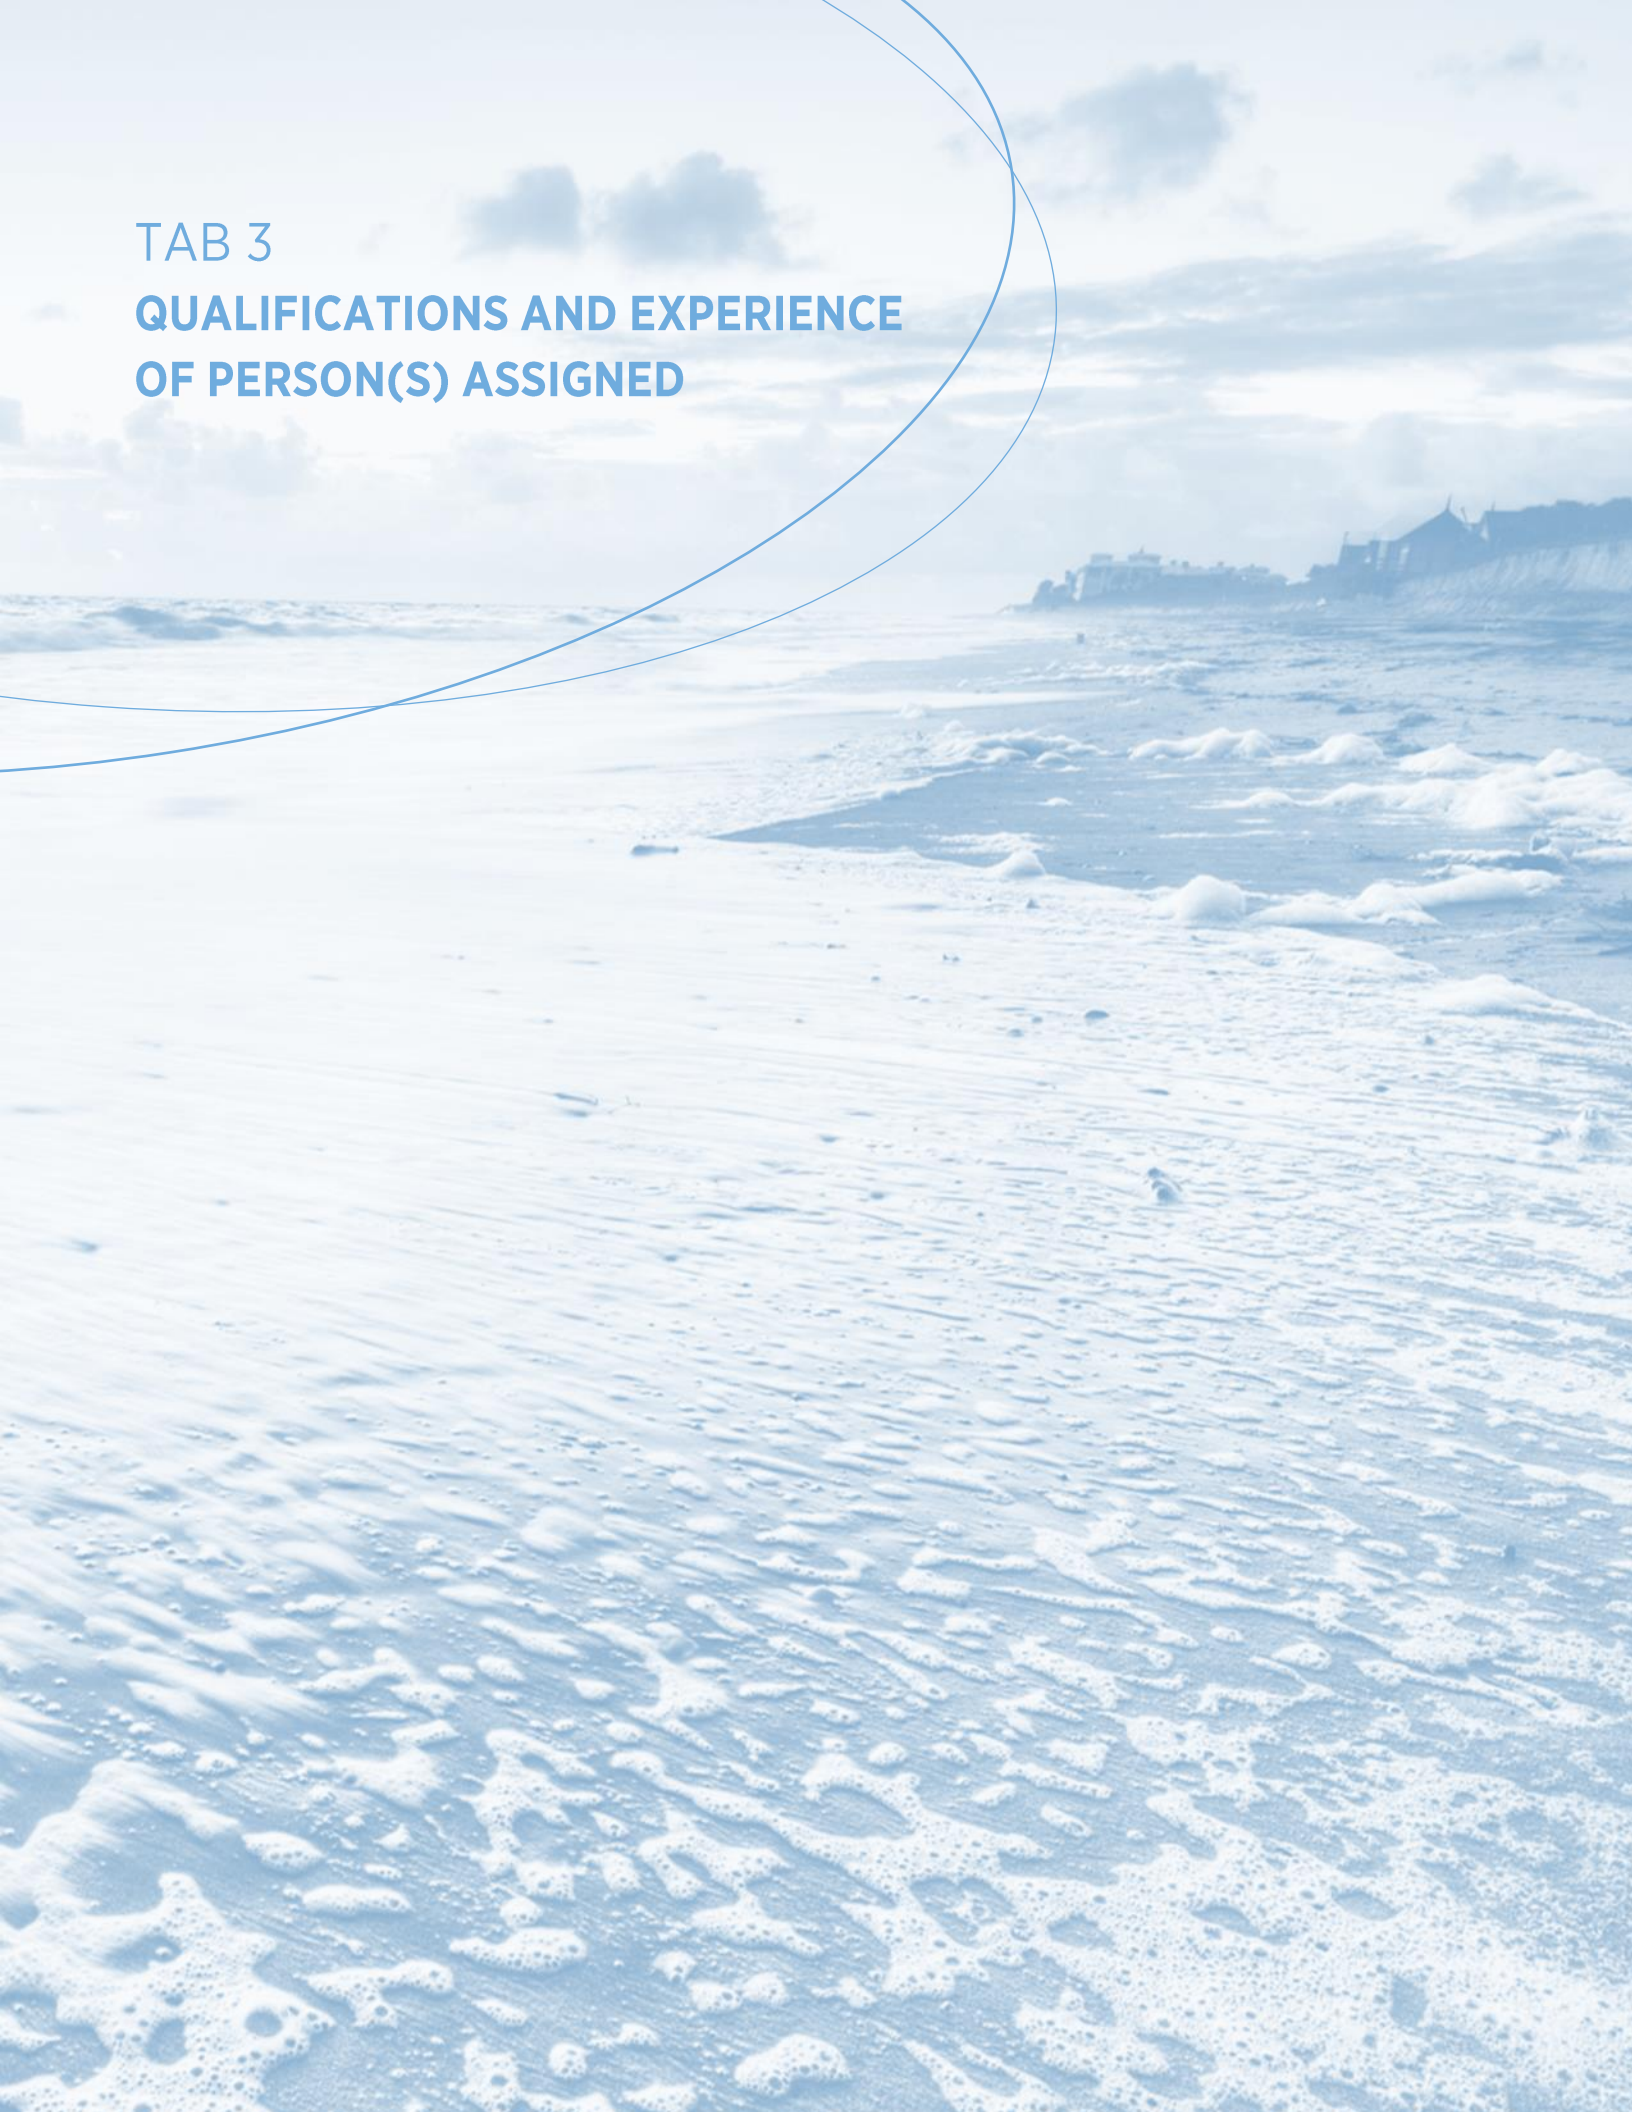
THE ASSESSMENT HAS FIVE COMPONENTS:

1. Risk Survey of Senior Leaders
Survey sent to key leaders asking them to rank a set of risks common to your industry on likelihood of occurrence and potential impact to the organization.

2. Additional Key Risks Offered
At the end of the survey, participants are encouraged to identify additional risks that may be unique to your operations.

3. Production of RiskMap
A map of key risks ranked by likelihood and impact scores from the survey will generate discussions about high-level risks, insurance products, and risk management programs.

4. Risk Classification by Insurability
Risks are categorized as Insurable, Partially Insurable, or Uninsurable, and applicable insurance coverages available in the marketplace are listed.



5. Suggested Next Steps
Potential next steps are suggested for taking the insights of this Strategic Risk Assessment and developing plans to reduce uncertainties associated with these risks, insurable or not.

TAKING STRATEGIC RISK ASSESSMENT TO THE NEXT LEVEL

Your organization can use this Gallagher RiskMap to enhance and broaden your risk management program to include the strategic risks facing your core business. This may be through changes in your risk financing program, retooling of your traditional risk management efforts or the first step in the development of a more formal enterprise risk management (ERM) solution. Our industry risk profiles highlight your organization's exposures to uncertainty at all levels, and aid in the development of tailored and prioritized solutions.

QUALIFICATIONS AND EXPERIENCE OF PERSON(S) ASSIGNED

1. **Provide a resume for each individual that will be assigned to work on the City of Fernandina Beach account. Include account executives, account managers, marketing personnel, and other specialists that would actively work with the City of Fernandina Beach. Include an estimate of each key person's allocated time to the City of Fernandina Beach account. Include an organizational chart identifying the team and reporting structures.**

Team Organizational Chart

Team Biographies

Shaun Woleshin, ARM-P, AAI-M, CRIS | Area Senior Vice President

Shaun Woleshin is an Area Senior Vice President for Gallagher, one of the world's leading insurance brokerage, risk management, and consulting firms. In his role, Shaun is responsible for originating and retaining client relationships, defining and articulating client objectives, and directing the implementation of strategies to achieve those objectives. He has developed an advanced understanding of public entities and has personally led the team supporting the City of Fernandina Beach for his entire 23 year career.

Shaun joined Harden (merged into Gallagher in 2020) in 2000 after earning his Bachelor of Science degree in Finance from the University of Florida. He holds a General Lines Property, Casualty, Surety and Miscellaneous Lines (2-20) license, Associate in Risk Management for Public Entities (ARM-P), Accredited Advisor in Insurance - Management (AAI-M), and Construction Risk Insurance Specialist (CRIS) professional designations. Shaun's experience offer clients advanced technical knowledge of insurance products and services in addition to a deep understanding of the issues and challenges facing his client's industry. He ultimately helps lower client's cost of risk from advanced comprehension of risk management and risk financing techniques.

An involved member of the community, Shaun is a graduate of Leadership Nassau Class of 2004 and Leadership Jacksonville Class of 2013. He has served on the Boards of several nonprofits including the Nassau County YMCA, City of Fernandina Beach Planning Advisory Board, Rotary Club of Fernandina Beach, Fernandina Beach High School Foundation, & was on the steering committee of the pilot Northeast Florida Regional Leadership Academy.

Alex Burton | Area President, Alabama and Jacksonville

As Area President of Alabama and Jacksonville, FL, Alex's current responsibilities includes the management and oversight of Gallagher's Property/Casualty brokerage operations and growth strategy for the Gallagher Alabama and Jacksonville locations. Alex's additional responsibilities include direct client management, development and execution of growth and retention strategies, employee performance & development, budget development & accountability, oversight of professional standards, and execution of merger & acquisition strategies.

Alex began his career in the insurance industry as a member of Gallagher's Summer Internship Program in 2008 at Gallagher's Corporate Headquarters located just outside of Chicago. He became a full-time employee in 2009 and has worked in four different Gallagher offices – Itasca, IL, Atlanta, GA, Birmingham, AL and his current office located in Jacksonville, FL.

Alex earned a bachelor's degree in Insurance, Risk Management and Financial Planning from Mississippi State University. He received the Power Broker Award presented by Risk & Insurance magazine for the education sector in 2017 and was a finalist in 2018. He was also named a Rising Star by Risk & Insurance magazine in 2017 and 2018. In June of 2020, Alex was recognized by Business Insurance magazine as a Break Out Award winner due to his work and leadership in the insurance industry.

Corey Markle | Client Service Manager II, Commercial Insurance

Corey Markle is a Client Service Manager within the Commercial Insurance Division of Arthur J. Gallagher, one of the country's leading insurance, risk management and employee benefits firms. In his role, Corey is responsible for Gallagher's program administration and client service implementation strategy. Corey is also responsible for the execution of client service plans, providing daily program management and documentation, maintaining accurate and complete client data, and preparing responsive communication to clients and underwriting facilities.

Corey graduated Magna Cum Laude with a Bachelor of Science in Electrical Engineering from the University of North Florida. During his career in Commercial Insurance, Corey obtained his Property and Casualty General Lines (2-20) license and is currently pursuing his Associate in General Insurance (AINS) designation.

Prior to joining Gallagher, Corey was the Director of Student Ministry at CrossRoad Church UMC in Jacksonville, FL. As an active member in his community, Corey regularly volunteers at his church and currently sits on the board of Campus to City Wesley Foundation of Northeast Florida.

© 2023 Arthur J. Gallagher & Co.

Elisa A. Simpson, AAI, AIS, CIC, MLIS, CRIS • Client Service Executive

Elisa Simpson is a Client Service Executive for Gallagher. In her role, Elisa is responsible for defining and assuring execution of client support plans; communicating proactively with clients; and providing superior customer service by exceeding client expectations.

Elisa has over 50 years of experience in the insurance industry. Her extensive career experience and related training have allowed her to develop a wide range of knowledge to apply in the handling of diversified clientele. During her 20 year tenure with Gallagher, Elisa's primary focus has been as leader of our Municipality division for the Jacksonville and Amelia Island offices. As a leader within Gallagher, Elisa has been dedicated to team development, through hiring and mentoring others in our industry.

Elisa holds the Florida General Lines Property & Casualty Insurance (2-20) license and the Florida Life and Variable Annuity License (2-14). She has obtained her Accredited Advisor in Insurance (AAI), Associate in Insurance Services (AIS), Certified Insurance Counselor (CIC), Management Liability Insurance Specialist (MLIS) and Construction Risk and Insurance Specialist (CRIS) designations. She continues to remain involved in various risk management courses offered through Risk and Insurance Management Society, Inc.

An involved member of the community, Elisa remains active with, and served as Past President of the Board of Directors for Micah's Place, an organization dedicated to education and support of domestic violence victims.

Jessica Goff, AINS, AIS, AAI-M, ARM • Client Service Executive

As a Client Service Executive, Jessica's focus is on delivering exceptional customer service and developing talent within her team. She does this through mentoring client service team members with continuous learning, providing transparent feedback, and strong talent development.

Jessica brings twelve years of experience in the insurance industry and takes a leadership role in the renewal process to ensure the best possible solutions are delivered to clients with high-quality and in a timely manner. Additionally, Jessica is responsible for servicing a book of business of $1M in revenue with a focus on hospitality/real estate and public entities; collaborating with producers and team to build client relationships and proactively making coverage recommendations; working to secure existing business by focusing on exceeding client expectations; and maintaining accurate policy data and documents within our Gallagher systems.

Jessica graduated Cum Laude with a B.A. in English from the University of Illinois. She currently hold her Florida 2-20 Insurance License and have obtained the following designations: Associate in General Insurance (AINS), Associate in Insurance Services (AIS), Accredited Advisor in Insurance - Management (AAI-M) and Associate in Risk Management (ARM).

Community involvement is important to Jessica and she serve as a lead volunteer at Rise Church in Jacksonville.

© 2023 Arthur J. Gallagher & Co.

Brian Vaselaros • Claims Advocate

Brian Vaselaros is a Claims Advocate within the Commercial Insurance Division at Harden, one of the leading insurance, risk management and employee benefits firms in the Southeast. As a Claims Advocate, he engages in managing claims, including monitoring open claims, providing periodic claim reviews, completing claim analytic reports to identify trends and offer mitigation techniques, communicating with carrier adjusters to bring swift resolution of claims, and controlling reserves that could affect cost or risk.

Upon joining Harden in 2018, Brian brought expertise in liability claims from Sedgwick where he was a Liability Claims Adjuster. Prior to that, Brian was a Catastrophe Claims Adjuster for Eberls Claim Service.

As a graduate of Jacksonville University, Brian earned a Bachelor's in Environmental Science. Additionally, Brian possesses a Resident All Lines Adjuster License (6-20), a Non-Resident All Lines Adjuster License (7-20) and a real estate license.

Donald Isaacs, CSP, CPSI • Risk Control Specialist • National Risk Control Team

Donald Isaacs provides safety and risk management support to Gallagher clients. Currently, he works primarily with various clients to reduce claims costs and manage risk. In his previous roles, he assisted various industries including education, transportation, warehousing, oil and gas, and manufacturing. Donald is also an avid trainer and a former educator. He has delivered safety training on topics such as defensive driving, forklift safety, new employee safety orientation and many other topics. He specializes in claim risk reduction along with OSHA and FMCSA compliance. Donald has been successful at developing and implementing program-specific safety plans for clients across diverse and demanding industries.

Donald began his insurance career in 2015 and joined Gallagher in 2019. He has experience working in environmental, health and safety. Before joining Gallagher, Donald had a diverse, challenging, and varied background. He held a variety of roles including safety manager at G. Proulx Building Materials, G. Proulx Building Products, and Wholesale Building Products. These roles gave him a wide array of knowledge in warehousing, distribution, transportation, and manufacturing. Donald also worked at Halliburton and Baker Hughes in the oil and gas industry supporting both hydraulic fracturing and cementing operations. Furthermore, he worked as an educator at Franklin City Public Schools, Prince William County Schools, and Fulton County Schools. Donald has experience assisting clients with loss control support and he is well versed with auditing various industries.

Donald received a bachelor's degree from Florida State University. He has earned a Certified Safety Professional and a Certified Playground Safety Inspector designation. Donald has completed the PEC Safety course and the Certified Environmental Specialist course. He is a member of the American Society of Safety Professionals.

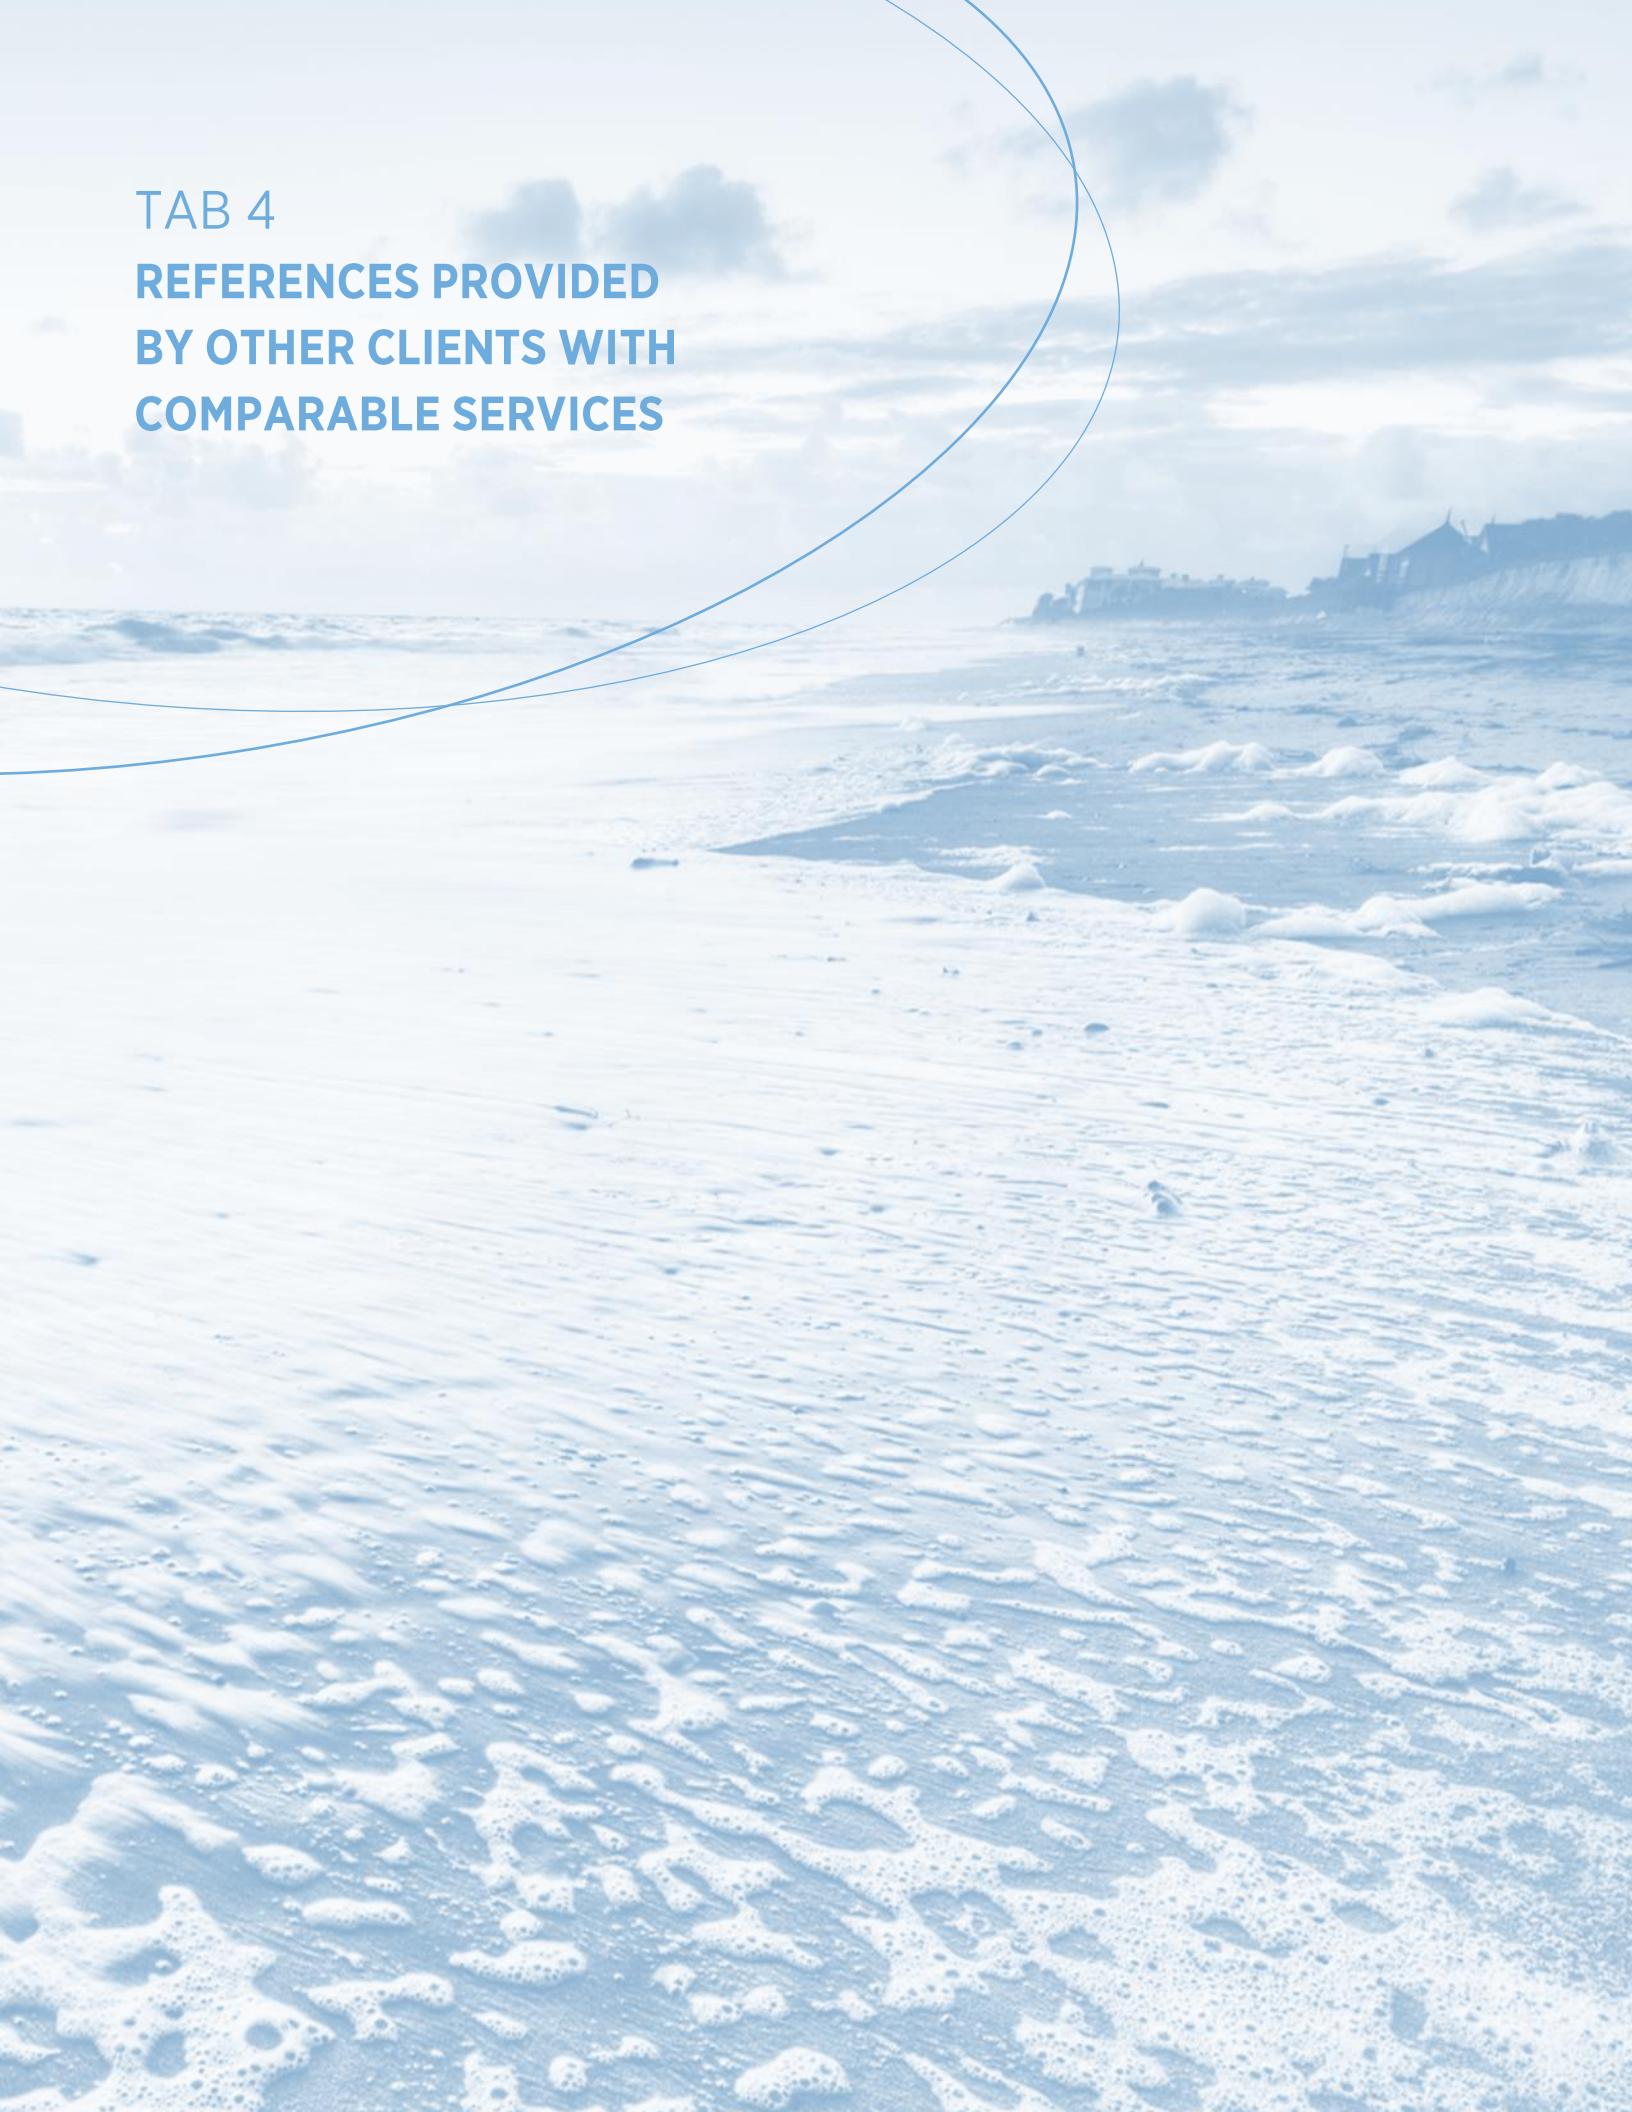
2. Provide a profile of the proposed account executive's current client assignments. Your submittal should include the number of accounts, their complexity, and some reference to time allotments for each.



Your Main Point of Contact

Shaun will remain the lead executive on the team supporting the City. Shaun's clients are primarily located in Northeast FL and he directly handles several of the other local public sector clients (Nassau County & City of Atlantic Beach). His 23 year career has led to a large client base of over 75 clients that represents over $20M in premiums with very complex risk profiles. He has never limited the amount of time spent for a client or the City. He and the rest of the Gallagher support team will be available and committed to the City to assure the job is done right.

Number of Accounts Services and Team Workloads

Gallagher does not place limits on the number of hours our service teams can spend working on an account. We believe in getting the job done by putting the client first. As a result, the number of accounts our teams handle can vary. Because various client needs differ by industry, complexity, and size, we do not have a set number of accounts that each of our associates handle. Employee work loads are reviewed regularly to ensure our teams are able to deliver timely, value-added customer service to our clients. The employee to account ratio within our office varies based on a number of considerations. These factors include — size of account, complexity of account, industry focus of the individual and service needs of each client. Providing superior customer service to our clients is our primary objective. We strive to balance our colleagues' workloads to allow them the ability to succeed in providing our clients with exceptional service. In addition, our client service management teams make regular assessments of workloads to ensure our team members always have the time and capacity to serve each client with care, vigor and a sense of urgency.

TAB 5

ABILITY TO FURNISH REQUIRED SERVICES TO BEST SERVICE THE CITY

1. Describe any special expertise your firm has in providing property and casualty insurance services to clients with similar or related business activities, specifically include experience with plans offered by government employers. Include a list of current client relationships (local or otherwise), if not included in your references.

Our Work with the City

We have been providing broker services to the City for several decades. We intimately know and understand the City and its risk profile and have cultivated strong professional relationships built on trust with the key stakeholders in the City. This institutional knowledge and our teams understanding of the public sector, combined with our merger with Gallagher in 2020, creates the optimal partnership for the City. The longevity with a trusted and proven strategic partner, combined with the expertise and resources of Gallagher, is a combination that can't be matched. We have celebrated with the City many great successes and below is just a sampling of the type of integration that exists between us.

HURRICANE MATTHEW

When Hurricane Matthew hit the City in 2016, we quickly mobilized to start assessing and documenting damage to the City's property with city staff. Of particular concern, was damage to the City's docks. Within days of the storm, Shaun was joining city staff on a boat as the significant damage of the dock was observed and documented. Our firm stayed active in this claim throughout and Shaun was present for various meeting with FEMA representatives including another boat ride that had FEMA officials and representatives from Congressman Rutherford's office. We also worked closely with the City's carrier (Preferred) and state officials to support the ultimate FEMA Stafford Act claim payment in which the City prevailed on appeal. Many of the early commitments and statements from FEMA officials were critical in the appeal process.

CONTRACTUAL RISK TRANSFER

Our office routinely engages with the City to review and make recommendations on various contracts. Recent examples include: CSX, Waste Management, Aerial Yoga, and Fire/Alarm Systems. We have also conducted contractual risk transfer training several times with Department Heads.

LEGISLATIVE UPDATES

We provide timely and relevant information to the City. We provide an annual assessment of claims bill (aka Relief bills) to assist the City in making decisions liability limits based on the changing tort environment in FL and political pressures on sovereign immunity. Other recent examples include: CS/HB 7005, new FMCSA ELDT rules, FMCSA training and set up.

COMMUNICATION

We have a history of proactively sharing risk related information with the City. COVID-19 represented a unique time in our history with many unknowns and timely and accurate information became paramount. We frequently distributed significant information to the City relative to COVID-19 and strategies to minimize risk.

COVERAGE CLARIFICATIONS/REVIEWS

We routinely field inquiries about applicable coverage and implications to various risk factors. Recent examples include: poll workers coverage; volunteers driving City vehicles; hiring youth for summer camps; homeless shelter weekends; post-accident drug testing; under 18 drivers for golf carts; and police using UMA's.

CLAIMS ADVOCACY

Throughout our tenure with the City, we have experienced hurricanes, fires, and several large liability claims. We work closely with the City to assure proactive communication and advocacy on behalf of the City. We hold all insurance carriers claim representatives and assigned defense counsel to high standards and expectations. Example: Elisa has worked closely with the City Attorney and Finance department on the initial evaluation of liability, navigating through documentation gathering, reporting to Preferred, and assisting with subrogation claims.

Our Florida Brokerage Experience

Gallagher opened its first office in Florida in 1977, and in the past 46 years our Florida operations have grown and we now have nine offices. We have over 40 professionals throughout these offices that specialize in Public Sector and provides services to over 200 clients including:

- All 5 of the largest County Governments in Florida
- 37 School Districts including 6 of the 10 largest School Districts
- 27 Public State Colleges in Florida
- State of Florida and the Florida Department of Transportation

This experience positions us to deeply understand many of the challenges and opportunities within the City's Risk Management Program. Your Gallagher account team is well versed in Florida's Workers' Compensation law, Florida sovereign immunity, Employment Practice Liability, Complex Property Design and Placement, Cyber Liability, Active Shooter Coverages, Crime and how they each impact the City.

2. Describe your firm's efforts to remain current on property and casualty insurance issues relating to the City of Fernandina Beach business profile, including industry or association memberships, if applicable.

Keeping the City Informed

Our team is committed to keeping our clients informed on the industry, risk and regulatory issues with the potential to impact your operations. We provide regular updates to our clients through newsletters, informational meetings, and client seminars. We have provided an overview of some of our communications below.

Fall/Winter Insurance Market Update

The Big Picture

Where we've been (through Q3 2022)

- Buyers overall faced a challenging insurance market beginning in 2019 and continuing through Q3 2022.
- Over the last few years, carriers have taken significant actions to improve profitability by:
  - » Becoming more selective on risks they were willing to insure
  - » Raising rates
  - » Requiring higher deductibles/retentions and attachment points
  - » Reducing limits/capacity

Where we are

Although carriers have taken many measures to improve their overall portfolio's profitability, several headwinds still exist:

In this report

Property 4
General Liability 6
Workers' Compensation 7
Commercial Auto 9
Umbrella/Excess 10
Directors & Officers 12
Cyber 15
Maximizing Renewal Success: Best Practices Across Coverages 17
About Our Data 18

Where we're going

2023 will likely resemble 2022 in many ways with some notable exceptions, namely Property, as carriers continue to focus on valuation issues (including Business Income) on all risks, and we expect a deterioration in market conditions on CAT property. Carriers will continue to focus on profitability and want to ensure they are getting adequate returns on the risks they are insuring, which means they will try to keep rates on pace with increased lost costs which many carriers are reporting to be in the mid-single digit range.

Median Rate by Line of Coverage

STATE OF THE MARKET UPDATES

Our quarterly state of the market updates provide relevant insight into the current insurance market conditions to help strategize upcoming renewal strategies. This information allows us to evaluate potential challenge s and opportunities by line of coverage, insurer, geography, and structure. Market update reports are generated by practice leaders throughout Gallagher.

STRATEGIC WHITE PAPERS

Thought leadership developed by our team of specialist risk managers and specialized claims advocates/attorneys focused on sharing expertise and insights across key topics.

WEBSITE

Our newly redesigned website contains a dedicated News & Insights tab for our ever-growing resource of white papers, articles, and research covering a wide range of topics, from property & casualty, professional liability, and emerging risks to benefits and HR resources.

WEBINARS AND SEMINARS

We believe that some of the most powerful means of communication still occur on a face-to-face basis with your staff, board, or management team. Gallagher offers live webcasts or on demand at any time via pre-recorded webinars.

Association Involvement

Gallagher is extremely involved in the American Public Power Association, American Water Works Association, Public Risk Management Association (PRIMA), Annual AEGIS Conference, State Risk and Insurance Management Association (STRIMA), Risk Management Society (RIMS), and the leading Public Entity and Power & Utility professional organizations, attending regional and annual conferences, sharing our expertise, and attending and leading sessions while learning from others. Gallagher is also a member of the Association of Governing Boards (AGB) and we annually attend national and regional Risk Management Society (RIMS) conferences.

Client Communication and Service

Market relationships and effective program design mean nothing without supplying outstanding service on the frontend. Our rigorous customer service standards and commitment to a personal touch means questions are answered when asked and problems are addressed in a timely manner.

Gallagher executes customer service with a "no-surprises" philosophy and acknowledges that responsiveness is paramount to maintaining client confidence. The following is an illustration of our standards of service and/or response timeframes. Within Gallagher, we believe the client defines quality. We adhere to a documented, disciplined process to measure and confirm that we consistently exceed client expectations.

Technical Service Standards	Within:
Return phone calls	Same day (within 24 hours)
Issue invoices and related documents	8 work days of effective date
Incorporate policy changes	3 work days of receipt
Issue certificates*	48 hours of receipt or as needed / *2 hours for rush requests
Process premium-bearing endorsements	8 work days of receipt from carrier
Process non-premium-bearing endorsements	10 work days of receipt from carrier
Process audits	7 work days of receipt from carrier
Check policies	60 work days of effective date & deliver within 10 work days
Issue auto ID cards	Optional service

Our services do not end once a policy is renewed. As your broker, we believe we need to take a proactive approach in partnership with the City to design alternative risk financing structures that best meet your need. This requires us to continually update our capabilities and approach to handling your account.

TAB 7

COMPENSATION / COST OF SERVICE

The successful firm shall be compensated on an annual fee basis. Fees will be payable quarterly at the end of each quarter with the first installment due October 31, 2023. All program premiums and charges are to be written net of commission and the acceptance of a commission shall be grounds for immediate termination of the contract. If a carrier does not or cannot work on a net of commission arrangement, the firm shall disclose this fact and the commission shall be deducted from the annual fee. The successful firm shall provide an annual statement from each carrier confirming that the insurance carrier has paid no commissions. Full disclosure of all compensation earned, either directly or indirectly, is required. Use of intermediaries, wholesalers, subsidiary companies, etc. is expected and encouraged if advantageous to the City of Fernandina Beach. However, all fees and or commissions earned as a result of their use, must be disclosed and will be deducted from the annual fee. Additionally, the City reserves the right to seek additional relevant records as a means of enforcing this provision.

Our Proposed Fee

We are proposing an annual fee net of retail broker commissions, of $75,000 (with consideration for an annual inflation % that is typically 3%) for the services and resources we have outlined in our response. These services and resources more than adequately address the City's scope of services required in the RFP. Our response also contains a commitment of resources that have historically been provided to the City that exceeds the RFP requirements. We are open to further discussion and negotiation on the final agreed upon broker services contract. Our goal is to work with you to develop a compensation plan that is readily understood by both parties, captures the service standards you expect, and is reflective of the experience and commitments of the service team assigned to the City.

Transparency & Contingent Compensation Disclosure

TRANSPARENCY

Gallagher is fully transparent and will disclose to the City the costs of all bindable quotations, including any fees or commissions as well as any ownership interest by Gallagher in the carrier or intermediary used. Normally, the fee replaces brokerage commissions when commissions do not justify the services. In most cases with the size accounts Gallagher deals with the commission would be extremely high, thus we would place on a mutually agreed fee for service basis. There is no one size fits all, so we adjust to the needs of our clients. We are fully transparent and disclose all market quotes received with their quoted premiums and our commissions as well as any wholesale commissions. We even disclose if the wholesaler is a related entity to Gallagher. We will include a Compensation Disclosure Schedule with each proposal including the breaking out the premium, taxes, and compensation for each line of coverage.

COMPENSATION PHILOSOPHY

Gallagher is 100% transparent when it comes to compensation arrangements. All revenue earned by Gallagher and its affiliates is disclosed to you. All insurance carrier quotations received by Gallagher are provided to you including terms, conditions, premium, and commission if any.

Our philosophy of 100% transparency holds true whether we are working on a fee in lieu of commission basis, pure commission, or combination of both compensation methods. Our goal is to work with you to develop a compensation plan that is readily understood by both parties, captures the service standards you expect and is reflective of the experience of the service team assigned to your account.

Since 2009, Gallagher and its subsidiaries have been participating in contingent and supplemental compensation arrangements. Clients are given the opportunity to opt out of participation in any of these arrangements. Please see Gallagher Disclosures following this page.

© 2023 Arthur J. Gallagher & Co.

Contingent Commission Disclosure

Effective October 1, 2009, Arthur J. Gallagher & Co., and its subsidiaries operating as insurance agents/brokers under the corporate holding company known as Arthur J. Gallagher Brokerage & Risk Management Services, LLC, resumed participating in contingent commission arrangements which are routinely offered by insurance companies and intermediaries to agents and brokers, after voluntarily foregoing the benefit of this type of compensation since January 1, 2005. Contingent commission arrangements provide for additional compensation if certain underwriting, profitability, volume or retention goals are achieved. Such goals are typically based on the total amount of certain insurance coverages placed by Gallagher with the insurance company and/or through the intermediary, not on an individual policy basis. As a result, Gallagher may be considered to have an incentive to place your insurance coverages with a particular insurance company.

During the time Gallagher's retail operations did not accept contingent commissions, some insurance markets and intermediaries, including Gallagher-owned intermediaries, modified their commission schedule with Gallagher, resulting in an increase in some commission rates. The additional commissions, commonly referred to as "supplemental commissions," are known at the effective date of the policy, but some intermediaries and insurance companies are paying the commission increase apart and later from when the commission is normally paid at policy issuance.

Unlike contingent commissions, supplemental commission payments are determined **without** regard to any performance factors which are contingent on future growth, retention, profitability, etc.

Compensation Disclosure

We are looking for a long-term partnership and we believe the partnership is an ongoing process throughout the year. We are not just placing an insurance transaction; we are meeting with and constantly in contact with our clients, checking in on your satisfaction with the program, the Gallagher Team and the service deliverables. We find most clients are more than satisfied with the services/results and that Gallagher tends to over-deliver in meeting the client's expectations. Should the City have any concerns on the deliverables, we trust you will bring this to our attention during the year at which time we can address any concerns.

COMPENSATION DISCLOSURE

One of the core values highlighted in The Gallagher Way states, "We are an Open Society," and our open society extends to the compensation Gallagher receives. In general, Gallagher may be compensated as follows:

1. Gallagher Companies are primarily compensated from the usual and customary commissions or fees received from the brokerage and servicing of insurance policies, annuity contracts, guarantee contracts and surety bonds (collectively "insurance coverages") handled for a client's account, which may vary from company to company and insurance coverage to insurance coverage. As permitted by law, Gallagher companies occasionally receive both commissions and fees.

2. In placing, renewing, consulting on or servicing your insurance coverages, Gallagher Companies may participate in contingent and supplemental commission arrangements with intermediaries and insurance companies. Contingent commissions provide for additional compensation if stipulated underwriting, profitability, volume or retention goals are achieved. Such goals are typically based on the total amount of certain insurance coverages placed by Gallagher with the particular insurance company and/or through the particular intermediary, not on an individual policy basis. Some insurance markets, including Gallagher-owned intermediaries, have modified their commission schedule with Gallagher, resulting in an increase in certain commission rates. These additional commissions, commonly referred to as "supplemental commissions" are frequently known as of the effective date of the applicable insurance placement, but some insurance companies pay this commission later and apart from when commission is normally paid at policy issuance. As a result, Gallagher may be considered to have an incentive to place your insurance

© 2023 Arthur J. Gallagher & Co.

coverages with a particular insurance company. **Note:** Upon request, your Gallagher representative can provide more specific market information regarding contingent and supplemental commission related to your insurance coverage placed through Gallagher.

3. Gallagher Companies may also receive investment income on fiduciary funds temporarily held by them, such as premiums or return premiums.

4. Gallagher Companies may access other facilities, including wholesalers, reinsurance intermediaries, captive managers, underwriting managers and others that act as intermediaries for both Gallagher and other brokers in the insurance marketplace. Gallagher Companies may own some of these facilities, in whole or in part. If such a facility is utilized in the placement of a client's account, the facility may earn and retain customary brokerage commission or fees for its work.

5. Gallagher assists its clients in procuring premium finance quotes and unless prohibited by law may earn compensation for this optional value-added service.

6. From time to time, Gallagher may participate in insurance company promotional events or training and development that insurers provide for Gallagher employees.

7. Gallagher strives to find appropriate coverage at a competitive price for our clients. In order to achieve these goals, we gather and analyze data about our clients and their insurance coverage. This data and the resulting analytical tools help us better understand the current marketplace, more accurately predict future trends and offer tailored solutions to our clients. This data may also be provided to insurers pursuant to consulting service agreements from which we earn fees.

If you have specific questions about the compensation received by Gallagher and its affiliates in relation to your insurance placements, please contact your Gallagher representative for more details.

In the event you wish to register a formal complaint regarding compensation Gallagher receives from insurers or third parties, please contact Gallagher via e-mail at Compensation_Complaints@ajg.com or by regular mail at:

City of Fernandina Beach
Attn: City Clerk's Office – RFP #23-04
204 Ash Street
Fernandina Beach, FL 32034

Dear Members of the Committee;

On behalf of HUB Public Risk and HUB International FL, thank you for the opportunity to respond to your Request for Proposal for the City of Fernandina Beach Property and Casualty Insurance Brokerage Services. Please accept this as our letter of acceptance to the terms and conditions of this RFP. Our goal is to demonstrate that our combined HUB team is the ideal partner to provide the City with superior brokerage and consulting expertise tailored specifically to your needs, as well as additional value added capabilities and services that compliment your risk management efforts.

We believe HUB Public Risk is the most qualified broker partner given our intimate knowledge and expertise of the public and private sector. We differentiate ourselves in the following way:

- HUB Public Risk has the team to provide the support you need. While HUB is the fifth largest broker in the world, our expertise is with small to mid-sized public and quasi-public entities. We are replacing the larger public entity brokers because they are not able to provide the time and attention that a City like Fernandina Beach requires.

- HUB intentionally does not have ownership in any of the public risk specialty carriers in Florida, such as Florida Municipal Insurance Trust (FMIT) or Preferred Governmental Insurance Trust (PGIT). Ownership of private markets for public risk clients could create the appearance of a conflict of interest, reluctance of the standard markets and pressure to do business with an in-house market.

- HUB Public Risk has the tools and resources you need: HUB has access to expansive tools and support that allows for the analytics, CAT modeling, benchmarking and future cost and reserve analysis that you require. Our specialty practice departments are the strength of our organization, and our Public Risk division is no exception. One area we are being called on regularly is Cyber liability. We have technical experts and a cyber claims attorney on staff.

- HUB Public Risk will be a partner who is committed to developing a long-term relationship. We will bring innovative ideas to assist the Risk Management Program of the City of Fernandina Beach by utilizing a proactive account team focused on good communication. Our process begins with a meeting between all the City of Fernandina Beach and HUB staff involved in the City of Fernandina Beach's risk management. HUB's team will include Chip Greene, Bart Gunter and Jim Duncan from HUB Public Risk; Ron Taylor, Carrie Cherveny and James Peterson from HUB's dedicated Risk

Services team, Michelle Scott and Michael Sullivan from HUB Marketing and Teresa Beaudoin from HUB Account Management. Together we will develop the Risk Management Service Plan and Timeline for the City of Fernandina Beach that meets the City's day-to-day and long-term needs.

- We believe a comprehensive review of all the City of Fernandina Beach property should be one of our first projects. This review will identify which property should be insured, what perils to insure against, what are reasonable limits of insurance and which perils can be managed by varying levels of self-insurance and alternative risk mitigation. We also would include catastrophic (CAT) modeling and risks associated with loss that may not be insured or insurable. Ron Taylor will be our property modeling leader and he has provided similar services to many of our clients displaying high value property schedules.

- It is our experience that a review of all contracts with the City of Fernandina Beach vendors and contractors is vital to developing an appropriate risk management program. This is a service that our team has performed for many governmental and quasi-governmental entities within the State of Florida and gives us a unique perspective to this key risk management process.

- A key part of our process is the Critical Path Marketing Process which will include our marketing and placement team of Teresa Boyd, Michelle Scott and Michael Sullivan. Critical Path is described in detail, but our goal is to view each risk wish fresh eyes and use our combined skill and knowledge to develop the best insurance program available.

We look forward to delivering comprehensive Liability and Risk Management solutions as HUB Public Risk's partnership with the City of Fernandina Beach continues to grow and strengthen.

Sincerely,

Bart Gunter
President of HUB Public Risk, Inc.

SWORN STATEMENT UNDER F.S. SECTION 287.133(3) (A), ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract for City of Fernandina Beach

2. This sworn statement is submitted by (entity) HUB Public Risk Inc whose business address is 1117 Thomasville Road, Tallahassee Fl and (if applicable) Federal Employer Identification Number (FEIN) is 35-0672425 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

3. My name is Bart Gunter and my relationship to the entity named above is President.

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or

    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

CITY OF FERNANDINA BEACH FLORIDA
RFP 23-04 PROPERTY AND CASUALTY INSURANCE BROKERAGE SERVICES

X Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

____ The person or affiliate was placed on the convicted FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted FIRM list. (Please attach a copy of the final order.)

____ The person or affiliate has not been placed on the convicted FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

DRUG-FREE WORKPLACE CERTIFICATION

The below-signed INDIVIDUAL/FIRM certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace prepare, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or services a copy of the statement specified in paragraph 1.

4. In the statement in paragraph 1., notify the employees that, as a condition of working on the commodities or contractual services that are under proposal, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.

5. Impose a sanction on, or require fine satisfactory participation in drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I Certify that this firm complies fully with the above drug-free workplace requirements.

CONFLICT OF INTEREST STATEMENT

This sworn statement is submitted with Bid, Proposal or Contract for City of Fernandina Beach

This sworn statement is submitted by (entity) HUB Public Risk Inc whose business address is 1117 Thomasville Road, Tallahassee Fl 32303 and (if applicable) Federal Employer Identification Number (FEIN) is 35-0672425 (If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

My name is Bart Gunter and my relationship to the entity named above is President.

1. The above-named entity is submitting a Proposal for the City of Fernandina Beach.
2. The Affiant has made diligent inquiry and provides the information contained in the Affidavit based upon his/her own knowledge.
3. The Affiant states that only one submittal for the above proposal is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
4. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraints of free competitive pricing in connection with the entity's submittal for the above proposal. This statement restricts the discussion of pricing data until the completion of negotiations if necessary and execution of the Contract for this project.
5. Neither the entity not its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participation in contract letting by any local, State, or Federal Agency.
6. Neither the entity nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
7. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with the City of Fernandina Beach.
8. I certify that no member of the entity's ownership or management, or staff has a vested interest in any aspect of the City of Fernandina Beach.
9. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify the City of Fernandina Beach.

Firm	Date
Bart Gunter	Bart Gunter, President
Authorized Signature	Printed or Typed Name and Title

In 2021, HUB Public Risk filed a formal written protest to Leon County Government, Solicitation No. BC-03-23-21-15. The solicitation granted 5 points to firms whose home office was located within Leon County. HUB Public Risk was not awarded the 5 points. The purchasing deemed that HUB Public Risk did not meet the definition of local because some of it's officers were located outside of Leon County.

TAB 2 – Firm Qualifications

Background of HUB International

HUB Public Risk, Inc. is a subsidiary of HUB International, Inc. (HUB) is a privately-held leading global insurance brokerage, founded in 1998 and headquartered in Chicago, IL. In addition to offering a broad array of employee benefits, property and casualty, personal lines, investment and risk management products and services, HUB has unmatched capabilities for helping clients manage their total cost of risk. We currently have over 15,000 employees across more than 530 locations in North America.

HUB began with the merger of eleven independent, privately-held insurance brokers in Canada in 1998. Today, we continue to grow both organically and through acquisition. We are now the 5th largest broker in the world. Our acquisition strategy is focused on completing our U.S. presence, as well as targeting acquisitions that advance our position in specific business channels.

Additionally, HUB International Florida, which is part of the HUB South Region, encompasses more than 275 employees and 12 offices throughout Florida. In 2016, HUB acquired the Greene Hazel Insurance Group, which had provided Insurance and risk services to the Jacksonville area since 1984. The office is still operated by Chip Greene.

Our HUB Public Risk team having managed governmental and quasi-governmental business out of our State's capitol in Tallahassee for 25 years translates to a dynamic service model tailored specifically to

the City's needs. Our international footprint paired with the deep breadth of market and industry experience ensures the City will obtain access to resources and market access expected in managing a large, governmental account without sacrificing the expert, local service required as a key client and partner with HUB International Florida.

Critical Path Process

To ensure the seamless, cohesive service approach and the best market results and outcomes for the City of Fernandina Beach, HUB International FL uses an innovative **Critical Path** methodology when addressing client needs and market placement. The process, outlined below, alerts the entire service, production and marketing teams outlined above of changes in the marketplace, new carriers and changes in appetite. With this methodology, the City of Fernandina Beach can be sure the HUB team is not simply borrowing expertise from other locales within our company Statewide and Nationwide, but rather ensuring the expertise in our footprint can be trusted, called upon and leveraged to proactively manage the City's specific risk profile, insurance program and claims administration from the submission of this RFQ response to contract completion.

HUB's innovative **Critical Path** methodology, a cross-disciplinary leadership team led by our regional Chief Executive Officer Christopher Gardner, meets twice a month to brainstorm client renewals scheduled to occur with a 120-day upcoming window. The team roundtables each client's risk profile, premium, loss experience, and marketing strategy with both your dedicated account team and the sales and account management team Statewide to maximize the impact of our market canvass and negotiations, with appropriate follow-up actions and oversight through successful conclusion.

Together we will:

- Review your existing exposures
- Review appropriate risk management alternatives
- Review marketing options in the current insurance environment

- Prepare a professional submission, targeting your goals
- Negotiate with underwriters for the most favorable terms and conditions
- Analyze and compare the quoted programs
- Present options

HUB's mission is to serve as the risk manager and insurance market advisor for the City of Fernandina Beach. Instead of trying to be all things to all clients, we focus on delivering superior value in insurance brokerage and risk advisory services through an accessible independent agency model while maintaining strategic alliances with top National insurance companies and a variety of professional service providers with skills complementing our own.

Our teams knows Florida is unique in that it has specialty carriers and pools specific to public entities. These were created to fill the gap when standard carriers began limiting their property exposure in coastal areas. While these programs provide a valuable service, there is risk sharing and maximum limits per loss that could affect the City of Fernandina Beach's ability to recover from a major loss.

HUB intentionally does not have ownership in any of the public risk specialty carriers in Florida, such as Florida Municipal Insurance Trust (FMIT) or Preferred Governmental Insurance Trust (PGIT). Ownership of private markets for public risk clients could create the appearance of a conflict of interest, reluctance of the standard markets and pressure to do business with an in-house market.

Our approach is to work with the specialty carriers and the standard markets equally to offer the City of Fernandina Beach several options each year. The goal is for you to be able to make an intelligent and informed decision on the best way to insure your risk in a cost-effective way. **We are free to work with any and all markets including FMIT, PGIT and other direct programs.**

HUB has access to virtually all major insurance carriers and has effective working relationships with over 650 insurers. The volume of business we represent for these insurers further enhances the knowledge and experience we bring to the marketing effort. Where needed, we have access to their top management and home office decision makers. As a result, we have effectively negotiated programs of coverage for even the most difficult risks.

For example, in the currently-volatile Florida property market, many of our large property clients are set to see significant changes in coverage structure, deductibles and rates compared to past years' renewals. Our Critical Path approach allows us to address market changes specific to our large customer accounts far in advance of renewal dates, and set proper expectations with clientele while giving ample time for program structure discussion, rate acceptability and overall negotiation in the marketplace to ensure the best results in these challenging times.

This process along with the strong relationships our organization has with both the public entity carriers and those in the private market with public entity segments will ensure the City is both prepared and educated on the upcoming changes, and allow us ample time to build a program that meets the budgetary and coverage needs of the City of Fernandina Beach.

Customer Centric Carriers (3C)

HUB International FL fosters a strong collaboration with insurance carriers who understand and share our vision. In order to meet the needs of our customer segments and deliver an enhanced

customer experience, we have sought out strategic relationships with a select group of carriers. We refer to these carriers as Customer Centric Carriers (3C Carriers). We have established Customer Centric Carriers on both a national and regional level, many of which have public sector and governmental specialty practices.

There are many benefits to working closely with 3C Carriers as we build a customer-centric organization. In addition to executive-level focus on the needs of our business, these carriers have committed to helping HUB in the following ways:

- Provide access to the most experienced underwriters and claims resources
- Jointly develop and market industry leading co-branded products
- Integrate technology and increase information sharing
- Improve alignment of carrier product segments
- Provide deeper access to risk management and other customer services
- Provide the highest level capacity for future risks
- Help fund the development of new resources for our customers

We will continue to do business with many other insurance companies in order to meet our customers' needs, especially since we know the City of Fernandina Beach has familiarity and access to many public sector-specific insurance programs; however, our philosophy is to focus on fewer markets but always do the right thing for the customer: you.

Strategic Claims Services

Claims must be carefully managed to control costs and reduce the impact of loss on an organization. To assist you in this vital activity, HUB International maintains a skilled team of claims management professionals. This team is managed by Claims manager Karen Dougherty.

The following claim services are available:

Claim Review – At the inception and at mid-term, a review of the current open claims will be conducted. If multiple claims are open, a claim review is to be scheduled. If a smaller number are open, calls can be set up with specific adjuster(s) to obtain a status report. This procedure keeps the claim in front of the adjuster so that claims are worked on and closed in a timely manner.

Ongoing Client Advocacy – Provide oversight and ensure regular communication between claim service provider and insured.

Experience Modification Review – Review the experience mod worksheet for errors and corrections prior to the Workers' Compensation renewal. Contact adjusters on all open claims to ensure the claims dollars used to promulgate the mod factor are appropriate.

Pair our market relationships with our dedicated, local claims advocates and administration and HUB International Florida is setup properly to put our claims expertise to work for the City of Fernandina Beach.

Claims Consulting Experience Examples

A large employer organization client had turnover in their internal claims staff in 2016 and needed assistance with screening replacements, training an interim person and then training the eventual hire. We sent Jim Peterson, our AVP of Risk Management and Workforce expert

down for two days for this process and within a week, a full-time replacement was up and running.

We worked with this same client to demonstrate the value of a formalized injury management program, then spent significant time with them to put the program in place. The result was a 10-fold reduction in lost-time claims, saving over $100,000 in just one year.

We utilize several tools such as industry and geography benchmarking to ensure that your programs align with and, to the extent possible, exceed those programs of organizations vying for similar talent. We are creative in designing programs for our customers to achieve these objectives.

We have the capability to benchmark coverage and loss data relative to other businesses with similar exposures. With our access to Advisen, we can provide a range of quality information to include comparing limits and retentions to similarly situated businesses.
Advisen offers insight into the underwriting, marketing and purchase of commercial insurance.

Advisen's web-based workstation incorporates real-time analytics and research on over 15 million entities, subsidiaries and industries across the globe.

- Proprietary offerings from Advisen include:
- Program/Policy Large Loss Data Benchmarking
- Custom Templates for Underwriting Work-ups
- Company and Industry Research
- Loss & Risk Analysis
- Management Portfolio Analysis
- Policy Wording Comparison

Risk Services Overview

A regional and accessible Risk Services division allows our HUB International FL team to advise our clients on how to confidently identify, quantify and reduce risk through tailored solutions, so that you can fulfill your responsibility to the community. Additionally, we maintain strategic alliances with a variety of professional services providers with skills complementing our own. This arrangement enables us to assemble the best-qualified resources to address virtually any risk-related issue. The goal of our consultative approach is to improve efficiencies, reduce accidents and lower costs.

We match our expert resources to meet the specific needs of our clients. Our consultants have a wide variety of specialties in areas such as property risk engineering, property valuation, liability & contractual risk transfer, risk management information systems (RMIS), employee safety & health, organizational resilience & cyber risk, industrial hygiene, workforce productivity, and additional niche expertise.

Claims advocacy is a vital technical discipline that can reduce loss costs and assist the City of Fernandina Beach in receiving the full value from your insurance policies in time of need. Our Risk and Claims Consultants include board-certified and degreed safety, security, property, environmental, and claims professionals averaging over 20 years of experience.

HUB FL and HUB Public Risk closely monitors legislative and other regulatory changes regarding insurance and risk management. This includes staying informed of changes to OSHA and Department of Labor regulations. The changes will be communicated in direct meetings, as well as in a monthly newsletter that HUB provides to all of its risk management clients.

The HUB Risk Services Division has over 85 risk consultants Nationally with a wide variety of specialties and expansive experience located throughout the United States and Canada with partnerships around the globe.

Risk Services - Our Difference

HUB has a very deep bench of consultants and specialists ready to assist the City when needed. There are no geographic or financial barriers when working with HUB. Though a majority of our Risk Services team who will be utilized to work with the City reside within Florida, if risk services resources or personnel aren't locally available, our risk services model ensures the City will get access and service from our team outside the State. Other brokers either do not have the expertise or lack the size and market relationships to grow alongside a growing governmental entity.

Our HUB Risk Consulting team can meet with your team to confirm your goals and to develop a draft service plan that will address your needs. Some of the services we typically deliver to municipalities include, but are not limited to:

Client Advocacy:

One of the main responsibilities of the HUB Risk Consulting team is the oversight of insurance carrier Risk Consulting activities. In addition to reviewing and analyzing insurance company inspection reports, you can expect the following tasks:

- Organize a service plan meeting between City's risk management, HUB and the insurance company's account manager
- Review the service plan provided by the carrier with management, make modifications and oversee its implementation
- Review insurance company recommendations for their economic and practical implications
- Resolve uncertainties, differences and difficulties in compliance with insurance company recommendation
- Serve as a technical resource for OSHA and other safety related questions
- Assist with basic safety program development
- Review loss information to identify problem areas and trends

Assessments:

- *Hazard Surveys* - The purpose of this evaluation is to identify

hazards and provide recommendations to reduce exposure to loss.

- *Regulatory Assessment* - The purpose of this audit is to ensure each department is in compliance with all government and state regulations.
- *Risk Management Assessments* - The purpose of this assessment is to measure City-wide risk management practices relative to recognized industry "best practice"

Policy I Procedure Development

HUB has experience in assisting public entities in the developing policies and procedures to manage / minimize various types of risks. Some model policies that we have developed include:

- *Administration*
  - Harassment Policy
  - E-Mail & Electronic Communication Policy Fleet Safety Program
  - Early-Return-To-Work Policy
  - Fitness/Wellness Programs Criminal Background Checks
  - Guideline for Risk Management Responsibility/Accountability
- *Police Department*
  - Police Secondary Employment Program Vehicle Pursuit Guide
  - Use of Force Policy
  - Respiratory Protection Program Police Vehicle/Traffic Stop Policy
  - Law Enforcement Vehicle Loan Agreement Hazardous Material Incident Response Policy Electronic Control Weapon Model Policy
  - Infectious Materials/Blood borne Pathogens Exposure Control Plan Emergency Traffic Control Procedures
- *Fire Department*
  - Exposure Control Plan (Blood borne Pathogens) Respiratory Protection Program
  - Hazardous Material Incident Response Rapid Intervention Team Lockout/Tag out Policy
  - Vehicle Operation/Driver Policy Special Rescue Operations Emergency Traffic Control Procedures
- *Public Works*
  - Confined Space Entry Sidewalk Inspection Program
  - Fall Prevention & Protection Program Trenching/Excavation Policy
  - Lock-Out/Tag-Out Energy Control Program COL (DOT) Drug/Alcohol Abuse Policy Respiratory Protection Program Emergency Traffic Control Procedures

**Please note that many other types of policies/procedures can be developed based on the City's needs.

- *Training Development/Completion* - The training programs are specific to operating departments and include topics such as:
  - Driver Safety/ Fatigue
  - Coaching the Emergency Driver: Ambulance, Fire II Supervisor Safety Training

- Accident Investigation
- Behavior Based Safety Effective Safety Committees Self-Inspection Techniques General Safety
- Confined Space Training Blood borne Pathogens Personal Protective Equipment Back Safety/Ergonomics
- Lock Out/ Tag Out Slips/Trips/Falls

**Additionally, we have a web-based training system that can provide efficient and effective training specific to public entities, including fulfilling continuing education requirements for Firefighters/EMS.

Other Risk Services Offerings

Depending on the specific needs of the City identified in a wide variety of risk services products and consultancy services. The specific services to be provided by the HUB Risk Services Division will be based upon your goals as well as the application of our consulting approach and methodology. This variety of disciplines enables HUB to respond to your specific risk control needs and objectives. Because we serve clients of all sizes, we can offer solutions that are properly scaled to meet the needs of the City.

o Hazard Assessments		

Our risk services team is available to engage with our clients to generate success in the placement and use of your insurance program.

A local, Central Florida real estate portfolio client of insured values of roughly $180M had a Civil Authority action in two different cities as a result of Hurricane Matthew that resulted in a significant loss of income. The insurance company interpreted the language of the policy to limit recovery by applying the property damage deductible which was expressed as a percent of total insured value. This percentage, when applied to our client's large portfolio of properties in the impacted area, would not generate any recovery under the policy. We successfully argued that the policy language was not clear to that effect and that we believed the original intent of the manuscripted policy was not to apply the property damage deductible on a civil authority action. The client recovered over $400,000 as a result of our efforts.

Another great risk services example involves a large client with unique property exposures such as wholly-owned tour operations, attractions, and public contracts on Federal land, both locally to Florida and across the US, real estate operations of commercial, residential, mixed use and retail and over 300 power units on schedule. This private enterprise has seen significant benefit of our risk services engagement since beginning work with us in 2007. With facilities in Key West, St. Augustine, Savannah, Nashville, Washington DC, Boston and San Diego, our client's property coverage needs and insured perils vary by location, and with such large exposure, HUB assistance ensures affordability and ability to manage the severe risk exposures across their portfolio.

Our claims team including local administrators Jim Peterson and Karen Dougherty are very active in claims management, administration and negotiation on the casualty portion of this client's business, managing on average 300 claims per year with the client's internal risk management team. Our insured counts on us to utilize our claims expertise and relationships with our 3C carriers to ensure the most fair outcomes when dealing with casualty claims.

Our property experts including VP of Risk Services Ron Taylor have been able to secure tough recoveries on properties in significant wind zones across their portfolio through advocacy and data-driven modeling which have resulted in hundreds of thousands in additional recoveries over the term of our contract with them, many of which were originally denied.

Our risk services programs are tailored to our customers—we do not utilize a one size fits all methodology, or take large, nationally-sold programs and resources to wedge into our client's risk management programs force-fitting to their needs. Our approach in marketing utilizing our Critical Path process to access the best carrier selection with our 3C, Customer-Centric Carrier, relationships ensures the best program will be placed for the City of Fernandina Beach, and with robust and accessible risk services and claims handling assistance, the City can be sure that HUB International and our Public Risk teams are the right fit as your property and casualty agent.

Our Commitment- The HUB Advantage

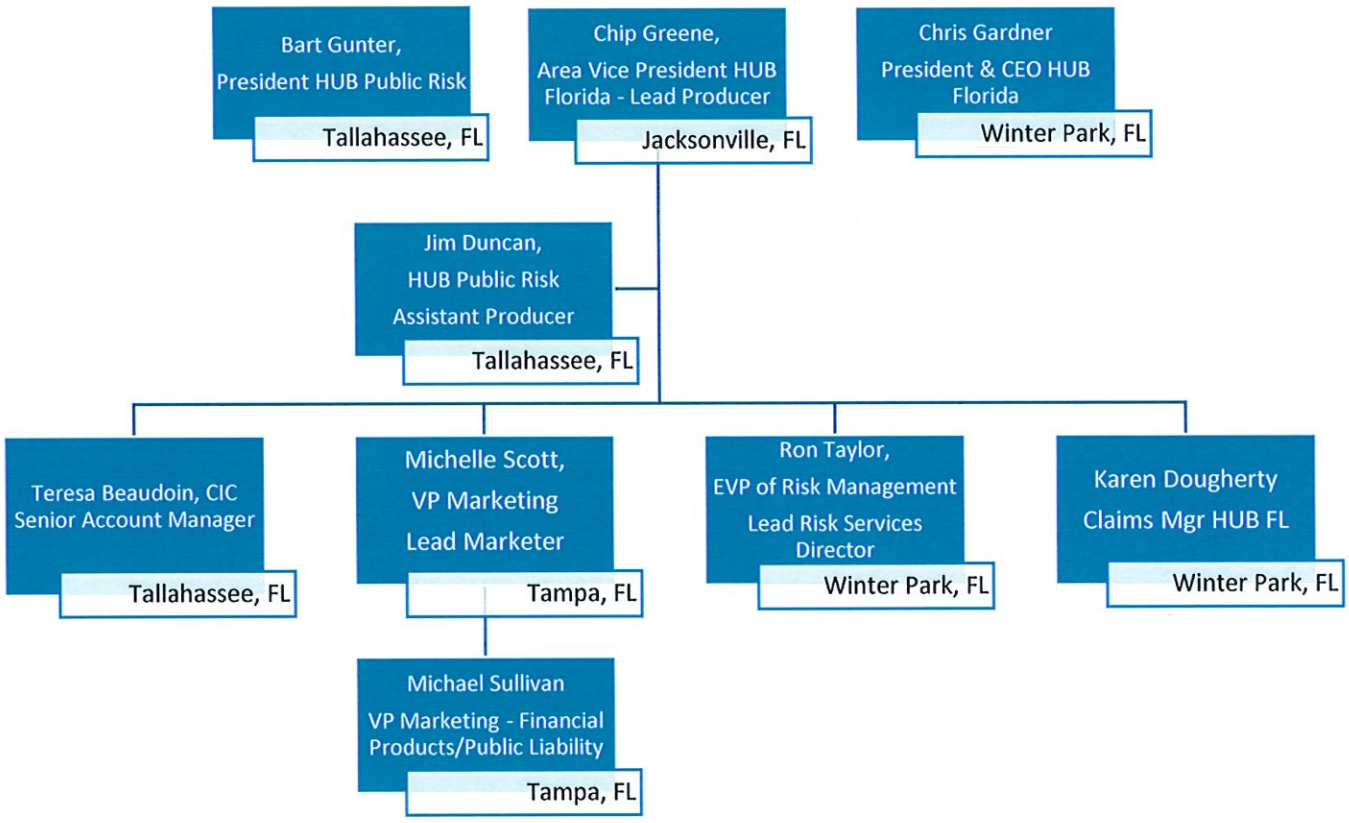
HUB International is dedicated to maintaining and upholding the highest standards of ethical conduct and integrity in all of our dealings with you, our client. We want to be your trusted risk advisor, and as such, we need to earn your confidence. So we are making a promise. We call it The HUB Advantage. Our mission is to make the advantage yours - and this is our commitment.

- We strive to secure the most favorable terms from insurers, taking into account all of the circumstances - the risk you need to insure, the cost of insurance, the financial condition of the insurer, the insurer's reputation for service, and any other factors that are specific to your situation.

- We are open and honest as to how we are paid for placing your insurance. Our answers to your questions will be forthright and understandable. When we intend to seek a fixed fee for our efforts, we will disclose it to you in writing and obtain your approval prior to coverage being bound.

- You make the ultimate decision as to both the terms of insurance and the company providing your coverage. Our objective is to provide you with choices that meet your insurance needs, and to educate you so your decision is fully informed and best suited to your circumstances.

- We comply with the laws of every jurisdiction in which we operate, including those that apply to how insurance brokerages and agencies are paid. If the laws change, we will respond in a timely and appropriate manner.



We take our responsibility to our customers very seriously. If at any time you feel that we are not fulfilling your expectations - that we are not meeting our Client Commitment - please contact your account executive or call our toll free client hotline at 1-866-857-4073, and your concerns will be addressed as soon as possible.

TAB 3 - Key Proposed Project Team

The City of Fernandina Beach's HUB International FL and HUB Public Risk team brings many years of experienced and licensed insurance professionals with extensive risk management, client service and marketing experience in both the large account and quasi-governmental and public entity space.

One thing you will notice is that all of these team members are at the top of their field.

Please see our detailed team bios and experience information listed below.

Note: some risk services team members are not listed in the org chart pending risk services needs analysis

Resumes, CV or Profiles of the Proposed Project Team

Chip Greene, Jacksonville Area Executive Vice President
HUB International Florida

Chip will be the lead contact for the City of Fernandina Beach

Chip Greene is the Area Executive Vice President of the Jacksonville area region for HUB International Florida. In this role, he oversees the operations of the Jacksonville office and is responsible for new business development throughout the area. Chip specializes in complex Property & Liability Insurance and Risk Management Programs for commercial businesses.

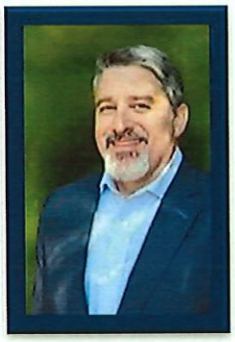
Prior to joining HUB International Florida, Chip was the owner of Greene Hazel Insurance Group – a Jacksonville based independent insurance brokerage that specialized in middle market insurance and risk management placement. Chip developed his insurance expertise at Fireman's Fund Insurance Co. in Alpharetta, GA where he was an underwriter and worked through several specialty lines including, Commercial Excess Casualty, Commercial Property, and Inland & Ocean Marine. Chip holds a bachelor's degree from the University of Florida and a General Lines Insurance license from State of Florida. He also is heavily involved in the Florida Association of Insurance Agents (FAIA) where he severed three years as a member of the board of directors and four years as a member of the executive committee as vice chairman, chairman-elect, chairman and immediate past chairman. In 2009, Chip was recognized regionally by the Jacksonville Business Journal as a "40 under 40" award winner. Giving back to his community, Chip serves on the board of directors of V for Victory, Dreams Come True of Jacksonville and River Garden Hebrew Home's Foundation Board. Chip also serves on the St. John's County - Ponte Vedra Beach Planning, Zoning and Adjustment Board.

Jim Duncan, CPCU- Fleet Specialist- Risk Manager- Tallahassee Office

Jim will serve the City of Fernandina Beach as the lead Public Entities Consultant.

Jim Duncan joined Rogers, Gunter, Vaughn Insurance (RGVI) in 1988 as a Property & Casualty Commercial Lines Sales team member. Jim holds Florida General Lines Property and Casualty, and Life and Health insurance licenses and in 1993 earned the designation of Chartered Property and Casualty Underwriter (CPCU). Jim has served in the position of Sales Manager for RGVI since 2004 and is the agency's leading sales team member. RGVI joined HUB International in 2017.

Jim has specialized been involved with Public Entities for over 20 years. He has been both a consultant and an agent. Jim also works with state-wide trade associations and in 1993 was recognized by the Florida Movers and Warehousemen's Association for outstanding service to their association.



Teresa Beaudoin, CIC- Commercial Lines Account Manager- Tallahassee Office

Teresa is the day-to-day contact for Service Items

Teresa Beaudoin joined Rogers, Gunter, Vaughn Insurance, Inc. (RGVI) in 1980 and currently serves as Manager of the Commercial Lines Department of RGVI. RGVI joined HUB in 2017.

She is a licensed property and casualty agent and holds the designation of Certified Insurance Counselor (CIC). As Manager of the Commercial Lines Department, Teresa is responsible for the agency's service personnel for all commercial insurance accounts including many specialty areas in that department.

Mike Sullivan-Executive Vice President and Financial Practices Leader

Mike will assist the City on Cyber and Management Liability issues

Mike Sullivan is the Executive Vice President and Financial Products Practice Leader for HUB International Florida. Mike specializes in Directors and Officers Liability, Employment Practices Liability, Fiduciary Liability, Professional Liability, Cyber Liability and Crime.

With over 20 years of experience working within the wholesale and risk management advisory sectors Mike maintains the depth and breadth of knowledge to handle both national and complex risk.

Prior to joining HUB, Mike was a Risk Management Advisor for USI and spent 5 years prior working for Willis Towers Watson as Senior Broker in their Atlantic-South Financial Executive Risk Practice (FINEX). While at Willis, Mike handled complex Fortune 500, and Fortune 1000 clients. Prior to Willis Towers Watson, Mike spent 16 years within the wholesale broking sector, last serving as Vice President at Brown & Riding Insurance working in their Professional and Executive Risk Practice advising on complex risk strategy solutions.

Mike is originally from Florida where he attended St. Petersburg College and the University of South Florida where he studied business management. After residing in St. Petersburg, FL for several years, Mike now calls Atlanta home where he resides with his wife and three children.

Ron Taylor, EVP- Risk Management

Ron will run analytics and CAT modeling for the City's Property exposure

Ron Taylor is currently an Executive Vice President of Risk Management with HUB International in Winter Park, Florida, where he supports the state in large account acquisition and consulting. Ron began his insurance career in 1979 with CNA Insurance Companies. In 24 years at CNA, Ron was involved in underwriting, sales and leadership to include Senior Vice President of Risk Management for the South Central Region in Dallas, Texas.
In 2003, he joined KuykendallGardner Risk & Insurance Brokers serving as Vice President of Risk Management, leading the firm's acquisition and management of large accounts.
In September 2014, he became Executive Vice President, leading the firm's Commercial Lines organization and continuing his work in large account acquisition.

James Peterson, Assistant Vice President Risk Management

JP will assist the City with Workers Compensation claims management and risk mitigation

Peterson brings over 30 years of experience in the insurance industry to HUB International, currently serving as Assistant Vice President Risk Management for HUB's Southeast Region located in Florida. In his role, James is responsible for providing technical assistance to clients, marketing of claims and risk consulting services and supporting regional carrier relationships.
His work experience includes 16 years with a national insurance carrier. James has held various positions within the claims and risk mitigation areas. He served as a National Accounts Director of Client Services for 6 years. His primary role was to maintain and expand relationships with large, multi-location customers. Designing the client's account planning cycle ensures that their yearly needs and expectations are met.

Karen Dougherty, Claims Manager

Karen will assist the City with claims that require special handling

Karen Dougherty is the Claims Manger at HUB International in Winter Park, Florida. In this position, she works with our largest clients to provide services which include claim reporting procedures; establishment of Special Handling Requirements; Client Advocate on coverage issues; participating in claim reviews and audits, specializing in reserves and best practices; litigation and reviewing results at stewardship meetings. In over 35 years in the insurance industry, her work experience has included working for insurance carriers, insurance agencies, the owner of an owner wrap-up insurance program and a risk retention program for a national association.

Scott Fouts-VP of Risk Services

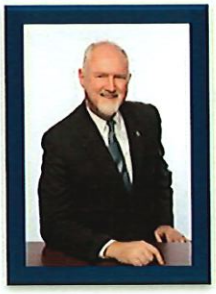
Scott is available to the City as risk consultant

Scott Fouts is the Vice President, HUB South Region in HUB's Risk Services Division. He has 17 years of experience in occupational safety, health, and risk management consulting. He spent 15 years on the carrier side of the business providing risk management, safety, property, product liability, environmental, business continuity, fleet, claims, and industrial hygiene services.

He has experience with multiple types of businesses such as large fleet and transportation, construction, manufacturing process, hospitality, educational institutions, healthcare, property management and financial services to obtain positive results in the changing of culture and the identification and mitigation ofrisk.

At HUB International, Scott provides technical advice and training at all levels of safety and risk management. He also works with producers and account managers to protect the people, property, and efficiency of our client's operations.

Carrie B. Cherveny, Esq., Chief Compliance Officer



Carrier consults with our insureds on compliance issues

Carrie B. Cherveny, Esq. currently serves as the Chief Compliance Officer and Senior Vice President of Strategic Client Solutions for the Southeast Region of HUB International. In this role, Carrie is responsible for providing compliance and consulting services regarding general health plans, ACA, ERISA, and other legal matters involving employee benefit programs.

Most recently, Carrie was General Counsel and Vice President for a national PEO designing and developing client compliance strategies and solutions. Carrie oversaw both the legal and human resources teams working closely with clients addressing employee relations issues and resolving client concerns.

While working previously as a Partner in a West Palm Beach Employment Law firm, Carrie focused her practice in the area of employment litigation and employee relations in both state and federal courts. She has represented private sector employers in litigation under Title VII, the ADA, the ADEA, the FLSA, the FMLA, the Florida Civil Rights Act, and the Florida Whistleblowers' Acts. Carrie has extensive experience counseling employers in EPLI claim prevention, employee discipline and termination, and employment discrimination and harassment.

Carrie received her Bachelor's and a Master's Degree in Speech Communication from the University of South Florida. In 2005, Carrie earned her Juris Doctorate Law from the Stetson College of Law and passed the Florida Bar exam in 2006 becoming licensed to practice law in the state of Florida.

Bart Gunter, President, HUB Public Risk

Bart Gunter was raised in Orlando, Florida and moved to Tallahassee in 1976. He graduated from Tallahassee Lincoln High School and received an A.A. degree from Tallahassee Community College and a B.A. degree from the University of Florida. After several years as a staff member for former U.S. Senator Bob Graham, Mr. Gunter began his insurance career with Rogers, Atkins Insurance, Inc. in 1991 and became a partner and shareholder of Rogers, Gunter, Vaughn Insurance, Inc. in 2001. In 2016 Mr. Gunter was named President of Rogers, Gunter, Vaughn Ins., and Inc. after being acquired by HUB International; Mr. Gunter has been named HUB Public Risk President.

As a licensed life, health and property casualty agent for the last 27 years, Gunter earned the Certified Insurance Counselor (CIC) designation and is ACA Certified Specialist through the National Association of Health Underwriters. As an experienced Risk Manager Gunter has lectured and provided continuing education courses for numerous statewide Associations. He has lead consulting teams for RGVI with the State Department of Insurance, City of Panama City, Leon County, Leon County Schools, Wakulla County Schools, Madison County Schools, Tallahassee Community College and Property and Casualty for the City of Tallahassee. He has also assisted RGVI associates on benefits committees for Florida State University. Mr. Gunter has over 10 years of experience with self-insurance programs.

Christopher Gardner, President & CEO
HUB International Florida

Christopher Gardner is the President and Chief Executive Officer of HUB International Florida. In this role, he oversees all operations for the State of Florida. Chris has spent his entire 25-year career in the insurance brokerage business. Chris was a founding partner in Kuykendall Gardner, LLC, which was acquired by HUB in October of 2014. Chris specializes in large real estate portfolios and alternative risk financing for large casualty business.

He earned a bachelor's degree in political science from the University of Florida, where he was a member of Florida Blue Key. He has achieved designations as a Certified Risk Manager (CRM) and Certified Insurance Counselor (CIC) and holds licenses for General Lines Insurance and Life, Health and Variable Annuities.

Dedicated to giving back to his community, he served as the Chairman of the Board of Governors of Citizens Property Insurance Corporation from 2013-2018 and as member of the Board from 2011-2018.

Marketing Team

Teresa Boyd, Chief Marketing Officer

Teresa Boyd is the President of Commercial Lines and Chief Marketing Officer and a senior member of the executive leadership team of HUB International Florida. As CMO, Teresa oversees strategic partnerships with carriers and industry intermediaries. Serving as the chief liaison on behalf of marketing, production and service team members, Teresa helps ensure access to the broadest and most competitive insurance programs for HUB's existing and prospective clients. As a member of the executive leadership team, Teresa is highly engaged providing ongoing leadership toward achievement of HUB's mission of advocacy and excellence to our clients.

With over 30 years of insurance experience, Teresa has developed expertise in the placement of uniquely structured and complex risk management programs for those in the Real Estate, Construction and Hospitality sectors. She currently serves as a member of HUB's national real estate steering committee and as a council member on the advisory council for several large national insurance carriers.

A pillar of Teresa's practice has been her outstanding reputation and strong relationships built with a broad range of industry colleagues and affiliates. Teresa's steadfast research to remain ever-abreast and ahead of the industry's trends and conditions, enables her to safeguard and offer solutions to corporate clients against unforeseen fluctuations in the marketplace.

Michelle Scott, Vice President of Marketing

Michelle Scott is the Vice President of Marketing for HUB International Florida. In this position, Michelle deploys a multi-faceted approach to fulfill a variety of responsibilities including overseeing the placement of complex insurance programs across a wide range of products and industry segments. Michelle also plays a key role in managing HUB's carrier relationships in Florida, frequently liaising with underwriters and industry affiliates.

As a senior member of the Marketing Team, Michelle provides oversight and guidance to her teammates and is frequently utilized for training and other procedural input in determining best practices. Michelle actively works with HUB's insurance advocates and client managers delivering innovative placement solutions to respond to clients' needs.

With 20 years of industry experience, Michelle has extensive knowledge and has developed specific expertise in the areas of Technology, Life Science, Real Estate and Environmental risks.

TAB 5 – Ability to Furnish Required Services

HUB will provide all marketing, placement, claims support, and daily client service as part of our fee. This will include Risk Services as agreed to in our Service Plan which will be developed in the initial phase of our relationship with the City of Fernandina Beach. Certain Risk Services will be available on a fee basis including actuarial reviews and services, Human Resource consulting, Loss Control services, and other Risk Management services and consulting that is not part of the placement of insurance or reinsurance, claims services or client services.

Schedule of Work

While we recognize our primary role for the City of Fernandina Beach is to serve as the coordinator and advisor on the marketing and placement of insurance and reinsurance, we also plan to offer our services for risk management. We believe a key part of our partnership with the City involves developing a plan and "Schedule of Work". We deliver our mission using a dedicated timeline so that responsibilities and deadlines are clear to all parties. Below is our proposed timeline, however we do recognize that this can be adjusted due to your deadlines and meeting schedules.

Function	Tasks	Timeframe
Analysis / Analytics	o Perform extensive review of existing program. o Review and analysis of the City of Fernandina Beach exposures. o Complete CAT modeling for all property controlled the City of Fernandina Beach. o Perform Loss Analysis. o Discuss Risk Management and how to best integrate our Risk Services team. o Discuss trends within Insurance and Legislation.	Upon appointment
Market Strategy	o Define renewal strategy, including pricing and coverage objectives, with the City of Fernandina Beach. o Set renewal timelines and milestones. o Discuss options for coverage and alternatives to levels of risk retention. o Identify target markets and pre-qualify through initial underwriter meetings. o Define policy wording requirements. o Analyze strengths / weaknesses of carrier services including loss control and claims handling.	120 days prior to renewal
Document Preparation	o Assemble comprehensive insurance submission in format preferred by underwriters.	90 days prior to renewal

Function	Tasks	Timeframe
and Market Submission	o Prepare manuscript policy forms for inclusion with insurance submission. o Review Risk Control and Claims service requirements with specifically defined process and reporting requirements. o Review final insurance submission and service requirements with the City of Fernandina Beach prior to distribution to underwriters and service provider firms. o Finalize selection of carriers to receive submission and invite service providers to respond. o Validate financial ratings of selected carriers and qualifications of selected services firm.	
Deliver Market Submission	o Distribute submissions and service requirements and verify receipt. o Set up market meetings with carriers to review safety & loss control.	90 days prior to renewal
Market Negotiation	o Schedule meetings with underwriters. o Foster the City of Fernandina Beach's relationship with underwriters. o Follow-up on any requests for clarifications or additional data from underwriters. o Monitor progress of carrier proposal development and keep the team fully apprised of all developments.	60-90 days prior to renewal
Proposals Analysis	o Analyze carrier quotations and subject analysis to peer review. o Qualitative review of coverage terms and conditions, policy forms, other program considerations (such as collateral, admin requirements, carrier history/capability, etc.). o Quantitative review of premium. o Prepare and present insurance pricing comparisons. o Prepare and present review of proposed terms and conditions, policy forms, administrative requirements, etc. o Offer recommendations and rationale.	30 – 60 days prior to inception
Coverage Binding	o Create binders for transmittal to carriers. o Require signed binders from carriers prior to program inception. o Transmit all binders to the City of Fernandina Beach noting coverage summary, schedule of subjectivities, and premium breakdown o Review and Issue needed certificates.	Prior to renewal

Function	Tasks	Timeframe
Post Policy Issuance	○ Deliver policies and review with the City of Fernandina Beach. ○ Assist the City of Fernandina Beach in claims management. Utilize our claims management experts as needed on large claims.	On Going

Client Service Standards

HUB Public Risk, Inc. is committed to the achievement of excellence in service to your organization via our:

- Experienced, qualified team
- Knowledge of the marketplace
- Commitment to quality
- Sense of urgency
- Creativity
- Professionalism
- Communication skills

We understand that your account requires a special kind of service. You want us to understand the marketplace, know your underwriters and be a partner with the relevant insurance carriers. Price is always an issue, but it is not the basis on which we manage risk. By making the buyer part of the ongoing servicing and planning of the program, HUB achieves a level of communication and trust which bonds our relationship. Because of the importance and unique nature of your account, HUB has established performance standards that will communicate to you our commitment to excellence in client service.

These standards are:

A. The Account Executive will make contact at least once a month to update you on any open items. You are likely to have regular conversations and communication with the Account Executive as a matter of course and you should expect timely responses.

B. The Renewal Timeline will be followed as previously outlined. Special emphasis will be given to pre-renewal meetings to review the program with your Client Service Team. These meetings will include:
    a. A recap of current program.
    b. A review of the current marketplace.
        i. alternative markets.
        ii. alternative programs.
    c. Status Report on Services.
        i. provided by HUB.
        ii. provided by insurer.
        iii. provided by other third parties.
    d. A discussion of HUB projects completed during previous year.
    e. Developments and trends within your operation.
    f. New projects with clearly defined deadlines and responsibilities.

g. A preliminary renewal strategy with goals and deadlines including discussion of any potential competition.
h. A detailed written summary of this meeting will be prepared by the Account Manager and sent to you.

C. A minimum of an annual meeting will be planned between you and insurance company personnel.
D. Where required, written claim and loss control procedures will be developed and distributed to your claims administrator, insurers and other service providers.
E. Stewardship meetings will be held with your risk management team annually

Service Philosophy

People

- Recruit new talent to broaden the expertise available to our customers.
- Offer enhanced training and development opportunities for all employees to enable us to keep current on things our customers need to know about.
- Empower individuals and teams to define and shape the customer experience - allowing us to tailor our solutions to your needs.
- Foster interaction among customers, communities, carriers and colleagues - to leverage all available resources on your behalf.

Product

- Gain a deep understanding of customer needs and build solutions and products specific to each customer segment - this means we are committed to being more than your insurance broker - we want to be a solution provider.
- Mobilize resources to focus on our Customer Centric Carriers (3C Carriers) within both retail and wholesale businesses. This allows us to focus on delivering the full range and depth of offerings from a narrower group of insurers. While we continue to represent all carriers, we feel a stronger partnership with a few providers that deliver a better overall product and experience to our customer.
- Using our income to enable additional investment in our people and technology, leading to better customer solutions.

Process

- Develop new and effective ways to communicate with and serve our customers - this has led to development of key tools such as our HUB Connects newsletters, RMIS systems and other key resources that we deliver to help make your customer experience unique.
- Achieve greater efficiency and accuracy through the use of new technology - this allows us to better manage the quality of the service that we provide our customers and assure quality and timeliness.
- Share best practices, re-design systems and consolidate operations in order to deliver a more consistent and rewarding customer experience.

Timeline for Engagement

Function	Service	Timeframe
Administrative	○ Remit all binders and policy confirmation within 72 hours of being bound with insurers.	Annually, no later than 7 days prior to expiry
	○ Remit all policies and endorsements on a timely basis.	Annually, no later than 60 days after effective date
	○ Provide a summary of limits, conditions and exclusions with every policy issued.	Annually
	○ Provide schedule of insurance.	Annually
	○ Provide timely advice and response to insurance related matters.	Ongoing
	○ Issue certificates of insurance within 2 business days and any other evidence of insurance required from time to time.	As requested
Risk Control	○ Identification of risks through site reviews and discussion.	Annually
	○ Review of contracts, leases and agreements for insurance and indemnity requirements.	As requested
	○ Obtain detailed loss statistics from insurers, review and provide copies regularly.	As required
	○ Review and provide copies of insurance company inspection reports.	As required
	○ Identification of uninsured risks.	As made by the insurer
Claims	○ Provide overall advice on claims matters.	As required
	○ Report loss to insurers immediately upon notice from the City of Fernandina Beach and assist on the administration / handling of claims.	As required
	○ Make arrangements for claims adjuster on behalf of the insured.	As required
	○ Assist in the development and submission of the statement of claim.	As required
	○ Provide advocacy services.	As required
	○ Assess subrogation potential.	As required
	○ Expedite payment of loss from insurers.	As required
Insurance Placement	○ Keep abreast of insurance market trends and seek out the most favorable terms and conditions.	Annually and from time to time

Function	Service	Timeframe
	○ Data collection for renewal purposes; review appropriateness of coverages, limits and deductibles. ○ Evaluate the stability and financial condition of the City of Fernandina Beach's insurers and any prospective insurer. ○ Annual review of insurance program. ○ Submission to underwriters for quotation. ○ Inform the City of Fernandina Beach of renewal developments and desirability of insurer meetings. ○ Negotiate competitive premium costs for policies through insurer(s) agreed upon by the City of Fernandina Beach. ○ Delivery of quotes to the City of Fernandina Beach prior to the expiry date of current coverages.	Annually, 90 days prior to expiry Annually Annually Annually, and as necessary Annually, 60 days prior to expiry Annually, 30 days prior to expiry As required
General	○ Issue an annual timetable detailing service specification. ○ Provide an annual service report including the following information: • Summary of insurance. • Detailed account of number of hours devoted to service of the account. • Market status report. • Program performance (i.e. cost relative to prior years, program enhancements or reductions). • Recommendations. ○ Attend to reasonable ad hoc requests and inquiries in a timely manner.	Annually, 8 weeks prior to expiry Annually As required
Meetings	○ Meet with the City of Fernandina Beach staff to review insurance, claims or risk management issues. ○ Pre-renewal review meeting; information gathering. ○ Review and approve insurance specification submission to underwriters.	At mutually agreed intervals 8 weeks prior to renewal 8 weeks prior to renewal

Function	Service	Timeframe
	o Obtain quotations / terms and conditions and agree basis for renewal. o Agree basis for renewal and arrange / confirm placement.	1-2 weeks prior to renewal Prior to renewal
Potential Services	o Arrange risk consulting services for the purpose of risk identification, assessment and mitigation. o Risk finance and consulting.	As required As required

With over $1B in premium volume in HUB Florida alone, our agency network here has significant experience in managing large, high-deductible accounts comparable to the City of Fernandina Beach. With a broad breadth of industry experience in risk services and risk management, our approach to public entity business ensures a fresh perspective is taken to the City's risk profile and insurance program while also ensuring the City and its insurance and risk management program outcomes are key to our mutual success, not just another account in a large public entity book of business.

Our fresh perspective promises attention to detail on the specific risks the City faces, and our proactive approach ensures that solutions do not come as a response to a problem or issue faced.

For example, many of our large quasi-governmental clientele are being sought as a target for cyber and data liability attacks. Smaller cities and municipalities with owned and/or managed utilities or waste services are prime targets for sophisticated hackers seeking to enter unchecked and harvest cities' data. In 2021 alone, the public sector was the target for 12% of all US-based cyber and ransomware attacks. Our cyber and management lines professional Mike Sullivan spends much of his time in our risk services division reviewing front-end protocols, data access and use across departments, and employing resilience testing to provide valuable data for City's and quasi-governmental entities to share with their IT teams and vendors for consistent and proactive status of the organizations protection before a claim or incident occurs. Review of vendor programs' protocols, breakdown of data liability between vendors and the City, and metrics-based firewall and resilience testing all gives assurance and control to the City, while also providing our marketing team with valuable support when in the market for this coverage. A useful "Cyber Renewal Market Report" prepared for Central Florida Expressway Authority is attached below in Tab 6 – Miscellaneous to provide the City with further information on this topic.

Sample Cyber Review/Assessment

2021–2022 State of the Market: Key Developments

Disrupted market premium increases are here to stay:

- Record ransomware activity escalates carrier concerns
- Higher claims trending for ransomware and related business interruption costs
- Historical spike in ransomware attacks with public entity exposure growing by 50%
- Carrier profitability outlook continues to deteriorate in 2021
- Malware increased 358% in 2020
- Phishing attacks account for more than 80% of reported security incidents
- Next Gens supply chain attacks grew 420%
- SolarWinds supply chain cyber event
- Increase in silent cyber – cyber risk that is neither expressly covered nor excluded in insurance policies
- Carriers managing limit deployment by reducing limits, sub -limiting coverages and adding co -insurance provisions

Forbes State of Cybersecurity Readiness:

- 78% lack confidence in their cybersecurity posture prompting 91% to increase 2021 budgets to cyber security
- On average, only 5% of companies' folders are properly protected (2019 Global Data Risk Report | Varonis)
- Nearly 80% of senior IT and IT security leaders believe their organization lack sufficient protection against cyber attacks d espite increase IT security investments made in 2020 to deal with disturbed IT and work -from-home challenges
- Identity theft spikes amid pandemic
- Globally average cost of a data breach is $3.86 million as of 2020 (dice.com)
- United States continues to experience the highest data breach costs, averaging $8.64 million per event. (dice.com)
- Netscout Threat Intelligence saw 4.83 millions DDoS attacks in 1H 2020

Pricing and Retention Changes:

- Primary Layers: +15% to +50% or more with a complete submission and optimal ransomware controls and no material loss events.
- Primary Layers: +50% or more if losses and/or sub -optimal internal information security controls and processes.
- Excess Layers: +15% to +35% or more if no losses/complete submission and optimal ransomware controls.
- Excess Layers: +50% or more if losses and/or sub -optimal internal information security controls and processes.
- Minimum Self-Insured Retention(SIR) changes: $250K to $500K for middle market companies.
- Minimum Self-Insured Retention(SIR) changes: $1M or more for large companies
- Percent of Cyber with rate changes on renewal: 2020 Q4 80%

2021–2022 Cyber Liability - Ransomware

In 2020, insurers experienced a spike in ransomware events and massive increase on the dollar impact of these events. While ransomware affects all industries, insurers are managing their exposures (reducing the deployed capacity or increasing the ov erall SIR) in certain hard -hit industry verticals. Any insurance placement that includes cyber and privacy coverage components will experience some form of hardening.

Given these events, the cyber market has gone from hardening to historically hard. Overall, insurers are managing the limits(capacity) they deploy, increasing self -insured retentions, and underwriting more thoroughly and technically. This includ es the removal or limitation of previously negotiated coverage.

Insurers are focused on insured controls, which may be analyzed in a ransomware/extortion supplement - now widely required by cyber insurance carriers:

- Multifactor authentication (MFA) controls
- Patch management process
- Backup procedures
- Vendor management IT controls
- Presence and use of endpoint detection and response (EDR)
- Regulatory expansion, both in U.S. and internationally
- Use and presence of SolarWinds software

Insurers are consistently engaging the services of third -party vendors to perform noninvasive perimeter technical scans and alerting insureds. The goal is to proactively identify potential vulnerabilities that may create a potential breeding ground for a cyber event.

Additionally, insurers are scrutinizing loss runs/loss information on applications, looking for:

- Details of any event(s)
- Costs incurred and paid
- Remediation steps taken to prevent the reoccurrence of a similar loss/event.

2021–2022 Cyber Liability - Ransomware

Market Changes:

For ransomware controls and mitigation techniques, insurers typically classify a risk in any of these four categories:

a. Best in class
b. Above average
c. Average
d. Below average

For average or below average categorization, insurers may insulate themselves by

1. Adding a ransomware exclusion
2. Reducing limits/capacity and increasing the retention of relevant coverage sections for ransomware events
   a. Applying a form of coinsurance percentage for relevant coverage sections for ransomware events in response to the aggregate exposure potentially posed by the spike in network intrusions
3. Evaluating any of the following
   a. Co-insurance for contingent business interruption
   b. Increased waiting periods
   c. Specific event exclusions for events that can potentially impair multiple networks at once
   d. Infrastructure exclusions

How Ransomware impacts clients of different sizes and types*

- The average ransomware attack costs the targeted organization $228,000 in business interruption
- 1 in 5 businesses fell victim to a ransomware attack in 2019
- 62% of businesses in the small to medium sized businesses go out of business within 6 months of being hit by a ransomware att ack

Rising Cost of ransomware attacks*

- NetDiligence found overall costs of a ransomware attack increased 57% from 2018 to 2019 - more if you factor in business interruption costs

In 2019 the cyber insurance industry saw increased ransomware activity, In the fourth quarter of 2020, an unprecedented number of cyber incidents affected the insurance market, some of which included*

- Solar winds supply chain cyber event
- Historical spike in ransomware attacks. The healthcare sector alone faced a 40% surge, while year over year growth for municipalities grew by 50%
- A dour cyber re -insurance cycle

*Corvus Insurance

Cyber Benchmarking: Limit Adequacy (1st Party) (Corvus)

+ **$200,000** Ransom Payment

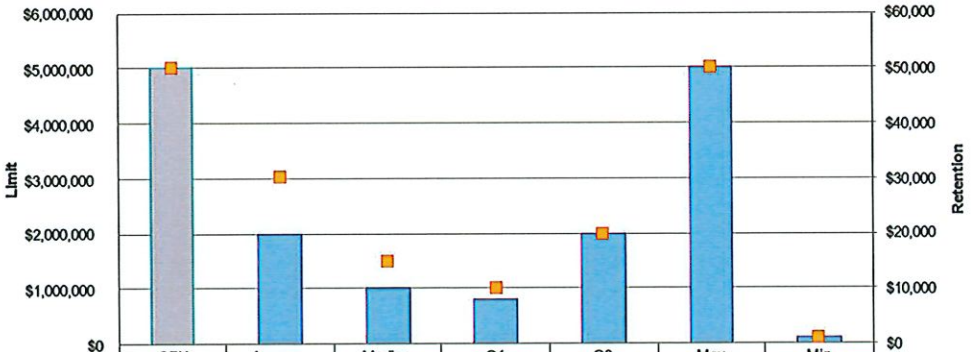
+ **$50,000** Data Recovery Costs & Extra Expenses

+ **$350,000** Breach Response Costs

Total estimated cost for Central Florida Expressway Authority

Total cyber loss estimates may be great as this calculation does not include: regulatory fines, penalties, PCI-DSS assessment expenses, cyber crime/ financial fraud, and reputational loss

Over 15 days $12,627,945



Over 30 days $24,655,890

Over 60 days $48,711,780

This calculation is an approximation of the cost of a ransomware event that shuts down the operations of an organization.

Cyber Benchmarking: Limit Adequacy (3rd Party Loss) (Advisen)

Parameters			
Coverage	Cyber Liability	Exposure	Revenues
Company Type	Public Entity	Range	$250 M - $500 M
Industry	Consumer Services | Local Govt	Sample	23

	CFX	Average	Median	Q1	Q3	Max	Min
Limit (M)	$5,000,000	$2,000,000	$1,000,000	$800,000	$2,000,000	$5,000,000	$100,000
Retention	$50,000	$30,264	$15,000	$10,000	$20,000	$50,000	$1,000

2021–2022 Cyber Liability Statistics

Companies that once thought they were outside of the hacker crosshairs are now firmly within scope for a ransomware/cyber breach event.

1. No business, regardless of size, is immune from a ransomware event.
2. Profitability and work from home environment have incentivized ransomware events.
3. Businesses with both resources and technology to combat a ransomware event are not immune from a cyber event.
4. Businesses with limited resources and technology have a higher propensity with experiencing a cyber event.
5. Businesses within all industry verticals are susceptible to ransomware events.
6. Theft of Data is no longer the target - Systems hijacking is a much more profitable ransomware event.

Average Costs by Year Source: NetDiligence

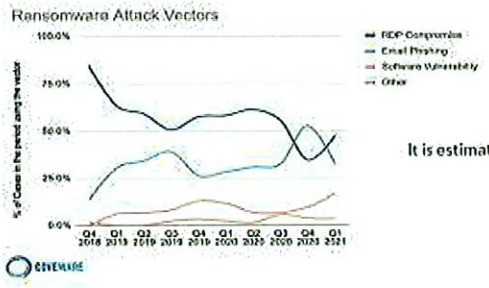
CNA $40M ransomware event: https://www.msspalert.com/cybersecurity-breaches-and-attacks/ransomware/cna-payment-40-million-dollars/

Colonial Pipeline $4.4M ransomware event: https://www.wsj.com/articles/colonial-pipeline-ceo-tells-why-he-paid-hackers-a-4-4-million-ransom-11621435636

JSB Meatpacking ransomware event: https://www.reuters.com/world/us/some-us-meat-plants-stop-operating-after-jbs-cyber-attack-2021-06-01/

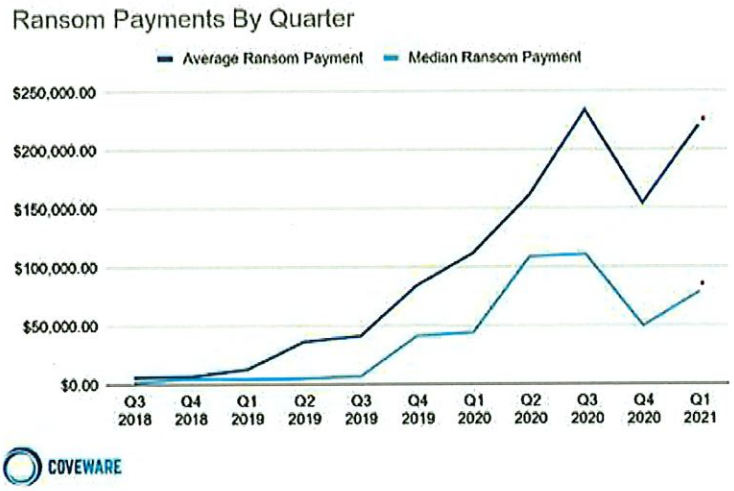
Recognizing CNA, Colonial, and JSB make the headlines, it's the small to medium sized business operators that have the hardest time dealing with a cyber event.

2021–2022 Cyber Liability- Ransomware



The most common method used by ransomware groups is the exploitation of Remote Desktop Protocol (RDP)

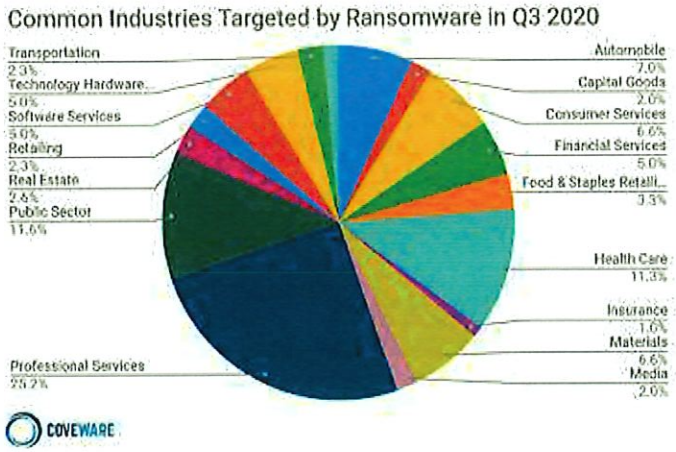
- Cyber criminals have been able to scan for and exploit RDP servers left unpatched to certain vulnerability
- The pandemic work from home environment has caused an increase in the number of open ports with RDP exposed
- Criminals anticipated this trend which has led to a reported 6x increase in attack activity



The second most common attack vector is through social engineering

- The act of manipulating an individual through a phishing email event sent to employees of a target company
- The intent is to trick the user into clicking a link or downloading an attachment that starts running software on the infected computer

Most Common Ransomware Attack Vectors In Q1 2021



It is estimated that 90% of ransomware demands are met

Takeaway:

- Average ransom payment increased 43% to $220,000 from $154,108 in Q4 of 2020
- 77% of ransomware attacks involved the threat to leak exfiltrated data
- Majority of ransomware attacks that involve data exfiltration have two main goals: 1. exfiltrate corporate data from the most convenient file server 2. escalate privileges and deploy ransomware on as many endpoints as possible

2021–2022 Cyber Liability Statistics

Takeaway:

- RDP (remote desktop protocol) compromise has been the prime threat for ransomware, staying above 50%.
- Public Sector makes up 11.6% of the targeted ransomware attacks

Most Common Ransomware Variants in Q1 2021

Rank	Ransomware Type	Market Share %	Change in Ranking from Q4 2020
1	Sodinokibi	14.2%	-
2	Conti V2	10.2%	+4
3	Lockbit	7.5%	+6
4	Clop	7.1%	New in Top Variants
5	Egregor	5.3%	-3
6	Avaddon	4.4%	+3
7	Ryuk	4.0%	-4
8	Darkside	3.5%	New in Top Variants
9	Suncrypt	3.1%	-1
9	Netwalker	3.1%	-5
10	Phobos	2.7%	-1

Top 10: Market Share of the Ransomware attacks

TAB 6 – Location in Proximity to Fernandina Beach

HUB International Florida, operates 12 offices throughout Florida, encompassing more than 275 employees.

The closest office to Fernandina Beach is our Jacksonville office located at 10739 Deerwood Park Blvd.

The office is headed by Chip Greene, Area Vice President and lead contact for the City of Fernandina Beach.

Chip has strong ties to the Jacksonville area community. In 2009, Chip was recognized regionally by the Jacksonville Business Journal as a "40 under 40" award winner. Giving back to his community, Chip serves on the board of directors of V for Victory, Dreams Come True of Jacksonville and River Garden Hebrew Home's Foundation Board. Chip also serves on the St. John's County - Ponte Vedra Beach Planning, Zoning and Adjustment Board.

TAB 7 - Compensation / Cost of Service

We recognize that the RFP for services to the City of Fernandina Beach requests a fixed-fee structure, and our work performing the marketing and placement of insurance as requested by the City will abide by this fee structure. Any quote proposals for insurance will be netted of commission to our agency, and any contingencies associated with these placements will be clearly defined and discussed with the City. Our proposed fee arrangement for this request for proposal is outlined below:

FY 2023	$50,000	/year
FY 2024	$50,000	/year
FY 2025	$50,000	/year
FY 2026	$50,000	/year
FY 2027	$50,000	/year

As cited in the Risk Services section, many of our resources which may be prescribed based on our needs assessment with the City will be included in this fee, however, should the City of Fernandina Beach desire a more robust involvement of our risk services or other resources accessed through our organization which may require an additional fee for services, it is our commitment to be transparent and address those with the City to ensure profitable outcome for all parties involved prior to deploying those resources.

City of Fernandina Beach
RFP 23-04 Evaluation Committee Meeting
PROPERTY AND CASUALTY INSURANCE BROKERAGE SERVICES
March 31, 2023 – 2:00pm

Committee members present: Mark Foxworth, Denise Matson, Pauline Testagrose, Jeremiah Glisson, Tammi Bach

Others Present: Kyle Stoekel, Brown & Brown Public Sector; Andrea Galvis, Brown & Brown Public Sector: Luke Gowen, Cecil W. Powell & Company

Staff members present: Purchasing Agent Wanda Weaks

The meeting was called to order at 2:00PM by Purchasing Agent Wanda Weaks.

Four submittals were received for this Request for Proposal: HUB Public Risk; Brown & Brown Public Sector Risk Management; Cecil W. Powell & Company; Gallagher Risk Management, Inc.

Individual scoring sheets, prepared by each committee member, were received prior to the meeting, and consolidated into one sheet, which tallied the total scores for each submittal. Based on the overall evaluation scoring the firms were ranked 1) Brown & Brown Public Sector; 2) HUB Public Risk; 3) Gallagher Risk Management, Inc; 4) Cecil W. Powell & Company.

Ms. Testagrose commented that all ratings were similar. The consensus was that all the firms met the needs of the City. It was noted Brown & Brown has a local Jacksonville office and online training. The determining factors came down to pricing and list of clients. Ms. Matson and Mr. Foxworth agreed.

Ms. Bach made a motion, seconded by Mr. Glisson, to recommend award of RFP #23-04 to Brown & Brown Public Sector. The motion carried, all being in favor.

A Resolution for City Commission approval will be prepared for the May 16, 2023, regular meeting agenda.

There being no further business for the committee, meeting was adjourned at 2:10PM.

Subject: RFP (23-04) Property and Casualty Insurance Broker Services - Bid Protest

CAUTION: This email originated from outside the organization. Do not click links or open attachments unless you recognize the sender, were expecting this email, and know the content is safe.

Hello Mr. Foxworth,

In accordance with the General Conditions of RFP (23-04), Section 15 (Bid Protests), please consider this as written notice of protest in accordance with City Ordinances – Part 2, Chapter 2, Article VII, Division 2, Section 2-444. We received notification on April 3, 2023 that the Evaluation Committee is recommending another insurance broker (Brown & Brown) in accordance with this RFP.

Before I state my basis for this protest, I want to first take the time to thank you for your leadership to the City in your interim role. We have the utmost respect for you and all of the City staff. Over the past twenty-three years as your broker, we have formed relationships with the City based on a foundation of mutual trust. I say all this to reiterate that this protest should not be taken as criticism of the committee in any way. We simply want to ensure that the City has all of the pertinent information needed to make this critical decision. Please know that we welcome the opportunity to discuss this further with you in person in an effort to bring about a successful conclusion.

Furthermore, we understand that the evaluation committee recommendation is expected to be presented to the City Commission at the Tuesday, April 18th City Commission Meeting. As the City's Bid Protest Ordinance stipulates the City Manager response in writing within 14 days, we would like request that you provide us with written response as soon as possible to preserve our rights to protest to the City Commission as stipulated in the ordinance (Note: We must notify the City Manager within six calendar says after receipt of written response from City Manager if we plan to protest to the City Commission). Or alternatively, the recommendation to the City Commission could be delayed if you have concerns about the timing issues outlined above.

Key Reasons for Protest:

1. Gallagher's Response highlighted in our executive summary that we have unencumbered market access with no common financial ownership (unbiased counsel and no conflicts of interest) with any of the major Florida Non-Profit Insurance Trusts with the two largest Trusts being Preferred Governmental Insurance Trust (PGIT) and Florida Municipal Insurance Trust (FMIT). These Trusts provide the majority of the insurance coverages sought by municipalities like the City. We have successfully demonstrated this advantage many times in my 23 years of serving as the lead executive supporting the City of Fernandina Beach. Most recently, we highlighted in our RFP response Executive Summary, that we implemented an RFP process in 2019 that solicited proposals from both PGIT and FMIT that led to a 32% (~$280k) reduction in premium along with enhanced coverage and lower deductibles. This occurred in a market where increases were common. We also work directly with FMIT for the placement of several of the major insurance coverages for Nassau County (who was one of our references)

Issue with recommendation of Brown & Brown:

- Brown & Brown has a common financial relationship with the administrator, Public Risk Underwriters (PRU), of PGIT. PRU is a wholly owned subsidiary of Brown & Brown. This creates potential conflicts of interest especially if the City's desire is to utilize an insurance broker that can broadly access the markets. The City has historically advised they believe, and we agree, it is important to periodically create competition in the market especially with the two largest Trusts (PGIT & FMIT). It is our understanding that FMIT (administered by FL League of Cities) considers Brown & Brown a competitor and will not work directly with them . We would request the City contact Tom Conley (Account Executive) or Clay Austin (Director of Members Services) to seek their input on working directly with Brown & Brown. (Note: FMIT does not have appointed agents and they do not pay broker commissions, but this RFP is for a fee-based contract (i.e. no commissions) and thus it is extremely relevant that the City selects a broker that can work directly with FMIT when competition is required. We annually discuss with City Staff our marketing strategy and the factors that might warrant an RFP process for the major types of coverage.
    - ✓ Key sections of the RFP "Scope of Services" that would be relevant to this issue are: "obtain bids from the insurance industry and negotiate best terms and coverage for the various exposure areas"; " prepare annual marketing strategy reports identifying anticipated market conditions and proposing a marketing strategy.
        - The inability of Brown & Brown to work directly with FMIT is a major disadvantage to the City and the desired Scope of Services

We have requested the public records and scoring matrix from the evaluation committee meeting but were advised those would not be made public until the notice of intent to award is made. However, we were told the key factor in the decision was not our service or resources but the $10,000 difference in our proposed fee. We believe this factor is not nearly as material as the concerns outlined above and the potential financial implications of such.

We appreciate your consideration on this matter and will await your guidance on next steps.

Best regards,

Shaun Woleshin, ARM-P, AAI-M, CRIS

[EXTERNAL]

Shaun,

Apologies for the delayed response. This was an issue of discussion Thursday, and our offices were closed Friday. Due to the amount of the bid, I am not able to decide the merits of the protest, it must be heard by the City Commission. Our City Attorney, Tammi Bach is forwarding to the Commission for their review.

Subject: RFP (23-04) Property and Casualty Insurance Broker Services - Bid Protest

CAUTION: This email originated from outside the organization. Do not click links or open attachments unless you recognize the sender, were expecting this email, and know the content is safe.

Hello Mr. Foxworth,

In accordance with the General Conditions of RFP (23-04), Section 15 (Bid Protests), please consider this as written notice of protest in accordance with City Ordinances – Part 2, Chapter 2, Article VII, Division 2, Section 2-444. We received notification on April 3, 2023 that the Evaluation Committee is recommending another insurance broker (Brown & Brown) in accordance with this RFP.

Before I state my basis for this protest, I want to first take the time to thank you for your leadership to the City in your interim role. We have the utmost respect for you and all of the City staff. Over the past twenty-three years as your broker, we have formed relationships with the City based on a foundation of mutual trust. I say all this to reiterate that this protest should not be taken as criticism of the committee in any way. We simply want to ensure that the City has all of the pertinent information needed to make this critical decision. Please know that we welcome the opportunity to discuss this further with you in person in an effort to bring about a successful conclusion.

Furthermore, we understand that the evaluation committee recommendation is expected to be presented to the City Commission at the Tuesday, April 18th City Commission Meeting. As the City's Bid Protest Ordinance stipulates the City Manager response in writing within 14 days, we would like request that you provide us with written response as soon as possible to preserve our rights to protest to the City Commission as stipulated in the ordinance (Note: We must notify the City Manager within six calendar says after receipt of written response from City Manager if we plan to protest to the City Commission). Or alternatively, the recommendation to the City Commission could be delayed if you have concerns about the timing issues outlined above.

Key Reasons for Protest:

1. Gallagher's Response highlighted in our executive summary that we have unencumbered market access with no common financial ownership (unbiased counsel and no conflicts of interest) with any of the major Florida Non-Profit Insurance Trusts with the two largest Trusts being Preferred Governmental Insurance Trust (PGIT) and Florida Municipal Insurance Trust (FMIT). These Trusts provide the majority of the insurance coverages sought by municipalities like the City. We have successfully demonstrated this advantage many times in my 23 years of serving as the lead executive supporting the City of Fernandina Beach. Most recently, we highlighted in our RFP response Executive Summary, that we implemented an RFP process in 2019 that solicited proposals from both PGIT and FMIT that led to a 32% (~$280k) reduction in premium along with enhanced coverage and lower deductibles. This occurred in a market where increases were common. We also work directly with FMIT for the placement of several of the major insurance coverages for Nassau County (who was one of our references)

Issue with recommendation of Brown & Brown:

- Brown & Brown has a common financial relationship with the administrator, Public Risk Underwriters

(PRU), of PGIT. PRU is a wholly owned subsidiary of Brown & Brown. This creates potential conflicts of interest especially if the City's desire is to utilize an insurance broker that can broadly access the markets. The City has historically advised they believe, and we agree, it is important to periodically create competition in the market especially with the two largest Trusts (PGIT & FMIT). It is our understanding that FMIT (administered by FL League of Cities) considers Brown & Brown a competitor and will not work directly with them . We would request the City contact Tom Conley (Account Executive) or Clay Austin (Director of Members Services) to seek their input on working directly with Brown & Brown. (Note: FMIT does not have appointed agents and they do not pay broker commissions, but this RFP is for a fee-based contract (i.e. no commissions) and thus it is extremely relevant that the City selects a broker that can work directly with FMIT when competition is required. We annually discuss with City Staff our marketing strategy and the factors that might warrant an RFP process for the major types of coverage.

- Key sections of the RFP "Scope of Services" that would be relevant to this issue are: "obtain bids from the insurance industry and negotiate best terms and coverage for the various exposure areas"; " prepare annual marketing strategy reports identifying anticipated market conditions and proposing a marketing strategy.
    - The inability of Brown & Brown to work directly with FMIT is a major disadvantage to the City and the desired Scope of Services

We have requested the public records and scoring matrix from the evaluation committee meeting but were advised those would not be made public until the notice of intent to award is made. However, we were told the key factor in the decision was not our service or resources but the $10,000 difference in our proposed fee. We believe this factor is not nearly as material as the concerns outlined above and the potential financial implications of such.

We appreciate your consideration on this matter and will await your guidance on next steps.

Best regards,

Shaun Woleshin, ARM-P, AAI-M, CRIS

Hello Mark,
Thank you for the update. Please let me know if there is anything else you need from us as relates the City Commission review. Also, a few updates as follows:

- Wanda Weaks did forward the evaluation matrix scores from the committee on Thursday. The results would validate what we outlined below as relates main reason for recommendation of Brown & Brown was solely the cost of service differential. Gallagher outscored Brown & Brown for the categories not related to cost 273 to 269. The cost variance was $10,000 and the differential in points for that category was 147 (Brown & Brown) to 112(Gallagher). Again, we contend the major limitation outlined below with Brown & Brown far outweighs the cost of services variance of $10,000
- Tom Conley (Account Executive) from the Florida Municipal Insurance Trust (FMIT) confirmed to us he is available to speak with the City on this issue. He advised they have not heard from anyone as of this morning. Tom's # is 850.251.8722

Again, thank you for the thorough review and consideration of our protest and we will await guidance on next steps regarding the City Commission review.

Best regards,

Before I state my basis for this protest, I want to first take the time to thank you for your leadership to the City in your interim role. We have the utmost respect for you and all of the City staff. Over the past twenty-three years as your broker, we have formed relationships with the City based on a foundation of mutual trust. I say all this to reiterate that this protest should not be taken as criticism of the committee in any way. We simply want to ensure that the City has all of the pertinent information needed to make this critical decision. Please know that we welcome the opportunity to discuss this further with you in person in an effort to bring about a successful conclusion.

Furthermore, we understand that the evaluation committee recommendation is expected to be presented to the City Commission at the Tuesday, April 18th City Commission Meeting. As the City's Bid Protest Ordinance stipulates the City Manager response in writing within 14 days, we would like request that you provide us with written response as soon as possible to preserve our rights to protest to the City Commission as stipulated in the ordinance (Note: We must notify the City Manager within six calendar says after receipt of written response from City Manager if we plan to protest to the City Commission). Or alternatively, the recommendation to the City

Commission could be delayed if you have concerns about the timing issues outlined above.

Key Reasons for Protest:

1. Gallagher's Response highlighted in our executive summary that we have unencumbered market access with no common financial ownership (unbiased counsel and no conflicts of interest) with any of the major Florida Non-Profit Insurance Trusts with the two largest Trusts being Preferred Governmental Insurance Trust (PGIT) and Florida Municipal Insurance Trust (FMIT). These Trusts provide the majority of the insurance coverages sought by municipalities like the City. We have successfully demonstrated this advantage many times in my 23 years of serving as the lead executive supporting the City of Fernandina Beach. Most recently, we highlighted in our RFP response Executive Summary, that we implemented an RFP process in 2019 that solicited proposals from both PGIT and FMIT that led to a 32% (~$280k) reduction in premium along with enhanced coverage and lower deductibles. This occurred in a market where increases were common. We also work directly with FMIT for the placement of several of the major insurance coverages for Nassau County (who was one of our references)

Issue with recommendation of Brown & Brown:

- Brown & Brown has a common financial relationship with the administrator, Public Risk Underwriters (PRU), of PGIT. PRU is a wholly owned subsidiary of Brown & Brown. This creates potential conflicts of interest especially if the City's desire is to utilize an insurance broker that can broadly access the markets. The City has historically advised they believe, and we agree, it is important to periodically create competition in the market especially with the two largest Trusts (PGIT & FMIT). It is our understanding that FMIT (administered by FL League of Cities) considers Brown & Brown a competitor and will not work directly with them . We would request the City contact Tom Conley (Account Executive) or Clay Austin (Director of Members Services) to seek their input on working directly with Brown & Brown. (Note: FMIT does not have appointed agents and they do not pay broker commissions, but this RFP is for a fee-based contract (i.e. no commissions) and thus it is extremely relevant that the City selects a broker that can work directly with FMIT when competition is required. We annually discuss with City Staff our marketing strategy and the factors that might warrant an RFP process for the major types of coverage.
    - ✓ Key sections of the RFP "Scope of Services" that would be relevant to this issue are: "obtain bids from the insurance industry and negotiate best terms and coverage for the various exposure areas"; " prepare annual marketing strategy reports identifying anticipated market conditions and proposing a marketing strategy.
        - The inability of Brown & Brown to work directly with FMIT is a major disadvantage to the City and the desired Scope of Services

We have requested the public records and scoring matrix from the evaluation committee meeting but were advised those would not be made public until the notice of intent to award is made. However, we were told the key factor in the decision was not our service or resources but the $10,000 difference in our proposed fee. We believe this factor is not nearly as material as the concerns outlined above and the potential financial implications of such.

We appreciate your consideration on this matter and will await your guidance on next steps.

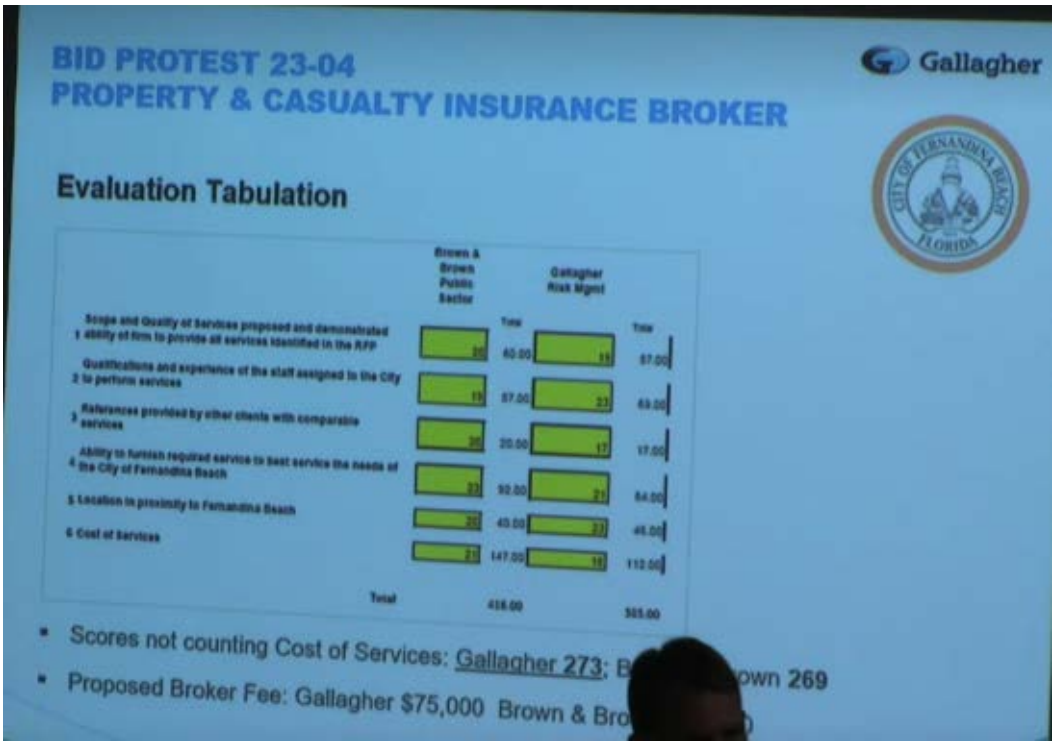
Dear RFP Evaluation Team,

Risk Management Associates, Inc. (Brown & Brown Public Sector) appreciates the opportunity to clarify information that was presented at the City's May 2, 2023 Commission Meeting, Item 6.1 Protest of Award for RFP (23-04) Property and Casualty Insurance Broker Services.

1. The basis of the protest surrounded access to one particular insurance market, the Florida Municipal Insurance Trust (FMIT). FMIT has not been recommended by the incumbent broker, nor has FMIT provided service to the City in more than 20 years.

2. In the event that the City decided to utilize FMIT, it could do so without a broker and without paying a broker fee, as FMIT operates as a direct-to-consumer insurance product and does not require nor prefer a third party to obtain access**.**



3. The City's current insurance provider, the Preferred Governmental Insurance Trust (PGIT), has provided insurance to the City for over 20 years.
    - PGIT operates under an independent Broker distribution model; the awarded broker would need to have a contract with PGIT.
    - We confirm that we have a fully active contract with PGIT.

4. Arthur J Gallagher (AJG) is operating on a "Terminated" contract with the Preferred Governmental Insurance Trust.
    - AJG's contract solely permits renewals for current clients, and does not permit solicitations or submissions for a new member. This is relevant because if the City were to move to FMIT or any other insurer under a contract with AJG, the City would no longer have access to the Preferred Governmental Insurance Trust - which has been an important partner to the City.
    - Please see attached email and additional information which was derived from a public records request to PGIT.
    - Feel free to contact the Executive Vice President operating PGIT to confirm any information: Jennifer Martin, Office 321-832-1691, jmartin@publicrisk.com

5. Our firm has full access to PGIT for both renewal and new submissions, and the City can receive a quote directly from FMIT at any time. Therefore, in terms of access to the Florida insurance

marketplace, Risk Management Associates is superior.

6. AJG presented an "Evaluation Tabulation" slide during the presentation which attempted to discredit the Evaluation Committee's scoring matrix. A responding vendor is not in a position to change the method in which a public RFP is scored, and does not have the authority or legal precedent to discredit and omit relevant evaluation criteria to manipulate a score that improves their ranking. A snip from the PowerPoint presentation that was presented to Commission is below, confirming the manipulation of the scores.

7. Public Comment was made surrounding the legitimacy of the scoring of the RFP. The scoring matrix that the City included and evaluated is in line with the industry standard within the State of Florida. Attached for your reference are excerpts from a handful of recent RFP's for insurance services from Florida Public Entities, in which the Price weight ranges from 30-35 points out of 100 points.
    - City of Ft. Myers
    - City of Palm Beach Gardens
    - Brevard Public Schools
    - City of North Port

In summary, based on the facts presented herein, we believe the City has the procedural and legal authority to uphold the original Evaluation Committee's scoring in this RFP process.

We appreciate the opportunity to prove Brown & Brown Public Sector can provide the best service and value to the City of Fernandina Beach!

(Kindly confirm receipt of this correspondence.)

Respectfully,

Michelle

CAUTION: This email originated from outside the organization. Do not click links or open attachments unless you recognize the sender, were expecting this email, and know the content is safe.

Hello Wanda,
Please see our final correspondence relative to the Bid Protest above. Thank you.

We appreciated the opportunity to present our Bid Protest rationale to the City Commission. We believe the decision by the City Commission to send back to the Evaluation Committee for review was appropriate considering the information we have outlined and has come to light. We are confident we have laid out compelling reasons why Gallagher should remain as the City's broker. However, we did want to address several items that came up during the 5/2 City Commission meeting as relates Brown & Brown's verbal presentation.

- ✓ **Brown & Brown made reference to the FMIT issue not being material.** We strongly disagree and believe that the inability for a broker to work directly with FMIT is a significant deficiency in meeting the Scope of Services and which the City has advised is important. Any credible broker or consultant in the FL public entity marketplace would advise that for the City of Fernandina Beach, any competitive RFP process for the City's core coverages would absolutely need to include PGIT & FMIT as the two largest self-insurance pools in FL. We demonstrated our ability to solicit options from FMIT many times in the past for the City and most recently in 2019 as outlined with substantial financial benefits to the City. As this RFP is a 3-5 year contract, we reiterate it is critical that the broker have this capability as we face difficult marketplace conditions and the most challenging Property insurance marketplace that FL has ever experienced.
- ✓ **Brown & Brown referenced that the City could get quotes direct from FMIT as a solution.** This is not an effective strategy and should not be considered as a viable "workaround" in meeting the City's objectives and desire to select an insurance broker. The key issue is that FMIT confirmed they consider Brown & Brown a competitor and do not have a working relationship with Brown & Brown. This type recommendation is a feigned approach that ignores the requirement that a broker have a working relationship with all carriers as the possibility of utilizing that carrier must be considered a reality.
- ✓ **We annually meet with the City in our Strategic Review/Pre-Planning Process to gain consensus from key City staff as relates to our go-to-market strategy**. As discussed previously with the City, securing an option from FMIT isn't an annual exercise, thus assuring appropriate market response when utilized strategically. Since the 2019 RFP generated significant reductions and a 2 year rate guarantee, we gained consensus in our annual discussion (FY 21/22 and FY 22/23) with the City to focus on renewing with PGIT. However, it is critical that the City's broker have this capability when desired and needed as marketplace conditions and other factors can change rapidly. There are a variety of factors

to consider when deciding when to stimulate this competitive process and we would continue to work with the City to gain consensus on our annual strategy.

- ✓ **Brown & Brown made reference to Gallagher accounts that recently transitioned to their firm**. We deem those comments largely inappropriate and irrelevant to the RFP, not connected to our office/team, and not warranting comments beyond this note
- ✓ **City's Tenure with PGIT:** No one knows better than us about the quality of the relationship the City has had with PGIT for 20+ years as we are the broker that originally brought that solution to the City when PGIT was first created. Similar to our quality relationship with the City, this does not remove us from validation and competition. The same principles apply to the City's carrier relationships and fortunately the City gets to select the carrier they want to utilize in consultation with it's broker. We would not advocate utilizing premium as the sole determinant in selecting a carrier as there are many other significant factors to consider. Utilizing Gallagher continues to give the City the appropriate leverage in the market to create the best outcomes and having the flexibility to select carriers that the City believes will best meet it's needs.
- ✓ **Gallagher Credentials:** we did not outline to the City Commission details of Gallagher's full qualifications and our public entity expertise as those are included in our RFP response and the scoring matrix had Gallagher highest in the non-cost related category totals.

To the extent that interviews are determined appropriate, we welcome that opportunity. Otherwise, we want to thank the City again for the opportunity to remain the City's trusted broker partner.

City of Fernandina Beach
RFP 23-04 Evaluation Committee Meeting
PROPERTY AND CASUALTY INSURANCE BROKERAGE SERVICES
May 8, 2023- 8:30 am

Committee members present: Jeremiah Glisson, Denise Matson, Carrie Norfleet, Pauline Testagrose, Dana Whicker

Others present: Michelle Martin, Brown & Brown Public Sector; Shaun Woleshin, Gallagher Risk Management Inc.

Staff members present: Interim City Manager Charles George, Purchasing Agent Wanda Weaks, Recording Secretary Katie Newton, City Attorney Tammi Bach (via phone, partial attendee)

The meeting was called to order by Mr. Glisson, acting as chair of the committee, at 8:36 am. Mr. George explained that the committee was re-convened at the direction of the City Commission after new information came forward regarding the submittals in the form of a bid protest by Gallagher. The committee is to evaluate the new information and response by Brown and Brown and decide on whether they wished to modify their recommendation.

Ms. Testagrose explained that as part of Brown and Brown's contract with PGIT, if the City wished to obtain a quote from FMIT, staff would have to do it directly. Mr. Whicker stated that that seemed to defeat the purpose of hiring a broker. Ms. Norfleet asked, based on the response provided by Brown & Brown, whether the same issue would happen with Gallagher, since the contract Harden had with PGIT was terminated when Gallagher took over. City Attorney Bach was called to determine whether the committee could ask questions of the vendor representatives present, and she responded they could.

Ms. Norfleet asked Mr. Woleshin to address her question regarding the terminated contract with PGIT. Mr. Woleshin responded that Gallagher was able to offer PGIT as an insurance carrier to existing clients. Mr. Whicker asked why new clients were unable to utilize PGIT through Gallagher and it was due to the contract termination. The question was asked whether the existing client could go back to PGIT if they left with Gallagher as the broker, and Mr. Woleshin confirmed that potentially they would not be able to return to PGIT through Gallagher.

Mr. Whicker asked if there were different options for different types of insurance. Mr. Woleshin explained that currently for the City, PGIT carries most, but there are separate policies for enterprise funds, the marina, and flood insurance.

Ms. Matson asked Ms. Martin if Brown & Brown was able to provide similar options. Ms. Martin stated they absolutely could and had specialists on staff.

Ms. Testagrose stated that the City only has a one-year contract with PGIT, and wanted to know the potential effects of not having a long-term agreement. Ms. Matson asked whether, through Gallagher, the City would be able to obtain quotes from PGIT moving forward. Mr. Woleshin responded that as an existing PGIT client, yes. Gallagher representatives meet annually with the City to review options and strategize. Ms. Martin explained that if the City changed brokers, a simple assignment process would occur.

Ms. Testagrose expressed her concern that if the City switched to Brown & Brown, there wouldn't be anything to compare. Ms. Martin stated there would. Mr. Woleshin stated that the broker would need a working relationship with the insurance carrier.

Ms. Matson reviewed her rankings from the previous meeting and stated that she still preferred Brown & Brown as her overall number one choice, due to their extensive number of public sector clients.

Mr. Glisson reminded the committee that two new members had been brought in to replace Mr. Foxworth and Ms. Bach. He asked for their evaluations.

Mr. Whicker stated that he had not filled out the formal evaluation sheet. His opinion is that he uses a broker personally because he wants options, and wants as many options as possible. If you go to different vendors on your own, you are acting as your own broker, and he believes that the City staff may not have the time, resources, and expertise to do that and negotiate the best deal. He stated that he preferred Gallagher.

Ms. Norfleet evaluated both based on their submittals and supplementary materials and considered both ranked fairly equally.

Mr. Whicker stated that the original committee had recommended Brown & Brown, which was a compelling argument.

Ms. Norfleet stated that when she worked in Finance, she worked closely with Gallagher and was pleased with Elisa's responsiveness to her questions.

Ms. Matson stated that in her previous position, she had worked with Brown & Brown and found them to be very responsive. She feels either broker would be fine in that respect, but Brown & Brown has more public sector experience.

Ms. Testagrose stated that it came down to money for her original evaluation. She thought the two were equal in most areas. She was concerned about not getting the most competitive advantage for the City, and wished she had known before ranking of the exclusive contract Brown & Brown had with PGIT. It might have changed her ranking. She also believes that Shaun and Elisa have a great working relationship with the City, and she is concerned about losing that.

Ms. Norfleet stated that in Gallagher's proposal, they state that they are willing to negotiate and whether that is a possibility. Mr. George stated it was not, and the proposals were to be taken as submitted. Ms. Testagrose stated that the cost for either vendor was less than what the City is currently paying.

Mr. Glisson asked to see the previous evaluations and stated that he thought it would be valuable to have the two new members fill out the matrix. Ms. Norfleet stated that, all other things being equal, she would rank Brown & Brown as her first choice due to price. Mr. Whicker stated he would choose Gallagher.

Mr. Glisson asked about next steps and Ms. Matson asked if it was appropriate to take a vote. Ms. Weaks replied yes, at the committee's will.

Ms. Testagrose asked if there were carrier options other than PGIT and FMIT. Mr. Woleshin responded that there is a third, smaller trust called PRM that is similar to FMIT. Ms. Martin agreed, and stated further

that the City could go to the open market for property insurance, and that Brown & Brown has access to those insurers. Both vendors agreed this will be a challenging year.

Ms. Testagrose asked about self-insurance as an option. Ms. Matson stated that a former agency she worked for was self-insured. Brown & Brown handled that, but both firms could help the City if that was an option to consider. Ms. Martin stated she appreciated staff recognizing the self-insurance option, and a transition process would be something to consider. There are costs involved. Mr. Whicker assumed that a bond or reserves would be necessary.

Mr. Glisson made a motion, seconded by Mr. Whicker, to recommend award of RFP #23-04 to Gallagher Risk Management. A roll call vote was taken, and the motion passed, 3-2, with Ms. Matson and Ms. Norfleet voting nay.

There being no further business before the committee, the meeting was adjourned at 9:05 am.

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Resolution 2023-80
Proposal Approval - Halff Associates, Inc.

ITEM TYPE: Resolution (w/ fiscal impact)

REQUESTED ACTION: Consider Resolution 2023-80.

SYNOPSIS: The City received funding from the Department of Environmental Protection to complete a city-wide comprehensive vulnerability assessment and sea level impact projection (SLIP) study. A proposal was solicited from Halff Associates, Inc., an approved 2021 CCNA Civil Engineering Consultant, to perform the study. Halff Associates, Inc. provided a proposal in the amount of $82,997.00, and the City has received a grant to conduct the study.

FISCAL IMPACT: Funds are available in the City Manager Professional Services account, 0011210 53100 and the Planning and Conservation Professional Services account, 001500 53100.

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): I recommend that the City Commission adopt proposed Resolution 2023-80.

Andre Desilet, Utilities Director	4/24/2023
Charles George, Interim City Manager	4/25/2023
Katie Newton, Legal Assistant	5/1/2023
Agnes White, Administrative Services Manager	5/1/2023
Pauline Testagrose, Comptroller	5/2/2023
Charles George, Interim City Manager	5/3/2023
Tammi E. Bach, City Attorney	5/5/2023

Date: April 21, 2023

Submitted By: Kelly Gibson, Planning Deputy Director

COMMISSION ACTION: Adopt

RESOLUTION 2023-80

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, APPROVING A PROPOSAL FROM THE CITY'S CCNA CONSULTANT HALFF ASSOCIATES, INC. FOR A CITYWIDE VULNERABILITY ASSESSMENT; AUTHORIZING EXECUTION; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, pursuant to Section 380.093, Florida Statutes, the City of Fernandina Beach will conduct a comprehensive Vulnerability Assessment (VA) and Sea Level Impact Projection (SLIP) study; and

WHEREAS, the City solicited a proposal from Halff Associates, Inc., a CCNA Civil Engineering Consultant approved via Resolution 2021-173, to perform the Vulnerability Assessment and SLIP Study; and

WHEREAS, Halff Associates, Inc. provided a proposal in the amount of $82,997.00; and

WHEREAS, a comprehensive Vulnerability Assessment is an approved project for the FY 2022-2023 budget with funding available in the City Manager Professional Services account, 0011210 53100 and the Planning and Conservation Professional Services account, 001500 53100; and

WHERAS, the City has received a grant from the Department of Environmental Protection to complete the City's comprehensive Vulnerability Assessment and SLIP study in an amount not to exceed $82,997.00.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, THAT:

SECTION 1. The City Commission hereby approves the Halff Associates Inc. Task Letter and Scope of Services, attached hereto as Exhibit A, in an amount not to exceed $82,997.00, to complete a comprehensive Vulnerability Assessment and SLIP Study.

SECTION 2. The City Clerk and Interim City Manager are hereby authorized to execute any documents pertaining to the Halff Associates, Inc. proposal upon review and approval of the City Attorney.

SECTION 3. This Resolution is effective immediately upon passage.

ADOPTED this 16th day of May, 2023.

CITY OF FERNANDINA BEACH

Mr. Lorelei Jacobs
City of Fernandina Beach
204 Ash Street, Fernandina Beach, FL 32034
(904) 310-3100

RE: TASK LETTER FOR PROFESSIONAL SERVICES
FERNANDINA BEACH VULNERABILITY ASSESSMENT
Half AVO: P043030.002

Dear Lorelei,

Halff Associates, Inc. is pleased to submit the following scope of work and fee in support of the City of Fernandina Beach's development of a Vulnerability Assessment. Absent a fully executed form of contract to the contrary, once approved by an authorized representative and a purchase order is issued, this Task Letter for Professional Services (the Agreement) shall, for all purposes, constitute a binding contract upon the City of Fernandina Beach (CLIENT) and Halff Associates, Inc. (CONSULTANT). In addition, once approved by an authorized representative, this Agreement shall serve as the Notice to Proceed with the work identified herein. The project description, scope of services, schedule, compensation, and contract conditions are as follows:

SCOPE OF WORK:

Task 1 – Public Outreach Meetings

The CONSULTANT will conduct at a minimum two (2) public outreach meetings during the project. The purpose of the first meeting will be to allow the public to provide input during the initial data collection stages, to include input on preferred methodologies, data for analyzing potential sea level rise impacts and/or flooding, guiding factors to consider, and critical assets important to the community. The purpose of the second meeting will be to present the results from the vulnerability assessment to the public and subsequently refine the vulnerability assessment process based on those inputs. The CONSULTANT will conduct exercises during this meeting to encourage the public to prioritize focus areas.

The CONSULTANT will present the final vulnerability assessment to local governing boards, technical committees, and other appropriate officers and elected officials. The purpose of the final presentation will be to share the final vulnerability assessment and provide recommendations on next steps. The CONSULTANT will prepare all meeting materials, presentations, and graphics to be presented as part of these meetings.

Deliverables: The CONSULTANT will provide (1) a copy of the presentation(s) and any materials created in preparation of the meetings; and (2) a summary report including attendee inputs and meeting outcomes, to include defining focus areas recommended by the community.

Lump Sum Fee: $10,000
Timeline: TBD after Notice to Proceed.
Task 1 Due Date: 11/30/2023

Task 2 – Acquire Background Data, Perform Gap Analysis and Asset Inventory

The CONSULTANT will research and compile the data needed to perform the vulnerability assessment, based on the requirements as defined in Section 380.093, F.S. The three main categories of data will include (1) critical and regionally significant assets; (2) topographic data; and (3) flood scenario-related data.

The CONSULTANT will prepare a data request form pertaining to critical asset GIS datasets on record with the CLIENT. All available GIS datasets applicable to critical and regionally significant assets will be requested. The CONSULTANT will provide the CLIENT with an online link where GIS data can be uploaded. The CONSULTANT will prepare a GIS geodatabase to include all of the critical asset data obtained. Additionally, the CONSULTANT will review external data sources to rectify gaps in the critical asset data maintained locally.

In accordance with Section 380.093, F.S., the geodatabase will be organized based on critical asset classes. These classes will include (1) transportation assets and evacuation routes; (2) critical infrastructure assets; (3) critical community and emergency facilities; and (4) natural, cultural, and historical resources. The CONSULTANT will meet with the CLIENT to review and verify the accuracy of these data points and will develop a plan of action for addressing gaps in the geodatabase. Through a gap analysis exercise, datasets will be assessed for depth and breadth of information available to aid in the identification of publicly owned assets and critical infrastructure. The final critical asset geodatabase will feature detailed attribute tables for each inventoried critical asset. The CONSULTANT will verify that all GIS files and associated metadata adhere to the Resilient Florida Program's GIS Data Standards.

In addition to critical asset data, the CONSULTANT will obtain a Digital Elevation Model (DEM) applicable to the CLIENT's jurisdictional boundaries and will assemble an inventory of climate-related datasets made available by state and federal government sources. Flood hazard datasets will include data related to sea level rise, storm surge, tidal flooding, rainfall-induced flooding, and compound flooding. The CONSULTANT will verify that the flood hazard datasets obtained are applicable to the 2040 and 2070 planning horizons which will be subsequently evaluated; and that storm surge data used will equal to or exceed the 100-year return period (1% annual chance) flood event. The CONSULTANT will also verify that the vulnerability assessment takes into account the minimum flood hazard scenario requirements and planning horizons associated with FDEP's Sea Level Impact Projection (SLIP) requirements for state-financed construction projects within the Coastal Building Zone.

Deliverables: The CONSULTANT will provide (1) a technical report outlining the data compiled and findings of the gap analysis; (2) a summary report to include recommendations to address the identified data gaps and actions taken to rectify them, if applicable; and (3) GIS files with

appropriate metadata of the data compiled, to include locations of critical assets owned or maintained by the CLIENT.

Lump Sum Fee: $25,000
Timeline: June – July 2023
Task 2 Due Date: 7/31/2023

Task 3 – Exposure Analysis

The CONSULTANT will perform an exposure analysis to identify the depth and spatial extent of water caused by each sea level rise, storm surge, and flood scenario. The CONSULTANT will evaluate the exposure of critical assets to tidal flooding, current and future storm surge flooding, rainfall-induced flooding, and compound flooding, all as applicable. All analyses will be performed in North American Vertical Datum of 1988 (NAVD88); at least two planning horizons for the years 2040 and 2070 will be evaluated; local sea level data that been interpolated between the two closest NOAA tide gauges will be factored in; and a Digital Elevation Model (DEM) which meets the defined minimum standard of 3-meter cell size will be utilized.

Once the exposure analysis is completed, flood maps will be produced to communicate outcomes from the analysis to staff and stakeholders and data tables will be utilized to quantify how many assets are exposed to different flood hazards across critical asset categories. Because of the depth and magnitude of how many critical and regionally significant will be included in the vulnerability assessment, flood risks maps will be produced for each critical asset class across all included flood scenarios. The CONSULTANT will verify that all GIS files and associated metadata utilized in the exposure analysis adhere to the Resilient Florida Program's GIS Data Standards.

Deliverables: The CONSULTANT will provide the following (1) a draft vulnerability assessment report that provides details on the mapping process, types of models utilized, and resulting tables and maps illustrating flood depths and spatial extents for each flood scenario; (2) GIS files with the results of the exposure analysis for each flood scenario as well as the appropriate metadata that identifies the methods used to create the flood layers.

Lump Sum Fee: $25,000
Timeline: August – October 2023
Task 3 Due Date: 10/31/2023

Task 4 – Sensitivity Analysis

The CONSULTANT will perform a sensitivity analysis to measure the impact of flooding on assets and to apply the data from the exposure analysis to the inventory of critical assets created in the exposure analysis task. The CONSULTANT will evaluate the impact of flood severity on each asset type and at each flood scenario and assign a risk level based on percentages of land area inundated and number of critical assets affected.

Deliverables: The CONSULTANT will provide (1) a draft vulnerability assessment report that provides details on the findings of the exposure and sensitivity analyses, and includes visual presentation of the data via maps and tables, based on the statutory-required scenarios and standards; and (2) an initial list of critical and regionally significant assets prioritized by area or immediate need and indication of which flood scenario(s) impact those assets.

Lump Sum Fee: $5,000
Timeline: October 2023
Task 4 Due Date: 10/31/2023

Task 5 – Identify Focus Areas

The CONSULTANT will identify focus areas based on the results of the second public outreach meeting and following the guidelines in Chapter 2 of the Florida Adaptation Planning Guidebook. Based on the exposure and sensitivity analyses, the CONSULTANT will assign focus areas to locations or assets that are particularly vulnerable and that will require the development of future adaptation strategies. The CONSULTANT will verify that all GIS files and associated metadata utilized to evaluate focus areas adhere to the Resilient Florida Program's GIS Data Standards.

Deliverables: The CONSULTANT will provide (1) a report summarizing the areas identified as focus areas, with justification for choosing each area; (2) tables listing each focus area with any critical assets that are contained inside the focus area; (3) maps illustrating the location of each focus area compared to the location of all critical assets within the geographic extent of the study; and (4) GIS files and metadata illustrating the geographic boundaries of the focus areas.

Lump Sum Fee: $5,000
Timeline: November 2023
Task 5 Due Date: 11/30/2023

Task 6 – Final Vulnerability Assessment Report, Maps, and Tables

The CONSULTANT will finalize the vulnerability assessment report pursuant to the requirements contained in Section 380.093, F.S., and based on public outreach efforts. The final vulnerability assessment will include all results from the exposure and sensitivity analyses, as well as a summary of identified risks and assigned focus areas. The CONSULTANT will include in the final report a list of critical and regionally significant assets that are impacted by flooding and sea level rise, specifying for each asset the flood scenario(s) impacting the asset. The CONSULTANT will verify that all GIS files and associated metadata utilized to inform the final vulnerability assessment adhere to the Resilient Florida Program's GIS Data Standards.

Deliverables: The CONSULTANT will provide (1) a final vulnerability assessment report to include all results and conclusions from the exposure and sensitivity analyses, including illustrations via maps and tables, based on the statutory-required scenarios and standards; (2) a final list of critical and regionally significant assets prioritized by area or immediate need; (3) all electronic mapping data used to illustrate flooding and sea level rise, to include the geospatial

data in an electronic file format and GIS metadata; and (4) a signed and completed Vulnerability Assessment Compliance Checklist Certification.

Lump Sum Fee: $10,000
Timeline: March 2023 – August 2023
Task 6 Due Date: 11/30/2023

FEE SUMMARY:

The CONSULTANT's fees for the described services are outlined in the following table. Lump Sum Fees and/or Hourly Fees do not include Reimbursable Expenses directly associated with this project (travel, mileage, reproduction, supplies, and other non-labor reimbursable costs). Reimbursable Expenses will be invoiced at their direct cost-plus fifteen percent (15%) for handling but will not exceed $2,2997.00 without prior written authorization.

CONSULTANT will prepare digitally sourced meeting materials but the CLIENT will be responsible for printing applicable meeting materials as referenced in the Scope of Work for Budget Solicitation prepared by the CLIENT. Lump Sum fees will be invoiced monthly based on the status of each task (percent complete). Hourly Services if provided upon prior approval by the CLIENT will also be invoiced monthly based on the individual salary costs times 3.45 to cover overhead and profit (salary costs include the individual's raw labor cost and fringe benefit costs).

Task #	Task	Lump Sum Fee	Due Date
1	Public Outreach Meetings	$10,000	11/30/2023
2	Background Data and Gap Analysis	$25,000	7/31/2023
3	Exposure Analysis	$25,000	10/31/2023
4	Sensitivity Analysis	$5,000	10/31/2023
5	Identify Focus Areas	$5,000	11/30/2023
6	Final Vulnerability Assessment	$10,000	11/30/2023
	TOTAL LUMP SUM FEE	$80,000	

Task #	Expenses	Expense Totals	Complete By
1	Public Outreach Travel Expenses	$1,500	11/30/2023
6	Final VA Presentation Travel Expenses	$1,497	11/30/2023
	REIMBURSABLES	$2,997	

This Scope of Work constitutes our understanding of the required Professional Services and our relationship under this project, and may only be modified in writing, signed by both parties. All other terms and conditions contained in our original Agreement To Furnish Professional Services To The City of Fernandina Beach, Florida Continuing Contract signed by the Parties or

dated November 16, 2021, and any/all amendments relating thereto and executed by the Parties since the said date will remain in effect.

Upon a Notice to Proceed, the CONSULTANT will coordinate with the CLIENT to facilitate a kickoff meeting and develop a final schedule for project meetings, public meetings and workshops, and other associated project milestones.

Halff can begin work immediately upon Notice to Proceed from the CLIENT.

Sincerely,

Michael A Coffey Digitally signed by Michael A Coffey

GRANT WORK PLAN
AGREEMENT NO. 22PLN15

ATTACHMENT 3

PROJECT TITLE: Fernandina Beach Comprehensive Vulnerability and Resiliency Master Plan

PROJECT LOCATION: The Project is located in City of Fernandina Beach within Nassau County, Florida.

PROJECT DESCRIPTION:
The Fernandina Beach Comprehensive Vulnerability and Resiliency Master Plan (Project) will conduct a comprehensive Vulnerability Assessment (VA) pursuant to Section 380.093, Florida Statutes, for the City of Fernandina Beach. Once completed, Project documents will be the planning tool that sets standards to prioritize and construct City resiliency projects. The Project includes outreach and a comprehensive VA.

TASKS AND DELIVERABLES: *[Maintain the appropriate tasks and deliverables for the project. Input the number for each task. Example language is provided; revise description and deliverables as needed. Highlight changes to template language for subsequent reviewer awareness.]*

Task 1: Public Outreach Meetings

Description: The Grantee will conduct at least two public outreach meetings during the project. The purpose of the first meeting is to allow the public to provide input during the initial data collection stages, to include input on preferred methodologies, data for analyzing potential sea level rise impacts and/or flooding, guiding factors to consider, and critical assets important to the community. The Grantee will prepare all social media notifications, meeting invitations, meeting materials, presentations, and graphics utilized during the meeting, as applicable.

The Grantee will conduct a second public meeting to present the results from the exposure analysis, sensitivity analysis, and draft Vulnerability Assessment. The purpose of the second meeting is to allow the public to provide community-specific input on the results of the analyses and to reconsider methodologies and assumptions used in the analysis for refinement. Additionally, during this meeting, the Grantee will conduct exercises to encourage the public to prioritize focus areas of flooding, and the critical assets in preparation for the development of adaptation strategies and project development. Criteria should be established to guide the public's input for the selection of focus areas. The Grantee will prepare all social media notifications, meeting invitations, meeting materials, presentations, and graphics utilized during the meeting, as applicable.

At a subsequent meeting, the Grantee will present the final VA results to local governing boards, technical committees, or other appropriate officers and elected officials. The purpose of the presentation is to share the findings from the final VA and provide recommendations of actions for adaptation strategies and future project funding. The presentation will also inform the public of the results and the future risk of sea level rise and increased flooding and encourage community participation when identifying mitigation strategies to address the flooding vulnerabilities. The Grantee will prepare all social media notifications, meeting invitations, meeting materials, presentations, and graphics utilized during the meeting, as applicable.

Grantee may hold additional public outreach meetings, as necessary, to provide guidance and feedback at critical decision points throughout the project process.

Deliverables: The Grantee will provide the following for each meeting: 1) meeting agendas to include location, date, and time of meeting; 2) meeting sign-in sheets with attendee names and affiliation (i.e. local stakeholder, resident, steering committee member, local government staff); 3) a copy of the presentation(s) and any materials created in preparation of or for distribution at the meeting (i.e. social media posts, public announcements, graphics), as applicable; 4) a copy of the file or weblink of the video or audio recording from the meeting, if applicable; and 5) a summary report including attendee input and meeting outcomes, to include defining focus areas recommended by the community.

Task 2: Acquire Background Data, Perform Gap Analysis and Asset Inventory

Description: The Grantee will research and compile the data needed to perform the Vulnerability Assessment (VA), based on the requirements as defined in Section 380.093, Florida Statute (F.S.). Three main categories of data are required to perform a VA: 1) critical and regionally significant asset inventory, 2) topographic data, and 3) flood scenario-related data. GIS metadata should incorporate a layer for each of the four asset types as defined in s. 380.093(2)(a) 1-4, F.S. GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (Exhibit I), and raw data sources shall be defined within the associated metadata. Sea level rise projection data shall include the 2017 National Oceanic and Atmospheric Administration (NOAA) intermediate-high and intermediate-low projections for 2040 and 2070, at a minimum. Other projections can be used at the Grantees discretion. Storm surge data used must be equal to or exceed the 100-year return period (1% annual chance) flood event. In the process of researching background data, the Grantee shall identify data gaps, where missing data or low-quality information may limit the VA's extent or reduce the accuracy of the results. The Grantee shall rectify any gaps of necessary data.

Deliverables: The Grantee will provide the following: 1) a technical report to outline the data compiled and findings of the gap analysis; 2) a summary report to include recommendations to address the identified data gaps and actions taken to rectify them, if applicable; and 3) GIS files with appropriate metadata of the data compiled, to include locations of critical assets owned or maintained by the Grantee as well as regionally significant assets that are classified and as defined in s. 380.093(2)(a) 1-4, F.S.

Task 3: Exposure Analysis

Description: The Grantee will perform an exposure analysis to identify the depth of water caused by each sea level rise, storm surge, and/or flood scenario. The water surface depths (i.e. flood scenarios) used to evaluate assets shall include the following data: tidal flooding, current and future storm surge flooding, rainfall-induced flooding, and compound flooding, all as applicable, as well as the scenarios and standards used for the exposure analysis shall be pursuant to s. 380.093, F.S. GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (Exhibit I), and raw data sources shall be defined within the associated metadata.

Deliverables: The Grantee will provide the following: 1) a draft Vulnerability Assessment report that provides details on the modeling process, type of models utilized, and resulting tables and maps illustrating flood depths for each flood scenario; and 2) GIS files with results of the exposure analysis for each flood scenario as well as the appropriate metadata that identifies the methods used to create the flood layers.

Task 4: Sensitivity Analysis

Description: The Grantee will perform the sensitivity analysis to measure the impact of flooding on assets and to apply the data from the exposure analysis to the inventory of critical assets created in the Exposure Analysis Task. The sensitivity analysis should include an evaluation of the impact of flood severity on each asset type and at each flood scenario and assign a risk level based on percentages of land area inundated and number of critical assets affected.

Deliverables: The Grantee will provide the following: 1) a draft Vulnerability Assessment report that provides details on the findings of the exposure analysis and the sensitivity analysis, and includes visual presentation of the data via maps and tables, based on the statutory-required scenarios and standards; and 2) an initial list of critical and regionally significant assets that are impacted by flooding. The list of critical and regionally significant assets must be prioritized by area or immediate need and must identify which flood scenario(s) impacts each asset.

Task 5: Identify Focus Areas

Description: The Grantee will identify focus areas based on the results of the second public outreach meeting and following the guidelines in Chapter 2 of the Florida Adaptation Planning Guidebook. Based on the exposure and sensitivity analyses, the Grantee may assign focus areas to locations or assets that are particularly vulnerable and require the development of adaptation strategies. GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (Exhibit I), and raw data sources shall be defined within the associated metadata.

Deliverables: The Grantee will provide the following: 1) a report summarizing the areas identified as focus areas, with justification for choosing each area; 2) tables listing each focus area with any critical assets that are contained inside the focus area; 3) maps illustrating the location of each focus area compared to the location of all critical assets within the geographic extent of the study; and 4) GIS files and associated metadata illustrating geographic boundaries of the identified focus areas.

Task 6: Final Vulnerability Assessment Report, Maps, and Tables

Description: The Grantee will finalize the Vulnerability Assessment (VA) report pursuant to the requirements in s. 380.093, F.S. and based upon the steering committee and public outreach efforts. The final VA must include all results from the exposure and sensitivity analyses, as well as a summary of identified risks and assigned focus areas. It should contain a list of critical and regionally significant assets that are impacted by flooding and sea-level rise, specifying for each asset the flood scenario(s) impacting the asset. GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (Exhibit I), and raw data sources shall be defined within the associated metadata.

Deliverables: The Grantee will provide the following: 1) Final Vulnerability Assessment Report that provides details on the results and conclusions, including illustrations via maps and tables, based on the statutory-required scenarios and standards in s. 380.093, F.S.; 2) a final list of critical and regionally significant assets that are impacted by flooding. The list of critical and regionally significant assets must be prioritized by area or immediate need and must identify which flood scenario(s) impacts each asset.; 3) all electronic mapping data used to illustrate flooding and sea level rise impacts identified in the VA, to include

the geospatial data in an electronic file format and GIS metadata; and 4) a signed Vulnerability Assessment Compliance Checklist Certification.

PERFORMANCE MEASURES: The Grantee will submit all deliverables for each task to the Department's Grant Manager on or before the Task Due Date listed in the Project Timeline. The Grantee must also submit Exhibit A, Progress Report Form, to the Department's Grant Manager, with every deliverable and payment request. For interim payment requests, Exhibit A may serve as the deliverable for a task. The Department's Grant Manager will review the deliverable(s) to verify that they meet the specifications in the Grant Work Plan and the task description, to include any work being performed by any subcontractor(s). Upon review and written acceptance by the Department's Grant Manager of deliverables under the task, the Grantee may proceed with payment request submittal.

CONSEQUENCES FOR NON-PERFORMANCE: For each task deliverable not received by the Department at one hundred percent (100%) completion and by the specified due date listed in the Agreement's most recent Project Timeline, the Department will reduce the relevant Task Funding Amount(s) paid to Grantee in proportion to the percentage of the deliverable(s) not fully completed and/or submitted to the Department in a timely manner.

PAYMENT REQUEST SCHEDULE: Following the Grantee's full completion of a task, the Grantee may submit a payment request for cost reimbursement using both Exhibit A, Progress Report Form, and Exhibit C, Payment Request Summary Form. Interim payment requests cannot be made more frequently than quarterly OR monthly and must be made using Exhibit A, detailing all work progress made during that payment request period, and Exhibit C. Upon the Department's receipt of Exhibit A and C, along with all supporting fiscal documentation and deliverables, the Department's Grant Manager will have ten (10) working days to review and approve or deny the payment request.~~**CONSEQUENCES FOR NON-PERFORMANCE:** The Department will reduce each Task Funding Amount by five percent (5%) for every day that the task deliverable(s) are not received on the specified due date listed in the Agreement's most recent Project Timeline. Should a Change Order or Amendment be requested on the date of or after the most current task due date, the five percent (5%) reduction of that Task Funding Amount will be imposed until the date of the requested change is received via email by the Department.~~

~~**PAYMENT REQUEST SCHEDULE:** Following the Grantee's full completion of a task, the Grantee may submit a payment request for cost reimbursement using both Exhibit A, Progress Report Form, and Exhibit C, Payment Request Summary Form. Interim payment requests cannot be made more frequently than quarterly and must be made using Exhibit A, detailing all work progress made during that payment request period, and Exhibit C. Upon the Department's receipt of Exhibit A and C, along with all supporting fiscal documentation and deliverables, the Department's Grant Manager will have ten (10) working days to review and approve or deny the payment request.~~

PROJECT TIMELINE AND BUDGET DETAIL: The tasks must be completed by, and all deliverables received by, the corresponding task due date listed in the table below. Cost-reimbursable grant funding must not exceed the budget amounts indicated below. Requests for any change(s) must be submitted prior to the current task due date listed in the Project Timeline. Requests are to be sent via email to the Department's Grant Manager, with the details of the request and the reason for the request made clear.

Task No.	Task Title	Budget Category	DEP Amount	Match Amount	Total Amount	Task Start Date	Task Due Date

Commented [JJD1]: Since your application indicated multiple budget categories for each task, you will need to use these following tables to specify the budget breakdown for each task. Thank you.

Commented [JJD2]: These are just sample amounts. Please re-allocate as needed.

1	Public Outreach Meetings	**Contractual Services**	$ ~~12,000~~11500	$ 0	$ 11500	7/1/2021	~~3/31~~11/15/~~20~~2023
2	Acquire Background Data	***Select Category***	$ ~~12,000~~2500	$ 0	$ 25000	7/1/2021	~~3/31~~05/30/~~20~~2023
3	Exposure Analysis	***Select Category***	$ ~~12,000~~2500	$ 0	$ 25000	7/1/2021	~~3/31~~8/15/~~20~~2023
4	Sensitivity Analysis	***Select Category***	$ ~~12,000~~5000	~~$ 0~~	~~$ 5000~~	7/1/2021	~~3/31~~08/15/~~20~~2023
5	Identify Focus Areas	***Select Category***	$ ~~12,000~~5000	~~$ 0~~	~~$ 5000~~	7/1/2021	~~3/31~~9/30/~~20~~2023

PROJECT TIMELINE: The tasks must be completed by, and all deliverables received by, the corresponding task due date listed in the table below. Cost-reimbursable grant funding must not exceed the budget amounts indicated below. Requests for any change(s) must be submitted prior to the current task due date listed in the Project Timeline. Requests are to be sent via email to the Department's Grant Manager, with the details of the request and the reason for the request made clear. *Task due dates should be set to three (3) or six (6) months prior to the Agreement expiration/end date.*

Task No.	Task Title	Task Start Date	Task Due Date
1	Public Outreach Meetings	***7/1/2021***	***11/15/20233/31/2024***

SALARY AND FRINGE BENEFITS BY TASK: Cost-reimbursable funding or hourly match and fringe rate(s) by position may not exceed those indicated below. Upon submission of each payment request, the Grantee certifies that the hours and fringe rates submitted are accurate and allowable costs for the Grant

Agreement. Upon request by the Department's Grant Manager, additional documentation of hours worked will be provided. *[Example rates provided, revise as needed. Include all possible position titles that may be used for the task(s). May list fixed hourly rate and fringe rate. Optional: use Maximum Hourly Rate and Maximum Fringe Rate (%) in the table header below if the rates will be variable for the position title, as long as they can charge at or below those rates and provide information upon request.]*

[OPTIONAL SALARY/FRINGE BENEFITS: If the "For Actual Costs" option is selected in Attachment 2, Grantee must remove the Fringe Rate column in the table below and then use the following statement:] Cost-reimbursable funding or hourly match rate(s) by position may not exceed those indicated below. Fringe benefits will be reimbursed based on actual costs, with the total not to exceed the budgeted amounts shown in the Budget Detail by task table.

Task No.	Position Title	Hourly Rate	Fringe Rate (%)
1	Engineer III	$68.60	22.4
	Environmental Specialist I	$50.48	22.4
	Associate Environmental Specialist	$56.80	30.0
	Engineering Technician I	$48.58	30.0
2	Engineer III	$68.60	22.4
	Environmental Specialist I	$50.48	22.4

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Special Terms and Conditions
AGREEMENT NO. 22PLN15

ATTACHMENT 2

These Special Terms and Conditions shall be read together with general terms outlined in the Standard Terms and Conditions, Attachment 1. Where in conflict, these more specific terms shall apply.

1. Scope of Work.
The Project funded under this Agreement is the Fernandina Beach Comprehensive Vulnerability and Resiliency Master Plan. The Project is defined in more detail in Attachment 3, Grant Work Plan.

2. Duration.
a. Reimbursement Period. The reimbursement period for this Agreement is the same as the term of the Agreement.
b. Extensions. There are extensions available for this Project.
c. Service Periods. Additional service periods may be added in accordance with 2.a above and are contingent upon proper and satisfactory technical and administrative performance by the Grantee and the availability of funding.

3. Payment Provisions.
a. Compensation. This is a cost reimbursement Agreement. The Grantee shall be compensated under this Agreement as described in Attachment 3.
b. Invoicing. Invoicing will occur as indicated in Attachment 3.
c. Advance Pay. Advance Pay is not authorized under this Agreement.

4. Cost Eligible for Reimbursement or Matching Requirements.
Reimbursement for costs or availability for costs to meet matching requirements shall be limited to the following budget categories, as defined in the Reference Guide for State Expenditures, as indicated:

Reimbursement	Match	Category
☐	☐	Salaries/Wages
		Overhead/Indirect/General and Administrative Costs:
☐	☐	a. Fringe Benefits, N/A.
☐	☐	b. Indirect Costs, N/A.
☒	☐	Contractual (Subcontractors)
☐	☐	Travel, in accordance with Section 112, F.S.
☐	☐	Equipment
☐	☐	Rental/Lease of Equipment
☐	☐	Miscellaneous/Other Expenses
☐	☐	Land Acquisition

5. Equipment Purchase.
No Equipment purchases shall be funded under this Agreement.

6. Land Acquisition.
There will be no Land Acquisitions funded under this Agreement.

7. Match Requirements
There is no match required on the part of the Grantee under this Agreement.

8. Insurance Requirements
Required Coverage. At all times during the Agreement the Grantee, at its sole expense, shall maintain insurance coverage of such types and with such terms and limits described below. The limits of coverage under each policy

maintained by the Grantee shall not be interpreted as limiting the Grantee's liability and obligations under the Agreement. All insurance policies shall be through insurers licensed and authorized to issue policies in Florida, or alternatively, Grantee may provide coverage through a self-insurance program established and operating under the laws of Florida. Additional insurance requirements for this Agreement may be required elsewhere in this Agreement, however the minimum insurance requirements applicable to this Agreement are:

a. Commercial General Liability Insurance.
The Grantee shall provide adequate commercial general liability insurance coverage and hold such liability insurance at all times during the Agreement. The Department, its employees, and officers shall be named as an additional insured on any general liability policies. The minimum limits shall be $250,000 for each occurrence and $500,000 policy aggregate.

b. Commercial Automobile Insurance.
If the Grantee's duties include the use of a commercial vehicle, the Grantee shall maintain automobile liability, bodily injury, and property damage coverage. Insuring clauses for both bodily injury and property damage shall provide coverage on an occurrence basis. The Department, its employees, and officers shall be named as an additional insured on any automobile insurance policy. The minimum limits shall be as follows:

$200,000/300,000	Automobile Liability for Company-Owned Vehicles, if applicable
$200,000/300,000	Hired and Non-owned Automobile Liability Coverage

c. Workers' Compensation and Employer's Liability Coverage.
The Grantee shall provide workers' compensation, in accordance with Chapter 440, F.S. and employer liability coverage with minimum limits of $100,000 per accident, $100,000 per person, and $500,000 policy aggregate. Such policies shall cover all employees engaged in any work under the Grant.

d. Other Insurance. None.

9. Quality Assurance Requirements.
There are no special Quality Assurance requirements under this Agreement.

10. Retainage.
No retainage is required under this Agreement.

11. Subcontracting.
The Grantee may subcontract work under this Agreement without the prior written consent of the Department's Grant Manager except for certain fixed-price subcontracts pursuant to this Agreement, which require prior approval. The Grantee shall submit a copy of the executed subcontract to the Department prior to submitting any invoices for subcontracted work. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement.

12. State-owned Land.
The work will not be performed on State-owned land.

13. Office of Policy and Budget Reporting.
There are no special Office of Policy and Budget reporting requirements for this Agreement.

14. Common Carrier.

a. Applicable to contracts with a common carrier – firm/person/corporation that as a regular business transports people of commodities from place to place. If applicable, Contractor must also fill out and return PUR 1808 before contract execution] If Contractor is a common carrier pursuant to section 908.111(1)(a), Florida Statutes, the Department will terminate this contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

b. Applicable to solicitations for a common carrier – Before contract execution, the winning Contractor(s) must fill out and return PUR 1808, and attest that it is not willfully providing any service in furtherance of transporting a person into this state knowing that the person unlawfully present in the United States according to the terms of the federal Immigration and Nationality Act, 8 U.S.C. ss. 1101 et seq. The Department will terminate a contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808

15. Additional Terms.

Documentary Evidence Requirement for Subcontractor(s). If any work associated with this Agreement is completed by a subcontractor(s), the Grantee shall require that such subcontractor(s) submit documentary evidence (e.g., workshop agendas; meeting recordings) to Grantee demonstrating that the subcontractor(s) has fully performed its Project obligation(s). The Grantee shall forward copies of all such documentary evidence to the Department with the Grantee's relevant deliverable(s), using the approved Project Timeline set forth in Attachment 3 to this Agreement (Grant Work Plan).

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
RESILIENT FLORIDA GRANT PROGRAM
CONTRACTUAL SERVICES CERTIFICATION

Exhibit H

Required for all grant agreements that include Contractual Services as an expenditure category.

DEP Agreement Number: 22PLN15

Project Title: Fernandina Beach Comprehensive Vulnerability and Resiliency Master Plan

Grantee: City of Fernandina Beach

Prior to making a request for payment of contractual services, the Grantee must provide the following to the Department Grant Manager then responsible for the Grantee's Resilient Florida Grant Program grant agreement:

1. Documentation of the Grantee's procurement process, as consistent with Attachment 1, Paragraph 9(c) and Attachment 2, Paragraph 11;
2. A list of all subcontractor quote and/or bid amounts (as applicable), including the company name and address for each subcontractor;
3. An explanation of how and why the Grantee made their determination(s) for the subcontractor(s) selected to perform certain task(s) under the Grantee's relevant grant agreement; and
4. This Exhibit H, signed and dated by the Grantee's own (non-Departmental) grant manager.

By signing below, I certify that, on behalf of the Grantee, I have provided all the information required by items 1. through 3. of this exhibit, as stated above, to the Department Grant Manager currently responsible for the Grantee's Resilient Florida Grant Program grant agreement. I also certify that the procurement process the Grantee utilized follows all of said Grantee's non-Departmental policies and procedures for subcontractors.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
STANDARD TERMS AND CONDITIONS
APPLICABLE TO GRANT AGREEMENTS

ATTACHMENT 1

1. Entire Agreement.

This Grant Agreement, including any Attachments and Exhibits referred to herein and/or attached hereto (Agreement), constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, whether written or oral, with respect to such subject matter. Any terms and conditions included on Grantee's forms or invoices shall be null and void.

2. Grant Administration.

a. Order of Precedence. If there are conflicting provisions among the documents that make up the Agreement, the order of precedence for interpretation of the Agreement is as follows:
   i. Standard Grant Agreement
   ii. Attachments other than Attachment 1, in numerical order as designated in the Standard Grant Agreement
   iii. Attachment 1, Standard Terms and Conditions
   iv. The Exhibits in the order designated in the Standard Grant Agreement

b. All approvals, written or verbal, and other written communication among the parties, including all notices, shall be obtained by or sent to the parties' Grant Managers. All written communication shall be by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered when reflected by an electronic mail read receipt, a courier service delivery receipt, other mail service delivery receipt, or when receipt is acknowledged by recipient. If the notice is delivered in multiple ways, the notice will be considered delivered at the earliest delivery time.

c. If a different Grant Manager is designated by either party after execution of this Agreement, notice of the name and contact information of the new Grant Manager will be submitted in writing to the other party and maintained in the respective parties' records. A change of Grant Manager does not require a formal amendment or change order to the Agreement.

d. This Agreement may be amended, through a formal amendment or a change order, only by a written agreement between both parties. A formal amendment to this Agreement is required for changes which cause any of the following:
   (1) an increase or decrease in the Agreement funding amount;
   (2) a change in Grantee's match requirements;
   (3) a change in the expiration date of the Agreement; and/or
   (4) changes to the cumulative amount of funding transfers between approved budget categories, as defined in Attachment 3, Grant Work Plan, that exceeds or is expected to exceed twenty percent (20%) of the total budget as last approved by Department.
   A change order to this Agreement may be used when:
   (1) task timelines within the current authorized Agreement period change;
   (2) the cumulative transfer of funds between approved budget categories, as defined in Attachment 3, Grant Work Plan, are less than twenty percent (20%) of the total budget as last approved by Department;
   (3) changing the current funding source as stated in the Standard Grant Agreement; and/or
   (4) fund transfers between budget categories for the purposes of meeting match requirements.
   This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

e. All days in this Agreement are calendar days unless otherwise specified.

3. Agreement Duration.

The term of the Agreement shall begin and end on the dates indicated in the Standard Grant Agreement, unless extended or terminated earlier in accordance with the applicable terms and conditions. The Grantee shall be eligible for reimbursement for work performed on or after the date of execution through the expiration date of this Agreement, unless otherwise specified in Attachment 2, Special Terms and Conditions. However, work performed prior to the execution of this Agreement may be reimbursable or used for match purposes if permitted by the Special Terms and Conditions.

4. Deliverables.

The Grantee agrees to render the services or other units of deliverables as set forth in Attachment 3, Grant Work Plan. The services or other units of deliverables shall be delivered in accordance with the schedule and at the pricing outlined in the Grant Work Plan. Deliverables may be comprised of activities that must be completed prior to Department making payment on that deliverable. The Grantee agrees to perform in accordance with the terms and conditions set forth in this Agreement and all attachments and exhibits incorporated by the Standard Grant Agreement.

5. Performance Measures.

The Grantee warrants that: (1) the services will be performed by qualified personnel; (2) the services will be of the kind and quality described in the Grant Work Plan; (3) the services will be performed in a professional and workmanlike manner in accordance with industry standards and practices; (4) the services shall not and do not knowingly infringe upon the intellectual property rights, or any other proprietary rights, of any third party; and (5) its employees, subcontractors, and/or subgrantees shall comply with any security and safety requirements and processes, if provided by Department, for work done at the Project Location(s). The Department reserves the right to investigate or inspect at any time to determine whether the services or qualifications offered by Grantee meet the Agreement requirements. Notwithstanding any provisions herein to the contrary, written acceptance of a particular deliverable does not foreclose Department's remedies in the event deficiencies in the deliverable cannot be readily measured at the time of delivery.

6. Acceptance of Deliverables.

a. Acceptance Process. All deliverables must be received and accepted in writing by Department's Grant Manager before payment. The Grantee shall work diligently to correct all deficiencies in the deliverable that remain outstanding, within a reasonable time at Grantee's expense. If Department's Grant Manager does not accept the deliverables within 30 days of receipt, they will be deemed rejected.

b. Rejection of Deliverables. The Department reserves the right to reject deliverables, as outlined in the Grant Work Plan, as incomplete, inadequate, or unacceptable due, in whole or in part, to Grantee's lack of satisfactory performance under the terms of this Agreement. The Grantee's efforts to correct the rejected deliverables will be at Grantee's sole expense. Failure to fulfill the applicable technical requirements or complete all tasks or activities in accordance with the Grant Work Plan will result in rejection of the deliverable and the associated invoice. Payment for the rejected deliverable will not be issued unless the rejected deliverable is made acceptable to Department in accordance with the Agreement requirements. The Department, at its option, may allow additional time within which Grantee may remedy the objections noted by Department. The Grantee's failure to make adequate or acceptable deliverables after a reasonable opportunity to do so shall constitute an event of default.

7. Financial Consequences for Nonperformance.

a. Withholding Payment. In addition to the specific consequences explained in the Grant Work Plan and/or Special Terms and Conditions, the State of Florida (State) reserves the right to withhold payment when the Grantee has failed to perform/comply with provisions of this Agreement. None of the financial consequences for nonperformance in this Agreement as more fully described in the Grant Work Plan shall be considered penalties.

b. Invoice reduction

If Grantee does not meet a deadline for any deliverable, the Department will reduce the invoice by 1% for each day the deadline is missed, unless an extension is approved in writing by the Department.

c. Corrective Action Plan. If Grantee fails to correct all the deficiencies in a rejected deliverable within the specified timeframe, Department may, in its sole discretion, request that a proposed Corrective Action Plan (CAP) be submitted by Grantee to Department. The Department requests that Grantee specify the outstanding deficiencies in the CAP. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

   i. The Grantee shall submit a CAP within ten (10) days of the date of the written request from Department. The CAP shall be sent to the Department's Grant Manager for review and approval. Within ten (10) days of receipt of a CAP, Department shall notify Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, Grantee shall have ten (10) days from receipt of Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain Department approval of a CAP as specified above may result in Department's termination of this Agreement for cause as authorized in this Agreement.

   ii. Upon Department's notice of acceptance of a proposed CAP, Grantee shall have ten (10) days to commence implementation of the accepted plan. Acceptance of the proposed CAP by Department does not relieve Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, Department shall retain the right to

require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by Department or steps taken by Grantee shall preclude Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to Department as requested by Department's Grant Manager.

iii. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by Department may result in termination of the Agreement.

8. Payment.

a. Payment Process. Subject to the terms and conditions established by the Agreement, the pricing per deliverable established by the Grant Work Plan, and the billing procedures established by Department, Department agrees to pay Grantee for services rendered in accordance with Section 215.422, Florida Statutes (F.S.).

b. Taxes. The Department is exempted from payment of State sales, use taxes and Federal excise taxes. The Grantee, however, shall not be exempted from paying any taxes that it is subject to, including State sales and use taxes, or for payment by Grantee to suppliers for taxes on materials used to fulfill its contractual obligations with Department. The Grantee shall not use Department's exemption number in securing such materials. The Grantee shall be responsible and liable for the payment of all its FICA/Social Security and other taxes resulting from this Agreement.

c. Maximum Amount of Agreement. The maximum amount of compensation under this Agreement, without an amendment, is described in the Standard Grant Agreement. Any additional funds necessary for the completion of this Project are the responsibility of Grantee.

d. Reimbursement for Costs. The Grantee shall be paid on a cost reimbursement basis for all eligible Project costs upon the completion, submittal, and approval of each deliverable identified in the Grant Work Plan. Reimbursement shall be requested on Exhibit C, Payment Request Summary Form. To be eligible for reimbursement, costs must be in compliance with laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: https://www.myfloridacfo.com/Division/AA/Manuals/documents/ReferenceGuideforStateExpenditures.pdf.

e. Invoice Detail. All charges for services rendered or for reimbursement of expenses authorized by Department pursuant to the Grant Work Plan shall be submitted to Department in sufficient detail for a proper pre-audit and post-audit to be performed. The Grantee shall only invoice Department for deliverables that are completed in accordance with the Grant Work Plan.

f. Interim Payments. Interim payments may be made by Department, at its discretion, if the completion of deliverables to date have first been accepted in writing by Department's Grant Manager.

g. Final Payment Request. A final payment request should be submitted to Department no later than sixty (60) days following the expiration date of the Agreement to ensure the availability of funds for payment. However, all work performed pursuant to the Grant Work Plan must be performed on or before the expiration date of the Agreement.

h. Annual Appropriation Contingency. The State's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. This Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and any associated payments may be rescinded, with proper notice, at the discretion of Department if the Legislature reduces or eliminates appropriations.

i. Interest Rates. All interest rates charged under the Agreement shall be calculated on the prevailing rate used by the State Board of Administration. To obtain the applicable interest rate, please refer to: www.myfloridacfo.com/Division/AA/Vendors/default.htm.

j. Refund of Payments to the Department. Any balance of unobligated funds that have been advanced or paid must be refunded to Department. Any funds paid in excess of the amount to which Grantee or subgrantee is entitled under the terms of the Agreement must be refunded to Department. If this Agreement is funded with federal funds and the Department is required to refund the federal government, the Grantee shall refund the Department its share of those funds.

9. Documentation Required for Cost Reimbursement Grant Agreements and Match.

If Cost Reimbursement or Match is authorized in Attachment 2, Special Terms and Conditions, the following conditions apply. Supporting documentation must be provided to substantiate cost reimbursement or match requirements for the following budget categories:

a. Salary/Wages. Grantee shall list personnel involved, position classification, direct salary rates, and hours spent on the Project in accordance with Attachment 3, Grant Work Plan in their documentation for reimbursement or match requirements.

b. Overhead/Indirect/General and Administrative Costs. If Grantee is being reimbursed for or claiming match for multipliers, all multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by Grantee exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate.

c. Contractual Costs (Subcontractors). Match or reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the Project. All eligible multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate. Nonconsumable and/or nonexpendable personal property or equipment costing $5,000 or more purchased for the Project under a subcontract is subject to the requirements set forth in Chapters 273 and/or 274, F.S., and Chapter 69I-72, Florida Administrative Code (F.A.C.) and/or Chapter 69I-73, F.A.C., as applicable. The Grantee shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Grantee shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

    i. For fixed-price (vendor) subcontracts, the following provisions shall apply: The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in Attachment 3, Grant Work Plan. Invoices submitted to Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (e.g., Invitation to Bid, Request for Proposals, or other similar competitive procurement document) resulting in the fixed-price subcontract. The Grantee may request approval from Department to award a fixed-price subcontract resulting from procurement methods other than those identified above. In this instance, Grantee shall request the advance written approval from Department's Grant Manager of the fixed price negotiated by Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of Department Grant Manager's approval of the fixed-price amount, Grantee may proceed in finalizing the fixed-price subcontract.

    ii. If the procurement is subject to the Consultant's Competitive Negotiation Act under section 287.055, F.S. or the Brooks Act, Grantee must provide documentation clearly evidencing it has complied with the statutory or federal requirements.

d. Travel. All requests for match or reimbursement of travel expenses shall be in accordance with Section 112.061, F.S.

e. Direct Purchase Equipment. For the purposes of this Agreement, Equipment is defined as capital outlay costing $5,000 or more. Match or reimbursement for Grantee's direct purchase of equipment is subject to specific approval of Department, and does not include any equipment purchased under the delivery of services to be completed by a subcontractor. Include copies of invoices or receipts to document purchases, and a properly completed Exhibit B, Property Reporting Form**.**

f. Rental/Lease of Equipment. Match or reimbursement requests for rental/lease of equipment must include copies of invoices or receipts to document charges.

g. Miscellaneous/Other Expenses. If miscellaneous or other expenses, such as materials, supplies, non-excluded phone expenses, reproduction, or mailing, are reimbursable or available for match or reimbursement under the terms of this Agreement, the documentation supporting these expenses must be itemized and include copies of receipts or invoices. Additionally, independent of Grantee's contract obligations to its subcontractor, Department shall not reimburse any of the following types of charges: cell phone usage; attorney's fees or court costs; civil or administrative penalties; or handling fees, such as set percent overages associated with purchasing supplies or equipment.

h. Land Acquisition. Reimbursement for the costs associated with acquiring interest and/or rights to real property (including access rights through ingress/egress easements, leases, license agreements, or other site access agreements; and/or obtaining record title ownership of real property through purchase) must be supported by the following, as applicable: Copies of Property Appraisals, Environmental Site Assessments, Surveys and Legal

Descriptions, Boundary Maps, Acreage Certification, Title Search Reports, Title Insurance, Closing Statements/Documents, Deeds, Leases, Easements, License Agreements, or other legal instrument documenting acquired property interest and/or rights. If land acquisition costs are used to meet match requirements, Grantee agrees that those funds shall not be used as match for any other Agreement supported by State or Federal funds.

10. Status Reports.

The Grantee shall submit status reports quarterly, unless otherwise specified in the Attachments, on Exhibit A, Progress Report Form**,** to Department's Grant Manager describing the work performed during the reporting period, problems encountered, problem resolutions, scheduled updates, and proposed work for the next reporting period. Quarterly status reports are due no later than twenty (20) days following the completion of the quarterly reporting period. For the purposes of this reporting requirement, the quarterly reporting periods end on March 31, June 30, September 30 and December 31. The Department will review the required reports submitted by Grantee within thirty (30) days.

11. Retainage.

The following provisions apply if Department withholds retainage under this Agreement:

a. The Department reserves the right to establish the amount and application of retainage on the work performed under this Agreement up to the maximum percentage described in Attachment 2, Special Terms and Conditions. Retainage may be withheld from each payment to Grantee pending satisfactory completion of work and approval of all deliverables.

b. If Grantee fails to perform the requested work, or fails to perform the work in a satisfactory manner, Grantee shall forfeit its right to payment of the retainage associated with the work. Failure to perform includes, but is not limited to, failure to submit the required deliverables or failure to provide adequate documentation that the work was actually performed. The Department shall provide written notification to Grantee of the failure to perform that shall result in retainage forfeiture. If the Grantee does not correct the failure to perform within the timeframe stated in Department's notice, the retainage will be forfeited to Department.

c. No retainage shall be released or paid for incomplete work while this Agreement is suspended.

d. Except as otherwise provided above, Grantee shall be paid the retainage associated with the work, provided Grantee has completed the work and submits an invoice for retainage held in accordance with the invoicing procedures under this Agreement.

12. Insurance.

a. Insurance Requirements for Sub-Grantees and/or Subcontractors. The Grantee shall require its sub-grantees and/or subcontractors, if any, to maintain insurance coverage of such types and with such terms and limits as described in this Agreement. The Grantee shall require all its sub-grantees and/or subcontractors, if any, to make compliance with the insurance requirements of this Agreement a condition of all contracts that are related to this Agreement. Sub-grantees and/or subcontractors must provide proof of insurance upon request.

b. Deductibles. The Department shall be exempt from, and in no way liable for, any sums of money representing a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Grantee providing such insurance.

c. Proof of Insurance. Upon execution of this Agreement, Grantee shall provide Department documentation demonstrating the existence and amount for each type of applicable insurance coverage ***prior to*** performance of any work under this Agreement. Upon receipt of written request from Department, Grantee shall furnish Department with proof of applicable insurance coverage by standard form certificates of insurance, a self-insured authorization, or other certification of self-insurance.

d. Duty to Maintain Coverage. In the event that any applicable coverage is cancelled by the insurer for any reason, or if Grantee cannot get adequate coverage, Grantee shall immediately notify Department of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within ten (10) days after the cancellation of coverage.

e. Insurance Trust. If the Grantee's insurance is provided through an insurance trust, the Grantee shall instead add the Department of Environmental Protection, its employees, and officers as an additional covered party everywhere the Agreement requires them to be added as an additional insured.

13. Termination.

a. Termination for Convenience. When it is in the State's best interest, Department may, at its sole discretion, terminate the Agreement in whole or in part by giving 30 days' written notice to Grantee. The Department shall notify Grantee of the termination for convenience with instructions as to the effective date of termination or the specific stage of work at which the Agreement is to be terminated. The Grantee must submit all invoices for work to be paid under this Agreement within thirty (30) days of the effective date of termination. The Department shall not pay any invoices received after thirty (30) days of the effective date of termination.

b. Termination for Cause. The Department may terminate this Agreement if any of the events of default described in the Events of Default provisions below occur or in the event that Grantee fails to fulfill any of its other obligations under this Agreement. If, after termination, it is determined that Grantee was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Department. The rights and remedies of Department in this clause are in addition to any other rights and remedies provided by law or under this Agreement.
c. Grantee Obligations upon Notice of Termination. After receipt of a notice of termination or partial termination unless as otherwise directed by Department, Grantee shall not furnish any service or deliverable on the date, and to the extent specified, in the notice. However, Grantee shall continue work on any portion of the Agreement not terminated. If the Agreement is terminated before performance is completed, Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated. The Grantee shall not be entitled to recover any cancellation charges or lost profits.
d. Continuation of Prepaid Services. If Department has paid for any services prior to the expiration, cancellation, or termination of the Agreement, Grantee shall continue to provide Department with those services for which it has already been paid or, at Department's discretion, Grantee shall provide a refund for services that have been paid for but not rendered.
e. Transition of Services Upon Termination, Expiration, or Cancellation of the Agreement. If services provided under the Agreement are being transitioned to another provider(s), Grantee shall assist in the smooth transition of Agreement services to the subsequent provider(s). This requirement is at a minimum an affirmative obligation to cooperate with the new provider(s), however additional requirements may be outlined in the Grant Work Plan. The Grantee shall not perform any services after Agreement expiration or termination, except as necessary to complete the transition or continued portion of the Agreement, if any.

14. Notice of Default.

If Grantee defaults in the performance of any covenant or obligation contained in the Agreement, including, any of the events of default, Department shall provide notice to Grantee and an opportunity to cure that is reasonable under the circumstances. This notice shall state the nature of the failure to perform and provide a time certain for correcting the failure. The notice will also provide that, should the Grantee fail to perform within the time provided, Grantee will be found in default, and Department may terminate the Agreement effective as of the date of receipt of the default notice.

15. Events of Default.

Provided such failure is not the fault of Department or outside the reasonable control of Grantee, the following non-exclusive list of events, acts, or omissions, shall constitute events of default:

a. The commitment of any material breach of this Agreement by Grantee, including failure to timely deliver a material deliverable, failure to perform the minimal level of services required for a deliverable, discontinuance of the performance of the work, failure to resume work that has been discontinued within a reasonable time after notice to do so, or abandonment of the Agreement;
b. The commitment of any material misrepresentation or omission in any materials, or discovery by the Department of such, made by the Grantee in this Agreement or in its application for funding;
c. Failure to submit any of the reports required by this Agreement or having submitted any report with incorrect, incomplete, or insufficient information;
d. Failure to honor any term of the Agreement;
e. Failure to abide by any statutory, regulatory, or licensing requirement, including an entry of an order revoking the certificate of authority granted to the Grantee by a state or other licensing authority;
f. Failure to pay any and all entities, individuals, and furnishing labor or materials, or failure to make payment to any other entities as required by this Agreement;
g. Employment of an unauthorized alien in the performance of the work, in violation of Section 274 (A) of the Immigration and Nationality Act;
h. Failure to maintain the insurance required by this Agreement;
i. One or more of the following circumstances, uncorrected for more than thirty (30) days unless, within the specified 30-day period, Grantee (including its receiver or trustee in bankruptcy) provides to Department adequate assurances, reasonably acceptable to Department, of its continuing ability and willingness to fulfill its obligations under the Agreement:
    i. Entry of an order for relief under Title 11 of the United States Code;
    ii. The making by Grantee of a general assignment for the benefit of creditors;
    iii. The appointment of a general receiver or trustee in bankruptcy of Grantee's business or property; and/or

iv. An action by Grantee under any state insolvency or similar law for the purpose of its bankruptcy, reorganization, or liquidation.

16. Suspension of Work.

The Department may, in its sole discretion, suspend any or all activities under the Agreement, at any time, when it is in the best interest of the State to do so. The Department shall provide Grantee written notice outlining the particulars of suspension. Examples of reasons for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, Grantee shall comply with the notice. Within 90 days, or any longer period agreed to by the parties, Department shall either: (1) issue a notice authorizing resumption of work, at which time activity shall resume; or (2) terminate the Agreement. If the Agreement is terminated after 30 days of suspension, the notice of suspension shall be deemed to satisfy the thirty (30) days' notice required for a notice of termination for convenience. Suspension of work shall not entitle Grantee to any additional compensation.

17. Force Majeure.

The Grantee shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of Grantee or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond Grantee's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to Grantee. In case of any delay Grantee believes is excusable, Grantee shall notify Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten days after the cause that creates or will create the delay first arose, if Grantee could reasonably foresee that a delay could occur as a result; or (2) if delay is not reasonably foreseeable, within five days after the date Grantee first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY**. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against Department. The Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist Grantee shall perform at no increased cost, unless Department determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to Department, in which case Department may: (1) accept allocated performance or deliveries from Grantee, provided that Grantee grants preferential treatment to Department with respect to products subjected to allocation; (2) contract with other sources (without recourse to and by Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate Agreement in whole or in part.

18. Indemnification.

a. The Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless Department and its officers, agents, and employees, from suits, actions, damages, and costs of every name and description arising from or relating to:
   i. personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors; provided, however, that Grantee shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of Department;
   ii. the Grantee's breach of this Agreement or the negligent acts or omissions of Grantee.

b. The Grantee's obligations under the preceding paragraph with respect to any legal action are contingent upon Department giving Grantee: (1) written notice of any action or threatened action; (2) the opportunity to take over and settle or defend any such action at Grantee's sole expense; and (3) assistance in defending the action at Grantee's sole expense. The Grantee shall not be liable for any cost, expense, or compromise incurred or made by Department in any legal action without Grantee's prior written consent, which shall not be unreasonably withheld.

c. Notwithstanding sections a. and b. above, the following is the sole indemnification provision that applies to Grantees that are governmental entities: Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, F.S. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State to be sued by third parties in any matter arising out of any contract or this Agreement.

d. No provision in this Agreement shall require Department to hold harmless or indemnify Grantee, insure or assume liability for Grantee's negligence, waive Department's sovereign immunity under the laws of Florida, or otherwise impose liability on Department for which it would not otherwise be responsible. Any provision, implication or suggestion to the contrary is null and void.

19. Limitation of Liability.

The Department's liability for any claim arising from this Agreement is limited to compensatory damages in an amount no greater than the sum of the unpaid balance of compensation due for goods or services rendered pursuant to and in compliance with the terms of the Agreement. Such liability is further limited to a cap of $100,000.

20. Remedies.

Nothing in this Agreement shall be construed to make Grantee liable for force majeure events. Nothing in this Agreement, including financial consequences for nonperformance, shall limit Department's right to pursue its remedies for other types of damages under the Agreement, at law or in equity. The Department may, in addition to other remedies available to it, at law or in equity and upon notice to Grantee, retain such monies from amounts due Grantee as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against it.

21. Waiver.

The delay or failure by Department to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of Department's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

22. Statutory Notices Relating to Unauthorized Employment and Subcontracts.

a. The Department shall consider the employment by any Grantee of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

b. Pursuant to Sections 287.133, 287.134, and 287.137 F.S., the following restrictions apply to persons placed on the convicted vendor list, discriminatory vendor list, or the antitrust violator vendor list:

   i. Public Entity Crime. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, F.S., for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

   ii. Discriminatory Vendors. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

   iii. Antitrust Violator Vendors. A person or an affiliate who has been placed on the antitrust violator vendor list following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply on any contract to provide any good or services to a public entity; may not submit a bid, proposal, or reply on any contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with a public entity; and may not transact new business with a public entity.

   iv. Notification. The Grantee shall notify Department if it or any of its suppliers, subcontractors, or consultants have been placed on the convicted vendor list, the discriminatory vendor list, or antitrust violator vendor list during the life of the Agreement. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and the antitrust violator vendor list and posts the list on its website. Questions regarding the discriminatory vendor list or antitrust violator vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity, at (850) 487-0915.

23. Compliance with Federal, State and Local Laws.

a. The Grantee and all its agents shall comply with all federal, state and local regulations, including, but not limited to, nondiscrimination, wages, social security, workers' compensation, licenses, and registration requirements. The Grantee shall include this provision in all subcontracts issued as a result of this Agreement.

b. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.

c. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

d. Any dispute concerning performance of the Agreement shall be processed as described herein. Jurisdiction for any damages arising under the terms of the Agreement will be in the courts of the State, and venue will be in the Second Judicial Circuit, in and for Leon County. Except as otherwise provided by law, the parties agree to be responsible for their own attorney fees incurred in connection with disputes arising under the terms of this Agreement.

24. Build America, Buy America Act (BABA) - Infrastructure Projects with Federal Funding.

This provision does not apply to Agreements that are wholly funded by Coronavirus State and Local Fiscal Recovery Funds under the American Rescue Plan Act. Also, this provision does not apply where there is a valid waiver in place. However, the provision may apply to funds expended before the waiver or after expiration of the waiver.

If applicable, Recipients or Subrecipients of an award of Federal financial assistance from a program for infrastructure are required to comply with the Build America, Buy America Act (BABA), including the following provisions:

a. All iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;

b. All manufactured products used in the project are produced in the United States-this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and

c. All construction materials are manufactured in the United States-this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

25. Scrutinized Companies.

a. Grantee certifies that it is not on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel. Pursuant to Section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies that Boycott Israel List or is engaged in the boycott of Israel during the term of the Agreement.

b. If this Agreement is for more than one million dollars, the Grantee certifies that it is also not on the Scrutinized Companies with Activities in Sudan, Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria as identified in Section 287.135, F.S. Pursuant to Section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies with Activities in Sudan List, or Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria during the term of the Agreement.

c. As provided in Subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions then they shall become inoperative.

26. Lobbying and Integrity.

The Grantee agrees that no funds received by it under this Agreement will be expended for the purpose of lobbying the Legislature or a State agency pursuant to Section 216.347, F.S., except that pursuant to the requirements of Section

287.058(6), F.S., during the term of any executed agreement between Grantee and the State, Grantee may lobby the executive or legislative branch concerning the scope of services, performance, term, or compensation regarding that agreement. The Grantee shall comply with Sections 11.062 and 216.347, F.S.

27. Record Keeping.

The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with United States generally accepted accounting principles (US GAAP) consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following the completion date or termination of the Agreement. In the event that any work is subcontracted, Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes. Upon request of Department's Inspector General, or other authorized State official, Grantee shall provide any type of information the Inspector General deems relevant to Grantee's integrity or responsibility. Such information may include, but shall not be limited to, Grantee's business or financial records, documents, or files of any type or form that refer to or relate to Agreement. The Grantee shall retain such records for the longer of: (1) three years after the expiration of the Agreement; or (2) the period required by the General Records Schedules maintained by the Florida Department of State (available at: http://dos.myflorida.com/library-archives/records-management/general-records-schedules/).

28. Audits.

a. Inspector General. The Grantee understands its duty, pursuant to Section 20.055(5), F.S., to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its sub-grantees and/or subcontractors issued under this Agreement, if any, impose this requirement, in writing, on its sub-grantees and/or subcontractors, respectively.

b. Physical Access and Inspection. Department personnel shall be given access to and may observe and inspect work being performed under this Agreement, with reasonable notice and during normal business hours, including by any of the following methods:
    i. Grantee shall provide access to any location or facility on which Grantee is performing work, or storing or staging equipment, materials or documents;
    ii. Grantee shall permit inspection of any facility, equipment, practices, or operations required in performance of any work pursuant to this Agreement; and,
    iii. Grantee shall allow and facilitate sampling and monitoring of any substances, soils, materials or parameters at any location reasonable or necessary to assure compliance with any work or legal requirements pursuant to this Agreement.

c. Special Audit Requirements. The Grantee shall comply with the applicable provisions contained in Attachment 5, Special Audit Requirements. Each amendment that authorizes a funding increase or decrease shall include an updated copy of Exhibit 1, to Attachment 5. If Department fails to provide an updated copy of Exhibit 1 to include in each amendment that authorizes a funding increase or decrease, Grantee shall request one from the Department's Grants Manager. The Grantee shall consider the type of financial assistance (federal and/or state) identified in Attachment 5, Exhibit 1 and determine whether the terms of Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. For federal financial assistance, Grantee shall utilize the guidance provided under 2 CFR §200.331 for determining whether the relationship represents that of a subrecipient or vendor. For State financial assistance, Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website: https:\\apps.fldfs.com\fsaa.

d. Proof of Transactions. In addition to documentation provided to support cost reimbursement as described herein, Department may periodically request additional proof of a transaction to evaluate the appropriateness of costs to the Agreement pursuant to State guidelines (including cost allocation guidelines) and federal, if applicable. Allowable costs and uniform administrative requirements for federal programs can be found under 2 CFR 200. The Department may also request a cost allocation plan in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). The Grantee must provide the additional proof within thirty (30) days of such request.

e. No Commingling of Funds. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.

i. If Department finds that these funds have been commingled, Department shall have the right to demand a refund, either in whole or in part, of the funds provided to Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from Department shall refund, and shall forthwith pay to Department, the amount of money demanded by Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from Department by Grantee to the date repayment is made by Grantee to Department.

ii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by Department, from another source(s), Grantee shall reimburse Department for all recovered funds originally provided under this Agreement and interest shall be charged for those recovered costs as calculated on from the date(s) the payment(s) are recovered by Grantee to the date repayment is made to Department.

iii. Notwithstanding the requirements of this section, the above restrictions on commingling funds do not apply to agreements where payments are made purely on a cost reimbursement basis.

29. Conflict of Interest.

The Grantee covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of services required.

30. Independent Contractor.

The Grantee is an independent contractor and is not an employee or agent of Department.

31. Subcontracting.

a. Unless otherwise specified in the Special Terms and Conditions, all services contracted for are to be performed solely by Grantee.

b. The Department may, for cause, require the replacement of any Grantee employee, subcontractor, or agent. For cause, includes, but is not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with an applicable Department policy or other requirement.

c. The Department may, for cause, deny access to Department's secure information or any facility by any Grantee employee, subcontractor, or agent.

d. The Department's actions under paragraphs b. or c. shall not relieve Grantee of its obligation to perform all work in compliance with the Agreement. The Grantee shall be responsible for the payment of all monies due under any subcontract. The Department shall not be liable to any subcontractor for any expenses or liabilities incurred under any subcontract and Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under any subcontract.

e. The Department will not deny Grantee's employees, subcontractors, or agents access to meetings within the Department's facilities, unless the basis of Department's denial is safety or security considerations.

f. The Department supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State. A list of minority-owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.

g. The Grantee shall not be liable for any excess costs for a failure to perform, if the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both Grantee and the subcontractor(s), and without the fault or negligence of either, unless the subcontracted products or services were obtainable from other sources in sufficient time for Grantee to meet the required delivery schedule.

32. Guarantee of Parent Company.

If Grantee is a subsidiary of another corporation or other business entity, Grantee asserts that its parent company will guarantee all of the obligations of Grantee for purposes of fulfilling the obligations of Agreement. In the event Grantee is sold during the period the Agreement is in effect, Grantee agrees that it will be a requirement of sale that the new parent company guarantee all of the obligations of Grantee.

33. Survival.

The respective obligations of the parties, which by their nature would continue beyond the termination or expiration of this Agreement, including without limitation, the obligations regarding confidentiality, proprietary interests, and public records, shall survive termination, cancellation, or expiration of this Agreement.

34. Third Parties.

The Department shall not be deemed to assume any liability for the acts, failures to act or negligence of Grantee, its agents, servants, and employees, nor shall Grantee disclaim its own negligence to Department or any third party. This

Agreement does not and is not intended to confer any rights or remedies upon any person other than the parties. If Department consents to a subcontract, Grantee will specifically disclose that this Agreement does not create any third-party rights. Further, no third parties shall rely upon any of the rights and obligations created under this Agreement.

35. Severability.

If a court of competent jurisdiction deems any term or condition herein void or unenforceable, the other provisions are severable to that void provision, and shall remain in full force and effect.

36. Grantee's Employees, Subcontractors and Agents.

All Grantee employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Grantee shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under Agreement must comply with all security and administrative requirements of Department and shall comply with all controlling laws and regulations relevant to the services they are providing under the Agreement.

37. Assignment.

The Grantee shall not sell, assign, or transfer any of its rights, duties, or obligations under the Agreement, or under any purchase order issued pursuant to the Agreement, without the prior written consent of Department. In the event of any assignment, Grantee remains secondarily liable for performance of the Agreement, unless Department expressly waives such secondary liability. The Department may assign the Agreement with prior written notice to Grantee of its intent to do so.

38. Compensation Report.

If this Agreement is a sole-source, public-private agreement or if the Grantee, through this agreement with the State, annually receive 50% or more of their budget from the State or from a combination of State and Federal funds, the Grantee shall provide an annual report, including the most recent IRS Form 990, detailing the total compensation for the entities' executive leadership teams. Total compensation shall include salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout. The Grantee must also inform the Department of any changes in total executive compensation between the annual reports. All compensation reports must indicate what percent of compensation comes directly from the State or Federal allocations to the Grantee.

39. Execution in Counterparts and Authority to Sign.

This Agreement, any amendments, and/or change orders related to the Agreement, may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument. In accordance with the Electronic Signature Act of 1996, electronic signatures, including facsimile transmissions, may be used and shall have the same force and effect as a written signature. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

SUMMARY ANALYSIS

Sea level rise is an observed increase in the average local sea level or global sea level trend. With 1,350 miles of coastline and relatively low elevations, Florida is particularly vulnerable to coastal flooding, and analysts estimate that Florida could lose more than $300 billion in property value by 2100 due to sea level rise and flooding.

The Department of Environmental Protection (DEP) regulates coastal construction to protect Florida's beaches and dunes from imprudent construction that can jeopardize the stability of the beach-dune system, accelerate erosion, provide inadequate protection to upland structures, endanger adjacent properties, or interfere with public beach access. DEP also implements the Resilient Florida Grant Program, which provides grants to local governments to fund community resilience planning and vulnerability assessments.

In 2020, the Legislature passed Senate Bill 178 (ch. 2020-119, Laws of Florida) which prohibited a public entity from commencing construction of certain state-funded coastal structures unless the entity has conducted a sea level impact projection (SLIP) study to assess risks to the structure. Chapter 2020-119, Laws of Florida, directed DEP to adopt rules to develop a standard by which public entities must conduct the SLIP study and specified requirements.

The bill expands the requirement for public entities to conduct a SLIP study before commencing construction of certain state-financed coastal structures to apply the requirement to certain structures that are within any area that is at risk due to sea level rise, not just areas within the coastal building zone. The structures subject to this requirement are any "potentially at-risk structures or infrastructure," which include certain critical assets or historical or cultural assets that are within an area at risk due to sea level rise.

The bill expands the Resilient Florida Grant Program to provide funding to:

- Municipalities and counties for feasibility studies and permitting costs for nature-based solutions that reduce the impact of flooding and sea level rise; and
- Water management districts to support local government adaptation planning.

The bill may have an indeterminate negative fiscal impact on state government, DEP, and local governments.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Background

Sea Level Rise and Coastal Flooding

Sea level rise (SLR), is an observed increase in the average local sea level or global sea level trend.[1] The two major causes of SLR are thermal expansion caused by the warming of the oceans and the loss of land-based ice due to melting.[2] Since 1880, the average global SLR has risen approximately eight to nine inches, and the rate of global SLR has been accelerating.[3] The National Oceanic and Atmospheric Administration (NOAA) utilizes tide gauges to measure changes in sea level and provides data on local SLR trends.[4] An analysis of this data shows that some low-lying areas in the southeastern United States experience higher local rates of SLR than the global average.[5]

With 1,350 miles of coastline and relatively low elevations, Florida is particularly vulnerable to coastal flooding.[6] Florida's coastal communities are regularly experiencing high-tide flooding events because SLR increases the height of high tides.[7] Analysts estimate that Florida could lose more than $300 billion in property value by 2100 due to SLR and flooding.[8] As sea levels and groundwater levels rise and extreme rainfall events occur, low areas drain more slowly, resulting in overwhelmed stormwater infrastructure and an increased frequency and magnitude of coastal and lowland flood events.[9] Sunny-day flooding, nuisance flooding, and king tide flooding are examples of these events.[10]

State, Regional, and Local Programs

There are many state, regional, and local programs and policies in place that address issues relating to SLR and coastal flooding. The Office of Resilience and Coastal Protection within the Department of Environmental Protection (DEP) implements numerous programs related to SLR and coastal issues, including the Resilient Florida Program, the Florida Resilient Coastlines Program, the Coastal Construction Control Line Program, and the Beach Management Funding Assistance Program.[11] Through the Resilient Florida Program and the Florida Resilient Coastlines Program, DEP provides technical assistance and funding to communities at risk due to flooding and SLR for vulnerability assessments and adaptation projects aimed at reducing such risks.[12]

Regionally, many local communities have collaborated together to address impacts from flooding, SLR, and climate change.[13] For example, Broward, Miami-Dade, Monroe, and Palm Beach Counties formed the Southeast Florida Regional Climate Change Compact (Compact). The Compact's work has included developing a Regional Climate Action Plan and developing a Unified Sea Level Rise Projection.[14] Many local governments in southeast Florida have since incorporated the Compact's projections into their planning documents.[15]

Florida's local governments in coastal areas are required to have a coastal management element in their comprehensive plans, known as a Peril of Flood Ordinance, that uses principles to reduce flood risk and eliminate unsafe development in coastal areas.[16] In certain coastal areas, local governments are authorized to establish an "adaptation action area" designation in their comprehensive plan to develop policies and funding priorities that improve coastal resilience and plan for SLR.[17]

Office of Resilience and Coastal Protection

In January 2019, the Governor issued Executive Order 19-12, creating the Office of Resilience and Coastal Protection to help prepare Florida's coastal communities and habitats for impacts from SLR by providing funding, technical assistance, and coordination among state, regional, and local entities.[18] In August 2019, the Governor appointed Florida's first Chief Resilience Officer, who reports to the Executive Office of the Governor and collaborates with state agencies, local communities, and stakeholders to prepare for the impacts of SLR and climate change.[19]

Coastal Construction

DEP regulates coastal construction to protect Florida's beaches and dunes from imprudent construction that can jeopardize the stability of the beach-dune system, accelerate erosion, provide inadequate protection to upland structures, endanger adjacent properties, or interfere with public beach access.[20] Coastal construction is defined as any work or activity likely to have a material physical effect on existing coastal conditions or natural shore and inlet processes.[21] Florida's coastal local governments may also establish coastal construction zoning and building codes in lieu of the statutory requirements as long as they are approved by DEP.[22]

The coastal construction control line (CCCL) defines the portion of the beach-dune system that is subject to severe fluctuations caused by 100-year storm surge, storm waves, or other forces such as wind, wave, or water level changes. A 100-year storm is a shore-incident hurricane or any other storm with accompanying wind, wave, and storm surge intensity that has a one percent chance of being equaled or exceeded in any given year.[23] Seaward of the CCCL, new construction and improvements

[21] Section 161.021(6), F.S.

[22] Section 161.053(3), F.S.

[23] Section 161.053, F.S.; r. 62B-33.005(1), F.A.C.; DEP, *The Homeowner's Guide to the Coastal Construction Control Line Program* (2017), 3, available at https://floridadep.gov/sites/default/files/Homeowner%27s%20Guide%20to%20the%20CCCL%20Program%206_2012%20%28002%29_0.pdf (last visited Feb. 15, 2023); Rule 62B-33.002(41), F.A.C.

to existing structures generally require a CCCL permit from DEP.[24] Due to the potential environmental impacts and greater risk of hazards from wind and flood, the standards for construction seaward of the CCCL are often more stringent than those that apply to the rest of the coastal building zone.[25] Permit applicants must show that the proposed project will not result in a significant adverse impact.[26] CCCLs are set by DEP on a countywide basis and are currently established for the majority of Florida's coast.[27]

The "mean high-water line" is the point on the shore that marks the average height of the high waters over a 19-year period.[28] The mean high-water line is generally the boundary between the publicly owned shore (the land alternately covered and uncovered by the tide) and the dry sand above the line, which may be privately owned.[29] Generally, construction is prohibited within 50 feet of the mean high-water line, known as the 50-foot setback.[30] Any structures below the mean high-water line that are determined by DEP to serve no public purpose; to endanger human life, health, or welfare; or to be undesirable or unnecessary must be adjusted, altered, or removed.[31]

Above the mean high-water line is the "seasonal high-water line," which accounts for variations in the local mean high water, such as spring tides that occur twice per month.[32] The seasonal high-water line is used to create 30-year erosion projections of long-term shoreline recession based on historical measurements.[33] DEP makes 30-year erosion projections of the location of the seasonal high-water line on a site-specific basis upon receipt of a CCCL permit application.[34] With certain exceptions, DEP and local governments may not issue CCCL permits for the construction of major structures that are seaward of the 30-year erosion projection.[35]

The Coastal Zone and Protection Act

The Legislature enacted the Coastal Zone Protection Act of 1985 (act) to minimize the impacts that activities or construction near the coast have on Florida's coastal areas.[36] The act imposes strict construction standards in Florida's coastal areas to protect the natural environment, private property, and life.[37] The act applies to activities and construction within the coastal building zone, an area stretching landward from the seasonal high-water line to a line 1,500 feet landward form the CCCL.[38]

[36] Sections 161.52-161.58, F.S.

[37] Section 161.53(1), (4), and (5), F.S.

[38] Section 161.54(1), F.S.; s. 161.55(4), F.S. On coastal barrier islands, the coastal building zone stretches 5,000 feet landward from the CCCL.

The act generally requires construction to be located a sufficient distance landward of the beach to allow natural shoreline fluctuations and preserve dune stability.[39] Nonhabitable major structures[40] and minor structures[41] must be designed to produce the minimum adverse impact on the beach and dune system.[42] Minor structures must be designed to produce the minimum adverse impact to adjacent properties and reduce the potential for water- or wind-blown material.[43]

At or prior to the time that a contract is executed for the sale of real property located partially or totally seaward of the CCCL, the seller must give a prospective purchaser a written disclosure statement that states the property may be subject to coastal erosion and to federal, state, and local regulations that govern coastal property.[44] The disclosure statement must indicate that additional information can be obtained from DEP on whether significant erosion conditions are associated with the shoreline of the property being purchased.

Chapter 2020-119, Laws of Florida

In 2020, the Legislature passed Senate Bill 178 (ch. 2020-119, Laws of Florida) which prohibited a public entity[45] from commencing construction of a state-funded coastal structure[46] unless the entity had conducted a sea level impact projection (SLIP) study, submitted the study to DEP, and received notification from DEP that the study was received and has been published on DEP's website for at least 30 days.[47]

The bill directed DEP to adopt rules to develop a standard by which public entities must conduct the SLIP study and specified that the SLIP study requirement would take effect one year after the rule became effective.[48] DEP adopted rules in accordance with the bill that became effective July 1, 2021. The SLIP study requirement took effect July 1, 2022.[49]

The bill specified that the standard adopted by DEP rule must require the public entity to:

- Use a systematic, interdisciplinary, and scientifically accepted approach in the natural sciences and construction design in conducting the SLIP study;
- Assess the flooding, inundation, and wave action damage risks relating to the coastal structure over its expected life or 50 years, whichever is less; and

[39] Section 161.55(3), F.S. The act makes exceptions for certain structures such as piers, beach access ramps, or shore protection structures.

[40] Section 161.54(6)(a), F.S., defines "major structure" to mean houses, mobile homes, apartment buildings, condominiums, motels, hotels, restaurants, towers, other types of residential, commercial, or public buildings, and other construction having the potential for substantial impact on coastal zones. Section 161.54(6)(c), F.S., defines "nonhabitable major structure" to mean swimming pools; parking garages; pipelines; piers; canals, lakes, ditches, drainage structures, and other water retention structures; water and sewage treatment plants; electrical power plants, and all related structures or facilities, transmission lines, distribution lines, transformer pads, vaults, and substations; roads, bridges, streets, and highways; and underground storage tanks.

[41] Section 161.54(6)(b), F.S., defines "minor structure" to mean pile-supported, elevated dune and beach walkover structures; beach access ramps and walkways; stairways; pile-supported, elevated viewing platforms, gazebos, and boardwalks; lifeguard support stands; public and private bathhouses; sidewalks, driveways, parking areas, shuffleboard courts, tennis courts, handball courts, racquetball courts, and other uncovered paved areas; earth retaining walls; and sand fences, privacy fences, ornamental walls , ornamental garden structures, aviaries, and other ornamental construction.

[42] Sections 161.55(1) and 161.55(2), F.S.

[43] Section 161.55(1), F.S.

[44] Section 161.57(2), F.S.

[45] Section 161.551(1)(b), F.S., defines the term "public entity" to mean the state or any of its political subdivisions, or any municipality, county, agency, special district, authority, or other public body corporate of the state that is demonstrated to perform a public function or to serve a governmental purpose that could properly be performed or served by an appropriate governmental unit.

[46] Section 161.551(1)(a), F.S., defines the term "coastal structure" to mean a major structure or nonhabitable major structure within the coastal building zone

[47] Chapter 2020-119, Laws of Fla.

[48] Section 161.551(3), F.S.

[49] Rule 62S-7.011(1), Fla. Admin. Code

- Provide alternatives for the coastal structure's design and siting, and how such alternatives would impact certain public safety and environmental risks as well as the risk and cost associated with maintaining, repairing, and constructing the coastal structure.

The bill specifically required the risk assessment conducted by the public entity to:

- Take into account potential relative local SLR and increased storm risk during the expected life of the coastal structure or 50 years, which is less, and, to the extent possible, account for the contribution of SLR versus land subsidence to the relative local SLR;
- Provide scientific and engineering evidence of the risk to the coastal structure and methods used to mitigate, adapt to, or reduce the risk;
- Use and consider available scientific research and generally accepted industry practices;
- Provide the mean average annual chance of substantial flood damage over the expected life of the coastal structure or 50 years, whichever is less; and
- Analyze potential public safety and environmental impacts resulting from damage to the coastal structure, including leakage of pollutants, electrocution and explosion hazards, and hazards resulting from floating or flying structural debris.

The bill specified that the public entity is solely responsible for ensuring that the SLIP study submitted to DEP for publication meets these requirements and required DEP to publish and maintain a copy of all SLIP studies for at least 10 years after receipt. The bill required DEP to redact any information exempt from public records requirements before publishing the study.

In addition, the bill specified that if multiple coastal structures are to be built concurrently within one project, a public entity may conduct and submit one SLIP study for the entire project.

If a public entity commences construction of a coastal structure but has not conducted a SLIP study, the bill authorized DEP to institute a civil action to seek injunctive relief to cease further construction of the coastal structure or enforce compliance or, if the coastal structure has been completed or substantially completed, to seek recovery of all or a portion of the state funds expended on the coastal structure.

Lastly, the bill specified that the failure to implement what is contained in the SLIP study does not create a cause of action for damages or otherwise authorize the imposition of penalties by a public entity.

Resilient Florida Program

Established within DEP in 2021, The Resilient Florida Program (Program) enhances efforts to protect Florida's inland waterways, coastlines, and shores, which serve as invaluable natural defenses against SLR.[50] The Program includes a selection of grants that are available to counties, municipalities, water management districts, flood control districts and regional resilience entities.[51] To effectively address the impacts of flooding and SLR that the state faces, eligible applicants may receive funding assistance to analyze and plan for vulnerabilities, as well as implement projects for adaptation and mitigation. The Resilient Florida Program creates grant funding opportunities under the Resilient Florida Grant Program and the Statewide Flooding and Sea Level Rise Resilience Plan.[52]

Resilient Florida Grant Program

Under the Resilient Florida Grant Program, subject to appropriation, DEP may provide grants to a county or municipality to fund[53]:

- Costs of community resilience planning and necessary data collection for such planning, including comprehensive plan amendments and necessary corresponding analyses that address Peril of Flood requirements;
- Vulnerability assessments that identify or address risks of inland or coastal flooding and SLR;[54]

[50] DEP, *Resilient Florida Program*, https://floridadep.gov/ResilientFlorida (last visited March 2, 2023).
[51] DEP, *Resilient Florida Grants*, https://floridadep.gov/Resilient-Florida-Program/Grants (last visited March 2, 2023).
[52] Sections 380.093(3) and 380.093(5), F.S.
[53] Section 380.093(3), F.S.

- The development of projects, plans, and policies that allow communities to prepare for threats from flooding and SRL; and
- Preconstruction activities for projects to be submitted for inclusion in the Statewide Flooding and Sea Level Rise Resilience Plan that are located in a municipality that has a population of 10,000 or fewer or a county that has a population of 50,000 or fewer.

The Florida Flood Hub

In 2021, the Legislature established The Florida Flood Hub for Applied Research and Innovation (Flood Hub) within the University of South Florida (USF) College of Marine Science to bridge the gap between scientists, policymakers, practitioners, and the public to help communities mitigate and adapt to flooding risks.[55] The Flood Hub is required to organize existing data needs, establish community-based programs to improve flood monitoring, and develop opportunities to partner with other flood and SLR research and innovation leaders.[56] The Flood Hub must also submit an annual comprehensive report to the Governor, the President of the Senate, and the Speaker of the House of Representatives that outlines its clearly defined goals, efforts, and progress.[57]

Effect of the Bill

The bill expands the Resilient Florida Grant Program to provide funding to:

- Municipalities and counties for feasibility studies and permitting costs for nature-based solutions that reduce the impact of flooding and SLR.
- Water management districts to support local government adaptation planning, which may be conducted by the water management district or by a third party on behalf of the water management district. These grants must be used for the express purpose of supporting the Flood Hub and DEP through data creation and collection, modeling, and the implementation of statewide standards. Priority must be given to filling critical data gaps identified by the Flood Hub.

The bill expands the requirement for public entities to conduct a SLIP study before commencing construction of certain state-financed coastal structures to apply the requirement to certain structures that are within any area that is at risk due to SLR, not just areas within the coastal building zone. The structures that are subject to this requirement are any "potentially at-risk structures or infrastructure," which are defined as any of the following when within an area at risk due to SLR:

- A critical asset as defined in s. 380.093(2)(a)1.-3, F.S.[58]
- A historical or cultural asset.

The bill defines an "area at risk due to sea level rise" as any location that is projected to be below the threshold for tidal flooding within the next 50 years by adding SLR using the highest of two local SLR scenarios, which must include the 2017 NOAA intermediate-low and intermediate-high SLR projections.

---

[54] Sections 380.093(3)(b)(2) and 380.093(3)(c), F.S.

[55] Section 380.0933, F.S.; USF College of Marine Science, *Florida Flood Hub for Applied Research and Innovation*, https://www.usf.edu/marine-science/research/florida-flood-hub-for-applied-research-and-innovation/ (last visited March 2, 2023).

[56] Section 380.0933(2), F.S.

[57] Section 380.0933(5), F.S.

[58] Section 380.093(2)(a)1.-3., F.S., defines the term "critical asset" to include:

1. Transportation assets and evacuation routes, including airports, bridges, bus terminals, ports, major roadways, marinas, rail facilities, and railroad bridges.

2. Critical infrastructure, including wastewater treatment facilities and lift stations, stormwater treatment facilities and pump stations, drinking water facilities, water utility conveyance systems, electric production and supply facilities, solid and hazardous waste facilities, military installations, communications facilities, and disaster debris management sites.

3. Critical community and emergency facilities, including schools, colleges, universities, community centers, correctional facilities, disaster recovery centers, emergency medical service facilities, emergency operation centers, fire stations, health care facilities, hospitals, law enforcement facilities, local government facilities, logistical staging areas, affordable public housing, risk shelter inventory, and state government facilities.

The bill requires the SLIP study standard risk assessment to provide an estimated probability of significant flood damage to the structure or infrastructure, to provide a list of flood mitigation strategies evaluated as part of the design of the structure or infrastructure, and to identify appropriate flood mitigation strategies for consideration as part of the structure or infrastructure design.

The bill defines "significant flood damage" to mean flood, erosion, inundation, or wave action damage resulting from a discrete or compound natural hazard event, such as a flood or tropical weather system, where such damage exceeds:

- 25 percent of the replacement cost of the structure or infrastructure at the time of the event; or
- A defined threshold established by DEP by rule, in coordination with the Department of Transportation and water management districts, for a potentially at-risk structure or infrastructure where replacement cost is not an appropriate metric, such as roadways. The threshold must be established by July 1, 2024.

The bill specifies that the SLIP study requirements must apply beginning July 1, 2024.

The bill sunsets s. 161.551, F.S., which requires SLIP studies for state financed structures within the coastal building zone, as these structures will be subject to the new SLIP study requirements created in the bill.

B. SECTION DIRECTORY:

Section 1. Amends s. 380.093, F.S., relating to the Resilient Florida Grant Program.

Section 2. Creates s. 380.0937, F.S., relating to public financing of construction projects within areas at risk due to SLR.

Section 3. Amends s. 161.551, F.S., relating to public financing of construction projects within the coastal building zone.

Section 4. Provides an effective date of July 1, 2023.

II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

None.

2. Expenditures:

The bill may have an indeterminate negative fiscal impact on state government in the short-term because the bill requires governmental entities to conduct a SLIP study prior to construction of at-risk structures. However, the SLIP study will identify risks that could potentially avoid damage and loss of structures that were constructed using state funds, so the bill may result in an indeterminate positive fiscal impact to state government in the long-term.

The bill may have an indeterminate negative fiscal impact on DEP because it requires DEP to conduct rulemaking, update the SLIP Study Tool, and maintain copies of each SLIP study on its website for at least 10 years; however, these costs can be absorbed within DEP's existing resources.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

None.

2. Expenditures:

The bill may have an indeterminate negative fiscal impact on local governments because the bill requires governmental entities to conduct a SLIP study prior to construction of certain structures. However, the SLIP study will identify risks that could potentially avoid fiscal damage and loss of those structures, so the bill may result in an indeterminate positive fiscal impact to local governments in the long-term.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

None.

D. FISCAL COMMENTS:

None.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

The county/municipality mandates provision of Art. VII, section 18, of the Florida Constitution may apply because this bill requires counties and municipalities that use state funds to build a structure in an area at risk of sea level rise to conduct a SLIP study before commencing construction. However, an exemption may apply if the bill results in an insignificant fiscal impact to county or municipal governments.

2. Other:

None.

B. RULE-MAKING AUTHORITY:

The bill would require DEP to revise its rules regarding SLIP studies for state funded structures.

C. DRAFTING ISSUES OR OTHER COMMENTS:

None.

IV. AMENDMENTS/COMMITTEE SUBSTITUTE CHANGES

On March 15, 2023, the Agriculture, Conservation & Resiliency Subcommittee adopted a proposed committee substitute (PCS) and reported the bill favorably as a committee substitute. The PCS expanded the Resilient Florida Grant Program to provide funding to:

- Municipalities and counties for feasibility studies and permitting costs for nature-based solutions that reduce the impact of flooding and sea level rise; and
- Water management districts to support local government adaptation planning.

This analysis is drafted to the committee substitute as approved by the Agriculture, Conservation & Resiliency Subcommittee.

A bill to be entitled

An act relating to flooding and sea level rise vulnerability studies; amending s. 380.093, F.S.; revising the purposes for which the Department of Environmental Protection may provide grants under the Resilient Florida Grant Program to counties or municipalities; authorizing the department to provide such grants to water management districts for a specified purpose; requiring such grants to be prioritized; creating s. 380.0937, F.S.; providing definitions; requiring state-financed constructors to take specified actions before commencing construction of potentially at-risk structures or infrastructure beginning on a specified date; requiring the department to develop a specified sea level impact projection study standard by rule; authorizing the department to bring civil actions, seek injunctive relief, recover certain funds, and enforce specified requirements; providing construction; requiring the department to publish sea level impact projection studies on its website, subject to certain conditions, and adopt rules; amending s. 161.551, F.S.; providing for future repeal of requirements for the construction of certain structures in the coastal building zone; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Paragraph (b) of subsection (3) of section 380.093, Florida Statutes, is amended to read:

380.093 Resilient Florida Grant Program; comprehensive statewide flood vulnerability and sea level rise data set and assessment; Statewide Flooding and Sea Level Rise Resilience Plan; regional resilience entities.—

(3) RESILIENT FLORIDA GRANT PROGRAM.—

(b) Subject to appropriation, the department may provide grants to each of the following entities:

1. A county or municipality to fund:

a.~~1.~~ The costs of community resilience planning and necessary data collection for such planning, including comprehensive plan amendments and necessary corresponding analyses that address the requirements of s. 163.3178(2)(f).

b.~~2.~~ Vulnerability assessments that identify or address risks of inland or coastal flooding and sea level rise.

c.~~3.~~ The development of projects, plans, and policies that allow communities to prepare for threats from flooding and sea level rise.

d.~~4.~~ Preconstruction activities for projects to be submitted for inclusion in the Statewide Flooding and Sea Level Rise Resilience Plan that are located in a municipality that has

a population of 10,000 or fewer or a county that has a population of 50,000 or fewer, according to the most recent April 1 population estimates posted on the Office of Economic and Demographic Research's website.

e. Feasibility studies and the cost of permitting for nature-based solutions that reduce the impact of flooding and sea level rise.

2. A water management district identified in s. 373.069 to support local government adaptation planning, which may be conducted by the water management district or by a third party on behalf of the water management district. Such grants must be used for the express purpose of supporting the Florida Flood Hub for Applied Research and Innovation and the department in implementing this section through data creation and collection, modeling, and the implementation of statewide standards. Priority must be given to filling critical data gaps identified by the Florida Flood Hub for Applied Research and Innovation under s. 380.0933(2)(a).

Section 2. Section 380.0937, Florida Statutes, is created to read:

380.0937 Public financing of construction projects within areas at risk due to sea level rise.—

(1) As used in this section, the term:

(a) "Area at risk due to sea level rise" means any location that is projected to be below the threshold for tidal

flooding within the next 50 years by adding sea level rise using the highest of the sea level rise projections required by s. 380.093(3)(d)3.b. For purposes of this paragraph, the threshold for tidal flooding is 2 feet above mean higher high water.

(b) "Department" means the Department of Environmental Protection.

(c) "Potentially at-risk structure or infrastructure" means any of the following when within an area at risk due to sea level rise:

1. A critical asset as defined in s. 380.093(2)(a)1.-3.

2. A historical or cultural asset.

(d) "Public entity" means the state or any of its political subdivisions, or any municipality, county, agency, special district, authority, or other public body corporate of the state which is demonstrated to perform a public function or to serve a governmental purpose that could properly be performed or served by an appropriate governmental unit.

(e) "Significant flood damage" means flood, erosion, inundation, or wave action damage resulting from a discrete or compound natural hazard event, such as a flood or tropical weather system, where such damage exceeds:

1. Twenty-five percent of the replacement cost of the potentially at-risk structure or infrastructure at the time of the event; or

2. A defined threshold established by the department by

rule, in coordination with the Department of Transportation and water management districts, for a potentially at-risk structure or infrastructure for which replacement cost is not an appropriate metric, such as roadways. The threshold must be established by July 1, 2024.

(f) "SLIP study" means a sea level impact projection study as established by the department pursuant to subsection (3).

(g) "State-financed constructor" means a public entity that commissions or manages a construction project using funds appropriated from the state.

(2) Beginning July 1, 2024, a state-financed constructor may not commence construction of a potentially at-risk structure or infrastructure without:

(a) Conducting a SLIP study that meets the requirements established by the department;

(b) Submitting the study to the department; and

(c) Receiving notification from the department that the study was received and that it has been published on the department's website pursuant to paragraph (6)(a) for at least 30 days. The state-financed constructor is solely responsible for ensuring that the study submitted to the department for publication meets the requirements of subsection (3).

(3) The department shall develop by rule a standard by which a state-financed constructor must conduct a SLIP study and may require that a professional engineer sign off on the study.

The rule applies only to projects not yet commenced as of the date the rule is finalized. The rule may not apply retroactively to projects that commenced before the date the rule is finalized. At a minimum, the standard must require that a state-financed constructor do all of the following:

(a) Use a systematic, interdisciplinary, and scientifically accepted approach in the natural sciences and construction design in conducting the study.

(b) Assess the flooding, inundation, and wave action damage risks relating to the potentially at-risk structure or infrastructure over its expected life or 50 years, whichever is less.

1. The assessment must take into account potential relative local sea-level rise and increased storm risk during the expected life of the potentially at-risk structure or infrastructure or 50 years, whichever is less, and, to the extent possible, account for the construction of sea-level rise versus land subsidence to the relative local sea-level rise.

2. The assessment must provide scientific and engineering evidence of the risk to the potentially at-risk structure or infrastructure and methods used to mitigate, adapt to, or reduce this risk.

3. The assessment must use and consider available scientific research and generally accepted industry practices.

4. The assessment must provide an estimated probability of

significant flood damage to the potentially at-risk structure or infrastructure over the expected life of the structure or infrastructure or 50 years, whichever is less.

5. The assessment must analyze potential public safety and environmental impacts resulting from damage to the potentially at-risk structure or infrastructure, including, but not limited to, leakage of pollutants, electrocution and explosion hazards, and hazards resulting from floating or flying structural debris.

(c) Provide alternatives for the design and siting of the potentially at-risk structure or infrastructure and analyze how such alternatives would impact the risks specified in subparagraph (b)5. as well as the risk and cost associated with maintaining, repairing, and constructing the potentially at-risk structure or infrastructure.

(d) Provide a list of flood mitigation strategies evaluated as part of the design of the potentially at-risk structure or infrastructure and identify appropriate flood mitigation strategies for consideration as part of the potentially at-risk structure or infrastructure design.

If multiple potentially at-risk structures or infrastructure are to be built concurrently within one project, a state-financed constructor may conduct and submit one SLIP study for the entire project for publication by the department.

(4) If a state-financed constructor commences construction

of a potentially at-risk structure or infrastructure but has not complied with the SLIP study requirement under subsection (2), the department may bring a civil action in a court of competent jurisdiction to:

(a) Seek injunctive relief to cease further construction of the potentially at-risk structure or infrastructure or to enforce compliance with this section or with rules adopted by the department pursuant to this section.

(b) If the potentially at-risk structure or infrastructure has been completed or has been substantially completed, seek recovery of all or a portion of state funds expended on the potentially at-risk structure or infrastructure.

(5) This section does not create a cause of action for damages or otherwise authorize the imposition of penalties by a public entity for failure to implement what is contained in the SLIP study.

(6) The department:

(a) Shall publish and maintain a copy of each SLIP study submitted pursuant to this section on its website for at least 10 years after the date the department receives the study. However, any portion of a study containing information that is exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution must be redacted by the department before publication.

(b) Shall adopt rules as necessary to administer this

section.

(c) May enforce the requirements of this section.

Section 3. Subsection (8) is added to section 161.551, Florida Statutes, to read:

161.551 Public financing of construction projects within the coastal building zone.—

(8) This section is repealed July 1, 2024.

Section 4. This act shall take effect July 1, 2023.

AGREEMENT TO FURNISH PROFESSIONAL SERVICES TO THE

CITY OF FERNANDINA BEACH, FLORIDA

CONTINUING CONTRACT

This AGREEMENT made on the 16th day of November, 2021 between the **City of Fernandina Beach**, a municipal corporation whose address at 204 Ash Street, Fernandina Beach, Florida 32034 ("CITY") and the consultant, **HALFF Associates, Inc.** whose address is 7807 Baymeadows Rd East, Suite 200, Jacksonville, FL 32256, ("CONSULTANT").

For the consideration hereinafter set forth, **HALFF Associates, Inc.** hereinafter referred to as the CONSULTANT, agrees to provide professional services to the City of Fernandina Beach, as follows:

ARTICLE 1 - SCOPE OF SERVICES

The parties hereto agree that under this Agreement, the CONSULTANT will provide professional services of a specified nature as described in Exhibit "A" - Scope of Services, attached hereto and incorporated as if fully set forth herein, when and if the City of Fernandina Beach requests the CONSULTANT to provide such services.

ARTICLE 2 - TERM OF AGREEMENT (CONTINUING CONTRACT)

The CITY enters into this AGREEMENT in accordance with all the procedures of the Consultants' Competitive Negotiation Act, Sec. 287.055, Fla. Stats. ("CCNA"). The CITY issued Request for Qualifications 21-01 on June 25, 2021. The CITY qualified the CONSULTANT using an evaluation committee process. The CONSULTANT understands and agrees that this AGREEMENT is defined as a "continuing contract" under the CCNA and is non-exclusive. A "continuing contract" under CCNA is for professional services provided to the CITY for projects in which the estimated construction cost of each individual project under the contract does not exceed $4 Million or for study activity if the fee for professional services for each individual study under the contract does not exceed $500,000. This AGREEMENT provides a termination clause in subsection 4(M) below.

A. Fees

As consideration for providing the services enumerated in Article I, the City of Fernandina Beach shall pay the CONSULTANT fees as defined in the purchase or task order. The CONSULTANT's fees shall be based on one of the following as requested by the City of Fernandina Beach and as determined in each purchase or task order:

1. Lump Sum Method - Wherein the City of Fernandina Beach shall pay the CONSULTANT an agreed upon lump sum amount, which includes all of the CONSULTANT's Direct Salary, Overhead Costs, Direct Expenses, Sub-contractors, and Profit.

2. Standard Hourly Rate Method (Time and Material Not to Exceed) - Wherein the City of Fernandina Beach shall pay the CONSULTANT the agreed upon hourly rates for time actually engaged on the work covered by this agreement.

3. Other methods of payment as agreed to by both parties and as described in the purchase or task order.

B. Direct Project Expenses

Charges for printing, reproduction, field equipment, and any laboratory analysis performed by the CONSULTANT, and the use of the CONSULTANT's and employee's automobiles will be charged in accordance with the CONSULTANT's standard rates as determined in each purchase or task order.

C. Status Report

The CONSULTANT shall complete and submit a technical summary and budgetary status report with each invoice (format to be provided by City). In no case shall the CONSULTANT bill the City of Fernandina Beach for more than one hundred (100) percent of the previously agreed upon purchase order or task order fee, unless authorized by the City of Fernandina Beach in writing.

D. Standard Hourly-Rate--Definition

The CONSULTANT's standard hourly and overtime rates shall be provided to the City of Fernandina Beach if required for future purchase or task orders. The CONSULTANT's hourly rates will be negotiated for each individual task order, and will be applicable through the duration of the task or purchase order.

ARTICLE 3 - TERMS OF PAYMENT

A. Monthly Invoices

The CONSULTANT shall submit invoices once each month to the City of Fernandina Beach for the services performed and the expenses and other charges accounted for under this agreement during the preceding month. Separate invoices shall be submitted for each task order or purchase order. Payment as prescribed in Article 2 for services rendered by the CONSULTANT during the previous billing period shall be processed in accordance with the Florida Prompt Payment Act, Section 218.70, Florida Statutes.

B. Payment of Expenses

Payments on account of expenses shall be made monthly upon presentation of the statement of expenses incurred. Documentation supporting the reimbursable expenses must be attached to the statement. The documentation may include, but is not limited to, copies of invoices and log sheets. The City Manager or his designee shall make a final determination as to whether documentation is sufficient to process invoices for payment.

C. Sales Tax

The CONSULTANT shall pay all applicable sales taxes; or the City of Fernandina Beach shall provide to the CONSULTANT the tax exemption information, where appropriate.

ARTICLE 4 - TERMS OF PERFORMANCE

It is further mutually agreed by the parties hereto that:

A. Starting Work

The CONSULTANT will not begin work on any of the services listed in Article I and Exhibit "A" until issuance of a Notice to Proceed by the City.

B. Information Provided by Owner

The City of Fernandina Beach shall make available to the CONSULTANT all technical data in the City of Fernandina Beach's possession, including previous plans, studies, analytical data, maps, surveys, borings, and

other information required by the CONSULTANT. The City shall not be liable for the accuracy of information supplied to the CONSULTANT.

C. Cost Estimating

The estimates of project or construction cost for any task(s) provided for herein are to be prepared by the CONSULTANT through exercise of their experience and judgment in applying presently available cost data, but it is recognized that the CONSULTANT has no control over the cost of labor and materials or over competitive bidding procedures and market conditions, so that the CONSULTANT cannot warrant that the project or construction costs will not vary from the CONSULTANT's cost estimates.

D. Suspension of Work

If any services covered by this agreement to be carried out by the CONSULTANT shall be suspended, abated, or abandoned at the direction of the City of Fernandina Beach for reasons unrelated to the quality of work provided by the CONSULTANT, the City of Fernandina Beach shall pay the CONSULTANT for services actually rendered for such suspended, abated, or abandoned work, and any reasonable additional documented costs incurred in an orderly closing of its activities, with the payment to be based on the fees as established in this agreement.

E. Adjustment for Extended Services

Unless otherwise provided in a task order or purchase order issued under this agreement, if the services covered under this agreement have not been completed upon the expiration of a twelve (12) month period from the date of execution of any purchase order or task order, the CONSULTANT may, upon, written notice, request a renegotiation for the fee compensation for services rendered to allow for changes in the cost of service.

F. Services in Connection with Claims and Litigation

The scope and extent of services to be provided under a purchase order or task order does not include personnel time of the CONSULTANT or time of personnel working under subagreements and related expenses required or requested to support, document, bring, defend, or assist in litigation and/or claims undertaken by or defended by the City of Fernandina Beach. All such services required or requested of the CONSULTANT shall be considered additional services entitling the CONSULTANT to additional compensation under this agreement. The amount of such additional compensation shall be set forth in a separate task order as reviewed and approved by the City. The CONSULTANT shall be entitled to such additional compensation until and unless there is a finding by a court of competent jurisdiction that the CONSULTANT is liable for damages to the City of Fernandina Beach for the acts giving rise to and requiring the requested services and expenses.

G. Ownership of Documents

If applicable, the drawings, specifications, reports, calculations, supporting documents, or other work products which are listed as deliverables in a purchase order or task order shall become the property of the City of Fernandina Beach upon delivery. The CONSULTANT may keep copies or samples thereof and shall have the right to use such drawings, specifications, calculations, supporting documents, or other documents. The City of Fernandina Beach Accepts sole responsibility for the City's reuse of any such documents in a manner other than as initially intended, or for any use of incomplete documents unless prior written approval is obtained from the CONSULTANT.

H. Account Records

The CONSULTANT's accounting records, insofar as they pertain to invoicing the City of Fernandina Beach or to disbursements made from the CONSULTANT's account for work under this agreement, shall be open to City of Fernandina Beach's inspection and audit at the CONSULTANT's office upon reasonable prior notice and during normal business hours. Backup documentation for out-of-pocket expenses exceeding Twenty-Five and

00/100 Dollars ($25.00) each shall be available at the CONSULTANT's office. These records will be retained by the CONSULTANT for three (3) years after the calendar year in which the services to which they pertain were rendered or the disbursements were made.

I. Force Majeure

Neither party hereto shall be liable for its failure to perform hereunder due to any circumstances beyond its reasonable control, such as acts of God, wars, riots, national emergencies, sabotage, strikes, labor disputes, accidents, and governmental laws, ordinances, rules, or regulations. The CONSULTANT or City of Fernandina Beach may suspend its performance on any assignment because of a force majeure without being in default of this agreement, but upon the removal of such force majeure, the CONSULTANT or City of Fernandina Beach shall resume its performance as soon as is reasonably possible.

J. Approval of Changes

The City of Fernandina Beach must approve in writing any changes in the scope, specifications, or other conditions under which the services specified or referred to herein are to be performed which result in additional costs or expenses to the City of Fernandina Beach or which would change the purpose of the purchase or task order. Changes include, but are not limited to: issuing additional instructions, requesting additional work, direct omission of work previously ordered, or changes in time of performance.

K. Authorized Representative

Before starting work the CONSULTANT shall designate an authorized representative acceptable to the City of Fernandina Beach to represent and act for the CONSULTANT and shall inform the City of Fernandina Beach in writing of the name and address of such representative together with a clear definition of the scope of their authority. The CONSULTANT shall keep the City of Fernandina Beach informed of any subsequent changes in the foregoing. All notices, determinations, instructions, and other communications given to the authorized representative by the City of Fernandina Beach shall be binding upon the CONSULTANT and City of Fernandina Beach. The authorized representative of the City of Fernandina Beach shall be the City Manager or his designee.

L. Construction Phase Services (if applicable)

Visits to construction sites and observations made by the CONSULTANT as part of construction phase services authorized by purchase order or task order, if any, shall not relieve the construction contractor(s) of obligation to conduct comprehensive inspections of the work sufficient to insure conformance with the intent of the contract documents, and shall not relieve the construction contractor(s) of full responsibility for all construction means, methods, techniques, sequences, and procedures necessary for coordinating and completing all portions of the work under the construction contract(s) and for all safety precautions incidental thereto. Safety precautions administered by the CONSULTANT shall meet or exceed those policies enacted by the City.

If on-site Resident Project Representative (RPR) services are provided by the CONSULTANT pursuant to a purchase order or task order issued hereunder, such RPR shall endeavor to make reasonable efforts to guard the City of Fernandina Beach against defects and deficiencies in the work of the contractor(s) and to help determine if the provisions of the contract documents prepared by the CONSULTANT are being fulfilled. The obligations of the RPR shall be set forth in the purchase order or task order which authorizes RPR services. Construction phase services by the CONSULTANT will not, however, cause the CONSULTANT to be responsible for those duties and responsibilities which belong to the construction contractor(s) and which include, but are not limited to, the obligations set forth above. This paragraph does not, however, release the CONSULTANT from any liability which might be attributable to negligent acts, errors, or omissions, including but not limited to design, construction phase services, or other work efforts as defined in the Scope of Services. The City of Fernandina Beach reserves the right to request replacement of any RPR personnel furnished by the CONSULTANT.

M. Termination

The City of Fernandina Beach or the CONSULTANT may terminate, suspend, or delay this agreement for any reason by giving at least thirty (30) days written notice to the other party of their intent to terminate, suspend, or delay. In the event the agreement is terminated, suspended or delayed by the City of Fernandina Beach for reasons unrelated to the quality of work provided by the CONSULTANT, the City of Fernandina Beach shall forthwith pay the CONSULTANT in full for all work previously authorized and actually performed prior to the Notice of Termination, Suspension or Delay. This payment shall be the sole financial obligation or responsibility of the City of Fernandina Beach for compensation hereunder in the event of termination, suspension or delay in accordance with the provisions of this paragraph. This agreement shall continue in effect until a Notice of Termination, Suspension or Delay is given by either party as set forth above. Upon termination, suspension or delay, at the City of Fernandina Beach's request, the CONSULTANT shall turn over to the City of Fernandina Beach all work products and deliverables completed or partially completed up to the date of termination, suspension or delay, including but not limited to, subcontractor work products, reports, surveys, drawings, model results, and specifications. The City of Fernandina Beach shall have full rights to use all such work products and deliverables for any project, and in any manner, in the sole discretion of the City. The City of Fernandina Beach accepts sole responsibility for the use of the above-referenced work products and deliverables unless prior written approval is obtained from the CONSULTANT.

ARTICLE 5 - ADDITIONAL COSTS

The parties agree that any additional costs for work or services to be provided under a purchase or task order issued pursuant to this agreement, or pursuant to any other method or manner utilized by the parties for determining the cost of services or work to be provided by the CONSULTANT, must be approved in writing by the City of Fernandina Beach. If such additional costs are not authorized by the City of Fernandina Beach in writing, no payment for such additional costs shall be made.

SubCONSULTANTs

Charges for the services of outside CONSULTANTs and specialists (hereinafter called SUBCONSULTANTS) are as follows:

1. Labor Services - The labor services of approved SubCONSULTANTs, whose expertise is required within the scope of the CONSULTANT's work, will be invoiced in accordance with the executed task or purchase order.

2. Out of Scope Expertise - The services of approved SubCONSULTANTs, including but not limited to construction managers, engineers and architects, whose expertise is outside the scope of the CONSULTANT's work and/or who are retained by the CONSULTANT as a convenience to the City of Fernandina Beach, will be charged at the cost of such services to the CONSULTANT plus an administrative handling fee, as negotiated with, and agreed to, by the City of Fernandina Beach.

3. Approval - The use of any SubCONSULTANT, professional service or specialist referenced in Paragraphs 1 and 2 above must be approved by the City of Fernandina Beach in writing before such SubCONSULTANTs or specialists may be retained by the CONSULTANT.

ARTICLE 6 - CITY OF FERNANDINA BEACH'S RESPONSIBILITIES

A. Criteria

Provide all criteria and full information concerning the City of Fernandina Beach's requirements of the purchase order or task order, including objectives and constraints, performance requirements, and any budgetary limitations; and furnish copies of all design and construction standards which the City of Fernandina Beach will require to be included in the drawings and specifications.

B. Available Information

Assist the CONSULTANT by placing at their disposal all pertinent available information including previous reports and data relevant to the CONSULTANT's services.

C. Service of Others

Furnish to the CONSULTANT, as required for performance of the CONSULTANT's services, those services identified as City responsibilities in the Scope of Services.

D. Examine Work of the CONSULTANT

Examine all studies, reports, sketches, drawings, specifications, proposals, and other documents presented by the CONSULTANT, obtain advice of an attorney, insurance counselor, and other CONSULTANTs as City of Fernandina Beach deems appropriate for such examination, and render, in writing, decisions pertaining thereto within a reasonable time so as not to delay the services of the CONSULTANT.

E. Approvals and Permits

Unless otherwise provided in a purchase or task order, furnish approvals and permits from all governmental authorities having jurisdiction over the project(s) and such approvals and consents from others as may be necessary for completion of the project(s).

F. Costs

Bear all costs incidental to compliance with the requirements of this Article.

ARTICLE 12 INSURANCE AND INDEMNIFICATION

A. Indemnification

The parties recognize that the CONSULTANT is an independent contractor. The CONSULTANT agrees to indemnify and hold harmless the City, its commissioners, mayor, officers and employees, from and against liability and reasonable expense, including reasonable attorney's fees, in connection with claims, demands, damages, actions, causes of action, and suits, including claims for personal injury, property damage, equitable relief, or loss of use, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the CONSULTANT, its agents, officers, contractors, subcontractors, employees, or anyone else employed by the CONSULTANT in the performance of this Agreement. This includes claims made by the employees of the CONSULTANT against the City and the CONSULTANT hereby waives its entitlement, if any, to immunity under Section 440.11, Florida Statutes. The obligations contained in this provision shall survive termination of this Agreement and shall not be limited by the amount of any insurance required to be obtained or maintained under this Agreement.

It is the specific intent of the parties hereto that the foregoing indemnification complies with Section 725.08, Florida Statutes, as amended. CONSULTANT expressly agrees that it will not claim, and waives any claim, that this indemnification violates Section 725.08, Florida Statutes, as amended. Nothing contained in the foregoing indemnification shall be construed as a waiver of any immunity or limitation of liability the City may have under the doctrine of sovereign immunity or Section 768.28, Florida Statutes.

B. CONSULTANT's Status as an Independent Contractor

That status of the CONSULTANT under this agreement is that of an independent contractor. Nothing in this agreement shall create or be construed as creating a partnership between the City of Fernandina Beach and the CONSULTANT, nor shall the CONSULTANT be an agent of the City of Fernandina Beach.

C. Waiver of Subrogation

The City of Fernandina Beach and the CONSULTANT waive all rights against each other for damages caused by perils covered by insurance provided under this agreement to the extent covered by such insurance, except such rights as they may have to the proceeds of such insurance held by the City of Fernandina Beach and the CONSULTANT as trustees. The CONSULTANT shall require similar waivers from all subCONSULTANTs and their subcontractors and suppliers.

The City of Fernandina Beach and the CONSULTANT waive all rights against each other for loss or damage to any equipment used in connection with performance under this agreement and covered by any property insurance. The CONSULTANT shall require similar waivers from all subCONSULTANTs and their subcontractors and suppliers.

If the insurance policies referred to in this article require an endorsement to provide for continued coverage where there is a waiver of subrogation, the owner of such policies will cause them to be so endorsed; failure to obtain endorsement nullifies the waiver of subrogation.

D. CONSULTANT's Insurance

The CONSULTANT shall not commence any work in connection with this agreement until he has obtained all of the following types of insurance and such insurance has been approved by the City of Fernandina Beach, and has named the City of Fernandina Beach as an additional insured, except for Worker's Compensation Coverage and Professional Liability, nor shall the CONSULTANT allow any SubCONSULTANT to commence work under this agreement until all similar insurance required of the SubCONSULTANT has been so obtained.

Such insurer shall have a currently valid Certificate of Authority issued by the State of Florida, Department of Insurance authorizing it to write insurance policies in the State of Florida and be doing business in the State of Florida. Insurers shall have at least a Policy Holders Rating of A-, and Financial Rating of Class IV as identified in the latest issue of "Bests Key Rating Guide" unless otherwise accepted by the City of Fernandina Beach in writing.

The CONSULTANT's insurance, and the insurance of any other party bound to the CONSULTANT shall be considered primary for the additional insureds stated above. The City of Fernandina Beach's insurance, if any, shall be considered excess, as may be applicable to claims which arise out of indemnifications, insurance, certificates of insurance and any additional insurance provisions of this agreement.

E. Loss Deductible

The City of Fernandina Beach shall be exempt from, and in no way liable for, any sums of money which may represent a deductible in any insurance policy. The payment of deductibles shall be the sole responsibility of the CONSULTANT.

F. SubCONSULTANT's Insurance

The CONSULTANT shall require each of his SubCONSULTANTs to procure and maintain, during the life of the subcontract, insurance of the types specified in this Article or insure the activities of his subCONSULTANTs in his policy as required in this Article.

G. Certificate of Insurance

The City of Fernandina Beach shall be furnished proof of insurance coverage as follows:

- The name of the insured, the name of the insurer, the number of the policy, its effective date, and its termination date;

- Statement that the insurer will endeavor to mail notice to the City of Fernandina Beach and will mail a copy to the CONSULTANT at least thirty (30) days prior to any cancellation, or non-renewal of the policy, a 10-day notice applies in the event of cancellation due to non-payment of premium;
- Certificate of Insurance shall be in the form as approved by the City of Fernandina Beach and such Certificate shall clearly state all the coverage required in this Article;
- If requested by the City of Fernandina Beach, the CONSULTANT and all subcontractors/subCONSULTANTs shall furnish complete copies of all insurance policies, forms and endorsements; and
- Receipt of certificates or other documentation of insurance or policies or copies of policies by the City of Fernandina Beach or by any of its representatives which indicate less coverage than required by this agreement does not constitute a waiver of the CONSULTANT's obligations to fulfill the requirements of this Article.

H. Workers' Compensation Insurance

The CONSULTANT shall have in full force, during the life of this agreement, Workers' Compensation and Employer's Liability Insurance for all their employees connected with work under this agreement, and in the event any work is subcontracted, the CONSULTANT shall require the SubCONSULTANT similarly to provide Workers' Compensation Insurance for all of the latter's employees, unless such employees are covered by the protection afforded by the CONSULTANT. The CONSULTANT may provide a workers' compensation waiver in lieu of workers' compensation insurance where such waiver is properly approved by the Florida Department of Labor and Employment Security and accepted by the City of Fernandina Beach in writing. Such insurance or waiver shall comply with the Florida Workers' Compensation Law. In case any class of work conducted under this agreement is not protected under the Workers' Compensation statute, the CONSULTANT shall provide adequate insurance, satisfactory to the City of Fernandina Beach, for the protection of employees not otherwise protected.

I. Liability Insurance

The CONSULTANT shall have in full force, during the life of this agreement, Commercial General Liability and Commercial Automobile Liability Insurance and the amount of such insurance shall be minimum limits as follows:

- Commercial General Liability:
  – Minimum Coverage is $1,000,000 per occurrence
  – Coverage shall include premises, operations, products, completed operations, independent contractors, Insured Contracts coverage, broad form property damage coverage, personal injury and bodily injury.
  – If Umbrella or Excess liability coverage is used to satisfy the requirements of this Article, it shall not be more restrictive than the underlying insurance policy coverage.
- Commercial Automobile Liability:
  – Minimum Coverage is $1,000,000 per occurrence
  – Coverage shall include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

J. Professional Liability Insurance

During the term of this agreement and if specifically requested by City, the CONSULTANT will carry Errors and Omission insurance which will cover liability for negligent acts, errors or omissions, caused by the CONSULTANT. The amount of insurance shall not be less than $1,000,000 per occurrence and aggregate. The City of Fernandina Beach may require a higher limit as mutually agreed with the CONSULTANT for specific task orders.

ARTICLE 8 - SUCCESSORS AND ASSIGNS

The City of Fernandina Beach and CONSULTANT each binds themselves and their partners, successors, executors, administrators, and assigns to the other party of this agreement and to the partners, successors, executors, administrators, and assignees of such other party in respect to all covenants of this agreement. Neither the City of Fernandina Beach nor the CONSULTANT shall assign, sublet, or transfer any interest in this agreement without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any elected official, officer, employee or agent of the City of Fernandina Beach, nor shall it be construed as giving any rights or benefits hereunder to anyone other than the City of Fernandina Beach and CONSULTANT.

ARTICLE 9 - REMEDIES

A. Claims, Counter-Claims, Disputes, Etc.

All claims, counter-claims, disputes, and other matters in questions between the CONSULTANT and the City of Fernandina Beach will be first reviewed by authorized representatives of both parties for a recommended solution. If no solution or resolution is forthcoming, such disputes will be decided by a court of competent jurisdiction convened in the State of Florida.

B. Governing Laws

This agreement shall be governed by the laws of the State of Florida.

C: Venue

This Agreement shall be governed by and construed and interpreted in accordance with the laws of the State of Florida. Each of the parties hereto (a) irrevocably submits itself to the exclusive jurisdiction of the Fourth Judicial Circuit Court, in and for Nassau County, Florida, and the jurisdiction of the United States District Court for the Middle District of Florida, Jacksonville Division, for the purposes of any suit, action or other proceeding arising out of, or relating to, this Agreement; (b) waives and agrees not to assert against any party hereto, by way of motion, as a defense or otherwise in any suit, action or other proceeding, (i) any claim that it is not personally subject to the jurisdiction of the above-named courts for any reason whatsoever, and (ii) to the extent permitted by applicable law, any claim that such suit, action or proceeding by any party hereto is brought in an inconvenient forum, or that the venue of such suit, action or proceeding is improper or that this Agreement or the subject matter hereof may not be enforced in or by such courts.

D. Attorney's Fees and Costs

In the event of any action brought by either party against the other to enforce any of the obligations hereunder or arising out of any dispute concerning the terms and conditions hereby created, the losing party shall pay the prevailing party such reasonable amounts for fees, costs, and expenses, including attorney's fees, as may be set by the Court.

ARTICLE 10 - NONEXCLUSIVE AGREEMENT

This Agreement is not intended to be and shall not be construed as an exclusive contract, and the City of Fernandina Beach may employ additional or other professional consulting firms to perform work contemplated by this agreement without liability to the City of Fernandina Beach.

ARTICLE 11 - CLOSING

A. Validity, Severability and Reformation

The validity, interpretation, construction, and effect of this agreement shall be in accordance with and be governed by the laws of the State of Florida. Any provision or part of this agreement held to be void or unenforceable under any law shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon the parties. The parties agree that this agreement shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision which comes as close as possible to expressing the intention of the stricken provision.

B. Headings

The headings of the sections of this agreement and capitalizations are for the purpose of convenience only and shall not be deemed to expand or limit the provisions contained in such sections.

C. Entire Agreement

This agreement, including the exhibits hereto, constitutes the entire agreement between the parties hereto and supersedes any prior negotiations, representations, agreements, and understandings, either written or oral.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the day and date first above written:

CITY OF FERNANDINA BEACH, FLORIDA,
a municipal corporation

Dale L. Martin, City Manager

Title XXVIII NATURAL RESOURCES; CONSERVATION, RECLAMATION, AND USE | Chapter 380 LAND AND WATER MANAGEMENT | View Entire Chapter

380.093 Resilient Florida Grant Program; comprehensive statewide flood vulnerability and sea level rise data set and assessment; Statewide Flooding and Sea Level Rise Resilience Plan; regional resilience entities.—

(1) LEGISLATIVE INTENT.—

(a) The Legislature recognizes that the state is particularly vulnerable to adverse impacts from flooding resulting from increases in frequency and duration of rainfall events, storm surge from more frequent and severe weather systems, and sea level rise. Such adverse impacts pose economic, social, environmental, and public health and safety challenges to the state. To most effectively address these challenges, funding should be allocated in a manner that prioritizes addressing the most significant risks.

(b) The Legislature further recognizes that the adverse impacts of flooding and sea level rise affect coastal and inland communities all across the state. Consequently, a coordinated approach is necessary to maximize the benefit of efforts to address such impacts and to improve the state's resilience to flooding and sea level rise.

(c) The Legislature further recognizes that to effectively and efficiently address and prepare for the adverse impacts of flooding and sea level rise in the state, it is necessary to conduct a comprehensive statewide assessment of the specific risks posed to the state by flooding and sea level rise and develop a statewide coordinated approach to addressing such risks.

(2) DEFINITIONS.—As used in this section, the term:

(a) "Critical asset" includes:

1. Transportation assets and evacuation routes, including airports, bridges, bus terminals, ports, major roadways, marinas, rail facilities, and railroad bridges.

2. Critical infrastructure, including wastewater treatment facilities and lift stations, stormwater treatment facilities and pump stations, drinking water facilities, water utility conveyance systems, electric production and supply facilities, solid and hazardous waste facilities, military installations, communications facilities, and disaster debris management sites.

3. Critical community and emergency facilities, including schools, colleges, universities, community centers, correctional facilities, disaster recovery centers, emergency medical service facilities, emergency operation centers, fire stations, health care facilities, hospitals, law enforcement facilities, local government facilities, logistical staging areas, affordable public housing, risk shelter inventory, and state government facilities.

4. Natural, cultural, and historical resources, including conservation lands, parks, shorelines, surface waters, wetlands, and historical and cultural assets.

(b) "Department" means the Department of Environmental Protection.

(c) "Preconstruction activities" means activities associated with a project that occur before construction begins, including, but not limited to, design of the project, permitting for the project, surveys and data collection, site development, solicitation, public hearings, local code or comprehensive plan amendments, establishing local funding sources, and easement acquisition.

(d) "Regionally significant assets" means critical assets that support the needs of communities spanning multiple geopolitical jurisdictions, including, but not limited to, water resource facilities, regional medical centers, emergency operations centers, regional utilities, major transportation hubs and corridors, airports, and seaports.

(3) RESILIENT FLORIDA GRANT PROGRAM.—

(a) The Resilient Florida Grant Program is established within the department.

(b) Subject to appropriation, the department may provide grants to a county or municipality to fund:

1. The costs of community resilience planning and necessary data collection for such planning, including comprehensive plan amendments and necessary corresponding analyses that address the requirements of s. 163.3178(2)(f).

2. Vulnerability assessments that identify or address risks of inland or coastal flooding and sea level rise.

3. The development of projects, plans, and policies that allow communities to prepare for threats from flooding and sea level rise.

4. Preconstruction activities for projects to be submitted for inclusion in the Statewide Flooding and Sea Level Rise Resilience Plan that are located in a municipality that has a population of 10,000 or fewer or a county that has a population of 50,000 or fewer, according to the most recent April 1 population estimates posted on the Office of Economic and Demographic Research's website.

(c) A vulnerability assessment conducted pursuant to paragraph (b) must encompass the entire county or municipality; include all critical assets owned or maintained by the grant applicant; and use the most recent publicly available Digital Elevation Model and generally accepted analysis and modeling techniques. An assessment may encompass a smaller geographic area or include only a portion of the critical assets owned or maintained by the grant applicant with appropriate rationale and upon approval by the department. Locally collected elevation data may also be included as part of the assessment as long as it is submitted to the department pursuant to this paragraph.

1. The assessment must include an analysis of the vulnerability of and risks to critical assets, including regionally significant assets, owned or managed by the county or municipality.

2. Upon completion of a vulnerability assessment, the county or municipality shall submit to the department the following:

a. A report detailing the findings of the assessment.

b. All electronic mapping data used to illustrate flooding and sea level rise impacts identified in the assessment. When submitting such data, the county or municipality shall include:

(I) Geospatial data in an electronic file format suitable for input to the department's mapping tool.

(II) Geographic information system data that has been projected into the appropriate Florida State Plane Coordinate System and that is suitable for the department's mapping tool. The county or municipality must also submit metadata using standards prescribed by the department.

c. A list of critical assets, including regionally significant assets, that are impacted by flooding and sea level rise.

(d) A vulnerability assessment conducted pursuant to paragraph (b) must include all of the following:

1. Peril of flood comprehensive plan amendments that address the requirements of s. 163.3178(2)(f), if the county or municipality is subject to such requirements and has not complied with such requirements as determined by the Department of Economic Opportunity.

2. If applicable, the depth of:

a. Tidal flooding, including future high tide flooding, which must use thresholds published and provided by the department. To the extent practicable, the analysis should also geographically display the number of tidal flood days expected for each scenario and planning horizon.

b. Current and future storm surge flooding using publicly available National Oceanic and Atmospheric Administration or Federal Emergency Management Agency storm surge data. The initial storm surge event used must equal or exceed the current 100-year flood event. Higher frequency storm events may be analyzed to understand the exposure of a critical asset.

c. To the extent practicable, rainfall-induced flooding using spatiotemporal analysis or existing hydrologic and hydraulic modeling results. Future boundary conditions should be modified to consider sea level rise and high tide conditions. Vulnerability assessments for rainfall-induced flooding must include the depth of rainfall-induced flooding for a 100-year storm and a 500-year storm, as defined by the applicable water management district or, if necessary, the appropriate federal agency. Future rainfall conditions should be used, if available. Noncoastal communities must perform a rainfall-induced flooding assessment.

d. To the extent practicable, compound flooding or the combination of tidal, storm surge, and rainfall-induced flooding.

3. The following scenarios and standards:

a. All analyses in the North American Vertical Datum of 1988.

b. At least two local sea level rise scenarios, which must include the 2017 National Oceanic and Atmospheric Administration intermediate-low and intermediate-high sea level rise projections.

c. At least two planning horizons that include planning horizons for the years 2040 and 2070.

d. Local sea level data that has been interpolated between the two closest National Oceanic and Atmospheric Administration tide gauges. Local sea level data may be taken from one such gauge if the gauge has a higher mean sea level. Data taken from an alternate tide gauge may be used with appropriate rationale and department approval, as long as it is publicly available or submitted to the department pursuant to paragraph (b).

(4) COMPREHENSIVE STATEWIDE FLOOD VULNERABILITY AND SEA LEVEL RISE DATA SET AND ASSESSMENT.—

(a) By July 1, 2023, the department shall complete the development of a comprehensive statewide flood vulnerability and sea level rise data set sufficient to conduct a comprehensive statewide flood vulnerability and sea level rise assessment. In developing the data set, the department shall, in coordination with the Florida Flood Hub for Applied Research and Innovation, compile, analyze, and incorporate, as appropriate, information related to vulnerability assessments submitted to the department pursuant to subsection (3) or any previously completed assessments that meet the requirements of subsection (3).

1. The Chief Science Officer shall, in coordination with necessary experts and resources, develop statewide sea level rise projections that incorporate temporal and spatial variability, to the extent practicable, for inclusion in the data set. This subparagraph does not supersede regionally adopted projections.

2. The data set must include information necessary to determine the risks to inland and coastal communities, including, but not limited to, elevation, tidal levels, and precipitation.

(b) By July 1, 2024, the department shall complete a comprehensive statewide flood vulnerability and sea level rise assessment that identifies inland and coastal infrastructure, geographic areas, and communities in the state that are vulnerable to flooding and sea level rise and the associated risks.

1. The department shall use the comprehensive statewide flood vulnerability and sea level rise data set to conduct the assessment.

2. The assessment must incorporate local and regional analyses of vulnerabilities and risks, including, as appropriate, local mitigation strategies and postdisaster redevelopment plans.

3. The assessment must include an inventory of critical assets, including regionally significant assets, that are essential for critical government and business functions, national security, public health and safety, the economy, flood and storm protection, water quality management, and wildlife habitat management, and must identify and analyze the vulnerability of and risks to such critical assets. When identifying critical assets for inclusion in the

assessment, the department shall also take into consideration the critical assets identified by local governments and submitted to the department pursuant to subsection (3).

(c) The department shall update the comprehensive statewide flood vulnerability and sea level rise data set and assessment every 5 years. The department may update the data set and assessment more frequently if it determines that updates are necessary to maintain the validity of the data set and assessment.

(5) STATEWIDE FLOODING AND SEA LEVEL RISE RESILIENCE PLAN.—

(a) By December 1, 2021, and each December 1 thereafter, the department shall develop a Statewide Flooding and Sea Level Rise Resilience Plan on a 3-year planning horizon and submit it to the Governor, the President of the Senate, and the Speaker of the House of Representatives. The plan must consist of ranked projects that address risks of flooding and sea level rise to coastal and inland communities in the state. All eligible projects submitted to the department pursuant to this section must be ranked and included in the plan. Each plan must include a detailed narrative overview describing how the plan was developed, including a description of the methodology used by the department to determine project eligibility, a description of the methodology used to rank projects, the specific scoring system used, the project proposal application form, a copy of each submitted project proposal application form separated by eligible projects and ineligible projects, the total number of project proposals received and deemed eligible, the total funding requested, and the total funding requested for eligible projects.

(b) The plan submitted by December 1, 2021, before the comprehensive statewide flood vulnerability and sea level rise assessment is completed, will be a preliminary plan that includes projects that address risks of flooding and sea level rise identified in available local government vulnerability assessments and projects submitted by water management districts that mitigate the risks of flooding or sea level rise on water supplies or water resources of the state. The plan submitted by December 1, 2022, and the plan submitted by December 1, 2023, will be updates to the preliminary plan. The plan submitted by December 1, 2024, and each plan submitted by December 1 thereafter, shall address risks of flooding and sea level rise identified in the comprehensive statewide flood vulnerability and sea level rise assessment.

(c) Each plan submitted by the department pursuant to this subsection must include the following information for each recommended project:

1. A description of the project.
2. The location of the project.
3. An estimate of how long the project will take to complete.
4. An estimate of the cost of the project.
5. The cost-share percentage available for the project.
6. A summary of the priority score assigned to the project.
7. The project sponsor.

(d)1. By September 1, 2021, and each September 1 thereafter, the following entities may submit to the department a list of proposed projects that address risks of flooding or sea level rise identified in vulnerability assessments that meet the requirements of subsection (3):

a. Counties.
b. Municipalities.
c. Special districts as defined in s. 189.012 that are responsible for the management and maintenance of inlets and intracoastal waterways or for the operation and maintenance of a potable water facility, a wastewater facility, an airport, or a seaport facility.

For the plans submitted by December 1, 2021; December 1, 2022; and December 1, 2023, such entities may submit projects identified in existing vulnerability assessments that do not comply with subsection (3). A regional resilience entity may also submit proposed projects to the department

pursuant to this subparagraph on behalf of one or more member counties or municipalities.

2. By September 1, 2021, and each September 1 thereafter, the following entities may submit to the department a list of any proposed projects that mitigate the risks of flooding or sea level rise on water supplies or water resources of the state and a corresponding evaluation of each project:

a. Water management districts.

b. Drainage districts.

c. Erosion control districts.

d. Flood control districts.

e. Regional water supply authorities.

3. Each project submitted to the department pursuant to this paragraph for consideration by the department for inclusion in the plan must include:

a. A description of the project.

b. The location of the project.

c. An estimate of how long the project will take to complete.

d. An estimate of the cost of the project.

e. The cost-share percentage available for the project.

f. The project sponsor.

(e) Each project included in the plan must have a minimum 50 percent cost share unless the project assists or is within a financially disadvantaged small community. For purposes of this section, the term “financially disadvantaged small community” means:

1. A municipality that has a population of 10,000 or fewer, according to the most recent April 1 population estimates posted on the Office of Economic and Demographic Research’s website, and a per capita annual income that is less than the state’s per capita annual income as shown in the most recent release from the Bureau of the Census of the United States Department of Commerce that includes both measurements; or

2. A county that has a population of 50,000 or fewer, according to the most recent April 1 population estimates posted on the Office of Economic and Demographic Research’s website, and a per capita annual income that is less than the state’s per capita annual income as shown in the most recent release from the Bureau of the Census of the United States Department of Commerce that includes both measurements.

(f) To be eligible for inclusion in the plan, a project must have been submitted pursuant to paragraph (d) or must have been identified in the comprehensive statewide flood vulnerability and sea level rise assessment, as applicable.

(g) Expenses ineligible for inclusion in the plan include, but are not limited to, expenses associated with:

1. Aesthetic vegetation.

2. Recreational structures such as piers, docks, and boardwalks.

3. Water quality components of stormwater and wastewater management systems, except for expenses to mitigate water quality impacts caused by the project or expenses related to water quality which are necessary to obtain a permit for the project.

4. Maintenance and repair of over-walks.

5. Park activities and facilities, except expenses to control flooding or erosion.

6. Navigation construction, operation, and maintenance activities.

7. Projects that provide only recreational benefits.

(h) The department shall implement a scoring system for assessing each project eligible for inclusion in the plan pursuant to this subsection. The scoring system must include the following tiers and associated criteria:

1. Tier 1 must account for 40 percent of the total score and consist of all of the following criteria:

a. The degree to which the project addresses the risks posed by flooding and sea level rise identified in the local government vulnerability assessments or the comprehensive statewide flood vulnerability and sea level rise assessment, as applicable.

b. The degree to which the project addresses risks to regionally significant assets.

c. The degree to which the project reduces risks to areas with an overall higher percentage of vulnerable critical assets.

d. The degree to which the project contributes to existing flooding mitigation projects that reduce upland damage costs by incorporating new or enhanced structures or restoration and revegetation projects.

2. Tier 2 must account for 30 percent of the total score and consist of all of the following criteria:

a. The degree to which flooding and erosion currently affect the condition of the project area.

b. The overall readiness of the project to proceed in a timely manner, considering the project's readiness for the construction phase of development, the status of required permits, the status of any needed easement acquisition, and the availability of local funding sources.

c. The environmental habitat enhancement or inclusion of nature-based options for resilience, with priority given to state or federal critical habitat areas for threatened or endangered species.

d. The cost-effectiveness of the project.

3. Tier 3 must account for 20 percent of the total score and consist of all of the following criteria:

a. The availability of local, state, and federal matching funds, considering the status of the funding award, and federal authorization, if applicable.

b. Previous state commitment and involvement in the project, considering previously funded phases, the total amount of previous state funding, and previous partial appropriations for the proposed project.

c. The exceedance of the flood-resistant construction requirements of the Florida Building Code and applicable flood plain management regulations.

4. Tier 4 must account for 10 percent of the total score and consist of all of the following criteria:

a. The proposed innovative technologies designed to reduce project costs and provide regional collaboration.

b. The extent to which the project assists financially disadvantaged communities.

(i) The total amount of funding proposed for each year of the plan may not be less than $100 million. Upon review and subject to appropriation, the Legislature shall approve funding for the projects as specified in the plan. Multiyear projects that receive funding for the first year of the project must be included in subsequent plans and funded until the project is complete, provided that the project sponsor has complied with all contractual obligations and funds are available.

(j) The department shall initiate rulemaking by August 1, 2021, to implement this section.

(6) REGIONAL RESILIENCE ENTITIES.—Subject to specific legislative appropriation, the department may provide funding for the following purposes to regional entities that are established by general purpose local governments and whose responsibilities include planning for the resilience needs of communities and coordinating intergovernmental solutions to mitigate adverse impacts of flooding and sea level rise:

(a) Providing technical assistance to counties and municipalities.

(b) Coordinating multijurisdictional vulnerability assessments.

(c) Developing project proposals to be submitted for inclusion in the Statewide Flooding and Sea Level Rise Resilience Plan.

History.—s. 1, ch. 2021-28; s. 4, ch. 2022-89.

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Resolution 2023-81
Fourth Amendment - Amelia River Golf Course Agreement

ITEM TYPE: Resolution (w/ fiscal impact)

REQUESTED ACTION: Consider Resolution 2023-81.

SYNOPSIS: In July 1994, the City entered into a lease agreement (the "Lease Agreement") with the Nassau Sound Land Co., L.L.C., for the Royal Amelia Golf Course property adjacent to the City's Airport. The agreement was assigned and amended several times. The most recent assignment was to Amelia River Holdings, LLC, in October 2019. This Fourth Amendment to the Lease Agreement amends Sections 1.02(e) and 2.04 to provide that Lessee is permitted to use the Leased Premises for construction, installation and maintenance of a solar farm and aeronautical and non-aeronautical hangars in addition to the current uses of golf course and related facilities and a lodging facility.

FISCAL IMPACT: Gross revenues from such uses will be included in the percentage rent.

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): I recommend that the City Commission adopt proposed Resolution 2023-81.

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Resolution 2023-82
Sole Source Vendor Approval - ArmRLite Overhead Doors

ITEM TYPE: Resolution (w/ fiscal impact)

REQUESTED ACTION: Consider Resolution 2023-82.

SYNOPSIS: The City of Fernandina Beach issued and published a Notice of Invitation to Bid 23-06 Apparatus Bay Doors on March 23, 2023 for the procurement and installation of eight sectional apparatus bay doors. The Notice of Invitation to Bid was closed on April 18, 2023 with no submittals received. City staff received a proposal from ArmRLite Overhead Doors for the procurement and installation of eight aluminum and glass sectional doors which includes a twenty year warranty on the finish and operational components of the sectional doors; This Resolution approves ArmRLite Overhead Doors as a sole source vendor to perform the work on Fire Station 2 described in the Notice of invitation to Bid 23-06.

FISCAL IMPACT: Resolution w/ Fiscal Impact Funds will come from the Airport Improvements account, 420-56200-19051.

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): I recommend that the City Commission adopt proposed Resolution 2023-82.

COMMISSION ACTION: Adopt

RESOLUTION 2023-82

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, APPROVING ARMRLITE OVERHEAD DOORS AS THE SOLE SOURCE VENDOR FOR EIGHT ALUMINUM AND GLASS SECTIONAL DOORS FOR THE NEW FIRE STATION 2 ON AIRPORT ROAD; AUTHORIZING EXECUTION; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Commission awarded the construction of a new combination Fire Station and Aircraft Rescue and Fire Fighting (ARFF) at the Fernandina Beach Municipal Airport to Blackwater Construction Services of Gainesville, Florida, via Resolution 2022-03 on January 4, 2022; and

WHEREAS, the City Commission approved Deductive Change Order #1 in the amount of $290,000.00 via Resolution 2022-46, removing Bid Additive #2: Four Fold Apparatus Bay Doors;

WHEREAS, the City Commission approved Deductive Change Order #11 via Resolution 2023-58 which removed several items from Blackwater Construction Services scope of work, including the apparatus bay doors; and

WHEREAS, a Notice of Invitation to Bid 23-06 was published on March 23, 2023 for the procurement and installation of eight sectional apparatus bay doors; and

WHEREAS, the Notice of Invitation to Bid was closed on April 18, 2023 with no submittals received; and

WHEREAS, the City received a proposal from ArmRLite Overhead Doors for the procurement and installation of eight aluminum and glass sectional doors;

WHEREAS, the proposal from ArmRLite Overhead Doors includes a 20 year warranty on the finish and operational components of the sectional doors;

WHEREAS, funding is available in the Airport Improvements account, 420 56200 19051.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, THAT:

SECTION 1. The City Commission hereby approves ArmRLite Overhead Doors as a sole-source vendor for the procurement and installation of eight aluminum and glass sectional doors at Fire Station 2 in an amount not to exceed $247,778.00, attached hereto as Exhibit A.

SECTION 2. The City Clerk and Interim City Manager are hereby authorized to execute the contract with ArmRLite Overhead Doors for eight custom aluminum and glass overhead sectional doors, upon review and approval by the City Attorney.

SECTION 3. This Resolution is effective immediately upon passage.

ADOPTED this 16th day of May, 2023.

Proposal and Contract

Job Name: New Station #2 Located at 600 Airport Rd. Fernandina Beach, FL. 32034

(8) **Custom CI** Model Aluminum and Glass Overhead Sectional Door

- Door size 14' 0" wide 16' 0" high 4 panels wide / 8 sections high
  - Meets Minimum Desired Wind Load Rating of +/- 48 PSF.
  - **Noted door sizes subject to field measured sizes and conditions.**
- Custom Painted Red Frame SL4A139 Carnival Red w/ XL Clear coat to prevent fading with **20 year finish warranty except on installations within 1 mile of water**
- **1/8"** , **Clear** ,**Tempered Glass**
- **3"**, **96" Headroom,** mounting to steel
- **Complete perimeter weather seals are included**
- **20 year commercial** welded frame warranty except on top sections when trolley operated.
- Commercial Motor(s) and accessories - includes motor, 3-button station (open, close, stop) and set of standard photo eyes. All electric, electrical, wire, wiring & mounting of controls by your electrician.
- WBE (ArmRLite is a Women Owned Business) LEED proficient
- First floor, non-union labor – non prevailing wage, onsite parking for installer trucks and equipment.
- **New Sectional Door Openings to be fully prepared by others per ArmRLite submittals – GC is responsible for preparing opening with the steel or wood blocking required for the tracks, springs, etc.**

The cost for the above doors, motors delivered and installed is: $247,778 + tax if applicable.

~~Add Option $35,320: To total job for **Energy Efficiency Package** – includes foam insulated rails, stiles and the water resistant package. Insulated rails, stiles and water resistant package will greatly minimize water infiltration but may not eliminate it. Standard production lead time is 6-8 weeks from the date of final field measure and approval of shop drawings.~~

If project is not completed within 90 days of fully executed contract (mo/day/year) due to delay on purchasers part, client will be invoiced for the full amount of the project for immediate payment.

TERMS: A full set of shop drawings/submittals in .pdf format will be provided upon receipt of this executed contract and initial 25% payment. All payments must be made by check and are non-refundable. This contract is legally binding and cannot be cancelled. Fabrication payment of 40% due to start production once the drawings/samples/opening(s) are all approved. This contract pricing includes (1) shop drawing and (1) revision, any additional revisions will be subject to a $150/ hour engineering charge. Final Progress payment of 35% due prior to materials being shipped for installation. Lead time for shop drawings/submittals is estimated at 2 weeks upon receipt of this executed contract and initial 25% payment. Production lead time is estimated at 4-6 weeks from the date of final field measure and approval of all drawings/samples/opening(s). ArmRLite reserves the right to turn this contract over to an approved door installer at time of order.

****Budget proposal is valid for 70 days****

***General Contractor is responsible for preparing openings per ArmRLite shop details prior to installation. Preparation of openings is not included in pricing.**

GENERAL TERMS AND CONDITIONS

ArmRLite
OVERHEAD DOORS

MATERIALS FURNISHED AND INSTALLED

NOTE: All orders are accepted according to the Terms and Conditions listed below.

1. Delivery of orders depends on availability of material. All orders taken are subject to delay due to causes beyond our control.
2. All orders will be confirmed for fabrication via contract attached and shop drawings.
3. Shop drawings are supplied upon receipt of 25% non-refundable deposit. ArmRLite reserves the right to charge for the drawings should a project be cancelled for any reason. If a project is cancelled the 25% deposit will be retained by ArmRLite to cover the labor and engineering costs to create the 8 page shop drawings.
4. The attached Furnish and Installed Budget Contract does not cover the costs for preparing the openings. Openings to be fully prepared by others per ArmRLite shop drawings.
5. Final field measure by ArmRLite's contracted installer will be conducted once openings are prepared, prior to fabrication. ArmRLite Furnish and Install Budget Contract attached covers (2) pre-fabrication site checks total. Any additional site checks can be provided at additional cost to customer.
6. Fabrication will not begin until the shop details are approved by both ArmRLite's contracted installer and customer once a final field check of completed opening(s) is conducted. If the customer chooses to waive the final site check and begin fabrication without the installer confirming the opening(s), customer will be responsible for guaranteeing all dimensions present in the shop drawings. All financial responsibility for discrepancies between the guaranteed dimensions and the site conditions at time of install is the sole responsibility of the customer.
7. All electrical wire, wiring conduit, and mounting of controls for operators, sensors, and accessories by others.
8. Pricing is subject to change based on final field measurements. If on site dimensions present at time of final site check are not consistent with the attached Furnish and Install Budget Contract, revisions will be made and Budget Contract will need to be re-approved by the customer.
9. Orders are to be shipped directly to ArmRLite's contracted installer's warehouse and the installer is to take responsibility of the shipment. If a jobsite delivery is required and approved by ArmRLite, the installer must be on-site to accept and approve the shipment. Jobsite deliveries will require access for a 53' tractor trailer and the site must be accessible to the installer at the time of delivery.
10. GUARANTEE: All materials and workmanship are guaranteed against defects for a period of one year from date of original invoice except springs which carry a 120 day guarantee (100,000 cycle springs are suggested for doors subject to heavy usage.) Nothing in the above guarantee shall expose ArmRLite to any liability whatsoever for any costs for labor, transportation, or otherwise in connection with the replacement of any parts or units supplied under the Guarantee, nor any expense not approved in writing by the Main Office of ArmRLite. ArmRLite shall have the right to replace defective materials, to refund the purchase price upon return of the materials, or to grant a reasonable allowance on account of such defects. ArmRLite shall be given the opportunity to investigate all claims. No materials shall be returned to ArmRLite until after inspection and approval by ArmRLite and receipt by Buyer of written shipping instructions from ArmRLite. SOLE/SINGLE SOURCE JUSTIFICATION FORM

(Nov, 2020)

Date: 4/28/23 Department: Fire Department Director: Ty Silcox

Sole/Single Source Vendor: ArmRLite Overhead Doors Est. Cost: $247,778.00

Account Number: 420-56200-19051 Account Name: Airport Improvements Account

NOTE: It is a felony to knowingly circumvent a competitive process for commodities or services by fraudulently specifying "sole source" FS 838.22(2).

Service/Commodity Description:
(8) Custom Glass Overhead Sectional doors for the new Fire Station 2.

Please check the category appropriate for this purchase (attach supporting documentation)

- ☐ **Continuity of product/services**- vendor providing a product/service after a previous purchase.
- ☑ **Manufacturer/distributor**- only known item/source to meet specialized needs of department or perform intended function.
- ☐ **No substitute/compatibility**- component or replacement part has no substitute and can be obtained from only one vendor.
- ☐ **Timeliness**- acquisition of an alternative source would require considerable time and expense to evaluate.
- ☐ **Emergency**- urgent need for the item/service does not allow for soliciting competitive bids (restricted to public health, safety, welfare).
- ☐ **Monopoly**- a monopoly exists as in the case of the U.S. Post Office, Florida Public Utilities, etc.
- ☐ **One-of-a-kind**- only area distributor of the original manufacturer.

Based on the foregoing, I recommend that competitive procurement be waived and that the service or material on the attached be purchased as a sole/single source commodity. I certify that the information contained in this justification is accurate and complete.

CITY OF FERNANDINA BEACH, FLORIDA
INVITATION TO BID #23-06
EIGHT NEW FIRE STATION APPARATUS BAY DOORS

INTRODUCTION

The City of Fernandina Beach, Florida is accepting competitive sealed bids for **EIGHT APPARATUS BAY DOORS FOR NEW FIRE STATION NO. 2, 600 AIRPORT ROAD, FERNANDINA BEACH, FLORIDA 32034.**

The City of Fernandina Beach will receive sealed bids at the location stated below not later than **2:00PM(EST), April 18, 2023**.

Any submittal received after the above stated time and date will not be considered. It shall be the sole responsibility of the Bidder to have its Bid delivered to the City of Fernandina Beach, by U.S. Mail, hand delivery or any other method available to him/her; however, facsimile or electronic submittals will not be accepted. Delay in delivery shall be the sole responsibility of the Bidder. Submittals received after the deadline will not be considered. Award of the Bid is subject to authorization and appropriation of funds.

BIDDERS ARE REFERRED TO THE ATTACHED GENERAL CONDITIONS FOR OTHER IMPORTANT INFORMATION REGARDING THE BID PROCESS, REQUIREMENTS AND EXHIBITS.

The original bid submittal (**1 original, 3 copies and 1 electronic copy, CD or thumb drive**) must be delivered to City Hall in a sealed package, clearly marked on the outside, **ITB #23-06** and addressed to:

City of Fernandina Beach
Attn: City Clerk's Office – **ITB #23-06**
204 Ash Street
Fernandina Beach, FL 32034

Hand delivered Submittal is to be taken to the Clerk's Office at the above address.

The bid shall be submitted on the specified **Contact Sheet** (**1 original, 3 copies**), hereto attached as "**Exhibit A**", **Bid Pricing Sheet**, hereto attached as "**Exhibit A-1**". The person signing the Bid Response Form shall have the authority to bind the proposer to the Bid. All information on the Bid form shall be provided, or the Bid may not be accepted.

The competitive sealed Bid shall be accompanied by a **"Public Entity Crimes",** herein provided as "**Exhibit B**", **"Drug-Free Workplace Certification"** herein provides as **"Exhibit C"**, "**E-Verify Statement**" herein provided as **"Exhibit D"**, **"Proposer Acknowledgements and Agreements"**, herein provided as "**Exhibit E**", **"Conflict of Interest",** herein provided as, "**Exhibit F**", **"Non-Collusion Affidavit",** herein provided as "**Exhibit G" and "Dispute Disclosure",** herein provided as **"Exhibit H", "Federal Requirements for ARPA Funds",** herein provided as **"Exhibit I".**

CONTRACTOR SHALL SIGN AND INCLUDE EXHIBITS "A-I". Failure to so, may result in rejection of the bid submittal.

An example of the City of Fernandina Beach contract is included as a separate document.

CITY OF FERNANDINA BEACH, FLORIDA
INVITATION TO BID #23-06
EIGHT NEW FIRE STATION APPARATUS BAY DOORS

In accordance with Item 16, General Terms and Conditions, please provide **proof the Contractor/Vendor is not listed in the Excluded Parties List System**, a federal suspension and debarment listing.

SCOPE OF WORK

The City of Fernandina Beach is accepting competitive sealed bids for the procurement, delivery, and installation of eight new 14'-0" wide by 16'-0" high Aluminum and Glass Sectional doors for the recently constructed Fire Station No. 2 at 600 Airport Road, Fernanda Beach, Florida as shown on the attached document.

The work will involve the fabrication, assembly, delivery, and installation of the eight new doors at the site based on the following criteria:

- Wind Load Rating of +/- 32 psf
- 1/8" tempered glass
- 20 -year finish warranty
- 20-year commercial warranty welded frame warranty
- Accessories include motors, 3 button station (open, close, stop) and set of standard photo eyes. Electrical wiring and mounting of controls necessary for the operation of the doors is to be included. Primary electrical work installed in the building construction is by others.
- Shop drawings are to be submitted to City prior to final fabrication
- Door frames to be custom painted, Carnival Red or approved equivalent with approved clear coat for fade prevention.
- Door manufacturer shall provide deliver and completion schedule with bid submittal

SAFETY

The Installation Contractor shall provide all necessary barricades and signage and take necessary precautions to protect building during the door installation.

Any exclusions regarding the installation proposed by the bidder must be expressly stipulated in the bid submittal.

The City shall be the judge of its own best interests, the bids, and the resulting Contract. An award may be made to the most responsive and responsible submittal determined to be the most advantageous to the City.

AWARD

Award recommendation shall be made to the most responsive and responsible bidder offering the best value. The City reserves the right, based upon its deliberations and in its opinion, to accept or reject any or all submittals. The City also reserves the right to waive minor irregularities or variations to the specifications and in the bidding process.

Successful Bidder is required to have a Business License in the city where their home office is located. If Bidder's business office is located in the City of Fernandina Beach a business tax license is required.

Bid Package

Bid Documents and Specifications are available to download from the City of Fernandina Beach website at www.fbfl.us/bids, and DemandStar at www.demandstar.com. Questions regarding bid package can be directed to Wanda Weaks, Purchasing Agent, wweaks@fbfl.org.

CONTACT

Specification questions during the bid period shall be submitted in writing to the appropriate Department contact below with a copy to Wanda Weaks, wweaks@fbfl.org.

Bidders are hereby put on notice that no contact shall be made with any of the City Commission members, other City staff, or others that may be involved in the selection process to discuss this request or to influence the outcome of the selection.

ADDENDA

A written response to bidder questions will be issued via Addendum and posted on the City's website at www.fbfl.us/bids and DemandStar at www.demandstar.com. It is the bidder's responsibility to check the City's website for Addenda prior to submitting their bid. The deadline for questions is ten days before bid opening.

If there is an Addendum it becomes part of the original Bid or RFP and shall be acknowledged by attaching a copy of the Addendum, signed by an authorized representative of the person or company submitting the bid/proposal. Failure to do so may disqualify the bid/proposal.

INSURANCE REQUIREMENTS

Insurance requirements are outlined in the General Conditions of this Invitation to Bid.

BOND REQUIREMENTS

Bid bonds requirements are outlined in the General Conditions of this Invitation to Bid.

CITY OF FERNANDINA BEACH, FLORIDA
INVITATION TO BID #23-06
EIGHT NEW FIRE STATION APPARATUS BAY DOORS

GENERAL CONDITIONS OF INVITATION TO BID

1. **PREPARATION OF BID -** INVITATION TO BID will be prepared in accordance with the following:
   a. The enclosed Contact Sheet/Bid Form attached hereto as "Exhibit A", must be used when submitting your INVITATION TO BID.

   b. All information required by the Contact Sheet/Bid Form must be furnished. The Bidder must print or type his/her name and manually sign the Form and any continuation sheet on which an entry is made.

   c. Unit prices must be shown and where there is an error in extension of price, the unit price will govern.

   d. Alternate Bids will not be considered unless authorized by the Invitation to Bid.

   e. Bidders will **not** include federal taxes nor State of Florida sales, excise, and use taxes in prices, as the City is exempt from payment of such taxes. An exemption certificate will be signed where applicable upon request.

   f. Bidders must make all investigations necessary to thoroughly inform themselves about any and all conditions related to the performance of the contract. Plea of ignorance by the Bidder of conditions that exists or may hereafter exist as a result of failure or omission on the part of the Bidder to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements provided for in the Purchasing Policy, Purchasing Ordinance and/or State and Federal Statutes. The City's Purchasing Ordinance is set forth in Chapter 2-420, *et seq*.

   g. Prices quoted must be FOB City of Fernandina Beach, Florida with all transportation charges prepaid unless otherwise specified in the Invitation to Bid.

   h. Deliveries are to be FOB Destination unless otherwise specified in the Invitation to bid

   i. Deliveries are to be made during regular business hours.

   j. Bids and Bid prices must be valid for a minimum of ninety (90) days, unless otherwise stated on the INVITATION TO BID.

2. **SUBMISSION OF BID**
   a. Bids and changes thereto must be enclosed in sealed envelopes & addressed as instructed on the Bid Form. The name and address of the Bidder, the date and hour of the Invitation to Bid opening and the material or service must be placed on the outside of the envelope.

   b. INVITATION TO BID must be submitted on the forms furnished. Electronic Bids will not be considered.

3. REJECTION OF BID

a. The City reserves the right to accept or reject any or all Bids, to waive irregularities and technicalities, and to request resubmission or to re-advertise for the services. The City will be the sole judge of the submittals. The City's decision will be final.

4. WITHDRAWAL OF BID

a. Bids may not be withdrawn after the time set for the opening for a period of time as specified.

b. Bids may be withdrawn prior to the time set for the opening. Such request must be in writing.

5. LATE BID

a. INVITATION TO BID and modifications received after the time set for the opening will not be considered.

b. Modifications in writing received prior to the time set for the opening will be accepted.

6. LOCAL, STATE, AND FEDERAL COMPLIANCE

a. Bidders must comply with all local, state, and federal directives, orders and laws as applicable to the INVITATION TO BID and subsequent contract(s) in accordance with the requirements as stated in CFR 200.321, including but not limited to Equal Employment Opportunity (EEO), Minority Business Enterprise (MBE), and Occupational Safety and Health Administration (OSHA) as applicable to this contract.

b. A "Public Entity Crimes Statement", in accordance with Florida Statutes, Section 287.133 (3) (a), on Public Entity Crimes, attached hereto as "Exhibit B", must be received at the time of the bid.

c. A "Drug Free Workplace Certification" attached hereto as "Exhibit C", must be received at the time of the bid.

d. The City of Fernandina Beach requires that the Bidder selected will not discriminate under the contract against any person, in accordance with federal, state and local government regulations.

e. An "E-Verify Statement" attached hereto as "Exhibit D" must be received at the time of the bid.

7. AWARD OF INVITATION TO BID

a. The INVITATION TO BID will be awarded to the most responsive and responsible bidder offering the best value to the City of Fernandina Beach.

b. The City reserves the right to accept and award item by item, and/or by group, or in the aggregate.

c. A written award of acceptance (Purchase Order), mailed or otherwise furnished to the successful Bidder will result in a binding contract without further action by either party.

d. Unless otherwise noted in the specifications, the length of the agreement will be one year, with 2 one-year renewals possible based on the mutual consent of the parties.

e. Upon award, for construction projects, the Contractor will be required to complete/execute the City's Contract and General Conditions for Construction Services. An example of the contract can be found on the City's website at www.fbfl.us/bids, Bids and Purchasing web page.

f. Agreement may be cancelled with 60 day notice unless otherwise stated in signed contract documents.

8. NOT RESPONSIBLE FOR COSTS

a. The City will not be responsible for any cost incurred by a prospective Bidder in responding to this INVITATION TO BID.

9. BONDS

- If Bid is less than $100,000 no Bid Bond or Payment and Performance Bond required.
- If Bid is greater than $100,000 and is for material only, a Bid Bond is required but no Payment and Performance Bond is required.
- If Bid is $100,000 - $200,000, and is for services, a Bid Bond is required but no Payment and Performance Bond is required.
- If Bid is greater than $200,000, and is for services, Bid Bond and Payment and Performance Bond is required.

BID BOND:

a. If the Base Bid or the Base Bid plus the sum of any alternates fall into the criteria above requiring a Bid Bond, the bidder must enclose a Certified Check or Bid Bond with each bid. A Certified Check or Bid Bond must be for an amount not less than five percent (5%) of the Bid price and must be made payable to the CITY OF FERNANDINA BEACH as a guarantee that the Bidder will not withdraw its bid for a period of ninety (90) calendar days after Bid closing time. Bid Bonds or Certified Checks will be returned to unsuccessful bidders within 10 days of bid award. Successful bidders will receive their Certified Check or Bid Bond after the contract/agreement has been signed and a Performance and Payment Bond is received.

PERFORMANCE AND PAYMENT BONDS:

a. In the event the Contract is awarded to the Bidder, Bidder will thereafter enter into a written contract with the CITY OF FERNANDINA BEACH and furnish a Payment and Performance Bond in an amount equal to the contract price. The form of the bonds must be in accordance with Section 255.05 of Florida Statutes. Failing to do so, Bidder will forfeit its bid security.

Payment and Performance Bond must be secured from or countersigned by an agency or surety company recognized in good standing and authorized to do business in the State of Florida.

The following exceptions to bidder providing Performance and Payment Bonds are as follows: In lieu of the Performance and Payment Bonds, a contractor may file with the City an alternative form of security in the form of cash, a money order, a certified check, a cashier's check, an irrevocable letter of credit, or a security of a type listed in part II of chapter 625, Florida Statutes. Any such alternative form of security must be for the same purpose and be subject to the same conditions as those applicable to the bonds. The value of an alternative form of security must be in the amount of the bid.

10. PUBLIC INFORMATION

a. All information contained in this Bid is public information, and as such will be handled in accordance with chapter 119, Florida Statutes.

11. ADDITIONAL INFORMATION

a. The City reserves the right to require Bidders to provide references and information on previous similar experience prior to award of the contract.

12. QUESTIONS

a. Any questions about the INVITATION TO BID should be communicated per instructions in the INVITATION TO BID.

13. INDEMNIFICATION AND INSURANCE

INDEMNIFICATION

The CONTRACTOR agrees to assume liability for and indemnify, hold harmless, and defend the City, its commissioners, mayor, officers, employees, agents, and attorneys of, from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the CONTRACTOR, its agents, officers, contractors, subcontractors, employees, or anyone else employed or utilized by the CONTRACTOR in the performance of this Agreement. The CONTRACTOR's liability hereunder must include all attorney's fees and costs incurred by the City in the enforcement of this indemnification provision. This includes claims made by the employees of the CONTRACTOR against the City and the CONTRACTOR hereby waives its

entitlement, if any, to immunity under Section 440.11, Florida Statutes. The obligations contained in this provision will survive termination of this Agreement and will not be limited by the amount of any insurance required to be obtained or maintained under this Agreement.

Subject to the limitations set forth in this Section, the CONTRACTOR must assume control of the defense of any claim asserted by a third party against the City and, in connection with such defense, must appoint lead counsel, in each case at the CONTRACTOR's expense. The City will have the right, at its option, to participate in the defense of any third-party claim, without relieving CONTRACTOR of any of its obligations hereunder. If the CONTRACTOR assumes control of the defense of any third-party claim in accordance with this paragraph, the CONTRACTOR must obtain the prior written consent of the City before entering into any settlement of such claim. Notwithstanding anything to the contrary in this Section, the CONTRACTOR must not assume or maintain control of the defense of any third party claim, but must pay the fees of counsel retained by the City and all expenses, including experts' fees, if (i) an adverse determination with respect to the third party claim would, in the good faith judgment of the City, be detrimental in any material respect to the City's reputation; (ii) the third party claim seeks an injunction or equitable relief against the City; or (iii) the CONTRACTOR has failed or is failing to prosecute or defend vigorously the third party claim. Each party must cooperate, and cause its agents to cooperate, in the defense or prosecution of any third-party claim and must furnish or cause to be furnished such records and information, and attend such conferences, discovery proceedings, hearings, trials, or appeals, as may be reasonably requested in connection therewith.

It is the specific intent of the parties hereto that the foregoing indemnification complies with Section 725.06, Florida Statutes, as amended. CONTRACTOR expressly agrees that it will not claim, and waives any claim, that this indemnification violates Section 725.06, Florida Statutes, as amended. Nothing contained in the foregoing indemnification will be construed as a waiver of any immunity or limitation of liability the City may have under the doctrine of sovereign immunity or Section 768.28, Florida Statutes.

INSURANCE

Prior to commencement of any work under this Contract and until completion and final acceptance of the work, the CONTRACTOR/VENDOR must, at its sole expense, maintain the following insurance on its own behalf, and furnish to the CITY certificates of insurance evidencing same and reflecting the effective date of such coverage as follows:

The term "Contractor" as used in the insurance rider, will mean and include Subcontractors of every tier.

A. Worker's Compensation and Occupational Disease Insurance in accordance with the applicable law or laws; Employer's Liability Insurance with limit of at least One Million

($1,000,000) dollars. This includes sole proprietorships and officers of corporations who will be performing work on the job.

B. Commercial General Liability with a combined Bodily Injury and Property Damage limit of not less than ONE Million ($1,000,000) dollars per occurrence and TWO Million ($2,000,000) Dollars in the aggregate. The aggregate must be applicable on a per project basis. Coverage must include the following perils:

1. Broad Form Blanket Contractual Liability for liability assumed under this Contract and all other Contracts relative to the project.
2. Completed Operations/Products Liability.
3. Broad Form Property Damage
4. Personal and Advertising Injury Liability
5. Independent Contractors
6. Endorsements must be furnished reflecting the inclusion of the interests of Owner, Construction Manager, General Contractor, Contractor, (your company) , their officers, directors, partners, representatives, agents and employees, and naming each as an Additional Insured on a primary and non-contributing basis.
7. Coverage is to be endorsed to reflect that insurance is to be primary and non-contributory with respect to any other collectable insurance, for the Owner, General Contractor, Contractor, (your company) and all other parties required to be named as additional insureds.
8. Coverage is to be provided on an "occurrence" basis with carriers licensed and admitted to do business in the State of [your state] or otherwise acceptable to the Contractor (your company).
9. A copy of policy and/or endorsement(s) and any other documents required to verify such insurance are to be submitted with the appropriate certificate(s), or upon the request of Contractor (your company). Failure to provide these documents is not to be construed as a waiver of the requirements to provide such insurance.

C. Commercial Automobile Liability Insurance covering the use of all Owned, Non-Owned, and Hired Vehicles with combined Bodily Injury and Property Damage Limit of at least One Million ($1,000,000) Dollars.

D. Umbrella I Excess Liability Insurance with a limit of no less than One Million ($1,000,000) minimum per occurrence.

E. During the term of this agreement, (if applicable) the Contractor/Vendor will carry Professional Liability Insurance which will cover liability for any damage or non-performance on account of any error, omission, or other provable negligence caused by the Contractor/Vendor. The amount of insurance must not be less than One Million ($1, 000,000) per occurrence and aggregate.

F. Loss Deductible – If the insurance of any CONTRACTOR/VENDOR contains deductible(s), penalty(s) or self-insured retention(s), the CONTRACTOR/VENDOR whose insurance contains such provision(s) must be
solely responsible for payment of such deductible(s), penalty(s) or self-insured retention(s).

G. Where an Off Project Site Property exposure exists, the Contractor at its sole expense must furnish to the Owner and Contractor (your company) Certificates of Insurance and other required documentation evidencing the following coverage which will provide for the interests of [Name of Owner] , [Name of General Contractor] and (your company) to be

named as Loss Payees and will contain a provision requiring the insurance carriers to waive their rights of subrogation against all indemnities' named in the contract.

"All Risk" Property Insurance on all materials, equipment and supplies intended to become a permanent part of the construction stored on premises away from the project site and while in transit, until actually delivered to the project site. Coverage is to be provided on a replacement cost basis.

H. The above insurances must each contain the following wording verbatim: "[Name of Owner], [Name of General Contractor] , and (your company) are interested in the maintenance of this insurance and it is agreed that this insurance will not be canceled , materially changed or not renewed without at least a thirty (30) day advance written notice to [Name and address of Owner] , [Name and address of General Contractor] and [Name and address of your company] by certified mail-return receipt requested ."

I. The amount of insurance contained in the aforementioned insurance coverages will not be construed to be a limitation of the liability on the part of the Subcontractor or any of its Subcontractors.

J. The Contractor must file certificates of insurance prior to the commencement of work with the Owner and the General Contractor which will be subject to the Owner, General Contractor and (your company) approval of adequacy of protection and the satisfactory character of the Insurer.

K. Any type of insurance or any increase of limits of liability not described above which the Subcontractor requires for its own protection or on account of statute must be its own responsibility and at its own expense.

L. The carrying of the insurance described will in no way be interpreted as relieving the Contractor or Subcontractor of any responsibility of liability under this Contract.

M. Any policies effected by the Contractor on its Owned and/or Rented Equipment and Materials must contain a provision requiring the insurance carriers to waive their rights of subrogation against the [Name of Owner], [Name of General Contractor], [Name of Contractor (your company)] and all other indemnities' named in the Contract.

N. Should the Contractor engage a Subcontractor, the same conditions must apply under this contract to each Subcontractor, however, the retained Subcontractor must be required to maintain limits of liability of not less than One Million ($1,000,000.00) Dollars per occurrence and Two Million ($2,000,000) Dollars in the aggregate, with said limits applicable on a per project basis, or such greater limits as may be required by the retaining Subcontractor.

14. PAYMENT

Payment due hereunder must be made by the City to CONTRACTOR/VENDOR in accordance with the Florida Prompt Payment Act..

15. BID PROTESTS

Bid protest conditions and procedures are in accordance with City Ordinances – Part 2, Chapter 2, Article VII, Division 2, Section, 2-444.

16. FEDERAL GRANT MONEY

In the event this project is funded with federal grant monies, CONTRACTOR/VENDOR may not participate in the bid if CONTRACTOR/VENDOR is listed in the Excluded Parties List System (EPLS) a federal suspension and debarment listing. The Federal Government's Excluded Parties List System (EPL) is located at, including but not limited to, https://www.sam.gov. CONTRACTOR/VENDOR must include copy of search results with bid or proposal.

17. LOBBYING

a. Lobbying is defined as any action taken by an individual, firm, association, joint venture, partnership, syndicate, corporation, and/or all other groups who seek to influence the governmental decision of a Board Member, the City Manager, and/or any City Personnel during the solicitation process. The lobbying black-out period commences upon the issuance of this solicitation and concluded upon the signing of the agreement. CONTRACTORS must not contact any Commission Member and/or any requesting or evaluating Department/Office personnel during said black-out period. All questions and procedural matters must be directed to the City Manager. The City Commissioners and/or the City Manager may disqualify any solicitation response where any Commissioner, the City Manager, and/or City Personnel have been lobbied in violation of the black-out period.

3. My name is_____and my relationship to the entity named above is _____.

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a) (g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any submittal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a) (b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1) (a), Florida Statutes, means:

    1. A predecessor or successor of a person convicted of a public entity crime; or

    2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The City of Fernandina Beach, Florida ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes

those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

____ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

____ The person or affiliate was placed on the convicted INDIVIDUAL/COMPANY/FIRM list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted INDIVIDUAL/COMPANY/FIRM list. (Please attach a copy of the final order.)

____ The person or affiliate has not been placed on the convicted INDIVIDUAL/COMPANY/FIRM list. (Please describe any action taken by, or pending with, the Department of General Services.)

DRUG-FREE WORKPLACE CERTIFICATION

The below-signed INDIVIDUAL/COMPANY/FIRM certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace prepare, a business must:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or services a copy of the statement specified in paragraph 1.

4. In the statement in paragraph 1., notify the employees that, as a condition of working on the commodities or contractual services that are under bid/proposal, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.

5. Impose a sanction on or require fine satisfactory participation in drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I Certify that this individual/company/firm complies fully with the above drug-free workplace requirements.

CONFLICT OF INTEREST STATEMENT

This sworn statement is submitted with Bid, Proposal or Contract for _____.

This sworn statement is submitted by (entity) _____ whose business address is _____ and (if applicable) Federal Employer Identification Number (FEIN) is _____(If a Sole Proprietor and you have no FEIN, include the last four (4) digits of your Social Security Number: _____.)

My name is_____and my relationship to the entity named above is_____.

1. The above-named entity is submitting a bid for the City of Fernandina Beach.
2. The Affiant has made diligent inquiry and provides the information contained in the Affidavit based upon their own knowledge.
3. The Affiant states that only one submittal for the above bid/proposal is being submitted and that the above-named entity has no financial interest in other entities submitting bids/proposals for the same project.
4. Neither the Affiant nor the above- named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraints of free competitive pricing in connection with the entity's submittal for the above bid/proposal. This statement restricts the discussion of pricing data until the completion of negotiations if necessary and execution of the Contract for this project.
5. Neither the entity not its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participation in contract letting by any local, State, or Federal Agency.
6. Neither the entity nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
7. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with the City of Fernandina Beach.
8. I certify that no member of the entity's ownership or management, or staff has a vested interest in any aspect of the City of Fernandina Beach.
9. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify the City of Fernandina Beach.

DISPUTES DISCLOSURE FORM

Answer the following questions by placing as "X" after "YES" or "NO". If you answer "YES", please explain in the space provided, or via attachment.

Has your INDIVIDUAL/COMPANY/FIRM or any of its officers, received a reprimand of any nature or been suspended by the Department of Professional Regulations or any other regulatory agency or professional association within the last five (5) years?
YES___ NO____

Has your INDIVIDUAL/COMPANY/FIRM, or any member of your INDIVIDUAL/COMPANY/FIRM, been declared in default, terminated or removed from a contract or job related to the services your INDIVIDUAL/COMPANY/FIRM provides in the regular course of business within the last five (5) years?
YES_____NO_____

Has your INDIVIDUAL/COMPANY/FIRM had against it or filed any request for equitable adjustment, contract claims, bid protest, or litigation in the past five (5) years that is related to the services your INDIVIDUAL/COMPANY/FIRM provides in the regular course of business?
YES_____NO_____

If yes, state the nature of the request for equitable adjustment, contract claim, litigation, or protest, and state a brief description of the case, the outcome or status of the suit and the monetary amounts or extended contract time involved.

I hereby certify that all statements made are true and agree and understand that any misstatement or misrepresentation or falsification of facts shall be cause for forfeiture of rights for further consideration of this bid/proposal for the City of Fernandina Beach.

FEDERAL CONTRACT REQUIREMENTS

ARPA FUNDS 2022

Certification Regarding Lobbying

(To be submitted with each bid or offer exceeding $100,000)

EXHIBIT "I"

The undersigned certifies, to the best of his or her knowledge and belief, that:

(a) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(b) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(c) The undersigned shall require that the language paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995).

The Contractor,_____, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., apply to this certification and disclosure, if any.

INSTRUCTIONS FOR COMPLETION OF SF-LLL, DISCLOSURE OF LOBBYING ACTIVITIES

This disclosure form shall be completed by the reporting entity, whether sub-awardee or prime Federal recipient, at the initiation or receipt of a covered Federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. section 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.

2. Identify the status of the covered Federal action.

3. Identify the appropriate classification of this report. If this is a follow-up report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last previously submitted report by this reporting entity for this covered Federal action.

4. Enter the full name, address, city, State and zip code of the reporting entity. Include Congressional District, if known. Check the appropriate classification of the reporting entity that designates if it is, or expects to be, a prime or subaward recipient. Identify the tier of the sub-awardee, e.g., the first sub-awardee of the prime is the 1st tier. Subawards include but are not limited to subcontracts, subgrants and contract awards under grants.

5. If the organization filing the report in item 4 checks "Sub-awardee," then enter the full name, address, city, State and zip code of the prime Federal recipient. Include Congressional District, if known.

6. Enter the name of the federal agency making the award or loan commitment. Include at least one organizational level below agency name, if known. For example, Department of Transportation, United States Coast Guard.

7. Enter the Federal program name or description for the covered Federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans, and loan commitments.

8. Enter the most appropriate Federal identifying number available for the Federal action identified in item 1 (e.g., Request for Proposal (RFP) number; Invitations for Bid (IFB) number; grant announcement number; the contract, grant, or loan award number; the application/proposal control number assigned by the Federal agency). Included prefixes, e.g., "RFP-DE-90-001."

9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.

10. (a) Enter the full name, address, city, State and zip code of the lobbying registrant under the Lobbying Disclosure Act of 1995 engaged by the reporting entity identified in item 4 to influence the covered Federal action.

(b) Enter the full names of the individual(s) performing services, and include full address if different from 10(a). Enter Last Name, First Name, and Middle Initial (MI).

11. The certifying official shall sign and date the form, print his/her name, title, and telephone number.

According to the Paperwork Reduction Act, as amended, no persons are required to respond to a collection of information

unless it displays a valid OMB control Number. The valid OMB control number for this information collection is OMB No. 0348-0046. Public reporting burden for this collection of information is estimated to average 10 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0046), Washington, DC 20503

EXHIBIT I-1: REQUIRED CONTRACT PROVISIONS

2 CFR 200.326 Contract provisions. The non-Federal entity's contracts must contain the applicable provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards. The non-Federal entity's contracts must contain the applicable provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards.

All Contracts

THRESHOLD	PROVISION	CITATION
>$150,000 (Simplified Acquisition Threshold)	Contracts for more than the simplified acquisition threshold currently set at $150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.	2 CFR 200 APPENDIX II (A)
>$10,000	All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.	2 CFR 200 APPENDIX II (B)
None	Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.	2 CFR 200 APPENDIX II (F)
None	Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.	2 CFR 200 APPENDIX II (H)
None	Records of non-Federal entities. The U.S. Department of Housing and Urban Development (HUD), Inspectors General, the Comptroller General of the United States, the Texas General Land Office (GLO), and the pass-through entity, or any of their authorized representatives, must have the right of access to any documents, papers, or other records of the non-Federal entity which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right also includes timely and reasonable access to the non-Federal entity's personnel for the purpose of interview and discussion related to such documents.	2 CFR 200.336

None	Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award must be retained for a period of three years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding agency or pass-through entity in the case of a subrecipient. Federal awarding agencies and pass-through entities must not impose any other record retention requirements upon non-Federal entities. The only exceptions are the following:	2 CFR 200.333

THIS FORM MUST BE INCLUDED WITH BID/PROPOSAL

	(a) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. (b) When the non-Federal entity is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period. (c) Records for real property and equipment acquired with Federal funds must be retained for 3 years after final disposition. (d) When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 3-year retention requirement is not applicable to the non-Federal entity. (e) Records for program income transactions after the period of performance. In some cases recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned. (f) Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates). (1) If submitted for negotiation. If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the pass-through entity) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission. (2) If not submitted for negotiation. If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the pass-through entity) for negotiation purposes, then the 3-year retention period for the proposal, plan, or computation and its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.	

None	Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms. (a) The non-Federal entity must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible. (b) Affirmative steps must include: (1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists; (2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources; (3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;	2 CFR 200.321

THIS FORM MUST BE INCLUDED WITH BID/PROPOSAL

	(4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; (5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and (6) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (1) through (5) of this section.	
Option Contract Language for contracts awarded prior to Grant Award	The contract award is contingent upon the receipt of CDBG-DR funds. If no such funds are awarded, the contract shall terminate.	Optional

THIS FORM MUST BE INCLUDED WITH BID/PROPOSAL

EO Clause for Construction Contracts > $10K including administration & engineering contracts associated with construction contracts

THRESHOLD	PROVISION	CITATION
>$10,000	Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of ''federally assisted construction contract'' in 41 CFR Part 60–1.3 must include the equal opportunity clause provided under 41 CFR 60–1.4(b), in accordance with Executive Order 11246, ''Equal Employment Opportunity'' (30 FR 12319, 12935, 3 CFR Part, 1964–1965 Comp., p. 339), as amended by Executive Order 11375, ''Amending Executive Order 11246 Relating to Equal Employment Opportunity,'' and implementing regulations at 41 CFR part 60, ''Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.'' 41 CFR 60-1.4 Equal opportunity clause. (b) Federally assisted construction contracts. (1) Except as otherwise provided, each administering agency shall require the inclusion of the following language as a condition of any grant, contract, loan, insurance, or guarantee involving federally assisted construction which is not exempt from the requirements of the equal opportunity clause: The applicant hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause: During the performance of this contract, the contractor agrees as follows: (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause. (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.	41 CFR §60-1.4(b) and 2 CFR 200 APPENDIX II (C)

	(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to	

THIS FORM MUST BE INCLUDED WITH BID/PROPOSAL

	individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information. (4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment. (5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor. (6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders. (7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law. (8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States. The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause	

	is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract. The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules,	

	regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance. The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings. (c) Subcontracts. Each nonexempt prime contractor or subcontractor shall include the equal opportunity clause in each of its nonexempt subcontracts. (d) Inclusion of the equal opportunity clause by reference. The equal opportunity clause may be included by reference in all Government contracts and subcontracts, including Government bills of lading, transportation requests, contracts for deposit of Government funds, and contracts for issuing and paying U.S. savings bonds and notes, and such other contracts and subcontracts as the Director of OFCCP may designate. (e) Incorporation by operation of the order. By operation of the order, the equal opportunity clause shall be considered to be a part of every contract and subcontract required by the order and the regulations in this part to include such a clause whether or not it is physically incorporated in such contracts and whether or not the contract between the agency and the contractor is written. (f) Adaptation of language. Such necessary changes in language may be made in the equal opportunity clause as shall be appropriate to identify properly the parties and their undertakings. THRESHOLD	PROVISION	CITATION
>$2,000	*Compliance with the Davis-Bacon Act (40 U.S.C. 3141 et seq.) as supplemented by Department of Labor regulations (29 CFR part 5) and with the Copeland "Anti-Kickback" Act (18 U.S.C. 874; 40 U.S.C. 3145) as supplemented in Department of Labor regulations (29 CFR part 3):* Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.	2 CFR 200 APPENDIX II (D)
>$100,000	Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.	2 CFR 200 APPENDIX II (E)

>$150,000	Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).	2 CFR 200 APPENDIX II (G)
>$100,000	Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or	2 CFR 200 APPENDIX II (I) and 24 CFR §570.303

THIS FORM MUST BE INCLUDED WITH BID/PROPOSAL

	employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.	
>$100,000	All Section 3 covered contracts shall include the following clause (referred to as the Section 3 clause): A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing. B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations. C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin. D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135. E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135. F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.	24 CFR §135.38

	G. With respect to work performed in connection with Section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i)	

THIS FORM MUST BE INCLUDED WITH BID/PROPOSAL

	preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).	
	A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. [78 FR 78608, Dec. 26, 2013, as amended at 79 FR 75885, Dec. 19, 2014]	2 CFR 200 APPENDIX II (J)
	Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.	42 U.S.C. 6201
	As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award. a. For purposes of this section: i. "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. ii. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.	2 CFR 200.322

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Ordinance 2023-10
Waste Management Franchise Agreement

ITEM TYPE: Ordinance (w/ fiscal impact)

REQUESTED ACTION: Consider Ordinance 2023-10 at First Reading.

SYNOPSIS: The City of Fernandina Beach finds it in the public interest to ensure that all areas within its limits are adequately provided with high quality solid waste collection and disposal service, and retain regulatory authority over refuse collection and disposal to the extent allowed by law, because of the overriding public health, safety and welfare considerations associated with the provisions of this service.

The City granted a solid waste franchise to Advanced Disposal Services Stateline, LLC, beginning January 15, 2019, and assigned the franchise to Waste Management Inc. of Florida on January 4, 2022. The City solicited proposals for collection and disposal of garbage, recyclables, and yard debris through RFP 22-08, and the evaluation committee recommended Waste Management Inc of Florida. The City Commission authorized negotiations with Waste Management Inc. of Florida for a franchise agreement via Resolution 2022-219. This Ordinance repeals the current franchise agreement effective January 14, 2024 and enter into a new franchise agreement effective January 15, 2024.This item is placed on the agenda at the request of Director of Operations Jeremiah Glisson.

FISCAL IMPACT: The City receives a 10% franchise fee from Waste Management.

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): I recommend that the City Commission approve proposed Ordinance 2023-10 at First Reading.

Jeremiah Glisson, Operations Director	4/20/2023

Tammi E. Bach, City Attorney	5/8/2023

Caroline Best

Date: April 18, 2023

Submitted By: Caroline Best, City Clerk

COMMISSION ACTION: Approve

ORDINANCE 2023-10

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, REPEALING ORDINANCE 2018-10 EFFECTIVE JANUARY 14, 2024; PROVIDING A NEW EXCLUSIVE FIVE-YEAR FRANCHISE TO WASTE MANAGEMENT INC. OF FLORIDA EFFECTIVE JANUARY 15, 2024, FOR THE COLLECTION AND DISPOSAL OF ALL RESIDENTIAL AND COMMERCIAL TRASH, GARBAGE, AND OTHER REFUSE AND PROVIDING FOR THE COLLECTION OF RESIDENTIAL RECYCLABLE MATERIALS WITHIN THE CITY LIMITS; FURTHER PROVIDING FOR DEFINITIONS; GRANT OF FRANCHISE; LIMITS OF FRANCHISE; TERM OF FRANCHISE; FRANCHISE CONSIDERATION; ASSIGNMENT; BANKRUPTCY OR INSOLVENCY; DEFAULT; RATE CHANGES AND RIGHT OF FIRST REFUSAL; PUBLIC NOTICES AND EDUCATION SERVICES; RESTORATION; COMPLIANCE WITH LAWS; LIABILITY INSURANCE, HOLD HARMLESS, WORKERS COMPENSATION; PERFORMANCE BOND; RIGHT TO REQUIRE PERFORMANCE; DISPUTE RESOLUTION; OPERATIONS DURING DISPUTE; STANDARD OF PERFORMANCE; CURBSIDE RECYCLABLE MATERIALS COLLECTION AND DISPOSAL; RECYCLING PROGRAM; COLLECTION SERVICES AND OPERATIONS; OFFICE HOURS; COLLECTION EQUIPMENT; DISPOSAL; ROUTES AND SCHEDULES; GRANTEE PERSONNEL; SPILLAGE AND LITTER; STORMS AND FORCE MAJEURE EVENTS; NONDISCRIMINATION PROVISION; RATES, CHANGES, BILLING AND AUDITS; COMPLAINTS & CHARGES FOR FAILURE OF PERFORMANCE; MISCELLANEOUS PROVISIONS; PUBLIC RECORDS LAW AND OBLIGATIONS; REPEAL OF SECTIONS IN CONFLICT; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Fernandina Beach finds it in the public interest to ensure that all areas within its limits are adequately provided with high quality solid waste collection and disposal services; and

WHEREAS, the City of Fernandina Beach finds it in the public interest to retain regulatory authority over refuse collection and disposal to the extent allowed by law, because of the overriding public health, safety and welfare considerations associated with the provisions of this service; and

WHEREAS, the City of Fernandina Beach finds it in the public interest to retain control over the use of public rights-of-way by refuse collection to assure against interference with the public convenience, to promote aesthetic considerations, and to protect the public investments in right-of-way property; and

WHEREAS, the City of Fernandina Beach finds it in the public interest to utilize quality refuse collectors and that this can be accomplished by protecting capital investments of refuse collectors; and

WHEREAS, the City of Fernandina Beach finds that the granting of an exclusive franchise is the best means of assuring that the above described interests of the City of Fernandina Beach are promoted; and

WHEREAS, the City granted a solid waste franchise to Advanced Disposal Services Stateline, LLC, beginning January 15, 2019, and assigned the franchise to Waste Management Inc. of Florida January 4, 2022; and

WHEREAS, the City solicited proposals for collection and disposal of garbage, recyclables, and yard debris through RFP 22-08, and the evaluation committee recommended Waste Management Inc of Florida; and

WHEREAS, the City Commission authorized negotiations with Waste Management Inc. of Florida for a franchise agreement via Resolution 2022-219; and

WHEREAS, the City of Fernandina Beach finds it is in the best interests of the City to repeal Ordinance 2018-10 as of January 14, 2024, and to grant a new solid waste franchise for 5 years beginning January 15, 2024; and

WHEREAS, this Ordinance is adopted pursuant to the authority of Section 166.021, and Chapter 403, Part IV, Florida Statutes.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, THAT:

SECTION 1. DEFINITIONS.

"Anniversary Date" means the date that is one year after the Effective Date of this Franchise Ordinance.

"Authorized Hours for Collection" means the hours that the Grantee is authorized to collect all types of solid waste and recyclables at customer locations within the City's limits. The authorized hours for collection are between the hours of 6:00 am and 8:00 pm for residential collection inclusive, unless otherwise authorized by the City for a specific duration. The authorized hours for collection for commercial collection are between 3:00 am and 8:00 pm inclusive, unless otherwise authorized by the City for a specific duration. Special consideration will be given for certain commercial establishments that neighbor residential properties.

"Beach Accesses" mean accesses located along the 6 miles of beach located within the City limits. Accesses contain approximately 50 garbage carts that are serviced one (1) to seven (7) days per week depending upon the season. This service will be provided by the Grantee for a separate rate listed in Section 30.

"Bulk Waste" means large, discarded items generated from residences and commercial businesses within the City, such as pallets, furniture, e-waste, and abandoned and improperly placed dumps of the same. Loose construction or demolition debris is considered commercial. The Grantee has the right to charge for extra bulk waste pickup which is greater than 3 cubic yards.

"Cart" means:

1) A sixty-five gallon or ninety-five gallon container on wheels with attached lids, serviced by collection vehicles with a side-arm (or tipper) that mechanically collects and empties the

container, provided by the Grantee for garbage/trash collection or service at residential and small commercial account locations;

2) All carts must have imprinted on each on each of the main body a City logo with City name, as approved by the City, and a serial number imprinted on another side of the main body. All carts with the City logo(s) with City name will automatically become the property of the City, at no additional cost to the City, on termination of the Grantee contract and the Grantee inventory will be transported to the City location identified by the City at no additional cost to the City.
3) Selection of cart manufacturer and type/specifications and markings are subject to City approval prior to purchase by the Grantee.
4) The cost of purchasing providing, maintaining, and replacing of all carts to customer account locations is the responsibility of the Grantee at no additional cost to the City and will be - part of the collection and disposal costs in the Grantee unit price rates

"Change in Law" means:

1) The adoption, or modification after the date of this Franchise of any substantially increased federal, state or local fees or taxes, law, regulation, order, statute, ordinance or rule that was not adopted, promulgated or modified on or before the date of this Franchise, or

2) The imposition of any material conditions in connection with the issuance, renewal, or modification of any permit, license, or approval after the date of this Franchise, which in the case of either (1) or (2) establishes requirements affecting the Grantee's operation under this Franchise in a substantial manner so as to make the performance of the requirements of this Franchise more burdensome than before the change of said law. Any change in tax law or workers compensation law will not be considered a change in law pursuant to this definition.

"City" means the City of Fernandina Beach, Nassau County, Florida, a municipal corporation, its government and the City Manager, and/or his authorized or designated representative(s); and may also be referred to as Grantor or Franchisor.

"Commercial" or "Commercial establishment" means any public or private place, building and/or enterprise devoted in whole or in part to a business enterprise whether nonprofit or profit making in nature, except where such place, building and/or enterprise constitutes a single-family residence or multifamily dwelling. Commercial establishments utilize commercial container units such as Grantee provided dumpsters or customer provided containers that are mechanically emptied by other means than cart collection vehicles. These consist of, but are not limited to, office buildings, stores, hotels and motels, restaurants, schools, churches, clubs, medical clinics and hospitals, assisted living facilities, and other service establishments.

"Commercial collection and disposal services" means garbage and trash collection and disposal service for commercial establishments utilizing containers other than those described as carts for collection of garbage/trash. These containers, such as dumpsters, roll-offs, compactors, etc., are mechanically emptied by means other than cart collection vehicles. The Grantee must provide the following collection and disposal services to each customer location – garbage/trash, recycling (at customer option) and bulk waste.

Commercial establishments in this service category may use, but are not limited to, any of the following for the accumulation of garbage/trash:

1) Carts as defined as above.

2) Dumpster containers, provided by the Grantee, *at no additional cost to the City or account holder*, in two (2), four (4), six (6), eight (8) cubic yard capacities, to include ancillary items, such as rollers and dumpster security devices (not enclosures or shoots). Provision, collection, disposal, and servicing are provided in the price per pull.

3) Roll-off containers, provided by the Grantee, *at no additional cost to the City or account holder*, to include ancillary items, such as rollers and security devices on roll-offs (not enclosures or shoots), as approved by the City, when permanent-use roll-off service is approved by the City, subject to transition from existing customer contracts for existing service. Provision, collection, disposal, and servicing are provided in the price per pull.

4) Commercial cardboard containers in the downtown district provided by the Grantee, *at no additional cost to the City or account holder*. Currently, there are approximately four (4) 8-yard cardboard recycle dumpsters for this purpose.

5) Locations, quantities and frequency of pickups, and quantities and sizes of dumpsters and specialty items such as gravity locks and rollers may change from time-to-time at the sole discretion/direction of the City.

6) Grantee-provided solid waste collection and disposal service for customer provided compactors and dumpsters, subject to transition from existing customer contracts for existing service. Collection and disposal are provided in the unit price per pull.

"Commercial trash" means any and all accumulations of such combustibles as paper, rags, wood, wooden or paper or cardboard boxes; non-combustibles such as metal, glass, stone and dirt; and any other accumulations not included within the definition of garbage, generated by the operation of stores, offices and other business places. Commercial trash includes all trash placed in public receptacles, on public streets, in parks and playground, and in other public places. Commercial trash includes bulk items or piles greater than 3 cubic yards.

"Company" refers to Waste Management Inc. of Florida, ("Waste Management") which may also be referred to as the Grantee or Franchisee.

"Construction and Demolition Debris" means discarded materials generally considered not to be water-soluble and non-hazardous in nature, including, but not limited to, steel, glass, brick, concrete, asphalt roofing material, pipe, gypsum wallboard, and lumber, from the construction or destruction of a structure as part of a construction or demolition project or from the renovation of a structure, and including rocks, soils, tree remains, trees, and other vegetative matter that normally results from land clearing or land development operations for a construction project, including such debris from construction of structures at a site remote from the construction or demolition project site. Mixing of construction and demolition debris with other types of solid waste will cause it to be classified as other than construction and demolition debris. Collection of construction and demolition debris is to be accomplished via the open market and is outside this solicitation.

"Commission" means the City Commission of the City of Fernandina Beach, Florida.

“Curbside Collection Point” means that area on or adjacent to the driveway within five feet of, and in no case more than ten feet from, the street, roadway, or alley, behind the curb or edge of pavement and not by the driving surface of the street or roadway or in the drainage gutter or drainage swale or ditch, not on landscaping of any sort other than grass, and as may be specifically requested by the customer, subject to City review. For disabled and/or elderly customers properly acknowledged, this may mean the side door or other designated collection point. The Grantee is responsible to appropriately identify, subject to City review, the side door pickup customer premises, making the side yard pickup locations easily identifiable from the driving pavement by the collection route drivers. The Grantee will provide side door pickup at no additional cost to the City. This is also referred to as roll-out, roll-back service.

“Designated Recovery Facility” means the recycling/processing center(s) specifically agreed upon by the Grantee and the City for the recovery of recyclable materials.

"Disaster debris" means any rubbish or remnants, both combustible and noncombustible, resulting from storms or any emergency condition, requiring special handling and/or equipment for bulk removal of both natural and man-made material.

“Downtown” means the Fernandina Beach Historic Downtown area between South 8th and Front St. and Alachua St. and Ash St. Downtown area has approximately 55 ornamental cans that must be emptied daily up to seven (7) times per week, excluding select holidays, subject to City review.

“Franchise” means this Franchise Agreement.

“Effective Date” means January 15, 2024.

“Excluded waste” means any and all debris and waste products generated by land clearing, demolition, building construction or alteration and hauled away by the respective contractor (except do-it-yourself projects) as approved by City representatives; public works construction projects whether performed by a governmental unit or by contract; materials deemed by the City to be hazardous waste and items not allowed at the County landfill or other approved landfill. Yard waste produced by and hauled away by landscape maintenance contractors is also considered excluded waste.

“Franchise Fee” means the fees set forth in Section 5 of the Franchise.

"Garbage" includes and means all accumulation of animal, fruit or vegetable and any other matter, of any nature whatsoever which is subject to decay, which may serve as breeding or feeding material for flies and/or other germ carrying insects; bottles, cans, or other food containers which due to their ability to retain water may serve as a breeding place for mosquitoes or other water breeding insects, and does not include recycling; and abandoned and improperly placed dumps of the same.

"Grantee" means Waste Management Inc. of Florida, (“Waste Management”) or “Franchisee” who is granted this exclusive Franchise and hereby undertakes to perform each and every obligation assigned herein and hereby agreed to.

"Grantor” means the City of Fernandina Beach, Florida or “Franchisor”.

"Gross Revenue” means and includes any and all fees received by Grantee for service and disposal which were generated within the service area pursuant to this Franchise with the exception of those fees associated with storms and other emergencies as defined in Section 28.

"Hazardous waste" means wastes that are hazardous by reason of their pathological, explosive, radiological or toxic characteristics.

"Household trash" means any and all accumulations of waste material from the operation of a home, which is not included within the definition of garbage.

"Net revenue" means gross revenue less expenses directly and proximately related to the operation of the Franchise.

"Occupant" or "Resident" includes individuals, children, firms, associations, joint ventures, partnerships, estates, trusts, syndicates, fiduciaries, corporations, and all other, groups or combinations permitted under Florida law.

"Plastic liner" means a plastic bag no larger than a thirty-five-gallon garbage can of sufficient strength to hold contents securely tied at top, not to exceed fifty pounds when full.

"Receptacle" is a general term meaning the container provided to or by the customer that is used by the customer for depositing garbage/trash or recycling and that is emptied by the Grantee such as a cart, dumpster, compactor, roll-off, etc.

"Recycling" refers to the collection, transportation, and recovery of recyclable materials by the Grantee from participating residential cart pickup accounts, small commercial cart pickup accounts (optional participation), unique commercial cart pickup accounts (optional participation) and Multifamily Dwelling collection accounts, and Commercial collection accounts (optional participation) in the recycling service area.

"Recycling carts" means the carts purchased and distributed by the Grantee on behalf of the City for the intended use as a receptacle for recyclable materials for Residential and Multifamily Dwelling customers. Commercial customers may also use Recycling Carts as receptacles for recyclable materials at the customer option. The purchase, provision, maintenance, and replacement of these carts shall be the responsibility of the Grantee at no additional cost to the City.

"Recycling Collection Service" refers to the collection, transportation, and recovery of recyclable materials by the Grantee from participating residential cart pickup accounts, small commercial cart pickup accounts (optional participation), unique commercial cart pickup accounts (optional participation) and multifamily dwelling collection accounts, and commercial collection accounts (optional participation) in the recycling service area.

"Recyclable Materials" mean newspaper, paper, aluminum and metal beverage and food cans, all colors of glass bottles/jars, and plastic bottles/containers, which previously held non-automotive, non-toxic liquid, and such other materials, as mutually agreed by the Grantee and the City, that are recyclable, source separated and co-mingled for single stream recycling collection. Section 20: Recycling Program contains a more detailed list of Acceptable and Non-Acceptable recycling items.

"Recycling service area" refers to the corporate limits of the City of Fernandina Beach, Florida as hereafter amended through annexation.

"Residential collection & disposal service", also known as Residential Cart Pickup Service, means garbage and household trash collection and disposal service to one single family dwelling, or one living unit in a duplex or other multifamily dwelling utilizing cart pickup garbage/trash collection

service. The Grantee will provide the following collection and disposal services to each customer location: garbage/trash, recycling, and bulk waste.

"Roll-out, Roll-back" service means the Grantee provides, at no additional cost to the City, roll-out, roll-back service for elderly or disabled residents. This service will be provided to elderly residents or those with short-term or long-term disabilities who are unable to bring their solid waste and recyclables to the curbside collection points. Residents who may have such difficulty putting out their refuse or recyclables may request roll-out, roll-back service by providing to the Utility Billing Department a physician's note, detailing the duration of the disability. Upon the City's approval, the resident is notified with the confirmed period of roll-out, roll-back service. The Grantee will collect, within the City-approved time period, the elderly/disability resident's refuse and recyclables from their side door or designated locations on the property. The roll-out, roll-back service is available to all other City residents for an additional charge.

"Solid Waste or Refuse" includes and means all garbage, dead animals, bulk waste, household trash, construction and demolition debris, commercial trash, and abandoned and improperly placed dumps of the same.

"Special material" means large materials or other special wastes that are not stored in standard storage containers and cannot be picked up by a normally used collection vehicle. With the exception of major appliances, all wastes such as furniture, "do it yourself" building materials, non-containerized trash piles and any unusually large amount of refuse not suitable for containerization will be picked up at the curb as a special service of the Grantee at an additional charge. This service will be limited to materials that can safely be collected by the use of a rear-load vehicle with a helper. All fees received by the Grantee for the collection of special materials are subject to the City's Franchise Fee.

"Surety" means the party who is bound with and for the Grantee to insure the payment of all lawful debts pertaining to and for acceptable contract performance.

"White Goods" means refrigerators, water heaters, freezers, unit air conditioners, washing machines, dishwashers, clothes dryers, and other similar household large appliances. Discarded major appliances will be collected by Grantee at a charge specified in Section 30.

"Yard Waste" means every accumulation of vegetative garden and yard trash which is the accumulation of leaves, grass cuttings, shrubbery cuttings, limbs, trunks, palm fronds or other refuse from the care of lawns, gardens, shrubbery, vines and trees, and improper/ abandoned dumps of the same.

SECTION 2. GRANT OF FRANCHISE.

A. Grantee is hereby granted an exclusive, mandatory residential and commercial Franchise, including every right and privilege appertaining thereto, to operate and maintain a residential recycling and residential and commercial trash, garbage and refuse collection and removal service in, upon, over and across the present and future streets, alleys, bridges, easements and other public places within the limits of this Franchise for the purpose of collecting and disposing of residential recyclables, residential

and commercial trash, garbage and other refuse generated by the citizens, residents and inhabitants of the City of Fernandina Beach, Florida. Grantee is also hereby granted title to all such residential recyclables, residential and commercial trash, garbage and refuse generated within said boundaries, to the extent that the Grantor can establish its legal right to make such grant of title.

B. Grantee understands and agrees that Grantor has the right to use the services of another vendor/contractor for select recycling services such as recycling events and the operation of the City's Recycling Center without breaching the exclusivity granted in Section 2(A) above.

C. Request for Proposals #22-08, including all addendums thereto of the City of Fernandina Beach, is herein incorporated by reference, as is the response to the Request for Proposals #22-08 and the rate proposal submitted by the Grantee.

SECTION 3. LIMITS OF FRANCHISE.

This Franchise covers the corporate limits of the City of Fernandina Beach, Florida. Grantee agrees that the limits of the Franchise are subject to expansion or reduction by annexation and contraction of municipal boundaries and that Grantee has no vested right in a specific area.

SECTION 4. TERM.

A. This Franchise will be for a period of five years through January 14, 2029, unless sooner terminated by reason of breach of the terms hereof by the Grantee, which result in the failure of the Grantee to provide effective and efficient service.

B. This Franchise may be renewed for additional term(s) of no more than five years, or portion of a term, on the same terms and conditions, upon the mutual written agreement of both the Grantor and Grantee. If either party is willing to renew, said party must give written notice to the other of its willingness to renew said agreement. Such notice must be given no later than six months before January 14, 2029. Either party will have sixty days to respond to the request of the other party, indicating their agreement or rejection with the proposed renewal. No response will be deemed to be a rejection of the request to renew. The Grantee may unilaterally extend this Franchise Agreement for one (1) renewal period of 120 days.

SECTION 5. FRANCHISE CONSIDERATION.

A. The consideration for this Franchise shall be as follows:

1. Garbage and Recycling
    a. Residential Service: 10% of the rate established in Section 30
    b. Commercial Service: 10% of the rate established in Section 30
    c. Special/Roll off Services: 10% of the rate established in Section 30
2. Recycling: Additionally, the Grantee may appeal for a rate increase on an annual basis if the cost of recycling processing continues to increase beyond reasonable cost projections.

B. At the present time, this Franchise does not include construction and demolition waste removal service, and no Franchise Fee will be due for those services. Grantee is not required to collect Hazardous Waste, dead animals, yard waste, large branches, trees or bulky or non-combustible materials not susceptible to normal loading and collection in "load packer" type sanitation equipment used for regular collections from domestic households. This Contract does not include the collection

and disposal of any increased volume resulting from a flood, hurricane, or similar or different acts of God over which the Company has no control.

C. The Franchise Fee for residential services will be assessed and collected by the Grantor and will be added to the Rates as set forth herein. The Franchise Fee for commercial and special/roll off services will be assessed and collected by the Grantee and will be added to the Rates as set forth herein. The Grantee will pay Franchise Fee on amounts billed from commercial and special/roll off services customers.

SECTION 6. ASSIGNMENT.

A. The Franchise rights herein granted to the Grantee may not be assigned by Grantee except with the express approval of the Grantor, which approval may not be unreasonably withheld, and which must be reflected by a resolution of Grantor. In the event of such an assignment, Grantee will cause its assigns to execute an Agreement of Acceptance, subject to the approval of the Grantor, evidencing that such assignee accepts the assignment subject to any and all terms, conditions and limitations imposed hereby, and which acceptance must include an affirmative statement evidencing such Grantee's intent to fulfill the obligations imposed by Grantee in contemplation hereof. Notwithstanding the Grantor's approval of such an assignment and assignee's acceptance, Grantee must guarantee the performance of its assignee and such assignment will always be with full recourse to Grantee.

B. A transfer of more than 51% of the issued outstanding stock of Grantee constitutes an assignment for the purpose of this section. Likewise, any transfer of the voting rights amounting to 51% or more of the issued or outstanding stock of Grantee constitutes an assignment for the purposes hereof.

SECTION 7. BANKRUPTCY OR INSOLVENCY.

If the Grantee files a petition for the appointment of a receiver or a petition of voluntary or involuntary bankruptcy, this Franchise is automatically terminated as of the date of the filing of such petitions.

SECTION 8. DEFAULT.

A. Material failure on the part of the Grantee to comply in any material respect with any of the provisions of this ordinance is grounds for a forfeiture of this Franchise, but no such forfeiture may take effect until Grantor has served upon the Grantee written notice of default setting forth the nature and extent of said default and Grantee has been given a reasonable opportunity to cure such default. Following receipt of the notice of default, Grantee will have thirty days to correct, or to notify the City in writing, subject to City approval, how the Grantee intends to correct identified material defaults. If Grantee disagrees with the reasonableness or propriety of Grantor's notice of default, Grantee may protest such default by filing with the City Manager a written protest within twenty days of receipt of Grantor's notice for identified defaults.

B. If the Grantor and Grantee cannot agree as to the reasonableness or propriety of the Grantor's notice of default, then the issue will first be submitted to non-binding mediation, and then, if till not resolved, it may be addressed by a court of appropriate jurisdiction located in Nassau County, Florida pursuant to Section 16 of this Ordinance.

SECTION 9. RATE CHANGES AND RIGHT OF FIRST REFUSAL.

A. The rates set forth in Section 30 may be adjusted annually beginning on the Anniversary Date of this Franchise to include the Consumer Price Index –Garbage and Trash Collection Services, Series ID, CUUR0000SEHG02. All Items (base year 1997=100%), as published by the United States Department of Labor – Bureau of Labor Statistics. Such CPI change will be computed each year after the completion of the month of September and any change will be implemented and effective with January billings each year. The Grantee agrees that the rate increase will be limited to a maximum of 4% per year and a minimum of 0%.

In October of each subsequent year during the term of the Franchise, the Grantor will notify the Grantee of the Consumer Price Index— Water, Sewer and Trash Collection Services by which the rates set forth herein may be adjusted. The rate increase will be effective starting with bills issued after December 31 of that year.

B. Grantor and Grantee agree that certain Changes in Law, as defined herein, may have such a substantial effect that a rate increase may be required. Grantee may petition the Grantor to adjust its fees based upon increases in the cost of doing business due to said Change in Law. The Grantee's request must be made within 120 days of the occurrence of such change or cost and must contain reasonable proof and justification to support the need for the rate adjustment. The Grantor may request from the Grantee, and the Grantee must provide, such further information within its possession as may be reasonably necessary in making its determination. The Grantor must approve or deny the request, in whole or in part, within sixty days of receipt of the request and all additional information required by the Grantor. The Grantor will make a reasonable and equitable determination based upon the documentation provided in reaching its decision provided however that Grantor may not unreasonably withhold consent to any request for fee increase which is based on a legitimate and documented increase in cost.

C. Grantee may petition the Grantor to increase the rates based upon unanticipated and unusual increases in the cost of doing business due to reasons outside the reasonable control of Grantee. A request for an increase may be made at any time such change occurs and must provide, such further information within its possession as may be reasonably necessary in making its determination. The Grantor must approve or deny the request, in whole or in part, within sixty days of receipt of the request and all additional information required by the Grantor. The Grantor will make a reasonable and equitable determination based upon the documentation provided in reaching its decision provided, however, that Grantor may not unreasonably withhold consent to any request for fee increase which is based on a legitimate and documented increase in cost.

SECTION 10. PUBLIC NOTICES AND EDUCATION SERVICES.

A. The Grantee will partner with the City in developing and implementing public education and community outreach programs. The public education program should emphasize recycling and waste reduction. The Grantee will coordinate with the City in the messaging, publication, and dissemination of such information. The City retains final approval of all program materials. The Grantee must have a social media presence with a texting platform that can be offered to customers in an expedient manner. The Grantee is responsible for all expenses associated with the notices and education services and social media required herein and provide the same at no additional cost to the City.

B. The FRANCHISEE further agrees to conduct presentations for civic groups, Homeowners' Associations and other appropriate citizens' groups as deemed appropriate. The FRANCHISEE will

provide notices and educational services to help inform the public about the CITY's solid waste management system. The FRANCHISEE will be responsible for all expenses associated with the notices and educational services required herein.

C. Notices:

1. Notice for Commencement of Services: At least a sixty-calendar day notification before the coordinated Commencement (Residential, Multifamily Dwelling and Commercial Establishment) concerning the Grantee's Collection and Disposal Services. A 2nd Notice must be provided to Residential and Commercial customers approximately two weeks before the Commencement/Transition Start Date. The notices are to be mailed through the United States Postal Service, hand-delivered via door hangers and posted to social media. At a minimum, the notice to Residential and Small Commercial Customers must:

a. Identify each of the Scheduled Collection Days for the Customer receiving the notice.
b. Summarize the applicable Set-Out requirements and include other educational and promotional information coordinated between the Grantee and the City. The notice also may provide any other relevant information concerning the Grantee's services.
c. The City will retain final approval of all program materials prior to printing and/or distribution.

2. Notices for New Customers: The Grantee will design and print upon the City's approval and mail or deliver appropriate informational materials for each new customer. At a minimum, the notice must include the same information that is contained in the annual notice to customers. The Grantee will use the social media format to expedite this information.

3. Notices Concerning Changes in Collection Schedules: The Grantee must deliver a notice to each Customer that will be affected by a change in the Scheduled Collection Days. Such Customers must receive notice approximately two weeks prior to the change. The City's decision on schedules, or changes thereof, is final. This Grantee will use the social media format for delivering this information immediately to the customer.

4. Notices for Holidays: The Grantee must provide notice to Customers that will be affected by a change in their Scheduled Collection Days because of a Holiday. The Grantee will use the social media format for delivering this information immediately to the customer.

SECTION 11. RESTORATION.

The Grantee agrees to repair all property, public or private, altered or damaged to the extent negligently caused by it, its agents or employees' negligence or misconduct in the performance of its duties herein in as good or better condition as it was before being damaged or altered. The Grantee is not responsible for damage to roads or pavement resulting from the weight of trucks or equipment, which weight (within legal limits) the Grantee cannot control. The Grantor must notify the Grantee at least monthly of damages caused by the performance of its operations on streets within the City limits. The Grantor will have at least fourteen (14) days (after receiving notice) to resolve any damage.

SECTION 12. COMPLIANCE WITH LAWS.

Grantee must conduct operations under this Franchise in compliance with all applicable laws. Grantee specifically agrees to be solely responsible for the enforcement, administration and compliance with all applicable provisions of Chapter 403, Part IV, Florida Statutes, and future amendments thereto.

SECTION 13. LIABILITY INSURANCE; HOLD HARMLESS; WORKERS COMPENSATION.

A. *INSURANCE*. Grantee must carry commercial general liability insurance in the amount of not less than $3,000,000.00 for each occurrence combined single limit and $5,000,000.00 general aggregate. Grantee will carry commercial automobile liability insurance coverage in the amount of $1,000,000.00 combined single limit, covering all of the trucks or other vehicles used for carrying out the work called for in this Franchise. Grantee will also carry umbrella excess liability coverage with a limit of no less than of $1,000,000. A certificate showing that the Grantee has in full force and effect the aforesaid insurance must be filed with the Grantor upon execution of this Franchise, and yearly thereafter endeavoring to provide said certificate at least thirty days prior to the date of the expiration of said policies or insurance for each year of said Franchise. The aforesaid insurance must be in such form and written by such companies whose A.M. Best rating is not less than A VII. All policies require thirty days advance notice of the cancellation of the insurance except as otherwise dictated by State law. Said policies of insurance shall name Grantor as additional insured for operations arising out of this contract. The Grantee must provide Grantor a separate written endorsement showing Grantor as additional insured for all lines of insurance required hereunder (other than workers compensation insurance). The insurance certificate is attached hereto as Exhibit "A."

B. *WORKERS' COMPENSATION COVERAGE*. Grantee must carry Workers Compensation insurance on all its employees and show proof of insurance to the Grantor, as requested. All such Workers Compensation policies shall provide for notice by the insurer to the Grantor at least thirty days prior to any termination or revocation thereof except as otherwise dictated by law.

C. *INDEMNIFICATION*. The parties recognize that Grantee is an independent contractor. Grantee agrees to indemnify, hold harmless, and defend the City, its commissioners, mayor, officers, and employees (the "City Parties") , from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, to the extent caused by any negligence, recklessness, or intentionally wrongful conduct of the Grantee, its agents, officers, contractors, subcontractors, employees, or anyone else utilized by the Grantee in the performance of this Agreement; provided however, Grantee will have no obligation hereunder to indemnify, defend or hold harmless the City Parties for any such losses, damages, and claims of any kind arising out of, directly or indirectly, or in connection with the negligent and/or deliberate acts of omissions of the City Parties. Grantee's liability hereunder will include all reasonable attorney's fees and costs incurred by the City in the enforcement of this indemnification provision in the event the City prevails in such enforcement action. In the event the City does not prevail in its enforcement of this indemnification provision, the City will reimburse Grantee for all reasonable attorney's fees and costs incurred by Grantee to defend such enforcement action. The obligations contained in this provision will survive for a period of three years after termination of this Agreement and shall not be limited by the amount of any insurance required to be obtained or maintained under this Agreement. Nothing contained in the foregoing indemnification will

be construed to be a waiver of any immunity or limitation of liability the City may have under the doctrine of sovereign immunity or Section 768.28, Florida Statutes.

The City agrees to indemnify, hold harmless, and defend the Grantee, its officers, directors, employees and affiliates (the "Advanced Parties") from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, arising directly or indirectly out of or in connection with any negligent and/or deliberate act or omission of the City, its commissioners, mayor, officers, employees, agents, and representatives; provided however, the City shall have no obligation hereunder to indemnify, defend or hold harmless the Advanced Parties for any such losses, damages, and claims of any kind arising out of, directly or indirectly, or in connection with the negligent and/or deliberate acts of omissions of the Advanced Parties. The City's liability hereunder will include all reasonable attorney's fees and costs incurred by Grantee in the enforcement of this indemnification provision in the event the Grantee prevails in such enforcement action. In the event Grantee does not prevail in its enforcement of this indemnification provision, Grantee will reimburse the City for all reasonable attorney's fees and costs incurred by the City to defend such enforcement action. The obligations contained in this provision will survive for a period of three years after termination of this Agreement and will not be limited by the amount of any insurance required to be obtained or maintained under this Agreement or other contract or written instrument between the parties.

SECTION 14. PERFORMANCE BOND.

Grantee must furnish to the Grantor a performance bond, on a form approved by the Grantor, for the full performance of this Franchise and all of the obligations arising hereunder in the amount equal to the annual contract amount. Said bond must be executed by a surety company approved by Grantor and licensed to do business in Florida. The Performance Bond is attached hereto as Exhibit "B."

SECTION 15. RIGHT TO REQUIRE PERFORMANCE.

The failure of the Grantor at any time to require performance by the Grantee of any provision of this Franchise will not affect the right of the Grantor to enforce same; nor will waiver by the Grantor of any breach of any provision in this Franchise be taken or held to be a waiver of any succeeding breach of such provision or as a waiver of any provision itself. The Grantor, in accord with the provisions of Section 8, will have the right to terminate this Franchise if Grantee fails to timely correct violations of this agreement as provided in Section 8.

SECTION 16. DISPUTE RESOLUTION.

This Franchise is governed by the laws of the State of Florida, and if any controversy arises between the parties either party may pursue all available legal remedies in the appropriate Nassau County, Florida, court.

SECTION 17. OPERATIONS DURING DISPUTE.

A. In the event that a dispute arises between the Grantor and the Grantee, or any other interested party in any way relating to the terms and conditions, performance or compensation requested under this Franchise, the Grantee will continue to render service in full compliance with all terms and conditions of this Franchise regardless of the nature of the dispute and Grantor will continue to pay Grantee for its services.

B. Grantee expressly recognizes the paramount right and duty of Grantor to provide adequate waste collection and disposal service as necessary governmental functions, and further agrees, in consideration for the execution of this Franchise, that in the event of a dispute, said Grantee will neither stop service nor seek injunctive relief in any court, but will either negotiate for an adjustment in the matter in dispute or present the matter to a court of competent jurisdiction located in Nassau County, Florida, in an appropriate suit instituted by Grantee.

C. If the term of this Franchise is not renewed, Grantee must continue to provide service for ninety days following expiration or until a substitute Grantee is in place, whichever comes first.

SECTION 18. STANDARD OF PERFORMANCE.

A. If the Grantee fails to collect the materials herein specified for a period in excess of three consecutive scheduled working days or materially breaches any other substantive provision of this franchise, and fails to cure said breach within three working days after receipt of written notice of said breach by the Grantor, the Grantor may proceed as follows (provided such failure is not due to war, insurrection, riot, act of God, or other causes beyond the reasonable control of Grantee): Enter into contract(s) or agreement(s) with any other qualified firm(s) to provide solid waste collection and disposal until such time as the Grantee is able to satisfactorily fulfill its responsibilities under this Franchise as determined solely by the Grantor.

SECTION 19. CURBSIDE RECYCLABLE MATERIALS COLLECTION AND DISPOSAL.

A. Grantee is required to provide curbside recycling to all residential customers.

B. Grantee must collect all residential recycling materials within the corporate limits of the City, transport and provide for recovery of said residential recyclable materials at a designated recovery facility. The Grantee must perform such services as are required to provide a complete residential recyclable materials program.

C. Collection of recyclable materials will be curbside, or other such locations as will provide ready accessibility to the Grantee's collection crew and vehicle. In the event an appropriate location cannot be agreed upon, the Grantor shall designate the location. Handicapped residents shall be accommodated at no additional fee.

D. The Grantee will pick up all recyclable materials which have been properly prepared for collection and placed in recycling carts placed at the curbside. The Grantee, at its own cost, will distribute one cart to hold recyclable materials to be collected to each single-family residence within the service area. Multi-family housing units interested in a recycle program will negotiate with Grantee directly to determine feasibility for implementation. The carts will be replaced by the Grantee as required. The Grantee must maintain an adequate supply of carts at all times.

E. The Grantee will collect all recyclable materials set out for the purpose of recycling from all single-family residences. The collection of recyclables will be conducted using a single cart, furnished by the Grantee, for a commingled/single stream system. As it becomes economically feasible, the Grantee will provide adequate containers to initiate a multi-material recycling program.

F. All refuse and recyclable materials hauled by the Grantee must be so contained, held or enclosed that leaking, spilling or blowing are prevented.

G. The Grantee will make collections with as little noise and disturbance to the residents as practicable and in conformance with the City's Noise Ordinance. Grantee will handle recycling carts with reasonable care and return them to the approximate curbside location from which they were collected. Any recyclable materials spilled by the Grantee must be picked up immediately. Recycling carts must be thoroughly emptied.

H. Grantee will collect recyclable materials within the service area one time per week. The day of collection will be the same day as the regular collection day for solid waste.

SECTION 20. RECYCLING PROGRAM.

A. The Grantee is responsible for maintaining the information and records adequate to determine participation rates and weekly setout rates by percent for each material, volume of solid waste diverted from landfill by percent, weight by material of items recycled, neighborhoods above or below average participation and other information requested by Nassau County or the State of Florida to meet the requirements of the Solid Waste Management Act, any requirements of Florida House Bill 7243, or to obtain grant funds from the Solid Waste Management Trust Fund. The Grantee must furnish an annual report to the City containing the requested information. Reports should be on forms and in a format required by the Grantor.

B. To the extent possible, based on availability, capacity and market prices, the Grantee may market the recyclable materials through local business operations in the City of Fernandina Beach. At a minimum, the Grantee shall provide for taking, marketing or storing recyclables at a permitted landfill.

C. The Grantee may appeal for a rate increase on an annual basis if the cost of recycling processing continues to increase beyond reasonable cost projections.

D. *Acceptable and Non-Acceptable recycle items*. Acceptable items for recycle are as follows:

Household Sized Containers – Must be empty and dry (1 gallon or 1 liter max)
(1) Plastic Resin Codes #1 thru #7 (Code is on the bottom of container)

(2) Glass (All Colors)

(3) Metal Cans (Aluminum & Tin)

Household Paper Materials – Max single item size may not exceed 2ft. by 2ft
(4) Cardboard Boxes (Must be flattened and, if needed, cut to size.)

(5) Brown or Grey Food Boxes (Cereal, Dry Food, Baking Ingredients, etc.)

(6) Mailing Supplies (Junk Mail, Envelopes, Letters, etc.)

(7) Newspapers (Inserts & Catalogs)

(8) Brown Paper Bags

(9) Office Paper (Copy & Print Paper, File Folders)

(10) Brown or Gray Fiber Packages (Soda Cartons, dry food packages, etc.)

NEVER Acceptable Items & Material

(1) Plastic Film (No Grocery Bags, Tarps, etc.)

(2) Food (No Wet or Dry Food Waste)

(3) Scrap Metal (No metal except household size containers)

(4) Wood (No Yard Waste, Construction Material, etc.)

(5) Fabric (No Clothes, Shoes, Blankets, Cloth, etc.)

(6) Electronics (No Batteries, Computers, Phones, etc.)

(7) Chemicals (No Paint, Oil, Aerosols, etc.)

(8) Tires (No Tires of any size)

SECTION 21. COLLECTION SERVICES AND OPERATIONS.

A. *Residential*

1. Frequency of collection: Grantee will, on a regularly scheduled day, pick up solid waste at the curbside adjacent to each residence all household garbage one time per week; bulk waste will be collected one time per week on days agreed upon by the Grantee and Grantor. Pickups may not be reduced by holidays, and pickups normally scheduled to be made on a holiday must be rescheduled and occur in the same week as the holiday. Grantee, at its sole expense, must notify residences served of the holiday observed and regular pickup schedules at least five days in advance by publication in a local paper or other means approved by Grantor.

(a) Holidays: The following holidays may be observed by Grantee for purposes of this clause: Thanksgiving Day and Christmas Day.

2. Schedule: Regularly scheduled pick up days for household garbage will be as agreed upon between the Grantor and the Grantee. All schedules and routes are subject to rescheduling as mutually agreed to by the Grantor and Grantee. The Grantor, at the request of the Grantee or on its own, may extend, suspend, or modify these schedules in the event of a natural disaster, health hazard, or any other state of emergency requiring such action.

3. Quantity: Grantee is required to pick up all household garbage generated by residential premises, provided same is placed in the garbage cart. Only the content contained in the cart will be collected. Nothing placed outside the cart will be collected except for bulk waste as provided for in this agreement.

4. Collections. All collections will normally be made in residential areas no earlier than 6:00 am and no later than 8:00 pm, with no service on Sunday, except in declared emergencies. Grantee will make collections with minimal noise and disturbance and in conformance with the City's Noise Ordinance. Garbage carts must be handled carefully by the Grantee and thoroughly emptied and left where they were found at the curbside. All work must be done in a safe and sanitary manner. All waste spilled by Grantee must be picked up and removed by Grantee. Grantee will provide a single-axle truck for servicing certain compact residential areas, such as Amelia Park.

5. Special services: Services such as back door collection, removal of any refuse other than garbage or rubbish as defined herein, including white goods and appliances or additional pickups will be provided on a separate fee basis upon terms agreed to by the Grantee and the customer. Charges for special services will not be unreasonable or excessive. Household garbage services will be provided at the rear or side residence for handicapped persons approved by the Grantor at no extra charge.

6. Roll-out/Roll-back service: Those customers holding a Short-Term Resort Rental license are required to have Roll-out/Roll-back service, for which a fee will be charged.

7. Hazardous materials: Grantee will not be required to collect hazardous materials, including without limitation Hazardous Waste.

8. Location of Residential Waste for collection: Persons in occupancy of each residence must place their garbage carts at the curb no sooner than 6:00 pm the day before a scheduled pick-up and remove the garbage carts by midnight of the day of the pick-up, unless the occupant or resident has been approved for back door, side door, or roll-out/roll-back pickup or the occupant of resident has negotiated a special service collection at another location.

9. Customer restrictions: Grantee will not be required to collect Residential Waste when such waste is not generated on the residence served. Grantee has the right to terminate service to any customer violating this section only after prior notification to the customer and approval by the Grantor.

B. *Commercial*

1. Frequency of collection: Grantee will, on a regularly scheduled day, pick up all garbage, rubbish, and wastes. However, pickups normally scheduled to be made on a holiday will be rescheduled with the approval by the commercial establishment.

(a) Holidays: The following holidays may be observed by Grantee for purposes of this clause: Thanksgiving Day and Christmas Day.

2. Schedule: Commercial collection will be on days agreed to by the Grantee and commercial establishment. The Grantor, or its designee, is authorized to extend, suspend, or modify these schedules in the event of a natural disaster, health hazard, or any other state of emergency requiring such action.

3. Quantity: Grantee is required to pick up all garbage and rubbish generated by a commercial establishment, provided same is placed in a Grantee provided waste receptacle.

4. Collections: All collections will normally be made at commercial establishments no earlier than 3:00 am and no later than 8:00 pm. These times may be adjusted by mutual agreement of the parties. Grantee will make collections with minimal noise and disturbance and in conformance with the City's Noise Ordinance. Waste receptacles must be handled carefully by the Grantee and thoroughly emptied and left where they were found. All work must be done in a safe and sanitary manner. All waste spilled by Grantee must be picked up and removed by Grantee.

5. Special services: For items requiring roll-off service or any special handling, removal of any refuse other than garbage or rubbish as defined herein or additional pickups, all charges are to be negotiated between the Grantee and the customer. Requests for pickups of special materials as defined herein will be considered requests for special pickup services. Charges for special services will not be unreasonable or excessive and are subject to the City's Franchise Fee.

6. Garbage and rubbish: Garbage and rubbish must be placed for collection within a commercial container.

7. Hazardous and biohazardous materials: Grantee will not be required to collect hazardous or biohazardous materials or Hazardous Waste.

8. Location of commercial waste for collection: All commercial establishments receiving service pursuant to this Franchise must keep waste receptacles, disposal containers and other such items at location(s) approved by the City.

9. Customer restrictions: Grantee will not be required to collect commercial waste receptacles containing garbage or refuse when such waste is not generated in the commercial establishment served. Grantee has the right to terminate service to any customer violating this section only after prior notification to the customer and approval by the Grantor.

10. Removal of improper receptacles: Any container used for the collection and storage of commercial waste which fails to meet the standards prescribed by the Grantor must be clearly marked, specifying the manner in which the container falls to meet the requirements. Such marked, nonconforming containers will be removed from service by the Grantee.

C. *Special Events*

1. In addition to regular residential and commercial collections, Grantee will be the service provider for collection services during and after City-sponsored special events. These events include, but are not limited to, the annual Shrimp Festival occurring the first weekend in May of each year. The Grantee will provide these services at an approved rate.

SECTION 22. OFFICE HOURS.

The Grantee's office must remain open for residential and commercial establishment customers Monday through Friday from 8:00 am to 5:00 pm for the purpose of handling complaints, requests for new or replacement containers and to schedule bulk pick-ups, and for that purpose, there must an adequate number of telephones and a responsible person in charge during the hours specified above. The Franchisee must maintain a local calling area phone number, to receive customer inquiries and complaints during the business hours stated in this section. These requirements do not apply on the legal holidays identified in Section 21.

SECTION 23. COLLECTION EQUIPMENT.

The Grantee must always have on hand sufficient equipment in good working order and of the minimum weight necessary to permit Grantee to perform its duties hereunder fully, adequately and efficiently. Equipment must be purchased from nationally known and recognized manufacturers of garbage collection and disposal equipment. Garbage collection equipment must be kept clean, sanitary; neat in appearance, in good repair at all times, and be equipped with back-up warning lights and alarm. The Grantee must always have available reserve equipment which can be put into service and operation within two hours of any breakdown. Such reserve equipment must substantially correspond in size and capability to the equipment normally used by the Grantee to perform its duties hereunder.

SECTION 24. DISPOSAL.

All garbage and solid waste must be hauled to sites or facilities legally empowered to accept it for treatment or disposal. The Grantor reserves the right to approve or disapprove of sites, taking into

account all governmental regulations, routes within the Franchise area, and the rules and regulations of the governmental body having jurisdiction over said sites and facilities.

SECTION 25. ROUTES AND SCHEDULES.

The Grantee must periodically provide the Grantor with schedules of residential collection routes and always keep such information current. In the event of changes in routes, schedules, or other program changes that will alter the day of pickup or the type of materials that are picked up, Grantee must notify each customer affected by either direct mail or door hangers which the Grantor must approve for such purpose. All such changes in routes, schedules, and programs will also be immediately communicated to Grantor at the time determined by the Grantee.

SECTION 26. GRANTEE PERSONNEL.

Grantee will assign a qualified person to be in charge of operations under this Franchise and give the name, direct contact information, and qualifications of said person to the Grantor. Grantor requires that Grantee's collection employees wear clean uniforms bearing Grantee's company name. Each person employed to operate a vehicle must at all times carry a valid CDL driver's license for the type of vehicle being driven, and it is the Grantee's sole responsibility to assure that all drivers are properly licensed. Grantor may request the dismissal of any employee of Grantee who violates any provisions of this subsection or who is found to have been wanton, negligent, or discourteous in the performance of his or her duties. Grantee must provide operating and safety training for all personnel. Wages of all employees of Grantee must be equal to or exceed the minimum hourly wages for such employees established by local, state, or federal law. Grantee must supply a schedule of all employee wage scales to Grantor upon request.

SECTION 27. SPILLAGE AND LITTER.

A. The Grantee may not litter on any premise in the process of making collections but will not be required to collect any waste material that has not been placed in supplied or approved containers or in a manner herein provided, unless previous arrangements have been agreed upon between the Grantor and the Grantee.

B. During hauling, all solid waste or liquids must be contained, held, or enclosed so that leaking, spilling, or blowing is prevented. In the event of spillage by the Grantee, the Grantee must promptly clean up the litter.

SECTION 28. STORMS, & FORCE MAJEURE EVENTS.

A. The performance of any act by the Grantor or Grantee hereunder may be delayed or suspended at any time while, but only so long as, either party is hindered in or prevented from performance by acts of God, the elements, pandemic, war, rebellion, terrorism, strikes, lockouts or any other cause beyond the reasonable control of such party, provided, however, in the event Grantee is delayed or suspended in its performance for more than forty-eight hours due to a condition of force majeure, the Grantor has the right to provide substitute service from third-party contractors or Grantee's forces and in such event the City will withhold payment due Grantee for such period of time (beyond 48 hours) in which service is not provided by the Grantee. If the condition of force majeure exceeds a period of thirty (30) days, the Grantor, after providing Grantee notice and a reasonable opportunity to cure, may at its option and discretion, cancel or renegotiate this Agreement.

B. In the case of a storm or disruption caused by other force majeure event (e.g., war, insurrection, riot, or act of God) not caused by the Grantee, Grantor may allow Grantee a reasonable variance from regular schedules. As soon as practicable after such storm or other emergency, Grantee must inform the Grantor of the estimated time required before regular schedules and routes can be resumed and, upon request of Grantor, Grantee will provide notice to residential premises and commercial establishments in the service area.

C. In the event of a declared disaster and/or any event requiring mass cleanup operations during the period of the Franchise, Grantee must, if requested and to the extent directed by the Grantor, participate in said cleanup. Grantee will be compensated by the Grantor in accordance with terms and conditions of a negotiated agreement.

D. The Grantee will have a disaster response plan for removal and disposal of excessive amounts of debris or refuse accumulated in the event of a storm of catastrophic proportions, any natural calamity, riot or any severe domestic disturbance. The Grantee must have, at all times, written agreements with a subcontractor to supplement the collection, hauling and disposal of such wastes, in the event that the Grantee's resources are insufficient to affect a timely clean-up. Such agreement must contain operational details and the add-on unit pricing for collection, hauling, and disposal cost. The subcontractor agreement must be reviewed and approved by the City. In the event of a small disaster, the City and the Grantee will meet and coordinate expeditiously to formulate and agree upon the specific clean-up plan. In the event of a natural disaster or a severe domestic disturbance, the City will have the option to utilize any combination of the Grantee's services, the Grantee's subcontractors, the City's own contractors, or any adjacent municipality or County forces provided through mutual aid. In the event of a natural disaster such as a hurricane, the Grantee will be expected to continue with collection services and closely coordinate with the City when to cease operations within the City's limits. Currently, the City's Disaster Plan calls for the Grantee to resume and continue the collection schedule as soon as safely possible.

SECTION 29. NONDISCRIMINATION PROVISION.

The Grantee agrees that it has adopted and will maintain and enforce a policy of nondiscrimination on the basis of race, color, religion, sex, age, handicap, disability, military or veteran status, national origin, familial status, marital status, sexual orientation, gender identity, or gender expression. Said nondiscrimination policy applies to employment practices of the Grantee and the provision of services. The Grantee agrees that on written request it will permit reasonable access by Grantor to its records of employment, employment advertisements, application forms, and other pertinent data and records for purposes of investigation to ascertain compliance with the nondiscrimination provisions of this Franchise, provided, however, that Grantee will not be required to produce for inspection any record covering any period of time more than two years prior to the date of the Franchise.

SECTION 30. RATES, CHARGES, BILLING AND AUDITS.

A. *Rates:*

1. For the residential collection of garbage, recycling, and bulk waste/mixed piles, the fee paid to the Grantee by the Grantor shall be $25.17 per month for one time per week service at the Effective Date and will remain until the next CPI rate adjustment provision specified in Section 9 is applied in

2025. A breakdown of the initial residential garbage, recycling, and bulk waste/mixed piles collection fees as of January 15, 2024, are shown below:

Residential Rates	**Fee Charged by City**	**Rate Paid to Waste Management**
Garbage – once a week	$14.09	$12.81
Recycling – once a week	$9.84	$8.95
Bulk Waste/Mixed Piles – once a week	$3.75	$3.41
TOTAL	$27.68	$25.17

Additional Optional Services Rates

Residential Rates	**Fee Charged by City**	**Rate Paid to Waste Management**
Garbage – once a week, roll out roll back service	$21.91	$19.92
Recycling – once a week, roll out roll back service	$17.46	$15.87
Garbage – Additional Cart	$10.57	$9.61

* Total combined monthly Residential Rate for residents who receive an additional garbage cart is $34.78 paid to WM and $38.26 charged to the resident by the City.

- no personal carts/containers may be used

2. For garbage collection during the initial term of this Franchise, the monthly rate for commercial establishments fees as of January 15, 2024, is shown below and will remain until the next CPI rate adjustment:

Commercial Rates							
Rates For:	1 pickup per week	2 pickup per week	3 pickup per week	4 pickup per week	5 pickup per week	6 pickup per week	7 pickup per week
95-gallon carts (max 10)	$23.53	$47.06	$70.59	$94.12	$117.65	$141.18	$164.71
2-yard container	$71.27	$142.55	$213.82	$285.09	$356.37	$427.64	$498.90
4-yard container	$142.55	$285.09	$427.64	$570.19	$712.74	$855.28	$997.81

6-yard container	$213.82	$427.64	$641.46	$855.28	$1,069.10	$1,282.92	$1,496.71
8-yard container	$285.09	$570.19	$855.28	$1,140.38	$1,425.47	$1,710.56	$1,995.61
4-yard Vertipac Compactor*	$570.20	$1,140.36	$1,710.56	$2,280.76	$2,850.96	$3,421.12	$3,991.24

- Vertipac Compactors are also subject to a $550/month rental per unit.
- prices listed do not include 10% franchise fee provided for in Section 5
- no personal carts/containers may be used

3. The rates for other services as of January 15, 2024, are shown below and will remain until the next CPI rate adjustment:

Other Services	
10-yard roll-off price per haul	$272.70
20-yard roll-off price per haul	$272.79
30-yard roll-off price per haul	$272.79
Garbage compactor price per haul	$294.89
Special Clean-up of right-of-way	$150/hour
White Goods (on call service)	$23.35/per item
Special Cleanup (rear loader, driver & helper)	$150/hour
Special Cleanup (grapple truck, operator)	$150/hour
Beach Access Collection Service	$4.30/per container

*Prices listed do not include 10% franchise fee provided for in Section 5

4. During the term of this franchise no fuel surcharges may be applied or charged by the Grantee.

B. The Grantee is to provide solid waste removal and recycling services to all of the City's facilities, parks including parks, complexes, and recycle stations at no charge. The Grantee will provide six commercial containers of not less than six cubic yards each at no cost to the City for City sponsored events such as City-wide cleanups. Grantee will provide daily solid waste pickup in the Downtown Area, which has approximately 55 ornamental cans that must be emptied seven (7) times week (excluding holidays) at no additional cost to the Grantor.

C. *Billing for Services*

1. Residential and Special Services.

a. The Grantor will bill for residential collection services. The billing will be in conjunction with the other utility billings performed by the Grantor, or such other method as the Grantor may from time to time determine. Bills will be sent to the residential units, not less than monthly. Therefore, the Grantee will receive payment monthly, based on up-to-date active monthly Residential Units.

b. Requests for opening new residential accounts will be received at the City. The customer will then be referred to the Grantee to request new containers. Within 1 business day of receiving said requests from the new customer, the Grantee is required to provide a new garbage cart and recycle cart (if requested) and begin the service for the new customer on the next scheduled pick-up. At the time of delivery of the garbage cart and recycle cart, the Grantee must provide written notice to the new customer of the pick-up days for all service.

c. In consideration for the Grantor handling the customer billing for Residential Units, payment and related customer service functions related to billing, Grantee will pay to Grantor the sum of 1% of the previous month's net billing to Grantor. This payment will be due within fifteen days of the invoicing of such billing and payment processing fee by Grantor.

D. Billing for Commercial and Special Service

1. **Billing**. The Grantee will be solely responsible for billing Commercial Customers and collecting all rates, fees, and other charges from its Customers for the Commercial Collection Services the Grantee provides under this agreement. The Grantee also will be responsible for the payment of all Tipping Fees associated with the disposal of the Solid Waste and other material collected by the Grantee when providing its Commercial Collection Services. The Grantee may bill its Commercial Customers in advance for the Commercial Collection Services the Grantee will provide during the next Operating Month.

2. **Rates – General**. The Rates in Exhibit Section 30 are the maximum amounts to be charged for the Collection Services provided by the Grantee pursuant to this Agreement. The Rates must be applied uniformly to all Customers receiving Collection Services from the Grantee within the City after the Commencement Date. The Grantee must utilize the Rates in Exhibit Section 30 and no others, when billing its Customers or the City. These rates are subject to an annual adjustment as set forth in this Agreement in Section 9. An account will be delinquent once a service unit fails to pay the billed amount for Collection Services within a period of one (1) month. The Grantee may stop service for a delinquent account and may charge a re-start fee of one hundred twenty-five dollars ($125.00) to resume service. The Grantor will not be held liable for Grantee's failure to bill or collect for Commercial Collection Service. The Grantee will always be liable to the Grantor for any Franchise Fee or Administrative Fee that should be collected and remitted to the City monthly. Extra pickups will be charged at $16.00/yard with a $135.00 minimum charge. Customer invoice will also have a line-item billing charge of $8.50. Customer invoice will also contain a line-item for the Franchise Fee that will be remitted to the City. Please refer to the below section E. C.L.E.A.N. Program for additional charges that may be applied to commercial customers.

3. **Payments for Special Collection Services.** The Rates for Special Collection Service will be paid in addition to the Rates for the routine Collection Service received by the Customer. The

Grantee is solely responsible for billing its Customers and collecting the applicable Rates for any Special Collection Services the Grantee provides pursuant to this Agreement. In cases where there are no established Rates in this Agreement for the requested Special Collection Service, the Grantee and the Customer will negotiate a mutually acceptable Rate for the Grantees services. The Grantee will not be entitled to any compensation for a Special Collection Service unless the Customer agreed to pay the applicable Rate before the Grantee provided its service.

4. **Payments for Shared Mechanical Containers.** The Grantee may prorate its charges to accommodate Customers that share a Mechanical Container; however, the charges collectively will not be more than the amounts set forth in the approved Rates, unless the City Contract Administrator approves the Grantee's charges in advance, based on special circumstances. Similarly, the City Contract Administrator may require a shopping center to receive and pay for Collection Service that is greater than the sum of the needs of the individual shops sharing a Mechanical Container, if the public also is using the Mechanical Containers in the shopping center.

5. **C.L.E.A.N. Program.** C.L.E.A.N. Program is a proactive program that takes action against overflowing containers in the commercial areas of the city to promote health, safety, and cleanliness in the city. The program is a proven approach to keeping communities clean, reducing litter, and illegal dumping with the goal of having all customers on the correct level of service. The program will have a zero cost to the City with the following provisions:
    a) Thirty (30) days prior to the commencement of the CLEAN program in the City, Grantee will notify each of its Customers that receive or will receive their garbage service by Commercial Container of the implementation of the CLEAN program. For purposes of this section, all notices shall be provided to the address of record provided to the Grantee.
    b) Overfilling Commercial Containers present safety and health risks to the residents and businesses of the city. In the event Grantee determines a Customer's Container is overfilled with waste during a collection event, Grantee will take a digital photograph of the overfilled container in such a manner to present evidence of such Overfilling. For purposes of this section, overfilling is defined as a container overloaded such that the lid does not close securely and is displaced by at least ten (10) inches.
    c) Grantee will provide to the Customer, notice of such Overfilling on the Customers next invoice for each event of Overfilling. Grantee may charge the customer the amount of two hundred dollars ($200) per event; however, overfilling charges may not exceed eight hundred dollars ($800) per month, per Customer. Grantee will take reasonable steps to seek to increase the Customer's level of service by providing a larger container for the Customer and/or by increasing the frequency of service. If the Customer refuses the attempt to correct the Overflowing issue, Grantee will forward information to City code enforcement. Upon collection of the Overfilling charge from a customer, Grantee will remit twenty dollars ($20) to the City as the Franchise Fee.

SECTION 31. COMPLAINTS & CHARGES FOR FAILURE OF PERFORMANCE.

A. Grantee will have one business day (see also Section 8 above) to collect any Residential Solid Waste that was not collected at the regularly scheduled pick up time and have seven days to correct, or to notify the City in writing, subject to City approval, how the Grantee intends to correct other identified complaints. Grantee will supply Grantor weekly with copies of all complaints on a form approved by the Grantor and indicate the disposition of each. Each month such record must be available for inspection by Grantor during the business hours specified herein. The complaint record/form will indicate the day and hour on which the complaint was received and the day and hour on which the complaint was resolved. When a complaint is received on the day preceding a holiday or on a Sunday, it must be remedied the next working day. The Grantee must establish procedures acceptable to the Grantor to ensure that all customers are notified of the complaint procedure. To prevent misunderstanding and any litigation, the Grantor, will decide all questions which may arise concerning the quality and acceptability of the work and services performed, the sufficiency of performance, and the acceptable fulfillment of the contract on the part of the Grantee; and the Grantor will determine whether or not the amount, quantity, character and quality of the work performed is satisfactory, which determination will be final, conclusive and binding upon both the Grantor and the Grantee so long as such determination is not unreasonable or arbitrary. The Grantor must make such explanation as may be necessary to complete, explain or make definite the provisions of this Franchise; and its findings and conclusions will be final and binding upon both parties, provided such determinations are not unreasonable or arbitrary.

B. Upon the recommendation of the City Manager or his designee, and reasonable notice to Grantee (within thirty (30) days of the event giving rise to the administrative charge), administrative charges may be assessed against the Grantee should it be determined that:

1. Total residential complaints during any calendar month involve more than 4% of the total residential customers within the service area:
2. Total residential complaints during the Grantor's fiscal year exceed more than 5% to the total residential customers with the service area;
3. Total commercial complaints during any calendar month involve more than 3% of the total commercial customers with the service area;
4. Total commercial complaints during the Grantor's fiscal year exceed more than 6% to the total commercial customers within the service area; or
5. Where the lack of performance by Grantee is continuous and determined by the City Manager to constitute a threat to the health, safety or welfare of residents and commercial establishments. "Welfare" as used in this subsection includes the direct and indirect economic effects of Grantee's failure to perform.

C. Administrative charges will be assessed only for verified complaints which indicate that the Grantee has failed to meet the minimum standards stated herein. Grantee is required to keep accurate records of complaints received, and must forward all complaints to the City Manager, or the City Manager's designated representative. The City Manager may verify complaints through whatever means he deems to be appropriate, including field review or contact with the individuals filing the complaints. Complaints verified by the City Manager will be assessed administrative charges in accord with the following schedule:

SCHEDULE OF ADMINISTRATIVE CHARGES

1.	Failure to clean up spilled refuse per incident	$50 per incident
2.	Failure to collect solid waste per location or special collection solid waste at any premises at or within the service area	$50 per incident
3.	Failure to complete each route on the regular scheduled pickup date	$1,000 per route not completed
4.	Failure to keep equipment in clean, safe and sanitary manner	$100 per vehicle per day
5.	Failure to have vehicle operator properly licensed	$100 per day per incident
6.	Failure to maintain office hours as set forth in Section 22	$100 per incident
7.	Failure to replace or repair any damage caused by Grantee or his personnel	$25 per incident

D. Within five business days of the date of the City Manager's action imposing such administrative charge, Grantee must be notified in writing by certified United States Mail, return receipt, of the assessment of administrative charges and the basis for such assessment. Grantee may contest such assessments by filing a written protest stating the reasons for disagreement within five business days of the receipt of the notice of an assessment. The protest will be acted upon by the City Commission at a regularly scheduled meeting.

SECTION 32. MISCELLANEOUS.

A. Notices. All notices required herein will be sent via certified mail, return receipt requested to the addresses contained herein.

For the Grantor:

City of Fernandina Beach
204 Ash Street
Fernandina Beach, FL 32034
Attn: City Manager

With a copy to the City Attorney at the same address.

For the Grantee:

Attn: Larry Becker
Waste Management Inc. of Florida
450496 State Road 200
Callahan, FL 32011

SECTION 33. PUBLIC RECORDS LAW AND OBLIGATIONS.

Pursuant to Section 119.0701, Florida Statutes, Grantee must: (a) keep and maintain all public records as that term is defined in Chapter 119, Florida Statutes ("Public Records"), that ordinarily and necessarily would be required by the City in order to perform the work contemplated by this Agreement; (b) provide the public with access to Public Records, on the same terms and conditions that the City would provide the records and at a cost that does not exceed the costs provided in Chapter 119, Florida Statutes, or as otherwise provided by law; (c) ensure that Public Records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; (d) meet all requirements for retaining Public Records and transfer, at no cost to the City, all public records in possession of Contractor within thirty (30) days after termination of this Agreement, however terminated, and destroy any duplicate Public Records that are exempt or confidential and exempt from public records disclosure requirements and provide the City with a letter confirming that this has been done within thirty (30) days of the termination of this Agreement. All Public Records stored electronically must be provided to the City in a format that is compatible with the information technology of the City. If Contractor does not comply with a public records request, the City may pursue any and all remedies available in law or equity, including but not limited to specific performance.

SECTION 34. REPEAL OF SECTIONS IN CONFLICT.

All ordinances or parts of ordinances and all resolutions in conflict herewith be and the same are hereby repealed.

SECTION 35. SEVERABILITY.

If any section, part of a section, paragraph, clause phrase or word of this agreement is declared invalid, the remaining provisions of this Franchise will not be affected.

SECTION 36. EFFECTIVE DATE.

This ordinance will take effect immediately upon its final adoption by the City Commission of the City of Fernandina Beach, Florida, and the signature of the Mayor, and upon filing of Grantee's written acceptance with the City Clerk.

ORDINANCE 2023-10

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, REPEALING ORDINANCE 2018-10 EFFECTIVE JANUARY 14, 2024; PROVIDING A NEW EXCLUSIVE FIVE-YEAR FRANCHISE TO WASTE MANAGEMENT INC. OF FLORIDA EFFECTIVE JANUARY 15, 2024, FOR THE COLLECTION AND DISPOSAL OF ALL RESIDENTIAL AND COMMERCIAL TRASH, GARBAGE, AND OTHER REFUSE AND PROVIDING FOR THE COLLECTION OF RESIDENTIAL RECYCLABLE MATERIALS WITHIN THE CITY LIMITS; FURTHER PROVIDING FOR DEFINITIONS; GRANT OF FRANCHISE; LIMITS OF FRANCHISE; TERM OF FRANCHISE; FRANCHISE CONSIDERATION; ASSIGNMENT; BANKRUPTCY OR INSOLVENCY; DEFAULT; RATE CHANGES AND RIGHT OF FIRST REFUSAL; PUBLIC NOTICES AND EDUCATION SERVICES; RESTORATION; COMPLIANCE WITH LAWS; LIABILITY INSURANCE, HOLD HARMLESS, WORKERS COMPENSATION; PERFORMANCE BOND; RIGHT TO REQUIRE PERFORMANCE; DISPUTE RESOLUTION; OPERATIONS DURING DISPUTE; STANDARD OF PERFORMANCE; CURBSIDE RECYCLABLE MATERIALS COLLECTION AND DISPOSAL; RECYCLING PROGRAM; COLLECTION SERVICES AND OPERATIONS; OFFICE HOURS; COLLECTION EQUIPMENT; DISPOSAL; ROUTES AND SCHEDULES; GRANTEE PERSONNEL; SPILLAGE AND LITTER; STORMS AND FORCE MAJUERE EVENTS; NONDISCRIMINTATION PROVISION; RATES, CHANGES, BILLING AND AUDITS; COMPLAINTS & CHARGES FOR FAILURE OF PERFORMANCE; MISCELLANEOUS PROVISIONS; PUBLIC RECORDS LAW AND OBLIGATIONS; REPEAL OF SECTIONS IN CONFLICT; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Fernandina Beach finds it in the public interest to ensure that all areas within its limits are adequately provided with high quality solid waste collection and disposal services; and

WHEREAS, the City of Fernandina Beach finds it in the public interest to retain regulatory authority over refuse collection and disposal to the extent allowed by law, because of the overriding public health, safety and welfare considerations associated with the provisions of this service; and

WHEREAS, the City of Fernandina Beach finds it in the public interest to retain control over the use of public rights-of-way by refuse collection to assure against interference with the public convenience, to promote aesthetic considerations, and to protect the public investments in right-of-way property; and

WHEREAS, the City of Fernandina Beach finds it in the public interest to utilize quality refuse collectors and that this can be accomplished by protecting capital investments of refuse collectors; and

WHEREAS, the City of Fernandina Beach finds that the granting of an exclusive franchise is the best means of assuring that the above described interests of the City of Fernandina Beach are promoted; and

WHEREAS, the City granted a solid waste franchise to Advanced Disposal Services Stateline, LLC, beginning January 15, 2019, and assigned the franchise to Waste Management Inc. of Florida January 4, 2022; and

WHEREAS, the City solicited proposals for collection and disposal of garbage, recyclables, and yard debris through RFP 22-08, and the evaluation committee recommended Waste Management Inc of Florida; and

WHEREAS, the City Commission authorized negotiations with Waste Management Inc. of Florida for a franchise agreement via Resolution 2022-219; and

WHEREAS, the City of Fernandina Beach finds it is in the best interests of the City to repeal Ordinance 2018-10 as of January 14, 2024, and to grant a new solid waste franchise for 5 years beginning January 15, 2024; and

WHEREAS, this Ordinance is adopted pursuant to the authority of Section 166.021, and Chapter 403, Part IV, Florida Statutes.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, THAT:

SECTION 1. DEFINITIONS.

"Anniversary Date" means the date that is one year after the Effective Date of this Franchise Ordinance.

"Authorized Hours for Collection" means the hours that the Grantee is authorized to collect all types of solid waste and recyclables at customer locations within the City's limits. The authorized hours for collection are between the hours of 6:00 am and 8:00 pm for residential collection inclusive, unless otherwise authorized by the City for a specific duration. The authorized hours for collection for commercial collection are between 3:00 am and 8:00 pm inclusive, unless otherwise authorized by the City for a specific duration. Special consideration will be given for certain commercial establishments that neighbor residential properties.

"Beach Accesses" mean accesses located along the 6 miles of beach located within the City limits. Accesses contain approximately 50 garbage carts that are serviced one (1) to seven (7) days per week depending upon the season. This service will be provided by the Grantee for a separate rate listed in Section 30.

"Bulk Waste" means large, discarded items generated from residences and commercial businesses within the City, such as pallets, furniture, e-waste, and abandoned and improperly placed dumps of the same. Loose construction or demolition debris is considered commercial. The Grantee has the right to charge for extra bulk waste pickup which is greater than 3 cubic yards.

"Cart" means:

1) A sixty-five gallon or ninety-five gallon container on wheels with attached lids, serviced by collection vehicles with a side-arm (or tipper) that mechanically collects and empties the

container, provided by the Grantee for garbage/trash collection or service at residential and small commercial account locations;

2) All carts must have imprinted on each on each of the main body a City logo with City name, as approved by the City, and a serial number imprinted on another side of the main body. All carts with the City logo(s) with City name will automatically become the property of the City, at no additional cost to the City, on termination of the Grantee contract and the Grantee inventory will be transported to the City location identified by the City at no additional cost to the City.
3) Selection of cart manufacturer and type/specifications and markings are subject to City approval prior to purchase by the Grantee.
4) The cost of purchasing providing, maintaining, and replacing of all carts to customer account locations is the responsibility of the Grantee at no additional cost to the City and will be - part of the collection and disposal costs in the Grantee unit price rates

"Change in Law" means:

1) The adoption, or modification after the date of this Franchise of any substantially increased federal, state or local fees or taxes, law, regulation, order, statute, ordinance or rule that was not adopted, promulgated or modified on or before the date of this Franchise, or

2) The imposition of any material conditions in connection with the issuance, renewal, or modification of any permit, license, or approval after the date of this Franchise, which in the case of either (1) or (2) establishes requirements affecting the Grantee's operation under this Franchise in a substantial manner so as to make the performance of the requirements of this Franchise more burdensome than before the change of said law. Any change in tax law or workers compensation law will not be considered a change in law pursuant to this definition.

"City" means the City of Fernandina Beach, Nassau County, Florida, a municipal corporation, its government and the City Manager, and/or his authorized or designated representative(s); and may also be referred to as Grantor or Franchisor.

"Commercial" or "Commercial establishment" means any public or private place, building and/or enterprise devoted in whole or in part to a business enterprise whether nonprofit or profit making in nature, except where such place, building and/or enterprise constitutes a single-family residence or multifamily dwelling. Commercial establishments utilize commercial container units such as Grantee provided dumpsters or customer provided containers that are mechanically emptied by other means than cart collection vehicles. These consist of, but are not limited to, office buildings, stores, hotels and motels, restaurants, schools, churches, clubs, medical clinics and hospitals, assisted living facilities, and other service establishments.

"Commercial collection and disposal services" means garbage and trash collection and disposal service for commercial establishments utilizing containers other than those described as carts for collection of garbage/trash. These containers, such as dumpsters, roll-offs, compactors, etc., are mechanically emptied by means other than cart collection vehicles. The Grantee must provide the following collection and disposal services to each customer location – garbage/trash, recycling (at customer option) and bulk waste.

Commercial establishments in this service category may use, but are not limited to, any of the following for the accumulation of garbage/trash:

1) Carts as defined as above.

2) Dumpster containers, provided by the Grantee, *at no additional cost to the City or account holder*, in two (2), four (4), six (6), eight (8) cubic yard capacities, to include ancillary items, such as rollers and dumpster security devices (not enclosures or shoots). Provision, collection, disposal, and servicing are provided in the price per pull.

3) Roll-off containers, provided by the Grantee, *at no additional cost to the City or account holder*, to include ancillary items, such as rollers and security devices on roll-offs (not enclosures or shoots), as approved by the City, when permanent-use roll-off service is approved by the City, subject to transition from existing customer contracts for existing service. Provision, collection, disposal, and servicing are provided in the price per pull.

4) Commercial cardboard containers in the downtown district provided by the Grantee, *at no additional cost to the City or account holder*. Currently, there are approximately four (4) 8-yard cardboard recycle dumpsters for this purpose.

5) Locations, quantities and frequency of pickups, and quantities and sizes of dumpsters and specialty items such as gravity locks and rollers may change from time-to-time at the sole discretion/direction of the City.

6) Grantee-provided solid waste collection and disposal service for customer provided compactors and dumpsters, subject to transition from existing customer contracts for existing service. Collection and disposal are provided in the unit price per pull.

"Commercial trash" means any and all accumulations of such combustibles as paper, rags, wood, wooden or paper or cardboard boxes; non-combustibles such as metal, glass, stone and dirt; and any other accumulations not included within the definition of garbage, generated by the operation of stores, offices and other business places. Commercial trash includes all trash placed in public receptacles, on public streets, in parks and playground, and in other public places. Commercial trash includes bulk items or piles greater than 3 cubic yards.

"Company" refers to Waste Management Inc. of Florida, ("Waste Management") which may also be referred to as the Grantee or Franchisee.

"Construction and Demolition Debris" means discarded materials generally considered not to be water-soluble and non-hazardous in nature, including, but not limited to, steel, glass, brick, concrete, asphalt roofing material, pipe, gypsum wallboard, and lumber, from the construction or destruction of a structure as part of a construction or demolition project or from the renovation of a structure, and including rocks, soils, tree remains, trees, and other vegetative matter that normally results from land clearing or land development operations for a construction project, including such debris from construction of structures at a site remote from the construction or demolition project site. Mixing of construction and demolition debris with other types of solid waste will cause it to be classified as other than construction and demolition debris. Collection of construction and demolition debris is to be accomplished via the open market and is outside this solicitation.

"Commission" means the City Commission of the City of Fernandina Beach, Florida.

"Curbside Collection Point" means that area on or adjacent to the driveway within five feet of, and in no case more than ten feet from, the street, roadway, or alley, behind the curb or edge of pavement and not by the driving surface of the street or roadway or in the drainage gutter or drainage swale or ditch, not on landscaping of any sort other than grass, and as may be specifically requested by the customer, subject to City review. For disabled and/or elderly customers properly acknowledged, this may mean the side door or other designated collection point. The Grantee is responsible to appropriately identify, subject to City review, the side door pickup customer premises, making the side yard pickup locations easily identifiable from the driving pavement by the collection route drivers. The Grantee will provide side door pickup at no additional cost to the City. This is also referred to as roll-out, roll-back service.

"Designated Recovery Facility" means the recycling/processing center(s) specifically agreed upon by the Grantee and the City for the recovery of recyclable materials.

"Disaster debris" means any rubbish or remnants, both combustible and noncombustible, resulting from storms or any emergency condition, requiring special handling and/or equipment for bulk removal of both natural and man-made material.

"Downtown" means the Fernandina Beach Historic Downtown area between South 8th and Front St. and Alachua St. and Ash St. Downtown area has approximately 55 ornamental cans that must be emptied daily up to seven (7) times per week, excluding select holidays, subject to City review.

"Franchise" means this Franchise Agreement.

"Effective Date" means January 15, 2024.

"Excluded waste" means any and all debris and waste products generated by land clearing, demolition, building construction or alteration and hauled away by the respective contractor (except do-it-yourself projects) as approved by City representatives; public works construction projects whether performed by a governmental unit or by contract; materials deemed by the City to be hazardous waste and items not allowed at the County landfill or other approved landfill. Yard waste produced by and hauled away by landscape maintenance contractors is also considered excluded waste.

"Franchise Fee" means the fees set forth in Section 5 of the Franchise.

"Garbage" includes and means all accumulation of animal, fruit or vegetable and any other matter, of any nature whatsoever which is subject to decay, which may serve as breeding or feeding material for flies and/or other germ carrying insects; bottles, cans, or other food containers which due to their ability to retain water may serve as a breeding place for mosquitoes or other water breeding insects, and does not include recycling; and abandoned and improperly placed dumps of the same.

"Grantee" means Waste Management Inc. of Florida, ("Waste Management") or "Franchisee" who is granted this exclusive Franchise and hereby undertakes to perform each and every obligation assigned herein and hereby agreed to.

"Grantor" means the City of Fernandina Beach, Florida or "Franchisor".

"Gross Revenue" means and includes any and all fees received by Grantee for service and disposal which were generated within the service area pursuant to this Franchise with the exception of those fees associated with storms and other emergencies as defined in Section 28.

"Hazardous waste" means wastes that are hazardous by reason of their pathological, explosive, radiological or toxic characteristics.

"Household trash" means any and all accumulations of waste material from the operation of a home, which is not included within the definition of garbage.

"Net revenue" means gross revenue less expenses directly and proximately related to the operation of the Franchise.

"Occupant" or "Resident" includes individuals, children, firms, associations, joint ventures, partnerships, estates, trusts, syndicates, fiduciaries, corporations, and all other, groups or combinations permitted under Florida law.

"Plastic liner" means a plastic bag no larger than a thirty-five-gallon garbage can of sufficient strength to hold contents securely tied at top, not to exceed fifty pounds when full.

"Receptacle" is a general term meaning the container provided to or by the customer that is used by the customer for depositing garbage/trash or recycling and that is emptied by the Grantee such as a cart, dumpster, compactor, roll-off, etc.

"Recycling" refers to the collection, transportation, and recovery of recyclable materials by the Grantee from participating residential cart pickup accounts, small commercial cart pickup accounts (optional participation), unique commercial cart pickup accounts (optional participation) and Multifamily Dwelling collection accounts, and Commercial collection accounts (optional participation) in the recycling service area.

"Recycling carts" means the carts purchased and distributed by the Grantee on behalf of the City for the intended use as a receptacle for recyclable materials for Residential and Multifamily Dwelling customers. Commercial customers may also use Recycling Carts as receptacles for recyclable materials at the customer option. The purchase, provision, maintenance, and replacement of these carts shall be the responsibility of the Grantee at no additional cost to the City.

"Recycling Collection Service" refers to the collection, transportation, and recovery of recyclable materials by the Grantee from participating residential cart pickup accounts, small commercial cart pickup accounts (optional participation), unique commercial cart pickup accounts (optional participation) and multifamily dwelling collection accounts, and commercial collection accounts (optional participation) in the recycling service area.

"Recyclable Materials" mean newspaper, paper, aluminum and metal beverage and food cans, all colors of glass bottles/jars, and plastic bottles/containers, which previously held non-automotive, non-toxic liquid, and such other materials, as mutually agreed by the Grantee and the City, that are recyclable, source separated and co-mingled for single stream recycling collection. Section 20: Recycling Program contains a more detailed list of Acceptable and Non-Acceptable recycling items.

"Recycling service area" refers to the corporate limits of the City of Fernandina Beach, Florida as hereafter amended through annexation.

"Residential collection & disposal service", also known as Residential Cart Pickup Service, means garbage and household trash collection and disposal service to one single family dwelling, or one living unit in a duplex or other multifamily dwelling utilizing cart pickup garbage/trash collection

service. The Grantee will provide the following collection and disposal services to each customer location: garbage/trash, recycling, and bulk waste.

"Roll-out, Roll-back" service means the Grantee provides, at no additional cost to the City, roll-out, roll-back service for elderly or disabled residents. This service will be provided to elderly residents or those with short-term or long-term disabilities who are unable to bring their solid waste and recyclables to the curbside collection points. Residents who may have such difficulty putting out their refuse or recyclables may request roll-out, roll-back service by providing to the Utility Billing Department a physician's note, detailing the duration of the disability. Upon the City's approval, the resident is notified with the confirmed period of roll-out, roll-back service. The Grantee will collect, within the City-approved time period, the elderly/disability resident's refuse and recyclables from their side door or designated locations on the property. The roll-out, roll-back service is available to all other City residents for an additional charge.

"Solid Waste or Refuse" includes and means all garbage, dead animals, bulk waste, household trash, construction and demolition debris, commercial trash, and abandoned and improperly placed dumps of the same.

"Special material" means large materials or other special wastes that are not stored in standard storage containers and cannot be picked up by a normally used collection vehicle. With the exception of major appliances, all wastes such as furniture, "do it yourself" building materials, non-containerized trash piles and any unusually large amount of refuse not suitable for containerization will be picked up at the curb as a special service of the Grantee at an additional charge. This service will be limited to materials that can safely be collected by the use of a rear-load vehicle with a helper. All fees received by the Grantee for the collection of special materials are subject to the City's Franchise Fee.

"Surety" means the party who is bound with and for the Grantee to insure the payment of all lawful debts pertaining to and for acceptable contract performance.

"White Goods" means refrigerators, water heaters, freezers, unit air conditioners, washing machines, dishwashers, clothes dryers, and other similar household large appliances. Discarded major appliances will be collected by Grantee at a charge specified in Section 30.

"Yard Waste" means every accumulation of vegetative garden and yard trash which is the accumulation of leaves, grass cuttings, shrubbery cuttings, limbs, trunks, palm fronds or other refuse from the care of lawns, gardens, shrubbery, vines and trees, and improper/ abandoned dumps of the same.

SECTION 2. GRANT OF FRANCHISE.

A. Grantee is hereby granted an exclusive, mandatory residential and commercial Franchise, including every right and privilege appertaining thereto, to operate and maintain a residential recycling and residential and commercial trash, garbage and refuse collection and removal service in, upon, over and across the present and future streets, alleys, bridges, easements and other public places within the limits of this Franchise for the purpose of collecting and disposing of residential recyclables, residential

and commercial trash, garbage and other refuse generated by the citizens, residents and inhabitants of the City of Fernandina Beach, Florida. Grantee is also hereby granted title to all such residential recyclables, residential and commercial trash, garbage and refuse generated within said boundaries, to the extent that the Grantor can establish its legal right to make such grant of title.

B. Grantee understands and agrees that Grantor has the right to use the services of another vendor/contractor for select recycling services such as recycling events and the operation of the City's Recycling Center without breaching the exclusivity granted in Section 2(A) above.

C. Request for Proposals #22-08, including all addendums thereto of the City of Fernandina Beach, is herein incorporated by reference, as is the response to the Request for Proposals #22-08 and the rate proposal submitted by the Grantee.

SECTION 3. LIMITS OF FRANCHISE.

This Franchise covers the corporate limits of the City of Fernandina Beach, Florida. Grantee agrees that the limits of the Franchise are subject to expansion or reduction by annexation and contraction of municipal boundaries and that Grantee has no vested right in a specific area.

SECTION 4. TERM.

A. This Franchise will be for a period of five years through January 14, 2029, unless sooner terminated by reason of breach of the terms hereof by the Grantee, which result in the failure of the Grantee to provide effective and efficient service.

B. This Franchise may be renewed for additional term(s) of no more than five years, or portion of a term, on the same terms and conditions, upon the mutual written agreement of both the Grantor and Grantee. If either party is willing to renew, said party must give written notice to the other of its willingness to renew said agreement. Such notice must be given no later than six months before January 14, 2029. Either party will have sixty days to respond to the request of the other party, indicating their agreement or rejection with the proposed renewal. No response will be deemed to be a rejection of the request to renew. The Grantee may unilaterally extend this Franchise Agreement for one (1) renewal period of 120 days.

SECTION 5. FRANCHISE CONSIDERATION.

A. The consideration for this Franchise shall be as follows:

1. Garbage and Recycling
    a. Residential Service: 10% of the rate established in Section 30
    b. Commercial Service: 10% of the rate established in Section 30
    c. Special/Roll off Services: 10% of the rate established in Section 30
2. Recycling: Additionally, the Grantee may appeal for a rate increase on an annual basis if the cost of recycling processing continues to increase beyond reasonable cost projections.

B. At the present time, this Franchise does not include construction and demolition waste removal service, and no Franchise Fee will be due for those services. Grantee is not required to collect Hazardous Waste, dead animals, yard waste, large branches, trees or bulky or non-combustible materials not susceptible to normal loading and collection in "load packer" type sanitation equipment used for regular collections from domestic households. This Contract does not include the collection

and disposal of any increased volume resulting from a flood, hurricane, or similar or different acts of God over which the Company has no control.

C. The Franchise Fee for residential services will be assessed and collected by the Grantor and will be added to the Rates as set forth herein. The Franchise Fee for commercial and special/roll off services will be assessed and collected by the Grantee and will be added to the Rates as set forth herein. The Grantee will pay Franchise Fee on amounts billed from commercial and special/roll off services customers.

SECTION 6. ASSIGNMENT.

A. The Franchise rights herein granted to the Grantee may not be assigned by Grantee except with the express approval of the Grantor, which approval may not be unreasonably withheld, and which must be reflected by a resolution of Grantor. In the event of such an assignment, Grantee will cause its assigns to execute an Agreement of Acceptance, subject to the approval of the Grantor, evidencing that such assignee accepts the assignment subject to any and all terms, conditions and limitations imposed hereby, and which acceptance must include an affirmative statement evidencing such Grantee's intent to fulfill the obligations imposed by Grantee in contemplation hereof. Notwithstanding the Grantor's approval of such an assignment and assignee's acceptance, Grantee must guarantee the performance of its assignee and such assignment will always be with full recourse to Grantee.

B. A transfer of more than 51% of the issued outstanding stock of Grantee constitutes an assignment for the purpose of this section. Likewise, any transfer of the voting rights amounting to 51% or more of the issued or outstanding stock of Grantee constitutes an assignment for the purposes hereof.

SECTION 7. BANKRUPTCY OR INSOLVENCY.

If the Grantee files a petition for the appointment of a receiver or a petition of voluntary or involuntary bankruptcy, this Franchise is automatically terminated as of the date of the filing of such petitions.

SECTION 8. DEFAULT.

A. Material failure on the part of the Grantee to comply in any material respect with any of the provisions of this ordinance is grounds for a forfeiture of this Franchise, but no such forfeiture may take effect until Grantor has served upon the Grantee written notice of default setting forth the nature and extent of said default and Grantee has been given a reasonable opportunity to cure such default. Following receipt of the notice of default, Grantee will have thirty days to correct, or to notify the City in writing, subject to City approval, how the Grantee intends to correct identified material defaults. If Grantee disagrees with the reasonableness or propriety of Grantor's notice of default, Grantee may protest such default by filing with the City Manager a written protest within twenty days of receipt of Grantor's notice for identified defaults.

B. If the Grantor and Grantee cannot agree as to the reasonableness or propriety of the Grantor's notice of default, then the issue will first be submitted to non-binding mediation, and then, if till not resolved, it may be addressed by a court of appropriate jurisdiction located in Nassau County, Florida pursuant to Section 16 of this Ordinance.

SECTION 9. RATE CHANGES AND RIGHT OF FIRST REFUSAL.

A. The rates set forth in Section 30 may be adjusted annually beginning on the Anniversary Date of this Franchise to include the Consumer Price Index –Garbage and Trash Collection Services, Series ID, CUUR0000SEHG02. All Items (base year 1997=100%), as published by the United States Department of Labor – Bureau of Labor Statistics. Such CPI change will be computed each year after the completion of the month of September and any change will be implemented and effective with January billings each year. The Grantee agrees that the rate increase will be limited to a maximum of 4% per year and a minimum of 0%.

In October of each subsequent year during the term of the Franchise, the Grantor will notify the Grantee of the Consumer Price Index— Water, Sewer and Trash Collection Services by which the rates set forth herein may be adjusted. The rate increase will be effective starting with bills issued after December 31 of that year.

B. Grantor and Grantee agree that certain Changes in Law, as defined herein, may have such a substantial effect that a rate increase may be required. Grantee may petition the Grantor to adjust its fees based upon increases in the cost of doing business due to said Change in Law. The Grantee's request must be made within 120 days of the occurrence of such change or cost and must contain reasonable proof and justification to support the need for the rate adjustment. The Grantor may request from the Grantee, and the Grantee must provide, such further information within its possession as may be reasonably necessary in making its determination. The Grantor must approve or deny the request, in whole or in part, within sixty days of receipt of the request and all additional information required by the Grantor. The Grantor will make a reasonable and equitable determination based upon the documentation provided in reaching its decision provided however that Grantor may not unreasonably withhold consent to any request for fee increase which is based on a legitimate and documented increase in cost.

C. Grantee may petition the Grantor to increase the rates based upon unanticipated and unusual increases in the cost of doing business due to reasons outside the reasonable control of Grantee. A request for an increase may be made at any time such change occurs and must provide, such further information within its possession as may be reasonably necessary in making its determination. The Grantor must approve or deny the request, in whole or in part, within sixty days of receipt of the request and all additional information required by the Grantor. The Grantor will make a reasonable and equitable determination based upon the documentation provided in reaching its decision provided, however, that Grantor may not unreasonably withhold consent to any request for fee increase which is based on a legitimate and documented increase in cost.

SECTION 10. PUBLIC NOTICES AND EDUCATION SERVICES.

A. The Grantee will partner with the City in developing and implementing public education and community outreach programs. The public education program should emphasize recycling and waste reduction. The Grantee will coordinate with the City in the messaging, publication, and dissemination of such information. The City retains final approval of all program materials. The Grantee must have a social media presence with a texting platform that can be offered to customers in an expedient manner. The Grantee is responsible for all expenses associated with the notices and education services and social media required herein and provide the same at no additional cost to the City.

B. The FRANCHISEE further agrees to conduct presentations for civic groups, Homeowners' Associations and other appropriate citizens' groups as deemed appropriate. The FRANCHISEE will

provide notices and educational services to help inform the public about the CITY's solid waste management system. The FRANCHISEE will be responsible for all expenses associated with the notices and educational services required herein.

C. Notices:

1. Notice for Commencement of Services: At least a sixty-calendar day notification before the coordinated Commencement (Residential, Multifamily Dwelling and Commercial Establishment) concerning the Grantee's Collection and Disposal Services. A 2nd Notice must be provided to Residential and Commercial customers approximately two weeks before the Commencement/Transition Start Date. The notices are to be mailed through the United States Postal Service, hand-delivered via door hangers and posted to social media. At a minimum, the notice to Residential and Small Commercial Customers must:

a. Identify each of the Scheduled Collection Days for the Customer receiving the notice.
b. Summarize the applicable Set-Out requirements and include other educational and promotional information coordinated between the Grantee and the City. The notice also may provide any other relevant information concerning the Grantee's services.
c. The City will retain final approval of all program materials prior to printing and/or distribution.

2. Notices for New Customers: The Grantee will design and print upon the City's approval and mail or deliver appropriate informational materials for each new customer. At a minimum, the notice must include the same information that is contained in the annual notice to customers. The Grantee will use the social media format to expedite this information.

3. Notices Concerning Changes in Collection Schedules: The Grantee must deliver a notice to each Customer that will be affected by a change in the Scheduled Collection Days. Such Customers must receive notice approximately two weeks prior to the change. The City's decision on schedules, or changes thereof, is final. This Grantee will use the social media format for delivering this information immediately to the customer.

4. Notices for Holidays: The Grantee must provide notice to Customers that will be affected by a change in their Scheduled Collection Days because of a Holiday. The Grantee will use the social media format for delivering this information immediately to the customer.

SECTION 11. RESTORATION.

The Grantee agrees to repair all property, public or private, altered or damaged to the extent negligently caused by it, its agents or employees' negligence or misconduct in the performance of its duties herein in as good or better condition as it was before being damaged or altered. The Grantee is not responsible for damage to roads or pavement resulting from the weight of trucks or equipment, which weight (within legal limits) the Grantee cannot control. The Grantor must notify the Grantee at least monthly of damages caused by the performance of its operations on streets within the City limits. The Grantor will have at least fourteen (14) days (after receiving notice) to resolve any damage.

SECTION 12. COMPLIANCE WITH LAWS.

Grantee must conduct operations under this Franchise in compliance with all applicable laws. Grantee specifically agrees to be solely responsible for the enforcement, administration and compliance with all applicable provisions of Chapter 403, Part IV, Florida Statutes, and future amendments thereto.

SECTION 13. LIABILITY INSURANCE; HOLD HARMLESS; WORKERS COMPENSATION.

A. *INSURANCE.* Grantee must carry commercial general liability insurance in the amount of not less than $3,000,000.00 for each occurrence combined single limit and $5,000,000.00 general aggregate. Grantee will carry commercial automobile liability insurance coverage in the amount of $1,000,000.00 combined single limit, covering all of the trucks or other vehicles used for carrying out the work called for in this Franchise. Grantee will also carry umbrella excess liability coverage with a limit of no less than of $1,000,000. A certificate showing that the Grantee has in full force and effect the aforesaid insurance must be filed with the Grantor upon execution of this Franchise, and yearly thereafter endeavoring to provide said certificate at least thirty days prior to the date of the expiration of said policies or insurance for each year of said Franchise. The aforesaid insurance must be in such form and written by such companies whose A.M. Best rating is not less than A VII. All policies require thirty days advance notice of the cancellation of the insurance except as otherwise dictated by State law. Said policies of insurance shall name Grantor as additional insured for operations arising out of this contract. The Grantee must provide Grantor a separate written endorsement showing Grantor as additional insured for all lines of insurance required hereunder (other than workers compensation insurance). The insurance certificate is attached hereto as Exhibit "A."

B. *WORKERS' COMPENSATION COVERAGE.* Grantee must carry Workers Compensation insurance on all its employees and show proof of insurance to the Grantor, as requested. All such Workers Compensation policies shall provide for notice by the insurer to the Grantor at least thirty days prior to any termination or revocation thereof except as otherwise dictated by law.

C. *INDEMNIFICATION.* The parties recognize that Grantee is an independent contractor. Grantee agrees to indemnify, hold harmless, and defend the City, its commissioners, mayor, officers, and employees (the "City Parties") , from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, to the extent caused by any negligence, recklessness, or intentionally wrongful conduct of the Grantee, its agents, officers, contractors, subcontractors, employees, or anyone else utilized by the Grantee in the performance of this Agreement; provided however, Grantee will have no obligation hereunder to indemnify, defend or hold harmless the City Parties for any such losses, damages, and claims of any kind arising out of, directly or indirectly, or in connection with the negligent and/or deliberate acts of omissions of the City Parties. Grantee's liability hereunder will include all reasonable attorney's fees and costs incurred by the City in the enforcement of this indemnification provision in the event the City prevails in such enforcement action. In the event the City does not prevail in its enforcement of this indemnification provision, the City will reimburse Grantee for all reasonable attorney's fees and costs incurred by Grantee to defend such enforcement action. The obligations contained in this provision will survive for a period of three years after termination of this Agreement and shall not be limited by the amount of any insurance required to be obtained or maintained under this Agreement. Nothing contained in the foregoing indemnification will

be construed to be a waiver of any immunity or limitation of liability the City may have under the doctrine of sovereign immunity or Section 768.28, Florida Statutes.

The City agrees to indemnify, hold harmless, and defend the Grantee, its officers, directors, employees and affiliates (the "Advanced Parties") from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, arising directly or indirectly out of or in connection with any negligent and/or deliberate act or omission of the City, its commissioners, mayor, officers, employees, agents, and representatives; provided however, the City shall have no obligation hereunder to indemnify, defend or hold harmless the Advanced Parties for any such losses, damages, and claims of any kind arising out of, directly or indirectly, or in connection with the negligent and/or deliberate acts of omissions of the Advanced Parties. The City's liability hereunder will include all reasonable attorney's fees and costs incurred by Grantee in the enforcement of this indemnification provision in the event the Grantee prevails in such enforcement action. In the event Grantee does not prevail in its enforcement of this indemnification provision, Grantee will reimburse the City for all reasonable attorney's fees and costs incurred by the City to defend such enforcement action. The obligations contained in this provision will survive for a period of three years after termination of this Agreement and will not be limited by the amount of any insurance required to be obtained or maintained under this Agreement or other contract or written instrument between the parties.

SECTION 14. PERFORMANCE BOND.

Grantee must furnish to the Grantor a performance bond, on a form approved by the Grantor, for the full performance of this Franchise and all of the obligations arising hereunder in the amount equal to the annual contract amount. Said bond must be executed by a surety company approved by Grantor and licensed to do business in Florida. The Performance Bond is attached hereto as Exhibit "B."

SECTION 15. RIGHT TO REQUIRE PERFORMANCE.

The failure of the Grantor at any time to require performance by the Grantee of any provision of this Franchise will not affect the right of the Grantor to enforce same; nor will waiver by the Grantor of any breach of any provision in this Franchise be taken or held to be a waiver of any succeeding breach of such provision or as a waiver of any provision itself. The Grantor, in accord with the provisions of Section 8, will have the right to terminate this Franchise if Grantee fails to timely correct violations of this agreement as provided in Section 8.

SECTION 16. DISPUTE RESOLUTION.

This Franchise is governed by the laws of the State of Florida, and if any controversy arises between the parties either party may pursue all available legal remedies in the appropriate Nassau County, Florida, court.

SECTION 17. OPERATIONS DURING DISPUTE.

A. In the event that a dispute arises between the Grantor and the Grantee, or any other interested party in any way relating to the terms and conditions, performance or compensation requested under this Franchise, the Grantee will continue to render service in full compliance with all

terms and conditions of this Franchise regardless of the nature of the dispute and Grantor will continue to pay Grantee for its services.

B. Grantee expressly recognizes the paramount right and duty of Grantor to provide adequate waste collection and disposal service as necessary governmental functions, and further agrees, in consideration for the execution of this Franchise, that in the event of a dispute, said Grantee will neither stop service nor seek injunctive relief in any court, but will either negotiate for an adjustment in the matter in dispute or present the matter to a court of competent jurisdiction located in Nassau County, Florida, in an appropriate suit instituted by Grantee.

C. If the term of this Franchise is not renewed, Grantee must continue to provide service for ninety days following expiration or until a substitute Grantee is in place, whichever comes first.

SECTION 18. STANDARD OF PERFORMANCE.

A. If the Grantee fails to collect the materials herein specified for a period in excess of three consecutive scheduled working days or materially breaches any other substantive provision of this franchise, and fails to cure said breach within three working days after receipt of written notice of said breach by the Grantor, the Grantor may proceed as follows (provided such failure is not due to war, insurrection, riot, act of God, or other causes beyond the reasonable control of Grantee): Enter into contract(s) or agreement(s) with any other qualified firm(s) to provide solid waste collection and disposal until such time as the Grantee is able to satisfactorily fulfill its responsibilities under this Franchise as determined solely by the Grantor.

SECTION 19. CURBSIDE RECYCLABLE MATERIALS COLLECTION AND DISPOSAL.

A. Grantee is required to provide curbside recycling to all residential customers.

B. Grantee must collect all residential recycling materials within the corporate limits of the City, transport and provide for recovery of said residential recyclable materials at a designated recovery facility. The Grantee must perform such services as are required to provide a complete residential recyclable materials program.

C. Collection of recyclable materials will be curbside, or other such locations as will provide ready accessibility to the Grantee's collection crew and vehicle. In the event an appropriate location cannot be agreed upon, the Grantor shall designate the location. Handicapped residents shall be accommodated at no additional fee.

D. The Grantee will pick up all recyclable materials which have been properly prepared for collection and placed in recycling carts placed at the curbside. The Grantee, at its own cost, will distribute one cart to hold recyclable materials to be collected to each single-family residence within the service area. Multi-family housing units interested in a recycle program will negotiate with Grantee directly to determine feasibility for implementation. The carts will be replaced by the Grantee as required. The Grantee must maintain an adequate supply of carts at all times.

E. The Grantee will collect all recyclable materials set out for the purpose of recycling from all single-family residences. The collection of recyclables will be conducted using a single cart, furnished by the Grantee, for a commingled/single stream system. As it becomes economically feasible, the Grantee will provide adequate containers to initiate a multi-material recycling program.

F. All refuse and recyclable materials hauled by the Grantee must be so contained, held or enclosed that leaking, spilling or blowing are prevented.

G. The Grantee will make collections with as little noise and disturbance to the residents as practicable and in conformance with the City's Noise Ordinance. Grantee will handle recycling carts with reasonable care and return them to the approximate curbside location from which they were collected. Any recyclable materials spilled by the Grantee must be picked up immediately. Recycling carts must be thoroughly emptied.

H. Grantee will collect recyclable materials within the service area one time per week. The day of collection will be the same day as the regular collection day for solid waste.

SECTION 20. RECYCLING PROGRAM.

A. The Grantee is responsible for maintaining the information and records adequate to determine participation rates and weekly setout rates by percent for each material, volume of solid waste diverted from landfill by percent, weight by material of items recycled, neighborhoods above or below average participation and other information requested by Nassau County or the State of Florida to meet the requirements of the Solid Waste Management Act, any requirements of Florida House Bill 7243, or to obtain grant funds from the Solid Waste Management Trust Fund. The Grantee must furnish an annual report to the City containing the requested information. Reports should be on forms and in a format required by the Grantor.

B. To the extent possible, based on availability, capacity and market prices, the Grantee may market the recyclable materials through local business operations in the City of Fernandina Beach. At a minimum, the Grantee shall provide for taking, marketing or storing recyclables at a permitted landfill.

C. The Grantee may appeal for a rate increase on an annual basis if the cost of recycling processing continues to increase beyond reasonable cost projections.

D. *Acceptable and Non-Acceptable recycle items.* Acceptable items for recycle are as follows:

Household Sized Containers – Must be empty and dry (1 gallon or 1 liter max)
(1) Plastic Resin Codes #1 thru #7 (Code is on the bottom of container)

(2) Glass (All Colors)

(3) Metal Cans (Aluminum & Tin)

Household Paper Materials – Max single item size may not exceed 2ft. by 2ft
(4) Cardboard Boxes (Must be flattened and, if needed, cut to size.)

(5) Brown or Grey Food Boxes (Cereal, Dry Food, Baking Ingredients, etc.)

(6) Mailing Supplies (Junk Mail, Envelopes, Letters, etc.)

(7) Newspapers (Inserts & Catalogs)

(8) Brown Paper Bags

(9) Office Paper (Copy & Print Paper, File Folders)

(10) Brown or Gray Fiber Packages (Soda Cartons, dry food packages, etc.)

NEVER Acceptable Items & Material

(1) Plastic Film (No Grocery Bags, Tarps, etc.)

(2) Food (No Wet or Dry Food Waste)

(3) Scrap Metal (No metal except household size containers)

(4) Wood (No Yard Waste, Construction Material, etc.)

(5) Fabric (No Clothes, Shoes, Blankets, Cloth, etc.)

(6) Electronics (No Batteries, Computers, Phones, etc.)

(7) Chemicals (No Paint, Oil, Aerosols, etc.)

(8) Tires (No Tires of any size)

SECTION 21. COLLECTION SERVICES AND OPERATIONS.

A. *Residential*

1. Frequency of collection: Grantee will, on a regularly scheduled day, pick up solid waste at the curbside adjacent to each residence all household garbage one time per week; bulk waste will be collected one time per week on days agreed upon by the Grantee and Grantor. Pickups may not be reduced by holidays, and pickups normally scheduled to be made on a holiday must be rescheduled and occur in the same week as the holiday. Grantee, at its sole expense, must notify residences served of the holiday observed and regular pickup schedules at least five days in advance by publication in a local paper or other means approved by Grantor.

(a) Holidays: The following holidays may be observed by Grantee for purposes of this clause: Thanksgiving Day and Christmas Day.

2. Schedule: Regularly scheduled pick up days for household garbage will be as agreed upon between the Grantor and the Grantee. All schedules and routes are subject to rescheduling as mutually agreed to by the Grantor and Grantee. The Grantor, at the request of the Grantee or on its own, may extend, suspend, or modify these schedules in the event of a natural disaster, health hazard, or any other state of emergency requiring such action.

3. Quantity: Grantee is required to pick up all household garbage generated by residential premises, provided same is placed in the garbage cart. Only the content contained in the cart will be collected. Nothing placed outside the cart will be collected except for bulk waste as provided for in this agreement.

4. Collections. All collections will normally be made in residential areas no earlier than 6:00 am and no later than 8:00 pm, with no service on Sunday, except in declared emergencies. Grantee will make collections with minimal noise and disturbance and in conformance with the City's Noise Ordinance. Garbage carts must be handled carefully by the Grantee and thoroughly emptied and left where they were found at the curbside. All work must be done in a safe and sanitary manner. All waste

spilled by Grantee must be picked up and removed by Grantee. Grantee will provide a single-axle truck for servicing certain compact residential areas, such as Amelia Park.

5. Special services: Services such as back door collection, removal of any refuse other than garbage or rubbish as defined herein, including white goods and appliances or additional pickups will be provided on a separate fee basis upon terms agreed to by the Grantee and the customer. Charges for special services will not be unreasonable or excessive. Household garbage services will be provided at the rear or side residence for handicapped persons approved by the Grantor at no extra charge.

6. Roll-out/Roll-back service: Those customers holding a Short-Term Resort Rental license are required to have Roll-out/Roll-back service, for which a fee will be charged.

7. Hazardous materials: Grantee will not be required to collect hazardous materials, including without limitation Hazardous Waste.

8. Location of Residential Waste for collection: Persons in occupancy of each residence must place their garbage carts at the curb no sooner than 6:00 pm the day before a scheduled pick-up and remove the garbage carts by midnight of the day of the pick-up, unless the occupant or resident has been approved for back door, side door, or roll-out/roll-back pickup or the occupant of resident has negotiated a special service collection at another location.

9. Customer restrictions: Grantee will not be required to collect Residential Waste when such waste is not generated on the residence served. Grantee has the right to terminate service to any customer violating this section only after prior notification to the customer and approval by the Grantor.

B. *Commercial*

1. Frequency of collection: Grantee will, on a regularly scheduled day, pick up all garbage, rubbish, and wastes. However, pickups normally scheduled to be made on a holiday will be rescheduled with the approval by the commercial establishment.

(a) Holidays: The following holidays may be observed by Grantee for purposes of this clause: Thanksgiving Day and Christmas Day.

2. Schedule: Commercial collection will be on days agreed to by the Grantee and commercial establishment. The Grantor, or its designee, is authorized to extend, suspend, or modify these schedules in the event of a natural disaster, health hazard, or any other state of emergency requiring such action.

3. Quantity: Grantee is required to pick up all garbage and rubbish generated by a commercial establishment, provided same is placed in a Grantee provided waste receptacle.

4. Collections: All collections will normally be made at commercial establishments no earlier than 3:00 am and no later than 8:00 pm. These times may be adjusted by mutual agreement of the parties. Grantee will make collections with minimal noise and disturbance and in conformance with the City's Noise Ordinance. Waste receptacles must be handled carefully by the Grantee and thoroughly emptied and left where they were found. All work must be done in a safe and sanitary manner. All waste spilled by Grantee must be picked up and removed by Grantee.

5. Special services: For items requiring roll-off service or any special handling, removal of any refuse other than garbage or rubbish as defined herein or additional pickups, all charges are to be negotiated between the Grantee and the customer. Requests for pickups of special materials as defined

herein will be considered requests for special pickup services. Charges for special services will not be unreasonable or excessive and are subject to the City's Franchise Fee.

6. Garbage and rubbish: Garbage and rubbish must be placed for collection within a commercial container.

7. Hazardous and biohazardous materials: Grantee will not be required to collect hazardous or biohazardous materials or Hazardous Waste.

8. Location of commercial waste for collection: All commercial establishments receiving service pursuant to this Franchise must keep waste receptacles, disposal containers and other such items at location(s) approved by the City.

9. Customer restrictions: Grantee will not be required to collect commercial waste receptacles containing garbage or refuse when such waste is not generated in the commercial establishment served. Grantee has the right to terminate service to any customer violating this section only after prior notification to the customer and approval by the Grantor.

10. Removal of improper receptacles: Any container used for the collection and storage of commercial waste which fails to meet the standards prescribed by the Grantor must be clearly marked, specifying the manner in which the container falls to meet the requirements. Such marked, nonconforming containers will be removed from service by the Grantee.

C. *Special Events*

1. In addition to regular residential and commercial collections, Grantee will be the service provider for collection services during and after City-sponsored special events. These events include, but are not limited to, the annual Shrimp Festival occurring the first weekend in May of each year. The Grantee will provide these services at an approved rate.

SECTION 22. OFFICE HOURS.

The Grantee's office must remain open for residential and commercial establishment customers Monday through Friday from 8:00 am to 5:00 pm for the purpose of handling complaints, requests for new or replacement containers and to schedule bulk pick-ups, and for that purpose, there must an adequate number of telephones and a responsible person in charge during the hours specified above. The Franchisee must maintain a local calling area phone number, to receive customer inquiries and complaints during the business hours stated in this section. These requirements do not apply on the legal holidays identified in Section 21.

SECTION 23. COLLECTION EQUIPMENT.

The Grantee must always have on hand sufficient equipment in good working order and of the minimum weight necessary to permit Grantee to perform its duties hereunder fully, adequately and efficiently. Equipment must be purchased from nationally known and recognized manufacturers of garbage collection and disposal equipment. Garbage collection equipment must be kept clean, sanitary; neat in appearance, in good repair at all times, and be equipped with back-up warning lights and alarm. The Grantee must always have available reserve equipment which can be put into service and operation within two hours of any breakdown. Such reserve equipment must substantially correspond in size and capability to the equipment normally used by the Grantee to perform its duties hereunder.

SECTION 24. DISPOSAL.

All garbage and solid waste must be hauled to sites or facilities legally empowered to accept it for treatment or disposal. The Grantor reserves the right to approve or disapprove of sites, taking into account all governmental regulations, routes within the Franchise area, and the rules and regulations of the governmental body having jurisdiction over said sites and facilities.

SECTION 25. ROUTES AND SCHEDULES.

The Grantee must periodically provide the Grantor with schedules of residential collection routes and always keep such information current. In the event of changes in routes, schedules, or other program changes that will alter the day of pickup or the type of materials that are picked up, Grantee must notify each customer affected by either direct mail or door hangers which the Grantor must approve for such purpose. All such changes in routes, schedules, and programs will also be immediately communicated to Grantor at the time determined by the Grantee.

SECTION 26. GRANTEE PERSONNEL.

Grantee will assign a qualified person to be in charge of operations under this Franchise and give the name, direct contact information, and qualifications of said person to the Grantor. Grantor requires that Grantee's collection employees wear clean uniforms bearing Grantee's company name. Each person employed to operate a vehicle must at all times carry a valid CDL driver's license for the type of vehicle being driven, and it is the Grantee's sole responsibility to assure that all drivers are properly licensed. Grantor may request the dismissal of any employee of Grantee who violates any provisions of this subsection or who is found to have been wanton, negligent, or discourteous in the performance of his or her duties. Grantee must provide operating and safety training for all personnel. Wages of all employees of Grantee must be equal to or exceed the minimum hourly wages for such employees established by local, state, or federal law. Grantee must supply a schedule of all employee wage scales to Grantor upon request.

SECTION 27. SPILLAGE AND LITTER.

A. The Grantee may not litter on any premise in the process of making collections but will not be required to collect any waste material that has not been placed in supplied or approved containers or in a manner herein provided, unless previous arrangements have been agreed upon between the Grantor and the Grantee.

B. During hauling, all solid waste or liquids must be contained, held, or enclosed so that leaking, spilling, or blowing is prevented. In the event of spillage by the Grantee, the Grantee must promptly clean up the litter.

SECTION 28. STORMS, & FORCE MAJEURE EVENTS.

A. The performance of any act by the Grantor or Grantee hereunder may be delayed or suspended at any time while, but only so long as, either party is hindered in or prevented from performance by acts of God, the elements, pandemic, war, rebellion, terrorism, strikes, lockouts or any other cause beyond the reasonable control of such party, provided, however, in the event Grantee is delayed or suspended in its performance for more than forty-eight hours due to a condition of force majeure, the Grantor has the right to provide substitute service from third-party contractors or Grantee's forces and in such event the City will withhold payment due Grantee for such period of time (beyond 48 hours) in which service is not provided by the Grantee. If the condition of force majeure

exceeds a period of thirty (30) days, the Grantor, after providing Grantee notice and a reasonable opportunity to cure, may at its option and discretion, cancel or renegotiate this Agreement.

B. In the case of a storm or disruption caused by other force majeure event (e.g., war, insurrection, riot, or act of God) not caused by the Grantee, Grantor may allow Grantee a reasonable variance from regular schedules. As soon as practicable after such storm or other emergency, Grantee must inform the Grantor of the estimated time required before regular schedules and routes can be resumed and, upon request of Grantor, Grantee will provide notice to residential premises and commercial establishments in the service area.

C. In the event of a declared disaster and/or any event requiring mass cleanup operations during the period of the Franchise, Grantee must, if requested and to the extent directed by the Grantor, participate in said cleanup. Grantee will be compensated by the Grantor in accordance with terms and conditions of a negotiated agreement.

D. The Grantee will have a disaster response plan for removal and disposal of excessive amounts of debris or refuse accumulated in the event of a storm of catastrophic proportions, any natural calamity, riot or any severe domestic disturbance. The Grantee must have, at all times, written agreements with a subcontractor to supplement the collection, hauling and disposal of such wastes, in the event that the Grantee's resources are insufficient to affect a timely clean-up. Such agreement must contain operational details and the add-on unit pricing for collection, hauling, and disposal cost. The subcontractor agreement must be reviewed and approved by the City. In the event of a small disaster, the City and the Grantee will meet and coordinate expeditiously to formulate and agree upon the specific clean-up plan. In the event of a natural disaster or a severe domestic disturbance, the City will have the option to utilize any combination of the Grantee's services, the Grantee's subcontractors, the City's own contractors, or any adjacent municipality or County forces provided through mutual aid. In the event of a natural disaster such as a hurricane, the Grantee will be expected to continue with collection services and closely coordinate with the City when to cease operations within the City's limits. Currently, the City's Disaster Plan calls for the Grantee to resume and continue the collection schedule as soon as safely possible.

SECTION 29. NONDISCRIMINATION PROVISION.

The Grantee agrees that it has adopted and will maintain and enforce a policy of nondiscrimination on the basis of race, color, religion, sex, age, handicap, disability, military or veteran status, national origin, familial status, marital status, sexual orientation, gender identity, or gender expression. Said nondiscrimination policy applies to employment practices of the Grantee and the provision of services. The Grantee agrees that on written request it will permit reasonable access by Grantor to its records of employment, employment advertisements, application forms, and other pertinent data and records for purposes of investigation to ascertain compliance with the nondiscrimination provisions of this Franchise, provided, however, that Grantee will not be required to produce for inspection any record covering any period of time more than two years prior to the date of the Franchise.

SECTION 30. RATES, CHARGES, BILLING AND AUDITS.

A. *Rates:*

1. For the residential collection of garbage, recycling, and bulk waste/mixed piles, the fee paid to the Grantee by the Grantor shall be $25.17 per month for one time per week service at the Effective Date and will remain until the next CPI rate adjustment provision specified in Section 9 is applied in 2025. A breakdown of the initial residential garbage, recycling, and bulk waste/mixed piles collection fees as of January 15, 2024, are shown below:

Residential Rates	**Fee Charged by City**	**Rate Paid to Waste Management**
Garbage – once a week	$14.09	$12.81
Recycling – once a week	$9.84	$8.95
Bulk Waste/Mixed Piles – once a week	$3.75	$3.41
TOTAL	$27.68	$25.17

Additional Optional Services Rates

Residential Rates	**Fee Charged by City**	**Rate Paid to Waste Management**
Garbage – once a week, roll out roll back service	$21.91	$19.92
Recycling – once a week, roll out roll back service	$17.46	$15.87
Garbage – Additional Cart	$10.57	$9.61

* Total combined monthly Residential Rate for residents who receive an additional garbage cart is $34.78 paid to WM and $38.26 charged to the resident by the City.

- no personal carts/containers may be used

2. For garbage collection during the initial term of this Franchise, the monthly rate for commercial establishments fees as of January 15, 2024, is shown below and will remain until the next CPI rate adjustment:

Commercial Rates							
Rates For:	1 pickup per week	2 pickup per week	3 pickup per week	4 pickup per week	5 pickup per week	6 pickup per week	7 pickup per week
95-gallon carts (max 10)	$23.53	$47.06	$70.59	$94.12	$117.65	$141.18	$164.71
2-yard container	$71.27	$142.55	$213.82	$285.09	$356.37	$427.64	$498.90

4-yard container	$142.55	$285.09	$427.64	$570.19	$712.74	$855.28	$997.81
6-yard container	$213.82	$427.64	$641.46	$855.28	$1,069.10	$1,282.92	$1,496.71
8-yard container	$285.09	$570.19	$855.28	$1,140.38	$1,425.47	$1,710.56	$1,995.61
4-yard Vertipac Compactor*	$570.20	$1,140.36	$1,710.56	$2,280.76	$2,850.96	$3,421.12	$3,991.24

- Vertipac Compactors are also subject to a $550/month rental per unit.
- prices listed do not include 10% franchise fee provided for in Section 5
- no personal carts/containers may be used

3. The rates for other services as of January 15, 2024, are shown below and will remain until the next CPI rate adjustment:

Other Services	
10-yard roll-off price per haul	$272.70
20-yard roll-off price per haul	$272.79
30-yard roll-off price per haul	$272.79
Garbage compactor price per haul	$294.89
Special Clean-up of right-of-way	$150/hour
White Goods (on call service)	$23.35/per item
Special Cleanup (rear loader, driver & helper)	$150/hour
Special Cleanup (grapple truck, operator)	$150/hour
Beach Access Collection Service	$4.30/per container

*Prices listed do not include 10% franchise fee provided for in Section 5

4. During the term of this franchise no fuel surcharges may be applied or charged by the Grantee.

B. The Grantee is to provide solid waste removal and recycling services to all of the City's facilities, parks including parks, complexes, and recycle stations at no charge. The Grantee will provide six commercial containers of not less than six cubic yards each at no cost to the City for City sponsored events such as City-wide cleanups. Grantee will provide daily solid waste pickup in the Downtown

Area, which has approximately 55 ornamental cans that must be emptied seven (7) times week (excluding holidays) at no additional cost to the Grantor.

C. *Billing for Services*

1. Residential and Special Services.

a. The Grantor will bill for residential collection services. The billing will be in conjunction with the other utility billings performed by the Grantor, or such other method as the Grantor may from time to time determine. Bills will be sent to the residential units, not less than monthly. Therefore, the Grantee will receive payment monthly, based on up-to-date active monthly Residential Units.

b. Requests for opening new residential accounts will be received at the City. The customer will then be referred to the Grantee to request new containers. Within 1 business day of receiving said requests from the new customer, the Grantee is required to provide a new garbage cart and recycle cart (if requested) and begin the service for the new customer on the next scheduled pick-up. At the time of delivery of the garbage cart and recycle cart, the Grantee must provide written notice to the new customer of the pick-up days for all service.

c. In consideration for the Grantor handling the customer billing for Residential Units, payment and related customer service functions related to billing, Grantee will pay to Grantor the sum of 1% of the previous month's net billing to Grantor. This payment will be due within fifteen days of the invoicing of such billing and payment processing fee by Grantor.

D. Billing for Commercial and Special Service

1. **Billing**. The Grantee will be solely responsible for billing Commercial Customers and collecting all rates, fees, and other charges from its Customers for the Commercial Collection Services the Grantee provides under this agreement. The Grantee also will be responsible for the payment of all Tipping Fees associated with the disposal of the Solid Waste and other material collected by the Grantee when providing its Commercial Collection Services. The Grantee may bill its Commercial Customers in advance for the Commercial Collection Services the Grantee will provide during the next Operating Month.

2. **Rates – General**. The Rates in Exhibit Section 30 are the maximum amounts to be charged for the Collection Services provided by the Grantee pursuant to this Agreement. The Rates must be applied uniformly to all Customers receiving Collection Services from the Grantee within the City after the Commencement Date. The Grantee must utilize the Rates in Exhibit Section 30 and no others, when billing its Customers or the City. These rates are subject to an annual adjustment as set forth in this Agreement in Section 9. An account will be delinquent once a service unit fails to pay the billed amount for Collection Services within a period of one (1) month. The Grantee may stop service for a delinquent account and may charge a re-start fee of one hundred twenty-five dollars ($125.00) to resume service. The Grantor will not be held liable for Grantee's failure to bill or collect for Commercial Collection Service. The Grantee will always be liable to the Grantor for any Franchise Fee or Administrative Fee that should be collected and remitted to the City monthly. Extra pickups will be charged at $16.00/yard with a $135.00 minimum charge. Customer invoice will also have a line-item billing charge of $8.50. Customer invoice will also contain a line-item for the Franchise Fee

that will be remitted to the City. Please refer to the below section E. C.L.E.A.N. Program for additional charges that may be applied to commercial customers.

3. **Payments for Special Collection Services.** The Rates for Special Collection Service will be paid in addition to the Rates for the routine Collection Service received by the Customer. The Grantee is solely responsible for billing its Customers and collecting the applicable Rates for any Special Collection Services the Grantee provides pursuant to this Agreement. In cases where there are no established Rates in this Agreement for the requested Special Collection Service, the Grantee and the Customer will negotiate a mutually acceptable Rate for the Grantees services. The Grantee will not be entitled to any compensation for a Special Collection Service unless the Customer agreed to pay the applicable Rate before the Grantee provided its service.

4. **Payments for Shared Mechanical Containers.** The Grantee may prorate its charges to accommodate Customers that share a Mechanical Container; however, the charges collectively will not be more than the amounts set forth in the approved Rates, unless the City Contract Administrator approves the Grantee's charges in advance, based on special circumstances. Similarly, the City Contract Administrator may require a shopping center to receive and pay for Collection Service that is greater than the sum of the needs of the individual shops sharing a Mechanical Container, if the public also is using the Mechanical Containers in the shopping center.

5. **C.L.E.A.N. Program.** C.L.E.A.N. Program is a proactive program that takes action against overflowing containers in the commercial areas of the city to promote health, safety, and cleanliness in the city. The program is a proven approach to keeping communities clean, reducing litter, and illegal dumping with the goal of having all customers on the correct level of service. The program will have a zero cost to the City with the following provisions:
    a) Thirty (30) days prior to the commencement of the CLEAN program in the City, Grantee will notify each of its Customers that receive or will receive their garbage service by Commercial Container of the implementation of the CLEAN program. For purposes of this section, all notices shall be provided to the address of record provided to the Grantee.
    b) Overfilling Commercial Containers present safety and health risks to the residents and businesses of the city. In the event Grantee determines a Customer's Container is overfilled with waste during a collection event, Grantee will take a digital photograph of the overfilled container in such a manner to present evidence of such Overfilling. For purposes of this section, overfilling is defined as a container overloaded such that the lid does not close securely and is displaced by at least ten (10) inches.
    c) Grantee will provide to the Customer, notice of such Overfilling on the Customers next invoice for each event of Overfilling. Grantee may charge the customer the amount of two hundred dollars ($200) per event; however, overfilling charges may not exceed eight hundred dollars ($800) per month, per Customer. Grantee will take reasonable steps to seek to increase the Customer's level of service by providing a larger container for the Customer and/or by increasing the frequency of service. If the Customer refuses the attempt to correct the Overflowing issue, Grantee will forward information to City

code enforcement. Upon collection of the Overfilling charge from a customer, Grantee will remit twenty dollars ($20) to the City as the Franchise Fee.

SECTION 31. COMPLAINTS & CHARGES FOR FAILURE OF PERFORMANCE.

A. Grantee will have one business day (see also Section 8 above) to collect any Residential Solid Waste that was not collected at the regularly scheduled pick up time and have seven days to correct, or to notify the City in writing, subject to City approval, how the Grantee intends to correct other identified complaints. Grantee will supply Grantor weekly with copies of all complaints on a form approved by the Grantor and indicate the disposition of each. Each month such record must be available for inspection by Grantor during the business hours specified herein. The complaint record/form will indicate the day and hour on which the complaint was received and the day and hour on which the complaint was resolved. When a complaint is received on the day preceding a holiday or on a Sunday, it must be remedied the next working day. The Grantee must establish procedures acceptable to the Grantor to ensure that all customers are notified of the complaint procedure. To prevent misunderstanding and any litigation, the Grantor, will decide all questions which may arise concerning the quality and acceptability of the work and services performed, the sufficiency of performance, and the acceptable fulfillment of the contract on the part of the Grantee; and the Grantor will determine whether or not the amount, quantity, character and quality of the work performed is satisfactory, which determination will be final, conclusive and binding upon both the Grantor and the Grantee so long as such determination is not unreasonable or arbitrary. The Grantor must make such explanation as may be necessary to complete, explain or make definite the provisions of this Franchise; and its findings and conclusions will be final and binding upon both parties, provided such determinations are not unreasonable or arbitrary.

B. Upon the recommendation of the City Manager or his designee, and reasonable notice to Grantee (within thirty (30) days of the event giving rise to the administrative charge), administrative charges may be assessed against the Grantee should it be determined that:

1. Total residential complaints during any calendar month involve more than 4% of the total residential customers within the service area:
2. Total residential complaints during the Grantor's fiscal year exceed more than 5% to the total residential customers with the service area;
3. Total commercial complaints during any calendar month involve more than 3% of the total commercial customers with the service area;
4. Total commercial complaints during the Grantor's fiscal year exceed more than 6% to the total commercial customers within the service area; or
5. Where the lack of performance by Grantee is continuous and determined by the City Manager to constitute a threat to the health, safety or welfare of residents and commercial establishments. "Welfare" as used in this subsection includes the direct and indirect economic effects of Grantee's failure to perform.

C. Administrative charges will be assessed only for verified complaints which indicate that the Grantee has failed to meet the minimum standards stated herein. Grantee is required to keep accurate records of complaints received, and must forward all complaints to the City Manager, or the

City Manager's designated representative. The City Manager may verify complaints through whatever means he deems to be appropriate, including field review or contact with the individuals filing the complaints. Complaints verified by the City Manager will be assessed administrative charges in accord with the following schedule:

SCHEDULE OF ADMINISTRATIVE CHARGES

1. Failure to clean up spilled refuse per incident	$50 per incident
2. Failure to collect solid waste per location or special collection solid waste at any premises at or within the service area	$50 per incident
3. Failure to complete each route on the regular scheduled pickup date	$1,000 per route not completed
4. Failure to keep equipment in clean, safe and sanitary manner	$100 per vehicle per day
5. Failure to have vehicle operator properly licensed	$100 per day per incident
6. Failure to maintain office hours as set forth in Section 22	$100 per incident
7. Failure to replace or repair any damage caused by Grantee or his personnel	$25 per incident

D. Within five business days of the date of the City Manager's action imposing such administrative charge, Grantee must be notified in writing by certified United States Mail, return receipt, of the assessment of administrative charges and the basis for such assessment. Grantee may contest such assessments by filing a written protest stating the reasons for disagreement within five business days of the receipt of the notice of an assessment. The protest will be acted upon by the City Commission at a regularly scheduled meeting.

SECTION 32. MISCELLANEOUS.

A. Notices. All notices required herein will be sent via certified mail, return receipt requested to the addresses contained herein.

Attn: Larry Becker
Waste Management Inc. of Florida
450496 State Road 200
Callahan, FL 32011

SECTION 33. PUBLIC RECORDS LAW AND OBLIGATIONS.

Pursuant to Section 119.0701, Florida Statutes, Grantee must: (a) keep and maintain all public records as that term is defined in Chapter 119, Florida Statutes ("Public Records"), that ordinarily and necessarily would be required by the City in order to perform the work contemplated by this Agreement; (b) provide the public with access to Public Records, on the same terms and conditions that the City would provide the records and at a cost that does not exceed the costs provided in Chapter 119, Florida Statutes, or as otherwise provided by law; (c) ensure that Public Records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; (d) meet all requirements for retaining Public Records and transfer, at no cost to the City, all public records in possession of Contractor within thirty (30) days after termination of this Agreement, however terminated, and destroy any duplicate Public Records that are exempt or confidential and exempt from public records disclosure requirements and provide the City with a letter confirming that this has been done within thirty (30) days of the termination of this Agreement. All Public Records stored electronically must be provided to the City in a format that is compatible with the information technology of the City. If Contractor does not comply with a public records request, the City may pursue any and all remedies available in law or equity, including but not limited to specific performance.

SECTION 34. REPEAL OF SECTIONS IN CONFLICT.

All ordinances or parts of ordinances and all resolutions in conflict herewith be and the same are hereby repealed.

SECTION 35. SEVERABILITY.

If any section, part of a section, paragraph, clause phrase or word of this agreement is declared invalid, the remaining provisions of this Franchise will not be affected.

SECTION 36. EFFECTIVE DATE.

This ordinance will take effect immediately upon its final adoption by the City Commission of the City of Fernandina Beach, Florida, and the signature of the Mayor, and upon filing of Grantee's written acceptance with the City Clerk.

Hi Cathy:

We were reviewing the Waste Management contract on the 4-18-2023 agenda. It cites an Exhibit A and Exhibit B.

Would you please send those to me. I'm out of the office this afternoon but will add them when I return on Monday ,ok?

ORDINANCE 2018-10

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, REPEALING ORDINANCE 2012-12 EFFECTIVE JANUARY 14, 2019; PROVIDING A NEW EXCLUSIVE 5-YEAR FRANCHISE TO ADVANCED DISPOSAL SERVICES STATELINE, LLC, ("ADVANCED DISPOSAL") A DELAWARE LIMITED LIABILITY COMPANY EFFECTIVE JANUARY 15, 2019FOR THE COLLECTION AND DISPOSAL OF ALL RESIDENTIAL AND COMMERCIAL TRASH, GARBAGE, AND OTHER REFUSE, AND PROVIDING FOR THE COLLECTION OF RESIDENTIAL RECYCLABLE MATERIALS AND YARD WASTE WITHIN THE CITY LIMITS; FURTHER PROVIDING FOR DEFINITIONS; GRANT OF FRANCHISE; LIMITS OF FRANCHISE; TERM OF FRANCHISE; FRANCHISE CONSIDERATION; ASSIGNMENT; BANKRUPTCY OR INSOLVENCY; DEFAULT; RATE CHANGES; RIGHTS OF FIRST REFUSAL; PUBLIC NOTICES; RESTORATION; COMPLIANCE WITH LAWS; LIABILITY INSURANCE, HOLD HARMLESS, WORKERS COMPENSATION; PERFORMANCE BOND; RIGHT TO REQUIRE PERFORMANCE; DISPUTE RESOLUTION; OPERATIONS DURING DISPUTE; STANDARD OF PERFORMANCE; CURBSIDE RECYCLABLE MATERIALS COLLECTION AND DISPOSAL; RECYCLING PROGRAM; COLLECTION SERVICES AND OPERATIONS; OFFICE HOURS; COLLECTION EQUIPMENT; DISPOSAL; ROUTES AND SCHEDULES; GRANTEE PERSONNEL; SPILLAGE AND LITTER; STORMS AND OTHER EMERGENCIES; NONDISCRIMINATION PROVISION; RATES AND CHARGES; BILLING FOR SERVICES; ACCOUNTING, RIGHT TO AUDIT; COMPLAINTS; CHARGES FOR FAILURE OF PERFORMANCE; MISCELLANEOUS SECTION; REPEAL OF SECTIONS IN CONFLICT; SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Fernandina Beach finds it in the public interest to ensure that all areas within its limits are adequately provided with high quality solid waste collection and disposal services; and

WHEREAS, the City of Fernandina Beach finds it in the public interest to retain regulatory authority over refuse collection and disposal to the extent allowed by law, because of the overriding public health, safety and welfare considerations associated with the provisions of this service; and

WHEREAS, the City of Fernandina Beach finds it in the public interest to retain control over the use of public rights-of-way by refuse collection to assure against interference with the

public convenience, to promote aesthetic considerations, and to protect the public investments in right-of-way property; and

WHEREAS, the City of Fernandina Beach finds it in the public interest to utilize quality refuse collectors and that this can be accomplished by protecting capital investments of refuse collectors; and

WHEREAS, the City of Fernandina Beach finds that the granting of an exclusive franchise is the best means of assuring that the above described interests of the City of Fernandina Beach are promoted; and

WHEREAS, the City solicited proposals for collection and disposal of garbage, recyclables, and yard debris through RFP 17-06, and the evaluation committee recommended Advanced Disposal; and

WHEREAS, the City Commission authorized negotiations with Advanced Disposal for a franchise agreement via Resolution 2018-06; and

WHEREAS, the current contract expires June 30, 2018, and it is in the best interests of the City and Advanced Disposal to extend the current franchise to January 14, 2019, to allow Advanced Disposal to procure the additional equipment to meet the requirements of the new contract and franchise; and

WHEREAS, the City of Fernandina Beach finds it is in the best interests of the City to repeal Ordinance 2012-12 as of January 14, 2019, and to grant a new solid waste franchise for 5 years beginning January 15, 2019; and

WHEREAS, this Ordinance is adopted pursuant to the authority of Section 166.021, and Chapter 403, Part IV, Florida Statutes.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, THAT:

SECTION 1. DEFINITIONS.

"Anniversary Date" shall mean the date that is one year after the Effective Date of this Franchise Ordinance.

"Authorized Hours for Collection" shall mean the hours that the Grantee is authorized to collect all types of solid waste and recyclables at customer locations within the City's city limits. The authorized hours for collection are between the hours of 6:00 am and 8:00 pm for residential collection inclusive, unless otherwise authorized by the City for a specific duration. The authorized hours for collection for commercial collection is 3:00 am and 8:00 pm inclusive, unless otherwise authorized by the City for a specific duration. Special consideration will be given for certain commercial establishments that neighbor residential properties.

"Bulky Waste" shall mean large discarded items generated from residences and commercial businesses within the City, such as pallets, furniture, refrigerators, stoves, e-waste, and other household type appliances, abandoned and improperly placed dumps of the same. The Grantee shall have the right to charge for extra bulky waste pickup (items greater than 3 cubic yards)

"Cart" shall mean: (i) a ninety-five gallon container on wheels with attached lids, serviced by rear load collection vehicles with a hydraulic tipper that mechanically assists the helper to empty the container, provided by the Grantee for garbage/trash collection or service at residential and small commercial account locations; (ii) a 65-gallon container on wheels with attached lids serviced by collection vehicles with a hydraulic operated side-arm (or tipper) that mechanically collects and empties the container, provided by the Grantee for recyclables collection or service at residential and small commercial account locations; (iii) all carts shall have imprinted on each on each of the main body a City logo with City name, as approved by the City, and a serial number imprinted on another side of the main body; (iv) cart type/specifications shall be state of the art in the industry in durability and wall thickness, practicality, customer safety and ease of use, wash-ability, mobility, stability to wind load, resistant to opening and toppling by animals, resistant to rain leakage when closed, having lid handles; (v) selection of cart manufacturer and type/specifications and markings are subject to City approval prior to purchase by the Grantee; (vi) the cost of purchasing providing, maintaining, and replacing of all carts to customer account locations shall be the responsibility of the Grantee at no additional cost to the City and shall be a part of the collection and disposal costs in the Grantee unit price rates; (vii) all carts with the City logo(s) with City name shall automatically become the property of the City, at no additional cost to the City, on termination of the franchise contract and the Grantee inventory shall be transported to the City location identified by the City at no additional cost to the City; (viii) Grantee shall collect garbage/trash and recycling materials from carts using collection vehicles having hydraulic side-arm (or tipper) that mechanically collects and empties carts.

"Change in Law" means (i) the adoption, ~~promulgation,~~ or modification after the date of this Franchise of any substantially increased federal, state or local fees or taxes, law, regulation, order, statute, ordinance or rule that was not adopted, promulgated or modified on or before the date of this Franchise, or (ii) the imposition of any material conditions in connection with the issuance, renewal, or modification of any permit, license, or approval after the date of this Franchise, which in the case of either (i) or (ii) establishes requirements affecting the Grantee's operation under this Franchise in a substantial manner so as to make the performance of the requirements of this Franchise more burdensome than before the change of said law. Any change in ~~federal, State, county or other~~ tax law or workers compensation law shall not be considered a change in law pursuant to this definition. ~~However, in the event that a federal, state or local entity imposes a substantial fee, charge or tax after the date of this Franchise that applies to Grantee's operations, such fee, charge or tax may be treated as a Change in Law.~~

"CITY" shall mean the City of Fernandina Beach, Nassau County, Florida, a municipal corporation and its government and the City Manager, and/or his authorized or designated representative(s); and may also be referred to as GRANTOR or FRANCHISOR.

"Commercial" or "Commercial Establishment" shall mean any public or private place, building and/or enterprise devoted in whole or in part to a business enterprise whether nonprofit or profit making in nature, except where such place, building and/or enterprise constitutes a single-family residence or multifamily dwelling. Commercial establishments utilize Commercial container units such Grantee provided dumpsters or customer provided Containers that are mechanically emptied by other than cart collection vehicles. These consist of, but are not limited

to, office buildings, stores, hotels and motels, restaurants, schools, churches, clubs, medical clinics and hospitals, assisted living facilities, and other service establishments.

"Commercial Collection and Disposal Services" shall mean garbage and trash collection and disposal service for Commercial establishments utilizing containers other than those described as carts for collection of garbage/trash. These containers, such as dumpsters, roll-offs, compactors, etc., are mechanically emptied by other than cart collection vehicles. The Grantee shall provide the following collection and disposal services to each customer location – garbage/trash, recycling (at customer option), bulky waste and yard waste. Commercial establishments in this service category shall use, but are not limited to, any of the following for the accumulation of garbage/trash: (i) refuse containers as defined in this contract and as modified in the future; (ii) containers emptied by mechanical means; (iii) dumpster containers, provided by the Grantee, at the Grantee's expense (and at no additional cost to the City or account holder) in two, four, six, eight cubic yard capacities, to include ancillary items, such as rollers and dumpster security devices (not enclosures or shoots) Provision, collection, disposal, and servicing are provided in the price per pull; (iv) roll—off containers, provided by the Grantee, at the Grantee's expense (and at no additional cost to the City or account holder), to include ancillary items, such as rollers and security devices on roll-offs (not enclosures or shoots), as approved by the City, when permanent-use roll-off service is approved by the City, subject to transition from existing customer contracts for existing service. Provision, collection, disposal, and servicing are proved in the price per pull; (v) Commercial cardboard containers for business provided by the Grantee, at the Grantee's expense (and at no additional cost to the City or account holder) and placed in various locations around the City. Currently, there are twenty-six yard cardboard recycle dumpsters throughout the City; (vi) Grantee provided containers and collection for temporary-use dumpster and/or roll-off service. This will be an optional service for customers provided at the same price as the permanent-use roll-off service. Provision, collection, disposal, and servicing are provided in the price per pull; (vii) Locations, quantities and frequency of pickups, and quantities and sizes of dumpsters and specialty items such as gravity locks and rollers may change from time-to-time at the sole discretion/direction of the City; (viii) Grantee provided solid waste collection and disposal service for customer provided compactors and dumpsters, subject to transition from existing customer contracts for existing service. Collection and disposal are provided in the unit price per pull; (ix)Work shall be done in a sanitary manner. The Grantee's employees shall immediately pick up any garbage or trash spilled or on the ground in the area.

"Commercial Trash" shall mean any and all accumulations of such combustibles as paper, rags, wood, yard trimmings, wooden or paper or cardboard boxes; non-combustibles such as metal, glass, stone and dirt; and any other accumulations not included within the definition of garbage, generated by the operation of stores, offices and other business places. Commercial Trash shall include all trash placed in public receptacles, on public streets, in parks and playground, and in other public places. Commercial trash includes bulky items or piles greater than 3 cubic yards.

"Company" shall refer to Advanced Disposal Services Stateline, LLC, ("Advanced Disposal") and may also be referred to as the GRANTEE or FRANCHISEE.

"Construction and Demolition Debris" shall mean discarded materials generally considered not to be water-soluble and non-hazardous in nature, including, but not limited to, steel, glass, brick, concrete, asphalt roofing material, pipe, gypsum wallboard, and lumber, from the construction or destruction of a structure as part of a construction or demolition project or from the renovation of a structure, and including rocks, soils, tree remains, trees, and other vegetative matter that normally results from land clearing or land development operations for a construction project, including such debris from construction of structures at a site remote from the construction or demolition project site. Mixing of construction and demolition debris with other types of solid waste will cause it to be classified as other than construction and demolition debris. Collection of construction and demolition debris is to be accomplished via the open market and is outside this solicitation.

"Commission" shall mean the City Commission of the City of Fernandina Beach, Florida.

"Curbside Collection Point" shall be that area on or adjacent to the driveway within five feet of, and in no case more than ten feet from, the street, roadway, or alley, behind the curb or edge of pavement and not by the driving surface of the street or roadway or in the drainage gutter or drainage swale or ditch, not on landscaping of any sort other than grass, and as may be specifically requested by the customer, subject to City review. For disabled and/or elderly customers properly acknowledged, this shall mean the side door or other designated collection point. The Grantee is responsible to appropriately identify, subject to City review, the side door pickup customer premises, making the side yard pickup locations easily identifiable from the driving pavement by the collection route drivers. The Grantee shall provide side door pickup at no additional cost to the City. This is also referred to as roll-out, roll-back service.

"Designated Recovery Facility" shall mean the recycling/processing center(s) specifically agreed upon by the Grantee and the City for the recovery of recyclable materials.

"Disaster debris" shall mean any rubbish or remnants, both combustible and noncombustible, resulting from storms or any emergency condition, requiring special handling and/or equipment for bulk removal of both natural and man-made material.

"Franchise" shall mean this Franchise Agreement "Effective Date" shall mean January 15, 2019.

"Excluded Waste" shall mean any and all debris and waste products generated by land clearing, demolition, building construction or alteration and hauled away by the respective contractor (except do-it-yourself projects) as approved by City representatives; public works type construction projects whether performed by a governmental unit or by contract; contractor generated large amounts of vegetation debris which is more than the customer could reasonably do independently; materials deemed by the City to be hazardous waste and items not allowed at the County landfill or other approved landfill. Yard waste produced by and hauled away by landscape maintenance contractors is also considered excluded waste.

"Franchise Fee" shall mean the fees set forth in Section 5 of the Franchise.

"Garbage" shall mean every accumulation of waste (animal, vegetable and/or other matter) that results from the preparation, processing, consumption, dealing in, handling, packing, canning, storage, transportation, decay or decomposition of meats, fish, fowl, birds, fruits, grains

or other animal or vegetable matter (including, but not by way of limitation, used tin cans and other food containers); and all putrescible or easily decomposable animal or vegetable waste matter that is likely to attract flies or rodents.

"Grantee" shall mean Advanced Disposal Services Stateline, LLC, ("Advanced Disposal") or "Franchisee" who is granted this exclusive Franchise and hereby undertakes to perform each and every obligation assigned herein and hereby agreed to.

"Grantor" shall mean the City of Fernandina Beach, Florida or "Franchisor".

"Gross Revenue" shall mean and include any and all fees received by Grantee for service and disposal which were generated within the service area pursuant to this Franchise with the exception of those fees associated with storms and other emergencies as defined in Section 28.

"Hazardous Waste" shall mean waste, in any amount, which is deemed, characterized or designated as hazardous by the United States Environmental Protection Agency or appropriate state agency by or pursuant to federal or state law, or waste, in any amount, which is regulated under federal or state law. For purposes of this Franchise, the term Hazardous Waste shall also include motor oil, gasoline, paint and paint cans, and any items containing chlorofluorocarbons or Freon.

"Household Trash" shall mean any and all accumulations of waste material from the operation of a home, which is not included within the definition of garbage. Household Trash shall include all bulky wastes, yard toys, and building material waste from residential type do-it-yourself projects (less than three cubic yards) as approved by City representatives but does not include vegetative matter; and abandoned and improperly placed dumps of the same. Multifamily Dwelling shall mean any building(s) containing more than two permanent living units such as but not limited to condominiums, townhouse complexes and apartment buildings, which utilize Multifamily Dwelling Container Units such as Grantee -provided dumpsters or garbage carts. Within the duration of this contract the City may modify this definition enabling a change of service type to better service the customer and the aesthetic quality of the property. The type, size and number of containers will be determined by the City Manager and/or his designated representative.

"Net Revenue" means gross revenue less expenses directly and proximately related to the operation of the Franchise.

"Occupant" or "Resident" includes individuals, children, firms, associations, joint ventures, partnerships, estates, trusts, syndicates, fiduciaries, corporations, and all other, groups or combinations permitted under Florida law.

"Plastic liner" shall mean a plastic bag no larger than a thirty-five gallon garbage can of sufficient strength to hold contents securely tied at top and not to exceed fifty pounds when full. Receptacle is a general term meaning the container provided to or by the customer that is used by the customer for depositing garbage/trash or recycling and that is emptied by the Grantee such as a cart, dumpster, compactor, roll-off, etc.

"Recycling Carts" shall mean the carts purchased and distributed by the Grantee on behalf of the City for the intended use as a receptacle for recyclable materials for Residential and

Multifamily Dwelling customers. Commercial customers may also use Recycling Carts as receptacles for recyclable materials at the customer option. The purchase, provision, maintenance, and replacement of these carts shall be the responsibility of the Grantee at no additional cost to the City.

"Recycling Collection Service" refers to the collection, transportation, and recovery of recyclable materials by the Grantee from participating residential cart pickup accounts, small commercial cart pickup accounts (optional participation), unique commercial cart pickup accounts (optional participation) and Multifamily Dwelling collection accounts, and Commercial collection accounts (optional participation) in the recycling service area.

"Recyclable Materials" shall mean newspaper, paper, aluminum and metal beverage and food cans, all colors of glass bottles/jars, and plastic bottles/containers, which previously held non-automotive, non-toxic liquid, and such other materials, as mutually agreed by the Grantee and the City, that are recyclable, source separated and co-mingled for single stream recycling collection. Please refer to Section 20: Recycling Program for a more detailed list of Acceptable and Non-Acceptable recycling items.

"Recycling Service Area" refers to the corporate limits of the City of Fernandina Beach, Florida as hereafter amended through annexation.

"Residential Collection & Disposal Service", also known as Residential Cart Pickup Service, shall mean garbage and household trash collection and disposal service to one single family dwelling, or one living unit in a duplex or other multifamily dwelling utilizing cart pickup garbage/trash collection service. The Grantee shall provide the following collection and disposal services to each customer location - garbage/trash, recycling, bulky waste and yard waste. Grantee shall service the garbage/trash cart(s) with rear load vehicles with hydraulic tippers to assist the helper to empty the carts whereas recycling carts with will be collected by vehicles with hydraulic side-arm (or tipper) that mechanically empties carts.

"Roll-out, Roll-back" service means the Grantee provides, at no additional cost to the City, roll-out, roll-back service for elderly or disabled residents. This service will be provided to elderly residents or those with short-term or long-term disabilities who are unable to bring their solid waste and recyclables to the curbside collection points. Residents who may have such difficulty putting out their refuse or recyclables may request for roll-out, roll-back service by providing to the Utility Billing Department a physician's note, detailing the duration of the disability. Upon the City's approval, the resident is notified with the confirmed period of roll-out, roll-back service. The Grantee shall collect, within the City approved time period, the elderly/disability resident's refuse and recyclables from their side door or designated locations on the property. The roll-out, roll-back service is available to all other City residents for an additional charge.

"Solid Waste or Refuse" shall include and mean all garbage, dead animals, vegetative garden and yard waste, bulky waste, household trash, construction and demolition debris, commercial trash, abandoned and improperly placed dumps of the same, sludge unregulated under the federal Clean Water Act or Clean Air Act, sludge from the waste treatment works,

water supply treatment plant, or air pollution control facility, or garbage, rubbish, refuse, special waste, or other discarded material, including solid liquid, semisolid, or contained gaseous material resulting from domestic, industrial, commercial, mining, agricultural, or governmental operations. Recovered materials as defined in s. 403.703(7), Florida Statutes, are not solid waste.

"Special material" shall mean bulky materials or other special wastes that are not stored in standard storage containers and cannot be picked up by a normally used collection vehicle. With the exception of major appliances, all wastes such as furniture, "do it yourself" building materials, tree limbs, non-containerized trash piles and any unusually large amount of refuse not suitable for containerization will be picked up at the curb as a special service of the Grantee at no additional charge. This service will be limited to materials that can safely be collected by the use of a mechanical "clamshell" hoist collection vehicle. Discarded major appliances will be collected by Grantee at a charge specified in Section 30. All fees received by the Grantee for the collection of special materials are subject to the City's Franchise Fee.

"Surety" shall mean the party who is bound with and for the Grantee to insure the payment of all lawful debts pertaining to and for acceptable contract performance.

"Yard Waste" shall mean every accumulation of vegetative garden and yard trash which is the accumulation of leaves, grass cuttings, shrubbery cuttings, limbs, trunks, palm fronds or other refuse from the care of lawns, gardens, shrubbery, vines and trees, and improper/ abandoned dumps of the same, including (i) loose piles of garden and yard trash which shall be collected with pitch forks, brooms and other tools as needed. If the grass clippings, leaves and pine needles are not containerized, the City may require the Grantee to pick this up and leave a door hanger or flier for residents on the proper procedures for the containment of yard waste; (ii)but not including dirt, soil or sod removed in the renovation or rebuilding of lawns and turfs, not including tree limbs, shrubbery cuttings and the like which exceed six inches in diameter and/or six feet in length and not including contractor-generated accumulations of the same [except where amounts are generally no larger than what the resident(s) could have reasonably generated on their own; City retains sole discretion on this determination. Approximately three cubic yards per residence; (iii) a special pickup may be requested by the customer, and a reasonable service charge may be levied by the Grantee, subject to notification and agreement, of the customer and the City; (iv) landscape maintenance contractors and tree removal contractors are to transport and dispose of generated yard waste from customer locations, and such is considered excluded waste unless the City determines on a case-by-case basis that such shall be collected by the Grantee.

SECTION 2. GRANT OF FRANCHISE.

A. Grantee is hereby granted an exclusive, mandatory residential and commercial Franchise, including every right and privilege appertaining thereto, to operate and maintain a residential recycling and residential and commercial trash, garbage and refuse collection and removal service in, upon, over and across the present and future streets, alleys, bridges, easements and other public places within the limits of this Franchise for the purpose of collecting and disposing of residential recyclables, residential and commercial trash, garbage and other

refuse generated by the citizens, residents and inhabitants of the City of Fernandina Beach, Florida. Grantee is also hereby granted title to all such residential recyclables, residential and commercial trash, garbage and refuse generated within said boundaries, to the extent that the Grantor can establish its legal right to make such grant of title.

B. Grantee understands and agrees that Grantor has the right to use the services of another vendor/contractor for select recycling services such as recycling events and the operation of the City's Recycling Center without breaching the exclusivity granted in Section 2(A) above.

C. Request for Proposals #17-06, including all addendums thereto of the City of Fernandina Beach is herein incorporated by reference, as is the response to the Request for Proposals #17-06 Qualifications and the rate proposal submitted by the Grantee.

SECTION 3. LIMITS OF FRANCHISE.

This Franchise covers the corporate limits of the City of Fernandina Beach, Florida. Grantee agrees that the limits of the Franchise are subject to expansion or reduction by annexation and contraction of municipal boundaries and that Grantee has no vested right in a specific area.

SECTION 4. TERM.

A. This Franchise shall extend the existing Franchise for a period of five years through January 15, 2024, unless sooner terminated by reason of breach of the terms hereof by the Grantee which result in the failure of the Grantee to provide effective and efficient service.

B. This Franchise may be renewed for additional term(s) of no more than five years, or portion of a term, on the same terms and conditions, upon the mutual written agreement of both the Grantor and Grantee. If either party is willing to renew, said party shall give written notice to the other of its willingness to renew said agreement. Such notice shall be given no sooner than nine months and no later than six months before January 15, 2024. Said notice may also be delivered by hand within the above time frame, and if so delivered, a receipt thereof signed by an authorized agent of the Grantor or of the Grantee as applicable, shall be evidence of delivery. Either party shall have thirty days to respond to the request of the other party, indicating their agreement or disagreement with the proposed renewal.

SECTION 5. FRANCHISE CONSIDERATION.

A. The consideration for this Franchise shall be as follows:

1. Garbage, Recycling, Yard Debris
    a. Residential Service: 10% of the rate established in Section 30
    b. Commercial Service: 10% of the rate established in Section 30
    c. Special/Roll off Services: 10% of the rate established in Section 30
2. Recycling: Additionally, the Grantee may appeal for a rate increase on an annual basis if the cost of recycling processing continues to increase. The shared rebate of 50% of Net Revenues received for the sale of Recyclable Materials, as set forth in Section 20 (C) of this Franchise would only occur if such revenues exceed the recycling processing costs.

B. At the present time, this Franchise does not include construction and demolition waste removal service, and no Franchise Fee will be due for those services. Grantee shall not be required to collect Hazardous Waste, dead animals, large branches, trees or bulky or non-combustible materials not susceptible to normal loading and collection in "load packer" type sanitation equipment used for regular collections from domestic households. Branches should be no larger than 4 inches in diameter, no longer than four feet, and not more than three cubic yards in total. This Contract does not include the collection and disposal of any increased volume resulting from a flood, hurricane, or similar or different acts of God over which the Company has no control.

1. It is the Grantor's intent to revise its existing Ordinance to provide for the availability of non-exclusive Franchises for construction and demolition waste removal services. At such time as the Grantor's ordinance is modified, the Grantee will be required to follow the ordinance, and pay the appropriate fees set forth therein.

C. The Franchise Fee will be assessed and collected by the Grantor, and will be added to the Rates as set forth herein.

SECTION 6. ASSIGNMENT.

A. The Franchise rights herein granted to the Grantee shall not be assigned by Grantee except with the express approval of the Grantor, which shall be reflected by a resolution of Grantor. In the event of such an assignment, Grantee shall cause its assigns to execute an Agreement of Acceptance, subject to the approval of the Grantor, evidencing that such assignee accepts the assignment subject to any and all terms, conditions and limitations imposed hereby and which acceptance shall include an affirmative statement evidencing such Grantee's intent to fulfill the obligations imposed by Grantee in contemplation hereof. Notwithstanding the Grantor's approval of such an assignment and assignee's acceptance, Grantee shall guarantee the performance of its assignee and such assignment shall always be with full recourse to Grantee.

B. A transfer of more than 51% of the issued outstanding stock of Grantee shall constitute an assignment for the purpose of this section. Likewise, any transfer of the voting rights amounting to 51% or more of the issued or outstanding stock of Grantee shall constitute an assignment for the purposes hereof.

SECTION 7. BANKRUPTCY OR INSOLVENCY.

If the Grantee files a petition for the appointment of a receiver or a petition of voluntary or involuntary bankruptcy, this Franchise is automatically terminated as of the date of the filing of such petitions.

SECTION 8. DEFAULT.

A. Material failure on the part of the Grantee to comply in any material respect with any of the provisions of this ordinance shall be grounds for a forfeiture of this Franchise, but no such forfeiture shall take effect until Grantor has served upon the Grantee written notice of default setting forth the nature and extent of said default. Following receipt of the notice of default, Grantee shall have one business day to collect any garbage or trash that was not collected at the

regularly scheduled pick up time and shall have ten days to correct, or to notify the City in writing, subject to City approval, how the Grantee intends to correct other identified defaults. If Grantee disagrees with the reasonableness or propriety of Grantor's notice of default, Grantee may protest such default by filing with the City Manager a written protest within three business days of receipt of Grantor's notice regarding a missed trash/garbage pickup and within ten days of receipt of Grantor's notice for other identified defaults.

B. If the Grantor and Grantee cannot agree as to the reasonableness or propriety of the Grantor's notice of default, then the issue shall be resolved by a court of appropriate jurisdiction located in Nassau County, Florida pursuant to Section 16 of this Ordinance.

SECTION 9. RATE CHANGES AND RIGHT OF FIRST REFUSAL.

A. The rates set forth in Section 30 may be adjusted annually beginning on the Anniversary Date of this Franchise to include the Consumer Price Index –Water, Sewer and Trash Collection Services. All Items (base year 1997=100%), as published by the United States Department of Labor – Bureau of Labor Statistics. Such CPI change will be computed each year after the completion of the month of April and any change will be implemented and effective with July billings each year. The Grantee agrees that the rate increase will be limited to a maximum of 4% per year.

1. In May of each year during the term of the Franchise, the Grantor shall notify the Grantee of the Consumer Price Index— Water, Sewer and Trash Collection Services by which the rates set forth herein may be adjusted. The rate increase will be effective starting will bills issued after June 30 of that year.

2. Grantor and Grantee agree that certain Changes in Law, as defined herein, may have such a substantial effect that a rate increase may be required. Grantee may petition the Grantor to adjust its fees based upon increases in the cost of doing business due to said Change in Law. The Grantee's request must be made within 120 days of the occurrence of such change or cost and shall contain reasonable proof and justification to support the need for the rate adjustment. The Grantor may request from the Grantee, and the Grantee shall provide, such further information within its possession as may be reasonably necessary in making its determination. The Grantor shall approve or deny the request, in whole or in part, within sixty days of receipt of the request and all additional information required by the Grantor. The Grantor shall make a reasonable and equitable determination based upon the documentation provided in reaching its decision provided however that Grantor shall not unreasonably withhold consent to any request for fee increase which is based on a legitimate and documented increase in cost.

B. In the event Grantee shall at any time during the term of this Franchise desire to sell the disposal service then existing and shall have received a bona fide offer from any other person, firm, corporation or from any other municipal corporation or county, authority or political subdivision of the State of Florida satisfactory to Grantee to purchase the same, the Grantee shall within ten days after receipt of such bona fide offer advise the Grantor in writing of the purchase price and other terms and conditions of such offer, and the Grantor for a term of thirty days after giving of such notice shall have the option to purchase the disposal service from

Grantee upon the terms and conditions as set forth in said offer. In the event the Grantor shall fail or refuse to exercise the right and option granted to it by this section within the time limit set forth above, Grantee shall have the right to sell the disposal service to the prospective purchaser thereof, subject to the terms of Section 6 of this Franchise.

C. The Grantor also reserves the right to purchase the disposal service at such time as the Grantee is found to be in material default or demonstrates prolonged substandard service. The Grantor also reserves the right to purchase the disposal service at the conclusion of any term of this Franchise. If the Grantor gives notice of its desire to purchase the disposal service, the purchase price shall be based upon an appraisal of all the assets to be sold. The appraiser performing the appraisal shall be mutually agreeable to both parties. The Grantor and Grantee may also agree in writing on another method for determining the purchase price.

SECTION 10. PUBLIC NOTICES AND EDUCATION SERVICES.

A. The Grantee shall partner with the City in developing and implementing public education and community outreach programs. The public education program shall emphasize recycling and waste reduction. The Grantee shall coordinate with the City in the messaging, publication, and dissemination of such information. The City shall retain final approval of all program materials. The Grantee shall have a Social Media Presence with a texting platform to provide news to customers in an expedient manner. The Grantee shall be responsible for all expenses associated with the notices and education services and Social Media required herein and provide the same at no additional cost to the City.

B. Notices:

1. Notice for Commencement of Services: At least a sixty calendar day notification before the coordinated Commencement (Residential, Multifamily Dwelling and Commercial Establishment) concerning the Grantee's Collection and Disposal Services. A 2nd Notice shall be provided to Residential and Commercial customers approximately two weeks before the Commencement/Transition Start Date. The second or third notice should include a refrigerator magnet with the weekly/two times per week pickup schedule for each customer. The notices are to be hand-delivered via door hangers and posted to Social Media. At a minimum, the notice to Residential and Small Commercial Customers shall:

a. Identify each of the Scheduled Collection Days for the Customer receiving the notice.
b. Summarize the applicable Set-Out requirements and include other educational and promotional information coordinated between the Grantee and the City. The notice also may provide any other relevant information concerning the Grantee's services.
c. The City shall retain final approval of all program materials prior to printing and/or distribution.

2. Notices for New Customers: The Grantee shall design and print upon the City's approval and mail or deliver appropriate informational materials for each New Customer. At a

minimum, the notice shall include the same information that is contained in the annual notice to customers. The Grantee will use the Social Media format to expedite this information.

3. Notices Concerning Changes in Collection Schedules: The Grantee shall deliver a notice to each Customer that will be affected by a change in the Scheduled Collection Days. Such Customers shall receive notice approximately two weeks prior to the change. The City's decision on schedules, or changes thereof, shall be final. This Grantee will use the Social Media format for delivering this information immediately to the customer.

5. Notices for Holidays: The Grantee shall provide notice to Customers that will be affected by a change in their Scheduled Collection Days because of a Holiday. The Grantee will use the Social Media format for delivering this information immediately to the customer.

SECTION 11. RESTORATION.

The Grantee agrees to repair all property, public or private, altered or damaged to the extent caused by it, its agents or employees' negligence or misconduct in the performance of its duties herein in as good or better condition as it was before being damaged or altered. The Grantor shall notify the Grantee at least monthly of damages caused by the performance of its operations on streets within the City limits.

SECTION 12. COMPLIANCE WITH LAWS.

Grantee shall conduct operations under this Franchise in compliance with all applicable laws. Grantee specifically agrees to be solely responsible for the enforcement, administration and compliance with all applicable provisions of Chapter 403, Part IV, Florida Statutes, and future amendments thereto.

SECTION 13. LIABILITY INSURANCE; HOLD HARMLESS; WORKERS COMPENSATION.

A. *INSURANCE.* Grantee shall carry commercial general liability insurance in the amount of ~~$1,000,000~~ $5,000,000 for each occurrence combined single limit and ~~$2,000,000~~ $10,000,000 general aggregate. Grantee will carry commercial automobile liability insurance coverage in the amount of $5,000,000, covering all of the trucks or other vehicles used for carrying out the work called for in this Franchise. Grantee will also carry commercial excess liability coverage in the amount of $5,000,000, combined single limit and $10,000,000 general aggregate. A certificate showing that the Grantee has in full force and effect the aforesaid insurance shall be filed with the Grantor upon execution of this Franchise, and yearly thereafter endeavoring to provide said certificate at least thirty days prior to the date of the expiration of said policies or insurance for each year of said Franchise. The aforesaid insurance shall be in such form and written by such companies whose A.M. Best rating is not less than A+ VII. All such policies shall require thirty days advance notice of the cancellation of the insurance except as otherwise dictated by State law. Said policies of insurance shall name Grantor as additional insured for operations arising out of this contract. The Grantee shall provide Grantor a separate written endorsement showing Grantor as additional insured for all lines of insurance required

hereunder (other than workers compensation insurance). The insurance certificate is attached hereto as Exhibit "A."

B. *WORKERS' COMPENSATION COVERAGE.* Grantee shall carry Workers Compensation insurance on all its employees and show proof of insurance to the Grantor, as requested. All such Workers Compensation policies shall provide for notice by the insurer to the Grantor at least thirty days prior to any termination or revocation thereof except as otherwise dictated by law.

C. *INDEMNIFICATION.* The parties recognize that Grantee is an independent contractor. Grantee agrees to indemnify, hold harmless, and defend the City, its commissioners, mayor, officers, and employees (the "City Parties") , from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, to the extent caused by any negligent act or omission in violation of this Agreement of Grantee, its officers, employees, agents, and representatives; provided however, Grantee shall have no obligation hereunder to indemnify, defend or hold harmless the City Parties for any such losses, damages, and claims of any kind arising out of, directly or indirectly, or in connection with the negligent and/or deliberate acts of omissions of the City Parties. Grantee's liability hereunder shall include all reasonable attorney's fees and costs incurred by the City in the enforcement of this indemnification provision in the event the City prevails in such enforcement action. In the event the City does not prevail in its enforcement of this indemnification provision, the City shall reimburse Grantee for all reasonable attorney's fees and costs incurred by Grantee to defend such enforcement action. The obligations contained in this provision shall survive for a period of three years after termination of this Agreement and shall not be limited by the amount of any insurance required to be obtained or maintained under this Agreement. Nothing contained in the foregoing indemnification shall be construed to be a waiver of any immunity or limitation of liability the City may have under the doctrine of sovereign immunity or Section 768.28, Florida Statutes.

The City agrees to indemnify, hold harmless, and defend the Grantee, its officers, directors, employees and affiliates (the "Advanced Parties") from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, arising directly or indirectly out of or in connection with any negligent and/or deliberate act or omission of the City, its commissioners, mayor, officers, employees, agents, and representatives; provided however, the City shall have no obligation hereunder to indemnify, defend or hold harmless the Advanced Parties for any such losses, damages, and claims of any kind arising out of, directly or indirectly, or in connection with the negligent and/or deliberate acts of omissions of the Advanced Parties. The City's liability hereunder shall include all reasonable attorney's fees and costs incurred by Grantee in the enforcement of this indemnification provision in the event the Grantee prevails in such enforcement action. In the event Grantee does not prevail in its enforcement of this indemnification provision, Grantee shall reimburse the City for all reasonable attorney's fees and costs incurred by the City to defend such enforcement action. The obligations contained in this provision shall survive for a period of three years after termination of this Agreement and shall

not be limited by the amount of any insurance required to be obtained or maintained under this Agreement or other contract or written instrument between the parties.

SECTION 14. PERFORMANCE BOND.

Grantee shall furnish to the Grantor a performance bond, on a form approved by the Grantor, for the full performance of this Franchise and all of the obligations arising hereunder in the amount of $500,000. Said bond shall be executed by a surety company approved by Grantor and licensed to do business in Florida. The Performance Bond is attached hereto as Exhibit "B."

SECTION 15. RIGHT TO REQUIRE PERFORMANCE.

The failure of the Grantor at any time to require performance by the Grantee of any provision of this Franchise shall not affect the right of the Grantor to enforce same; nor shall waiver by the Grantor of any breach of any provision in this Franchise be taken or held to be a waiver of any succeeding breach of such provision or as a waiver of any provision itself. The Grantor, in accord with the provisions of Section 8, shall have the right to terminate this Franchise if Grantee fails to timely correct violations of this agreement as provided in Section 8.

SECTION 16. DISPUTE RESOLUTION.

This Franchise shall be governed by the laws of the State of Florida, and if any controversy shall arise between the parties either party may pursue all available legal remedies in the appropriate Nassau County, Florida court.

SECTION 17. OPERATIONS DURING DISPUTE.

A. In the event that a dispute arises between the Grantor and the Grantee, or any other interested party in any way relating to the terms and conditions, performance or compensation requested under this Franchise, the Grantee shall continue to render service in full compliance with all terms and conditions of this Franchise regardless of the nature of the dispute and Grantor shall continue to pay Grantee for its services.

B. Grantee expressly recognizes the paramount right and duty of Grantor to provide adequate waste collection and disposal service as necessary governmental functions, and further agrees, in consideration for the execution of this Franchise, that in the event of a dispute, said Grantee will neither stop service nor seek injunctive relief in any court, but will either negotiate for an adjustment in the matter in dispute or present the matter to a court of competent jurisdiction located in Nassau County, Florida in an appropriate suit instituted by Grantee.

C. If the term of this Franchise is not renewed, Grantee shall continue to provide service for ninety days following expiration or until a substitute Grantee is in place, whichever comes first.

SECTION 18. STANDARD OF PERFORMANCE.

A. If the Grantee fails to collect the materials herein specified for a period in excess of three consecutive scheduled working days or materially breaches any other substantive provision of this franchise, and fails to cure said breach within three working days after receipt of written notice of said breach by the Grantor, the Grantor may proceed as follows (provided such failure

is not due to war, insurrection, riot, act of God, or other causes beyond the reasonable control of Grantee):

1. Enter into contract(s) or agreement(s) with any other qualified firm(s) to provide solid waste collection and disposal until such time as the Grantee is able to satisfactorily fulfill its responsibilities under this Franchise as determined solely by the Grantor.

SECTION 19. CURBSIDE RECYCLABLE MATERIALS COLLECTION AND DISPOSAL.

A. Grantee shall be required to provide curbside recycling to all residential customers.

B. Grantee shall collect all residential recycling materials within the corporate limits of the City, transport and provide for recovery of said residential recyclable materials at a designated recovery facility. The Grantee shall perform such services as are required to provide a complete residential recyclable materials program.

C. Collection of recyclable materials shall be at curbside or other such locations as will provide ready accessibility to the Grantee's collection crew and vehicle. In the event an appropriate location cannot be agreed upon, the Grantor shall designate the location. Handicapped residents shall be accommodated at no additional fee.

D. The Grantee shall pick up all recyclable materials which have been properly prepared for collection and placed in recycling carts placed at the curbside. The Grantee, at its own cost, shall distribute one cart to hold recyclable materials to be collected to each single-family residence within the service area. Multi-family housing units interested in a recycle program will negotiate with Grantee directly to determine feasibility for implementation. The carts shall be replaced by the Grantee as required. The Grantee shall maintain an adequate supply of carts at all times.

E. The Grantee shall collect all recyclable materials set out for the purpose of recycling from all single family residences. The collection of recyclables shall be conducted using a single cart, furnished by the Grantee, for a commingled/single stream system. As it becomes economically feasible, the Grantee shall provide adequate containers to initiate a multi-material recycling program.

F. All refuse and recyclable materials hauled by the Grantee shall be so contained, held or enclosed that leaking, spilling or blowing are prevented.

G. The Grantee shall make collections with as little noise and disturbance to the residents as practicable and in conformance with the City's Noise Ordinance. Grantee shall handle recycling carts with reasonable care and return them to the approximate curbside location from which they were collected. Any recyclable materials spilled by the Grantee shall be picked up immediately. Recycling carts shall be thoroughly emptied.

H. Grantee shall collect recyclable materials within the service area one time per week. The day of collection shall be the same day as one of the regular collection days for solid waste.

SECTION 20. RECYCLING PROGRAM.

A. The Grantee shall be responsible for maintaining the information and records adequate to determine participation rates and weekly setout rates by percent for each material, volume of solid waste diverted from landfill by percent, weight by material of items recycled, neighborhoods above or below average participation and other information requested by Nassau County or the State of Florida to meet the requirements of the Solid Waste Management Act, any requirements of Florida House Bill 7243, or to obtain grant funds from the Solid Waste Management Trust Fund. The Grantee shall furnish an annual report to the City containing the requested information. Reports shall be on forms and in a format required by the Grantor.

B. To the extent possible, based on availability, capacity and market prices, the Grantee may market the recyclable materials through local business operations in the City of Fernandina Beach. At a minimum, the Grantee shall provide for taking, marketing or storing recyclables at a permitted landfill.

C. The Grantee shall account for all revenues generated through recycling and report all such revenues to the City along with copies of the receipts from the purchaser of the recyclable materials. The Grantee shall remit monthly to the Grantor 50% of the net revenues from the sale of recycled materials. All documentation relating to the collection and payment for recyclable materials shall be subject to audit by the Grantor. Additionally, the Grantee may appeal for a rate increase on an annual basis if the cost of recycling processing continues to increase. The shared rebate of 50% of Net Revenues received for the sale of Recyclable Materials, as set forth in Section 20 (C) of this Franchise would only occur if such revenues exceed the recycling processing costs.

D. On the Effective Date (July 1, 2018), the Grantee shall provide, at its own expense, the following:

(1) Sixty-five gallon recycle carts to all residents imprinted with the City seal and name;

(2) An in-mold label on the top of the cart which details a list of the acceptable and non-acceptable items that may be recycled and the contact information for concerns or complaints; and

(3) Notice in of the change to the recycling program along with a list of acceptable and non-acceptable items.

E. *Acceptable and Non-Acceptable recycle items.* Acceptable items for recycle are as follows:

Household Sized Containers – Must be empty and dry (1 gallon or 1 liter max)
(1) Plastic Resin Codes #1 thru #7 (Code is on the bottom of container)

(2) Glass (All Colors)

(3) Metal Cans (Aluminum & Tin)

Household Paper Materials – Max single item size may not exceed 2ft. by 2ft

(4) Cardboard Boxes (Must be flattened and, if needed, cut to size.)

(5) Brown or Grey Food Boxes (Cereal, Dry Food, Baking Ingredients, etc.)

(6) Mailing Supplies (Junk Mail, Envelopes, Letters, etc.)

(7) Newspapers (Inserts & Catalogs)

(8) Brown Paper Bags

(9) Office Paper (Copy & Print Paper, File Folders)

(10) Brown or Gray Fiber Packages (Soda Cartons, dry food packages, etc.)

NEVER Acceptable Items & Material

Household Sized Containers= Must be empty and dry (1 gallon or 1 Liter max)

(1) Plastic Film (No Grocery Bags, Tarps, etc.)

(2) Food (No Wet or Dry Food Waste)

(3) Scrap Metal (No metal except household size containers)

(4) Wood (No Yard Waste, Construction Material, etc.)

(5) Fabric (No Clothes, Shoes, Blankets, Cloth, etc.)

(6) Electronics (No Batteries, Computers, Phones, etc.)

(7) Chemicals (No Paint, Oil, Aerosols, etc.)

(8) Tires (No Tires of any size)

SECTION 21. COLLECTION SERVICES AND OPERATIONS.

A. *Residential*

1. Frequency of collection: Grantee shall, on a regularly scheduled day, pick up solid waste at the curbside adjacent to each residence all household garbage two times per week; the collection of horticultural trash shall be one time per week; bulky waste shall be one time per week; on days agreed upon by the Grantee and Grantor. Pickups shall not be reduced by holidays, and pickups normally scheduled to be made on a holiday must be rescheduled and occur in the same week as the holiday. Grantee, at its sole expense, shall notify residences served of the holiday observed and regular pickup schedules at least five days in advance by publication in a local paper or other means approved by Grantor.

(a) During the term of this Franchise the Grantor may elect to change the frequency of residential garbage collection for City residents from two times per week to one time per week. Grantor will provide Grantee with a minimum sixty days prior written notice before Grantee will be made to implement the change. Residents that have a Fletcher Avenue or Ocean Avenue address will remain on a two times per week schedule even if Grantor opts to reduce other

residential service to once per week. Residential rate for those that are changed to one per week pickup shall be reduced. See SECTION 30. RATES, CHARGES, BILLING AND AUDITS.

(b) Holidays: The following holidays may be observed by Grantee for purposes of this clause: New Year's Day, Independence Day (July 4), Thanksgiving Day and Christmas Day.

2. Schedule: Regularly scheduled pick up days for household garbage shall be as agreed upon between the Grantor and the Grantee. All schedules and routes are subject to being rescheduled as mutually agreed to by the Grantor and Grantee. The Grantor, at the request of the Grantee or on its own, may extend, suspend or modify these schedules in the event of a natural disaster, health hazard or any other state of emergency requiring such action.

3. Quantity: Grantee shall be required to pick up all household garbage generated by residential premises, provided same is placed in the garbage cart. Grantee shall also be required to pick up all household garbage from the curbside of residential premises when properly bagged or otherwise contained and placed by the garbage cart.

4. Collections. All collections shall normally be made in residential areas no earlier than 6:00 am and no later than 8:00 pm, with no service on Sunday, except in declared emergencies. Grantee shall make collections with a minimum of noise and disturbance and in conformance with the City's Noise Ordinance. Garbage carts shall be handled carefully by the Grantee and shall be thoroughly emptied and left where they were found at the curbside. All work shall be done in a safe and sanitary manner. All waste spilled by Grantee shall be picked up and removed by Grantee. Grantee shall provide a single-axle truck for servicing certain compact residential areas, such as Amelia Park and the downtown area.

5. Special services: Services such as back door collection, below ground collection, removal of any refuse other than garbage or rubbish as defined herein, including white goods and appliances or additional pickups shall be provided on a separate fee basis upon terms agreed to by the Grantee and the customer. Charges for special services shall not be unreasonable or excessive. Household garbage services shall be provided at the rear or side residence for handicapped persons approved by the Grantor at no extra charge.

6. Roll-out/Roll-back service: Those customers holding a Short Term Resort Rental license are required to have Roll-out/Roll-back service, for which a fee will be charged.

7. Garbage: Garbage shall be placed for collection separately from rubbish and shall be placed in the garbage carts furnished by the Grantee with capacities of ninety-six gallons. Smaller carts will be made available to special needs customers (elderly or handicapped) upon request with the Grantor's approval. Plastic bags of at least thirteen gallons and not more than thirty-five gallons securely tied may also be used as long as those bags do not weigh in excess of fifty pounds per container/bundle.

8. Yard waste: Yard waste generated by residents from improved residential properties will be collected by the Grantee. Residents shall bag, containerize and/or bundle horticulture trash (not to exceed fifty pounds per container or bundle, and with branches not to exceed four feet in length and four inches in diameter.

9. Hazardous materials: Grantee shall not be required to collect hazardous materials, including without limitation Hazardous Waste.

10. Location of Residential Waste for collection: Persons in occupancy of each residential abode shall place their garbage carts at the curb no sooner than 6:00 pm the day before a scheduled pick-up and shall remove the garbage carts by midnight of the day of the pick-up, unless the occupant or resident has been approved for back door, side door or roll-out/roll-back pickup or the occupant of resident has negotiated a special service collection at another location.

11. Customer restrictions: Grantee shall not be required to collect Residential Waste when such waste is not generated on the residence served. Grantee shall have the right to terminate service to any customer violating this section only after prior notification to the customer and approval by the Grantor.

12. Grantee shall be required to provide Garbage Carts and Recycle carts at its own expense.

B. *Commercial*

1. Frequency of collection: Grantee shall, on a regularly scheduled day, pick up all garbage, rubbish, and wastes. However, pickups normally scheduled to be made on a holiday shall be rescheduled with the approval by the commercial establishment.

(a) Holidays: The following holidays may be observed by Grantee for purposes of this clause: New Year's Day, Independence Day (July 4), Thanksgiving Day and Christmas Day.

2. Schedule: Commercial collection shall be on days agreed to by the Grantee and commercial establishment. The Grantor, or its designee, is authorized to extend, suspend or modify these schedules in the event of a natural disaster, health hazard or any other state of emergency requiring such action.

3. Quantity: Grantee shall be required to pick up all garbage and rubbish generated by a commercial establishment, provided same is placed in a waste receptacle.

4. Collections: All collections shall normally be made at commercial establishments no earlier than 3:00 am and no later than 8:00 pm. These times may be adjusted by mutual agreement of the parties. Grantee shall make collections with a minimum of noise and disturbance and in conformance with the City's Noise Ordinance. Waste receptacles shall be handled carefully by the Grantee and shall be thoroughly emptied and left where they were found. All work shall be done in a safe and sanitary manner. All waste spilled by Grantee shall be picked up and removed by Grantee.

5. Special services: For items requiring roll-off service or any special handling, removal of any refuse other than garbage or rubbish as defined herein or additional pickups, all charges are to be negotiated between the Grantee and the customer. Requests for pickups of special materials as defined herein shall be considered as requests for special pickup services. Charges for special services shall not be unreasonable or excessive and shall be subject to the City's Franchise Fee.

6. Waste receptacles:

(a) Garbage and rubbish: Garbage and rubbish shall be placed for collection within a commercial container.

(b) Hazardous and biohazardous materials: Grantee shall not be required to collect hazardous or biohazardous materials or Hazardous Waste.

(c) Carts in the downtown Central Business District must be clearly labeled with the name of the business it is assigned to. Grantee shall provide these labels.

7. Location of commercial waste for collection: All commercial establishments receiving service pursuant to this Franchise shall keep waste receptacles, disposal containers and other such items at location(s) approved by the City.

8. Customer restrictions: Grantee shall not be required to collect commercial waste receptacles containing garbage or refuse when such waste is not generated in the commercial establishment served. Grantee shall have the right to terminate service to any customer violating this section only after prior notification to the customer and approval by the Grantor.

9. Removal of improper receptacles: Any container used for the collection and storage of commercial waste which fails to meet the standards prescribed by the Grantor shall be clearly marked, specifying the manner in which the container falls to meet the requirements. Such marked, nonconforming containers shall be removed from service by the Grantee.

C. *Special Events*

1. In addition to regular residential and commercial collections, Grantee shall be the service provider for collection services during and after City-sponsored special events. These events include, but are not limited to, the annual Shrimp Festival occurring the first weekend in May of each year. The Grantee shall provide these services at their cost.

SECTION 22. OFFICE HOURS.

The Grantee's office shall remain open for residential and commercial establishment customers Monday through Friday from 8:00 am to 5:00 pm for the purpose of handling complaints, requests for new or replacement containers and to schedule bulk pick-ups, and for that purpose, there shall be maintained an adequate number of telephones and a responsible person in charge during the hours specified above. The Franchisee shall maintain a local calling area phone line, or toll-free number, to receive customer inquiries and complaints during the business hours stated in this section. These requirements do not apply on the legal holidays identified in Section 21.

SECTION 23. COLLECTION EQUIPMENT.

The Grantee shall have on hand at all times sufficient equipment in good working order and of the minimum weight necessary to permit Grantee to perform its duties hereunder fully, adequately and efficiently. Equipment shall be purchased from nationally known and recognized manufacturers of garbage collection and disposal equipment. Garbage collection equipment shall be kept clean, sanitary; neat in appearance, in good repair at all times, and shall be equipped with back-up warning lights and alarm. The Grantee, shall at all times, have available reserve

equipment, which can be put into service and operation within two hours of any breakdown. Such reserve equipment shall substantially correspond in size and capability to the equipment normally used by the Grantee to perform its duties hereunder.

SECTION 24. DISPOSAL.

All garbage and solid waste shall be hauled to sites or facilities legally empowered to accept it for treatment or disposal. The Grantor reserves the right to approve or disapprove of sites, taking into account all governmental regulations, routes within the Franchise area, and the rules and regulations of the governmental body having jurisdiction over said sites and facilities.

SECTION 25. ROUTES AND SCHEDULES.

The Grantee shall periodically provide the Grantor with schedules of residential collection routes and keep such information current at all times. In the event of changes in routes, schedules, or other program changes that will alter the day of pickup or the type of materials that are picked up, Grantee shall notify each customer affected by either direct mail or door hangers which the Grantor shall approve for such purpose. Grantee shall also notify customers by placing an advertisement prominently displayed in a local newspaper on at least two occasions, the latter being at least one week prior to the change. All such changes in routes, schedules, and programs will also be immediately communicated to Grantor at the time determined by the Grantee.

SECTION 26. GRANTEE PERSONNEL.

Grantee shall assign a qualified person to be in charge of operations under this Franchise and shall give the name and qualifications of said person to the Grantor. Grantor requires that Grantee's collection employees wear clean uniforms bearing Grantee's company name. Each person employed to operate a vehicle shall at all times carry a valid CDL driver's license for the type of vehicle being driven, and it shall be the Grantee's sole responsibility to assure that all drivers are properly licensed. Grantor may request the dismissal of any employee of Grantee who violates any provisions of this subsection or who is found to have been wanton, negligent or discourteous in the performance of his or her duties. Grantee shall provide operating and safety training for all personnel. Wages of all employees of Grantee shall be equal to or exceed the minimum hourly wages for such employees established by local, state or federal law. Grantee shall supply a schedule of all employee wage scales to Grantor upon request.

SECTION 27. SPILLAGE AND LITTER.

A. The Grantee shall not litter on any premise in the process of making collections, but shall not be required to collect any waste material that has not been placed in supplied or approved containers or in a manner herein provided, unless previous arrangements have been agreed upon between the Grantor and the Grantee.

B. During hauling, all solid waste or liquids shall be contained, held or enclosed so that leaking, spilling or blowing is prevented. In the event of spillage by the Grantee, the Grantee shall promptly clean up the litter.

SECTION 28. STORMS AND OTHER EMERGENCIES.

A. In the case of a storm or disruption caused by other severe emergency (e.g., war, insurrection, riot, or act of God) not caused by the Grantee, Grantor may allow Grantee a reasonable variance from regular schedules. As soon as practicable after such storm or other emergency, Grantee shall inform the Grantor of the estimated time required before regular schedules and routes can be resumed and, upon request of Grantor, Grantee shall provide notice to residential premises and commercial establishments in the service area.

B. In the event of a declared disaster and/or any event requiring mass cleanup operations during the period of the Franchise, Grantee shall, if requested and to the extent directed by the Grantor, participate in said cleanup. Grantee shall be compensated by the Grantor in accordance with terms and conditions of a negotiated agreement.

C. The Grantee shall have a disaster response plan for removal and disposal of excessive amounts of debris or refuse accumulated in the event of a storm of catastrophic proportions, any natural calamity, riot or any severe domestic disturbance. The Grantee shall have, at all times, written agreements with a subcontractor to supplement the collection, hauling and disposal of such wastes, in the event that the Grantee's resources are insufficient to effect a timely clean-up. Such agreement shall contain operational details and the add-on unit pricing for collection, hauling, and disposal cost. The subcontractor agreement shall be reviewed and approved by the City. In the event of a small disaster, the City and the Grantee shall meet and coordinate expeditiously to formulate and agree upon the specific clean-up plan. In the event of a small disaster or a severe domestic disturbance, the City shall have the option to utilize any combination of the Grantee's services, the Grantee's subcontractors, the City's own contractors, or any adjacent municipality or County forces provided through mutual aid. In the event of a small disaster such as a hurricane, the Grantee will be expected to continue with collection services and closely coordinate with the City when to cease operations within the City's city limits. Currently, the City's Disaster Plan calls for the Grantee to resume and continue the collection schedule as soon as safely possible.

SECTION 29. NONDISCRIMINATION PROVISION.

The Grantee agrees that it has adopted and will maintain and enforce a policy of nondiscrimination on fire basis of race, color, religion, sex, age, handicap, disability or national origin. Said nondiscrimination policy shall apply to employment practices of the Grantee and the provision of services. The Grantee agrees that on written request it will permit reasonable access by Grantor to its records of employment, employment advertisements, application forms, and other pertinent data and records for purposes of investigation to ascertain compliance with the nondiscrimination provisions of this Franchise, provided, however, that Grantee shall not be required to produce for inspection any record covering any period of time more than two years prior to the date of the Franchise.

SECTION 30. RATES, CHARGES, BILLING AND AUDITS.

A. *Rates:*

1. For residential recycling and the collection of garbage, rubbish, and yard waste, and bulk waste/mixed piles the fee paid to Grantor by Grantee shall be $18.95 per month for twice

per week service at the Effective Date and will remain until the CPI rate adjustment provision specified in Section 9 is applied in 2019. A breakdown of the initial residential garbage, recycling, rubbish and yard waste fees is shown below:

Service Component	Fee Charged by City	Rate Paid to ADS
Garbage – twice a week	$8.51	$7.74
Recycling – once a week	$5.67	$5.15
Yard Debris – once a week	$4.41	$4.01
Bulk Waste/Mixed Piles – once a week	$2.26	$2.05
TOTAL	$20.85	$18.95

2. The Grantor shall have the right to change the frequency of residential garbage pickup during the term of this Franchise. Grantor will provide Grantee a minimum of sixty days prior written notice before the change shall be implemented by Grantee. Residential fee paid to Grantee by Grantor shall be reduced by a certain percentage that will be determined at the time of the service level change. At that time, the Grantee will negotiate in good faith with the Grantor on the reduction of the Residential rate/fee paid to Grantee for the one time per week pickup.

3. For garbage, rubbish, yard debris for the initial term of this Franchise, the monthly rate for commercial establishments fees is shown below:

Commercial Rates							
Rates For:	1 pickup per week	2 pickup per week	3 pickup per week	4 pickup per week	5 pickup per week	6 pickup per week	7 pickup per week
95 gallon carts	$15.02	$30.04	$45.06	$60.08	$75.10	$90.12	$105.14
2 yard container	$45.47	$90.93	$136.40	$181.86	$227.33	$272.79	$318.26
4 yard container	$90.93	$181.86	$272.79	$363.72	$454.65	$545.58	$636.51
6 yard container	$136.40	$272.79	$409.19	$545.58	$681.96	$818.37	$954.77
8 yard container	$181.86	$363.72	$545.58	$727.44	$909.30	$1,019.16	$1,273.02

*Compacted front load service will be priced based on $7.53 per compacted yard

**prices listed do not include 10% franchise fee provided for in Section 5

4. The rates for other services is shown below:

Other Services	
10 yard roll-off price per haul	$247.32
20 yard roll-off price per haul	$247.32
30 yard roll-off price per haul	$247.32
Garbage compactor price per haul	$267.32
Special Clean-up of right-of-way	NO ADDITIONAL CHARGE
White Goods (on call service)	$14.00/per item

*prices listed do not include 10% franchise fee provided for in Section 5

5. During the term of this franchise no fuel surcharges may be applied or charged by the Grantee.

B. The Grantee is to provide solid waste removal and recycling services to all of the City's facilities, parks including parks, complexes, and recycle stations at no charge. The Grantee will provide six commercial containers of not less than six cubic yards each at no cost to the City for City sponsored events such as City-wide cleanups.

C. *Billing for Services*

1. Residential, Commercial and Special Services.

a. The Grantor shall bill for residential, commercial establishments and special services rendered. The billing will be in conjunction with the other utility billings performed by the Grantor, or such other method as the Grantor may from time to time determine. Bills will be sent to the Residential Units, Commercial Establishments and for Special Services not less than quarterly. Therefore, the Grantee will receive payment on a monthly basis, based on the amounts actually collected by the Grantor, less the Franchise Fee.

b. Requests for opening new residential and commercial accounts will be received at the City. The customer will then be referred to the Grantee to request new containers. Within 1 business day of receiving said requests from the new customer, the Grantee shall be required to provide a new garbage cart and recycle cart (if requested), or such commercial container as requested by the new customer, and shall begin the service for the new customer on the next scheduled pick-up. At the time of delivery of the garbage cart and recycle cart or commercial container, the Grantee shall provide written notice to the new customer of the pick up days for all service.

c. For discontinued services, the billing shall stop on the disconnect date.

5. Where the lack of performance by Grantee is continuous and determined by the City Manager to constitute a threat to the health, safety or welfare of residents and commercial establishments. "Welfare" as used in this subsection shall include the direct and indirect economic effects of Grantee's failure to perform.

C. Administrative charges shall be assessed only for verified complaints which indicate that the Grantee has failed to meet the minimum standards stated herein. Grantee shall be required to keep accurate records of complaints received, and shall forward all complaints to the City Manager, or the City Manager's designated representative. The City Manager may verify complaints through whatever means he deems to be appropriate, including field review or contact with the individuals filing the complaints. Complaints verified by the City Manager will be assessed administrative charges in accord with the following schedule:

SCHEDULE OF ADMINISTRATIVE CHARGES

1.	Failure to clean up spilled refuse per incident	$50 per incident
2.	Failure to collect solid waste per location or special collection solid waste at any premises at or within the service area	$50 per incident
3.	Failure to complete each route on the regular scheduled pickup date	$1,000 per route not completed
4.	Failure to keep equipment in clean, safe and sanitary manner	$100 per vehicle per day
5.	Failure to have vehicle operator properly licensed	$100 per day per incident
6.	Failure to maintain office hours as set forth in Section 22	$100 per incident
7.	Failure to replace or repair any damage caused by Grantee or his personnel	$25 per incident

D. Within five business days of the date of the City Manager's action imposing such administrative charge, Grantee shall be notified in writing by certified United States Mail, return receipt, of the assessment of administrative charges and the basis for such assessment. Grantee may contest such assessments by filing a written protest stating the reasons for disagreement within five business days of the receipt of the notice of an assessment. The protest will be acted upon by the City Commission at a regularly scheduled meeting.

d. The Grantee is required to report all new services and changes in service to the Grantor (City) no later than the first day of the following month for billing purposes.

e. In consideration for the Grantor handling the customer billing, payment and related customer service functions related to billing, Grantee will pay to Grantor the sum of 1% of the previous month's net billing to Grantor. This payment will be due within fifteen days of the invoicing of such billing and payment processing fee by Grantor.

SECTION 31. COMPLAINTS & CHARGES FOR FAILURE OF PERFORMANCE.

A. Grantee shall have one business day (see also Section 8 above) to collect any garbage or trash that was not collected at the regularly scheduled pick up time and shall have seven days to correct, or to notify the City in writing, subject to City approval, how the Grantee intends to correct other identified complaints. Grantee shall supply Grantor weekly with copies of all complaints on a form approved by the Grantor and indicate the disposition of each. Each month such record shall be available for inspection by Grantor at all times during the business hours specified herein. The complaint record/form shall indicate the day and hour on which the complaint was received and the day and hour on which the complaint was resolved. When a complaint is received on the day preceding a holiday or on a Sunday, it shall be remedied the next working day. The Grantee shall establish procedures acceptable to the Grantor to ensure that all customers are notified of the complaint procedure. To prevent misunderstanding and any litigation, the CITY, shall decide any and all questions which may arise concerning the quality and acceptability of the work and services performed, the sufficiency of performance, and the acceptable fulfillment of the contract on the part of the FRANCHISEE; and the CITY will determine whether or not the amount, quantity, character and quality of the work performed is satisfactory, which determination shall be final, conclusive and binding upon both the CITY and the FRANCHISEE so long as such determination is not unreasonable or arbitrary. The CITY shall make such explanation as may be necessary to complete, explain or make definite the provisions of this FRANCHISE; and its findings and conclusions shall be final and binding upon both parties, provided such determinations are not unreasonable or arbitrary.

B. Upon the recommendation of the City Manager or his designee, and reasonable notice to Grantee, administrative charges may be assessed against the Grantee should it be determined that:

1. Total residential complaints during any calendar month involve more than 4% of the total residential customers within the service area:
2. Total residential complaints during the Grantor's fiscal year exceed more than 5% to the total residential customers with the service area;
3. Total commercial complaints during any calendar month involve more than 3% of the total commercial customers with the service area;
4. Total commercial complaints during the Grantor's fiscal year exceed more than 6% to the total commercial customers within the service area; or

SECTION 32. MISCELLANEOUS.

A. Notices. All notices required herein shall be sent via certified mail, return receipt requested to the addresses contained herein.

For the Grantor:

City of Fernandina Beach
204 Ash Street
Fernandina Beach, FL 32034
Attn: City Manager

With a copy to the City Attorney at the same address.

For the Grantee:

Attn: Jeff Edwards

Callahan, FL 32011

SECTION 33. REPEAL OF SECTIONS IN CONFLICT.

All ordinances or parts of ordinances and all resolutions in conflict herewith be and the same are hereby repealed.

SECTION 34. SEVERABILITY.

If any section, part of a section, paragraph, clause phrase or word of this agreement is declared invalid, the remaining provisions of this Franchise shall not be affected.

SECTION 35. EFFECTIVE DATE.

This ordinance shall take effect immediately upon its final adoption by the City Commission of the City of Fernandina Beach, Florida, and the signature of the Mayor, and upon filing of Grantee's written acceptance with the City Clerk.

PASSED AND ENACTED this 19th day of June, 2018, at public hearing on second and final reading.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED -- DESIGNATED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):
ALL PARTIES WHERE REQUIRED BY A WRITTEN CONTRACT PROVIDED SUCH CONTRACT WAS EXECUTED PRIOR TO LOSS.
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. **Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

1. In the performance of your ongoing operations; or
2. In connection with your premises owned by or rented to you.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
2. Available under the applicable Limits of Insurance shown in the Declarations;

whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Ordinance 2023-23
Right-of-Way Vacation - Portion of the Unimproved Pompano Street.

ITEM TYPE: Resolution (w/o fiscal impact)

REQUESTED ACTION: Consider Ordinance 2023-23 at First Reading.

SYNOPSIS: The City of Fernandina Beach seeks to vacate a portion of the public right-of-way described as an approximately 142 feet by 50 feet section of the unimproved Pompano Street. The vacation of right-of-way would allow for the future improvement and northward expansion of the existing Fernandina Beach Skate Park. The Planning Advisory Board (PAB) reviewed the application numbered PAB 2023-0038 at its April 12, 2023 meeting and issued a recommendation of approval.

FISCAL IMPACT: N/A

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): I recommend that the City Commission approve proposed Ordinance 2023-23 at First Reading.

Kelly Gibson, Planning Deputy Director	4/21/2023
Katie Newton, Legal Assistant	5/1/2023
Agnes White, Administrative Services Manager	5/1/2023
Charles George, Interim City Manager	5/2/2023
Tammi E. Bach, City Attorney	5/8/2023

Submitted By: Daphne Forehand, Planner I Date: April 18, 2023

COMMISSION ACTION: Approve

ORDINANCE 2023-23

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, APPROVING A VACATION OF PUBLIC RIGHT-OF-WAY FOR AN APPROXIMATELY 142 FEET BY 50 FEET PORTION OF UNIMPROVED POMPANO STREET BETWEEN TROUT STREET AND DOLPHIN STREET; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the applicant identified as the City of Fernandina Beach, seeks to vacate a portion of public right-of-way described as an approximately 142 feet by 50 feet portion of the unimproved Pompano Street; and

WHEREAS, the vacation of right-of-way would support the future improvement and northward expansion of the Fernandina Beach Skate Park; and

WHEREAS, the Planning Advisory Board reviewed the application numbered PAB 2023-0038 at its Regular Meeting on April 12, 2023, and issued a recommendation of approval; and

WHEREAS, notice of public hearing on such amendments was published in the News Leader, a newspaper of general circulation in Fernandina Beach, Nassau County, Florida, on March 29, 2023.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH AS FOLLOWS:

SECTION 1. PROPERTIES INVOLVED. The vacation of a portion of the right-of-way known as an approximately 142 feet by 50 feet portion of the unimproved Pompano Street as generally described is hereby approved and illustrated by Exhibit "A", attached hereto.

SECTION 2. SEVERABILITY. If any section, subsection, sentence, clause, phrase of this Ordinance, or the particular application thereof, shall be held invalid by any court, administrative agency or other body with appropriate jurisdiction, the remaining sections, subsections, sentences, clauses and phrases under application shall not be affected thereby.

SECTION 3. EFFECTIVE DATE. This Ordinance shall take effect immediately upon final passage.

ENACTED this ____ day of _____ 2023.

Letter of Intent

Date: 03/22/2023
To: Kelly Gibson, Planning and Conservation Director
CC: Mark Foxworth, Interim City Manager
From: Catherine Vorrasi, Parks & Recreation Director
Subject: Vacation of ROW for future skate park expansion

In order to accommodate potential future expansion of the existing skate park, I am requesting the land just north of the site to be designated recreational use. The City currently owns the adjoining property. This would also be for the pubic good as the skate community is very large and rapidly growing in interest. The Friends of Fernandina Skate Park organization will be seeking donations to raise money for future expansion. This future land use designation will help ensure their donors that the property is available for such expansion.

STAFF REPORT
PAB 2023-0038 (Vacation of ROW)
Planning Advisory Board
April 12, 2023

APPLICATION FOR VACATION OF ROW

APPLICATION & SURROUNDING AREA INFORMATION:

OWNER/APPLICANT:	City of Fernandina Beach				
AGENT:	N/A				
REQUESTED ACTION:	Vacation of ROW				
LOCATION:	Unimproved Pompano Street				
CURRENT LAND USE:	N/A				
CURRENT ZONING:	N/A				
EXISTING USES ON SITE:	Vacant				
PROPERTY SIZE:	Approximately 0.16 Acres				
ADJACENT PROPERTIES:	Direction	Existing Use(s)	Year Built	Zoning	FLUM
WITHIN CITY LIMITS	North	Vacant Gov.	N/A	REC	Recreation
WITHIN CITY LIMITS	South	FB Skatepark	Varies	REC	Recreation
WITHIN CITY LIMITS	East	Storage/Warehouse	Varies	I-1	Industrial
WITHIN CITY LIMITS	West	Vacant Gov.	N/A	REC	Recreation

**** All required application materials have been received. All fees have been paid. All required notices have been made. All copies of required materials are part of the official record and have been made available on the City's website and at the Community Development Department Office. ****

SUMMARY OF REQUEST AND BACKGROUND INFORMATION:

The City requests abandonment of an unimproved section of Pompano Street measuring approximately 142 ft by 50 ft. Pompano Avenue is located north of the existing Skate Park (**EXHIBIT A**). Justification for the request is to expand the skate park across the existing segment of right-of-way.

The Parks and Recreation Advisory Committee (PRAC) reviewed the concept proposal on February 20th, 2023 and unanimously voted in support of the future expansion. Ms. Vorrasi, the City's Parks and Recreation Director informed the committee that the next step by seeking approval from the City Commission to vacate the unimproved section of the Pompano right of way.

At present, the unimproved right-of-way and is entirely bordered by City-owned lands under management of the Parks and Recreation Department and identified as Main Beach Park. The proposed vacation of this right-of-way aligns with the public interest requirement established in the City's Comprehensive Plan and would benefit the City by enabling the expansion of an existing municipal park.

The Friends of Fernandina Skate Park intend to move forward with fund raising efforts to support the expansion of the skate park. Although they have already developed a preliminary site plan design, it is not yet final. It serves only as a visual aid to assist in the planning process (**EXHIBIT B**). A local development order is required through the Technical Review Committee (TRC), final review of the plan through PRAC, agreement by the City Commission through a Resolution to proceed, and permitting is required.

STAFF REPORT
PAB 2023-0038 (Vacation of ROW)
Planning Advisory Board
April 12, 2023

CONSISTENCY WITH THE COMPREHENSIVE PLAN:

Objective 2.04. Right-Of-Way Protection
The City shall institute a program of protection and acquisition of rights-of-way for the roadway network, which includes roadways classified as minor arterials or collectors, to ensure continuity of the roadway network, and to protect the existing and future roadway network from development and other encroachments.

Policy 2.04.04.
The City shall not abandon any existing rights-of-way instead encourage dedication, preservation, and protection of existing and proposed rights-of-way during the development review process.

Policy 2.04.05.
When requesting abandonment of the existing rights-of-way is unavoidable, the applicant shall demonstrate the following for any proposed vacation of a City right-of-way:

a. **The right-of-way is no longer required for public use and could not reasonably be utilized as a through street, sidewalk, bicycle lane or any other public function such as parking, stormwater management, utility location or open space.**
   The right-of-way would continue to be used for public use as a public park.

b. **The proposed vacation is in the public interest.**
   The proposed vacation is not detrimental to the public interest and will allow the expansion of an existing municipal park, benefiting the public.

c. **The proposed vacation would preserve or protect an environmental, historical or cultural feature of the City; and**
   The proposed vacation would not preserve or protect an environmental, historical or cultural feature of the City, however no such features are known to exist within the area.

d. **The proposed vacation will be offset by at least one public access through street connection.**
   Adequate access is provided through Tarpon Avenue and Trout Street. There are no additional properties which rely solely on this ROW for access.

CONSISTENCY WITH MUNICIPAL CODES:
Section 70-40 of the City's Code requires the following criteria to be met in order to grant a vacation of right of way:

1. **The requested vacation(s) are consistent with the traffic circulation element of the City's Comprehensive Plan.**
   The requested action is consistent with the traffic circulation element, as stated above.

2. **Adequate, legal access to all properties shall be maintained. The remaining access to any property shall not be by easement.**
   Adequate access is Tarpon Avenue and Trout Street

3. **The vacation(s) would not jeopardize the current or future location of any utility. If any utilities are currently located in the requested vacation area, the applicant shall provide easements to the utilities to adequately provide for access and maintenance.**
   The proposed vacation would not jeopardize the current or future location of any utility.

4. **The proposed vacation(s) are not detrimental to the public interest and provides a positive benefit to the City.**

The proposed vacation of the right-of-way (ROW) is not detrimental to the public interest and will allow for expansion of an existing park, providing a positive benefit to the City.

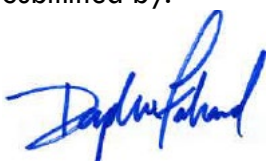
5. **All owners of property abutting the requested vacation shall approve of the vacation in writing, except in cases where the City is the applicant.**
   This City is the applicant. Additionally, this property is surrounded by City owned properties Main Beach Park.

CONSISTENCY WITH THE LAND DEVELOPMENT CODE:

APPLICABLE REFERENCE: 11.02.01 (NOTICE REQUIREMENTS)

Application Type	Reviewing Entity	Posted Sign	Posted Agenda	Mailed	Published
Vacation of Right-of-Way (ROW)	Planning Advisory Board	x	x	x	x

The City has followed all required notice requirements for the applicant's request which included posted sign, posted agenda, mailed, and published notice.



CONCLUSION:

Staff finds that the applicant fully complies with the demonstrated criteria and all relevant Comprehensive Plan policies. The vacation of the right-of-way (ROW) serves to provide a public benefit to create an amenity through expansion of the existing skate park. Additionally, staff finds that the applicant is consistent with subsequent policy statements, as well as the requirements of the Municipal Code and Land Development Code. Based on these considerations, staff recommends approval of PAB 2023-0038.

MOTION(S) TO CONSIDER

I move to recommend **(approval or denial)** of PAB case number 2022-0038 to the City Commission requesting that a Vacation of ROW be **(approved or denied)** and that PAB case 2022-0038, as presented, **(is or is not)** sufficiently compliant with the Comprehensive Plan and Land Development Code to be approved at this time.

WEST PORTION BEACH CASINO TRACT SUBDIVISION

A TRACT OF LAND LYING IN NASSAU COUNTY, STATE OF FLORIDA, and being a part of Lot 7 of the SUPPLEMENTAL PLAT OF THE AMELIA ISLAND LIGHTHOUSE RESERVATION, as recorded in Plat Book D, page 66, of the Nassau County Records, In Section 12, T 3 N, R 29 E.

Beginning at U.S. Government Monument Number A.P.2 as shown in the above mentioned Plat and go North 4 degrees and 11 minutes West a distance of 207.16 feet to a Permanent Reference Mark on the North Right-of-Way of Atlantic Avenue for a Point of Beginning. Thence continue North 4 degrees and 11 minutes West a distance of 980.18 feet to a Permanent Reference Mark; thence South 82 degrees and 27 minutes East a distance of 571.75 feet to a Permanent Reference Mark at the West Right-of-Way of Fletcher Avenue; thence continue South 82 degrees and 27 minutes East a distance of 100 feet to the East Right-of-Way of Fletcher Avenue; thence go South 7 degrees and 33 minutes West a distance of 999.67 feet to the Northeast corner of the intersection of Fletcher Avenue and Atlantic Avenue and an iron bolt in the paved parking area; thence go North 82 degrees and 27 minutes West a distance of 100 feet to a Permanent Reference Mark at the Northwest corner of the above mentioned intersection; thence continue North 82 degrees and 27 minutes West a distance of 372.5 feet to the Point of Beginning.

THIS IS TO CERTIFY that this PLAT is a true and correct representation of the land Surveyed and Plated and Described above, and that Permanent Reference Marks have been placed at Points marked P.R.M. according to the laws of the State of FLORIDA.

Signed this the 7 Day of January A.D. 1948.

SCALE 1 INCH = 50 FEET. George W. Loveless
Registered Land Surveyor No. 627.

EXAMINED & APPROVED by the COUNCIL of the Town of FERNANDINA BEACH, of County of NASSAU, State of FLORIDA, on this 13 Day of January A.D. 1948.

By W. W. Mittel President Council. Attest by Elmore Long Town Clerk.

THIS IS TO CERTIFY that the CITY OF FERNANDINA, a municipal Corporation in the County of NASSAU, State of FLORIDA, is the lawful owner of the land described in the Caption hereof and designated on this Plat of Subdivision; and that said City has caused the same to be Surveyed and Subdivided and this Plat made in accordance with said Survey is hereby adopted as a true and correct Plat of said land; and that all Streets and Avenues shown upon said Plat are hereby Irrevocably and without reservation dedicated to the use of the Public.

IN WITNESS WHEREOF the said City of FERNANDINA has caused these presents to be duly executed in its name by its Mayor and its corporate Seal to be hereto affixed, attested by its City Auditor and Clerk, on this 7th Day of January A.D. 1948.

CITY OF FERNANDINA,
By Gordon T. Butler
As its Mayor.

ATTEST: with corporate Seal.

Edward W. Meisenhelder III
As its City Auditor and Clerk.

STATE OF FLORIDA)
: ss
COUNTY OF NASSAU)

I HEREBY CERTIFY that on this day before me the undersigned, a Notary Public in and for the State of FLORIDA, at large, duly commissioned and qualified, personally appeared GORDON T. BUTLER and EDMUND W. MEISENHELDER, III, to me well known and known to me to be the Mayor and the City Auditor and Clerk, respectively of the City of FERNANDINA, the Municipal Corporation named in the foregoing instrument and known to me to be the persons who as such officers of said Corporation executed the same, and then and there the said GORDON T. BUTLER and the said EDMUND W. MEISENHELDER, III, did acknowledge before me that said instrument is the free act and deed of said Corporation by them respectively executed as such officers for the purposes therein expressed: That the Seal thereunto attached is the Corporate seal by them in like capacity affixed; all under authority in them duly vested by the City Commission of said City.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official seal, this 7th Day of January A.D. 1948, in the City of FERNANDINA, County of NASSAU, and State of FLORIDA.

Notary Public for State of FLORIDA at large.
My Commission expires 27 Jan. 1950

EXAMINED and APPROVED this 14 Day of January A.D. 1948 by the Board of County Commissioners, County of NASSAU, State of FLORIDA.

Harry D. Dungannon Chairman.
J. M. Brown Clerk.

I HEREBY CERTIFY that this Plat has been examined and that it complies in form with Chapter No. 10275 of the Laws of the State of FLORIDA, General Acts of 1925 A.D. and is filed for record and recorded in Plat Book 2 at page 74 of the Public Records of County of NASSAU, State of FLORIDA, this the 14 Day of January A.D. 1948.

J. M. Brown
Clerk of Circuit Court
Nassau County, Florida.

Planning Advisory Board (PAB) - Submission #11114

Date Submitted: 3/22/2023

Planning Advisory Board (PAB) Application

USE THIS FORM TO Request actions to affect changes to property (zoning changes, annexations, allowable uses, subdivisions).

Fees

Once application is submitted it will be reviewed for completeness. Once verified complete, an invoice will be emailed to the applicant.

- [ ] Zoning Map Amendment (â‰¤ 10 acres $2,500 / > 10acres $5,000)
- [ ] Land Use Map Amendment (â‰¤ 10 acres $2,500 / > 10acres $5,000)
- [ ] LDC Text Amendment ($1,500)
- [ ] Comp Plan Amendment ($5,000)
- [ ] Subdivision Plat â€“ Preliminary (â‰¤ 20 units $3,000 / > 20 units $5,000)
- [ ] Subdivision Plat â€“ Final ($1,500)
- [x] Vacation of R.O.W. ($3,500)
- [ ] Small Cell Outside R.O.W. (per application) ($500)
- [ ] Voluntary Annexation ($2,000)
- [ ] Development of Regional Impact: Amend Development Order ($1,500)
- [ ] New Telecommunications Structure ($2,000)
- [ ] Revision to each PAB Application - 1/2 cost of original application fee (To offset additional display ad fee)

2023 Submission Deadlines + Meetings Calendar

PAB 2023

IMPORTANT NOTES

Pre-Application Meeting

To guide you through the process and ensure that your application is understood and properly processed, youâ€™ll need to meet with a City Planner prior to submitting your application. Completed applications are due 30 days prior to the Planning Advisory Board meeting date.

Please see the Land Development Code (LDC) for detailed information:

- [ ] LDC Text Amendment â€“ see LDC Section 11.01.08.
- [ ] Preliminary Subdivision Plat â€“ see LDC Section 11.01.05.
- [ ] Final Subdivision Plat â€“ LDC Section 11.01.05.
- [ ] Zoning Map Changes â€“ See LDC Section 11.01.07.

The LDC is available for review at

www.fbfl.us/LDC

Application Requirements

- [ ] A complete application filed at least forty-five (45) days before the date of the Planning Advisory Boardâ€™s public hearing;
- [ ] Proof of Ownership (copy of deed or tax statement);
- [ ] A current survey of the property (no older than two years);
- [ ] If applying as an agent, Ownerâ€™s Authorization for Agent Representation form needs to be signed/ notarized and included in application;
- [ ] A detailed letter of intent stating the following:
- [ ] o The consistency of the proposed amendment(s) or action(s) with the Cityâ€™s Comprehensive Plan.
- [ ] o A justification for the proposed amendment(s) or action(s).

NOTICE OF PUBLIC HEARING
PLANNING ADVISORY BOARD
CITY OF FERNANDINA BEACH

NOTICE IS HEREBY GIVEN that a Public Hearing is scheduled for **Wednesday, April 12, 2023, at 5:00 p.m.** in the City Commission Chambers, 204 Ash Street Fernandina Beach, Florida to consider the following:

VACATION OF RIGHT OF WAY (ROW)

PAB CASE 2023-0038: ***CITY OF FERNANDINA BEACH*** REQUESTS A VACATION OF ROW FOR APPROXIMATELY 142 FT BY 50 FT SECTION OF UNIMPROVED POMPANO STREET.

LAND DEVELOPMENT CODE TEXT AMENDMENT

PAB CASE 2023-0039: ***CITY OF FERNANDINA BEACH*** REQUESTS LAND DEVELOPMENT CODE TEXT AMENDMENTS TO SUPPORT COMMERCIAL DEVELOPMENT AND REDEVELOPMENT OPPORTUNITIES TO ALLOW REASONABLE REINVESTMENT IN EXISTING COMMERCIAL PROPERTIES BY SPECIFICALLY ADDING DEFINITIONS IN SECTION 1.07.00 (ACRONYMS AND DEFINITIONS) FOR ADAPTIVE REUSE, DEVELOPMENT AND DEVELOPMENT ACTIVITY, INFILL DEVELOPMENT, REDEVELOPMENT, AND GREENFIELD DEVELOPMENT, TO AMEND SECTION 6.04.01 STANDARDS FOR LARGE SCALE COMMERCIAL DEVELOPMENT SPECIFICALLY CHANGING POLICIES FOR MAXIMUM GROSS FLOOR AREA, CREATING ALLOWANCE FOR EXPANSION OF NON-CONFORMING STRUCTURES, PARKING MATERIALS, LOADING DOCKS, TO AMEND SECTION 7.01.04(C)(2) PARKING LOT DESIGN REQUIREMENTS, PARKING MATERIALS; TO AMEND SECTION 7.01.06 LOADING SPACE STANDARDS AND DESIGN TO ADD CRITERIA FOR REDEVELOPMENT PROJECTS, MODIFYING SECTION 10.01.02 TO ALLOW REASONABLE EXPANSION OF NON-CONFORMING COMMERCIAL DEVELOPMENT.

LAND DEVELOPMENT CODE TEXT AMENDMENT

PAB CASE 2023-0040: ***CITY OF FERNANDINA BEACH*** REQUESTS LAND DEVELOPMENT CODE TEXT AMENDMENTS TO MODIFY 10.02.02(A) REQUIRED FINDINGS FOR GRANT OF A VARIANCE TO REMOVE THE CRITERIA FOR SPECIAL PRIVILEGE AND TO ALLOW A VARIANCE TO BE APPROVED WITH A SUPERMAJORITY OF THE CRITERIA BEING MET.

COMPREHENSIVE PLAN TEXT AMENDMENT

PAB CASE 2023-0041: ***CITY OF FERNANDINA BEACH*** REQUESTS COMPREHENSIVE PLAN TEXT AMENDMENTS TO SUPPORT COMMERCIAL DEVELOPMENT AND REDEVELOPMENT OPPORTUNITIES TO ALLOW REASONABLE REINVESTMENT IN EXISTING COMMERCIAL PROPERTIES BY SPECIFICALLY MODIFYING THE FUTURE LAND USE ELEMENT POLICY 1.08.05 (STANDARDS FOR DESTINATION ACTIVITY CENTERS OR CONVERSION OF EXISTING CONVENTIONAL SUBURBAN SHOPPING CENTERS) AND MODIFYING OR STRIKING THE MULTIMODAL TRANSPORTATION ELEMENT POLICIES 2.13.06 (REQUIRED PLACEMENT OF PARKING), 2.13.08 (VISUAL SCREENING OF PARKING), 2.13.11(REQUIREMENTS FOR PERVIOUS PARKING MATERIALS).

Interested parties may appear at said hearing and be heard as to the advisability of any action, which may be considered. Any persons with disabilities requiring accommodations in order to participate in this program or activity should contact 310-3100, TTY 711, (TTY number for all City offices) or through the Florida Relay Service at 711 at least 24 hours in advance to request such accommodation. The PAB serves as a recommending committee. Every application is submitted to the City Commission for final decision making.

Copies of the applications may be inspected in the office of the Planning Department, City Hall, 204 Ash Street, between the hours of 8:00 AM – 5:00 PM, Monday through Friday. To make an appointment with a planner, please call 904-310-3480.

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Ordinance 2023-24
Comprehensive Plan Amendment - Commercial Redevelopment

ITEM TYPE: Ordinance (w/o fiscal impact)

REQUESTED ACTION: Consider Ordinance 2023-24 at First Reading.

SYNOPSIS: This ordinance amends the Comprehensive Plan to allow for reasonable reinvestment in existing commercial properties by amending the Future Land Use Element and striking the Multimodal Transportation Element Policies 2.13.06, 2.13.08, and 2.13.11 to rely on the existing provisions provided within the Land Development Code.

FISCAL IMPACT: None.

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): I recommend that the City Commission approve proposed Ordinance 2023-24 at First Reading.

Kelly Gibson, Planning Deputy Director	4/21/2023
Katie Newton, Legal Assistant	5/1/2023
Agnes White, Administrative Services Manager	5/1/2023
Charles George, Interim City Manager	5/2/2023
Tammi E. Bach, City Attorney	5/5/2023

Submitted By: Daphne Forehand, Planner I

Date: April 18, 2023

COMMISSION ACTION: Approve

ORDINANCE 2023-24

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, AMENDING THE COMPREHENSIVE PLAN TO ALLOW REASONABLE REINVESTMENT IN EXISTING COMMERCIAL PROPERTIES BY MODIFING THE FUTURE LAND USE ELEMENT POLICY 1.08.05 (STANDARDS FOR DESTINATION ACTIVITY CENTERS OR CONVERSION OF EXISTING CONVENTIONAL SUBURBAN SHOPPING CENTERS) AND BY STRIKING THE MULTIMODAL TRANSPORTATION ELEMENT POLICIES 2.13.06 (REQUIRED PLACEMENT OF PARKING), 2.13.08 (VISUAL SCREENING OF PARKING), 2.13.11 (REQUIREMENTS FOR PERVIOUS PARKING MATERIALS); PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Commission adopted a unified Land Development Code on September 5, 2006, which became effective on October 1, 2006; and

WHEREAS, the City's adopted 2030 Comprehensive Plan directs changes to the Land Development Code for consistency with State Laws and current planning methods for growth and economic development; and

WHEREAS, the Planning Advisory Board (PAB), acting as the City's Local Planning Agency, considered the application at its Regular Meeting on Wednesday, April 12, 2023, and unanimously recommended approval; and

WHEREAS, notice of public hearing on such amendments was published in the News Leader, a newspaper of general circulation in Fernandina Beach, Nassau County, Florida, on March, 29 2023.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH AS FOLLOWS:

SECTION 1. PURPOSE AND INTENT. The City Commission finds that the Comprehensive Plan Text Amendments are necessary to address policy limitations which prevent reinvestment and discourage adaptive reuse of existing commercial properties, attached hereto as Exhibit "A," modifying the Future Land Use Element Policy 1.08.05 and striking the Multimodal Transportation Element Policies 2.13.06, 2.13.08, 2.13.11 to rely on the provisions provided in the Land Development Code.

SECTION 2. TRANSMITTAL OF PROPOSED AMENDMENTS. The City Commission hereby endorses the proposed Comprehensive Plan amendments for transmittal to the State Land Planning Agency for the purpose of an Expedited State Review in accordance with Section 163.3184 (3), Florida Statutes.

SECTION 3. SEVERABILITY. If any section, sentence, clause, or phrase of this Ordinance is held to be invalid or unconstitutional by any Court of competent jurisdiction, the holding shall in no way affect the validity of the remaining portions of this Ordinance.

SECTION 4. COMPLIANCE. The proposed plan amendments adopted by this Ordinance are not effective until a final order is issued by the State Land Planning Agency finding the amendments to be "in compliance" in accordance with Section 163.3184, Florida Statutes. If the Agency issues a final order finding the amendments not "in compliance," the amendments may

nonetheless be made effective by adoption of a Resolution at a public hearing affirming the effective status of the amendments. No development orders or development permits dependent upon these amendments may be issued, and no development dependent upon these amendments may be undertaken before the amendments become effective.

SECTION 5. This Ordinance shall become effective immediately upon adoption.

"EXHIBIT A"

Element 1 – Future Land Use

Policy 1.08.05.

In order to encourage neighborhood-serving "destination activity centers" and to support the conversion of its existing conventional suburban shopping centers, the City ~~shall~~ requires that commercial and mixed use conversion use must meet, at a minimum, the following standards:

a. Commercial build- to lines that pull the building up to a wide street side sidewalk with a row of trees;

b. Modest instead of abundant off-street parking, located at the rear or side of buildings, and away from pedestrian areas for new development and infill outparcel redevelopment of existing commercial properties;

c. Site design which creates a sense of arrival and departure;

d. A connected sidewalk and path system promoting safety, comfort, and convenience by linking buildings within the development to adjacent properties;

e. Building facades facing the street and aligned to form squares, streets, plazas, or other forms of a pleasant urban realm;

f. A vertical mixed of residences above non-residential uses within the center, and a required percentage of floor area that is residential and retail within mixed land use categories;

g. ~~No free-standing retail non-residential establishment with the development exceeding 30,000 square feet of first floor area; or no individual non-residential establishment exceeding 60,000 square feet of first floor area within an existing commercial shopping center.~~

h. First floor uses promoting entertainment and retail uses, and articulation and glazing for pedestrian interest; and

i. Rules that restrict establishment of auto-oriented uses, or uses that generate significant noise, odor, or dust.

Change Justification: Conflicts with established policies for adaptive reuse (CP 1.01.03) of existing structures and supports policies 1.04.01, 1.04.03, 1.04.04., 1.05.02. Requested changes better reflect the built environment and allow for reinvestment in existing commercial properties.

(Text Amendments continued next page)

Element 2 – Multi-modal Transportation

~~**Policy 2.13.06.**~~
~~All non-residential off-street parking shall be placed in the rear or side of a building, rather than in the front or otherwise adjacent to a street.~~

~~**Policy 2.13.08.**~~
~~In locations where the City continues to allow parking in front, off-street parking adjacent to a street, it should be visually screened with a vegetative wall, fence, hedge or landscape berm. Walls, fences and berms, where provided, shall be designed for aesthetics, security, durability and access.~~

Policy 2.13.11.
~~The City shall requires that all new development and redeveloping properties to~~ incorporate use ~~of pervious parking materials for a minimum of 75% of the required parking area~~ in parking ~~areas. Pervious parking materials that require regular maintenance though activities such as, vacuum sweeping, must demonstrate their ability to perform regular maintenance of the site.~~

Change Justification: Strikes the current policies to rely on specific standards established in the Land Development Code.

STAFF REPORT
PAB CASES 2023-039, 2023-040, 2023-041(Large- Scale Commercial Redevelopment)
April 12, 2023

APPLICATIONS FOR COMPRHENSIVE PLAN AND LAND DEVELOPMENT CODE TEXT AMENDMENTS

SUMMARY BACKGROUND:
In Fernandina Beach, "large-scale" commercial development largely occurred along roadways leading to the Central Business District including Sadler Road, S. 14th Street, and 8th Street between the late 1970s and 1980s. It was a time when typical commercial development patterns included large expanses of asphalt vehicle parking, (often an oversupply of parking), to accommodate strip malls with one or more anchor tenants. Little attention was given to landscaping or pedestrian access and circulation.

Fast forward 40-50 years, the City's established shopping centers have been well maintained and updated several times over the years. Often this is through façade face lifts and interior renovations as well as new roofs and updates to mechanical such as HVAC, electrical, and plumbing as the business mix has changed. Retrofit of parking areas to incorporate additional landscaping has occurred incrementally, but typically remain far from compliant with current standards.

In 2000, the City of Fernandina Beach established new standards for large-scale commercial development, which was defined as anything greater than 20,000 square feet. These new standards required design changes such as facade improvements and architectural elements. Most notably, was a standard for the prevention of "Super Walmart" style commercial development, which limited the size of commercial development to no greater than 80,000 square feet. This limit was based on the amount of commercial floor area that could be constructed on a city block within the downtown core (Central Business District), according to meeting minutes.

The adoption of these new standards immediately rendered several commercial shopping centers "non-conforming" with the City's regulations. Non-conforming structures are allowed to be maintained but cannot be expanded without a variance from the Board of Adjustment (BOA). Please reference supplemental documentation which provides analysis of the City's commercial shopping centers including estimated square footage, age of structure, and site photos (**EXHIBIT A**).

A secondary issue that impacts commercial re-investment is a requirement within the City's Comprehensive Plan (Plan) and Land Development Code (LDC) requiring all new development and redevelopment projects to reconstruct parking with 75% pervious materials. This standard was adopted in late 2012 during a time when the State of Florida was considering changes in stormwater regulations through the Water Management Districts to recognize low impact development strategies and reduce the required volume calculations where these strategies have been incorporated. Unfortunately, due to administrative shifts in philosophy following the gubernatorial election, the rulemaking process associated with this effort stopped in 2013-2014. Today, stormwater calculations remain as they were historically and there is no credit for incorporation of pervious materials in site design and there in no incentive to incorporate alternative paving materials to reduce the land area dedicated to stormwater management.

PROBLEM STATEMENT:
The City's commercial shopping centers need to upgrade and redevelop to attract new anchor tenants. Established standards limiting large-scale commercial development coupled with not allowing for expansion of a non-conforming structure and requirements for pervious parking materials actively thwart the ability to make reasonable reinvestment into existing structures or to demolish and rebuild in the same place. As a result, these properties are obligated to demonstrate a hardship to obtain a variance. Variances are completely at risk, and it is extremely difficult for staff or the BOA to recommend approval even when site or use specific special conditions prevent full compliance with the LDC.

STAFF REPORT
PAB CASES 2023-039, 2023-040, 2023-041(Large- Scale Commercial Redevelopment)
April 12, 2023

PROPOSED SOLUTION:

1. Text amendments to the 2030 Comprehensive Plan to strike policies requiring pervious parking materials to rely on standards created in the Land Development Code. AND
2. Text amendments to the Land Development Code to provide direction which:
   - Allows for reasonable redevelopment of large-scale commercial development,
   - Modifies standards to reduce the amount of pervious parking by allowing for alternate paving materials which adds character to the development site,
   - Recognizes that neighborhoods have built up around the commercial development and some requirements cannot be achieved in the current location, and
   - Modify standards for the approval of variances.

RATIONALE:

The proposed solution serves to create a more consistent approach with Comprehensive Plan policies that seek to allow for adaptive reuse of existing structures and sustainable building techniques. More specifically the amendments resolve a conflict with Plan policy 1.01.03 of and further supports Plan policies 1.04.01, 1.04.03, 1.04.04., 1.05.02, Objective 12.05 and policies 12.05.01-12.05.03. Collectively, the proposed changes will allow for adaptive reuse of built environment, allows for reasonable reinvestment in existing commercial properties and avoids the potential for demolition of otherwise functional properties to achieve compliance. By striking certain Plan policies, the City relies on the standards established in the LDC to set the direction for large-scale commercial development and redevelopment activities.

The proposed changes to the LDC will:

- Add new definitions to provide clarification for certain development types,
- Striking the 80,000 square foot (SF) limitation for large-scale commercial development and adding a limitation for 55,000 square feet for a single-use tenant or owner which addresses the 1999 community concern of Super Walmart locating in the city,
- Adding a policy to allow for up to 15% expansion of a single business tenant existing non-conforming commercial structure,
- Requiring at least twenty (20) percent of areas dedicated to parking and drive aisles must incorporate alternate paving materials such as: decorative pavers, bricks, scored concrete, or paving patterns to recognize the desire to ensure community character through design.
- Establishing a separate standard for reuse or redevelopment of existing loading docks to recognize that the residential development occurred after the original commercial shopping center,
- Removing the requirement for "Special Privilege" as the request itself is inherently allowing for a special right for that specific property, and
- Allowing variance approvals with a super majority of criteria being achieved (4 out of 5).

Staff has analyzed the requested amendments against average footprints of single-tenant businesses typically found within the Jacksonville MSA/ First Coast region. These are provided as a reference point for the board to consider and understand how the changes will continue to disallow certain "big box" businesses from locating in Fernandina Beach. Below is a brief listing of the typical/ average square footage (SF) needs for each business ranging from largest to smallest in indoor footprint size:

- Super Walmart: 187,000 SF
- Costco: 146,000 SF
- Sam's Club: 136,000 SF
- Target: 130,000 SF
- Lowe's: 112,000-117,000 SF
- IKEA (small footprint): 115,000 SF
- JCPenney Clothing: 110,000 -160,000 SF
- Home Depot: 105,000 SF
- Kohl's: 80,000- 90,000 SF
- Bass Pro Shop: 85,000 SF

- AMC Theaters: 60,000 SF
- Hobby Lobby: 55,000 - 64,000
- Urban Air Trampoline Park: 45,000-55,000 SF
- Ashley Home Store: 30,000-54,000 SF
- Harris Teeter: 53,000 SF
- Publix Super Center: 45,000-61,000 SF
- Winn Dixie: 45,000-60,000 SF
- Big Lots: 47,000 SF
- Walmart Neighborhood Market: 40,000 SF
- YMCA: 40,000 SF
- Best Buy: 38,500 SF
- LA Fitness: 35,000 - 45,000 SF
- Ace Hardware: 30,000 SF
- Council on Aging (Existing in City): 28, 769 SF
- Dave & Buster's Arcade: 25,000 – 43,000 SF
- Macy's or TJ Maxx: 30,000 SF
- HomeGoods: 28,000 SF
- PetSmart: 26,000 SF
- Publix Greenwise: 25,000 – 28,000 SF
- Rainforest Café: 23,000 -30,000 SF
- JoAnn Fabric or Michaels: 22,000 SF
- Aldi Super Market: 17,825- 18,000 SF
- Avg. 10 lane Bowling Alley: 15,000 SF
- Trader Joes: 8,000 – 15,000 SF
- Skating Rink: 14,000 SF
- Outpatient Surgery Center: 12,500 SF
- David's Bridal: 12,000 SF
- Pottery Barn: 10,000 SF
- Cheesecake Factory: 7,500 – 10,000 SF
- Fleming's Prime Steakhouse: 7,000-8,000 SF
- PF Chang's Traditional Restaurant: 7,000 SF
- Dollar General: 7,200 SF
- Bonefish Grill: 5,500 SF
- Healthcare/ Medical Offices: 3,000 – 8,000 SF

Respectfully submitted by,

Kelly N. Gibson, AICP, Director

Planning Advisory Board (PAB) - Submission #11221

Date Submitted: 4/5/2023

Planning Advisory Board (PAB) Application

USE THIS FORM TO Request actions to affect changes to property (zoning changes, annexations, allowable uses, subdivisions).

Fees

Once application is submitted it will be reviewed for completeness. Once verified complete, an invoice will be emailed to the applicant.

- [ ] Zoning Map Amendment (â‰¤ 10 acres $2,500 / > 10acres $5,000)
- [ ] Land Use Map Amendment (â‰¤ 10 acres $2,500 / > 10acres $5,000)
- [ ] LDC Text Amendment ($1,500)
- [x] Comp Plan Amendment ($5,000)
- [ ] Subdivision Plat â€“ Preliminary (â‰¤ 20 units $3,000 / > 20 units $5,000)
- [ ] Subdivision Plat â€“ Final ($1,500)
- [ ] Vacation of R.O.W. ($3,500)
- [ ] Small Cell Outside R.O.W. (per application) ($500)
- [ ] Voluntary Annexation ($2,000)
- [ ] Development of Regional Impact: Amend Development Order ($1,500)
- [ ] New Telecommunications Structure ($2,000)
- [ ] Revision to each PAB Application - 1/2 cost of original application fee (To offset additional display ad fee)

2023 Submission Deadlines + Meetings Calendar

PAB 2023

IMPORTANT NOTES

Pre-Application Meeting

To guide you through the process and ensure that your application is understood and properly processed, youâ€™ll need to meet with a City Planner prior to submitting your application. Completed applications are due 30 days prior to the Planning Advisory Board meeting date.

Please see the Land Development Code (LDC) for detailed information:

- [ ] LDC Text Amendment â€“ see LDC Section 11.01.08.
- [ ] Preliminary Subdivision Plat â€“ see LDC Section 11.01.05.
- [ ] Final Subdivision Plat â€“ LDC Section 11.01.05.
- [ ] Zoning Map Changes â€“ See LDC Section 11.01.07.

The LDC is available for review at

www.fbfl.us/LDC

Application Requirements

- [ ] A complete application filed at least forty-five (45) days before the date of the Planning Advisory Boardâ€™s public hearing;
- [ ] Proof of Ownership (copy of deed or tax statement);
- [ ] A current survey of the property (no older than two years);
- [ ] If applying as an agent, Ownerâ€™s Authorization for Agent Representation form needs to be signed/ notarized and included in application;
- [ ] A detailed letter of intent stating the following:
- [ ] o The consistency of the proposed amendment(s) or action(s) with the Cityâ€™s Comprehensive Plan.
- [ ] o A justification for the proposed amendment(s) or action(s).

NOTICE OF PUBLIC HEARING
PLANNING ADVISORY BOARD
CITY OF FERNANDINA BEACH

NOTICE IS HEREBY GIVEN that a Public Hearing is scheduled for **Wednesday, April 12, 2023, at 5:00 p.m.** in the City Commission Chambers, 204 Ash Street Fernandina Beach, Florida to consider the following:

VACATION OF RIGHT OF WAY (ROW)

PAB CASE 2023-0038: ***CITY OF FERNANDINA BEACH*** REQUESTS A VACATION OF ROW FOR APPROXIMATELY 142 FT BY 50 FT SECTION OF UNIMPROVED POMPANO STREET.

LAND DEVELOPMENT CODE TEXT AMENDMENT

PAB CASE 2023-0039: ***CITY OF FERNANDINA BEACH*** REQUESTS LAND DEVELOPMENT CODE TEXT AMENDMENTS TO SUPPORT COMMERCIAL DEVELOPMENT AND REDEVELOPMENT OPPORTUNITIES TO ALLOW REASONABLE REINVESTMENT IN EXISTING COMMERCIAL PROPERTIES BY SPECIFICALLY ADDING DEFINITIONS IN SECTION 1.07.00 (ACRONYMS AND DEFINITIONS) FOR ADAPTIVE REUSE, DEVELOPMENT AND DEVELOPMENT ACTIVITY, INFILL DEVELOPMENT, REDEVELOPMENT, AND GREENFIELD DEVELOPMENT, TO AMEND SECTION 6.04.01 STANDARDS FOR LARGE SCALE COMMERCIAL DEVELOPMENT SPECIFICALLY CHANGING POLICIES FOR MAXIMUM GROSS FLOOR AREA, CREATING ALLOWANCE FOR EXPANSION OF NON-CONFORMING STRUCTURES, PARKING MATERIALS, LOADING DOCKS, TO AMEND SECTION 7.01.04(C)(2) PARKING LOT DESIGN REQUIREMENTS, PARKING MATERIALS; TO AMEND SECTION 7.01.06 LOADING SPACE STANDARDS AND DESIGN TO ADD CRITERIA FOR REDEVELOPMENT PROJECTS, MODIFYING SECTION 10.01.02 TO ALLOW REASONABLE EXPANSION OF NON-CONFORMING COMMERCIAL DEVELOPMENT.

LAND DEVELOPMENT CODE TEXT AMENDMENT

PAB CASE 2023-0040: ***CITY OF FERNANDINA BEACH*** REQUESTS LAND DEVELOPMENT CODE TEXT AMENDMENTS TO MODIFY 10.02.02(A) REQUIRED FINDINGS FOR GRANT OF A VARIANCE TO REMOVE THE CRITERIA FOR SPECIAL PRIVILEGE AND TO ALLOW A VARIANCE TO BE APPROVED WITH A SUPERMAJORITY OF THE CRITERIA BEING MET.

COMPREHENSIVE PLAN TEXT AMENDMENT

PAB CASE 2023-0041: ***CITY OF FERNANDINA BEACH*** REQUESTS COMPREHENSIVE PLAN TEXT AMENDMENTS TO SUPPORT COMMERCIAL DEVELOPMENT AND REDEVELOPMENT OPPORTUNITIES TO ALLOW REASONABLE REINVESTMENT IN EXISTING COMMERCIAL PROPERTIES BY SPECIFICALLY MODIFYING THE FUTURE LAND USE ELEMENT POLICY 1.08.05 (STANDARDS FOR DESTINATION ACTIVITY CENTERS OR CONVERSION OF EXISTING CONVENTIONAL SUBURBAN SHOPPING CENTERS) AND MODIFYING OR STRIKING THE MULTIMODAL TRANSPORTATION ELEMENT POLICIES 2.13.06 (REQUIRED PLACEMENT OF PARKING), 2.13.08 (VISUAL SCREENING OF PARKING), 2.13.11(REQUIREMENTS FOR PERVIOUS PARKING MATERIALS).

Interested parties may appear at said hearing and be heard as to the advisability of any action, which may be considered. Any persons with disabilities requiring accommodations in order to participate in this program or activity should contact 310-3100, TTY 711, (TTY number for all City offices) or through the Florida Relay Service at 711 at least 24 hours in advance to request such accommodation. The PAB serves as a recommending committee. Every application is submitted to the City Commission for final decision making.

Copies of the applications may be inspected in the office of the Planning Department, City Hall, 204 Ash Street, between the hours of 8:00 AM – 5:00 PM, Monday through Friday. To make an appointment with a planner, please call 904-310-3480.

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Ordinance 2023-25
Land Development Code Text Amendments - Large Scale Commercial Redevelopment

ITEM TYPE: Ordinance (w/o fiscal impact)

REQUESTED ACTION: Consider Ordinance 2023-25 at First Reading.

SYNOPSIS: Amends the Land Development Code related to large scale commercial development and redevelopment to support development opportunities and to allow for reasonable reinvestment in existing commercial properties.

FISCAL IMPACT: None.

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): I recommend that the City Commission approve proposed Ordinance 2023-25 at First Reading.

Kelly Gibson, Planning Deputy Director	4/21/2023
Katie Newton, Legal Assistant	5/1/2023
Agnes White, Administrative Services Manager	5/1/2023
Charles George, Interim City Manager	5/2/2023
Tammi E. Bach, City Attorney	5/5/2023

Submitted By: Daphne Forehand, Planner I Date: April 18, 2023

COMMISSION ACTION: Approve

ORDINANCE 20232-25XX

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, AMENDING THE LAND DEVELOPMENT CODE (LDC) TO SUPPORT COMMERCIAL DEVELOPMENT AND REDEVELOPMENT OPPORTUNITES, AND TO ALLOW REASONABLE REINVESTMENT IN EXISTING COMMERCIAL PROPERTIES BY ADDING DEFINITIONS IN SECTION 1.07.00 (ACRONYMS AND DEFINITIONS) FOR ADAPTIVE REUSE, DEVELOPMENT AND DEVELOPMENT ACTIVITY, INFILL DEVELOPMENT, REDEVELOPMENT, AND GREENFIELD DEVELOPMENT; AND AMENDING SECTION 6.04.01 STANDARDS FOR LARGE SCALE COMMERCIAL DEVELOPMENT SPECIFICALLY CHANGING POLICIES FOR MAXIMUM GROSS FLOOR AREA, CREATING ALLOWANCE FOR EXPANSION OF NON-CONFORMING STRUCTURES, PARKING MATERIALS, LOADING DOCKS; AND AMENDING SECTION 7.01.04(C)(2) PARKING LOT DESIGN REQUIREMENTS, PARKING MATERIALS; AND AMENDING SECTION 7.01.06 LOADING SPACE STANDARDS AND DESIGN AND ADDING CRITERIA FOR REDEVELOPMENT PROJECTS; AND MODIFYING SECTION 10.01.02 TO ALLOW REASONABLE EXPANSION OF NON-CONFORMING COMMERCIAL DEVELOPMENT~~AMENDING SECTION 1.07.00 ACRONYMS AND DEFINITIONS TO ADD DEFINITIONS FOR BUILDING AREA AND FRONT FAÇADE; AMENDING LDC 5.01.03(H) CLARIFYING PLACEMENT OF DETACHED ACCESSORY BUILDINGS BEHIND THE FRONT FAÇADE OF A PRINCIPAL STRUCTURE; AMENDING SECTION 5.01.03 (H) TO ALLOW 16 INCH EAVE ENCROACHMENTS INTO SIDE OR REAR SETBACKS FOR ACCESSORY STRUCTURES; ADDING SECTION 5.01.03 (H)(1) INCORPORATING BUILDING HEIGHT MEASUREMENTS FROM AVERAGE NATURAL GRADE TO THE ROOF PEAK UNLESS LOCATED IN A SPECIAL FLOOD HAZARD AREA; AMENDING SECTION 5.01.03(I) CLARIFYING THE MAXIMUM BUILDING AREA FOR DETACHED ACCESSORY BUILDINGS; AMENDING SECTION 5.01.04 (A)(3) TO CLARIFY ACCESSORY DWELLING UNIT BUILDING HEIGHT MEASUREMENT FROM AVERAGE NATURAL GRADE TO THE ROOF PEAK UNLESS LOCATED IN A SPECIAL FLOOD HAZARD AREA; AMENDING SECTION 5.01.04 (A)(4) DIRECTING ACCESSORY DWELLING UNIT PLACEMENT BEHIND THE FRONT FAÇADE OF A PRINCIPAL STRUCTURE; AMENDING SECTION 8.01.01.02 (6) TO CLARIFY ACCESSORY STRUCTURE HEIGHT CALCULATION WITH THE OT-1 AND OT-2 ZONING DISTRICTS~~; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Fernandina Beach has applied for an LDC text amendment to modify multiple Land Development Code Sections to ~~address error, omissions, and corrections~~support commercial development and redevelopment opportunities, and to allow for reasonable reinvestment in existing commercial properties, and

WHEREAS, the City Commission adopted a unified Land Development Code (LDC) on September 5, 2006, which became effective on October 1, 2006; and

WHEREAS, the City's adopted 2030 Comprehensive Plan directs changes to the Land Development Code for consistency with State Laws and current planning methods for growth and economic development; and

WHEREAS, the Planning Advisory Board held public hearings on ~~August~~ March 08~~10~~, 2023~~22, September 14, 2022, October 12, 2022,~~ and ~~December~~ April 1~~2~~4, 2023~~2~~, to discuss and consider public comment on the requested LDC Text Amendments;

WHEREAS, the Planning Advisory Board (PAB), acting as the City's Local Planning Agency, considered the application at its ~~Special~~ Regular Meeting on Wednesday, ~~December~~ April 1~~2~~4, 2023~~2~~, and issued a recommendation of approval for the requested amendments; and

WHEREAS, notice of public hearing on such Land Development Code amendments was published in the News Leader, a newspaper of general circulation in Fernandina Beach, Nassau County, Florida, on ~~November~~ March 29~~30~~, 2023~~2~~.

NOW, THEREFORE, BE IT ENACTED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH AS FOLLOWS:

SECTION 1. PURPOSE AND INTENT. The City Commission finds that the amendments attached hereto as Exhibit "A," amending multiple LDC Sections to ~~address errors, omissions, and corrections~~support commercial development and redevelopment opportunities and to allow for reasonable reinvestment in existing commercial properties.

SECTION 2. SEVERABILITY. If any section, sentence, ~~clause~~clause, or phrase of this Ordinance is held to be invalid or unconstitutional by any Court of competent jurisdiction, the holding shall in no way affect the validity of the remaining portions of this Ordinance.

SECTION 3. This Ordinance shall become effective immediately upon enactment.

ENACTED this_____ ~~21st~~20th day of ~~February~~_____~~June~~, 2023.

CHANGES TO CHAPTER 1

1.07.00 DEFINITIONS

Adaptive Reuse *means the renovation and reuse of pre-existing structures for new purposes.*

Development and Development Activity *has the meaning in 380.04, F.S.*

Infill Development *means development of vacant parcels or unused lands within previously built areas.*

Redevelopment *means demolition of an existing structure(s) followed by construction of new structure(s).*

Greenfield Development*: development on undeveloped parcels not surrounded by existing development, or on large parcels surrounding partially developed areas or undeveloped areas.*

Change Justification: Adds new definitions to identify specific development scenarios.

(Changes continue next page)

~~**Area, Building** means the area within surrounding exterior walls. Areas of the building not within surrounding walls are included in the building area if such areas are included within the horizontal projection of the roof. Areas of the building not within the surrounding walls such as: eave overhangs, uncovered stairwells, uncovered balconies, or uncovered front entry steps are not included in the building area.~~

~~**Façade, Front** means the exterior side of a building which faces and is most closely parallel to the front lot line.~~

CHANGES TO CHAPTER 6~~5~~

6.04.00 COMMERCIAL DEVELOPMENT

6.04.01 Standards for Large Scale Commercial Development

Large scale commercial development is commercial development with 20,000 or more square feet of gross floor area in all buildings on the site. The design standards set forth below apply to large scale commercial development.

A. Commercial development includes a single, freestanding building or a group of buildings. Commercial development ~~shall~~ must have a unified design and a management plan to ensure continual compliance with an approved site plan.

B. Commercial buildings may be occupied by one (1) or more business tenants or owners.

C. Commercial buildings ~~shall~~ must be designed to ensure adaptability for reuse. The building design ~~shall~~ must include specific elements for adaptation for multi-tenant reuse. Such elements may include compartmentalized construction, including plumbing, electrical service, heating, ventilation, and air conditions. The building design ~~shall~~ must also allow for interior subdivision into separate tenancies.

D. Development may be proposed on a single parcel, or two (2) or more parcels. Where a single development is proposed that includes two (2) or more parcels, the development ~~shall~~ must be under unified control and management. Proof of unified control and management ~~shall~~ must be provided to the City.

E. New development: The maximum gross floor area for a single business tenant or owner in any new commercial building is not permitted to exceed 55,000 square feet ~~and all buildings within commercial development shall not exceed 80,000 square feet~~., except for lodging accommodations in the C-1, C-2 and I-A zoning districts. Lodging Accommodations in the C-1, C-2, and I-A zoning districts shall not exceed 150,000 square feet.

F. A single business tenant or owner in an existing nonconforming commercial property is permitted to expand the structure at no greater than 15% of the existing structure's footprint.

F. The standards for buffers in Section 4.05.~~05~~12 ~~shall~~ must apply on the perimeter of the development parcel. Buffers ~~shall~~ are not ~~be~~ required between uses on the interior of the development parcel. This does not relieve the applicant from meeting all landscaping requirements that may apply to the total site or parking areas within the site.

G. Where two (2) or more buildings are proposed within the development site, such buildings ~~shall~~ must be connected by sidewalks or pedestrian pathways. Pedestrian facilities ~~shall~~ must meet the following standards:

1. Decorative pavers, bricks, scored concrete, or paving patterns ~~shall~~ must be used to identify pedestrian areas.
2. At least one (1) internal continuous sidewalk ~~shall~~ must be provided from an adjacent public street to the primary entrance ~~shall~~ must the commercial development.
3. Sidewalks or walkways shall connect focal points of pedestrian activity, such as street crossings, building entrances, plazas, or courtyards.
4. Landscaping ~~shall~~ must be located adjacent to pedestrian areas to provide separation.

5. All internal pedestrian walkways shall be physically separated from parking lot aisles, driveways, and other vehicular areas.

(Changes continue next page)

H. Each building on a commercial development site ~~shall~~ must have clearly defined, highly visible customer entrances, featuring no less than two (2) of the following features:

1. Arcades;
2. Arches;
3. Canopies or porticos;
4. Cupolas;
5. Overhangs;
6. Recesses or projections;
7. Architectural details, such as tile work or molding, which is integrated into the building structure and design; or
8. Integral planters or wing walls that incorporate landscaped areas and/or places for sitting.

I. Mechanical equipment, electrical meter and service components, and similar utility devices, whether ground level, wall mounted, or roof mounted, ~~shall~~ must be screened from view from public rights-of-way through one (1) of the following methods:

1. Where equipment is at ground level, screening may be provided through landscaping sufficient to block the view from public rights-of-way; or
2. Where brick, wood, or masonry materials are used to screen the equipment or devices, the materials ~~shall~~ must be the same as the predominant exterior building materials for the principal building on the site.

J. Street level retail uses with sidewalk frontage ~~shall~~ must provide an entrance to the building from the sidewalk in addition to any other access that may be provided to the building.

K. The following accessory uses and structures ~~shall~~ must be integrated into the overall design of the site to ensure that visual and other impacts of these uses are fully contained or enclosed and out of view from adjacent properties and public streets. These uses and structures ~~shall~~ must be designed to blend with the principal building through the use of color, building materials, and architectural features, to ensure that no attention is attracted to the functions by the use of screening materials that are different from or inferior to the principal material of the building and landscape:

1. Loading docks;
2. Truck parking;
3. Outdoor storage;
4. Outdoor shopping cart storage areas;
5. Utility meters;
6. HVAC equipment;
7. Dumpsters (See Section 5.01.07); and
8. Other similar service facilities and functions.

L. Building design requirements:

1. Facades that are 100 or more feet in length ~~shall~~ must provide wall projections or recesses a minimum of three (3) feet in depth and a minimum of twenty (20) contiguous feet long within each 100 feet of facade length.
2. Arcades, display windows, entry areas, or awnings ~~shall~~ must be provided along at least sixty (60) percent of the façade.
3. A repeating pattern of color, texture, or materials is required.

4. Brick, wood, or masonry materials shall be used.
5. The roofline ~~shall~~ must have a change in height every 100 feet of building length.
6. Parapets, mansard roofs, gable roofs, hip roofs, or dormers ~~shall~~ must be used to conceal flat roofs and roof top equipment from public view. *(Changes continue next page)*

M. All exterior lighting ~~shall~~ must be shielded and directed such that there is no direct illumination of adjacent properties.

N. Gasoline canopies and automotive service facilities that are accessory to the principal building shall be compatible with the design of the principal building:
1. Materials, colors, building designs, architectural features, and roof design ~~shall~~ must conform with and compliment the predominant materials, colors, and design of the principal building.
2. Lighting ~~shall~~ must be flush mount, flat lens fixtures for all under canopy fueling areas.

O. Parking ~~shall~~ must not exceed 110 percent of the parking standard set forth in Section 7.01.04. ~~At least twenty (20) percent of the required parking shall be provided in pervious pavement, grass, gravel, turf block, or similar material.~~

P. At least twenty (20) percent of areas dedicated to parking and drive aisles must incorporate alternate paving materials such as: decorative pavers, bricks, scored concrete, or paving patterns.

~~Q~~P. Loading docks ~~shall~~ must be screened from view from adjacent properties and from the public right-of-way. Loading docks for all new development ~~shall~~ must be setback a minimum of 100 feet from any lots zoned for residential use. Loading docks for redevelopment or adaptive reuse projects are permitted to be setback a minimum of 40 feet from any lots zoned for residential use.

Change Justification: Drafted amendments serve to allow for reasonable standards for commercial development and redevelopment or adaptive reuse projects by limiting the size of single use tenant or owner spacing and allowing for expansion of non-conforming structures. Modifies requirements for large-scale commercial development to provide relieve from requirements for pervious materials to make consistent with the St. Johns River Water Management District for calculation of stormwater runoff volumes but, retains a requirement to provide alternative paving surfaces in parking aisles and spaces for character. Additionally, it modifies the requirements for loading docks to address redevelopment and adaptive reuse scenarios in keeping with the established building patterns in Fernandina Beach. These changes apply exclusively to parking material requirements and do not amend (in anyway) the overall site maximum impervious surface area allowances as directed in LDC Section 4.02.01(J). The changes to loading docks were determined by looking at the existing development patterns of commercial properties. The allowance at 40 feet for ONLY redevelopment projects will make existing structures conform and avoid needing to seek a variance if redevelopment occurs on the same site.

(Changes continue next page)

CHANGES TO CHAPTER 7
7.01.00 TRANSPORTATION AND PARKING FACILITIES
7.01.04 Parking Standards and Lot Design

C. Parking lot design requirements

* * * * *

~~2. Parking Material: All new and redeveloping properties shall incorporate the use of pervious parking materials for a minimum of 75% of the required parking. Pervious parking materials that require regular maintenance through activities such as, vacuum sweeping, must demonstrate their ability to perform regular maintenance of the site. Pavement systems must be maintained in a smooth, well-graded, and drained condition. Parking materials may consist of standard paving, pavers and alternate paving systems. Use of grass or alternate lawn surface as parking material may be considered for up to one-third (1/3) of the required off-street parking facilities. All accessible spaces must comply with all requirements set by ADA.~~ *(Rewritten as follows)*

2. Parking Material: At least twenty (20) percent of new parking areas and drive aisles must incorporate alternate paving materials such as: decorative pavers, bricks, scored concrete, or paving patterns. Use of grass or alternate lawn surface as parking material may be considered for up to one-third (1/3) of the required off-street parking facilities. All accessible spaces must be designed and maintained to comply with all requirements set by ADA. Large-scale commercial development must conform to the standards set forth in section 6.04.01 ~~5.01.03 All Accessory Structures~~

Change Justification: Addresses Parking Material requirements for all commercial development to be consistent with standards revised for large-scale commercial projects. (See prior justification in Chapter 6 for more details).

~~A. There must be a permitted principal structure in full compliance with all development standards and requirements of this LDC prior to issuance of a permit for an accessory structure. This provision will not be construed to prohibit the establishment of an accessory structure simultaneously with the establishment of a permitted principal structure.~~

~~B. Permissible accessory uses by zoning district are identified in Table 2.03.03.~~

~~C. There must be no more than one (1) detached accessory dwelling unit and not more than a total of two (2) other detached accessory buildings on a lot.~~

~~D. An accessory structure must not be located within or partially within any public right-of-way.~~

~~E. Accessory structures must be shown on any site plan with full supporting documents as required by this LDC.~~

~~F. Accessory structures must be included in all calculations of impervious surface and stormwater runoff requirements.~~

~~G. Accessory structures must not be located in any required buffer, landscape area, or stormwater management area.~~

~~H. A detached accessory building in a residential zoning district must be located behind the front façade of the principal structure and must be set back from the front lot line a minimum of 25 feet from the side lot line a minimum of three (3) feet and from the rear lot line a minimum of~~

three (3) feet, except within the C-3 zoning district whereby the building standards set forth in Section 4.02.03(E) shall apply. Eaves may encroach up to twelve (12) inches into the side or rear yard setback.

I. A detached accessory building must not exceed twenty-five (25) feet in height, or exceed a maximum building footprint of 625ft². Building height must be measured from the average natural grade to the highest point on the structure,. Properties located within a flood hazard area must measure building height to the highest point on the structure from:

1. The higher of the base flood elevation or approved finished grade for buildings and structures in a special flood hazard area and 0.2 percent annual chance of flood hazard area.

2. The approved finished grade for buildings and structures in coastal high hazard areas (Zone V) and Coastal A zones.

J. A detached accessory building must not exceed a building area of 625 square feet.

K. Connection of an accessory structure to a principal structure may be permissible if the connection is non-conditioned, unenclosed, and meets all principal structure setback requirements. A half wall, knee wall, or railings may be permitted as part of the connection.

CHANGES TO CHAPTER 5 (CONT.)

5.01.04 Accessory Dwellings Units (ADU)

A. Accessory dwelling units (ADU) shall do not count towards density. Long-term rental (31 days or more) is permissible when the property upon which the ADU is located receives a homestead exemption from the Nassau County, Florida Property Appraiser. Per the City's Comprehensive Plan policy 1.06.05, detached accessory dwelling units shall be are permissible in all residential areas in compliance with the following standards:

1. The total floor building area of the detached accessory dwelling unit shall must not exceed 625 square feet;

2. The maximum height for a detached accessory dwelling unit located as a freestanding building or an apartment over a detached garage may not exceed twenty-five (25) feet, measured from the approved finished grade average natural grade to the highest point on the structure; Properties located within a flood hazard area must measure building height to the highest point on the structure from:

a. The higher of the base flood elevation or approved finished grade for buildings and structures in a special flood hazard area and 0.2 percent annual chance of flood hazard area.

b. The approved finished grade for buildings and structures in coastal high hazard areas (Zone V) and Coastal A zones.

3. A detached accessory dwelling unit shall must be located only within a rear yard as established by Section 4.02.03 behind the front façade of the principal structure; and

4. An accessory dwelling unit shall must comply with all standards set forth in Section 5.01.03.

1. An accessory dwelling is permissible in the I-1 or I-A zoning districts within a building which has as its principal use industrial or commercial uses. The accessory dwelling must comply with the following standards:

1. The total floor building area shall must not exceed 625 square feet, and only one accessory dwelling is permitted per lot of record or business, whichever is more restrictive;

2. The accessory dwelling shall must be provided solely for the occupancy by the owner, the manager, or an employee of the business which is the principal use;

~~3. The accessory dwelling shall must not have a separate water or electric meter from the business it serves;~~
~~4. Parking for the accessory dwelling may be shared with the business it serves;~~
~~5. The accessory dwelling shall must not have a separate exterior entrance from the business entrance.~~
~~B. An accessory dwelling is permissible in the OT-1 or OT-2 zoning districts subject to the standards in Section 8.01.01.02(C).~~

CHANGES TO CHAPTER 8

8.01.01.02 Specific Requirements within the OT-1 and OT-2 Zoning Districts

H. Garages and outbuildings that house more permanent types of occupancy, such as an accessory dwelling, shall must not exceed 500 square feet in area, per level, shall not nor exceed 25 feet in height, measured from the average natural grade to the highest point on the structure, shall may not contain a kitchen, and shall may not be rented out. The area of all other outbuildings is limited to 350 square feet and shall must not exceed 16 feet in height, measured from the average natural grade to the highest point on the structure. Properties located within a flood hazard area must measure building height to the highest point on the structure from:

1. The higher of the base flood elevation or approved finished grade for buildings and structures in a special flood hazard area and 0.2 percent annual chance of flood hazard area.

2. The approved finished grade for buildings and structures in coastal high hazard areas (Zone V) and Coastal A zones.

1.07.00

Adaptive Reuse *means the renovation and reuse of pre-existing structures for new purposes.*

Development and Development Activity *has the meaning in 380.04, F.S.*

Infill Development *means development of vacant parcels or unused lands within previously built areas.*

Redevelopment *means demolition of an existing structure(s) followed by construction of new structure(s).*

Greenfield Development: *development on undeveloped parcels not surrounded by existing development, or on large parcels surrounding partially developed areas or undeveloped areas.*

Rationale: Adds new definitions to support specific development scenarios

---

6.04.00 COMMERCIAL DEVELOPMENT

6.04.01 Standards for Large Scale Commercial Development

Large scale commercial development is commercial development with 20,000 or more square feet of gross floor area in all buildings on the site. The design standards set forth below apply to large scale commercial development.

A. Commercial development includes a single, freestanding building or a group of buildings. Commercial development ~~shall~~ must have a unified design and a management plan to ensure continual compliance with an approved site plan.

B. Commercial buildings may be occupied by one (1) or more business tenants or owners.

C. Commercial buildings ~~shall~~ must be designed to ensure adaptability for reuse. The building design ~~shall~~ must include specific elements for adaptation for multi-tenant reuse. Such elements may include compartmentalized construction, including plumbing, electrical service, heating, ventilation, and air conditions. The building design ~~shall~~ must also allow for interior subdivision into separate tenancies.

D. Development may be proposed on a single parcel, or two (2) or more parcels. Where a single development is proposed that includes two (2) or more parcels, the development ~~shall~~ must be under unified control and management. Proof of unified control and management ~~shall~~ must be provided to the City.

E. New development: The maximum gross floor area for a single business tenant or owner in any new commercial building is not permitted to exceed 55,000 square feet ~~and all buildings within commercial development shall not exceed 80,000 square feet~~., except for lodging accommodations in the C-1, C-2 and I-A zoning districts. Lodging Accommodations in the C-1, C-2, and I-A zoning districts shall not exceed 150,000 square feet.

F. A single business tenant or owner in an existing nonconforming commercial property is permitted to expand the structure at no greater than 15% of the existing structure's footprint.

F. The standards for buffers in Section 4.05.~~05~~12 ~~shall~~ must apply on the perimeter of the development parcel. Buffers ~~shall~~ are not ~~be~~ required between uses on the interior of the development parcel. This does not relieve the applicant from meeting all landscaping requirements that may apply to the total site or parking areas within the site.

G. Where two (2) or more buildings are proposed within the development site, such buildings ~~shall~~ must be connected by sidewalks or pedestrian pathways. Pedestrian facilities ~~shall~~ must meet the following standards:

1. Decorative pavers, bricks, scored concrete, or paving patterns ~~shall~~ must be used to identify pedestrian areas.

2. At least one (1) internal continuous sidewalk ~~shall~~ must be provided from an adjacent public street to the primary entrance ~~shall~~ must the commercial development.

3. Sidewalks or walkways shall connect focal points of pedestrian activity, such as street crossings, building entrances, plazas, or courtyards.

4. Landscaping ~~shall~~ must be located adjacent to pedestrian areas to provide separation.

5. All internal pedestrian walkways shall be physically separated from parking lot aisles, driveways, and other vehicular areas.

H. Each building on a commercial development site ~~shall~~ must have clearly defined, highly visible customer entrances, featuring no less than two (2) of the following features:

1. Arcades;

2. Arches;

3. Canopies or porticos;

4. Cupolas;

5. Overhangs;

6. Recesses or projections;

7. Architectural details, such as tile work or molding, which is integrated into the building structure and design; or

8. Integral planters or wing walls that incorporate landscaped areas and/or places for sitting.

I. Mechanical equipment, electrical meter and service components, and similar utility devices, whether ground level, wall mounted, or roof mounted, ~~shall~~ must be screened from view from public rights-of-way through one (1) of the following methods:

1. Where equipment is at ground level, screening may be provided through landscaping sufficient to block the view from public rights-of-way; or

DRAFT

2. Where brick, wood, or masonry materials are used to screen the equipment or devices, the materials ~~shall~~ must be the same as the predominant exterior building materials for the principal building on the site.

J. Street level retail uses with sidewalk frontage ~~shall~~ must provide an entrance to the building from the sidewalk in addition to any other access that may be provided to the building.

K. The following accessory uses and structures ~~shall~~ must be integrated into the overall design of the site to ensure that visual and other impacts of these uses are fully contained or enclosed and out of view from adjacent properties and public streets. These uses and structures ~~shall~~ must be designed to blend with the principal building through the use of color, building materials, and architectural features, to ensure that no attention is attracted to the functions by the use of screening materials that are different from or inferior to the principal material of the building and landscape:

1. Loading docks;

2. Truck parking;

3. Outdoor storage;

4. Outdoor shopping cart storage areas;

5. Utility meters;

6. HVAC equipment;

7. Dumpsters (See Section 5.01.07); and

8. Other similar service facilities and functions.

L. Building design requirements:

1. Facades that are 100 or more feet in length ~~shall~~ must provide wall projections or recesses a minimum of three (3) feet in depth and a minimum of twenty (20) contiguous feet long within each 100 feet of facade length.

2. Arcades, display windows, entry areas, or awnings ~~shall~~ must be provided along at least sixty (60) percent of the façade.

3. A repeating pattern of color, texture, or materials is required.

4. Brick, wood, or masonry materials shall be used.

5. The roofline ~~shall~~ must have a change in height every 100 feet of building length.

6. Parapets, mansard roofs, gable roofs, hip roofs, or dormers ~~shall~~ must be used to conceal flat roofs and roof top equipment from public view.

M. All exterior lighting ~~shall~~ must be shielded and directed such that there is no direct illumination of adjacent properties.

N. Gasoline canopies and automotive service facilities that are accessory to the principal building shall be compatible with the design of the principal building:

1. Materials, colors, building designs, architectural features, and roof design ~~shall~~ must conform with and compliment the predominant materials, colors, and design of the principal building.

DRAFT

2. Lighting ~~shall~~ must be flush mount, flat lens fixtures for all under canopy fueling areas.

O. Parking ~~shall~~ must not exceed 110 percent of the parking standard set forth in Section 7.01.04. ~~At least twenty (20) percent of the required parking shall be provided in pervious pavement, grass, gravel, turf block, or similar material.~~

P. At least twenty (20) percent of areas dedicated to parking and drive aisles must incorporate alternate paving materials such as: decorative pavers, bricks, scored concrete, or paving patterns.

Q~~P~~. Loading docks ~~shall~~ must be screened from view from adjacent properties and from the public right-of-way. Loading docks for all new development ~~shall~~ must be setback a minimum of 100 feet from any lots zoned for residential use. Loading docks for redevelopment or adaptive reuse projects are permitted to be setback a minimum of 40 feet from any lots zoned for residential use.

Rationale: Drafted amendments serve to allow for reasonable standards for commercial development and redevelopment or adaptive reuse projects by limiting the size of single use tenant or owner spacing and allowing for expansion of non-conforming structures. Modifies requirements for large-scale commercial development to provide relieve from requirements for pervious materials to make consistent with the St. Johns River Water Management District for calculation of stormwater runoff volumes but, retains a requirement to provide alternative paving surfaces in parking aisles and spaces for character. Additionally, it modifies the requirements for loading docks to address redevelopment and adaptive reuse scenarios in keeping with the established building patterns in Fernandina Beach.

7.01.00 TRANSPORTATION AND PARKING FACILITIES

7.01.04 Parking Standards and Lot Design

* * * * *

C. Parking lot design requirements

* * * * *

~~2. Parking Material: All new and redeveloping properties shall incorporate the use of pervious parking materials for a minimum of 75% of the required parking. Pervious parking materials that require regular maintenance through activities such as, vacuum sweeping, must demonstrate their ability to perform regular maintenance of the site. Pavement systems must be maintained in a smooth, well-graded, and drained condition. Parking materials may consist of standard paving, pavers and alternate paving systems. Use of grass or alternate lawn surface as parking material may be considered for up to one-third (1/3) of the required off-street parking facilities. All accessible spaces must comply with all requirements set by ADA.~~ *(Rewritten as follows)*

2. Parking Material: At least twenty (20) percent of new parking areas and drive aisles must incorporate alternate paving materials such as: decorative pavers, bricks, scored concrete, or paving patterns. Use of grass or alternate lawn surface as parking material may be considered for up to one-third (1/3) of the required off-street parking facilities. All accessible spaces must be

designed and maintained to comply with all requirements set by ADA. Large-scale commercial development must conform to the standards set forth in section 6.04.01.

Rationale: Addresses Parking Material requirements for all commercial development to be consistent with standards for large-scale commercial projects.

Planning Advisory Board (PAB) - Submission #11218

Date Submitted: 4/5/2023

Planning Advisory Board (PAB) Application

USE THIS FORM TO Request actions to affect changes to property (zoning changes, annexations, allowable uses, subdivisions).

Fees

Once application is submitted it will be reviewed for completeness. Once verified complete, an invoice will be emailed to the applicant.

- [ ] Zoning Map Amendment (â‰¤ 10 acres $2,500 / > 10acres $5,000)
- [ ] Land Use Map Amendment (â‰¤ 10 acres $2,500 / > 10acres $5,000)
- [x] LDC Text Amendment ($1,500)
- [ ] Comp Plan Amendment ($5,000)
- [ ] Subdivision Plat â€“ Preliminary (â‰¤ 20 units $3,000 / > 20 units $5,000)
- [ ] Subdivision Plat â€“ Final ($1,500)
- [ ] Vacation of R.O.W. ($3,500)
- [ ] Small Cell Outside R.O.W. (per application) ($500)
- [ ] Voluntary Annexation ($2,000)
- [ ] Development of Regional Impact: Amend Development Order ($1,500)
- [ ] New Telecommunications Structure ($2,000)
- [ ] Revision to each PAB Application - 1/2 cost of original application fee (To offset additional display ad fee)

2023 Submission Deadlines + Meetings Calendar

PAB 2023

IMPORTANT NOTES

Pre-Application Meeting

To guide you through the process and ensure that your application is understood and properly processed, youâ€™ll need to meet with a City Planner prior to submitting your application. Completed applications are due 30 days prior to the Planning Advisory Board meeting date.

Please see the Land Development Code (LDC) for detailed information:

- [x] LDC Text Amendment â€“ see LDC Section 11.01.08.
- [ ] Preliminary Subdivision Plat â€“ see LDC Section 11.01.05.
- [ ] Final Subdivision Plat â€“ LDC Section 11.01.05.
- [ ] Zoning Map Changes â€“ See LDC Section 11.01.07.

The LDC is available for review at

www.fbfl.us/LDC

Application Requirements

- [ ] A complete application filed at least forty-five (45) days before the date of the Planning Advisory Boardâ€™s public hearing;
- [ ] Proof of Ownership (copy of deed or tax statement);
- [ ] A current survey of the property (no older than two years);
- [ ] If applying as an agent, Ownerâ€™s Authorization for Agent Representation form needs to be signed/ notarized and included in application;
- [ ] A detailed letter of intent stating the following:
- [ ] o The consistency of the proposed amendment(s) or action(s) with the Cityâ€™s Comprehensive Plan.
- [ ] o A justification for the proposed amendment(s) or action(s).

Have you met with a planner for a pre-application meeting?*

Yes

What was the date of your pre-application meeting?*

2/1/2023

If you have yet to have a pre-application meeting, please choose a date and time to schedule your meeting now. Every Tuesdays are reserved for pre-application appointments.*

PROJECT INFORMATION

Previous Planning/Zoning Approvals

Summary of Request (more detailed information to be provided in required letter of intent)*

PAB CASE 2023-0039: LDC text amendments to support commercial development and redevelopment opportunities to allow reasonable reinvestment in existing commercial properties by specifically adding definitions in section 1.07.00 (acronyms and definitions) for adaptive reuse, development and development activity, infill development, redevelopment, and greenfield development, AND TO amend section 6.04.01 standards for large scale commercial development specifically changing policies for maximum gross floor area, creating allowance for expansion of non-conforming structures, parking materials, loading docks, to amend section 7.01.04(c)(2) parking lot design requirements, parking materials; to amend section 7.01.06 loading space standards and design to add criteria for redevelopment projects, modifying section 10.01.02 to allow reasonable expansion of non-conforming commercial development.

Certification*

☑ By signing below, I certify that the information contained in this application is true and correct to the best of my knowledge at the time of the application.

☑ I acknowledge that I understand and have complied with all of the submittal requirements and procedures.

I/We understand that the City Staff may install a Notice of Hearing sign on the property 14 days before the scheduled heating and that the sign must only be removed after the hearing by City Staff, unless, the applicant or property owner brings the Notice of Hearing back to City Hall.

STAFF REPORT
PAB CASES 2023-039, 2023-040, 2023-041(Large- Scale Commercial Redevelopment)
April 12, 2023

APPLICATIONS FOR COMPRHENSIVE PLAN AND LAND DEVELOPMENT CODE TEXT AMENDMENTS

SUMMARY BACKGROUND:
In Fernandina Beach, "large-scale" commercial development largely occurred along roadways leading to the Central Business District including Sadler Road, S. 14th Street, and 8th Street between the late 1970s and 1980s. It was a time when typical commercial development patterns included large expanses of asphalt vehicle parking, (often an oversupply of parking), to accommodate strip malls with one or more anchor tenants. Little attention was given to landscaping or pedestrian access and circulation.

Fast forward 40-50 years, the City's established shopping centers have been well maintained and updated several times over the years. Often this is through façade face lifts and interior renovations as well as new roofs and updates to mechanical such as HVAC, electrical, and plumbing as the business mix has changed. Retrofit of parking areas to incorporate additional landscaping has occurred incrementally, but typically remain far from compliant with current standards.

In 2000, the City of Fernandina Beach established new standards for large-scale commercial development, which was defined as anything greater than 20,000 square feet. These new standards required design changes such as facade improvements and architectural elements. Most notably, was a standard for the prevention of "Super Walmart" style commercial development, which limited the size of commercial development to no greater than 80,000 square feet. This limit was based on the amount of commercial floor area that could be constructed on a city block within the downtown core (Central Business District), according to meeting minutes.

The adoption of these new standards immediately rendered several commercial shopping centers "non-conforming" with the City's regulations. Non-conforming structures are allowed to be maintained but cannot be expanded without a variance from the Board of Adjustment (BOA). Please reference supplemental documentation which provides analysis of the City's commercial shopping centers including estimated square footage, age of structure, and site photos (**EXHIBIT A**).

A secondary issue that impacts commercial re-investment is a requirement within the City's Comprehensive Plan (Plan) and Land Development Code (LDC) requiring all new development and redevelopment projects to reconstruct parking with 75% pervious materials. This standard was adopted in late 2012 during a time when the State of Florida was considering changes in stormwater regulations through the Water Management Districts to recognize low impact development strategies and reduce the required volume calculations where these strategies have been incorporated. Unfortunately, due to administrative shifts in philosophy following the gubernatorial election, the rulemaking process associated with this effort stopped in 2013-2014. Today, stormwater calculations remain as they were historically and there is no credit for incorporation of pervious materials in site design and there in no incentive to incorporate alternative paving materials to reduce the land area dedicated to stormwater management.

PROBLEM STATEMENT:
The City's commercial shopping centers need to upgrade and redevelop to attract new anchor tenants. Established standards limiting large-scale commercial development coupled with not allowing for expansion of a non-conforming structure and requirements for pervious parking materials actively thwart the ability to make reasonable reinvestment into existing structures or to demolish and rebuild in the same place. As a result, these properties are obligated to demonstrate a hardship to obtain a variance. Variances are completely at risk, and it is extremely difficult for staff or the BOA to recommend approval even when site or use specific special conditions prevent full compliance with the LDC.

STAFF REPORT
PAB CASES 2023-039, 2023-040, 2023-041(Large- Scale Commercial Redevelopment)
April 12, 2023

PROPOSED SOLUTION:

1. Text amendments to the 2030 Comprehensive Plan to strike policies requiring pervious parking materials to rely on standards created in the Land Development Code. AND
2. Text amendments to the Land Development Code to provide direction which:
   - Allows for reasonable redevelopment of large-scale commercial development,
   - Modifies standards to reduce the amount of pervious parking by allowing for alternate paving materials which adds character to the development site,
   - Recognizes that neighborhoods have built up around the commercial development and some requirements cannot be achieved in the current location, and
   - Modify standards for the approval of variances.

RATIONALE:

The proposed solution serves to create a more consistent approach with Comprehensive Plan policies that seek to allow for adaptive reuse of existing structures and sustainable building techniques. More specifically the amendments resolve a conflict with Plan policy 1.01.03 of and further supports Plan policies 1.04.01, 1.04.03, 1.04.04., 1.05.02, Objective 12.05 and policies 12.05.01-12.05.03. Collectively, the proposed changes will allow for adaptive reuse of built environment, allows for reasonable reinvestment in existing commercial properties and avoids the potential for demolition of otherwise functional properties to achieve compliance. By striking certain Plan policies, the City relies on the standards established in the LDC to set the direction for large-scale commercial development and redevelopment activities.

The proposed changes to the LDC will:

- Add new definitions to provide clarification for certain development types,
- Striking the 80,000 square foot (SF) limitation for large-scale commercial development and adding a limitation for 55,000 square feet for a single-use tenant or owner which addresses the 1999 community concern of Super Walmart locating in the city,
- Adding a policy to allow for up to 15% expansion of a single business tenant existing non-conforming commercial structure,
- Requiring at least twenty (20) percent of areas dedicated to parking and drive aisles must incorporate alternate paving materials such as: decorative pavers, bricks, scored concrete, or paving patterns to recognize the desire to ensure community character through design.
- Establishing a separate standard for reuse or redevelopment of existing loading docks to recognize that the residential development occurred after the original commercial shopping center,
- Removing the requirement for "Special Privilege" as the request itself is inherently allowing for a special right for that specific property, and
- Allowing variance approvals with a super majority of criteria being achieved (4 out of 5).

Staff has analyzed the requested amendments against average footprints of single-tenant businesses typically found within the Jacksonville MSA/ First Coast region. These are provided as a reference point for the board to consider and understand how the changes will continue to disallow certain "big box" businesses from locating in Fernandina Beach. Below is a brief listing of the typical/ average square footage (SF) needs for each business ranging from largest to smallest in indoor footprint size:

- Super Walmart: 187,000 SF
- Costco: 146,000 SF
- Sam's Club: 136,000 SF
- Target: 130,000 SF
- Lowe's: 112,000-117,000 SF
- IKEA (small footprint): 115,000 SF
- JCPenney Clothing: 110,000 -160,000 SF
- Home Depot: 105,000 SF
- Kohl's: 80,000- 90,000 SF
- Bass Pro Shop: 85,000 SF

- AMC Theaters: 60,000 SF
- Hobby Lobby: 55,000 - 64,000
- Urban Air Trampoline Park: 45,000-55,000 SF
- Ashley Home Store: 30,000-54,000 SF
- Harris Teeter: 53,000 SF
- Publix Super Center: 45,000-61,000 SF
- Winn Dixie: 45,000-60,000 SF
- Big Lots: 47,000 SF
- Walmart Neighborhood Market: 40,000 SF
- YMCA: 40,000 SF
- Best Buy: 38,500 SF
- LA Fitness: 35,000 - 45,000 SF
- Ace Hardware: 30,000 SF
- Council on Aging (Existing in City): 28, 769 SF
- Dave & Buster's Arcade: 25,000 – 43,000 SF
- Macy's or TJ Maxx: 30,000 SF
- HomeGoods: 28,000 SF
- PetSmart: 26,000 SF
- Publix Greenwise: 25,000 – 28,000 SF
- Rainforest Café: 23,000 -30,000 SF
- JoAnn Fabric or Michaels: 22,000 SF
- Aldi Super Market: 17,825- 18,000 SF
- Avg. 10 lane Bowling Alley: 15,000 SF
- Trader Joes: 8,000 – 15,000 SF
- Skating Rink: 14,000 SF
- Outpatient Surgery Center: 12,500 SF
- David's Bridal: 12,000 SF
- Pottery Barn: 10,000 SF
- Cheesecake Factory: 7,500 – 10,000 SF
- Fleming's Prime Steakhouse: 7,000-8,000 SF
- PF Chang's Traditional Restaurant: 7,000 SF
- Dollar General: 7,200 SF
- Bonefish Grill: 5,500 SF
- Healthcare/ Medical Offices: 3,000 – 8,000 SF

Respectfully submitted by,

Kelly N. Gibson, AICP, Director

Existing Inventory Analysis of Large-Scale Commercial Development in Fernandina Beach

NOTICE OF PUBLIC HEARING
PLANNING ADVISORY BOARD
CITY OF FERNANDINA BEACH

NOTICE IS HEREBY GIVEN that a Public Hearing is scheduled for **Wednesday, April 12, 2023, at 5:00 p.m.** in the City Commission Chambers, 204 Ash Street Fernandina Beach, Florida to consider the following:

VACATION OF RIGHT OF WAY (ROW)

PAB CASE 2023-0038: ***CITY OF FERNANDINA BEACH*** REQUESTS A VACATION OF ROW FOR APPROXIMATELY 142 FT BY 50 FT SECTION OF UNIMPROVED POMPANO STREET.

LAND DEVELOPMENT CODE TEXT AMENDMENT

PAB CASE 2023-0039: ***CITY OF FERNANDINA BEACH*** REQUESTS LAND DEVELOPMENT CODE TEXT AMENDMENTS TO SUPPORT COMMERCIAL DEVELOPMENT AND REDEVELOPMENT OPPORTUNITIES TO ALLOW REASONABLE REINVESTMENT IN EXISTING COMMERCIAL PROPERTIES BY SPECIFICALLY ADDING DEFINITIONS IN SECTION 1.07.00 (ACRONYMS AND DEFINITIONS) FOR ADAPTIVE REUSE, DEVELOPMENT AND DEVELOPMENT ACTIVITY, INFILL DEVELOPMENT, REDEVELOPMENT, AND GREENFIELD DEVELOPMENT, TO AMEND SECTION 6.04.01 STANDARDS FOR LARGE SCALE COMMERCIAL DEVELOPMENT SPECIFICALLY CHANGING POLICIES FOR MAXIMUM GROSS FLOOR AREA, CREATING ALLOWANCE FOR EXPANSION OF NON-CONFORMING STRUCTURES, PARKING MATERIALS, LOADING DOCKS, TO AMEND SECTION 7.01.04(C)(2) PARKING LOT DESIGN REQUIREMENTS, PARKING MATERIALS; TO AMEND SECTION 7.01.06 LOADING SPACE STANDARDS AND DESIGN TO ADD CRITERIA FOR REDEVELOPMENT PROJECTS, MODIFYING SECTION 10.01.02 TO ALLOW REASONABLE EXPANSION OF NON-CONFORMING COMMERCIAL DEVELOPMENT.

LAND DEVELOPMENT CODE TEXT AMENDMENT

PAB CASE 2023-0040: ***CITY OF FERNANDINA BEACH*** REQUESTS LAND DEVELOPMENT CODE TEXT AMENDMENTS TO MODIFY 10.02.02(A) REQUIRED FINDINGS FOR GRANT OF A VARIANCE TO REMOVE THE CRITERIA FOR SPECIAL PRIVILEGE AND TO ALLOW A VARIANCE TO BE APPROVED WITH A SUPERMAJORITY OF THE CRITERIA BEING MET.

COMPREHENSIVE PLAN TEXT AMENDMENT

PAB CASE 2023-0041: ***CITY OF FERNANDINA BEACH*** REQUESTS COMPREHENSIVE PLAN TEXT AMENDMENTS TO SUPPORT COMMERCIAL DEVELOPMENT AND REDEVELOPMENT OPPORTUNITIES TO ALLOW REASONABLE REINVESTMENT IN EXISTING COMMERCIAL PROPERTIES BY SPECIFICALLY MODIFYING THE FUTURE LAND USE ELEMENT POLICY 1.08.05 (STANDARDS FOR DESTINATION ACTIVITY CENTERS OR CONVERSION OF EXISTING CONVENTIONAL SUBURBAN SHOPPING CENTERS) AND MODIFYING OR STRIKING THE MULTIMODAL TRANSPORTATION ELEMENT POLICIES 2.13.06 (REQUIRED PLACEMENT OF PARKING), 2.13.08 (VISUAL SCREENING OF PARKING), 2.13.11(REQUIREMENTS FOR PERVIOUS PARKING MATERIALS).

Interested parties may appear at said hearing and be heard as to the advisability of any action, which may be considered. Any persons with disabilities requiring accommodations in order to participate in this program or activity should contact 310-3100, TTY 711, (TTY number for all City offices) or through the Florida Relay Service at 711 at least 24 hours in advance to request such accommodation. The PAB serves as a recommending committee. Every application is submitted to the City Commission for final decision making.

Copies of the applications may be inspected in the office of the Planning Department, City Hall, 204 Ash Street, between the hours of 8:00 AM – 5:00 PM, Monday through Friday. To make an appointment with a planner, please call 904-310-3480.

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Ordinance 2023-11
(Legislative) Future Land Use Map Amendment - Beach Access Property, Ketch Court, and Robert Oliver Avenue

ITEM TYPE: Ordinance (w/o fiscal impact)

REQUESTED ACTION: Consider Ordinance 2023-11 at Second Reading.

SYNOPSIS: This ordinance changes the Future Land Use Category of City-owned property from Low Density Residential (LDR) to Recreation (REC) for Beach Access 18 and from Medium Density Residential (MDR) to Conservation (CON) for properties located on Ketch Court and at the end of Robert Oliver Avenue. The Planning Advisory Board held a public hearing on March 8, 2023 and recommended approval of this change. The City Commission approved this ordinance at First Reading at its April 18, 2023, Regular Meeting.

FISCAL IMPACT: None

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): I recommend that the City Commission enact proposed Ordinance 2023-11 at Second Reading.

Kelly Gibson, Planning Deputy Director	4/21/2023
Katie Newton, Legal Assistant	5/1/2023
Agnes White, Administrative Services Manager	5/1/2023
Charles George, Interim City Manager	5/2/2023
Tammi E. Bach, City Attorney	5/5/2023

Agnes J. White

Submitted By: Agnes White, Administrative Services Manager Date: April 19, 2023

COMMISSION ACTION: Enact

ORDINANCE 2023-11

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A FUTURE LAND USE MAP OF RECREATION (REC) FOR BEACH ACCESS PROPERTY LOCATED ON SOUTH FLETCHER AVENUE; AND ASSIGNING A FUTURE LAND USE MAP CATEGORY OF CONSERVATION (CON) FOR PROPERTIES LOCATED ON KETCH COURT AND AT THE END OF ROBERT OLIVER AVENUE, TOTALING APPROXIMATELY 0.44 ACRES OF LAND; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, The City of Fernandina Beach requested assignment of the Recreation (REC) from Low Density Residential (LDR) Future Land Use Map for Beach Access Property; and

WHEREAS, The City of Fernandina Beach requested assignment of the Conservation (CON) from Medium Density Residential (MDR) Future Land Use Map for properties located on Ketch Court and at the end of Robert Oliver Avenue; and

WHEREAS, Planning Staff and the Planning Advisory Board (PAB) acting as the designated Local Planning Agency, has reviewed, and held a public hearing on March 8, 2023, and issued a recommendation of approval; and

WHEREAS, notice of public hearing on such amendments was published in the News Leader, a newspaper of general circulation in Fernandina Beach, Nassau County, Florida, on February 22, 2023.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH AS FOLLOWS:

SECTION 1. PROPERTIES INVOLVED. The City Commission intends to approve the future land use map changes. The properties identified for this change of the Future Land Use Map to Recreation (REC) and Conservation (CON) for properties located and identified by map exhibit attached hereto as Exhibit A.

SECTION 2. FUTURE LAND USE MAP CHANGE. For the properties in question, the City's Future Land Use Map is hereby changed as follows and attached hereto as Exhibit A:

- From Low Density Residential (R-1) to Recreation (REC).
- From Medium Density Residential (R-2) to Conservation (CON).

SECTION 3. SEVERABILITY. If any section, subsection, sentence, clause, phrase of this Ordinance, or the particular application thereof, shall be held invalid by any court, administrative agency or other body with appropriate jurisdiction, the remaining sections, subsections, sentences, clauses, and phrases under application shall not be affected thereby.

ENACTED this 16th day of May, 2023.

CITY OF FERNANDINA BEACH

_____

BRADLEY M. BEAN
Mayor - Commissioner

ROLL CALL/DETERMINATION OF QUORUM

MEMBERS PRESENT:

Victoria Robas (Chair)	Peter Stevenson (Vice-Chair)
John Boylan	Richard Doster
Mark Bennett	Nick Gillette

MEMBERS ABSENT:
Barbara Gingher

OTHERS PRESENT:
Kelly Gibson, Planning & Conservation Deputy Director
Tammi Bach, City Attorney
Taylor Hartmann, Recording Secretary

2. PLEDGE OF ALLEGIANCE

3. APPROVAL OF MEETING MINUTES

3.1 Approval of Minutes for the Regular Meeting of February 8, 2023

3.2 Approval of Minutes for the PAB and City Commission Joint Meeting of February 22, 2023

ACTION TAKEN: A motion was made by Member Stevenson seconded by Member Bennett to approve both sets of minutes as presented.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

4. OLD BUSINESS

There were no Old Business items to discuss.

5. NEW BUSINESS

5.1 PAB 2023-0034 - SCOTT ROAD PARTNERS LLC, 2754 + 2766 BAILEY ROAD
Final Subdivision Plat - Island View - 12 Single Family Residential Lots

Ms. Gibson introduced the case and provided a review of the proposed plat. She recommended approval.

Member Stevenson and Chair Robas inquired about stormwater management.

Asa Gillette, Gillette & Associates, 20 S. 4th Street, agent for the applicant, spoke about the stormwater engineering and the location of the retention pond.

Public Hearing was opened.

Margaret Kirkland, 1377 Plantation Point Drive, expressed concern for the groundwater issues in the area.

Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Boylan to recommend approval of PAB case 2023-0034 to the City Commission; AND that PAB case 2023-0034 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.2 PAB 2023-0035 – CITY OF FERNANDINA BEACH, 2852 BAILEY ROAD
Voluntary Annexation of approximately 0.39 acres of land into the City Limits, Assignment of the City's Medium Density Residential (MDR) Future Land Use Map Category, and Assignment of the City's R-2 Zoning District

Ms. Gibson introduced the case and recommended approval.

Board members discussed density and different residential zoning districts.

Public Hearing was opened and closed with no parties wishing to speak.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Bennett to recommend approval of PAB case 2023-0035 to the City Commission, and that the voluntary annexation and assignment of a Low Density Residential (LDR) Future Land Use Map Category and a Low Density Residential Zoning District of R-1 be approved; AND that PAB case 2023-0035 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.3 PAB 2023-0036 - CITY OF FERNANDINA BEACH, VARIOUS LOCATIONS
Future Land Use Map and Zoning Map Amendments for 9 city-owned parcels totaling 1.29 acres of land Lands will be moved from various Residential (R-1, R-2, R-3) designations to either Conservation or Recreation Future Land Use and Zoning Districts.

Ms. Gibson introduced the case and provided background on each of the parcels being proposed for zoning changes in the following order:

565 S. Fletcher Avenue (rear parcel of 0.06 acres of land recently deeded to the City). No member of the public wished to speak regarding this parcel.

613 Calhoun Street, board members suggested modifying the zoning request to be Public Institutional PI-1 zoning district. Public Hearing was opened, Wally Greeves, 1906 First Avenue, inquired about the voting process for this case. It was noted that this could be voted on separately. Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Gillette, seconded by Member Stevenson to recommend approval of the Future Land Use Map and Zoning Map Amendments of Public Institutional (PI-1) for the property located at 613 Calhoun Street as part of PAB case 2023-0036 to the City Commission; AND that property located at

613 Calhoun Street as part of PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

Ketch Court, this parcel of .14 acres of land was acquired by the City last year and is predominantly wetlands. Chair Robas asked about the management of the parcel by the City. Margaret Kirkland, 1377 Plantation Drive, spoke about the maintenance of wetland properties. Member Gillette asked about conservation easements. Dee Comstock, 2328 Sadler Road, inquired about the purchase history of the Ketch Court parcel and the reason why the City would acquire such properties.

North 14th Street, 3 parcels, predominantly wetlands. No member of the public wished to speak regarding these parcels.

Beach Access 18, Wally Greeves, 1906 First Avenue, clarified that there is a beach walkover over a dune and expressed a concern about the recreational zoning designation. Pamela Cooper, 1947 S. Fletcher Avenue, asked for clarity on maintenance of the beach walkover regardless of the zoning. Donna Haines, 1929 S. Fletcher Avenue, inquired about the zoning of other beach accesses. Margaret Kirkland, 1377 Plantation Point Drive, asked about the possibility of the Roosevelt Avenue right-of-way to become conservation.

Parcel Off of Robert Oliver Avenue, Melinda Nessmith-Picard, 2845 Robert Oliver Avenue, asked about permissible uses in the conservation zoning district and voiced concern of possible access of that parcel through Robert Oliver Avenue if any permissible conservation development occurs.

Kentucky Avenue and 3rd Avenue, acquired by the City in 2020. Paul Morrison, 2812 Kentucky Avenue, clarified that the Kentucky Avenue parcel is a wet piece of land.

ACTION TAKEN: A motion was made by Member Doster, seconded by Member Gillette to recommend approval of PAB case 2023-0036 to the City Commission as per the Staff Report recommendation; AND that PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6. BOARD BUSINESS

6.1 Election of Chair

ACTION TAKEN: A motion was made by Member Gillette seconded by Member Stevenson to re-elect Member Robas as Chair.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6.2 PAB and HDC Joint Meeting - Scheduling for Wednesday, April 26, 2022, at 5pm.

Ms. Gibson encouraged members to suggest any topics they would like to add to the agenda of that Joint Meeting.

7. STAFF REPORT

7.1 PAB and City Commission Joint Meeting - Follow-up and Next Steps

Member Gillette suggested that Ms. Gibson relay the topics showing a higher level of urgency.

7.2 Commercial Redevelopment Obstacles - Upcoming Comprehensive Plan Amendment and LDC Edits

Ms. Gibson spoke of obstacles that may be preventing investment in commercial corridor re-development and noted that she will provide draft language to members for feedback regarding proposed amendments to the Comprehensive Plan and Land Development Code.

Ms. Gibson spoke of the upcoming trainings and meetings in March and April 2023.

8. PUBLIC COMMENT

No parties wished to speak.

9. ADJOURNMENT 7:00

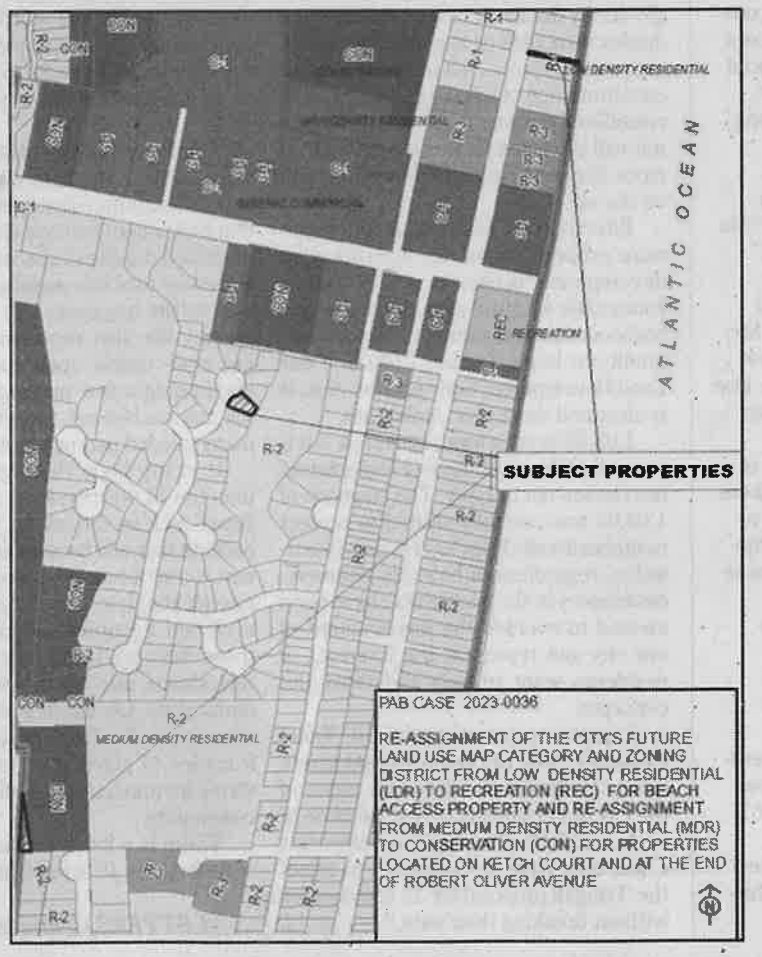
News Leader Edition

NOTICE OF PUBLIC HEARING CITY COMMISSION OF FERNANDINA BEACH



NOTICE IS HEREBY GIVEN that a Public Hearing is scheduled for **Tuesday, May 16, 2023, at 6:00 PM** in the City Commission Chambers, 204 Ash Street Fernandina Beach, Florida to consider the following application:

ORDINANCE 2023-11

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A FUTURE LAND USE MAP OF RECREATION (REC) FOR BEACH ACCESS PROPERTY LOCATED ON SOUTH FLETCHER AVENUE; AND ASSIGNING A FUTURE LAND USE MAP CATEGORY OF CONSERVATION (CON) FOR PROPERTIES LOCATED ON KETCH COURT AND AT THE END OF ROBERT OLIVER AVENUE, TOTALING APPROXIMATELY 0.44 ACRES OF LAND; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

ORDINANCE 2023-12

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A ZONING CATEGORY OF RECREATION (REC) FOR BEACH ACCESS PROPERTY LOCATED ON SOUTH FLETCHER AVENUE; AND ASSIGNING A ZONING CATEGORY OF CONSERVATION (CON) FOR PROPERTIES LOCATED ON KETCH COURT AND AT THE END OF ROBERT OLIVER AVENUE, TOTALING APPROXIMATELY 0.44 ACRES OF LAND; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

Interested parties may appear at said hearing and be heard as to the advisability of any action, which may be considered. Any persons with disabilities requiring accommodations in order to participate in this program or activity should contact 310-3115, TTY/TDD 711 or through the Florida Relay Service at 1-800-955-8771 at least 24 hours in advance to request such accommodation.

IF ANY PERSON DECIDES TO APPEAL ANY DECISION MADE BY THE BOARD/COMMISSION WITH RESPECT TO ANY MATTER CONSIDERED AT SUCH HEARING, S/HE WILL NEED TO ENSURE THAT A VERBATIM RECORD OF THE PROCEEDINGS IS MADE, WHICH RECORD INCLUDES THE TESTIMONY AND EVIDENCE UPON WHICH THE APPEAL IS TO BE BASED.

Copies of the applications with description by metes and bounds and the ordinance can be obtained in the office of the City Clerk, City Hall, 204 Ash Street, between the hours of 8:00 AM – 5:00 PM, Monday through Friday. For information on the application, please contact the Staff of the City Clerk's Office at 310-3115.

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Ordinance 2023-12
Zoning Map Change - Beach Access Property, Ketch Court and Robert Oliver Avenue

ITEM TYPE: Ordinance (w/o fiscal impact)

REQUESTED ACTION: Consider Ordinance 2023-12 at Second Reading.

SYNOPSIS: This ordinance changes the Zoning Map Category of City-owned property from Low Density Residential (R-1) to Recreation (REC) for Beach Access 18 and from Medium Density Residential (R-2) to Conservation (CON) for properties located on Ketch Court and at the end of Robert Oliver Avenue. The Planning Advisory Board held a public hearing on March 8, 2023 and recommended approval of this change. The City Commission considered this ordinance at First Reading as a quasi-juducial hearing at its April 18, 2023, Regular Meeting.

FISCAL IMPACT: None.

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): I recommend that the City Commission enact proposed Ordinance 2023-12 at Second Reading.

Kelly Gibson, Planning Deputy Director	4/21/2023
Katie Newton, Legal Assistant	5/1/2023
Agnes White, Administrative Services Manager	5/1/2023
Charles George, Interim City Manager	5/2/2023
Tammi E. Bach, City Attorney	5/8/2023

Agnes J. White

Date: April 19, 2023

Submitted By: Agnes White, Administrative Services Manager

COMMISSION ACTION: Enact

ORDINANCE 2023-12

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A ZONING CATEGORY OF RECREATION (REC) FOR BEACH ACCESS PROPERTY LOCATED ON SOUTH FLETCHER AVENUE; AND ASSIGNING A ZONING CATEGORY OF CONSERVATION (CON) FOR PROPERTIES LOCATED ON KETCH COURT AND AT THE END OF ROBERT OLIVER AVENUE, TOTALING APPROXIMATELY 0.44 ACRES OF LAND; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Fernandina Beach has requested assignment of the City's Recreation (REC) Zoning District from Low Density Residential (R-1) District for Beach Access Property; and

WHEREAS, the City of Fernandina Beach has requested assignment of the City's Conservation (CON) Zoning District from Medium Density Residential (R-2) District for properties located on Ketch Court and at the end of Robert Oliver Avenue; and

WHEREAS, Planning Staff and the Planning Advisory Board (PAB) acting as the designated Local Planning Agency, has reviewed, and held a public hearing on March 8, 2023, and issued a recommendation of approval; and

WHEREAS, notice of public hearing on such amendments was published in the News Leader, a newspaper of general circulation in Fernandina Beach, Nassau County, Florida, on February 22, 2023.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH AS FOLLOWS:

SECTION 1. PROPERTIES INVOLVED. The City Commission intends to approve the zoning map changes. The properties identified for this change of the Zoning Map to City of Fernandina Beach Recreation (REC) and Conservation (CON) for properties located and identified by map exhibit attached hereto as Exhibit "A".

SECTION 2. ZONING MAP CHANGE. For the properties in question, the City's Zoning Map is hereby changed as follows and attached hereto as Exhibit A:

- From Low Density Residential (R-1) to Recreation (REC).
- From Medium Density Residential (R-2) to Conservation (CON).

SECTION 3. SEVERABILITY. If any section, subsection, sentence, clause, phrase of this Ordinance, or the particular application thereof, shall be held invalid by any court, administrative agency or other body with appropriate jurisdiction, the remaining sections, subsections, sentences, clauses and phrases under application shall not be affected thereby.

ENACTED this 16th day of May, 2023.

STAFF REPORT
PAB 2023-0036
Planning Advisory Board Hearing
March 8, 2023

Map Exhibit: S. Fletcher Ave, Beach Access Property and Ketch Court and Property at the end of Robert Oliver Ave

STAFF RECOMMENDATION:

Staff finds the requested amendments to be sufficiently compliant with the Comprehensive Plan, Land Development Code, and established City Commission Goal to increase conservation land use and zoning acreage. Staff recommends approval of the request.

Daphne Forehand
Planner I

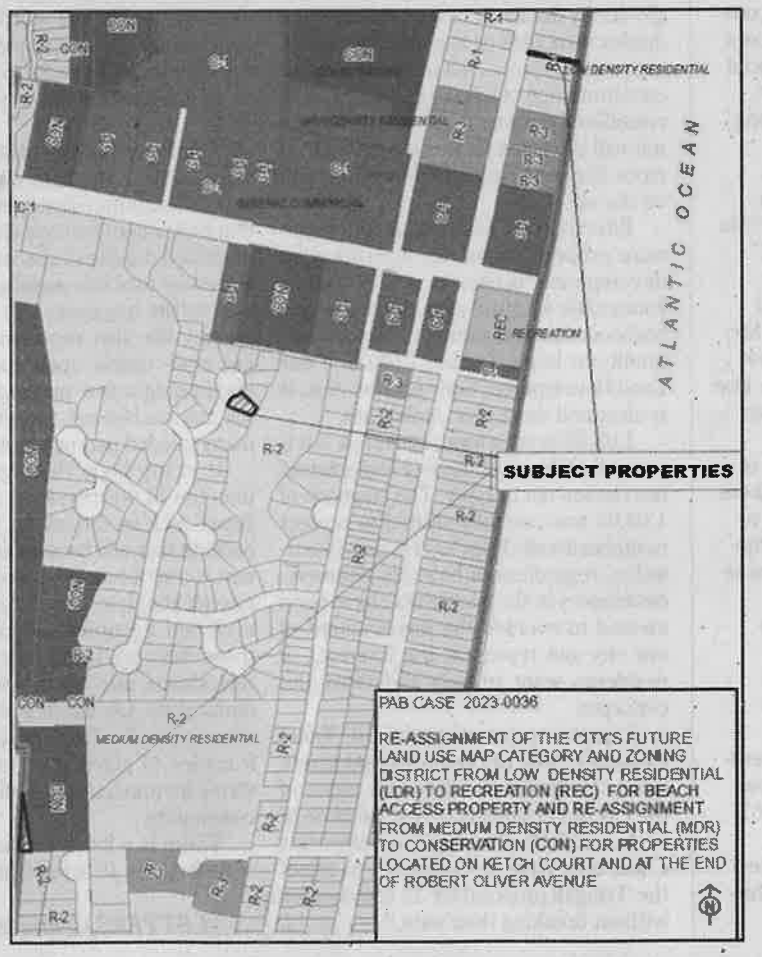
News Leader Edition

NOTICE OF PUBLIC HEARING CITY COMMISSION OF FERNANDINA BEACH



NOTICE IS HEREBY GIVEN that a Public Hearing is scheduled for **Tuesday, May 16, 2023, at 6:00 PM** in the City Commission Chambers, 204 Ash Street Fernandina Beach, Florida to consider the following application:

ORDINANCE 2023-11

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A FUTURE LAND USE MAP OF RECREATION (REC) FOR BEACH ACCESS PROPERTY LOCATED ON SOUTH FLETCHER AVENUE; AND ASSIGNING A FUTURE LAND USE MAP CATEGORY OF CONSERVATION (CON) FOR PROPERTIES LOCATED ON KETCH COURT AND AT THE END OF ROBERT OLIVER AVENUE, TOTALING APPROXIMATELY 0.44 ACRES OF LAND; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

ORDINANCE 2023-12

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A ZONING CATEGORY OF RECREATION (REC) FOR BEACH ACCESS PROPERTY LOCATED ON SOUTH FLETCHER AVENUE; AND ASSIGNING A ZONING CATEGORY OF CONSERVATION (CON) FOR PROPERTIES LOCATED ON KETCH COURT AND AT THE END OF ROBERT OLIVER AVENUE, TOTALING APPROXIMATELY 0.44 ACRES OF LAND; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

Interested parties may appear at said hearing and be heard as to the advisability of any action, which may be considered. Any persons with disabilities requiring accommodations in order to participate in this program or activity should contact 310-3115, TTY/TDD 711 or through the Florida Relay Service at 1-800-955-8771 at least 24 hours in advance to request such accommodation.

IF ANY PERSON DECIDES TO APPEAL ANY DECISION MADE BY THE BOARD/COMMISSION WITH RESPECT TO ANY MATTER CONSIDERED AT SUCH HEARING, S/HE WILL NEED TO ENSURE THAT A VERBATIM RECORD OF THE PROCEEDINGS IS MADE, WHICH RECORD INCLUDES THE TESTIMONY AND EVIDENCE UPON WHICH THE APPEAL IS TO BE BASED.

Copies of the applications with description by metes and bounds and the ordinance can be obtained in the office of the City Clerk, City Hall, 204 Ash Street, between the hours of 8:00 AM – 5:00 PM, Monday through Friday. For information on the application, please contact the Staff of the City Clerk's Office at 310-3115.

DRAFT

MINUTES
PLANNING ADVISORY BOARD
REGULAR MEETING
MARCH 8, 2023
CITY HALL CHAMBERS

1. CALL TO ORDER 5:00

ROLL CALL/DETERMINATION OF QUORUM

MEMBERS PRESENT:

Victoria Robas (Chair)	Peter Stevenson (Vice-Chair)
John Boylan	Richard Doster
Mark Bennett	Nick Gillette

MEMBERS ABSENT:
Barbara Gingher

OTHERS PRESENT:
Kelly Gibson, Planning & Conservation Deputy Director
Tammi Bach, City Attorney
Taylor Hartmann, Recording Secretary

2. PLEDGE OF ALLEGIANCE

3. APPROVAL OF MEETING MINUTES

3.1 Approval of Minutes for the Regular Meeting of February 8, 2023

3.2 Approval of Minutes for the PAB and City Commission Joint Meeting of February 22, 2023

ACTION TAKEN: A motion was made by Member Stevenson seconded by Member Bennett to approve both sets of minutes as presented.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

4. OLD BUSINESS

There were no Old Business items to discuss.

5. NEW BUSINESS

5.1 PAB 2023-0034 - SCOTT ROAD PARTNERS LLC, 2754 + 2766 BAILEY ROAD
Final Subdivision Plat - Island View - 12 Single Family Residential Lots

Ms. Gibson introduced the case and provided a review of the proposed plat. She recommended approval.

Member Stevenson and Chair Robas inquired about stormwater management.

Asa Gillette, Gillette & Associates, 20 S. 4th Street, agent for the applicant, spoke about the stormwater engineering and the location of the retention pond.

Public Hearing was opened.

Margaret Kirkland, 1377 Plantation Point Drive, expressed concern for the groundwater issues in the area.

Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Boylan to recommend approval of PAB case 2023-0034 to the City Commission; AND that PAB case 2023-0034 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.2 PAB 2023-0035 – CITY OF FERNANDINA BEACH, 2852 BAILEY ROAD
Voluntary Annexation of approximately 0.39 acres of land into the City Limits, Assignment of the City's Medium Density Residential (MDR) Future Land Use Map Category, and Assignment of the City's R-2 Zoning District

Ms. Gibson introduced the case and recommended approval.

Board members discussed density and different residential zoning districts.

Public Hearing was opened and closed with no parties wishing to speak.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Bennett to recommend approval of PAB case 2023-0035 to the City Commission, and that the voluntary annexation and assignment of a Low Density Residential (LDR) Future Land Use Map Category and a Low Density Residential Zoning District of R-1 be approved; AND that PAB case 2023-0035 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.3 PAB 2023-0036 - CITY OF FERNANDINA BEACH, VARIOUS LOCATIONS
Future Land Use Map and Zoning Map Amendments for 9 city-owned parcels totaling 1.29 acres of land Lands will be moved from various Residential (R-1, R-2, R-3) designations to either Conservation or Recreation Future Land Use and Zoning Districts.

Ms. Gibson introduced the case and provided background on each of the parcels being proposed for zoning changes in the following order:

565 S. Fletcher Avenue (rear parcel of 0.06 acres of land recently deeded to the City). No member of the public wished to speak regarding this parcel.

613 Calhoun Street, board members suggested modifying the zoning request to be Public Institutional PI-1 zoning district. Public Hearing was opened, Wally Greeves, 1906 First Avenue, inquired about the voting process for this case. It was noted that this could be voted on separately. Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Gillette, seconded by Member Stevenson to recommend approval of the Future Land Use Map and Zoning Map Amendments of Public Institutional (PI-1) for the property located at 613 Calhoun Street as part of PAB case 2023-0036 to the City Commission; AND that property located at

613 Calhoun Street as part of PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

Ketch Court, this parcel of .14 acres of land was acquired by the City last year and is predominantly wetlands. Chair Robas asked about the management of the parcel by the City. Margaret Kirkland, 1377 Plantation Drive, spoke about the maintenance of wetland properties. Member Gillette asked about conservation easements. Dee Comstock, 2328 Sadler Road, inquired about the purchase history of the Ketch Court parcel and the reason why the City would acquire such properties.

North 14th Street, 3 parcels, predominantly wetlands. No member of the public wished to speak regarding these parcels.

Beach Access 18, Wally Greeves, 1906 First Avenue, clarified that there is a beach walkover over a dune and expressed a concern about the recreational zoning designation. Pamela Cooper, 1947 S. Fletcher Avenue, asked for clarity on maintenance of the beach walkover regardless of the zoning. Donna Haines, 1929 S. Fletcher Avenue, inquired about the zoning of other beach accesses. Margaret Kirkland, 1377 Plantation Point Drive, asked about the possibility of the Roosevelt Avenue right-of-way to become conservation.

Parcel Off of Robert Oliver Avenue, Melinda Nessmith-Picard, 2845 Robert Oliver Avenue, asked about permissible uses in the conservation zoning district and voiced concern of possible access of that parcel through Robert Oliver Avenue if any permissible conservation development occurs.

Kentucky Avenue and 3rd Avenue, acquired by the City in 2020. Paul Morrison, 2812 Kentucky Avenue, clarified that the Kentucky Avenue parcel is a wet piece of land.

ACTION TAKEN: A motion was made by Member Doster, seconded by Member Gillette to recommend approval of PAB case 2023-0036 to the City Commission as per the Staff Report recommendation; AND that PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6. BOARD BUSINESS

6.1 Election of Chair

ACTION TAKEN: A motion was made by Member Gillette seconded by Member Stevenson to re-elect Member Robas as Chair.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6.2 PAB and HDC Joint Meeting - Scheduling for Wednesday, April 26, 2022, at 5pm.

Ms. Gibson encouraged members to suggest any topics they would like to add to the agenda of that Joint Meeting.

7. STAFF REPORT

7.1 PAB and City Commission Joint Meeting - Follow-up and Next Steps

Member Gillette suggested that Ms. Gibson relay the topics showing a higher level of urgency.

7.2 Commercial Redevelopment Obstacles - Upcoming Comprehensive Plan Amendment and LDC Edits

Ms. Gibson spoke of obstacles that may be preventing investment in commercial corridor re-development and noted that she will provide draft language to members for feedback regarding proposed amendments to the Comprehensive Plan and Land Development Code.

Ms. Gibson spoke of the upcoming trainings and meetings in March and April 2023.

8. PUBLIC COMMENT

No parties wished to speak.

9. ADJOURNMENT 7:00

_____ _____

Taylor Hartmann, Recording Secretary Victoria Robas, Chair

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Ordinance 2023-13
Future Land Use Map Amendment - 565 S. Fletcher Ave, Kentucky Ave & 1st Ave

ITEM TYPE: Ordinance (w/o fiscal impact)

REQUESTED ACTION: Consider Ordinance 2023-13 at Second Reading.

SYNOPSIS: In December 2022, the City Commission approved a Deed of Dedication for 0.06 acres of land on the western portion of 565 S. Fletcher Ave for purposes of conservation and open space. This ordinance changes the future land use of this city-owned property as well as City-owned property located at Kentucky and 1st Ave from Low Density Residential (LDR) to Conservation (CON). The Planning Advisory Board held a public hearing on March 8, 2023 and recommended approval of this change. The City Commission approved this ordinance at First Reading at its April 18, 2023, Regular Meeting.

FISCAL IMPACT: None.

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): I recommend that the City Commission enact proposed Ordinance 2023-13 at Second Reading.

Kelly Gibson, Planning Deputy Director	4/21/2023
Katie Newton, Legal Assistant	5/1/2023
Agnes White, Administrative Services Manager	5/1/2023
Charles George, Interim City Manager	5/2/2023
Tammi E. Bach, City Attorney	5/5/2023

Agnes J. White

Submitted By: Agnes White, Administrative Services Manager Date: April 19, 2023

COMMISSION ACTION: Enact

ORDINANCE 2023-13

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A FUTURE LAND USE MAP OF CONSERVATION (CON) FOR 0.06 ACRES OF LAND LOCATED AT 565 SOUTH FLETCHER AVENUE AND 0.52 ACRES OF LAND LOCATED AT KENTUCKY AVENUE AND 1ST AVENUE; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, The City of Fernandina Beach requested assignment of the Conservation (CON) from Low Density Residential (LDR) Future Land Use Map; and

WHEREAS, Planning Staff and the Planning Advisory Board (PAB) acting as the designated Local Planning Agency, has reviewed, and held a public hearing on March 8, 2023, and issued a recommendation of approval; and

WHEREAS, notice of public hearing on such amendments was published in the News Leader, a newspaper of general circulation in Fernandina Beach, Nassau County, Florida, on February 22, 2023.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH AS FOLLOWS:

SECTION 1. PROPERTIES INVOLVED. The City Commission intends to approve the future land use map changes. The properties identified for this change of the Future Land Use Map to Conservation for properties located and identified by map exhibit attached hereto as Exhibit A.

SECTION 2. FUTURE LAND USE MAP CHANGE. For the properties in question, the City's Future Land Use Map is hereby changed as follows and attached hereto as Exhibit A:

- From Low Density Residential (LDR) to Conservation (CON).

SECTION 3. SEVERABILITY. If any section, subsection, sentence, clause, phrase of this Ordinance, or the particular application thereof, shall be held invalid by any court, administrative agency or other body with appropriate jurisdiction, the remaining sections, subsections, sentences, clauses, and phrases under application shall not be affected thereby.

ENACTED this 16th day of May, 2023.

CITY OF FERNANDINA BEACH

STAFF REPORT
PAB 2023-0036
Planning Advisory Board Hearing
March 8, 2023

Map Exhibit: S. Fletcher Ave, Beach Access Property and Ketch Court and Property at the end of Robert Oliver Ave

STAFF RECOMMENDATION:

Staff finds the requested amendments to be sufficiently compliant with the Comprehensive Plan, Land Development Code, and established City Commission Goal to increase conservation land use and zoning acreage. Staff recommends approval of the request.

Planning Advisory Board (PAB) - Submission #10828

Date Submitted: 2/10/2023

Planning Advisory Board (PAB) Application

USE THIS FORM TO Request actions to affect changes to property (zoning changes, annexations, allowable uses, subdivisions).

Fees

Once application is submitted it will be reviewed for completeness. Once verified complete, an invoice will be emailed to the applicant.

- [x] Zoning Map Amendment (â‰¤ 10 acres $2,500 / > 10acres $5,000)
- [ ] Land Use Map Amendment (â‰¤ 10 acres $2,500 / > 10acres $5,000)
- [ ] LDC Text Amendment ($1,500)
- [ ] Comp Plan Amendment ($5,000)
- [ ] Subdivision Plat â€“ Preliminary (â‰¤ 20 units $3,000 / > 20 units $5,000)
- [ ] Subdivision Plat â€“ Final ($1,500)
- [ ] Vacation of R.O.W. ($3,500)
- [ ] Small Cell Outside R.O.W. (per application) ($500)
- [ ] Voluntary Annexation ($2,000)
- [ ] Development of Regional Impact: Amend Development Order ($1,500)
- [ ] New Telecommunications Structure ($2,000)
- [ ] Revision to each PAB Application - 1/2 cost of original application fee (To offset additional display ad fee)

2023 Submission Deadlines + Meetings Calendar

PAB 2023

IMPORTANT NOTES

Pre-Application Meeting

To guide you through the process and ensure that your application is understood and properly processed, youâ€™ll need to meet with a City Planner prior to submitting your application. Completed applications are due 30 days prior to the Planning Advisory Board meeting date.

Please see the Land Development Code (LDC) for detailed information:

- [ ] LDC Text Amendment â€“ see LDC Section 11.01.08.
- [ ] Preliminary Subdivision Plat â€“ see LDC Section 11.01.05.
- [ ] Final Subdivision Plat â€“ LDC Section 11.01.05.
- [x] Zoning Map Changes â€“ See LDC Section 11.01.07.

The LDC is available for review at

www.fbfl.us/LDC

Application Requirements

- [ ] A complete application filed at least forty-five (45) days before the date of the Planning Advisory Boardâ€™s public hearing;
- [ ] Proof of Ownership (copy of deed or tax statement);
- [ ] A current survey of the property (no older than two years);
- [ ] If applying as an agent, Ownerâ€™s Authorization for Agent Representation form needs to be signed/ notarized and included in application;
- [ ] A detailed letter of intent stating the following:
- [ ] o The consistency of the proposed amendment(s) or action(s) with the Cityâ€™s Comprehensive Plan.
- [ ] o A justification for the proposed amendment(s) or action(s).

John A. Crawford Clerk of Courts, Nassau County, Florida Doc Mort: 0.00 Int Tax: 0.00 Doc Deed: 0.00

RESOLUTION 2022-225

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ACCEPTING A DEED OF DEDICATION FOR 0.06 ACRES OF VACANT LAND TO ADD TO THE CITY'S CONSERVATION ACREAGE; REQUIRING THE DEED TO BE RECORDED; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Mr. Victor Lee Hyatt II and Starr Nicole Hanlon Hyatt wish to dedicate the rear portion of their property parcel located at 565 South Fletcher Avenue (the "Property") to the City for the purposes of conservation and open space; and

WHEREAS, the Property is split zoned and contains two zoning and land use categories assigned to it which prevent the Hyatt's from reconstruction on the Property for use as a short-term rental; and

WHEREAS, the 0.06 acres is vacant and undisturbed land containing remnant dune topography that would add to the City's conservation land inventory and add conservation acreage to enhance the City's community rating system points for flood protection; and

WHEREAS, City Staff is directed to initiate a small-scale Future Land Use Map and Zoning Map change to Conservation for the 0.06 acres of land as consistent with the terms under the deed of dedication; and

WHEREAS, the City Commission wishes to accept the Deed of Dedication from the Hyatt's.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, THAT:

SECTION 1. The City Commission hereby accepts the Deed of Dedication, attached hereto as Exhibit "1".

SECTION 2. The City Clerk shall record this Deed of Dedication in the public records of Nassau County, Florida.

SECTION 3. This Resolution shall be effective immediately upon passage.

ADOPTED this 20th of December, 2022.

Resolution 2022-225
Exhibit "1"

This Instrument prepared by:
WESLEY R. POOLE, Esquire
303 Centre St., Ste 200
Fernandina Beach, FL 32034

Title to the lands described herein has not been examined by me and no warranty or other representation is made and no opinion (either expressed or implied) is given, as to the marketability or condition of the title to the subject property, the quantity of lands included therein, the location of the boundaries thereof, or the existence of liens, unpaid taxes or encumbrances.

QUIT-CLAIM DEED OF DEDICATION

THIS QUIT-CLAIM DEED OF DEDICATION made this 20th day of December, 2022, by and between **VICTOR LEE HYATT, II, and STARR NICOLE HANLON HYATT,** Husband and Wife, party of the first part, and **CITY OF FERNANDINA BEACH,** a Florida municipal corporation, whose address is: 204 Ash Street, Fernandina Beach, FL 32034, party of the second part,

WITNESSETH: That the said party of the first part, does dedicate, release, remise and quitclaim to party of the second part, and by these presents does dedicate, remise, release and quitclaim unto the said party of the second part, to have and to hold for the public use of Conservation and Open Space, the following described land, situate, lying and being in the City of Fernandina Beach, County of Nassau, State of Florida, to-wit:

A portion of Section 18, Township 3 North, Range 29 East, Nassau County, Florida, also known and being a portion of the lands described in Official Records Book 2192, page 671, of the public records of Nassau County, Florida, being more particularly described as follows:

For a point of reference, commence at the Southwest corner of Lot 5, Block 4, OCEAN CITY, according to Fernandina Dock and Realty Company's Replat of the Northern portion of said OCEAN CITY, recorded in Plat book 2, page 38, of the public records of Nassau County, Florida; thence North 81°30'52" West, along the South line of said lands described in Official Records Book 2192, page 671, and along the Northerly line of Tract "B," 'OCEAN VIEW ESTATES,' according to the plat thereof recorded in Plat Book 6, page 25, of the public records of Nassau County, Florida, a distance of 89.57 feet to the POINT OF BEGINNING; thence continue North 81°30'52" West, along the South line of said lands described in Official Records Book 2192, page 671, and along the Northerly line of said Tract "B,""OCEAN VIEW ESTATES,' a distance of 35.00 feet; thence North 09°55'58" East, along the Westerly line of said lands described in Official Records Book 2192, page 671, and along the Easterly perimeter of said Tract"B," 'OCEAN VIEW ESTATES,' a distance of 75.13 feet ; thence South 81°29'13" East, along the Northerly line of said lands described in Official Records Book 2192, page 671, a distance of 35.00 feet; thence South 09°55'58" West, a distance of 75.11 feet to the Point of Beginning.

Containing 0.06 acres, more or less.

TOGETHER WITH an easement for ingress and egress over and across the following described parcel:

A portion of Lot 5, Block 4, of OCEAN CITY, according to Fernandina Dock and Realty Company's Replat of the Northern portion of said OCEAN CITY, recorded in Plat book 2, page 38, of the public records of Nassau County, Florida, and a portion of Section 18, Township 3 North, Range 29 East, Nassau County, Florida, also known and being a portion of the lands described in Official Records Book 2192, page 671, of the public records of Nassau County, Florida, all being more particularly described as follows:

Begin at the Southwest corner of said Lot 5, also known as the Southeast corner of said lands described in Official Records Book 2192, page 671, of the public records of Nassau County, Florida; thence North 81°30'52" West, along the Southerly line of last said lands, a distance of 89.57 feet; thence North 09°55'59" West a distance of 10.00 feet; thence South 81°30'52" East, a distance of 191.32 feet to intersect the Westerly right-of-way line of South Fletcher Avenue (60 foot right-of-way); thence South 08°22'00" West, along the East line of said Lot 5 and Westerly right-of-way line of said South Fletcher Avenue, a distance 10.00 feet; thence departing said right-of-way, North 81°30'52" West, along said Southerly line of Lot 5, a distance of 102.02 feet to the point of beginning.

Parcel ID No.: a part of 00-00-31-1520-0004-0050.

Subject to all mortgages, easements, limitations, reservations and restrictions of record, if any, which are specifically not extended or reimposed hereby and to taxes and assessments for the year 2022 and subsequent years.

TO HAVE AND TO HOLD the same together with all and singular the appurtenances thereunto belonging or in anywise appertaining, and all the estate, right, title, interest, lien, equity and claim whatsoever of the said party of the first part, either in law or equity, to the only proper use, benefit and behoof of the said party of the second part, its successors and assigns forever; **PROVIDED, HOWEVER,** that this dedication is made and accepted upon the condition that the property herein dedicated is to be used and administered forever for the uses herein-above stated, for the benefit of persons residing in the City of Fernandina Beach, Florida. The property

herein dedicated is to be used and administered under such regulations consistent with the other conditions set forth herein as may from time to time hereafter be established by the City Commission of the City of Fernandina Beach, for the purpose of safeguarding the realty and any vegetation or improvements thereon from damage or deterioration, and for the further purpose of protecting the residents of the City of Fernandina Beach from any uses of or conditions in or upon the realty that are or may be detrimental to the amenities of the neighborhood.

If any part of the property herein dedicated shall not be used and maintained for any of the purposes stated above, or if any part ceases to be used and maintained for any of such purposes, or if any part be used for any other purpose inconsistent with such purposes, then all the right, title and interest in and to the property and to the improvements thereon shall revert to and revest in the party of the first part, or its successors or assigns, as fully and completely as if this instrument had not been executed.

The dedication of the above-described land is given with the express understanding, and party of the first part especially stipulates, that in the event that the above-described land and premises or any part thereof shall be conveyed by the party of the second part, or their successors, the above tract of land shall revert to the party of the first part, or its successors or assigns, together with the right of immediate possession thereof.

Party of the First Part warrants that the subject property is not their homestead, nor connected to nor a part of their homestead.

Note to Clerk: This is a conveyance of real property unencumbered by any mortgage, without any new consideration. Thus, only minimum documentary stamps are being affixed and paid hereto.

IN WITNESS WHEREOF, the said party of the first part has hereunto set their hands and seals the day and year first above written.

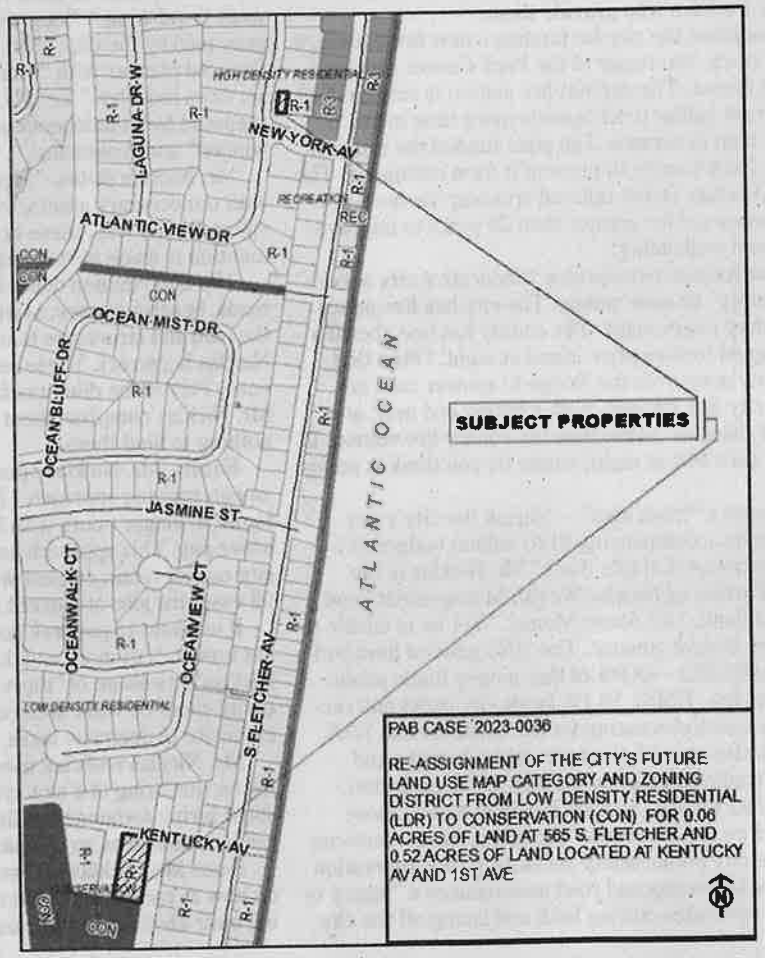
News Leader Edition

NOTICE OF PUBLIC HEARING CITY COMMISSION OF FERNANDINA BEACH



NOTICE IS HEREBY GIVEN that a Public Hearing is scheduled for **Tuesday, May 16, 2023, at 6:00 PM** in the City Commission Chambers, 204 Ash Street Fernandina Beach, Florida to consider the following application:

ORDINANCE 2023-13

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A FUTURE LAND USE MAP OF CONSERVATION (CON) FOR 0.06 ACRES OF LAND LOCATED AT 565 SOUTH FLETCHER AVENUE AND 0.52 ACRES OF LAND LOCATED AT KENTUCKY AVENUE AND 1ST AVENUE; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

ORDINANCE 2023-14

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A ZONING CATEGORY OF CONSERVATION (CON) FOR 0.06 ACRES OF LAND LOCATED AT 565 SOUTH FLETCHER AVENUE AND 0.52 ACRES OF LAND LOCATED AT KENTUCKY AVENUE AND 1ST AVENUE; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

Interested parties may appear at said hearing and be heard as to the advisability of any action, which may be considered. Any persons with disabilities requiring accommodations in order to participate in this program or activity should contact 310-3115, TTY/TDD 711 or through the Florida Relay Service at 1-800-955-8771 at least 24 hours in advance to request such accommodation.

IF ANY PERSON DECIDES TO APPEAL ANY DECISION MADE BY THE BOARD/COMMISSION WITH RESPECT TO ANY MATTER CONSIDERED AT SUCH HEARING, S/HE WILL NEED TO ENSURE THAT A VERBATIM RECORD OF THE PROCEEDINGS IS MADE, WHICH RECORD INCLUDES THE TESTIMONY AND EVIDENCE UPON WHICH THE APPEAL IS TO BE BASED.

Copies of the applications with description by metes and bounds and the ordinance can be obtained in the office of the City Clerk, City Hall, 204 Ash Street, between the hours of 8:00 AM – 5:00 PM, Monday through Friday. For information on the application, please contact the Staff of the City Clerk's Office at 310-3115.

There were no Old Business items to discuss.

6. NEW BUSINESS

6.1 PAB 2023-0034 - SCOTT ROAD PARTNERS LLC, 2754 + 2766 BAILEY ROAD
Final Subdivision Plat - Island View - 12 Single Family Residential Lots

Ms. Gibson introduced the case and provided a review of the proposed plat.

Member Stevenson and Chair Robas inquired about stormwater management.

Asa Gillette, 20 S. 4th Street, spoke about the stormwater engineering.

Public comment was opened.

Margaret Kirkland, 1377 Plantation Point Drive, expressed concern for the groundwater issues in the area.

Public comment was closed.
ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Boylan to recommend approval of PAB case 2023-0034 to the City Commission; AND that PAB case 2023-0034 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

6.2 PAB 2023-0035 - CITY OF FERNANDINA BEACH, 2852 BAILEY ROAD
Voluntary Annexation of approximately 0.39 acres of land into the City Limits, Assignment of the City's Medium Density Residential (MDR) Future Land Use Map Category, and Assignment of the City's R-2 Zoning District

Ms. Gibson introduced the case.

Board members discussed density and different residential zoning districts.

Public comment was opened and closed with no parties wishing to speak.

ACTION TAKEN: A motion was made by Member Bennett, seconded by Member Stevenson to recommend approval of PAB case 2023-0035 to the City Commission; AND that PAB case 2023-0035 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time. MODIFIED RECOMMENDAATION TO LOW-DENSITY RESIDENTIAL

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

6.3 PAB 2023-0036 - CITY OF FERNANDINA BEACH, VARIOUS LOCATIONS
Future Land Use Map and Zoning Map Amendments for 9 city-owned parcels totaling 1.29 acres of land Lands will be moved from various Residential (R-1, R-2, R-3) designations to either Conservation or Recreation Future Land Use and Zoning Districts.

Ms. Gibson introduced the case and provided background on each of the parcels being proposed for zoning changes.

Wally Greeves, 1906 1st Ave., inquired about the voting process for this case.

Separate motion and vote for 613 Calhoun St. to make it PI zoned.

ACTION TAKEN: A motion was made by Member Gillette, seconded by Member Stevenson to recommend approval of property located at 613 Calhoun Street as part of PAB case 2023-0035 to the City Commission; AND that property located at 613 Calhoun Street as part of PAB case 2023-0035 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

Dee, 2328 Sadler Rd., inquired about the purchase history of the Ketch Court parcel.

Wally Greeves, 1906 1st Ave., clarified that there is a beach walkover and expressed a concern about the recreational zoning designation.

Pamela, 1947 S. Fletcher Ave., asked for clarity on maintenance of the beach walkover.

Donna Haines, 1929 S. Fletcher Ave., inquired about other beach access zoning.

Margaret Kirkland, 1377 Plantation Point Drive., asked about the Roosevelt Ave. right-of-way.
Melinda, 2845 Robert Oliver Ave., asked about permissible uses in the conservation zoning district.

Paul Morrison, 2820 Kentucky Ave., clarified that the Kentucky Ave. parcel is a wet piece of land.

ACTION TAKEN: A motion was made by Member Doster, seconded by Member Gillette to recommend approval of PAB case 2023-0035 to the City Commission; AND that PAB case 2023-0035 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

7. BOARD BUSINESS

7.1 Election of Chair

ACTION TAKEN: A motion was made by Member Gillette seconded by Member Stevenson to elect Member Robas as Chair.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

7.2 PAB and HDC Joint Meeting - Scheduling for Wednesday, April 26, 2022, at 5pm.

8. STAFF REPORT

8.1 PAB and City Commission Joint Meeting - Follow-up and Next Steps

8.2 Commercial Redevelopment Obstacles - Upcoming Comprehensive Plan Amendment and LDC Edits

Ms. Gibson provided the Board with an overview of the proposed amendments that will come before them at the April meeting.

9. PUBLIC COMMENT

No parties wished to speak.

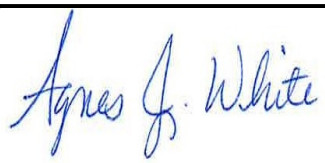
Victoria Robas, Chair

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Ordinance 2023-14
Zoning Map Change - 565 S. Fletcher Ave, Kentucky Ave and 1st Ave

ITEM TYPE: Ordinance (w/o fiscal impact)

REQUESTED ACTION: Consider Ordinance 2023-14 at Second Reading.



SYNOPSIS: In December 2022, the City Commission approved a Deed of Dedication for 0.06 acres of land on the western portion of 565 S. Fletcher Ave for purposes of conservation and open space. This ordinance changes the zoning this City-owned property as well as City-owned property located at Kentucky and 1st Ave from Low Density Residential (R-1) to Conservation (CON). The Planning Advisory Board held a public hearing on March 8, 2023 and recommended approval of this change. The City Commission considered this ordinance at First Reading as a quasi-judicial hearing at its April 18, 2023, Regular Meeting.

FISCAL IMPACT: None.

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): I recommend that the City Commission enact proposed Ordinance 2023-14 at Second Reading.

Kelly Gibson, Planning Deputy Director	4/21/2023
Katie Newton, Legal Assistant	5/1/2023
Agnes White, Administrative Services Manager	5/1/2023
Charles George, Interim City Manager	5/2/2023
Tammi E. Bach, City Attorney	5/8/2023

Submitted By: Agnes White, Administrative Services Manager Date: April 19, 2023

COMMISSION ACTION: Enact

ORDINANCE 2023-14

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A ZONING CATEGORY OF CONSERVATION (CON) FOR 0.06 ACRES OF LAND LOCATED AT 565 SOUTH FLETCHER AVENUE AND 0.52 ACRES OF LAND LOCATED AT KENTUCKY AVENUE AND 1ST AVENUE; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Fernandina Beach has requested assignment of the City's Conservation (CON) Zoning District from Low Density Residential (R-1) District; and

WHEREAS, Planning Staff and the Planning Advisory Board (PAB) acting as the designated Local Planning Agency, has reviewed, and held a public hearing on March 8, 2023, and issued a recommendation of approval; and

WHEREAS, notice of public hearing on such amendments was published in the News Leader, a newspaper of general circulation in Fernandina Beach, Nassau County, Florida, on February 22, 2023.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH AS FOLLOWS:

SECTION 1. PROPERTIES INVOLVED. The City Commission intends to approve the zoning map changes. The properties identified for this change of the Zoning Map to City of Fernandina Beach Conservation (CON) for properties located and identified by map exhibit attached hereto as Exhibit A.

SECTION 2. ZONING MAP CHANGE. For the properties in question, the City's Zoning Map is hereby changed as follows and attached hereto as Exhibit "A":

- From Low Density Residential (R-1) to Conservation (CON).

SECTION 3. SEVERABILITY. If any section, subsection, sentence, clause, phrase of this Ordinance, or the particular application thereof, shall be held invalid by any court, administrative agency or other body with appropriate jurisdiction, the remaining sections, subsections, sentences, clauses and phrases under application shall not be affected thereby.

ENACTED this 16th day of May, 2023.

CITY OF FERNANDINA BEACH

RESOLUTION 2022-225

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ACCEPTING A DEED OF DEDICATION FOR 0.06 ACRES OF VACANT LAND TO ADD TO THE CITY'S CONSERVATION ACREAGE; REQUIRING THE DEED TO BE RECORDED; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Mr. Victor Lee Hyatt II and Starr Nicole Hanlon Hyatt wish to dedicate the rear portion of their property parcel located at 565 South Fletcher Avenue (the "Property") to the City for the purposes of conservation and open space; and

WHEREAS, the Property is split zoned and contains two zoning and land use categories assigned to it which prevent the Hyatt's from reconstruction on the Property for use as a short-term rental; and

WHEREAS, the 0.06 acres is vacant and undisturbed land containing remnant dune topography that would add to the City's conservation land inventory and add conservation acreage to enhance the City's community rating system points for flood protection; and

WHEREAS, City Staff is directed to initiate a small-scale Future Land Use Map and Zoning Map change to Conservation for the 0.06 acres of land as consistent with the terms under the deed of dedication; and

WHEREAS, the City Commission wishes to accept the Deed of Dedication from the Hyatt's.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, THAT:

SECTION 1. The City Commission hereby accepts the Deed of Dedication, attached hereto as Exhibit "1".

SECTION 2. The City Clerk shall record this Deed of Dedication in the public records of Nassau County, Florida.

SECTION 3. This Resolution shall be effective immediately upon passage.

ADOPTED this 20th of December, 2022.

Resolution 2022-225
Exhibit "1"

This Instrument prepared by:
WESLEY R. POOLE, Esquire
303 Centre St., Ste 200
Fernandina Beach, FL 32034

Title to the lands described herein has not been examined by me and no warranty or other representation is made and no opinion (either expressed or implied) is given, as to the marketability or condition of the title to the subject property, the quantity of lands included therein, the location of the boundaries thereof, or the existence of liens, unpaid taxes or encumbrances.

QUIT-CLAIM DEED OF DEDICATION

THIS QUIT-CLAIM DEED OF DEDICATION made this 20th day of December, 2022, by and between **VICTOR LEE HYATT, II, and STARR NICOLE HANLON HYATT,** Husband and Wife, party of the first part, and **CITY OF FERNANDINA BEACH,** a Florida municipal corporation, whose address is: 204 Ash Street, Fernandina Beach, FL 32034, party of the second part,

WITNESSETH: That the said party of the first part, does dedicate, release, remise and quitclaim to party of the second part, and by these presents does dedicate, remise, release and quitclaim unto the said party of the second part, to have and to hold for the public use of Conservation and Open Space, the following described land, situate, lying and being in the City of Fernandina Beach, County of Nassau, State of Florida, to-wit:

A portion of Section 18, Township 3 North, Range 29 East, Nassau County, Florida, also known and being a portion of the lands described in Official Records Book 2192, page 671, of the public records of Nassau County, Florida, being more particularly described as follows:

For a point of reference, commence at the Southwest corner of Lot 5, Block 4, OCEAN CITY, according to Fernandina Dock and Realty Company's Replat of the Northern portion of said OCEAN CITY, recorded in Plat book 2, page 38, of the public records of Nassau County, Florida; thence North 81°30'52" West, along the South line of said lands described in Official Records Book 2192, page 671, and along the Northerly line of Tract "B," 'OCEAN VIEW ESTATES,' according to the plat thereof recorded in Plat Book 6, page 25, of the public records of Nassau County, Florida, a distance of 89.57 feet to the POINT OF BEGINNING; thence continue North 81°30'52" West, along the South line of said lands described in Official Records Book 2192, page 671, and along the Northerly line of said Tract "B,""OCEAN VIEW ESTATES,' a distance of 35.00 feet; thence North 09°55'58" East, along the Westerly line of said lands described in Official Records Book 2192, page 671, and along the Easterly perimeter of said Tract"B," 'OCEAN VIEW ESTATES,' a distance of 75.13 feet ; thence South 81°29'13" East, along the Northerly line of said lands described in Official Records Book 2192, page 671, a distance of 35.00 feet; thence South 09°55'58" West, a distance of 75.11 feet to the Point of Beginning.

Containing 0.06 acres, more or less.

TOGETHER WITH an easement for ingress and egress over and across the following described parcel:

A portion of Lot 5, Block 4, of OCEAN CITY, according to Fernandina Dock and Realty Company's Replat of the Northern portion of said OCEAN CITY, recorded in Plat book 2, page 38, of the public records of Nassau County, Florida, and a portion of Section 18, Township 3 North, Range 29 East, Nassau County, Florida, also known and being a portion of the lands described in Official Records Book 2192, page 671, of the public records of Nassau County, Florida, all being more particularly described as follows:

Begin at the Southwest corner of said Lot 5, also known as the Southeast corner of said lands described in Official Records Book 2192, page 671, of the public records of Nassau County, Florida; thence North 81°30'52" West, along the Southerly line of last said lands, a distance of 89.57 feet; thence North 09°55'59" West a distance of 10.00 feet; thence South 81°30'52" East, a distance of 191.32 feet to intersect the Westerly right-of-way line of South Fletcher Avenue (60 foot right-of-way); thence South 08°22'00" West, along the East line of said Lot 5 and Westerly right-of-way line of said South Fletcher Avenue, a distance 10.00 feet; thence departing said right-of-way, North 81°30'52" West, along said Southerly line of Lot 5, a distance of 102.02 feet to the point of beginning.

Parcel ID No.: a part of 00-00-31-1520-0004-0050.

Subject to all mortgages, easements, limitations, reservations and restrictions of record, if any, which are specifically not extended or reimposed hereby and to taxes and assessments for the year 2022 and subsequent years.

TO HAVE AND TO HOLD the same together with all and singular the appurtenances thereunto belonging or in anywise appertaining, and all the estate, right, title, interest, lien, equity and claim whatsoever of the said party of the first part, either in law or equity, to the only proper use, benefit and behoof of the said party of the second part, its successors and assigns forever; **PROVIDED, HOWEVER,** that this dedication is made and accepted upon the condition that the property herein dedicated is to be used and administered forever for the uses herein-above stated, for the benefit of persons residing in the City of Fernandina Beach, Florida. The property

herein dedicated is to be used and administered under such regulations consistent with the other conditions set forth herein as may from time to time hereafter be established by the City Commission of the City of Fernandina Beach, for the purpose of safeguarding the realty and any vegetation or improvements thereon from damage or deterioration, and for the further purpose of protecting the residents of the City of Fernandina Beach from any uses of or conditions in or upon the realty that are or may be detrimental to the amenities of the neighborhood.

If any part of the property herein dedicated shall not be used and maintained for any of the purposes stated above, or if any part ceases to be used and maintained for any of such purposes, or if any part be used for any other purpose inconsistent with such purposes, then all the right, title and interest in and to the property and to the improvements thereon shall revert to and revest in the party of the first part, or its successors or assigns, as fully and completely as if this instrument had not been executed.

The dedication of the above-described land is given with the express understanding, and party of the first part especially stipulates, that in the event that the above-described land and premises or any part thereof shall be conveyed by the party of the second part, or their successors, the above tract of land shall revert to the party of the first part, or its successors or assigns, together with the right of immediate possession thereof.

Party of the First Part warrants that the subject property is not their homestead, nor connected to nor a part of their homestead.

Note to Clerk: This is a conveyance of real property unencumbered by any mortgage, without any new consideration. Thus, only minimum documentary stamps are being affixed and paid hereto.

IN WITNESS WHEREOF, the said party of the first part has hereunto set their hands and seals the day and year first above written.

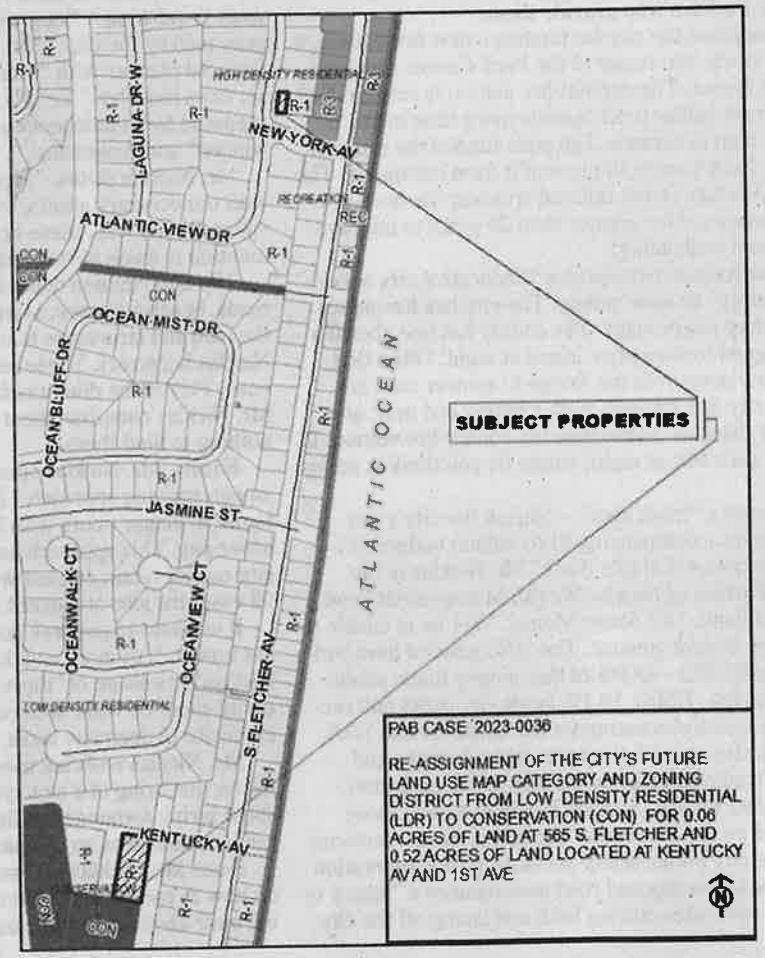
News Leader Edition

NOTICE OF PUBLIC HEARING CITY COMMISSION OF FERNANDINA BEACH



NOTICE IS HEREBY GIVEN that a Public Hearing is scheduled for **Tuesday, May 16, 2023, at 6:00 PM** in the City Commission Chambers, 204 Ash Street Fernandina Beach, Florida to consider the following application:

ORDINANCE 2023-13

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A FUTURE LAND USE MAP OF CONSERVATION (CON) FOR 0.06 ACRES OF LAND LOCATED AT 565 SOUTH FLETCHER AVENUE AND 0.52 ACRES OF LAND LOCATED AT KENTUCKY AVENUE AND 1ST AVENUE; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

ORDINANCE 2023-14

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A ZONING CATEGORY OF CONSERVATION (CON) FOR 0.06 ACRES OF LAND LOCATED AT 565 SOUTH FLETCHER AVENUE AND 0.52 ACRES OF LAND LOCATED AT KENTUCKY AVENUE AND 1ST AVENUE; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

Interested parties may appear at said hearing and be heard as to the advisability of any action, which may be considered. Any persons with disabilities requiring accommodations in order to participate in this program or activity should contact 310-3115, TTY/TDD 711 or through the Florida Relay Service at 1-800-955-8771 at least 24 hours in advance to request such accommodation.

IF ANY PERSON DECIDES TO APPEAL ANY DECISION MADE BY THE BOARD/COMMISSION WITH RESPECT TO ANY MATTER CONSIDERED AT SUCH HEARING, S/HE WILL NEED TO ENSURE THAT A VERBATIM RECORD OF THE PROCEEDINGS IS MADE, WHICH RECORD INCLUDES THE TESTIMONY AND EVIDENCE UPON WHICH THE APPEAL IS TO BE BASED.

Copies of the applications with description by metes and bounds and the ordinance can be obtained in the office of the City Clerk, City Hall, 204 Ash Street, between the hours of 8:00 AM – 5:00 PM, Monday through Friday. For information on the application, please contact the Staff of the City Clerk's Office at 310-3115.

DRAFT

MINUTES
PLANNING ADVISORY BOARD
REGULAR MEETING
MARCH 8, 2023
CITY HALL CHAMBERS

1. CALL TO ORDER 5:00

ROLL CALL/DETERMINATION OF QUORUM

MEMBERS PRESENT:

Victoria Robas (Chair)	Peter Stevenson (Vice-Chair)
John Boylan	Richard Doster
Mark Bennett	Nick Gillette

MEMBERS ABSENT:
Barbara Gingher

OTHERS PRESENT:
Kelly Gibson, Planning & Conservation Deputy Director
Tammi Bach, City Attorney
Taylor Hartmann, Recording Secretary

2. PLEDGE OF ALLEGIANCE

3. APPROVAL OF MEETING MINUTES

3.1 Approval of Minutes for the Regular Meeting of February 8, 2023

3.2 Approval of Minutes for the PAB and City Commission Joint Meeting of February 22, 2023

ACTION TAKEN: A motion was made by Member Stevenson seconded by Member Bennett to approve both sets of minutes as presented.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

4. OLD BUSINESS

There were no Old Business items to discuss.

5. NEW BUSINESS

5.1 PAB 2023-0034 - SCOTT ROAD PARTNERS LLC, 2754 + 2766 BAILEY ROAD
Final Subdivision Plat - Island View - 12 Single Family Residential Lots

Ms. Gibson introduced the case and provided a review of the proposed plat. She recommended approval.

Member Stevenson and Chair Robas inquired about stormwater management.

Asa Gillette, Gillette & Associates, 20 S. 4th Street, agent for the applicant, spoke about the stormwater engineering and the location of the retention pond.

Public Hearing was opened.

Margaret Kirkland, 1377 Plantation Point Drive, expressed concern for the groundwater issues in the area.

Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Boylan to recommend approval of PAB case 2023-0034 to the City Commission; AND that PAB case 2023-0034 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.2 PAB 2023-0035 – CITY OF FERNANDINA BEACH, 2852 BAILEY ROAD
Voluntary Annexation of approximately 0.39 acres of land into the City Limits, Assignment of the City's Medium Density Residential (MDR) Future Land Use Map Category, and Assignment of the City's R-2 Zoning District

Ms. Gibson introduced the case and recommended approval.

Board members discussed density and different residential zoning districts.

Public Hearing was opened and closed with no parties wishing to speak.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Bennett to recommend approval of PAB case 2023-0035 to the City Commission, and that the voluntary annexation and assignment of a Low Density Residential (LDR) Future Land Use Map Category and a Low Density Residential Zoning District of R-1 be approved; AND that PAB case 2023-0035 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.3 PAB 2023-0036 - CITY OF FERNANDINA BEACH, VARIOUS LOCATIONS
Future Land Use Map and Zoning Map Amendments for 9 city-owned parcels totaling 1.29 acres of land Lands will be moved from various Residential (R-1, R-2, R-3) designations to either Conservation or Recreation Future Land Use and Zoning Districts.

Ms. Gibson introduced the case and provided background on each of the parcels being proposed for zoning changes in the following order:

565 S. Fletcher Avenue (rear parcel of 0.06 acres of land recently deeded to the City). No member of the public wished to speak regarding this parcel.

613 Calhoun Street, board members suggested modifying the zoning request to be Public Institutional PI-1 zoning district. Public Hearing was opened, Wally Greeves, 1906 First Avenue, inquired about the voting process for this case. It was noted that this could be voted on separately. Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Gillette, seconded by Member Stevenson to recommend approval of the Future Land Use Map and Zoning Map Amendments of Public Institutional (PI-1) for the property located at 613 Calhoun Street as part of PAB case 2023-0036 to the City Commission; AND that property located at

613 Calhoun Street as part of PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

Ketch Court, this parcel of .14 acres of land was acquired by the City last year and is predominantly wetlands. Chair Robas asked about the management of the parcel by the City. Margaret Kirkland, 1377 Plantation Drive, spoke about the maintenance of wetland properties. Member Gillette asked about conservation easements. Dee Comstock, 2328 Sadler Road, inquired about the purchase history of the Ketch Court parcel and the reason why the City would acquire such properties.

North 14th Street, 3 parcels, predominantly wetlands. No member of the public wished to speak regarding these parcels.

Beach Access 18, Wally Greeves, 1906 First Avenue, clarified that there is a beach walkover over a dune and expressed a concern about the recreational zoning designation. Pamela Cooper, 1947 S. Fletcher Avenue, asked for clarity on maintenance of the beach walkover regardless of the zoning. Donna Haines, 1929 S. Fletcher Avenue, inquired about the zoning of other beach accesses. Margaret Kirkland, 1377 Plantation Point Drive, asked about the possibility of the Roosevelt Avenue right-of-way to become conservation.

Parcel Off of Robert Oliver Avenue, Melinda Nessmith-Picard, 2845 Robert Oliver Avenue, asked about permissible uses in the conservation zoning district and voiced concern of possible access of that parcel through Robert Oliver Avenue if any permissible conservation development occurs.

Kentucky Avenue and 3rd Avenue, acquired by the City in 2020. Paul Morrison, 2812 Kentucky Avenue, clarified that the Kentucky Avenue parcel is a wet piece of land.

ACTION TAKEN: A motion was made by Member Doster, seconded by Member Gillette to recommend approval of PAB case 2023-0036 to the City Commission as per the Staff Report recommendation; AND that PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6. BOARD BUSINESS

6.1 Election of Chair

ACTION TAKEN: A motion was made by Member Gillette seconded by Member Stevenson to re-elect Member Robas as Chair.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6.2 PAB and HDC Joint Meeting - Scheduling for Wednesday, April 26, 2022, at 5pm.

Ms. Gibson encouraged members to suggest any topics they would like to add to the agenda of that Joint Meeting.

7. STAFF REPORT

7.1 PAB and City Commission Joint Meeting - Follow-up and Next Steps

Member Gillette suggested that Ms. Gibson relay the topics showing a higher level of urgency.

7.2 Commercial Redevelopment Obstacles - Upcoming Comprehensive Plan Amendment and LDC Edits

Ms. Gibson spoke of obstacles that may be preventing investment in commercial corridor re-development and noted that she will provide draft language to members for feedback regarding proposed amendments to the Comprehensive Plan and Land Development Code.

Ms. Gibson spoke of the upcoming trainings and meetings in March and April 2023.

8. PUBLIC COMMENT

No parties wished to speak.

9. ADJOURNMENT 7:00

Date: April 19, 2023

Submitted By: Agnes White, Administrative Services Manager

COMMISSION ACTION: Enact

ORDINANCE 2023-15

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A FUTURE LAND USE MAP OF PUBLIC AND INSTITUTIONAL (PI-1) FOR 0.11 ACRES OF LAND LOCATED AT 613 CALHOUN STREET; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, The City of Fernandina Beach requested assignment of the Public and Institutional (PI-1) from Medium Density Residential (MDR) Future Land Use Map; and

WHEREAS, Planning Staff and the Planning Advisory Board (PAB) acting as the designated Local Planning Agency, has reviewed, and held a public hearing on March 8, 2023, and issued a recommendation of approval; and

WHEREAS, notice of public hearing on such amendments was published in the News Leader, a newspaper of general circulation in Fernandina Beach, Nassau County, Florida, on February 22, 2023.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH AS FOLLOWS:

SECTION 1. PROPERTIES INVOLVED. The City Commission intends to approve the future land use map changes. The property identified for this change of the Future Land Use Map to Public and Institutional for property located and identified by map exhibit attached hereto as Exhibit A.

SECTION 2. FUTURE LAND USE MAP CHANGE. For the property in question, the City's Future Land Use Map is hereby changed as follows and attached hereto as Exhibit A:

- From Medium Density Residential (MDR) to Public and Institutional (PI-1).

SECTION 3. SEVERABILITY. If any section, subsection, sentence, clause, phrase of this Ordinance, or the particular application thereof, shall be held invalid by any court, administrative agency or other body with appropriate jurisdiction, the remaining sections, subsections, sentences, clauses, and phrases under application shall not be affected thereby.

ENACTED this 16th day of May, 2023.

PAB 2023

IMPORTANT NOTES

Pre-Application Meeting

To guide you through the process and ensure that your application is understood and properly processed, youâ€™ll need to meet with a City Planner prior to submitting your application. Completed applications are due 30 days prior to the Planning Advisory Board meeting date.

Please see the Land Development Code (LDC) for detailed information:

- [ ] LDC Text Amendment â€“ see LDC Section 11.01.08.
- [ ] Preliminary Subdivision Plat â€“ see LDC Section 11.01.05.
- [ ] Final Subdivision Plat â€“ LDC Section 11.01.05.
- [x] Zoning Map Changes â€“ See LDC Section 11.01.07.

The LDC is available for review at

www.fbfl.us/LDC

Application Requirements

- [ ] A complete application filed at least forty-five (45) days before the date of the Planning Advisory Boardâ€™s public hearing;
- [ ] Proof of Ownership (copy of deed or tax statement);
- [ ] A current survey of the property (no older than two years);
- [ ] If applying as an agent, Ownerâ€™s Authorization for Agent Representation form needs to be signed/ notarized and included in application;
- [ ] A detailed letter of intent stating the following:
- [ ] o The consistency of the proposed amendment(s) or action(s) with the Cityâ€™s Comprehensive Plan.
- [ ] o A justification for the proposed amendment(s) or action(s).

Have you met with a planner for a pre-application meeting?*

Yes

What was the date of your pre-application meeting?*

2/10/2023

If you have yet to have a pre-application meeting, please choose a date and time to schedule your meeting now. Every Tuesdays are reserved for pre-application appointments.*

mm/dd/yyyy hh:mm am/p

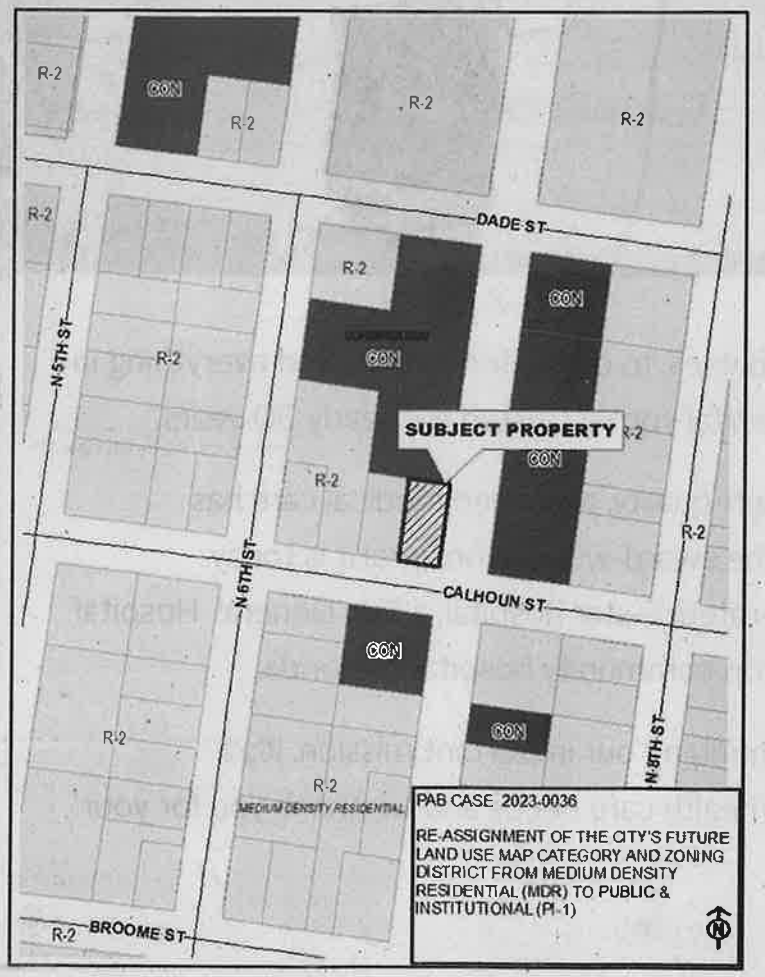
News Leader Edition

NOTICE OF PUBLIC HEARING CITY COMMISSION OF FERNANDINA BEACH



NOTICE IS HEREBY GIVEN that a Public Hearing is scheduled for **Tuesday, May 16, 2023, at 6:00 PM** in the City Commission Chambers, 204 Ash Street Fernandina Beach, Florida to consider the following application:

ORDINANCE 2023-15

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A FUTURE LAND USE MAP OF PUBLIC AND INSTITUTIONAL (PI-1) FOR 0.11 ACRES OF LAND LOCATED AT 613 CALHOUN STREET; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

ORDINANCE 2023-16

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A ZONING CATEGORY OF PUBLIC AND INSTITUTIONAL (PI-1) FOR 0.11 ACRES OF LAND LOCATED AT 613 CALHOUN STREET; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

Interested parties may appear at said hearing and be heard as to the advisability of any action, which may be considered. Any persons with disabilities requiring accommodations in order to participate in this program or activity should contact 310-3115, TTY/TDD 711 or through the Florida Relay Service at 1-800-955-8771 at least 24 hours in advance to request such accommodation.

IF ANY PERSON DECIDES TO APPEAL ANY DECISION MADE BY THE BOARD/COMMISSION WITH RESPECT TO ANY MATTER CONSIDERED AT SUCH HEARING, S/HE WILL NEED TO ENSURE THAT A VERBATIM RECORD OF THE PROCEEDINGS IS MADE, WHICH RECORD INCLUDES THE TESTIMONY AND EVIDENCE UPON WHICH THE APPEAL IS TO BE BASED.

Copies of the applications with description by metes and bounds and the ordinance can be obtained in the office of the City Clerk, City Hall, 204 Ash Street, between the hours of 8:00 AM – 5:00 PM, Monday through Friday. For information on the application, please contact the Staff of the City Clerk's Office at 310-3115.

DRAFT

MINUTES
PLANNING ADVISORY BOARD
REGULAR MEETING
MARCH 8, 2023
CITY HALL CHAMBERS

1. CALL TO ORDER 5:00

ROLL CALL/DETERMINATION OF QUORUM

MEMBERS PRESENT:

Victoria Robas (Chair)	Peter Stevenson (Vice-Chair)
John Boylan	Richard Doster
Mark Bennett	Nick Gillette

MEMBERS ABSENT:
Barbara Gingher

OTHERS PRESENT:
Kelly Gibson, Planning & Conservation Deputy Director
Tammi Bach, City Attorney
Taylor Hartmann, Recording Secretary

2. PLEDGE OF ALLEGIANCE

3. APPROVAL OF MEETING MINUTES

3.1 Approval of Minutes for the Regular Meeting of February 8, 2023

3.2 Approval of Minutes for the PAB and City Commission Joint Meeting of February 22, 2023

ACTION TAKEN: A motion was made by Member Stevenson seconded by Member Bennett to approve both sets of minutes as presented.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

4. OLD BUSINESS

There were no Old Business items to discuss.

5. NEW BUSINESS

5.1 PAB 2023-0034 - SCOTT ROAD PARTNERS LLC, 2754 + 2766 BAILEY ROAD
Final Subdivision Plat - Island View - 12 Single Family Residential Lots

Ms. Gibson introduced the case and provided a review of the proposed plat. She recommended approval.

Member Stevenson and Chair Robas inquired about stormwater management.

Asa Gillette, Gillette & Associates, 20 S. 4th Street, agent for the applicant, spoke about the stormwater engineering and the location of the retention pond.

Public Hearing was opened.

Margaret Kirkland, 1377 Plantation Point Drive, expressed concern for the groundwater issues in the area.

Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Boylan to recommend approval of PAB case 2023-0034 to the City Commission; AND that PAB case 2023-0034 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.2 PAB 2023-0035 – CITY OF FERNANDINA BEACH, 2852 BAILEY ROAD
Voluntary Annexation of approximately 0.39 acres of land into the City Limits, Assignment of the City's Medium Density Residential (MDR) Future Land Use Map Category, and Assignment of the City's R-2 Zoning District

Ms. Gibson introduced the case and recommended approval.

Board members discussed density and different residential zoning districts.

Public Hearing was opened and closed with no parties wishing to speak.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Bennett to recommend approval of PAB case 2023-0035 to the City Commission, and that the voluntary annexation and assignment of a Low Density Residential (LDR) Future Land Use Map Category and a Low Density Residential Zoning District of R-1 be approved; AND that PAB case 2023-0035 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.3 PAB 2023-0036 - CITY OF FERNANDINA BEACH, VARIOUS LOCATIONS
Future Land Use Map and Zoning Map Amendments for 9 city-owned parcels totaling 1.29 acres of land Lands will be moved from various Residential (R-1, R-2, R-3) designations to either Conservation or Recreation Future Land Use and Zoning Districts.

Ms. Gibson introduced the case and provided background on each of the parcels being proposed for zoning changes in the following order:

565 S. Fletcher Avenue (rear parcel of 0.06 acres of land recently deeded to the City). No member of the public wished to speak regarding this parcel.

613 Calhoun Street, board members suggested modifying the zoning request to be Public Institutional PI-1 zoning district. Public Hearing was opened, Wally Greeves, 1906 First Avenue, inquired about the voting process for this case. It was noted that this could be voted on separately. Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Gillette, seconded by Member Stevenson to recommend approval of the Future Land Use Map and Zoning Map Amendments of Public Institutional (PI-1) for the property located at 613 Calhoun Street as part of PAB case 2023-0036 to the City Commission; AND that property located at

613 Calhoun Street as part of PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

Ketch Court, this parcel of .14 acres of land was acquired by the City last year and is predominantly wetlands. Chair Robas asked about the management of the parcel by the City. Margaret Kirkland, 1377 Plantation Drive, spoke about the maintenance of wetland properties. Member Gillette asked about conservation easements. Dee Comstock, 2328 Sadler Road, inquired about the purchase history of the Ketch Court parcel and the reason why the City would acquire such properties.

North 14th Street, 3 parcels, predominantly wetlands. No member of the public wished to speak regarding these parcels.

Beach Access 18, Wally Greeves, 1906 First Avenue, clarified that there is a beach walkover over a dune and expressed a concern about the recreational zoning designation. Pamela Cooper, 1947 S. Fletcher Avenue, asked for clarity on maintenance of the beach walkover regardless of the zoning. Donna Haines, 1929 S. Fletcher Avenue, inquired about the zoning of other beach accesses. Margaret Kirkland, 1377 Plantation Point Drive, asked about the possibility of the Roosevelt Avenue right-of-way to become conservation.

Parcel Off of Robert Oliver Avenue, Melinda Nessmith-Picard, 2845 Robert Oliver Avenue, asked about permissible uses in the conservation zoning district and voiced concern of possible access of that parcel through Robert Oliver Avenue if any permissible conservation development occurs.

Kentucky Avenue and 3rd Avenue, acquired by the City in 2020. Paul Morrison, 2812 Kentucky Avenue, clarified that the Kentucky Avenue parcel is a wet piece of land.

ACTION TAKEN: A motion was made by Member Doster, seconded by Member Gillette to recommend approval of PAB case 2023-0036 to the City Commission as per the Staff Report recommendation; AND that PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6. BOARD BUSINESS

6.1 Election of Chair

ACTION TAKEN: A motion was made by Member Gillette seconded by Member Stevenson to re-elect Member Robas as Chair.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6.2 PAB and HDC Joint Meeting - Scheduling for Wednesday, April 26, 2022, at 5pm.

Ms. Gibson encouraged members to suggest any topics they would like to add to the agenda of that Joint Meeting.

7. STAFF REPORT

7.1 PAB and City Commission Joint Meeting - Follow-up and Next Steps

Member Gillette suggested that Ms. Gibson relay the topics showing a higher level of urgency.

7.2 Commercial Redevelopment Obstacles - Upcoming Comprehensive Plan Amendment and LDC Edits

Ms. Gibson spoke of obstacles that may be preventing investment in commercial corridor re-development and noted that she will provide draft language to members for feedback regarding proposed amendments to the Comprehensive Plan and Land Development Code.

Ms. Gibson spoke of the upcoming trainings and meetings in March and April 2023.

8. PUBLIC COMMENT

No parties wished to speak.

9. ADJOURNMENT 7:00

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Ordinance 2023-16
Zoning Map Change - 613 Calhoun Street

ITEM TYPE: Ordinance (w/o fiscal impact)

REQUESTED ACTION: Consider Ordinance 2023-16 at Second Reading.

SYNOPSIS: This ordinance changes the zoning of this city-owned property from Medium Density Residential (R-2) to Public and Institutional (PI-1).The Planning Advisory Board held a public hearing on March 8, 2023 and recommended approval of this change. This item was considered by the Commission at First Reading as a quasi-judicial hearing on April 18, 2023.

FISCAL IMPACT: None.

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): I recommend that the City Commission enact proposed Ordinance 2023-16 at Second Reading.

Kelly Gibson, Planning Deputy Director	4/21/2023
Katie Newton, Legal Assistant	5/1/2023
Agnes White, Administrative Services Manager	5/1/2023
Charles George, Interim City Manager	5/2/2023
Tammi E. Bach, City Attorney	5/8/2023

Agnes J. White

Submitted By: Agnes White, Administrative Services Manager Date: April 19, 2023

COMMISSION ACTION: Enact

ORDINANCE 2023-16

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A ZONING CATEGORY OF PUBLIC AND INSTITUTIONAL (PI-1) FOR 0.11 ACRES OF LAND LOCATED AT 613 CALHOUN STREET; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Fernandina Beach has requested assignment of the City's Public and Institutional (PI-1) Zoning District from Medium Density Residential (R-2) District; and

WHEREAS, Planning Staff and the Planning Advisory Board (PAB) acting as the designated Local Planning Agency, has reviewed, and held a public hearing on March 8, 2023, and issued a recommendation of approval; and

WHEREAS, notice of public hearing on such amendments was published in the News Leader, a newspaper of general circulation in Fernandina Beach, Nassau County, Florida, on February 22, 2023.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH AS FOLLOWS:

SECTION 1. PROPERTIES INVOLVED. The City Commission intends to approve the zoning map changes. The property identified for this change of the Zoning Map to City of Fernandina Beach Public and Institutional (PI-1) for properties located and identified as by map exhibit attached hereto as Exhibit "A".

SECTION 2. ZONING MAP CHANGE. For the property in question, the City's Zoning Map is hereby changed as follows and attached hereto as Exhibit A:

- From Medium Density Residential (R-2) to Public and Institutional (PI-1).

SECTION 3. SEVERABILITY. If any section, subsection, sentence, clause, phrase of this Ordinance, or the particular application thereof, shall be held invalid by any court, administrative agency or other body with appropriate jurisdiction, the remaining sections, subsections, sentences, clauses, and phrases under application shall not be affected thereby.

ENACTED this 16th day of May, 2023.

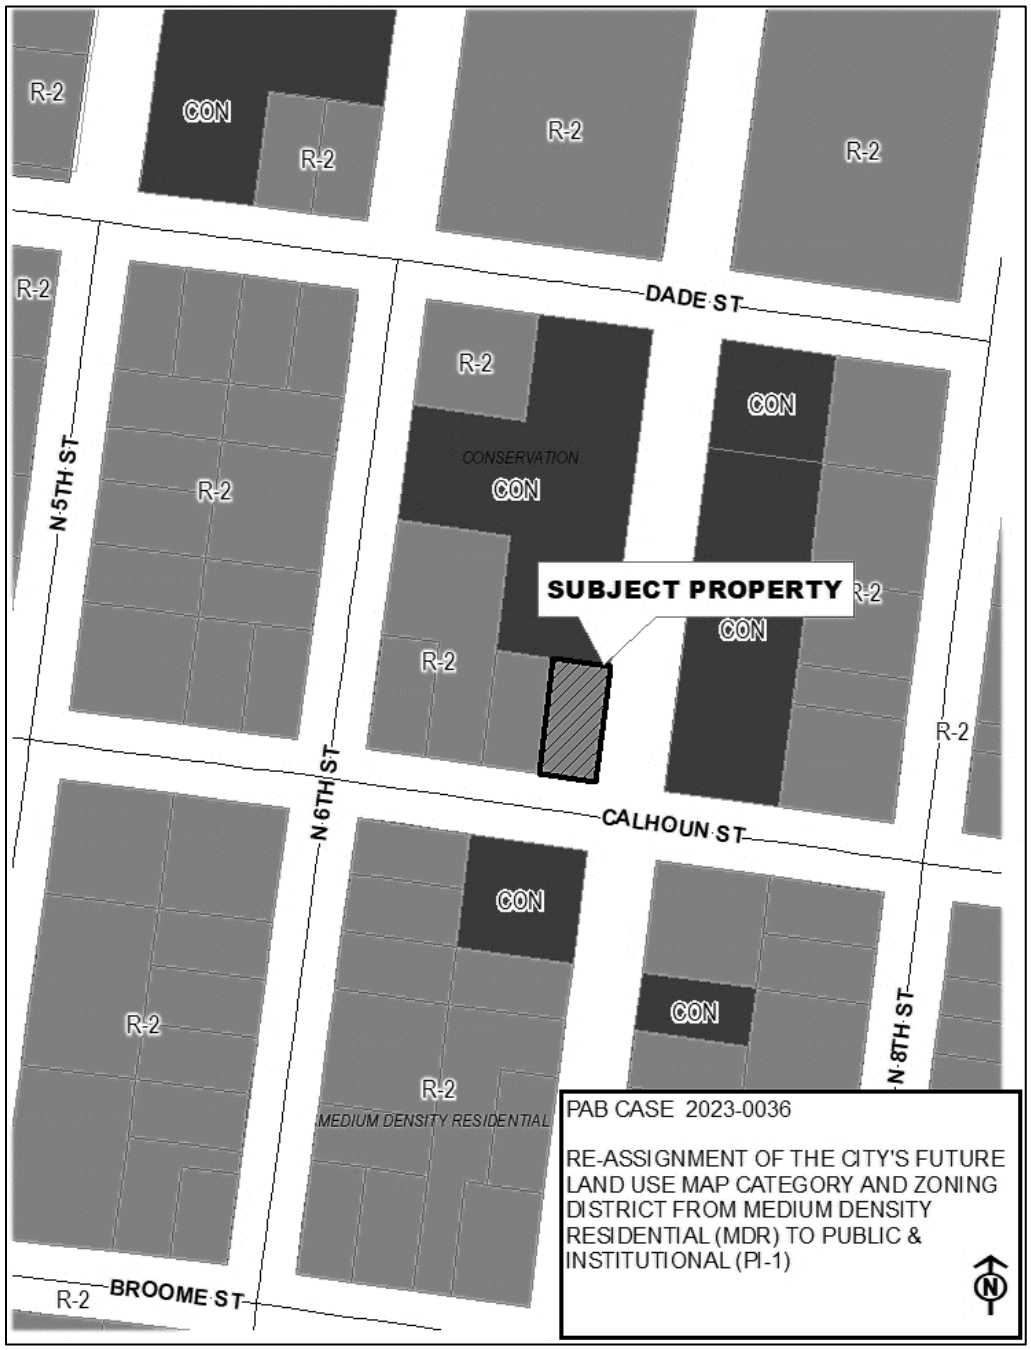
CITY OF FERNANDINA BEACH

BRADLEY M. BEAN
Mayor - Commissioner

ATTEST:

CAROLINE BEST
City Clerk

APPROVED AS TO FORM AND LEGALITY:



TAMMI E. BACH
City Attorney

Date of First Reading: April 18, 2023
Date of Second Reading/Final Hearing: May 16, 2023
Date of Publication: May 3, 2023

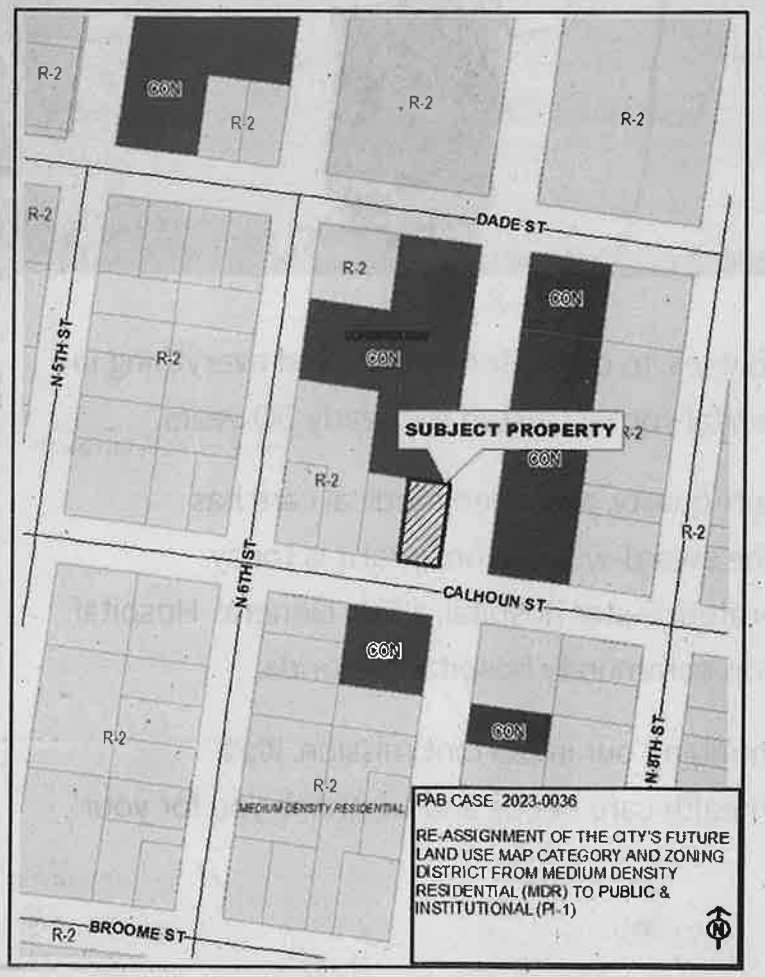
News Leader Edition

NOTICE OF PUBLIC HEARING CITY COMMISSION OF FERNANDINA BEACH



NOTICE IS HEREBY GIVEN that a Public Hearing is scheduled for **Tuesday, May 16, 2023, at 6:00 PM** in the City Commission Chambers, 204 Ash Street Fernandina Beach, Florida to consider the following application:

ORDINANCE 2023-15

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A FUTURE LAND USE MAP OF PUBLIC AND INSTITUTIONAL (PI-1) FOR 0.11 ACRES OF LAND LOCATED AT 613 CALHOUN STREET; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

ORDINANCE 2023-16

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A ZONING CATEGORY OF PUBLIC AND INSTITUTIONAL (PI-1) FOR 0.11 ACRES OF LAND LOCATED AT 613 CALHOUN STREET; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

Interested parties may appear at said hearing and be heard as to the advisability of any action, which may be considered. Any persons with disabilities requiring accommodations in order to participate in this program or activity should contact 310-3115, TTY/TDD 711 or through the Florida Relay Service at 1-800-955-8771 at least 24 hours in advance to request such accommodation.

IF ANY PERSON DECIDES TO APPEAL ANY DECISION MADE BY THE BOARD/COMMISSION WITH RESPECT TO ANY MATTER CONSIDERED AT SUCH HEARING, S/HE WILL NEED TO ENSURE THAT A VERBATIM RECORD OF THE PROCEEDINGS IS MADE, WHICH RECORD INCLUDES THE TESTIMONY AND EVIDENCE UPON WHICH THE APPEAL IS TO BE BASED.

Copies of the applications with description by metes and bounds and the ordinance can be obtained in the office of the City Clerk, City Hall, 204 Ash Street, between the hours of 8:00 AM – 5:00 PM, Monday through Friday. For information on the application, please contact the Staff of the City Clerk's Office at 310-3115.

DRAFT

MINUTES
PLANNING ADVISORY BOARD
REGULAR MEETING
MARCH 8, 2023
CITY HALL CHAMBERS

1. CALL TO ORDER 5:00

ROLL CALL/DETERMINATION OF QUORUM

MEMBERS PRESENT:

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

4. OLD BUSINESS

There were no Old Business items to discuss.

5. NEW BUSINESS

5.1 PAB 2023-0034 - SCOTT ROAD PARTNERS LLC, 2754 + 2766 BAILEY ROAD
Final Subdivision Plat - Island View - 12 Single Family Residential Lots

Ms. Gibson introduced the case and provided a review of the proposed plat. She recommended approval.

Member Stevenson and Chair Robas inquired about stormwater management.

Asa Gillette, Gillette & Associates, 20 S. 4th Street, agent for the applicant, spoke about the stormwater engineering and the location of the retention pond.

Public Hearing was opened.

Margaret Kirkland, 1377 Plantation Point Drive, expressed concern for the groundwater issues in the area.

Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Boylan to recommend approval of PAB case 2023-0034 to the City Commission; AND that PAB case 2023-0034 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.2 PAB 2023-0035 – CITY OF FERNANDINA BEACH, 2852 BAILEY ROAD
Voluntary Annexation of approximately 0.39 acres of land into the City Limits, Assignment of the City's Medium Density Residential (MDR) Future Land Use Map Category, and Assignment of the City's R-2 Zoning District

Ms. Gibson introduced the case and recommended approval.

Board members discussed density and different residential zoning districts.

Public Hearing was opened and closed with no parties wishing to speak.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Bennett to recommend approval of PAB case 2023-0035 to the City Commission, and that the voluntary annexation and assignment of a Low Density Residential (LDR) Future Land Use Map Category and a Low Density Residential Zoning District of R-1 be approved; AND that PAB case 2023-0035 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.3 PAB 2023-0036 - CITY OF FERNANDINA BEACH, VARIOUS LOCATIONS
Future Land Use Map and Zoning Map Amendments for 9 city-owned parcels totaling 1.29 acres of land Lands will be moved from various Residential (R-1, R-2, R-3) designations to either Conservation or Recreation Future Land Use and Zoning Districts.

Ms. Gibson introduced the case and provided background on each of the parcels being proposed for zoning changes in the following order:

565 S. Fletcher Avenue (rear parcel of 0.06 acres of land recently deeded to the City). No member of the public wished to speak regarding this parcel.

613 Calhoun Street, board members suggested modifying the zoning request to be Public Institutional PI-1 zoning district. Public Hearing was opened, Wally Greeves, 1906 First Avenue, inquired about the voting process for this case. It was noted that this could be voted on separately. Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Gillette, seconded by Member Stevenson to recommend approval of the Future Land Use Map and Zoning Map Amendments of Public Institutional (PI-1) for the property located at 613 Calhoun Street as part of PAB case 2023-0036 to the City Commission; AND that property located at

613 Calhoun Street as part of PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

Ketch Court, this parcel of .14 acres of land was acquired by the City last year and is predominantly wetlands. Chair Robas asked about the management of the parcel by the City. Margaret Kirkland, 1377 Plantation Drive, spoke about the maintenance of wetland properties. Member Gillette asked about conservation easements. Dee Comstock, 2328 Sadler Road, inquired about the purchase history of the Ketch Court parcel and the reason why the City would acquire such properties.

North 14th Street, 3 parcels, predominantly wetlands. No member of the public wished to speak regarding these parcels.

Beach Access 18, Wally Greeves, 1906 First Avenue, clarified that there is a beach walkover over a dune and expressed a concern about the recreational zoning designation. Pamela Cooper, 1947 S. Fletcher Avenue, asked for clarity on maintenance of the beach walkover regardless of the zoning. Donna Haines, 1929 S. Fletcher Avenue, inquired about the zoning of other beach accesses. Margaret Kirkland, 1377 Plantation Point Drive, asked about the possibility of the Roosevelt Avenue right-of-way to become conservation.

Parcel Off of Robert Oliver Avenue, Melinda Nessmith-Picard, 2845 Robert Oliver Avenue, asked about permissible uses in the conservation zoning district and voiced concern of possible access of that parcel through Robert Oliver Avenue if any permissible conservation development occurs.

Kentucky Avenue and 3rd Avenue, acquired by the City in 2020. Paul Morrison, 2812 Kentucky Avenue, clarified that the Kentucky Avenue parcel is a wet piece of land.

ACTION TAKEN: A motion was made by Member Doster, seconded by Member Gillette to recommend approval of PAB case 2023-0036 to the City Commission as per the Staff Report recommendation; AND that PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6. BOARD BUSINESS

6.1 Election of Chair

ACTION TAKEN: A motion was made by Member Gillette seconded by Member Stevenson to re-elect Member Robas as Chair.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6.2 PAB and HDC Joint Meeting - Scheduling for Wednesday, April 26, 2022, at 5pm.

Ms. Gibson encouraged members to suggest any topics they would like to add to the agenda of that Joint Meeting.

7. STAFF REPORT

7.1 PAB and City Commission Joint Meeting - Follow-up and Next Steps

Member Gillette suggested that Ms. Gibson relay the topics showing a higher level of urgency.

7.2 Commercial Redevelopment Obstacles - Upcoming Comprehensive Plan Amendment and LDC Edits

Ms. Gibson spoke of obstacles that may be preventing investment in commercial corridor re-development and noted that she will provide draft language to members for feedback regarding proposed amendments to the Comprehensive Plan and Land Development Code.

Ms. Gibson spoke of the upcoming trainings and meetings in March and April 2023.

8. PUBLIC COMMENT

No parties wished to speak.

9. ADJOURNMENT 7:00

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Ordinance 2023-17
Future Land Use Map Assignment - Properties Located on N. 14th Street

ITEM TYPE: Ordinance (w/o fiscal impact)

REQUESTED ACTION: Consider Ordinance 2023-17 at Second Reading.

SYNOPSIS: This ordinance changes the Future Land Use category from High Density Residential (HDR) to Conservation (CON) for City-owned property located on N. 14th Street. The Planning Advisory Board held a public hearing on March 8, 2023 and recommended approval of this change. The City Commission approved this ordinance at First Reading at its April 18, 2023, Regular Meeting.

FISCAL IMPACT: None.

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): I recommend that the City Commission enact proposed Ordinance 2023-17 at Second Reading.

Kelly Gibson, Planning Deputy Director	4/21/2023
Katie Newton, Legal Assistant	5/1/2023
Agnes White, Administrative Services Manager	5/1/2023
Charles George, Interim City Manager	5/2/2023
Tammi E. Bach, City Attorney	5/5/2023

Agnes J. White

Date: April 19, 2023

Submitted By: Agnes White, Administrative Services Manager

COMMISSION ACTION: Enact

ORDINANCE 2023-17

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A FUTURE LAND USE MAP OF CONSERVATION (CON) FOR PROPERTY LOCATED ON NORTH 14TH STREET, TOTALING APPROXIMATELY 0.16 ACRES OF LAND; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHERAS, The City of Fernandina Beach requested assignment of the Conservation (CON) from High Density Residential (HDR) Future Land Use Map; and

WHEREAS, Planning Staff and the Planning Advisory Board (PAB) acting as the designated Local Planning Agency, has reviewed, and held a public hearing on March 8, 2023, and issued a recommendation of approval; and

WHEREAS, Notice of public hearing on such amendments was published in the News Leader, a newspaper of general circulation in Fernandina Beach, Nassau County, Florida, on February 22, 2023.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH AS FOLLOWS:

SECTION 1. PROPERTIES INVOLVED. The City Commission intends to approve the future land use map changes. The properties identified for this change of the Future Land Use Map to Conservation (CON) for properties located and identified by map exhibit attached hereto as Exhibit "A".

SECTION 2. FUTURE LAND USE MAP CHANGE. For the properties in question, the City's Future Land Use Map is hereby changed as follows and attached hereto as Exhibit A:

- From High Density Residential (R-3) to Conservation (CON).

SECTION 3. SEVERABILITY. If any section, subsection, sentence, clause, phrase of this Ordinance, or the particular application thereof, shall be held invalid by any court, administrative agency or other body with appropriate jurisdiction, the remaining sections, subsections, sentences, clauses, and phrases under application shall not be affected thereby.

ENACTED this 16th day of May, 2023.

NOTICE OF PUBLIC HEARING CITY COMMISSION OF FERNANDINA BEACH

NOTICE IS HEREBY GIVEN that a Public Hearing is scheduled for **Tuesday, May 16, 2023, at 6:00 PM** in the City Commission Chambers, 204 Ash Street Fernandina Beach, Florida to consider the following application:

ORDINANCE 2023-17

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A FUTURE LAND USE MAP OF CONSERVATION (CON) FOR PROPERTY LOCATED ON NORTH 14TH STREET, TOTALING APPROXIMATELY 0.16 ACRES OF LAND; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

ORDINANCE 2023-18

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A ZONING CATEGORY OF CONSERVATION (CON) FOR PROPERTY LOCATED ON NORTH 14TH STREET, TOTALING APPROXIMATELY 0.16 ACRES OF LAND; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

Interested parties may appear at said hearing and be heard as to the advisability of any action, which may be considered. Any persons with disabilities requiring accommodations in order to participate in this program or activity should contact 310-3115, TTY/TDD 711 or through the Florida Relay Service at 1-800-955-8771 at least 24 hours in advance to request such accommodation.

IF ANY PERSON DECIDES TO APPEAL ANY DECISION MADE BY THE BOARD/COMMISSION WITH RESPECT TO ANY MATTER CONSIDERED AT SUCH HEARING, S/HE WILL NEED TO ENSURE THAT A VERBATIM RECORD OF THE PROCEEDINGS IS MADE, WHICH RECORD INCLUDES THE TESTIMONY AND EVIDENCE UPON WHICH THE APPEAL IS TO BE BASED.

Copies of the applications with description by metes and bounds and the ordinance can be obtained in the office of the City Clerk, City Hall, 204 Ash Street, between the hours of 8:00 AM – 5:00 PM, Monday through Friday. For information on the application, please contact the Staff of the City Clerk's Office at 310-3115.

DRAFT

MINUTES
PLANNING ADVISORY BOARD
REGULAR MEETING
MARCH 8, 2023
CITY HALL CHAMBERS

1. CALL TO ORDER 5:00

ROLL CALL/DETERMINATION OF QUORUM

MEMBERS PRESENT:

Victoria Robas (Chair)	Peter Stevenson (Vice-Chair)
John Boylan	Richard Doster
Mark Bennett	Nick Gillette

MEMBERS ABSENT:
Barbara Gingher

OTHERS PRESENT:
Kelly Gibson, Planning & Conservation Deputy Director
Tammi Bach, City Attorney
Taylor Hartmann, Recording Secretary

2. PLEDGE OF ALLEGIANCE

3. APPROVAL OF MEETING MINUTES

3.1 Approval of Minutes for the Regular Meeting of February 8, 2023

3.2 Approval of Minutes for the PAB and City Commission Joint Meeting of February 22, 2023

ACTION TAKEN: A motion was made by Member Stevenson seconded by Member Bennett to approve both sets of minutes as presented.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

4. OLD BUSINESS

There were no Old Business items to discuss.

5. NEW BUSINESS

5.1 PAB 2023-0034 - SCOTT ROAD PARTNERS LLC, 2754 + 2766 BAILEY ROAD
Final Subdivision Plat - Island View - 12 Single Family Residential Lots

Ms. Gibson introduced the case and provided a review of the proposed plat. She recommended approval.

Member Stevenson and Chair Robas inquired about stormwater management.

Asa Gillette, Gillette & Associates, 20 S. 4th Street, agent for the applicant, spoke about the stormwater engineering and the location of the retention pond.

Public Hearing was opened.

Margaret Kirkland, 1377 Plantation Point Drive, expressed concern for the groundwater issues in the area.

Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Boylan to recommend approval of PAB case 2023-0034 to the City Commission; AND that PAB case 2023-0034 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.2 PAB 2023-0035 – CITY OF FERNANDINA BEACH, 2852 BAILEY ROAD
Voluntary Annexation of approximately 0.39 acres of land into the City Limits, Assignment of the City's Medium Density Residential (MDR) Future Land Use Map Category, and Assignment of the City's R-2 Zoning District

Ms. Gibson introduced the case and recommended approval.

Board members discussed density and different residential zoning districts.

Public Hearing was opened and closed with no parties wishing to speak.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Bennett to recommend approval of PAB case 2023-0035 to the City Commission, and that the voluntary annexation and assignment of a Low Density Residential (LDR) Future Land Use Map Category and a Low Density Residential Zoning District of R-1 be approved; AND that PAB case 2023-0035 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.3 PAB 2023-0036 - CITY OF FERNANDINA BEACH, VARIOUS LOCATIONS
Future Land Use Map and Zoning Map Amendments for 9 city-owned parcels totaling 1.29 acres of land Lands will be moved from various Residential (R-1, R-2, R-3) designations to either Conservation or Recreation Future Land Use and Zoning Districts.

Ms. Gibson introduced the case and provided background on each of the parcels being proposed for zoning changes in the following order:

565 S. Fletcher Avenue (rear parcel of 0.06 acres of land recently deeded to the City). No member of the public wished to speak regarding this parcel.

613 Calhoun Street, board members suggested modifying the zoning request to be Public Institutional PI-1 zoning district. Public Hearing was opened, Wally Greeves, 1906 First Avenue, inquired about the voting process for this case. It was noted that this could be voted on separately. Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Gillette, seconded by Member Stevenson to recommend approval of the Future Land Use Map and Zoning Map Amendments of Public Institutional (PI-1) for the property located at 613 Calhoun Street as part of PAB case 2023-0036 to the City Commission; AND that property located at

613 Calhoun Street as part of PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

Ketch Court, this parcel of .14 acres of land was acquired by the City last year and is predominantly wetlands. Chair Robas asked about the management of the parcel by the City. Margaret Kirkland, 1377 Plantation Drive, spoke about the maintenance of wetland properties. Member Gillette asked about conservation easements. Dee Comstock, 2328 Sadler Road, inquired about the purchase history of the Ketch Court parcel and the reason why the City would acquire such properties.

North 14th Street, 3 parcels, predominantly wetlands. No member of the public wished to speak regarding these parcels.

Beach Access 18, Wally Greeves, 1906 First Avenue, clarified that there is a beach walkover over a dune and expressed a concern about the recreational zoning designation. Pamela Cooper, 1947 S. Fletcher Avenue, asked for clarity on maintenance of the beach walkover regardless of the zoning. Donna Haines, 1929 S. Fletcher Avenue, inquired about the zoning of other beach accesses. Margaret Kirkland, 1377 Plantation Point Drive, asked about the possibility of the Roosevelt Avenue right-of-way to become conservation.

Parcel Off of Robert Oliver Avenue, Melinda Nessmith-Picard, 2845 Robert Oliver Avenue, asked about permissible uses in the conservation zoning district and voiced concern of possible access of that parcel through Robert Oliver Avenue if any permissible conservation development occurs.

Kentucky Avenue and 3rd Avenue, acquired by the City in 2020. Paul Morrison, 2812 Kentucky Avenue, clarified that the Kentucky Avenue parcel is a wet piece of land.

ACTION TAKEN: A motion was made by Member Doster, seconded by Member Gillette to recommend approval of PAB case 2023-0036 to the City Commission as per the Staff Report recommendation; AND that PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6. BOARD BUSINESS

6.1 Election of Chair

ACTION TAKEN: A motion was made by Member Gillette seconded by Member Stevenson to re-elect Member Robas as Chair.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6.2 PAB and HDC Joint Meeting - Scheduling for Wednesday, April 26, 2022, at 5pm.

Ms. Gibson encouraged members to suggest any topics they would like to add to the agenda of that Joint Meeting.

7. STAFF REPORT

7.1 PAB and City Commission Joint Meeting - Follow-up and Next Steps

Member Gillette suggested that Ms. Gibson relay the topics showing a higher level of urgency.

7.2 Commercial Redevelopment Obstacles - Upcoming Comprehensive Plan Amendment and LDC Edits

Ms. Gibson spoke of obstacles that may be preventing investment in commercial corridor re-development and noted that she will provide draft language to members for feedback regarding proposed amendments to the Comprehensive Plan and Land Development Code.

Ms. Gibson spoke of the upcoming trainings and meetings in March and April 2023.

8. PUBLIC COMMENT

No parties wished to speak.

9. ADJOURNMENT 7:00

Taylor Hartmann, Recording Secretary Victoria Robas, Chair

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Ordinance 2023-18
Zoning Map Change - Properties located on N. 14th Street

ITEM TYPE: Ordinance (w/o fiscal impact)

REQUESTED ACTION: Consider Ordinance 2023-18 at Second Reading.

SYNOPSIS: This ordinance changes the zoning map category from High Density Residential (R-3) to Conservation (CON) for City-owned property located on N. 14th Street. This item was considered at First Reading as a quasi-judicial hearing on April 18, 2023.

FISCAL IMPACT: None.

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): I recommend that the City Commission enact proposed Ordinance 2023-18 at Second Reading.

Kelly Gibson, Planning Deputy Director	4/21/2023
Katie Newton, Legal Assistant	5/1/2023
Agnes White, Administrative Services Manager	5/1/2023
Charles George, Interim City Manager	5/2/2023
Tammi E. Bach, City Attorney	5/8/2023

Agnes J. White

Submitted By: Agnes White, Administrative Services Manager Date: April 19, 2023

COMMISSION ACTION: Enact

ORDINANCE 2023-18

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A ZONING CATEGORY OF CONSERVATION (CON) FOR PROPERTY LOCATED ON NORTH 14TH STREET, TOTALING APPROXIMATELY 0.16 ACRES OF LAND; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Fernandina Beach has requested assignment of the City's Conservation (CON) Zoning District from High Density Residential (R-3) District; and

WHEREAS, Planning Staff and the Planning Advisory Board (PAB) acting as the designated Local Planning Agency, has reviewed, and held a public hearing on March 8, 2023, and issued a recommendation of approval; and

WHEREAS, notice of public hearing on such amendments was published in the News Leader, a newspaper of general circulation in Fernandina Beach, Nassau County, Florida, on February 22, 2023.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH AS FOLLOWS:

SECTION 1. PROPERTIES INVOLVED. The City Commission intends to approve the zoning map changes. The properties identified for this change of the Zoning Map to City of Fernandina Beach Conservation (CON) for properties located and identified as North 14th Street and by map exhibit attached hereto as Exhibit A.

SECTION 2. ZONING MAP CHANGE. For the properties in question, the City's Zoning Map is hereby changed as follows and attached hereto as Exhibit A:

- From High Density Residential (R-3) to Conservation (CON).

SECTION 3. SEVERABILITY. If any section, subsection, sentence, clause, phrase of this Ordinance, or the particular application thereof, shall be held invalid by any court, administrative agency or other body with appropriate jurisdiction, the remaining sections, subsections, sentences, clauses, and phrases under application shall not be affected thereby.

ENACTED this 16th day of May, 2023.

CITY OF FERNANDINA BEACH

BRADLEY M. BEAN
Mayor - Commissioner

STAFF REPORT
PAB 2023-0036
Planning Advisory Board Hearing
March 8, 2023

Map Exhibit: S. Fletcher Ave, Beach Access Property and Ketch Court and Property at the end of Robert Oliver Ave

STAFF RECOMMENDATION:

Staff finds the requested amendments to be sufficiently compliant with the Comprehensive Plan, Land Development Code, and established City Commission Goal to increase conservation land use and zoning acreage. Staff recommends approval of the request.

NOTICE OF PUBLIC HEARING CITY COMMISSION OF FERNANDINA BEACH

NOTICE IS HEREBY GIVEN that a Public Hearing is scheduled for **Tuesday, May 16, 2023, at 6:00 PM** in the City Commission Chambers, 204 Ash Street Fernandina Beach, Florida to consider the following application:

ORDINANCE 2023-17

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A FUTURE LAND USE MAP OF CONSERVATION (CON) FOR PROPERTY LOCATED ON NORTH 14TH STREET, TOTALING APPROXIMATELY 0.16 ACRES OF LAND; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

ORDINANCE 2023-18

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A ZONING CATEGORY OF CONSERVATION (CON) FOR PROPERTY LOCATED ON NORTH 14TH STREET, TOTALING APPROXIMATELY 0.16 ACRES OF LAND; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

Interested parties may appear at said hearing and be heard as to the advisability of any action, which may be considered. Any persons with disabilities requiring accommodations in order to participate in this program or activity should contact 310-3115, TTY/TDD 711 or through the Florida Relay Service at 1-800-955-8771 at least 24 hours in advance to request such accommodation.

IF ANY PERSON DECIDES TO APPEAL ANY DECISION MADE BY THE BOARD/COMMISSION WITH RESPECT TO ANY MATTER CONSIDERED AT SUCH HEARING, S/HE WILL NEED TO ENSURE THAT A VERBATIM RECORD OF THE PROCEEDINGS IS MADE, WHICH RECORD INCLUDES THE TESTIMONY AND EVIDENCE UPON WHICH THE APPEAL IS TO BE BASED.

Copies of the applications with description by metes and bounds and the ordinance can be obtained in the office of the City Clerk, City Hall, 204 Ash Street, between the hours of 8:00 AM – 5:00 PM, Monday through Friday. For information on the application, please contact the Staff of the City Clerk's Office at 310-3115.

DRAFT

MINUTES
PLANNING ADVISORY BOARD
REGULAR MEETING
MARCH 8, 2023
CITY HALL CHAMBERS

1. CALL TO ORDER 5:00

ROLL CALL/DETERMINATION OF QUORUM

MEMBERS PRESENT:

Victoria Robas (Chair)	Peter Stevenson (Vice-Chair)
John Boylan	Richard Doster
Mark Bennett	Nick Gillette

MEMBERS ABSENT:
Barbara Gingher

OTHERS PRESENT:
Kelly Gibson, Planning & Conservation Deputy Director
Tammi Bach, City Attorney
Taylor Hartmann, Recording Secretary

2. PLEDGE OF ALLEGIANCE

3. APPROVAL OF MEETING MINUTES

3.1 Approval of Minutes for the Regular Meeting of February 8, 2023

3.2 Approval of Minutes for the PAB and City Commission Joint Meeting of February 22, 2023

ACTION TAKEN: A motion was made by Member Stevenson seconded by Member Bennett to approve both sets of minutes as presented.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

4. OLD BUSINESS

There were no Old Business items to discuss.

5. NEW BUSINESS

5.1 PAB 2023-0034 - SCOTT ROAD PARTNERS LLC, 2754 + 2766 BAILEY ROAD
Final Subdivision Plat - Island View - 12 Single Family Residential Lots

Ms. Gibson introduced the case and provided a review of the proposed plat. She recommended approval.

Member Stevenson and Chair Robas inquired about stormwater management.

Asa Gillette, Gillette & Associates, 20 S. 4th Street, agent for the applicant, spoke about the stormwater engineering and the location of the retention pond.

Public Hearing was opened.

Margaret Kirkland, 1377 Plantation Point Drive, expressed concern for the groundwater issues in the area.

Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Boylan to recommend approval of PAB case 2023-0034 to the City Commission; AND that PAB case 2023-0034 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.2 PAB 2023-0035 – CITY OF FERNANDINA BEACH, 2852 BAILEY ROAD
Voluntary Annexation of approximately 0.39 acres of land into the City Limits, Assignment of the City's Medium Density Residential (MDR) Future Land Use Map Category, and Assignment of the City's R-2 Zoning District

Ms. Gibson introduced the case and recommended approval.

Board members discussed density and different residential zoning districts.

Public Hearing was opened and closed with no parties wishing to speak.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Bennett to recommend approval of PAB case 2023-0035 to the City Commission, and that the voluntary annexation and assignment of a Low Density Residential (LDR) Future Land Use Map Category and a Low Density Residential Zoning District of R-1 be approved; AND that PAB case 2023-0035 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.3 PAB 2023-0036 - CITY OF FERNANDINA BEACH, VARIOUS LOCATIONS
Future Land Use Map and Zoning Map Amendments for 9 city-owned parcels totaling 1.29 acres of land Lands will be moved from various Residential (R-1, R-2, R-3) designations to either Conservation or Recreation Future Land Use and Zoning Districts.

Ms. Gibson introduced the case and provided background on each of the parcels being proposed for zoning changes in the following order:

565 S. Fletcher Avenue (rear parcel of 0.06 acres of land recently deeded to the City). No member of the public wished to speak regarding this parcel.

613 Calhoun Street, board members suggested modifying the zoning request to be Public Institutional PI-1 zoning district. Public Hearing was opened, Wally Greeves, 1906 First Avenue, inquired about the voting process for this case. It was noted that this could be voted on separately. Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Gillette, seconded by Member Stevenson to recommend approval of the Future Land Use Map and Zoning Map Amendments of Public Institutional (PI-1) for the property located at 613 Calhoun Street as part of PAB case 2023-0036 to the City Commission; AND that property located at

613 Calhoun Street as part of PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

Ketch Court, this parcel of .14 acres of land was acquired by the City last year and is predominantly wetlands. Chair Robas asked about the management of the parcel by the City. Margaret Kirkland, 1377 Plantation Drive, spoke about the maintenance of wetland properties. Member Gillette asked about conservation easements. Dee Comstock, 2328 Sadler Road, inquired about the purchase history of the Ketch Court parcel and the reason why the City would acquire such properties.

North 14th Street, 3 parcels, predominantly wetlands. No member of the public wished to speak regarding these parcels.

Beach Access 18, Wally Greeves, 1906 First Avenue, clarified that there is a beach walkover over a dune and expressed a concern about the recreational zoning designation. Pamela Cooper, 1947 S. Fletcher Avenue, asked for clarity on maintenance of the beach walkover regardless of the zoning. Donna Haines, 1929 S. Fletcher Avenue, inquired about the zoning of other beach accesses. Margaret Kirkland, 1377 Plantation Point Drive, asked about the possibility of the Roosevelt Avenue right-of-way to become conservation.

Parcel Off of Robert Oliver Avenue, Melinda Nessmith-Picard, 2845 Robert Oliver Avenue, asked about permissible uses in the conservation zoning district and voiced concern of possible access of that parcel through Robert Oliver Avenue if any permissible conservation development occurs.

Kentucky Avenue and 3rd Avenue, acquired by the City in 2020. Paul Morrison, 2812 Kentucky Avenue, clarified that the Kentucky Avenue parcel is a wet piece of land.

ACTION TAKEN: A motion was made by Member Doster, seconded by Member Gillette to recommend approval of PAB case 2023-0036 to the City Commission as per the Staff Report recommendation; AND that PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6. BOARD BUSINESS

6.1 Election of Chair

ACTION TAKEN: A motion was made by Member Gillette seconded by Member Stevenson to re-elect Member Robas as Chair.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6.2 PAB and HDC Joint Meeting - Scheduling for Wednesday, April 26, 2022, at 5pm.

Ms. Gibson encouraged members to suggest any topics they would like to add to the agenda of that Joint Meeting.

7. STAFF REPORT

7.1 PAB and City Commission Joint Meeting - Follow-up and Next Steps

Member Gillette suggested that Ms. Gibson relay the topics showing a higher level of urgency.

7.2 Commercial Redevelopment Obstacles - Upcoming Comprehensive Plan Amendment and LDC Edits

Ms. Gibson spoke of obstacles that may be preventing investment in commercial corridor re-development and noted that she will provide draft language to members for feedback regarding proposed amendments to the Comprehensive Plan and Land Development Code.

Ms. Gibson spoke of the upcoming trainings and meetings in March and April 2023.

8. PUBLIC COMMENT

No parties wished to speak.

9. ADJOURNMENT 7:00

Taylor Hartmann, Recording Secretary Victoria Robas, Chair

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Ordinance 2023-19
Voluntary Annexation - 2852 Bailey Road

ITEM TYPE: Ordinance (w/ fiscal impact)

REQUESTED ACTION: Consider Ordinance 2023-19 at Second Reading.

SYNOPSIS: The City of Fernandina Beach requests voluntary annexation, assignment of City Future Land Use Map (FLUM) Category of Low Density Residential and corresponding Zoning District of R-1. Resolution 2023-17 approved the extension of water and sewer services for 2852 Bailey Road. This property is contiguous to the municipal boundary along the southern side of the parcel. The Planning Advisory Board held a public hearing on March 8, 2023 and issued a recommendation of approval for designation of Low Density Residential FLUM and R-1 zoning. The City Commission considered this ordinance at First Reading as a quasi-judicial hearing at its April 18, 2023, Regular Meeting.

FISCAL IMPACT: Tax revenue generated.

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): I recommend that the City Commission enact proposed Ordinance 2023-19 at Second Reading.

Kelly Gibson, Planning Deputy Director	4/21/2023
Katie Newton, Legal Assistant	5/1/2023
Agnes White, Administrative Services Manager	5/2/2023
Pauline Testagrose, Comptroller	5/2/2023
Charles George, Interim City Manager	5/3/2023
Tammi E. Bach, City Attorney	5/8/2023

Agnes J. White

Date: April 19, 2023

Submitted By: Agnes White, Administrative Services Manager

COMMISSION ACTION: Enact

ORDINANCE 2023-19

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ANNEXING APPROXIMATELY 0.39 ACRES OF LAND LOCATED AT 2852 BAILEY ROAD, CONTIGUOUS TO THE CITY LIMITS; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, property owner Katherine Maley applied for the City of Fernandina Beach Voluntary Annexation Petition/Water/Wastewater Annexation Agreement for one parcel containing approximately 0.39 acres located at 2852 Bailey Road, which was accepted via Resolution 2023-17; and

WHEREAS, this parcel is contiguous to the City limits, and the City, acting on the terms of the Agreement, applied for annexation; and

WHEREAS, the Planning Advisory Board reviewed the request for voluntary annexation application numbered PAB 2023-0035 at its March 8, 2023, meeting and recommended approval of the annexation; and

WHEREAS, notice of public hearing on such application was published in the News Leader, a newspaper of general circulation in Fernandina Beach, Nassau County, Florida, on February 22, 2022; and

WHEREAS, City staff has reviewed the petition for voluntary annexation and has found that the petition bears the signatures of all the owners of the subject property or their authorized agent at such time that the petition was signed, the parcel is contiguous to the City boundary, is reasonably compact, does not create an enclave, will be used for urban services, and the City will be able to deliver urban services such as water, sewer, garbage, police and fire without decreasing the level of service currently provided to City residents; and

WHEREAS, the City Attorney has rendered a legal opinion that upon review, the annexation petition meets the requirements of Chapter 171 Florida Statutes; and

WHEREAS, after consideration of the application and evidence presented on such application thereon, the City Commission made the following findings:

a. That the Commission is empowered under Chapter 171, Florida Statutes to approve a request for voluntary annexation.

b. That the proposed annexation meets the requirements for voluntary annexation as required by Chapter 171.044 F.S., is contiguous to the municipal boundary, is reasonably compact, and does not create an enclave.

c. That the petitioner agrees to file for a Future Land Use Map (FLUM) amendment and a change in zoning district designation within six months of the date the City Commission approves the annexation.

NOW, THEREFORE, BE IT ENACTED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, THAT:

SECTION 1. The following parcel of real property totaling approximately 0.39 acres of land located at 2852 Bailey Road contiguous to the City limits and by map provided in Exhibit A are hereby annexed into the corporate limits of the City of Fernandina Beach, to wit.

SECTION 2. It is hereby deemed to be in the best interest of the City of Fernandina Beach that the described land, described above be annexed into and become a part of the City of Fernandina Beach. That upon adoption of this Ordinance, the boundary lines for the corporate limits of the City of Fernandina Beach shall be redefined so as to include the real property described above.

SECTION 3. This Ordinance shall be published in the Fernandina Beach News Leader once each week for two consecutive weeks, and that proof of publication of this Ordinance shall be filed herein prior to the final reading of this Ordinance.

SECTION 4. Upon publication of this Ordinance, the City Clerk is hereby instructed to provide a copy of the notice via certified mail to the Nassau County Board of County Commissioners.

SECTION 5. Upon the filing of the Proof of Publication and final adoption of this Ordinance, a copy of the same shall be filed with the Clerk of the Circuit Court of Nassau County, Florida, and a copy shall be forwarded to the Department of State, Tallahassee, Florida.

SECTION 6. SEVERABILITY: If any provision or portion of the Ordinance is declared by any court of competent jurisdiction to be void, unconstitutional, or unenforceable, then all remaining provisions and portions of the Ordinance shall remain in full force and effect.

SECTION 7. EFFECTIVE DATE. This Ordinance shall take effect immediately upon its final adoption.

ADOPTED this 16th day of May, 2023.

APPLICATION FOR VOLUNTARY ANNEXATION, LAND USE AND ZONING 2852 BAILEY ROAD

APPLICATION & SURROUNDING AREA INFORMATION:

OWNER/APPLICANT:	Katherine Maley				
AGENT:	City of Fernandina Beach				
REQUESTED ACTION:	Voluntary Annexation, Assignment of a Future Land Use Map Category of Medium Density Residential (MDR) and Medium Density Residential (R-2) Zoning District				
LOCATION:	2852 Bailey Road				
CURRENT ZONING:	Nassau County Residential Single Family 2				
CURRENT LAND USE:	Medium Density				
EXISTING USES ON SITE:	Single Family Home				
PROPERTY SIZE	Approximately 0.39 Acres of Land				
ADJACENT PROPERTIES:	**Direction**	**Existing Use(s)**	**Year Built**	**Zoning**	**FLUM**
NASSAU COUNTY	North	Vacant	-	NC Residential Single Family 2	Medium Density
WITHIN CITY LIMITS	South	Church	Appx. 1997	R-1	Low Density Residential
NASSAU COUNTY	East	Vacant	-	NC Residential Single Family 2	Medium Density
WITHIN CITY LIMITS	West	Dunes of Amelia	Varies	RLM	Medium Density Residential

*** All required application materials have been received. All fees have been paid. All required notices have been made. All copies of required materials are part of the official record and have been made available on the City's website, the City Clerk's Office and at the Community Development Department Office. ***

SUMMARY OF REQUEST AND BACKGROUND INFORMATION:

The City of Fernandina Beach requests voluntary annexation, assignment of City Future Land Use Map Category of Medium Density Residential and corresponding Zoning District of R-2. *Resolution 2023-17* approved the extension of water and sewer services for 2852 Bailey Road. This property is contiguous to the municipal boundary along the southern side of the parcel. The requested FLUM and zoning categories are consistent with the properties' existing Nassau County land use and zoning assignments.

CONSISTENCY WITH THE COMPREHENSIVE PLAN / LAND DEVELOPMENT CODE:

This is a voluntary annexation of property as compliant with all applicable Florida Statutes and the City's Municipal Code. The annexation area is compact, does not create an "enclave", and represents a logical extension of the City boundary. The area is a logical extension of urban development, and any development or redevelopment is capable of achieving full compliance with the City's Land Development Code and Comprehensive Plan. The City is able to serve this property and meet or exceed all levels of service required by Comprehensive Plan policies referenced herein.

CONCLUSION AND STAFF RECOMMENDATIONS:

The requested action is consistent with the City's Comprehensive Plan and the Land Development Code. Staff recommends approval of the voluntary annexation, assignment of the **Medium Density Residential (MDR) FLUM** category, and **Medium Density Residential (R-2) Zoning District**. Following the recommendation of the Planning Advisory Board (PAB), the application will move forward to the City Commission in the form of three separate ordinances at a public hearing anticipated for April 18th, 2023.

MOTION TO CONSIDER:

I move to recommend **(approval or denial)** of PAB case number 2023-0035 to the City Commission requesting that a Voluntary Annexation, Assignment of the Medium Density Residential (MDR) land use category, and Medium Density Residential (R-2) zoning district for property located at 2852 Bailey Road be **(approved or denied)** and that PAB case 2023-0035, as presented, **(is or is not)** sufficiently compliant with the Comprehensive Plan and Land Development Code to be approved at this time.

Respectfully submitted,

Daphne Forehand
Planner I

RE: NOTICE OF ANNEXATION OF APPROXIMATELY 0.39 ACRES OF LAND LOCATED AT 2852 BAILEY ROAD, CONTIGUOUS TO THE CITY LIMITS

Honorable Commissioners:

In accordance with FS 171.044, please see the Notice of Public Hearing (attached) scheduled for Tuesday, May 16, 2023, at 6:00pm of an Ordinance of the City Commission of the City of Fernandina Beach annexing approximately 0.39 acres of land as follows:

ORDINANCE 2023-19

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ANNEXING APPROXIMATELY 0.39 ACRES OF LAND LOCATED AT 2852 BAILEY ROAD, CONTIGUOUS TO THE CITY LIMITS; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

If you have any questions regarding this annexation, please do not hesitate to let us know.

Sincerely,
City of Fernandina Beach

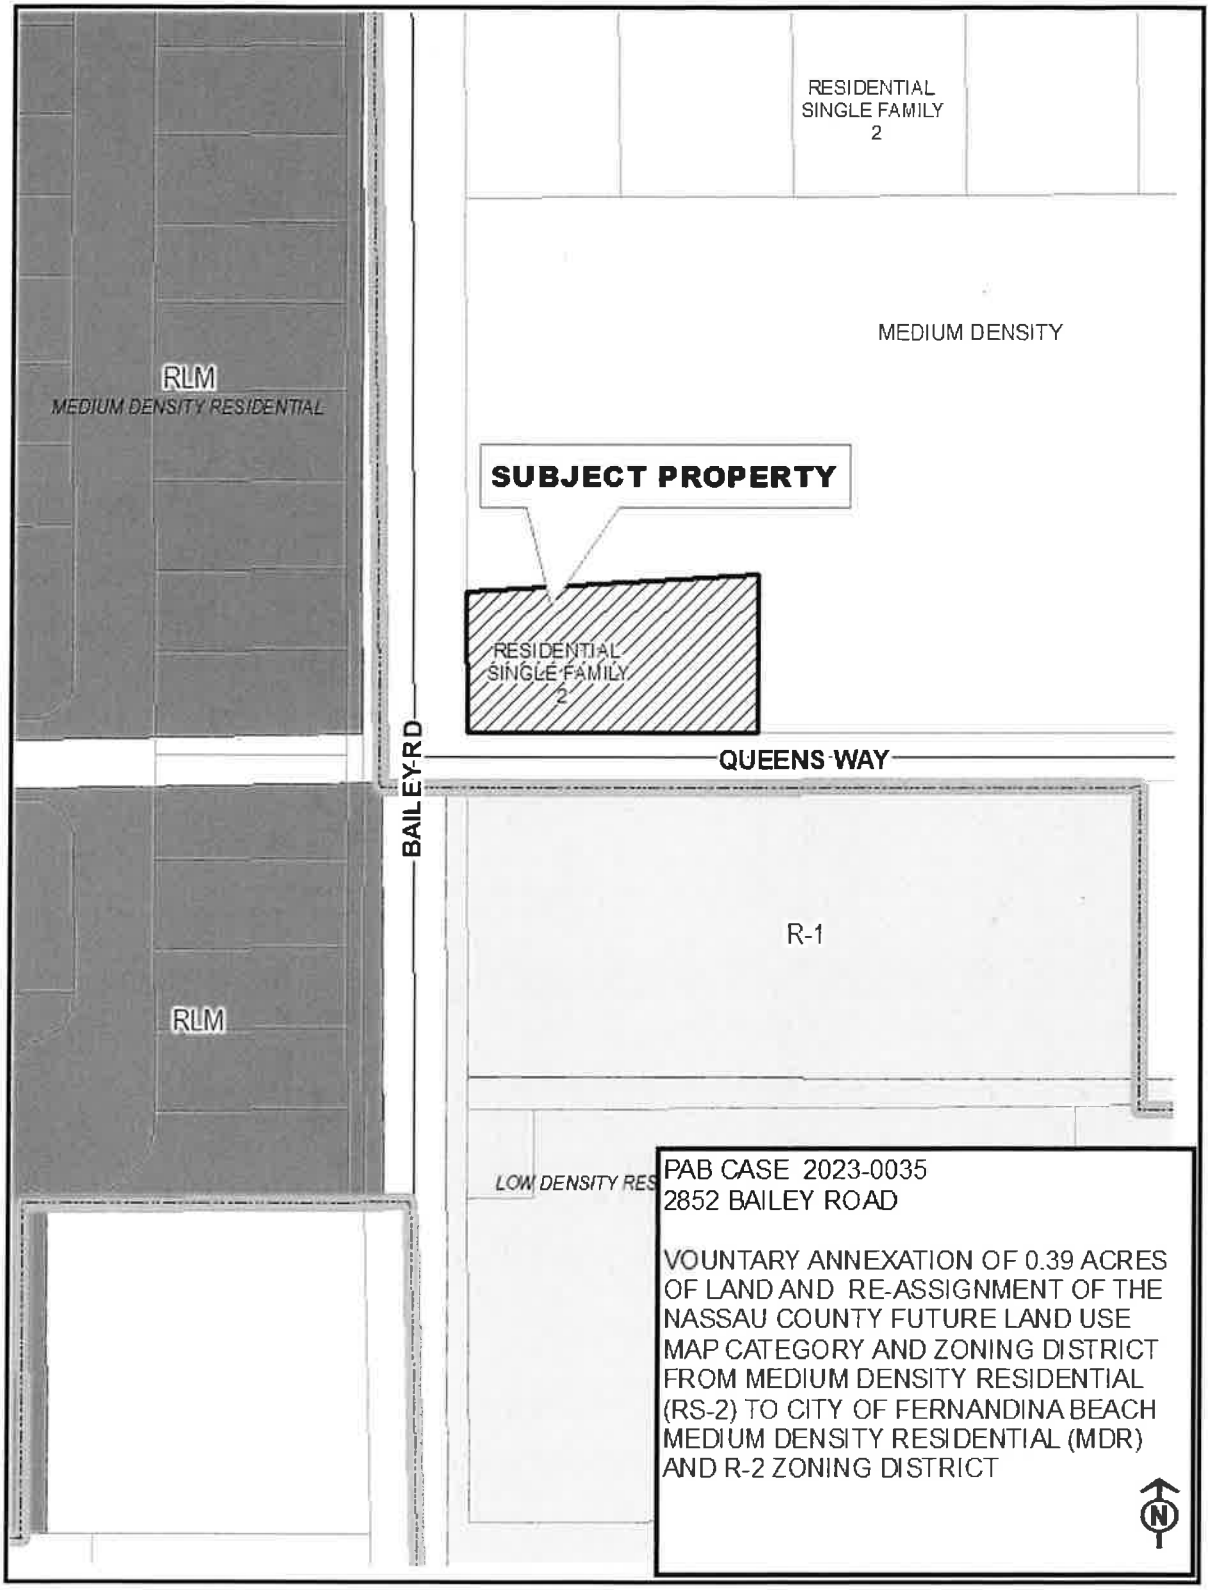
NOTICE OF PUBLIC HEARING
CITY COMMISSION
CITY OF FERNANDINA BEACH

NOTICE IS HEREBY GIVEN that a Public Hearing is scheduled for **Tuesday, May 16, 2023, at 6:00 PM** in the City Commission Chambers, 204 Ash Street Fernandina Beach, Florida to consider the following application:

ORDINANCE 2023-19



AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ANNEXING APPROXIMATELY 0.39 ACRES OF LAND LOCATED AT 2852 BAILEY ROAD, CONTIGUOUS TO THE CITY LIMITS; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

ORDINANCE 2023-20

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A FUTURE LAND USE MAP CATEGORY OF LOW DENSITY RESIDENTIAL (LDR) FOR 0.39 ACRES OF LAND LOCATED AT 2852 BAILEY ROAD; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

ORDINANCE 2023-21

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A ZONING CATEGORY OF LOW DENSITY RESIDENTIAL (R-1) FOR 0.39 ACRES OF LAND LOCATED AT 2852 BAILEY ROAD; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

Interested parties may appear at said hearing and be heard as to the advisability of any action, which may be considered. Any persons with disabilities requiring accommodations in order to participate in this program or activity should contact 310-3115, TTY/TDD 711 or through the Florida Relay Service at 1-800-955-8771 at least 24 hours in advance to request such accommodation.

IF ANY PERSON DECIDES TO APPEAL ANY DECISION MADE BY THE BOARD/COMMISSION WITH RESPECT TO ANY MATTER CONSIDERED AT SUCH HEARING, S/HE WILL NEED TO ENSURE THAT A VERBATIM RECORD OF THE PROCEEDINGS IS MADE, WHICH RECORD INCLUDES THE TESTIMONY AND EVIDENCE UPON WHICH THE APPEAL IS TO BE BASED.

Copies of the applications with description by metes and bounds and the ordinance can be obtained in the office of the City Clerk, City Hall, 204 Ash Street, between the hours of 8:00 AM – 5:00 PM, Monday through Friday. For information on the application, please contact the Staff of the City Clerk's Office at 310-3115.

Note:

Please run as a <u>DISPLAY</u> in both the April 26th and May 3rd, 2023 editions of the News Leader.

RESOLUTION 2023-17

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, APPROVING THE EXTENSION OF WATER SERVICES OUTSIDE THE CORPORATE LIMITS; ACCEPTING THE VOLUNTARY ANNEXATION PETITION FOR ONE PARCEL CONTAINING APPROXIMATELY 0.39 ACRES OF LAND LOCATED AT 2852 BAILEY ROAD; AUTHORIZING EXECUTION; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, property owner, Katherine Maley, completed the City of Fernandina Beach Voluntary Annexation Petition/Water/Wastewater Annexation Agreement Application pursuant to Chapter 171.044, Florida Statutes, for one parcel containing approximately 0.39 acres located at 2852 Bailey Road, identified as Parcel No. 00-00-30-044B-0078-0010; and

WHEREAS, staff determined the request is consistent with the City's Municipal Code Sections 82-44 and 82-403, its Comprehensive Plan, and Land Development Code; and

WHEREAS, the City Commission has determined that it is in the best interest of the City to provide water services to the subject property.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, THAT:

SECTION 1. The City Commission hereby authorizes the extension of water services to the property owners identified, whose property is located outside the corporate limits of the City at 2852 Bailey Road and identified as Parcel No. 00-00-30-044B-0078-0010, attached hereto as Exhibit A, and approves the Voluntary Annexation Petition, attached hereto as Exhibit B.

SECTION 2. The City Commission hereby authorizes the City Clerk and City Manager to execute said petition on behalf of the City of Fernandina Beach.

SECTION 3. The City Clerk is hereby directed to record the petition in the public records of Nassau County, Florida, as required by Ordinance No. 2001-01.

SECTION 4. This Resolution shall be effective immediately upon passage.

ADOPTED this 7th day of February, 2023.

Exhibit "A"

WATER AGREEMENT / VOLUNTARY PETITION FOR ANNEXATION OF PARCEL ID NUMBER: 00-00-30-044B-0078-0010 LOCATED AT 2852 BAILEY ROAD TOTALING APPROXIMATELY 0.39 ACRES OF LAND

2852 BAILEY ROAD

Resolution 2023- 17
Exhibit "B"

CITY OF FERNANDINA BEACH
VOLUNTARY ANNEXATION AGREEMENT / PETITION FOR ANNEXATION

THIS VOLUNTARY ANNEXATION AGREEMENT / PETITION FOR ANNEXATION dated this 10 day of January, 2023 by and between the CITY OF FERNANDINA BEACH, a municipal corporation, (hereinafter referred to as "City"); and Katherine N Maley (hereinafter collectively referred to as the "Applicants").

WHEREAS, this Annexation Agreement/ Petition for Annexation (hereinafter referred to as "Agreement") shall be considered entered into upon execution, where the actual annexation of land shall occur once the subject property becomes contiguous to any boundary demarking the incorporated area of the City of Fernandina Beach and upon the execution of an Ordinance by the City Commission of the City authorizing and approving the execution of such annexation, consistent with the mutual promises, covenants and acknowledgments agreed to by the City Commission and the Applicants, as contained in this Agreement; and

WHEREAS, the Applicants collectively, are the owners of record of the parcel of land known and described as follows, comprising the property which is the subject of this Agreement (the "Property"):

PARCEL ID#: 00-00-30-044B-0078-0010

GENERALLY DESCRIBED AS: _____

ADDRESSED AS: 2852 Bailey Rd

See Attached Exhibit "A"

WHEREAS, the covenants and acknowledgments contained herein have been made in consideration of annexation into the City of Fernandina Beach of the above described Property; and

WHEREAS, it is the desire of the City to provide for appropriate use of the Property; and

WHEREAS, the Applicants are willing to have the Property annexed to the City and the City desires and believes that it would be in the best interest of the City to annex the Property, which is located outside the corporate limits of the City in Nassau County, Florida, at such time as the Property become contiguous; and

NOW, THEREFORE, in consideration of the mutual promises, covenants and acknowledgments stated herein, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Effective Date: This Agreement shall become effective upon execution.

2. Execution: The parties hereto agree to execute any and all such documents as are reasonably necessary to carry out the terms and provisions of this Agreement.

3. Binding Effect: The parties hereto do covenant and agree that this Agreement and its Exhibits, shall be binding on their successors and assigns, including the political subdivisions as the City of Fernandina Beach.

4. Water and/or Sanitary Sewer: The Applicants shall be permitted to tap into the City's water and/or sanitary sewer system at a point determined by the City. The Applicants shall also be responsible for payment to the City of any and all applicable fees that are assessable under City Ordinance and State Law.

5. Land Use and Zoning: Upon Annexation of the Property, and until the adoption by the City Commission of the City's Comprehensive Plan and zoning district for the Property, the Comprehensive Plan (including future land use) and zoning ordinances and regulations shall remain in full force and effect for the Property, and shall be enforced by the City. The City shall adopt the future land use designation and zoning district for the Property that most closely approximate to the current Nassau County future land use designation and zoning district for the Property regarding allowable uses and development standards.

6. Governing Law: The laws of the State of Florida shall govern the interpretation, validity and construction of the terms and provisions of this Agreement. If any term or provision of this Agreement is declared illegal or invalid for any reason by a court of competent jurisdiction, the remaining terms and provisions of this Agreement shall, nevertheless, remain in full force and effect.

7. Entire Agreement: The parties hereto acknowledge that this Agreement constitutes the sole agreement between the parties; that all prior proposals and agreements, whether oral or written, are hereby superseded; and that this Agreement may not be changed, altered or modified except in writing and signed by the parties hereto. The parties hereto further acknowledge that, in entering into this Agreement, each party has not been induced by, has not relied upon, and has not included as part of the basis of the bargain herein, any representation or statement, whether expressed or implied, made by any agent, representative or employee, which representation or statement is not approved by the other at any public hearing or work session of the City Commission or otherwise made as part of the official public record in the proceedings related to this Agreement. This Agreement binds the Applicants' Property to being annexed into the City once the Property becomes contiguous to any boundary demarking the incorporated area of the City of Fernandina Beach and upon the execution of an Ordinance by the City Commission of the City authorizing and approving the execution of such agreement, consistent with the mutual promises, covenants and acknowledgments agreed to by the City Commission.

8. Default: In the event either of the parties default in the performance of the obligations set forth in this Agreement, then the other may, upon notice to defaulting party, allow the defaulting party sixty (60) days to cure the default or provide evidence to the non-defaulting party that such default will be cured in a timely manner if it cannot be cured during said period. If the defaulting party fails to cure such default or provide such evidence as provided above, then, with notice to defaulting party, the other party may begin proceedings to require specific performance of this Agreement or bring suit for damages for breach of the Agreement. The prevailing party shall be entitled to a reasonable attorney's fee for having brought such action.

8. Recording: This Agreement shall run with the land and a copy of this Agreement for Annexation shall be filed and recorded by the City Clerk's Office with the Nassau County Clerk of Circuit Court.

IN WITNESS WHEREOF, the City and Applicant(s) have caused this instrument to be executed by their respective proper parties duly authorized to execute the same on the day and the year first above written.

DRAFT

MINUTES
PLANNING ADVISORY BOARD
REGULAR MEETING
MARCH 8, 2023
CITY HALL CHAMBERS

1. CALL TO ORDER 5:00

ROLL CALL/DETERMINATION OF QUORUM

MEMBERS PRESENT:

Victoria Robas (Chair)	Peter Stevenson (Vice-Chair)
John Boylan	Richard Doster
Mark Bennett	Nick Gillette

MEMBERS ABSENT:
Barbara Gingher

OTHERS PRESENT:
Kelly Gibson, Planning & Conservation Deputy Director
Tammi Bach, City Attorney
Taylor Hartmann, Recording Secretary

2. PLEDGE OF ALLEGIANCE

3. APPROVAL OF MEETING MINUTES

3.1 Approval of Minutes for the Regular Meeting of February 8, 2023

3.2 Approval of Minutes for the PAB and City Commission Joint Meeting of February 22, 2023

ACTION TAKEN: A motion was made by Member Stevenson seconded by Member Bennett to approve both sets of minutes as presented.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

4. OLD BUSINESS

There were no Old Business items to discuss.

5. NEW BUSINESS

5.1 PAB 2023-0034 - SCOTT ROAD PARTNERS LLC, 2754 + 2766 BAILEY ROAD
Final Subdivision Plat - Island View - 12 Single Family Residential Lots

Ms. Gibson introduced the case and provided a review of the proposed plat. She recommended approval.

Member Stevenson and Chair Robas inquired about stormwater management.

Asa Gillette, Gillette & Associates, 20 S. 4th Street, agent for the applicant, spoke about the stormwater engineering and the location of the retention pond.

Public Hearing was opened.

Margaret Kirkland, 1377 Plantation Point Drive, expressed concern for the groundwater issues in the area.

Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Boylan to recommend approval of PAB case 2023-0034 to the City Commission; AND that PAB case 2023-0034 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.2 PAB 2023-0035 – CITY OF FERNANDINA BEACH, 2852 BAILEY ROAD
Voluntary Annexation of approximately 0.39 acres of land into the City Limits, Assignment of the City's Medium Density Residential (MDR) Future Land Use Map Category, and Assignment of the City's R-2 Zoning District

Ms. Gibson introduced the case and recommended approval.

Board members discussed density and different residential zoning districts.

Public Hearing was opened and closed with no parties wishing to speak.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Bennett to recommend approval of PAB case 2023-0035 to the City Commission, and that the voluntary annexation and assignment of a Low Density Residential (LDR) Future Land Use Map Category and a Low Density Residential Zoning District of R-1 be approved; AND that PAB case 2023-0035 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.3 PAB 2023-0036 - CITY OF FERNANDINA BEACH, VARIOUS LOCATIONS
Future Land Use Map and Zoning Map Amendments for 9 city-owned parcels totaling 1.29 acres of land Lands will be moved from various Residential (R-1, R-2, R-3) designations to either Conservation or Recreation Future Land Use and Zoning Districts.

Ms. Gibson introduced the case and provided background on each of the parcels being proposed for zoning changes in the following order:

565 S. Fletcher Avenue (rear parcel of 0.06 acres of land recently deeded to the City). No member of the public wished to speak regarding this parcel.

613 Calhoun Street, board members suggested modifying the zoning request to be Public Institutional PI-1 zoning district. Public Hearing was opened, Wally Greeves, 1906 First Avenue, inquired about the voting process for this case. It was noted that this could be voted on separately. Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Gillette, seconded by Member Stevenson to recommend approval of the Future Land Use Map and Zoning Map Amendments of Public Institutional (PI-1) for the property located at 613 Calhoun Street as part of PAB case 2023-0036 to the City Commission; AND that property located at

613 Calhoun Street as part of PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

Ketch Court, this parcel of .14 acres of land was acquired by the City last year and is predominantly wetlands. Chair Robas asked about the management of the parcel by the City. Margaret Kirkland, 1377 Plantation Drive, spoke about the maintenance of wetland properties. Member Gillette asked about conservation easements. Dee Comstock, 2328 Sadler Road, inquired about the purchase history of the Ketch Court parcel and the reason why the City would acquire such properties.

North 14th Street, 3 parcels, predominantly wetlands. No member of the public wished to speak regarding these parcels.

Beach Access 18, Wally Greeves, 1906 First Avenue, clarified that there is a beach walkover over a dune and expressed a concern about the recreational zoning designation. Pamela Cooper, 1947 S. Fletcher Avenue, asked for clarity on maintenance of the beach walkover regardless of the zoning. Donna Haines, 1929 S. Fletcher Avenue, inquired about the zoning of other beach accesses. Margaret Kirkland, 1377 Plantation Point Drive, asked about the possibility of the Roosevelt Avenue right-of-way to become conservation.

Parcel Off of Robert Oliver Avenue, Melinda Nessmith-Picard, 2845 Robert Oliver Avenue, asked about permissible uses in the conservation zoning district and voiced concern of possible access of that parcel through Robert Oliver Avenue if any permissible conservation development occurs.

Kentucky Avenue and 3rd Avenue, acquired by the City in 2020. Paul Morrison, 2812 Kentucky Avenue, clarified that the Kentucky Avenue parcel is a wet piece of land.

ACTION TAKEN: A motion was made by Member Doster, seconded by Member Gillette to recommend approval of PAB case 2023-0036 to the City Commission as per the Staff Report recommendation; AND that PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6. BOARD BUSINESS

6.1 Election of Chair

ACTION TAKEN: A motion was made by Member Gillette seconded by Member Stevenson to re-elect Member Robas as Chair.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6.2 PAB and HDC Joint Meeting - Scheduling for Wednesday, April 26, 2022, at 5pm.

Ms. Gibson encouraged members to suggest any topics they would like to add to the agenda of that Joint Meeting.

7. STAFF REPORT

7.1 PAB and City Commission Joint Meeting - Follow-up and Next Steps

Member Gillette suggested that Ms. Gibson relay the topics showing a higher level of urgency.

7.2 Commercial Redevelopment Obstacles - Upcoming Comprehensive Plan Amendment and LDC Edits

Ms. Gibson spoke of obstacles that may be preventing investment in commercial corridor re-development and noted that she will provide draft language to members for feedback regarding proposed amendments to the Comprehensive Plan and Land Development Code.

Ms. Gibson spoke of the upcoming trainings and meetings in March and April 2023.

8. PUBLIC COMMENT

No parties wished to speak.

9. ADJOURNMENT 7:00

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Ordinance 2023-20
Future Land Use Map Assignment - 2852 Bailey Road.

ITEM TYPE: Ordinance (w/o fiscal impact)

REQUESTED ACTION: Consider Ordinance 2023-20 at Second Reading.

SYNOPSIS: Property owner Katherine Maley applied for the City of Fernandina Beach Voluntary Annexation Petition/Water/Wastewater Annexation Agreement for one parcel containing approximately 0.39 acres located at 2852 Bailey Road, which was accepted via Resolution 2023-17. This parcel is contiguous to the City limits, and the City, acting on the terms of the Agreement, applied for annexation.

City staff identified that an assignment of Low Density Residential (LDR) for this parcel on the City's Future Land Use Map is most appropriate from the current Nassau County Residential Single Family 2.

The Planning Advisory Board held a public hearing on March 8, 2023 and issued a recommendation of approval for designation of Low Density Residential FLUM and R-1 zoning. The City Commission approved this ordinance at First Reading on April 18, 2023.

FISCAL IMPACT: None.

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): I recommend that the City Commission enact proposed Ordinance 2023-20 at Second Reading.

Kelly Gibson, Planning Deputy Director	4/21/2023
Katie Newton, Legal Assistant	5/1/2023
Agnes White, Administrative Services Manager	5/1/2023
Charles George, Interim City Manager	5/2/2023
Tammi E. Bach, City Attorney	5/5/2023

Agnes J. White

Submitted By: Agnes White, Administrative Services Manager Date: April 19, 2023

COMMISSION ACTION: Enact

ORDINANCE 2023-20

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A FUTURE LAND USE MAP CATEGORY OF LOW DENSITY RESIDENTIAL (LDR) FOR 0.39 ACRES OF LAND LOCATED AT 2852 BAILEY ROAD; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, property owner Katherine Maley applied for the City of Fernandina Beach Voluntary Annexation Petition/Water/Wastewater Annexation Agreement for one parcel containing approximately 0.39 acres located at 2852 Bailey Road, which was accepted via Resolution 2023-17; and

WHEREAS, this parcel is contiguous to the City limits, and the City, acting on the terms of the Agreement, applied for annexation; and

WHEREAS, the City staff identified that an assignment of Low Density Residential (LDR) for this parcel on the City's Future Land Use Map is most appropriate from the current Nassau County Residential Single Family 2; and

WHEREAS, the Planning Advisory Board (PAB) acting as the designated Local Planning Agency, have reviewed the application and held a public hearing on March 8, 2023, and issued a recommendation of approval; and

WHEREAS, notice of public hearing on such amendments was published in the News Leader, a newspaper of general circulation in Fernandina Beach, Nassau County, Florida, on February 22, 2023.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH AS FOLLOWS:

SECTION 1. PROPERTIES INVOLVED. The City Commission intends to approve the future land use map changes. The property identified for this change of the Future Land Use Map to the City of Fernandina Beach Low Density Residential for properties located and identified by map exhibit attached hereto as Exhibit A.

SECTION 2. FUTURE LAND USE MAP CHANGE. For the property in question, the City's Future Land Use Map is hereby changed as follows and attached hereto as Exhibit A:

- From Nassau County Medium Density to City of Fernandina Beach Low Density Residential (LDR)

SECTION 3. SEVERABILITY. If any section, subsection, sentence, clause, phrase of this Ordinance, or the particular application thereof, shall be held invalid by any court, administrative agency or other body with appropriate jurisdiction, the remaining sections, subsections, sentences, clauses, and phrases under application shall not be affected thereby.

ENACTED this 16th day of May, 2023.

APPLICATION FOR VOLUNTARY ANNEXATION, LAND USE AND ZONING 2852 BAILEY ROAD

APPLICATION & SURROUNDING AREA INFORMATION:

OWNER/APPLICANT:	Katherine Maley				
AGENT:	City of Fernandina Beach				
REQUESTED ACTION:	Voluntary Annexation, Assignment of a Future Land Use Map Category of Medium Density Residential (MDR) and Medium Density Residential (R-2) Zoning District				
LOCATION:	2852 Bailey Road				
CURRENT ZONING:	Nassau County Residential Single Family 2				
CURRENT LAND USE:	Medium Density				
EXISTING USES ON SITE:	Single Family Home				
PROPERTY SIZE	Approximately 0.39 Acres of Land				
ADJACENT PROPERTIES:	**Direction**	**Existing Use(s)**	**Year Built**	**Zoning**	**FLUM**
NASSAU COUNTY	North	Vacant	-	NC Residential Single Family 2	Medium Density
WITHIN CITY LIMITS	South	Church	Appx. 1997	R-1	Low Density Residential
NASSAU COUNTY	East	Vacant	-	NC Residential Single Family 2	Medium Density
WITHIN CITY LIMITS	West	Dunes of Amelia	Varies	RLM	Medium Density Residential

*** All required application materials have been received. All fees have been paid. All required notices have been made. All copies of required materials are part of the official record and have been made available on the City's website, the City Clerk's Office and at the Community Development Department Office. ***

SUMMARY OF REQUEST AND BACKGROUND INFORMATION:

The City of Fernandina Beach requests voluntary annexation, assignment of City Future Land Use Map Category of Medium Density Residential and corresponding Zoning District of R-2. *Resolution 2023-17* approved the extension of water and sewer services for 2852 Bailey Road. This property is contiguous to the municipal boundary along the southern side of the parcel. The requested FLUM and zoning categories are consistent with the properties' existing Nassau County land use and zoning assignments.

CONSISTENCY WITH THE COMPREHENSIVE PLAN / LAND DEVELOPMENT CODE:

This is a voluntary annexation of property as compliant with all applicable Florida Statutes and the City's Municipal Code. The annexation area is compact, does not create an "enclave", and represents a logical extension of the City boundary. The area is a logical extension of urban development, and any development or redevelopment is capable of achieving full compliance with the City's Land Development Code and Comprehensive Plan. The City is able to serve this property and meet or exceed all levels of service required by Comprehensive Plan policies referenced herein.

CONCLUSION AND STAFF RECOMMENDATIONS:

The requested action is consistent with the City's Comprehensive Plan and the Land Development Code. Staff recommends approval of the voluntary annexation, assignment of the **Medium Density Residential (MDR) FLUM** category, and **Medium Density Residential (R-2) Zoning District**. Following the recommendation of the Planning Advisory Board (PAB), the application will move forward to the City Commission in the form of three separate ordinances at a public hearing anticipated for April 18th, 2023.

MOTION TO CONSIDER:

I move to recommend **(approval or denial)** of PAB case number 2023-0035 to the City Commission requesting that a Voluntary Annexation, Assignment of the Medium Density Residential (MDR) land use category, and Medium Density Residential (R-2) zoning district for property located at 2852 Bailey Road be **(approved or denied)** and that PAB case 2023-0035, as presented, **(is or is not)** sufficiently compliant with the Comprehensive Plan and Land Development Code to be approved at this time.

Respectfully submitted,

Daphne Forehand
Planner I

DRAFT

MINUTES
PLANNING ADVISORY BOARD
REGULAR MEETING
MARCH 8, 2023
CITY HALL CHAMBERS

1. CALL TO ORDER 5:00

ROLL CALL/DETERMINATION OF QUORUM

MEMBERS PRESENT:

Victoria Robas (Chair)	Peter Stevenson (Vice-Chair)
John Boylan	Richard Doster
Mark Bennett	Nick Gillette

MEMBERS ABSENT:
Barbara Gingher

OTHERS PRESENT:
Kelly Gibson, Planning & Conservation Deputy Director
Tammi Bach, City Attorney
Taylor Hartmann, Recording Secretary

2. PLEDGE OF ALLEGIANCE

3. APPROVAL OF MEETING MINUTES

3.1 Approval of Minutes for the Regular Meeting of February 8, 2023

3.2 Approval of Minutes for the PAB and City Commission Joint Meeting of February 22, 2023

ACTION TAKEN: A motion was made by Member Stevenson seconded by Member Bennett to approve both sets of minutes as presented.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

4. OLD BUSINESS

There were no Old Business items to discuss.

5. NEW BUSINESS

5.1 PAB 2023-0034 - SCOTT ROAD PARTNERS LLC, 2754 + 2766 BAILEY ROAD
Final Subdivision Plat - Island View - 12 Single Family Residential Lots

Ms. Gibson introduced the case and provided a review of the proposed plat. She recommended approval.

Member Stevenson and Chair Robas inquired about stormwater management.

Asa Gillette, Gillette & Associates, 20 S. 4th Street, agent for the applicant, spoke about the stormwater engineering and the location of the retention pond.

Public Hearing was opened.

Margaret Kirkland, 1377 Plantation Point Drive, expressed concern for the groundwater issues in the area.

Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Boylan to recommend approval of PAB case 2023-0034 to the City Commission; AND that PAB case 2023-0034 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.2 PAB 2023-0035 – CITY OF FERNANDINA BEACH, 2852 BAILEY ROAD
Voluntary Annexation of approximately 0.39 acres of land into the City Limits, Assignment of the City's Medium Density Residential (MDR) Future Land Use Map Category, and Assignment of the City's R-2 Zoning District

Ms. Gibson introduced the case and recommended approval.

Board members discussed density and different residential zoning districts.

Public Hearing was opened and closed with no parties wishing to speak.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Bennett to recommend approval of PAB case 2023-0035 to the City Commission, and that the voluntary annexation and assignment of a Low Density Residential (LDR) Future Land Use Map Category and a Low Density Residential Zoning District of R-1 be approved; AND that PAB case 2023-0035 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.3 PAB 2023-0036 - CITY OF FERNANDINA BEACH, VARIOUS LOCATIONS
Future Land Use Map and Zoning Map Amendments for 9 city-owned parcels totaling 1.29 acres of land Lands will be moved from various Residential (R-1, R-2, R-3) designations to either Conservation or Recreation Future Land Use and Zoning Districts.

Ms. Gibson introduced the case and provided background on each of the parcels being proposed for zoning changes in the following order:

565 S. Fletcher Avenue (rear parcel of 0.06 acres of land recently deeded to the City). No member of the public wished to speak regarding this parcel.

613 Calhoun Street, board members suggested modifying the zoning request to be Public Institutional PI-1 zoning district. Public Hearing was opened, Wally Greeves, 1906 First Avenue, inquired about the voting process for this case. It was noted that this could be voted on separately. Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Gillette, seconded by Member Stevenson to recommend approval of the Future Land Use Map and Zoning Map Amendments of Public Institutional (PI-1) for the property located at 613 Calhoun Street as part of PAB case 2023-0036 to the City Commission; AND that property located at

613 Calhoun Street as part of PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

Ketch Court, this parcel of .14 acres of land was acquired by the City last year and is predominantly wetlands. Chair Robas asked about the management of the parcel by the City. Margaret Kirkland, 1377 Plantation Drive, spoke about the maintenance of wetland properties. Member Gillette asked about conservation easements. Dee Comstock, 2328 Sadler Road, inquired about the purchase history of the Ketch Court parcel and the reason why the City would acquire such properties.

North 14th Street, 3 parcels, predominantly wetlands. No member of the public wished to speak regarding these parcels.

Beach Access 18, Wally Greeves, 1906 First Avenue, clarified that there is a beach walkover over a dune and expressed a concern about the recreational zoning designation. Pamela Cooper, 1947 S. Fletcher Avenue, asked for clarity on maintenance of the beach walkover regardless of the zoning. Donna Haines, 1929 S. Fletcher Avenue, inquired about the zoning of other beach accesses. Margaret Kirkland, 1377 Plantation Point Drive, asked about the possibility of the Roosevelt Avenue right-of-way to become conservation.

Parcel Off of Robert Oliver Avenue, Melinda Nessmith-Picard, 2845 Robert Oliver Avenue, asked about permissible uses in the conservation zoning district and voiced concern of possible access of that parcel through Robert Oliver Avenue if any permissible conservation development occurs.

Kentucky Avenue and 3rd Avenue, acquired by the City in 2020. Paul Morrison, 2812 Kentucky Avenue, clarified that the Kentucky Avenue parcel is a wet piece of land.

ACTION TAKEN: A motion was made by Member Doster, seconded by Member Gillette to recommend approval of PAB case 2023-0036 to the City Commission as per the Staff Report recommendation; AND that PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6. BOARD BUSINESS

6.1 Election of Chair

ACTION TAKEN: A motion was made by Member Gillette seconded by Member Stevenson to re-elect Member Robas as Chair.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6.2 PAB and HDC Joint Meeting - Scheduling for Wednesday, April 26, 2022, at 5pm.

Ms. Gibson encouraged members to suggest any topics they would like to add to the agenda of that Joint Meeting.

7. STAFF REPORT

7.1 PAB and City Commission Joint Meeting - Follow-up and Next Steps

Member Gillette suggested that Ms. Gibson relay the topics showing a higher level of urgency.

7.2 Commercial Redevelopment Obstacles - Upcoming Comprehensive Plan Amendment and LDC Edits

Ms. Gibson spoke of obstacles that may be preventing investment in commercial corridor re-development and noted that she will provide draft language to members for feedback regarding proposed amendments to the Comprehensive Plan and Land Development Code.

Ms. Gibson spoke of the upcoming trainings and meetings in March and April 2023.

8. PUBLIC COMMENT

No parties wished to speak.

9. ADJOURNMENT 7:00

Taylor Hartmann, Recording Secretary Victoria Robas, Chair

CITY COMMISSION AGENDA ITEM
City of Fernandina Beach

SUBJECT: Ordinance 2023-21
Zoning Map Assignment - 2852 Bailey Road.

ITEM TYPE: Ordinance (w/o fiscal impact)

REQUESTED ACTION: Consider Ordinance 2023-21 at Second Reading.

SYNOPSIS: Property owner Katherine Maley applied for the City of Fernandina Beach Voluntary Annexation Petition/Water/Wastewater Annexation Agreement for one parcel containing approximately 0.39 acres located at 2852 Bailey Road, which was accepted via Resolution 2023-17. This parcel is contiguous to the City limits, and the City, acting on the terms of the Agreement, applied for annexation. City staff identified that an assignment of the City's Low Density Residential (R-1) Zoning District is most appropriate from Nassau County Residential Single Family 2 District.

The Planning Advisory Board held a public hearing on March 8, 2023 and issued a recommendation of approval for designation of Low Density Residential FLUM and R-1 zoning. The City Commission considered this ordinance at First Reading as a quasi-judicial hearing on April 18, 2023.

FISCAL IMPACT: None.

CITY ATTORNEY COMMENTS: No additional comments.

CITY MANAGER RECOMMENDATION(S): Consider Ordinance 2023-21 at Second Reading.

Kelly Gibson, Planning Deputy Director	4/21/2023
Katie Newton, Legal Assistant	5/1/2023
Agnes White, Administrative Services Manager	5/1/2023
Charles George, Interim City Manager	5/2/2023
Tammi E. Bach, City Attorney	5/8/2023

Agnes J. White

Submitted By: Agnes White, Administrative Services Manager Date: April 19, 2023

COMMISSION ACTION: Enact

ORDINANCE 2023-21

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH, FLORIDA, ASSIGNING A ZONING CATEGORY OF LOW DENSITY RESIDENTIAL (R-1) FOR 0.39 ACRES OF LAND LOCATED AT 2852 BAILEY ROAD; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, property owner Katherine Maley applied for the City of Fernandina Beach Voluntary Annexation Petition/Water/Wastewater Annexation Agreement for one parcel containing approximately 0.39 acres located at 2852 Bailey Road, which was accepted via Resolution 2023-17; and

WHEREAS, this parcel is contiguous to the City limits, and the City, acting on the terms of the Agreement, applied for annexation; and

WHEREAS, the City staff identified that an assignment of the City's Low Density Residential (R-1) Zoning District is most appropriate from Nassau County Residential Single Family 2 District; and

WHEREAS, the Planning Advisory Board (PAB), acting as the designated Local Planning Agency, has reviewed and held a public hearing on March 8, 2023, and issued a recommendation of approval; and

WHEREAS, notice of public hearing on such amendments was published in the News Leader, a newspaper of general circulation in Fernandina Beach, Nassau County, Florida, on February 22, 2023.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FERNANDINA BEACH AS FOLLOWS:

SECTION 1. PROPERTIES INVOLVED. The City Commission intends to approve the zoning map changes. The properties identified for this change of the Zoning Map to City of Fernandina Beach Low Density Residential (R-1) properties located and identified as by map exhibit attached hereto as Exhibit A.

SECTION 2. ZONING MAP CHANGE. For the property in question, the City's Zoning Map is hereby changed as follows and attached hereto as Exhibit A:

- From Nassau County Residential Single Family 2 to City of Fernandina Beach Low Density Residential (R-1).

SECTION 3. SEVERABILITY. If any section, subsection, sentence, clause, phrase of this Ordinance, or the particular application thereof, shall be held invalid by any court, administrative agency or other body with appropriate jurisdiction, the remaining sections, subsections, sentences, clauses, and phrases under application shall not be affected thereby.

ENACTED this 16th day of May, 2023.

NASSAU COUNTY	East	Vacant	-	NC Residential Single Family 2	Medium Density
WITHIN CITY LIMITS	West	Dunes of Amelia	Varies	RLM	Medium Density Residential

*** All required application materials have been received. All fees have been paid. All required notices have been made. All copies of required materials are part of the official record and have been made available on the City's website, the City Clerk's Office and at the Community Development Department Office. ***

SUMMARY OF REQUEST AND BACKGROUND INFORMATION:

The City of Fernandina Beach requests voluntary annexation, assignment of City Future Land Use Map Category of Medium Density Residential and corresponding Zoning District of R-2. *Resolution 2023-17* approved the extension of water and sewer services for 2852 Bailey Road. This property is contiguous to the municipal boundary along the southern side of the parcel. The requested FLUM and zoning categories are consistent with the properties' existing Nassau County land use and zoning assignments.

CONSISTENCY WITH THE COMPREHENSIVE PLAN / LAND DEVELOPMENT CODE:

This is a voluntary annexation of property as compliant with all applicable Florida Statutes and the City's Municipal Code. The annexation area is compact, does not create an "enclave", and represents a logical extension of the City boundary. The area is a logical extension of urban development, and any development or redevelopment is capable of achieving full compliance with the City's Land Development Code and Comprehensive Plan. The City is able to serve this property and meet or exceed all levels of service required by Comprehensive Plan policies referenced herein.

CONCLUSION AND STAFF RECOMMENDATIONS:

The requested action is consistent with the City's Comprehensive Plan and the Land Development Code. Staff recommends approval of the voluntary annexation, assignment of the **Medium Density Residential (MDR) FLUM** category, and **Medium Density Residential (R-2) Zoning District**. Following the recommendation of the Planning Advisory Board (PAB), the application will move forward to the City Commission in the form of three separate ordinances at a public hearing anticipated for April 18th, 2023.

MOTION TO CONSIDER:

I move to recommend **(approval or denial)** of PAB case number 2023-0035 to the City Commission requesting that a Voluntary Annexation, Assignment of the Medium Density Residential (MDR) land use category, and Medium Density Residential (R-2) zoning district for property located at 2852 Bailey Road be **(approved or denied)** and that PAB case 2023-0035, as presented, **(is or is not)** sufficiently compliant with the Comprehensive Plan and Land Development Code to be approved at this time.

Respectfully submitted,

Daphne Forehand

DRAFT

MINUTES
PLANNING ADVISORY BOARD
REGULAR MEETING
MARCH 8, 2023
CITY HALL CHAMBERS

1. CALL TO ORDER 5:00

ROLL CALL/DETERMINATION OF QUORUM

MEMBERS PRESENT:

Victoria Robas (Chair)	Peter Stevenson (Vice-Chair)
John Boylan	Richard Doster
Mark Bennett	Nick Gillette

MEMBERS ABSENT:
Barbara Gingher

OTHERS PRESENT:
Kelly Gibson, Planning & Conservation Deputy Director
Tammi Bach, City Attorney
Taylor Hartmann, Recording Secretary

2. PLEDGE OF ALLEGIANCE

3. APPROVAL OF MEETING MINUTES

3.1 Approval of Minutes for the Regular Meeting of February 8, 2023

3.2 Approval of Minutes for the PAB and City Commission Joint Meeting of February 22, 2023

ACTION TAKEN: A motion was made by Member Stevenson seconded by Member Bennett to approve both sets of minutes as presented.

Vote upon passage of the motion was taken by voice vote, and being all ayes, carried.

4. OLD BUSINESS

There were no Old Business items to discuss.

5. NEW BUSINESS

5.1 PAB 2023-0034 - SCOTT ROAD PARTNERS LLC, 2754 + 2766 BAILEY ROAD
Final Subdivision Plat - Island View - 12 Single Family Residential Lots

Ms. Gibson introduced the case and provided a review of the proposed plat. She recommended approval.

Member Stevenson and Chair Robas inquired about stormwater management.

Asa Gillette, Gillette & Associates, 20 S. 4th Street, agent for the applicant, spoke about the stormwater engineering and the location of the retention pond.

Public Hearing was opened.

Margaret Kirkland, 1377 Plantation Point Drive, expressed concern for the groundwater issues in the area.

Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Boylan to recommend approval of PAB case 2023-0034 to the City Commission; AND that PAB case 2023-0034 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.2 PAB 2023-0035 – CITY OF FERNANDINA BEACH, 2852 BAILEY ROAD
Voluntary Annexation of approximately 0.39 acres of land into the City Limits, Assignment of the City's Medium Density Residential (MDR) Future Land Use Map Category, and Assignment of the City's R-2 Zoning District

Ms. Gibson introduced the case and recommended approval.

Board members discussed density and different residential zoning districts.

Public Hearing was opened and closed with no parties wishing to speak.

ACTION TAKEN: A motion was made by Member Stevenson, seconded by Member Bennett to recommend approval of PAB case 2023-0035 to the City Commission, and that the voluntary annexation and assignment of a Low Density Residential (LDR) Future Land Use Map Category and a Low Density Residential Zoning District of R-1 be approved; AND that PAB case 2023-0035 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

5.3 PAB 2023-0036 - CITY OF FERNANDINA BEACH, VARIOUS LOCATIONS
Future Land Use Map and Zoning Map Amendments for 9 city-owned parcels totaling 1.29 acres of land Lands will be moved from various Residential (R-1, R-2, R-3) designations to either Conservation or Recreation Future Land Use and Zoning Districts.

Ms. Gibson introduced the case and provided background on each of the parcels being proposed for zoning changes in the following order:

565 S. Fletcher Avenue (rear parcel of 0.06 acres of land recently deeded to the City). No member of the public wished to speak regarding this parcel.

613 Calhoun Street, board members suggested modifying the zoning request to be Public Institutional PI-1 zoning district. Public Hearing was opened, Wally Greeves, 1906 First Avenue, inquired about the voting process for this case. It was noted that this could be voted on separately. Public Hearing was closed.

ACTION TAKEN: A motion was made by Member Gillette, seconded by Member Stevenson to recommend approval of the Future Land Use Map and Zoning Map Amendments of Public Institutional (PI-1) for the property located at 613 Calhoun Street as part of PAB case 2023-0036 to the City Commission; AND that property located at

613 Calhoun Street as part of PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

Ketch Court, this parcel of .14 acres of land was acquired by the City last year and is predominantly wetlands. Chair Robas asked about the management of the parcel by the City. Margaret Kirkland, 1377 Plantation Drive, spoke about the maintenance of wetland properties. Member Gillette asked about conservation easements. Dee Comstock, 2328 Sadler Road, inquired about the purchase history of the Ketch Court parcel and the reason why the City would acquire such properties.

North 14th Street, 3 parcels, predominantly wetlands. No member of the public wished to speak regarding these parcels.

Beach Access 18, Wally Greeves, 1906 First Avenue, clarified that there is a beach walkover over a dune and expressed a concern about the recreational zoning designation. Pamela Cooper, 1947 S. Fletcher Avenue, asked for clarity on maintenance of the beach walkover regardless of the zoning. Donna Haines, 1929 S. Fletcher Avenue, inquired about the zoning of other beach accesses. Margaret Kirkland, 1377 Plantation Point Drive, asked about the possibility of the Roosevelt Avenue right-of-way to become conservation.

Parcel Off of Robert Oliver Avenue, Melinda Nessmith-Picard, 2845 Robert Oliver Avenue, asked about permissible uses in the conservation zoning district and voiced concern of possible access of that parcel through Robert Oliver Avenue if any permissible conservation development occurs.

Kentucky Avenue and 3rd Avenue, acquired by the City in 2020. Paul Morrison, 2812 Kentucky Avenue, clarified that the Kentucky Avenue parcel is a wet piece of land.

ACTION TAKEN: A motion was made by Member Doster, seconded by Member Gillette to recommend approval of PAB case 2023-0036 to the City Commission as per the Staff Report recommendation; AND that PAB case 2023-0036 as presented is sufficiently compliant with the Comprehensive Plan and Land Development Code and applicable Florida Statutes to be approved at this time.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6. BOARD BUSINESS

6.1 Election of Chair

ACTION TAKEN: A motion was made by Member Gillette seconded by Member Stevenson to re-elect Member Robas as Chair.

Vote upon passage of the motion was taken by Ayes and Nays, and being all ayes, carried.

6.2 PAB and HDC Joint Meeting - Scheduling for Wednesday, April 26, 2022, at 5pm.

Ms. Gibson encouraged members to suggest any topics they would like to add to the agenda of that Joint Meeting.

7. STAFF REPORT

7.1 PAB and City Commission Joint Meeting - Follow-up and Next Steps

Member Gillette suggested that Ms. Gibson relay the topics showing a higher level of urgency.

7.2 Commercial Redevelopment Obstacles - Upcoming Comprehensive Plan Amendment and LDC Edits

Ms. Gibson spoke of obstacles that may be preventing investment in commercial corridor re-development and noted that she will provide draft language to members for feedback regarding proposed amendments to the Comprehensive Plan and Land Development Code.

Ms. Gibson spoke of the upcoming trainings and meetings in March and April 2023.

8. PUBLIC COMMENT

No parties wished to speak.

9. ADJOURNMENT 7:00
