Hi, Mary -

On Thursday, May 14 at 5 pm, we've partnered with the Nassau County Coalition for Community Health to present "[Screenagers Under The Influence: Addressing Vaping, Drugs & Alcohol in the Digital Age](#)," a documentary film with discussion to follow.

We would very much like to involve the City's Youth Advisory Council, believing that they would have a great deal to contribute to the discussion. At your convenience, please let me know if you see this as a possibility.

Thanks very much,

Mark Kaufman, co-founder
