City of Fernandina Beach

Interim City Manager cgeorge@fbfl.org

City Commissioners, Residents, and Staff of Fernandina Beach:

Please find following this memorandum the proposed FY 2023/2024 Budget for the City of Fernandina Beach. This preliminary budget was developed through a series of staff meetings where priorities were identified, and departmental requests were thoroughly reviewed.

The proposed budget reflects total revenues and expenditures in the amount of $187,267,176. Approximately one third of that amount, however, is related to cash, revenues, and expenditures associated with the Trust and Agency Funds. With those funds excluded, the proposed revenues and expenditures total $125,944,456 and represents a 0.4% increase relative to the FY 2023 adopted budget.

The portion of the proposed budget that typically is of most interest is the General Fund, which is the primary operating fund for the City, and principally financed by property tax receipts. The proposed General Fund expenditures are $28,155,427. This proposed General Fund budget is supported primarily by the Roll-Back millage rate. The Roll-back millage rate for FY2024 is $4.8298 as compared to the current FY2023 adopted millage rate of $5.3330 or a (9.44%) decrease.

The proposed property tax levy, at a collection rate of 96%, will generate approximately $18,122,093. The City's aggregate taxable value increased by approximately 13.8%. The comparable taxable value (an effort to compare "apples to apples" from the preceding year) increased by 10.6%. Despite these substantial increases, the increase in taxable value of many properties (if classified as a "homestead" property) is limited to no more than three percent (3%) or the rate of inflation, whichever is less. The 2023 rate of inflation is six and a half percent (6.50%).

To achieve the Roll-Back rate, the Capital Improvement Project Committee prepared a detailed Capital Improvement budget for FY 2024. Capital expenditures, funded through property taxes, utility fees, impact fees, loans, federal and state allocations, and grants, are approximately $11,038,898. The proposed capital improvement projects involve minimal but important improvements to several downtown streets, streetscapes, and

sidewalks; to minor improvements to recreational facilities such as Atlantic and MLK Recreational Centers, the Peck Center, and area beaches, and for other City facilities such as City Hall and the lighthouse. Included in the proposed Capital Improvement Budget are several project costs allocated in the FY 2023 budget but were not completed and the remaining funds of those projects "rolled-over" to the FY 2024 year.

In accordance with the City's reserve policy, approximately $6,472,307 roughly twenty-three percent (23%) of General Fund expenditures, is budgeted for reserve. The restricted reserves of the Building Department, separated from the General Fund, is currently at $1,053,683.

As you are aware, the annual budget is a lengthy and complex document and requires the hard work, support, and assistance of primarily Ms. Testagrose (City Comptroller) and her staff along with the City's Department Directors. Their leadership, experience, and dedication continue to place the City in a strong organizational and operational position. Additionally, significance importance is the frequently unheralded efforts by the individual departmental staff who keep the City's operations running smoothly and proficiently for our citizens. The community is served well by these proud and dedicated employees.

As interim City Manager, I have served in this capacity for approximately 3 months to hopefully assist in bridging the gap and transition between the previous City Manager and the future Manager.

During this time, several projects are underway including the Waterfront Resiliency Design, additional parking improvements in the downtown district, the completion of the City's Welcome sign on 8th Street, the downtown district lighting & drainage improvement design processes, as well as numerous maintenance activities, collaboration with Nassau County on Beach Harmonization and the Ybor Alvarez Soccer Complex, and the improvements to our primary mission of customer service to the public.
